

LHS bucks wind, Steers in 39-20 win

By RICK WHITE
Managing Editor

NEW HOME — He was supposed to be a sophomore supplement, gaining valuable experience while senior Justin St. Clair carried the load.

Nearly a 1,000 passing yards and 19 touchdowns later, Josh Morris is firmly entrenched as Lazbuddie's quarterback of the present and the future.

Despite a blustery crosswind, Morris completed 7 of 11 passes for 105 yards and three touchdowns Friday as Longhorns beat Rochester in a bi-district six-man playoff game at Leopard Stadium.

District 3-1A runnerup Lazbuddie (10-1) meets Chillicothe (9-2) in the regional playoffs next week. Chillicothe beat Miami, 62-48.

Showing poise in the pocket beyond his years, the baby-faced sophomore finds open receivers with deadly-accuracy. He's completed nearly 75 percent (74 of 99) of his passes this year.

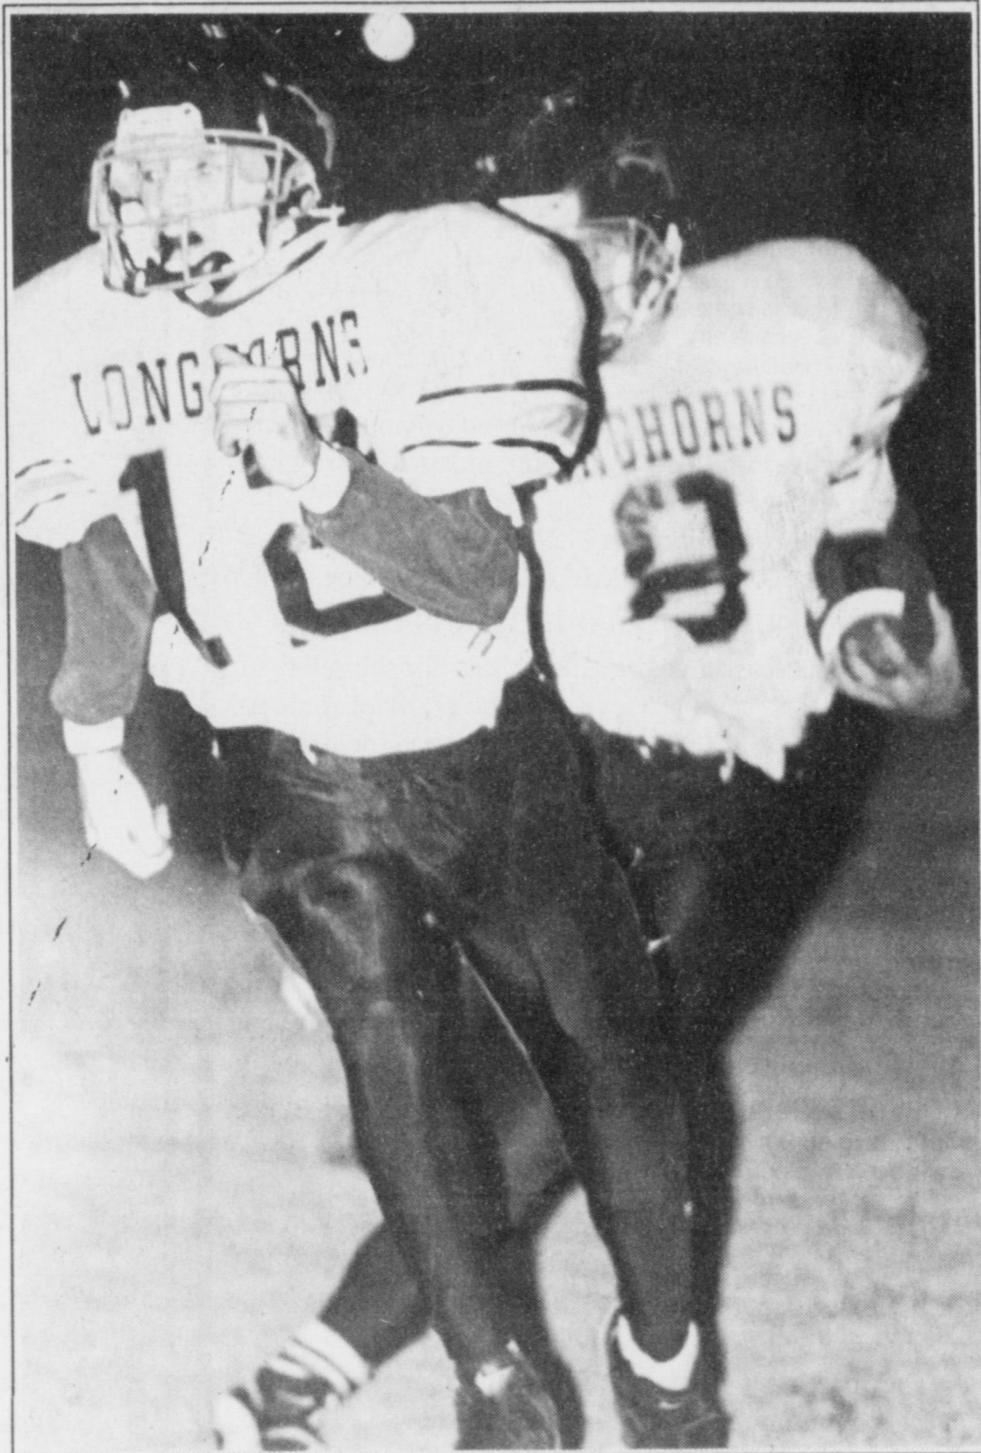

"That's what he's done all year," Lazbuddie coach Mark Scisson said. "He been so cool back there since the first game."

But St. Clair is still the man.

The sturdy 6-2, 200-pound senior accounted for 216 yards of offense and scored three touchdowns. He rushed for 102 yards and a 10-yard touchdown and caught two touchdown passes from Morris.

He also spearheaded a hard-hitting Longhorn defense that punished the passing-impaired Steers

Running interference

Josh Morris leads Justin St. Clair upfield on a sweep Friday during the Longhorns' 39-20 win over Rochester in a bi-district playoff game at Leopard Stadium in New Home.

Former Texas Gov. preaches getting involved

By SAMUEL VILLARREAL
Journal Staff Writer

Former Texas Governor Preston Smith Thursday told a group of Muleshoe High School students that government is compromise and not to be afraid to become leaders.

"You can't lead a parade from the rear," he said. "A leader has to be willing to take charge, get in front and have a vision. A government is only as good as the people who lead it."

Smith, whose term as governor from 1968-1972 was marked by major gains in education, was addressing the newly-formed Teen Leadership class.

Teen Leadership is design to teach leadership skills through community involvement.

Smith emphasized the need for today's youth to learn about the workings of local and state governments.

"Civics classes don't cover the manner in which states pass laws," Smith told about 35 students gathered in the high

school auditorium during his 45-minute speech. "It isn't about how the government is made up but how they work together.

"Governments is all a matter of striving for the attainable. Lawmakers can't always get exactly what they want, but if they are persistent, they can work out a compromise that pleases the majority."

Smith made raising teachers' salaries one of the most prominent planks of his campaign platform.

