FIVE AWARD WINNERS

Reunion Full House As 250 Celebrate

By RUTH COFFEY
Editor Women's News

Old-Timer Reunion Thursday morning in Historical Museum here was attended by 250 people, many of them from out-of-town and several out-of-state guests registering.

Highlight of the morning was the annual presentation of awards. With Harry Ratliff presiding, Porter Richardson acted as master of ceremonies for the morning program and award contests.

Mrs. Lutie Wilson, who celebrated her 93rd birthday Thursday, was presented the engraved plaque as "the oldest" Old-Timer present. Mrs. Wilson is the aunt of Mrs. Elmer Martin and makes her home with Judge and Mrs. Martin. Born in Bell County Oct. 15, 1872, Mrs. Wilson first came to live in Colorado City in 1881.

Award for the oldest Old-Timer present, born in Mitchell County, went to Mrs. Carrie Trammell of Sweetwater. She was born here 83 years ago.

Youngest Old-Timer present was also presented a plaque. He was Clark Adams Sweatt, four-year-old son of Mr. and Mrs. W. L. (Dock) Sweatt of the Iatan area. Mrs. Sweatt was before her marriage Miss Frances Hardison, granddaughter of a pioneer Colorado City merchant family the C. M. Adams family.

Mr. and Mrs. Harry Shroder, who live in Tolerance California, were awarded the plaque for having traveled the longest distance to attend the reunion. Mrs. Shroder was before the couple's marriage Miss Mattie (Brownie) Phillips.

Couple married longest proved to be Mr. and Mrs. Sam L. Majors, Sr., who were presented the plaque for that category. The couple celebrated their 62nd wedding anniversary last August 19. They were married in 1903 here in Colorado City. Mrs. Majors is the former Miss Edna Coe.

Registration for the reunion got underway at 9 a.m. Dr. Ralph Graham, pastor of First Christian Church, said the invocation.

District Judge Austin McCloud introduced Pat Bullock of Austin, guest speaker, who made the address of the day in the form of a "welcome." Bullock, who heads the Board of Pardon and Paroles for the State of Texas, is a former State Senator who lived here a number of years. As a young man he taught school in rural areas of Mitchell and Scurry Counties.

Mayor John Chinn spoke a brief response to the welcome address by Bullock. One minute of silent prayer honored pioneers who have died.

Refreshments were served by a committee of hostesses chosen from pioneer families. Reception committee, headed by Mrs. Oscar Price and by Mrs. E. H. Winn, was also made up of wives and daughters of early citizens here.

The museum was kept open all day Thursday and afternoon hours found a number of the out-of-town visitors returning to see the museum collection and artifacts.

Local Soldier In Volunteer Viet Squad

Army Specialist Four, Hollas J. Lewey, son of Mrs. Martha L. Lewey, 1220 W. Point, Colorado City, is a member of a volunteer demolitions squad who has been destroying enemy tunnels and amplacements in War Zone D, while serving with U. S. Forces in Vietnam.

Specialist Lewey and seven other volunteers used a quarter ton of oxplosives Oct. 2 to destroy a complex of tunnels, bunkers and fortifications in War Zone D. The action was done in support of the 1st Infantry Division and the Royal Australian Regiment in coordination with the ground forces of the Republic of Vietnam.

Lewey, a clerk-typist, entered the Army in August 1963.

He is a 1963 graduate of Wallace High School.

St. Closing Wins Okay Of Council

City Council unanimously passed an ordinance to close 12th St. between Pine and Cherry Sts.

School officials had asked for the street's closing due to the large number of students present in the area which separates the baseball field from Wolf Stadium.

Mike Burt moved for the closing and his motion received a second from Lena Porter.

In other action the Council agreed to go along with other plaintiffs in the Coke County damsite dispute. All plaintiffs agreed to drop the suit in return for water rights to the resevoir.

