Ochiltree County's 1946 Red Cross Goal is \$2,690

Ochiltree County's 1946 Red Cross goal is \$2,690. The local chapter's minimum goal is \$1,190, or 44.2 percent of the quota to be raised. Representing the amount needed as the county's minimum goal is \$1,500, or 55.8 percent.

Otis E. Burk, chairman of the local membership and fund raising committee, stated that the Ochiltree County goal of \$2,690 will be raised, and county chapters, will be \$100-1,000. The local chapter's minimum goal of the national and international need is \$1,190, or 44.2 percent of the quota to be raised. Representing the amount needed as the county's minimum goal is \$1,500, or 55.8 percent.

Local Red Cross officials urge that donors start giving right now and not wait until the March 1 opening date. Although the shift over from war to peace entails a cut in the national budget, Mr. Sumpter pointed out, ample funds still must be available for Red Cross new programs in Veterans' hospitals as well as for the amplification of peacetime services of long standing.

"Too often," the chairman said in his announcement of the Fund Raising Campaign, "Americans are apt to forget that the Red Cross is an established peacetime agency as well as a wartime organization. Disaster relief and preparedness, for instance, is a Red Cross service dating back to the Michigan forest fires of 1871 when, for the first time in our nation's history, organized prompt relief was sent to disaster sufferers. Since that time, in war and peace, the Red Cross has

functioned in more than 3,000 disasters."

"The Red Cross is here to serve," Mr. Sumpter concluded. "We can do that if every resident of Ochiltree County realizes, when considering a donation, that this is our primary purpose, that the money is needed if the Red Cross continues to serve, and that the contributor's money will be back to him in the form of community service."

The entire north plains area received the first respite late Sunday afternoon and early Monday from a rapidly growing serious situation for grain growers in the way of moisture deficiency. In the Ochiltree County area rains totaling .86 of an inch fell during that period as part of an area wide storm which included sleet and snow in many parts. Local reports revealed that .82 of an inch fell at the E. N. Flatners ranch in the southeast part of the county with somewhat heavier rainfall received in the northeast and west part.

Several Month Drouth Broken By .86 Inch Precipitation in Two Day Storm; Revive Crops

The moisture came as a boon to wheat fields throughout the entire area to give an added stimulus to prospective yields for 1946 and brought the total received during the month to .90 of an inch. This compares with a total of .45 of an inch recorded for the corresponding month in 1945. This, however, was offset by an abnormally dry Fall and Winter season this year.

Area reports disclosed that the storm resulted in a wet strip spiraling out of northwest Oklahoma and extending southward through the Panhandle, taking in most of the eastern half but with a much lesser degree in some parts.

Rotary Club Speaker on The Orient

W. Leon Godshall will appear as the third lecturer in the Rotary Club of International Understanding. Mr. Godshall will speak in the school auditorium, Thursday, Feb. 22, 8:15 p. m. He will address the students of the Perryton schools in the afternoon. His subject in the evening will be "International Security in the Pacific."

W. Leon Godshall became interested in international affairs while an undergraduate student at the University of Pennsylvania and while serving in the United States Army during World War I. He was born in Langdale, Pennsylvania, and attended high school in Philadelphia. Immediately upon graduation from the University of Pennsylvania, he received an appointment to his faculty.

He continued his studies in international law and diplomacy in the graduate school of that institution which awarded him the degrees of master of arts and doctor of philosophy, made it possible for him to undertake research abroad by granting him two traveling scholarships to investigate Japanese activities and aspirations in Asia, and invited him to return there to teach in 1924, 1929 and 1931. In 1942 he served as Orientation Lecturer for the U. S. Army, in 70 different army posts, explaining why Japan attacked the United States.

SERVICEGRAMS

Spending a three day leave this week in the home of his mother and Private Roger C. Tandy and Mrs. Tandy, Rorer, who is the son of Mrs. Gola Tandy, will report back to Camp Chaffee, Ark., Thursday where he is stationed with the Armed Service Forces. He was inducted into service Oct. 8, 1945.

Pfc. Archie Correll was among service men discharged from the Army, Feb. 15, at McCloskey General Hospital at Temple. A member of the 91st Infantry Division as a wireman, he was wounded in Italy, April 17, 1944, and has been receiving medical treatment at the Temple hospital. He had just completed 25 months service and plans to reenter school under the G. I. Bill of Rights. Archie is the son of Mr. and Mrs. R. T. Correll.

Lester Barnes, S. I. C., returned to Galveston Friday where he will receive a discharge from the Naval forces. He has been enjoying a leave with his family the past few days and was taken to Galveston by his father, B. L. Barnes.

Capt. Tom L. Patton left Sunday for El Paso, Tex. where he reports for assignment after a 30 day furlough spent with his parents, Mr. and Mrs. G. L. Patton. Tom has been recently in the Pacific and was only recently returned to the states.

T. A. P. McCelvey returned to Camp Crowder, Mo. Tuesday after a two day pass from that camp. He brought Mrs. McCelvey and Betty Ann to Perryton from Springfield, Mo. where they had been living, and returned to await his discharge.

Ernest D. Barclay, S. I. C., recently discharged from the U. S. Navy, returned to Perryton with a large skyline scene of his last overseas station, Shanghai, China. Serving aboard the first ship to enter Shanghai harbor after the Japanese occupation, he spent several months in China waters. The picture may be seen in the show window of the Herald office.

Lt. and Mrs. Raymond Byers Jr. and daughter, Carol Rae, came in last Friday night.

Local Dentist Returns Monday From Navy Duty

Lt. Manse Wood returned to Perryton Monday from the West Coast after being placed on terminal leave from the Navy Department and will reopen his dental offices in approximately three weeks.

For many years a practicing dentist in Perryton, he is receiving a commission in the Navy medical corps. Following an indoctrination course he was assigned active sea duty and has spent the past seven months on a tour of duty with a Naval Supply Depot on Calicoa Island in the Philippines.

Dr. Wood stated that he expected to go to Sweetwater shortly to secure new dental equipment before reopening his offices in Perryton.

THE RIG—One truck carries the whole works. Sheep are let into runway at right, kept in separate pens until snaked through tent flaps into shearing compartments. Efficiency: wool comes in on hoof at one end, goes out in bag at the other.

Veteran Information Requested By School

All former graduates of the Perryton High School who served in the armed forces in World War II are asked to notify school officials if their name does not appear on the Bronze plaque located in the hall of the high school building. At the present time only 120 names have been secured and it is felt that there are many more eligible in the county unknown at present. The plaque was originally set up to contain the names of graduates of later years, but it is felt that the names of all veterans who attended the Perryton schools should be placed on the list if possible.

Hereford Sale At Pampa

The Top O' Texas Hereford Breeders Association will hold its second Annual Show and Sale at Pampa on February 25-26.

Sixty head of choice cattle have been consigned to this sale including 40 bull and 20 females. These cattle represent 33 of the leading Hereford herds in the Panhandle and Western Oklahoma area.

