DESTROYED—The house in which Nathaniel McDonald lived with his wife and their five children was lifted from its foundation

blocks and moved several feet and dropped by the storm that struck Blossom Sunday evening. No one in the family was seriously

injured, though all were in the house. Damage in Blossom was estimated at \$17,000. (Staff Photo).

Storm Damages Homes

A tornado struck Blossom Sunday night and destroyed one house totally and unroofed a house and an antique shop. The tornado was part of a spring storm system that swept across Northeast Texas with heavy rains, hail and damaging winds.

L.J. Mears, Blossom mayor, reported that the general damage in Blossom was minor, with the exception of the three structures, one located across the street from the other.

The family of Nathaniel McDonald, which includes his wife, Barbara, and five children, all escaped serious injury when their house was moved from its foundations and let down. All were taken to a Paris Hospital for examination, but only the oldest child and Mrs. McDonald were treated for

injuries. Dorcas Johnson and her brother, James Reynolds, were inside their house when the storm came up, and Mrs. Johnson said that all she tried to do when the twister hit was keep the door closed. The roof was severed from the house.

The roof of the antique shop of Nan Whittledge was taken off, but her house, located less than thirty feet away, was not damaged.

Blossom telephone service was disrupted, but was repaired by noon Monday, according to owner Bill Dorris. Service was also temporarily interrupted in some rural areas near Deport and Bogata, but was also repaired Monday.

In Bogata, hail covered the ground entirely in some areas, and extensively damaged gardens and crops. The

weather station in Mt. Vernon recorded 3.83 inches of rain.

The hail in Bogata, which was reported to be as large as golf balls and did damage to many cars and recreational vehicles, preceded a blast of the fire siren which lasted several minutes. The siren, which many residents thought to be a weather warning, had shorted out because of the heavy rain.

Approximately 500 claims have been filed with Bryson Insurance in Bogata on damages suffered during the storm, and the company is calling on each of its customers individually, whether claims have been filed or not, to determine damage.

Jo Nell Davidson with Mackey-Pierson Insurance in Deport said that several policyholders from Bogata had filed claims. These adjustment crews are working in Bogata, and a catastrophe number will be assigned for ease of settling claims.

Extensive damage was done by the hail to the air conditioning duct system at Red River Haven Nursing Home, and glass breakage was reported throughout the city.

Red Cross First Aid Course To Be Taught In Bogata

A course in first aid will be taught in Bogata at the elementary school cafeteria beginning this Monday by Marcus Roden of Paris, a qualified Red Cross instructor, and is sponsored by the Bogata PTA.

