Children's Book Week Is Observed

Children's Book Week is being observed at Rotan Public Library and other libraries throughout Texas from November 16 through 22nd this year.

The theme for this year is "Anytime, Anyplace, Any book" - to encourage our children to enjoy reading. We would like to encourage parents to bring their children to the library, help them to pick out books that they will enjoy, and read to them if they are too young to read to themselves.

Reading to children is good for many reasons: it brings parents and children together in an activity that is fun; today's books for the young are interesting for adults too; for a while, until they learn to read, they will think you are magic; and they will find something besides the television that is entertaining.

Come bring the children to Storytime, too, on Wednesdays at 10:30 to 11:00 a.m.

Big Country Friends Held Gather P.D. Rasco Crop

P.D. Rasco probably never thought as he happily planted, plowed, hoed, and watched his cotton growing all summer into such a bountiful crop, that he wouldn't be here to harvest it this fall. He could hardly wait to get started on it and was already making plans to have it defoliated in September. He spent his last happy hours on this earth in his favorite place - his cotton field.

The harvesting that would have taken him several days of really hard work was completed in about five hours last Saturday as his cotton fields were invaded by big monsters that gobbled up the cotton. It was a sight to behold as friends, neighbors, and relatives came with big loving hearts, helping hands, pickups, trailers, and about thirty big cotton strippers. As they were getting positioned and everything ready to gather the cotton, Mrs. Rasco and several women brought in a pickup loaded with food. Truman Upshaw asked the Lord to bless the food and each one there and a time of fellowship was enjoyed.

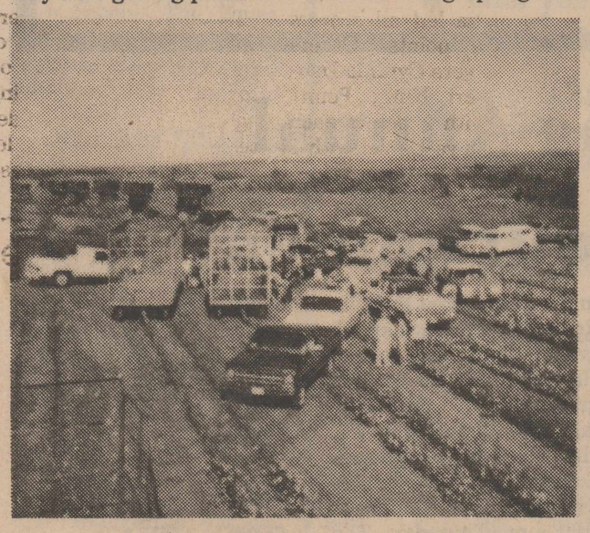

Those helping and contributing to such a loving memorial to P.D. were his two sons, Derwayne and Doyle, his brother-in-law, Troy Lankford, Truman, Jerry, and Jeff Upshaw, Jack and Jeff McClure, Ardis Stephens, Mutt Knox, A.E. Rollins, Jack Smith, Kenneth Justiss, Morris Guelker, Terry Owens, Kyle and Bob, Neil and Tubby Moore, Bud and Joe Don Guelker, T.C. Jenkins, Troy Gruben, Donald, Terry, and Todd Coker, Gene, Bunny, Tony, Mike, Danny, Cullen, and "Big Mike" Terry, Jack and Ricky Morton, Randy and Larry Callan, Billy Wayne and Jimmy Reed, Bill and Billy Breziniski, Jimmy and Floyd Wright, Howard Whitworth, Parker Wetsel, Terry Mauldin, Richard Spencer, Gary West, Brad Boyd, Jeranimo and Richard Gaona, Vernon Brumfield, Joe Leal, Mike Putnam, Guy Kemp, Florenico Guana, Doug Vahlenkemp, Melvin Jarnigan, Joe Dela Santos, Garland Moore, Shad Rasco, Javier Soto, Rudy Gonzales, Podack Esonzuy, Melvin McCoy, J.C. Sheffield, Steve Turpin, Bobby Thompson, Shalon, Dot, Sharla, Micah, and Shelly Thompson, Georgia Lankford, Jean and Nancy Whitworth, Bessie Stephens, Bess Rasco, Gaynell Nelms, Olene Whitworth, Mary and Robert Vahlenkemp and others that furnished help.

