OCHILTREE COUNTY HERALD

Official Paper of Ochiltree County

Official Paper of City of Perryton, Texas

VOLUME XXV — PERRYTON, OCHILTREE COUNTY, TEXAS, THURSDAY, JULY 16, 1942 — NUMBER 29

Forty-two Sheepmen in This County

Sheep and Wool Production is Profit Producing Business

Forty-two Ochiltree county stockmen handled sheep during the past twelve months, according to E. W. Thomas, county agent of the Texas A. & M. College Extension Service. This compared with six individuals who handled sheep in the county five years ago.

Almost without exception the men who have owned sheep during this period have made money each year. This has been true regardless of whether the animals were purchased feeders or ewes kept for breeding purposes.

Approximately 125,000 pounds of wool has just been disposed of in the county at prices ranging from 4 cents per pound advance to 32 cents per pound for actual sales. Sales of early winter lambs brought the growers from $9 to $14 per head when marketed prior to harvest.

There appears to be a real opportunity for farmers to cash in on some of their surplus grazing crops at this time by the use of sheep. This can be done either by purchasing feeder lambs or breeding ewes. J. H. Holland shipped two carloads of ewes with lambs by their sides last week and Harold Hawk is getting in a bunch of feeder lambs this week.

Emergency Loan Office

Emergency Crop loans for the production of winter wheat and other small grains are now available to farmers in Ochiltree County, and applications for these loans are now being received at Crop loan office, courthouse, by D. H. Harrison, field supervisor, of the Emergency Crop and Feed Loan section of the Farm Credit Administration.

These loans will be made, as in the past, only to farmers whose cash requirements are small and who cannot obtain a loan from any other source, including production credit associations, banks, or other private concerns or individuals.

As in former years, the money loaned will be limited to the applicant's necessary cash needs in preparing his land and seeding his 1942 grain crops.

Borrowers who obtain loans for the production of grain crops are required to give as security a first lien on the crop financed.

Following is Mr. Harrison's itinerary: Monday, 8 a. m. to 5 p. m., Perryton; Tuesday, 9 p. m. to 5 p. m., Spearman courthouse; Wednesday, 8 a. m. to 5 p. m., Perryton; Thursday, 9 a. m. to 12 noon, Booker, First State Bank; Thursday, 1 p. m. to 5 p. m., Perryton; Friday, 9 a. m. to 4 p. m., Spearman; Saturday, 8 a. m. to 5 p. m., Perryton.

Everything for the business office at Stewart Printing Co.

'These Are the Times That Try Men's Souls'

"The task that we Americans now face will test us to the uttermost.

"Never before have we been called upon for such a prodigious effort. Never before have we had so little time to do so much.

"These are the times that try men's souls."

"Tom Paine wrote those words on a drumhead by the light of a camp fire. That was when Washington's little army of ragged, rugged men was retreating across New Jersey, having tasted nothing but defeat.

"And General Washington ordered that these great words written by Tom Paine be read to the men of every regiment in the Continental Army, and this was the assurance given to the first American armed forces:

"'The summer soldier and the sunshine patriot will, in this crisis, shrink from the service of their country; but he that stands it now, deserves the love and thanks of man and woman. Tyranny, like hell, is not easily conquered; yet we have this consolation with us, that the harder the sacrifice, the more glorious the triumph.'

"So spoke Americans in the year 1776.

"So speak Americans today."—Franklin D. Roosevelt.

Sugar Office for Blue Mound and Balko Communities

Canning sugar certificates for the people of the Blue Mound and Balko communities are now available on Friday afternoons in their community. Persons desiring canning sugar may register in the home of Nell Beatty, Balko, on Friday afternoons from 1 to 6, during the canning season.

On the committee with Mrs. Beatty are Mrs. Fanny Whittaker and Mrs. May Pattison. War Ration Books of each member of the family must be presented, together with information on the amount of fruit canned last year, amount on hand now from last year and number of quarts you plan to can during the period for which the application is made.

Carload of Wheat to Orphan Home

Perryton Church of Christ Sponsors Gift Tipton Orphan Home

A big carload of wheat, 86,110 pounds, 1450 bushels, wheat when converted into flour will make sufficient bread to feed the 203 children in the Tipton Orphan Home for two years, left Perryton this week. This gift was made possible by the congregations of the Church of Christ at Perryton, Spearman, Gruver, South Flat and of individuals of Perryton, Turpin and Pampa. The donated wheat was loaded and handled by the Ellis Grain Co. without charge.

The wheat was shipped to a milling company at Altus, Okla. who will mill the flour and deliver it to the home at Tipton, Okla. as needed over the two year period.

G. W. Butler, secretary of the home, who was here to receive the wheat, says that this is the largest gift of food ever received by the home.

JUST HERE and THERE

What the Pampa News editorial page needs is a good laxative to eliminate the column, "Common Ground," written by R. C. Hoiles, said to be the owner of the newspaper chain of which the News is a part.

The staff of the News are a fine bunch of newspaper workers and they put out a great newspaper with the exception of "Common Ground." It's not right for them to have to carry the belly-aching, whining and bragging of this poor sport who evidently lost a nickel on Roosevelt's first election and has been cussing the "New Deal" ever since.

So we say, clean out "Common Ground," run a border around the space formerly used by the column and in the center of the white space, print the words, "Gone to the de-louser."

There's a lot of vacant lots around Perryton where the weeds are as high as a man's head. They're breeding places for grasshoppers and other insects. In some instances they cause blind corners and traffic hazards. A little later they'll dry up and become a fire hazard. City officials should see that the weeds are cut.

Hats off to that group of Perryton folks, the Church of Christ, that sponsored the gift of a carload of wheat to the orphan home at Tipton, Okla. People of this and neighboring communities gave enough wheat to provide bread for the two hundred boys and girls in the home for two years.

There's a sorry political situation up in Washington where the farm bloc and the labor bloc seem to be doing everything possible to bring on inflation. The powerful Farm Bureau is resisting government efforts to cut surplus farm production so that farmer energy can go into the more needed crops.

We have repeatedly appealed to readers of the Herald to turn in news stories concerning comings and goings in their family circle; news of graduations, weddings and deaths; school, club and church news; and anything else that is good, clean, legitimate news.

We welcome this cooperation. You are helping the newspaper

On the Home Front of World War II

(A weekly summary of developments in the Victory Program, prepared by the Regional Information Office, OEM)

Sugar was the topic of the hour on the Home Front in the Southwest this week, and while American shipping braves Axis mines and submarines to bring in more sugar, liberal allowances are being made.

This applies to canning both by housewives and institutions, and a "bonus" is even being allowed with War Ration Stamp No. 7.

The Office of Price Administration is emphatic in denying rumors that actually there is a sugar surplus. Max L. McCullough, region OPA Administrator, describes reports of bulging sugar warehouses as creating a distorted picture of the available sugar supply.

There is a severe shortage of sugar in some of the Eastern States, he said, because sugar is having to be moved by rail from Southern ports, and already jammed transportation facilities are not adequate for this abnormal wartime traffic. Many warehouses in the Southwest are taken up by other products that move faster than sugar. Hence the false impression that there is a sugar surplus.

Local rationing boards already have been instructed to allow wholesalers and retailers to increase their sugar inventories. Allotments have been increased to cafes, hotels, boarding houses and institutional users, if the number of meals they are serving has increased.

As a further liberalization of the sugar program, local boards that started out following Department of Agriculture estimates, and granted only six pounds per person for city dwellers and nine pounds of sugar yearly to rural residents for canning, have now been told to go ahead and issue certificates to the limit of one pound of sugar for each four quarts of finished fruit, where the circumstances merit that quantity.

These certificates for home canning sugar still are limited to the circumstances of each individual applicant. The board must weigh such facts as the number of quarts of fruit a family canned last year, how much it has on hand, and how much fruit is available to it for packing this year.

Farmers, too, are to be given extra sugar allowances at the rate of half a pound a week per person for seasonal laborers, such as cotton choppers, grain threshers, corn huskers, and other workers whom a farmer employs and boards in addition to his own family. This extra allotment of sugar is for the period of a seasonal worker's employment only. A farmer may apply to the local War Price and Rationing Board in the county where he lives for such an allotment.

