(Q) What is the status of the swimming pool and will it open this year?

(A) According to city manager Brenda Tarter, the swimming pool will open as scheduled on June 1. As far as the complete renovation of the pool, Tarter said it would probably be next year before the city receives any money from the state. A hearing is set for June 6 in Austin and the city should know then what the chances are for getting the $150,000 grant.

Tornado warning signals outlined

Twelve blasts of the fire sirens in Colorado City is a signal for residents to take cover from an approaching tornado, citizens were reminded this week. The 12 blasts will be repeated after a brief interval.

In Loraine, a long continuous blast of the siren means approaching violent weather. Westbrook does not have a warning system.

In Colorado City, one blast on the siren means an out-of-town fire; two blasts means a fire in the downtown area; three blasts, the southwest part of town; four blasts, the east part of town; five blasts, the east hill area; and six blasts, the south side.

Normally, the siren sounds at 6 p.m. each day, but when the weather is threatening, officials do not sound the 6 o'clock whistle in order not to alarm residents.

By Penny Solomon
Chamber of Commerce Manager

This is the first of a series of articles I will write to inform you of the activities, concerns and progress of your Chamber of Commerce. I welcome this opportunity to share with you personally what our volunteer organization of concerned citizens is doing to improve the economy and quality of life for you and your community.

Did you know that May 5-11 has been proclaimed Small Business Week by the President of the United States? Without the contribution of small businesses America would not be what it is today. Let me encourage you to take time during the week of May 5-11 to express your personal appreciation to the men and women of Colorado City who provide valuable services to our community through their business. I know they will appreciate your positive word.

Senator Ray Farabee will be honored as Governor for a Day on Saturday, May 4, in Austin. Mayor Elmer Martin and I would like to see a group of citizens from Colorado City attend this special event and represent our community. The swearing-in ceremony begins at 11 a.m. in the Senate chamber followed by a reception at noon in the governor's office. A barbecue lunch will be served on the capitol grounds at 12:30 p.m. for $12.50 per plate. The activities conclude with a reception at the Governor's Mansion at 2 p.m. If you plan to attend or would like to, give us a call at 728-3403.

Leslie Keith shows medal, button

World War I veteran receives belated medal

Better late than never is Leslie A. Keith's motto, especially when it comes to World War I medals.

The Colorado City resident recently received a World War I bronze victory button and a World War I victory medal with battle clasp for defensive sector.

Keith said he received the belated medals after writing to Rep. Charles Stenholm over a year ago who "started the ball rolling."

The medals took longer than usual to obtain because Keith's military records were destroyed during a 1974 fire in St. Louis Mo. along with thousands of other service records.

Keith finally received the medals through the efforts of the Veterans Administration office in Waco. He said he decided to ask for the medals after he read of other veterans receiving belated medals from World War I as well as World War II.

He served in the regular Army from 1917-21 and was with the American Expeditionary Forces in France and then was with the American forces in Germany before the war's end. He enlisted when he was 18.

While in France, he was with the Provisional Guard Batallion.

Keith has been a resident of Colorado City since 1941 when he came here from the oil fields of Wyoming to run the Western Auto store.

LEADING THE CHEERS for the Loraine High School Bulldogs next school year will be from left, Beatrice Briseno, Sherri Webb, Bonnie Herrington, Sandy Morris and Lee Ann Hill.

NAMED cheerleaders for Loraine Junior High School for 1985-86 are from left Jennifer Clifton, RaShanda Jackson, Machelle McAdams, Shelli Webb, Christi Blair and Brooke Moore, alternate.

Cook's Corner

Britton enjoys cooking for family

Most girls learn to cook by watching their mother or by following recipes from a cookbook.

Thriess Britton learned to cook in college with recipes out of a magazine.

"I didn't cook at home, but I set the table and cleaned up afterwards."

"Since I had no experience in the kitchen, I didn't find it difficult to cook. I thought it was pretty easy learning to cook by going by the recipes."

Though she tried recipes when learning to cook, Mrs. Britton doesn't try new recipes now.

"I have the recipes from my mother, sister, grandmother and great-grandmother and I use those and don't try new ones o it.

"When we go visit and they have a new dish, I will get the recipe for that."

Mrs. Britton likes to prepare casseroles ahead of time when friends and family will be there, but doesn't prepare them very much for her husband.