The Terry Gin Crew and the Farmer's Coop Gin gave special time for ginning the cotton as it was brought in to the gins; also a very special donation was given by the Mitchell Brother's Farms.

Whether you need a lightweight saw for trimming trees or cutting firewood, or a heavy-duty one for use by farmers, utilities, crews, or nurserymen, John Deere has a chain saw model just right for you.

Professional-quality saws with chisel or semi-chisel chain . . . easily adjustable automatic oiler . . . non-modular construction for easy replacement of parts on all models except the 28. To help prevent over heating and vapor locks, the fuel tank is separated from the engine by the oil reservoir. Handles are well spaced for easy handling and controls are conveniently located. The throttle/trigger interlock lever must be held down before the engine will accelerate. For added safety, a chain catch is standard on all models.

Why does life put such a premium on *balance*?

I've been trying for years to fit junk food into a *balanced diet*. When I succeed in anything someone says the *scales were tipped* in my favor. When I fail I wasn't *equal* to the challenge.

This emphasis we place on balance is not an accident. Man has always been aware that God built into his creation order and stability. Without solving the whole mystery, I realize that my spiritual growth has to keep pace with my physical and intellectual development.

Worshipping each week makes for a well-balanced life.

Rotan 7th Grade Rolls Over Jim Ned 26-8

Rotan's 7th grade won its second game in as many weeks by jumping all over Jim Ned 26-8 last Thursday.

Jim Ned took the opening kickoff and marched down to the Rotan 33 before George Reyes fell on a fumble to give the Hammers the football on their own 35 yard line. Rotan only ran two plays before they fumbled the ball back to the Indians. Jim Ned gave the ball back on the very next play as Vicente Ortega fell on the ball with 2:44 left in the 1st quarter. Rotan took advantage of the turnover as Brad Long raced 49 yards for the game's first touchdown. Stacy Tucker added the conversion. The Hammers led 8-0.

With 3:04 left in the half Jim Ned marched the length of the field aided by Rotan penalties to score. The half ended with the score knotted at 8-8.

The second half belonged to Rotan as Tucker returned the opening kickoff 66 yards for a touchdown. Rotan led 14-8. Cornerback Steven Hughes interception with 4:30 to go in the third stopped Jim Ned and set up the next Hammer score. Transfer Ricky Olivarez apparently scored on a 20 yard scamper with :56 left in the quarter but an illegal motion penalty nullified the score. Rotan was able to bounce back as Olivarez scored with 4:20 left in the game.

Another fumble recovered by Jeffery Perales set up the final Rotan score as Brad Long scampered 9 yards for the touchdown. Final: 26-8.

The stats: Brad Long-11 rushes for 96 yards and 2 TDs. Stacy Tucker-4 rushes for 2 yards and 1 extra point. Ricky Olivarez-7 rushes for 46 yards and 1 touchdown.

Stacy Tucker-66 yard kickoff return for touchdown.

Rotan Romps In Season Finale 47-8

The eleven Rotan Yellowhammer Senior football players closed out their high school career with a devastating 47-8 win over Baird last Friday night and in doing so, posted a 6-4 season record under first year Rotan Head Coach Robert Damron.

