FLAMES AROUND OIL WELL

A close-up view of the inferno around the Christmas tree on an oil well in the basin of Lake Thomas yesterday is shown above. Soon after the picture was made, the engine and equipment at left were dragged away from the roaring flames. The fire burned about five hours.

Oil Well Fire In Lake Bottom Extinguished

After burning almost six hours, an oil well fire in the bed of almost-dry Lake Thomas was put out at about 8 o'clock last night.

The fire broke out at about 2 o'clock yesterday afternoon at Magnolia's No. 1-D Conrad, about two miles above the recently completed dam at the lake.

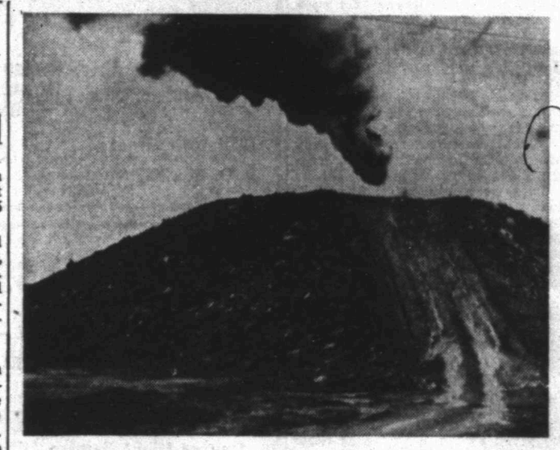

John Hissom, superintendent of Magnolia's production department here, said the fire broke out while workers were installing a pump on the producing well. The pump was to replace a Christmas tree unit previously used. Hissom said the flames apparently orginated from sparks off a welding torch being used in the installation of the pump.

The Snyder fire department, which was called in on the fire shortly after it broke out, sent two trucks to the blaze, which was burning off gas from the well. Various oil field firms, including Halliburton Oil Well Cementing Co. and Denson Trucking Co., aided in stopping the fire.

Lee Denson, 49, of the Denson firm suffered only bruises when the 100-barrel tank truck he was driving overturned while he was enroute to the fire. An employe of the firm said this morning that the truck had only a partial load of water and that the load apparently shifted while the truck was rolling on sloping ground.

Denson was taken to the Battenfield Hospital at about 7 o'clock last night in a Bell ambulance, and he was dismissed this morning.

Hissom said damage at the well could not yet be estimated, but he added that the damage was only to the surface equipment and not to the well itself.

Smoke from an oil well fire atop a 90-foot man-made mound in the lake basin is shown above drifting into the sky. Roadway up the mound was blocked at the top by intense heat from the fire. (Lloyd Weathers Photographs)

New Location For Borden's Fluvanna Field

Superior Oil Co. has set location in the Fluvanna field of Northeast Borden County for its No. 10-535 W. H. Jones.

It is 1,980 feet from south and east lines of section 535-97-H&TC, four miles northwest of Fluvanna.

It will start at once and will drill to 9,000 feet to test the Ellenburger or for production at a lesser depth.

MITCHELL STEPOUT

Richardson & Bass of Fort Worth and Midland have located a northeast stepout to the one well in the McCabe (Pennsylvanian Sand) field of Southeast Mitchell County.

It is the No. 1 J. H. Nail, 660 feet from north and 330 feet from west lines of the southwest quarter of section 7-12-H&TC, 20 miles southeast of Colorado City.

It will use rotary tools to drill to 7,000 feet or production in the Pennsylvanian at a lesser depth, beginning at once.

FAILURE APPARENT

Husky No. 1 Higginbotham, Southwest Borden County wildcat, probably will be plugged and abandoned after developing no shows in the Pennsylvanian.

It topped the reef at 8,140 feet. No elevation was available. On a drillstem test at 8,135-165 feet, with tool open 90 minutes, it recovered 950 feet muddy salt water with no shows oil or gas.

Initial flowing pressure was 45 pounds, and final pressure was 635. Shutin bottomhole pressure after 15 minutes was 3,440.

It is now circulating while waiting on orders.

It is 660 feet from south and east lines of the southeast half of section 1-32-t3n-T&P, 14 miles southwest of Gail and three miles northeast of the Vealmoor field.

HOWARD TEST

Laughlin Potter No. 1-10 Fisherman, wildcat in Northwest Howard County, recovered 285 feet gas cut mud and 7,000 feet salt water with no shows of oil on a drillstem test at 8,940-970 feet.

Length of test was not reported. It is now circulating while waiting on orders and likely will be plugged and abandoned.

It is 660 feet from north and west lines of the east quarter of section 10-33-t2n-T&P, 15 miles northwest of Big Spring.

Low Of 28 Degrees

The temperature hit a low of 28 degrees last night but had advanced to 32 degrees by 7:30 o'clock this morning, according to Mrs. D. P. Strayhorn, official weather observer. The high reading yesterday was 56 degrees, she said.

Final Day Of Arguments On School Segregation In South

WASHINGTON (AP) — Southern reaction to a possible Supreme Court order ending racial segregation in public schools has become a major point of dispute in Supreme Court arguments on the constitutionality of separate schools for white and Negro students.

The Supreme Court, due to wind up three days of arguments today, heard conflicting views yesterday in cases involving separate school systems in South Carolina and Virginia.

Still to be argued today were cases involving Delaware and the District of Columbia. The latter case was taken up late yesterday.

Arguments involving a Kansas case also have been completed.

The high court ruling, which may come next spring, will affect not only the five areas whose cases are being argued, but 17 states in all which require completely or partly separate school systems for white and Negro children, and four more where segregation is permitted.

J. Lindsay Almond, Virginia's attorney general, told the court yesterday he believed a decision outlawing separate schools for the two races would "destroy the public school system in Virginia as we know it today."

Earlier, John W. Davis, arguing for South Carolina's separate school system, said abolition of segregation in that state "is something that we cannot contemplate with entire equanimity."

Thurgood Marshall, special counsel for the National Association for the Advancement of Colored People (NAACP), said he did not believe the people of South Carolina are "lawless."

"I believe," the Negro attorney told the court, "the rank and file of the people in the South will observe whatever decision is handed down."

The white-haired, 70-year-old Davis, who was Democratic nominee for president in 1924, argued there is no reason for the court to overturn an 1896 decision which laid down the "separate but equal" doctrine.

T. Justin Moore, who argued for Virginia along with Almond, and other attorneys representing states involved in the litigation, also segregation in public schools. They which hold that dual school systems are constitutional if they are equal.

But Marshall and attorneys on the opposing side insisted with equal vigor that the Constitution does not permit states to impose segregaion in public schools. They rely chiefly on the equal protection clause of the 14th amendment, and contend there can be no equality as long as there is segregation.

Davis argued it was inconceivable that Congress, in submitting the 14th Amendment to the states for ratification, intended it to outlaw racial segregation in public schools.

Moore and Spottswood Robinson III, who opposed him, disagreed not only on the constitutional question of segregation, but on whether Virginia's school program will bring Negroes up to an even footing with Whites.

UN Acting On Jews, Arabs

UNITED NATIONS, N. Y (AP).—The U. N. votes today on its proposals for getting Arabs and Jews to settle their bitter quarrel over the Holy Land.

Winding up its debate on thorny Palestine—where Israel and her Arab neighbors still are technically in a state of war—the General Assembly's Special Political Committee was expected to reach a vote on three rival resolutions soon after today's session opened.

The resolutions were a Western-backed compromise move urging direct peace talks, an Arab-supported plan to enlarge the present U. N. Palestine Commission and seat it in Jerusalem, and an 11th-hour Syrian proposal to throw into the World Court the chief problem of resettling Arab refugees from homes in Jewish-held areas.

Most likely to win majority support was the eight-power compromise plan—backed by the U. S. and Britain and declared acceptable to Israel—urging the two sides to start direct negotiations for a peace settlement as quickly as possible. The Arab states, however, have blasted the proposal as vague and unworkable.

The Arabs favor a proposal, introduced by Pakistan, Indonesia, Iran and Afghanistan, calling for U. N. Palestine Mediation Commission to five members and location of its headquarters in Jerusalem. The commission now is made up of the U. S., Turkey and France.

Abilene Woman Gives Birth To Girl In Iron Lung There Yesterday

ABILENE, Dec. 11 (AP)—A 3½ pound girl was born yesterday to a mother who has been confined in an iron lung for two months.

The 26-year-old mother, Mrs. Ted Christy, continued to breath with mechanical aids during the five minutes the iron lung was opened to allow the birth.

She was stricken with bulbar polio early in October and now is paralyzed from the neck down.

Doctors described the birth as an easy one and said Mrs. Christy's condition was "satisfactory."

Truman Vents Ire Both On MacArthur And Ike

'Wealthy' Brothers Generous With Money While It Lasts

OKLAHOMA CITY (AP) — Everyone has a yen to live like a millionaire. And no one had the desire more than two young Oklahoma City brothers.

The boys, age 11 and 12, found temptation too much of a foe as they sat near a woman with a bulging purse Monday night at the Bethel Center. Later, when they looked inside the purse, they found what appeared to be a million dollars—or, even better, $160 cold cash.

The next day they skipped to school loaded. Police, recapping their adventure, said they threw handfuls of dollar bills in the air and watched their schoolmates scramble for the money.

One of them tipped a playmate $1.25 for a shoeshine. He also handed a lad a quarter to brush his coat.

As the day wore on, and spending money became dull, the 12-year-old found a way to liven things up. He gave a girl $2 for four kisses.

The brothers handed a schoolmate a $20 bill and ordered: "Here, son. Go get me some change." When the friend returned he was tipped $5 for his trouble.

Hot dog stands in the neighborhood suddenly found they were doing a banner business. At one point the boys got brave enough to ask their homeroom teacher if they could throw a big Christmas party. The suspicious teacher turned thumbs down on the proposal.

When the boys ran out of cash—they also ran out of friends. By that time police had been informed of the spending spree and collared them.

The father promised full restitution, but the police decided they would get back as much money as they could. Juvenile Officer G. E. Bailey reported so far they have collected $14.90.

One boy, he said, had only a nickel left—but he generously returned it. Several others also explained they had already spent their money.

In the meantime, the young millionaires found themselves penniless, friendless and facing the wrath of their angry father.

Acid Tongue Wags In Press Confab

WASHINGTON, Dec. 11 (AP) — President Truman today rejected suggestions that he hold a White House conference with Gens. Eisenhower and MacArthur—and he blasted both of them.

Truman called President - elect Eisenhower's campaign announcement that he would go to Korea a piece of demagoguery.

And he told his news conference that MacArthur should have reported to him after he returned from Japan following MacArthur's ouster last year. Truman said that is what any decent man would have done.

Truman spoke up in response to questions arising from MacArthur's speech to the National Association of Manufacturers in New York last Friday that "there is a clear and definite solution" to the Korean conflict.

Eisenhower said during his campaign that he would go to Korea in his effort to bring about a speedy and honorable end to the Korean War.

Earlier this week, Eisenhower messaged MacArthur that he would be happy to meet with him to discuss any plans the former Far Eastern commander might have for ending the Korean War.

Eisenhower sent his telegram to MacArthur from the cruiser on which he is returning from the Korean trip he undertook to carry out his campaign pledge.

Truman then challenged MacArthur to tell him any ideas he may have for ending the war. He said it was MacArthur's duty.

And some congressmen suggested Truman meet with both the President-elect and MacArthur to try to achieve a program for peace.

MacArthur did not say flatly that he knew a way to end the Korean War. What he said was: "I am confident there is a clear and definite solution to the Korean conflict."

Truman told his news conference today that he thinks the Joint Chiefs of Staff know what MacArthur's proposal is all about and that he thinks there is nothing new in it.

A Defense Department spokesman said Tuesday he was not aware that MacArthur had supplied any plan for peace to "his employers"—meaning his military superiors—through the Army secretary or chief of staff.

Truman came to his news conference today obviously ready to do battle with the two generals. To dramatize the conference, he permitted still photographers and television and newsreel cameramen to make pictures before the actual questioning started.

The TV films were made for later showing. There was no live telecast of the news conference.

