

SOLDIER BONUS BILL PASSED BY CONGRESS

OVER \$200,000 DUE DAWSON CO. VETERANS

Senate vote heavily over-riding President's veto of the bill authorizing immediate payment of the 1935 bonus to ex-service men was made public early this week, and the bill is becoming a law. The bill called for payment to begin in this coming summer, these payments to be made in baby bonds. These bonds to be redeemable at post offices.

Dawson County World War Veterans will receive the sum of \$200,581.79 of this bonus money that will go to 3,500-4,000 World War Veterans of the United States.

According to reports of the Associated Press "government printing offices are already at work printing the application blanks. Within twenty-four hours, distribution of these blanks through 50 offices of the Veterans' administration, ex-soldiers' organizations and some members of congress. By

ATTENTION EX-SERVICE MEN OF DAWSON COUNTY:

Request has been made the Manager U. S. Veterans Administration, Dallas, Texas, to furnish application blanks for ex-service men of Dawson county to fill out in making application for baby bonds in exchange for your adjusted service certificates. The blanks should be here soon. Members of the local Legion Post will be glad to assist in filling your application.

Sam Richardson,
Service Officer Allen-Houston Post
No. 330 American Legion.

Filling them out, attaching their fingerprints and filing them with the veterans administration, ex-soldiers will formally apply for the \$50 bonds. Under the new law, these bonds may be cashed at local post offices beginning next June 15 or held to obtain 3 per cent interest.

Before the bonds are distributed, however, the blanks must be doubled checked at the Veterans' administration, an operation requiring 7,000,000 arithmetical calculations. Officials predicted that most of the veterans would have their bonds "by summer."

The receiving of this bonus money will surely help the ex-service men of this county as well as in other parts of the country.

215,000 Acres Crop Failure In Dawson County

All crops failed on 215,783 acres of crop land intended for harvest in 1934 in Dawson County, according to preliminary figures from the 1935 Federal Farm Census released recently by Director William L. Austin, Bureau of Census, Department of Commerce. Only 97,892 acres of crops were harvested in 1934 compared with 298,889 acres in 1929. The extreme drought of 1934 was responsible for most of this crop failure.

Principal feed crops harvested were grain sorghum for grain and hay, and corn used for forage. These crops harvested from over 57,000 acres.

Acres harvested and average yields were, respectively:

Wheat	58,484	1.13
Corn	51,760	121.27
Sorghum	40,285	36.909
Hay	28,251	10.935

Little figures show a small increase in other classes of livestock. Cattle of all ages on January 31 were 379 more than on April 30, but cows and heifers two years and over were 897 head less. Hogs numbered 28 percent, horses 9 percent, mules 32 percent. The 1935 inventory shows 5,322 horses, 3,465 mules, 4,297 cows, and 4,297 hogs.

The following information was also given out by the Bureau of Census, Washington, for Dawson County:

Dawson County Again Hit By Snow Storm

For the second time within two weeks Dawson County has been visited by severe cold weather and snow. Beginning early Wednesday morning snow and sleet started falling, and continued through the day. The temperature stood at 30 degrees above in the morning and dropped to 23 degrees by middle afternoon, and is expected to get colder by Thursday morning.

Streets and highways were ice covered in all parts of town, making walking and driving both very dangerous. So far we have heard of no serious accidents. It is thought that the cold winds and ice will do some damage to crops that have not been gathered. Livestock is reported to be standing the cold with very little damage.

The daily papers reported Wednesday that cold weather continued its icy hold on Texas from the Panhandle to the Gulf Coast Tuesday night, making highway traffic hazardous and threatening heavy damage to livestock. Slight damage to crops was reported in the Rio Grande Valley.

Lamesa Scouts Attend Banquet At Lubbock

Several Lamesa Scouts and Scouters attended the annual Scout and Scouter Banquet which is held for those interested in Scouting in the South Plains Area Council. The meal was at the Hilton Hotel in Lubbock, and many attended. Mr. J. D. Dyer made a speech in response to the welcome address by Mr. Oberholtzer. Mr. McClure (new Scout Executive for the Council) and his wife were introduced. He gave a short outline of the objectives of the Council for 1936.

New officers were elected for the year, and Mr. McMillan was awarded the Silver Beaver trophy for distinguished service to the youth of this county.

The pastor of the First Christian Church made an address, and Dean Gordon acted as toastmaster. During the meal some Scouts put on a freeze of the objectives of Scouting.

Those at the banquet from Lamesa were: Mr. Dyer, Mr. Joe Spikes, Homer Simpson and Harold Williams of Troop 23, Azil McClintock, Harold Lambeth, Elton Roberts, Durward Schmidt, Earl Jacobs, Dwight Morris, Skeet Noret and Richard Crawley of Troop 22.

Louie C. White Announces For Public Weigher, Precinct 1

We have this week been authorized to announce Louie C. White as a candidate for the office of Public Weigher, Precinct 1, Dawson County, subject to the action of the Democratic Primary in July.

Mr. White has the following to say concerning his qualifications for the office: "I have been a resident of this county for the past 16 years, and have during this time been a taxpayer. I have never before asked for a public office of any kind and feel that I am well qualified for the office I am now seeking. I will try to see each voter in my precinct personally before the election, and earnestly solicit the vote and influence of each and every one of you." Louie C. White.

AUCTION SALE AT W. F. VEASEY FARM

There will be an auction sale held at the farm of W. F. Veasey on this coming Monday, February 3, beginning promptly at 10 o'clock. Mr. Veasey lives on the Holton farm, 2 miles north of town.

Mr. Veasey states that there will be plenty to eat and coffee to drink during the day, and urges the public to attend.

He will offer for sale plenty of good livestock and farm implements, as well as many other articles. Look up his ad on another page of this issue and read what he has to offer. H. H. Barron will be the auctioneer and E. E. Barron, clerk.

COUNTY SCHOOL BOARD TO MEET FEBRUARY 3

The members of the Dawson County School Board will meet in regular session next Monday afternoon at 2:00 o'clock at the Dawson County Court house in the county court room. All members are urged to be present.

