Ten Eastland Citizens Purchase Site For Hospital

Norther Brings Snow And Cold To County

Temperature Drops To 14; School Attendance Low

Long years from now, persons who are children in Eastland will be able to tell their grandchildren that the winters were more severe when they were young, and point to old records of the winter of 1947-48 to prove it.

Because this has been one for everyone to mark down in his memory book, and Wednesday's and Thursday's icy and snowy blasts merely added a new chapter to the book.

The official temperature as recorded by Weatherman J. A. Siebert was no lower than 14 Thursday morning, but the temperature did not begin to describe the fierce cold that swept in with a north wind that seemed to have come from the Arctic Circle just a moment before.

Beard reported that by mid-day the temperature had risen to 19, and weather forecasters were predicting moderating temperatures Friday.

Schools were in session Thursday in Eastland despite the cold snow, but school officials reported that only slightly more than half of the students in the high school and junior high were in attendance, and somewhat less than half the students in the two elementary schools were on hand for classes.

District Manager M. O. Chapman of the Lone Star Gas Company said he had his fingers crossed but that so far no gas leaks had been maintained in the mains to meet all demands.

West of Abilene, some large industrial users had been deprived of gas to maintain service to residences, he said.

Water pipelines froze Thursday at sides as they had during previous intense cold spells in the winter, but it would be a while before plumbers would be able to repair those that burst.

Stock growers reported the loss of stock, and much feed had to be put out as icy snow covered vegetation ordinarily used for grazing.

Eastland residents, apparently somewhat accustomed to it for several weeks in a row, seemed to be going about their normal business more Thursday than they had on similar days in January.

And the younger folks were shivering again in heavily frosted and icy streets, as they do up and down the county, if this sort of thing becomes a habit in Eastland.

Siebert Accepts Coaching Position At Eastland High

Wendell Siebert, assistant coach of last fall's regional champion Eastland High School football team, this week accepted the position of head athletic coach at the high school.

Siebert had been offered the post by the Eastland School Board last week, but had wavered between the job here and the assistant coach's position at Graham, which had been offered him at the same time Coach John E. Little of Eastland was offered the head coaching job at Graham, which he accepted effective March 1 this year.

Siebert said his decision to stay on at Eastland was swayed by a meeting Tuesday afternoon of local businessmen, at which his praises were sung and he was invited by one and all to remain in Eastland, where he grew up and attended high school.

Later he attended the University of Texas, where he was varsity football team trainer for three years while working his way through the university, and was captain of the track team his senior year.

Siebert was present at the meeting in the Chamber of Commerce office Tuesday as a fine person, as a good influence on students, as one who was very well liked by the students, as a first class athletic conditioner, and as a man who knows athletics as a whole.

Following the meeting, in which he had deplored the lack of interest in basketball and track by the citizens of Eastland, and had said that certain minimum equipment was needed to field a track team this year, a movement was begun to take the necessary steps.

Theo Lamb, Hood King, W. W. Linkenhoger and L. E. McGraw agreed to guarantee the necessary funds for track equipment, and Siebert shot off an order for shoes, trunks and sweat suits.

School Secretary Curtis Hertig and school board members got together on a plan to build a quarter mile track at the Maverick Stadium, and Siebert had hopes that something might materialize there before track season is over.

Siebert told the meeting Tuesday that one thing making him hesitate about taking the job here was the apparent scarcity of good material coming up for football teams of future years.

Next season, he said, the Maverick football team should win some games and lose some, but prospects after that are fairly dark for Eastland High football teams. Few freshmen and sophomore football prospects have shown themselves, he said.

Eastland will have a line averaging about 170 pounds next fall, but the backs will be small and for the most part inexperienced, Siebert said, and only two of the linemen, Dan Amis and Jack Kelley, will have had any real amount of experience.

Nephew Of Eastland Man Dies In Storm

In a freak storm off the coast of Southern California which lashed a practice landing crew, Cpl. Sterling E. Daley of Austin, nephew of W. H. Mullings of Eastland, lost his life Tuesday. The body of a fellow crewman was still missing.

Five Marine landing craft were swamped during maneuvers at Oceanside. Thirty-four Marines were rescued, with the loss of two, after the disaster in the churning surf, caused by a 100-mile winds with gusts of 120 mph, according to the Civil Aeronautics Authority radio station atop Mt. Laguna, between San Diego and El Centro, Calif.

Side Issues

By HENRY G. VERMILLION

If you are one of the believers in an unlucky Friday the 13th, this is your day to beware.

Now, take me, Friday usually seems fairly OK, and blue Monday isn't so blue, but Thursday is the day I have to watch out for.

Thursday is press day around The Record office, and it is then that the bad spirits, gremlins, or whatever you want to call them, hang around to torment us with mechanical breakdowns, storms and other atmospheric conditions that make printing more difficult, sicknesses that keep key personnel away at the critical time.

But I guess I have no right to complain. Mrs. Parker says I have a personal lucky angel who follows me around looking after my interests in the luck department, and perhaps that's why I don't fear Friday the 13th.

This newspaper wants to extend felicitations and best wishes to Wendell Siebert, who will take over as head coach at Eastland High School on March 1.

This writer has been following and reporting high school and college football for 20 years, and I beg to report that last fall's Eastland football team was the best conditioned I have seen any time, anywhere.

Since Siebert was the team conditioner, as well as assistant coach, that should be saying enough.

And after last season's record, it may be hard for the football fans to remember that after all, it's just a game, and the team that's on top one year may be on the bottom next, through the fault of no one except the winds of fate and the ravages of Father Time.

But we'd better try to remember, because the golden days of Eastland football may be over for a while.

Field Scout Executive Steve Potts says that plans are afoot to start a Cub Scout pack in Eastland, which seems a good idea to me, despite the fact that Scouter Bill Jessop stoutly contends that boys make better Scouts if they have not been Cubs first.

The Cubs, you may not know, are boys under 12 years of age who are not yet eligible to join the Scouts. Cub packs were originated some years back to take care of such boys.

Potts, incidentally, is a busy little man supervising Scout activities in Eastland, Stephens, Erath and Comanche Counties.

James Dabney reports that Bob Burkett is still on the police force at Odessa. Burkett was post commander of the American Legion here last year.

Snow and ice, ice and snow. These are the things that make us know—ice and snow, snow and ice—That warm weather would be so nice!

Valentine Day Brings Traditional Activity

Eastland children were buying and making Valentines wholesale this week as the momentous St. Valentine's Day approached, but Thursday night the weatherman held in his hand the fate of the fete.

Valentine parties were planned in most of the lower grades of the schools, but they will be only partially successful unless more children attend school than did Thursday, when less than 50 per cent of the grade school pupils showed up.

Valentines offered in the stores, where demand was brisk, varied, as usual, from the comic to the sublime.

AIN'T IT THE TRUTH

BY CHESTER KLOCK

City Election Filing Some Food Prices Deadline Is Earlier Drop In Eastland

Eastland residents who want to be elected to the City Commission April 6 will have to hurry a bit more this year than in other election years.

The City Commission Tuesday officially called the election, and set a filing deadline of 5 p. m. March 5, 31 days before the election, to comply with a new state law.

Commissioners are to be elected to two places, one held now by Mayor C. T. Lucas and one recently vacated by John Jackson, who resigned after he moved to Dallas.

