Briefly

Absentee

As of mid-afternoon Tuesday, only six persons had cast absentee ballots for the Special Election, August 13, to elect a replacement for the unexpired term of Ray Farabee as State Senator, 30th District.

On the ballot are Democratic candidate Steven A. Carriker and Republican candidate Bobby Albert.

Absentee balloting for the election, open to all with no excuse required, will end August 9.

Spade reunion

The 22nd Spade Reunion will be Saturday, July 30, at the C.C. Thompson Room of City National Bank.

Registration and visitation will be from 10 a.m.-noon followed by a covered dish luncheon. A short business meeting concerning the cemetery and reunion association will be held at 1:30 p.m. followed by a short program.

The association furnishes pickles, bread, coffee, tea, napkins, paper plates and plastic wear.

Testimony

First Assembly of God has invited the public to a special service, Sunday, July 31 at 6:30 p.m.

Dean Gessett, a local police officer, will be sharing his testimony of how he came out of atheism, which says there is no God, to a life of faith in God. Dean, from his teenage years became street wise, knowing the drugs and violence of the big city streets. As a result of this, he has a love and concern for young people today.

Softball games

St. Joseph's Catholic Church in Loraine is having softball games this Sunday starting at noon.

Everyone is invited to attend.

A concession stand selling hamburgers, soft drinks and nachos will be open.

Suspect arrested in shooting

A suspect in the shooting death of an Arkansas truckdriver, whose body was discovered in the western part of Mitchell County, last Monday, July 18, has been placed under arrest in Las Cruces, N.M.

The suspect, Terry Edward Flowers, 25-year-old white male, has issued a statement indicating his involvement in the shooting. A warrant was issued by the District Attorney's office in Nolan County, and extradition proceedings are underway.

The body of Allan J. Hall, 45, was discovered by an oilfield

worker, about 8:45 a.m., July 18, one-tenth of a mile off IH 20 close to Conway Road near Westbrook. Investigating officer, Mitchell County Deputy O. D. Majors has revealed that the then-unidentified body, clad only in jeans and shorts, had been shot four times with a .25 caliber pistol—once in the stomach, left nostril, left temple and behind left ear.

Through the cooperative efforts of the Mitchell County and Nolan Sheriff's Departments, the New Mexico State Police, and the Texas Rangers out of El Paso, the

suspect was apprehended in less than 24 hours.

Investigations revealed that Hall, a resident of Sidney, Ark. was a driver for Dowell Transport Co. out of Batesville, Ark. The 1988 International truck-tractor trailer had been loaded with tomatoes with delivery scheduled to Detroit, Michigan.

Hall had apparently picked up Flowers at a Love Truck Stop about 18 miles east of El Paso. For unknown reasons, Hall was apparently shot while stopped under an underpass east of Sweetwater, and the body was believed

to have been dumped where it was found near Westbrook, sometime between 5 a.m. and 8 a.m. Monday.

The trailer of the 18-wheel rig was found left at the Union 76 Truck Stop in Sweetwater.

Flowers was stopped while driving the truck-tractor, by a New Mexico State Trooper when he appeared to be detouring around a port of entry near Anthony, N. M. Deputy Majors said the trooper noticed blood in the truck cab and later two more of the small caliber bullets were

Mathis awaiting heart transplant

Dale Mathis, 47, manager and part owner of Landmark Cablevision, was in critical, but stable, condition in a Dallas hospital Tuesday at 5 p.m. awaiting a heart transplant.

Mathis suffered an apparent heart attack Saturday morning and was transferred to Abilene Sunday. He was transferred to Baylor Medical Center in Dallas Monday night.

He underwent preparatory surgery for a heart transplant Tuesday although a donor had not been located.

HOSPITAL DIST.	397,030,917	445,589,675	+12.23%

A five per cent economic adjustment discount on property was more than offset by increases in mineral and utility values, according to the final taxable valua-

tions released by Mitchell County Appraisal District this week.

However, suffering losses from the 5 per cent economic adjustment allowed by the local board were the cities of Colorado City and Loraine and the Loraine Independent School District. All other taxing entities showed gains in taxable values for the coming year.

The economic adjustment was applied to all residential and business property. The Appraisal District pointed out that, as an example, on a \$40,000 home, the taxable value was lowered by \$2,000.

The increase in values came largely from increased oil and mineral values in the western part of Mitchell County, and the portion of the Morgan Creek Power Plant expansion project that was in place at the first of the year. Some \$47 million of the plant improvements went on the tax rolls this year, boosting the county-wide taxing units and the Colorado Independent School District. More than \$5 million in oil values were added to the Westbrook ISD tax rolls.

Enjoying the largest increase was Colorado ISD, whose taxable values rose from \$184,676,906 last year to \$229,012,081 this year, a 24% increase. Mitchell County, Mitchell County Road

Business records seminar slated Aug. 1

"Business Records Talk! Are You Listening?", a seminar designed to explain in non-technical terms how business records can provide meaningful information to owners and managers, will be presented Monday, Aug. 1, at the Civic Center.

Sponsored by the Colorado City Area Chamber of Commerce and Caruth Small Business Development Center in Abilene, the seminar will feature Lynn Reeves, certified public accountant, as speaker.

The seminar will be from 6:30-9:30 p.m. and cost is \$10 per business or prospective business.

David Janca, chamber of commerce executive vice president, said that making a profit is the most important objective of a business, but if owners or managers don't know what their records are saying, they cannot stay on top of their businesses.

Reeves has been a CPA since 1969 and a sole practitioner in public accounting with emphasis on small business problems. He also has taught accounting in the college of business administration at Abilene Christian University since 1975. In 1985 and 1988 he was named teacher of the year in the accounting department.

Reeves is able to communicate with the non-accountant and explain things in simple, concise language, said Janca.

"You will appreciate his ability to clarify and cut through the mystery of balance sheets, income statements and cash flow analysis," said Janca.

Reeves has conducted numerous seminars of various subjects such as payroll taxes and

income taxes.

Persons wishing to attend the seminar should make reservations by July 31 by writing to Caruth SBDC, ACU Station, Box 8307, Abilene, Texas 79699-8307 and enclose \$10 for each business or prospective business attending. Make checks payable to Caruth SBDC. For more information, contact the chamber of commerce office at 728-3403.

Hospital hears 'good news'

The Mitchell County Hospital District Board of directors in its regular meeting Tuesday night called a special meeting for Aug. 1 to set the 1988 tax rate after hearing some "good news" from tax assessor-collector Mike Burt.

