## Ambitious Program For West Texas is Planned by WTCC

Under the leadership of its regional chamber of commerce West Texas will participate next year in the Texas Centennial in a big way. The plan has been announced by Ray Nichols, WTCC president and chairman of the newly-formed Centennial committee acting for the district. Other members of the committee are: P. G. Haines, Chief of Vocational Agriculture for the State Department of Education; Max H. Hines, WTCC manager.

The 360 feet will be cut into ten booths, each 36 feet long by eight feet deep; one for each of the ten districts. Ample aisle space will be provided to afford easy progress for visitors as they go thru the exhibit. Space will be provided for showing adequately—with sunken garden and lighted effect—the WTCC's large West Texas relief map. The map was made by faculty members and students of Texas Technological College for display in Chicago's Century of Progress, where it attracted marked attention; and since has toured many large gatherings—conventions and such—over the state.

(2) The organizational setup provides that each town affiliated with the West Texas chamber of commerce shall have its own local town's panel and also cooperating in the preparation of the exhibits sponsored by the district in which the town is situated. Each of the ten districts will appoint a committee to plan, gather, build and be in charge of the district exhibit. This committee shall be composed of a board of control of at least three WTCC directors and five secretaries, county agents, home demonstration agents within that district. On the technical staff will fall the actual job of preparing the exhibit.

Thus the West Texas story will be unfolded for Centennial visitors in ten subjects—a continuing, related picture of what the section has to offer the prospective investor and homeseeker. The ten subjects tentatively selected, one to be sponsored by each district, are:

**COTTON:** To show present West Texas production and cost of production compared with the state and nation. To show past development and future possibilities. To show by-product development and possibilities.

**WHEAT AND GRAIN:** To show comparative present West Texas production and cost, and quality of production; past development and future possibilities; marketing and milling possibilities.

**WOOL AND MOHAIR:** To show comparative present West Texas production; past development and future possibilities; the marketing and processing possibilities.

**CATTLE:** To show magnitude of our open range country, give idea of range life and purposes of range; give comparative figures on West Texas cattle production.

**DIVERSIFICATION:** To show the poultry and dairying resources of West Texas, with growth and possibilities. Pecans will be included in this exhibit, since West Texas produces 92% of the total crop of the state.

**FRUITS AND VEGETABLES:** This exhibit will present the watermelon and cantaloupe as major crops, showing present production and possibilities; also showing all deciduous fruits and all vegetables that are grown in West Texas profitably.

**GRAIN SORGHUMS:** This exhibit will show how West Texas has become the leading grain producing section of the nation; show possibilities for expanding the industry; show cattle feeding volume and possibilities.

**AGRICULTURAL DEVELOPMENT:** In this exhibit will be portrayed the fact that West Texas during the last 20 years has had the most remarkable agricultural growth of any section in the history of the United States. Also to be shown are the number of acres in the past put under the plow; the increasing population of towns in addition to the wealth caused by farm development; and the acres still subject to the plow.

**IRRIGATION:** This exhibit will portray the various West Texas projects, both now operating and in the making, with production and possibilities.

**URBAN AND RURAL LIVING:** Here will be told the story of West Texas' unexcelled climate, resulting in ideal farming, living and health conditions. The exhibit will also show recreation-

**The Plan**  
The detail of the plan as announced by the General Committee.

The general committee will cut 360 lineal feet of exhibit in the Agricultural building eight feet in depth with a wall eight feet high. Then

## Miss Anderson Accidentally Wounds Self With Shotgun; Well Known Here

Miss Ella Mae Anderson, who spent her early life here, but has been making Del Rio her home for many years with her mother, Mrs. D. L. Anderson, was wounded late Sunday night at her home when a 20-gauge shotgun was accidentally discharged. The charge entered her abdomen.

Miss Anderson was removing the shotgun, which she had laid on the bed earlier in the day preparatory to going hunting, when the gun exploded. Rushed to the Williams sanitarium Ella Mae underwent an operation. Attending physicians stated that the charge had not penetrated her intestines and, that barring complications, she will recover.