E. C. Satterwhite was named presiding judge of the election, with L. J. Lambert and Oscar Wilson as other officials.

Absentee balloting will begin 20 days before the election date.

District Basketball Tourney Delayed

The Class A district basketball tournament scheduled in Hamilton this week end has been postponed because of the weather, and will be played there Monday, Tuesday and Wednesday nights of next week, Eastland High Coach Johnny Little said Thursday.

Hamilton will be favored to win the tournament, as it did the single round robin play that has preceded it.

Eastland wound up the single round robin play tied for second place with Dublin as a result of the Mavericks' loss to Dublin by a 33 to 29 score.

In the game, played at Dublin Tuesday night, the Mavericks led almost all the way, but fell behind in the last three minutes.

Monday night, Eastland and Morton Valley tied, 20 to 20.

Thursday night of last week, the Eastland five won its last district home game of the year by a 25-24 score over Gorman in a game that was tight and exciting all the way.

Class B Cage Title Series Arranged

Class B basketball district play-offs between Desdemona and Baird will be played Tuesday and Wednesday nights of next week.

Desdemona won the title in the eastern half of the big Class B district, and Baird the western half. First game Tuesday night will be at Baird, and the second game Wednesday night at Desdemona. If a third game is needed, the site will be selected.

The games were postponed from this week end because of the bad weather.

Fines, Forfeitures Net County \$16,517

Fines and forfeitures paid the county in 1947 resulting from arrests made by the sheriff's department amounted to \$16,517.30, a recent record, according to figures compiled by County Auditor Don Parker.

The money collected in such fashion is paid into the county road and bridge fund.

No Construction Planned Now, Sponsors Declare

Ten Eastland men have purchased the south half of the old High School Hill block, bounded now by Plummer, Green and Daugherty Streets, to be held as the site of a modern fireproof hospital when the proper time arrives, it was announced this week.

The tract purchased is 212 feet north by south and 200 feet east by west.

W. W. Linkenhoger, who purchased the entire block from the city school system, was listed as one of the ten purchasers. Consideration was \$2,000.

The hospital is not to be built at once, it was said by Cyrus Frost, who was named in the deed as trustee, grantee for the purchasers, but will be erected "when the time arrives that the citizens of Eastland and surrounding territory think it a proper time to construct the same."

A deed also was filed extending Olive Street, which passes at the south side of the Methodist Church, through the old High School block west to Daugherty Street, which would give the hospital site a street on all four sides.

Purchasers of the site are Linkenhoger, Joseph M. Weaver of States Oil Corporation; C. W. Hoffmann of Hoffmann Drilling Company; Victor Cornelius of Texas Theatrical Enterprises; Garry Pipkin of Pipkin Grocery Company; Ben E. Hamner of Hamner Undertaking Company; A. H. Rhodes of Root-Rhodes Oil Company; W. B. Pickens of Texas Electric Service Company; M. O. Chapman of Lone Star Gas Company, and Frost.

None of those who donated the money to purchase the site has any intention, Frost said, of starting the construction of a hospital.

"The sole purpose of the current movement is to secure and hold this most perfectly situated site which it was possible to acquire at this time by the ten interested parties for what they think to be a reasonable price paid for the same."

Frost said in his opinion, formed after considerable research, no hospital can offer top facilities and be self-supporting if it has less than 40 beds. At current construction costs, such a hospital would cost probably at least \$150,000.

When the hospital is built, it is proposed to design it so additions can be made to it as the town grows, Frost said.

Baptists To Take Local Church Census

Weather permitting, the First Baptist Church will take a church census of all Eastland residents Sunday, Rev. L. M. Chapman, pastor, said this week.

Because of a permanent system to be installed, it will be necessary to have information on every individual in Eastland, and since the information will be available to other churches in town, members of those churches were asked by Mr. Chapman to co-operate.

Many of the census takers will be young people, Mr. Chapman said, "and they need every encouragement and help the people will give them."

He said the census is a preliminary step in an enlargement program undertaken by the church.

Morton Valley Cage Tournament Is Set

A boys' and girls' basketball tournament will be held in the new Morton Valley gymnasium Thursday of next week through Saturday. The Morton Valley boys' team, which tied Eastland 20 to 20 Monday, will be host.

Members of the Morton Valley P. T. A. will serve food in the lunchroom during tournament games. Mrs. Josie K. Nix, president said.

County Clerk Virgil Love has been ill at his home all this week.

Everyone knows where this one's going

White sidewall tires, as illustrated, available at extra cost.

No, it hasn't always been easy, here of late, to be absolutely sure just which way automobile design was heading.

So it's a refreshing thing, people tell us, to see one car that quite clearly knows where it's going — and shows it inside and out.

You can't mistake this poised and ready fashion plate for anything but a Buick — you're sure from a glance that you'll find it steady as a battle cruiser and full of ginger as one of Grandma's cookies.

A broad bonnet promises plenty-power—and you get it with such velvety new smoothness that you need to check the battery-charge needle to make sure the engine's running.

You size it up as comfortable. The road's verdict is that it's the most tireless car on the market, what with four coil springs, pillowy low-pressure tires and a wholly new attack on car vibration keeping you fresh through the longest day.

You find quiet here — quiet that encourages conversation — quiet from Sound-Sorber top lining that invites conversation in normal tones.

And if it's a Dynaflo Roadmaster you're handling, here you can sample driving ease that is near magic in its simplicity.

You set a lever, press the gas treadle — and simply steer. The power plant does all the rest — swoops you up from standstill to full pace, accelerates, climbs, slows to a stop, starts up again — all without any gearshifting, either manual or automatic!

So it's pretty plain where this one's heading — it's going even higher in the regard of the motor-ing public.

Why not see your Buick dealer now and get your order in?

JUNIOR DUCHESS AND DUKE
This week our big, bright spotlight surveys the school and lands one of our dukes and duchesses. Pat Crawford and Joyce Armstrong. They were elected by popular vote to represent our school as attendants in the coronation.
Pat is a petite blonde with green eyes. She is 5 feet 4 inches tall and weighs 105 pounds.
Joyce is a blonde with blue eyes, a lovely color, aqua, is in her color world, and, oh, she looks good in it. For her, star food is the best on any day.
The Stars Will Remember" is a favorite song, and Al Jolson and Bing Crosby are tops in the song world. She'll take T. Dor-

tall, and when he steps on the scales it jumps to 165 pounds. He has light brown hair and beautiful blue eyes. He drives a 1946 Plymouth, and you can see him buzzing around quite a bit.
Pat is seen a lot in blue and looks very nice in it. Oh, yes, "Blue Skies" is his favorite song.
He has played just about every position on the football team, except the backfield. In other athletics, plays center on the basketball team and pitcher in baseball.
Pat's favorite food is his mom's Italian spaghetti, and if you've ever eaten any, you can easily understand this. Out in Hollywood he chooses Joan Caulfield and William Bendix.
When asked his favorite teacher, he replied with great spirit "Mr. Seibert." He also likes algebra and is good in any line of math.
By the way, girls, he doesn't go with anyone particular, and is loads of fun, too. BEWARE!!
Let's wish all the luck to Joyce and Pat, the both really deserve it.
YEA SENIORS!