Truman said he travelled more than 14,000 miles to see MacArthur at Wake Island and about all he got for that was a lot of misinformation.

Asked what this misinformation was, Truman said MacArthur told him at their historic meeting at Wake Island, Oct. 14, 1950:

1. The Chinese would not move into Korea.

2. It would be possible to send a division of the regular U. S. Army from Korea to Germany for occupation purposes to relieve another division by January, 1951.

3. That MacArthur was sure the war was over.

Truman fired MacArthur April 11, 1951.

MacArthur gave no details of any Korean peace plan in his New York speech Friday. He did say it would not lead to unduly heavy Allied casualties.

The news conference opened with a question asking the President's reaction to a suggestion by Sen. Watkins (R-Utah) that he invite Eisenhower and MacArthur to a conference on Korean strategy.

The President said he could not see that any good purpose would be served by such a conference, but he said either man would be welcome if he had something he wanted to discuss.

3 Accused Klansmen Released On Bond

MIAMI, Fla., Dec. 11 (AP)—A woman civic leader and three alleged members of the Ku Klux Klan were at liberty in $1,000 bonds each today following federal grand jury indictments charging them with lying.

Mrs. Helen Russell, vice president of the Edison Center Civic Assn., and these alleged klansmen were indicted:

William Glenn Orwick, former officer of the John B. Gordon Klavern in suburban Hialeah; Harvey George de Rosier of Hialeah, and Arthur Freeze Udgreen of Miami.

The indictments were submitted Tuesday by the grand jury investigating the dynamiting of the Carver Village Negro Housing Project, Roman Catholic churches and Jewish synagogues in greater Miami last year.

The indictments charged Mrs. Russell with perjuring herself in sworn testimony before the grand jury; Orwick on two counts and Udgreen on one count of making false statemets to FBI agents, and De Rosier on two counts of making false statements to the Post Office Department's Loyalty Board. De Rosier is a postal employe.

Mrs. Russell was accused of denying under oath that she met and consulted with a committee of klansmen to discuss "ways and means of preventing Negroes from moving into Carver Village."

The indictments described the Edison Center Civic Assn. as a "civic group...interested in preventing members of the Negro race from moving into a housing development located" in Edison Center.

Trio Jailed And Given Fines For Bringing In Wetbacks Along Border

LAREDO, Dec. 11 (AP)—Three persons were convicted and given fines and jail sentences here yesterday on charges of smuggling wetbacks—illegal aliens—into the U. S. from Mexico.

Daniel Nuncio Guzjardo, 32, a U. S. Citizen and resident of Joliet Ill., was sentenced to two years in prison and fined $400. He was arrested near San Antonio Nov. 18 with four wetbacks in his car.

Jose Raya, 30, a Mexican citizen living in Chicago, got a 90-day jail sentence. He was arrested near Laredo. Border patrolmen found an alien hidden in the trunk of his car.

Manuel Aguirre Rodriguez, 25, a Mexican citizen but a legal resident of the U. S. living in Gatesville, got 90 days in jail. He was arrested transporting one wetback in his car.

Brownell Plans Housecleaning

ABOARD USS HELENA, En Route to Hawaii (AP) — An authoritative source disclosed today that Atty. Gen - designate Herbert Brownell has completed plans for a giant housecleaning in the Department of Justice.

Brownell, the informant said, plans to fire anyone whose name has been even remotely linked with government scandal.

Brownell's first move after taking office Jan. 20, the source said, will be to sweep out of office virtually all those in the policy-making level of the department. The cleanout also will affect attorneys in the Washington offices, and U. S. district attorneys and U. S. marshals.

"If he finds a good career man who has been doing a good job, Brownell will keep him whether he's a Democrat or a Republican," the informant added.

Brownell was one of President-elect Dwight Eisenhower's top political advisers in the presidential campaign.

It is understood he will give top priority to investigating cases dealing with communism and subversion.

Next on the list will be a wholesale review of tax fraud cases in which no action has been taken.

He also will dig into pending antitrust cases.

Brownell has told friends he intends to prosecute wherever there is any evidence of fraud.

He is said to feel that the office of attorney general has been permitted to sink in presitge and he intends to restore it to a new and higher level.

Chinese Get Through And Capture Hill

SEOUL, Dec. 11 (AP) — Chinese Communists stabbed through withering Allied artillery fire today to hurl South Korean defenders from Little Nori Hill on the Western Front for the second time in 17 hours.

Frontline officers said the Reds hurled 3,000 men into the attacks—their biggest in a month.

South Korean troops withdrew at dusk in the face of a two-company (300 to 350 men) Communist attack. The Chinese advanced through a thundering 1,000-round artillery barrage from their own guns.

Associated Press Correspondent Milo Farneti reported from the front that Communist big guns were stepping up the savage bombardment that began just before the Reds opened the see-saw battle shortly after midnight.

An estimated 10,000 rounds of artillery and mortar fire fell on Allied positions.

Farneti said the Reds suffered an estimated 270 casualties — 152 killed and at least 118 wounded.

The Chinese had captured Little Nori earlier, but the South Koreans stormed back up the slope in fierce counterattacks despite a barrage of 2,000 red shells.

Some 200 Allied warplanes hurled heavy blows at Red positions on the Western Front.

For the first time in five days, no Russian-built MIG jet planes came out to fight.

Reports from the front said the Communists wrested the south slope of nearby Big Nori Hill from the South Koreans, who were making no effort to regain that ground. The Reds already held the north slope.

An estimated 8,000 rounds of Communist artillery and mortar fire pounded the South Koreans since the Red attacks jumped off. Front-line reports said Allied and Chinese big guns were engaged in a thunderous duel Thursday afternoon.

Both Big and Little Nori are located along the Imjin River in the freezing Kelly Hill area, where gnarled knobs rise irregularly to form stepping stones in the bloody Battle of the Hills.

The Chinese Reds hurled three main assaults in the area early Thursday, with the Nori heights the principal targets.

11 SHOPPING DAYS TO CHRISTMAS

Another Wage Board Is Being Formed, President Says Today

WASHINGTON, Dec. 11 (AP)—President Truman said today he expects to replace the resigned industry members of the Wage Stabilization Board (WSB) before the end of the week.

All seven members representing industry quit last week in protest against the President's action in overruling the board in the coal mine wage case.

Truman told a news conference that economic controls should be extended beyond April 30.

He said he not only expected to announce industry members for the wage board, but that he expected to have a replacement for Roger Putnam when Putnam steps out as economic stabilization administrator. He verified reports that former Price Administrator Michael V. DiSalle was under consideration for Putnam's post.

Truman's announced intention to get the wage control program functioning again has run into opposition from elements of organized labor, as well as business organizations.

The U. S. Chamber of Commerce has openly urged all businessmen to refuse posts on the WSB and both the Chamber and National Association of Manufacturers demanded that Truman kill off both wage and price controls.

Other government curbs, meanwhile, were being relaxed.

R. A. McDonald, chief of the National Production Authority, last night ordered curbs on use of scarce metals for construction eased considerably beginning Jan. 1 because of an improving supply.

He also ruled the automobile industry may plan 1½ million units in the April-May-June period next year, compared with 1¼ million allotted for the January-March quarter.

Walter Ruether, new president of the CIO, arrived in town to try to put over the CIO's new anti-wage control policy. The nation's other big organized labor group, the AFL, so far is saying controls should be continued.

Truman, faced with this growing clamor for an end to economic curbs, has been insisting he should turn over a functioning stabilization program to President-elect Eisenhower next month.

There was no indication that Truman's attitude has changed. He and his economic stabilization chief, Roger L. Putnam, have been trying to round up enough businessmen to serve in the vacated industry posts on the WSB.

The wage board has been stymied in its work, with more than 12,000 applications pending for approval of wage increases, since Chairman Archibald Cox and industry members resigned last week in protest over Truman's handling of a coal pay increase. The WSB had ruled part of the increase was inflationary, but Truman okayed the full amount.

The NAM's call for ending all controls was issued late yesterday by its new president, Charles R. Sligh Jr., who said:

"The resignations of the chairman and industry members of the (wage) board underscore the futility of any further continuation of the whole wage-price stabilization fiasco."

In giving the auto industry a greater quota for the second quarter of next year, McDonald expressed doubt that producers would get enough metal to build 1½ million cars. But NPA allowed them to do so if they can find the metal.

Beginning Jan. 1 construction of such recreational and amusement projects as bowling alleys, baseball parks, night clubs and theaters may go ahead on a restricted basis without government approval. For more than two years such construction has been banned unless the government gave a specific okay.

Wage Increases In Southwest Tied Up By Members Quitting

DALLAS, Dec. 11 (AP)—Some 100,000 workers in the southwest can forget—for the time being—any hope of wage increases.

The eight industry members of the regional Wage Stabilization Board here resigned yesterday halting action on applications affecting about 25,000 workers over the Southwest.

Regional WSB Chairman Byron R. Abernathy said applications now being processed and not yet ready for WSB action would affect "several times the 25,000 workers."

The industry members of region 10—covering Texas, Oklahoma, Arkansas and Louisiana—quit yesterday in protest over recent soft coal wage boosts granted by President Truman.

The statement of resignation said the industry members believed "no self-respecting, qualified individual can truly represent industry under the prospect of a 'captive' program."

The action followed a pattern set by the resignation of industry members of the national WSB and of industry members of several other regional boards.

Those quitting here yesterday included Sam B. Dunbar, head of the industry section; Victor F. Frima, Curtis G. Condra, E. J. O'Connor, Frank Cantrell, Inge Graves, Erben Mabon, and Clem White.

"What happens next," Abernathy said last night, "rests with the National WSB and Economic Stabilization Administration in Washington."

Abernathy said route matters—merit, length of service and cost-of-living pay raises—which do not require the regional board's approval would continue to be handled without interruption.

Labor members of the board were not happy about the developments. They said they were surprised "and disappointed in the failure of the industry members to recognize the obligations they owe the public."

In their registration letter to Charles C. Killingsworth, national chairman of the board, the industry members said they reached their decision to resign after two days of almost continuous meetings.

The letter said President Truman's reversal of the national WSB in the soft coal case "proposed to establish a brand new summit above the previously pierced ceiling of stabilization set by the national board in the airframe, aluminum, automobile, copper, petroleum, rubber, shipbuilding and steel cases."

12 On UN Payroll After Being Termed Bad Security Risks

NEW YORK (AP)—A State Department official says 12 out of 40 American termed bad security risks by the department still are holding down their jobs in the United Nations.

The official, John D. Hickerson, assistant secretary of state for U. N. affairs, testified yesterday before the U. S. Senate internal security subcommittee probing allegedly subversive Americans working for the world organization.

Two more out of the 40—making a total of 14—were blackballed by the department "on a basis of morals," Hickerson said.

Hickerson's oral and written testimony—from notes inserted into the record—was heard by Sens. Herbert O'Conor (D-Md) and Homer Ferguson (R-Mich).

Of the 28 American U. N. employes dropped after his department questioned their loyalty, Hickerson said, 14 were fired before Oct. 1, and 14 more since then—as a result of the State Department reports or Senate and grand jury probes. Up to now, the U. N. has admitted firing 18 Americans on loyalty grounds.

Hickerson declined to name any of the 40 cases publicly, saying that the matter was "confidential" between the State Department and the U. N. The State Department is not responsible for U. N. personnel, he said, beyond checking their loyalty, and the actual firing was solely up to the U. N.

Hickerson also told the subcommittee members:

"The State Department has not had evidence justifying the conclusion that espionage activities are being conducted by Americans employed in the U. N."

He added that he believed the Secretariat would be "one of the last places" where Soviet agents would be placed since that agency dealt in "generally public and unclassified data."

To this, Ferguson replied, "There's more to it than getting information — there's acting as a Soviet agent."

Asked if other nations brought pressure on the U. N. in behalf of Americans listed as bad risks by the State Department, Hickerson said: "As far as I know, that is not the case."

Attempts to "follow up" adverse criticism by his department, Hickerson said, might be construed as "instructions" to U. N. officials and would be a violation of a section of the U. N. Charter.

Concerning this, Ferguson commented:

"I think we shall have to cure this by legislation."

