Campbell Says He Had Reasons

Police Chief Quits In Protest Over Firing

Bulldogs Open With Dawson

The Loraine Bulldogs will take on Dawson in Welch Friday night as they open their season of football competition.

The game is scheduled to start at 8 p.m., as are all non-district games.

Bulldog Coach Ken Lightfoot said that he has talked to some of the area coaches about the Dawson team, but none of the teams they have scrimmaged. Dawson had scrimmages with Ropes and Meadow, both strong teams, and the Dawson team lost both the scrimmages.

As far as offensive and defensive team formations, Lightfoot said he doesn't know what the Dawson team runs as the Loraine school does not have a scouting program. Lightfoot and Assistant Coach Doug Guynes are the school's two coaches and they are busy with coaching duties during games and unable to scout.

Father, Son Drown In Champion

A father and son, Richard Joe Ybarra Sr., 47, and Richard Ybarra Jr., 9, of Snyder, drowned in Lake Champion Saturday afternoon when the older Ybarra slipped and fell into the lake and his son and 12-year old daughter tried to save him.

J. W. Hicklin and his 16-year old son, Scooter, pulled the father's body from the lake from near the bank and managed to get the girl, Mary, from about 30 feet from the bank and revived her. Their efforts to find the son and to revive the father were unsuccessful.

Hicklin said the family was fishing from the bank on the south side of the lake in the Seven Wells area, just in front of his house, when the accident occurred. He said they heard the screams of the mother and went to see if they could help.

The boy's body was grappled from the lake about 45 minutes after the accident by members of the Colorado City Volunteer Fire Department.

Hicklin said the water is about 14 feet deep where the father slipped into the lake and that no member of the Ybarra family could swim.

Justice of the Peace Henry Doss ruled accidental drowning in the two deaths. Time of the accident was about 3:30 p.m. Saturday and the body of the Ybarra boy was recovered about 4:15. Mary was taken to Root Memorial Hospital by Mitchell County Ambulance after she revived.

Mitchell County Sheriff Bill McGuire, who was called to the scene along with deputies, said the Fire Department volunteers were very efficient in their operations, recovering the boy's body about 10 minutes after grappling began.

Funeral services for the Ybarra were held 2 p.m. Tuesday at Iglesia Templo Bautista in Snyder, the Rev. John Guzman, pastor, officiating.

Burial was in Snyder Cemetery under the direction of Bell-Seale Funeral Home. Ybarra Sr. was an oilfield worker in Snyder.

Survivors include his wife; two daughters, Mary and Alice; his parents and five sisters and five brothers.

Lightfoot said that the Dawson team will be about the same size as the Bulldogs but he doesn't know about their speed.

A Pep Rally will start in Bulldog Gym at 2:30 p.m. Friday and all Bulldog fans are invited to attend. School will be dismissed following the rally and the team will depart for Welch at that time.

Phone Co. Asks Increase

Charges May Go Up Again

Southwestern Bell Telephone Co. filed a combined request Wednesday with the Public Utility Commission for an increase in telephone rates in the state.

The action was taken on the first day the commission had regulatory authority over telephone rates in Texas.

The raise would produce \$298.3 million in additional annual net operating revenues.

In Colorado City and most of Mitchell County, the proposed rates will be as follows:

--One-party residence, \$7.40. Current rate is \$6.75.
--One-party business, \$17.80. Current, \$14.50.
--Two-party residence, \$5.35. Current, \$5.15.

--Residence extension, \$1.50 each, currently the same.

--Business extension, \$2.25. Current, \$2.00.

The city's service is rated in the Class II group for 3,201 to 8,000 billings per month.

Westbrook receives service in the Class I group for 1 to 3,200 billings per month and will see a reduction from the current \$7.50 monthly rate for a one-party residence to \$7.25 in the new plan.

Aston Warns Dove Hunters

Dove hunting season opened in the county Wednesday and Game Warden Ronnie Aston reminds hunters that the legal hunting times are from noon to sunset.

Aston said the dove season is split and January's season will allow hunting from sunup to sunset but the Sept. 1 through Oct. 14 season is for the afternoon only.

Aston also cautioned about trespassers or road-hunters and encourages citizens who witness any violations to phone him at home, 728-5522 or through the Sheriff's Office.

Assistant Police Chief L. C. Devorce was fired by City Manager James Campbell Tuesday afternoon and Police Chief Jesse Browning resigned in protest over the action.

Devorce has been a city patrolman for six years and assistant chief the last two years.

Browning was to retire at the end of September, following his 65th birthday Monday, Sept. 6.

Campbell said the decision to fire Devorce was his, as it is his duty as city manager to hire and fire city personnel. He said that Chief Browning had been informed earlier Tuesday that Devorce was to be fired.