Tornado Basket Ball Team Wins Three Games Last Week

The Lamesa High School Basketball team won three games since our last publication. On Friday night the fast Tuscola team was defeated 23 to 18. On Saturday night the locals defeated Sweetwater 38 to 8 and on Tuesday night the Golden Tornado banner was victorious over Forsan by a score of 40 to 18.

The playing of the Gregg coached team has drawn the attention of scouts from the northern teams who expect to meet the Lamesa cohorts in the District meet. The coach of the strong Abernathy team spent Friday night here watching the game with Tuscola and diagraming Lamesa formations. Tuesday night found Coaches Chapman and Ayres of the Lubbock team among the visitors who were seeking to learn how to prepare the Lubbock offense and defense to meet the locals.

The Hardin - Simmons Freshmen team of Abilene will come here for their third year to play the Golden Tornadoes. This team has always been strong and is expected to be the strongest team yet encountered unless it be the team from John Tarleton College which played here during the holiday season and to whom the locals lost two games. The games will be played on both Friday and Saturday nights.

The Lamesa team is defending the County, District and Regional Championships for the fourth consecutive time. This is a record breaker for West Texas teams. The result is that the pointing of other teams is for the locals.

Some improvement was noted in the attendance on Tuesday night and local authorities state that there will be plenty of room and all the action desired by the most exacting in the two games to be played this week.

RAYMOND HATCH BUYS FATHER'S INTEREST IN GROCERY AND MARKET

Through a business transaction completed this week, Mr. Raymond Hatch became the sole owner of the M. Hatch and Son Grocery and Market, buying the interest of his father. The store will now be known as Hatch Grocery and Market.

Mr. M. Hatch and son, Raymond, have been in the grocery business in Lamesa for the past seventeen years, and have enjoyed a wonderful business during all these years. The store is located on the north side of the square and is one of the most modern grocery stores and markets in Lamesa. They carry at all times a complete line of fancy and staple groceries and fresh meats.

Beginning with this week the Hatch Grocery and Market are starting an advertising campaign in the Courier, and will continue each week with a large ad, giving the many bargains offered at their store. Look up their ad this week and every other week on another page of the Courier and read what they have to offer. Call around at the Hatch Grocery and Market and inspect their store.

MAYOR EDWARDS' CAR RECOVERED HERE

Mavor Ross Edwards of Lubbock was a visitor here for a short time Saturday to recover his automobile which was stolen from his home on Friday night. The car was discovered here by Sheriff Gus White on Friday night, when a strange man called at a filling station asking for a container in which to carry gasoline to a stalled car. Sheriff White, becoming suspicious, took the man back to the car, finding it to be the one stolen from Mayor Edwards only a few hours before. The man was arrested and held for Lubbock officers.

MEN SEEKING EMPLOYMENT ASK TO RENEW APPLICATION AT LOCAL N. E. S. OFFICE

Mr. Gorman, in charge of the U. S. Re-employment office here requests that every person seeking employment through that office call at their earliest possible moment and renew their application. About 72 men are now employed on the highway projects in the county.

Miss Lillian Miller has accepted a position with the Dal-Paso Beauty Shop.

Lamesa Wins Over Sweetwater, 38 to 8

Minus the services of a regular forward, the Lamesa High school Golden Tornadoes nevertheless went to town in a big way Saturday night to smother the invading Sweetwater High school quintet, 38 to 8.

Scoring was well distributed among the Lamesa players, Hilburn, guard, and Walker, forward, divided individual honors with five points apiece. Sandel was the other starting forward, Bristo the center and Boswell the other guard.

Coach Lester Gregg sent his second team in for the fourth quarter against the outclassed Sweetwater Mustangs. Lamesa led 6 to 2 after the first quarter, 15 to 3 at the half, 23 to 6 at the end of the third period.

The Tornadoes will meet the Hardin Simmons University freshmen cagers here Friday and Saturday nights this week.

26,384 Bales Cotton Ginned In County

Census report shows that there were 26,384 bales of cotton ginned in Dawson County from the crop of 1935, prior to January 15, 1936 as compared with 5,295 bales ginned to January 16, 1935.

R. S. Stanfield, Special agent.

Widow Of Confederate Veteran Buried Here Mon.

Mrs. Mattie Emma Hastings passed away last Sunday at the home of her daughter, Mrs. Della Shepherd, who resides in the Newmore community in Lynn County. Mrs. Hastings had been in ill health for some time prior to her death. She was born September 2, 1854, in Pike County, Arkansas, and was 83 years of age at the time of her death.

Her husband who preceded her in death several years, was a veteran of the Confederate Army. She was a member of the Methodist church and had been for sixty-nine years. Funeral services were held at the Higginbotham Funeral Home in Lamesa, at 3:00 o'clock P. M. Monday, January 27 with Rev. D. Cox, Methodist minister from Seagraves, officiating. Interment was in the Lamesa cemetery.

She is survived by one son, G. E. Hastings, Lamesa and four daughters, namely: Mrs. W. G. Adkinson, Lubbock, Texas; Mrs. Annie Shepherd, Anton, Texas; Mrs. Della Shepherd, O'Donnell, and Mrs. Fannie Cumby, Abilene.

MR. AND MRS. FAYNE WILKES MOVE TO ARTESIA

Mr. and Mrs. Fayne Wilkes and son left this week for Artesia, N. M. to make their home and where Mr. Wilkes has recently bought half interest in a grocery store. Mr. Wilkes' partner Warren Batie, is a former Lamesa resident. Messrs. Wilkes and Batie will move their present stock of groceries to a larger building, and with many new additions will have one of the most up-to-date stores in Artesia.

We hope for Mr. and Mrs. Wilkes much success in their new undertaking.

AMERICAN LEGION AUXILIARY MEETS FEBRUARY 3

Monday night, Feb. 3, is regular meeting night for members of the American Legion Auxiliary. All members are urged to be present as some important business will be transacted.