Typewriters Needed: War Production Chairman Donald Nelson has appealed to American business to sell to the government as many typewriters as can be spared. In a letter to 25,000 of the largest users of typewriters, he has pointed out that the Army and Navy need at least 500,000 machines. Less than a third of this number can be had from manufacturers. A typwriter is an essential piece of equipment for every bomber, battleship, aircraft carrier, cruiser and destroyer.

Used typewriters will be bought by new typewriter dealers and factory representatives, serving as agents for the procurement division of the U. S. Treasury Department. The machines should be standard typewriters, made not earlier than January 1, 1935.

Bicycles Rationed: Bicycles have been added to the rationing program and Max L. McCullough, OPA region administrator, has announced that 4,173 machines will be allotted for sale in six Southwestern states during July. The actual date when county boards may begin issuing purchase certificates was delayed, to allow time for distributing application forms and certificates to the county boards. Mr. McCullough described eligibility as "broad" and as including "anyone engaged in a work which contributes to the war effort or to the public welfare." Beyond the hurdle of this eligibility rule, though an applicant must qualify under several other specifications.

Auto Part Trade-In Ordered: An order restricting production of spare parts for all types of automotive equipment to the minimum number required to maintain the efficiency of the country's motor transportation system has been issued by WPB. The order requires consumers, after July 15, to turn in to distributors a used part before accepting delivery of a new part, and provides that a new part may not be sold to replace a part which can be reconditioned by the distributor. In the central time zone, distributors will be restricted after August 15 to a 90-day supply of spare parts.

Manila Cordage Sought: The War Production Board, in cooperation with the RFC, soon will inaugurate a nation-wide campaign to acquire at fair prices, the stocks of manila cordage now frozen by WPB order in the hands of some 40,000 retailers and wholesalers. Estimates place the amount of rope on hand at 10 million pounds, all of which is critically needed for war purposes by the armed services.

Fur Prices to Stay Same: Prices for women's fur coats, jackets, muffs and other fur wraps are held at the same levels as prices charged last season for the same types of wraps and kinds of fur, under price schedule 178, issued by OPA.

Tires for Barefoot Tractors: OPA has announced procedure under which purchasers of new and rebuilt tractors, farm implements and other vehicles sold without tires, or "bare-footed," may get casings and tubes for these machines. The buyer of a new or rebuilt vehicle which is to be put to an eligible use must submit to his local War Price and Ration Board an affidavit from the seller giving a satisfactory reason for delivery without tires and tubes. The Board may then issue an original equipment certificate.

Careful Tea Brewing Urged: Although only 50 per cent of last year's deliveries of tea will be available to consumers, due to the cut in imports, careful brewing will make up a considerable part of the deficeincy. Careful measuring of the ingredients when making tea,

Wheat Harvest For 1942 is About Over

With millions of bushels of wheat piled on the ground in the Perryton area, wheat growers are now busy providing storage facilities. Practically all the wheat in the area is cut. It is estimated that not over five per cent of the entire acreage is unharvested.

Due to the fact that such a small part of the 1942 crop has been sold or hauled into regular elevators for commercial storage, it is hard to arrive at anything like an accurate check on the total yield. There is no question but that the general average is going to be as high, if not higher than in any previous year.

The loss from hail, rain, smut and other causes has been the lightest ever known, practically every grain being saved. With barns, sheds, garages and buildings of every description being pressed into service for storage; hundreds of new granaries going up, it will not be long until all wheat now on the ground will be in some kind of storage.

USES Closes Office Here for the Season

With harvest practically over, the United States Employment Service discontinued its office in Perryton on Wednesday, July 15. Since June 16, the USES has maintained an office here to aid farmers and laborers seeking work in the harvest.

R. C. Schultze, farm placement representative with the USES, has been in charge of the Perryton office and his cooperation has expedited the labor situation in this area during the harvest rush. This service is offered the farmers and workers free each year by the USES.

Band Concert on Main St., July 24

The Perryton Ranger Band will give a concert on the Main street of Perryton, Friday evening, July 24, at 9 o'clock. An interesting program is being arranged by the band under the direction of Glenn Truax.

As this is the night before the July Primary election, candidates will be given an opportunity to make short talks regarding their candidacy for office.

Buy a Utah Newspaper

Chas. W. Claybaugh, former advertising manager of the Ochiltree County Herald and for the past six and one-half years publisher of the Southwest Daily Times, Liberal, Kansas, has purchased the controlling interest in the Box-Elder News-Journal, Brigham, Utah.

Bill Long, for several years managing editor of the Liberal newspaper, will be associated with Claybaugh in the operation of the Utah newspaper. Long has been located in Salt Lake City for the past year as a junior civil service examiner.

The News-Journal is a semi-weekly newspaper and the only paper and printing plant in a town of about 8,000.

Long will take charge of the newspaper. Claybaugh is now located at Hays, Kansas where he is taking a special course for flight instructor with the army air corps. He will go to Utah at the close of the war.

Dr. and Mrs. James Kennedy, Denver, Colo., were guests Monday and Tuesday of Dr. and Mrs. Roy K. Sanford.

Service Flags Now On Sale in Perryton

Through the Ochiltree County USO-Victory Comtee, Service Flags can now be purchased in Perryton. Miss Elizabeth Huffhines, chairman of the USO committee in charge of this phase of activity, announces that arrangements have been made with the Orchid Shop to sell the flags for the USO. Misses Helen Marie Hudson and Sue North will be on duty at the Orchid Shop Saturday in charge of flag sales. Flags with one, two and three stars are available. The flags will sell for 35 cents each. There is a small profit on the sale of flags. The profits go to the general USO fund. It is the hope of the USO that every home, office and business house in the Perryton area that have members of the family or employees serving in the armed forces will obtain and display a service flag.

Local Man in Car Accident

Two young men were killed instantly and two were injured when a pickup truck struck a car parked on the side of the road at a point 2½ miles north of Kismet, Sunday morning at about 2 o'clock. The dead are Ray D. Smith, 18, son of Chas. Smith of near Turpin, Okla. and G. W. Taylor, 18, son of Mrs. George Smith who resides in south Liberal.

According to the story given officials who were called to the scene of the wreck, the car driven by Marion Cash with Ray Smith, G. W. Taylor and three young ladies as passengers had early Saturday night started to Meade to attend a dance, but having trouble with tires, they had turned toward Liberal and when reaching a point northeast of Kismet, more tire trouble occured.

While the young men were trying to make repairs, John Spencer drove up and offered to push the car to a station for service. While they were discussing the trouble, Spencer saw a car approaching from the east at a high rate of speed. Spencer immediately drove his car into a ditch, leaving half of the road bed to the approaching car. It is said that Spencer flashed his headlights to warn the approaching car, but failed to receive an answer to his signal.

Smith and Taylor it seems were trying to flag down the approaching vehicle. A few seconds later the pickup dashed into the rear fender of the parked car swerving to hit the young men who were hurled or dragged about 100 feet. The pickup was finally stopped about 400 feet further west, having turned over and is badly damaged. The driver, who it is said was Dean Whitehead with a Mead State park truck, was slightly injured. A short time later the Santa Fe Trailway bus arrived on the scene. After viewing the wreck and placing flares, the bus continued on its way to Liberal and informed officials.

The bodies of Smith and Taylor were picked up by the Miller ambulance and the passengers of the cars were brought to the city by officials.

The three young ladies, Maxine Dwyer, 615 North Prospect avenue; Dee Woodring and Martha Burton, 526 North Grant avenue, while suffering shock from the impact of the truck which struck their car, are not seriously injured.

Highway patrolmen were investigating the wreck Monday.—Southwest Daily Times, Liberal.

Hold Two for Grand Jury For Forgery

Bobby Roy Jeffcoat, age 16, and Carl Melvin Yarbrough, age 21, both of Aubrey, Texas, are being held in the county jail to await action by the grand jury on a charge of forgery. They were arrested Tuesday afternoon by Sheriff Talley. Jeffcoat was taken into custody at a local store and Yarborough was picked up at the Jewell farm near Perryton.

