

Kincaid Announces Lower Key Rates Fire Insurance

City Manager Lynn Kincaid this week received a notice of the reduction of the key rate on fire insurance from the State Fire Insurance Commissioner.

The reduction is from 54 cents to 48 cents and came as the result of the purchase of the new fire truck and the improvement of street conditions. This will mean a saving of \$500 per year to the citizens of Burkburnett.

Mr. Kincaid states that he is working on another reduction which will save the City \$400 per year on premiums.

He also states that the savings thus made will eventually amount to more than is now apparent, since the purchase of new equipment to replace the old, worn-out equipment which has been in use for twenty years, will prevent the raising of the key rate which was inevitable under the circumstances.

The new truck cost approximately \$3,000, but at this rate of saving, it will pay for itself in six years.

Lewallen Recital Postponed Again

Mrs. M. E. Lewallen has changed the date of her recital again out of courtesy to the Union Revival, which was to have continued through Wednesday of this week.

The recital, scheduled for Tuesday the 18th, will be an event of Friday evening, June 21st, at the First Baptist church.

Mrs. Lewallen is happy to announce that the Arthur Davis orchestra of Wichita Falls and Bob Hoene, featured musician of the Wichita Falls Civic Symphony orchestra, will be guest artists on the program.

Twenty-five piano and violin pupils will be presented. Everyone is invited.

B. O. Willis Wins Question And Answer Contest

A Burkburnett auto salesman is among the 974 winners in a nation-wide question and answer contest sponsored by Fisher Body and the five General Motors passenger car divisions, William S. McLean, director of advertising for the body-building organization, disclosed today in announcing the results of the competition.

He is B. O. Willis, of the Barrow-Grace Motor Co., who won a second zone award, and will receive \$35 in cash as a result of his efforts. He was entered in the Oldsmobile division of the contest.

The contest, which was open to retail salesmen employed by Chevrolet, Pontiac, Oldsmobile, Buick, LaSalle and Cadillac agencies throughout the country, climaxed an education campaign, emphasizing body features that was started with the introduction of the new models. In commenting upon it, Mr. McLean declared:

"In a day and age when buyers insist upon style as well as safety and comfort, it is only natural that the automobile body should assume increasingly greater importance. The purpose of our educational work, culminating in the questionnaire contest, was to give the salesmen of the General Motors organization answers to all the questions that buyers are asking about the new 'uniteel' turret top Fisher bodies."

Colored Revival Begins Sunday Night

The gospel meeting, conducted by F. A. Livingston, noted colored evangelist, and sponsored by the local Church of Christ, will begin next Sunday, June 23.

The meeting is to be conducted on the lot back of the Farmers Cooperative Gin, on 4th street. The grounds are being flood-lighted, and plenty of seats being arranged for all who wish to attend. A section will be reserved for all whites who wish to attend.

WILL BE "SOUSED" TUESDAY NIGHT

Reading from left to right, top row: Louie Weidenbaum, Henry Grace, L. L. Harris; bottom row: Luther Caffee, Roy Magers, Lynn Kincaid, (honest, it is!) and Leonard Mattingly, just part of the happy little group which is to be 'ducked' Tuesday.

Gossett Announces For Re-election

Washington, D. C., June 16—Representative Ed Gossett, who is serving his first term in the Congress from this district, has authorized the Burkburnett Star to announce his candidacy for re-election.

Mr. Gossett has made a splendid record during the eighteen months he has been in Congress. The first bill introduced by him was one to compel freight rate adjustments and to force the removal of rate discriminations against the Southwest. Much progress is being made in this fight.

In line with his work for equal economic opportunities for the South and Southwest, he strongly supported an amendment to the 1939 Relief Bill which resulted in the partial removal of unfair differentials in the WPA wage scale and resulted in the raising of WPA wages in the South and Southwest and lowering of WPA wages in the North and Northeast.

Mr. Gossett has been an active member of the farm bloc in Congress and has distinguished himself in his fight against the Farm Machinery Trust. His record also proves him to be a friend of the veteran, laborer, and small business man.

Mr. Gossett has earned a reputation for hard work and staying on the job. While serving on 6 committees, he has missed only one roll call since being in Congress.

Friends of the Congressman point to the first sentence of his 1938 platform: "I believe in Democracy. I hate Communism and Fascism." Then, as evidence of his sincerity, they call attention to the Gossett amendment to the first Army Appropriation Bill to pass the House following the President's National Defense message of May 15. The Gossett amendment to this bill provided that none of the funds appropriated could be used to pay the salary of any Communist, Fascist, or Nazi. Speaking in support of his amendment, which the House overwhelmingly adopted, the Congressman said in part: "In this time of peril, when we are concerned with our national defense, it occurs to me that our military establishments certainly ought to be purged of those not devoted and loyal to democratic institutions. * * * We want no 'fifth column' in this country, most especially in our Army and Navy."

Aside from the several amendments by Mr. Gossett that have been adopted by the House, he has been the author of two bills providing better law enforcement at less expense. Both bills have been signed by the President and are now the law. Not since 1923 has a Congressman from the 13th Congressional District been the author of any law.

"The problems of National Defense and International Relations with which this Congress has been

Seeks Re-election

ED GOSSETT

Mother Of Randlett Man Buried At Quanah

Funeral services for Mrs. Lula Clements, 70, a resident of Wichita county for more than 50 years, were held from the First Christian church at Quanah Tuesday afternoon.

Burial was in the Quanah cemetery under direction of Owens & Brumley Funeral Home of Burkburnett.

Mrs. Clements died at the home of a daughter, Mrs. Nora Roberts, in Gladewater Sunday afternoon. Other survivors include two sons, M. J. Mills of Randlett, Okla., and J. C. Clements of Quanah.

UNITED GAS PIPELINE COMPANY LAYS 35 MILES OF 12-INCH PIPELINE

Shreveport, La., June 20—To augment the supply of natural gas to its city gate and industrial customers in the New Orleans area United Gas Pipeline company is laying approximately 35 miles of 12-inch pipe line from Lirette field south of Houma, La., to a point north of the Mississippi river near St. Rose, La., to connect with its Baton Rouge-New Orleans line, according to a statement issued by officials of this company this week. The line extends from the Lirette, Lake Long and other gas fields in south Louisiana.

Laying of the 35-mile line involves an unusually difficult construction problem due to the topography of this part of south Louisiana, the statement said. Much of the territory through which the line runs is dense marshland, in many places completely covered by water, while numerous bayous and canals are crossed.

From Lirette field the line runs nearly parallel to Bayou Terrebone for a distance of 12 miles to a point near Long Lake where it is connected to the 12-inch line of Gulf Natural Corporation. The line of this company is used from Long Lake to Mathews, La. From Mathews the line extends in a northeasterly direction 23 miles to St. Rose.

Contract for the 35-mile pipe line project was let to a Houston, Texas, company and included a multiple submarine crossing of two 10 1/4-inch lines across Bayou Des Allemandes, a distance of 1500 feet, and a 3 1/2-mile 6-inch tap line to serve a sugar refinery near Mathews, La. A separate contract was let for construction of the 3,000 foot crossing of the Mississippi river. Here the multiple type of submarine crossing is also used with two 10 1/4-inch lines laid on the bed of the river at a maximum depth of approximately 100 feet.

To speed up operations the project was divided into three parts and three separate crews were employed. Pipe was received at three central locations, at Houma, Des Allamandes and Parades where it was coated before being transported to the field. Only seamless steel pipe was used and all joints were electric welded.

For part of the project where (Continued on Page 5)

Political Rally July Nineteenth

A political rally will be held here on the evening of July 19th, according to Glenn Haynes, chairman of the county arrangements committee.

Any precinct candidate who wishes to speak may do so for three minutes by sending one dollar to Mr. Haynes sometime before the 19th.

Pat Morrison Addressed Lions On Timely Subject

Pat Morrison of Wichita Falls addressed the local Lions club at their regular meeting Tuesday evening on the subject of "What Our Mental Attitude Should Be in the Days to Come."

He stressed the facts that in the days to come,—days of unrest and mental confusion, that American people should steel themselves against emotional reactions and take on an "over-dose of common horse sense" and think their problems through with the conviction ever present in their minds that "right will win in the end." It was a splendid address and was enjoyed very much by all present.