Burt said that because of increased valuations, the hospital district's effective tax rate would decrease from the present 30.45 cents per \$100 valuation to 29.84 cents. The effective tax rate is the

amount required to bring in the same amount of tax dollars.

Burt said that the values have been increased mainly because of the expansion of the Texas Utilities power plant at Lake Colorado City.

However, Burt said the district could keep the present tax rate and would not have to have public input because the increase would be slightly more than two

For The Record...

by M. Gene Dow, GM

FROM THE SCRIPTURES—"Likewise, the good works of some are clearly evident, and those that are otherwise cannot be hidden." 1 Timothy 5:25.

I thoroughly enjoyed directing some 35 kids from the Wallace Center Summer Youth Program on a tour of the newspaper facilities at *The Record* last week. The youngsters, ranging from kindergarten to fifth grade age, were very inquisitive and asked a lot of questions about "putting out" a newspaper. Afterwards, they published their own 9-page newsletter. *The Wallace Center News*—A Review of the News by the Kids who made it!—is loaded with interesting stories they wrote about the activities they have participated in this summer, a sports page detailing the results of their summer "olympics" events; a lifestyle page with summer fashions, places to go, birthday calendar. There is a comics page with their own hand-drawn cartoons and a Want Ads page listing numerous items the youngsters wanted to sell. Congratulations to the kids and to a very worthy program at

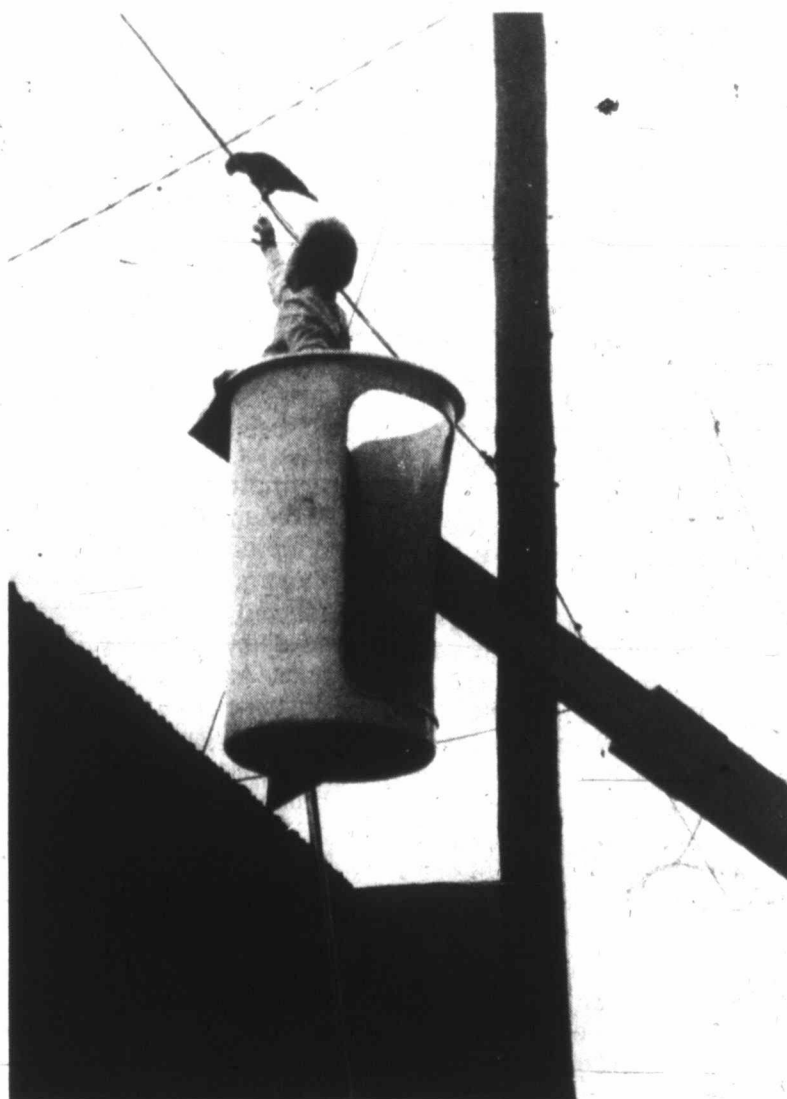

Wallace Center.

THE LONE WOLF SAYS, "Congress is confronted with the problem of how to get the people to pay taxes they can't afford for service they don't need."

According to a recent Gallup Poll, the average American woman wears a size 10 to 12 dress, stands 5-foot-3½ and weighs 134 pounds. She has soft body tone, short, straight, brown hair and imperfect, untanned skin. But she wants to wear a dress two-to-four sizes smaller, stand an inch taller and weigh 11 pounds less. She would like more muscles, wavy or curly brown hair and smooth, tanned skin.

The average American man is 5-foot-10, 172 pounds, with a lean build, but he wants to be an inch taller, a pound lighter, and more muscular. Men think women like them to have hairy chests, and they're right!

DID YOU KNOW? Almost two-thirds of college educated woman want a more muscular, "hard-bodied" look, compared to 27 per cent of those without a college degree.

ESCAPED PARROT RETRIEVED—Mrs. Valorie Rees of Westbrook is shown operating the "bucket" of a Landmark Cablevision truck to coax her pet parrot, "Chico", to come down from the line after he flew out of her pickup truck window in downtown Colorado City Monday morning.

Colorado City AT WORK

BY BRENDA HAMMOND
CITY MANAGER

WATER TREATMENT PLANT

The safety and security of the water treatment plant is often considered minor. This cannot be the case. The safety of employees, equipment, the water supply, and the liability exposure caused by allowing easy access to the water plant should be foremost in our minds. Water must be safeguarded. The customer must be protected against a bad product. The one municipal service that has the potential for causing a widespread detrimental effect on the general public is your water supply system. The majority of our customers do not consider this. They expect their water to be safe. Therefore, the responsibility falls on the trained water production staff.

The major factors involved in safe potable water production are: a well-trained, responsible operator, a successful quality control program, responsible management that demands a quality product and set the example for employees, and last, but not least, proper safety and security of the water production plant. Access to the water plant must be controlled at all times. Safety and security of the water plant is part of all training programs for water department employees. The employees must be made aware of their responsibilities to the public they serve and the consequence of a contaminated water supply system.

