Thomas Heads Salvation Army Service Unit

County Judge Zook Thomas has been named chairman for the Salvation Army Service Unit for Wellington and Collingsworth County. He replaces Mrs. Auverie Dodson, who resigned as chairman but will remain on the committee as a member.

Other members of the service unit committee are Mrs. Rita Owens, vice chairman; Billy Moseley, treasurer; Mrs. Cal Sugg, Sheriff John Rainey, Henry Sullivan, Buster Hughes, Howard Holton, Joe Lennon, Mrs. Selba Rainey, Herbert Bearden, Supt. Thayne Amos, and Mrs. Winnie Franks.

The Wellington service unit of the Salvation Army helped 44 local residents with groceries, clothing, medicine and other needs throughout the year. Also helped were four transients who were stranded in Wellington.

The annual campaign for funds is tentatively set for November 30, and it is asked that the residents of Wellington be overly generous this year to continue the work of the Wellington service unit, said Henry Lawrence, Salvation Army field representative.

Legion Post Plans Open House Oct. 25

The Frank King Post of the American Legion will hold its annual open house on the new date set for the observance of Veterans Day, Commander Pete Moore has announced.

This will be Monday, October 25, from 11:00 a.m. until noon, at the American Legion building.

Coffee and donuts will be served.

Mr. Moore said that all veterans and Legionnaires are invited and urged to attend.

A regular Post meeting was held Thursday, October 7, when 18th District Commander Dennis Holland of Dodson paid his official visit. He reviewed District and State American Legion activities.

Mr. Moore announced that the Frank King Post will sponsor a stepped up youth program during the current year.

Price Tells Farm Bureau

Concern for Rural Development Seen

More than 500 Farm Bureau members ate barbecue and held their annual convention Saturday night, October 9, highlighted when Congressman Bob Price paid a surprise visit and spoke briefly.

"This is my sixth year in office, and I see more concern for rural development than any time since I have been in Congress," he told the members.

With concern for small towns in his district, such as Wellington, Congressman Price has introduced two bills, the Human Investment Act and Rural Development Act. The latter proposes to give any business a tax incentive to locate in a town like Wellington, where labor is available.

The Human Investment act would provide tax incentive to these businesses to train

FB OFFICIALS, STATE AND COUNTY

The election of Farm Bureau officers for 1971-72 saw Dee Coleman, lower left, re-elected as president, and here he is shown with Carrol G. Chaloupka of Dalhart, Texas Farm Bureau Secretary-Treasurer and State Director from District 1,

who was a visitor at the annual barbecue and convention. At back are Ray Null, county secretary-treasurer and Ronnie Hartman, first vice president. Dennis Lacy, second vice president, was absent.

With Pageant, Chuck Wagon Supper

Dedication of Historical Marker Set October 23

Dedication of the Historical Marker designating the Rocking Chair Ranch will be one part of the gala night given over to a review of this county's heritage Saturday, October 23.

Other events will be the historical pageant, Man & Land & Love, or How the West Was One, preceded by a chuckwagon supper served at the school cafeteria.

Mrs. Ralph Randall of Panhandle, one of those who helped to develop the museum in that city, will be the dedication speaker.

Mrs. Clyde Drake, president of the County Historical Survey Committee, explained that due to sometimes uncertain weather at this time of year, the dedication will be held in the high school auditorium immediately preceding the pageant.

The marker is installed at Cudd Brothers Trucking on Highway 83 until a permanent location is chosen after development of the proposed County park on Salt Fork.

Curtain time for the pageant is 8:15 p.m.

The chuck wagon supper will be served from 6:00 to 8:00.

Pageant plans were reviewed

Friday at Shamrock

Skyrockets - Irish Open District Play

Wellington Skyrockets open district play against the powerful undefeated and untied Shamrock Irish Friday night, October 15. The game will be played in the Irish's El Paso Field. Game time will be 8:00 p.m.

Last year, the Irish had a 9-0-1 record to tie with the Childress Bobcats for the District title. The Bobcats, however earned the post-season playoff berth and advanced to the quarter finals before losing to Haskell 50-15.

"Shamrock has a fine ball club and they will be one of the strongest teams we face this season, having won all their non-conference games," declared Wellington Head Coach Jim Forrester.

The Irish opened with a 39-14 victory over McLean, then shut out the Panhandle Panthers 30-0 on a muddy field, in a cold rain. They followed this by taking the Knox City Greyhounds 28-0 on the road, and took their fourth win over the Wichita Falls Rowdies (B team) 27-16 at home.

Friday night, the Big Green defeated Guymon, Oklahoma, 33-8, to run up a non-conference total of 157 points while holding their opponents to 38.

Coach Forrester considers Lynn Ramsey as one of the fine quarterbacks of the district, and equal praise goes to running backs Ronald Gragg and Randy Talbert. Gragg, a 145 pound sophomore is new to the team this year.

Coach Forrester considers the Irish best lineman to be Walter Bond, a 190-pounder who towers, 6'7".

Coach Collie Huffman has such returning starters on his team as tackle Arnold Scott; end, Randy Reeder, along with 9 returning lettermen.

A pre-season evaluation was that Shamrock will have to improve some key spots if they are to be a strong contender for a repeat at the district crown.

on sets to be used. Musicians and vocalists will be announced, along with those having the speaking parts. Members of Wellington Music Club have been drawn into the production.

—See #1, page 12

Their non-conference record would make it appear they have done just that.

Games involving other District 2-AA teams Friday were: Quanah 21, Panhandle 12; Seymour 14, Breckenridge 6.

Wellington, 25, Chillicothe 7.

Vandals Damage Vacant Dodson School Building

Vandals who entered the unused Dodson School building, damaged the interior, and tossed a number of desks outside, Sheriff John Rainey reported.

The damage was estimated by the sheriff's department as being in excess of \$500.

The building has not been used this year as a consolidation of the Dodson and Wellington school districts was effected with the beginning of the current school year.

Tickets on Sale For Supper, Play

Tickets are on sale for the chuck wagon supper, dedication of the historical marker and historical pageant, "Man & Land & Love" and since the seating capacity of both the high school auditorium and the cafeteria are limited, those planning to attend are urged to buy early.

Tickets may be purchased at Parsons Drug, C&H Pharmacy and Pruden Drug, any of the County Home Demonstration Clubs, Mrs. Wayne Cudd or Mrs. Boyd Derryberry.

The price is a donation to the County Historical Survey, with a minimum of \$1.00.

Bank Deposits Continue Rise, Reaching Seasonal High Point

Deposits in Wellington's two banks remain above the \$12 million dollar mark, and rising above last year's figure, are at an all-time high for the third quarter report.

This was revealed in the reports of the City State Bank and Wellington State Bank to the Federal Reserve Bank and State Banking Commissioner at the time of the bank call September 30.

The total deposit figure at the close of business that day was \$12,067,041.95.

The total assets also remain above \$13 million, amounting to \$13,128,809.90.

This bank call came approximately a month earlier than the third-quarter 1970 call, which was on October 28. At that time, deposits were \$12,005,174.38, and assets were \$13,304,067.77.

Compared to the call a year ago, however, it reflects all the farm program money, but less of the grain sorghum crop. There is no cotton money in either report.

Deposits reflect a steady rise through the last six-year period, and the figure now is about five and three-quarter million dollars above the third-quarter 1965 deposit figure.

The greatest rise in deposits came in the 1969-70 year on October 21, 1969, with three banks in the county, deposits were \$10,835,455.69, while the October 30, 1968, figure was \$9,991,760.76; early October 1967 deposits were \$9,432,682; and at the October call in 1965, deposits were \$7,390,846.07.

This year's deposit figure

reveals a high per cent of the county's money is going into time deposits, invested to draw interest.