Miss Louise Kent sang "Just Awearying for You" accompanied by Miss Connie Evert. Miss Grace Preston read "Mrs. Cohen at the Amusement Park" and little Geraldina Jackson sang and danced. She was accompanied by Miss Connie Evert.

It was announced that all plans are complete for the 'ducking' which will be held Tuesday evening, June 25, at 7 o'clock.

A space is to be roped off between the postoffice and the Farmers State Bank for the affair and everyone in the community is invited to see the fun.

Guests Tuesday evening included K. C. Spell of Wichita Falls, Mrs. C. I. Jennings of Corpus Christi, Misses Louise Kent, Geraldina Jackson and Grace Preston; Mr. and Mrs. Pat Morrison of Wichita Falls and fifteen Lionsesses.

President Approves WPA Grant For County Roads

President Roosevelt has approved an allotment of \$256,187 for use in Wichita county road improvement projects under WPA during the 12 months beginning July 1, according to a telegram received here Thursday from Congressman Ed Gossett.

Individual precinct projects which are filled during the next year will, after approval, draw money from this fund. These projects may include widening, graveling and hard surfacing of county roads, building concrete bridges, and otherwise improving farm-to-market roads.

New March Of Time On The U. S. Navy Coming Here Soon

One of the most timely films ever produced by The March of Time will soon be shown at the Palace Theatre. Manager Zimmerman announced today.

Entitled "The U. S. Navy—1940," this latest issue in The March of Time series presents a thorough survey of the status of the American Navy today, and the steps being taken for its future development under President Roosevelt's unprecedented National Defense program.

Special Work At Masonic Meeting

A special meeting of the A. F. & A. M., lodge No. 1027, has been called for Monday evening, according to the secretary, Jess Griffin.

Special work is to be given at that time and every Master Mason in this community is urged to be present.

For every 100 barrels of oil produced in Texas during the past five years, the Texas oilmen found 193 barrels of new oil reserves.

Dogies To Play Oklahoma Team Here June 29th

L. O. Ludington, manager of the Burk Dogies, announced this week that his team will play the Indian Indians here Saturday, June 22, at 3:30.

Mr. Ludington stated that June 22 will be called 'Burkburnett Day' and he is very anxious for all the fans in this community to come out to see the Dogies in action. The team has been reorganized and several new players have been signed.

The Indians will open a two weeks' tour here in Burkburnett. They have not been defeated this season and are said to be one of the best teams in their part of the country.

M. E. Bible School Has 46 Enrolled

The vacation Bible school being sponsored by the First Methodist church opened Saturday with twenty children enrolled in the primary department and twenty-six in the junior department.

The school will last through the 30th of this month and is for children under twelve years of age. All children in the community are urged to attend.

Mrs. M. C. Tucker conducts the classes and she is assisted by other teachers and officers in the children's department of the First Methodist church, of which Mrs. M. E. Prinzing is superintendent.

Magnolia Picnic Next Saturday

Local Magnolia employees, under the leadership of Clyde Elder, S. B. Crissey and Jim Enloe, are planning to welcome Magnolia men and their families from all over this district here for the company's big annual picnic on June 29th.

Mr. Elder states that preparations are being made to entertain 1500 people. W. R. Hill, manager of the chamber of commerce, has contacted all local merchants and business men who have promised their full cooperation to make the affair a success.

A full and varied program is being planned and there will be entertainment for everyone.

The picnic will be held at 5 o'clock at Prescott station, which is even now being readied for the affair.

Magnolia men and their families from Electra, Archer City, Mergart, Olney and Burkburnett will be present.

Barbecue For County Veterans

A free barbecue for all war veterans in Wichita county is being considered a part of Wichita Falls' 4th of July celebration.

Under sponsorship of the veterans council, the barbecue is being planned at the national guard armory and arrangements call for a duplication of the big barbecue celebration held there Armistice day.

Burk Girls Named On M. H.-Baylor Honor Roll

The Misses Mary Frances and Nancy Melba Clark, daughters of Mr. and Mrs. O. L. Clark, Burkburnett, both were named on the honor roll for the spring semester at Mary Hardin-Baylor college, Belton, according to a report by the registrar.

Miss Mary Frances Clark, who received her Bachelor of Music degree in voice with the spring graduating class, is planning to start work on her Master's degree at the American Conservatory in Chicago this summer. She received an A-ranking on a grade average of 2.87 out of a possible 3. Miss Nancy Melba Clark averaged 2.5. She will be classed as a junior next year.

Texas consumed 1,340,893,000 (billion) gallons of gasoline in 1939.

An average of 18 1/2 new oil wells per day were completed in Texas last year.

The "Fifth Column" Problem

The vivid term "Fifth Column," has an ominous significance these days. It first came into use during the Spanish civil war, when an insurgent general announced that he had four columns of soldiers driving toward Madrid—and a Fifth Column, consisting of spies, saboteurs and other enemies of the Spanish Republic, within the city. And since then, we have seen Fifth Columns operating with almost demonic efficiency and success in other parts of the world. The Nazis have developed the Fifth Column technique to an extraordinarily high level—to a very large extent, the collapse of Norway, Holland, Poland, and Belgium was due to the activities of Nazi sympathizers and purchased terrorists within those besieged nations. Sombre rumors of Fifth Column work have even come from France—as witness the recent wholesale dismissal of 15 or 20 French generals who had, according to Premier Reynaud, made inexcusable and impossible-to-understand blunders. And in the British Isles, the authorities have gone to unprecedented ends to ferret out and arrest any and all persons who might be expected to aid a German invasion.

The expected Fifth Column technique in this country is simple and rational. In the words of the President, the Fifth Columnists would attempt to "create confusion of counsel, public indecision, political paralysis and, eventually, a state of panic." In other words, the purpose would be to prevent the attainment of anything resembling national unity. Group would be set against group, class against class, jealousy and hate would be fomented. It is apparent that a start has already been made to this end by alien groups. And, according to Dies Committee evidence, it is a fact that both Moscow and Berlin governments have paid Fifth Column agents actively at work here.

After the policy of confusion would come actual sabotage and terrorism. And there is a widely held fear that we may see this before long, as the armament program swings into high gear. Finally, once the country is thoroughly disorganized, minority groups would attempt to take over the government.

We are now embarked on a war against the Fifth Column. The government has moved cautiously, but it is working. Registration and observation of aliens is likely to come soon—the proposal that the Department of Justice be given control of the Immigration Service shows the way the wind is blowing. And far more severe measures are envisioned.

There is an obvious danger in all this—and a danger that is exceedingly hard to avoid. That danger is that anti-Fifth Column work may become a hysterical witch-hunt. People would exploit personal grudges by unjustly denouncing others to the authorities—vigilante groups, operating outside the law but supported by enraged public opinion, would come into being. The experience of the last war should be recalled, when we went to ridiculous lengths in prosecuting people of German and Austrian heritage whose patriotism was unqualified. Responsible government officials say that every effort will be given to protecting the innocent as well as apprehending the guilty, and that is one tough job.

"WHERE FRIEND MEETS FRIEND . . ."

We think of our bank as more than a place to conduct banking business. We like to feel that it is also a place where old, and new, friends meet. In all of our relations we try to be warm and human. Burkburnett . . . History

As revealed by the files of The Star 10 years ago.

Wallace R. Smith, 31, district foreman for the Meador-Whitaker Pipeline Co., was electrocuted Tuesday morning at 11:30 by a highpower electric line current about one miles southeast of Burkburnett.

Sometime during the early part of last Friday night, thieves broke into the office of Mike Begun and rifled his safe.

The girl evangelist, Miss Alpha Fortenberry of this city, assisted by her party of workers of the Assembly of God Church of which H. M. Savage is pastor, opened a revival meeting on South Ave. B Tuesday night.

Dr. J. C. Morrison underwent an appendectomy in a Wichita Falls hospital last week.

Justice of the Peace H. I. Johnson announced this week that he will not be a candidate to succeed himself in office.

The local chamber of commerce has on hand about 800 pounds of arsenic which will be given free to any farmers in this community who wish to rid their farms of grasshoppers.

Mrs. T. E. Griffin won first prize, Mrs. J. M. Thomas second, and Mrs. Louis Thorp third in the Yard and Flower contest sponsored by the chamber of commerce in the spring. Eighteen other women received honorable mention.

ELECTRA POULTRY & EGG CO.