PRINCE AND PRINCESS OF JUNIOR CLASS
The Junior class of Eastland High School is proud to let everyone know who their mighty Prince and Princess are. The handsome Prince, Max Lasater is one of the favorite characters of this class known as "Eller." He has beautiful black hair and green eyes. This as you see would make a good match. He tops the scales at 160 pounds which is just about the right size for his height of 5 feet 10 inches. He has a wonderful personality and sees the bright side of everything. Always when you parade through the halls of EHS, look for this favorite "Eller."
We are proud to present the beautiful Princess of this mighty class, Bobbie Shero. She has a wonderful personality and she is friendly to everyone. She is 5 feet 4 inches tall and weighs 107. To go with this it would only take her beautiful Auburn hair and blue eyes. During her years in EHS, she was a duchess and became a member of the mighty Co-Ed Club which she is very proud to admit. When you meet this beautiful specimen you will see what I mean.
Here's wishing the best of luck to two of the most popular kids in the junior class.
YEA JUNIORS!

SOPHOMORE DUCHESS AND DUKE
Here she comes! Walking down the aisle, a Sophomore duchess. That's right, it's Janeil Day. She was also a freshman duchess. Janeil is 5 feet 5 1/2 inches tall and weighs 127 pounds. She has brown hair and brown eyes. Up on the hill, she chooses Mrs. Whately and Latin as her teacher and subject.
Good luck, Janeil!
Why look! It's another royalty. It's Glen Garrett. You might put a "dito" under freshman duke, because he was one that year also. Glenn is 5 feet 8 inches tall and weighs 145 pounds. He has blond hair and blue eyes. Up on the hill, he chooses algebra as his tip-top subject and Mr. Jones rates as a teacher. Let's wish all the luck to this swell sophomore.
YEA SOPHOMORES

FRESHMAN PRINCE AND PRINCESS
Princess Laura Elizabeth from the House of Grimes. Prince James Leslie from the House of Spalding. Thus says the herald, announcing the Freshmen Royalty.
Bettye, as our princess is called, is a charming girl of 14. She is 5 feet 2 inches tall and has pretty brunette hair and brown eyes. Among her favorites are red, tennis, reading, "Teacher" Morehart, Science and she just loves to go horse-back riding.
In the movie world her favorite actress is Betty Grable and her favorite actor is Clark Gable. She has chosen the movie "High School Hero" as her favorite movie. She could sit all day and listen to Bing Crosby sing "You Do."
Bettye is a member of the Double Seven Club, Rip and Sip and the Harmony Girls.
Jimmy Spalding, the Freshman prince, is 14 years old, and a swell guy. He was out for football, baseball and is out for basketball this winter. He is 5 feet 8 inches tall and has brown hair and brown eyes. His favorite color is blue, and as an underclassified favorite, likes to beat on Mortimer, otherwise known as Ernest Sneed. He likes all the sports, and eats to pass the time. His two top teachers are Mr. Seibert, and "Teacher" Morehart and Science leads all subjects.
His favorite in Hollywood are "Tycoon", Alan Ladd and Ester Williams. Lastly, he could sit and listen to Bing Crosby sing "Near You" for the longest.
We wish these swell Freshmen royals the best always.
YEA FISH

BASKETBALL
Eastland came out winner by a hair in a basketball game which could easily be called a football game between Eastland and Scranton.
Little Jimmy Mathews lead the Eastland boys and came out high point man. The Eastland boys were behind most of the first period due to some beautiful long shots made by the Scranton boys, but staged a come-back in the second period. For a while the Eastland boys carried on a ball stealing game. During the last three minutes was when things got rough. The ball was carried from one end of the court to the other for a while. After much nail chewing Eastland finally came through 22 to 20.
Blair, Hicks and Sparks all left for college and left Eastland in a bad shape. Amis and Crawford were second high point men.
The Eastland B team won a game following the first with 15 to 10.
E. H. S.

SPEECH PLAY
The Speech Class recently presented the play "How to Propose," by Conrad Seiler, in an assembly program. The play illustrated different methods of proposing that have been used down through time. Mrs. Walter is sponsor of the class.
The cast included Donald Liveley as The Lecturer, Dick Turner as George, Conner Van Hoy as The Cave Man and Mr. Butts, Mary Halkias as The Cave Woman, George Harkrider as Sir Montgomery and Butch, Shirley Frazer as Lady Ermintrude and Linda Van Courtland, Juanita Duffield as Miss Vera Butts, Joe Hague as Mr. McBean and Kent Van Porter, III, and Bettye Grimes as Cookie and Elaine Popkins.
Everyone seemed to think the play was very funny, and it was enjoyed by all.
E. H. S.

HOMEMAKING NEWS
Last week the Homemaking girls had their last laboratory lesson. We made doughnuts and dipped them in powdered white sugar and boy were they good!

The average doughnuts was made by the two girls to a unit were, about four. Everyone was sad to think that this would be their last cooking lesson for this year, but we hope to have more fun next year.
E. H. S.

THINGS WE NOTICE
George Lane's drivers license. The "holidays." The wonderful magician show. Nancy's party. The Coronation practice. The speech-play, good. Cuva's "new" car. Larry and Charlotte, true love. Everyone getting their car. All the new students, Hubba, Hubba.
The basketball game 22-20 and 21-20.
Beth's new car. Leonard's "new" car. Exams! Paula's hair. Mid-term graduation. The "junior-band." Mrs. Woloszyn's cold.

LIGHT UP

for BETTER LIVING

It takes long hours of practice to master a piano keyboard. And about the only time boys and girls can find to work on their music lessons is after school, late in the afternoon. This means that both the quality and amount of lighting is vitally important, for to successfully read musical scores, the student must see the notes clearly.

To make sure that your children have enough of the right kind of light for home assignments and music lessons or for play and relaxation, make sure that every socket has a bulb large enough to provide adequate illumination and that shades are so fixed that glare is eliminated. Remember, with Better Light they will have Better Sight.

Most stores sell lamp bulbs - put them on your shopping list today.

Howard H. D. Club Celebrates Birthday

The Howard Home Demonstration Club celebrated its first birthday with a party held in the Home Economics Parlor of the Desdemona school Tuesday afternoon.

Roll call was answered by "A New Book," Scenic Spots in Texas, Odd Facts, Bible Verses, Women in the News. These roll calls are chosen from the year book and are answered throughout the year, making an interesting addition to each program.

Mrs. Helen Marquardt demonstrated Italian hemstitching and gave other directions on the making of bedroom scarves. Mrs. Sparks demonstrated the making of leather covered buttons.

Sandwiches, birthday cake and hot chocolate was served to 11 members and two guests.

PERDUES ARE PARENTS OF SON BORN THURSDAY

Mr. and Mrs. E. S. Perdue, 401 East Conner Street, are parents of a son born Thursday at noon in a Ranger hospital. The infant weighed 6 1/4 pounds and has been named Eugene Steven. Mother and babe were reported to be doing fine.

Holder To Become Breckenridge Agent

Bill Holder, who came to Eastland in September as a partner in the Shafer and Holder insurance and real estate agency in Eastland, this week was appointed Southwestern Life Insurance agent in Breckenridge, and said he would move there as soon as he finds a place for his family to live.

Aubrey Shafer, the other partner, said he would continue the business in Eastland, and will remain as Southwestern Life agent here.

W. B. STARR SPEAKS ON HOSPITAL TOPIC

W. B. Starr of Rising Starr, board member of the co-operative hospital at Rising Star, spoke on the merits of the hospital, and told of the first steps in obtaining similar systems, to a group of 50 interested citizens at a meeting sponsored by the Howard Home Demonstration Club. The meeting was held in the auditorium of the Desdemona School Tuesday afternoon.