Councilman Henry Lewis moved for the agreement with a second from Lena Porter. The vote was unanimous.

NEW VEHICLE

Board To Ask For Car Bids

Question of purchasing a new school vehicle again was brought before the Colorado School Board by Supt. of Schools Frank W. Wilson.

Curtis Latimer asked if the same situation hadn't been discussed at the previous meeting with the superintendent being instructed to put new tires and overhaul the motor on the current school auto.

The possibility of getting a government surplus car was suggested at the September meeting, but Wilson reported back Monday that the supply was low.

Board prexy Bill F. Carter inquired as to where and who would keep the car. Latimer suggested the car be marked as a school vehicle.

"Are you (Wilson) recommending a trade?" Dr. H. Jene Steakley asked.

"I think I would," Wilson replied.

Steakley suggested that the board table the matter until the next meeting.

"We hammered this thing around at the last meeting," Latimer said, and moved to draw up specifications on a station wagon and advertise for bids. Steakley seconded the motion and it won the board's approval.

Latimer urged that the board "have a firm understanding as to how the vehicle should be used."

Regarding the condition of the present vehicle and needed repair work, Wilson noted that tires had been ordered, but had not arrived.

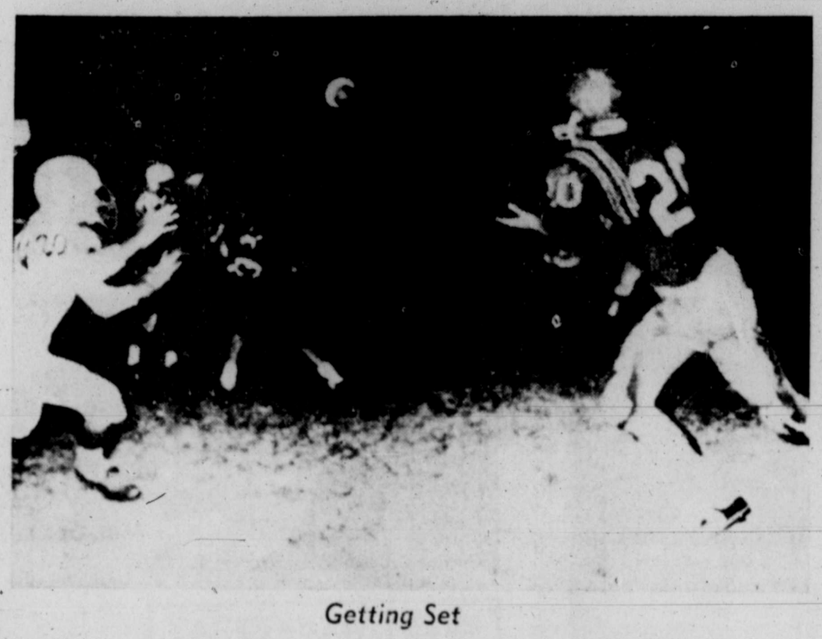

It was then suggested that new tires be put on the car immediately due to the worn condition of the present ones.

"We're getting into administration and spending too much time talking about the car," Latimer said.

Carter agreed, saying that the board had no business talking about the fixing of an auto.

All members were present for the regular monthly meeting with the exception of Ben Sparks who was out of town.

United Fund Kickoff Scheduled Nov. 12

Getting Set

WOLF HALFBACK Donnie Higginbotham is seen fixing to be on the receivng end of a Colorado City aerial during action against Winters. The Blizzards beat the Wolves 42-0 in the Wolf Stadium tilt Friday night.

★ ★ ★ ★ ★ ★ ★ ★ ★

IN RELENTLESS ATTACK

Winters Puts Damper On Wolves 5-AA Hopes

Winters' powerful Blizzards scored 34 points in the first half and went on to a 42-0 victory over the Colorado City Wolves in a battle of District 5-AA leaders.

The Blizzards mounted a tremendous attack and took full advantage of three Wolf fumbles and a leaky pass defense.