Hollis Gossett is among the Ochiltree county breeders assigning cattle to the show.

The Top O' Texas Live Stock Show featuring the 4-H Club and FFA exhibits will be held in conjunction with the Registered Hereford show and sale. Prizes will be furnished by the Pampa Chamber of Commerce, sponsors of the show.

Colonel Earl Garlin, nationally known Auctioneer, Greensburg, Indiana, will be auctioneer for the sale.

The Top O' Texas Live Stock Judging Contest between teams from the various Vocational Departments of this area will also be held in connection with the two-day event. J. P. Smith, Gray County Agricultural Agent, is general superintendent of this contest.

Judging teams will be entertained with a banquet in the Palm Room in the City Hall on the evening of the 25th as guest of the Agricultural committee of the Pampa Chamber of Commerce.

World War II Vets Invited To Games

All veterans, their wives, families, children, sisters or girl friends, are issued a special invitation to attend a game party Friday night, March 1, at the Legion Hall starting promptly at 8:00 p. m. The Auxiliary of the Pierce Johnson Post of the American Legion will be hostesses for the affair.

Progressive games of bridge, pitch, forty-two, rummy and other games will be played with prizes to be awarded winners. Refreshments will be served.

Auxiliary members of the post stated that no invitations would be mailed, but that all veterans and guests were issued invitations by virtue of this announcement. If attendance and interest at the first affair of this type to be staged indicate sufficient interest it will become a monthly occasion for getting together of veterans and their families.

Green Stamps To Be Given By Six Firms

Announcement is made this week by six Perryton business firms that beginning Friday morning, Feb. 22, S. and H. Green Stamps will be given on all cash purchases. Participating in the stamp issuance, redeemable in merchandise, are Castle's Dry Goods, Ellis', Burk Drug Co., Nall Oil Co., Perryton Cleaners and Ellis Grain Co.

S. and H. merchandise of national reputation will be given in exchange for every filled book of S. and H. Green Stamps. Extra savings are made available in the stamps given on the basis of one for each ten cent purchase; five for each 50 cent purchase and ten for each \$1.00 purchase.

All S. and H. stamps may be placed in the same book even though obtained at different stores.

Marriage isn't a word—it's a sentence.

Legion Commander Calls Special Meeting

All members of the Pierce Johnson Post No. 254 of the American Legion are asked to attend a special meeting to be held at the Legion Hall Fri. at 7:30 p. m. for the purpose of discussing a fund raising campaign for the construction of a new Legion home. A. N. Dowers, post commander, states that the presence of all members is required at this meeting as the building committee recently appointed is in action and constructive plans have been made. The City of Perryton has already given the land in the city park as a site for the proposed new home.

School Census To Begin Soon

All Ochiltree County residents having children now of school age or who will become of school age by September, 1946, are urged to make sure they are included in the scholastic census starting March 1. Supt. J. A. Anderson of the Perryton school said Monday.

Questionnaire cards will be given to those students presently enrolled, which should be filled out by parents and returned. Those not having children in school now will be contacted by F. B. Sumpter, enumerator for the census.

The authorized monetary allowance per capita for the operation of the school will be \$30 and it is therefore important that all students and prospective students be listed in the census. Mr. Anderson said.

Fire Call Today

The Perryton Fire Department was called out at 11:45 a. m. today to extinguish several bales of hay at the rear of the Spud Thomas home on Southwest First St. The hay became ignited from a burning trash barrel and was almost a complete loss.

The shortage of men has made a lot of girls good and lonely.

JUST HERE and THERE

Seems to us that the school men have slipped the veterans who do not and cannot plan on going to college a package in the matter of moving most of the available surplus defense and war housing to college to house veteran students.

We grant that this is a fine college, but why let the college going veteran grab all the housing. At the best, only a small percent of veterans will attend college, yet it appears that this minority has first call on housing. How about the thousands of veterans and their families that are homeless today, just because they are not attending college? Appears to us that this borders on something like class discrimination. The government is not much concerned about housing for veterans unless they are going to school.

There is a person. The school men are organized. They saw the opportunity to build up their enrollment (and their jobs) by providing housing for veterans. They went after and got the housing. They've done a swell job, insofar as their schools are concerned, but that still does not put roofs over the millions of veterans who are not attending college.

Mrs. Dorothy Ziegenhein and 10-year-old daughter, Martha, are new arrivals in Perryton, and like a lot of folks everywhere, are looking for a place to live. Mrs. Ziegenhein, publisher of the Ashland, Neb. Gazette for 14 years, has joined the Herald staff. She is experienced in all phases of the newspaper field.

The Perryton Roping Club, through the president, Alton Witt, is the first donor to the American Legion building fund. Alton handed us a check for \$100 just after last week's Herald announced the proposed new Legion home. The vets appreciate such support as this.

It's good to see Giltner LaMaster back and a member of the W. B. LaMaster Realty Co. with his father and brother. Giltner put in some pretty rugged service in the ETO and even though he won't put out a thing, we know he is entitled to wear the Soldier's Medal, Purple Heart and Bronze Star.

The Perryton American Legion Post has launched a campaign to raise \$50,000 for the building of a Legion home as a Memorial to World War II vets. To raise this amount, those that can afford will have to give in large amounts. All should give in some amount, for every single one of us, especially those of us who stayed at home and made a pile of money, are indebted to the men and women who gave so much, some of them, their all.

Money cannot buy Legion membership. There is only one qualification for membership in the American Legion and that is service in the armed forces during See No. 3, Page 6

Does Perryton Want And Need A PTA?

"Do you want a Parent Teachers organization in Perryton?" That is the question that is put to the people of this community by Mrs. P. E. Gidley, President Pro-tem, a past P. T. A. president and active worker for years in this worthy program. Mrs. Gidley says: "We have come to a great crisis as far as our youth are concerned. Do you have enough interest in the welfare of your child and your neighbor's child to do what you can to meet this crisis? A P. T. A. cannot be run by three or four mothers and the teachers. The teachers have been faithful but the parents have fallen down on the job. Show your interest by being on hand next Monday, Feb. 25, 7:30 p. m., in the school auditorium, to let us know your decision as to having a P. T. A. to help in this community. Will you cooperate and help us carry on or shall we drop it entirely? It's up to you, the present support makes it impossible to continue."

Steer Brings \$281.50 at Perryton Sale

Perryton is a real market, both for the buyer and seller. O. W. Cates of the Booker community can testify to this effect for he received \$218.50 for a whiteface roan steer at the Perryton Sales Co. last Friday. The animal weighed 1750 lbs. and was sold to Earl Blackmore, Canadian, for \$16.10 per 100 lbs.

W. C. Herndon sold 10 head of heifers, 760 lbs. average, to Earl Simmons, Liberal, Kansas, for \$14.50, bringing an average of \$110.20 per head.