It is a moral obligation to provide a safe work environment for our employees, and to produce and provide a safe product for our customers.

Letters to the editor

Doesn't use 'scare tactics'

TO THE EDITOR: My name is Jerry Simonek and I work for American Hydro of Odessa, TX. I have been working in the Colorado City area now for about two months demonstrating water treatment equipment. I am writing this letter in response to an article by Brenda Hammond in the Thursday, July 28th edition of the Colorado Record.

I am obviously one of the "sales persons" that has been "going around town using scare tactics". First off, I do not use scare tactics. I trust that you can check with some of the fine people I have met in your community such as the Raliffis, Culpeppers, Boebles, Dockreys, Guelkers and others to find that I didn't base my presentation of my company's product on "scare tactics". I do express concern about the condition of our water. If I wasn't concerned about the quality of the water we use and drink daily, I can honestly say I would not be in the business I am in. And as long as we have even traces of such contaminants as "nitrates, sodium, hardness, arsenic, lead, mercury," and other pollutants, I am going to continue to be concerned.

I would also like to say I am not a "fly-by-nighter", and I do work for an established company. I was born and raised in Big Spring, American Hydro, a distributor for Water Resources International, has been in Odessa for nearly 10 years. Water

Resources International is located in Phoenix, AZ and has water treatment experience both commercially and residentially. Water Resources International is one of only two water treatment companies that has federal contracts and has offices in 42 states.

Mrs. Hammond is right in saying you should do your business with a reputable, established business. As far as that goes we are one of the best, if not the best. That is why my company even discourages using scare tactics. But we do express concern. If American Hydro and Water Resources International wasn't concerned about the condition of our water and what we can do to improve it, they would not even be in business. If I wasn't concerned and it was all just a "scheme to sell you something," I wouldn't even bother coming to your door.

Sincerely,
Jerry Simonek
American Hydro

Colorado City, Texas

HOSPITAL

From Page 1
percent. If the rate is increased by as much as three percent, public hearing notices must be published and a public meeting conducted. If the rate is raised by as much as eight percent over the effective rate, then the district could be subject to a rollback.

The board agreed to meet at 7:30 a.m. Monday, Aug. 1, for a breakfast meeting at the hospital to set the tax rate after Burt said that the new rate needs to be adopted no later than Aug. 15.

In other business, the board agreed further cut costs at the hospital by entering into a lease/purchase agreement with AT&T for the hospital's telephone equipment. The hospital currently leases its phone equipment from AT&T for \$1,134 a month. The board agreed to a lease/purchase agreement for the same equipment for a three-year period for \$430.08 a month. At the end of the three-year period, the hospital can purchase the equipment outright for \$1. The equipment is about six years old, said administrator Ray Mason, adding that there has been no problem with the equipment.

In the hospital financial report, assistant administrator and comptroller Richard Murphy said that for the nine-month period ending June 30, the hospital is behind in

revenues by some \$123,000 mainly because of lack of admissions. However, the hospital is under budget in expenses by about \$182,000, resulting in a \$48,000 gain for the nine-month period.

Demo convention, Governor's illness shakes GOP

AUSTIN—Texas Democrats were big winners at the national convention, and now eyes turn to the Republican convention scheduled next month in Houston.

In an event that shouldn't be related, but sadly is, Gov. Bill Clements was hospitalized with a slight stroke last week, but reported recovering and in good spirits.

His health is even more pivotal at this time, because of the rule allowing U.S. Sen. Lloyd Bentsen to run for two offices at once.

Should Clements, a Republican, step down from office for any reason, Lt. Gov. Bill Hobby, a Democrat, would replace him.

That would mean a Democrat, not a Republican, would be able to make the chain-reaction appointments that could result if the Dukakis/Bentsen ticket takes the White House.

Such an event would set the Texas Republican Party back 25 years, a happening about which everyone has some kind of opinion.

Sleaze Factor

San Antonio Congressman Albert Bustamante spoke unkindly of his city's state Sen. Frank Tejeda, after the *San Antonio Light* printed a transcript of a taped conversation wherein Tejeda was offered money to arrange the awarding of a tax collection contract.

Tejeda himself released the tape of his conversation with former Gov. Mark White aide Lupe Zammaripa, an act Bustamante called "sleazy" for setting up Zammaripa.

Months ago, Tejeda chaired the legislative panel examining alleged misconduct of two Texas

STATE CAPITAL

HIGHLIGHTS

By Lyndell Williams
TEXAS PRESS ASSOCIATION

Supreme Court justices, a probe which ultimately brought about a court reform movement with a full slate of reform candidates.

Now, word is that Tejeda is no longer welcome in some of the Capitol set's backroom dealings because he cannot be trusted to "protect" his sources. That's right, Tejeda says, those who approach him with sleazy deals shouldn't trust him.

Many Mad Dads

A group of divorced fathers want Atty. Gen. Jim Mattox to take down 500 billboards he put up calling for enforcement of child support payments.

The group filed suit in federal court claiming the posters cause breaches between them and their children, discriminate because they don't target women who fail to make payments, and help Mattox's gubernatorial race at their expense.

Mattox's office said probably about 70 percent of those who owe child support payments do not pay.

SHOOTING

From Page 1

found lodged in the cab. Flowers was said to have admitted shooting six shots with the pistol.

After checking the teletype information that had been seen out by the local authorities, the truck owner was found and the driver identified as Hall. Hall had last

been heard from about 10:30 p.m. Saturday, when he called from Arizona to his headquarters.

Local Justice of the Peace Ruby Claxton ordered an autopsy of the body shortly after it was found. Deputy Majors said he had talked to a brother and two sisters of the driver, but apparently Hall had had no other known family.

VALUATION

From Page 1

Westbrook had a 1.18% gain in values.

Mainly due to the across-the-board economic adjustment on residential and business property, valuations for Colorado City dipped 4.03 per cent from \$73,210,396 last year to \$70,264,871 this year. The City of Loraine experienced a 5.8 per cent decrease and Loraine ISD was down by 1.91 per cent.

Mitchell County Hospital District has the highest taxable value base with \$445,589,675, up from \$397,030,917. The City of Loraine has the least amount of values at \$7,317,435, down from \$7,767,590 last year.

Now that the official valuations have been established, the various taxing agencies will set their respective tax rates based on projected budget needs for the coming year. The additional one-half per cent sales tax levy imposed by the City of Colorado City and Mitchell County this year, which is to lower property values by the same amount, will be accounted for when establishing the tax rates.

and Mitchell County Hospital District, had better than 12 per cent increases. Variations result from the amount of exemptions that are allowed by the different taxing agencies.