There was more to the game than the score, however, as the Wolves' defensive line turned in a creditable performance in many instances.

The second half, when the Winters' team scored only eight points, was a good mirror in which to view the true strength of each team. Winters simply got the Wolves on the run in the second quarter before their attack could be slowed.

Winters never let up in their relentless attack on the Wolves. The Blizzards brought 21 players to the game and 16 of them were starters on defense, offense or both.

The visitors made a "first team" effort throughout the contest and the eight points in the second half was all they possibly could make.

Winters drove 56 yards the first time they had the ball for paydirt. A clipping penalty thwarted one score as Bishop romped 41 yards only to have it called back.

The Blizzards then had one incomplete pass and another setback as Wolf Cornerback Doug Aycock broke through to throw Quarterback Richard Puckett for a five-yard loss.

On the next play, however, Puckett hit Mike Holloway on a pass that carried to the 17-yard line in Wolf territory. Jerry Awalt then romped to the four and another first down.

On a fourth down situation Puckett rolled out, shook off two would-be Wolf tacklers and went the foot to paydirt. Chane Bishop booted the extra point.

Colorado City drove to the Winters' 20 on the next series before a pair of incompletions and the powerful Blizzards' defense stopped them. Donnie Higginbotham and David Way made consistent gains in the drive.

Winters marched 80 yards on the next series including a 44-yard pass play to Johnny Beck from Puckett. On the first play of the second period Awalt rambled up the middle on a fullback delay for 21 yards untouched and the second TD.

Only two minutes and 52 seconds later, Winters went in for another TD after recovering a Wolf bobble. The score came on an 11-yard aerial from Puckett to Holloway, a combo that also connected for the two extra points.

Less than two minutes later Awalt scored again for Winters on a three-yard dive.

After recovering another Wolf fumble, the visitors tallied once more with nine seconds left in the half as sub Quarterback Alvin Dunn romped seven yards on a keeper and Bishop ran over the point.

As time ran out in the first half, the Wolves' Wayne Snowden buttoned Larry Currie on a 40-yard pass play to no avail.

In the opening drive of the second half a tough Wolf defense led by Robert Stewart, Ronnie Lamb, David Aycock, Jerry Franks and Way stopped the Blizzards cold with the aid of another 15-yard clipping infraction.

The Wolves gained two first downs in their drive spurred by the running of Higginbotham and Bubba Kennedy, but lost the ball on downs.

Winters couldn't penetrate the aroused Wolf defense and was forced to punt.

Colorado City drove to the Winters' 15-yard line aided by a 21-yard completion from Glen Nix to Currie on the 1s. The Blizzards hung tough and Puckett intercepted a Wolf aerial to half the march.

In the fourth period the Wolves drove down to the Winters' 14-yard line on runs by Mike Garner, Higginbotham and a pair of completions to Currie and Garner. Winters again rose up and recovered a Wolf fumble on the 23-yard line.

With only 2:46 left in the contest, Johnny Beck hauled in a pass to score on a play covering 57 yards from Dunn. Bishop ran over the point and it was 42-0.

Wayne Snowden, Wolf Quarterback, was lost for the season when he suffered a shoulder separation in the second period while fielding a high snap from center on a punt play.

Quota Set At $18,395

Mitchell County United Fund will kickoff its 1965 campaign with a joint luncheon of all civic clubs on Nov. 12.

Quota for this year's drive is $18,395.

Last year's quota of $18,930 was lowered as the group managed to cut down operating expenses for this year's campaign.

A total of 11 organizations will participate in this year's campaign including the Girl Scouts, Boy Scouts, Council on Alcoholism, 4-H Club, Future Farmers of America, Salvation Army, Texas Assn. of Mental Health, Warm Springs Foundation, USO, Medical Research, American Red Cross, Diabetic Foundation and Texas Assn. for Hental Health.

4-H and FFA as well as Boy and Girl Scouts are carried as one organization.