Hickerson testified there was an average three-month lag between the period an American was reported a risk and the time he was discharged by the U. N. The lag sometimes stretched to 18 months, he added.

Secretary General Trygve Lie was not available for comment on Hickerson's testimony. But a U. N. spokesman said last night:

"Action has been taken on all cases involving United States nationals where information has been given by the U. S. government sufficient to enable the secretary general to reach a decision.

"It is impossible to comment further until the full record has been received and read."

Another witness at the public hearing was Adrian S. Fisher, legal adviser to the State Department.

Fisher denied a charge made last week by a federal juryman that the State Department tried to get the jury's report pigeonholed or delayed. Fisher said he sat in on a conference with Secretary of State Acheson and Atty. Gen. McGranery, and that neither objected to the grand jury's proceeding with its report.

The 1953 Ford Crestline Sunliner, above, is available in 12 colors ranging from coral flame red to raven black. The new Fords are available in 11 body styles in the Mainline, Customline, and Crestline.

Ford Displays Newest Model

The 1953 Ford will go on display here Friday at Wade Pipkin Motor Co. and it will mark the fiftieth anniversary of the Ford Motor Co.

A new grille with a center spinner and an improvement in suspension called "miracle ride" head the list of features on the new Ford.

The Ford offers both V-8 and six cylinder engines with three transmissions the conventional overdrive and Fordomatic.

They are available in the Mainline two-door and four-door sedans business coupe and two - door ranchwagon; Customline two-door and four-door club coupe and four-door country sedan; and Crestline Victoria Sunliner convertible and Country Squire station wagon.

The V-8 engine is 110 horsepower, has a piston displacement of 239.3 cubic inches and it has a compression ratio of 7.2 to 1.

The six cylinder has a maximmum horsepower of 101, piston displacement of 215.3 cubic inches and compression ratio of 7 to 1.

HOSPITAL NOTES

The following admissions and dismissals at Battenfield Hospital are those whose names were released by the hospital.

Patients admitted: Mrs. C. M. Whitlow, 1904 Nineteenth Street, medical.

Patients dismissed: Johnny Nokes, Snyder, medical; Lee Denson, Snyder, medical; Johnnie D. Shoemaker, Stanton, medical; Debra Jo Trammell, daughter of Mr. and Mrs. Paul Trammell of Snyder, medical; William David Bentley, son of Mr. and Mrs. William T. Bentley of 1801 Nineteenth Street, surgical; Atto Bruns, Snyder, medical; Lynda Jean Redden, daughter of Mr. and Mrs. Herschel T. Redden of 2700 Avenue G, medical.

Two Accused Of Car Theft

Felony charges alleging "theft by bailee" were filed yesterday against two men accused of stealing an automobile they are alleged to have borrowed from a Scurry County man. Their names are withheld pending their arrest.

Word has been received by the sheriff's department that two other men, charged Friday with theft on Nov. 28 of an automobile here, have been arrested in Missouri. They were arrested in Lebanon, Mo., and are being held in Springfield whei they may be charged with violation of the Dyer Act, the department said.

The pair is accused of stealing a 1950 Oldsmobile coach belonging to Bill Grimmett, 1301 Avenue R.

The first guns were made in the first quarter of the 14th Century.

Meeting Tonight To Set Plans For Public Library In County

Mrs. Lucille B. Wilson, extension director of the Texas State Library, and her assistant, Mrs. Bess Ann Motley, are to arrive in Snyder sometime today for a two-day visit and the public meeting tonight on the county library project.

Mrs. Wilson is to speak at the meeting at 7.30 tonight at the North Elementary School. She will also advise concerning the movement to establish a public library for the county.

Mrs. Wilson and Mrs. Mptley plan to tour the county tomorrow in view of interest among the various communities and to study library needs here.

Several persons in each community and a large number in Snyder have shown interest in the project.

Walker T. Dabbs, superintendent of Humble Oil & Refining Co. here said: "I think we definitely need a library and see no reason we cannot have one. I would like to see the kind of library the county deserves established. I feel we are entitled to one and believe with everyone working on the project, we will get one."

Dr. Cecil L. Yarbrough, superintendent of schools, said: "We welcome the interest which has been shown by the community in the development of the county library, both from the standpoint of offering leisure reading opportunities and from the standpoint of offering assistance to persons with specialized interests. I believe the faculaty and student body would profit as it would supplement the school program nicely."

Ralph Geisenhoner, vice president of Snyder National Bank, said: "Scurry County has no greater need than a library. Counties with much smaller tax valuations have libraries, and we, too, should have this advantage."

Mrs. W. J. Ely of the library project committee is contacting women's clubs, and Mrs. Charlie Gregory is contacting men's civic clubs for donations of as much as $5 to start a fund for preliminary expenses in the movement to start the library.

At the meeting tonight, the group will plan the circulation of petitions necessary for the establishment of the library. The public is urged to attend the meeting, Mrs. Gregory said.

Billy Don Burk To Be Taken Into Fraternity

Billy Don Burk, 22-year-old Snyder man, will be initiated into Theta Kappa Psi, medical fraternity at Southwestern Medical School of the University of Texas, Dec. 18.

The son of Mr. and Mrs. C. R. Burk, 1212 Twenty - sixth Street, he is preparing to be a medical missionary.

Burk, a 1947 graduate of Snyder High School, was a pre-medical graduate of McMurry College, Abilene in 1950.

Two Magazine Peddlers Are Arrested Here

Two magazine peddlers were arrested by police here yesterday on charges of violation of the city's anti-soliciting ordinance, Walter Suttle, chief of police, said.

Vernon M. Hiter, 22, of Charlotte, Tex., and George Stonecipher, 18, of Syracuse, N.Y., were arrested at 411 Avenue R. Each man posted $25 bond in corporation court, and was released, Suttle said.

Suttle said the men were members of a group of magazine salesmen who were operating in this area yesterday.

"When the two men were arrested, all members of the police department were alerted to watch for other members of the group, but evidently the other peddlers did not attempt to sell magazines in residential areas," Suttle stated.

The city ordinance was passed last year to replace a similar one which had been ineffective because it permitted soliciting after a license had been granted. The new one strictly prohibits peddling, soliciting, hawking, and other door-to-door selling in the residential areas of Snyder, except for farm products produced in this area.

Since the new ordinance was passed citizens of Snyder have given excellent co-operation in calling the police departmet when the ordinance was being violated. A number of such arrests have been made, Suttle said.

A. M. McPherson, corporation court judge, said Hiter and Stonecipher did not appear in court at 10 o'clock, time for their trials, this morning and that their bonds were ordered forfeited.

Suttle said that the new ordinance has effectively stopped most forms of soliciting here, but that it does not cover telephone soliciting where a call is made and the salesman is invited to the residence. Some of that type soliciting is still done occasionally, he added.

Mrs. V. Anne Eicke and son, A. G. Aben, route No. 2, have returned from Odessa where they visited Mrs. Hugh Cochran. They also visited friends in Hobbs, N. M.

Austin Affirms Conviction Of Liquor Dealer

A county court conviction of Will Clay, Snyder Negro, on a bootlegging charge early this year has been upheld by the court of criminal appeals in Austin, the high court announced yesterday.

The conviction upheld by the appellate court was a verdict of guilty by a jury that assessed Clay a fine of $1,500 plus court cost of $28.50 when he was tried Feb. 19 on a charge of possession of liquor for purpose of illegal sale.

The charge by Keith L. Merrick, county attorney, asked for enhanced punishment on grounds the defendant had previously been convicted of bootlegging at least twice. The jury was permitted to assess punishment up to four times as great as the maximum allowed for a first offense. A first offense maximum is $1,000 and a year in jail or both. The charge on which he was convicted was filed Feb. 7.

Since that time, Clay has been charged with bootlegging only once. The 47-year-old operator of Clay Bros. Hotel in the Negro section of Snyder was charged with unlawful possession of liquor on March 24 of this year. He pleaded guilty to this charge April 26 and paid a fine of $523.50, including court cost. These two counts were the only charges filed against him this year.

The sentence cannot be enforced until the appellate court's mandate on the conviction is received here, which usually requires about two weeks from the time of the high court's decision.

Snyder Man Advanced Aboard Los Angeles

Don R. Everett son of Mr. and Mrs. Dewey Everett of Arah Route has been promoted to radio man third class, while serving aboard the heavy cruiser USS Los Angeles.

The Los Angeles operating with the United Nations fleet in Korean waters has been in the Far East since October.

Everett a 1948 graduate of Snyder High School attended Texas Tech in Lubbock before his enlistment in the Navy last January.

Mr. and Mrs. Thomas Rodman of 2712 Avenue S are parents of a baby girl weighing six pounds and thirteen ounces born yesterday morning at 8:50 o'clock in Battenfield Hospital.

Farm Bureau Charting Course It's To Take During Next Year

SEATTLE (AP) — Delegates to the American Farm Bureau Federation Convention get down today to the No. 1 business of their 34th annual session—charting the organization's policy course for 1953.

Members of the Resolutions Committee reported their recommendations to the voting delegates will emphasize more strongly than ever before the advisability of a national policy of expanding world trade.

A brief in the necessity of foreign trade as a two-way street, by which farm products can be moved to foreign markets, has been emphasized repeatedly since the convention opened Monday. It has been expounded by economists on the convention rostrum and by the federation president, Allan B. Kline.

Other points listed for emphasis by the Resolutions Committee include a need for decentralization of government, research in agriculture and control of inflation.

A committee member said the resolutions prepared for action at the final afternoon session follow generally the principles set forth in previous annual platforms; "the change is on emphasis."

The federation, the nation's largest farm organization with nearly 1½ million families, is generally recognized as a conservative farmers' group.

The normally controversial resolution on price support levels for farm products is de-emphasized this year, committee members indicated, by the premise that leaders of both major political parties are committed to a "hands-off" approach to the existing law, which runs through the 1954 crop year.

Research, to be emphasized by resolution, was described to the convention yesterday by Sen. Clinton P. Anderson of New Mexico, former secretary of agriculture in the Truman administration, as the reliable key to the agricultural future.

He discounted price support programs as a long-range solution. He cited a campaign statement by President-elect Eisenhower in support of developing "an agricultural research and extension program to meet present and future needs," and asserted:

"It should be a matter of great comfort to us to note what the winning candidate said on the subject."

Fair Weather For GOP Inaugration Predicted

AUSTIN, Dec. 10 (AP)—November's drought-dinting rainfall still left Texas' reservoirs averaging only about half full, the State Board of Water Engineers has reported.

Although the rainfall was about 150 per cent of normal, it was slow and soaking without excessive run-off. It added only about 10 per cent to waters in storage.

Xmas Fund Is Slow; Children Are Helping

The Kiwanis Club Christmas fund for underprivileged children failed to reach the $1,000 mark today.

Kiwanians reported this morning that no new donations have been turned in, and the total still stands at $966.88.

Last year, Kiwanians used a total of $1,600 to distribute baskets of groceries, toys, fruit, and candy to needy children and their families, and in 1950 they used $1,200. Distribution this year will begin about Dec. 23.

Only three civic groups, the Junior Chamber of Commerce, American Legion, and the Legion auxiliary, have given club donations to the fund.

Students in Mrs. Annell Elliott's first grade room at North Elementary School are giving their ice cream and candy money this week to the Christmas fund.

The picture of needy children which appeared in Sunday's Daily News has been pasted on a jar, and the 19 pupils drop their pennies and nickels in the fund instead of buying soda pop, gum, ice cream or candy.

The teacher said the youngsters are faithful in making their contributions every morning.

Toys were still being turned in today. A total of about 60 have been turned in at the fire station, where usable toys are to be taken, while more than a dozen have been given at the veterans clubhouse, where toys needing repair are to be turned in. Legionnaires urged residents to turn in damaged toys early so they can be repaired in time for the Kiwanis distribution. They asked that those who wish to give toys call 3-9216 or 3-4973 to have them picked up.

Contributions to the club or names of those needing aid can be given to the West Texas State Bank, Snyder National Bank, or the Snyder Daily News, or by calling 3-5505 or 3-4185.