Browning said that he had always had the policy that, without legitimate reasons, none of his men would be fired.

"I always said I'd go before any of my men did," Browning said as he prepared to turn in his uniforms and equipment Wednesday morning. "I've been ordered

to fire some of my men before and when everything was brought out, it proved that I was right."

Browning said he did not think that the reasons given for Devorce's firing were sufficient and so he submitted a letter of resignation to Campbell at 1 p.m., effective 5:30 p.m. Tuesday.

"I heard rumors, but no facts," the former chief said. Campbell said that Devorce's application for the position of Police Chief had no relation whatever to his firing. The council currently has a screening committee interviewing applicants for the police chief position.

Devorce, when contacted by the Record Tuesday morning, said that he was not

given any reason for the firing. Campbell, however, said that he told both Browning and Devorce the reasons for the firing and told the Record that the reasons would be outlined in a letter to be given Devorce Wednesday.

Campbell said, "I had quite valid reasons for firing him."

Under the terms of the city charter, the council hires the city manager and all city departments come under the jurisdiction of the city manager. Colorado City Mayor, Dr. Elton Berkman, was out of town on vacation and unavailable for comment, but Campbell said that the decision was his (Campbell's) and not made

during a session of the Council. Campbell said that until a chief can be hired, he is currently acting chief, as the department comes under his jurisdiction. Day patrolman in charge is Jerry Cowin and night patrolman in charge is Sgt. Pat Fuller.

Pep Rally

A gigantic Pep Rally has been set for 9:15 a.m. Friday in the CHS auditorium and Wolves fans are invited to participate.

There will be speeches and skits, all meant to fire up the Wolves team for their first game of the season with the Slaton Tigers.

The cheerleaders will lead yells and teach the student body a new Frankenstein chant. Superintendent Lloyd McKee will be guest speaker at the rally and his son, Senior Wolf Wayne McKee will speak on behalf of the team.

The game will be in Wolf Stadium with kickoff set for 8 p.m.

Wolf-Tiger Clash Friday

Wolves Put 2-0 Record On Line

"They're calling this game the 'Game of the Century,'" Coach Mike Farda said as he previewed the game with Slaton which will mark the opening of the football season for the Colorado High School Fighting Wolves.

Kickoff will be 8 p.m. Friday in Wolf Stadium as the Wolves host the game with two-year rivals, the Slaton Tigers.

Colorado City has Slaton down 2-0 in the rivalry and Slaton is billing the game the "Game of the Century" because of their No. 1 ranking by Top-O-Texas magazine, followed by Colorado City ranked No. 2.

Both teams are in Class AA but in different districts and the Slaton club went on last year to tie for district and then win the toss to advance in playoffs. They were eliminated in the State quarterfinals and Colorado City, although defeating them in the season opener 14-13, did not capture the district crown.

Farda said it will be one of the most exciting games of the year for the Wolves, "a good head knocker," he said.

"I think the boys learned a good lesson last week in Crane and they've really worked hard this week. They are anxious to play and we've had real good work-

outs this week. Our mental attitude is good," the Wolves coach said.

"We're pretty evenly matched as far as personnel and talent goes," Farda said. "Mistakes may make the difference in the game and our boys are prepared for all the stunting Slaton does on defense. We're going to run right at them."

One of the key people Slaton has is the 6'3", 165 lb. Quarterback, Mike Tumlinson. Farda said he can throw the ball as well as anyone the Wolves will face this year, running the option out of the Slot I. He not only carries the ball and throws it, he also is their punter.

"This year's Slaton club is better than the ones we faced the last two years," Farda said. "They have a big tailback, Johnny Johnson, who is as good or better than the McCleskey kid they had last year. McCleskey was picked to the All State team last year, but this Johnson kid is speedy and has quick feet. We're going to have to try to contain him with our ends and then tackle him with our pursuit."

Slaton also has good pursuit with their defenders, Farda said, their big quarterback also playing defense.

Ticket Deadline

Deadline to purchase and pick up season tickets to the five Wolves home games is 3 p.m. Friday at the Colorado High School business office.

Tickets left over will be taken to the gate at Wolf Stadium and sold at general admission prices, \$2 each.

Purchase of season tickets in advance represents a savings to Wolves fans of \$2.50 as they sell for \$7.50 but are \$2 at the gate.

Meeting Tuesday

Mitchell County Extension Agent Bob Benson has announced a meeting in the upstairs meeting room at City National Bank for members of the Mitchell County 4-H and FFA Livestock Association members.

The meeting will be Tuesday at 7:30 p.m. to set dates for the county Livestock Show, review rules and start collecting money for the show.