(By Mickey Brown)
Poultry has become an important factor in diversified farming today. It is proving to be a paying side line in all cases. It may be truthfully said that advantageous local market conditions are responsible in a large measure for the renewed activities on the farm in connection with raising of poultry.

You will always receive the highest market prices for your poultry and eggs when you take it to the Electra Poultry and Egg Company, located at 300 North Main street, in Electra, Texas, phone 168. This is one of the most favorably known firms in this section. They enjoy a thriving business which extends over a

wide territory. This establishment is under the able and efficient management of Mr. E. T. Neville who has at heart the best interest of the producer as well as the consumer. They continually exert their influence for the betterment of this section of the state. They render producers and consumers a courteous, accommodating service and readily give any information which will be of aid in any way to producers.

In making this special business stimulating issue, the writer takes pleasure in complimenting them upon the excellent service rendered producers, as well as consumers, and suggests that you consult them in regard to the poultry and egg market.

L. & F. CHEVROLET CO.

(By Edith Bollinger)
With so many different makes of automobiles on the market it becomes a difficult task to select the auto which will give the most in satisfaction, unless you are familiar with the advantages of each one.

You will find every mechanical improvement devised by our modern engineers which have been tested and proven to be practical, in the new Chevrolet for 1940. The styling is the very latest word in the auto industry. They are larger, roomier, more powerful, durable and economical than was ever thought possible by the engineers themselves, a few years ago.

In selecting the Chevrolet automobiles to distribute to the people

of this section, The L. & F. Chevrolet Company, located at 300 W. Waggoner street, in Electra, Texas, phone 76, has conferred upon them a real saving in auto transportation. They employ trained specialists in their service department to give your auto or truck whatever attention it may need. This concern endeavors to render a sales and service which is unsurpassed.

In making this special business stimulating issue, the writer wishes to compliment them upon their excellent service and suggests that you let them demonstrate these cars before deciding on any make as we believe you will make a tremendous saving.

FURNITURE SERVICE

(By Mickey Brown)
The Furniture Service, located at 208 North Waggoner street, in Electra, Texas, phone 177, offers an excellent upholstery service that is unexcelled. From the beginning, they decided that to render a satisfactory service required not only courteous treatment of patrons, but work that would be superior in every particular. That they have been successful is shown by the volume of work done for so many people throughout this section.

Having anticipated the needs of the people, they have equipped their establishment with all necessary equipment, to be able to turn out the very highest class of work within a reasonable length of time. In order that their service might be complete, they have

employed only those men of long experience that are thoroughly familiar with every detail of the business and use only such materials that have been approved by the trade.

Upholstering is an art, rather than a trade requiring, not only experience, but ability to select the proper design, color combination, and see that all tones and shades fit in with the various decorations and that the peace or set will harmonize in every particular.

In making this business stimulating issue, the writer wishes to direct attention to this up-to-the-minute upholstery and refinishing establishment, the high class of their work and the reasonable prices charged for the expert work done here.

DR. J. F. FORD, CHIROPRACTOR

(By Mickey Brown)
In the first stages of life, the principal thing to be noticed is the brain. It is connected with the spinal column, the conductor for the nervous system, and is the medium through which nature builds a complete body. The baby is born with its organism working normally. As long as nature can continue its constructive work the baby will grow normally and healthy in every respect.

Chiropractic science has disclosed that the spinal column is the most important part of the human body. By scientific manipulation of the spine, displacements and obstruction can be removed. Naturally, health follows.

Any person suffering from an ailment should consult Doctor J. F. Ford, Chiropractor, whose office is located in the Masonic building, in Electra, Texas, phone 29. By making a thorough analysis, this prominent and well

known Chiropractor can detect any displacement or obstruction and remove the pressure which is causing the ailment. After pressure has been removed, health will naturally follow.

In making this special business stimulating issue, the writer wishes to compliment him upon the success he enjoys in the practice of the profession and highly recommends his service to you without hesitation.

Fire Departments Urged To More Thorough Inspections

Austin, June 20— Fire departments in Texas, as well as every section of the North American continent, will do well to take stock of their resources as a step toward coping with fires which may come to wartime industry. Marvin Hall, state fire insurance commissioner said today.

The crucial factor in this war will be the ability of one set of belligerents to keep supplies of machines and foods away from the other, "he said, and such a war may be decided by actions a long way from the battle front. Pointing out that the danger is principally in heavily industrialized areas, the Commissioner said the South would not be in fear of such activities as would other sections of the country.

However, fire departments were urged to make frequent inspections of important properties, particularly large warehouses, and to keep in mind the fundamentals of fire prevention: (1) as little burnable material as possible subjected to destruction in a single fire, (2) limitation of areas and heights of buildings, (3) use of fire walls, stairway enclosures, fire doors and shutters to retard the spread of fires, (4) automatic sprinklers backed by substantial water supplies.

SICK, NERVOUS CRANKY "EVERY MONTH"?

Then Read WHY Lydia E. Pinkham's Vegetable Compound Is Real "Woman's Friend!"

Some women suffer severe monthly pain (cramps, backache, headache) due to female functional disorders while others' nerves tend to become upset and they get cross, restless and moody. So why not take Lydia E. Pinkham's Vegetable Compound made especially to help tired, run-down, nervous women to go smiling thru "difficult days." Pinkham's Compound contains no opiates or habit-forming ingredients. It

MODERN MARKET

(By Edith Bollinger)
There has been a drastic change in the methods employed by the retail grocery business in the past few years. New methods of keeping and displaying food stuffs has greatly reduced the time required for shopping, as well as increased the sale of various food products. A marked advantage of the service rendered by the Modern Market, located at 207 N. Main street in Electra, Texas, phone 265, is the fact that one can secure most everything needed for the table and does not have to shop from store to store to complete their marketing. They carry at all times a complete line of nationally advertised goods, as well as these of local manufacturers. These are kept in the freshest condition by modern refrigeration methods and so that your selections are fortunate in having a progressive firm to serve your grocery line. They render grocery service that is appreciated by the people, as is shown by their patronage. In making this special stimulating issue, the writer wishes to compliment their valuable food service that such a service produces health and but reduces the household problems. GULF SERVICE STATION

(By Mickey Brown)

The high compression motors used in our modern automobiles today, require a high octane gasoline for smooth performance. Low grade gasoline will not give your motor the zip it should have. Manufacturers of modern automobiles are recommending the use of high grade gasoline for efficient performance.

In response to the demands for high grade gasoline and motor oils, the oil industry has produced premium gasoline and motor oils which would not only give peak performance, but stand the roughest tests. If you wish to secure peak performance from your automobile, drive into the Gulf Service Station, located at 200 East Cleveland street, in Electra, Texas, phone 129, where you will find the highest grade gasoline and motor oils, as well as quick all around service.

This station has demonstrated its ability to serve us just as efficiently and with the same thoroughness as any station in the larger cities. They are thoroughly familiar with the various makes of autos and their requirements. It is a well known fact that servicing a car or truck at regular intervals will add many miles of usefulness and reduce driving worries to a minimum.

In making this special business stimulating issue, the writer wishes to compliment them upon the high quality of their products as well as their excellent service and suggests that you give them an opportunity to prove it.

HAYNES MERCANTILE CO.

(By Mickey Brown)

The Haynes Mercantile Company, located five miles north of Electra, Texas, phone 34212, well merits the position they have attained in the business life of this section. They are considered one of the leading Hardware and Implement establishments in this part of the state.

They leave nothing undone in their efforts to provide for the trade the very best McCormick-Deering Tractors, Trucks, Thrashers, and Feed Mills, as well as a full line of repairs in stock at all times. You know that you are going to receive full value for every dollar when you deal with them, because past experience has taught you that they are personally interested in you and your welfare. Thus, you are afforded the dependability of dealing with home people whom you know and who know you and at the same time you receive a service that is second to none. They take great pride in their service and insist that it be kept prompt and courteous at all times.

These are but a few of the many secrets of the success of this reliable concern which has become one of the essential factors in the life of this section. Every one should appreciate the importance of this valuable concern, which is under the able management of Mr. Raymond Haynes.

In making this Special Business Stimulating Issue, the writer is pleased to compliment them upon their valuable service and suggests that they are deserving of your loyal support. Remember, what your section builds, builds your section.

DUCKWORTH FOOD STORE

(By Edith Bollinger)

A well conducted grocery store which endeavors to carry a complete line of staple and fancy groceries, is appreciated. The modern store spares no expense in securing the necessary equipment to enable them to keep their stock in the freshest condition.