Demand deposits on September 30 were \$6,209,919.08,

while time deposits have risen to \$5,857,122.87. This represents an increase of nearly three-quarter million dollars over the time deposits of a year ago, when the figure was

\$5,123,434.31. It is a million and three-quarters more than county residents had invested in interest-bearing deposits two years ago.

Petition Seeks Election On a Hospital District

A petition requesting that an election be called to determine the creation of a hospital district in Collingsworth County was presented to the Commissioners Court in its regular meeting Monday, October 11, County

Judge Zook Thomas said after the meeting.

This step follows the recent announcement by the Dominican Order that it is withdrawing from the operation of St. Joseph's Hospital by March

1972. The court accepted the petition to be filed in the county clerk's office, and instructed the clerk, Mrs. Carmen Lindley, to check the names listed on the petition.

The court will take action on calling the election after it has been determined that the petition meets all legal requirements.

Dr. Charles B. Jones presented the petition to the court. It bore 449 signatures and read:

"We the undersigned respectfully petition the Commissioners Court of Collingsworth County to call an election for the purpose of voting by the qualified voters of Collingsworth County on the proposition of whether or not there shall be established a Collingsworth County Hospital District in accordance with Article 4494Q of The Revised Civil Statutes of the State of Texas."

After accepting the hospital district petition, the Commissioners heard Mrs. Clyde Drake, chairman of the Collingsworth County Historical Survey, who thanked the court for its help and reported on the work of the Survey and the proposed Collingsworth County Museum.

The Court then designated Saturday, October 23, as Collingsworth County History Appreciation Day.

An adult typing class, to be given here under the sponsorship of the Mid-Continent Campus of Texas State Technical Institute, was authorized, and this will be set up within a short time.

Any person past high school age can qualify, Judge Zook Thomas said.

Vaughan Has Knee Surgery

Randy Vaughan, Skyrocket football player, underwent knee surgery in Northwest Texas Hospital Thursday, October 7, as a result of injuries received in the Memphis-Wellington football game.

Damaged ligaments were removed, according to his grandfather, Coy Vaughan.

The 18-year-old senior makes his home with his grandparents.

W.R. BREEDING

save thousands of dollars.

The Commissioners and judges adopted four resolutions which will be forwarded to the state association which meets later this month:

- Requesting the legislature to discontinue the \$1 charge on all delinquent tax receipts written by the counties to finance a Legislative Tax Committee studying ad valorem taxes.

- Recommending that before license plates are sold, the buyer must show evidence of having paid all taxes on the vehicle.

- Supporting a two-cent increase in the gasoline tax if the Farm-to-Market road program is continued and enlarged and the counties are permitted to retain more of the license tag fees to pay for increased county highway costs.

- Increasing from 60 months to 120 months the period that a county or district employee may be away from work before he loses retirement benefits.

Kiwanis Hears SW Conference Official Friday

Curly Hays of Abilene, long-time Southwest Conference official, will talk football for members of the Kiwanis Club at their luncheon meeting Friday, October 15, President Don Welch has announced.

Mr. Hays is now the Farm and ranch representative of West Texas Utilities Company.

All Kiwanis are urged to attend and hear a rousing talk on what for most of the members is their favorite sport.

The club president also announced the members are selling Halloween candy, which includes 160 pieces individually wrapped for \$1.00.

The money derived from this sale will go to help finance projects Kiwanis is carrying out.

Mr. Welch said the club is giving financial help to the Satellite School for Human Development, which is to open here within a short time.

Club members are in the process of holding a work project at the school site, the corner of Dallas and 15th Street. The members are also sponsoring the Cub Scout program and are making arrangements to sponsor the Brownie Scouts for little girls. Mack Saied was named institutional representative.

Clyde Drake Head Of County Museum

Interim officers of the Collingsworth County Museum were elected Thursday night, October 7, as another major step in preserving the area's past.

Museum by-laws were adopted and the application for a charter was explained. The application has now been mailed.

Clyde Drake was elected president of the Museum, which is sponsored by the Collingsworth County Historical Society, with

the approval of the Commissioners Court. They are separate organizations, however.

Don Welch was elected vice-president; Mrs. Wayne Parker, secretary; Earl Hunter, treasurer; and Mrs. Boyd Derryberry finance chairman.

Six trustees were elected. Chosen for two year terms

were L.E. Ward, T.E. Lennon of Dodson and Mrs. Guy Bell of Samnorwood. Selected for

Rockets Down Eagles By 22 to 7 Score

Still suffering from injuries the Wellington Skyrockets found little trouble in overcoming an early Eagle touchdown to defeat the Chillicothe team on their home field by a score of 22 to 7 at Chillicothe last Friday.

The Eagles kicked off to the Rocket 20 and Randall Hodges brought the ball back to the Chillicothe 43 yard line. A fine gain by Wright around end was nullified by a 5 yard penalty and the Rockets had the ball back on their own 38 yard line with 15 to go. A 4 yard gain by Hodges followed by a fumble and an incomplete pass forced Wellington to punt. Hodges zoomed one to the Eagle 19 yard line.

Larry Bell hit the line for a 4 yard gain and then came the opener. On the second play of the game Eddie Turner ran the ball on a keeper and broke loose shortly beyond the line of scrimmage and went 74 yards for the Eagles first and only touchdown. The kick was good and the Eagles led 7 to 0.

On the kickoff, Hodges brought the ball back to the Wellington 41 yard line. After two ineffectual plays a brilliant run by Gary Wright was called back on an offside penalty. Carter made it a first down on a keeper and picked up the Rockets first first down of the game. Three first downs in a row with Hodges, Wright, Oney, and Carter alternating in the carrying the ball placed it on the Eagle 6. On the first sweep Oney took it over with the try for point failing making the score 7 to 6 with the Eagles still leading.

The next Eagle drive faltered and the Rockets had the ball on their own 25 at the end of the first quarter.

Wellington picked up two first downs in the early moments of the second quarter; but the line leaked on a third down pass attempt and Carter was thrown for a loss. On the punt return Louis Gonzales made a timely tackle that stopped the Eagle back and may have prevented a long gain.

The Rockets failed to make a first down on the next series of plays and were forced to

punt but the fumbled punt was recovered by the Rockets on the Chillicothe 35 yard line. Short gains by Wright and Oney advanced the ball down field to pick up a first down. On a keeper Carter went 9 yards for the second Wellington touchdown and Gonzales made up 2 points to make the score 14 to 7.

After the Eagles had again failed to make a first down, the Rockets were going strong only to have their drive halted by a 15 yard penalty just before the half ended.

Wellington's last touchdown was set up by some extra strong defensive play by players who had not been in limelight on defensive play in other games. Gonzales stopped the Eagle runback which promised to make a long gain. Leslie Bailey, playing in the place of the injured Steve Hunter turned in some fine work and Wellington found itself with the ball on their own 25. A thrust by Oney was nullified by a 15 yard penalty for clipping and Wellington had the ball on its own 10 yard line.

Randall Hodges was called on for an off tackle thrust and receiving two good blocks to set him in the clear and he sprinted 90 yards for the final Rocket touchdown. The try for point was good for 2 points with Louis Gonzales carrying it over.

The fourth quarter was slow and marred by penalties on both sides with the Rockets outplaying the Eagles decisively but unable to put another score on the board. A promising series of plays by the Skyrockets was advancing the ball down the field near the close of the game. On an end sweep Randall Hodges saw that end of field swarmed by Eagles, stopped and ran through a broken field 45 yards for a touchdown - only to have it called back and the Rockets assessed a 15 yard penalty for clipping.

There were about three times as many fans from Wellington in attendance at the game as there were from Chillicothe.

ACT Tests to Be Offered Five Times This Year

Students at Wellington, Quail and Samnorwood High Schools to attend college will have five opportunities to take the ACT Test Battery during the 1971-72 academic year.

