L.B. Elliott Speaks To Parent-Teachers

Parent-Teacher Association of Primary School met Tuesday afternoon in the school auditorium for a talk on finances by guest speaker, L. B. Elliott.

Elliott spoke on "The Family Master or Servant of Finances?" a part of the year's theme of seeking to understand the family. He is executive secretary of Colorado's

five years from now," the speaker said.

Elliott explained the importance of having and using a bank account and a saving account. He told parents and teachers how necessary it is to have good credit reference. Even though one might be able to pay cash for a purchase, it sometimes is good idea to use a financing plan, so a credit reference will be established.

The local mortgage banker warned his audience that there are times when retailer makes more profit from the time payment plan than from the actual sale of the item. The purchasing of a home is perhaps one's largest investment but in the end, it is the cheapest rate of interest of any type

of loan, which runs from 4 percent to 8 percent," he said. He added that some other types of time payment plans change as much as 19 percent interest.

Business meeting was presided over by the president, Mrs. Ruth Barnett. After welcoming guests present, she extended an invitation to return next month when Primary PTA will be host to Hutchinson PTA. T. D. Wiman, school counselor and guidance director, will be the speaker. His subject will be "The Family Is Education Our Affair?"

Room attendance prizes were won by the class of Mrs. Weldon Moore. Social hour was hosted by Mrs. A. K. McCarty, Jr. and Mrs. Merle Brock.

Since this is several months earlier than under previous wool programs, the Chairman urges that producers avoid possible confusion by filing applications on time.

wishes of the majority of people. There are some larger cities where it might be good," Earnest said, "but I just don't think that's true here. Colorado City house rent has never been as high as in surrounding towns."

"To me," he added, "it's just the old cradle to the grave. Just the 'I can get cheap rent when I'm old, so why worry now? Once started, there's never any end to it.' It's quite clear they do not pay for themselves," he said after citing the cost of half a million for the ones already built here.

"At 4 percent interest they'd have to bring in \$20,000 a year—which they don't. Texas paid by the low-cost housing units here are ridiculously low for school, state, etc. It's about \$1,200, I think. And there are fewer and fewer rentals for private property." Earnest concluded his remarks with "it is time to call a halt to what we let the Federal Government push down our throats."

Burt's resolution, read then was swiftly passed. Applause from the delegation sitting in the spectators gallery finished that segment of the Council's session. The delegation and their two spokesmen departed.

Later in the same session, Jess Craddock Sr. and J. C. Pritchett were appointed to new two-year terms on the Colorado City Housing Authority board. Also members of that authority here are D. M. Jake Merritt, R. B. Baker and R. H. "Harry" Ruff, whose terms run until Dec. 15, 1964.

Price, was secretary for the Austin office of the late Mr. Dickson.

In Sweetwater, the first candidate to announce for the post being vacated by Carraker, Temple Dickson the 2nd is an active member of First Methodist Church, past vice-president and director of the Sweetwater Junior Chamber of Commerce. He is a member of the Lions Club, a director of the Texas Law Enforcement Foundation.

While a student in University of Texas, his major was Government. He also studied Government at American University in Washington.

Dickson plans an active campaign for the Legislature seat he seeks. "I shall make an earnest attempt to see all the citizens of the district," he told the Record.

The 80th District of Texas is made up of Mitchell, Nolan, Fisher, Dickens, King and Stonewall Counties.

Carraker's future political plans have not been made public by him in spite of active speculations voiced by observers. He did tell the Record Thursday, however, that "my mind is virtually made up and I plan an announcement next week."

Rumors throughout this area and political guessers in area daily papers have predicted that Carraker will run for the National House of Representatives. In that event, he would be seeking the Congressional seat now held by Omar Burleson, 17th Congressional District.

Roby, Carraker's home, is in 17th District. Colorado City is in 19th Congressional District, represented by Congressman George H. Mahon.

We are still Pilgrims

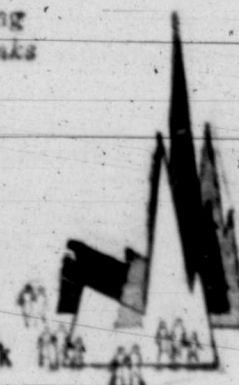

We no longer give thanks around a rough wooden table in a forest clearing. Our problems and rewards have taken different shapes too, but they are basically the same.

We are still making a pilgrimage, the same search for a fuller and more fruitful life under freedom of religion. And we are still thankful for the faith that sees us through adversity and guides us on that pilgrimage.

Thanksgiving Day was named for its meaning—the day that we come together to give thanks for our faith and our full life... and to remember that we are still pilgrims.

This Thanksgiving Day, give your thanks, strengthen your faith, enlighten your pilgrimage, at your place of worship.