When you buy groceries from the Duckworth Food Store, located at 117 North Main street, in Electra, Texas, phone 43, you will not only find it pleasant, but profitable. Their policy is to carry a complete line of food stuff at all times in such a manner that the people will enjoy their periods of marketing which so many find such an irksome task.

Mr. Norman Meadows has been manager of the meat department for the past six months, while Mr. Bob Burnam has been manager of the grocery department for the past two weeks. They are planning on being permanent residents of Electra and will endeavor to render the people a superior food service. The whole atmosphere is one of courteous, efficient attention that at once wins you to the store.

The popularity of this store is not alone due to the well known brands of goods they handle, but in a very great measure to the personality of the management. You can be sure of receiving the very best of service as well as quality, at the lowest possible price.

In making this special business stimulating issue, the writer takes pleasure in complimenting them upon rendering such a magnanimous food service to one and all alike and suggests that you pay them a visit.

If Gums Feel Sore Try "Leto's"

Do your gums itch, burn or cause you discomfort. Druggists will return your money if the first bottle of "LETO'S" fails to satisfy.

W. D. McFarlane Opens Race

Graham, June 20—W. D. McFarlane of Graham opened his campaign for election to Congress in the thirteenth district in a speech before a crowd of several hundred people on the court house lawn in Graham Saturday afternoon.

He was introduced by former Mayor John Gallagher.

He pointed to his record of six years in Congress from this district and pledged "the same hard work and diligent efforts in the interest of all the people" if elected again to that office.

He was enthusiastic in his endorsement of President Roosevelt for a third term and said, "I am glad to claim him as a personal true friend of mine," and glad that such friendship helped to secure many public buildings in this district that helped to provide employment for unemployed men and thus helped dozens of communities in this district. I am proud that in the six years of my service in Congress \$67,000,000 of federal money was secured for buildings and public improvements and labor providing projects in this district, nearly twice as much as most other Texas districts received."

He was cheered frequently during his address, especially when he urged a third term, declared vigorously against un-American activities, declared for maximum of 3 per cent farm loans and declared for a proposal to draft wealth in war and defense measures the same as young manhood for the armies.

Christian Science Services

"Is the Universe, including Man, Evolved by Atomic Force?" is the subject of the Lesson-Sermon which will be read in all churches of Christ, Scientist, on Sunday, June 23.

The Golden Text is: "Lo, he that formeth the mountains, and createth the wind, and declareth unto man what is his thought, that maketh the morning darkness, and treadeth upon the high places of the earth, The Lord, The God of hosts, is his name" (Amos 4:13.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For as the new heavens and the new earth, which I will make, shall remain before me, saith the Lord, so shall your seed and your name remain" (Isaiah 66:22.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "All things are created spiritually. Mind, not matter, is the creator. Love, the divine Principle, is the Father and Mother of the universe, including man" (page 256.)

ELECTRA MACHINE SHOP

(By Mickey Brown)

In this modern age of machinery, the modern machine shop plays a most important part. It is an establishment that accepts the responsibility of keeping the various types of machines in working order for people of the section it serves.

No establishment renders a service of greater importance than The Electra Machine Shop, located at 301 East Cleveland avenue, in Electra, Texas, phone 462. They served their time under masters of the trade and have supplemented this training with constant study of the scientific progress of the industry. They have established an enviable reputation for high class work, promptness and reasonable charges.

The personnel of this shop represents experience that is unsurpassed. They thoroughly understand pattern making, foundry practice and welding, as well as the operation of machines that cut to less than one thousandth part of an inch. No matter what may be your desire in this line, if you will turn it over to them it will be taken care of.

In making this special business stimulating issue, the writer takes great pleasure in complimenting them upon the great work they are doing and suggests that you will find their work all that could be desired.

Texas Furniture & Appliance Co.

(By Mickey Brown)

The furnishing of a home may seem trivial to the average person but in reality is a most important issue. Domestic difficulties often arise in ill furnished homes because of the lack of proper environment.

Do not gamble with your happiness by neglecting to furnish your home properly. The cost is so small, the satisfaction so great that it behooves any of us not to live in an ill furnished home.

If you are in doubt about this statement, just consult the Texas Furniture and Appliance Company, located at 207 West Cleveland Avenue, in Electra, Texas, phone 96. They will readily tell you that a comfortably furnished home is the secret of domestic contentment in practically every home.

This concern has established an enviable reputation as makers of happy, comfortable homes. You will find in addition to furniture for every room, genuine Frigidaires, Radios, Butane Gas Systems, Air-Conditioning, and Win-charger Lighting Fixtures. They are well prepared to furnish your home complete with the most expensive or the moderate priced furniture and appliances.

In making this special business stimulating issue, the writer takes great pleasure in complimenting them upon the happiness and comfort they have brought to so many people and suggests that you let them tell you about furniture and appliances.

STIDHAM FLOWER SHOP

To be successful in the science of floriculture, one must possess a combination of talents and ability which is the privilege of but few to possess. They are talents which are inherent rather than such as are possible of being acquired.

As designers of floral emblems for any occasion, The Stidham Flower Shop, located at 200 West Highland Avenue, in Electra, Texas, phone 338, has attained fame as being artists of unusual ability. Their flowers remain fresh and beautiful for many days.

These florists did not gain their enviable reputation by accident, nor did it come instantaneous. It is the result of hard conscientious endeavor to serve the public in

their highly specialized field in a superior manner. Thus, when a person attains such a high position in their profession, they merit the appellation of a genius.

Flowers are symbolic of the meaning they bring. They are appropriate for holidays gifts, as well as for mother or sweetheart, and are the accepted gifts for those who are ill.

In making this special business stimulating issue, the writer takes pleasure in complimenting them upon their unusual artistic ability, as well as their most complete service, and suggests that you turn your floral problems over to Mrs. O. M. Stidham for satisfactory solution.

Presbyterian Church

Kidneys Must Clean Out Acids

Excess acids, poisons and wastes in your blood are removed chiefly by your kidneys. Getting up Night, Burning Passages, Backache, Swollen Ankles, Nervousness, Rheumatic Pains, Disasters, Cries Under Eyes, and feeling worn out, often are caused by non-organic and non-systemic Kidney and Bladder troubles. Usually in such cases, the very first dose of Cystex goes right to work helping the Kidneys flush out excess acids and wastes. And this cleansing, purifying Kidney action, in just a day or so, may easily make you feel younger, stronger and better than in years. A printed guarantee wrapped around each package of Cystex insures an immediate refund of the full cost unless you are completely satisfied. You have everything to gain and nothing to lose under this positive money back guarantee. Get Cystex from your druggist today for only \$1.

COOL HEADS AND SKILLED HANDS SAFEGUARD YOUR ELECTRIC SERVICE

Lightning is the most frequent cause of interruption to electric service. Above, Lineman K. O. Shoulders is replacing a fuse blown by lightning on the top of a 66,000 volt substation.

• Clambering up a substation structure on a dark, rainy night is no child's play. Duties such as this call for cool heads and skilled hands.

Good electric service doesn't just happen. Routine maintenance work must be supplemented by hazardous emergency repair jobs to protect you from the inconvenience of interrupted electric service. And whether it is an ordinary daytime job or a special trip at night to repair damage done by wind or lightning, these cool-headed and sure-footed men know how to keep your electric service near 100 per cent perfect.

Owen-Elder Wedding To Be An Event Of Sunday, June 23rd

Sunday morning, June 23, at 9 o'clock Miss LaNelle Elder, daughter of Mr. and Mrs. R. C. Elder of this city, will become the bride of William Booth Owen of Grandfield, Oklahoma.

The simple rites uniting the young couple will be read by the Rev. Pearce J. Burns, pastor of the Central Christian church, at the home of the bride's parents. An improvised altar will be banked with fern and white flowers.

Miss Elder has chosen a two-piece blue crepe suit with white accessories for her wedding and will carry a bouquet of orchids and lilies of the valley. She will be attended by Miss Louvain Harris dressed in dusty rose with black accessories.

Curtis Owen of Grandfield will attend his brother as best man.

Miss Benny Pike Patterson of Grandfield will sing prior to the ceremony and an informal reception will be held immediately afterward.