Late reports from Del Rio were that she is doing nicely. Sanderson friends of Ella Mae and Mrs. Anderson regret to learn of the accident, and only hope she will soon be well.

## Sanderson Boys At Schreiner are Made Corporals

According to an announcement received this week from Schreiner Institute, Kerrville, Privates Herbert Brown and Billie Ferguson, both Sanderson boys attending the institute, have been promoted to the rank of corporals.

Announcement of the promotions were issued from the Military department Tuesday evening, November 26th, and was made with the approval of the faculty.

This is the second year that Herbert and Billy are attending the institute, and both are making good in their studies.

## ATTENDS CONVENTION

J. W. Downum returned Monday morning from El Paso where he went last Thursday to attend the convention of the Texas Hotel Association. Mr. Downum stated he was the only hotel manager present between San Antonio and El Paso on Highway 90, and that a very profitable convention was held.

al facilities and cultural and educational advantages within the territory.

On the important question of financing the West Texas exhibit the committee makes this statement:

"Construction and lighting of booths are costs that will be borne by the West Texas chamber of commerce through the Dallas Centennial Exposition. The West Texas Chamber will assume the cost of manning the complete exhibit. The cost of assembling, preparing, installing and decorating the district exhibits will be borne by the district organizations. The cost of the community panel exhibits will be borne by the respective participating communities."

## Last Rites Held for Paul Edwards In Del Rio Wed.

Paul Edwards, 36, well known ranchman, died at 9 o'clock Monday night in his home on Borrough street, after an illness of six months.

Funeral services were held at 10 a. m. on Wednesday in the First Methodist church, with the Rev. L. C. Beasley officiating. Interment was made in the Masonic Cemetery under the direction of the Doran funeral home.

Mr. Edwards was born July 9, 1879, in California. With his parents, Mr. and Mrs. W. W. Edwards, he came to Texas when he was about a year old and resided in the San Saba country. He was married to Miss Mabel Lindsey in San Saba in November, 1901. Mr. and Mrs. Edwards resided in San Saba for a time before moving to Rocksprings.

In 1903 Mr. Edwards moved his family to Del Rio. From time to time they resided on their ranch in Edwards county, but made their home in Del Rio.

Mrs. Edwards died less than two months ago, succumbing to an illness of several weeks on October 14, 1935, in the Nix hospital in San Antonio.

Four children, two grandchildren and a sister of Mr. Edwards survive. The children include Mrs. Morris Trent, who resides on a ranch in the Laguna country; Mrs. W. P. Wallace, Jr., and Miss Mabel Edwards of Del Rio; Forrest Edwards of Laguna. The sister is Mrs. O. F. Lindsey of Galveston, and the grandchildren are Mary Catherine Wallace and Wilma Trent.—Del Rio Evening News.

law of Mrs. Maude Sullivan of Mr. Edwards was a brother-in-law in this county where there are many friends who will regret to learn of his death.

**NEW MANAGER FOR THE INTERSTATE LUNCHROOM**  
Mr. and Mrs. L. Looney arrived the first of the week from Hearne, Texas, and Mr. Looney is now acting as manager of the Interstate Lunchroom. He takes the place of Mrs. F. M. Weigand, who is taking a vacation of several months, having been manager of the lunchroom since the early part of the year.

Mr. and Mrs. Looney have been with the Interstate company for 11 years, and formerly managed their house in El Paso before going to Hearne. They are experienced in the business and assure the patrons of the lunchroom that they will continue to give the same courteous service and good food as did Mrs. Weigand.

We welcome Mr. and Mrs. Looney to our town and hope that while they are here they find their stay pleasant.

## AN APPRECIATION

As a mother of one of our football boys, I want to thank Coach Smith for the good I feel he has done, and feel sure there are other parents who feel as I do.

He has built up their minds and bodies; he has bound up their bruises and wounds; he has taken a deep interest in their well-being; he has set them an example, takes defeat or victory with a smile.