The first of five national testing dates on which the national assessment examination will be offered is Saturday morning, Oct. 16.

Mr. Van Pelt also announced the complete national ACT schedule for the 1971-72 academic year. The schedule is: Oct. 16, Dec. 11, Feb. 26, April 22, July 15.

For the fourth consecutive year, the cost for taking the ACT examination-questionnaire is \$6, despite increased services that are provided this year for the college-bound students and their high schools.

Last year approximately one million persons in the U.S. and overseas took the five-part battery, which is required or recommended for applicants at more than 1,900 colleges, universities, two-year colleges, scholarship agencies, and athletic conferences.

letic conferences.

The ACT battery, which takes about 3½ hours to complete, includes a series of four tests designed to measure general ability to perform kinds of intellectual tasks typically required of college students. Another part of the examination consists of questions about the student's academic and nonacademic background, immediate plans for college, and career aspirations.

Resulting score reports are of valuable assistance to students in the complex and important tasks of pre-college planning. For this reason, it is recommended students take the ACT battery in their junior year or early in the senior year of high school.

The tests given Oct. 16 and Dec. 11 will be given at Shamrock, the remainder at Clarendon.

Among the colleges in this area requiring the ACT Test for entrance are West Texas State University, Clarendon College, Amarillo College, Midwestern, Southwestern State, Wayland, and the three colleges at Abilene, according to Mr. Van Pelt.

Spillman Ends Basic Training

Ft. Ord, Calif. (THTNC) Sept. 24 -- Army private William P. Spillman, 23, recently completed the first phase of training under the Modern Volunteer Army Field Experiment at Ft. Ord, Calif.

The new concept, called Volar, combines basic and advanced individual training into a single 16-week program. Decentralized instruction at the unit level and a reduction of formations and inspections

gives the soldier more time to train and increased off-duty time. Fewer restrictions of off-duty travel and improved living facilities are other benefits of the Volar Concept.

Pvt. Spillman received a B.B.A. and a J.D. Degree from Baylor Law School, Waco, Tex.

His wife, Norma, lives at 817 N. Lacy Drive, Waco, Tex. He is the son of Mr. and Mrs. Paul Spillman of Wellington.

How much do the big-city magni-mart stores do to help support *our* community needs?

How much do they put out in time, thought, effort and money for *our* schools, churches and youth activities...to create more jobs and protect *our* personal and business property values?

Nothing at all, of course. Why should they? Smart business people work for and contribute to the support of their own local communities, large or small. And the big-city people use a lot of our money to build their areas when we donate to them the one-third of our trade money which always goes to pay for supporting the community in which it is spent.

Services Held Friday for Mrs. Nettie Walker

Mrs. Nettie Mae Walker, 81, a former long-time Collingsworth County resident, died in Walbarger Hospital in Vernon Wednesday, October 6, at 5:30 p.m. after a lengthy illness.

She was a sister of R.L. Karnes, and a member of a pioneer area family.

Funeral services were conducted at Kelso Chapel Friday at 2:00 p.m. with the Rev. R.T. Dyess, pastor of First United Methodist Church, officiating. Burial was in Fairview Cemetery under the direction of Kelso Funeral Home.

Mrs. Walker was born in Hardeman County May 24, 1890, the daughter of the late Manoh and Callie Gregory Karnes. She came here at an early age, and remained until about 1935, when she moved to San Jon, N.M. After living there for a number of years, she moved to Paducah.

Survivors include a sister, Mrs. Viola Turk of Los Angeles, and two brothers, Robert L. Karnes of Wellington and Glenn Karnes of Enid, Oklahoma, along with a number of nieces and nephews.

King Wins at South Plains Fiddle Event

Bill King of Dozier won first place in the big fiddling contest held Saturday, October 2, at the Panhandle and South Plains Fair in Lubbock.

He competed in the division for fiddlers 60 years of age and over.

His prize was \$100 cash. Mr. King's contest numbers were "Billy in the Low Ground," "Kelly Waltz," and "Tugboat."

Mr. and Mrs. King were chairmen of the Fiddlers Contest for the Collingsworth County Fair, and he has won a number of other contests this year.

Junior High Loses Games To Childress

Wellington Junior High football teams lost a double-header to the strong Childress 7th and 8th grades at Powell Field Thursday, October 7.

There was similarity in the two games in that all the scoring came in the first two quarters, while stiffened Wellington defenses shut out their opponents in the second half.

The Childress 8th grade won 28-0, scoring two touchdowns in the first quarter and two in the second. One came on a pass play, the other three on end runs. Points after touchdowns were good on two.

"The Wellington defense came back and played a tremendous game, but they just waited one half too late," said Coach Nunnelley. "Childress does have one of the finest junior high teams in the country and they haven't been challenged this season."

Childress seventh grade won 12-0, scoring one of the touchdowns on a pass interception and the other on an end run. Neither try for extra points was good. The remainder of the game was a see-saw defensive battle, with neither team being able to make headway.

Coach Dick Hamilton's team played well over all, for Childress has a good seventh grade, too.

Three Register at Draft Board

Three Collingsworth County boys registered with Selective Service during September, according to Bill Hatch, a member of Draft Board No. 20.

They were Carlos Gregg Hatch, Jerry Lynn Bowen, and Ronnie Dean Pennon.

WT Students in Fraternities

CANYON, -- Two WTSU students from Wellington have given up independent status by joining fraternities on campus.

Danny West, son of Mrs. Lucille West, 1205 East Avenue pledged Phi Delta Theta.

Jerry Wooldridge, son of Mr. and Mrs. Grant Wooldridge, 1600 Childress Street, has also pledged Phi Delta Theta.

To be eligible for pledging national fraternities, men students must maintain at least a "C" average.

Eighth Grade Names Officers

Wellington Junior High eighth grade class met recently to elect officers for the coming year.

George Grewer was elected president; Kim Goforth, vice-president; Paul Hanna, secretary-treasurer; and Jeff Peterson, reporter.

Kim and George were then chosen class favorites.

The sponsors are Carroll Nunnelley, Mrs. Rufus Sweat, and Mrs. Larry Wright.

Record Crowd at Motorcycle Races

The largest crowd yet to attend the weekly races was on hand at the course south of town Sunday, October 10.

Lots of these spectators were from out of town, according to Pete Moore, one of those helping with the event, which is sponsored by the Red River Riders, local motorcycle club.

There were two special events, the powder puff race, won by Roda Taylor of Childress, and the Wheely or wheel-stand, taken by youthful Craig Needham of Wellington.

Winners in the various events, announced by Mr. Moore, include:

The 80-100 cc class: first, Robby Hayes of Hollis; second, David Holder of Altus.

The 125 cc class: first, Mark Stabler of Childress; second, Bill Lockhart of Memphis; and third, Bill Metis of Altus.

The 175 cc class: first, Kenneth Foster; second, Dana Bell; third, John Carson of Quail.

The 250 cc class: first, Roy Hayes of Hollis and second, Joe Peters.

The 50-80 Mini bikes: first, Scott Lockhart of Memphis; second, Craig Needham; third, Robby Hayes of Hollis; fourth, Rusty Wiff of Hollis; and fifth, Ronda Taylor of Childress.

Max Sherman on Election Law Committee

Lieutenant Governor Ben Barnes announced today in Austin the appointment of Senators Mike McKool of Dallas, Charles Herring of Austin, Max Sherman of Amarillo, Glenn Kothmann of San Antonio, and Lindley Beckworth of Longview to the Senate Interim Committee on Texas Election Laws. Senator McKool will serve as Chairman.

The Texas Election Laws Committee was created by SR 1161. It is charged to make a complete study of the Texas Election Code, giving emphasis to voter registration practices and procedures.

Farmers and ranchers are encouraged to spray their cattle for lice in the fall instead of waiting until they are noticeably infested.