Mrs. J. B. Andrews of Overton, Texas, has been selected to preside at the refreshment table which will be dominated by the large wedding cake, and Mrs. Avis Finch of Goldsmith, Texas, will preside at the register.

The young couple will leave after the reception on a two weeks' wedding trip to New Mexico. They will make their home in Grandfield where Mr. Booth is associated with his father in business.

Miss Elder has lived most of her life in Burkburnett. She was graduated from the local high school and attended T.S.C.W. at Denton. Mr. Owen is the son of Mr. and Mrs. W. A. Owen of Grandfield. He attended school at Cameron college at Lawton, Okla.

Out-of-town guests who will attend the wedding include Mrs. Avis Finch of Goldsmith; Messrs. and Mesdames W. A. Owen, Ed Crawford, Frank Patterson, James Aven, and Mr. Harry Leighton, all of Grandfield; Mr. and Mrs. J. B. Andrews of Overton, Texas; Mr. and Mrs. Kirby Peery, Mr. and Mrs. Albert Owen and sons, Albert, Jr., and Billy, and Miss Marjetta Owens, all of Wichita Falls.

Rainbow Girls Plan Active Summer

Activities of the local Order of Rainbow for Girls for the past week include a trip to Grand Assembly at Galveston and a trip to Dallas on Wednesday where delegates witnessed the conferring of the Grand Cross of Colors on seven candidates.

Seven hundred girls and forty-eight Worthy Advisors attended Grand Assembly at Galveston where Miss Martha Beth Utts of this city was appointed Grand Representative.

Mrs. Jess Griffin, Worthy Advisor of the local Order, was chosen as the Worthy Advisor to serve on a committee with Miss Pearl Slaughter of San Antonio and Miss Mary Sue Hooper of the Polytechnic chapter of Fort Worth to write the letter of appreciation to the hostess assembly.

Those who made the trip to Galveston were Misses Martha Beth Utts, Forda Ouzts, Doris Frances Mager, Maxine Gilbow, Betty Jane Hill and Mrs. Jess Griffin and Mrs. P. G. Williamson.

Wednesday Misses Martha Beth Utts, Mary Blackstone and Mary Ann Danforth were accompanied to Dallas by Mrs. Griffin and Mrs. Williamson where the girls witnessed the conferring of the Grand Cross of Colors and Miss Utts took part in the ceremony as the Grand Keeper of the Door.

Mrs. Griffin states that Misses Blackstone and Danforth were chosen to make the trip to Dallas because they have perfectly mastered their parts for routine meetings.

While in Dallas they were guests of Miss Rebecca Williamson who is past Worthy Advisor of the State of Texas.

The Dallas assembly issued an invitation to the local assembly to attend a tea June 30th in honor of the Worthy Grand Matron, the Worthy Grand Patron and the Worthy Grand Advisor.

The girls of the local order have planned a picnic and swimming party for Friday evening and have been engaged in a membership drive since Tuesday evening. The drive will continue through next week and all local girls who are eligible for membership are asked to consider joining.

Mrs. Griffin states that other activities, including several trips have been planned for the summer.

Postal Clerks Auxiliary Is Organized

Wives of the local postal employees met at the home of Mrs. Luther Caffee last Thursday afternoon to organize a Women's Auxiliary to be affiliated with the National Federation of Post Office Clerks Auxiliaries.

Mrs. H. E. Shamburger, state president, and Mrs. J. Brandt Jones, national vice president, both of Fort Worth, met with the local women and assisted them with the organization.

Mrs. Neal Hall was elected president of the Burkburnett Auxiliary; Mrs. Luther Caffee was elected vice president, Mrs. C. B. Beldon recording secretary and treasurer, and Mrs. Clark Ladd, corresponding secretary.

The next meeting will be held at the home of Mrs. Hall on July 3rd.

Dainty refreshments were served to those present.

Calvary Baptist Announcements

Sunday school at 10 o'clock; Romans, chapter 16.

Preaching at 11 o'clock. Subject: "Salvation—What It Is—How You Get It—And What It Does For You."

Evening service for young people at 7:15.

Song and praise service at 8 o'clock and preaching at 8:15. Subject: "This Old, Tottering World and What We Shall Expect Next." This will be a sane, sound scriptural and straight to the point message. Come to hear it.

Week-day activities: Monday afternoon at 2 o'clock the women of the church will meet to organize a Bible study and soul winning union.

Monday night the men of the church will meet to complete the organization of their brotherhood. Visitors are cordially invited to both of these services.

Wednesday night will be regular prayer meeting night.

Methodist Announcements

Young people's meeting at 7:15 p. m. John H. Rigby, leader.

Evening worship at 8 o'clock. The Women's Missionary society will meet in all day session at the church Monday. Meeting opens at 10 o'clock. Guest Day.

Stewards meeting Monday at 8 o'clock in the evening. Praise service and prayer meeting Wednesday evening at 7:45. Choir rehearsal at 8:30.

Rev. C. W. Thomas, pastor.

Garden Club Had Party For Husbands

A fitting close for the season and for the club life of the Bluebonnet Garden club was the lovely lawn party at the home of Mr. and Mrs. H. S. Grace Monday evening. The event was in honor of husbands of members of the club.

Mrs. H. C. Gilbert, who served the organization as president this past year, was presented with a lovely pottery vase, the gift of the club. Mrs. George Kerr made the presentation.

The evening was spent in playing forty-two. Refreshments were served to Messrs. and Mesdames Wid Phillips, George Kerr, H. R. Hayes, A. H. Bazell, W. C. Gage, Roy Mager, H. S. Grace; Mesdames H. C. Gilbert, D. A. Westbrook, Charlie Boyd, Neal Allen and Miss Janie Patterson.

This was the last meeting of the Bluebonnet Garden club since members have merged with the Burkburnett Garden club to form a new organization.

First Baptist Announcements

We rejoice in the good services that the Lord gave to us Sunday and were happy to have 8 come and unite with our Church. We are happy that we are not having much summer slump in our Sunday school for our people are working and praying.

We (Rev. and Mrs. Manning and Ruth Marie) wish to express our sincere appreciation shown us during these days of illness of the pastor. You have been so kind and helpful and we wish to say, "Thank You."

Note the change in time of our services during the summer months. We are glad to have an increase in attendance in Sunday school last Sunday. Come and help raise it next Sunday.

We are looking forward to our Bible conference to be led by Dr. W. T. Conner, outstanding theologian and Bible teacher from Southwestern Baptist Theological Seminary in Fort Worth. The date is July 19-26. Note this on your calendar.

Sunday school, 9:45; Worship Service, 11:00; Training Union, 7:00; Evening service, 8:15; Prayer meeting Wednesday, 8:15. Jack W. Manning, pastor.

Iva Jim Banning Ill This Week

Pictures were made of the group, games were played and the honoree was presented with many gifts.

Refreshments were served to Karen Flo Prechel, Mary Ann Schroeder, Rita Joy Redman, Juanita Butts, Evelyn Frances and Helen Ruth Birkman, Sherry Ann Walkup, Mary Frances and Sylvia Jo Cosby, Esther, Louise and Marilyn Walkup, Melba Gibson, Peggy Jo Beaver, Wanda Jean Beaver, Carlton Sue Chatman, Wilmer Gibson, Jr., Bobbie Whitney, Charles Good, Buddy and Roy Beaver; Mesdames Roy Samsill, Wilbur Prechel, Albert Walkup, Homer Beaver, Oscar Schroeder, Wilmer Gibson, Carvel Good, Wayne Redman, Millard Chatman.

Those who sent gifts but were not present were Betty Gale McHam, Lowell Walkup, Mrs. J. M. Peoples and Papa Anderson.

Mrs. Caffee Hostess To M. E. Circle

Circle No. 1 of Methodist Missionary Society met Monday, June 17, in Mrs. J. L. Caffee's home.

Mrs. O. R. Wood gave devotional and conducted business session. Plans were made for a Guest Day Luncheon to be held Monday, June 24, at the church. The mission study lesson was conducted by Mrs. C. W. Thomas on the subject "Right Here At Home."

Refreshments were served by the hostess to Mesdames W. A. Browning, F. R. Knauth, H. C. Gilbert, E. Jeffers, O. R. Wood, W. W. Arrington, C. W. Thomas, R. L. Gragg, C. E. Baker, and two visitors, Mrs. Clark Ladd and Mrs. C. I. Jennings of Corpus Christi.