JOHNSON TRIAL RESULTS IN HUNG JURY FOR FOURTH TIME

At the conclusion of the trial of deputy sheriff John Johnson on a charge of murder in connection with the death of B. O. Best, the result was a hung jury. After forty-eight hours of deliberating the jury pronounced itself hopelessly deadlocked, eight to four for acquittal.

This is the fourth mis-trial for this case, having been tried in Dawson county once.

Mrs. W. K. Crawley is on the sick list this week.

Mr. and Mrs. W. V. P. Baker, C. W. Duke, Jr., and Mrs. John Cason spent last Wednesday in Lubbock visiting in the home of Mr. and Mrs. J. O. Jones and Mrs. W. S. Cross.

"Power on Parade" Modern Farm Picture To Be Shown Friday

A modern farm picture titled "Power on Parade" will be shown this coming Friday afternoon, January 31, at 2:00 P. M. at the Majestic Theatre. This picture will be shown absolutely free of charge.

Some of the world's largest and most modern farm machinery, together with one of the largest symphony orchestras ever assembled for this purpose play the leading parts in the new dramatic farm picture. It is something entirely different and entertaining in a factory and farm picture and has won the praise of critics and expert movie men wherever it is shown.

The power idea is carried right on to the modern farm in "Power on Parade" showing the latest ideas on power farming. It will be both instructive and interesting to all farmers and their families.

Every farmer in this territory is cordially invited to attend this free picture show. The show is sponsored by the Minneapolis-Moline Power and Implement Company and Hart and Cox, your local M-M. Twin City dealers. Don't forget the date folks, Friday afternoon, January 31, at 2:00 P. M. at Majestic Theatre. Look up the Hart and Cox Implement Company ad on another page of this issue and read what they have to say about this farm picture, "Power on Parade."

County Basket Ball Tournament To Be Held February 14-15

The annual Dawson County Interscholastic League Basketball tournament, held for the purpose of selecting this county's representative to the district tournament at Lubbock, will be conducted in the Lamesa High School Gymnasium, Friday night and Saturday, February 14 and 15th.

All teams eligible for participation in this tournament should communicate with Henry Norris, Director of Athletics, not later than one week prior to the above date. Reports from the schools of the county indicate that some excellent teams have been developed and that considerable interest and enthusiasm will be shown in this tournament.

Rapidly Closing Gaps In Highway Number Nine

Several more gaps in State Highway Number 9 are due to be closed within a short time.

The State Highway Commission lists as projects for which plans are near completion and on which bids on construction likely would be called soon the following:

In Howard county, 4.9 miles of caliche base and asphalt surfacing on Highway No. 9 from 16.2 miles north-west of Big Springs to Martin county.

In Martin county, 1.4 miles of caliche base and asphalt surfacing on Highway 9, from Howard county to Dawson county.

In Dawson county, 5.9 miles of grading and drainage structure from Highway 9 through Sparenburg.

BIG AUCTION SALE ON SPARENBURG GIN LOT

There will be one of the biggest auction sales of the season on next Tuesday, February 4, held on the Sparenburg Gin lot, with stock and implements belonging to E. E. Barron and Oley Shofner to be auctioned. The sale will start promptly at 10 o'clock.

All kinds of livestock and good farm implements will be offered for sale at this time, and the public has a special invitation to attend. Good eats will be served by the Ladies Missionary Society of Sparenburg.

H. H. Barron will be the auctioneer and E. E. Barron acting as clerk.

LOCAL BOY ACCEPTS POSITION IN FORT WORTH

Travis Vinzant, formerly of the Woody community near here, and who is now making his home in Ft. Worth, has recently accepted a position with Swifts and Company of that city.

Mr. Vinzant was offered this position largely because of his athletic ability, as he is playing basket ball in the Industrial League of Fort Worth with Swifts. We hope for him much success in his new undertaking.

REV. E. F. COLE HOLDING MEETING IN PORTALES

Rev. E. F. Cole, pastor of the First Baptist Church, left this week for Portales, New Mexico, where he will conduct a two weeks meeting. Rev. Willis Waldrop will preach at the local church on this coming Sunday morning, February 2, both morning and night services, in the absence of Rev. Cole.

On Sunday week, February 9, the District Missionary, Willis J. Ray of Big Spring will preach at the Baptist Church in the morning and evening.

Travis Key, student at John Tarleton College at Stephenville, is spending a few days visiting his parents, Mr. and Mrs. J. H. Key, and friends in Lamesa.

ELEVATOR & STORAGE FACILITIES PROVIDED

Construction began last Monday, January 20, on the Kimbell Milling Co. Elevator and Storage plant in Lamesa. The site for the plant was purchased from Kelsing-McBride Gin Co. and is on North Lynn Street where the gin formerly stood.

Installed in it will be the best loader for loading all kinds of grain, in the state. There will be storage room in the elevator for 150,000 bushels of ear corn and about 8 cars of threshed grain. The loader being installed will make it possible to unload a truck in fifteen minutes that it would take an hour to unload by the former method.

On the south west corner of this same block will be located the Hestand-Kimbell Wholesale Grocery headquarters and storage house. When all the buildings are completed they will cover about three-fourths of the block. This storage plant and elevator will be the best of its kind in the state when completed, according to Jno. A. King, who will be operator and manager. J. A. Pumphrey from Sherman, Texas, is the forman of the building and is among the best elevator builders, having built the grain elevators in Ft. Worth and Dallas. About \$300 a week is being paid out for construction labor at the present. It will take approximately three months to finish it and the cost is estimated at \$30,000.

Jno. A. King, who has been with the Kimbell Milling Co. for fourteen years will be the local manager.

Plans Completed For Presidents Birthday Party Friday Night

Lamesa has concluded organization of forces to stage the annual Birthday Party for the president on the evening of January 31 through appointment of committees to cooperate with Chairman W. K. Crawley.

Purpose of the party is to create funds with which to help victims of infantile paralysis and support research efforts to wipe out the disease. Social occasions similar to the one planned here are to be held in all parts of the county.

