Rape Trial Jury in Deadlock

A jury of 11 men and one woman deadlocked Saturday in the rape trial of Joe Johnson, 19.

Judge A. S. Mauzey of 32nd District Court dismissed the jury at 2:55 p.m. with no decision in the case.

Dismissal of the jury with no verdict came immediately after Jury Foreman W. E. Stockton reported to the judge that the jury was hopelessly deadlocked.

It was the second time within the day the foreman had reported the jury unable to reach a verdict.

Earlier, just before noon, the jury had made the report to the judge.

But Mauzey then had requested the 11 men and one woman to resume deliberations again after lunch in an effort to reach a verdict.

Defense Counsel Perry Barber had asked for the continued deliberation in an effort for verdict despite the appearance then of little chance for the deadlock to be broken.

Dismissal of the jury came 22 hours and 55 minutes after it began deliberations Friday at 5 p.m. following closing arguments of attorneys.

The jury had considered the case until 10:30 o'clock Friday night, then retired for the night. Inability to reach a verdict pointed to the fact that the jury could not decide on two main questions of the case:

(1) That Johnson and another local youth, Don Earl Dossey, raped an 18-year-old mother on night of Dec. 16 with the threat of death to her and 14-month-old baby, as the prosecuting attorneys contended.

(2) That there was no rape and that, instead, the mother submitted willingly to the two youths who, as the defense contended, offered no threats against the woman.

Loraine Lions Set Bulb Sale

Loraine Lions Club is planning a light bulb sale to raise funds for promoting Loraine's 50th anniversary celebration.

Details of the sale—patterned after the recent sale of Colorado City Lions—were explained to the Loraine Club recently by Joe Burns.

Burns is a representative of a light bulb company in Paris, Tex. The Loraine Lions will conduct their sale in a house-to-house campaign.

WESTBROOK AND SHARON

Two County Fields Gain Four Oilers

Four new oil producers have been completed in two Mitchell County fields.

The well completions were divided evenly between the Westbrook Field and Sharon Ridge-1700 Field.

Additional activity this week—which earlier included the successful completion of one wildcat and staking sites for two additional prospectors—included the location of a new drilling site in the North Coleman Ranch Field.

Finalized as new producers in the Westbrook Field were Miami Operating Company No. 2 Cole and Ithex No. 2 Stockhard-Smartt.

Adding to Sharon Ridge production were Preston No. 1 Badgett and Neely & Neely No. 1 Hardee.

The No. 2 Cole has a daily pumping potential of 116.04 barrels of 24 gravity oil. Production is from perforations between 3,155-3,187 feet with total depth at 3,275 feet.

Location of the No. 2 Cole is 330 feet from south and east lines, Section 2, Cuthbert Vacancy Survey.

A daily pumping potential of 57 barrels of 22.8 gravity oil, plus 35 per cent water, was reported for No. 2 Stockhard-Smartt. Production is from a pay area

PREPARE CITY-WIDE CRUSADE—Three district leaders check a city map for areas where their volunteer workers will be assigned in the community-wide crusade Thursday and Friday "to fight cancer with a checkup and a check." From left to right, they are Mrs. L. B. Elliott, Mrs. A. L. McSpadden and Mrs. R. A. (Bob) May. Volunteer workers under a score of district leaders will canvass the city house-to-house and block-by-block Thursday and Friday dispensing educational pamphlets for prompt recognition of cancer symptoms and seeking donations to aid cancer research. MONDAY NIGHT AND TUESDAY

Big Top Show, Board Election Feature Annual Co-op Meeting

Members of Lone Wolf Electric Cooperative Inc. will elect nine directors here Tuesday in their annual meeting amid the festivity of an electric fair and "big top" entertainment.

The fair and entertainment all-day Tuesday will be one of two shows staged by the co-op.

Opening the entertainment and display of exhibits will be a Monday night program designed especially for townspeople throughout this area.

And the town citizens are invited to join the farm and ranch families to attend the show and fair under the "big top" tent in front of Lone Wolf Electric on east side of Highway 208 (to Robert Lee), according to Raymond Perdue, co-op manager.

The annual membership meeting of the cooperative will be conducted Tuesday at 10:30 a.m. and at 2:30 p.m.

But the all-day program Tuesday will begin at 8:30 a.m. with registration and inspection of electrical appliance exhibits and continue until final awarding of prizes at 3 p.m.