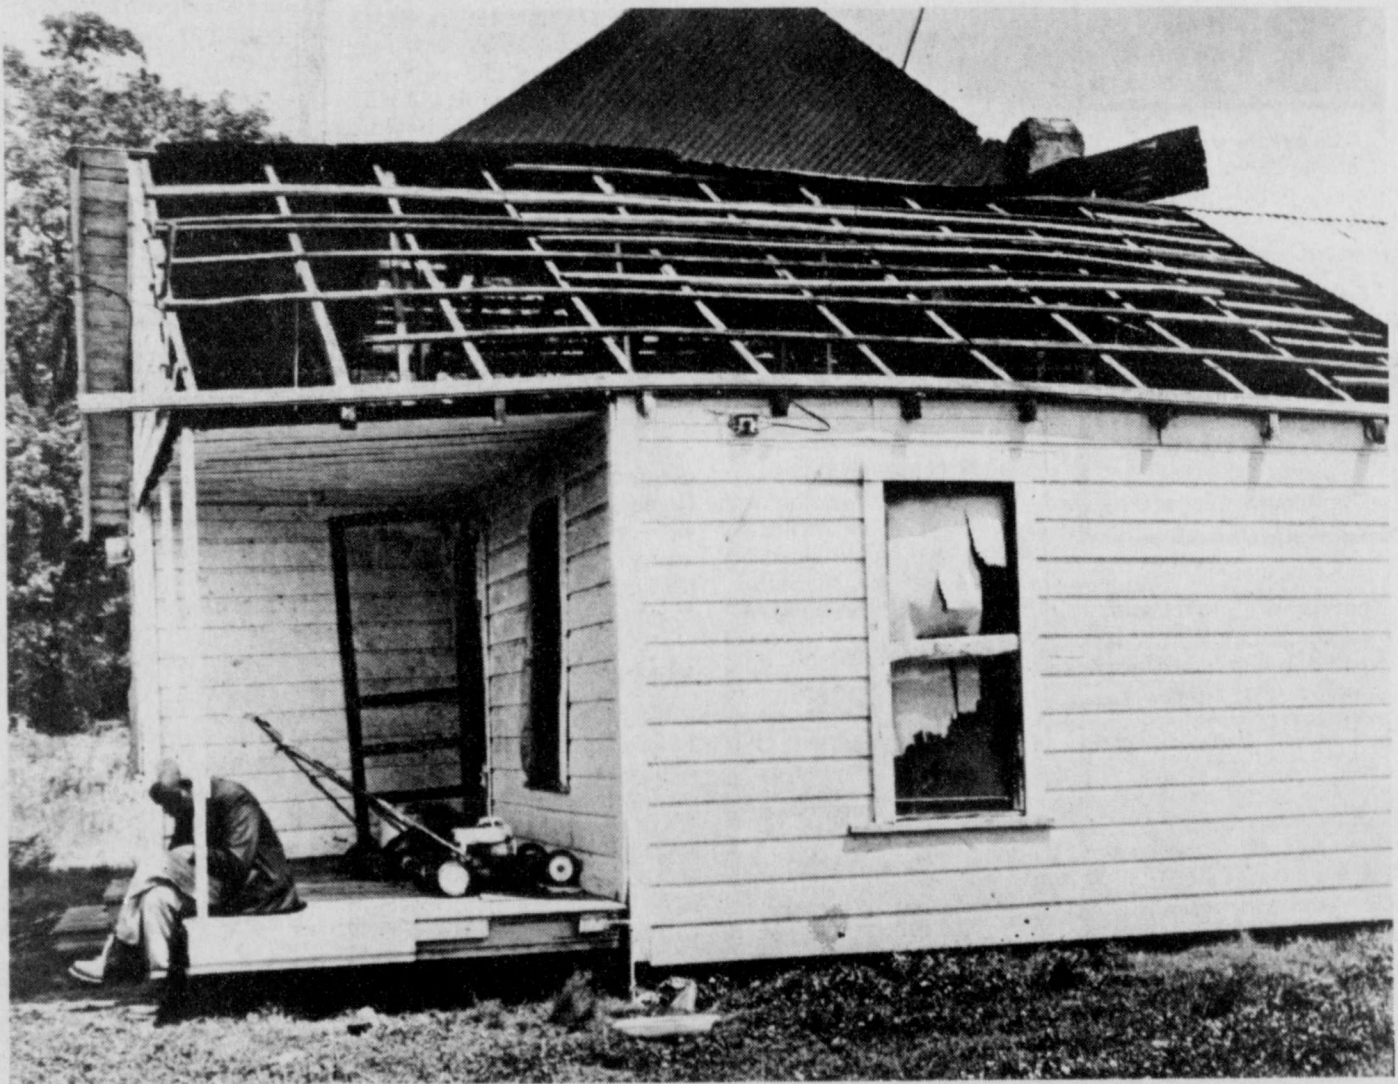

The course will be free, open to the public, and will be attended by the members of

Baker, Canfield

Place In U.I.L.

Mrs. Ann Roberts accompanied four Rivercrest High School Students to Arlington Friday afternoon, where they entered the U.I.L. Regional events on Saturday.