Elmer Martin is president of the 1965 United Fund and Don Benson is campaign chairman.

Mrs. Arlene Morris and Mrs. John Reeves have been doing volunteer work since last week prior to the opening of the official campaign.

Math Class Set to Start Tuesday Eve

Modern Mathematics for Parents is the text to be used for a series of six weekly lessons in "the new math," to start Oct. 19.

First class is set for 7:30 Tuesday evening in Primary School auditorium with Brooks Teague, principal, as teacher.

The course is free. Sponsors are the Educational Cimmittee of the Chamber of Commerce and the Primary Parent-Teacher Association.

Modern math will be taught by color films, transparencies and a number of other teaching aids. All interested adults are invited to enroll. There is no registration fee.

Loraine FFA Takes Award For Publicity

Loraine High FFA Chapter has been cited by the DeKalb Agricultural Foundation as the best in the nation in a publicity story contest entered by the LHS group.

The chapter took a $25 prize for he "Best in the Nation" and an additional $5 award for winning the state contest.

In making the award by letter to the chapter, Jay Fitzpatrick, DeKalb representative in charge of the contest, said, "Congratulations to you on a fine job of reporting chapter activities and I want to encourage you to keep up the excellent work."

Julian Presents Cotton Bill Interpretation

Terry Julian, executive vice president of the Rolling Plains Cotton Growers, has compiled information and done an interpretation on the cotton section of the new farm bill.

In the light of this work the RECORD is publishing his report on the bill for the information of Mitchell County cotton producers.

The interpretation of the bill by Julian follows.

Provisions for cotton are contained in Title IV of the bill. As near as can be determined before a printed version of the complete bill is available, here is what cotton farmers can look for in 1966, 1967, 1968 and 1969:

From the information that is available today, I would say that there will be no change in skip-row measurement for the Rolling Plains producers.

A loan price of 21 cents per pound on Middling-inch cotton at average location in 1966 and a loan price of no more than 90 percent of "estimated" world price for each of the remaining three years.

A mandatory 12.5 percent acreage reduction for any producer wishing to participate in the program.

Two kinds of direct compensatory payments:

A. Price support payments, in 1966, of 9.42 cents per pound on projected yield from domestic allotment (65 percent of effective allotment). After 1966 the amount of this payment will be set by the Secretary, but the combined loan value plus the price support payment must equal 65 percent of parity on 87.5 percent of effective allotment. Parity is now 41.76 cents per pound, and is not likely to go down. So, if the Secretary reduces the loan price he will be obliged to raise the support payment.

B. Acreage diversion payments in 1966, of 10.5 cents per pound on projected yield from diverted acres. After 1966 the diversion payment, too, will be set by the Secretary, but cannot be less than 25 percent of parity. Producers each year will be allowed to divert anywhere from the mandatory 12.5 percent up to 35 percent of effective allotments.

One half of direct payments may be made at the time the producer signs up to participate in the program. The other half will be made at the Secretary's descretion.

Projected yield will be determined by means of a moving average to reflect trends and uncontrollable circumstances, but it is not specified how many years will be used for this purpose. Presumably the Secretary can use two, three, four or five years.

Secretary will make 250,000 acres available for planting by farmers who want to overplant allotments and forego loan payments. All cotton grown by those who take this route must be exported, and a performance bond probably will be required as under the current program. Method of apportioning this acreage to individual producers is not clear.

Sale and transfer of allotments between growers will be permitted with the state. A two-thirds majority vote in a county referendum will be required, however, before allotments can move across county lines, and the Secretary is instructed insofar as possible to hold such referendums in connection with the annual cotton marketing referendum. No sale or transfer of allotments will be permitted between January 1 and June 1 of any year. No restrictions are in the bill itself on movement of allotments between farms of the same ownership. However, such movement will likely be subject to ASC committee approval and the Secretary could impose restrictions through these committees.