Brochure On City Finished

Distribution began this week at the Chamber of Commerce on a 12-page, four - color brochure to promote trade and travel through Snyder.

The Chamber had 5,000 of the brochures printed, and they will be distributed to all airlines and railroads and tourist stations in Texas, Louisiana, New Mexico, Oklahoma, and Colorado.

In addition to including information on the increase in population, trade, and industry here, the small books include photographs of modern homes, airport, new telephone building, new school buildings, and various parts of the oil industry.

Leon Huff, Chamber manager, said the organization plans to have the brochures distributed to each end of U. S. Highway 180 in El Paso and Weatherford to cars in an attempt to develop tourist traffic through Snyder.

The McCormick Co. of Amarillo engravers for the brochure, will distribute 1,000 of the books for its own purposes, Huff said.

Guilty Plea For DWI

Mrs. Raymond (Opal) Evans, 35, Snyder, was fined $50 plus court cost of $23.50 yesterday when she pleaded guilty to a county court charge of driving while under influence of intoxicating liquor.

Ancient Egyptian plasterers used tools quite similar to those used by modern plasterers.

Some authorities believe that Captain Kidd was not a pirate, but a victim of political intrigue.

Leah Feland (above), 17-year old John Muir College student, has been named Queen of the 1953 Tournament of Roses in Pasadena, Calif. The brown-eyed miss will reign over the colorful rose parade on New Year's Day and then sit in a seat of honor at the Rose Bowl game between Southern California and Wisconsin. She was selected from 2,500 Pasadena coeds who sought the much-desired crown.

Some Drops In Food Prices

By The Associated Press

Eggs, butter and frying chickens were a little lower priced in most retail food stores this week. So were oranges, tangerines and a long list of fresh vegetables.

Only a handful of foods were higher. Snap beans and carrots were up slightly in many places as supplies tightened, reflecting adverse growing weather several weeks ago. Emperor grapes, pears and lemons edged higher.

Fryers were down 2 to 4 cents a pound in widespread areas, being a popular item for special pricing to attract customers. Also in this category in many independent markets and chain stores were beef rib and round roasts, lamb shoulder roasts, pork loin chops and roasts, several cuts of veal including legs, chops and shoulder roasts, beef liver, smoked picnic hams and several varieties of fresh and frozen fish.

Eggs dropped to as much as 8 cents a dozen and in many places were selling at the lowest levels since last June.

Butter was off about 2 cents a pound, with output up sharply and a heavier-than-normal storage supply available.

Tangerine prices were trimmed sharply as shipments from Florida reached the big - volume stage. Good supplies of navel and other types of oranges for the holidays also were assured, and grapefruit was a produce special in many places.

Good buys in vegetables in most cities included beets, broccoli, brussels sprouts, cabbage, several kinds of greens, escarole and endive. All were a little lower this week, as were artichokes, cauliflower, celery, cucumbers, onions, peppers and squash. Lettuce and tomatoes were offered in a wide range of quality, condition and price.

Wholesale food prices, as measured by the Dun & Bradstreet food index, scored their sharpest drop since early September and were at the lowest average level since two days after the beginning of the war in Korea. At $6.15 the index compared with $6.22 last week and $6.69 a year ago. The wholesale costs of a pound each of 31 general use foods are totaled to establish the index.

British Honor American Dead

NEW YORK (AP) — Some 3,500 relatives of the 28,000 Americans who lost their lives during World War II while based on Britain have written in for the Times of London Memorial Book honoring their sacrifice.

Letters and cards are arriving at the Times' office here at the rate of 800 a day following an appeal Nov. 20 by the Times' chairman, Col. J. J. Astor.

Col. Astor asked the United States press, radio and television to help him find the next-of-kin "of those who lived and died in Britain's midst in the second world war." He said it was impossible to trace them through Army, Navy or Air Force records.

Printed cards acknowledging the requests are sent out immediately. The books will not arrive from England until next month. Each next-of-kin will get a book with the dead American's name printed in gold on the front cover.

The book tells the story of the creation of an American Memorial Chapel in St. Paul's Cathedral to the 28,000, paid for by the pennies of some two million men, women and children in Britain.

One theory is that petroleum was originally formed from hydrogen and carbon in the rocks, but most scientists believe the substances which contained the hydrogen and carbon were first plants and animals.

Mrs. Rufus Hart Is Complimented With Gift Tea

Mrs. Rufus Hart, the former Miss Faydean Norred, was honored with a bridal gift tea Friday in the home of Mrs. W. C. Hart. Mrs. Park Hamilton and Mrs. Hart were hostesses.

Assisting the hostesses and honor guest in receiving guests were Mrs. Jim Norred and Mrs. H. S. Hart, mothers of the bride and bridegroom, respectively.

Members of the house party included Mrs. Don Harless, Mrs. Richard Crenshaw Mrs. Clarence Wade, Miss Jean Hart, Miss Betty Norred, Miss Patsy Norred and Mrs. H. H. Hart of Post.

A lace cloth covered the refreshment table and a Christmas snow scene formed the centerpiece. Red candles and red and white carnations were also used in arrangements.

About 30 guests called.

Earlier in the week, the recent bride was honored with a party in Sweetwater.

EVENTS OF THE WEEK

THURSDAY

Friendly Fellows Christmas dinner, 7 p.m., with Mr. and Mrs. H. J. Brice and Mr. and Mrs. Hugh Boren, hosts, Country Club.

Scurry County library meeting, 7:30 p.m., North Elementary School.

Scurry Masonic Lodge No. 706 degree meeting, 7 p.m., Masonic Lodge.

West Elementary PTA, 7:30 p.m., school cafeteria.

FRIDAY

Women's Golf Association, luncheon, preceded by duplicate bridge, 10 a.m., Country Club.

Crusaders' Class Christmas party, 7 p.m., Fellowship Hall.

Scurry Masonic Lodge No. 706 degree meeting, 7 p.m., Masonic Lodge.

SATURDAY

Acacia Study Club, Christmas breakfast, 9 a.m., with Mrs. D. M. Cogdell, Jr., and Mrs. Leroy Spires, hostesses, Country Club.

West Elementary PTA bake sale, 9:30 a.m. at Piggly Wiggly, Everybody's, Lieb's, Sunbeam, W. W. Terry and D&R Groceries.

Mrs. Ted Zeck Gives Program At Atheneum Club

Mrs. Paul Zahn was hostess for the Atheneum Study Club Tuesday afternoon at her home.

Mrs. Ted Zeck gave a reading entitled "The Littlest Stork."

Plans were made for the club's Christmas dinner to be given at 7:15 o'clock Tuesday night, Fellowship Hall. Husbands of members will be guests.

The hostess served a dessert plate to nine members.

Cornelius Davis Is Honored On 85th Birthday

T. Cornelius Davis was honored with a dinner Tuesday celebrating his eighty-fifth birthday. Mrs. Davis was hostess at their home, 3007 Avenue V.

Attending were Mr. and Mrs. Glenn McCowen and son, Ronald; Mrs. H. S. Hart and daughter, Mr. and Mrs. Bill Stirman and children, Mr. and Mrs. Frank Wilson, Mrs. Clarence Wade, Mr. and Mrs. J. M. Long and son, Stewart Alan; Mrs. L. N. Periman, Mr. and Mrs. Ben Laster and son, Don, and Mr. and Mrs. Earl Davis.

Out-of-town guests included Mr. and Mrs. Ben Davis of Brownwood, Mr. and Mrs. H. L. Davis of Rotan, Mr. and Mrs. Raymond Noble and daughter Frances, of Big Lake and Mr. and Mrs. R. S. McCollough and son, David, of Big Spring.

Mrs. Adkins Honored WithAfternoonCoffee At Wansbrough Home

Mrs. J. H. Wansbrough entertained yesterday afternoon at her home honoring her daughter, Mrs. Lon Adkins who is visiting here from Houston.

Guests included Mrs. T. C. Abshier, Mrs. Willie LeVier, Mrs. F. A. Meyers, Mrs. W. D. Birdwell, Mrs. J. H. Holman, Jr., Mrs. Waldo Montgomery, Mrs. R. G. Tefft, and Mrs. Jack Emel.

Buffet Supper Given At W. W. Watts Home

Mrs. W. W. Watts and Mrs. Eugene Hickman entertained with a buffet supper last night at the Watts home.

The table was centered with a Santa Claus container filled with holly, and other decorations carried out the Christmas theme.

Fifteen couples attended.

Helps For Homemakers

Send your questions to "Helps for Homemakers" Snyder Daily News, or call 3-5486.

Could you tell me how to prepare frijoles refritos for a Mexican dinner? R.

You will need the following:
1 cup red beans
2 quarts boiling water
1 teaspoon salt
3 tablespoons fat
1 teaspoon chili powder

Boil beans until they are tender and mealy, drain. Season with salt and chili powder, mash and fry in melted fat until fat is absorbed. Serve in peaks topped with toasted tortillas or corn chips. If you're pressed for time, or prefer short cuts, mash the contents of a can of Mexican style beans and fry in 2 tablespoons of fat until fat is absorbed.

• • •

We are almost to the point of beginning to gobble, but I still have some turkey left in the freezing compartment. There is not much left and I hate to throw it away. Any suggestions? H. L.

Turkey croquettes could be a solution. You'll need the following ingredients:
4 ounces fine noodles
2 tablespoons butter or margarine
¼ cup chopped onion
2 tablespoons flour
½ teaspoon salt
Dash pepper
1-3 cup milk
1 cup cooked, chopped turkey
2 tablespoons melted butter or margarine
½ cup enriched bread crumbs

Cook noodles in boiling salted water until tender (about 4 minutes.) Drain and rinse. While noodles are cooking, melt 2 tablespoons butter or margarine in sauce pan. Add onion and brown lightly. Stir in flour, salt and pepper. Add milk and cook until thickened, stirring constantly. Fold in noodles and turkey, stirring until well blended. Divide into 4 equal portions and shape into croquettes. Sprinkle 2 tablespoons melted butter or margarine over bread crumbs, tossing lightly with fork until well blended. Roll croquettes in bread crumb mixture. Bake in greased 8-inch square baking pan in moderate oven about 30 minutes. Serve with gravy or mushroom sauce.

Guests in the home of Mr. and Mrs. Jack Neale, 3009 Avenue W, have been Mr. and Mrs. A. A. Deavers, Mr. and Mrs. James Roach and daughter, Kathy; Mr. and Mrs. Charles Ray and daughters, Karen and Vicky, and Mr. and Mrs. Buddy McCoy, all of Seminole, Tex.

Mr. and Mrs. C. S. Warsham and son of Sundown, Tex., have been guests of Mr. and Mrs. W. R. Oden, Clairemont Road.

Christmas Candy Party Is Given By Mrs. Hopper

Mrs. Hugh Hopper entertained with a Christmas candy party Tuesday afternoon at her home, 111 North Hickory.

Each guest brought a variety of candy to exchange with other guests to result in assorted Christmas boxes.

Guests included Mrs. Al Landry, Mrs. Jerry Gan, Mrs. M. L. Rogers, Mrs. Buster Lowery, Mrs. T. H. Boyd, Mrs. Troy Wylie, Mrs. Joe Adcock, Mrs. Jack Neale, Mrs. J. D. McChesney and Mrs. Jack Wright.

Also attending were Jimmy McChesney, Sherry Aycock and Margaret Ann Neale.

Kiwani-Anns Donate To Christmas Fund; Schedule Bake Sale

Kiwani-Anns voted at a luncheon meeting yesterday to give $73.05 to the Kiwanis Christmas fund for underprivileged children. The money was raised from a bake sale sponsored by the women.

A representative was appointed to attend the Scurry County library meeting tonight, and the group contributed $5 to library fund.

Another bake sale has been planned for Dec. 20 to be held at Sunbeam Cash Foo[d] Market.

Mrs. Lee [E]ntertains Daughter's [B]irth Party

Janice Lee, daughter of Mr. and Mrs. James [L]ee, 126 Twentieth Place, was h[o]sted Saturday with a party c[e]lebrating her sixth birthday.