"The teacher pay raise bill was passed the year I first began teaching," said Muleshoe Independent School District Superintendent Bill Moore. "I still have a certificate signed by Preston Smith that I received as a congratulation for graduating from high school."

Smith reminded the students that being a citizen carries a great deal of responsibility.

"When you elect a person as your senator, it effects everyone in the state," Smith said.

Students need their space

By SAMUEL VILLARREAL
Journal Staff Writer

More than a dozen pint-sized planets brought Earth's solar system to life Wednesday as they swirled and orbited around the floor of their Dillman Elementary School classroom.

Earlier, the eighteen first and second-graders delighted a crowd of parents, teachers and fellow students with a rendition "Space Cowboys in the Sky" along to the tune of "Ghost Riders in the Sky."

"Instead of riding horses, they ride rockets up so high,

They're bound for great adventure—SPACE COWBOYS in the SKY," the bantam-size balladeers sang at the top of their lungs, telling the tale of a new breed of modern-day cowboys.

The songs were all part of a production called "Kids in Space," put on by the Dillman Discoverers class to demonstrate their knowledge of the solar system.

"They've been working on this project for 9 weeks," Discoverers Class teacher Carol Williams. (MISD) Superintendent Bill Moore took a trip to NASA and then spoke to the class about his trip. He brought some pictures for the kids, and that's what made them interested in doing a space project."

Students also displayed model space stations, built with a helping hand from parents.

The space stations looked like something out of science-fiction movie, with everything from plastic soda bottles to cellular phone batteries used to construct the models. Aluminum foil gave some models the look of high-tech alloys, with matches and cardboard forming solar panels to catch the light energy of the sun.

Most of the models included sleeping quarters as well as special places to grow food and conduct experiments.

New agent brings plenty of experience

Gail Gladden of Morton is the new Bailey County Extension Agent for family and consumer sciences.

Her appointment was approved Monday by the Bailey County Commissioners Court. She begins Dec. 1.

Gladden will work with agricultural agent Curtis Preston in delivering Extension programs throughout

Gladden

the county. Her emphasis will be in areas of family, consumers and youth. She will serve as advisor to local members of the Texas Association for Family and Community Education.

She has been an Cochran County extension agent since 1972.

A native of Yoakum County, Gladden graduated from Texas Tech in 1970 with a degree in home economics.

While in Morton, Gladden was honored as the Morton Area Chamber of Commerce Woman of the Year and Civic Club Woman of the Year. She has been awarded the Financial Management Program Award and the Distinguished Service Award from the Texas Association of Extension Home Economists. In 1993, she received the National FFA Honorary Award for Commu-

Alco holding Christmas party Nov. 29

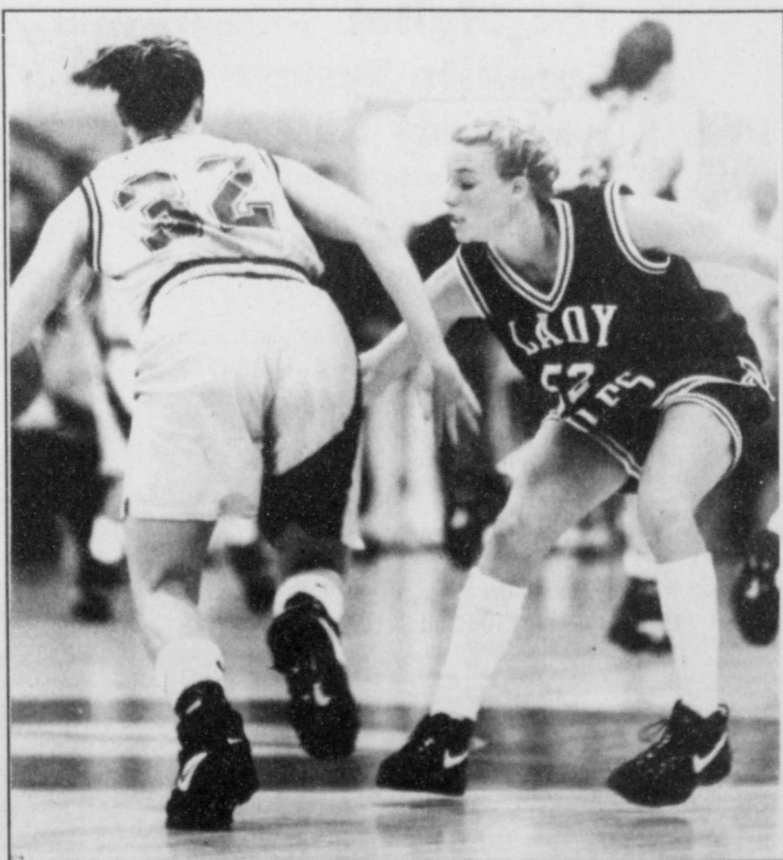

Santa Claus will make an early visit to Alco department store the day after Thanksgiving to help convey a drug-free message to children.

Festivities start at 11 a.m. Nov. 29 in the Alco parking lot and will continue throughout the day.

Alco and several area organizations have volunteered their time and resources to sponsor the event.

"We wanted to do something that the kids would enjoy," Alco manager Mark Huddleston said. "There will be all sorts of activities for the kids with all of the organizations that will be here."

Ball hawking

MHS senior Brandi Harrison goes for the steal against Tori Reed Tuesday in a non-district game at Littlefield. The Lady Wildcats beat Muleshoe, 55-37.

Lady Mules drop opener at Littlefield

By RICK WHITE
Managing Editor

LITTLEFIELD — Muleshoe knew all-state candidate Trissi Walden would get her points.

The Lady Mules didn't count on Michelle Tijerina launching in a half-dozen 3-pointers and the Lady Wildcats shooting better than 50 percent from field.

Tijerina finished with 20 points and Walden added 16 points as Littlefield beat undermanned Muleshoe Tuesday, 55-37, in the season-opener for both teams.

Muleshoe had just seven players available. Two players are injured, two were sick

and two were suspended.

"I was pretty pleased with the way we played," Muleshoe head coach Jim Gruhlkey said. "Especially for what we have."

Tijerina hit two 3-pointers in the third quarter when the Lady Cats stretched a seven-point halftime lead into a 41-28 advantage heading into the fourth quarter. She added two more 3s in the fourth quarter to squash any hopes of a Muleshoe rally.

Most of her second-half points came when Muleshoe was pressing and didn't locate her quick enough when they

AROUND MULESHOE

Meet the Mules, Lady Mules Nov. 21

The Muleshoe Athletic Booster Club is hosting a "Meet the Mules and Lady Mules Night" 7 p.m. Thursday, Nov. 21 at the high school cafeteria.

All players and coaches on the freshmen, junior varsity and varsity boys and girls basketball will be introduced. The public is welcome.

Local hospital looking for volunteers

Muleshoe Area Medical Center needs five volunteers to work at their information desk.

Information desk volunteers would answer phones, transfer calls. The front desk also helps guide visitors to the different areas and departments of the hospital.

For more information about volunteering, contact Irene Dilts 272-3382.

LHS senior class selling calendars

The Lazbuddie High School senior class will be selling their community birthday calendars.

If anyone has any changes or needs to add to the calendar, contact Debbie Weir at 965-2156 or at home at 965-2302.