Treating cattle for lice is effective because of mild weather, shorter hair on cattle and a smaller lice population. The low population found now is the source of this winter's population.

"Louse control should not be put off until cattle are infested. By winter the cattle have suffered greatly, and a heavy population of lice is more difficult to control than a light one."

The key point in effective lice control is to make through

applications. If one animal or even a part of an animal is not treated the lice could be a source of reinfection for the herd.

Dipping is the most thorough way to treat cattle, but sprays are effective if applied with special attention the brisket and flanks. The entire body should be wet to the skin. High water pressure and a coarse stream is best for penetrating the hair. Spray at close range and treat only a few cattle at a time.

Some 65,000 Texas farmers and ranchers will receive a crop of livestock questionnaire during the last half of November or December. The year-end

survey on sheep and goats will be made in late December.

This roundup survey of agricultural crop production, livestock numbers and cash receipts from farming and ranching is made annually by the Texas Crop and Livestock Reporting Service. The Texas Department of Agriculture and the Statistical Reporting Service, U.S. Department of Agriculture, are joined together to provide a continuing program

of information on Texas Agriculture.

Texas has 254 counties and each producer is an important part of the State's agriculture. Each farmer or rancher receiving a questionnaire is urged to fill it out carefully and return it promptly in the self-addressed envelope to the Agriculture Statistician in Austin, Texas.

DENISE MITCHELL

New Year's Wedding Date Chosen by Denise Mitchell, Teddy Martin

Mr. and Mrs. Calvin Mitchell of 1607 Amarillo Street are announcing the engagement and approaching marriage of their daughter, Deborah Denise, to Teddy Wayne Martin, the son of Mr. and Mrs. Wayne Martin, 2002 Graham Street.

Both Miss Mitchell and

her fiancé are students at West Texas State University. She is a freshman, while he is now a junior, after also attending Clarendon College.

The couple has chosen a January 1 date for their wedding, which will take place in First Baptist Church, Wellington.

American Student Describes Life in Ancient Uppsala University

After attending Long Beach State College three years, Randi French is a student this year in Uppsala University, Uppsala, Sweden - a school just 6 years short of the 500th anniversary of its founding.

Daughter of Mr. and Mrs. J.W. French of Avila Beach, Calif., Randi has visited here many times with her grandmothers, Mrs. Johnny French and Mrs. Mary Clay, and with other relatives. Here Randi tells some of the early impressions of her university.

"We registered for classes last Friday, and my first one starts tomorrow. I am taking Swedish, Scandinavian Art, 19th Century European History and European Geography.

"My corridor mates are named Helen, Margarete, Christina, Catrin and Gunilla. They are all very nice and speak English well. I have my own room with a sink and mirror, and we all share two bathrooms and one kitchen.

These dorms are very modern and much nicer than anything at Long Beach! It seems like the whole town is dorms and apartments. In my complex, Dakingatan, there are 8 6-story buildings. They are spread far apart with grass and gardens in between. I'm about a 15 minute walk from the center of town. It is a little farther to the University buildings.

"So far, I have been walking everywhere and getting quite a lot of exercise. On Saturday, all of us (80) went to Stockholm. We went to Drottningholm Palace, the King's pad, to Wasa, a resurrected 16th Century Battleship, and to a sculptor garden. The city is very beautiful. It's hard to imagine some place like L.A. or New York and Stockholm at the same time! There's just no comparison.

"Stockholm is made up of islands, so the water in between and the sailboats add to the beauty.

"Anyway, we only spent the day there so I intend to go

back sometime and stay for a few days. However, I'm glad to be living in Uppsala since it is a small town in comparison. It's really quaint - narrow brick streets, very old buildings and flower boxes. Also, the moon looks closer in Sweden!"

"They have especially beautiful dishes, porcelain and glass. The stores are loaded."

"The food is very different everything is prepared a little differently. They eat lots of bread, cheese, potatoes and caviar (it's cheap here!)

The breads are fantastic - you can go to the store and buy them hot in the package. There are tons of different kinds - breads I have never heard of. The pastries are great and there are many bake shops.

PEANUT BUTTER

Peanuts! America's favorite! The largest amount of peanuts in the United States goes into making peanut butter, and the next largest amount goes into salted peanuts. The third bulk amount goes into peanut candy, leaving only a small percentage to be used for other products.

The amount of the first three products consume in America is amazing!

PEANUT BUTTER BROWNIES

1 cup sifted all-purpose flour
¾ teaspoon baking powder
¼ teaspoon baking soda
½ teaspoon salt
3 eggs
1 1/3 cups brown sugar, firmly packed

1/3 cup melted butter or margarine
½ cup chunk-style peanut butter
1 teaspoon vanilla extract
½ cup flaked coconut (if desired)

Heat oven to 350 Degrees F. Grease and flour a 12 1/2 x 9 x 2-inch pan. Sift together flour, baking powder, baking soda, and salt. Beat eggs in a medium-sized bowl until thick and lemon colored. Gradually add sugar, beating until thick. Add peanut butter, butter, and vanilla; mix well. Fold in sifted dry ingredients and coconut, if desired. Pour into prepared pan. Bake 25 to 30 minutes. Cool in pan before cutting into 1/2-inch bars. Remove carefully from pan. Makes about 30 bars.

When ironing a blouse with lace or tucks on the front, lay the garment on a turkish towel with the lace or tucks side down, then iron on the wrong side.

After ironing curtains, hang them, temporarily, on a skirt rack, where they will stay neat and wrinkle-free until needed.

If you have two or three belts to iron, lay them all on the ironing board at one time and one ironing will do it.

PTO Plans Halloween Carnival, Hears Environmental Program

"A Talk-in Via Fashions" was presented to the Wellington Parent-Teacher Organization and guests by the 1924 Study Club at the Wellington Elementary School. This "State of the Family" series stressing natural, social, and cultural environment was entitled "For Better Family Environment".

The panel presentation featured co-ordinated visual aids of mixed media. Serving as moderator was Mrs. B.M. Sims, Texas Federation of Women's Clubs board member and past district president. Her "Comic Observations of Environmental HES and SHEs" pictured verbally the strong role of the woman in the family unit.

Each panelist was a model illustrating her selected subject: "Family Environment Chapeaux" was by Mrs. Dennis Holland, American Legion Auxiliary district vice-president; "Family Consumer and Economics Toga" was by Mrs. Don Van Pelt, Kindergarten Director; "Home Environment Turban" was by Mrs. Gaylord Cook, minister's wife; "Today's Students Tomorrow Space Helmet" by Mrs. Bill Tyler, club president; "Our Religion and Ethics Beret" by Mrs. Leslie White, retired teacher.

Following this fashion show talk-in, the audience participated in suggestions toward better family environment locally.

In the field of environmental education, the need for the new Satellite School of Human Development was emphasized; also, the need for adults and youth to be provided with vocational school training was mentioned. Both these outlets which include education not provided by public schools will need volunteer help and good attendance by those qualified. The audience agreed that adults need to actually listen to youth.

Several items were mentioned for current and future environmental home safety. One subject dealt with the strange ingredients that are being used by some manufacturers which

may be detrimental to health in large quantities. These varied from ice cream flavorings to phosphates versus non-phosphates in detergents; excessive noise pollution via loud music for our youth; the need to compliment teenagers whose values merit such; and the need to be informed on consumer finance.

Some of these are to be studied further and acted upon with resolutions in various organizations and to state legislators; also, local action in time money, and talent. The program and evaluation were so well received that requests for materials, ideas, and props and additional presentations are numerous.

The lecturn used at the meeting had been given to the school by the 1924 Study Club.

Presiding at the meeting was Mrs. Ralph Owens, PTO president. During the business session, reports and plans of work were heard from Mrs. Charles Floyd, secretary; Mrs. Bob Weatherly, treasurer; and Mrs. Bill Hall, Halloween Carnival Chairman; Mrs. Vernon Peter's room had the most mothers to register at the meet.