FRANK J. DARR
BUILDING SPECIALTIES AND MANAGER
WICHITA FALLS HOME INSULATION

(By Mickey Brown)

Every man, woman and child should be interested in the progress and expansion of their home town. Only by such progress and expansion can we hope to offer the coming generation an equal opportunity to establish themselves in society.

The guiding influence of Frank J. Darr, who recently moved into a more convenient location at Clark and McGregor streets, in Wichita Falls, Texas, phone 5066, has always been a determination to furnish the highest grade of building specialties at reasonable prices so that the extension and beautification of the community can progress rapidly. Thus, the public has come to know that this firm will supply them with the highest in quality building specialties, as well as Rockwool Insulation at the lowest prices, consistent with good business.

There is no one institution in this section which has a greater

influence for the betterment of the building industry. Let them serve you next order of building or Rockwool Insulation will be able to build it and permanency. You will stand as a monument to generations to admire.

In making this special stimulating issue, the pleasure in compliance upon their excellent suggestions that you will firm a most important part of the progress and expansion of this section.

University of Texas consider college a bureau, they tell the women's office. Of rates, 85 per cent place next year, 10 per cent, and 5 per cent will home.

"PARTY" ANDERSON'S GARAGE

It is a very fitting slogan for this modern garage.

They employ trained specialists and surround them with every detail of equipment necessary to enable them to give your car whatever attention it may need. Regardless of the make or model of your car, these specialists can make any repair which may be necessary and guarantee you a satisfactory job at most reasonable prices.

In making this special business stimulating issue, the writer wishes to compliment them upon rendering such a valuable service to car owners of this section and suggests that you drive your car into their shop for an inspection. It places you under no obligation and may save you much trouble and expense.

D-D GROCERY

from their wide assortment of food stuff, you can be sure of their high quality. Few, if any, grocery dealers in this section have attained a prominence equal to that of this popular firm for reliability and accommodation of the public. They insist that everything about their place be kept in accordance with the latest ideas, regarding sanitation. Thus, they have established an enviable reputation for cleanliness and sanitation.

In making this special business stimulating issue, the writer wishes to compliment them upon their dependable food service and suggests that a visit to this store will reveal an abundance of high quality products at extremely reasonable prices.

ROY I. CARTER

with every detail of this most intricate business. A satisfactory fulfillment of their contract is their first consideration.

In making this special business stimulating issue, the writer takes great pleasure in complimenting him upon rendering such an excellent oil producing and drilling service and suggests that it will be to your advantage to lend such a deserving man your unrelenting support.

United Gas—

(Continued from page one)

the pipe was laid through submerged and partially submerged swampland a new type of coating was used. It consists of a patented application of sand, asbestos, fibre, limestone and asphalt binder, which is applied approximately 1/2-inch thick. The combined weight of pipe and coating is sufficient to displace the buoyancy of the pipe and hold it in the water-filled ditches by its own weight. The balance of the line was coated with a hot coal tar enamel and wrapped with asbestos felt.

... HAWKEYE'S NEWS ...

From Liberty Hill Community

The reports that have come to Hawkeye the past few days of the highjacking last week are not just the way it really happened, so Hawkeye talked to Grady Benson, father of Clem Benson, and got the true story for his news, so it could be printed just the way it happened.

Benson and his boy friend, P. G. Erwin, was coming home around 12:35 a. m. and just east of the E. O. Penwell residence east of Randlett's main street, they were held up by three men who robbed them of 80 cents in cash and a watch from Benson. The highjackers drove almost all the way to Devol, then turned south to the Burk Burnett free bridge where just before they got to the bridge they made the boys get out of the new 1940 coupe which belonged to Mr. Benson and took them over a distance from the highway and tied them hand and foot to a small tree with bailing wire then turned around and came east. In the meantime, the boys released themselves from their bondage and walked to a Mr. Nunn's home and he took them to Burk Burnett and reported the hold-up to Chief of Police Bill Stapp, so Brother Will and his aides got busy at once and started on the man-hunt with other laws from Texas and here in Oklahoma. In the meantime the bandits was making their get-away. 'Clown' as soon as he could, he called his father, Brother Grady, and as soon as Brother Grady got the news from his son he started to the Taylor store and just a few minutes after arriving there and talking with Luther Hooper about the holdup, why here came two cars going east, so Brother Grady knew his car as it passed so he phoned to the Red store east of Taylor store to his brother who is operating a filling station at Red store to watch out for them. They passed the store and turned back past the Red store again. That was the time that Mr. Hooper shot the tires off of both cars. One of the cars turned over twice and when it turned over the bandits stopped long enough to release their companion and they went on to Hastings and they went on to Hastings on the rims of the Benson car. They run in Hastings to get their tires patched. The 'phone

operator in Hastings had been notified of them heading that way, so when they were getting their tires fixed, the 'phone operator spied them across the street so she called the laws, but the bandits got cold feet and drove on north without waiting for the tires to be fixed. About 3 1/2 miles north they encountered a bad mudhole; they knew that about 200 Oklahoma and Texas laws and possemen was close behind them with bloodhounds so they left the car and hotfooted it to a small creek bottom where they was surrounded and captured.

They put up quite a battle. Brown was shot through and through with a 30-30 rifle. He passed out. Chambers is in a Duncan hospital and Lauder milk is in the Waurika jail.

Mr. Hooper at the Red store shot the tires off of the cars, not George Beach, our county sheriff. The bandits had a rifle and two pistols.

The two young men of the Taylor store community, Clem Benson and P. G. Erwin, better known as 'Clown' Benson and 'Happy' Erwin, is well respected young men in this part of the county. Their host of friends are

so thankful that the boys came out without any harm done them by the bandits.

Last Thursday morning it came almost a cloudburst here and right on the heels of that rain it came another big rain Saturday. In lots of the wheat fields in this neighborhood it will be a week before they can be combined. There was a hard wind and a little hail with the rain on Saturday but no great harm was done.

Mrs. John Moose and Mr. Blair, Mrs. Moose's nephew, were in Temple on business Friday afternoon.

Hawkeye will start chopping cotton for his friend Brother Brownlee Graham, just as soon as the weather and ground will permit. Mr. Graham's place is one mile northwest of Mooseville.

Col. Gordon Bone started his combine man, a Mr. Sullivan, Saturday morning in his 140 acre wheat field and worked until after 5 o'clock when it rained them out. It will be a week or more before the ground will permit him to combine. The hard wind which accompanied the heavy rain Saturday blew quite a lot of it down.

Quite a few farmers in this neighborhood have informed Hawkeye that the blackbugs are doing a lot of damage to their cotton. The big rains may have stopped them from eating on it.

Hon Grady Benson was transacting business over in Waurika Saturday.

You know we have had so many big rains for the past two weeks that the vegetation is growing so fast that it's outgrowing the cotton. We have several large cotton fields and it won't have to rain any more to lose them; if it just

thunders good and loud they will be gone to the winds.

Hawkeye was shopping up at Dartersville and transacting business also at Mooseville. He had the pleasure of meeting Mr. Ned Adams that he hadn't seen since 1906, when Hawkeye lived near Red store.

CRUSE TIRE SHOP

(By Edith Bollinger)

The Cruse Tire Shop, located at 124 Henrietta street, in Wichita Falls, Texas, phone 7688, have established an enviable reputation throughout this section for fair and honest dealings with their patrons. They sell only quality tires which will deliver the purchaser the utmost in miles. By the installation of scientifically correct machinery for vulcanizing tires, this concern has enabled the people of this section to save more than half on the cost of their tires. They specialize in tractor tires.

They select only the best materials and employ only expert tire repairmen, thus assuring their patrons of the utmost in satisfaction from each and every tire.

Their stock is made up of the highest grade, standard brand tires, carefully selected and rebuilt to give you thousands of miles of satisfactory service.

You are extended a cordial invitation to visit this establishment and inspect the high class work they do. You will gain a valuable knowledge by which you can also save on your tires.

In making this special business stimulating issue, the writer wishes to compliment them upon the excellent work, as well as upon the valuable, economical service they render automobile owners of this section, and suggests that you investigate the great savings which their dependable service offers.

A. & P. FOOD STORES

(By Edith Bollinger)

The A. & P. Food Stores located at 616 Indiana street and 10th and Brook street, in Wichita Falls, Texas, phones 2-0510 and 2-2533, as well as 305 West Main street in Burk Burnett, Texas and 201 North Waggoner street, in Electra, Texas, are institutions of nationwide renown which are successfully bringing the expression, "Economy is the order of the Day" to its fullest realization.