The night show—scheduled especially to fit into the schedule of those persons who can not attend the day program—will be

from 6 p.m. until 10 p.m. Monday.

Entertainment features for the night and day programs will include free ferris wheel rides for children and hundreds of dollars in prizes.

Headliners will be Billy Womberly and his Drifting Texans, western band; Hoffman of San Francisco, magician and comedian; and Fred Whitaker of Tacoma, Wash., nationally known juggler.

Along the 200-foot midway will be the electric fair with displays in latest farm and home electrical equipment and displays by at least seven appliance dealers.

Another attraction will be the annual display of farming equipment and machinery by implement dealers of this area.

In their annual election members of the cooperative will elect directors representing nine regions of the territory serviced by Lone Wolf.

Listed on the ballot will be the following candidates:

Region 1—W. H. Cooper, incumbent, and Harlan Reed.

Region 2—Forrest Porter, incumbent, and Willis Cornutt.

Region 3—Ed Roach, incumbent, and Dennis Fortenberry.

Region 4—Gwan C. Strange, incumbent, and E. Leon Ashford.

Region 5—R. H. Marth, incumbent, and Gilbert Hrbacek.

Region 6—Martin Murphy, incumbent, and Fred Bowers.

Region 7—Corley Rogers, incumbent, and Woodrow Crabtree.

Region 8—Sam Williams, incumbent.

Region 9—L. A. Strain, incumbent.

Principal speaker for the annual meeting will be William A. Brown of Austin, attorney for electrical cooperatives in Texas.

He has been the legal "brain" in the successful court fight by the cooperatives to retain the right to service cooperative customers in areas that are taken into corporate limits of cities after cooperatives originally had serviced the customers in the area before it was taken into city limits.

The court test originated in Gilmer when the cooperative there was opposed by that city's local utility company.

Hoffman of San Francisco, the magician who will be featured in the entertainment portion of the annual meeting, has toured major resorts in California and appeared on stages of the West Coast's major theaters in addition to being featured on TV.

And Whitaker, the juggler, is one of the nation's outstanding performers in his field of entertainment. Last year he was flown to Washington, D. C., for a special appearance at the annual ga-

thering of University of Texas ex-students in the capitol.

Wimberly and his band were here two summers ago for the 1954 Lone Wolf show.

Dealers who will have exhibits along the midway Monday night and Tuesday are Thomas Bros., Griffin Truck & Tractor, Kirschbaum's Appliance Store, Colorado Tire & Supply, Drummond Appliance, Hardcastle Refrigeration and Western Auto Associate Store.

Directing arrangements for the annual meeting are Perdue, the co-op manager; L. A. Strain, co-op president, and Gwan C. Strange, co-op secretary.

Nominating committee submitting the candidates listed on the ballot was composed of R. E. McMillan, W. T. Brooks, Paris Yarborough, E. R. Venus, Howe F. Mayse, Clyde Linam, E. O. Mahon and D. L. Cotton.

Firemen Get 'Shock' From Smoking House

Lightning Friday evening provided a shock for the duplex residents of Mrs. Ivan Rutherford, 325 E. 16th St.

At least, that's the theory of firemen who rushed to the duplex at 10 a.m. in answer to a fire alarm.

The fire alarm was turned in after Mrs. Rutherford and a daughter had returned home from an automobile ride with Mrs. Rutherford's son-in-law and daughter, Mr. and Mrs. Bob Thompson.

Mrs. Rutherford was preparing to leave with relatives on a trip to Oklahoma when she and her daughter smelled smoke.

"We went into the kitchen and smoke was coming out from under the sink and cabinets," she said.

And when they touched any metal object in the house they received an electrical shock.

Screen doors, door handles and other objects created the same shock.

They immediately phoned the fire department and when firemen rushed to the scene, they received the same shock.

Fire Marshal Barney Wren and Fireman J. S. Sadler Jr. said the shock was strong even when touching outside walls of the duplex structure.

The smoke was found by firemen to be originating behind kitchen cabinets where phone lines connected to the house.

Evidently lightning struck during the Friday evening storm and scorched an area where the phone line was grounded.

The electrical charge apparently scorched the house, causing smoke and building up the "shocking" condition, they said.

The board has requested that John T. Merritt, chairman of Chamber of Commerce civic improvements committee, and Bill Quimby, chamber manager, appear before the board July 2 and review the previous steps and work in the move for a community recreation program.