Stock Shows Set In Ranger, Cisco, In Next Two Weeks

Because of the vagaries of the weather, Eastland County will have two livestock shows on successive week ends, it appeared Thursday.

In Ranger, it was announced that because of the bad weather and snowfall, the Tri-County Livestock show being sponsored by the Ranger Junior Chamber of Commerce had been postponed to Friday, Feb. 20 and Saturday, Feb. 21.

The annual Eastland County Livestock Show is scheduled in Cisco Friday, Feb. 27 and Saturday, Feb. 28.

The Ranger show will be held in a new native stone show barn located adjacent to the rodeo arena on the western edge of Ranger. Over \$500 in prizes will be awarded in the various classes, which include beef cattle, sheep, goats, dairy cattle, poultry and hogs. Ribbons will be awarded in the horse division.

Any information regarding the show may be obtained from R. B. Thomas, Jr., secretary-manager.

M. E. Fry of Cisco, president of the Eastland County Livestock Raisers Association, said the show in Cisco promises to be the best livestock show ever held in the county.

More FFA and 4-H Club calves, pigs, lambs and dairy cattle are expected to be shown this year than last to compete for the \$500 in cash prizes, Fry said. Adults will compete for ribbons only, except in the championship awards.

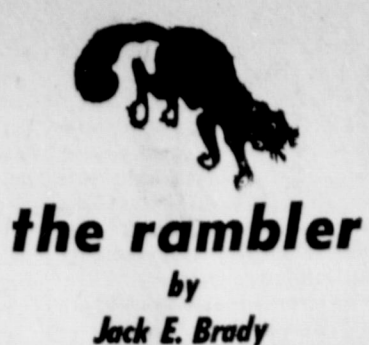

There are no entry fees to the livestock raisers' show, and animals from Eastland and all adjoining counties are eligible to compete. However, only Eastland County boys will be eligible to participate in the auction to be held the afternoon of Feb. 28.

Show animals will have to be in place by 10 a. m. Feb. 27 and remain until 5 p. m. Feb. 28.

Sutton P. Crofts, Eastland and Stephens County rancher, who was general show superintendent last year, will hold the same position this year.

Plans are under way for more and better facilities for taking care of animals entered, particularly in the swine and horse divisions, Fry said.

A much bigger horse show is planned this year than in 1947, he said.

the rambler by Jack E. Brady

PLENTY ROUGH! Boy howdy, it's cold! Both are general terms with out citizens as Ol' Man Winter continues to display his wares. Absenteeism in the Eastland Public Schools was predominant Thursday; Prentiss Jones, principal of the high school, reported an attendance of 65 percent Thursday morning.

Principal W. C. Robinson, of the junior high, gave us the following breakdown of attendance by grades: 6-A, enrollment 33, absent 19; 6-B, enrollment 34, absent 13; 7-A, enrollment 27, absent 10; 7-B, enrollment 25, absent 16; 8-A, enrollment 25, absent 12; 8-B enrollment 26, absent 15.

Of a total enrollment of 170 pupils, 85 were not in attendance.

Principal Ruth Poe Herring of the West Ward School reported that the first grade, taught by Miss Nettie Thornton, had an attendance of 13 out of an enrollment of 37 pupils; the second grade, taught by Miss Lillie Moon, had 13 present out of the normal 34; the third grade, taught by Mrs. T. L. Amis, had five children present out of an enrollment of 26; Mrs. Eugene Green's fourth grade had an attendance of 16 out of 36 pupils, and in the fifth grade, of which Mrs. Ruth Poe Herring is the teacher, 16 were present out of an enrollment of 34.

The attendance at the South Ward school was at a minimum, too; Mrs. Hollis Bennett's first grade had nine out of 34 pupils in attendance; Mrs. Marvin Hood had 17 out of 33 present; Mrs. L. Y. Morris had 17 present of an enrollment of 34, in the third grade, and the fourth grade had 16 present, out of an enrollment of 31, according to Mrs. H. H. Durham, principal of the school. The attendance was expected to be much better Friday afternoon, due to the Valentine Day parties, which are special events with the youngsters.

A FIRE PREVENTION poster hanging in the office of W. C. Robinson at the junior high school, attracted the writer's attention. It was created by Mary Ann Ammer of grade 7-B. . . I read,

DOYLE TOWS PARENTS OF NEW DAUGHTER

Mr. and Mrs. Doyle Tow are parents of a daughter born in a Ranger hospital Monday night.

"Smother the Firebug With Safety" . . . A mighty good thing to keep in mind, these cold days, as our stoves are turned on full force in an effort to keep warm.

IT IS NOTED in the 1948 edition of Stevenson's Radio Bulletin, that the call letters of Eastland's already licensed radio station are KVES.

whom they have named Pamela Diane. This is the first child of Mr. and Mrs. Tow, and is the grandchild of Mr. and Mrs. Joe Tow, 602 South Ammerman Street, Mrs. H. L. Lewey of Kermit is the maternal grandmother, and great-grandparents are Mr. and Mrs. J. L. Brashear.

Mr. and Mrs. Tow live at Athens.

Leales Club Members Honor Bands Tuesday

Members of Las Leales Club honored their husbands at a Valentine's dinner at the Woman's club Tuesday evening.

Guests for the party were Mrs. Fred Maxey, Edwin Johnson, W. E. Brashier, and Misses Johnson and Jessie Lee.

Guests were seated at one long table in white and centered with an arrangement of red candles with red tapers placed on either side in crystal holders. Appointments and menu were in Valentine motif.

Guests J. P. Kilgore, W. Q. Crossley sang "Dream-My Old Home Sweet Home," "The Bells of Saint Anne," and "Little Quaker." They were accompanied at the piano by Prentiss Jones. Hollis Bennett reviewed the new book, "People's Fun." Decorations used through the room were large red

and white.

Guests were Messrs. and Mrs. Hollis Bennett, W. E. Wayne Caton, P. L. P. J. Cullen, Harold Dur-

Charles Eaton, John L. F. Hanna, H. L. Hassell, Jones, J. P. Kilgore, Fred Guy Patterson, G. A. Hubert Toombs, W. Q. J. C. Whaley, James Hor-

Johnson and Ligon.

CIVIC LEAGUE HAS TALK ON MAKING SOIL MORE FERTILE

County Agent J. M. Cooper, talked to members of the Civic League and Garden Club Wednesday afternoon on fertilizers adapted to the soil of Eastland County. His most interesting talk concerned fertilizers for lawns, gardens, flowers and shrubbery.

Cooper recommended a nitrate fertilizer for lawns and also for all leafy vegetables such as spinach, but for all flowers, shrubbery, trees and other garden produce he recommended a balanced fertilizer of the 4-12-4 combination. The latter fertilizer contains nitrate, phosphate and potash, the first two of which are especially lacking in the soil of this country.

During the business session, over which Mrs. Frank Hightower, president, presided, it was announced that Cecil Holifield, of the local Firestone store had written offering packages of giant zinnia seed to all members of the club. Mrs. James Horton made a report on work done on the shrubbery on high school hill.

Mrs. Earl Conner, Jr., was hostess for the day and presented Mrs. Grady Pipkin, who sang two vocal numbers. Mrs. Donald Kinaird accompanied her at the piano.