Christma[s] favors were given the following guests: Sandra, Baba, Johnnie [S]ims and Betty Fields, Barb[a]ra Brenner and Mrs. J. Grah[a]m also attended.

Mrs. [J]. Green, 1903 Coleman, has re[c]ently visited for a month where [M]rs. Green's relatives.

EXTRA FEATURE!

This two-piece comes with a mix-match weskit—a second smart top for the simple six-gore skirt! Long sleeve jacket version is diagonally buttoned, stresses the season's shorter length. The weskit has wing-rever styling, too!

No. 2542 is cut in sizes 10, 12, 14, 16, 18, 20. Size 16 jacket and skirt 2 yds. 54-in.; weskit takes 1¾ yds. 35-in.; 1⅞ yds. 39-in.

Send 30c for PATTERN with Name, Address, Style Number and Size. Address PATTERN BUREAU Snyder Daily News, Box 42, Old Chelsea Station, New York 11, N.Y.

Patterns ready to fill orders immediately. For special handling of order via first class mail include an extra 5c per pattern.

The FALL - WINTER FASHION BOOK, beautifully illustrated in COLOR! Presenting smart, up-to-the-minute fashions for every age and every occasion, and also delightful suggestions for making Christmas gifts—toys, doll clothes, aprons, and other wearables. Price 30 cents.

Here Tomorrow! The '53 FORD

Fordomatic Drive, Overdrive, I-REST tinted safety glass, white sidewall tires optional at extra cost. Equipment, accessories and trim subject to change without notice.

The new Standard of the American Road

With 41 "Worth More" features, it's worth more when you buy it...worth more when you sell it!

The only V-8 in its field!

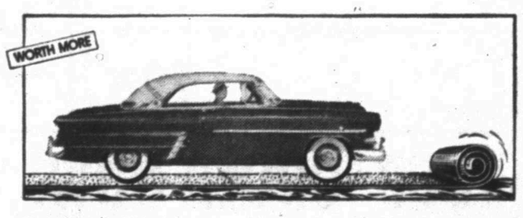

CHOICE OF V-8 OR SIX ENGINES—Mileage Maker Six—the 110-h.p. high-compression Strato-Star V-8 has a partner for thrifty in the 101-h.p. low-friction, high-compression Mileage Maker Six—the completely modern Six in its field.

Search no more: the car that exceeds your every driving need is making its bow at your Ford Dealer's!

Those of you who have owned Fords in recent years have a *hint* of the many ways in which this new 1953 Ford is out front. Year after year, Ford has gained in preference with the public. But that is merely a clue to the many ways in which this '53 Ford sets an entirely new standard for the American Road.

For in this new Ford you'll find new, long, low, massive beauty that can hold court in *any* company. You'll find a new Miracle Ride that sets a new standard of smooth, quiet comfort on level highways or roughest byways. You'll find the easy handling and great visibility you need for today's fast-moving traffic . . . the "Go" to master today's long-distance driving. And you'll find that this new Ford not only has a small appetite for fuel, but it thrives on *regular* gas.

See this Ford . . . Value Check its 41 "Worth More" features . . . and Test Drive it. You'll see why this new standard-setting car is worth more when you buy it . . . worth more when you sell it.

New Miracle Ride brings you riding comfort at its level best! Not just softer springs and new shock absorber action, but a smoothly coordinated system of ride control elements that adjusts instantly and automatically to changing road conditions. It's a completely balanced ride . . . a ride that seems to lay a carpet of smoothness on any road you drive.

Shift to Fordomatic and you'll never shift again! The finest, most versatile automatic drive ever. Ford also has the smooth, thrifty Overdrive.

Key-Release Deck Lid opens automatically on counterbalancing hinges when you turn key. Note extra luggage space! Ford's hood is counterbalanced, too!

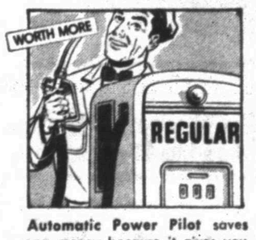

Full-Circle Visibility gives you an unobstructed view of the road . . . and *all* the scenery. I-REST tinted safety glass makes driving easier on your eyes, day or night.

Center-Fill Fueling prevents hose marks on the finish of your car. No gas spill on fenders. Short, out-of-the-way fill pipe gives you trunk space for an extra suitcase.

Power-Pivot pedals are suspended from above to operate more easily, eliminate dirty, drafty floor boards and make use of space of the floor space.

Automatic Power Pilot saves you money because it gives you high-compression "Go" with regular gas. An economy feature on both V-8 and Six.

Mrs. Rufus Hart Is Complimented With Gift Tea

Mrs. Rufus Hart, the former Miss Faydean Norred, was honored with a bridal gift tea Friday in the home of Mrs. W. C. Hart. Mrs. Park Hamilton and Mrs. Hart were hostesses.

Assisting the hostesses and honor guest in receiving guests were Mrs. Jim Norred and Mrs. H. S. Hart, mothers of the bride and bridegroom, respectively.

Members of the house party included Mrs. Don Harless, Mrs. Richard Crenshaw Mrs. Clarence Wade, Miss Jean Hart, Miss Betty Norred, Miss Patsy Norred and Mrs. H. H. Hart of Post.

A lace cloth covered the refreshment table and a Christmas snow scene formed the centerpiece. Red candles and red and white carnations were also used in arrangements.

About 30 guests called.

Earlier in the week, the recent bride was honored with a party in Sweetwater.

EVENTS OF THE WEEK

THURSDAY

Friendly Fellows Christmas dinner, 7 p.m., with Mr. and Mrs. H. J. Brice and Mr. and Mrs. Hugh Boren, hosts, Country Club.

Scurry County library meeting, 7:30 p.m., North Elementary School.

Scurry Masonic Lodge No. 706 degree meeting, 7 p.m., Masonic Lodge.

West Elementary PTA, 7:30 p. m., school cafeteria.

FRIDAY

Women's Golf Association, luncheon, preceded by duplicate bridge, 10 a.m., Country Club.

Crusaders' Class Christmas party, 7 p.m., Fellowship Hall.

Scurry Masonic Lodge No. 706 degree meeting, 7 p.m., Masonic Lodge.

SATURDAY

Acacia Study Club, Christmas breakfast, 9 a.m., with Mrs. D. M. Cogdell, Jr., and Mrs. Leroy Spires, hostesses, Country Club.

West Elementary PTA bake sale, 9:30 a.m. at Piggly Wiggly, Everybody's, Lieb's, Sunbeam, W. W. Terry and D&R Groceries.

Mrs. Ted Zeck Gives Program At Atheneum Club

Mrs. Paul Zahn was hostess for the Atheneum Study Club Tuesday afternoon at her home.

Mrs. Ted Zeck gave a reading entitled "The Littlest Stork."

Plans were made for the club's Christmas dinner to be given at 7:15 o'clock Tuesday night, Fellowship Hall. Husbands of members will be guests.

The hostess served a dessert plate to nine members.

Cornelius Davis Is Honored On 85th Birthday

T. Cornelius Davis was honored with a dinner Tuesday celebrating his eighty-fifth birthday. Mrs. Davis was hostess at their home, 3007 Avenue V.

Attending were Mr. and Mrs. Glenn McCowen and son, Ronald; Mrs. H. S. Hart and daughter, Mr. and Mrs. Bill Stirman and children, Mr. and Mrs. Frank Wilson, Mrs. Clarence Wade, Mr. and Mrs. J. M. Long and son, Stewart Alan; Mrs. L. N. Periman, Mr. and Mrs. Ben Laster and son, Don, and Mr. and Mrs. Earl Davis.

Out-of-town guests included Mr. and Mrs. Ben Davis of Brownwood, Mr. and Mrs. H. L. Davis of Rotan, Mr. and Mrs. Raymond Noble and daughter Frances, of Big Lake and Mr. and Mrs. R. S. McCollough and son, David, of Big Spring.

Mrs. Adkins Honored WithAfternoonCoffee At Wansbrough Home

Mrs. J. H. Wansbrough entertained yesterday afternoon at her home honoring her daughter, Mrs. Lon Adkins who is visiting here from Houston.

Guests included Mrs. T. C. Abshier, Mrs. Willie LeVier, Mrs. F. A. Meyers, Mrs. W. D. Birdwell, Mrs. J. H. Holman, Jr., Mrs. Waldo Montgomery, Mrs. R. G. Tefft, and Mrs. Jack Emel.

Buffet Supper Given At W. W. Watts Home

Mrs. W. W. Watts and Mrs. Eugene Hickman entertained with a buffet supper last night at the Watts home.

The table was centered with a Santa Claus container filled with holly, and other decorations carried out the Christmas theme.

Fifteen couples attended.

Helps For Homemakers

Send your questions to "Helps for Homemakers" Snyder Daily News, or call 3-3486.

Could you tell me how to prepare frijoles refritos for a Mexican dinner? R.

You will need the following:
1 cup red beans
2 quarts boiling water
1 teaspoon salt
3 tablespoons fat
1 teaspoon chili powder

Boil beans until they are tender and mealy, drain. Season with salt and chili powder, mash and fry in melted fat until fat is absorbed. Serve in peaks topped with toasted tortillas or corn chips. If you're pressed for time, or prefer short cuts, mash the contents of a can of Mexican style beans and fry in 2 tablespoons of fat until fat is absorbed.

* * *

We are almost to the point of beginning to gobble, but I still have some turkey left in the freezing compartment. There is not much left and I hate to throw it away. Any suggestions? H. L.

Turkey croquettes could be a solution, You'll need the following ingredients:
4 ounces fine noodles
2 tablespoons butter or margarine
¼ cup chopped onion
2 tablespoons flour
½ teaspoon salt
Dash pepper
1-3 cup milk
1 cup cooked, chopped turkey
2 tablespoons melted butter or margarine
½ cup enriched bread crumbs

Cook noodles in boiling salted water until tender (about 4 minutes.) Drain and rinse. While noodles are cooking, melt 2 tablespoons butter or margarine in sauce pan. Add onion and brown lightly. Stir in flour, salt and pepper. Add milk and cook until thickened, stirring constantly. Fold in noodles and turkey, stirring until well blended. Divide into 4 equal portions and shape into croquettes. Sprinkle 2 tablespoons melted butter or margarine over bread crumbs, tossing lightly with fork until well blended. Roll croquettes in bread crumb mixture. Bake in greased 8-inch square baking pan in moderate oven about 30 minutes. Serve with gravy or mushroom sauce.

Guests in the home of Mr. and Mrs. Jack Neale, 3009 Avenue W, have been Mr. and Mrs. A. A. Deavers, Mr. and Mrs. James Roach and daughter, Kathy; Mr. and Mrs. Charles Ray and daughters, Karen and Vicky, and Mr. and Mrs. Buddy McCoy, all of Seminole, Tex.

Mr. and Mrs. C. S. Warsham and son of Sundown, Tex., have been guests of Mr. and Mrs. W. R. Oden, Clairemont Road.

Christmas Candy Party Is Given By Mrs. Hopper

Mrs. Hugh Hopper entertained with a Christmas candy party Tuesday afternoon at her home, 111 North Hickory.

Each guest brought a variety of candy to exchange with other guests to result in assorted Christmas boxes.

Guests included Mrs. Al Landry, Mrs. Jerry Gan, Mrs. M. L. Rogers, Mrs. Buster Lowery, Mrs. T. H. Boyd, Mrs. Troy Wylie, Mrs. Joe Adcock, Mrs. Jack Neale, Mrs. J. D. McChesney and Mrs. Jack Wright.

Also attending were Jimmy McChesney, Sherry Aycock and Margaret Ann Neale.

Kiwani-Anns Donate To Christmas Fund; Schedule Bake Sale

Kiwani-Anns voted at a luncheon meeting yesterday to give $73.05 to the Kiwanis Christmas fund for underprivileged children. The money was raised from a bake sale sponsored by the women.

A representative was appointed to attend the Scurry County library meeting tonight, and the group contributed $5 to the library fund.

Another bake sale has been planned for Dec. 20 to be held at Sunbeam Cash Food Market.

Mrs. Lee Entertains Daughter With Party

Janice Lee, daughter of Mr. and Mrs. James Lee, 126 Twentieth Place, was honored Saturday with a party celebrating her sixth birthday.