Soup & Sandwich Luncheon Nov. 21

The Soup and Sandwich Luncheon for November will be Nov. 21 from 12-1 p.m. at the fellowship hall of the 16th & D Church of Christ, and will feature a special Thanksgiving program as Stacy Conner, pastor of Muleshoe's First Baptist Church, presents some thoughts particularly appropriate for the Thanksgiving season.

Community members, business people and anyone also interested are invited to enjoy this monthly soup and sandwich luncheon. The meal is offered on a free will donation basis.

Muleshoe Christmas Bazaar Dec. 6-7

The Muleshoe Jennyslippers are sponsoring the 18th Annual Muleshoe Christmas Bazaar December 6 and 7 in the Bailey County Coliseum.

The hours for the bazaar will be Friday from 10 a.m.-7 p.m. and Saturday from 9 a.m.-5 p.m. Dec. 7.

The Muleshoe Jennyslippers

MAC holding turkey raffle Nov. 23

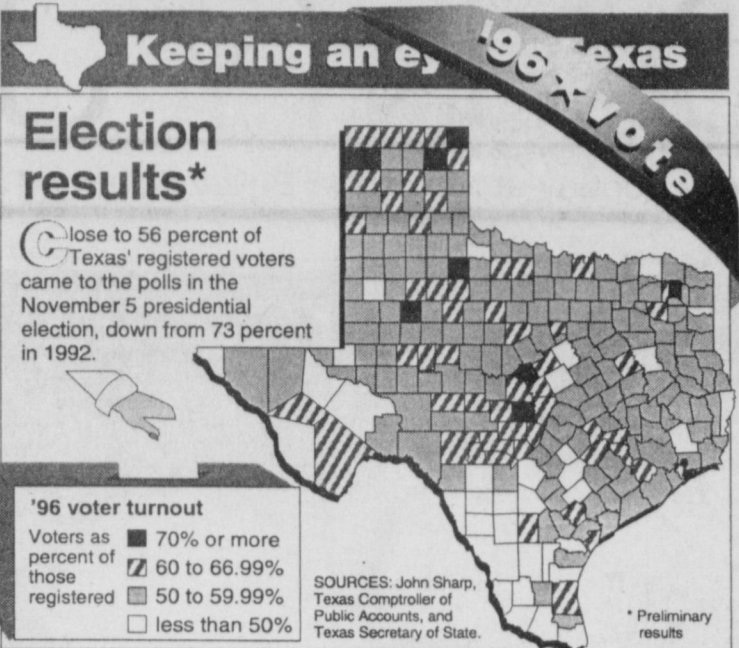

The Muleshoe activities Committee will hold a turkey raffle Nov. 23. The raffle will be held at the corner of Main and Avenue C in downtown Muleshoe.

Along with 25 turkeys, 6 bundles of MAC bucks worth \$50 each will be given away.

Tickets for the raffle are available at any participating MAC business.

Classes available at adult learning center

Muleshoe Adult Learning Center has openings for GED and ESL students. Classes are from 8 a.m.-noon Mondays

through Thursdays and 6-8 p.m. Mondays and Wednesdays. Students may also enroll in courses to strengthen math or reading skills.

For more information call 272-7540 or visit the Learning Center at 804 W. American Blvd. in Muleshoe.

MHS basketball season tickets on sale

Basketball season tickets are on sale for the 1996-97 Mule Basketball season. Tickets will be \$7.50 for students and \$15.00 for adults. Season tickets are good for all home games for Muleshoe High School and Watson Junior High School games. Tickets can be purchased at the MISD business office, 514 W. Ave. G.

Great American Smokeout Nov. 21

The American Cancer Society will observe the 20th Annual Great American Smokeout Nov. 21.

This year's Smokeout will focus on efforts to prevent smoking among children and teenagers. By helping young people resist smoking, the American Cancer Society hopes that future generations will not have to struggle to break an addiction to nicotine.

Blood drive committee meeting Nov. 14

The Muleshoe Advisory Council of the Texas Blood Institute will meet Nov. 14 at Leal's Restaurant. The meeting will begin at noon.

The meeting will be to discuss the planning of next year's community blood drives and hear news of the Dec. 5th blood drive.

To get your event in Around Muleshoe, call 272-4536

The chicken conspiracy

BAXTER BLACK
ON THE EDGE OF COMMON SENSE

The Texas Cattle Feeder's Association has been leading the charge to force the USDA to inflict on the poultry processing industry the same stringent requirements demanded of meat processors (beef, pork and lamb). Why? Because poultry is serious competition and the meat industry wants a level playing field.

The inequities in question included allowing poultry carcasses to have up to 8% added water (0% for meat)... poultry does not have to meet zero tolerance for fecal and ingesta contamination. (meat does)... poultry processing equipment does not require 180 degrees for sanitation nor does equipment have to be sanitized between carcasses.

(meat does)... poultry carcasses can touch. (meat cannot)... detached skin and extra water can be added to processed poultry products (no skin, 3% water to meat)... and meat stew must contain 25% meat... (poultry, only 12%).

Why, one might ask herself, has the USDA always maintained a more lenient policy regarding poultry?

To understand, we must first make some general observations about poultry that allows the public's acceptance of these lesser standards and therefore, the USDA's willingness to appease the poultry processors.

Chicken is cheap. It usually has less fat and it tastes like whatever you put on it and it is politically correct.

Chicken is cheap. The single biggest factor for poultry's overwhelming success in

the last 25 years. How important is that to the average family? It is paramount. They are struggling to make car payments the size of house payments, the cost of braces, tennis shoes, the need for two television sets, the convenience of eating out 50% of the time and the worry of job security. The pressure on the food budget is exaggerated by their inability to garden, can, butcher, cook a pot roast or cut up a chicken.

Increasing the inspection requirements of poultry would increase the cost of chicken. Meat producers know this but so do politicians. These struggling housewives have a lot more votes.

Chicken usually has less fat and tastes like whatever you put on it. Fifty years ago chicken had its own flavor, they ate lots of bugs and gravel and had some age on them. Today they have no need to marble. Tenderness and flavor are not criteria when eating chicken. They are slaughtered as young as possible, which keeps down fat. The public is now conditioned to avoid fat. The only equivalent competition is veal. It is truly the other white meat. Unfortunately it does not fit the last requirement; Chicken is politically correct.

Animal rights activists have chosen not to peck on poultry producers. Chickens have a low "cuddle factor". Chicken is like manna, nobody questions how it got to the plate.

And finally chicken is not only politically correct it is politically connected. Tyson has friends in high places. And those in charge of the USDA, are political appointees.

District seeks community input

Within the next couple of weeks, randomly selected residents of Muleshoe Independent School District will receive a survey form in the mail asking them how well they feel the schools are doing.

"We feel we are doing a good job in educating the students who attend our school, but we want to know what the public perception is," MISD Superintendent Bill Moore said.

The results of this survey will be used by the MISD Board of Trustees, administrative teams, and various improvement committees in planning the district's goals and objectives for the future.

Although many residents do not have children in school, MISD administrators feel that public opinion is important to this process.

"The school district is a vital part of this community, and

Jayme attends Sul Ross University and Jill attends Morton High School.

The Gladdens plan to move to Bailey County in the near future.

its reputation and quality of programs affect all of us who live and work here," Moore said.