Another good sale was made by John Bolin to Carl Freeman, Canadian. Bolin received \$1500.00 for 11 whiteface steers, average weight 415 lbs., average selling price \$62.25 per head.

Five pair of nylon hoes were sold by the Sophomore Class in the Perryton high school "Queen" contest. The hoes brought \$32.50. The Perryton Sales Co. is under the management of T. O. Pugh. Sales are held on Friday of each week.

Noted Pianist To Appear At School Auditorium Mar. 2

The recital of Leo Podolsky, pianist, on Saturday, Mar. 2, at the Perryton High School auditorium will be an event of extraordinary interest to local music lovers for he is an outstanding artist. The concert, to begin at 8:00 p. m., is being sponsored by the Perryton Sorosis Club.

Podolsky's artistry as an interpreter and his technical mastery have been hailed by critics of many American cities and have made him an audience success wherever he appears. He has been soloist with numerous important orchestras, including those of Chicago, Detroit and Los Angeles, and has given recitals in New York, Boston, Chicago and many other cultural centers.

Before coming to America, his adopted country, the pianist made a 10,000 mile tour of Russia and Siberia.

Hereford Men Will Organize

The Hereford breeders of the Perryton area will organize an association at a meeting to be held at the courthouse in Perryton on Tuesday, Mar. 12, 3 p. m. Breeders from counties adjoining Ochiltree are invited to attend and join the association.

Preliminary plans for organization were made at a meeting Saturday afternoon. C. A. Hoover and Lawrence Elzey were named as temporary chairman and secretary at this meeting. Permanent officers and directors will be elected on March 12.

Present at the Saturday meeting were: Hollis Gossett, C. A. Hoover, Harold Kershaw, Lawrence Elzey, C. J. Frantz, C. J. Frantz Jr., O. L. Doane, secretary-manager of the Perryton Chamber of Commerce, and County Farm Agent Hood Willis.

Nine Local Men Enlist In The Regular Army

Sgt. Richard Judd of the local Army Recruiting Station reported Wednesday that nine Ochiltree County men had been accepted for enlistment and service in the Regular Army.

Taking physicals at Amarillo last week and accepted were the following: Gene Nemser and Jack C. Morgan, three year enlistments with the Engineers, ETO assignment; James D. Ferguson, James V. Taylor, James C. Brumback and David H. Turner, 18 month enlistments, theater and branch of service immaterial.

Accepted Tuesday were Robert T. Carnes, L. D. Compton and Edwin B. Rogers.

The sub-recruiting station was opened here two weeks ago and is located in the grand jury room of the Ochiltree County courthouse. Business hours are 9:00 a. m. to 5:00 p. m.

New Paint Shop Added To Ford

Jack Woodward, manager of the Ford Motor Company, local agents at Ford-Mercury automobiles, announced Wednesday the opening of a fender and body works shop in connection with the garage.

New equipment has been installed in the rear of the premises to offer motorizing public the best workmanship and service possible in fender, body and fender work and complete motor repair facilities.

Estimates will be given free on paint jobs, Mr. Woodward said. The very best quality paints available on the market will be used and expert and competent workmen in guaranteed results.

Perryton Jaycees To Elect Permanent Officers

Pledged members of the Perryton Junior Chamber of Commerce are now in process of organization, will meet at the Hotel Perryton, Monday night, Feb. 25, to elect permanent officers. The group was organized last Friday night by a delegation from the Amarillo Junior Chamber.

In addition to election of officers the group will adopt a constitution and write by-laws.

The meeting Monday was originally scheduled for Friday, but was changed due to a conflicting meet planned by American Legion members.

At the first meeting Friday, Arlie Hudson, state director from Amarillo, appointed Alton Boxwell, to rillo, appointed Alton Boxwell, to act as temporary chairman until the group is complete. Van W. Stewart, Perryton Chamber president, delivered a brief address to the group expressing the whole

hearted support of the senior chamber.

Mr. Boxwell appointed three temporary committees necessary to lay the groundwork for the first organizational meet scheduled Monday. They were as follows: Jack Woodward, Drew Ellis and Bob Logan, nominating committee; Morris M. Payne, A. B. Hankins and Dean McCutcheon; by-laws committee; Walter LaMaster, Leroy

Legion Hews to the Line

There is only one issue at stake in the demands of the American Legion for a cleanup of the Veterans Administration. That is the welfare of war-disabled veterans. If they benefit because of The American Legion's fight, then that fight will not have been in vain. To that line The American Legion hews.

The American Legion charges there has been a "tragic breakdown" on the part of the Veterans Administration in coping with the multiplying needs of our returning fighting men and women.

It sets forth specifically:
That 458,000 disabled compensation claims remain to be adjudicated.

That 7,000 veterans who have applied for hospitalization remain on the waiting list.

That 102,830 applications for G. I. Bill education and training benefits await action.

That 20,411 pending claims for waivers of insurance premiums are unanswered.

That 18,847 deaths claims are undisposed of.

That 287,000 or more letters are unanswered.

These are startling figures. But more startling yet is the fact that no one—not even General Omar N. Bradley himself—has refuted them. The general retorts that he has made progress, but he does not to deny the facts as stated.

Babson Discusses Reserves

ROGER W. BABSON, Editor-in-Chief

Babson Park, Fla., Feb. 15.—Too many people are careless with their money today, both in connection with investing and spending. Some "wise boys" are even unnecessarily borrowing money with the idea of paying up their mortgages with "phony" money when, as and if inflation becomes rampant. Such policies are the biggest kind of gambling.

Advice to Small Businessmen
Big business, which has had experience in Germany, France and other countries that have really suffered from inflation, will not get caught. It has learned from sad experience the great need of large reserves during an inflation period. In fact, as inflation advances, every concern should more than proportionally increase its reserve.

This especially applies to small businessmen who have not extensive credit facilities. They now fail to realize that when inflation gets well under way it will be very difficult to get credit either from bank or from wholesalers. As prices will then be going up without notice, and goods will be worth more than money, wholesalers will give no credits. All goods must be bought on a strictly cash basis. This means that everyone will need more working capital than at present.

Advice to Wage Workers
Wage workers also need to lay up reserves during the next two or three years as well as do their employers. Systematically save a portion of your weekly wages. Some day you will be confronted with a lot of unemployment. Now is the time for you and your family to prepare for it and lay a reserve aside in bank accounts or Victory Bonds.

Don't be content to build up only money reserves. When unemployment starts in again the least efficient workers will be let go first. Those who show the most interest in, and knowledge of, their work will be kept and promoted. Ask your boss to recommend some trade paper to which you can subscribe or some correspondence course which will help you store up knowledge in your head as well as money in the bank.

What About Inventories?
The average retailer now is carrying only a portion of the items normally carried. Moreover, the supplies of these items are much less than normal. Putting these two factors together it will be seen that much more capital will be required to carry a normal inventory as inflation progresses.

