

S-P-L-A-S-H! Were these brave warriors the winners or the losers? Sure, they were dragged into the water, but that is one of the cooler places around. The fun was all a part of Sports and Recreation Day at Ruddick Park. The day of festivities was a part of the Mitchell County Centennial Celebration. (See story below)

## Warrant Is Issued

A warrant for the arrest of James Ray Norris of Colorado City was issued Monday by Judge Henry Doss for interfering with child custody.

At 11:39 p.m., the Colorado City Police Department received a call from Sybil Norris of Colorado City, formerly of Alabama, that her 10-year-old son had been abducted by his step-father, James Ray Norris.

She told the investigating officer that she thought they were enroute to Colorado and she filed a complaint, stated Jimmy Roundtree, chief of police.

Roundtree stated that they had an all points bulletin out but at this time he was still reported missing.

Helen Williams was named as the First Lady to reign during Centennial Week. She was crowned during opening ceremonies at "Boom Town" Revue Monday night, at Wolf Stadium.

Mrs. Williams is from Loraine and is the wife of Hershel Williams.

Runnerup to Mrs. Williams was Dera Winn of Colorado City, the oldest pioneer resident of Mitchell County.

Other members of the First Ladies' court named were Pam Johnson, Judy Bennett, Elaine Fugate, Linda Hearin, Peggy Ratliff and Anita Munoz.

The First Lady won a trip to Hawaii in which she will leave the first week in August and the runner-up chose a micro-wave oven as her prize.

The other ladies of the court chose a prize from an array of selections displayed in the C. C. Thompson Room from a television to boots and gift certificates that were donated by local merchants.

## Ruddick Park Is Site For 'Sports And Recreation Day'

Wednesday was "Sports and Recreation Day" at the Ruddick Park with fun activities taking place there.

Competition began with an egg toss at 3 p.m., with Chuck Clark and Randall Hearin taking first place.

In the next round of competition, the sack race, Kelly Hearin won in the eight and under age group and Beau Proctor took the honor of first place with a nose dive on the finish line in the nine and up age group.

The next round was somewhat of a sticky ordeal as it was the molasses drop.

Robert Lemons and Jay Claxton received a somewhat deserving first place finish as their opponents finished with either an ear full or eye full of sweet, thick and sticky honey.

The watermelon eating race proved to be an even bigger success as young and old alike got a piece of the action and chowed down. Taking first, second and third were Michelle Garcia, Jay Claxton and Lou Hearin.

## Shop At Home During 'Good Neighbor Days'

"Good Neighbor Days" is the theme under which Colorado City businessmen are welcoming your visit to their shops and business offices this week.

Reliability, dependability and trust are the basic needs for all business transactions and you will find these here in Colorado City because you are doing business with friends and neighbors. There is no frustration here; you can buy with confidence for all your family and personal needs knowing that our city's business persons are trustworthy and that they value your friendship as well as your patronage.

You can trust your local merchant to provide the highest quality products or services at the fairest and most reasonable prices. When you shop here in Colorado City, you are met with

friendliness and courtesy. The shopkeepers and their salespeople know you and recognize you as their neighbor and are eager to serve you. They assure you that based on your total expenditures for any given period of time, your savings will probably be greater than you can make by following the loudly touted "leader" specials of the "big city."

The business firms of Colorado City are good neighbors; they support our community; they employ many of our people; they contribute to the local charities and to the local organizations; they provide their fair share of the tax dollars needed to operate our city and are sincerely interested in the future of our city.

See your good neighbor or merchant this week. They like you.

## Methodist Church Names First Lady

Mrs. Dera Wulfjen Winn was named the First Lady of the First United Methodist Church of Colorado City on Sunday, July 19 during the morning worship services.

To honor this very special occasion, Mrs. Winn wore her original 67-year old wedding dress that she was married in in the First United Methodist Church. The gown was accented with lace and is off-white satin.

Dera Wulfjen married Everett H. Winn in 1914. They had two sons, Everett, Jr., and Francis, but Everett died when he was nine years old. Mrs. Winn has four granddaughters and two great-grandchildren.

Mrs. Winn or "Aunt Dera" as she is known by the many people who know her, has been a member of the First United Methodist Church for 81 years. Although she is not the oldest member, she has been a member longer than anyone else, according to Rev. Ron Hamby, pastor.

Mrs. Winn has served in almost every capacity in the church, he added. She has been steward and president of the women's organization and a charter member of two Sunday school classes. She also oversaw the Daughters of the King class for 25 years.

Mrs. Winn was also a candidate for the First Lady of Mitchell County, which was held during the county's Centennial celebration in which she was the first runner-up.

Michelle Garcia took first place, Beau Proctor and Joey Edwards split second place and Cade Proctor took third in the goat race competition. Three colored ribbons were tied to a goat and a line of contestants took out after the goat to try and obtain a ribbon. Each ribbon was worth a cash prize of \$25, \$10 and \$2, which was awarded to the winners at the "Boom Town" Revue, Wednesday night.