The district is utilizing services of the Region 17 Educational Service Center in Lubbock to conduct the survey. The Service Center is assisting in randomly selecting the survey participants, and all results will be mailed directly to the Service Center for compilation to ensure unbiased reporting of the results. A copy of the report will be made avail-

able to the public in mid-January.

"It is very important to us that those who receive the surveys complete them and return them to the Service Center," Moore said. "We expect to get a great return of the surveys because this community has traditionally been very willing to do things to help the schools improve."

The surveys have been printed in English as well as Spanish, and will be mailed out the last week of November.

Mules skin Cats in opener

BY RICK WHITE
Managing Editor

LITTLEFIELD — Muleshoe head coach Ralph Mason raised a few eyebrows last year when he force-fed major minutes to three freshman.

The bold move paid off Tuesday when now sophomores Dustin Cleavinger, Carlton Lewis and Matt McClanahan combined for 32 points, leading Muleshoe to a 63-57 win over Littlefield in the season-opener for both teams.

Senior Alfonso Mendoza added 11 points and 15 rebounds as Muleshoe wore down the Wildcats in the second half.

"It feels good to start the year off with a win," Mason said after the Mules finish with a 5-23 record last year. "Every win we get is going to be a big help because we're still pretty young. If we pick up some wins along it could give us some confidence going into district."

Cleavinger had a quiet 12 points and five rebounds, Lewis finished with 11 points, five steals and three assists and McClanahan added nine points.

Muleshoe outscored Littlefield 25-11 in the third quarter behind Mendoza and Lewis, taking a 55-41 lead into the fourth quarter.

Muleshoe went inside and to the offensive glass with a vengeance in quarter, scoring 16 points in the paint against

the taller and more athletic Wildcats. Eight point came offensive rebounds.

Mendoza hit a 3-pointer and converted two offensive rebounds in an 18-6 run that gave the Mules a 48-36 lead with three minutes left in the third quarter.

"Alfonso did a great job of crashing the boards," Mason said. "He was so intense."

Lewis added six points in the spurt. The 5-7 point guard posted up a smaller defender and banked in an 8-footer, scored on an offensive rebound and added a pair of free throws.

Lewis led the Mules with five steals and three assists while committing just one turnover.

"(Lewis) took it to the hole some and showed we have two point guards who can play," Mason said.

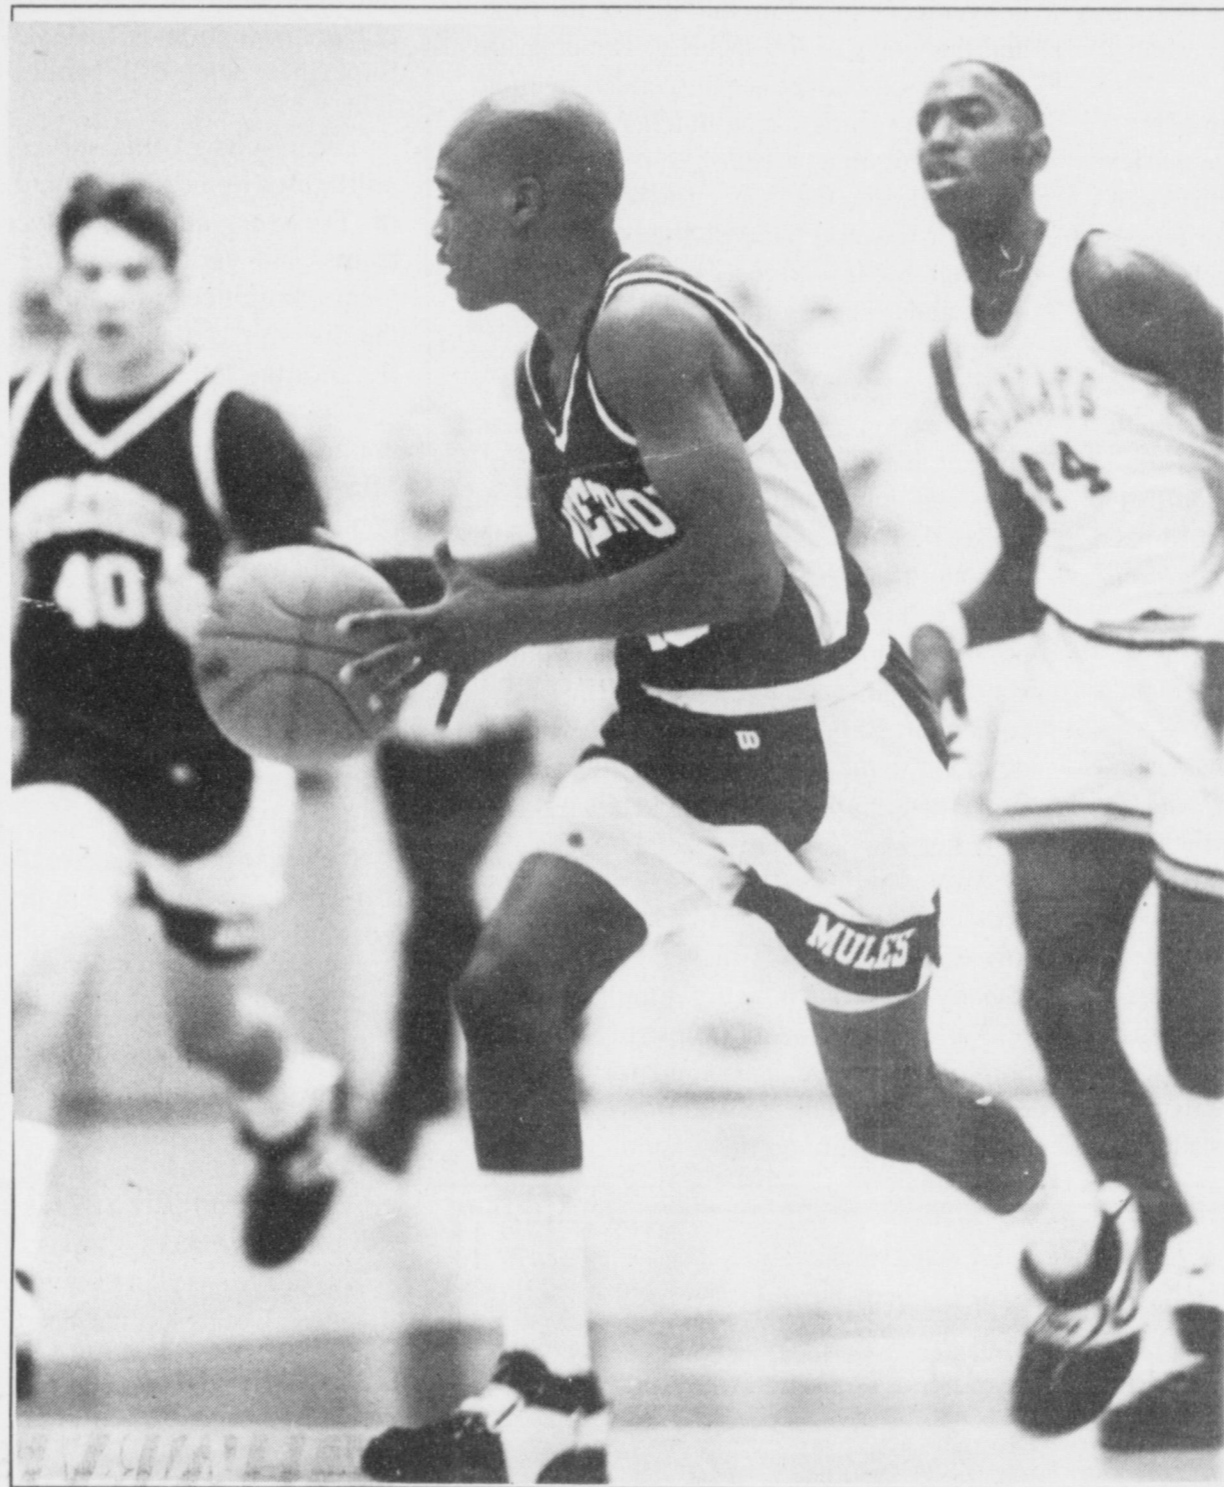

Lewis splits time with junior Matt Mason, the coach's son.