She cooks just the right amount of food because "Lynn doesn't like leftovers."

When her family comes to visit, Mrs. Britton does all the cooking.

She likes to cook outside in the summer and her husband isn't a picky eater and usually eats anything she prepares.

Mrs. Britton and her husband Lynn, have one daughter, two-year-old Mary-Margaret.

Today she is sharing three of her favorite recipes with RECORD readers.

Keith presents program

The Self Culture Club met April 19 in the home of Mrs. E. L. Tiller for its regular meeting. Mrs. Charles Williams, president, presided.

Mrs. Paul Beeman led the members in repeating the Club Collect and the pledge of allegiance to the U.S. flag.

The minutes of the previous meeting were read and approved. The treasurer reported $132.26 on hand and the club still has more cards to sell.

Mrs. Tiller moved that the May 17 meeting be changed from a 7 p.m. dinner to a noon time luncheon seconded by Mrs. Brown. The motion carried.

The program was given by Mrs. Leslie Keith on leaded gasoline and the danger it possesses. She stated that the Environmental Protection Agency insists that the lead be left out of gasoline because lead causes mental retardation in young children and birth defects in the unborn. The EPA has announced a proposal to cut the lead in gasoline 91 percent by 1986 and a total ban by 1995.

Mrs. Beeman gave a federation report on an update of safety belts. She stated that three states have already adopted a law requiring the use of safety belts in automobiles. The law takes effect July 1 after which time drivers and front seat passengers must wear seat belts or face a $25 fine.

Mrs. Watson gave a legislative report on property tax that would increase if the Senate Bill 621 is not changed. Mrs. Watson said that House Bills 2171 and 2172 are before the Ways and Means Committee at this time which would amend Senate Bill 621 to help prevent the increase in taxes. She also said we should write to members of the Ways and Means Committee to encourage them that you are in favor of their amendment.

The hostesses, Mrs. Tiller and Mrs. Williams, served refreshments to Mrs. Pearl Watson, Mrs. Eddie Barclay, Mrs. Lil Brown, Mrs. Ida Keith, Mrs. Dona Reed and Mrs. Fannie Beeman.