The youths under arrest had been working for Glenn Terhune during harvest and had about $30 each coming to them at the time they were arrested.

One check for $45 drawn on Mr. Terhune was cashed at the W. W. Virtue Dry Goods co., Monday. At the time Jeffcoat was arrested, it is alleged he was attempting to cash a $30 check drawn on Terhune.

Texas Voters in Armed Forces May Cast Absentee Ballot

The State Democratic Executive Committee of Texas approved a resolution permitting all party members in the armed forces of the United States to cast an absentee ballot. Such participation shall be in accordance with the primary election laws of this State.

The Texas election laws provide that absentee votes may be cast not more than 20 days nor less than three days prior to the date of an election. Applications for absentee ballots shall be made at the office of County Clerk.

Absentee voting in the Texas July 25 primary opened July 5 and will end Wednesday, July 22. A sample ballot for the Primary will be found in this issue of the Herald.

Patriotic Rally on August 22

While it has definitely been decided that Perryton will not celebrate in the usual manner on August 22, the 23rd anniversary of the founding of the town, it is possible that a gigantic patriotic rally may be held here on that day. A special committee to investigate all phases of such a rally was named by Aldon Bell, president of the Perryton Chamber of Commerce, at the Monday noon meeting of the directors.

Named on the committee were Carl Ellis, H. C. Sanford, C. Wedgeworth, Max W. Boyer and Van W. Stewart. The committee met Monday evening at the First National Bank.

Features of the rally discussed were a parade honoring the Gold Star and all Mothers of World War II, with patriotic floats, no advertising floats to be allowed in the parade. Army officials are now being contacted in an effort to obtain a military unit for the parade and exhibition drills. Gov. Coke Stevenson has been extended an invitation to make the patriotic address.

Carl Ellis, chairman of the county war savings committee and a member of the state committee, has contacted State Bond Sales Director Scofield for advice and help on the War Bond sale that would highlight the days program.

If sufficient of the above and other leads develop where every part of the days activities would have a direct bearing on the war effort, the commitee may decide to sponsor the rally, but under no circumstances will an effort be made to have a celebration such as in past years.

W. B. Reid Family Move to Wichita

Mr. and Mrs. W. B. Reid and daughter, Mary Lou, left Thursday for Wichita, Kansas to make their home. Mr. Reid is one of the executives of the W. W. Virtue Dry Goods Co. operators of a chain of ten stores located in Kansas, Oklahoma and Texas. Main offices are located in Wichita. Mr. Reid will be in the general office a part of his time, but the greater part of his work will be field supervision and buying trips to the Eastern markets.

The Reid family will be missed in Perryton. Mrs. Reid was active in church work and social activities.

Bill Reid was an active member of the Perryton Chamber of Commerce and had served as vice-president and member of the executive board. He was a member of the Rotary Club and the American Legion.

Summer Class Of Music Now In Session

The Summer School of Music offered free to pupils of the Perryton Schools is holding classes daily. Glenn Truax, head of the Music Department of the school, is in charge. At present, 82 are enrolled and more are expected as soon as harvest is over.

The music school will continue throughout the summer. Anyone who has not enrolled may do so now. Mr. Truax announced the following schedule for instruction:

Ranger Band practice: Monday and Wednesday, 8 p. m.

Choir: Tuesday, 8 p. m.

Junior High Band: Monday, Wednesday and Friday, 9:20 a. m.

Beginners Band: Monday, Wednesday and Friday, 10:10 a. m.

Grade Band: Monday, Wednesday and Friday, 11 a. m.

Beginners Violin Class: Tuesday and Thursday, 8:30 a. m.

Advanced Violin Class: Tuesday and Thursday, 9:20 a. m.

Drum and Bugle Class: Tuesday and Thursday, 10:10 a. m.

Advanced Clarinet Class: Tuesday and Thursday, 11:00 a. m.

Fire Call Tuesday Morning to Cafe

A short circuit in a motor in an air conditioning unit at Ralph's Snack Shack called out the fire department at 10:30 a. m. Tuesday. When smoke poured through the cafe, in went the alarm. Damage was slight to the unit.

CCC Bins Will Hold 177,000 Bus. Wheat

An Additional 64,000 At Other Points in County for '41 Wheat

Trucks are now hauling 1941 wheat owned by the Commodity Credit Corporation to emergency bins erected at Perryton, Huntoon, Farnsworth and Waka. This 1941 wheat is being removed from privately owned elevators at the above points.

To date, bins have been erected or material is on ground for erecting, at Perryton for 177,000 bushels of storage. This consists of 18 steel bins, 24 log cabin style wooden bins, and 40 prefabricated wooden bins. A number of additional bins have been ordered for Perryton storage but delivery is doubtful.

Waka has received 10 bins for 16,000 bushel storage with 15 more bins to be delivered. Farnsworth has 20 bins for 32,000 capacity and expect to receive five more. Huntoon has only received 10 bins with a capacity of 16,000 bushels out of 40 bins ordered.

Of the 210 prefabricated wooden bins ordered for farm storage, a few over one hundred have been received. Two carloads were received Wednesday. Farmers who have ordered bins are requested by County Agent Thomas to call and get them as soon as shipments arrive.

More Sugar For Restaurants Harvest Hands

More sugar for restaurants, drug stores, and all institutional and industrial users is available for July and August. Institutional users which includes food services, have their allotment increased from 50 to 75 per cent. Industrial users receive an increase from 70 to 80 per cent.

Special applications are not needed. Users can receive certificates for the extra allowance by applying at the office of the War Price and Rationing Board in the courthouse.

Farmers who employ extra help for use in harvest only and who board them in their own home may apply and receive an extra allotment of one-half pound per week per hired hand. In making application, farmer shall state that War Ration books of hired men have been or will be surrendered to him for the period of hire and that they will not be used by him; or that hired men have been issued no books or their books are not available, together with good and sufficient reason for their non-availability.

Funeral Monday For C. R. Redman

Mrs. Harry Phillips and son, Huston, accompanied by her brother, Johnny Redman of Booker and sister, Mrs. Joe Emke of Darrouzett went to Midlothian Saturday in response to a message telling of the death of their father, C. H. Redman. Funeral services were held Monday afternoon.

Mr. Redman made his home on a ranch south of Darrouzett for thirty years before moving to Midlothian.

The Road to Complacency . . . . . —By Knott

'Senator Wilbur O'Daniel Should NOT BE RE-ELECTED'

First, Senator O'Daniel should not be re-elected. This is said upon the basis of both his past achievements and his platform looking toward future policies. The record of Mr. O'Daniel as Governor and as Senator has largely been one of futile controversy. In the minds of many, he has to his credit the old-age pension law, but these many have over-looked Mr. O'Daniel's statement at Fort Worth, June 27, 1941, that he did not support this bill. Of vastly more serious import is Mr. O'Daniel's present attitude in the matter of national and foreign policies. He has given some perfunctory assurances, yet it seems incredible to The News that a man in Mr. O'Daniel's position could have made some of his recent campaign statements disavowing senatorial responsibility in the matter of the nation's war program, and contributing to overoptimism and complacency with the assertion that the armistice will come sooner than you people think." Granting his entire honesty of opinion, it is patent that he comprehends neither the full implications of the near-tragedy faced by the American people and the democracies of the world at present, nor the critical problem that will be presented at the close of the war.

Secondly, The News concludes that, as between the able records and discerning platforms of Judge Allred and former Governor Moody, there is little to choose. Judge Allred's tenure as Governor was one of constructive accomplishment, as shown by Mr. McKnight's articles. A man of decision and action in administrative position, he has capably filled his place on the federal bench as indicated by his record of a single reversal in the higher courts. His election to the Senate would be acceptable to The News.