Certain big corporations now have the reserves to weather the inflation storm; but this is not so with the small merchant or manufacturer. Many small stores will some day be crowded out. This will not be due to "bigness" but because the large concerns are now saving their profits and are paying small dividends while the little ones are pulling out all their profits for their families to spend foolishly.

What Are the Best Reserves?
There are many ways for small businessmen to store up reserves. What I have said above to wage workers applies also to shopkeepers and little manufacturers. Now is the time to spend money and hours on study to become more efficient in your own line. Of course, money in the bank is always a good reserve. Non-perishable and standard inventories are good reserves to have stored away.

During the troublesome years that business will some day en-

counter, other reserves than money or merchandise will be needed. Looking back over my 50 years in active business, I am greatly impressed with the relationship between physical reserves and business success. Unknown men who have the physical reserves to "take the gaff" rather than the "brilliant leaders" are the ones who survive panics and depressions.

Let's Not Forget Spiritual Reserves
I must say a word about all-important spiritual reserves. There is an old saying: "Troubles never come singly." When things are going well it is easy to forget God and the Church and Prayer. Then when troubles come we complain because we cannot quickly get that all-powerful help from Faith for which we are so hungry. To enjoy spiritual help in time of trouble, we must build it up in our daily lives when things are going well. Before going to bed every night read in your Bible how Jesus ended up His famous Sermon on the Mount as told in Matthew, Chapter 7, verses 24-29.

"THE HARVEY GIRLS"

MGM's musical romance in Technicolor

Epic of a famous Eating Place! Hearts, Heroism and Happiness in a Harvey House! When the Santa Fe, back in the last century, pushed its rails on out through the West, Fred Harvey followed with "civilized" eating places along the railroad. Waitresses were ladies. Food was good. Harvey Houses along the Santa Fe became a national institution.

Stir up the Harvey House Girls serving beefsteak and coffee in a wild and woolly frontier town, add a handsome Western hero and a crooked Western political boss, season with seven hit songs, including that toot-toot-tootiest hit, "On the Atchison, Topeka and The Santa Fe," produce it under famous MGM producers, wrap it all up in Technicolor and you have something!

You met her in St. Louis. She made your heart ticktock in "The Clock." Now she'll put your hair in curls in "The Harvey Girls." Who-o-o? Nobody but Judy Garland. Never such a song for Judy to sing as "On the Atchison, Topeka and The Santa Fe." Never such a part for Judy to play. She carries coffee—sings songs. She curbs crime. She rates romance—and she hog-ties her hero as the lights go up.

Winningest cast of the West:

Along with Judy you get He-Man JOHN HODIAK. PRESTON FOSTER as the vicious villain. Find-of-the-year ANGELA LANSBURY. RAY BOLGER with the frisky feet. Dead Pan VIRGINIA O'BRIEN. Those comical cutups, MARJORIE MAIN and CHILL WILLS. And KENNY BAKER, back in pictures, fresh from Broadway and radio successes. But that's not all. You get seven singable songs by JOHNNY MERCER and HARRY WARREN, including that Hit of Hits, "On the Atchison, Topeka and The Santa Fe." You get direction and production by MGM's famous George Sidney and Arthur Freed. And all in Technicolor.

Historically "The Harvey Girls" grew up with Santa Fe. Our railroad and their eating houses pushed through the Southwest and West when towns were scarce, times were tough, and a Colt's 45 was a man's standard equipment. Today, the 70-year-old Fred Harvey company—which has been under the management of the same Harvey family for three generations—operates Santa Fe dining cars and the Fred Harvey hotels and restaurants located along the railroad.

"The Harvey Girls" is a delightful and wholesome entertainment the entire family will enjoy. Watch your newspapers for announcement on when "The Harvey Girls" will be in town.

Coronation Ceremony for Girl's Auxiliary Staged Sunday Evening

A beautiful coronation service was staged Sunday evening at the Baptist church, which climaxed several weeks of devotion and study for the Girl's Auxiliary.

Baskets of lilies and pink carnations formed a lovely backdrop for the ceremony, while soft light lent an atmosphere of dignity and reverence. The star above the altar signified the five ideals of the G. A. A. in Him through prayer; in wisdom by Bible study; in service by good deeds; in stewardship by good work; and in the challenge of the great world.

Herman Morgan, young leader, assisted by Mrs. J. J. Morgan and Mrs. Mark Bur-

in the procession: they were Marion Day, Barbara Jines, Cleo Smith and Betty Jo Powers, Betty Sue Morgan, Ruth Wade, Betty Lawrence and Donita Gunter were princesses.

The four queens were each followed by a sunbeam crown bearer. Queens were Joan Gunter, Rose Daniel, Nina Raye Phagen and Carol Lawrence, followed by Jo Nita Watson, Bonnie Witt, Lunette Castle and Jo Vandenburg, respectively.

Mrs. Woodward is Club Hostess

Mrs. Jack Woodward was hostess to the Young Mother's Club of the Methodist Church last Friday afternoon.

Mrs. Lloyd Phillips led a quiz for mothers from Parents Magazine; Mrs. Wayne Lee gave "So he just won't eat"; Mrs. Rufus Bolerjack's topic was "Children must feel secure".

Present were Mesdames Lloyd Phillips, Roy Sanford, Ralph Headlee, Johnnie Luthi, Rufus Bolerjack, Floyd John Wayne Lee, Joe Scholtenbarger, a guest, and the hostess.

THE DEVERS FAMILY—Pictured above are Mr. and Mrs. A. E. Devers, who observed their golden wedding anniversary this week, and their ten children, all of whom were present for the day. Reading from left to right, they are—first row: Arnold E. Devers, Booker; Mr. and Mrs. A. E. Devers; Harry Devers, Dalhart; A. E. Devers, Jr., Booker—second row: Mrs. Pauline Webb, Pineville, Mo.; Virgil Devers, Booker; Mrs. Irene Waggoner, Ridgefield, Wash.; Mrs. Laura B. Griffin, Vancouver, Wash.—third row: John Devers, Darrington, Wash.; George Devers, Hayden, N. Mex.; and Clyde Devers, Huntoon.

Mr. and Mrs. Devers, County Pioneers, Observe Their Golden Wedding Anniversary Saturday, February 16

February 16 was the golden wedding anniversary of Mr. and Mrs. A. E. Devers, long time residents of the northeast part of Ochiltree County. Each of the ten children was present for the celebration Saturday which included a turkey dinner at noon and open house from three until five o'clock. This is the second time in 25 years that the entire family has been together.

Present for the family dinner were Mr. and Mrs. Clyde Devers and sons, Booker, Tex.; Mr. and Mrs. Harry Devers and children, Dalhart, Tex.; Mr. and Mrs. Geo. Devers, Hayden, N. M.; Mr. and Mrs. A. E. Devers, Jr. and son, Darrington, Wash.; Mrs. Ed Webb and children, Pineville, Mo.; Mrs. C. M. Waggoner, Ridgefield, Wash.; Mrs. Laura B. Griffin, Vancouver, Wash.; Mr. and Mrs. Arnold E. Devers, Booker, Tex.; Mr. and Mrs. Virgil Devers and children, Booker, Tex. and Lester Anderson, Booker.