The tug-of-war games were between four men's teams and two women's teams with the Mud Ducks walking away with the men's title and the Conservatists taking the women's title.

The Mud Ducks consisted of Jeff Hammond, Charles Dillard, Stacey Tarter, Brian Sheen and Tracey Tarter.

The Conservatists team was made up of Carol Sue Dakan, Gayla Proctor, Pam Johnson, Sandra Luera and Lisa Deloera.

Winners of all the events received a certificate for their efforts.

As many of you know, the Colorado City RECORD has had its share of problems of late. These problems have been causing many of you to get your paper late or not at all.

We apologize and would like to report to you that progress is being made to put an end to our circulation problems.

In visiting with the local Postal authorities, we have made arrangements to start the mailing of the RECORD so that the delivery will be guaranteed to your mailing address.

I would like to thank the subscribers for maintaining their patience through this ordeal and for believing that it was just a short-lived problem.

Most of you have been very gracious to this "New Kid" and it is much appreciated from my point of view. The Post Office also deserves a vote of thanks for their cooperation in alleviating this nuisance.

## Youth Take Advantage Of Discounts Offered On Friday

All day Friday there were discount values at participating merchants for anyone aged 13-19. The values consisted of 10 percent to 20 percent discounts. Managers of the stores stated that the youth took advantage of the sales discount.

Merle Norman Cosmetics Studio reported they did seven facials. After the facial, there was a 10 percent discount on anything in the studio, stated Winnie Roach, owner.

A car show was held in The City National Bank parking lot with many local youth taking a look at the cars of "today."

This show featured "youth oriented" cars from area auto dealers.

Centennial Days in Mitchell County came to a close Saturday night and they were lots of fun, but I am glad they are over, as I will need at least a hundred years to rest before the next centennial. Okay, it is a slight overstatement, but it has been an exhausting month and more so week.

## Deposit Up To \$1,500. TAX FREE In The CITY NATIONAL BANK IRA

### INDIVIDUAL RETIREMENT ACCOUNT

If You're Not Covered Under Any Other Retirement Plans, Start Your Own. It is an account called an Individual Retirement Account (IRA) approved by the Internal Revenue Service. It is now possible for wage earners to add to their financial security by establishing their own personal retirement plans. Federal Legislation now permits employees and self-employed persons receiving compensation and not covered under any other retirement plan to establish their own INDIVIDUAL RETIREMENT ACCOUNT. And you can save immediately on taxes while planning a secure future for you and your family.

#### What is an Individual Retirement Account?

An Individual Retirement Account (IRA) is a personal tax sheltered retirement plan. It was developed to bring every American worker the opportunity to build a more secure future for themselves and for their family.

#### Who can establish an IRA?

IRA's are available to any wage-earner. The only requirement is that you not currently be a participant in an employer-sponsored plan.

#### Can my spouse establish one?

Your working spouse may establish a separate IRA, too, provided he or she is not currently a participant in an employer-sponsored plan.

#### How much can I contribute to my IRA?

Federal law allows a maximum annual contribution of \$1,500 or 15% of wages, whichever is less. Of course, smaller amounts can be contributed each year.

#### Are my contributions tax deductible?

For Federal income tax purpose, contributions to an IRA are fully deductible for gross income up to the maximum allowed by law. You can deduct your contribution even though you don't itemize deductions.

#### Do I pay taxes on the income earned by my account?

The earnings of your account are not currently taxable. Each dollar of earnings produced additional dollars which are also not currently taxable. This tax-free compounding continues until retirement.

#### When do I pay taxes on my account?

Your account, including principal and earnings, is not taxed until you receive payment from it.

#### When can I begin to receive payments?

No payments can be made to you before you reach age 59½ unless you become permanently disabled. If your death should occur sooner, funds in your account will be paid to your named beneficiary. You must begin to receive payments from your account by the time you reach age 70½.

#### How do I start an account?

Opening an Individual Retirement Account is as easy as opening a savings account. Stop in and one of our officers will gladly assist you.

"THOSE CRAZY EPISCOPALIANS"

are the a bunch of sinners?

Most emphatically, the answer is YES. Episcopalians not only live in sin, they too often indulge in it. If we say we have no sins, we deceive ourselves. (1 John 1:8)

But Episcopalians also believe in the grace of God. His acceptance and forgiveness. Confession of sins and the declaration of God's forgiveness play a large part in the worship service.

The aim of the Episcopal Church, therefore, is to help ordinary people live a more Christian life... and to assist them in finding God's loving forgiveness and inspiration.

Episcopalians have a pretty good rule of thumb on this subject: "Trespassers welcome!" Their minister is always happy to talk - or listen - without twisting your arm.