Quimby and Merritt will provide the board with data that the chamber committee obtained from cities throughout Texas and from the National Recreation Association.

The board also will review applications received already for the post of city recreation director—a position provided for in the

Freak Storm Causes Heavy Damage Across Entire City

SOME HAIL DAMAGE REPORTED

Heavy Downpours Soak Broad Belt Across County's Middle

Rain soaked a wide, central belt across Mitchell County late Friday afternoon and during the night.

Except for spotted hail damage and some gully-washing, the moisture was hailed as crop blessing.

However, northern and southern strips across the county were missed, for the most part, by the rain that blew in with damaging windstorm in the Colorado City area.

The late afternoon downpour—falling in blinding sheets for a few minutes—totaled 1.05 inches here in Colorado City.

It broke a 100-plus heat wave that had blistered the city for days. High temperature Friday before the rain was 102 degrees.

Heaviest downpour was reported in the Baumann community area south of Loraine. There the rain gauges reported moisture ranging from 3.25 to four inches.

But hail damage was reported also in the same area. Although the hail was hop-and-skip, several fields were reported to have been completely flattened.

Loraine reported 1.3 inches of rain, a big aid to crops in that area.

However, the moisture belt missed areas north of Loraine and Colorado City. Buford and Cuthbert missed out on most of the moisture and Rocky Allen at China Grove reported only .20 inch rain at his farm.

The downpour hit Westbrook community and dumped heavy moisture on the area south of Westbrook, one of the worst hit by drought during the last two years.

Witt Hines reported 1.70 inches of rain—the best in more than a year—south of Iatan station. And Doug Barber said the rain totaled more than an inch south of Westbrook.

But in the more southern areas of the county the rain dried out. Spotted reports in the Spade community indicated the rain was hit-and-miss there with the best

ranging from one-half to one inch.

Down at Randerbrook Ranch and into the Silver area the moisture was negligible.

Some gully-washing was reported in the Plainview area southwest of Colorado City. Rain there measured up to two inches on most gauges.

In the Lake Colorado City area the reports varied from .80-inch to 1.50 inches.

South of Colorado City in the Payne and Seven Wells communities the county's second-best rain was reported with measure-

ments ranging from two to three inches.

But the dry belt began below Payne and Seven Wells.

Even in areas where heavy moisture was reported, the rain reports indicated that moisture was spotty with one farm receiving benefit and the next getting much less.

Some hail damage was reported just east of Colorado City, in addition to the hail in Baumann community.

In worst damaged areas, cotton stalks were stripped bare.

AS FIRST CHAIRMAN

Recreation Board Elects Rev. Clary

Rev. Earl Clary, pastor of First Presbyterian Church and prominent in civic and youth programs, will head Colorado City's first park and recreation board.

The minister was elected board chairman at the board's first meeting Monday night.

Selected as vice chairman of the board, which has the job of organizing a municipal park and recreation program for all age groups, was City Councilman Jeff Taylor.

Mrs. W. S. (Bill) Rhode was elected secretary.

Other members of the board, appointed this month by City Council, W. W. (Wally) Westervelt, Ed Rothwell, Mrs. Kenneth W. Cowan and Roy V. Fox.

The board in its initial meeting in City Hall set the first Monday of every month as its regular meeting date.

And they scheduled two phases of study for the July 2 meeting. To be studied will be data secured from other towns and agencies concerning successful community recreation programs and requirements for city recreation director here.

The board has requested that John T. Merritt, chairman of Chamber of Commerce civic improvements committee, and Bill Quimby, chamber manager, appear before the board July 2 and review the previous steps and work in the move for a community recreation program.

Quimby and Merritt will provide the board with data that the chamber committee obtained from cities throughout Texas and from the National Recreation Association.

The board also will review applications received already for the post of city recreation director—a position provided for in the

A freak wind and rain storm uprooted trees and snapped limbs, twisted TV antennae and damaged numerous buildings here late Friday afternoon.

Damage within the city to buildings, fences and antennae spiraled to more than \$20,000.

Some crops east of the city and south of Loraine were heavily damaged, too, by hail. But agriculture, for the most part, through the county's central belt benefited greatly from the moisture.

The brief windstorm that struck the city at supper time with a blinding sheet of rain knocked out police radio and telephone communications for more than four hours, resulted in a fire alarm at one residence, tore out a garage at another residence and created havoc in all areas of the city.

Wind struck first from the south and southwest, then turned and whipped the city from the northeast.