B&PW Presents $2,000 Check to Library Fund

Business & Professional Women's Club of Colorado City presented a check for a $2,000 gift to Mitchell County Library, Tuesday night.

Formal presentation of the gift was made by the club president, Miss Nelda Garrett gram in Civic House. Accept-gram in Civic House. Accepting the check were Mrs. Austin McCloud of the Library Board and County Judge Elmer Martin, representing county officials.

Earmarked for the purchase of the check-out desk for the new county library building, to be constructed at 4th and Oak Sts., the money came from the sale of B&PW owned government bonds the club first bought during World War II. A name plate on the new main desk will bear the B&PW Club name and date of the gift.

Committee for Civic Participation hosted the dinner and program members are Mrs. Margaret Oyler, Miss Ruth Hightower and Mrs. Keith Miles.

Guest speaker for the evening was Mrs. Charles C. Thompson, introduced by Mrs. Oyler. The guest speaker's address was "Civic Participation — the Total Being."

"We are homemakers first, either volunteer workers or gainfully employed in the community, but we are also citizens of a great land with grave and tremendous responsibilities," Mrs. Thompson said.

"Never before in history have we needed more to be an enlightened people. Our educational opportunities should be second to none, for this is the day that challenges the best in each of us," she said. "What was true and valuable, for instance, in the field of science yesterday may be obselete today.

"We have an unending obligation to our youth in providing a whilesome community with the best schools available. These young people are forced into a society that can no longer be mediocre in quality, but must be superior in rank and conduct," Mrs. Thompson said.

"The resources for learning are many. We are fortunate to have a fine library here and look forward to improving. Your group, as well as other interested clubs and individuals, have worked long and diligently to make this dream a reality . . . This is our community, good or bad, because of the part that each of us has contributed," she told the club and club guests.

Guests at the meeting were Mrs. Boyd Dozier, county librarian; Judge and Mrs. Martin; Mr. and Mrs. Thompson; Mrs. McCloud; Mrs. Lucille Gentry; and James Anderson.

Members present were Mmes. P. G. Carpenter, Roy Dozier, Ethel Hardegree, Chester Hart, Vernon Hock, Jesse L. Jones, M. L. Kirschbaum, R. J. Lloyd, Keith Miles, Annie Mary Morgan, Bryan Porter, R. E. ments of 10 acres or less or with proven yields from total allotment of less than 3300 pounds of lint may plant their entire allotment and still qualify for the 21 cent loan, 9.42 cents per pound support payment on 65 percent of allotment and 10.5 cents per pound diversion payment on 35per cent of their allotments, they will be eligible for an additional diversion payment of 10.5 cents.

Cropland adjustment program provides the Secretary wide authority to retire whole farms from five to ten years. He is given $250 million for this purpose, with some restriction as to the percentage of cropland that can be retired within a county.

Cotton allotment holders can release 35 percent of their acreage to county committee and receive a land diversion payment from the other 15 percent without planting cotton at all.

No change in present release and reapportionment regulations as such. But sale and transfer of allotments cropland adjustment and provision number 11 above will obviously curtail the number of acres released.

The Secretary will be prohibited from selling CCC stock cotton at less than 115 percent of the loan price except if he determines that production in any year will be less than offtake in which case he can sell CCC stocks at market price.

These are some of the basic provisions in the bill pertaining to cotton. Other provisions as well as administrative regulations from USDA, will have much to do with the final effects of the bill on Rolling Plains Cotton Producers and cotton production.

THOSE HORRID
AGE SPOTS*
FADE THEM OUT
*Weathered brown spots on the surface of your hands and face tell the world you're getting old—perhaps before you really are. Fade them away with new ESOTERICA, that medicated cream that breaks up masses of pigment on the skin, helps make hands look white and young again. Equally effective on the face, neck and arms. Not a cover-up. Acts in the skin—not on it. Fragrant, greaseless base for softening, lubricating skin as it clears up those blemishes. At leading drug and toiletry counters. If you have these age-revealing brown spots, blotches, or if you want clearer, lighter skin, use ESOTERICA. At all Drug Stores.