Westbrook ISD showed a 3.22 per cent gain and the City of

Lease Ruling Hailed

Texas Land Commissioner Garry Mauro hailed a federal bankruptcy court ruling which sets a precedent allowing the state to repossess oil leases when lease owners do not pay their royalties.

"If they don't pay the rent, we want that lease back so we can put the well back to work for the state," Mauro said.

He said the ruling could affect 100 state-owned oil and gas leases worth \$500,000.

BREAST CANCER DETECTION UNIT AVAILABLE TO AREA WOMEN

Monday, August 8, 1988
Colorado City, Texas

A Service of
MITCHELL COUNTY HOSPITAL

CALL 728-3431 Ext. 222 FOR APPOINTMENT OR MORE INFORMATION

According to the American Cancer Society, one out of Ten women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as the result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate.

A mammogram can detect a cancer this small, even before it can be felt.

**APPOINTMENTS MAY
BE MADE BY CALLING
728-3431 EXT. 222**

**THE MOBILE BREAST
CANCER DETECTION
UNIT WILL BE IN
COLORADO CITY ON
MONDAY, AUGUST
8TH.**

The American Cancer Society has established guidelines for mammography in asymptomatic women. (Women who have no symptoms of disease). Those guidelines have been adopted by the American Academy of Family Physicians, American College of Obstetricians and Gynecologists, and The American College of Radiology. Those guidelines are:

1. 35-40 years of age - One baseline mammogram
2. 40-50 years of age - A mammogram every 1-2 years depending on breast type and risk factor.
3. 50 years of age and over - An annual physical examination and annual mammogram.
4. Asymptomatic women under 50 years of age with

significant high risk factors should be examined at appropriate intervals. These risk factors include previous breast cancer and family history of cancer.

5. A symptomatic woman should have a mammogram at any age when she experiences a mass, nipple discharge, skin changes or unexplained breast pain.

A screening mammogram is an x-ray of the breast using extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers.

A female technologist who is highly trained in mammography will perform the examination.

The charge for the screening mammogram is \$50.00. The Unit accepts cash, check, Visa, MasterCard and American Express.

Twirlers bring home 3 awards

Colorado High School Wolf
Band twirlers Sunnye Biggs,
daughter of Mr. and Mrs. Dan
Biggs, and Amy Chitsey,
daughter of Mr. and Mrs. Doug
Chitsey, attended twirling camp
at Angelo State University July
10-16.

While at camp, the girls
worked on pep rally routines,
parade marches and half-time
routines.

The CHS twirlers received
trophies at the awards assembly
for:

- the hardest working high school line;
- the best dressed high school line, and;
- second place in the over-all competition.

Entering the talent night show,
they were the highest placing
twirlers.

They will be juniors at CHS
this fall.

CHS twirlers Sunnye Biggs, left, and Amy Chitsey

AARP has luncheon meeting

The Mitchell County American Association of
Retired Persons (AARP) No. 1461 met July 20 in
the C.C. Thompson Room for its regular meeting
and luncheon.

Mrs. Dona Reed, president, presided.

Luncheon tables were decorated with a patriotic
motif.

Invocation was given by Margaret Oyler.

The song *America* was led by Louise Sweat.

Pledge of Allegiance to the flag was said.

The Legislative Committee chairman, Ruby
Cawthron, reported that there is a need for AARP
members to seek volunteer service as a means to
building a better life for themselves, their families
and their fellow citizens.

The Health Committee chairman, Juanita Coker,
reported that the organization has all kinds of free
published literature and magazines informing mem-
bers about programs and health care services. She al-
so announced that the Mitchell County Hospital will
perform, free of charge to Senior Class members,
cholesterol and hemogram screening Aug. 1 and
Aug. 8-12.

There were 33 members and one visitor,
Lawrence Ruddick of Kansas, and six new

members, Linnie Williams, Fred Johnson, Elmer
and Billie Martin, Lee and Billie Woods.

Velma Moseley and Billie Woods presided over
the drawing of the Susan B. Anthony dollars given
by Raymond and Virginia Fuller. The 10 winners
were Arnel Smith, Ruby Cawthron, Stanley Merket,
Faye Spivey, Linnie Williams, Dona Reed, Maria
Feaster, Louise Sweat, Angie Harris and Velma
Pond.

Faye Spivey, program chairman, introduced Lee
Woods, guest speaker for the day. He told about his
travels in Israel.

The president closed the meeting with these
thoughts:

- "Aim for perfection! Half right is also half wrong."
- "He who sins for profit will not profit by his sins."

Other members present were Fannie Cooper,
Geneva Killian, Jeanette Lemons, Camino Barnett,
Jessie Mae Merket, Olman Sweat, Sallie Rogers,
Wilma Womack, Garvice Craghead, Juanita
Schafer, L.O. Schafer, Beeman Dockrey, Lucille
Owens, Marguerite Miller, Annie Dixon and Bessie
House.

Literacy program studied

The Mitchell County Public
Library, under the sponsorship of
the Friends of the Library, is in-
terested in starting an adult
literacy program using the
Laubach Way to Literacy. In this
program, adults are taught to read
and write on a one-to-one basis.

Volunteers are required to be
certified by attending a 10-12
hour training workshop. During
the workshop, volunteers are
taught the Laubach procedures
for helping a person 17 years or
older learn to read and write
through the fifth grade level. Af-
ter being certified and being
placed with a student, it is impor-
tant to meet on a regular basis.
Teacher and student should meet
twice weekly for 1-1½ hours.
Minimum length of time for tak-
ing a student through this
program is 9 months. Each stu-
dent progresses at his individual
ability. Lessons would be held at

the library or some other public
place in the community such as a
school or church. Teaching
materials are provided free of
charge.

Volunteer qualifications: de-
pendable and prompt, interested
in others and able to relate to
them, respectful of confiden-
tiality, literate, flexible, friendly,
patient and optimistic. A sense of
humor is helpful.

Anyone who is interested in
volunteering to help with this
program should contact Nancy
Mayo at the Mitchell County
Public Library before Sept. 1. Al-
so, anyone who is interested in
becoming a student of this
program should contact Mrs.
Mayo at the library.