Mr. Moody's administration as Governor of Texas was one of the most constructive in recent decades. He must be given credit primarily for pulling the state highway program out of a veritable slough of despond and establishing a policy that has given Texas one of the finest highway systems in the country. No man in Texas pulic life in recent years has shown greater courage. As a young district attorney, Mr. Moody met the menace of the Ku Klux Klan in Texas and turned it back in its first decisive defeat. Similarly he met and defeated the reviving issue of Fergusonism. In view of this record, it is not hard to believe that Mr. Moody, at the age of forty-nine, has turned aside from a lucrative law practice and the pleasant tenor of private life to meet the issue of O'Danielism out of sheer sense of duty to his state and to those who loyally supported him in his able political career of more than a decade ago. His election would be very pleasing to The News.

It has long been the policy of The News not to take part in primary campaigns in which there has been no greater issue than the election of one of several capable and dependable contenders. But The News considers the present campaign the most important senatorial contest in the recent history of the state. The successful candidate will in all probability participate in the Senate's deliberations at the close of the war. During this momentous period, Texas should be represented by a junior Senator who will support our traditional loyalty to the democratic idealism of Wilson—to the forward-looking concept of the Atlantic Charter of Roosevelt and Churchill.

This can be assured by the election of either Mr. Moody or Mr. Allred; it cannot be assured by the election of Mr. O'Daniel.—Dallas News.

Boyce House is Far in Lead for Lieut. Governor

Victory for Boyce House of Tarrant County in the race for Lieutenant Governor is seen by dozens of newspapers in towns throughout Texas. Typical of the comments are the following:

Our prediction is that Boyce House will be the winner. Yes, Boyce is a regular fellow and will make the State a mighty good Lieutenant Governor—Donna News-Advocate.

Our good friend, Boyce House, is being received fine by the people of Texas in his race for Lieutenant Governor, and the sentiment, 'Put House in the State House' is growing. A vote for House would be a vote well cast.—Fairfield Recorder.

Boyce House is running for office for the first time in a very busy life and seeks the job to be of service to his State. He has the support of an overwhelming majority of the newspapers of the State and was given an ovation at the recent meeting of the Texas Press Association.—Hidalgo County News.

I doubt that there is a town in Texas that he doesn't know someone in. He has more personal friends than any man I know. People in all walks of life know and like Boyce House and it is my personal opinion that Texas could not elect a better man to the office.—Overton Press.

He is well versed on things pertaining to the State and, to my way of thinking, is the best qualified man in Texas for the office to which he aspires.—Sanger Courier.

—FOR VICTORY! BUY BONDS—

● Farnsworth

Mrs. Leslie Willis and daughters visited Wednesday with her parents, Mr. and Mrs. J. M. Morgan.

Miss Rhetta Powell spent the week-end with her parents, Mr. and Mrs. John Powell, returning Sunday evening to the Arthur Swink home, where she is staying.

Mrs. Ferd Koehn, Oklahoma City, is visiting in the home of her parents, Mr. and Mrs. Ray Chase.

Donald Simpson was on the sick list Sunday. He is the oldest son of Mr. and Mrs. Harold Simpson.

Jack Morgan, who has been working at the Arthur Swink home thru harvest, spent the week-end with his parents.

Mr. and Mrs. E. D. Grebe were Sunday guests in the John Powell home.

Farnsworth had a nice rain Friday. This delayed the wheat harvest.

Mrs. Dorothy Simpson returned to the hospital Thursday for further treatment. Visitors with her Saturday were Darline Williamson, Rhetta Powell, Mrs. Belle Truax, Mrs. Henry Brown and Mrs. Harold Simpson.

Mr. and Mrs. Herman Hargrove and sons, Larry and Dudley, were Borger visitors Saturday.

Mrs. Roscoe Elliott and Mrs. Ruby Brown called Monday on Mrs. Herman Hargroves.

Ira Chase was taken to his home in Woodward, Okla., last week. He received a fractured leg in the harvest field and after a few days hospital treatment has been staying in the home of his sister, Mrs. L. R. Conner.—Mrs. E. D. Grebe, reporter.

—— FOR VICTORY! BUY BONDS ——

Mr. and Mrs. Leland Stewart, Amarillo, visited Thursday in the home of his parents, Mr. and Mrs. T. R. Stewart. They have just recently moved to Amarillo from San Antonio. Leland is in defense work.

—FOR VICTORY! BUY BONDS—

Mrs. R. H. Holland left Tuesday for a few days visit with her foster mother, Mrs. Mary Bolte, Alva.

Sample Ballot Democratic Primary

Ochiltree County, Texas, Saturday, July 25, 1942

I am a Democrat and Pledge Myself to Support the Nominees of this Primary

For United States Senator:
W. Lee O'Daniel, Tarrant County
Dan Moody, Travis County
James V. Allred, Harris County
Floyd E. Ryan, Harris County

For United States Congressman, 18th District:
Eugene Worley, Wheeler County
Lynn Miller, Gray County

For Governor:
Hal H. Collins, Palo Pinto County
Alex M. Ferguson, Grayson County
Charles Lavergne Somerville, Dallas County
Coke R. Stevenson, Kimble County
Gene S. Porter, Bell County
Hope Wheeler, Tarrant County

For Lieutenant Governor:
Harold Beck, Bowie County
J. Dixie Smith, Harris County
Alton M. Mead, Cameron County
Vernon Lemens, Ellis County
Boyce House, Tarrant County
Arthur R. Miller, Dallas County
John Lee Smith, Throckmorton County
Virgil E. Arnold, Harris County
Doss Hardin, Dallas County

For Comptroller of Public Accounts:
Clifford E. Butler, Harris County
George H. Sheppard, Nolan County

For State Treasurer:
Gordon Smith, Travis County
Jesse James, Travis County
W. Gregory Hatcher, Dallas County
Larry Mills, Dallas County
Harry McKee, Travis County

For Commissioner of the General Land Office:
Neil Day, Eastland County
Bascom Giles, Travis County

Give Wings to Victory on

American HEROES DAY

FRIDAY, JULY 17

Salute Ochiltree County's Own Heroes

Buy War Bonds-Stamps

The American Eagle is a symbol of the Freedoms our heroes are fighting to preserve. Help keep the Eagle flying—buy War Bonds and Stamps to the very limit on American Heroes Day. Make July 17th a day to show America and the whole world the way we feel about our home heroes. Show them not with just cheers and parades, but with action. Out in the field our boys need guns and planes and tanks. We must not . . we shall not fail them. Let's go over the top July 17, American Heroes Day.

Here's What Your BONDS Buy

To Help Our Boys!

$50,000 Buys A Pursuit Plane

$20,000 Buys A Light Tank

$10,000 Buys A Fast Fighter

Just one pursuit Plane costs $50,000—one Light Tank costs $20,000 or a fast Fighter Plane costs $10,000. That's a lot of money when multiplied by all the tanks and planes that the fighting forces need— but it's not too much to pay for victory. Let's all get behind the American Heroes Day bond drive with every dollar we can spare.

OCHILTREE COUNTY HERALD

Van W. Stewart, Editor

OFFICIAL PAPER FOR THE CITY OF PERRYTON AND OCHILTREE COUNTY

ENTERED AS SECOND CLASS MATTER AT THE POST OFFICE AT PERRYTON, TEXAS UNDER ACT OF CONGRESS OF MARCH 3, 1879

OCHILTREE, ADJOINING COUNTIES, 1 YEAR $2.00 --- OTHER POINTS, 1 YEAR $2.50
ALL SUBSCRIPTIONS MUST BE PAID IN ADVANCE

ANONYMOUS COMMUNICATIONS WILL NOT BE PUBLISHED IN THIS PAPER

ALL COPY MUST BE IN THIS OFFICE BY TUESDAY NOON TO INSURE PUBLICATION

Federal Sales Tax—The Answer

To all who operate family budgets, the need for a Federal Sales Tax should be perfectly clear.

War costs money. Tremendous sums—beyond those we ever dreamed of—must be raised to pay for the war machine that will eventually smash the Axis.

We all have a definite stake in the preservation of the American way and in the institutions we have built around us. These must be and will be preserved at all costs. Every American knows it and every American is ready and willing to do his or her utmost to help carry the load.