PARENT-TEACHER

Openhouse At Primary School Attended By 363

Primary School open house, with the Primary Parent-Teacher Association as hosts, drew a total of 363 guests who registered at the affair here Tuesday evening.

October business meeting of the PTA was conducted with Mrs. Donald Albright, president, presiding.

At the program hour Brooks Teague, Primary School principal, introduced Frank W. Wilson, superintendent of Colorado Public Schools. Wilson spoke a welcome to parents and to fathers in particular, who attended the PTA special night program.

Teague then addressed the meeting with a discussion of modern mathematics. The principal asked, and answered, four questions: what is modern math? What is our program? What can I do to help my child with it?

A series of six classes for adults interested in the modern math program and concept will be sponsored by the Primary PTA and by the Education Committee of the Chamber of Commerce, beginning Oct. 19. Lessons will be in Primary auditorium from 7:30 until 9 p.m. each Tuesday through Nov. 23. Teague will teach the class.

Announcement was made by the PTA Welfare committee that clothing of all kinds is needed for less privileged children in the first three grades. Clothing can be taken to the school office; to Mrs. W. J. Camp, 944 East 16th St.; or to Mrs. Joe Clark, 919 East 15th St.

Social and refreshment hour followed the formal program. Mrs. Aris Whiteside is hospitality chairman of the PTA this year. She was assisted by Mrs. Camp and by Mrs. T. B. Coker.

Mrs. Coker's second grade room won the coveted attendance prize with 30 parents registering for the Tuesday evening open house.

Next meeting of Primary PTA will be an afternoon session, Tuesday, November 9, at 3 p.m. in the auditorium. Program will be announced by Mrs. Bob Johnson, vice-president and program chairman for the year.

Maritha Oden

Westbrook NHS Chapter Installation

WESTBROOK — Maritha Oden, daughter of Mr. and Mrs. E. A. Oden and a senior at Westbrook High School, was installed as President of the school's National Honor Society chapter Thursday, in the school cafeteria.

Other officers include Vee Iglehart, Vive-President; Carol Bell, Secretary; Vickie Chambers, Treasurer; Me'Lissa Killough, Historian; and Darlene Lankford, Reporter.

H. M. Parsons, Superintendent of school, served as chairman for the installation and induction of new members in the candlelighting ceremony. Ralph Bryant, principal of school, gave the invocation and Darrell Forbes led in the pledge of allegiance.

Oden presented the purposes and aims of the NHS charter, and Mr. Bryant explained the method of selection of the members.

Scholarship, character, service and leadership determine the qualities for selection.

Harrell Green, junior, served as Scholarship speaker; Howard Williamson, senior Character speaker; Darrell Forbes, junior, Service speaker; and Sandra Bryant, senior, leadership speaker.

Four new students were inducted into the Westbrook chapter. They are Patricia Bell, Elaine Matlock, Eddie Ranne, and Wanda Whitehead, all Sophomores.

Membership certificates were presented by Mr. Bryant to the new members.

One of the projects is a framed display of pictures and scholastic ranks of the top five N.H.S. members which are determined each six weeks and based on grades beginning with the ninth grade.

Gary was three years old the other day. We took him as a birthday treat for his first trip to the zoo. He dearly loved all of the animals, but the peak of adventure was the elephants. His eyes shone as he watched the great gray trunks snuffle and find his bravely flung peanuts, then stuff them into giant crunching jaws.

"Oh," he breathed adoringly, "elephants are big . . . as big as God!"

His arm tightened around my neck as he leaned to throw more nuts to his jumbo friends and I hugged him close, glad that already he has learned to see God everywhere.