Following the program, a Valentine tea was enjoyed by the membership. Both the president's table and the registry table were decorated in the Valentine motif, and the tea table was laid with a scarlet satin cloth of floor length. Triple white candles flanked a charming Valentine corsage of red roses and red and white carnations. Behind the tea table stood a huge red satin heart edged with a white ruffle.

Mrs. Jack Carothers and Mrs. Earl Conner, Jr., poured hot Russian tea from two silver services. Open-face sandwich crackers, dainty cookies and red heart-shaped gum drops were served. Hostesses for the day included Mrs. Conner, Mrs. Carothers, Mrs. Robert Vaughan, Mrs. H. B. MacMoy, Mrs. Bill Walters, Jr.

SOCIETY

EASTLAND COUNTY RECORD
EASTLAND, TEXAS, FRIDAY, FEBRUARY 13, 1948.

Delegates Chosen At W.S.C.S. Meeting

Members of the WSCS of the First Methodist Church met Monday afternoon at the church for a mission study program, with Mrs. John Doyle as leader.

Mrs. R. C. Ferguson, president, presided over the business session in which Mesdames Ferguson and Frank Crowell were chosen as delegates to the Central WSCS conference to be held at Cleburne March 16, 17, and 18. Mesdames Frank Castleberry and Jack Ammer were named as alternates.

Mrs. E. J. Turner gave the devotional, titled "Need of Power." Mrs. W. P. Leslie talked on "Need of Faith," and Mrs. Milburn S. Long talked on "Hindrances."

Members attending were Mesdames James Horton, John McRae, Cyrus Frost, Fred Davenport, R. E. Sikes, Pearson Grimes, E. Roy Townsend, Frank Castleberry, John Doyle, Leslie, T. M. Johnson, Charles Hassell, W. H. Mullings, Harris, Ina Bean, E. J. Turner, George Cross, R. D. McCrary, Milburn S. Long, T. L. Fagg, J. C. Looney, Jack Ammer, Crowell, John Little, J. L. Cottingham, and N. P. McCarney.

Mrs. Green Heads Business Women

The Business Womens Circle of the First Baptist Church met in the home of Mrs. John Barber, with her daughter Miss Florence Barber as hostess.

In a short business meeting preceding the program, Mrs. Hazel Green was elected president and Miss Betty Joe Carroll, vice president.

Mrs. A. M. Hearn gave a special prayer for mission work, for which a special offering was made.

With Mrs. Marjorie Young at the piano, the group sang a group of songs.

Mesdames Tom Amis and Christine Garrard gave the parts on the mission program. Mrs. Hannah Lindsey gave the closing prayer, which was followed by a social hour in which refreshments of heart shaped sandwiches, cookies and hot chocolate were served to Mesdames Pat Crawford, Young, Lindsey, Green, Amis, Wannelle Durden, Hearn, J. H. Safley, Misses Alene Williams, Christine Garrard, and Verne Allison, and the hostesses, Miss Barber and Mrs. Barber.

Morton Valley P.-T.A. Hears Mrs. Cooper

Members of the Morton Valley P.-T. A. heard Mrs. Frances Cooper review "Your Government Is You," by Tom C. Clark, at their meeting at the Morton Valley School Tuesday afternoon.

Mrs. Homer Smith, teacher of the first and second grades, directed her pupils in a program for the group.

Pebble Nix and Barbara Franklin gave readings. Wanda Tankersley, Joy Hathcock and Aleane Reid sang "Near You," accompanied at the piano by Verna Wheat. The program was closed with the ensemble singing of the school song, "Morton Valley, We Love You."

Members attending were Mesdames Raymond Beck, T. L. Wheat, Burton Tankersley, J. B. Harbin, D. F. Williamson, Frances Cooper, Prentiss Jones, Josie K. Nix, Homer Smith, P. L. Crossley, Charles B. Harris, C. E. Beck, Miss Opal Hearn and Charles B. Harris, superintendent.

GROUP GOES TO GOLDEN WEDDING

Mr. and Mrs. Fred Maxey, and Mrs. Maxey's mother, Mrs. Agnes Rose, accompanied by Mr. and Mrs. John Love of Ranger and Mr. and Mrs. Jim Watkins of Rising Star, attended the golden wedding celebration of Mr. and Mrs. R. I. Goodall in Clairmont last Sunday. Mr. Goodall is a nephew of Mrs. Rose.

Mrs. Maxey said the weather at Clairmont was fine Sunday. They left the snow and ice behind them at Albany and had a most enjoyable trip.

Art Exhibit, Lecture To Thursday Club Greatly Enjoyed

The art exhibit and lecture given by Professor S. P. Zeigler of the Fine Arts Department of TCU for the Thursday Afternoon Club is said by many to have been the outstanding club event of the season.

Mr. Zeigler lectured in an informal and humorous manner which his audience appreciated. He talked on art canvases, using his own canvases as an illustration. He recalled having visited in Eastland in the boom days, in the home of Mr. and Mrs. Charles Norton. He displayed several interesting canvases showing oil derricks, which many of his audience would never have recognized as Eastland, painted while a guest here.

Mrs. A. L. Murrell, program leader, introduced the speaker and his son Jack, who assisted his father with the canvases. The son is also an artist as are several members of the Zeigler family.

Following the program, a tea hour was enjoyed by the group so they might meet and know the artist-musician.

The tea table, resplendent in a white linen cutwork cloth, was centered with an arrangement of yellow daffodils with white stock and gladiolus. Other appointments were of crystal and silver. Mesdames Ben Hamner and Murrell presided over the double tea service and served about 100 women and the honor guests.

Hostesses for the party were Mesdames Jack Ammer, W. B. Pickens, Frank Castleberry, and W. W. Linkenhogor.

A number of out of town guests attended.

The group will meet again Feb. 19, for a study titled "Beauty," of which Mrs. James Horton will be the leader.

Robert Weatherby of Rotan was a guest of his niece, Mrs. A. F. Taylor, and her daughters, Mrs. M. H. Perry and Mrs. J. P. Kilgore, last week end.

Mrs. Marquardt Gives Talk For H. D. Club

Mrs. Helen Marquardt talked on "Color Scheme and Arrangement in the Home," for members of the Flatwood Home Demonstration Club, at their meeting Thursday afternoon of last week in the home of Mrs. Wylie Harbin.

Mrs. Dewey Webb, vice president, presided at a short business session. Roll call was answered with "Women in the News."

A social hour followed the program. Refreshments were served to Mesdames Jeff Harbin, Lon Palmer, J. S. Turner, Marcus Greiger, Glenn Justice, Dewey Webb, Herman Jordan, Charlie Webb, Hoover Pittman, J. B. Caudle, Marquardt and the hostess, Mrs. Harbin.

Mrs. Taylor's Pupils To Play In Recitals

Students of Mrs. A. F. Taylor will be presented in recitals Monday and Tuesday, Feb. 16 and 17, at 7:30 p. m. at the high school auditorium.

Piano and voice students will be presented. A group of eight students playing four pianos at one time will be a feature on the program.

Mrs. Taylor invited the public to attend.

Mrs. J. L. Ward, 213 South Madera Street, is a patient in a Ranger hospital this week. Mrs. Ward was reported to have suffered a heart attack Monday.