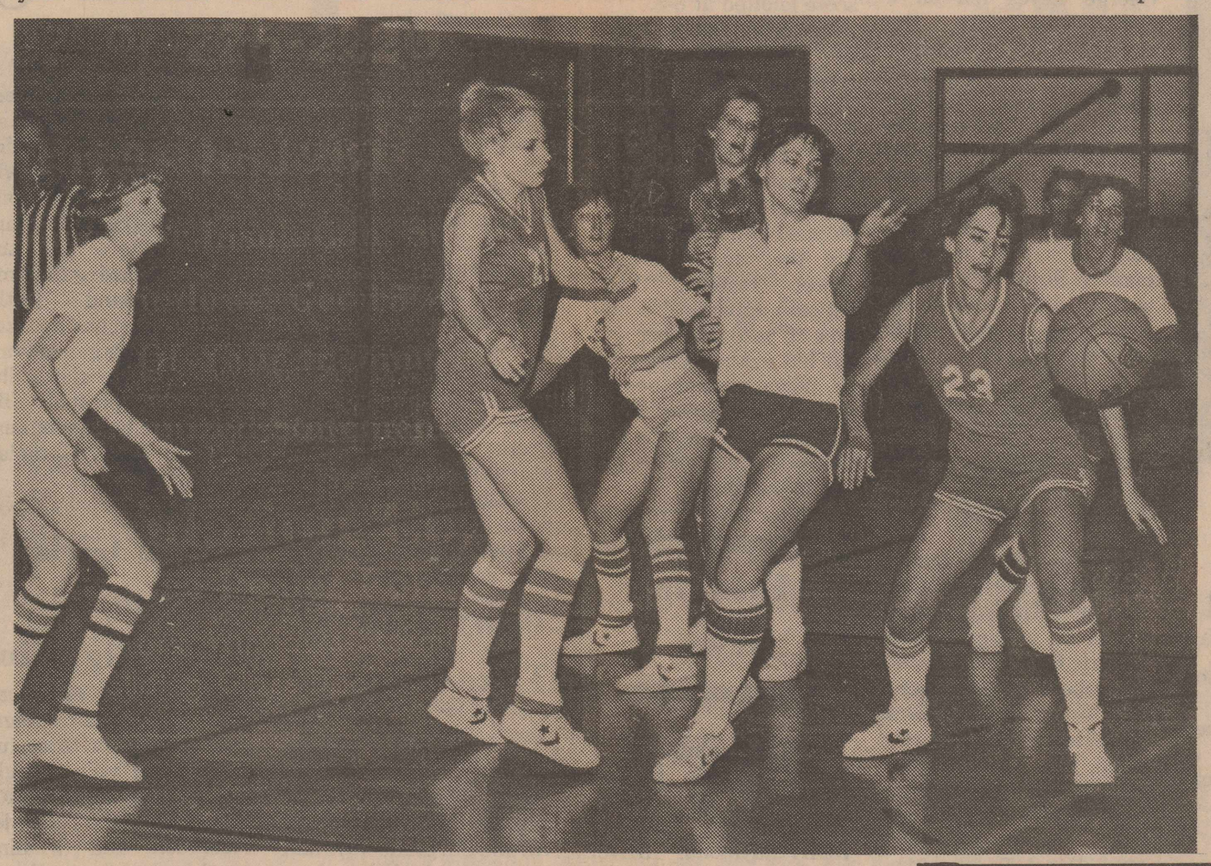

The Yellowhammers had little trouble scoring on offense and likewise had little trouble containing the Baird Bears as they ran up a 27-0 halftime lead.

The offensive line for Rotan opened up holes for the backs all night and allowed Kip Pease to dart for a season record 5 touchdowns. Pease scored on the second offensive play of the night by scampering 40 yards then ran a 61 yard touchdown on the first play of the 2nd half. On the second offensive series of the second quarter Pease broke three tackles to give Rotan a 19-0 lead. Jeff Posey contributed with his second of four extra points of the night to give Rotan a 20-0 lead.

Marcus Conner darted over center for 30 yards, Posey kicked the extra point to close out the scoring for the first half.

Defensively, Weldon Hayes, Tony Zambrano, Marcus Conner, Jeff Posey, Darrin Leverton, Ernie Carrillo, Henry Williams, and Alan Kiker all had key plays to stop Baird drives in the first half.

In the second half, Pease scored on a 13 yard play, Artie Tucker scampered 9 yards for a touchdown to close out the scoring.

BASKETBALL SCRIMMAGE: Members of the Rotan and Roby Varsity girls teams took part in a controlled pre-season scrimmage last week at Rotan. Both teams are preparing for the first official season games. Roby will play host to Loraine next Tuesday night, beginning at 6:30; while Rotan hosts Roscoe on the same night.

VETERANS DAY OBSERVANCE: The Hobbs School children took part in a flag raising by Fisher County Memorial Post 5072 November 11, 1981. Rotan 8th Grade Rolls To 18-6 Win

Rotan's 8th grade rolled to an easy 18-6 victory over Baird. The game was marred by penalties on both teams as last-game jitters bothered them throughout the afternoon.

Fullback Rue Moran paced the 8th Grade attack with 224 yards rushing on 13 attempts and two touchdowns. Halfback Lex Weatherly rushed 6 times for 106 yards and one touchdown. Weatherly also had one interception. David Yanez carried the ball once for 8 yards. John Pease had 4 yards on 3 carries.