Where is the money to come from? This question has worried the Treasury and Congress for months. Every present tax source has been milked dry. Further strains on the heavy tax payers can represent only a drop in the bucket while adding enormously to their burdens and threatening their stability in the post-war adjustment. But there is an answer.

The sole remaining large-scale tax resource is in the hands of the people, in the pocketbooks of the millions who are doing war work. Government work or the countless other jobs that are necessary to keep a nation of 130,000,000 people fed, clothed and housed and—at war.

A Federal Sales Tax, spread over a wide area and over millions of people, will do three things:

1. It will absorb sufficient excess purchasing power to put a formidable obstacle in the way of inflation.
2. It will tap the only remaining large taxable source.
3. It will draw only on those who have money to spend.

In spite of the complications involved in setting up machinery for the collection of a Federal Sales Tax, it represents the only method which has been discovered for accomplishing these ends.

Worley is Returning to Washington

SHAMROCK, Texas, July 14—Congressman Eugene Worley of Shamrock, has cabled friends he will return to Washington as soon as possible in compliance with a directive issued by President Roosevelt, calling all members of the House and Senate now on active war duty, back to Congress.

Worley's cablegram came from a far-away Australian port where he is aboard a U. S. Aircraft carrier. The identity of the port and the name of the ship cannot be disclosed for military reasons but it can be said the port is a key United Nations naval base and that the aircraft carrier is one the Japs have claimed to have sunk on four different occasions.

Friends of the Congressman who are in charge of his campaign for reelection, do not expect Worley to reach the continental United States until after the July 25th primary. They point out the President's directive, issued June 17th but not made public in Washington until last week, asked Representatives and Senators on war duty to report on July 1 "or immediately upon returning to the United States," but that at least a few weeks would be required for Worley to make the hazardous and circuitous trip home.

Immediately on reaching American shores, Congressman Worley plans to head for his district to discuss the war with his constituents before resuming his duties in Washington. Worley will bring a wealth of first-hand information which will be helpful in shaping the future course of America in the far-flung battle for freedom.

Worley enlisted in the navy shortly after the sneak attack on Pearl Harbor, in keeping with a campaign promise to volunteer his services if he voted for a declaration of war. He said then he would return to Congress when the President called him.

Before going to the Australian theatre of war, Congressman Worley was stationed at Pearl Harbor for a few months. He took his naval training at Washington and received his basic military training while a student at Texas A. & M. College several years ago.

Gene was elected to Congress to represent the 28 counties of the Panhandle in 1940. He had previously represented the counties of Gray, Wheeler, Collingsworth and Donley in the Texas legislature for six years, and so popular was he in his legislative district, he had no opposition for a third term.

Worley is among the most influential of the newer members of the national House of Representatives, having been awarded membership on the following committees: Irrigation and Reclamation; Coinage, Weights and Measures; Election of President, Vice President and Representatives in Congress and War Claims.

Gene will not be able to get back to his district in time to ask your support in his race for reelection but his friends are conducting a quiet campaign in behalf of the patriotic young Congressman. They pointed out that length of service determines the influence and committee assignments of members and that it is to the best interests of the Panhandle to return Worley to a second term. Their slogan is, "Let's Make it a Landslide for Worley This Time."

Perryton H. D. Club To Meet July 22

The regular meeting of the Perryton Home Demonstration club will be held Wednesday afternoon, July 22, 2:30 o'clock, in the home of Mrs. W. L. Philyaw, 403 Southwest First St. Visitors are welcome.

Giles Stresses His Experience

Bascom Giles, Commissioner of the General Land Office, began the second week of his campaign for re-election, stressing the importance of experience in the office he now holds.

"To manage the public lands of Texas wisely and to preserve the valuable archives of this office, the commissioner must be imbued with the responsibility and knowledge of these intricate matters that only years of experience in the General Land Office can give," Commissioner Giles said.

He called attention to the fact that the General Land Office is the repository of the base title to every tract of land in Texas, and that extreme care should be exercised at all times to safeguard these important documents upon which the validity of every Texas land title is based.

Commissioner Giles invited those who have not done business with the land office to ask one of the 200,000 persons who have as to the type of service he is rendering as a state official.

Our Defenders Speak!

The Herald asks that men and women from this community serving in the armed forces write letters to this department for publication. Letters to relatives that would be of interest to the public will be published under this heading.

Long Beach, Calif.
7-3-42

Dear Herald Bunch:

I failed to receive the paper this week and sure did miss it. Let me tell you that it's really nice to get it and I sure hope that I don't miss too many issues. Needless to say that Esther enjoys it just as much as I do.

I'm in the print shop now and we're doing some printing, but not much yet. We've just started getting our equipment. Probably be some time before we have all of it. Our shop is located here at the Navy Landing. It's a very pretty place, right on the sea shore. All the sailors land here from the ships. There are lots of them in here at times. It's a sight to see, when the liberty boats start coming in from the fleet. When they have been out to sea for months and then hit port, they are ready to blow off a little steam, and they really take the town when they land. Being in the Navy is not bad at all. In fact, it's a swell branch of service to be in, and I'm sure glad that I volunteered when I did.

It's swell here. Just like a vacation with Uncle Sam paying the bill. Go down on the beach and loaf around and do most anything that you want to do. It's a great life. But it won't be this way always. So I'm making the most of it while I can. Probably never get another set up as nice as this. In fact the Navy really takes good care of her boys in a big way.

I guess that all of you are plenty busy there with the wheat harvest on. Wish that I was there to help you out. Had a letter from Esther's Dad and he says that they're going to have a big harvest there if nothing goes wrong. Sure hope that they get to harvest it and then get a good price for it.

I run across Thurman Moore every now and then. Don't know whether you remember him or not. He used to work at the Booster Station there. He is stationed at Terminal Island, which is not far from here. Before I was transferred here, I also ran across Bill Starnes at San Diego. He worked at Andy's Shoe Shop. Both of them like the Navy. I think that both are going to school and when they finish will go to sea. Moore is a yoeman third class and Bill is going to a signal school.

I hope to get a leave some day and come back there and see all of you. That will probably be a long time. But I will be back there some day. I'm treated grand here, but I really miss Texas.

Always,
"Gabby"

Swim and Party Given for Visitor

Miss Mary Katherine Allen and Miss Betty Jean Pugh arranged a delightful swimming party last Wednesday evening. Miss Mary Bailey, who is leaving soon for her home in San Angelo after spending the past month with her sister, Mrs. Frank Boyle, was the guest of honor.

After the swim, refreshments were enjoyed at the drug store and later the group attended the picture show.

Those present were Miss Neida Beth Dodson of Austin, Miss Mary Ellen Moss, Miss Margaret Jeane Orrill, Miss Peggy Thomas, Miss Arline Truax, Miss Eulene Wade, Miss Ann Herndon, Miss Sue Hargrave, the honoree and the hostesses.

Veal-Fain Vows Spoken July 4

Mr. and Mrs. William Lee Fain of Ashland, Aalabama, announce the marriage of their daughter, Miss Era Belle to Radio Operator Don W. Veal of Birmingham, Ala., on July Fourth in Tacoma, Wash.

The bride, a granddaughter of Mr. and Mrs. J. M. Bull of this city, was born at Ochiltree and lived there several years. She has visited here on numerous occasions, the last visit being in June when enroute home from her school in Dilkon, Arizona, where she taught on the Indian Reservation the past year. She expects to teach in Birmingham next year.

Mr. Veal is stationed at Ft. Lewis, Washington. Before going into army service he was employed in the post office department in Birmingham.

For the summer, the newly weds are at home, 608 South Ainsworth, Tacoma, Wash.

Double Ceremony Unites Two Sisters Seattle, Wash.

Two couples, all former residents of this community, were joined in marriage at a lovely church wedding held June 21 in the First Baptist Church, Seattle, Wash. The participants were Miss Berniece Winfrey and Mr. Albert Lewis; Miss Delta Winfrey and Mr. Dossie Burton.