Weather Holds Down Council Attendance

The attendance of the monthly council of the Home Demonstration Club, held in the County Courtroom at the Courthouse Wednesday afternoon, represented only five clubs out of the 12 clubs which are members of the council.

No business was transacted, a few announcements were made and the group adjourned until March 10, and hoped for better weather conditions by that time.

Mrs. Chapman Gives Review For WMU

Members of the WMU of the First Baptist Church heard Mrs. L. M. Chapman review the book "Amazing Grace," which is based on the life of Dr. N. M. McCall, Baptist missionary to Cuba, at their Monday afternoon meeting at the church.

Mrs. John Alexander gave the devotional and Mrs. H. F. Vermillion gave the special prayer for mission work.

Sixteen members attended.

Miss Barbara Franklin spent part of last week in Ranger with her uncle and family, Mr. and Mrs. Talmadge Craig.

PIMPLES

DON'T SQUEEZE THEM! Instead brush on KLEEREX and see how amazingly fast it hides ugly pimples as it dries them—often on first trial. Not a greasy ointment that clogs pores, but a soothing medicated liquid that relieves itching—drives redness out. Ask for KLEEREX at all druggists. Double your money back if it fails. 49c

OLDEN HIGH SCHOOL NEWS

By Marjorie Ann Hendrick

The boys district tournament was held in the Olden gym, Feb. 5, through Feb. 7.

The scores for the Olden team and each of the other five teams are as follows:

Olden 34, Moran 12; Olden 33, Carbon 11; Olden 29, Desdemona, 41; Olden 26, Scranton 23; Olden 24, Morton Valley 29.

Gerald Renfro, one of the main players on the Olden team did not play the last two games on account of sickness. Tommy Edwards was substitute in his place.

News Items From CARBON

By MRS. H. HALL, Special Correspondent

Leland Jackson of Monahans, and Mrs. Selma Lane of Pyote, were united in marriage Jan. 31 at the home of Rev. Cecil Pearson, pastor of the First Baptist Church of Monahans in a double ring ceremony.

The bride wore an aqua blue dress with black accessories and corsage of gardenias. The groom was attired in a blue gray business suit.

Leland is the son of Mr. and

Mrs. A. S. Jackson. He graduated from Carbon High School and spent 4 years in the Navy in the Atlantic and Pacific areas.

He is now employed by Wooley Tool Company of Monahans.

Mrs. Jackson is the daughter of Mr. and Mrs. T. C. Callan of Sweetwater. She is employed as civil service employee at the Pyote Air Field.

They will make their home in Monahans at the present.

Mrs. Will Lovell was hostess to the Mary-Martha Sunday School Class of the Baptist Church, Friday, Feb. 6, when quilt blocks were put together for the quilt being made for Buckners Orphans Home.

Refreshments of hot cocoa and cookies and cheesits was served to Mesdames M. M. Carter, Hallie Seastrunk, E. F. Jackson, M. L. Ferguson, H. Hall, H. P. Pittman, class president, Mrs. Will Lovell, hostess.

Meeting was closed by prayer offered by Mrs. Pittman.

Mrs. E. F. Jackson will be hostess for the next meeting Friday, March 12.

Mrs. J. E. Gilbert attended the funeral services for E. C. Sutton in Gorman Thursday.

Mr. and Mrs. Ruben Vaughn were called to Wickett last week because of the illness of their daughter, Mrs. Paul Jordan.

Mr. and Mrs. Leak Lane of Cisco visited her parents, Mr. and Mrs. E. F. Jackson Sunday.

Mr. and Mrs. A. C. Underwood and Miss Olga Underwood were in Gorman Friday.

Mr. and Mrs. H. C. Hall visited

Mr. and Mrs. H. Hall Tuesday night en route from Dallas to El Paso.

Frank Redwine has returned to school in Wichita Falls.

Miss Blanch Yarbrough, of Odessa spent the week end with her father, E. R. Yarbrough and Mrs. Yarbrough.

Miss Bess Thurman of Midland, spent the week end with her parents, Mr. and Mrs. J. M. Thurman.

Mr. and Mrs. Glenn S. Schreiner left last week for Austin where Mr. Schreiner entered the university the second semester. They have been visiting her parents, Mr. and Mrs. C. G. Stubblefield since their return from Washington State.

F. M. Wood visited his sister, Mrs. W. W. Martin and Mr. Martin Saturday.

Red Turner, of Odessa visited friends here Saturday afternoon.

Mr. and Mrs. A. D. Thurman and Rodney of San Angelo visited his father, A. D. Thurman, Sr., who is confined to his bed with a severe case of the flu, over the week end. Mr. Thurman is reported to be improving.

Mr. and Mrs. T. H. Dingle have returned from Gorman where Mr. Dingle was confined in the sanitarium for three weeks. Mr. Dingle remains in a critical condition.

Mr. and Mrs. Lois Groves of Olden were Sunday guests of Mr. and Mrs. Henry Collins.

Mrs. M. M. Jones of Abilene visited her sister, Mrs. E. R. Trimble and Mr. Trimble from Saturday to Monday.

Bill Parten returned home from the Blackwell Sanitarium Monday.

Mrs. Walter Wyatt visited her granddaughter, Mrs. M. D. Menger in Eastland Monday.

Elbert Richardson, Jr., arrived home from the Army last week, where he received his discharge.

H. A. Lovell, Mr. and Mrs. W. D. Turner, Clive Murry, Bill Brown attended the Fat Stock Show in Fort Worth Saturday.

Mr. and Mrs. Joe Lee Petree have taken rooms with Mrs. Will Lovell.

Mr. and Mrs. W. D. Turner went to Baird Sunday to visit his father, who is very ill.

Mr. and Mrs. Truly Carter of Cisco spent Sunday with his mother, Mrs. M. M. Carter.

Mrs. Ray Welch of Brady visited Mrs. Fannie Welch and Mr. and Mrs. Ray Wyatt this week.

Mrs. Cozaree Myrick and daughters, Mary and Martha left Tuesday for Longview and Kilgore, where they will visit with relatives.

Mr. and Mrs. W. Z. Champion of Brownwood were Sunday guests of Mr. and Mrs. W. W. Martin.

Mrs. M. M. Carter is visiting Mr. and Mrs. Henry Carter near Rising Star this week.

Major and Mrs. L. D. McCurry and children of La Gean Marine Base in North Carolina, are visiting Mrs. McCurry's parents, Mr. and Mrs. H. G. Hines, en route to the Philippines, where Major McCurry has been transferred.

Dr. and Mrs. R. L. Spencer and little daughter Karla of Midland are expected this week end to visit in the home of Mrs. Spencer's parents, Mr. and Mrs. H. J. Tanner.

Mr. and Mrs. Ed Castleberry had as guests in their home last week end their three daughters, Miss Verna Castleberry of Dallas, Mrs. Wanda Rapp and children of Ranger, and Miss Glynn Castleberry of Abilene, who is a student at Abilene Christian College.

All kinds of office supplies at The Eastland County Record.

EPISCOPAL CHURCH BUYS LITTLE HOME

Mr. and Mrs. Johnnie Little, who are leaving soon for their new home in Graham, have sold their residence on South Daugherty Street to the Holy Trinity Episcopal Church to be used as a rectory for Rev. Father Jim McClain and his family.

Charles Yancy, 300 South Bassett Street, is critically ill at his home. He suffered a stroke last week, and his condition is considered serious.