Littlefield made a run at the Mules late, pulling within 60-54 on a basket by Bryan Mosley, who finished game-high 17 points.

But Cleavinger dropped a pair of free throws 20 seconds later after rebounding Mason's missed free throw on the front end of a one-and-one and Muleshoe held.

Kyle Brown led Littlefield with 18 points, including three

Searching

MHS sophomore Carlton Lewis pushes the ball up the floor while looking for an open teammate during Tuesday's 63-57 win at Littlefield. The Mules played Plains in their home-opener Friday.

AREA BASKETBALL

MHS frosh win

Lela Hancock scored 9 points and Bobbie Benham and Stacy Locker each added 8 points as the Muleshoe freshman girls opened the season Monday with a 32-18 win over Olton.

Michelle Toscano added four points for the Lady Mules, who broke the game open in the third quarter by outscoring the Fillies 15-0.

The score was tied at 7-7 at halftime.

Melinda Fuentes led Olton with 7 points.

Olton	4	3	0	11	18
Muleshoe	3	4	15	10	32

Olton (18) — Brandy Gaffen 0-0-2, Melinda Fuentes 3-1-7, Emily Gipson 0-2-2, Erica Paez 1-0-0, Brandi Snider 1-0-1, Alexis Barina 1-0-4, Jessica Miller 0-0-1, Angela Hamilton 1-1-2. Totals 7-4-13 18.

Muleshoe (32) — Bobbie Benham 2-4-5, Lela Hancock 3-3-4, Stacy Locker 3-2-6, Kala Johnson 0-1-4, Barbara Morales 0-0-1, Christi Adrian 1-0-0, Michelle Toscano 1-2-4, Brandy Whitt 0-0-1. Totals 10-12-25 32.

Lady Eagles fall

MAPLE — Three Way fell behind early and never caught up.

Surprisingly-strong Faith Temple of Portales beat Three Way Tuesday, 78-65, despite 31 points and 9 rebounds by Nadine Webb.

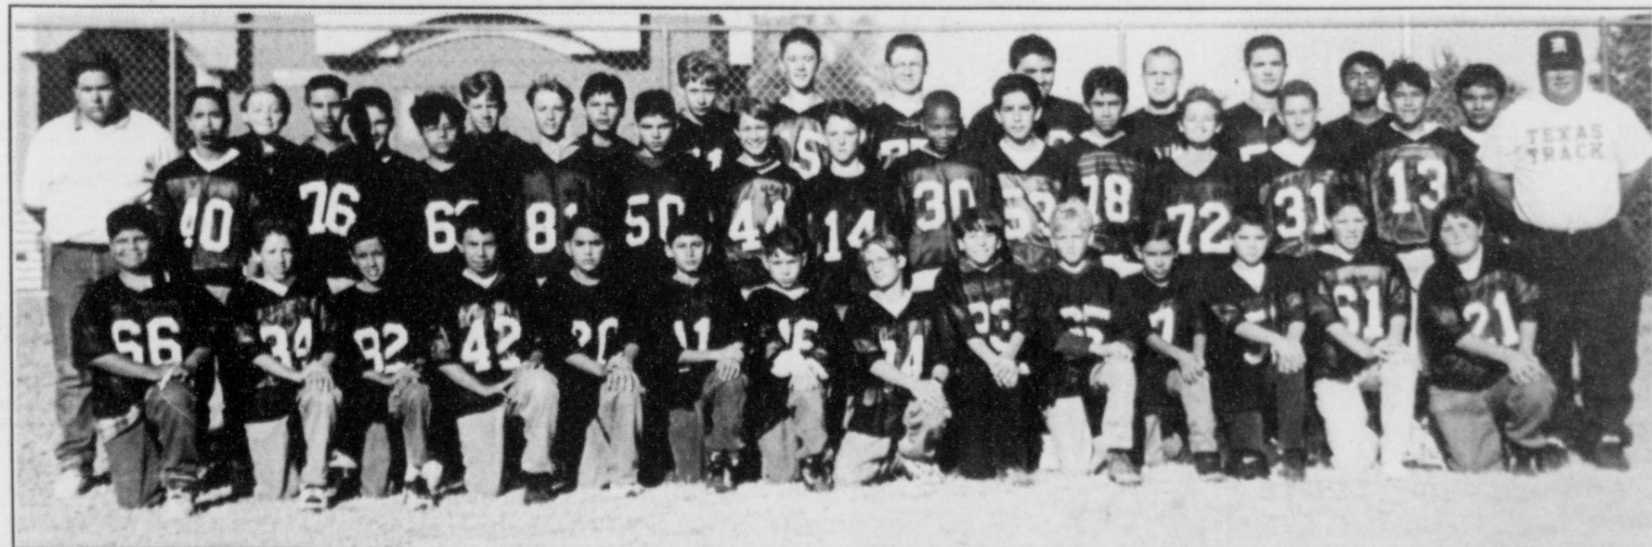

Melanie McCall added 22 points and 9 rebounds for the Lady eagles and Jessica Robinson finished with 10 points and 9 rebounds.

This Communication Wonder Beats E-mail

Over the phone line each day through the wonder of e-mail I get a fine little article by Edward Fudge of Houston. But some wonders of communication beat e-mail, as Edward's article which follows illustrates:

I cannot help but notice her as I approach my gate seating area at Houston Intercontinental Airport. Medium build, cropped brown hair, loose fitting slacks and shirt, and only one arm. We are both an hour early for

shared the gospel only months before he died, and whose transformed life later caused his "gay" friends to invite me to his memorial service to tell them "whatever it was that you told Mike."

"God sent you to me," says Shawn, whose name I now know. "My two friends in Lubbock are lesbians. I do not know if they will listen to the gospel or not, and I was just praying for God to provide me some encouragement to go on."

As we chat, there and later on the plane to Lubbock, I learn that Shawn had lost her arm to cancer, but she feels blessed to be alive. She now does research in the cancer hospital for the very Jewish doctor who had treated her. There she shares God's love with other patients who face the loss of limbs. Although her doctor is an atheist, he sometimes sends her to pray for other patients who need encouragement.

this flight to Lubbock, where I am to speak six times over the weekend at Quaker Avenue Church of Christ about God's guidance. I am carrying my Bible and notes in a cloth tote bag that says "State Bar of Texas." The plane is late. We have another hour to wait.