There were 13 grandchildren present for the day. Five grandchildren and one great grandchild were unable to attend.

Many friends called to wish them many happy returns at their open house. They received many lovely gifts, among them a 50 piece set of silverware, the gift of their children.

Mr. and Mrs. A. E. Devers were married at Woodland, Wash., Feb. 16, 1896, and spent the first years of their married life on a river boat. It was there that their first child, Laura, was born.

Mrs. Devers was born at La Center, Wash. April 2, 1878, where she spent her girlhood and met her husband. After a few years of married life in Washington, the family moved to Missouri. This is where Mr. Devers was born December 15, 1871.

The Devers lived in Missouri until they moved to Ochiltree County in 1909, making the trip in a covered wagon from Cartersville, Mo. They have lived in the Huntoon community since that time, and have been useful citizens and good neighbors. Mr. Devers has served a number of terms as County Commissioner from his precinct, and has helped bring about much progress and many improvements in the county.

Book Review at Christian Church

The Women's Missionary Society of the Christian Church is sponsoring a book review and silver tea, Tuesday afternoon, February 26 at 2:30 p. m. in the church recreation rooms. A special invitation is extended to all women of the community and everyone is welcome.

Mrs. Ward H. N. Gregg will review "Missionary Doctor" by Mary Floyd Cushman, M. D. This is the story of a woman physician's twenty years work in Antola, Portuguese West Africa. This review will prove especially interesting to missionary groups studying Africa because the life and customs of the people are so forcefully and vividly described in the book.

County Council Hears Report on Expansion Plans

Mrs. O. C. Rogers stated that an effort will be made by members of the expansion-education committee of the Home Demonstration Clubs of Ochiltree County to visit non-club members in their communities and interest and enroll them in club work this year. The goal is set for 25 new members.

These plans were announced at the meeting of the County Council last Saturday afternoon in the lounge room. Eight members and one visitor were present; five clubs were represented.

Other plans of the expansion education group are to help all 4-H club girls and to aid in landscaping building fire places in the new recreation park.

The council recreation chairman, Mrs. Amos Morris, reported that three songs had been selected for the annual recreation night. They are "God Bless America", "The Eyes of Texas" and "Blest Be the Tie that Binds". Clubs are urged to practice these songs; the program will be an amateur radio show.

Green material for 4-H uniforms has been received and 15 girls are planning to make uniforms. Mrs. Verdie Wheeler reported for Mrs. Hollis Gossett, 4-H chairman, at the meeting and she also stated that this will be an interesting year in 4-H work. Mrs. Wheeler also told of the agents meeting she attended and promised to give further reports by using the material given there in her demonstrations. Present were Mesdames Kirt Williams, O. C. Rogers, J. S. Thrasher, A. L. Carter, Dan Manning, Amos Morris, Fred Huston, Al Aekley and Mrs. Wheeler.

Birthday Dinner

Mrs. Leon Morris of the Blue Mound community served birthday dinner for her husband Monday.

Plates were laid for Mr. and Mrs. Buell Morris and family, Mrs. John Morris, Mr. and Mrs. M. F. Hethcock and the hostess and honoree.

Results prove that people read Herald want ads.

Biographies of Two Women Are Reviewed at Club

The lives of two very unusual women, Mrs. Clinton P. Anderson and Maggie W. Berry were reviewed by Mrs. Leonard Wright and Mrs. Delbert Davis at the Ochiltree Home Demonstration Club meeting Friday, February 15. The club met in the home of Mrs. Powell.

Two visitors were present, Mrs. J. L. Bryan and Mrs. Roy Ratliff of Burnsworth. Mrs. Bryan had her name placed on the club roll.

Mrs. Robert Thurman gave helpful hints on how to save dishwashing by using pyrex for cooking and she used a nice collection of pyrex to illustrate her points.

Refreshments were served to Mesdames Carter, Thurman, Wright, Wooten, Davis, Williams, Bryan, Ratliff and the hostess.

The next meeting will be an all day meeting in the home of Mrs. Delbert Davis on Thursday, February 28 instead of the regular meeting day. There will be a pot luck supper with pitch games afterward at the Ochiltree schoolhouse, Friday, Feb. 22. Mrs. Warren and Mrs. Williams will be hostesses. Everyone is cordially invited to attend.

Carol Sparkman **Five Years Old**

Miss Carol Sparkman was five years old Sunday, February 17, and her mother, Mrs. B. B. Lee entertained for her on Valentine's Day.

After the play period and gift inspection, her guests sang "Happy Birthday" before she blew out the candles which topped the cake. Carol's grandmother, Mrs. P. P. Rogers, cut the cake, and others assisting with entertaining were Mrs. Leroy Hartman, Mrs. Wayne B. Lee, Mrs. W. F. Vandenberg and Mrs. W. J. Tuley.

Pink lemonade and heart-shaped red gum drop candies were served with the cake and favors were Valentine suckers.

Helping Carol celebrate were Dixie Shannon Conley, Glenda McGibbon, Sue Ann Brashears, Jane Putman, Jane Headlee, Russ Thomas, Paula Jo Vandenberg, Donna Jo Yates, Bonnie Humphrey, Kay and Bonnie Witt, Pamela Keyson, Dora Lee Gossett, Linda and Williams, Nancy and Shirley Simpson, Philip Rogers, Robby Logan, Judy Woodward, Lunette Castle, Don Neufeld, Mike Tuley and Donnie Lee.

Connie Kershaw **Named President** **of 4-H Girls Here**

There were 11 4-H girls who met in the office of Virde P. Wheeler, Home Demonstration Agent, Saturday, February 16. The following officers were elected: Connie Kershaw, president; Lilly Pashigoda, vice-president; Betty Jo Powers, secretary-treasurer; and Peggy Jo Horn, reporter.

Present for this meeting were Paye Lacey, Patay Ruth Cheek, Joyce Schtonover, Mary Anita Selby, Merle Hulsey, Beverly Hale, Lilly Pashigoda, Patay Carter, Peggy Jo Horn, Mrs. A. L. Carter, Council chairman, and Mrs. Wheeler.

The girls who were present along with Connie Kershaw and Betty Jo Powers purchased green material for uniforms and Mrs. Wheeler stated that she would help any 4-H girl to cut out her uniform, Saturday, February 23.

After the girls learn demonstrations, they will visit the women's council and present a program for them. The next regular meeting will be March 2 at Mrs. Wheeler's office.