Of main concern was the fund raising project, the Halloween Carnival, on October 30.

This will be at the School Cafeteria.

Wellington YH Plans Events

Wellington Young Homemakers heard a program and demonstration on decoupage purses given by Mrs. Dennis Holland at their last meeting.

The event was held in the directors room of Greenbelt Electric Co-operative, Inc. The devotion was given by Mrs. Eddie Maxwell.

During the business session, members planned to buy tooth brushes and tooth paste for the Community Action Center; slated a Halloween party for October; and arranged for packages to be sent to Vietnam at Christmas.

Three guests were present, Mrs. Andrea Woods, Mrs. Bobby Gronewald and Mrs. Stephen Schmidley.

Those attending were her parents, Mr. and Mrs. Bill Van Vactor of Mangum, also Mr. and Mrs. Steve Howard and Mrs. Newnam Chandler of Carter, Oklahoma, Mrs. Carter Howard of Houston and Mr. and Mrs. Marvin Copp of Sunray.

Preferred Trees for Wellington Discussed by Garden Club Speaker

The advantages and disadvantages of using the Chinese Elm, most widely used in Wellington, was discussed by Mrs. Tom Caterlin for members of the Wellington Garden Club Wednesday, October 2.

Mrs. O.A. Kiker was hostess and Mrs. Charles Cason co-hostess. Mrs. Coy Vaughan presided at the business session.

Mrs. Caterlin, who with her husband owns a nursery, exhibited fall foliage from several varieties of trees. To those who would like to substitute another tree for Chinese Elms, she recommended the American Elms, pecan, fruitless mulberry and sycamore.

A tribute was paid to Mrs. Rena Slay and her work in Wellington was given by Mrs. Leonard Karnes. Mrs. Slay is moving to Denver, Colorado, to make her home with her daughter, Mrs. Pete Fast. She was presented a going-away gift.

Members answered roll call by naming their favorite tree. Refreshments were served to Mrs. Bill Harbin, Mrs. Joe

Thompson, Mrs. Joe Stowell, Mrs. Vaughan, Mrs. Cason, Mrs. O.B. Raburn, Mrs. Bill Tyler, Mrs. Slay, Mrs. Walter Franks, Mrs. G.L. Jones, Mrs. Ray Clubb, Mrs. Guy Clement, Mrs. John Henard, Mrs. Kiker, Mrs. Karnes, Mrs. McCorell, of Purcell, Oklahoma, and Mrs. Tom Caterlin.

Mr. and Mrs. Jimmy Howell and daughters of Clovis, N.M. spent the week end with their parents, Mr. and Mrs. J.C. Howell of Dodson and Mr. and Mrs. D.C. Thomason.

ATTEND CHURCH

By Gaylord Cook

1. Because the church is God's family—a blessing to you, to your family and to your community.
2. Because the church deserves to live. But the church will perish unless her services are attended.
3. Because you deserve to live. But your spiritual life will fade away if you neglect the church.
4. Because your friends and your family need to attend. Your attendance encourages them to attend. Your absence causes them to be absent.
5. Because you forsake the Lord when you forsake the church. This is true because the church is the Lord's body, the Lord's bride, the Lord's house. When you forsake the Lord, the Lord will forsake you. Horror of all horrors!

Come and worship with us next Sunday. You need the church, the church needs you.

Paintings of John Shermans Shown to Childress Club at Meeting Here

Mrs. Clyde Drake was hostess at a meeting of the Home Arts Club of Childress Thursday afternoon, October 7.

Held in the Rocking Chair Gallery belonging to Mr. and Mrs. Clyde Drake, the program featured an exhibit of paintings by Mr. and Mrs. John Sherman.

Among these were works which had been exhibited in Panhandle towns, and in the Dord Fitz gallery in Amarillo, as well as other paintings finished only recently by the couple.

Mrs. Sherman explained each painting telling of the style in which it is done, and giving background material which add to the understanding and appreciation of the painting.

Members coming from Childress were Mrs. Erwin Carter, Mrs. A.D. Green, Mrs. Chester Hufstetler, Mrs. Charles O'Donnell, Mrs. Oral Orcutt, Mrs. A. Power, Mrs. Rush Record, Mrs. C.C. Rosamond, Mrs. Gene Smith, and Mrs. T.E. Williamson; and Wellington guests, Mrs. Sherman and Mrs. Charles Darter, and the hostess, Mrs. Drake.

Bonnie Willis Hosts Excelsior

Miss Bonnie Willis was hostess to Excelsior Club Thursday evening, October 7 and was also program chairman, presenting a study of Marc Chagall.

Chagall, born in Russia in 1889 lived in United States for a time after World War II, however he has lived mostly in France since 1910. He is considered the forerunner of Surrealism. He explores the realm of imagination, reliving the experiences of his childhood, the dreamlike memories of Russian folk stories and of the Russian countryside, said the speaker.

He draws subject matter from Jewish folklore, using flower and animal symbols, weaving all together into a glowing vision. These childhood experien-

ces were so important to him that his imagination shaped and reshaped them for years without ever getting rid of their memories. He uses vivid color and is a master of the Fantastic, his figures being dis-connected, perhaps upside down. When the first man walked in space Chagall is said to have remarked, "I painted man walking in space years ago," Miss Willis told the group.

A dessert plate was served to ten members; Mrs. E.F. Bartlett, Mrs. J.F. Michael, Mrs. L.W. Wells, Mrs. Robert Barjeunbruch, Mrs. Henry Vaughan, and Miss Hattie D. Wells, Miss Dorothy Robertson, Miss Rose Shadid and Miss Marie Shadid and Miss Willis.

Mrs. Glenn McLain was hostess for the meeting of the Christian Women's Council Monday evening, October 4.

Officers were elected during the business session, with Mrs. Raymond Neeley as president; Mrs. Bill Lindsey, vice president; Mrs. Huston Anderson, secretary; Mrs. Zook Thomas, treasurer; and Mrs. Ozro Bartlett, reporter.

The program, "Men of the Bible" was given by Mrs. Marvin Garrison, who also presented the devotional.

Those attending were Mrs. Sandown Smith, Mrs. Bill Anders, Mrs. Anderson, Mrs.

J.M. Strong, Mrs. Neeley and daughter, Mrs. Andy Bell, Mrs. Bartlett, Mrs. Emil Kersten, Mrs. Cleo Garrison, Mrs. Marvin Garrison and son, Mrs. Jess Wilson, Mrs. Jack Sanford, Mrs. Charles Darter, Mrs. Tommy Thomas and daughter, and Mrs. McLain.

Mrs. Mickey Carter of Wheeler, spent one day last week with her parents Mr. and Mrs. John Holton.

Mrs. C.Y. Thomas and her son, Joe of Guadalajara, Mexico, spent several days last week with her mother, Mrs. R.W. Brantley and sister-in-law, Mrs. Heber Brantley.

Brunch Observes TFWC Jubilee, Opens Year for 1974 Study Club

Celebrating the Texas Federation of Women's Club seventy-fifth anniversary was the Diamond Jubilee Brunch opening the 1971-72 club year for members and guests of 1924 Study Club at the Cherokee Restaurant on October 7.

In her greetings, the club president Mrs. Bill Tyler announced the year's theme with the brunch emphasizing the "Family Focus: Woman's Home is Her Castle"

Mrs. George Henry, vice president, presented the year books with the club president's theme of Facets of Federation and Family co-ordinated throughout.

Decorations were color-keyed to "Facets of Federation" with a color for each of the TFWC departments and the diamonds for Texas Heritage.