### Value And Economy For Your Tire Dollar

We'll Be Happy To Explain

Every Michelin 'X' tire is backed by a 40,000 mile warranty for tread wear on domestic cars. That's just about twice the mileage you would expect from a conventional tire under the same driving conditions. Also, because of its radial design, the Michelin 'X' rolls with less road resistance than conventional tires, and that means you can save up to 10% on your present gas consumption. (pretty good considering today's fuel crisis.) Plus, every Michelin 'X' tire gives you all the distinctive radial tire advantages over conventional bias-ply tires: smoother ride, easier handling, better traction and firmer road holding. And, they add up to a lot of comfort and safety. Invest in better driving. Stop in and have a set of Michelin 'X' radials installed today.

## Winnie And Kelly Roach Attend Cosmetic Seminar

You don't have to be a fortune teller to predict what colors and fashions women will be wearing this season. Kelley and Winnie Roach of the Winnie's Merle Norman Cosmetic Studio at 260 Walnut have the inside information.

They have just completed the Merle Norman Cosmetic Career Seminar which provided them with the very latest information on fashion trends for the coming season. This intensive training course also gave them all the up-to-

date insights on makeup artistry and complexion care that compliment the season's styles.

They are now fully prepared to instruct area women regarding every facet of the various new looks in cosmetics and fashion and to provide updated information on makeup techniques and complexion care, stated Mrs. Roach.

"When a customer first visits our studio, she is given a free demonstration in the Merle Norman method of

cosmetic application and skin care," says Mrs. Roach. "Then we create a custom make-up for her, tailored to her specific needs, to highlight her best features."

We ask what colors the customer has in her wardrobe and help her coordinate her makeup accordingly. Neutrals, pastels, and bright colors all require subtle changes in makeup. We also offer to teach her how to revise her make-up when she wants to wear the latest fashion colors.

"Developing every woman's maximum potential for beauty is part of the Merle Norman philosophy. For the customer, that means learning how to look her very best. For us," says Mrs. Roach, "it means helping her do so."

This means that all May 1941 E. bonds matured May 1 of this year and all August 1941 E. Bonds will mature Aug. 1.

Mrs. Carlock stated that the bank will be very pleased to discuss the options available.

### COLUMN, From Page 1

I tried to attend all the Centennial activities this past week that were scheduled and it would be hard to single out the one I enjoyed most.

I went to the Camp Meeting held at the Renderbrook-Spade Ranch and it was well worth the effort. All the different church congregations were on hand with fellowship, singing and praying together. When everyone was standing and singing, there seemed to be a true unity and bond that I'm sure many felt.

On Monday, I popped in on the style show held at the Civic Center and the fashions may not have been appropriate for today's styles, but I know they must have been a smash in their time.

Later in the afternoon, I joined many, many others on a bus tour of the homes. I went on the bus that toured Loraine and four homes here in Colorado City.

Again, I could not say which I like most because all were lovely and had many pretty antiques of the past.

To top off my Monday's adventures, I attended the

### TOUR, From Page 1

Following the tour, a reception was held in the Civic Center with fresh homemade lemonade to quench the thirst and home baked goodies. The refreshments were prepared and served by ladies from the Centennial Belles.

"Boom Town" Revue and it was incredible.

As I watched the performances, outstanding costumes and lighting, I was thinking how they had done so much in such a short time. I do say congratulations for a performance well done to all who participated and worked on the revue. It was a job well done!

The firework finale which followed was very colorful, beautiful and loud.

Tuesday spotlighted the arts and crafts and live rattlesnakes in the C. C. Thompson Room, along with fresh homemade lemonade.

Wednesday was one of the cutest Centennial events held when local children competed in sack races, egg toss, goat chase and molasses pour. There was a tug-of-war game which ended a little muddy and messy, but cool, for the more "mature" children, participating. It looked like barrels of fun.

An old time picnic with live entertainment took place in Ruddick Park and it seemed to be an evening that everyone enjoyed.

Friday was a full day of excitement beginning with lots of fun filled activities at the park and skating at the Wallace Community Center.

What can I say about Saturday, it had it all. Stagecoach rides, old farm equipment displayed, fiddlers' contest, branding ceremony, Brother of the Brush activities, old timer's reunion, parade, burying of time capsule and the last performance of the "Boom Town" Revue.

If the next Centennial is as much fun and entertaining as this past one was, then I think I'd like to see it. Too bad we have to wait a whole 100 years between centennials!

## Faith...Obey...Go

Rev. Roy Byrd  
Pastor  
First Presbyterian Church

"By faith Abraham obeyed...and he went out, not knowing where he was to go." Hebrews 11:8

Faith...obey...go. The sailor must "up with sail" if he is to catch the wind. The driller must "make hole" if he is to find oil. The engineer must swing the bridge if he is to master the crossing. The pilot must get down the runway and into the air if he is to search the skies. The businessman must open the door if he is to build his business. A Christian must obey...go if he is to receive faith's inheritance, as Abraham did.