As I take a stretch break, I word a silent prayer. "If there is anyone here, Lord, with whom you wish me to connect, please call it to my attention." I walk to the window and watch the planes taxi on the runway. Just then she rises and comes over to me. "Are you a lawyer?" she asks, looking at my bag. "Yes," I say, "for a living. But I am on my way to Lubbock to talk about God's leading in our lives."

"Really?" she says. "I am going to Lubbock to witness to some friends whom the Lord has put on my heart. I hope they will be open to the gospel."

"Isn't it amazing how God works?" I say, and begin to tell her the story of Mike, an AIDS patient with whom I

shared the gospel only months before he died, and whose transformed life later caused his "gay" friends to invite me to his memorial service to tell them "whatever it was that you told Mike."

"God sent you to me," says Shawn, whose name I now know. "My two friends in Lubbock are lesbians. I do not know if they will listen to the gospel or not, and I was just praying for God to provide me some encouragement to go on."

As we chat, there and later on the plane to Lubbock, I learn that Shawn had lost her arm to cancer, but she feels blessed to be alive. She now does research in the cancer hospital for the very Jewish doctor who had treated her. There she shares God's love with other patients who face the loss of limbs. Although her doctor is an atheist, he sometimes sends her to pray for other patients who need encouragement.

Curtis Shelburne is minister of the 16th & D Church of Christ in Muleshoe.

Horns

Continued from page 1

and standout running back Charlie Parks.

The District 1-4A champion Steers game plan is simple, pitch the ball back to Parks on sweeps and only throw when desperate.

Parks finished with 155 yards on 20 carries, but didn't run with the same abandon after the first quarter when he scored Rochester's first touchdown on a 63-yard run.

"We hit him a few times and I think that slowed him up a little bit," St. Clair said.

Parks came into the game averaging 10 yards a carry.

"We were a little bit timid,"

Rochester coach Chet Forehand said. "We weren't quite physical enough."

Lazbuddie scored just before halftime to take a 16-12 lead.

On fourth down from the Rochester 9, Morris found St. Clair in the right flat and the senior skipped down the right side for the score with 15 seconds left in the half.

After Morris' 16-yard touchdown pass to Chris Smith (6 catches for 76 yards) on a crossing route gave Lazbuddie a 24-12 third-quarter lead, senior Brice Foster turned in the play of the game.

After finding the middle clogged, Foster bounced outside and scampered 65 yards to the end zone on the final play of the third quarter to make it 32-12. Foster finished with 111 yards on 21 carries.

All three Rochester scores came on big plays, including a fourth-and-15 pass that gave the Steers their only lead of the game, 12-8.

"I thought we played pretty well, but we keep giving up big plays," St. Clair said. "But they haven't been big enough to kill us yet."

Lazbuddie outgained Rochester to 387-257 in total yards.

Lady Mules

Continued from page 1

dropped back into a zone.

"We weren't communicating on the floor," Gruhlkey explained.

"She only seems to do that against us," Gruhlkey said. Muleshoe beat Littlefield twice in three games last year when both played in District 2-3A.

Senior guard Brandi Harrison led Muleshoe with 18 points and added six rebounds and four assists.

Sophomore post Erin Whillite added six points and 10 rebounds in her first varsity game.

Whillite also turned in a respectable effort defending Walden, the most valuable player in District 2-3A last year. Walden is a quick, athletic 5-11 senior post with a soft touch.

"That's as tough as we've ever played her," Gruhlkey said. "She's one of the best players around."

Muleshoe, with Harrison its only returning starter, hung closed early before Walden triggered an 11-2 run that put the Lady Cats up by 10 early in the second quarter. Walden scored six points in the run and Monica Silva chipped in a 3-pointer, giving LHS a 23-13 lead three minutes in the second quarter.

Behind Harrison, Muleshoe chipped away at the lead and pulled within 27-20 at halftime. Harrison scored seven-straight points for Muleshoe.

The Lady Mules got as close as 29-24 early in the second half on back-to-back jumpers by Harrison and Kristin Nichols (six points) before Tijerina

started playing bombs away.

"We missed a lot of easy shots," Gruhlkey said. They weren't gimmes but we should have made them gimmes."

Muleshoe also committed 21 turnovers.

Nichols was playing with an injured shoulder left her status questionable for Saturday's game at Denver City.

3-pointers. Both teams had only practiced a few days, and it showed late in the first quarter when the fast pace left both teams gasping for air.

Littlefield jumped out to an 11-2 lead two minutes into the game.

Rotating two units, Muleshoe clawed its way back into the game.

Mendoza's layup off a steal a minute into the second quarter closed the gap to 19-15.

Douglass Field's three-point play sent the teams into half-time tied at 30.

"I told the kids before the game that I knew there were going to be some rough edges," Mason said. "I told them if they didn't get discouraged by their mistakes we had a chance for some success. They didn't get their heads down after mistakes."

Tipsy sheep studied for brain-damage clues

COLLEGE STATION — Some tipsy Texas sheep may provide valuable clues for medical researchers trying to understand how and why alcohol damages the developing brains of human fetuses.

Pregnant sheep fitted with special blood monitoring devices are helping Timothy A. Cudd, a veterinarian and physiologist in Texas A&M University's College of Veterinary Medicine and Texas A&M College of Medicine neurobiologist James R. West assess what happens to the blood of both mother and fetus when the mother consumes alcohol.

Such simultaneous monitoring of alcohol's effect on mother and fetus hasn't been possible before, say Cudd and West, and they expect it will tell them a lot about how the alcohol causes brain damage in human fetuses.

The two researchers are con-

centration on what happens during the last third of pregnancy. That's when the brain develops most rapidly and is thought to be most vulnerable to damage from alcohol. Eventually, they plan to study the entire period of pregnancy.

"Generally, women who drink during pregnancy don't just drink during the third trimester," Cudd says. Eventually, Cudd and West hope to find biochemical markers in the mother that can be associated with damage to the fetal brain and that could be used to predict or prevent it.

At least 7,000 children born each year in the United States suffer from fetal alcohol syndrome, or FAS; 600 of them in Texas. Symptoms include physical frailty, mental retardation, difficulties in learning and characteristic facial features. But nobody knows how or why the alcohol causes the damage, says West.

Space

Continued from page 1

Calli Hancock's space station was a silver saucer with four silver "solar panels" attached. Eric Washington's built his using a cellular telephone battery, complete with a fold-out landing deck for spaceships to land on and antennas for sending radio messages.

The most colorful model was made by Tori Vise, who strayed away from the conventional aluminum foil and used plastic building blocks in a rainbow of colors.

Students also compiled booklets on planets. In the booklets, students wrote about the planets they would like to visit.

Franklin Piland decided that if he could go to another planet, he would go to Saturn.

"I would want to go there so I could find space rocks that I could give to my friends," he said.

The Dillman Elementary Discoverers class includes first graders Brittni Carter, Kaitlyn Geissler, Jamie Hall, Calli Hancock, Chelsi Hawkins, Randall Knox, Kate Lepard, Jordan Saylor, Tori Vise, and Eric Washington. Second grade students in the class are Kelsey Tipps, Garrett Riley, Franklin Piland, Jonathan Heron, Cynthia Barrera, and Jonny White.