Alkaline Soil **Needs Fertilizer**

Most of the members attending the Waka Home Demonstration club meeting Feb. 11 learned that their particular soil was alkaline and needed fertilizer when Mrs. Virde Wheeler performed an analysis of each sample brought. She recommended barnyard fertilizer and stated that much water is needed after the fertilizer is applied. Mrs. Dan Manning was hostess for the meeting in her home.

Mrs. O. C. Rogers was elected to attend the district meeting in Childress April 12.

Delicious refreshments were served to Mmes. Jim Davis, L. R. Conner, James Brillhart, Herman Wiebe, Carl Scroggs, Dan Teater, Marvin Groves, Allen Dennison, O. C. Rogers, Mart Wagner, P. W. Wernske, P. E. Rhine and H. N. Eledge.

The meeting March 6 in the home of Mrs. L. R. Conner will be one of the most interesting of the year. It will be based on the book, "A Guide to the Peace" by Sumner Wells. The Waka Club is taking up a study of the Netherlands, and each member is urged to bring an appropriate article connected with the Netherlands at the March 6 meeting.

Davis Implement **To Present Movie**

Delbert Davis, new Minneapolis-Moline dealer for this area, is issuing an invitation to the farmer-stockmen of this community to be his guests Friday, March 1 to see a free all color movie production of the Minneapolis-Moline Power Company. The show will start promptly on the premises at 215 Southeast First St. at 1:30 p. m. Free lunch will be served at noon.

Mr. Davis, who recently replaced Tom O'Dell as agency for Minneapolis-Moline, stated that the film "Made In America" is a timely picture and a colorful worthwhile attraction. It tells exactly what our boys were fighting for while thousands of miles away from home.

The Minneapolis-Moline dealer is to be congratulated for sponsoring this movie as it is believed to be

one of the outstanding movies filmed by any industry this year.

Red Cross Meets

Miss Roberta Lee Adams, general field representative of the Red Cross working out of St. Louis, was in Perryton Wednesday and met with several members of the local group for the annual campaign chapter. Plans were discussed by for the raising of funds. The drive will open locally March 1.

Legion Cites
36th Division

Texas' own immortal 36th Division whose veterans of World War I and II recently organized into the 36th Division Association at Brownwood has the blessing and the best wishes of the American Legion declared Commander A. N. Dowers of local post No. 254 this week.

Commander Dowers pointed out that the new 36th Division Association and the American Legion have very much in common. "Col. Miller Ainsworth of Luling, who was elected first president of the 36th Division Association, is a former department commander of The American Legion, serving as head of The American Legion in Texas in 1935."

Major General Claude V. Birkhead, who commanded the 36th at the outbreak of World War II was the first Texas Dept. Comdr. serving in 1919 Gen. Birkhead was one of the founders of The American Legion and attended the famous St. Louis caucus when the organization was launched after the original meeting in Paris.

Commander Dowers also cited that another past department commander prominent at the recent Brownwood convention was Mark

Accompanying Commander Nami to Brownwood as his guests were three World War II Veterans of the 36th Division and members of his home post, Alamo No. 2. These were Albert Brown, Harold Mueller and Johnny Mize.

Department Commander Nami stated after the Brownwood reunion of the 26th Division veterans "every Texan can look with justifiable pride

Strikes and Pay...
How It Works!

A group of workers earning \$1 an hour go on strike. Management offers them a raise to \$1.12 an hour. The workers refuse. After eight weeks, Government steps in and awards the strikers 18 cents an hour. Both sides accept. It will take three years before the six-cents spread, between the company's original offer and the government award, compensates the workers for the loss of eight weeks' pay. SUNDAY SCHOOL LESSON

Religious Teaching Is a Need in the American Home

The International Sunday School
Lesson for Feb. 24
Scripture: Deuteronomy 5-24,
especially 6:4-12

RECITATION of the verses
4-9 in the sixth chapter of
Deuteronomy, known from their
opening Hebrew word as the
"Shema," constituted a fixed part
of the worship in the Synagogue
from Sabbath to Sabbath, occu-
pied as important a place in the
Jewish service as the Lord's
Prayer occupies in church wor-
ship of today.

One can imagine the effect
upon the hearers of the stately
words: "Hear, O Israel, the
Lord, our God, is one Lord; and
thou shalt love the Lord thy God
with all thine heart, and with
all thy soul, and with all thy
might." But there was more
than this impressive exhortation
and statement of faith. Parents
were instructed to keep these
words in their heart, to teach
them diligently to their children,
and to talk of them in the home,
when walking, and "when thou
liest down and when thou risest
up."

The whole passage is striking
and presents, if one grasps it
well, a remarkable portrayal of
religion in the home. In this,
perhaps more than anything else,
is the secret of strength and sur-
vival of the Jewish people, de-
spite centuries of suffering and
persecution.

In many Christian homes,
family prayer and the reading
of the Scriptures was once the
established practice; but such
homes today are the exception,
and there is the even larger
number of homes where there
is no recognition of religion at
all.

One could view the future of
our country more hopefully if,
in every home throughout the
land, parents were diligently
teaching to their children the
great truths and principles of
religion, as devout Jews were
enjoined to do.

Christian Science

"Mind" is the subject of the Les-
son-Sermon which will be read in
all Churches of Christ, Scientist, on
Sunday, February 24.

The Golden Text is: "Teach ye,
O Lord, the way of thy statutes;
Give me understanding, and
I shall keep thy law" (Psalms 119:
33, 34).

Among the citations which com-
prise the Lesson-Sermon is the fol-
lowing from the Bible: "The coun-
sel of the Lord standeth for ever,
the thoughts of his heart to all
generations" (Psalms 33:11).

The Lesson-Sermon also includes
the following passage from the
Christian Science textbook, "Science
and Health with Key to the Scrip-
tures" by Mary Baker Eddy: "Mind
is the grand creator, and there can
be no power except that which is
derived from Mind" (page 143).

WE NEED YOUR HELP!

LET'S BUILD A SERVICEMEN'S
CENTER AS A MEMORIAL TO
WORLD WAR II VETS!

The machinery has been set in motion, committees are now being appointed, the
hour is close for starting a vigorous campaign for the raising of funds for the erection
of a living Memorial to the veterans of World War II.

The site has been obtained . . . a commanding location in the city park, donated
by the City of Perryton. This desirable site has been accepted and approved unani-
mously by the Perryton community. Our only obstacle now is the raising of funds for the
erection and completion of the home.

Practically every family in the Perryton area should have an interest in such a
Memorial . . . most every family has sons and daughters, brothers and sisters, husbands
and wives, fathers and mothers, nephews and nieces, grandchildren and in-laws, whose
names are inscribed on the honor roll of World War II. We feel certain that all will
want to honor the memory and service of their loved ones by donating liberally to pro-
vide a meeting place, a club room for recreation, a council chamber where plans can
be formulated for added service to community, state and nation.

The veterans of World War I have carried on activities in the old Ochiltree Coun-
ty courthouse, a building now entirely inadequate to serve the present service organ-
izations and their affiliated units. This Post now has a membership of 250 and it is
increasing daily.