Trades Day, Farmers Market slated in Snyder

The Business Development Committee of the Snyder Chamber of Commerce is sponsoring a Trades Day/Farmers Market, Saturday, July 30.

The south and east sides of the Square will be blocked off to allow booths to be set up. Anyone is allowed to bring card tables and set up. There will be a \$5 fee per booth and you must furnish your own card table.

Booths need to be set up by 7:30 a.m. and will be open to the public at 8 a.m. and will be open until 6 p.m. You may reserve a booth by calling the Chamber of Commerce office at (915) 573-3558.

We would like to have homemade, homegrown and home-canned goods. Absolutely no used clothing or shoes. Plans are to have bands playing at the Courthouse bandstand all day.

Local merchants will have special sales around the Square and throughout the city during the day. We would like participation from local civic clubs, churches, businesses and individuals.

Also, tentative plans have been made to have a Street Dance from 8:00 p.m. to 12:00 midnight.

Be sure and make your reservations soon and make plans to join the fun at our Trades Day/Farmers Market, July 30.

Junell to host roping events

Robert Junell, candidate for state representative, 66th district, will host a team roping event in Colorado Sunday, Aug. 21 at the rodeo arena west of town.

The C Roping event will cost \$3/16. Enter at 1 p.m. and rope at 2 p.m. A concession stand will be open.

Junell, from San Angelo, is seeking election to the spot being vacated by retiring legislator Dick Burnett.

A roper himself, Junell is a rancher/member of the Professional Rodeo Cowboys Assn.

Junell also will be hosting team roping events in Sterling City on July 30, Aug. 13 in San Angelo and Aug. 20 in Bronte.

Buckles will be awarded to winners of average.

For more information, call Beverly Ford at 653-6866 and after 6 p.m. at 853-5621.

Loraine Personals

...by Lois Phillips

Mrs. Cullen Payne came home Wednesday after visiting her daughters Mr. and Mrs. Bill Harvey and Mr. and Mrs. John Hayslip and families. While there she attended a retirement party for Billie Jewel Payne Harvey. She has retired after 31 years and five months with Southwest Bell Telephone. Can you imagine listening to people gripe about their phone services for 31½ years.

Charles Harwood and son of Dallas visited Mrs. Cullen Payne recently. Mr. Harwood is a cousin of Mrs. Payne.

Tommie J. Blair and family were weekend visitors of his parents T. J. and Ruth Blair. They all attended services at the First Baptist Church Sunday morning.

A cousin of Mrs. Cullen Payne came to visit her Monday. She is Mrs. Wayne Walton of West Memphis, Tenn.

Hazel and Woodrow Pratt were in Dallas for the weekend with their son and family Mr. and Mrs. Willard Pratt.

On Saturday, Willard entertained with a 6 p.m. dinner at his home. He invited all the relatives and friends in the Dallas-Fort Worth area who came from the Loraine area.

Those present were Jack and Reba Mayes of Dallas, Mr. and Mrs. Herb Furgerson of San Antonio, Marion and Sarah Zetzman of Dallas, Phillip Zetzman of Dallas, Irene Hester of Fort Worth and Helen Mayes of Fort Worth.

The Pratts reported a real good time visiting these friends they had not seen in a while.

Annie Bell Long is visiting her son and his family Billie J., Barbara and kids in Savannah, Georgia this week. She will fly home on Monday.

D. D. Chandler of Snyder visited his sister, Irene Kidd in her new home recently.

Jean Hale was in Loraine over the weekend with her mother Irene Kidd. She also visited her mother-in-law, Punk Hale at a nursing home in Colorado City.

Clovis and Jean are both coming this weekend to visit relatives. Football practice, then football games will start and they will be very busy people for a while.

Bernice Hallmark is due to check into the hospital in Houston

real soon for more treatment. Bernice, we wish you well.

Mrs. Pauline Smiley, Mrs. Wright Hock and Susan Scott visited Mary Pitts in a hospital in San Angelo recently.

They reported that she is doing nicely, but will need more surgery to close a place left open to drain after her last operation.

Mary is the daughter of the late Tody and Nettie Crowover and a former Loraine resident. Good luck, Mary.

Last Thursday, I said Roy Price was at home from the VA Hospital in Big Spring, but he was not at home. I failed to check my sources close enough and I am sorry about that.

The following people from the Loraine area attended the funeral for Thommie Horton in Big Spring last Tuesday: Mr. and Mrs. Loyd Wiggins, Mr. and Mrs. Wright Hock, Mr. and Mrs. Ira Beights, Mr. and Mrs. Ham Hamilton, Biddie Jones, Aline Marth, Ruby Lee Small, Gus Armstrong and Woodrow Pratt.

Earl and I were in Abilene last weekend to help our oldest grandson celebrate his 18th birthday. We enjoyed it Curtis.

Joe and Jina Coldewey visited with my Abilene kids at an All Star tournament last week. It was kinda like old home week for both couples. The Coldewey's reported that they really do enjoy the Colorado City Record and read it from cover to cover.

David, Teresa and Rebecca of Plano came to visit Shep and Sally last weekend and to can peas.

Bob and Jane Ward of Midland visited in the Compton home on Saturday afternoon. The Wards are Teresa's parents or maybe I should say they are Rebecca's grandparents. David, I don't know where you fit in.

Rev. Kevin Compton, the

younger son of Shep and Sally, will preach at the First Baptist Church in Loraine on Aug. 14. Kevin and his family live in California where he is in school.

Visiting in the home of Hubert and Nina Meadows this week are Catherine Walls and Nathan, Carla Meadows and Julie and Marla Davis, Earon and Ashley. They are daughters, daughter-in-law and grandkids of the Meadows. They are also canning peas this week.

Stanley Moore and his wife must be the busiest people in town this week. Both of their sons are involved in baseball district tournaments this week.

Michael plays Freshman league ball in Colorado City and Kyle plays Pee-Wee league in Sweetwater at the same time.

We went to Colorado City to watch our Freshman kids play and really enjoyed it. Just before the first game was over, Janet got up and made her way out to go to Sweetwater to watch Kyle play.

Stanley is a coach for the Freshmen bunch so he probably won't be able to see Kyle play. The same thing happened to the Moore's last year.

We have some sick people to wish well this week: E. B. Stewart, Elmer Rainey and B. D. Green. I understand B. D. entered a Lubbock hospital yesterday. I hope you are okay B. D. and nothing bad is wrong.

Homecoming set for Pyron

Pyron Homecoming will be held September 3 at the Inadale Community Center.