We were really pleased by the performance of all the kids, both 7th and 8th, in the ballgames tonight. They have come a long way in the past few weeks. Their improvement is going to really help us out a lot later on down the line when these kids get up and start competing on the varsity level.

We would like to thank all of our supporters for the backing we had during the year and hope that you will continue with it throughout the rest of the sports calendar.

Membership In Texas Farm Bureau Reaches Record High

Membership in the state's largest farm organization, Texas Farm Bureau, has reached a record high of 276,247 member families, according to Carrol Chaloupka, president.

Last year's membership total was 263,218 families in Texas. The organization gained 13,029 member families during this fiscal year, which ended Oct. 31, according to Chaloupka. This was the 28th consecutive year for Texas Farm Bureau to gain in membership.

The twenty largest county Farm Bureaus in terms of membership size are: Harris, Fort Bend, Brazos, McLennan, Collin, Fayette, Van Zandt, Wharton, Ellis, Bell, Wise, Grayson, Hidalgo, Nacodoches, Austin, Brazoria, Houston, Washington, Bexar, and Dallas.

The farm organization is affiliated nationally with the American Farm Bureau Federation, which has more than three million members in the 48 organized state Farm Bureaus and in Puerto Rico.

"Farm Bureau is an independent, nongovernmental farm organization, united to do something to help farm and ranch families reach higher economic and educational goals," Chaloupka explained. "It is financed by voluntary membership dues, and run by the members through majority decision," he said.

Chaloupka explained that only farmers and ranchers who receive more than 50 percent of their income from agricultural production can vote on organization policies or hold office.

The organization's annual meeting will be in Corpus Christi Nov. 29-Dec. 2.

Rotan 8th Grade Team Falls To Jim Ned

In a ballgame marred by penalties and miscues the Hammers were unable to pull out a final score and fell to Jim Ned 16-12.

Rotan took the opening kickoff and marched 66 yards to go ahead 6-0. The touchdown was scored by fullback Rue Moran on a 41 yard run. Jim Ned took their first possession and marched 61 yards to score, making the score 8-6 in Jim Ned's favor.

The Indians scored again in the second quarter to go ahead 16-6. "The second quarter was a big turning point for us as the side judge lost track of the downs and we lost a very crucial play which could have turned the game around for us," said Coach Curry after the ballgame.

Halfback Lex Weatherly scored with 4:43 to go in the third to pull Rotan within 4 points, 16-12. Another crucial call kept Rotan from the conversion as the line judge was overruled and the extra point was nullified.

Rotan drove down to the Jim Ned 35 but were unable to punch the ball across as time ran out in the ballgame.

Rotan drove down to the Jim Ned 35 but were unable to punch the ball across as time ran out in the ballgame.

Stats: Rue Moran- 13 rushes for 117 yards and one touchdown; Lex Weatherly-14 rushes for 53 yards and 1 touchdown.

Post Game Comments: "I felt that our kids in the 7th grade played very well. They are starting to come together as a team. Transfer Ricky Olivarez gave us that added punch that we've needed and his addition will be a good asset in the years to come."

"In the 8th grade contest our kids played a superb 2nd half. Despite the fact that we lost, our kids pulled together and played the kind of game that makes a guy proud to be coaching," said Coaches Curry and Lepard.

Rotan finishes the season at home against Baird this Thursday.

Rotan 7th Rolls Over Baird 28-6

Baird scored their only points of the evening on a fumble in the end zone which they recovered. The score at the half was 14-6.

Brad Long scored again in the 3rd and 4th quarters on runs of 49 and 13 yards to put Rotan ahead 28-6.

On the afternoon Long had 13 rushes for 164 yards and 3 touchdowns. Tucker had 3 rushes for 3 yards and 1 kickoff return for a touchdown. Ricky Olivarez rushed 7 times for 13 yards and scored on a two-point conversion.

Green Thumb Workers Hold Area Meeting

Green Thumb workers from eight counties met Monday, November 2, at the Snyder Senior Center to learn some "tricks of the trade" when it comes to finding permanent jobs in their home communities.

The workers participated in a "Job Hunt" session to teach them how to reassess their job interests an to promote themselves to local employers.

The nearly sixty Green Thumbers present at the session are now working under the sponsorship of non-profit community organizations such as schools, senior centers, libraries, museums, community centers, colleges and housing programs.