The President has approved the suggestion that 70 per cent of the proceeds raised by each local Birthday Party be retained in the community to be disbursed to local or adjacent orthopedic hospitals, or for the treatment or local infantile paralysis cripples, as each local committee decides. This allotment was first made last year; the plan worked well and has been approved throughout the country. Thirty percent of the proceeds will be turned over to the national committee for delivery to the President to be presented by him to the Georgia Warm Springs Foundation for the continuation and extension of its part in the national fight against infantile paralysis.

Instead of the Birthday celebration being in the form of a ball as it was formerly, Forty-two and Bridge parties will be held at the Band Hall and Dal-Paso Hotel respectively. The High School orchestra will render a thirty minute musical program at each place and there will also be other forms of entertainment. Judge Reed will give a short talk at the Dal-Paso regarding the celebration and A. G. Bearden will speak to the group at the Band Hall. The program at both places will begin promptly at 7:45 o'clock.

The following committees have charge of the plans and entertainment:

Chairman—W. K. Crawley.
Forty-two—Mesdames A. C. Woodward, and Bryant Fulkerson.
Bridge—Mesdames Guy Simpson and Jack Phinizy.
Arrangement Committee—W. L. Marr and W. A. Wallace.

Klondike To Sponsor Girls' Basket Ball Tournament, Feb. 7-8

The Board of Trustees and school officials of Klondike cordially invite the public to attend a girls basketball tournament at Klondike on February 7 and 8th.

Trophies will be given tournament winners, runners-up and sportsmanship award.

The sportsmanship award will be in the form of a banner, for this the coaches and tournament officials will be the judges. The conduct of the teams on and off the court will be taken in consideration. Klondike teams will not be eligible for the sportsmanship award.

Thirty of the outstanding teams within a radius of 100 miles have been invited to enter the tournament.

Meals will be served at the school at reasonable rates.

PLAY AT GRANDVIEW FRIDAY NIGHT

We have been asked to announce there will be a play entitled "Safety First" presented by residents of Grandview at the Grandview school house on this coming Friday night, January 31. The public has a special invitation to attend.

HULLS ENTERTAIN WITH BUFFET SUPPER

Last Friday evening directors of the Lions Club and their wives were graciously entertained by Mr. and Mrs. Dee Hull in their home on North Fourth Street.

A delicious buffet supper was served which consisted of chicken a la king, Spanish spaghetti, vegetable salad, peach pickles, hot rolls, strawberry pie topped with whipped cream and coffee, after which a business meeting was held.

Those present were Messrs and Mesdames: Louis B. Reed, A. G. Barnard, Guy Weeks, W. L. Marr, J. M. Harrington, J. J. Meadows, M. M. Beavers and the host and hostess.

1931 SEWING CLUB MEETS WITH MRS. HARRIS

The 1931 Sewing Club had its regular meeting last Friday afternoon in the T. A. Harris home on North Fourth St.

Quilting was diversion for the afternoon and after a very pleasant hour of social visiting a dainty salad course was served to Mesdames: A. S. Alsbrook, Sam Brockman, Guthrie Allen, Marvin Morris, M. H. Powers.

The club will meet this week with Mrs. Marvin Morris.

PHILATHEA S. S. CLASS HAS PARTY

Last Tuesday afternoon members of the Philathea Sunday School class of the First Baptist church were entertained with a party in the Olin York home on South Third Street.

After a series of popular games and contests had been played, a business meeting was held in which Mrs. Eugene J. Yates was elected new teacher of the class and Mrs. Mac Lindsey was elected assistant teacher.

A delicious salad course with angel food cake and hot tea was served to about thirty guests.

'LITTLE SLAM' BRIDGE CLUB MET FRIDAY NIGHT WITH COXS

Mr. and Mrs. W. E. Cox, Jr., were host and hostess to members and guests of the 'Little Slam' Bridge club at their home on North Third St., last Monday evening.

Four tables of bridge were in play throughout the evening and at the conclusion of the games the scores were added and Mrs. Rupert Austin held high score for the ladies and Leonard Scott held high score for the men. Each was awarded a prize.

A dainty salad plate was passed to Mr. and Mrs. George Yates, guests, and the following members: Messrs and Mesdames Rupert Austin, J. B. Tarleton, Rufus Pruitt, Leonard Scott, Lester Gregg, Davie Jones and the host and hostess.

METHODIST LADIES ENJOY SOCIAL AT TINSLEY HOME

Last Monday afternoon at 3:00 o'clock the Women's Missionary Society of the First Methodist church were graciously entertained with a social in the home of Mrs. Tinsley on North Fourth St.

Bro. M. M. Beavers opened the program for the afternoon with a prayer, after which he gave a very interesting and inspiring talk on 'Pledging'.

The group, accompanied at the piano by Mrs. J. R. Flaniken, sang the hymn 'Give of Your Best to The Master'. A piano solo by Mrs. Flaniken was enjoyed very much by the guests. Following the program a Bible contest was held which added much to the afternoon's entertainment.

Delicious refreshments were served to Mesdames: Jess Paulk, W. L. Marr, Lex Brock, Edd Tinsley, Jno. Allen, Russel Clark, W. T. Webb, A. Hull, J. R. Flaniken, Gus White, Guy Simpson, Walter Jones, Andrews, M. M. Beavers and Rev. Beavers and the hostess.

REPORT FROM SCOUTS OF TROOP NO. 22
 Troop 22 met on Friday night, Jan. 24, for a Treasure Hunt. Scoutmaster Spikes had previously laid the trail for the hunt, and everything was ready for the boys. The hunt carried the boys through the north end of town, behind Mr. Garland's house, and down into the caliche pit. The boys were not perfect treasure hunters, and most time was spent trying to locate the messages. It was pretty cold down in the pit, so a bon-fire was built, burning some of the tumble weeds that inhabit the spot very densely. Finally another clue was found, and Eldon Roberts found the troop treasure. The troop prize consisted of a box of Baby Ruth candy bars. After warming up a bit more, the boys started looking for the personal prize. After some while of unnecessary turning over of rocks and digging up the ground, Elton found the personal prize. This con-

sisted of a dollars worth of pennies. After the personal prize had been found, the boys went home, cold and stiff, but happy. Those on this hike were Harold Lambeth, Chuck Jacobs, Ralph Burleson, Jackie Vaughn, Hardin Easterwood, Elton Roberts, J. D. Dyer Jr., Skeet Noret, Thomas Crow, Scoutmaster Joseph N. Spikes, Rex Palmer and your correspondent.