He has developed character and manhood, by teaching his charges the elements of clean sportsmanship and fair play; he has developed traits that have made not only good football players, but also laid the foundation for good citizenship in the future.

He has been a good teacher and a grand coach; a fine citizen and a true friend. Please tell me where on earth we could find a greater treasure done up in such a small package?

He, the Eagle that he is, has taught the young how to use their wings, that they may make their flight to higher grades in college. But in our hearts will always be a word of praise to Coach, who laid the foundation for their lives.

Saturday, Nov. 23, brought to a close the season of 1935. With sad hearts we saw them leave the field at Marfa with a crowning victory—the last game eight of our boys will ever play for dear old S. H. S. We'll miss them, but can only hope that our loss will be their gain. Our one hope is that each will stand out and be a man among men.

Again, thanks to Coach. For him may life be full of wealth and happiness, and success beyond his fondest dreams in the field of athletics—his life's work.

A MOTHER.

## OBTAINS PACKAGE LICENSE

Johnnie Dyche of Fort Stockton states that he has secured a state license to conduct a package sale liquor store, and will be open for business as soon as arrangements for a building can be made. Mr. Dyche stated the business would be operated in strict conformity to law and only the best of wines and liquors handled.

## DEMONSTRATES BELCANO BEAUTY PRODUCTS LINE

Mrs. T. B. Landrum of Del Rio who is a special representative of the Belcano Beauty preparations, spent several days in Sanderson this week demonstrating this line of beauty helps to our women. The demonstration was in cooperation with the Pennington Drug Store of this place who handles this well known line.

## BROTHER MAKES FLYING VISIT TO SISTER HERE

Mrs. S. J. Kellogs says she will always believe in mental telepathy in the future. Thursday afternoon when a plane roared over her home she thought of her aviator brother and went out in the yard and waved. In a few minutes Dick Mussey came to the door with a letter dropped from the plane. Believe it or not it was her brother, Capt. Guy Kirksey, of Hamilton Field, Calif., piloting the plane.

## Race, Creed, or Color No Bar to Old Age Pensions

Austin.—State Auditor Orville S. Carpenter, recently named as Executive Director of the Old Age Assistance commission, effectively Feb. 14, declared this week that no one, regardless of race of color, would be discriminated against, and stated that old people will be able to get pensions without assistance from agents.

"Many inquiries regarding our policy toward negroes and mexicans have been received. Inquirers have asked whether or not members of these races would receive the same amount of pension as members of other races. We want it clearly understood that there will be no discrimination against anyone because of race or color," Mr. Carpenter declared.

"No attorney, unofficial agents, or firms will be needed to help old people obtain pensions. Application will be handled through local agents. These have not yet been named.

"Old people will be able to get their pensions July 1, 1936, if the funds are available. Application forms will be prepared February 14, 1936, and will be given to the local agents. All applications will be handled through local men; however, the law provides that an applicant can appeal to the commission if he or she is turned down.

"Pensions will be given those who are entitled to them if and when funds have been provided." Mr. Carpenter expects to visit Washington this week and have the Texas pension law approved by the Social Security Board. From there he will travel to New York and study the state pension system there, which is the largest and one of the oldest systems in the United States.

## ACCIDENTALLY SHOT

L. A. Boger was treated for a gun shot wound Monday night after he had been shot through the thigh of his right leg. Boger was in the Iris luncheon at the time the accident happened and was examining a .25 pistol of German make when it was accidentally discharged.

Boger is an employe of the construction company building the new cutoff of the T. & N. O. railway near this city.

His condition is not serious.

## Community Stunt Night Program at Hi School Ready

Surprises galore await those attend the Community Stunt Night program at the high school auditorium tonight at 7:30.

Try as the Times did, we were unable to learn just what is to take place, as each organization is keeping its "stunt" a dark secret. We were assured, however, that the entertainment would be well worth the small admission charge of 25c for adults and 10c for the children. The money earned will be used to purchase awards for students who excel in literary and athletic contests sponsored by the Interscholastic League.