WOLVES BAND BOOSTERS organization manned a booth at the Pigskin Preview to boost membership in the group which will meet the first Tuesday of each month at 4 p.m. in the CHS band hall. First meeting will be Tuesday, Sept. 7. Here Vice President Esther Guelker and President Midge Ledbetter give membership cards to Jody Neff and J. C. Britton, left to right. Memberships are \$5 per family or business.

CHANGES OWNERSHIP--C C Printing Co. has changed ownership effective Wednesday, September 1 as Don Banta, 14-year printer with the firm, has bought the company from Mrs. Frances Myers. Here Mrs. Myers and Banta stand beside one of the shop's office supply displays.

C C Printing Co. Has New Owner

Mrs. Frances Myers has sold C C Printing Co. to Don Banta, effective September 1, Wednesday.

The business celebrated its 25th anniversary this year, begun April 1, 1951 by Mr. and Mrs. Clem Myers. Myers died in 1971.

Banta joined the business as printer in 1962 and, since Myers' death, has aided Mrs. Myers in the business operation.

Myers bought the printing business from the Colorado City Record after working for the Record since moving here in 1942. Record owners, the Whipkeys, sold the newspaper to Pete Geller, who decided in 1951 to get

out of the printing and office supply part of the business.

When the business first opened, from April to July, it was housed in the south end of the old Record office on Walnut, moving to 2nd Street where Holbert's Appliance is now located, for the next two years. The business firm has been in its present location, 154 Walnut, since 1953.

The same year that Banta came to work for the firm as a printer, Myers bought out Maniss Printing. For 25 years, the business has offered complete, customized printing and office supplies for every need.

THE CLOWN, a musical drama was presented to the students of Colorado High School at 10 a.m. last Friday in the school auditorium. The actors, actresses and choir are members of the First Baptist Church and had presented to several churches as well as their own prior to this appearance. The play received a standing ovation from the audience.

First Baptist Youth Choir Presents The Clown At CHS Friday, Aug. 28

The Youth Choir of the First Baptist Church presented *The Clown* Friday, Aug. 28 to the Student Body of Colorado High School.

Presented in the High School auditorium, the musical drama was directed by Jeff McGowan, musical director of the First Baptist Church, and written by Carl Mays, head of Creative Ministries.

Using a setting of a bus stop complete with garbage cans, bench etc. the actors and actresses present the Christian witness by representing a modern day street scene with Biblical parallels.

Confronting EVIL, represented by four members of a street gang wearing black T-shirts, the main character, the Clown unfolds the basis of the Christian belief.

In humorous asides to the audience as well as direct conversation to the Clown, the four members of EVIL try to tear down the Christian beliefs with cynical and sarcastic views of the Way, the Truth, and the Life and the relevance of religion and God.

Each question asked by the members of EVIL is answered with a song featuring a soloist and harmonized by the choir. They dress in casual blue jeans and shirts to give the play its informal air.

The play comes to climax with the conversion of one of the EVIL gang.

Lesia Wilkinson portrayed the Clown as the main character with E played by Mark Reynolds, V played by Malinda Cook, I played by Rayanna Padilla and L played by Roger Roenfeldt.

Other characters were the passerby, played by Tracy Shawn; the Shepherd, played by Danny Edwards; Woman of the streets, played by Marla Bodine; the first blind person, played by Tracey Gassiot; second blind person, played by Anne Marcom; Matthew, played by Dale Adams; and the criminal, played by Mark Miles.

Soloists were: Mark Padilla "Jesus! (He is the Son of God)"; Lesia Blankenship, "Jesus Has The Power"; Genia Guelker and Patty

Padilla, "The Devil"; Marla Bodine, "Winter Rain"; Mark Miles, "With Me In Paradise"; Lesia Blankenship, "The Way, The Truth, The Life"; Laurie Kay Wilkinson, "We Can Live"; Lesia Blankenship and Rayanna Padilla, "Tell The Real Story"; and Lesia Blankenship, "The Time Is Now."

The Choir's sopranos were Brenda Barker, Marty Callaway, Donna Howell, Sherol Ledbetter, Lesia Blankenship, Melissa Gorham, Janet Howell, Dawn Lemons, Laurie Kay Wilkinson, Nina Bodine, Genia Guelker, Deborah Iglehart and Anne Marcom.

Altos were Marla Bodine, Mary Holder, Tracey Gassiot, Donna Mills, Tracie Hammond and Patty Padilla.

Tenors were Ricky Callaway, Stephen Kimmel, Danny Edwards, Mark Padilla, Timmy Womack, Da-

wayne Iglehart and Elmer Ward.

Basses were Dale Adams, Mark Miles, Randy Chambers, Mark Kimmel and Tracy Shawn.