KIWANIS NEWS

The Muleshoe Kiwanis Club held their weekly meeting Friday November 8, 1996 at the Snack Shack. The meeting was called to order by the President R.G. Bennett. Jim Lutz gave the invocation and Chuck Smith led the club in the pledge. Chuck Smith passed on the friendship coin to Jim Lutz.

Our guest this morning was LeAndy Lynn, coordinator of the Childrens Miracle Network and the Texas Tech University Health Sciences Center at Amarillo, School of Medicine. LeAndy gave the program this morning about the Childrens Miracle Network and where the money raised is used. All the proceeds are put back into the facilities of the School of Medicine in Amarillo for items such as the New Infusion Room Center. They have also purchased a high resolution ultrasound for use in the Texas Panhandle and the money stays here. According to LeAndy, the kids are our future and we must take care of them. LeAndy expressed her appreciation to the Muleshoe Kiwanis Club for contributing to the

Childrens Miracle Network. Thanks, LeAndy, for the program.

After the program on the Childrens Miracle Network, President R.G. Bennett presented LeAndy with a contribution to the program.

The club discussed the flag project as Veterans Day was Monday November 11, 1996.

LeAndy Lynn, Coordinator of Childrens Miracle Network

COTTON NEWS

LUBBOCK — Focusing on the "Future" could have been the major theme at the Texas Food & Fiber Commission's (TFFC) Industry Advisory Committee Meeting November 8, 1996.

The TFFC committee met at the Texas Tech International Textile Center to preview research projects set to be carried out during the 1998-1999 biennium.

"The TFFC's main purpose is to support Texas natural fiber and oilseed industries through the oversight of research projects conducted at major research institutions around the state," explains TFFC Executive Director Steve Verett. "Research funding is provided directly from the Texas Legislature. Hopefully, this provides a mechanism for research to more easily respond to the needs of the cotton, wool, mohair and oilseed industries."

Verett says a number of research projects scheduled for funding, following approval of budget requests by the legislature, are cotton-oriented and directly benefit producers.

Verett notes that an ongoing project funded by the TFFC provides funds used by Texas

Agricultural Extension Service (TAEX) agents to do fiber testing on cotton produced in county demonstration projects. These results provide valuable information to producers as they decide on the varieties

Total funding requested to carry out TFFC research in 1998-1999 is approximately \$2.5 million.

Harvesting activity is proceeding throughout the Texas High Plains, despite the lack of a true killing freeze in many areas.

Overall, estimates indicate about 35-40 percent of the crop has been stripped. The difference in percent harvested, however, appears to vary widely from area to area.

Reports from the Lubbock and Lamesa Cotton Cladding Offices show a good quality crop is being harvested. The Lubbock office has processed approximately 500,000 of the 2.25 million samples it expects to receive this year.

The Lamesa office, which receives most of its cotton from areas harder hit by this season's dry condition, has classed 132,000 according to their latest report.

PUBLIC RECORD

OBITUARIES

Oran "Joe" McMakin
LAKE BROWNWOOD—Funeral services for Oran "Joe" McMakin, 81, of Lake Brownwood, were held Thursday, Nov. 14 in the Eastlawn Memorial Park with Rev. Billy Swindler officiating.

Mr. McMakin died Monday, at his residence after a lengthy illness. He was born January 14, 1915 in Bowie, Texas.

He married Leota Jones on January 9, 1936 in O'Donnell, Texas.

He worked as a farmer and a welder. He worked as a welder during World War II. He was a member of the Masonic Lodge in Muleshoe where he resided for many years prior to moving to Lake Brownwood in 1976.

He was preceded in death by his parents, three brothers, one sister, and two grandchildren.

Survivors include his wife, Leota J. McMakin of Lake Brownwood, three sons, Delvin McMakin of Las Cruces, N.M., Ervin McMakin of Janeville, Calif., Donald McMakin of Lake Brownwood; six sisters,

Emma Dorman of Mountain Home, Ark., Fay Brooks of Dalhart, TX, Gracie Shaw of Wimberly, TX, Mozzell Denson of Seattle, Wash., Lona Stanley, and Nona Petty both of Lakeside Calif.; nine grandchildren and 19 great-grandchildren; also several nieces and nephews.

Sarah Meyers Harris and her mother LeAnn Meyers at a Nov. 2 baby shower

Harris honored with baby shower

A baby shower honoring Sarah Harris was held on Nov. 2 at the home of Kim Shafer.

Special guest were grandmother-to-be, LeAnn Myers, along with Sarah's nieces, Hannah and Sadie Bockhoff.

Guests were treated to homemade breads and cookies, hot apple cider and mint juleps.

The hostesses included were Rayniel Bamert, June Hunt, Sharon Williams, Julie Cage, Kim Shafer, Myrt Feagley, Rhonda Eagle, and Debbie Nickels.

Sarah and J.D. are looking forward to their new baby boy expected to arrive around Christmas.

SCAC NEWS

SCAC (Student Community Action Club) held its monthly meeting at 7:30 p.m. on Oct. 21 in the home of Katie Black. Fourteen of the thirty-one members attended, along with Mrs. Jean Allison and Mr. Jim Gruhlkey, sponsors.

Heather Hooten, president, called the meeting to order. Chaplain Chris Shelburne gave the prayer and secretary Stacy Harlan read the minutes from last month's meeting.

In old business, Tiffany Boehning was pronounced to have accepted the position as a new SCAC sponsor, and the club T-shirt committee planned a meeting.

Mr. Gaylord Latham and Mr. John Knox were guests speakers as the September and October citizens of the month.

Mr. Latham, introduced by Mark McGuire, spoke about the important role of teachers

in mankind and the personal satisfaction he feels from his job. Mr. Knox discussed the variety of activities he is involved with in Muleshoe, such as church volunteer work, the VIP program at Dillman, and the MHS Speech team.

Next in the meeting, members volunteered to participate in and help with the PTA Fall Festival on Oct. 26 and the Pete Laney benefit supper on Oct. 29. Both events were a tremendous success.

The meeting was adjourned and the next meeting was set for Nov. 18 at 7:30 p.m. at the home of Mark McGuire.

October SCAC meeting

Members of the Students Community Action Club met Oct. 21 to listen to special speakers. Pictured are (from left) Amy Hooten, speaker John Knox, Mark McGuire, SCAC President Heather Hooten, and speaker Gaylord Latham.

It is far more impressive when others discover your good qualities without your help.

NURSING HOME NEWS

By Joy Stancil

Four officers of the Cannon Air Force Base conducted a special flag raising ceremony in observation of Veteran's Day Tuesday.

Among those there Guy Kendall, Ed Edmiston, Billy Crouch, Kenneth Evert and MAHC residents. Those from the VFW included Ronald Ashford, Clifton Finley, Benny O'Brien and Alene Bryant.

Tuesday afternoon Claudine Embry, Pat Watson, Beverly Wagnon, Lanell Stancell, Mary Jo Burge and Skeet Bradshaw came to shampoo and set the ladies hair and give manicures.

The Ave. D Church of Christ ladies baked and served homemade pies Tuesday afternoon. Billy Darnell was visited this

week by his wife Marie, his daughter and son-in-law Mr. and Mrs. Royce Clay, Marilyn and Gordon Wilson, Joe Embry, John Knox and son.