T. L. Fagg and son Charles Fagg left Tuesday for Farmersville, where T. L. Fagg's brother, Martin Fagg of Lewisville, was reported seriously ill.

Mr. and Mrs. Willys Smith moved into their new home on South Dixie Street Tuesday.

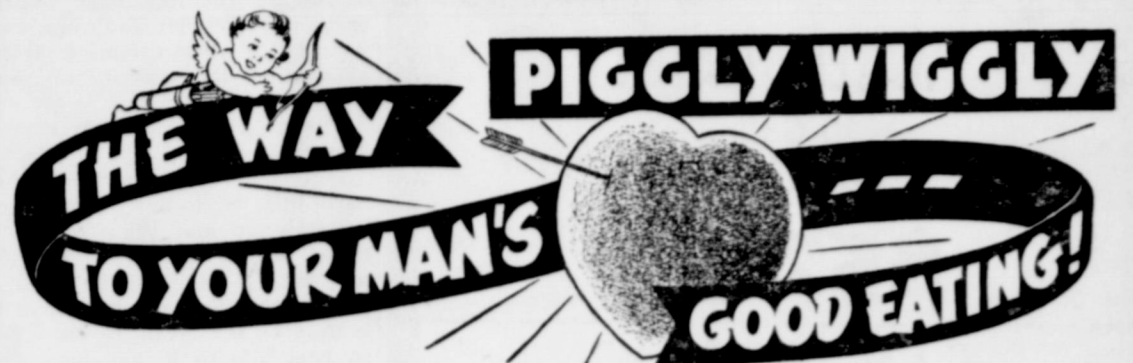

Guests in the home of Mr. and Mrs. J. P. Kilgore Tuesday were E. P. Kilgore and Mrs. Bill Yeager of Brownwood, father and sister of J. P. Kilgore.

SEED PEANUTS

Shelled treated seed peanuts 20 cents per pound f.o.b. our plant. This offer restricted to bonified peanut growers who furnish AAA acreage allocation certificates, and our stocks on hand. This price is being made as an inducement to you growers to retain the present acreage planted to peanuts. If you growers will induce the Commodity Credit Corporation to reduce the price on their Farmer's Stock holdings for seed, further reductions can be made in shelled treated seed. You still have your support price guarantee.

"Gives You Texas"

The Colonel could find oil and he could make money but he couldn't keep it; he thought money was made to spend.

So he had plenty of ups and downs. One day, I saw him in the Hotel Texas lobby in Fort Worth and he told me he'd hit a gusher in a negro cemetery in East Texas. So, because we were good friends, I made bold to say:

"Colonel, you are older than I; you have done many big things; you've made more money in a single year than I ever saw. But I'd like to offer you a little suggestion, if you won't resent it but recognize that it is sincerely made."

"Well," I continued, "you can't take care of everybody who is up against it. You owe some consideration to yourself and your own security in your declining years, as well as the security of your family."

The Colonel nodded agreement. "But what can I do?" I replied, "When one of these hard luck boys, that you have helped time and again and he's never paid it back, gets ready to hit you up or what he calls a 'loan,' you can tell the touch is coming by the gleam in his eye—so beat him to it; ask him or a loan."

A few weeks later I was out in the West Texas oil fields and ran into a friend of mine, a happy-go-lucky shoe-stringer. He said, "Boyce, I saw the Colonel in Fort Worth the other day and he must be up against it. Why, he tried to borrow \$50 from me!"

It was all I could do to keep a straight face. The Colonel was using the system I'd suggested.

I've worn out two lifetime pens—you know, the kind that "write under water." That's the best place to use 'em—in fact, it's the only way to keep from getting ink stains all over your fingers.

Care and Handling Of Grade A Milk Told By Dr. Cox

AUSTIN.—The production and distribution of milk is a business requiring great care in the handling of the product, as it is highly subject to contamination. Inasmuch as milk can be readily contaminated, control of production and distribution is necessary in the form of sanitary regulations. Milk that is produced and handled from farm to consumer, where sanitary precautions have been taken to make it a clean, wholesome product, is designed a Grade A milk, said Dr. George W. Cox, state health officer.

In the production of Grade A milk, it must come from clean and healthy cows. It is produced under conditions that will insure freedom from dust, dirt, and fly contamination in both the dairy barn and milk house. The dairy barn construction is such that it can be easily cleaned. Facilities are provided in the milk house to wash and sanitize utensils and equipment easily and quickly, and to store them in a place protected from contamination. Adequate cooling facilities are provided in the milk house so that the temperature of the milk can be lowered immediately after milking. It is the bacteria in milk that indicate the care with which it is produced and handled.

Water supplies should be safe in order that no harmful bacteria may be introduced into milk from contaminated water in the process of washing and rinsing utensils. Carriers of disease organisms, or milk handlers who may be ill, can also introduce harmful organisms into a milk supply.

Pasteurization does not make a dirty milk clean. A clean quality milk can only be provided by having it produced and handled under sanitary standards. In brief, the consumer is assured that when Grade A pasteurized milk is used, it not only is a safe milk, but it has the added quality of being a clean milk.

Uncle Sam Says

How many things have you had to forego because you did not save up money to pay for them? Perhaps in your own experience you missed an unusual opportunity to get ahead or to make a dream come true. You simply didn't have enough money. Millions of Americans are buying Savings Bonds either on the partial payment plan where they work or on the Bond-A-Month Plan where by your bank deducts the full amount of a Bond monthly from the money you have on deposit. They will be ready for opportunities, but how about you? U. S. Treasury Department

Children out of school with company a group of his students to Waco Wednesday to attend the All-State Band Convention being held there. The group making the trip included Betty Bumpass, Conner Van Hoy, Paula D. Harvey, John Collins, Jr., Milton Herring, and G. W. McBee. The group will return home Saturday.

Marine Cpl. and Mrs. G. L. Huddleston and infant son, G. L., Jr., of Macon, Ga., have returned home after visiting his parents, Mr. and Mrs. Glenn Huddleston, 412 South Connellie Street, and his grandparents, Mr. and Mrs. A. M. Freeman of Cisco.

Jack Muirhead was in Dallas on business this week.

POLITICAL ANNOUNCEMENTS

The Eastland County Record has received announcements from the persons listed that they intend to seek the offices indicated in the Eastland County Democratic Primaries:

FOR COUNTY SCHOOL SUPERINTENDENT (Unexpired Term):
H. C. (Carl) ELLIOTT

PRICES AND RULES

This column of political announcements is published to present the names of the candidates to the public of Eastland County. Prices for announcements are as follows:

County and District Offices \$15.00
Precinct Offices \$10.00

The Record will be glad to carry a news story and statement concerning the candidate's announcement, but only one such news story and statement will be carried in each instance, and it will be handled in news style.

James Dabney of Midland visited his parents, Mr. and Mrs. A. D. Dabney here this week.

Mrs. Stella Lou Hardwick has accepted a position with the Burr Store.

Richard Vickers of Odessa is visiting his mother, Mrs. W. C. Vickers, this week end.

Getting telephones for those waiting

1 Besides a telephone instrument, we need cables and switchboards to furnish telephone service

2 Factories are turning out this complex equipment faster and faster.

3 But the need is nation-wide. In the Southwest alone, equipment is needed in 700 cities to serve 235,000 people.

There are still shortages and delays, but we are getting our share of what the factories produce and we're putting it in as quickly as we can, in as many places as we can.