The brides, daughters of Mr. and Mrs. J. S. Winfrey, made their home in Beaver County and Perryton for many years. Both graduated from the Perryton High School. Since the Winfrey family moved to Washington, Berniece has returned each winter to teach someplace in this neighborhood.

Both bridegrooms are employed in defense work. Albert is the son of Mr. and Mrs. Fred Lewis, 905 SW Fifth street and grew to manhood here. Dossie is a son of Mr. and Mrs. W. M. Burton of Hardesty, Okla., where he lived until about a year ago.

The Lewises are at home, 2124 California Ave., Seattle and the Burtons will live at 1714 N. Margurite St., Bremerton, Wash.

In Marine Corps

Dewitt (Wilson) Gibson, age 18, a stepson of Sheldon Wilson, enlisted last October in the United States Marine Corps. Dewitt, although born at Sayre, Okla., has lived in Perryton practically his entire life. He went through the elementary schools here and attended high school three years. He received his first training at San Diego. Since January he has been stationed at Mare Island, San Francisco. His address is USS Mississippi, 8th Div., U. S. Marine Guard, care Postmaster, San Francisco, Calif.

Have Three Sons In Army Service

Mr. and Mrs. L. T. Tucker have received word that their son, Marion of Albuquerque, N. M. will leave July 23 for Ft. Bliss, El Paso, where he will enter the army service. After induction he will go to Officer's Training School at Ft. Warren, Wyoming.

This makes the three Tucker brothers in the U. S. Service. Lee, a member of the New Mexico National Guard entered active service in the fall of 1940 and left for the Philippine Islands in August 1941. He is Sergeant in the Coast Artillery. No definite word has been received from him since a Christmas cablegram.

Gene, the youngest brother, enlisted in the Air Corps in April. He is working here until he receives his final call.

Gale Lane, Forgan, and Mr. and Mrs. Gene Tucker were Sunday dinner guests of Mr. and Mrs. L. T. Tucker.

E. W. LeMaster Still In Wichita Hospital

According to word received by the Herald this week, E. W. (Dub) LeMaster, Perryton wholesale agent for Magnolia products, who has been in Wichita, Kansas, for medical treatment, is improving.

Mrs. LeMaster writes, "Just a line to tell you how much we enjoy the Herald since we are away from home. E. W. is showing some improvement but his condition is still critical. He will probably have to remain in hospital for treatment several weeks." His address is Room 127, Wesley Hospital, Wichita, Kansas.

● Hospital Notes

Mrs. A. E. Simpson, Farnsworth, underwent a major operation Wednesday morning.

Roy Gurley, who has been working for his uncle in the Waka community, underwent an emergency operation for ruptured appendix Friday. His parents came in Saturday from Baxter Springs, Mo., to be with him. His condition is satisfactory.

Mrs. Geo. Yates was able to be taken to her home Monday evening. She was a surgery patient.

Tip Top Collingsworth had his tonsils removed Thursday.

Mrs. Ecton Lawrence was a medical patient Thursday and Friday.

Dr. and Mrs. O'Dell Ryan are the parents of a daughter born in the hospital Wednesday morning, July 15. The little lady weighed eight and one-half pounds and has been named Oma Dell.

A daughter was born to Mr. and Mrs. Chester Bartel of the Gray, Okla., community Monday, July 13. She weighed eight and one-fourth pounds and was named Clara Edna.

Marilyn Richardson is convalescing nicely following an operation and will probably be able to return home within a few days.

Loran, four year old son of Mr. and Mrs. Willie Sargent of Gray, underwent an appendectomy Saturday. He is doing nicely.

Leonard Noran of Booker is improving following an appendicitis operation of last week.

Jess Cudd was a patient over the week-end.

A premature son was born to Mr. and Mrs. Cecil Russell Sunday morning, July 12. The little fellow died that evening. He was named Leslie Olden. The mother, formerly Miss Betty Lewis of Booker, is receiving hospital treatment.

The ORCHID SHOP

Mrs. Harry Reimer of the Boyd, Okla., community underwent an appendicitis operation at the Beaver Hospital, Friday. Mrs. Reimer is the former Miss Eula Copeland, youngest daughter of Mr. and Mrs. J. D. Copeland.

Judge Harry N. Graves was elected four years ago to fill the unexpired term of the late Judge O. S. Latimore as a member of the Court of Criminal Appeals of Texas. He has actively participated in the work of the Court since that time, and has written his share of their opinions.

This court has disposed of the cases submitted to it, and is up with its docket, and he requests a second term at the hands of the voters.

Would it be wise to change the personnel of this Court at the present time?

The Library Corner

"It is chiefly through books that we enjoy intercourse with superior minds . . . In the best books great men talk to us, give us their most precious thoughts, and pour their souls into ours."—William Ellery Channing.

Some years ago Luther Burbank strolled into the library at Lancaster, Massachusetts and ran across Darwin's "Variation of Animals and Plants under Domestication." This chance meeting with a superior mind set Burbank to thinking and finally resulted in his determination at a career, but they will most surely affect it.

The records for this county indicate that the majority of our book-borrowers are young people. Their minds are naturally being influenced by the many books they are reading; their futures cannot help but be affected. Take these books away and there would be a huge gap in their education and training. With these thoughts in mind we have lately ordered many more brand new children's books for our shelves than adults' books. So the young people are reminded that they will find there several of the books they have lately been looking for. One book in particular, recently donated by Boy Scout Headquarters will be of interest to all scouts. It has to do with their Jamborees and is full of photographs.

The above doesn't mean, however, that the older folks have been forgotten during this season of hot, burdensome weather, when it is much more inviting to lazy about and read instead of working too hard, for during the past week we have received another loan of one-hundred-and-one books from the Texas State Library. Altogether 125 books have been added this past week.

Already the shelves are bulging—we need more room—so if you'll go and select your favorite, adding to the more than 300 that are out all the time, you'll make more space for later ones coming in.

"Books are the treasured wealth of the world, the fit inheritance of generations and nations."—Thoreau.

IT IS OUR SINCERE BELIEF
THAT IN PROPORTION TO ITS SIZE
NO OTHER OIL ORGANIZATION
IN AMERICA
IS CARRYING ON GREATER,
ESSENTIAL WAR PRODUCTION
THAN THE
PHILLIPS PETROLEUM COMPANY

In the peacetime laboratory, the symbol of research is the test tube. Sooner than we now expect, it may well serve as the symbol of victory.

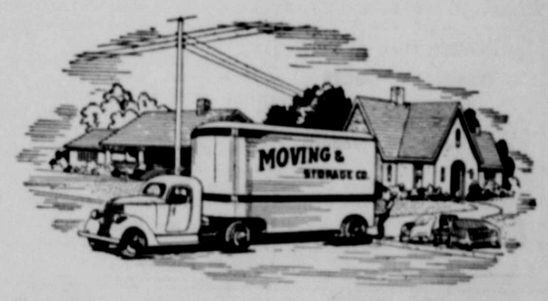
In search of product betterment, Phillips scientists have engaged in never-ending study and experiment. The benefits have flowed to car-owners in improved fuels and lubricants, at prices which gave ever-increasing value for the money.

Now, the work goes on at an accelerated pace because every facility, and the know-how painstakingly acquired through the years, are dedicated to winning the war.

Just as certain as peace with victory... is the fact that, when peace comes, Phillips 66 motor fuels and lubricants for your car will be better than ever.

Phill-up with Phillips *for Greater Mileage*

IMPORTANT NOTICE TO OUR CUSTOMERS



IF YOU ARE PLANNING TO MOVE

Read These New Government Regulations Limiting Extensions of Utility Service

In order to conserve materials for the war effort, the government, through the War Production Board, has issued new rules regarding service extensions by public utilities, effective June 23 and expiring September 30, 1942.

Under these new WPB regulations, we will not be permitted to build extensions to our distribution system to serve customers, except under the following conditions:

(1) The extension must not exceed 250 feet in length. (Including service line from distribution system to building to be served.)

(2) Building to be served must have been piped or wired ready to receive service prior to July 1, 1942.

(3) In case of new construction, foundation under main part of building must have been completed prior to July 1, 1942.

