HART, CASTRO COUNTY, TEXAS, THURSDAY, JUNE 27, 1974

NUMBER 10 GRADUATES - Jimmy Brown, fleet Longhorn who has helped HHS garner athletic laurels during his own high school career, completed graduation requirements this summer and will attend Pratt (Kansas) Junior College on a football-track scholarship. The popular graduate poses with a scrapbook compiled by Mrs. Frank Barnes of his achievements this year.

Mosquito Control Needs City-Wide Cooperation

Residents of Hart are asked to cooperate in a campaign to control the mosquito problem in

the city. Help of all citizens is needed in order to make the effort successful.

Persons are requested to intensify efforts to keep vacant lots mowed and free of rubbish which would provide breeding spots for mosquitoes. Alleys and yards should also be kept free of tall weeds and grass.

A mosquito free city would not only be safer but more liveable and attractive.

Hart Youth Plan Activities

Invitation to all youth of the community to participate in activities of the First Baptist Church youth is extended by Miss Debbie Bevell, youth director, and the Rev. Randall Scott, pastor.

Thursday evening at 8 p.m. is designated as "Fabulous Fab" for students in junior high school.

A youth "sing-a-long" and fellowship is planned for 8:30 p.m. Friday. Special guests from Texas Tech University will attend. "Friday night," the church bulletin reads, "is a time for singin' in celebration."

Horn's 'Number 10' Receives Scholarship

Speedy little Number 10 for the HHS Longhorns and flash on the cinder track, Jimmy Brown, will be attending Pratt (Kansas) Junior College this fall on a football-track scholarship.

Brown, who lacked one-half credit graduating in May, has completed the required work and this week received his high school diploma.

Dubbed as Most Friendly in HHS in 1972-73, Brown captured the Most Athletic title the past three years and compiled numerous athletic achievements.

Brown earned three football letters and was selected three years to All District honors. He was named by the Amarillo

Daily News as Player of the Week in both the 1973 and 1974 seasons.

In 1972, Brown ranked in the state's top 220 yard run tracksters with the four top runners posting 21.0 records; Brown and Tim Son of Plainview held 22.2 records.

Competing in the state 100 yard dash contest that year, Brown finished second with a 10.0 performance back of the 9.9 title winner.

As a junior, Brown won first place in district 100 and 220 events and top finish in the 220 in regional. He placed sixth in state competition.

A hamstring injury this year

prevented his third bid for a state win.

Selected for the Prep All America Football annual which was published in March, he was named this year to All District, All South Plains, All State and Super District, a selection determined by Amarillo Globe sportswriters.

Commissioners Okay Rate Hike

City commissioners, meeting in regular meeting Monday, voted to accept the proposed rate increase requested by Southwestern Public Service. The increase will become effective Sept. 1, 1974.

Brown, Graham and Company of Tulia met with the commission to discuss the audit report for the fiscal year ending April 30, 1974. The report was accepted.

Attending the meeting Monday were Mayor Richard Franks, W.T. Sanders, Aubrey Myers and Virginia Reed.

Subscription Salesgirl Earns First Bicycle

One ten-speed bike has already been won in the Hart Beat subscription campaign currently underway and a number of other junior salespersons are nearing the goal.

Rhonda Cole, daughter of Mr. and Mrs. Ralph Cole, has sold the required 25 subscriptions to earn the bike which will be presented Hart Day, Aug. 10.

Any boy or girl in the Hart area may still enter the sales campaign. There is no charge and contest entrants who fail to sell the 25 subscriptions needed to win a bike will receive 25 percent of their sales.

Subscription blanks may be picked up at Hart Cleaners and should be turned in each Monday by 5 p.m. so that subscribers may begin receiving their papers immediately.

Blanks should be filled in completely with the subscriber's name as they wish the paper to be addressed, box number or street address, city, state and zip code. Full payment MUST accompany each order.

Two-year renewals to the Hart Beat will count as one

subscription.

One year new subscriptions are \$5 per year; two year renewals, \$9.

BICYCLE WINNING SALES GIRL - Rhonda Cole became the first Hart youngster this week to earn a 10-speed bike in the Hart Beat subscription campaign. See accompanying story.

Publication To Be Early

The Hart Beat will be published one day early next week because of the Fourth of July falling on the publication date. News items should be turned in to Erma Webb by 4 p.m. Monday.

MRS. BILL RICH

Cooking is not a favorite task or hobby for our Cook of the Week, Mamie Rich. She readily acknowledges it's only a necessary chore and "everyone knows I don't like to cook."

Mamie and Bill have lived in Hart since 1955, one year after their marriage. They met in Plainview and both are graduates of Plainview High School.

The Riches are parents of two sons; Tracy, almost 12, and Derek, 10. They are members of First United Methodist Church.

Needlepoint is one of Mamie's favorite pastimes and she has numerous pretty pillows and samplers which she has done. She is presently working on colorful, pretty turtle which will become a pillow when completed. Mamie also likes embroidery.

Plants are another of her interests and she has two particularly pretty "indoor gardens." Using an assortment of small plants such as those used in terrariums, she has a large pottery pot garden in the living room and a similar smaller one for the dining table.

Mamie also likes tropical fish and has an aquarium which reflects her knack with arrangements.

Daughter of Nora Lee Zybura, Mamie helps out at the gift shop and accompanies her mother to the various markets.