Registration will begin at 1 p.m.

The evening meal will be catered for \$5 a plate and will be at 7 p.m.

Please contact Viola Stirl at Rt. 1 Box 122, Loraine, Texas 79532 or call 915-766-3728.

Mr. and Mrs. Allen B. Mosher
...wed in July 15 ceremony

Garrett, Moser exchange wedding vows in Loraine

Allen Mosher of Loraine and Lola J. Garrett of Sweetwater were wed in the home of Justice of the Peace Joan Merket on July 15. Mrs. Merket read the ceremonies.

Mrs. Mosher is employed by T.J. Green's Grocery Store. The groom is recovering from back surgery. They will make their home in Loraine at 413 Lightfoot Street.

ATTENTION SENIOR CLASS MEMBERS

SUBJECT: Cholesterol and Hemogram Screening

Mitchell County Hospital will perform, without charge, Cholesterol and Hemogram Screening for all Senior Class Members who desire to have these tests done.

Lipid research studies have established beyond doubt that lowering elevated blood cholesterol levels will reduce the risk of coronary heart disease. Their conclusions indicate that a 1% reduction in the blood cholesterol level results in a 2% reduction in coronary heart disease.

For free screening, just complete the form below and bring it with you to the hospital laboratory during the designated hours on the designated dates. The results of these tests will be available three days after your blood is drawn and may be picked up at the Senior Class Office of the Hospital. Any abnormal results will be noted on your report so you may consult your physician.

SENIOR CLASS Cholesterol and Hemogram Screening

August 1 - 5 & August 8 - 12

6:00 a.m. - 10:00 a.m.

DO NOT EAT ANY FOOD 12 HOURS BEFORE THE TEST! YOU MAY DRINK WATER.

Westbrook Wanderings

...by Ruby Claxton

Visitors recently in the home of Mrs. Nell Conway were Mrs. Andy Hancock who visited on Tuesday and Mr. and Mrs. Rusty Gardner, Keash and Clayton who visited on Wednesday. They were all from Midland.

Baptist Women met Monday at 2 p.m. at the church with Peggy Manning in charge of the mission study.

Those attending were Peggy Manning, Lucile Stone, Naomi Williamson, Blanche Bell, Nell Rollins, Ruth Buchanan, Marlena Rice and Bessie Shaw.

Marlena Rice and Nell Rollins participated in the program.

Mr. and Mrs. Henry Bagwell of Amarillo spent last week with her parents, Mr. and Mrs. Clyde Gregory.

Mr. and Mrs. Johnny Shackelford were in Stephenville last weekend where they attended the wedding of her niece, Lisa Brook on Saturday night.

On Sunday they attended the Sikes Family reunion which was held in the park there in Stephenville.

Saturday night visitors in the home of Mrs. Ruby Claxton were Willie Davis of Ft. Sumner, N.M., Mr. and Mrs. Melvin Coe of Albuquerque, N.M.,

Blanch Austin of Estancia, N.M., Mrs. Mamie Lamb of Hereford, Mr. and Mrs. Alton Garner of Perryton, and Mr. and Mrs. George Sweatt, George Henry and Cheryl of Sweetwater.

They were all here to attend the Coe Family Reunion which was held at the Thompson Room in Colorado City on Sunday.

Descendants of Francis Marion and Kathryn Coe met Sunday, July 24 at the Charlie Thompson Room for a family reunion.

There were 36 in attendance.

A basket lunch was served at noon.

Those attending were Mr. and Mrs. Clement Coe of Austin, Mr. and Mrs. Henry Davis and Janet of Woodville, Willie Davis of Ft. Sumner, N.M., Mr. and Mrs. Alton Garner of Perryton, Mrs. Mamie Lamb of Hereford, Mr. and Mrs. Sterling Bearden of San Angelo, Mrs. Kathy Bayes of Ackerly, Mr. and Mrs. Calvin Franklin of Midland, Mrs. Blanche Austin of Estancia, N.M., Mr. and Mrs. George Sweatt, George Henry and Cheryl of Sweetwater, Mrs. Doris Eckert of San Angelo, Mr. and Mrs. Robert Bozarth of Austin, Mr. and Mrs. Charles Powell of Sweetwater, Mrs. Ruby Coe Claxton of Westbrook, Mr. and Mrs. Merle Harris of Sweetwater, Mr. and Mrs. Melvin Coe of Albuquerque, N.M., Mr. and Mrs. Donnie McKellips, Joshua and Todd of Monahans and Mr. and Mrs. W. D. Whitesides of Westbrook.

CHS bandmen attend camp

BROWNWOOD - Members of the Colorado High School marching band auxiliary recently attended camp July 19-22 at the Howard Payne University campus.

The camp is designed to train junior high and high school drum majors, percussion sections and flag and rifle corps, according to George Strickland, camp director. Strickland is the band director of Henrietta High School and founded the auxiliary and percussion camp in 1974.

During the week, classes are given in marching and conducting, routine planning, percussion features, leadership and drill design for sponsors.

Attending from Colorado City

were drum major Stacie Miles and flag corps members Daneshua Lusk, Cody Calaway, Tammy Loving, Candy Hudson, Nat Gabba, Mary Ann DeLoera, Nikki Findley and Jacki Smith. Karan Johns attended as sponsor.

Personals

Mrs. Lloyd Denson and son, Bobby Lloyd Denson, along with his wife Ruth, took a 10-day vacation to five states. While away they visited historic Temple Square in Salt Lake City, Utah.

CODY HILL, 5, son of John and Lynne Hill, was pitcher for the Yellowjackets, the first place T-ball team. The Yellowjackets were sponsored by Showplace Video. Cody was not present when his team picture was taken for the Record.

Sports

ALL-TOURNAMENT UGSA All-Stars for Colorado City at Midland last week were, front row, left to right, Monica Garcia, Cynde Aguilar and Jennifer Ornelas. Back row, left to right, are Misty Hall (MVP), Veronica Moreno, Rosemary Rosas and Christi Hulme.

II ALL-STARS first, III ALL-STARS second.

UGSA teams shine

Colorado City United Girls Softball Association All-Stars made a big showing at Midland last week where they successfully defended a title and reaped numerous individual awards during a Class A post-season tournament.

Colorado City won division II for the second consecutive year and took second place in division

III. Seven Colorado City All-Stars were named to the All-Tournament squads with Misty Hall being named the Most Valuable Player for division II.