Fireman J. A. Sadler Jr., on duty alone at the police and fire station when the storm struck, sounded a brief distress signal over the city's fire alarm system after wind knocked out the police phone and radio.

The distress signal was for the purpose of attracting police radio patrol units to the station so they could be informed of the breakdown in police communications.

TV antennae in the residential and business sections received their worst blow in history here.

Main damage to the downtown area was confined to wind-smashed display windows.

But there was more serious damage.

The storm smashed the north-side of the frame residence of Manuel Rivera, located at the corner of Cherry and W. 13th St. Entire northside of the garage—which adjoins the living room—was blown out.

However, the Rivera family was away from home at the time. Rivera was at his job with Pick & Pay Grocery and other members of his family were in California.

Large trees were uprooted in the yard of the John H. Moore residence, 421 Walnut, at the residence of Carl Gary, 1129 Walnut, and in the 300 block of Elm.

Branches were torn from trees in most areas of the city with particular damage along sections of Pine and Cypress streets.

A picket fence was ripped out in 200 block of E. Fourth St. And wind knocked out concrete block fences at the residences of Cummins Wood, 1132 Walnut, and Clem C. Myers, 1305 Oak.

Spectators in the rape trial of Joe Richard Johnson stood in 32nd District Courtroom on the Courthouse's third floor and watched the wind topple antennae and create other havoc.

Citizens downtown saw a large trash can at City National Bank careening crazily in the air—about waist high off the street—for a block.

Corner showroom window at Frank Motor Company was torn out and hurled in one piece into the open street area until it smashed against the pavement.

The wind smashed the Berman Variety Store sign on the city's main thoroughfare, knocked out a display window next door at Roberts Butane & Appliance, corner of E. Second and Elm.

Store windows also were demolished at two vacant buildings in 100 block of E. Third St., at Walker-Hammond Furniture Company and Pond & Merritt Cleaners in 200 block of Walnut.

Dozens of TV antennae were wrecked. The tower atop Thomas Bros. in 200 block of Walnut went down as did others in all areas of the city.