Queen-for-a-Day was Mrs. Chester Fires who qualifies as a Diamond Jubilee Pioneer Clubwoman in this anniversary of TFWC. She has been an integral part of this area's civic cultural, education and religious advancement. She is a life member of Top of Texas District, having been a member of TFWC for forty-eight years. Her jubilee pin was presented by Mrs. R.R. Crawley and an additional club gift was presented by Mrs. Tyler, club president. Mrs. Fires will be included in a special TFWC publication soon. Her daughter-in-law, Mrs. A.J. Fires, was a guest of the club.

In keeping with the focus on family, Mrs. B.M. Sims gave excerpts from "How to Be Hip Over 30 and Other Tragedies of Married Life."

The benediction was the Club Collect in unison led by Mrs. Truett Holland.

Attending were Mrs. Charley Hill, Mrs. J.B. King, Mrs. J.D. Coleman, Mrs. Ralph Owens,

Enrollment in this semester's printing class at TSTI closes Friday, Sept. 17th, says Van Camp.

The fund was set up by members of the printing industry located in Panhandle and South Plains cities, said Virgil Van Camp, owner of Standard Printing Company, 405 S. Crockett, Amarillo. Van Camp is a member of the TSTI Printing Programs Advisory Committee.

"The revolving loan fund was established to offer financial help to young people interested in entering the printing industry," said Van Camp. "It isn't a giveaway program," he said. "We expect all of the loans to be repaid when the student completes the two-year training program and begins work."

The graphic arts industry is in need of hundreds of people who have a basic understanding of printing in a variety of specialized fields, he said. These include layout, design, artwork press operation, camera (offset) operation or the operation of other types of equipment used in the graphic arts industry.

for the seventh grade, 7:00 for the 8th grade, and a B team game, will follow at 8:00.

"Shamrock has a good junior high ball club," said Wellington Coach Carroll Nunneley. "They defeated Clarendon 12-6 and Clarendon defeated Wellington 6-0. So we are looking for a close-matched game. Shamrock is strong in both the seventh and eighth grades."

Shamrock has a 33-member combined 7th and 8th grade team, captained by Joe Martinez and Robby Reeder. Besides the win over Clarendon, the team lost 32-8 to Wheeler, defeated McLean 22-8, then lost again to Quanah, 22-14

Good crowds have been supporting the Wellington Junior High teams in their homestands, and Coach Nunneley urged all fans of these young teams to come out Thursday night.

TSTI Offers Printing Loan, Scholarship

A revolving scholarship loan fund has been established to give financial help to those student interested in attending a two-year printing program at Texas State Technical Institute in Amarillo.

The fund was set up by members of the printing industry located in Panhandle and South Plains cities, said Virgil Van Camp, owner of Standard Printing Company, 405 S. Crockett, Amarillo. Van Camp is a member of the TSTI Printing Programs Advisory Committee.

A Major 4-H Club Event Is Coming Up

There was no special observance of National 4-H Club Week locally, but coming up is our big opportunity to pay a personal tribute to these boys and girls who live and carry out their projects in Collingsworth County.

The annual Awards Program is the major annual event bringing together all these boys and girls to receive recognition for excellence in their work.

The medals they receive are important in their lives. These are given by major national industries and organizations who recognize the value of the 4-H program. But even more important to the boys and girls and the adults who work with them would be the knowledge that their friends are giving 100 percent support, as shown by their presence at the awards programs.

Their hard work has brought district and state recognition to some of these 4-H members. This will be noted during the program, too.

If you are not aware of the importance of 4-H Youthpower in Collingsworth, this is a good opportunity to find out about it.

Cotton Days of Past

It's cotton picking time in Texas and if you're an old-timer who likes to take note of changing customs, then this is an area in which vast changes have come about in the past few decades, most of those changes wrought by machines.

Time was when cotton was hand-picked by thousands of transient and domestic laborers. Then virtually every little town was bustling with activity, wagons and trucks filled the roads bringing bales of the fluffy stuff to gins. The acrid, rather pleasant, smell emanating from the gins was a hallmark of the autumn cotton picking season. Streets were crowded, especially on Saturdays, and merchants did a bustling business.

Now the cotton harvest is an antiseptic operation, done cleanly by machines. As boll-pulling followed picking, so did machine pulling replace the hand method and replace virtually all harvest labor.

It is a better way for the farmer, for in the old days the labor market was unreliable. Now the farmer with his own mechanical harvester can gather his crop when the weather and maturity permit.

But somehow it seems to us that much could be said for those old days when cotton picking season was attended by crowded streets and the pungent smell from the gins of a beautiful October or November day.—Wichita Falls Record News.

Trouble With Eagles

The seven-year-old girl came home from school looking disgusted. Her mother asked her what was wrong. "I'm having trouble in school with the eagles," the child said. "Eagles in school?" asked the baffled mother. "You know," said the child. "Two plus two eagles four, three plus three eagles six." —Farmland News, Archbold, Ohio

CROSSROADS REPORT

Dear Editor:

Prisoners in our penitentiaries are demanding improvement in their environment, like maybe wall-to-wall carpets, maid service, air conditioned cells, etc.

When convicts get all of these comforts, plus freedom from taxes and traffic, people will have to make reservations years in advance to get accommodations in a pen.

Presently, of course, there will be a Convicts Union to call strikes for more goodies for the baddies, and to scare politicians into an acquiescent coma by threatening to call them anti-union.

There is some talk about raising the income tax exemption to \$750, although objectors to this idea say it would encourage people to have more children and cause a population boom.

But this would seem to depend on how many folks we have got of proliferating age who think they can make a profit by spending thousands of dollars to save \$40 or \$50 per year.

If these financial idiots are numerous enough, and if like still tends to beget like, the result could be a vast increase in our supply of money morons to send to Congress.

Living Cells

The unit of living matter called a cell was discovered by Robert Hooke, who saw the walls of plant cells. He called each unit a "cell" because many of them looked like tiny prison cells.

Quarter Horse
Champion Given
West Texas State

CANYON, -- Gifts of a champion Quarter Horse and several outstanding breedings have increased West Texas State University's expanding horse program.
John Hazlewood of Amarillo has given the university Poco Cee Dell, an American Quarter Horse Association champion, Dean Charles M. Smallwood of the School of Agriculture said Saturday.
The 9-year-old sorrel gelding, foaled in 1962, was bred by Tom Mitchell of Canadian, Tex., and was sired by Poco Dell (by Poco Bueno) out of Ida Red Sunday by King Sunday.
* With the advent of a School of Agriculture at West Texas State a year ago, the university's horse program is one of the fastest growing in the country.
"I am happy to make this small contribution," said Hazlewood, an alumnus of WTSU. "The new horse program is a tremendous asset to the university."

Larry Kasten, assistant professor animal science and coordinator of the horse program, said breedings to several outstanding stallions have also been donated.
Kasten said Poco Cee Dell will be used for various demonstrations by the instructors in the elementary horsemanship courses and in general animal husbandry.
In the horse production course, Poco will be used for judging, fitting and showing demonstrations. The AQHA champion will only be used by the students in the more advanced courses, Kasten said.
The university has about 35 registered American Quarter Horses in its herd. However, Poco Cee Dell is the first AQHA champion in the herd.

Arnett FFA
Hogs Win at
Oklahoma Fair

The Arnett Chapter of Future Farmers of America went to the State Sweetheart contest held at the Oklahoma State Fair Saturday, September 25. Sandra Sexton, Arnett chapter sweetheart, was one of the participants.
Billy Grubbs, vocational agriculture instructor, took five boys to the state livestock show, Stanton Sikes, Allen Davis, Harold Loftie, Pat Swinburne and Chuck Conner.
Loftie's Yorkshire gilt placed third in her class and Conner's Chester White barrow was second in the middle weight class.
Conner also took his Chester White to the Tulsa Livestock Show on October 6.