Hall was the starting pitcher in eight of the nine wins by the division II champs. The division II All-Stars won every contest except the one in which Hall was not the starting pitcher.

The division II All-Stars received strong competition only from a Lovington, New Mexico squad.

The team opened round-robin play with a 20-10 win over Breckenridge. The II All-Stars went on to win all six round-robin contests to advance to Saturday's championships.

After Breckenridge followed a 35-0 shutout of Hawley. Other round-robin wins were 20-10 over Jal, New Mexico, 10-9 over Lovington, 19-9 over Coahoma and 29-7 over Albany.

Colorado City and Lovington advanced to Saturday's best of three series. Colorado City won the first game 11-0 but Lovington forced a third game with a 7-6 win in the second game.

Colorado City took the title with a 14-8 win in the third game. Joining MVP Hall on the All-Tournament team were Jennifer Ornelas and Veronica Moreno.

Division III All-Stars also lost only to Lovington. The team finished 4-1 in round-robin play. Colorado City began with a 19-17 win over Breckenridge then lost 7-3 to Lovington. After that were wins of 11-5 over Hawley, 14-12 over Jal and 19-4 over Coahoma.

Colorado City and Lovington squared off in Saturday's best of three championship with Lovington taking two straight wins 13-5 and 11-8.

Named All-Tournament for Colorado City in division III were Cynde Aguilar, Christi Hulme and Rosemary Rosas.

Colorado City's division I All-Stars finished round-robin play 1-4 and did not advance to Saturday's play. The I All-Stars lost 6-2 to Lovington, 12-6 to Hawley, 16-10 to Coahoma and 11-10 to Jal before beating Breckenridge 18-11.

Pitcher and shortstop Monica Garcia was named to the division I All-Tournament team for Colorado City.

WARRIORS, Colorado City women's slowpitch softball team are, front row, left to right, Jackie Smith, Sandy Castillo, Yolanda Espinoza, Gabby Gaona and Susan Anderson. Back row, left to right, are coach Eric White, Anita Graham, Misty Strain, Carol Sue Dakan, Cynthia White, Linda Mathis, Cindy Darling and coach Vince Gaona. Not pictured are Kathy Marshall, Holly Tarter and Julie McPhaul.

Softball tourney

The Mitchell County Child Welfare Board will sponsor a softball tournament July 29-31 at Hertenberger Field.

Entry fee is \$100 per team. The tournament, named Mitchell County Against Child Abuse, is open to local and area teams. Volunteers are also needed to help with the tournament. Call Rogene Spruell at 728-2476 for more information.

Proceeds will be used to help defray expenses for the children served by the agency. Mitchell County has the largest case load of abused children in this area.

Baseball petition circulating

I the undersigned, by my signature, do support the reinstatement of baseball in Colorado City Independent School District athletics.

The above petition has been circulating in Colorado City this week.

Coordinator Gayla Proctor said that the purpose of the petition is not to put pressure on the CISD board to reinstate baseball but only for them "to use in their decision."

"We're hoping to get it back in," said Proctor. "By circulating this petition we're trying to see how people feel about it."

"That's the way to do it. The taxpayers have to want it. We're trying to see if there's enough interest."

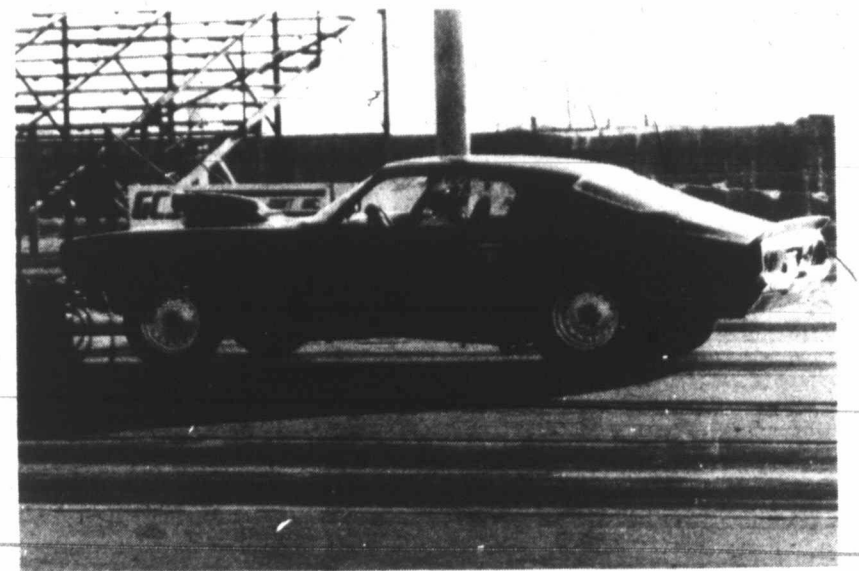

"I think it's going real well," said Proctor Tuesday. "We haven't picked them (petitions) up yet but the general census is everybody would like to see it back. We already have over 200 signatures and there's still some out there."

"It's all positive. People are jumping and enthused. The Teenage League interest is going down. There's only three teams. It's a good time to make a move before it's too late. We want to see it it's just a few of us that want it or..."

"It looks like a nice census of people want it. We plan to have a meeting for anyone that would like to show support. People can call me to sign the petition."

MISTY HALL is pictured with 1988 softball awards. Hall was named the Most Valuable Player at a Midland Class A post-season tournament last week.

DOUGLAS STEPHENS, shown here in his 1972 Camaro, took his second first place win of the season at Idalou Motorsports on July 23. Stephens won third place on July 17.

SCHEDULE

Thursday, July 28
Church League
Calvary vs Methodists, 7 p.m.

St. Ann's vs Loraine, 8 p.m.
Lobos vs Amigos, 9 p.m.
Saints vs Rough Riders, 10 p.m.

TORY STEPHENS is mobbed by Sweetwater American team mates after his first inning grand slam in a 11-0 win over Colorado City during the Freshman League tournament at Ruddick Park Monday. That tournament and Minor and Teenage tournaments at Sweetwater and Snyder, respectively, were to have ended Wednesday night.

Celebrate the fabulous era of the 50's at Sonic! You'll enjoy a delicious Sonic burger, an order of Sonic's famous golden brown fries and a medium Dr Pepper*... a dynamite NIFTY FIFTIES COMBO MEAL for just:

\$1.99 PLUS TAX

*OR ANY OTHER SOFT DRINK.

Are you killing your back?