One thing we do know...if ingenuity and hard work can bring it about, we'll have this job licked one of these days.

SOUTHWESTERN BELL TELEPHONE COMPANY

News Items From GORMAN

Bro. and Mrs. W. F. Smith and Mesdames Dallas Jobe, Walter Harris and Barton Eppler recently attended the Cisco District Officers Training Day at the Ranger Methodist Church.

Bill Parr returned from Henderson, N. C. Friday evening. Mrs. Parr stayed in Henderson at the bedside of her father, who is critically ill.

Michael Stuart is the name given to the young son of Mr. and Mrs. Edward Duggan who arrived at the Blackwell hospital Saturday morning, Feb. 7. Michael weighed 12 pounds, and both he and his mother are doing fine. His maternal grandmother will arrive from her home in England Feb. 12 for visit with her daughter and Mr. Duggan.

R. C. Mehaffey underwent surgery at the Blackwell hospital

Saturday and is reported to be doing fine.

P. M. Montgomery returned to the bedside of his brother in Fort Worth Monday. The brother was injured while on duty as a patrolman in Fort Worth several weeks ago and will undergo surgery Tuesday.

Jack Bennett of the Bennett Appliance was a business visitor in Fort Worth Monday.

Mr. and Mrs. Wade Smith of De Leon are rejoicing over the arrival of their second son, Michael David who arrived at the Blackwell hospital Jan. 8. Young Michael is the grandson of Mrs. Vera Hamrick of Gorman, his mother being the former Vera Nell Hamrick.

Lt. Sidney Awalt, USN, arrived in Gorman Monday morning to visit his aunt, Mrs. Barbara Awalt Woods.

HEALTH HINTS

If you are nervous and worry a lot, if you have headaches, or a hundred other symptoms, there has to be a CAUSE for them. Nature's healing forces are being blocked and she is warning you with these distressing symptoms.

Chiropractic is a simple, yet effective method of locating and correcting the displacement in the spine that is pinching nerves. It clears the way for nature to heal—just as nature knits a broken bone in the body—so does nature heal all other disorders. If there is a blocking of nerves, then nature hasn't a chance to express herself.

CASE REPORT

Case No. 520.

A MAN from Ranger, age 22, came to our office complaining of headaches, which had bothered him daily since being in a truck wreck overseas in March, 1945. Patient was knocked unconscious. He was complaining of sinus trouble and the inability to lay on his back in bed, in a stretched out position. Everything tried had offered only temporary relief.

X-rays located the offending vertebrae. On Jan. 23, 1948, the first adjustment was given, headaches disappeared for two days, then reappeared. On Jan. 30, the last adjustment was given and the headaches have not returned since that date. The other symptoms are improving—Patient continues to be checked with the Neurocalometer.

(EXCERPT FROM SWORN TESTIMONIAL).

IT IS NOT TRUE TO SAY, WE DID EVERYTHING POSSIBLE, UNLESS CHIROPRACTIC WAS TRIED."

ANNOUNCING

The installation of new, modern machinery for proper grading of shelled seed peanuts. We now have four separate and distinct sizes of peanuts suitable for seed. These peanuts will be shelled from farmers stock especially selected for high quality. Available with either Arasan, Ceresan, or the new Arasan S. F. treatment.

Seed peanuts may be scarce this season since there will be no acreage quotas. Why not book at least part of your requirements now. A small deposit will hold them for you. If interested in seeing the new sizes of graded peanuts, we will be glad to have you drop by any time.

We are also in position to furnish recleaned farmers stock peanuts. See us before you buy.

By SPECIAL CORRESPONDENT

The Salem Home Demonstration group met on Friday afternoon, Feb. 6 in the home of Mrs. Del Rodgers, bedroom demonstrator. Ten members were present, and answered roll call from our suggested list in the yearbook.

Mrs. Lee Swain was leader for a parliamentary drill.

Mrs. Rodgers and the others discussed room planning, by studying actual plans and drawings.

Mrs. Electra Hattox led the demonstration on "hot sauces," by making a delicious caramel sauce to be used on cake squares, cookies, muffins or ice cream.

The hostess served a refreshment plate with hot spiced punch was served to the following: Mesdames Hattox, Weekes, Watson, Logan, Swain, Fonville, Perrin, Yancey and Tucker.

Next meeting will be Feb. 20.

City Commission Talks Of Extending Boundary Lines

Eastland's city limits may be extended to take in new areas without a vote of the residents of the areas to be incorporated, City Commissioner Dan Childress told other members of the City Commission Tuesday night.

At several previous meetings, the commission had discussed the need for extending the city limits to take in built-up areas. Persons living in such areas, it was pointed out, are enjoying most of the benefits of living in town, without paying a proportionate part of the costs in taxes.

City Attorney Frank Sparks has the matter under advisement, Childress said.

Mayor C. T. Lucas and Commissioners Childress and C. G. Uffelman also:

1. Discussed passing of a city plumbing code ordinance with Plumbers Wade Massengale and J. M. Smith. Smith insisted the city, under terms of a recent state law, must pass such an ordinance; Lucas said he thought not. Childress said he felt local plumbers were entitled to protection from outsiders; Smith said he would like for plumbers doing work here to be required to post a cash bond with the city to insure satisfactory work, "the higher, the better." Action on the matter was deferred.

2. Agreed to install approximately 70 street marker signs if the Eastland Chamber of Commerce buys the signs as proposed. The signs would cost \$4 each, and are made of aluminum. They would be placed at all intersections on Main, Commerce, Seaman and Daugherty Streets, under the proposal.

3. Instructed City Manager Earl O'Brien to issue a check for \$300 as the city's annual part of the upkeep of the Eastland Library, maintained by the Thursday Afternoon Club.

4. Agreed for Lucas to write former Congressman Clyde Garrett that during the present commission's term of office, Garrett will be given first chance to buy six acres of land included in the city

airport, if the land is sold. Garrett, who sold the land to the city, asked that he be given an option to buy it if it is ever sold by the city.

5. Made a price on a house on South Daugherty Street to Bill Jessop. Jessop was given a 30-day option to buy the house, occupied by his wife's mother and taken in by the city at a sheriff's sale nearly 10 years ago, for \$800.

MR. FARMER: WHAT PRICE FOR PEANUT SEED?

Public law 30, 79th Congress, Chapter 54, First Session approved April 12, 1945, sets forth that the Commodity Credit Corporation shall not sell any farm commodity owned or controlled by it at less than 100% current parity "except that the foregoing restrictions shall not apply to (1) sales for new or byproduct uses; (2) sales of peanuts for the extraction of oil; (3) sales for export; (4) SALES FOR SEED OR FEED."

There have been more than 25,000 tons of peanuts sold for the extraction of oil at prices from \$150.00 to \$180.00 per ton in the Southwest area this year. Why should the grower pay more for seed? Texas and Oklahoma shellers have been advised that they will be compelled to pay 100% parity for all peanuts purchased for seed. Parity today is \$236.00 per ton.

This is election year. Contact your congressman and directors of your Growers Association NOW demanding explanation why this price. Join us in our crusade for cheaper seed. There are today more than 18,000 tons being custom shelled in the Southwest area to be exported to Germany and occupied countries, perhaps as a gift. The price of shelled treated seed is going to be contingent upon the price Commodity charges us for their holdings. Why should the grower pay inflationary and exorbitant prices for seed?