COMING TO RITZ OCT. 20
"FEATHER-RAISING" RESCUE... Albert Dooley (DEAN JONES) tries to rescue Jimmy (LEE HARCOURT MONTGOMERY) and Charley, the duck that lays eggs with solid gold yolks, from a ladder on which the boy is trying to cross to an adjoining building to escape men, who are trying to take Charley into custody for violating Federal gold regulations in this exciting scene from Walt Disney Productions "S.O.S. Duck." In Technicolor, the film stars Dean Jones, Sandy Duncan, Joe Flynn and Tony Roberts

Quail News

By Mrs. G. T. Stephens

The beautiful fall weather continues and the farmers are busy harvesting their crops. The combines are running full time and Monday morning several started plowing up their peanuts. The peanut crop is good this year and some think it is better than last, however the crows are already here and more are coming in, so the peanut growers have started their crow-guns and have their shotguns ready to fight the pests, which can be very destructive in a field at harvest time.

Rev. John Stout of Clarendon is the new pastor of Quail Baptist Church. He preaches at both the morning and evening services. His wife accompanies him and they spend the day with members of the congregation.

Rev. and Mrs. Porter Arnold of Silverton attended Church Sunday night at Quail Baptist Church. They moved from here to Silverton only recently. After services, a group met in the home of Mr. and Mrs. Troy Johnson for a visit. Mrs. Johnson served coffee and cake to the guests.

They included Rev. and Mrs. John Stout of Clarendon, Rev. and Mrs. Arnold, Mr. and Mrs. Roy Pegram, Mr. and Mrs. Pat O'Hair, Mrs. Carmen Maybin, and Mrs. Lela Maxwell. The Arnolds spent the night in the Pat O'Hair home.

T.C. Crabtree was 85 years old Wednesday, October 6. He celebrated his birthday by working at his store, the Quail Mercantile, as he has so many times during the past 52 years.

Mr. and Mrs. A.B. Boyett visited in Texline over the week end with their son and family, Mr. and Mrs. Alvin Boyett and children.

Guests in the home of Mrs. Lela Maxwell Wednesday, Oct. 6, were two of her sisters, Mrs. Lawrence Brisbin, and Mrs. Elbert Watts of Wellington.

Mr. and Mrs. J.D. Morris and son, Jerol Morris and Danny of Wellington, visited over the week end in Amarillo in the home of Mr. and Mrs. Dale Morris and daughter, Kim.

Hatches Visit in Montana

Mr. and Mrs. Bill Hatch had a two-weeks vacation recently which took them to Montana and into Canada.

After touring Yellowstone, they joined their son, Bryan Hatch, who was working at Bozeman, Montana. The trio then visited Glacier National Park and went into Canada.

They reported ice on their windshields every night, and already a 10-inch snow and two lighter snows had fallen.

Bryan Hatch has now returned to Dallas where he will live.

Mr. and Mrs. Ira Morgan visited at Boys Ranch near Amarillo over the week end with their son and family, Mr. and Mrs. Jack Morgan and boys.

Mr. and Mrs. John Carson Jr., and Candy of Pampa spent Saturday night and Sunday with their parents, Mr. and Mrs. John Carson, Sr.

R.P. Carson is visiting in Pampa with his grandson, John Carson, Jr., and family.

Mrs. Pearl Gollighugh and Dub visited in Amarillo Saturday and Sunday with Paul Gollighugh, and with Johnny Gollighugh and family. They also visited her four grandchildren, Terry, David and Bonnie Gollighugh and Mrs. Vickie Graves and small daughter, Lisa, all of Amarillo, the children of the late Billy Gollighugh. Lisa is the first great granddaughter.

Mr. and Mrs. Carey Neely of Amarillo, and Mrs. Mary Clay visited with Mr. and Mrs. Ben Carson in College Station over the week end. Mrs. Clay's daughter, Mrs. Lynn Dawson, of San Antonio, met her mother at College Station, and Mrs. Clay returned with her for a visit.

Deck's DIDACTICS

—by Deskins Wells

IF YOU are confused about Phase II of the President's program you are not the only one in Wellington that is puzzled — or in any other place as far as I can read. Most business men here are waiting for further clarification from trade associations, the government or someone in a position of apparent authority. Thus far I know of no local firms that have received any directives as to what to do.

BIG corporations such as steel, auto, etc., won't be able to boost prices without clearing it through the government. Concerning smaller business firms, The National Observer said:

"Middle-sized economic units—business and large local unions—will be allowed to make wage and price decisions without going through a clearance process. But they will be required to report these moves to the Government, which will be able to suspend questionable increases pending review and to roll back increases deemed immoderate. About 10,000 companies and unions are in this category.

For most of the nation, though, Phase II will mean not so much a control process as a frame of mind. Small businessmen, shopkeepers, and landlords will be able to make decisions on wages, prices, and rents without reporting to the Government at all. But they will be subject to "spot checks" by the Internal Revenue Service, which will investigate consumer complaints about price and rent increases."

AT THE PRESENT time local merchants are simply waiting for definite instructions. About all they know now is that there will be 360 IRS field offices to which you can direct your questions. In the larger fields a Productivity Commission and a Construction Industry Stabilization Committee are already in operation.

IF YOU have been wondering how contaminated food got on the shelves of the stores in other parts of the country a news story from New England might enlighten you. In the Boston area more than half the USDA meat and meat-products inspectors are under indictment charged with taking bribes of money, meat-liquor and other things of value. There are reports that similar investigations may be underway in California, Illinois, and New York.

BRIBE PAYMENTS in the Boston area ranged from weekly handouts of money to free car washes, gifts of meat in 100 pound lots and "overtime" accounts. There is one encouraging thing about the scandal. It is the United States Department of Agriculture that is doing the investigating of its own employees.

BETTY THOMPSON wrote a nostalgic story in the Amarillo News about "Saturday Night on the Square." It was a spectacle that departed from the county seat town ten or fifteen years ago. In its prime the show rivaled the annual barge of the evening prior to the Texas-Oklahoma football in intensity if not in numbers. It reached its peak somewhere in the late twenties or early thirties and began its noticeable decline after World War II.

IT IS HARD to believe now; but in the late twenties the square in Wellington was filled with people by 11 o'clock in the morning, generally 10 a.m., and it remained crowded until 10 or 11 at night if the weather was fair. There is no way of estimating how many times some of the girls walked around the square in a single day. Today we have crowds at football games, the fair, and school affairs; but there is nothing to faintly compare with the weekly gathering of old and young around the square in the days when this county had

Quail Opens Friday Against Mobeetie

Coach Bill Wilson will have 8 letter players among the 14 girls on his Bobwhite basketball team, he said this week. There will be only one regular starter from last year's Quails along with one or two others who have had considerable experience.

The Quails-Bobwhites play their first game away from home Friday, October 15, traveling to Mobeetie.

Quail is playing in District 3-B again this year, along with Samnorwood, Groom, Lefors, Miami, Mobeetie, Briscoe and Allison.

The first three and Quail will play in the south division and in district competition will meet any teams from the other division only in the district tournament.

"This year's Bobwhites are not much larger than last year's team, but they sure have a lot of hustle," Coach Wilson said.

The Quails only starter from last year is Jerry Barton, although Laron Peters has had quite a lot of experience and started on several occasions. Reggie Souder and Terry Canada also played quite a lot.

Quail, along with Samnorwood lost more experience by graduation last spring than other teams of the district.

Former Resident Dies Thursday

Mrs. Thelma Anderson Jackson of Spearman, sister of Mrs. S.B. Jackson, died Friday, October 8, after an illness of several months.

Mrs. Jackson, 70, had also lived in Collingsworth following her marriage to the late Albert L. Jackson. They moved to the Spearman area in 1926.

Funeral services were conducted at the Church of Christ in Spearman Sunday, with burial in Ochiltree Cemetery. Two sons and two daughters survive.