DELPHIANS ENJOY UNIQUE PROGRAM

Continuing the study of "Texas", Delphians under the able leadership of Mrs. M. C. Lindsey, enjoyed a most unique program, last Monday evening on "Factors in Texas Culture". Mrs. Lindsey talked briefly on our ancestors; "Texas is heir to the culture of many races of mankind," she said "and to many spiritual and material possessions." Every number on the program supported this statement and made us truly appreciative of our inheritance.

A pageant under the direction of Mrs. Ogletree was the feature number of the evening and was most pleasantly received by club members. Texas was depicted in all of its color, power and romance. The Spanish, French, German, Indian and Negro influence was portrayed as were the influences of the cowboys of early Texas. Dances,

songs and bits of dialect cleverly woven together made up the story of "Prairie Trails" which proved enlightening as well as entertaining.

A reading: "The Bees" by Van Dyke was given by Mrs. Matt McCall, and a review of Texas Culture was made by Mrs. B. T. Middleton. Miss Bulsterbaum and sisters delighted the club with a quartet in their native tongue, German. This was in conjunction with Miss Bulsterbaum's literary number, "Foreign Tongues in Early Texas". Outstanding contributors to the Texas Culture were discussed by the following: Mrs. A. J. Thweatt, Indians; Mrs. J. L. Morris, Cowboys; and Mrs. M. R. Hail, The Negro.

"The Texas Folklore Society in present Day Texas," was commented on by Mrs. Russell Clark.

Delphians will meet again February 3rd at 7:30 P. M.

"POWER ON PARADE"
The Wonder Talking Picture of the Farm Industry.

Charley and Dan, leading characters "POWER ON PARADE," the new M-M Farm Picture.

This Frankenstein handles an electric torch in one of the dramatic factory scenes.

"Power on Parade" is a good lesson in Modern Power farming and shows farm operations in every section of the country.

MAJESTIC THEATRE

"POWER ON PARADE" MODERN FARM PICTURE TO SHOW HERE

Nuts, bolts, screws, gears, and some of the world's largest and most modern factory machinery... together with one of the largest symphony orchestras ever assembled for this purpose... play the leading parts in the new dramatic farm picture, "Power on Parade," showing here Friday, January 31, at 2:00 P. M. at the Majestic Theatre. Free to all farmers and families.

Crude Ore to Finished Tractors
"Power on Parade" gives you an entirely new idea on how interesting and dramatic a modern factory can be, according to Hart and Cox, our local Minneapolis-Moline dealers.

Power Theme Used Throughout
Power is the idea of the picture, and it starts right in with gigantic shovels digging crude ore out of the world's largest open pit mines in northern Minnesota, less than 200 miles from the Minneapolis-Moline Tractor factories.

Then you see the same crude ore go through roaring furnaces, and through a skillful process of manipulation by men and almost human machinery at a modern plant, where Twin City Tractors are manufactured.

Praised by Movie Critics
To give you something entirely different and entertaining in a factory and farm picture, an entirely new motion picture technique was used in producing this story of modern farming. In the dramatic factory scenes giant cranes, molten metal, roaring blast furnaces, and interesting modern machinery do the acting. This is accompanied by dramatic music, especially

written for the picture "Power on Parade." The fast moving factory scenes, set to modern music has won the praise of critics and expert movie men wherever it is shown.

Portrays Modern Farming
The power idea is carried right on to the modern farm in "Power on Parade" showing the latest ideas on power farming. This is something every farmer should see because it is not only instructive but shows farming and power operations in other parts of the country. You see most of the "Parade of new, modern M-M machinery" in action.

Modern Farming Via Airplane
No, we don't use airplanes for farming now, but in "Power on Parade" we travel from one part of the country to another by airplane to see farming in your own as well as other sections. The newest Lockheed "Electra" air liner is used, the same as you see on the big passenger lines.

Harvester Film Also in Show
Another big feature is added in "The Harvester" a talking film showing the world's most modern combine in action. This picture had wide acclaim last year wherever farmers saw it. "The Harvester" shows you practically every method used in cutting and threshing from the old hand methods up to the modern Harvester, the newest and most popular combine development on the market today. This is both interesting and instructive and every grain farmer should see it.

Every Farmer Invited
Every farmer is cordially invited to attend, free of charge. The show is sponsored by the Minneapolis-Moline Power Implement Company and

APPLICANTS FOR OLD AGE PENSION MUST PROVE AGE

Austin, Jan. 29—Facing old-age assistance applicants will be the difficulty of proving their ages. Orville S. Carpenter, executive director of the Old Age Assistance Commission, said today when asked what he thought the most difficult problem of old people making application.

Application forms will be distributed to cities and towns over the State and will be available to all who want them February 14, when the law goes into effect. As required by the new law, certain facts must be established by the applicant. The law grants assistance to the needy who are 65 years of age or more, and each applicant must definitely and conclusively prove his or her age.

"There are many ways by which a person can establish his age," Director Carpenter stated. "The Commission will consider any evidence that proves or helps to establish definitely the age of the applicant. However, it will be necessary in each case for the applicant to establish to the satisfaction of the Commission, by whatever means he can, that he is 65 years of age."

Mr. and Mrs. Ray Williams were visitors in Dallas and Fort Worth last week-end.

CHILDREN SHOULD BE VACCINATED AGAINST SMALL POX

Austin, Texas, Jan. 29—Smallpox epidemics would never occur if everyone, especially children, could be effectively vaccinated, stated Dr. John W. Brown, State Health Officer. At present there is an increasing lack of vaccination among school children and this constitutes a menace.