Entering the event were Patty Smith, shorthand; Sherri Taylor, typing; Virginia Canfield, informative speaking, and Mike Baker, prose reading. Mike Baker placed second in prose reading and Virginia Canfield placed third in informative speaking.

ROOF LIFTED—Dorcas Johnson tried to hold the door of her house shut when the tornado struck her home in Blossom.

Newspaper Advertising, Subscription Rates To Increase

An increase in advertising and subscription rates for the Bogata News, Deport Times and Talco Times effective May 1, 1974, has been announced by Robert W. Wright, publisher of the three

newspapers.

Spiraling production, personnel, postage and supply costs have forced the increase, Wright said. "Newsprint went up 25 percent the first of last month," Wright stated, "and other factors that determine the cost of our product have gone up as well."

The three newspapers are presently printed by the modern offset method that makes local pictures an attractive part of the package that is presented to the public weekly. Since the newspapers were sold to the present owners November 17, 1973, the circulation of the Talco Times has increased 42 percent, the circulation of the Bogata News has increased 44 percent, and the circulation of the Deport Times has increased 36 percent.

"We believe that our increased circulation is solid

proof that the public enjoys and approves of their newspapers now, and we think the people in this area deserve the very best newspaper we can give them," Wright said. "This improved product costs a great deal more than the other, however."

Subscription rates will be increased to \$4.00 for subscribers in Red River, Titus, Franklin and Lamar Counties, and to \$6.00 out of these counties. The postage rate increase that boosted first class rates to 10c per letter also boosted the rates under which newspapers are mailed.

Advertising rates will be as follows: Open local and national, 98c per column inch; 10" to 50" in calendar month, 84c; 51" to 172", 80c; 173" to 345", 75c; or more, 70c. Regular advertisers, those which run a 10" ad or more each week in a calendar

month will receive a 3c per inch discount. Local political advertising will be 84c per column inch.

Display classified advertising, which runs in all three papers, will be \$1.50 per

column inch, and word ads will be 6c per word with a minimum charge of 75c.

Legal notices will be 6c per word for the first insertion and 5c per word for subsequent insertions.

Rivercrest Rebelettes Win Second Place In District Track Meet

Montgomery Leads Squad To Region

The Rivercrest Rebelettes won second place in the high school division of the District 18A Girls Track and Field Meet Friday at Rivercrest. The girls trailed North Lamar, 172 points to 157. Ore City was third with 71 points.

In the junior high division, Rivercrest placed second with 131, trailing North Lamar again, which had 139 points.

The outstanding performance of the afternoon belonged to Rivercrest's Charlotte Montgomery, who placed first in the 60 yard dash, first in the 80 yard hurdles, first in the 100 yard dash, first in the high jump and first in the triple jump. She rolled up 50 of the points for Rivercrest, and placed first in every event she entered.

To Region

Montgomery will compete with the other Rivercrest qualifiers in the District Tourney at Kilgore Junior College Friday and Saturday, April 26 and 27.

The 440 yard relay team,

composed of Emma Hines, Shirley Lockhart, Betty Fulbright, and Terri Savage will compete in the regional meet, as will the mile relay team, composed of Velma Savage, Terri Savage, Sherrie Taylor and Vicki Broadway.

Denise Ward will compete in the shot put and discus. Jo Ann Mullins will compete in the high jump.

The Rivercrest 440 yard relay team placed second behind North Lamar with a time of 55.1, and the 440 yard

relay team also trailed North Lamar to place second. Rivercrest was third in the 880 yard relays.

Shirley Lockhart placed third in the 220 yard dash and Betty Fulbright placed sixth in the 60 yard dash. Donna Tippit was third in the yard hurdles.

Carla Strickland placed third in the 880 yard run with a time of 2:39.1, and Kathy Pirtle placed fifth in that event. Denise Ward came in second in the shot put and

Elisha Dugger placed third. Ward also hurled the discus 87'10 1/2" to place second in that event. Revonia Savage placed fourth in discus.