Practically every organization in town will take part in the program and 'tis said that one rally would not think that Sanderson did have so many actors and actresses.

So, folks, our tip is: Don't miss the show tonight! You enjoy it, and at the same time help in a very worthy cause.

A prize of \$5 will be awarded the organization putting on the best act, stunt, or what have you—and competition is going to be keen as a Wade & Butcher.

See you at the Community Nite program, tonight, Friday, Dec. 13, at 7:30 o'clock. Is that a date?

The Texas Sheep and Goat Raisers' association, which closed a two-day convention in San Antonio last Saturday, elected Roger Gillis of Del Rio as its president. Mr. Gillis, who had been vice president of the association for many years, succeeds Abe Mayer of San Angelo as president.

Other officers elected were Roy Hudspeth of San Angelo, first vice president, and Robert Real of Kerrville, second vice president.

San Angelo was selected as the meeting place for the 1936 convention. More than 500 sheep and goat men attended the meeting.

The selection of Gillis brings to the head of the association a man regarded as one of the straightest thinkers in the industry.

**South Speaker**  
F. R. Marshall of Salt Lake City, secretary of the National Wool Growers' association, was the principal speaker at the Friday morning session which was also addressed by Attorney General Bill McCraw, T. H. McGregor of Austin, Dr. O. G. Babcock of the Texas Agricultural Experimental Station at Sonora, and by Congressman Chas. L. South of Coleman.

Judge South praised the work which has been done for the agriculturists under the present Washington administration and urged Texan to insist upon larger appropriations for the fight waging against animal diseases, especially the blow-fly, which causes an estimated loss to sheep raisers of \$10,000,000 every year.

**Opposes Treaty**  
The association went on record Friday afternoon as charging that the administration has failed to keep its 1932 campaign promise not to lower tariffs on agricultural products by negotiating trade agreements, and passed a resolution calling for repeal of the law under which the reciprocal trade agreements have been made.

Other resolutions opposed reductions in any way of tariffs on sheep, goats, wool and mohair; expressed opposition to the efforts of the State Department to have ratified a treaty to permit the importation of livestock from the Argentine, where it was pointed out hoof and mouth disease and other contagious livestock ailments are prevalent, and recommended the appointment of a committee to study new forms of taxes to relieve the burden now carried by sheep and goat raisers.

**TO PRESENT PAGEANT**  
"And There Were Shepherds" is the title of the beautiful pageant to be given Sunday at 5:30 p. m. in the Presbyterian church. The public is cordially invited.

## Two Beautifully Decorated Trees Herald Approach of Holiday Season

The spirit of Christmas is in the air!

And this year Sanderson thru two of its enterprising business firms is making an effort to forcibly remind our citizens of the fact, that they might be prepared for full enjoyment of the season of good cheer.

Two huge Christmas trees—a joy to behold—have been placed on points of vantage, each a blaze of colorful light. Already tourists are remarking on the progressiveness of the city, which after all, gets the credit that should really go to the firms who have displayed such thoughtfulness.

One tree is sponsored by the Community Public Service company. The up-and-at-'em manager of the local office, Clyde Morris, has placed it high up on a hillside in the company's park on the west edge of town.

The other rests upon the awning of the Kerr Mercantile company.

Both are visible at great distances, and have attracted many of our people.

The Times congratulates these firms, and trusts that other of our business men may follow their example, and let the world know that the old western spirit is still alive and that the depression is a forgotten issue.

Since 1933 gangsters have stolen 2,047 firearms and 273,820 rounds of ammunition from the national guard armories.

"O'Shaughnessy's Boy" With Beery And Jackie Cooper at the Princess

At last a circus picture that is all circus!

It is O'Shaughnessy's Boy, and will be the feature attraction at the Princess Theatre tonight and Saturday.

For the first time the spirit of the circus, with all its thrills, excitement, glamour and color has been brought to the screen. It is superb entertainment for every age.