I, myself, was almost grown before I realized God's "ever-presence" and the strength this knowledge brings, so it has been a great joy to watch the awareness of this truth develop early in my son.

Why don't you go to your church and take your child with you? It is the most important experience you can share with him.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Oscar (that's Mr. Jones' tractor) feels better than he has in ages! He recently had gasket trouble along with a kink in his differential. He made his troubles known to Mr. Jones, who immediately called his own dealer for help . . . In a very short time, a factory-trained mechanic took over, and by the time he had replaced the gasket and straightened the kink, Oscar not only felt better than ever, but he was ready and rarin' to get back to work in the fields! Yep, with a reliable dealer handy, Mr. Jones knows he need never worry about Oscar's welfare . . . (Oscar knows it too).

CONVERSATION CORNER

THERE was a big time in the old town that morning. It wasn't just an ordinary morning. It was Thursday, Oct. 14, **Old-Timer Reunion Day.**

The author who wrote **"You Can't Go Home Again"** just never did go to a Colorado City, Mitchell County Reunion.

They did come home again . . . from San Antonio, from Houston, from Ft. Worth, from Austin . . . from Los Angeles, California . . . from Little Rock, Arkansas, people did get up and go home to old C-City.

From Odessa, Big Spring, San Angelo Abilene . . . from Stanton, Lubbock, Wichita Falls, Stamford, from Big Lake, Sterling City . . . and, of course, from the far corners of this county Old-Timers turned up for the Reunion.

* * *

Never heard such reminiscing
From the lips of every one
Meeting, greeting, talking, listening
Never was more fun.

* * *

GORGEOUS roses in all shades decorated the museum where the Reunion was held. Hear tell they were brought by **Ila (Mrs. Jim) Watson** and were to be taken to the hospital after the ball was over.

Hostesses from pioneer families were serving big fresh doughnuts and fragrant hot coffee. **Pat Bullock's** speech was warmly applauded.

After the program and the plaque awards there was time for 'visiting.' So 'visit' nearly everybody did. Others strolled slowly around admiring rare displays in the museum.

And this seems as good a time as any to say that the Historical Museum here has grown beyond belief since last I saw it. Its treasures are worth hours of any C-Citian's time.

* * *

PLACE was so crowded it wasn't possible to see every face there. Did have the fun of a conversation with **Mary Terrell Phillips (Mrs. R. L.)** who sorta sparkles when she talks. She and her husband were here from San Antonio. Mary is daughter of the late Mr. and Mrs. Robert Terrell, early-day citizens.

Mrs. Jim Greene of Big Spring was here (still pretty and so was her daughter **Nell Harper Pond (Mrs. Joe.)**

Distinguished looking **State Senator David Ratliff** was a visifor from Stamford . . . **Eunice Locker Schaefter,** who used to teach penmanship at Hutchinson, was over from San Angelo.

* * *

FOUR of the A. L. Whipkey family were at the Reunion. **Lela Whipkey Price (Mrs. Oscar)** was chairman of the reception committee.

Here from Houston was Stansel Whipkey, Lois Whipkey Moody, and her husband Rush Moody were here from Brazoria . . . and Irene Whipkey Robertson was there . . . which adds up to five Whipkeys, counting the son-in-law, Rush. His sister Lillian, Mrs. H. T. Cgburn of Brazoria was with them.

Saw **Ford Merritt** of the J. G. Merritt tribe, too . . . and took to remembering how much his mother, "Mrs. J. G." and Mrs. Whipkey, too, used to enjoy those reunions!

Looked across the room to see the **Jesse Pidgeons** with Mrs. Pidgeon the merriest one, saying hello from her wheel chair where she's been since an injury.

* * *

WAS PLEASED when Sam L. Majors, Sr. and Mrs. Majors won the plaque as the couple married the longest. **Sam Majors the first married Miss Edna Coe here Aug. 19, 1903.** She was his first sweetheart and is a native of C-City, herself.