Wallace Grabs Game By One Point

After a frigid first quarter that put them behind as much as 14 points, Coach Billy Smith's Wallace Wildcats bounced back to edge Odessa's Blackshear High School Steers, 57-56, in a basketball thriller played in the Blackshear Gym.

The Wildcats were never ahead until Frank Biggers sank a 35-foot shot with 58 seconds remaining in the fourth quarter to give Wallace a 55-54 lead. Eddy Campbell scored an important rebound under the Odessa goal and passed to Biggers who duplicated his previous shot to make it 57-54 with only 45 seconds left.

Chlorine Redie hit two great shots for Odessa to reduce the Wildcats' margin to 57-56. Richard Hendrix, with an opportunity to tie or win the game for Odessa, missed on a "one-and-one" situation with only 15 seconds remaining. In the ensuing battle for the rebound the Wildcats were given the ball out of bounds, and the game ended with the Steers frantically trying to break up the Wildcats' stall.

Top scorer for the Wildcats was Hendrix who finished with 18 points and 11 rebounds. Campbell and Willie Hill wound up with 15 and 11 points, respectively.

Hendrix was high pointer for Odessa with 16 points. Teammates Redie and Billy Harris contributed nine each. Odessa led in field goal shooting, connecting on 23 of 56 attempts for 46 per cent, while Wallace hit only 22 of 67 for 32.8 per cent. The Wildcats, however, atoned for this shortcoming at the free throw line. They made 13 of 21.

Mr. and Mrs. Floyd Leach and family of Roscoe recently visited in the home of Mr. and Mrs. Frank Wilson.

Wallace Wins Three From Slaton

The Wallace A team, B team, and girls' team, won games from Slaton in the Wallace gym on Friday January 16th.

Wallace A team swamped the Slaton team by the score of 114-45. Five of Wallace's ten players who saw action in the game hit in double figures. They were Frank Biggers 30, Willie Hill 17, Oscar Amos 17, Eddy Campbell 16, and Jesse Burton 14. Although Clifford West made 17 points and Jerry Thomas made 10 points for Slaton, the visitors could seem to do but one thing and that was give the ball to Wallace for two points. The Wallace defense seldom let the offensive five of Slaton get to their goal as Jesse Frank, and crew stole the ball repeatedly. Wallace had a 43-27 halftime lead.

The Wallace B team, behind Donald Irvan, took a 39-19 win over the Slaton B team. Bill Don scored 10 of the 39. Other pointmakers for the junior team were Isaac Williams 9, Wayne Russell 8, Willie Brown 8, Clarence Cloud 2, and R. J. Green 2. The highest of the visitors could get was 4 by individuals. However, four of the visitors got four points each.

The Wallace girls got in the win column again with a 39-17 victory over Slaton. Joyce Lewey, a player who seems to get better each game, scored 17 points for the locals. Lonnie Williams, 10, and Doree Bender also made points for the winners. Mary Starling, Elouise James, Evelyn Biggers, and Bertha Walshall should be commended for their guard service.

On January 16, Wallace plays McCamy in Colorado City. Wallace travels to Plainview Saturday.

Mr. and Mrs. Floyd Merket recently visited in Colorado City where they saw their baby grandson, son of Mr. and Mrs. Lucky Merket.

Chevrolet's new low-cost quality delivery truck!

This introduces you to Chevy-Van—our new economy delivery truck.

It has a low price tag, over 40 sq. ft. of completely usable flat floor 7½ ft. long, the engine up front, and a lot of quality features which make it a better buy. The body and frame-floor are welded together. The truck is strong, rigid, stable. Doors are double-wall construction.

Chevy-Van has unusual resistance to rust and corrosion. Especially vulnerable areas such as front stepwells are galvanized. Sealers are used at all critical joints inside and out. Certain sections are treated with high-zinc-content primers; others with an aluminum-wax preservative.

The windshield is a big flat practical one-piece unit. The big 90-hp 4-cylinder standard engine is more powerful than some 6s, yet is remarkably economical. If you need more power, Chevy-Van offers a 120-hp six at extra cost. Side doors and rear windows also cost extra.

Last but not least, it's a Chevrolet. Which means that it is built to work for you a long time at minimum cost.

Telephone your Chevrolet dealer about Chevy-Van or any type of truck!

Shrinks Hemorrhoids Without Surgery Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain, without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like: "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called *Preparation 100*. At all drug counters.

Should you pamper a Princess?

Depends on which princess—the teenager or the telephone. All teenage princesses—so we're told—glory in a little pampering.

But the Princess® telephone is so well made and trouble free that no pampering is required. Just dust it occasionally or wipe it with a damp cloth.

That, plus a little care in handling, is all the attention any phone needs. And phones almost never need repair—but if something does go on the blink, we'll fix it promptly at no extra charge.

We think it's our job to keep right on improving your telephone service and making it of greater personal value to you.