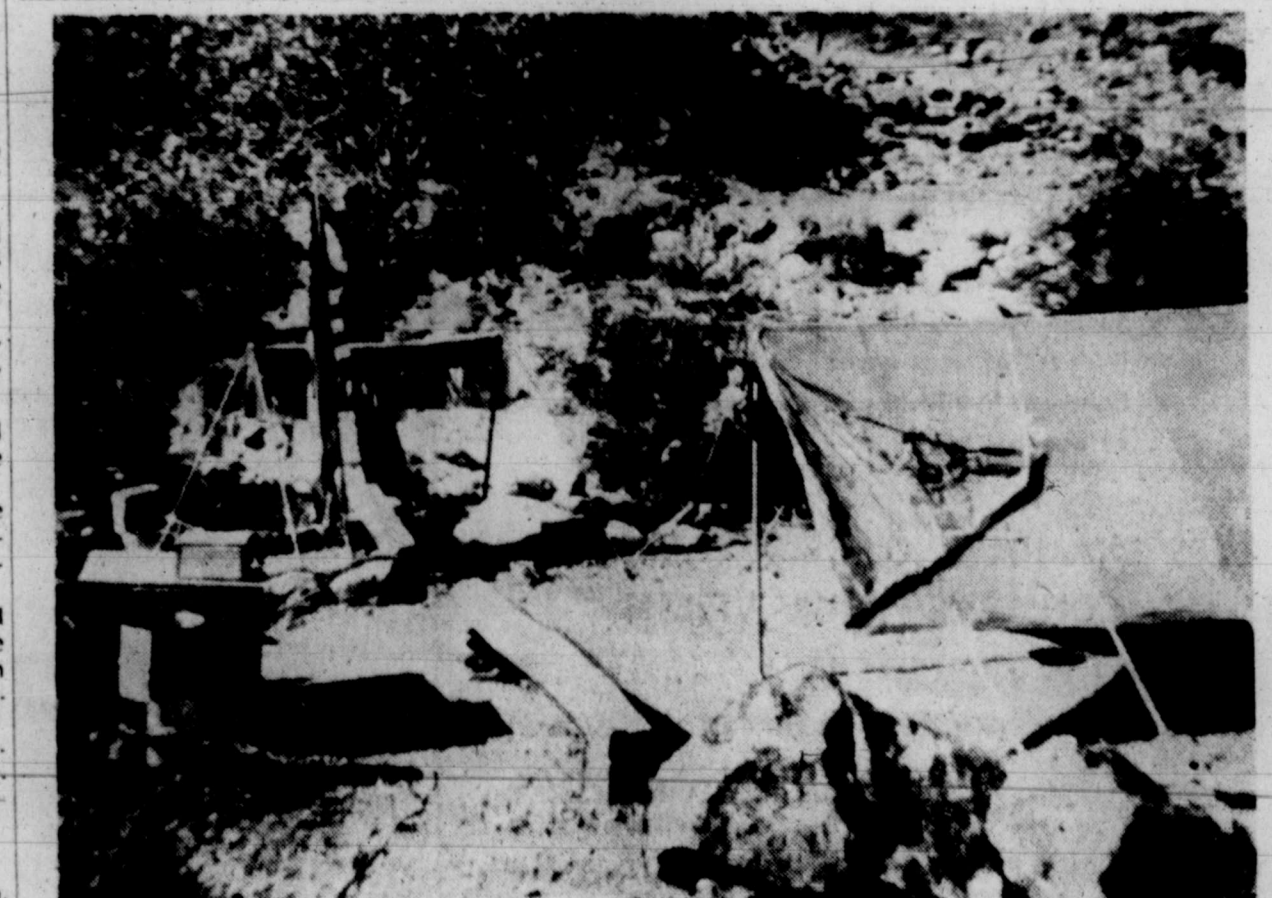

A large antennae at the home of R. B. Baker, 1045 Chestnut, was smashed to the ground beside the residence. The same damage was repeated at dozens of houses in town.

Wind tossed a large, customized plastic and metal wading pool over a five-foot rock fence at the B. D. Balsham home, 1344 Elm.

Small storage house at Colorado High construction project was hurled across Chestnut.

And an air-conditioner was torn away from a residence on

Most modern truck V8's ...and the pounds prove it!

Pound for pound, the most powerful truck V8's today are Chevrolets. That's one way you can tell they're the most modern V8's going!

Chevrolet's modern short-stroke V8 truck engines do more work for their weight than any other V8 in any truck today! That means they carry around fewer pounds for power they develop. (They weigh up to 200 pounds less than other comparable engines!) It means, too, that less of the maximum truck G.V.W. consists of engine weight—and more is devoted to payload. Stop by and let us give you the facts on Chevrolet's compact, super-efficient truck V8's.

Weigh the facts...

and you'll choose today's most modern trucks

Wasted weight is engineered out of Chevrolet truck V8's! The ultra short-stroke of Chevrolet's truck V8's makes possible a rugged yet compact cylinder block. Modern design cuts down engine weight and increases engine efficiency.

More power per pound means more power for your payload! Since less power is used in moving engine weight, a bigger proportion is available for moving your payloads. You get hour-saving performance on the job. And modern V8 power saves dollars, too!

There's a modern V8 for every Chevrolet Task-Force truck! There's a powerful, deep-breathing V8—either standard, or optional at extra cost—in every Chevrolet truck model. Horsepower ranges as high as 195 for fast, efficient high-tonnage hauling.

Chevrolet Task-Force Trucks

Anything less is an old-fashioned truck!

FOR SECOND YEAR

Silver Scouts Win Sportsmanship Trophy at Sol Mayer Encampment

By MRS. M. H. JAMESON, Record Correspondent.

SILVER — Silver Boy Scouts for the second consecutive year brought home the sportsmanship trophy from an encampment at Sol Mayer.

Scoutmaster for the troop is Jerome Sirus of Colorado City. The Scouts and Sirus would like very much to have a Scout hut. Surely there is enough interest in this program that we can have a hut in our community in the very near future.

Jerry Jameson presented entertainment for the Silver Lions Club at their regular meeting Tuesday evening.

Guests this week at the ranch home of Mr. and Mrs. Jahew Jameson are their daughters — Mrs. Clifford Wilson of El Paso, Mrs. Joe Nelson Thorpe of Throckmorton and Mrs. Joe Ash of Elizabethtown, Ky.; also Mrs. Thorpe's son, Jahew. Things are fairly quiet here

these days with so many away on vacations.

Among those on vacation at

Loraine Church Has VBS Commencement

By MRS. C. C. HAMILTON, Record Correspondent.

LORAIN — Commencement exercises for the Vacation Bible School of Loraine's First Baptist Church was June 13.