It is exceptionally easy to cut the budget, week-in and week-out, with the uniform low prices on high quality food stuff at one of these A. & P. Food Stores. You use your own knowledge of values to save money by their economical plan of operation. With their enormous purchasing power, it is only natural that they can give you the highest in quality at much lower prices.

The thrifty shopper will find everything which an up-to-the-minute store supplies and more. Every article is plainly marked and so arranged that your selections are a pleasure. There is no delay in waiting to be served, you merely help yourself.

Let us suggest that if you are not already one of their many satisfied regular patrons, pay them a visit. Every day that you hesitate, you are losing money.

In making this special business stimulating issue, the writer wishes to compliment the management of these modern establishments upon meeting the needs of the hour in a most thorough manner and point with pride to their achievements in improving the economic conditions throughout this section.

City Planing Mill & Cabinet Works

(By Mickey Brown)

The City Planing Mill & Cabinet Works, located at 605 Ohio Avenue, in Wichita Falls, Texas, phone 2-2251, is well prepared at all times to serve the people of this section with the very best building materials, as well as cabinet work, obtainable for the construction of homes, apartments, or commercial buildings. This planing mill is one of our most valued assets and is depended upon by the builders of this section to supply them with workmanship and materials.

If you are contemplating the erection of a building of any kind, you cannot do better than consult this reliable concern. They not only can tell you of the best materials to use, but the manager, Mr. Hugo Sander, can refer

you to a most reliable contracting firm who will take care of your needs in a most efficient manner at most reasonable prices. These benefits accrue to the people of this section through this reliable concern. They have become known far and wide for their fair and honest dealings with the public. You will always find their prices lowest for high quality materials and workmanship.

In making this special business stimulating issue, the writer takes pleasure in complimenting them upon rendering such a precise planing mill and cabinet service as well as the high position they have attained in the building circles of this section, and heartily recommends their service to the public without hesitation.

SMITH'S TRAVEL BUREAU

(By Edith Bollinger)

In this day and age the public has become travel minded and demand the best in transportation service at a reasonable price. To be successful in any branch of transportation, an individual must take this fact into consideration. Unless you are acquainted with the high class transportation service rendered by Smith's Travel Bureau, located at 804 Ohio street, in Wichita Falls, Texas, phone 4441 and 6291, you will find it to your advantage to investigate. A trip to the sunny shores of California can be appreciated by anyone. Vacationists should call at once and investigate their trips to Los Angeles which is their specialty.

Not only is this a well equipped and expertly operated travel

bureau, but it is considered one of the leading organizations of Wichita Falls which renders a service that is necessary to the onward progress of this section. Being under the direction of men who are thoroughly conversant with every feature of the business, it has become one of our most important assets.

Mr. J. C. Smith, having had wide experience in this particular field of endeavor, has been able to meet the demands of the public with a type of service that exceeds all expectations.

In making this special business stimulating issue, the writer wishes to compliment them upon the high position they have attained in the business world of this section and heartily recommends their service to you.

AIRPORT SERVICE STATION

(By Edith Bollinger)

All manufacturers of motor vehicles recommend high grade gasoline and motor oils, as well as the proper lubrication, in order that each vehicle may render the maximum of service. The proper lubrication of a car or truck requires expert training. Unless your car is lubricated by a specialist, serious trouble may develop.

Save yourself this trouble and expense by having The Airport Service Station, located on the West Highway, in Electra, Texas, phone 5F212, service your car at regular intervals. They render a service that is unsurpassed, even by the metropolitan stations of much larger cities. The management, having made a special study

of the business, has provided the very best gasoline, motor oil, charts and lubrication equipment in order that you may have a complete service without delay.

This establishment has established an enviable reputation for specialized service. Their products have proven their superior quality in some of the most severe tests possible to give gasoline, motor oils and lubricants. The real test comes from the tank, crankcase and working parts of your car or truck.

In making this special business stimulating issue, the writer wishes to compliment them upon meeting the needs of the hour in a most thorough manner and suggests that they are deserving of your patronage.

YOU ARE PART OF THE Gulf South

● As citizens of the great Gulf South, you have a common interest with us in the growth and development of our communities and our neighboring towns and cities. Together we are interested in the expansion of our present industries and in attracting new ones to this rapidly growing industrial region.

● You are a part of the Gulf South. Your welfare, like ours, depends on the progress of the Gulf South and its communities. You will want to know that this Company is publicizing the industrial advantages of the Gulf South in a comprehensive, long-range advertising campaign now running in several national publications. These advertisements are continually promoting the benefits of this region, and will continue to do so in the future.

● It is our hope that our advertising program, long and consistently maintained, will attract attention to the diversified industrial advantages of this area. As citizens of the Gulf South we extend to American business, on your behalf as well as our own, an invitation to enjoy with us the Gulf South and its unlimited opportunities.

The Gulf South

Invites Industry

... to an Abundant Natural Gas Supply to Feed the Fires of Industry

● Today's industry demands the finest in modern fuel—and the Gulf South meets this demand with smokeless, ashless, fast, efficient Natural Gas. Drawing on hundreds of sources, this Company's pipe lines offer Gulf South industry an abundant supply of this economical industrial fuel, night and day, year in, year out—dependably delivered to the burner!

And Gulf South Natural Gas is a dependable business in its own

right—ably managed, and amply financed. For instance, this Company and associated Natural Gas production and transmission Companies represent a total Gulf South investment of millions of dollars.

In addition to Natural Gas, Gulf South industrial advantages include swiftly growing markets—rail, water, motor and air transportation—native, white, reliable, intelligent labor—good schools—plentiful land—delightful climate.

Industry is decentralizing—ward to a friendlier atmosphere. Move to the Gulf South—where you are wanted and appreciated by your neighbors.

Without obligation, let us

CITIZEN LIFE INSURANCE CO.

(By Mickey Brown)

The Citizens Life Insurance Company, located in the Radio Building in Wichita Falls, Texas, phone 2-1414, has always been an important factor in the promotion of better protection of lives in our various communities. Under the efficient direction of the President, Mr. J. S. Blair, this company has paved the way for many who are now enjoying a fuller freedom of life, knowing their loved ones will be provided for after death has befallen them.

Looking into the past, anyone of us can recall how this or that family were left without any visible means of support, largely due to the fact that she or he had failed to acquire sufficient life insurance. The cost is so small,

the protection so great that it is inconceivable how any person, rich or poor, can afford to be without ample life insurance.

The insurance written by this company embodies the merits of unquestioned security and prompt settlement, backed by years of experience and vast resources. The average investor in life insurance is not in a position to base his selection upon personal examination and quick judgment. Therefore, the wisest course is to buy only life insurance as is offered by a reliable company with a long and successful record.

In making this special business stimulating issue, the writer heartily endorses the policies written by this company and highly recommends them to you without hesitation.

CHITWOOD FOOD STORE

(By Mickey Brown)

We know of no retail grocery store which renders a more valuable food service or maintains a higher standard of quality in food stuff and keeps it in a more sanitary manner than the Chitwood Food Store, located at 500 North Scott Avenue, in Wichita Falls, Texas, phone 9587. This is the one store in this section where the housewife knows she will always receive the choicest food stuff at most reasonable prices.

This store, under the able management of Mr. E. R. Chitwood, has grown from a small fruit stand into one of the best equipped grocery stores in this section. Their business has grown so rapidly that they are now in the process of expansion and are installing new equipment.

You will find this one place

where the highest of quality prevails at the lowest possible cost. It is a modern store in every particular, clean, sanitary throughout. The business is conducted along progressive lines and we are proud to say that it is a credit to the commercial life of this section.

This local grocery has the interest of your home and country at heart. They continually exert their influence for the betterment of their home community. Thus, it merits the liberal support of the entire people.

In making this special business stimulating issue, the writer wishes to compliment them upon rendering such a valuable food service in such a courteous manner and say that the management has been closely allied with the business interests of this section for some time.

COBY'S TORPEDO SHELL MFG. CO.

(By Mickey Brown)

No review of the business interests of this section would be complete without prominent mention of our manufacturing concerns. They are the backbone of every community and are responsible for our prosperity.