Comedy, pathos, spectacles and a dramatically powerful story are deftly blended into a picture that wins new honors for its co-stars —Wallace Beery and Jackie Cooper.

The picture surpasses any of the other pictures you've seen and which so strongly established Beery and Cooper as one of the screen's greatest co-starring partners.

In no picture shown to date has the circus been filmed so completely, and circus men have put the stamp of approval on all circus scenes. It is complete, from peanuts to elephants.

Parent, here's a chance to let the kiddies enjoy a real circus—right at home.

Mrs. Walter Grigsby and brothers Dick and Pat Sullivan, left Wednesday morning for Del Rio to attend the funeral services for their uncle, Paul Edwards, who died Monday night at his home in that city.

Watch Your Kidneys!

Be Sure They Properly Cleanse the Blood

YOUR kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as nature intended—fail to remove impurities that poison the system when retained.

Then you may suffer nagging backache, dizziness, scanty or too frequent urination, getting up at night, puffiness under the eyes, feel nervous, miserable—all upset.

IN THE INTEREST OF THE HIGH SCHOOL MUSEUM

Texas, 1396 is our year for Texans! On March 2 one hundred years ago our forefathers declared war for independence. This was not a very bloody one from our standpoint, but it was a glorious war. This war, or revolution, against Mexico lasted only a few months. On March 6, 1836, the Alamo fell, taking the lives of many true Texans and also the lives of many hundreds of Mexicans. The true Texan woman and her child fled to the United States for protection. Fannin and his men died at Goliad. On April 21, 1836, General Sam Houston and his men captured Santa Anna and 730 prisoners. During this famous battle of San Jacinto 600 Mexicans were killed and 200 wounded. The Texans had lost two men and 23 were wounded, six of whom later died. This ended the great revolution. All such points of historical interest are studied in the American History classes of the Sanderson public schools, and any relics pertaining to the subjects of discussion are collected and placed in the American History museum. We urge you to place your relics in our museum so that others can see that we are Texans and True Texans, is the request of the class. The class asks: "Why let these relics stay in your home where no one can see them?" They ask that the people who are interested in Texas history and other state activities to lend relics to the class for the school year.

Current Comment

By Homer Richardson The Sanderson Eagles were clawed up a little by the Stockton Panthers last Friday night, by a score of 34 to 24. Cy Mussey was unable to play because of an injury to his leg a day or two before the game. Bogusch did his best to fill the position, and he did splendidly. What has happened to all the freshmen? At lunch they are seen either chasing tadpoles, the seventh grade, or standing at attention on the side steps, and then jumping off the top step. They have begun to go around with their shirt collars buttoned and their shoulders back and with their chest out. I am beginning to believe the freshmen are gentlemen after all. And something else, they are even paying respect to their superiors, the upper class men, and are saluting them. What is coming of this world?

Tuesday the chapel program was in celebration of the anniversary of the Eagle News. This is the second year that we have had a newspaper. The paper is improving and has received honorable mention several times this year from other papers. Well, the football boys are going to get sweaters again this year. They are to be burnt orange color with a black letter and service stripes.

MISS CHAFFIN RETURNS Miss Leitha Chaffin, the third grade teacher, is back at work this week after a ten days illness at her home in Alpine. Mrs. Ervin Grigby substituted in Miss Chaffin's place during the latter's illness.

Fourteen Eagles Awarded Letters

In a meeting held Tuesday afternoon Coach Smith named the lettermen for the past football season. Fourteen members of the squad played enough to deserve a letter, and one boy will be given a reserve sweater. The following lettermen were named: Co-Captains Roy Deaton and Dick Sullivan, Elton Halley, Jesse Lochausen, Reuben Mussey, Essary Haines, Bob Lea, Albert Appel, James Allen, Jack Bogusch, Bill Smith, Homer Richardson, Joe Kerr, and Pete Deaton. Houston Chandler will receive a reserve sweater for not missing but two practices all season. The sweaters will be given by the school and the colors will be burnt orange with a black letter and black stripes. Coach Smith stated that this was one of the best group of boys he ever coached.