Approximately 125 children participated in the program.

The program—directed by Rev. Bobby Rine, church pastor and school principal—was opened with a worship service which included a call to worship, the motto and the Bible school song, directed by Mrs. Vance Dickenson.

After a period of prayer, Rev. Rine led the group in saying allegiance to the Bible, the Christian flag and the United States flag.

Each superintendent presented her group in various selections on the program and presented each student a diploma. Workers in each department were recognized.

Following the program the congregation was invited to the educational building where handwork and handicraft made in the 10-day school were displayed.

this time are Mr. and Mrs. Whit Whitaker, Mr. and Mrs. Cecil Palmer, Mr. and Mrs. Earl Lindsey, Mr. and Mrs. Floyd Spurgers, Mr. and Mrs. Vaughn Davis, Mr. and Mrs. T. W. Lyles, Mr. and Mrs. Jack McCallie, Mr. and Mrs. Bob Edwards, Mr. and Mrs. Jack Higginbotham, Mr. and Mrs. Oscar Higginbotham, Mrs. O. W. Newell and children, Mr. and Mrs. C. B. Jacobs.

Mr. and Mrs. Marshall Jennings, who recently moved here from Ingleside, last Sunday received word of the death of Mr. Jennings' sister.

The new residents are members of the Baptist church, where Mr. Jennings serves on the board of deacons. He is employed by Sun Pipe Line Company.

Mrs. J. L. Gilbert of Vivian, La., is visiting with her son and family, Mr. and Mrs. J. D. Gilbert.

Mrs. M. L. Baker has returned home from Colorado City where she was hospitalized in Root Memorial Hospital. A summer guest in the Baker home is her grandson, Paul Baker.

The Silver Church of Christ is now having a series of gospel meetings. Reuben Stanley of San Angelo is the speaker.

The church was redecorated and two new class rooms were added prior to the meeting series. Sidewalks around the building were also finished.

Mrs. Richter Receives Past President's Pin

Receiving a past president's pin from the Business and Professional Women's Club Tuesday evening in Civic House was Mrs. Jewell Richter.

Mrs. Richter served as president of the club during 1955-56.

Emblem pins were presented to Mrs. Bill Quimby and Mrs. T. L. McKinney during the monthly dinner meeting. Mrs. Herman Parsons, first vice president, presided in the program and business session.

Mrs. Parsons, a delegate to the recent B&PW state convention in Mineral Wells, reported that "Leadership" will be the theme for the national Business and Professional Women's convention in Miami, Fla., next month.

Hostesses for the monthly affair were Mrs. Charles Wakefield, Mrs. Chester Hart, Mrs. Howard Rogers and Mrs. Jesse L. Jones.

Evening guests were Mrs. Margaret Owens of Fort Worth and Miss Elfrede Kalsnitz of San Angelo.

Small sunbonnets, filled with mints, were favors. A large sunbonnet holding spring flowers marked the head table.

Members attending the regular fete were Mrs. Travis Pritchett,

Mrs. M. L. Kirschbaum, Mrs. Faye Manning, Mrs. Virgil Morgan.

Mrs. Quimby, Mrs. Richter, Mrs. McKinney.

Mrs. Parsons, Mrs. Mildred Truan, Mrs. Roy Dozier, Miss Louise Hardison, Mrs. J. Ed Richardson, Mrs. Wakefield, Mrs. Hart, Mrs. Rogers and Mrs. Jones.

Miss Hardison is the official delegate to the national convention in Miami next month. Others expected to attend with her are Mrs. Morgan, Mrs. Maude Charlers, Miss Nelda Garrett and Mrs. Will Berry.

Miss Richey Is Head of Baptist Church

By MRS. C. C. HAMILTON, Record Correspondent.

LORAIN — Miss Jackie Richey has recently been elected president of the Young Women's Association of the First Baptist Church.

Miss Richey, a daughter of Mr. and Mrs. Jack Richey, is an employee of City National Bank in Colorado City.

Serving as vice president of the association is Miss Kenzie Sue Butler, a Loraine High School student.

Other officers include Miss Bobbie Mote, secretary-treasurer; Miss Sue Narrell, assistant secretary-treasurer; Miss Annette Le, program chairman; Miss LaVonne Claxton, social chairman, and Miss Linda Linder, reporter.