Christmas favors were given the following guests: Sandra, Baba, Johnnie Graves and Danny Brenner, Barbara Sims and Betty Fields.

Mrs. Johnie Brenner and Mrs. J. Graham also attended.

Mrs. N. E. Green, 1903 Coleman, has returned from Freeport, Tex., where she visited for a month with Mr. Green's relatives.

HOMAGE TO JAPAN'S WAR DEAD — Emperor Hirohito, center, approaches the Yasukuni shrine, memorial shrine of Japan's war dead, for the first time in seven years. Kneeling in background are members of some of the families who were bereaved during the war.

Roll Uncle Sugar Is To Play In Future Under Discussion

By O. H. P. KING
Associated Press Staff

The presence of Joseph Dodge, Detroit banker, among the few civilians on the U. S. Cruiser Helena with President-elect Eisenhower and State Secretary-designate John Foster Dulles, is evidence serious attention is being given to America's role of "Uncle Sugar."

Dodge, it will be recalled, has been acting as Eisenhowers' representative in President Truman's Budget Bureau and probably will head it under the new administration.

But in the last few years Dodge gained a reputation in Japan as a financial genius, when called in by General MacArthur to administer to Japans' ailing economy. He drafted the "Dodge Plan" which was to have taken Japanese industry off "occupation stilts" and put it on its own feet.

COMPETITION FEARED

Some Japanese quarters later balked at the austerity features of the program and partially undermined it.

They refused to recognize that science has all but eliminated the pre-war demand for Japanese silk by producing synthetics. Silk had been Japan's mainstay.

Eisenhower certainly has been told that Japan still is far from being economcially self-sufficient, that her normal markets are closed to her. America objects to her dealing with Red China and Britain screams at competition in some fields in Southeast Asia, and resents vying with Japan's cheaper but high quality chinaware.

Revived Japanese fishing brings protest from West Coast States.

Japanese industry is being nursed back to heavy production with U. S. help at a prohibitive cost—the wheels spin with thermal power from American coal costing $20 to $24 a ton whereas coal from Red China would cost from $6 to $8 a ton.

PRIVATE EFFORT URGED

American taxpayers make up the difference—that's where "Uncle Sugar'—as Uncle Sam is called by the beneficiaries—comes in.'

How long can this keep up—this and similar contributions to other countries coveted by Soviet Russia?

The new administration ambitiously hopes to stop deficit spending and eventually achieve a balanced budget, it has proclaimed in campaign speeches.

Eisenhower has indicated in his talks that private capital can lend a hand abroad. In a speech in Dallas on United Nations Day late in October Dulles said more good will is engendered for the U. S. in Asia and Europe by activities of private U. S. citizens, such as missionaries, merchants, doctors, etc., than by government grants.

He said friendship could not be bought—in fact, the recipients actually grow to dislike the giver as time passes—due to loss of "face."

'SOUND-DOLLAR MAN'

Under the Republicans, private enterprise probably will be given more ehance, with some encouragement from government.

This is not playing in the hands of Communists.

First, it would spike effectively their arguments that the American "imperialists" want to buy allies.

Second, would conserve American resources and avoid what the Reds smugly have predicted and been waiting for—economic collapse of the capitalistic system.

This would occur through repudiation of government bonds or devaluation of currency, as occurred in Germany after World War I and in China after World War II.

Dodge is a sound-dollar man. Dulles seems eager to junk the "containment" policy for an aggressive propaganda drive that will win rather than buy converts. From his selection of these men as his advisers, it seems certain Ike is lending both a sympathetic ear.

Geese can graze on tender herbage.

No Yacht For Ike In Sight

ABOARD USS HELENA, En Route to Hawaii (AP)—It looks as if President-elect Dwight Eisenhower's passion for golf, fresh-water fishing and frugality in government will leave no place for the ocean-going yacht, the Williamsburg, as a presidential retreat in the next four years.

The chances are, friends say, that Eisenhower will try to find a mountain retreat somewhere near Washington—one with a small golf course — as his hideaway from White House duties.

And they say his plans rule out the Williamsburg not only as being too expensive a luxury but one not suited to his ideas of recreation.

The ideal summer White House in Ike's book would be a mountain retreat at about 2,500 feet altitude, not too far from Washington. Good fishing water would be a must and also the golf course.

It would have to be close to the White House because Ike might want to sneak away on Fridays and not return until Sunday night. Some say he has thought that maybe former President Herbert Hoover's old retreat at Rapidan, Va., might fill the boll—or some place similar. He doesn't want anything fancy.

President Truman preferred Key West for his vacations and he liked to have the Williamsburg around for week-end cruises from time to time.

The Williamsburg has a crew of more than 100 and like all yachts it costs a lot to run. Nobody knows just how much, because in government bookkeeping it's a training ship for the Navy.

The yacht was sold to the government by Hugh Chishom, head of the Bath Iron Works, and was used in World War II as a convoy flag ship in the North Atlantic. It was converted as a White House yacht in 1946.

Since land is heavier than water, the gravitational force from the land causes a slight heaping up of water in the oceans around the continents.

It is estimated that the average American will eat 144 pounds of meat in 1953.

Finals In 2 Schoolboy Races Reached With Games Saturday

By The Associated Press

Texas schoolboy football reaches the finals of two classes and the semi-finals of two more this week.

Mighty Lubbock and tight-fisted Baytown will be favored to push into the last game of Class AAAA the blue ribbon division. If so it will be a repeat of 1951 when Lubbock eased by Baytown in the finals.

Lubbock battles plucky North Dallas, the Cinderella boys, in the top bracket. Baytown plays the upset kings, Ray of Corpus Christi, in the south half.

Sell-out crowds are due at Lubbock and Baytown Saturday afternoon when the powerhouses of schoolboy football fight it out.

REPEAT SHAPING UP

Class AAA is shaping up for a repeat of 1951, also. That would mean Breckenridge and Temple in the finals. Breckenridge plays Texarkana, and Temple scraps McAllen Saturday afternoon both favored to win.

The Temple-McAllen game at Temple will match undefeated, untied teams as Dandy Doyle Traylor unlimbers his great passing arm and some 8,000 fans turn out to see what he can do against the rugged, surprising boys from the Rio Grande Valley.

Taylor has connected on 21 touchdown passes this season, 12 of them to Roy Chapman, the great Temple wingman who is the team's leading scorer with 72 points.

Breckenridge is a mild favorite over a resurging Texarkana team that gained heart last week when the Buckaroos were held to a 14-13 victory by unheralded Lamesa. The game will be at Breckenridge.

HUNTSVILLE vs. KILLEEN

Class AA features the battle of Huntsville and Killeen, both undefeated and untied, at Huntsville Friday afternoon. Other quarter-final games send undefeated, untied Stamford to embattled Childress for a Friday afternoon game; unbeaten, untied Terrell clashes with Stephenvile at Arlington and LaMarque and Yoakum get together at Wharton for night affairs.

Stamford, Terrell, Huntsville and LaMarque are favorites to surge into next week's semi-finals.

Class A, which has only one undefeated team left—Cedar Bayou—has this quarter-final schedule Friday:

Denver City at Wink, Crowell vs Van at Tyler (night), Smithville at Cedar Bayou (night), Deer Park vs Hondo at Pasadena (night).

Denver City, Van, Cedar Bayou and Deer Park are favored in these games.

HVR 'PICKING' AGAIN

Your correspondent hit 17 out of 24 last week. Here's the situation this week:

North Dallas at Lubbock—Lubbock by a couple of touchdowns.

Ray (Corpus Christi) at Baytown—A great ball game with Baytown edging through.

Texarkana at Breckenridge—A mild vote for Breckenridge.

McAllen at Temple—Temple will roll down the Bulldogs by a comfortable margin.

Stamford at Childress—Stamford hasn't lost one yet and won't be starting the trend this week.

Stephenville vs Terrell at Arlington—It could be a tough ball game all the way, but we'll take Terrell.

Killeen at Huntsville—A rousing vote for Huntsville.

LaMarque vs Yoakum at Wharton—LaMarque by a touchdown.

Denver City at Wink—Two high-scoring teams and that's how they'll play; Denver City in a photo finish.

Crowell vs Van at Tyler—The vote goes to Van.

Smithville at Cedar Bayou—A Smithville victory wouldn't surprise, but the ballot favors Cedar Bayou.

Deer Park vs Hondo at Pasadena—Deer Park 27, Hondo 13.

Ole Miss Is Credited With Biggest Upset

NEW YORK (AP)—It took a heck of an upset to jolt the nation's football experts during the past season; there were so many of them. But they really got one Nov. 15 when Mississippi beat Maryland, 21-14.

Going into that afternoon the Maryland team, victorious in seven straight games, was rolling along in high. It was ranked third in the Associated Press poll, and a good many experts placed the Terrapins even higher.

Mississippi also was unbeaten, but had been tied twice, by Kentucky and Vanderbilt, and hardly had been given a tumble by the pollsters.

That afternoon the Ole Miss line completely bottled up Maryland's celebrated T quarterback, Jack Scarbath. Jimmy Lear assumed the star's role instead, and in the final quarter completed a 42-yard pass to Bud Slay that set up the winning touchdown by Wilson Dillard.

So the final score was posted; Maryland lost its first game since Oct. 4, 1950 and Mississippi received a lucrative invitation to play Georgia Tech in the Sugar Bowl.

As another result, 64 out of about 150 sportswriters and broadcasters from every section of America returned questionnaires to the Associated Press listing Mississippi over Maryland as the greatest upset of the 1952 football season.

Two other games drew special attention. Second, with 37 votes, was Iowa's 8-0 victory over Ohio State, of which Sec Taylor, veteran Des Moines, Ia., expert, said: "It was like my 8-year-old granddaughter outboxing Sugar Ray Robinson."

Third, with 34 votes, was Notre Dame's 27-21 triumph over Oklahoma.

Roughnecks Are Back To Being Exporters

BEAUMONT, Dec. 11 (AP)—The Roughnecks which formerly were the Exporters are now the Exporters again.

Officials of the Beaumont baseball club announced the change yesterday in naming the winner of a contest to rename the club. Chester Ferguso won the contest by suggesting that the old name be used again.

The club was renamed the Roughnecks three years ago—also by a contest among baseball fans.

Cricket That Isn't Cricket In Australia

BRISBANE, Australia (AP)—What we have done is go halfway round the world to report a parcel of tennis and run smack into a cricket scandel which has this whole nation by its ears.

No, they haven't caught any of their beflannelled heroes shaving points.

Worse than that, their heroes have practically quit moving at all and appear to have reached a state of suspended animation.

Occasion of the widespread unhappiness is the Test Match—roughly comparable to our World Series — between Australia and South Africa.

To begin with, the Aussie selectors didn't pick a single player from the great and hot state of Queensland, of which Birsbane is the capital city.

That made Brisbane afficianados sore at the outset and they've vented their feelings by staying away in vast numbers.

That in turn appears to have nettled the Aussie players and they've responded by putting on the dullest exhibition in the history of cricket, which is saying somethng.

Instead of whaling the ball in the finest Australian tradition of Don Bradman and other cricket Hall of Famers, members of the present team have been giving the fans a really hard time.

One of them Tuesday scored only 17 runs in an hour and 50 minutes.

If you've never endured cricket, that's roughly comparable to a baseball player purposely fouling off about 40 pitches in succession.

It's much easier to do with the broad cricket paddle than with a baseball bat.

A scorching cartoon in a local paper shows King Cricket on his deathbed from "cricket that isn't cricket" and "blow the public attitude among other ailments."

Another has the husband remarking over the paper, "They say today's cricket was very dull," and the wife replying, "Really, how can they tell?"

Everybody is mad.

The official cricket club chased one news photographer out of the grounds and banned society writers from the members' stand.

Supersonic Bomber Is Asked By Air Force

WASHINGTON (AP) — The Air Force has asked aircraft manufacturers to work up detailed plans for new supersonic bombers.

Consolidated Vultee Aircraft Corp. of San Diego, Calif., was identified by yesterday's Air Force announcement as one of the firms figuring in the program. No others were named.