Jane McGowan and Tex Blankenship operated the sound equipment.

The cast was given a standing ovation by the students.

"How is lignite coal helping my electric bill?"

UNDERSTANDING YOUR ELECTRIC BILL

By using lignite coal to generate electricity, Texas Electric will be saving its customers \$44 million in 1976.

We've turned to lignite because natural gas, our main fuel, is running out. New supplies of gas just aren't available in the huge quantities we need. Those supplies that are available have soared in cost.

In 1976 the lignite and the plants that use it will cost less than new natural gas alone. Here's how:

\$86 million
- 42 million
\$44 million

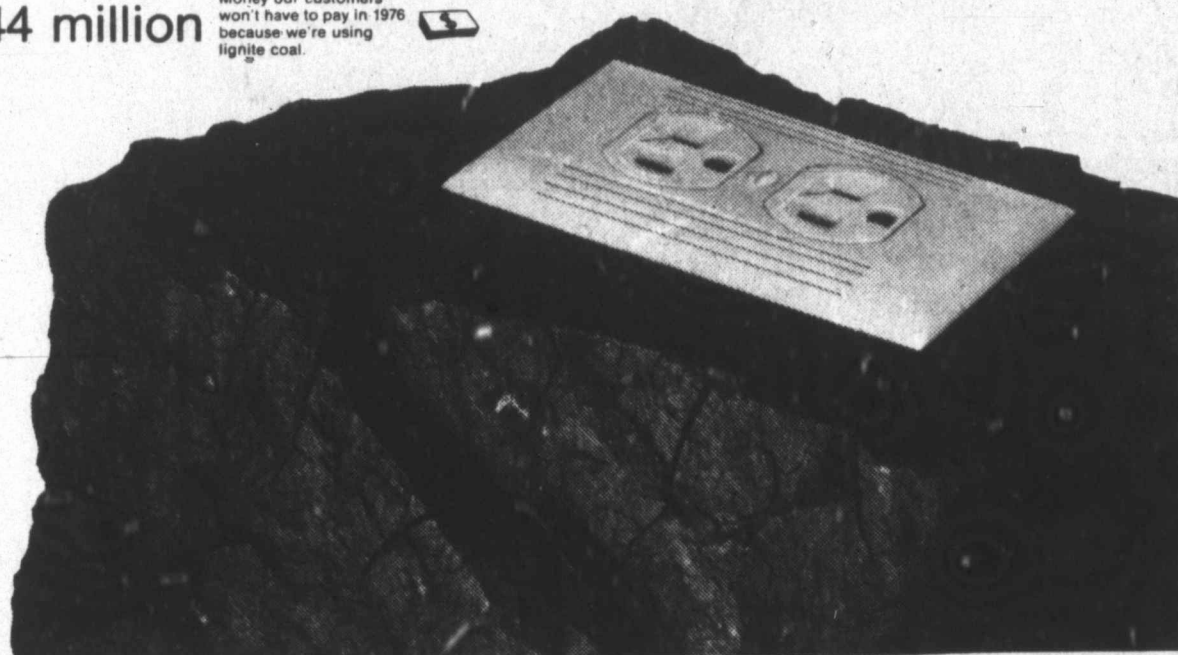

The additional natural gas we would need in 1976 if we weren't using lignite.
The cost of lignite and the one-year cost for plants to use it in 1976.
Money our customers won't have to pay in 1976 because we're using lignite coal.

These savings will continue in the years ahead. In fact, they will increase as we add more lignite power plants and our nuclear plant.

This doesn't mean rates will go down. But we will be able to keep increases in your electric bills as low as possible.

Oh say can you see by the dawn's early light
What so proudly we hail'd at the twilight's last gleaming?
Whose broad stripes and bright stars, thru the perilous fight,
O'er the ramparts we watch'd were so gallantly streaming
And the rockets red glare, the bombs bursting in air,
Gave proof thru the night that our flag was still there,
Oh say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

BANK CENTS

Presented By
FIRST STATE BANK
Loraine

It is never good business practice to write a check that is not covered by sufficient funds in your bank account. The bank is not obligated to honor your check unless the money is already in the account and has been fully collected. By collected, we mean that if you deposited an out of town check or a check on any other bank, most banks do not give you immediate credit for that deposit. The bank sends the check you deposited to the bank on which it was drawn and waits to see if it will be paid before you are given credit for the deposit.

It is not a good idea either to give a post dated check. A post dated check likely can be cashed before you intended. This can easily put you in a position of having a bad check. You have to remember computers only read the numbers at the bottom of the check, not the date or payee. There are just a few tips that make good BANK CENTS.

We want you to know more about our business!!!