* * *

ALL THE WAY from North Little Rock, Arkansas, came Paul and Ernestine Adams, who grew up here as Ernestine Jones, daughter of Madge and Chester Jones. She was looking super lovely. The couple made the long drive just specially to be at the Reunion.

The J. A. Holts were here from Odessa and Bob McMurry was with them . . . Bit Terry, Big Lake rancher, was with his parents the **Les Terrys . . . Otto Jones** and his Mrs. were in from Renderbook Ranch.

There were five **Bennetts** present — Tom, Joe, W. A., J. W. and Virgil. **The M. A. Webbs** of Westbrook were there.

* * *

SIX members of the 1917 graduating class at Colorado High — all "gals," showed up. They were **Mrs. Harry Simmons,** nee Sarah Watson, of Wichita Falls; **Mrs. Harry Schroder,** nee Mattie (Brownie) Phillips, of California; **Mrs. Witt Hines,** the former Mattie Conaway, **Mrs. Jesse L. Jones** Elizabeth Kirkpatrick before her marriage; **Mrs. LeRoy Gressett,** who used to be Thelma Hudson; and **Mrs. J. F. Quinney,** nee Winnie Vaughn.

* * *

FAMILIAR FACES from here at home were those of **Lois Prude Bennett, Ruth Airhart, Mabel Smith, Mrs. Rube Hart, John Hale, Mrs. Sam Wulfjen, Mrs. Douglas Burns, Rev. C. C. Beck, Dr. Ralph Graham, Lucille Trulock, the Jim Bodines, John and Mary Womack, Julia and Roy Warren. Emily Dulaney Barry was there.**

Also Martha Earnest, Violet Moeser, Nell Smith, Arlene Morris, Doyle Kiker, Mrs. J. Ed Richardson at the coffee urn . . . Dera Winn, Marcella Fee, Katie Buchanan. Seen registering were the E. L. Hendersons. And the Bennett Scotts were there.

So were John Hale, Mrs. Ed Jones Sr., Roxie Witten. The J. A. Wilsons of Stanton. She used to be Gertrude Schroder . . . **Harry Pond, Tom Pritchett, Evelyn Daniels, Mrs. Hunter Looney of Loraine . . . Viola Erwin, Etta Doss Motley, Marvin Dorn, the Paul Coopers, Leslie Hamilton, Dale Warren . . . and the John Bullocks of Ft. Worth.**

* * *

LETTER reaching this desk Reunion Day from Houston was signed **Ida (Richardson) Phenix.**

Ida's pleasant letter ended by saying "Vance and I regret very much that we will be unable to attend the Old-Timer Reunion."

Rest of the letter was about a recent celebration of a Golden Anniversary in Port Arthur, by **Bruce Phenix and his wife Exie (Campbell).** They were married in C-City Sept. 29, 1915. **And Lela Whipkey (Price)** played the wedding march. The couple's sons and their grandchildren honored them with a reception. Vance and Ida and their sons and families were guests. Program featured a "This is Your Life" skit by Bruce Jr. and James Phenix.

Real old-timers here will remember Vance and Bruce Phenix were sons of an early-day physician, Dr. Phenix. Ida, of course, is daughter of Mrs. T. C. Richardson, sister of Susie Smith and Jake Richardson. Exie Campbell's brother was the Baptist preacher here in 1915.

* * *

HEAR TELL that **Frank and Gladys Pidgeon of Eagle Lake and Mary Berry of Arlington** visited in the Jesse Pidgeon home last week.

And that out in California, our **Ross Dixon Jr.** played the part of Shamus Tobin in the "Unsinkable Molly Brown" for the college summer stage production at Costa Mesa.

Ross also recently appeared on the NBC show P.D.Q. He's about to finalize a deal to make him a partner in a pro theater, the Orange County Theater, at Tustin, 10 miles from Costa Mesa.

"Looks like at least one member of the family is about to get back into the show business," he wrote.