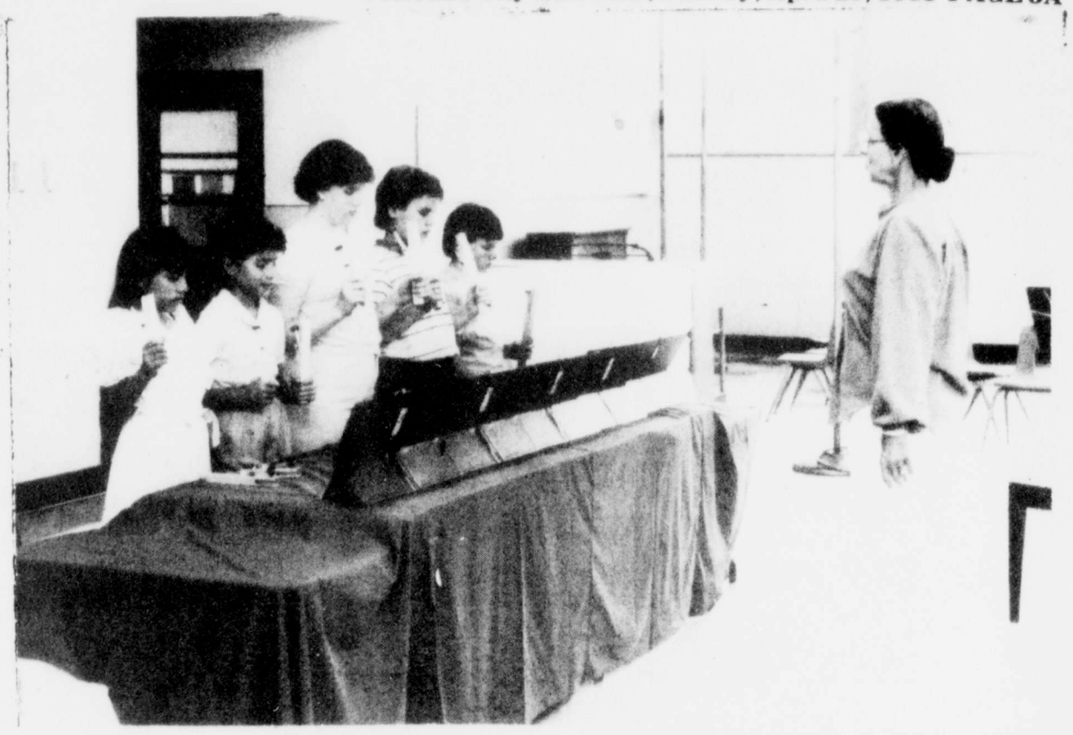

CHS cheerleaders honored with dinner

The 1984-85 Colorado High School cheerleaders were the honored guests for a Mexican dinner April 16 at the home of Staci Free.

Amid paper flowers and pinatas, the girls were served green enchiladas, refried beans, rice, guacomole salad and hot floured tortillas. For dessert, lime sherbet topped with fresh strawberries and pralines was served.

Those present were Staci Free, Traci Blackwell, Margie Oliver, Kelly Beights, Yvonne Lujan and Mrs. Kitten Arthur, sponsor.

Hostesses for the occasion were Mrs. Paul Free and Mrs. Rodney Blackwell.

HELPING PROVIDE entertainment for the Kiwanis Club pancake day last Saturday at Kelley Elementary School was this group of bell ringers led by Addie V Payne.

Ranchers Roundup set in Laredo, July 29

The Laredo Civic Center, Laredo, will be the site of the 1985 International Ranchers Roundup, to be held July 29-Aug. 2, according to Mike Mauldin, Mitchell County extension agent.

"The Basics of Successful Ranching" will be the theme of the fifth annual IRR. This year's program will include keynote luncheon speakers, and in-depth sessions on cow-calf production, stocker cattle operations, wildlife management, range management, the ranch family, ranch business management, and water,a critical ranch resource. Concurrent tours of progressive ranches will be held in Texas and Mexico on Friday, August 2.

"This program has received excellent input from ranchers, county agricultural Extension agents and others from the South Texas area, in addition to the comments from past participants."

Social activities during the week-long activity will include a free hospitality hour on Monday, July 29; a "night in Mexico" on Tuesday, July 30; and a banquet and western dance on Wednesday, July 31.

Tour participants must pre-register by July 1 so meals and tour buses can be arranged. Tour stops in Southwest Texas will include the Callaghan Ranch, north of Laredo; Zachry Ranch, south of Laredo; and Espuela Beefmasters, south of Laredo.

The Mexico ranch tour will include the Rancho Las Mujeres, Rancho Chavarria, and the Rancho La Herradura.

In order to pre-register for the tour and the program, and receive the $60 discount, interested persons may contact the county extension office, 728-3111.

Scouting program studied

With the approach of this year's cotton crop, the Mitchell County Pest Management Steering Committee is looking into alternate programs available to help farmers stay on top of the cotton insect situation in the county.

One alternative is the use of scouts who are paid by private volunteer funds. The Texas Agriculture Extension Service sponsors a scouting school to help train individuals in cotton insect scouting. There is no charge for the training.

If a scout is hired by a group of cotton producers he would be paid on a per acre basis by those producers to scout their fields only. The scout would be under the supervision of the farmers participating.

All cotton producers who are interested should contact Pest Management Steering Committee members, Alton Raschke, D. M. Smith or Carl Guelker.

CHS athletes travel to Odessa for events

Odessa is the destination this coming week as Colorado High School athletes will be competing in various Region I-AAA meets.

Tracksters have to wait until next Friday and Saturday but three other Wolves will be representing Colorado City as early as tomorrow and Tuesday.

Jay Piland, the recently re-crowned golf champion of district 7AAA, will be at the Petroplex's Mission Country Club located between Odessa and Midland.

CHS golf coach Walt Staats gave these directions. "Going west on Old Highway 80 between Midland and Odessa, you'll see a golf course to the right and just past the airport. That's Odessa Country Club. There's a big Pinkies liquor store past that course. Turn right there and that road will lead you to Mission Country Club."

Piland, a senior and two-time district medalist, will be after his first trip to state.

Also in Odessa Monday and Tuesday will be CHS tennis doubles team of Tim Nowell and Kerry Herm.

Nowell and Herm, district 7AAA runners-up, will be playing their regional matches at Odessa College located on Grant (Andrews Highway).