There is no concern more worthy of extended mention than Coby's Torpedo Shell Manufacturing Company, located at 906 Van Buren Street, in Wichita Falls, Texas, phone 2-2282. The commanding position they occupy in the manufacturing world of this section, excelling as they do in their special field of endeavor, makes them a valuable asset to this section. Their plant is thoroughly equipped with the latest scientific machinery for the production of Torpedo Shells. As the

advance of the time develops improvements and new methods, they readily accept and adopt them.

From the inception of the enterprise, quality has been their aim and the manager, Mr. King, has maintained this high standard from the beginning. Their Torpedo Shells are recognized by the trade as being made from the finest of materials and of the very best workmanship. They are sold all over the country. Purchasers have always been well satisfied and demand them when in the market again.

In making this special business stimulating issue, the writer wishes to compliment them upon the high quality of their products and call your attention to the advantages accruing to the public by them.

RAY C. ARNHOLD, Architect

(By Mickey Brown)

Architecture is a most important profession. The architect is capable of conserving time, money, providing greater comfort and beauty, as well as creating more convenient arrangements within a limited space. The metropolitan communities have learned to appreciate the services of the architect who makes a special study pertaining to these features.

No matter what you may contemplate in the way of building, you look upon it as a lasting, permanent accomplishment and you want to realize full value for every dollar invested. By consulting a reliable architect who can advise as to plans, materials and construction, you will not only realize full value of your investment, but will have a structure of which you may feel justly proud.

We know of no architect in whom you can place greater confidence than you can in Mr. Ray C. Arnhold, whose office is located at 204 Hamilton Building in Wichita Falls, Texas, phone 9355. He has established an enviable reputation as an artist in his chosen profession. Many buildings in this section stand as monuments to his ability.

In making this special business stimulating issue, the writer wishes to say that he has been of great benefit to the modernization of this section and takes great pleasure in highly recommending his services to you without hesitation.

AUGUST'S PIE SHOP

(By Mickey Brown)

There is no one firm that contributes more liberally to the upbuilding of this section than the August's Pie Shop located at 1500 North 6th street, in Wichita Falls, Texas, phone 9241. Their modern plant is well equipped with all the latest scientific machinery for quantity production of high quality pastries.

Their products are made by their own individual process. They use only the purest ingredients obtainable in their products and maintain a plant that is scrupulously clean. Thus, they produce appetizing zesty giving food products which have become famous throughout this section. When you purchase their pastries and cafe supplies you are sure to receive fresh, clean and pure products. Nowhere will you find better flavored or more delicious delicacies.

The people should be proud to have such a beneficial concern in their midst. It not only aids in the development of this part of the state, but is a prominent factor in the industrial life of the community. Their policy is to maintain the reputation of local made products.

In making this special business stimulating issue, the writer takes pleasure in complimenting them upon producing such excellent products, as well as the important position they have attained in the life of this section and suggests that you give their products a trial.

Connally-Smith Bill Aimed Against Aliens

Washington, D. C., June 20—The Connally-Smith anti-alien bill rapidly sped toward passage by the Senate and House, is meeting with acclaim throughout the United States as a measure expected to aid materially in the control of "fifth column" activities in America.

Offered by Senator Tom Connally of Texas on behalf of the Senate Judiciary Committee, the measure requires deportation of certain classes of aliens and the fingerprinting of aliens seeking to enter the United States.

"In addition," states Senator Connally, "the bill forbids tampering with military or naval forces of the country, or advocating overthrowing or destroying the government by force or violence."

"Aliens subject to deportation include those aiding any other alien to enter the United States in violation of law, any carrying a gun designed to shoot more than one shot without reloading, and those violating the Alien Registration Act," Senator Connally explained.

"No visas are allowed any alien entering the United States who has not been registered and fingerprinted and all those without visa, re-entry permit or registration card shall be excluded," Senator Connally continued, adding:

"Every alien in the United States over 14 years of age must be fingerprinted and registered. Applications for registration are to be made at designated post-offices, and aliens are required to give notification of change of residence within five days."

Cat Nurses Baby Squirrel

Dame nature makes odd adjustments some times! J. T. Welch, high school youth of Denison, Texas, has a strange family. It consists of a mother cat, four kittens and a baby squirrel. The young cats and squirrel can be seen scampering together almost any time. Young Welch found the baby squirrel near his home shortly after the kittens were born and added it to the brood of the tabby cat, which promptly accepted it as one of her own. Now the squirrel scrambles with the kittens at meal time and is thriving as rapidly as its adopted sisters and brothers.

More than one-fourth of all the petroleum produced in the entire United States to date has been produced by Texas.

ALBRITTON'S SHOE STORE, Inc.

(By Edith Bollinger)

In this day and age of high prices, it is most essential that every community have an establishment where the public can obtain shoes at reasonable prices. Not only must the price be reasonable, but the quality must be high.

You will find the stock at Albritton's Shoe Store, Incorporated, located at 713 9th Street, in Wichita Falls, Texas, phone 7550, to be composed of shoes of every description. You will find correct footwear, styles, fads or fancies ready and waiting for you at this modern store. Do not be satisfied with the limited stocks, styles and high prices of other similar stores,

inspect the unlimited stock of shoes at this shoe store which can be had at money saving prices.

This is considered one of the most progressive shoe establishments in this section. They save their patrons many dollars annually on high grade shoes. Thus, the management is rendering a most valued and essential service.

In making this Special Business Stimulating Issue, the writer wishes to compliment them upon rendering such a valuable shoe service and suggests that a visit to this store will be a revelation in style, as well as possible economy, especially so if you are bothered by the present season of high prices.

ARMY STORE

(By Mickey Brown)

Few people realize that an army goods store serves the public in a double capacity. Not only do they offer the people articles of high quality at reasonable prices, but purchase articles which the people have paid for in taxes, thus avoiding much waste.

The Army Store, located at 709 Indiana Avenue, in Wichita Falls, Texas, phone 9554, is rendering a service to the people that is appreciated. It is under the able management of Mr. Charlie Dayton, who personally sees that the people of this section are supplied with a large stock of men's clothes, work clothes, shoes, as well as a complete line of tents, coats and other camping supplies.

All articles will be found in the best condition at prices which denote real true value.

There are three phases to their service and all three are found in evidence at all times. The first and primary

Gossard Announces

Continued From Page One

struggling are perhaps the gravest ever to confront our country. Congress must leave nothing undone to prepare the United States for all emergencies," states Mr. Gossett.

As to his campaign, the Congressman says: "I have had no time to think of my personal problems which, of course, are secondary. I will stay by my post of duty so long as necessary during this crisis. I redeclare my platform and promises of 1938 toward the fulfillment of which I have been working. I will have little if any, time to campaign, so am trusting to the finest citizenship in the United States for reelection to a second term in Congress."

Congressman Ed Gossett has long been a serious student of international affairs and has long declared the preservation of peace to be the world's greatest problem. He has always been a strong supporter of President Roosevelt's

—For Your Next—
County Judge

I am sure there is nothing that a man more deeply than I am a kind word friend. I am truly grateful for the reception I am daily in my campaign for re-election of the 78th District Court.

I want you to know that it is my earnest desire to meet each one of you personally; but, no how great that desire is, I know that it is impossible. It is not my intention to completely disregard responsibilities accompanying the work that have entrusted to me, whether it be during a campaign or any other time. In fact, throughout the week, including Saturday, I have been trying to meet you.

It all boils down to this. I like my job and want to continue to serve you as your Judge. If I have kept faith with you, please remember me on July 27th.

IRVIN J. VOGEL
Candidate For Re-election
Judge 78th District Court

TOP HONORS TO FORD

FOR THINGS THAT COUNT

FOR GAS ECONOMY!

The 85 h.p. Ford gave best gas mileage of all standard-drive cars at its price in the annual, officially supervised Gilmore-Yosemite road test!

FOR PERFORMANCE!

Ford cars took the first four places in the 3700-mile Argentine Grand Prize road race, setting new speed records for this classic event!

FOR SMOOTHNESS!

The only 8-cylinder engine in any car at low price!

FOR BRAKING POWER!

The biggest hydraulic brakes ever used on a low-price car!

FOR KNEE-ROOM!

Rear-seat passengers enjoy more knee-room than in any other car at the price!

CHECK EQUIPMENT!... See how much more you get in a Ford at no extra cost

FORD V-8

DIFFERENT FROM ANY PRICED CAR YOU'VE EVER SEEN