Mr. and Mrs. Jack McGauchey of Midland visited with Mrs. McGauchey's mother, Mrs. C. T. Beights, last week en route to Dallas for a vacation.

Mr. and Mrs. Clifton Henderson, Mrs. James Bennett and Everett Henderson visited in Abilene recently with their sister, Mrs. C. C. Nancy, a patient in the Hendricks Memorial Hospital.

Monthly social of the Friendship Sunday School Class of the First Baptist Church was hosted recently in the home of Mrs. Howard Tartt.

Mrs. A. J. Barron presented the devotion. Mrs. E. J. Schroeder, class teacher, directed games. Those attending were Mrs. Bill Bowles, Mrs. Bobby Graham, Mrs. Gene Britton, Mrs. Edgar Baumann, Mrs. George Mahoney, Mrs. Schroeder, Mrs. Barron and the hostess.

FIRST OF TWO-DAY STUDY

Woman's Missionary Society Has Study of "Revolutionary Faith"

First study of "The Revolutionary Faith" was conducted Monday by Woman's Society of Christian Service of the First Methodist Church in Fellowship Hall.

Mrs. Earl Brown directed the all-day study.

In a preview of the two-day study, Mrs. Brown said, "There are different ways to try to discover and to understand the Christian mission in a revolutionary age."

"One is to concentrate on the study of the Bible and to express God's purpose for men in theological terms," the group heard.

Mrs. J. T. Pritchett said that life is an arena instead of a spiritual vacuum. "The Christian faith has stubborn competitors in all Asia and Africa just as it has here at home," Mrs. Pritchett said.

Mrs. Dewey H. Davis discussed the topic, "What Is Revolution?" and Mrs. J. L. Jones discussed the Asiatic countries who have acquired independent status since 1940.

Following the noon luncheon Mrs. H. L. Jamison presented a devotion using portions of the eighth chapter of Mark and the 11th chapter of Hebrews.

Mrs. John Dorsett reviewed the book, "They Reach for Life," written by John E. Skoglund.

Mrs. W. W. Rhode's topic was "Hungers of Body and Mind." Mrs. Charles Godwin discussed "Hunger and Ambition."

"It is the educated man with ambition who leads the hungry masses to demand food," Mrs. Godwin said. "The future of Asia, Africa and South America will be changed by men and women with ambition."

Concluding topic, "Revolutionary Ideas and Achievements," was reviewed by Mrs. J. S. Craddock Sr.

"Since the end of World War II the whole of southern and eastern Asia, containing more than half of mankind, has undergone tremendous revolutionary changes," Mrs. Craddock said.

"For the first time in human history on an universal scale the human is rubbing the dust from his eyes and looking toward the stars."

"What kind of light will be revealed to him?" she concluded. "The answer spells out human destiny for generations to come."

Mrs. Arnel Smith concluded the day's study with a reading, "The Lost World."

Completing plans for "Youth Activities Week" Sunday through Friday are, left to right, Miss Davis, Miss Bertie Lou Dorn, MYF president, and Barton Smith, vice president. Miss Barbara Grant, secretary is not pictured.

Bertie Low Dorn Heads MYF Officer Slate

Heading a recently elected slate of officers for Methodist Youth Fellowship of the First Methodist Church is Miss Bertie Lou Dorn.

Barton Smith was named to serve as vice president of the church group during 1956-57.

Miss Barbara Grant will serve as secretary.

Other officers include Miss Jane Merritt, chairman of Christian witness; Miss Annette Holman, chairman of Christian citizenship; Miss Carolyn Brown, chairman of Christian faith.

Miss Nelwyn Moser, chairman of Christian outreach; Miss Ruan Owen, chairman of Christian fellowship; and Jerry Uitz, publicity chairman.

The youths are now completing plans for "Youth Activities Week" which begins Sunday and continues through Friday evening.

Activities for the senior group during the week are being headed by Mrs. W. S. (Bill) Rhode and

Miss Virginia Davis, a McMurry College student who is serving as youth worker for the church this summer.

Youth leaders include Bobby Williams and Frank Mackey, project committee chairman; Barton Smith, discussion group chairman; Miss Barbara Grant and Glavin Harkins, worship leaders.

Miss Dorn, Miss Jane Merritt, Miss Rheta Biggs and Miss Marilyn Horton, recreation directors; Tommy Jamison, friendship circle director.

Publicity was directed by Misses Betty Sedberry, Barbara Holman, Annette Holman and Jan Ellzey.