OPEN SEASON

By DALE WALTON

Bewildered looks showed up on the faces of basketball fans this week when they saw that a major change had come about in the cage rules this year.

The change is in the free throw rule.

Of course the old three-minute rule was nothing new to them, since it was used three or four years ago. It is back in the book this year with a little change. Basically, it states that if a player commits a personal foul during the last three minutes of the game, the opposing team gets two free tosses.

The big change is in the free throws during the game. According to this year's rules, each personal foul gives the opposition team one free toss, but if the boy misses the first toss he gets a second try.

The rule on the technical foul is still the same. The opposition team gets one free toss, then gets the ball outside.

Gene Gibson, head cage coach here, said this week he believes both the new ruling on the free throw and the three-minute rule are very effective in cutting down flagrant and unnecessary fouling.

Several college coaches have blasted the new ruling, saying it made games longer and failed to cut down on fouling. Some say the player is careless with his first toss, knowing the second one will come.

Gibson explained for the benefit of fans that when a team has the ball outside at the end of the court, it has 10 seconds to move it the 42 feet to the black line across the court at the center circle. After the team has moved the ball across that line, it can move the ball back to the opposite black line, having 42 feet for its offensive play. If the team moves the ball back past the opposite black line, it goes over to the opposing team.

• • •

An unofficial selection of all-district grid players will be released within the next few days.

The vote, conducted by the Lamesa Chamber of Commerce and Lamesa Daily Reporter, was taken among coaches and sportswriters in all cities of District 1-AAA.

Wake Up To More Comfort

Without Nagging Backache

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Sw Conference Teams Get Off

SW Conference Teams Get Off

By The Associated Press

Southwest Conference teams split with Oklahoma schools last night to give the league one victory and one loss in intersectional play in opening the basketball season.

Texas nosed out Oklahoma, 48-47, at Austin while Arkansas was taking a 69-54 drubbing from Tulsa at Tulsa.

Texas Christian, defending conference champion, started the campaign with a 50-43 decision over Hardin-Simmons of the Border Conference while Texas A&M rallied to beat University of Houston of the Missouri Valley Conference, 65-59.

GOOD OPENING NIGHT

It was a very good opening night for the conference with prospects of two or three more victories tonight as the other members of the league—Baylor, Rice and Southern Methodist—open the season.

Baylor engages Lamar Tech of the Lone Star Conference at Waco; Rice travels to Huntsville to play Sam Houston State of the same conference, while Southern Methodist takes on Hardin-Simmons in Dallas.

The defeat of Arkansas was something of a surprise in view of the glowing notices that had been coming out of the Ozarks this year. Arkansas has a flock of lettermen back and also again boasts its coach of those championship days—Glen Rose.

Texas came from behind to whip Oklahoma. The Longhorns led the Sooners until the last seven minutes when Oklahoma took the lead on a field goal by Lester Lane. But Texas roared back and four times the score was tied before the Longhorns went in front to stay on Billy Powell's fielder. Powell topped the scorers with 12 points.

ROUSING FINISHES

Texas Christian also had to come from behind to win. Once, in the third period, the Border Conference team, paced by its fine center, Hank Green, led by six points. Green pitched in 16 during the game but the high point man was Ray Warren, a sophomore TCU forward, who canned 18.

Texas A&M also put on a rally to win over University of Houston as the Aggies, who aren't supposed to be very potent this season, showed the stuff in the clinches. The Aggies scored seven points in a minute and a half to forge into the lead early in the fourth period. Leroy Miksch sparked the attack with 20 points.

Tulsa's fast-breaking offense topped Arkansas in fairly easy manner. The Hurricane was ahead, 39 to 22, at the half and only in the third period did Arkansas outscore them. The Razorbacks got 14 points in that period to 12 for Tulsa. Warren Schackelford was the chief point-getter for the Hurricane. He racked up 16.

Haney Says He Will Take Job

PITTSBURGH (AP)—Fred Haney, skipper of the highly successful Hollywood Stars of the Pacific Coast League, put it squarely up to General Manager Branch Rickey of the Pittsburgh Pirates today whether he will sign as Buc field manager.

After flying here from the West Coast for a meeting with Rickey, Haney was asked bluntly if he will sign with the last-place Bucs. He replied:

"If Mr. Rickey wants me to I may. It's up to him. I would do it for him, because I feel I owe him an obligation for helping my Hollywood team."

Rickey invited Haney to his palatial suburan home for a 10 a.m. conference. Although Rickey has been hinting for weeks that he's tabbed Haney to succeed Bill Meyer, the Pirate executive said:

"There are several things dependent on the decision, the main one being if he wants to become the Pirate manager.

There has been considerable conjecture that Haney wants more than a one-year contract, the kind preferred by Rickey. However, Rickey said:

"We have never reached the point of talking in terms of salary and length of contract. I am sure that we will have no trouble along that line."

When Rickey was in the front office of the Brooklyn Dodgers he sent several players to Hollywood. Rickey has done the same with Buc players and Haney has profited. He won the Coast League pennant in 1949 and again in 1952.

Six-Foot-Niner Gets 55 Points In Game

GALVESTON, Dec. 11 (AP)—Ellis Olmstead is going to have quite a basketball season if he maintains this pace.

In seven games the Ball High School star—a six-foot-nine center—has poured in 219 points. That's an average of 31 per game.

Last night he pounded the rim for 55 points as Ball licked its intra-city rival, Kirwin High School.

"LIGHT UP" for a *Merry Christmas*

Want to make your home a shining example of Christmas cheer, gaiety and warm hospitality? Then, LIGHT UP... inside and outside... to make your home sing out "Merry Christmas" to all who visit you or pass on your street.

FROZEN VEGETABLES DELUXE
. . . whipped or sour cream for special touch

Trimmings Are As Important As Main Dish At Christmas

Every one expects turkey on Christmas. It wouldn't be Christmas without the traditional bird. But the trimmings can make the feast memorable for its new delicacies as well as the old.

The day before the big dinner is the time to plan and prepare appetizers, salads and preserves that will be pleasant surprises. Vegetables can be dressed up for holiday fare, too.

For the family which insists on saving their appetite for the main dinner, grapefruit would be a wise selection for a light first course. The halves can be attractively dressed up for the special occasion by various methods, such as centering with spiced grapes.

Spiced grapes are made by dipping a small bunch of grapes in an unbeaten egg white, shake to remove excess. Roll grapes in a cinnamon-sugar mixture; chill until dry. Place in center of grapefruit.

Heartier eaters may welcome hot soup even before Christmas dinner. Especially appropriate for this dinner would be cream of pumpkin soup.

CREAM OF PUMPKIN SOUP

1½ cups cooked or canned pumpkin
3 cups chicken broth
1½ tablespoons grated onion
¼ teaspoon nutmeg
¼ teaspoon ginger
1 teaspoons salt
⅛ teaspoon black pepper
1 tablespoon dried parsley flakes
1½ cups heavy cream
3 egg yolks
minced chives

Combine pumpkin, broth, onion, nutmeg, ginger, salt and pepper in top of double boiler. Bring almost to boil and set over hot water. Cook 10 minutes, stirring several times. Combine cream and yolks. Add hot mixture gradually, stirring constantly. Return to double boiler and cook 5 more minutes, stirring constantly until slightly thickened. Place in soup tureen or serving dishes. Garnish with sprinkle of chives and an extra sprinkle of nutmeg. Serves 10.

Salad for the feast may be fussy or simple according to the family likes and the cook's time. If a molded salad is desired, raw vegetables in gelatin make a crisp accompaniment to an otherwise heavy dinner.

MOLDED RAW VEGETABLE SALAD

1 package lemon flavored gelatin
1 cup very hot water
1 cup cold water
2 tablespoon cider vinegar
1 teaspoon salt
¾ cup finely grated raw carrot
¾ cup finely grated raw green cabbage
½ cup finely diced celery
¼ cup finely diced green pepper
lettuce
mayonnaise

Dissolve gelatin in very hot water. Stir in cold water, vinegar and salt. Chill until consistency of unbeaten egg white. Stir in carrot cabbage, celery and green pepper. Turn into 1-quart shallow pan. Chill until firm. Cut in squares and arrange on lettuce; top with small mounds of mayonnaise. Makes 6 servings.

Cranberries, if not used in the traditional sauce, might appear on the menu in cranberry relish salad. This also is a molded gelatin salad.

CRANBERRY RELISH SALAD

1 package orange-flavored gelatin
1 cup hot water
¾ cup cold water
1 medium orange unpeeled
2 cups raw cranberries
3 tablespoons sugar
1 diced medium apple (unpeeled)

Disolve gelatin in hot water. Add cold water, and chill until slightly thickened. Cut orange into quarters and remove seeds. Put orange and cranberries through food chopper; add sugar and diced apple. Fold into slightly thickened gelatin. Turn into individual molds. Chill until firm. Unmold on crisp lettuce. Serve with mayonnaise. Makes 6 servings.

Fruit salad, always a favorite, is particularly appreciated for its tartness when served with a big dinner. When made with pineapple, discoloration of the apples is prevented, so this salad can be made well ahead of dinner time.

ALOHA FRUIT SALAD

Combine bite-size pieces of unpeeled red apples, drained chilled pineapple chunks, grapes and broken walnuts in desired proportions. Toss with pineapple French dressing:

PINEAPPLE FRENCH DRESSING

⅓ cup syrup drained from canned pineapple
3 tablespoons vinegar
¼ cup salad oil
¼ teaspoon salt
¾ teaspoon paprika

Mix all ingredients in a glass jar and shake well before serving.

Vegetables take on holiday airs, too, when served with special sauces and flavored with different spices. Baked onions Turkish style are one example.

BAKED ONIONS TURKISH STYLE

12 medium sized onions
1 teaspoon salt
½ teaspoon cinnamon
2 tablespoons butter

Wash and peel onions, boil uncovered, in salted water until nearly tender, drain and place in a well greased crinkle edge heat-resistant glass pie plate. Sprinkle onions with cinnamon and dot with butter. Bake in moderate oven, 350 degrees F., for 15 to 20 minutes. This will serve 10 or 12 persons.

This receipe for nutmeg potato puffs is one for special occasions, so they might be served at Christmas.

NUTMEG POTATO PUFFS

2½ lbs. potatoes
⅓ cup butter
1 cup water
⅛ teaspoon salt
1 cup sifted flour
4 eggs
1 teaspoon nutmeg
1 teaspoon salt
1-16 teaspoon black pepper
Deep fat for frying

Peel potatoes and boil in salted water until tender. While potatoes are cooking, bring butter, water and salt to boil. Add flour and cook over low heat, stirring constantly, until mixture leaves sides of pan and forms a ball (about 1 minute).

Cool slightly and beat in eggs one at a time, beating until smooth after each addition. Drain potatoes and press through ricer or mash until free of lumps. Add seasonings and blend in other mixture.

Drop by tablespoonsfuls into hot deep fat (375 degrees F.). Fry light golden brown. Drain on brown paper and keep warm until ready to serve. Serves 5 or 6.

Whipped cream or sour cream can be combined with frozen vegetables in a savory dish fit for a Christmas table.

FROZEN VEGETABLES DELUXE

1 package frozen French-cut beans
1 package frozen baby lima beans
1 package frozen peas
1 cup whipping cream or sour cream

Cook frozen vegetables separately according to directions on the individual packages. Whip cream so that it will hold its shape but not be too stiff. Choose a large platter, deep enough to hold the whipped cream as it melts, and arrange the vegetables in three separate layers; start with the green beans then cover with 1-3 of the whipped cream; next the lima beans and cover with another 1-3 of the whipped cream. Finally add the peas and top with the remaining cream. Serves 6 or 8.

In addition to the expected pickles and jelly, every Christmas tables needs one special preserve. Cranberry prune conserve needs only 20 minutes to cook.

CRANBERRY PRUNE CONSERVE

4 cups fresh cranberries
1 cup pitted prunes
1 tart apple, peeled and cored
1 lemon, quartered and seeded
2½ cups sugar
¾ cup water

Put cranberries, prunes, apple and lemon through food chopper. Combine with sugar and water in saucepan and cook slowly until thick, about 20 minutes. Stir frequently to prevent sticking. Pack in hot sterilized jars; seal with paraffin. Makes about four 6-oz. glasses.