Most cities of any size in the United States have beautiful homes for their service
organizations. Many others have definite arrangements made for the building of new
structures. There is no reason why Perryton cannot do as well as other towns.

The Legion has some funds in their treasury for building purposes. It is proposed
to sell the present home and apply it on a new home. We believe that \$50,000 will be
needed to build an adequate building and we believe that the good people of this
community will over-subscribe this amount in a very short time.

We do not expect the boys who have served and fought and suffered in World
War II to supply the money to build this Memorial building while we, who have stayed
at home and piled up the greatest wealth ever known in this country, sit on the side
lines and watch. It's up to us, the citizens of this community, to give the money to build
a home for the servicemen and their families . . . a home of which they will be proud
. . . a building that will be an asset to the entire Perryton area. When the solicitors
call on you, please be ready to give liberally and cheerfully for this so worthy cause.

C. B. Rogers, vice-president of the First National Bank, has been named as cus-
todian of the building funds. He will receive and account for every cent subscribed.
We, of the Legion, pledge that every dollar donated will be used for building only and
that if the Memorial is not constructed, then the donations will be returned to each
subscriber.

ELLIS THEATRE

A TENSE SCENE in the technicolor drama "The Harvey Girls" is shown above. The film coming to the Ellis Theatre Sunday and Monday, Feb. 24-25, brings a glorious musical to the screen set during the time of the building of a railroad empire. Seven new song hits add to the color and sweep of one of the greatest epics of the year. The film directed by George Sidney features such topline stars as Judy Garland, John Hodiak, Ray Bolger, Angela Lansbury, Preston Foster, Virginia O'Brien, Kenny Baker, Marjorie Main and many others.

**Musical Gangster
Film Shows Soon**

Universal's production of "Girl on the Spot," coming Tues. & Wed., Feb. 26-27 to the Ellis Theatre, features a group of especially selected Gilbert and Sullivan numbers, cleverly interpolated into the plot of the picture to lend emphasis and significance to the story.

Three of those numbers are featured as solos by Lois Collier. They are "I'm Called Little Buttercup," "Sorry Her Lot," and "Love Is a Plaintive Song." Other numbers sung by Miss Collier and the ensemble include "When the Poeman Bares His Steel" and "Poor Wandering One."

Selections featured by the ensemble are "Dance A Cachucha," "We Sail the Ocean Blue," "A Policeman's Lot," and "Pirate King Song."

The ensemble heard in these numbers is a new group, organized by Universal for this picture. Each one of the artists heard is a well known soloist, and though they have not appeared together previously, their voices are said to blend as if they had been singing with each other for years.

Jess Barker, Fuzzy Knight, George Dolenz, Ludwig Stossel and other cinema notables are in the film's cast. The director was William Beaudine.

TERMINAL LEAVE—Lt. (jg) Leroy LaMaster arrived Tuesday from Galveston where he was placed on terminal leave from the United States Navy Saturday. He has just returned from extended sea duty in the Pacific aboard the USS Chama (AKA 58). Entering service as an apprentice seaman, Nov. 6, 1942, Leroy was sent to Jacksonville, Fla., to a free gunnery school following boot training. Training here was halted by his receiving a commission as an ensign in 1943. Indoctrination course at the University of Arizona was followed by advanced schooling at Ft. Schuyler, N. Y. Sea assignment was with an amphibious unit. He is a son of Mr. and Mrs. W. B. LaMaster.

Mrs. Milton Jacobs and children are returning to their home in the home of Mrs. Jacobs mother, Mrs. J. B. Cartwright near Meade, Kan., and with other friends and relatives for the past six weeks. Mrs. Jacobs will be remembered as Miss Sybil Apple; her husband is being released from service early in March.

**"Maisie" Film Is
Coming to Ellis**

It's helicopters this time for Maisie in the film "Up Goes Maisie," showing at the Ellis Theatre Feb. 28—March 1. Ann Sothern renders the character of Maisie to perfection, and although there is villainy afoot throughout the proceedings, the film follows faithfully the series precedent in keeping humor to the fore. Opposite Miss Sothern this time is genial George Murphy, whose spontaneous way with a line of dialogue is a fit match for the fast talking heroine. It's a nice pair and a highly amusing picture.

George Haight produced the film and Harry Beaumont directed it from a script by Thelma Robinson, each turning in a trim job.

Appearing in the cast are Ann Sothern, George Murphy, Hillary Brooke, Ray Collins, Jeff York and a host of others.

Mr. and Mrs. J. L. Devers and sons left for Raymondville, Tex. Monday to visit Mrs. Devers father, Allen Kimmel. They plan to return Saturday.

**New 'Whistler' Brings
Strong Drama to Ellis**

Columbia Pictures' "Voice of the Whistler," fourth in this thrilling series of psychological mystery dramas first made famous by the radio, will show at the Ellis Theatre at 11:45 p. m. Sat., Feb. 23 preview.

Once again Richard Dix is the star. Lynn Merrick has the feminine lead opposite him. Other featured players include James Cardwell, Rhys Williams and Tom Kennedy. The story was written by Allan Rader, the screenplay by Wilfrid Petitt and William Castle. Castle also directed.

J. W. Bennett and Elmer Bennett were business visitors in Wichita, Kansas from Sunday to Tuesday.

Actors on Location

Watching coyote fights in the moonlight from the pine clad ridges of the San Jacinto mountains was the scene of "Guns and Guitars," Republic's release of the stirring western picture featuring Gene Autry, Smiley Burnette, and Dorothy Dix playing at the Ellis Theatre Sat., Feb. 23.

Blonde Dorothy Dix is the heroine of the picture, while six, six-foot cowboys, Tom London, Jack McGowan, Earl Hodgins, Jack Rockwell, Ken Cooper and Jack Kirk play important roles. More than three score cowboys and several hundred pioneer inhabitants of the Texas cowtowns make a colorful background.

Mr. and Mrs. P. F. Hethcock, leaving March 1 for Pampa, Tex., they will establish residence. Mr. and Mrs. Rod Symons have purchased the Hethcock property on First street.

Veterans Can Get High School Credits for Military Training

Servicemen who have not finished high school can earn up to eight credits for work done in military service, if they wish to receive a diploma. This announcement was made this week by Superintendent J. A. Anderson of the Perryton schools.

Gordon Worley, director of the division of supervision and curriculum, State Department of Education, notified Supt. Anderson that the Committee on Classification and Accreditation of Texas High Schools had set up and approved the plan for the awarding of high school credits to veterans for educational experiences in the armed services.

Credits for military service are as follows: one credit for basic training (army or navy) and one year of service; two credits for basic training and two years of service; three credits for basic and three years in service. Other credits are based on work in specialized service schools, correspondence, and tests on general educational development.

These credits may be added to high school credits already earned in school and count toward graduation.