Modern safeguards have removed every legitimate objection to vaccination. The virus is made from calves, and consequently is incapable of transmitting human blood diseases. Among some ten million vaccinations performed in the Philippine Islands, there was no loss of life or limb or demonstrable injury to health.

A primary vaccination with one successful revaccination will, as a rule, protect throughout life from the milder forms of smallpox, but this is not true in the severer type of this disease. Therefore, be vaccinated and re-vaccinated at least every five years, so that you will have the greatest protection possible and the least chance of being sick. Revaccination should also be done after each time you have been near a known case of smallpox, for you know that the old vaccination protects if the new one fails to "take". Vaccination is not to be feared but rather to be sought as the only safe, positively harmless and absolutely certain safeguard against smallpox. See your doctor today and be sure that you are protected.

RESETTLEMENT ADMINISTRATION MADE 100 LOANS IN DEC.

The Resettlement Administration made loans to 100 farm families in Dawson County during the month of December, it is reported by Tom J. Finley, county supervisor.

Loans for the month averaged \$365 per family. The money was usually for the purchase of teams, tools and supplies which the borrowers could not obtain through any other agency. The loans are payable in cash in one to five years. In Texas as a whole 25% of the loans made last year have already been repaid. Repayments in this county to date total \$31,742.33.

In addition to loans, grants to be repaid in work were made during November and December to 75 families in the county, the average grant being \$15.00 per family. Grants were made for subsistence while farm and home

management plans are being worked out upon which loans are to be based at a later date.

Reports from state headquarters at Dallas show that 9,000 new families were enrolled in Texas during December who had not previously been included in the rehabilitation program. The total number of farm families in the state who have received either loans or grants has now passed 47,000 and includes practically all farm families on relief a year ago. More than ten thousand of the families who last year received such financing have required no additional aid since, and most have repaid a considerable part of the loan.

The supervisor said that 70% of those who have received rehabilitation help had no employment whatever a year ago. Of the farm laborers, 90% were unemployed, and sixty percent of the share-croppers. Forty percent of the former third-and-fourth tenants had been unable to get land to work or the means to work it, or any other employment. Thirty percent of the former landowners had lost their land and had no sources of income.

The rehabilitation program does not necessarily provide for land ownership. If the Bankhead-Jones farm tenancy bill is passed, land ownership activities of the government will be greatly increased but only a few hundred, among the thousands of families on rehabilitation in Texas, will be assisted to the purchase of land this season. The remainder are being aided by loans based upon farm and home management plans approved by the organization and by local advisory committees in each county. The plans require, first of all, that clients grow as much as possible of their own food and put up at least 125 cans per person. Plans must also promise sufficient cash income to liquidate obligations to the Resettlement Administration and to other creditors.

Loans are made for livestock, construction material, farm machinery, household equipment, and "other farm improvements essential to successful operation of the approved farm and home management plan." Food and clothing are also included, and other "subsistence goods for human needs," as well as "indispensable medical services." Loans are not made to individuals for refinancing real property mortgages. Chattel mortgages and liens on personal property may be refinanced, "when it is found impossible to make other equitable adjustments." But no loans will be made "which will

result in the payment of otherwise uncollectable debts."

Applicants are required to obtain financing or refinancing from other agencies wherever possible. The Resettlement Administration requires a first lien as security of all loans, except in special cases approved individually by the regional director.

"HERE'S TRUE ECONOMY"

Says the
Cosden Traffic Cop

Whether you believe it or not, a high anti-knock gasoline is the MOST ECONOMICAL fuel you can use in your car or truck.

True, the first cost may be a few cents more... BUT... when you consider the wear and tear on your cylinders... slow pick-up... carbonized spark-plugs... loss of power and miles per gallon... an anti-knock gas will really SAVE YOU MONEY.

And the PEER of anti-knock gasolines... the gasoline that is refined to 70 OCTANE rating without the use of any adulterants or artificial stimulants is

COSDEN HIGHER OCTANE GASOLINE

Watch for the Cosden Traffic Cop and the COSDEN HIGHER OCTANE sign... drive in and fill up the tank today and you'll really experience "true economy" in motor fuel.

The Cosden Traffic Cop sez:

Watch railroad crossings carefully—remember, any time may be train time and the right-of-way belongs to the train—DON'T TRY TO BEAT THE TRAIN TO THE CROSSING—you can lose this sort of a race only once.

ANNOUNCES \$25-A-MONTH TIME PAYMENTS AND A NEW UCC 6% FINANCE PLAN

Any New Ford V-8 Car
Can Now Be Purchased for \$25 a Month
with Usual Low Down-Payment

THIS \$25-a-month time-payment plan enables you to buy a New Ford V-8 car through your Ford dealer on new low monthly terms.

After the usual low down-payment is made, \$25 a month is all you have to pay for any type of new car, including insurance and financing.

Your cost for this extension of credit is only 1/2 of 1% a month on your original unpaid balance and insurance. This plan reduces financing charges for twelve months to 6%. For example, if you owe a balance of \$400 for your

car and insurance, you pay \$24 for the year of credit; if the balance is \$200 you pay \$12. Your credit cost for one year is the original unpaid balance multiplied by 6%.

UCC plans provide you with insurance protection at regular conference rates. You have not only fire and theft insurance, but \$50 deductible collision, and protection against other accidental physical damage to your car.

The Universal Credit Company has made these plans available through all Ford dealers in the United States.

We are sorry to report that little Miss Ramona Speck is on the sick list this week. Several from here were in Lamesa Saturday night and Sunday. Mr. L. C. Speck, Mr. Callahan and Mrs. Weeks were Sweetwater visitors Wednesday. Mr. Rhoads and D. O. Blake went to Stanton Saturday night.

PATRICIA

Due to the cold weather the League did not meet Sunday night.

There has been quite an epidemic of 'flu' in this community the past week. Earle and Sidney Bruce and Roy Falkner returned from Midland and Odessa Saturday where they have been working for the past week. J. A. Thurmond made a trip to Lubbock Saturday. Raymond Carruth and Genevieve Teague were married Saturday. M. C. and Sidney Bruce made a business trip to Stanton last Monday. Eudora Bruce, Corres.