Kenneth Everett was hospitalized Tuesday afternoon in the local hospital. Please remember him in your prayers.

Velta Fyie visited the Healthcare Center Tuesday. She brought a lot of good reading material and sunshine.

Wednesday morning following coffee/donut time. Brother Cliff Hargrove from the First Baptist Church of Sudan spoke to us on the subject of thankfulness.

Elise Tarr Celebrated her birthday Wednesday. Her brother, J.C. Shanks, came to

visit her.

Florene Upchurch, Retha Knowles and Holly Milsap attended the sing-a-long with Glenda Jennings Wednesday afternoon.

Thursday morning, Nancy Lemmons brought ceramics for the residents to paint. Residents participating were Hazel Riddle, Kathryn Hancock, Kathrine Rogers, Florence Harvey, Jackie Davenport, Bootie Tiller, Zeffa Shafer, Lora Dale, Lillie Wuerfli, Rosa Sneed, Pearl Helmer and Naomi Black. Aline Locke and Helen Tinskey watched from the side lines and gave support.

Thursday afternoon, Benny and Jean O'Brien hosted the Bingo Bonanza.

Mrs. Underdown and her daughter attended coffee and donut time and visited with the residents.

The Farwell Mennonite Church came Friday evening for a Gospel singing service.

Sunday afternoon, the Muleshoe Singers came to lead a Gospel Sing-along. Pastor David McIntire, Clara Lou Jones and J.C. Shanks directed our devotional/reflection time.

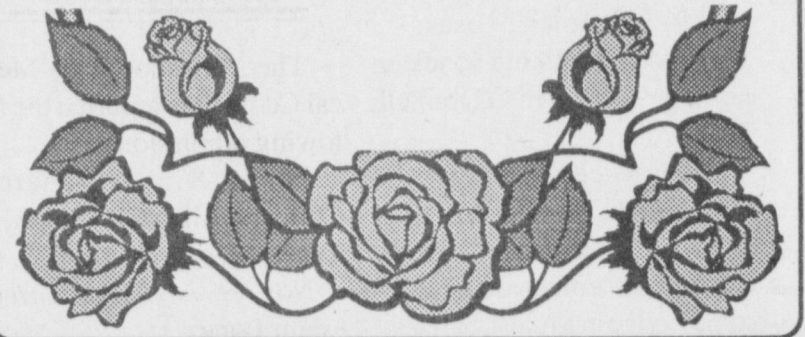

Recently Aline Locke was visited by her sister and brother-in-law from Levelland.

Donna Locker visited her mother Aline Locke several times this week.

M.T. and Jeanette Hukill were visited by Clara Suddeth and Flo Jones this week.

We would like to thank all of our friends that brought food, sent cards, plants or maybe just thought of us during our loss. We have felt the presence of the Lord through the prayers that people have lifted up.

Facts About The BIBLE BY JOHN LEHTI
Copyright © John A. Lehti, Distributor: Long-Plus, Middletown, NY. NATIONAL SALES REPRESENTATIVE: Dal Advertising Service, 272 E. 4th St., Guilford, NC 27430

THE MOST IMPORTANT ANIMAL IN BIBLICAL DAILY LIFE!

THE MOST VALUABLE OF ANIMALS, IN BIBLICAL TIMES, WAS THE ASS. IT WAS USED EXTENSIVELY FOR RIDING, CARRYING BURDENS, PLOWING FARMLANDS, AND GRINDING THE GRAIN IN FLOUR MILLS. WHEN A FAMILY WANTED TO MOVE, THEY PACKED THEIR ENTIRE HOUSEHOLD ONTO THE BACKS OF THESE STURDY, LITTLE BEASTS AND OFF THEY'D GO!

THE HORSE WAS USED ONLY FOR WARFARE AND, IN THE ROCKY, HILLY COUNTRY OF JUDEA, IT WAS OF NO USE EVEN IN BATTLES, FOR IT COULD NOT MOVE WELL IN THE ROCKS AND RIDGES OF THE MOUNTAINOUS LAND—IN FACT, THERE IS HARDLY ANY MENTION OF THE HORSE BEING USED BY THE JEWS UNTIL KING SOLOMON, WHO IMPORTED THOUSANDS OF THEM FROM EGYPT. BUT THE ASS WAS A NECESSITY IN THE DAILY LIFE OF THE JEWS EVEN TO THE POINT OF PRODUCING FOOD—FOR MANY HERDS WERE KEPT FOR MILKING—THE SHE-ASS GIVING MILK AS RICH AND NUTRITIOUS AS THE GOAT AND COW!

A SPECIES OF PURE-WHITE ANIMALS, BRED IN MESOPOTAMIA, WAS IMPORTED BY MANY COUNTRIES FOR CEREMONIAL ACTIVITIES, RICHLI BRIDLED AND SADDLED, THEY WERE KEPT BY KINGS AND PRINCES FOR THE CONVENIENCE OF IMPORTANT GUESTS AND FOR THEIR FAVORITE WIVES! (JUDGES 5:10)

MILKING AN ANIMAL WAS DONE FROM THE REAR—THIS CUSTOM STILL PREVAILS IN PARTS OF NORTH AFRICA AND THE NEAR EAST!

NEXT WEEK: YOU COULD MAKE A LIVING—BY PICKING UP TWIGS?!

Public Notice

LAMB COUNTY ELECTRIC COOPERATIVE, INC. NOTICE OF NEW LARGE GENERAL SERVICE - PRIMARY VOLTAGE RATE

Notice is hereby given that Lamb County Electric Cooperative, Inc. (the "Cooperative") intends to offer a rate for three-phase primary (approximately 12,460 volts phase-to-phase electric service supplies at one point of delivery, and measured through one metering point, where facilities of adequate capacity and suitable voltage are available.

This rate is a new rate, and has not been previously offered by the Cooperative.

This rate could increase the total revenues of the Cooperative by approximately \$300,000. However, this amount cannot be accurately estimated, because the extent of usage of this amount cannot be accurately

estimated, because the extent of usage of this rate by the customers cannot be predicted.

The proposed rate will be effective on January 17, 1997, or as soon thereafter as may be permitted by law.

There are four (4) customers in the Large Commercial class and seven (7) customers in the Oil Well class that may be affected by the proposed rate. The rate will not cause an increase in the rate of any of these customers. No other class of customers is affected by the proposed rate.

Information concerning this new rate is available at the General Office of the Cooperative, located at 2415 South Phelps Avenue, Littlefield, Texas 79339. Inquiries should be directed to Mr. Delbert Smith, General manager (Phone 806-385-5191).

On or about November 15, 1996, the Cooperative will file with the Public Utility Commission of Texas a

Statement of Intent to Introduce a New Rate, setting forth the details of the rate. Requests to intervene must be filed no later than 45 days after the application filing date; thus, the Cooperative anticipates the deadline for intervening and objecting to the new rate will be January 2, 1997. Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 1701 N. Congress Ave., P.O. Box 13326, Austin, Texas 78711-3326. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 936-7120, or (512) 936-7147 tele-typewriter for the deaf.

Published in the Bailey County Journal, Oct. 20, Oct. 27, Nov. 3 and Nov. 10.