Jo Ann Mullin placed second in the high jump, followed by Emma Hines for third place. Terri Savage was sixth in the long jump.

In the junior high division, Rivercrest was second in the 440 yard relays, third in the 880 yard relays, and second in the mile relays.

Registration, Immunization Clinics

Superintendent Talmadge Morgan has announced that registration is now being held in the Talco-Bogata Schools for Kindergarten and 1st grade students for the 1974-75 school year.

Children must be five years of age on or before September 1, 1974 to be registered for the Kindergarten and six years of age on or before September 1, 1974 to be registered for the

1st grade. Children in the Bogata area are to be registered at the Bogata Elementary School with Principal Frank Stubblefield and children in the Talco area with Principal Robert Giddens at the Talco Elementary School. It will be necessary for parents to furnish a birth certificate at the time of registration. It will not be necessary to register children

presently enrolled in the Kindergarten for the 1st grade.

Parents of students entering school are reminded that their children must meet the State Health Department requirements on immunizations before they can be admitted to school. (Required immunizations are Polio, Diphtheria-Tetanus, Measles, and Rubella.)

An immunization clinic will be held in the Talco-Bogata Schools on Friday, April 26th at which time all pre-school children in the community are invited. This also applies to all future immunization clinics to be held in the school district in the hope that by the time children are old enough to enter school they will have completed all of the required immunizations.

Schedule for the Friday, April 26th immunization clinic is as follows: 9:00 a.m. — Bogata Elementary School; 11:00 a.m. — Talco Elementary School; and 1:00 p.m. — Rivercrest.

Variety Show Set At Rivercrest

The Annual Variety Show will be held at Rivercrest High School Friday night, May 3, at 7:30 p.m.

The show includes a talent show, pre-school style show, western play, baton drill team, and pretty leg contest. Participating are pre-school children through high school.

Rivercrest Members To Attend State Meet

Today's Concern — Tomorrow's IMPACT! is the theme of the 1974 state meeting of the Texas Association of Future Homemakers of America to be held in the Convention Center in Dallas, April 25-26.

More than 5,000 members and advisors representing over 68,000 members in 1,800

chapters throughout the state are expected to attend. Members are homemaking students in junior and senior high schools. Homemaking teachers serve as advisors.

Representatives of the Rivercrest chapters from Talco and Bogata are: President Marcelle Abernathy; First Vice-President Melea Goodroe; incoming Area VI treasurer, Virginia Canfield; incoming Area VI historian, Elishia Dugger; and junior chapter members Mari Gage, vice-president, and Kathy Brooks. They will be accompanied by their advisors Mrs. Blanton Gage and Mrs. Frank Stubblefield.

Dallas Cowboy quarterback Roger Staubach will be keynote speaker. Along with his professional football career, the Heisman Trophy winner has been active in the Fellowship of Christian Athletes, a member of the Governor's Drug Advisory Council and was the 1973 Easter Seal chairman.

The business of the Texas Association will be conducted at the House of Delegates session on Thursday evening, followed by a talent show featuring Areas I-V.

FHAers who have achieved unusual accomplishments by completing all three levels of Encounter Growth and Development program will be honored at a breakfast on Friday morning.

Circus Saturday In Bogata

The Fisher Bros. Circus, sponsored by the Bogata Volunteer Fire Department, will present its show under big top tents Saturday, April 27, at 6:00 and 8:00 p.m. at the Bogata Rodeo Grounds.

Tickets sold in advance of the event net more profit for the local sponsoring organization, and are \$1.00 for adults and children. At the door tickets are \$2.00 for adults and \$1.50 for children.

The circus invites everyone to come to the show grounds between 8:00 a.m. and 12:00 noon and see the tents go up, as well as the unloading, feeding and watering of the animals.

Elephants are used to put up the tents and to take the down.