Lets Talk about Clothes

TEXAS STATE COLLEGE WOMEN (CIA)

Denton, Jan. 30—Women who seek beauty in little jars of expensive creams, precious perfumes, and lustrous eye shadows are sometimes likely to overlook the incomparable beauty of really fine hair.

Satin soft hair, whether it be straight as the sleek locks of an Indian princess or curly as that of Cinderella, probably does more to enhance the inherent loveliness of a face, young or old, than almost any other single feature. And there's no mystery about having beautiful lustrous hair. Girls at Texas State College for Women (CIA) believe that women take their hair for granted, giving it only that kind of attention that has to do with arrangement. What they should do is to keep the growth healthy by frequent shampoos, nightly friction of the scalp and vigorous brushing to pluck out the dead shafts. The balanced diet is a help. Hair has to build cells and has to have nourishment from the blood streams. The brushing rite, when properly performed, leaves the scalp slightly tingling with a faint glow of warmth to indicate that circulation has been effectively stimulated. Every strand of hair has been brushed clean and burnished to a glossy sheen. Brushing hair is rather like polishing silver, for it's astonishing how quick you can see an actual difference in the appearance.

In the treatment of dry hair an excellent medium is made by combining one ounce of castor oil and one ounce of alcohol. The purpose of the alcohol is to thin the oil and to create warmth in the scalp. Heat the mixture slightly, trickle it onto the scalp a good rubbing. Let the tonic remain on over night. Next morning begin to shampoo with a rousing hot spray, using soap generously. After the hair is dry rub a little brillantine into the scalp.

ON TEXAS FARMS

The gardening report for 1935 from Hemphill county sent in by the home demonstration agent, Miss Sadie Lee Oliver, makes interesting reading. The goals for the year were, for each gardener to plant one perennial vegetable such as asparagus; plant one small fruit; and three new vegetables never before used by the family. To meet the stock objection, "It is too dry for gardening up here," the extension agents in the county gave demonstrations on the making and laying of concrete subirrigation tile with the pleasing result that 16,000 feet of such tile was laid and reported. Hotbeds and cold frames were also recommended by the agents, and demonstrations in their preparation and use were given; 116 gardeners reported having made hotbeds and cold frames. Three tenant families had the best gardens among the demonstrators. One family put a low dam across a draw, and had a splendid garden in the irrigated plot below the dam. Of the new vegetables tried out by these gardeners, the Porter tomato, Swiss chard, New Zealand spinach, tendergreen, curled endive, parsnips, salsify, Canadian field peas, and Mexican navy beans have proved their worth.

WELCH H. D. CLUB MET JANUARY 21

The Welch Home Demonstration Club met in regular session, Tuesday afternoon, January 21, in the home of Mrs. Henry Stewart. Nine old members and one new member being present. For our opening exercise, the club prayer and pledge was repeated. During the business hour part of our work for the year was briefly outlined, especially that of the wardrobe demonstrator. A new foundation pattern was started. Several garments have been made by the patterns. Characters for the club play were also chosen, and various items of interest were discussed. This meeting proved a very profitable one. After adjournment delicious doughnuts and hot chocolate were served to the guests. Our next meeting will be with Mrs. Youngblood on February 4.

KEY H. D. CLUB MET JAN. 23

The Key Home Demonstration club met Thursday, Jan. 23, in the home of Mrs. R. N. Moffatt with fourteen members and two visitors present. The subject for the meeting was "Changing from 1935 to 1936". After a very interesting discussion of the years work and a talk by the president, Mrs. Katie Lee Hawkins was honored with a handkerchief shower. Mrs. Hawkins is moving to California. The next meeting of the club will be Feb. 6 with Mrs. Dock Riley.

MUNGER H. D. CLUB HAS ALL DAY MEETING

The Munger Home Demonstration Club met at the school house Friday, January 24, in an all day meeting. Miss Phenix was present and the day was spent in making and remodeling foundation patterns. Our next program will be education. We will meet at the school house at 1:30 Friday afternoon, February 7. This will be a meeting of interest to all, so be there and enjoy it with us. We need every woman in the community and each one needs to be in the club. Come and see what you are missing.

METHODIST NOTES: WELCH CIRCUIT

Well, I guess you all know it was cold Sunday. Our morning congregation was reasonably good, but the preacher and wife had all the space Sunday night. We are not blaming the people for not coming. Our church building is a little open and the heating capacity is inadequate. We had a mind not to go; but I could not stay

away. We are always nervous when time comes for our service, if we are not on the ground. When we miss a service it leaves a link out of the chain of our work.

I have this consolation, maybe I can get word to you through the columns of the paper. The publishing force has been very kind to us in helping us carry on our work. I am asking that the people be more thoughtful and appreciative for this great service rendered by them. The publishers will never know in this world how much I appreciate this work.

Next Sunday we are to be at Munger (February 3). Subject for the morning hour: "God's plan for a human life". In this discussion we will use a chart for the purpose of emphasis. Come, we believe you will enjoy it. Subject for the evening hour, "Jesus speaking the last". We are always glad for the time to come to go back to Munger.

J. G. Walker, P. C.

Mr. and Mrs. Berryman spent the past week-end in San Angelo.

Miss Reba Broughton, student at Texas Tech in Lubbock, spent a few days this week with relatives and friends in Lamesa.

Luncheon Club Has Good Program

Mr. Sam Richardson had charge of the Luncheon Club program Tuesday, and brought Senator Nelson who spoke to the Club on the subject of the Unicameral system of Legislature in the State of Texas. Senator Nelson is a very enthusiastic supporter of the one-house system of legislature and introduced a resolution to the effect in the Senate in November, 1935.

William B. Holden, Planting Foreman of the Highway Dept. was present and told the club of the plans of the Highway Dept. to beautify Highway 9 through Dawson County, and also of the landscaping and beautifying of the park at the intersection of Highways 9 and 15 just south of Lamesa. The Club received these plans very enthusiastically and pledged its support in securing the necessary trees for the project.