H. E. NEWS

By Constance Richardson The second year Home Economic girls have been making an intensive study of pastry. This project includes the different types of pies. The following pies were made: open face with meringue, two crusts, chifon, and tart. Some very good results were obtained, though the quantity did not accommodate our best patron, Mr. Smith. We dedicate the following recipe to him: Bermuda Pie Parboil 4c sliced onions. Drain and add three beaten eggs, and 1 1/2c milk with salt and cayenne to taste. Pour into an uncooked pastry shell. Insert three strips of bacon in the onion filling. Bake in hot oven 15 minutes. Decrease heat and bake 20 minutes longer. To be served as an entree.

The future Eagle Homemakers club received their membership cards to the National and State Home Economics club this week. This gives club members the full rights of an affiliated club and will allow them voting rights at the State club meeting which is to be held in San Angelo in the spring of 1936. The school board and Mr. Holt visited our department last week. We were very glad to have them and invite them to visit us during class so they may sample our efforts.

? QUESTION ? OF THE HOUR

By Nelle Lea What has happened to our tennis courts? How are the boys going to do at that game tonight? How is H. C. Monroe coming along with his tender bones? What is Homer Richardson going to do about his girl when Jack Shelton comes home? What do the band students think about Mr. Jimmy King getting married? How is Lois' Pluto 'og getting along (the one on her dress)? Who is Mildred Underwood going to see when she goes to El Paso? Who will make all-district on the basketball team? How is the "term theme rush" coming along? When is Lillian's boy friend from Stockton coming to see her again?

Birthday of The Eagle News Is Assembly Feature

Tuesday afternoon at 1:30, the senior class gave a one-act play entitled "The Eagle News Birthday Party," as a feature of regular assembly. This play was the celebration of the school newspaper's sixth anniversary. The seniors taking part in the play were Lloyd Gant, Dick Sullivan, Florence Hurst, Bernard Pollard, Lillian Halley, Roy Deaton, Lois Toyler, Olivia Gutierrez, Jesse Lochausen, Elton Halley, O. T. Schupbach, Anna Lee Allen, and Florence Van Cleave. Melven Pollard gave a short toast to the Eagle News editor-in-chief and her staff. Mary Ferguson was "Miss Eagle News," and was toastmistress at the "birthday party." Assembly visitors were Mrs. C. F. Stavley, Mrs. O. T. Schupbach, Mrs. R. B. Mussey, Mrs. E. P. Halley, Mrs. W. J. Ferguson, Mrs. B. L. Van Cleave, Mrs. J. E. King, Mrs. W. C. Vaughn, Mrs. T. R. Arrington, Rev. and Mrs. Philip Brown, Mary Arrington, Mrs. Wallace Henshaw and Mrs. L. A. Hurst.

Museum News

Last Tuesday Mr. T. R. Arrington presented the American History class museum with a 45-70 lever action, model 1873, Winchester carbine. This makes the seventh gun in the high school museum. Other donations have been received during the past two weeks. Pat Harris presented a number of arrowheads, found last Saturday south of town. Mr. A. Birdwell of Dryden presented two steel arrowheads that he had found near Dryden. Mr. Birdwell has donated many relics to the museum. A hand-painted picture, painted in 1847, was presented to the museum recently.

Program Given By Fourth Grade

The fourth grade presented the assembly program for the Sanderson grammar school, Thursday, December 5, in the auditorium at the high school. It was a radio program. Bill Cochran was announcer. The first number on the program was a poem by Dan Murrah, dressed as a cowboy. Two songs were sung by the entire class, "The Eyes of Texas," and "Beautiful, Beautiful Texas." A play, "The Continents," was presented. A piano number was played by Edna Mae McAdams, and Janice White gave a tap dance. "The Bear Who Wanted to Be a Soldier," a bedtime story, was told by Mary Corder. A play, "If Signs Could Only Talk," concluded the program. The visitors were Mrs. R. D. Holt, Mrs. E. Corder, Mrs. Carl Cochran, Mr. and Mrs. Carlton White, Miss Louise White, Mrs. W. R. Holland, Mrs. R. N. Allen, Mrs. R. A. Hurst, Mrs. Earl Pierson, Mrs. M. G. Northcut, Mrs. Frank Robertson, Mrs. Tip Frazier, Mrs. W. H. Mansfield and Mrs. Rufe Murrah.