(4) Cost of material for extension must not exceed $1,500 for underground jobs or $500 for overhead extensions.

The above regulations apply only to ordinary non-defense extensions. In case of new consumer building projects bearing a preference rating of A-5 or better, we are permitted to use such rating in placing orders for material necessary to serve such projects without prior approval from the War Production Board, although this does not guarantee that the material will be immediately available.

Nothing in the above regulations applies to buildings already connected to our distribution system and which are piped or wired but are not now receiving service because of vacancy or for other reasons. Service to such buildings may be resumed at any time upon application at our office.

However, if you are planning to move into a new home or other building which will require an extension of our system to receive service, we suggest that you consult us before making any commitments or taking any action. We can assist you in determining whether or not service can be provided under the new government regulations.

Christian Science

"Life" is the subject of the Lesson-Sermon which will be read in all Churches of Christ Scientist, on Sunday, July 19.

The Golden Text is: "As the Father hath life in himself; so hath he given to the Son to have life in himself" (John 5:26).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The Spirit of God hath made me and the breath of the Almighty hath given me life" (Job 33: 4).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "God fashions all things, after His own likeness. Life is reflected in existence, Truth in truthfulness, God in goodness, which impart their own peace and permanence" (page 516).

You will like these services. Splendid attendance last Sunday and many compliments. Enjoy with us the cool of the morning at the Unified Service. Remember to be on time. "In at nine-thirty, out at eleven." Come thou with us, we will do thee good.

HOME DEMONSTRATION CLUB NEWS

● Council Report

The Ochiltree County Home Demonstration Council met in regular session, Saturday afternoon, July 11, at 3 o'clock in the county courthouse.

The state meeting of the Home Demonstration Association will be August 18-20 in Fort Worth. Since there are no elections this year Council plans to send only one delegate from this county. Each club is asked to give Miss Huffhines its opinion of this plan immediately.

If Perryton has a birthday celebration this year, why not have the Home Demonstration Exhibit on that date also? Mrs. A. L. Carter, exhibit chairman, is planning this year a county fair which will be open to every one in the county who wishes to enter exhibits.

Visitors present were: Mrs. James Blasingame, Mrs. J. R. Stump, Mrs. W. S. Thomas and Miss Elizabeth Huffhines, agent. Members present were: Mrs. B. E. Plummer, McMillen; Mrs. Albert Ackley, Missouri Ave.; Mrs. L. F. Waggoner, Notla; Mrs. A. L. Carter, Ochiltree; Mrs. Lake Patton and Mrs. Delta Davis, Perryton; Mrs. Dan Manning, Waka; Mrs. J. S. Slaughter, chairman; Mrs. Garland Redfern, vice-chairman; and Mrs. Erroll Flathers, secretary-treasurer. — Mrs. Albert Ackley, reporter.

—FOR VICTORY! BUY BONDS—

Bennett is Member Percheron Association

Emmett C. Bennett of south of Perryton, is one of 17 persons just elected to membership in the Percheron Horse Association of America, the largest record association of owners and breeders of purebred Percheron draft horses in the world.

The steadily increasing membership in the Association is but one of the results of wartime conservation of rubber and other materials. It's no longer an uncommon occurrence in any American city to see well-cared-for draft horses proudly parade the business districts, pulling heavy brewery trucks, spic and span milk carts, gay newspaper wagons. Whenever an order is issued to conserve rubber by eliminating truck deliveries in any industry, immediately that industry's leaders think of horses; not just any kind, but the best.

Victory Food Specials

Our farmers are on an all-out war basis. They are producing more food than they ever did before. Now and then, due to super abundant harvests, exceptional weather or wartime bottlenecks, unusually large supplies of some foods become available. They must be moved to market promptly or be wasted. They are called VICTORY FOOD SPECIALS. The more Victory Food Specials that are consumed the less will be the pressure on the foods needed for the war. Food markets are cooperating with retail merchants in featuring these specials in their stores. You can help prevent the waste of this food and stretch food money by buying these foods when the supply is over-plentiful and shipments need moving.

Broilers and fryers will be featured as the Special from July 20, through July 27. During this time poultry sales will reach a new time high due to a national increase of 19 per cent over 1941 in the number of chicks hatched. This large supply is the result of increased production to meet wartime egg requirements.

Increasing home consumption of poultry at this time will help conserve on pork and other meats urgently needed for the armed forces.

Serve chicken as often as possible during this season and help poultry producers market their surplus products. Chickens stored in the locker at this time would be an economical move for homemakers. For information on locker storage of chickens and ways of serving see your County Home Demonstration Agent or A. & M. College Extension service.

Wheat in Bins on the Home Front

Panhandle wheat farmers this week were storing hundreds of thousands of bushels of wheat in pre-fabricated bins purchased thru the AAA.

At the same time, Commodity Credit Corporation was setting up a number of steel bins and had ordered shipment of some large wooden bins to hold 1941 wheat moved out of elevators to make way for the current crop.

Despite all efforts, however, the wheat storage situation is extremely serious. Over most of the Panhandle farmers are being forced to pile their wheat on the ground while awaiting construction of additional storage facilities or shipment of prefabricated bins.

The latest wheat crop report of the Department of Agriculture emphasized the seriousness of the problem when the indicated Texas production jumped from the 44,325,000 bushels forecast on June 1 to 47,280,000 bushels on June 18.

Pre-fab bins are being shipped at a rate of about 100 per day from Texas plants to various counties in Texas, principally to the 55-county farm storage wheat area. The pace is expected to be stepped up somewhat during the coming week.

Farmers interested in purchasing pre-fabricated bins were urged to contact their county AAA offices as soon as possible.

Eugene Worley

Goes Back to Congress

AT THE REQUEST OF PRESIDENT ROOSEVELT

Congressman Eugene Worley sent word last week from a far-away port in Australia that he would return to Washington in compliance with a directive issued by the President, calling all members of the House and Senate who are on war duty, back to Congress.

It will require a few weeks for Gene to reach American shores but as soon as he does he will head straight for his district to talk over the war situation with you before resuming his duties in Washington.

Gene has been aboard a U. S. Aircraft Carrier at Pearl Harbor and off the Coast of Australia for the past six months. He volunteered his services to his country when he voted for war—just like he told you he would. He did what his predecessor, Marvin Jones, did in World War I, and what Senator Tom Connally did in 1917.

When he enlisted in the Navy in January, Gene said he would return to Congress when the President called him, and he is keeping that promise, too. He will return with a vast amount of first-hand knowledge of this war that will be helpful in shaping our future course.

Gene will not be back in time to ask you for your vote, but his friends ask you for him.

Let's Make It A Landslide For Worley This Time!

Vote for Eugene Worley for Congress

Continued from Front Page

and brewing of only as much tea as will be served are two conservation suggestions made by OPA's Consumer Division.

Rug Violators Warned: Rug manufacturers and distributors who persist in the practice of selling irregular sizes of wool floor coverings by combining key sizes in a single uncut length, thus obtaining the higher cut-order prices instead of roll prices, may expect immediate action by OPA. This practice, officials said, is a clear violation of OPA's price schedules.

Tire Misuse Checked: In a move to save rubber now being wasted through ignorance of tire care or neglect and abuse, rationing officials in the Dallas OPA region office have distributed to tire inspectors a set of instructions to help them determine when a tire is repairable and recappable and when it has been abused. This action is expected to give force to a provision in tire rationing regulations which authorizes local war price and ration boards to refuse tires to eligible purchasers who have misused those they have or driven them past the point where recapping is practical.

Men's Clothing Prices Rolled Back: A "rollback" of manufacturers' and wholesalers' prices for men's and boys' tailored clothing, recently effected by OPA price regulation 177, will enable consumers to buy suits, separate pants, coats and vests at March, 1942 prices. The order establishes ceiling prices for men's and boys' clothing by going back to various base periods earlier than March, 1942, and providing for a percentage markup which is added to the seller's price for the base period.