The Green Thumb program stresses the needed rural community services when it places a worker with a sponsor. A primary goal of the program is to assist workers in finding permanent non-Green Thumb employment to meet their individual needs.

Green Thumb, an equal opportunity employer, is the oldest federal senior citizen employment and placement program in the nation. Sponsored by National Farmers Union, Green Thumb has been active in Texas since 1970 and now has workers in 107 counties.

Local workers and sponsors attending the training session were: Sarah Shipp, Mozelle Cooper, Rotan; Fawn Wiley, Ceeto Aguilar, Ruth Parker and W.P. Schubert from Roby.

Vick A. Burk, D.U.M. is pleased to announce his purchase of Rotan Veterinary Hospital and that Junior Carr is remaining with the hospital.

Hobbs School News

By Rose Ann Miers

Hello! Lorena Cave is a ten year old girl that goes to Hobbs school. She was put in the hospital Wednesday night and got out this last Monday.

Mrs. Gober's daughter, Tammy, is a senior at McMurry College in Abilene. She plays basketball and was high point in their last game. Mrs. Gober also has a new granddaughter, Lisa Monique, the new daughter of Lisa and Paxton Beauchamp. She was born Nov. 6.

Kindergarten made pictures of pilgrims for Thanksgiving. They also made trees and colored the leaves with fingerpaint. The 5th and 6th grades made turkeys out of pinecones and the 1st and 2nd grades are making paper pilgrims and Indians from paper. Everyone is drawing pictures of Thanksgiving scenes. We are planning to have a Thanksgiving program next Wednesday for parents and others who want to come.

Mrs. Harris said the 3rd and 4th grades spent last week getting ready for six-weeks tests. Mrs. Hale, our librarian, says we have several new books in the library. Mrs. Clark and Mr. Maxwell have started coaching basketball. We have two games scheduled so far. They are with McCaulley.

On Veteran's Day we went to the Rotan flag raising ceremony. Shawn Finley raised the flag and Aaron Porter led in the pledge of allegiance to the flag.

Our Bible verse this week is Ps. 86:5 "For thou,Lord art good and ready to forgive; and plenteous in mercy unto all them that call upon thee."

See you next week.

Tarps Offer Good Insurance For Cotton Modules

RICHARD A. SPENCER

With winter weather moving in, tarpaulins offer good insurance against weather damage to cotton modules.

Rain and snow may cause excessive damage to cotton modules stored in the field or gin yard. Moisture may penetrate the module and result in serious deterioration of lint and seed quality dueto rotting and heating.

Since the harvest season on the Rolling Plains is usually characterized by dry weather, many modules aren't covered with tarps. Nevertheless, provisions should be made to cover modules if wet weather is forecast.

Snow or rain on unprotected modules can endanger more cotton than any given gin can handle before damage to lint and seed occurs.

Cotton tarps are usually best suited for protecting modules. In addition to protecting the module, a cotton tarp will permit air movement and eliminate any buildup of condensation under the cover.

A tarpaulin should be at least twelve feet wide and six feet longer than the module so it will still cover the sides and ends of the module after shrinkage.

In addition to cotton tarps, some manufacturers are offering vented weave polypropylene tarps suitable for tarping modules. When considering polypropylene tarps, be sure they are woven, vented types, not solid polypropylene sheets, this is very important.

Tarps are difficult to hold in place in the windy regions such as our area. Bringing the tarps down over the sides and ends of a module will help keep wind from blowing under the tarp and loosening it. A wire looped around the module and through the tarp pins provides additional assurance of keeping pins and tarps in place.

Securing tarpaulins with ropes placed under the module as it is set on the ground will also help keep tarps in place during windy periods. Only cotton ropes should be used for securing tarps.

Make sure black poly twine is not used to tie down tarps. Serious lint contamination resulting in lower lint value can result if poly twine gets mixed in with seed cotton prior to ginning.

Standing water will eventually penetrate tarps. Water-holding depressions can be eliminated by placing the last stripper dump in the middle of the module builder. Doing so permits a firmly packed, rounded top that can be protected better with a tarp.

Check the tops of modules after every rain and snow and remove all collected water.

In considering cotton module protection during the period from harvest to ginning, a producer should consult his insurance company for their specific requirements regarding field or gin yard storage of modules.