Superintendent Anderson will be

Richard Cronister Dies in Amarillo

Richard M. Cronister, 75 years old, retired rancher of the Panhandle, died at 6 o'clock Monday morning, Feb. 11, in the home of his daughter and son-in-law, at Amarillo.

Mr. and Mrs. Cronister visited here on Wednesday, February 6, with Mr. Cronister's brother, George and family.

For the past four years, Mr. and Mrs. Cronister have made their home in Amarillo with their daughter while her husband was serving in the navy.

The Cronisters have their own place, a ranch on Wolf creek 30 miles northwest of here, where they settled a half century ago.

Mr. Cronister, before coming to the Panhandle, was a professional hunter of quail, turkey, and deer in the Indian territory. He sold the

DISCHARGE—Sgt. Thomas C. Morris has returned to Perryton following his release from the armed forces at Leavenworth, Kans., Feb. 5. With more than 40 months of service with the A. A. F. he has seen action in the Pacific Theater of operations and did a tour of duty on Saipan in the Marianas. He will resume farming operations with his parents, Mr. and Mrs. T. B. Morris of the Blue Mound community.

game he killed at the St. Louis market.

Mr. and Mrs. Cronister were married in Enid, Okla., and came to the Panhandle from that state. They moved to Kingfisher county in Oklahoma in the early days and homesteaded in the Cherokee Strip about 12 miles west of Enid on the present townsite of Lahoma.

Mr. Cronister was concessionaire when Lake Fryer opened, continuing until forced to give it up on account of his health.

Mr. Cronister was born June 27, 1871, in Madison County, Mo.

He was a member of the Four-Square church of Amarillo and of the Woodmen of the World.

Survivors, beside the widow and the daughter, are two sons, Paul C. of Amarillo, and D. A., a rancher of Perryton; a brother, George, of Canadian; and a sister, Mrs. Jane Brown, of Fresno, Calif.

Funeral services were held Feb. 13 in the chapel of the Boxwell Bros. funeral home in Amarillo, the minister of the Four-Square church officiating.

PMA Urges More Cattle Marketing

Overstocked ranges and short feed supplies are endangering the Texas livestock industry, B. P. Vance, state director of PMA's Field Service Branch, points out in urging that cattle marketing be speeded up.

"A slight change in the weather for the worse might result in tremendous losses of livestock," Vance declared. "It is highly important that the number of cattle both on the range and on feed be cut considerably in order to keep the cattle and feed supply in balance."

In addition, the PMA official said delayed marketing now might result in congestion and jamming of marketing facilities later on. In order to avoid such congestion, producers should contact their marketing agents before shipping cattle to make sure the market can handle them.

Demand for meat is high, Vance said, and it is important that livestock move to market in an orderly manner but fast enough to keep packing plants operating at capacity.

Services Are Held By Mennonites At New Location

R. L. Showalter, pastor of the Perryton Mennonite Church, announced Tuesday that the congregation had erected a small building, Christ premises located on East on the rear lot of the Church of Second, and were conducting services there until possession of the church building can be obtained.

The newly erected building will be used as a Sunday School building when the new Church of Christ building is complete on the west side, and occupancy is secured.

The Mennonites formerly worshipped in the Lone Tree school house and the new location is more centrally located for members and will afford greater opportunity for evangelization, he said.

Mr. Showalter wishes to extend an invitation to the public, and especially to those persons residing in the section near the church to worship with them.

Services are held as follows: Sunday School, 10:00 a. m.; Worship Service, 11:00 a. m.; Sunday evening service, 7:00 p. m.; Children's meeting, young people's meeting and preaching service; mid-week service, 7:30 p. m.

Former Resident J. J. Morrissey Dies in Missouri

Word was received here this week of the death of John J. Morrissey, 72-year-old pioneer Ochiltree County resident for 37 years. Mr. Morrissey died Feb. 6, at the family home near Saxton, Mo., following a stroke of apoplexy Dec. 22. Burial was made in the Mount Olivet cemetery following funeral services at St. Patrick's Catholic Church under the direction of Monsignor J. J. O'Neill.

Mr. Morrissey was born at St. Joseph, Mo., May 25, 1873, and lived near Saxton, Mo., until March of 1907 when he moved to Ochiltree County settling on a ranch in the

Notia community. He resided there until October, 1944, when he returned to Missouri to make his home with his brother at the family home. He had enjoyed good health until the time of the stroke. Survivors are two brothers and five sisters, all of whom reside in Missouri.

Fish will drown by suffocation, if there is no oxygen in the water.

Travel opportunities are offered by the Regular Army. Three-year enlistees may select their overseas theater of operation.

Home Freezing Outlook Viewed

In spite of the present great popular interest in frozen-food lockers and home freezers, the increased manufacture of these devices likely in the next few years, F. L. Thomsen, marketing and transportation research economist of the U. S. Department of Agriculture, believes that they will not become very important in over-all food marketing. Mrs. Virdie Wheeler, Ochiltree County Home Demonstration agent said Monday.

"Their acceptance has been hastened by war food shortages and the Victory movement," says Dr. Thomsen. "When supplies of all kinds of foods including frozen foods are plentiful on retail markets generally, many of the apparent advantages of lockers and home freezers for urban families will disappear."

"For many years the trend in this country has been distinctly away from home processing. Just as the old dressmaker's dummy has disappeared from most suburban areas, so has the homemaker's urge to bake bread, churn butter, can meat and store apples. Even on the farm this trend away from kitchen drudgery has been noticeable."

"Commercial processors can do the work more efficiently and cheaply than the locker plant, in most cases. Even when other marketing costs are added to that of the processor, the housewife receives low pay for this sort of work. The superior quality of home-prepared foods probably has been more of a consideration to many people than the small savings in money. As complete lines of frozen foods of excellent quality and lower prices come on retail markets generally, the locker plant will find increasing difficulty in competing with commercial processors and merchandisers."

"Home freezers will be used more by large families for storing frozen foods at 'the store' including ice cream which in the past was not kept on hand in the home."

LOOKING AHEAD at ELECTRICAL LIVING

You can shop while your dinner cooks itself... in your postwar Automatic Electric Range

Goodbye, Kitchen I'll see you at dinner time

Caught in the squirrel cage routine of preparing three meals a day? New happy hours of kitchen freedom are ahead when you get your postwar automatic electric range.

With an automatic electric range, you can prepare a full meal in advance, pop it into the oven before you leave for an afternoon of shopping or bridge, set the automatic controls, and come home to find the food perfectly cooked and ready for the table. The range will turn itself on, cook the food the required length of time and then turn itself off... all automatically.

And that's only one of many advantages of modern electric cooking. You'll enjoy its speed, coolness and spic-and-span cleanliness, too. It's an important step in your program of postwar better living electrically.

Electrical Living Is Better Living

...and today's low cost electricity makes it economical to make full use of time-saving, work-saving electric servants. It costs little to live better electrically!