Pears are pretty on a holiday table when tinted pink with quick cranberry sauce. They may be served whole or halved as preferred and the flavor can be varied by adding either chopped fresh mint, a cinnamon stick or whole cloves.

PINK PEARS

Peel pears, leaving whole or cut in half. Arrange in glass baking dish and add juice drained from quick cranberry sauce to cover. Cover dish; bake in a moderate oven (350 degrees F.) until pears are pink and clear.

Serve very cold, garnished with spoonsful of quick cranberry sauce. Add either chopped fresh mint, cinnamon stick or whole cloves.

To make quick cranberry sauce, combine in sauce pan 1 cup sugar, 1 cup water and 2 cups fresh cranberries. Cook until berries pop about 10 minutes.

BAKED ONIONS TURKISH STYLE

OLD ACCOUNT IS SETTLED

HERMLEIGH — It pays to keep old records or at least W. C. Fargason post master at Hermleigh says it does.

Monday a man came into the post office, introduced himself to Fargason and said that he had lived here until he moved away with his family almost 30 years ago. The man had been a boy at that time. He asked Fargason if his father hadn't owned an account to the Fargason Brothers Grocery and Hardware store when they left. Fargason and his brother, J. L. Fargason now of Snyder operated the store then.

A search through old account books showed that $39.43 was owned by the man's father at that time.

Yesterday a check for $39.43 came in the mail for Fargeson.

In most places the deeper parts of the ocean are colder than the surface, but in the Arctic, ocean water is warmer far below the surface.

Nervous Bandit Unable To Carry Out Robbery

BALTIMORE (AP) — The would-be bandit who entered an East Baltimore grocery last night became so nervous and shook so violently that his revolver came apart in his hand and the lone bullet fell to the floor.

Mrs. Fannie Beall, clerk in the grocery, told police the bandit got down on his hands and knees to retrieve his bullet.

At this point, Mrs. Beall charged the man with a butcher knife and he fled—without the money, his bullet and parts of his gun.

Plaster work in the pyramids of Egypt is often still in good condition after 4,000 years.

RECORD SMASHING FIGHTER IN FLIGHT

This is the Republic XF-91 intercepter which made the first supersonic, rocket-powered flight ever to be flown by a U. S. combat-type experimental fighter in tests at the Air Force Test Center, Muroc Lake, Calif. The XF-91 uses two engines. One is a 5,200-pound thrust rocket turbojet used to approach the sound barrier. The other is a 6,000 pound thrust rocket engine to ram the plane past the barrier. The torpedo-like objects under the wing are spare fuel tanks with fins. Although perfomance figures are restricted, a supersonic flight is one in excess of 750 miles per hour, the speed of sound at sea level.

BOYLE'S COLUMN

Columnist Spanked For His Stand Against Tall Persons

By HAL BOYLE

NEW YORK (AP)—"Dear Mr. Poor Man's Philosopher:

"Can't you ever let well enough along? Recently you wrote an article saying you felt sorry for real tall people on account of they were a nuisance to themselves and had trouble fitting into a civilization built for ordinary-sized men.

"Well, you just broke the heart of my little boy, Elbert. He had always wanted to be a giant. Now he says if it's no fun to grow up to be a giant, then he'll grow back down and be a midget. He will, too...stubborn little type...hasn't grown an inch all week.

"This has my wife upset. She says, 'Isn't it bad enough to be married to a husband with a mind like a midget?'

"What we both want to know is: how can we make our Elbert want to be a giant again?

Indignant Father"

I guess the best thing to do is to give little Elbert the other side of the picture. A number of readers have written in to say there is no pleasure in life like being tall enough to reach up and dust yourself on the nearest elm tree.

It turns out most human Alps enjoy the air at their altitude and wouldnt lose 'an inch if they could. The positive advantages of being tall were best expressed by John Schmiedeler of the Salina (Kan.) Journal, who started knee-high to a telephone pole and recently was estimated by a local trigonometry student to have paused at six-feet-six inches.

"When I go to a parade, I see a parade, not the back of the neck of the man in front of me," wrote Schmiedeler.

"I can change a light bulb without danger to limb from shaky ladders.

"It's true that not all clothing stores welcome the sight of me stooping through the door frame. But there are those who do cater to the long man and they are increasing in number.

"I never had much trouble in the Army. I warned the draft board the day. I was inducted that clothing me was a government project from now on. And since it was either get me some uniform and boots or let me stay in the sack all day, I was outfitted quickly."

Schmiedeler said his puny five-foot-plus buddies had no edge over him in taking cover in time of danger. He recalled that during one night air raid alarm he dug "a slit trench across two hills and a valley before Bed-Check Charlie (the enemy pilot) got his engine warmed up."

"It's true that I bump my head on a door jamb occasionally, but I never get elbowed in the mush on a crowded bus," he wrote.

"There have been some tall men who, inferiority complex or not, did mighty deeds. Remember Abe Lincoln? He wasn't a small man. You wouldn't call Gustav V of Sweden a shrimp and he was a King."

As to my observation that tall men did get one bonus in the fact that an awful lot of girls like to lean on their shoulders, Schmiedeler says:

"I find the sweet young things rarely able to reach a shoulder. But, brother, do I get cried on just above the belt buckle!"

LEGAL NOTICE

CONTRACTORS' NOTICE
OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 17.871 miles of Gr., Strs., Base & Surf. from U. S. 87 to Borden C. L. (Howard Co.), and from Howard C. L. to U S. 87 (Borden) & Dawson Co's) on Highway No. FM053-1564, covered by B 1135-3-1, V 1803-1-1 & C 1803-3-1, in Howard Borden & Dawson County, will be received at the Highway Department, Austin, Until 9:00 A. M., Dec. 17, 1952, and then publicly opened and read.

This is a "Public Works" project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of Clarence Rea, Resident Engineer Colorado City, Texas, and Texas Highway Department, Austin. Usual rights reserved.

NOTICE OF SHERIFF'S SALE
REAL ESTATE

By Virtue of an Execution issued out of the Honorable 98th Judicial District Court of Dallas County, Texas on the 9th day of October A. D. 1952, in the case of H. H. Beckering versus John Pundt and C. A. Jarrell, No. 60425-D, and to me, as Sheriff directed and delivered, I have levied upon this 10th day of December A. D. 1952, and will between the hours of 10 o'clock A. M. and 4 o'clock P. M., on the first Tuesday in January A. D. 1953 it being the 6th day of said month, at the Courthouse door of said Scurry County, in the City of SNYDER, proceed to sell at public auction to the highest bidder, for cash in hand, all the right, title and interest which John G. Pundt had on the 10th day of December, A. D. 1952, or at any time thereafter, of, in and to the following described property, to-wit: A certain 60 acres of land out of the southeast quarter, Section 120, Block 97, H&TC, Scurry County, Texas.

Said property being levied on as the property of John G. Pundt and will be sold to satisfy a judgment amounting to $2,364.30 in favor of H. H. Beckering and costs of court and the further costs of executing this writ.

GIVEN UNDER MY HAND this 10th day of December A. D. 1952

Lloyd H. Merritt
Sheriff Scurry County, Texas
By L. E. Haymes Deputy

NOTICE OF COMMISSIONERS' COURT'S INTENTION TO FIX SALARIES OF COUNTY AND DISTRICT OFFICIAL AND TO DETERMINE WHETHER PRECINCT OFFICIALS COMPENSATION SHALL BE ON SALARY OR FEE BASIS FOR THE YEAR 1953 AT ITS REGULAR MEETING ON JANUARY 12, 1953.

WHEREAS, it is provided by statute that it shall be the duty of the Commissioners' Court of Scurry County, Texas, to set the salaries of the county and district officials, their deputies, or any of them, and the precinct commissioners and road commissioners; and

WHEREAS, as required by Article 3912e, Sub-Section 2 of the Revised Civil whether precinct officials, such as Constables and Justices of the Peace, will be compensated on a salary or fee basis; and

WHEREAS, such salaries and method of compensation will be determined by the Commissioners' Court at its first regular meeting on January 12, 1953.

NOTICE IS HEREBY GIVEN that the Commissioners' Court will meet on January 12, 1953, at its first regular meeting to set salaries of the county and district officials, their deputies, and the precinct commissioners and road commissioners, and determine whether or not precinct officials shall be compensated on a salary or fee basis.

GIVEN UNDER MY HAND AND SEAL OF THE COMMISSIONERS' COURT OF SCURRY COUNTY, TEXAS, this the 8th day of December, 1952.

Edgar Taylor
County Judge, Scurry County, Texas.

Wheat Grows In East Texas

AUSTIN, Dec. 11, (AP)—Recent rains and snow have sprouted dusted-in wheat and that already germinated is beginning to grow.

Green is showing in natural pastures in East Texas and other areas, the U. S. Department of Agriculture said today.

Its crop survey for the week ended yesterday noon also found that moisture penetration was so little in some extra dry counties that the wheat wasn't helped much.

"All the northwestern area needs more moisture to establish plants and warmer weather to stimulate growth," the USDA said.

Winter range and pasture feed prospects generally have been helped by the rain but supplemental feeding continues because the new growth has not reached the grazing point, even in East Texas. West Texas continues dry and feed supplies are short.

Harvest of commercial vegetables was active during the week on both fall and winter crops, except tomatoes. There was some movement of tomatoes to nearby markets, but shipping generaly has not begun. The winter potato crop in the Valley was in good condition, but later than usual.

Locations Spotted For 76 New Tests For Oil In West Texas

West Texas drilling activity maintained its slight increase last week with 76 applications to drill, including 20 wildcats, filed with Railroad Commission Districts 7-C and 8.

The number compares to 76 applications, including 17 wildcats, filed the preceding week.

Totals for the first 47 weeks of the year now stand at 3,460 field tests and 779 wildcats, a grand total of 4,239 tests for oil and a weekly average of 90.10.

Eight counties in District 7-C filed 31 applications, including six wildcats, while 18 District 8 counties filed 45 applications, including 14 wildcats.

District 7-C field tests are: Runnels, three; Sutton, one, and Tom Green, two.

District 7-C field tests are: Runnels, eight; Coke and Reagan, six each; Upton, three; and Crockett and Schleicher, one each.

District 8 wildcats are: Howard, three; Dawson and Mitchell, two each; and Borden, Crane, Garza, King, Pecos, Reeves, and Terry, one each.

District 8 field tests are: Midland, five; Andrews, four; Glasscock, Pecos, Terry, and Yoakum, three each; Garza, two; and Dawson, Ector, Howard, King, Martin, Reeves, Scurry, and Ward, one each.

Mr. and Mrs. Warren Boyd 3750 Avenue V, have returned from Belton where they visited Sgt. and Mrs. James Scrivener. They also visited relatives in Killeen.

Stolen Car Is Found Again

An automobile stolen from Pollard Motor Co.'s used car lot here Saturday afternoon was recovered in Big Spring yesterday, Walter Suttle, chief of police, said.

The car, a 1951 Dodge sedan, was apparently only one of a number of cars stolen by the same person in a succession of thefts throughout West Texas, Suttle said.

An Oldsmobile with the motor and transmission ruined was found abandoned near Twenty-fifth Street and Avenue T by police early Sunday morning. Suttle said the Oldsmobile was one stolen earlier that day in Pecos, Tex., and probably abandoned by the same person who stole the Dodge from Pollard Motor Co.

The Dodge was found in Big Spring near the Packard sales agency where that firm had been broken into, and a new Packard stolen from the sales room floor.

Suttle said that a man named William Rogers was arrested in Midland while in the stolen Packard.

Members of the Snyder police department are to go to Big Spring and return the Pollard car today, Suttle stated. Condition of the Dodge is not known.

TIPS FOR TOP

CHRISTMAS Gifts

ELECTRIC BLANKETS
For the best rest of your life . . . a Textron Electric Blanket . . . decorator colors . . . guaranteed for one year . . . a luxurious Christmas gift for the "Special one" on your list.