Birth Certificates Waived: Workers seeking employment in war plants where work on secret or confidential government contracts is being done no longer are required to furnish a birth certificate, War Manpower Commissioner McNutt has announced. Henceforth, the applicant will be required merely to sign a declaration that he is an American citizen. The declaration must be signed in the presence of an Army or Navy district procurement, factory or plant protection representative.

E. C. Nelson

Judge E. C. Nelson is a candidate for Chief Justice of the Court of Civil Appeals. This is one of the highest judicial offices in our State, one that demands the most thorough training and the widest possible experience. Judge Nelson has attended and graduated from the leading universities and law schools in our country, giving him an educational background of the highest order.

He taught school for five years before entering the legal profession, and served two years in the United States Army during World War I, fourteen months of his service being in France.

He has had a well-rounded legal experience. He has been a licensed attorney for more than 22 years. He has practiced law in all of our courts and has been judge of all courts of record up to the Court of Civil Appeals. As an appellate judge, he will be able, from his own experience, to review a case from the standpoint of both the practicing lawyer and the trial judge. He is now District Judge of the district composed of Potter, Randall, and Armstrong Counties, and his record as a trial judge is one of the best in the State.

Judge Nelson is 51 years old, just the right age to undertake the work of an appellate judge. He is old enough for maturity, experience, and judgment, and young enough for the years of hard work the position requires.

The size of the district has made it impossible for him to see all the people, but he solicits the vote and influence of all our citizens.

(Political Adv.)

Blue Mound

Mrs. George Brake and children, Mrs. Velma Brake and children and Grandmother Brake of Beaver visited Friday with Mrs. A. M. Morris.

Mrs. A. W. Wentworth of Enid visited from Sunday until Tuesday in the L. V. Noe home. She is spending this week in the Gray community.

Miss Thelma Stagner and her grandfather, Fred Clark left Tuesday for his home in Baldwin Park, Calif.

Sunday afternoon callers in the Pattison home were Mrs. Winnie Blurton, Mrs. Andy Morris and her grandson, Jerry Murphy and Mr. and Mrs. L. V. Noe.

Herbert Richards, Ryan, Okla., visited Sunday and Monday in the home of his aunt, Mrs. A. M. Morris.

Friends of Mrs. Horace Skeen hope for her a speedy recovery. She is reported quite ill at her home in Beaver. The Skeens lived in this community for many years moving to Beaver about three years ago.

Mr. and Mrs. Buster Murphy and son, Jerry of Amarillo spent Saturday night visiting in the home of her parents, Mr. and Mrs. A. M. Morris, Jerry remained for a longer visit, the others returning Sunday evening. The Murphys, Mrs. Morris and Mrs. Blurton called Sunday morning on Mr. and Mrs. Sidney Clark.

Mr. and Mrs. L. V. Noe and Paul were in Beaver on business Saturday.

Mrs. Lewis Rorabaugh and Mrs. Clyde Carrol returned Wednesday from a visit in Wichita, Kansas.

Mrs. A. M. Morris and daughter, Mrs. Winnie Blurton were Wednesday guests of Mrs. Lonnie Bull. Mrs. Blurton has been spending several days visiting in Crawford with her husband's parents, Mr. and Mrs. J. A. Blurton.

Mr. and Mrs. Custer visited Saturday evening in the Howard Barnett home.

Mr. and Mrs. H. E. Pattison were callers Friday evening with Mrs. Nell Beaty and Mrs. Emma Humphrey of Balko.

Mr. and Mrs. Cleburn Nelson spent Monday evening with Mrs. Hazel Peagin and Mildred. Tuesday together with LaVaun Pattison they drove to Guymon and Mr. Nelson took the bus for Oklahoma City where he reports for navy training.

Mrs. Grace Anderton, Stinnett, came in Saturday for a visit with her daughter, Mrs. Elmer Unruh.

It seems that a large number of cattle in this neighborhood are developing the "pink eye."

Henry Pattison and boys, Ralph and LaVaun, have been cutting wheat near Farnsworth. They finished Tuesday evening.

Mr. and Mrs. C. E. Knox, Alva, have been here looking after their harvest interests.

Mrs. May Pattison and Charles called on Mrs. Lena Partridge Friday.

Guests enjoying the Fourth in the home of Mrs. Lena Partridge were Mr. and Mrs. Harvey Reiswig and children of Follett, Mr. and Mrs. T. B. Morris and Mr. and Mrs. Joe Killman and baby, Carolee and J. W. Reiswig remained for a few weeks visit with their grandmother, Mrs. Partridge.

when you do this and at the same time providing public information about somebody or something you are interested in.

Some people refuse to cooperate with a newspaper in voluntarily providing news, but if we fail to carry a story about some particular event or person near to them, then we have the abuse heaped on us.

Newspaper folks are just humans. They have no supernatural powers of reading minds or picking out of the ether, all the news of the community. Don't take this attitude: "I know something, I won't tell, but if you fail to have a story about it, you're sure going to catch h——!"

So again, we're appealing for your cooperation, especially about our boys in the armed services. We want the news, you want it in the paper, so turn it in to us and we'll all be happy.

President Roosevelt, Secretary of Navy Knox and Secretary of War Stinson laid down orders to the several United States Senators and Congressmen who were on leave of absence from their jobs in Washington to choose between their political jobs in Washington or the military. So far as we've heard, every single one of them are on their way out of the armed forces and are hurrying back to their congressional desks.

Looks like the solons figure it's more patriotic to fight the battles of this war on the legislative front in Washington than on the front lines of the army, navy and marine corps.

Through the cooperation of Mrs. F. A. Edwards and Mrs. Blansit Carter of the Orchid Shop, the USO is able to offer to the people of this community, Service Flags for homes, offices and business houses. Flags on hand have one, two and three stars. They sell for 35 cents each, the small profit on the sale of each flag going into the general fund of the local USO.

Mrs. Cleve Hudson returned last week from a ten day visit in Los Angeles, Calif., with relatives. She accompanied her parents, Mr. and Mrs. W. W. Claunch of Canyon on the trip.

Canning Sugar Must Be Used For Canning

Canning sugar allowable under present regulations varies in amount according to the actual canning done by a family unit, its present supply and its reasonable needs not set at a fixed amount, Van W. Stewart, chairman of the Ochiltree County war price and rationing board, explained today.

"There has been a lot of confusion among some householders on this point," Mr. Stewart explained, "because the boards in some counties have been more strict than others.

"The State OPA office recommended on June 16 that canning sugar be limited to six pounds per person yearly in urban or city areas and to nine pounds per person in rural areas which is the national canning average."

"However, the State OPA office made it clear that this was not a hard and fast limit on the quantity of canning sugar allowable. It still is within the discretion of the local board to increase a canning sugar allowance up to one pound of sugar for each four quarts of finished fruit."

"All applicants for the 6 and 9 pounds national average or less will be handled at the time the application is made. Applications in excess of this national average will be referred to the Local Board to be considered at its next meeting.

"Of course, we have to consider each application on an individual basis, in the light of the number of quarts of fruit a family canned last year, how much it has on hand now, and the amount of fruit available to it this year which it expects to can. The size of a family is another factor.

"We realize that the canning sugar regulation imposes a great responsibility to administer. It is flexible. We must administer the regulation in a manner that will conserve the available fruit supply, and at the same time, carry out the objectives of the sugar rationing program."

For this reason, he said, the local board will ask for a strict account of the use of sugar, and its misuse for preserving or for any other purpose besides canning constitutes a violation of federal rationing regulations.

Mr. Stewart added that home canning contributes to the war effort, because it conserves fruit that otherwise might be wasted.

"It also supplements commercial supplies," he said, "and that cuts down the burden on commercial canning and transportation facilities which are already taxed beyond their capacity."

"Link up With Link"
For CHIEF JUSTICE
SEVENTH COURT of
CIVIL APPEALS

W. T. LINK
Clarendon, Texas
District Judges Pitts and Nelson should resign, and not draw their $34.00 per day salary from the State of Texas, while campaigning for Chief Justice. The tax payers will pay them $3,100.00 if they campaign 90 days. They have ignored my written request to debate this issue. The tax payers are NOT paying W. T. Link's campaign expenses.