Co-Captains of 1935 Football Squad Chosen

Roy Deaton and Dick Sullivan were elected co-captains of the Eagle football team at a meeting of the lettermen Tuesday evening. The boys voted for a line captain and a backfield captain. The two boys played nice football all season. They inspired faith in the boys when they were ready to give up. It was their "Come on, boys, let's go!" attitude that made the Eagles a winning ball club. Roy played center for the Eagles for the past three years, and "Sully" has been a backfield man for three years.

Fifth Graders for Better Speech

The fifth grade girls and boys organized a Better English Club on Wednesday, Dec. 14. They elected Billy Corder president. Other officers elected were Ross Stavley, secretary and treasurer; Jane Barker, reporter. A poster committee and a program committee were appointed by the president. Each member made the following pledge: "I promise that I will try to use clear, correct English at all times; that I will pronounce my words distinctly, use a pleasant voice and speak courteously. A pupil who makes a mistake in English at home, on the playground, or in the school room must pay a penny to the treasurer. The money will be used for Christmas decorations for the room."

Iron Men of The Eagle Team

Paging "Believe It or Not" Ripley! One player of the Sanderson high school football team has just completed his second season of football in which he has played the full sixty minutes in every game of both seasons. He is Roy Deaton, center. Other "iron men" of the Eagle team are Albert Appel, Jack Bogusch, and Dick Sullivan. These players played all this season without a substitute. These facts were due to the small reserve strength of the Eagle team. Deaton, center, has played two full seasons without a substitute. Last year the Eagles played eight games and he counted every minute of every game. This year the boys played six games and he still was not put on the bench a time. "Red" Appel, sturdy junior at guard, played all season without a rest. Jack Bogusch, lateral-catching end, played without a substitute. "Sully" Sullivan, field general, called every play this season.

Panther Quint Down Eagles in Opening Game

The Fort Stockton Panthers gave the fighting Eagles a 34 to 24 defeat last Friday night in the Eagles' nest. It looked as if the feathered flock were going to have just one more ball game for the first few minutes. They found the basket for eight points before Stockton could count. The Panthers began to find the basket and by the end of the half were leading 19 to 13. The Eagles were never able to overtake them. It was the stellar play of Edwards that kept the Eagles on the defense most of the night. Edwards, freshman forward, took high scoring honors with 13 points, but was closely trailed by Warren, Panther center, who accounted for 12 points. Halley led the scoring for the losers with 10 points. Lochausen pressed his with four field goals for 8 points. The Eagles have no alibis for their defeat, but it was mostly laid to the short time they have had to work. They had only four workouts when they played Fort Stockton. The Warbirds will center on the game to be played December 20. It will be a little better ball game from the Eagles' standpoint, for they are improving every day.

All Community Stunt Night, 7:30

Eleven organizations of Sanderson and Sanderson schools will participate in the all-community stunt night to be held for the first time in Sanderson tonight at 7:30 o'clock. The stunt night is being sponsored by the high school. The eleven stunts will be presented by the Rotary club, the P. T. A., the Culture club, the Home Economics club, the teachers of the Mexican school, the teachers of the American grammar school, the four classes of high school and the seventh grade. Admission will be 10 and 25 cents. Invitations were sent to fourteen organizations of the Sanderson community two weeks ago. The stunt each organization has planned has been a secret and no person is to participate in more than one act or stunt. All persons participating must be members of the organization represented. The other regulations are little or no property will be permitted; the act will be limited from 5 to 7 minutes; each organization will draw for places on program; and there are to be no passes. Judges From Fort Stockton Three judges from Fort Stockton will judge the stunts and the winner will be announced at the end of the evening. Five dollars will be awarded the organization sponsoring the best stunt. Places on program were drawn by representatives from the various organizations at a meeting yesterday afternoon at 4 o'clock in Supt. R. D. Holt's office.