You may be your spine's worst enemy. Poor posture creates misalignment and stress on your spine. And while chiropractic care aligns the spine, your day-to-day habits limit the benefits of care. SpineLine Chiropractors offer a postural training program, teaching you the posture techniques which form good habits for a lifetime. You will heal faster, and retain the benefits of chiropractic care for a longer time.

To begin your lifetime of spinal health, call your SpineLine Chiropractor today.

Ask Bob Bullock

Editor's Note: Bob Bullock, Texas Comptroller of Public Accounts, answers questions from taxpayers in his monthly column, "Ask Bob Bullock." If you have a question about state taxes, write to: Bob Bullock, Comptroller of Public Accounts, Austin, Texas, 78774, or call 1-800-252-5555.

Dear Bob Bullock:
I own a scuba diving equipment sales and rental shop. I'd like to know what I should be collecting tax on.

B.N. Clute
You should collect tax on your sales and rental fees. There isn't tax due on filling up air tanks or providing diving lessons. However, if you provide diving trips in Texas, you should collect sales tax on your fee since you are providing an amusement service. If the cost of the trip is predominantly for tax-free items such as airfare or hotel accommodations, then there is no sales tax due.

Dear Bob Bullock:
We provide restrooms for our customers, and I rent an automatic deodorizer machine for each room. Periodically, the rental company replaces the scent cannister and charges me for the service. Is the odor control service taxable? Would it be taxable if I owned the machines but the company still replaced the scent.

A.S. San Antonio
Dear A.S.:
In both cases, the service to replace the cannisters is taxable -- regardless of the ownership.

Dear Bob Bullock:
My company provides temporary and permanent job placement services to the medical field. Is permanent or temporary placement of medical personnel a taxable service? Also, if I place word processing, data processing or programming employees in a medical facility, is this a taxable service?

J.S. Houston
Dear J.S.:
When you provide a placement service by finding tem-

BOB BULLOCK
TEXAS COMPTROLLER
OF PUBLIC ACCOUNTS

512/463-4070
1-800-531-5441

porary or permanent employees for your clients to hire, the charge for their service is not taxable.
The taxability of contracting with a client for a temporary employee depends on the circumstances. If your client contracts with you for an employee to perform a taxable service, such as data processing, you should collect sales tax on your fee for the service.

Briefly Gospel Meeting

The Crockett & Smiley Street Church of Christ in Loraine will hold a weekend meeting beginning July 27 through July 31.
A. C. Polk will be the speaker. The theme of the lessons will be "Amazing Grace." Services begin each week night at 8 p.m. with Sunday morning services at 10:30 a.m. and Sunday evening services at 5 p.m.
Everyone is invited to attend.

Bible school
Central Baptist Church, 17th and Hickory streets, will sponsor a Vacation Bible School Aug. 1-5 from 7-9 p.m. daily.
Those needing a ride should call 728-5567 or 728-8697.
All are welcome.

Baptist MDO
Registration for the Mothers' Day Out at the First Baptist Church will be held Monday, August 1, from 9 a.m. to 10:30 a.m.
For further information contact Rhonda Slater, 728-2232, early mornings are best.

Calvary Baptist
Calvary Baptist Church will observe its 30th anniversary Aug. 6-7.
Anyone with photographs or newspaper clippings who would like to share them for the celebration should contact Rick Robinson, Mr. and Mrs. Bob Chalker, Travis Monday or Mildred Free. The items will be returned to the lenders.

Whitmire to provide new program

Dr. Hondo Whitmire, D.C. announced his association with SpineLine Inc.
Whitmire, who has been a practicing chiropractor for the last 28 years, states that his office, in order to provide state-of-the-art care, will now provide this new program developed over 25 years by S. M. Quarles, D.C. of Austin.
SpineLine provides an innovative approach to patient care and development, emphasizing spinal hygiene, especially good posture.

State representative candidate campaigns here

Robert Junell, candidate for state representative of District 66 which includes Mitchell County, said Friday that he would like to see some relief in workman's compensation insurance rates to

small businesses. He said that workman's compensation insurance rates are out of relation to the coverage provided employers. "Employers are getting caught in the middle," said the San An-

gelo resident. Junell was in Colorado City with retiring Rep. Dick Burnett. Junell said a select committee appointed by Gov. Clements will have recommendations in September concerning workman's compensation insurance.

"We need to look at their recommendations," said Junell. "This committee has spent more time (dealing with the problem) than any other single group."

Other issues which he feels are important are:

- a constitutional amendment on the ballot this time concerning the use of rebate from the federal government on gasoline tax - "The Texas economy is such that

I believe we need to distribute the funds to maintenance of roads and construction of new roads," he said.

- public education funding - "The last solution we want to this is to take away local control of schools," he said. He noted that the funding method is a state-wide problem but that local school districts need to retain control of how their funds are spent and to be able to determine their own tax rate.

- water quality - "We should leave control to local water districts," he said, adding that the needs of one water district may be different than those of another district.

Public may review materials at regional education center

ABILENE - All Regional Education Service Centers in the state are required to provide regular opportunities for the general public to examine audio-visual items and other materials which are available for use by public schools.

The review period for this quarter has been scheduled from 8 a.m.-4 p.m. on Friday, July 29. The public is invited to peruse

materials on that day at the Region 14 Education Service Center, 1850 Highway 351, Abilene. Although no appointment is required, an advance phone call - 676-8201 - would be helpful if the reviewer is interested in examining a particular item. Every effort will be made to see that materials are available to interested persons.

FOUNTAIN FLOWING - The fountain at the Kiwanis Club Park in downtown Colorado City is flowing again after repairs were made this past week.

Americanism program presented

An Americanism program entitled "The Liberty Bell" was presented to the youth attending the Wallace Center Youth Summer Program on Monday, July 25, by the Ladies Auxiliary to Wilson Wyatt Post 9478.

The story about one of the United States' most cherished patriotic symbols was presented by Ann Ingram, auxiliary Americanism chairman.

Each of the 36 youth attending received a tag name in the shape of the liberty bell, a stick-on American flag and a patriotic pleaser-teaser question/answer sheet from the auxiliary.

IN THE ARMY - John Raymond Gonsalves Jr. left Tuesday, July 19, for Ft. Benning, Ga. where he will be in U.S. Army basic training for the next three months. He attended schools in Colorado City and Loraine. He is the son of Julie Alberts and the grandson of Cecil and Gladys Fox.