Mrs. Asalie Price accompanied by Mrs. Matt McCall gave two very beautiful solo numbers.

Another visitor present was H. M. Minier of Waco, who is the donor of over five hundred volumes to the Public Library here. Mr. Minier made a short and interesting talk.

We wish to thank all who took part on the program, together with Mr. Richardson for arranging such a splendid one.

EXEMPT OLD-AGE VOTERS GIVEN LAW EXPLANATION

Citizens of Dawson County who wish to be exempted from paying poll tax this year for the first time because of becoming over-age must have been 60 years old before January 1, 1935, according to information we received this week.

These citizens who were 60 years old before January 1, 1935, will not have to secure exemption certificates to vote, according to state laws governing this country.

However, young citizens who plan to vote for their first time this year and who are claiming exemptions because of age, will have to have their exemption certificates, according to laws. These exemption certificates may be secured at the office of Miss Willie Belle Cleveland, county tax assessor-collector.

Citizens are urged to keep in mind that Friday, January 31, is the last day that these certificates and poll tax receipts may be received.

WORLD WAR VETERANS MEET 1ST AND 3RD MONDAYS

Post Commander, Glen E. Esmond, announces that all World War veterans in the county are needed at the meetings of the American Legion each first and third Monday nights. He urges the attendance of each ex-soldier as it will really be worthwhile.

KLONDIKE CHURCH SERVICES

South Side Baptist Church, Feb. 2 Sunday School: 10:15 A. M. Preaching: 11:00 A. M. Evening Service: 7:30 P. M. W. M. Whaley, Pastor.

Some new folks have moved into our community and have already found their way into our Sunday school. Last Sunday one of the new families placed their membership with us. We are very happy to have this good family come into our fellowship and we extend a hearty welcome to everyone to come and worship with us.

Our summer revival has been set to begin August 8 and Rev. W. J. Priddy of Anson has been invited to do the preaching through the meeting.

W. M. Whaley, Baptist Pastor.

Mrs. S. B. Vaught and Mrs. Henry Vaught of Colorado, Texas, visited Mr. and Mrs. G. B. Vaught here Sunday.

Howard Treadway is leaving Thursday of this week for Tahoka where he will be employed in a drug store at that place.

CONWAY KING ATTENDS BAND CONVENTION

Conway King, local band director, left Wednesday morning for San Antonio where he will attend the annual convention of Texas Band teachers and Directors at that place, Friday and Saturday, January 33 and Feb. 1.

A school in connection with the convention will be under the direction of Wm. D. Revelli, Director of the University of Michigan band.

BEAUTIFICATION PROGRAM DISCUSSED AT LIONS MEETING

At the regular meeting of the Lions Club this week W. L. Marr and Bernie Holt were appointed on a committee to work with officials on a tree planting and beautification program for the State Highways through Dawson county. The plan met with hearty approval from club members and probably in the near future steps will be made toward this end.

A program was rendered as follows: Misses Iva Lou McKay and Addie Ruth Fulkerson entertained the group with two vocal duets, after which G. M. Roberts gave a very interesting talk on "Personalities."

Club adjourned until next Wednesday noon.

TROOP SCHOOL HOLDING REGULAR MEETINGS

The Troop School of the Reserve Officers Association is now meeting each week.

Reserve officers in Lamesa are: Colonel, Louis B. Reed; Major, Frank A. Vestal; Captain, Philip Yonge; First Lieutenants, J. D. Burleson, Samuel Z. Frazier, Clarence E. Parks, Joseph J. Meadows and Russell S. Howarth; Second Lieutenants, Ira L. Cain, Jr., John Henry Dean, Owen C. Taylor and Louie White.

In the meeting held this week the following officers were elected: Captain Philip Yonge, President; Lt. John Henry Dean, Vice-President; and Lt. J. D. Burleson, Secretary-Treasurer.

Mrs. Mac Noble and son of O'Donnell visited her parents Mr. and Mrs. J. E. Garland here Monday.

Friday, This Week, Is Last Day To Pay Your Poll Tax

Citizens of Dawson County are urged to keep in mind that Friday, January 31, is the last day in which to pay poll tax and secure exemption certificates. If you intend to vote in the coming election be sure that you pay your poll tax on or before Friday, for this is the last possible time that these may be paid.

Tuesday evening Miss Willie Bell Cleveland, collector of taxes, reported that a total of 1906 poll tax certificates had been issued with some 2,500 persons eligible to secure them, it looks as if Dawson county citizens will either stage a big rush at the tax collectors office during the remaining days in which they are allotted privilege of qualifying to participate in elections of 1936, or forfeit their rights to cast a ballot.

Attention is also called to the fact that every person voting must have an exemption certificate even though he is eligible for a vote. Those citizens who have acquired the age of 21 since January 11 and those citizens over the age of 60, who under law are not required to pay a poll tax don't fail to call at the Tax Collectors office for your exemption certificate.

Lubbock Crash Victim Former Lamesa Resident

Linnie Ruth Prater, 16 year old Lubbock girl who was killed as a result of an automobile accident in South Lubbock Saturday night, formerly lived

in Lamesa and though it has been several years since the family moved away from here many residents of this section will remember her. She is the daughter of Mrs. Linnie Prater and a sister of Claud Prater who for several years was operator at the Palace theatre here. She is also survived by three other brothers. Funeral services were held in Lubbock Monday morning at 11:00 o'clock at the Rix Funeral chapel, Rev. R. M. Hocker, pastor of the Church of the Nazarene, officiating. Burial was in the Lubbock cemetery.

ODD FELLOWS LODGE HAS BIG SPRING VISITORS

The Odd Fellows lodge of Lamesa, Texas, met in regular session this week. Three members of the Rebecca Lodge at Big Spring were visitors. They were Mesdames: Guley, Lamar, and Martin. Their mission was to ascertain if there was a possibility of organizing a Rebecca Lodge in Lamesa.

A committee has been appointed to look into the matter and report to the Rebecca's of Big Spring when they have reached a decision.