UNDER THE Eagle's Wing

The Eagles met defeat in the opening game of the cage season last Friday night on their home court. The found the taller team from Stockton just a little too good for them this early in the season. The Eagles had only worked out four times when they played the Panthers. They have lots of work to do, but wait until the season gets underway. In my opinion these Eagles are going to be hard to handle. With Mussey back in the lineup these boys will feel much better. Bogusch played a nice game the other night. He played heads up ball all evening. But Mussey has had more experience which will be very beneficial to him. These cage boys will have another shot at the Panthers on Dec. 20. The Warbirds will motor over to Farm City to try and even up this last defeat. By that time the Eagles will have their eyes on the basket and will be in better condition. The boys seem to have plenty of wind, but just get tired. The muscles in their legs cannot stand the fast game of basketball yet. The game is more strenuous than football. I heard one basketball player make the following statement: "Football is a sissy game alongside of basketball." In the Southwest Conference When New Year's day has gone the Southwest conference will be the best conference in the United States. This is the first year in the history of Texas that a school from the state has played in a Rose Bowl game. Stanford University on the Pacific coast, will be host to S. M. U. of Dallas. T. C. U., Coach Duane Smith's alma mater, will play in the Sugar Bowl game at New Orleans with L. S. U. as their opposition. In the Texas conference Hardin-Simmons will play the Aggies of New Mexico in the Sun Bowl game at El Paso. These three teams should represent Texas highly in these three games. S. M. U. will enter their game undefeated and untied. T. C. U. will enter their game with only one defeat, and that was by S. M. U. The Cowboys from Hardin-Simmons have been defeated three times—by Texas Tech, S. M. U. and Baylor. The Cowboys shows they are pretty good. The scored against S. M. U. which Cowboys will lose only one man this year and he is Captain Henry Melby, halfback. They have two great running backs in Pete Tyler and Ed Cherry. If I were going to pick the winners of the three game I would say that S. M. U. will win their game easily. Stanford has a powerful forward wall which will be hard to penetrate, but when Bobbie Wilson finds he cannot make yardage through the line, he will start passing the ball all over Pasadena. If Henry Shuford is able to go, the powerful wall of Stanford may be punctured. T. C. U. will not have as easy a time as S. M. U. According to the sports dope T. C. U. has the best team because Rice defeated L. S. U. 10 to 7, and T. C. U. defeated Rice 26 to 7. The game will be a toss-up, I believe, but I think T. C. U. has the edge. This department is for T. C. U. The Cowboys will have a field day in El Paso.

Junior Literary Guild

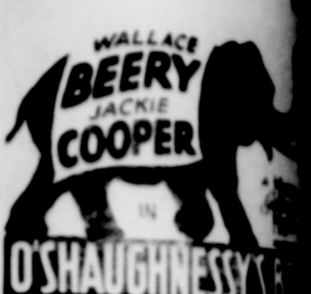

The fourth meeting of the Junior Literary Guild was held on Nov. 27 in the sixth grade room. A program with pioneers as the theme was presented. Joyce Yeates was the program leader and announced the minutes of the last meeting. The treasurer gave a report of money taken in. Jimmie Ware gave a report on the Book Week posters that were made last week. Mack Mims told why we celebrate Thanksgiving Day. Margaret Reed Arrington told the life of a great pioneer story writer, and Julian O'Bryant told a pioneer story. Al Creigh reported on the life of Miles Standish. Billy Carigle and Marzee Haynes were also on the program.

New Typewriters

Two new Underwood typewriters have been added to the commercial department at the high school. This makes a total of 13 typewriters in the department. All typewriters used in the department are Underwoods.