Attending the service from here were Mrs. S.B. Jackson, Mrs. J.A. Donley of Houston and Miss Edyth Jackson of Pampa who joined the family here; Mr. and Mrs. John Jacksberry, Mr. and Mrs. Boyd Derryberry and Sid Jackson.

14,000 people living in its boundaries.

THOSE WERE the days when a dollar did more for a person when he spent it mainly because he did more for the dollar when he made it.

"But I don't think we'll be too far behind when it comes to playing," the coach said.

Members of the Bobwhites team are: seniors: Karon Peters, Susan Langley and Mallie McCann; juniors: Sherri Canada, Sandra Sullivan and Janet Patterson; sophomore: Doris Peters and Sheri White; freshmen: Hope Souder, Debra Culpepper, Ola Mae McCann, Lanora Oatman, Judy Gosnell, and Jackie Darton.

Quails include: seniors: Laron Peters, Jerry Barton and Reggie Souder; juniors: Terry Canada, Jerry Alston, Joe Ross, Calvin Green and Gary Alston; sophomores: Larry McCann and Clifton Sullivan; freshmen: Joe Barton and Gary Brown.

four year terms were Marshall Peters, Mrs. Woodrow Wilson of Quail and Hiram Cudd.

Charles Darter, Wellington attorney, who explained the charter will meet with the board whenever it needs his services.

Trends in museums was discussed by Mrs. Jack Sanford, with emphasis on the Smithsonian Institute. It includes in its collections both the very old and the very new, it is not a matter of setting things on the shelf, but it is an alive and vibrant and everchanging exhibit, with emphasis on traveling exhibits available to other museums, she explained.

There are workshops, where crafts are seen, as they were practiced before the industrial revolution.

Continuing her discussion, Mrs. Sanford told of the new LBJ library in Austin. "And what a library it is," she continued. "It combines with the library, the museum type exhibits relating to the Johnsons."

"We in Wellington cannot have these, but we can have a good, alive, meaningful Collingsworth County Museum, with changing exhibits that will make you want to come back again and again."

During the remainder of the meeting, Mrs. Bob McAlister reported on the up-coming historical pageant, "Man and Land and Love," and a hospitality committee and ushers were discussed, with the members coming from all parts of the county.

Bob Price Man Here Oct. 19

Charles Lanehart, representative of Congressman Bob Price, will be at the county court house in Wellington from 9:00 a.m. to 5:00 p.m. Tuesday, October 19.

County residents are invited to contact him if they feel Mr. Price can assist them on matters affecting the federal government, the congressman said.

Mr. Price is also asking the people of his district to indicate to him what they consider the three most important problems facing the United States today: Vietnam War, inflation, foreign aid, busing, education, communism, high taxes, welfare or some other problem.

later this fall in Amarillo. Joel Ross of Quail, who attended the FB Youth Seminar, reviewed that event. Portions of his talk are on another page.

During the business session, Dee Coleman was re-elected unanimously as president for the coming year. Elected to serve with him were Ronnie Hartman, first vice president; Dennis Lacy, second vice president; and Ray Null, secretary.

Directors elected were: the north part of the county, Douglas Coleman, J.M. Morgan, Ike Paschall and Richard Bentley; west part: Ronnie O'Rear, Danny Davis, Benson Long, Travis McGuire and Raymond Ross; south part: Jerry Scott, Cliff Hartman, S.A. Mosenbocker, Frank Campbell and John Coffee; and east part: Buddy Yarbrough, Carthel Lewis, Albert Fulcher, Charlie Lee Watts and John Brim.

Seven resolutions were passed. They covered:

Efforts were continued to get First Street in Wellington paved to divert cotton traffic en route to the gin away from 15th Street and the schools, and the Highway Department was asked to stripe count FM roads.

Discontinuation of the property tax with all state revenue to come from a sales tax was endorsed. FB energies were directed to the effort to change the farm trailer light and brake law that goes into effect in 1972. It will be almost impossible to light a trailer according to the rules and keep it so wired, said the resolution.

Bussing of public school students to achieve racial balance was opposed, and support

Mr. and Mrs. John Killian of Pampa and two grandsons, Bruce Silcott of Pampa and Sam Jones of Amarillo, spent Saturday night with their daughter and family, Mr. and Mrs. Dee Burba and children. They had attended the Hedley Cotton Festival Saturday.

Mr. and Mrs. Ben Ray Ratliff and children of Lubbock, visited his parents, Mr. and Mrs. Ben Ratliff during the week end.

Mrs. Hurshel Mayhugh returned Sunday after spending two weeks in Odessa with her daughter and family, Mr. and Mrs. Raymond Minatrea. Mr. Mayhugh and Miss LaHondra Mayhugh went for her Friday.

Mr. and Mrs. Lyndon Crella, Belinda and Cathy of McLean, and Mr. and Mrs. Bill Lockhart, Tammy and Scotty of Memphis were Sunday guests of their parents Mr. and Mrs. Sandy Parsons. They all attended the motorcycle races in the afternoon.

Moseley Reports Local Weather

Bill Moseley has been named Wellington reporter for the United States Weather Bureau, it was announced through the Amarillo office late last week.

He succeeds Hurshel Pruitt, who resigned due to other duties.

The official Weather Bureau rain gauge and thermometer have been set up at Marian Airpark, and readings will be taken every day at 6:00 p.m., Mr. Moseley said. Reports will be made to the Amarillo office, and these in turn will be sent to the Lubbock and Washington offices to become part of Wellington's official weather record.

was given President Nixon's wage and price freeze as a step to control inflation. Enactment of national legislation to control a balance between production and wage differential to get to the root of inflation. This would also place labor under regulation of the Sherman anti-trust law as used in controlling industry.

In other business, members voted to adopt the Texas Farm Bureau accidental death insurance program and to increase dues to \$17.50 per year. This would also cover the cost of the insurance.

Dyess Attends Pastors' School

The Rev. R.T. Dyess, pastor of First United Methodist Church, attended a pastor's school in Roswell, N.M. Monday through Wednesday, October 4 to 6. Mrs. Dyess accompanied him.

Held at regular intervals, these courses are part of the continuing education program for pastors of the Northwest Texas and New Mexico Conferences of the United Methodist Church, Rev. Dyess explained.

He attended a seminar on "The Parish Pastor's Ministry to the Sick," conducted by Dr. Granger Westberg, professor of practical theology at the School of Religion, Wittenberg University, Springfield, Ohio.

Rev. Dyess also attended sessions relating to the Church in Contemporary Setting.

One of the keynote speakers was Dr. John Ward, professor of Boston University.

as well as a number of young adults from throughout the County.

The pageant will be in three acts, each with several scenes. The county's beginning will be carried out in the first act, but the second tells something of what followed: "Dropouts, Circa 1900 plus or minus."

There is no attempt to present county's history chronologically, but rather to pinpoint aspects of county life, and the third act is "Socials - His, Hers and Theirs."

The epilogue will contain a view of the present, Mrs. Sims said.

Final plans will be announced next week, she added.

Mrs. Sweat Has Eye Examination

Mrs. Rufus Sweat has returned from Houston, where she underwent a medical examination for an eye condition. She was accompanied by her daughter and son-in-law, Mr. and Mrs. James Coley.

Mrs. Sweat said the condition was described to her as a wrinkle which had come on the covering at the back of the left eyeball, impairing her forward vision. While nothing can be done to improve it, the

condition will not grow worse and the other eye will not be involved, her doctors told her. Mrs. Sweat teaches in Wellington Junior High.

Mrs. Dee Burba and boys, Richard and Robert, attended the golden wedding celebration of Mr. and Mrs. J.W. Criser in Pampa Sunday.

Mr. and Mrs. Buddy Ford of Borger and Mr. and Mrs. Warner Ford of Amarillo spent the week end with their parents Mr. and Mrs. Frank Ford.