Featured will be trained ponies, clowns, a hippopotamus, trained goats, trapeze performers, bareback riders, monkey, trained dogs, and a python snake that is 22 feet long.

Vocational Nursing Class Applications

Applications are being accepted for the seventh class of the Vocational Nursing Program at Paris Junior College, announced Mrs. Frances Herrington, director of the program. The program was initiated at the college in 1971 and the seventh class will begin Monday, August 26.

Since class enrollment is limited, those interested should submit their applications to Mrs. Herrington before June 1. Prospective students may call Mrs. Herrington at 784-6601, ext. 71, or write her at Paris Junior College, Vocational Nursing Program, Paris, Tex. Interviewing and testing of applicants is necessary before students are accepted, she explained.

The program includes a 16 pre-clinical period and 34 weeks of clinical training at St. Joseph's Hospital, McCuiston Community Hospital, and Red River County Hospital, Clarksville. After completing the 12-month program, students will receive graduation certificates and will be eligible to take the state board examination for licensure.

Harley S. Horn

Harley Stephen Horn, 77, retired welder and electrician, died Saturday, April 20, at 7:45 p.m. at his home, 414 S. Bryson.

Services were held Monday, April 22, in the First Baptist Church with Rev. Dickie Golden and Rev. A. I. Bond officiating. Bogata Funeral Home had charge of the funeral arrangements and burial was in the Rosalie Cemetery.

Mr. Horn was born April 19, 1897, in Malvern, Ark., son of Joe and Flora Herring Horn. He was a former resident of the Johtown community.

A veteran of World War II, Mr. Horn was a member of American Legion Post No. 45 in Clarksville.

He was married Dec. 4, 1951 to Miss Hester Goodwin, who survives, along with two sisters, Mrs. Nellie Batchelor, Orangeville, Calif., and Mrs. Eva Barnett, Wilmar, Ark.

"Any Congressman who has been in office so long should either try to go higher or get down and give somebody else a chance."

Lamar County Echo, Paris Texas

IN 1974, MR. PATMAN SAYS . . .

"I turned down two opportunities to run for the Senate because I wanted to stay in the House!"
Mr. Patman defeated Congressman Eugene Black 46 years ago (In 1928 when Calvin Coolidge was president). Now in his 80's, and having never "tried to go higher" as he said, it's time to "step down" and allow another qualified man to serve. It's time for a good change in Washington.

HEATING/COOLING:

Energy Saving Tips

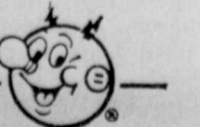

Insulation is an important factor in keeping your home comfortable and saving energy both in the winter and summer. You can save as much as 23% on fuel consumption if your home is insulated to FHA standards. And . . . fully insulated, with 6½ inches of insulation in the ceiling, 3¾ inches for the outside walls, there can be a savings of 45 to 55 percent. What does insulation do? It restricts the quantity of heat which escapes during the winter or comes in during the summer. So check into the advantages of full insulation. The more you do to conserve energy

. . . the more there

will be for everyone.

Talco Personals

Mr. and Mrs. Jerry Ray Hood, Scott and Theresa of Longview spent Saturday with his parents, Mr. and Mrs. R.G. Hood.

Mrs. Weatherall Hostess For Book Lovers

Mrs. J. H. Weatherall was hostess for the Book Lover's Club at her home Friday afternoon with all members present with the exception of Mrs. B. L. Gieger. After the club prayer and the reading of the minutes, Mrs. Cleon Sullivan, program director, took charge. She read an interesting article on "The War on the American Family," which was informative and entertaining. After discussion of the same she entertained the group with two quiz programs in which Mrs. Ollie Jones and Mrs. Loretta Foster were winners. After delicious refreshments were served the group was dismissed to meet again Friday, May 10, for a business meeting. At this time officers for the coming year will be elected.

Since the cemetery is the club's project the committee will make a report on same.