Nightly sessions will begin at 5 p.m. Dinner will be served at 6:15 o'clock.

Intermediate sessions—directed by Mrs. Royce Mahon, Mrs. James E. Payne and Mrs. Ed Williams—will begin at 5 o'clock each evening also. Sessions will be concluded for the intermediate group about 8 p.m.

Piano Pupils Presented in Spring Recital

LORRAINE—Piano students of Mrs. Aita Miles and Miss Maxie Shepherd were presented in a spring recital in the First Baptist Church's education building last Sunday afternoon.

The formal recital included various types of music in solo and duet selections.

Pupils participating were Joyce Lynn Furlow, Loretta Tartt, Janie Lee, Vicki Baird, Carol Bowles, Frankie Beights, Arleta Martin, Golda Cary, Charla Mae Martin, Patricia Morgan and Peggy Phillips.

Ushers for the afternoon program were Janice Goodnight, Carla Britton, Carroll Little, Judy McDaniel and Glenda Cleaver. Danny Tartt distributed programs to guests as they arrived.

Judy and Jane Grigsby of Denver City are visiting here with their grandparents, Mr. and Mrs. L. E. Crutcher.

Accompanying the girls to Lorraine were their father, Gordon Grigsby, and brother, Jerry. Mrs. Grigsby and Jerry visited in the Crutcher home Wednesday.

Approximately 30 young people from Lorraine's First Methodist Church enjoyed a hayride last week with their pastor and his wife, Rev. and Mrs. Allen Adams.

The hayride was climaxed at the creek on Dr. Bruce Johnson's ranch south of Lorraine.

Refreshments were served after a sing-song period led by Rev. Adams.

IN AREA COTTON BELT

Rain Reduces Insect Threat to Crops' But New Build-up Likely

(Editor's Note: The following report was prepared for the Record by Texas Agricultural Extension Service in cooperation with U. S. Department of Agriculture.)

Light to heavy rains fell in many localities during the past week.

Such rains were often of sufficient intensity to greatly reduce infestations of insects on cotton. However, the insect populations may again build up from the field hatching or migration.

While thrips remain the most serious pest, infestations were generally reported as somewhat lighter than during the previous week. Rains and a more widespread use of insecticides for control of the insects accounted for much of the reductions in infestations.

A considerable number of unpoisoned fields, particularly where rainfall was light, still have heavy infestations. All fields should be checked frequently so that timely control may be effected if damaging infestations develop.

ton is in a stage of growth which is attractive to the insect, it should be checked frequently. Control should be effected as soon as damaging infestations appear.

Light aphid infestations were found in a number of fields, with somewhat heavier infestations in some fields in Howard County. Spider mites were observed on cotton in a few fields in Floyd, Crosby, Lubbock and Terry Counties. Occasional bollworms and cabbage loopers were noted in some areas.

Reports by areas follow: Northwest—thrips continued to

Fleahoppers were generally reported in light infestations. Numbers were not sufficiently high to warrant control. Since most cotton was a problem during the week. Light to heavy infestations were reported from Scurry, Motley, Hall and Dickens Counties. Fleahoppers were light in Motley, Dickens, Scurry, Nolan and Hall Counties. Grasshoppers were light in Nolan County. Aphids were reported as being medium in Motley County.

North Plains—Thrips continued to be the major problem. The interval between spray applications should be reduced to 5 or 6 days in fields that are receiving heavy thrips migration. A light infestation of lygus bugs was reported from Floyd County.

South Plains—Thrips and fleahoppers were the major pests in this area during the week. Light to heavy thrips were reported from Midland, Yoakum, Glasscock, Cochran, Hockley,aines, Lamb and Dawson Counties. Fleahoppers were light to medium in Glasscock, Hockley, Yoakum, Dawson, Midland, Lamb, Gaines and Cochran Counties. Light bollworm infestations were reported from Midland and Gaines Counties. Lamb County had a

light infestation of grasshoppers. A light infestation of lygus bugs was reported in one field in Glasscock County.

West Central—Reports were received from Uvalde County only. Thrips were reported light. Fleahoppers infestations ranged from light to medium. Bollworms were light to medium and light infestations of boll weevils and lygus bugs were found. Pink bollworm infestations ranged from 80 to 200 rossetted blooms per acre.

West—The insect situation was reported as unchanged during the past week. In Reeves County thrips, bollworms and spider mites were light.

North Central—Thrips infestations ranged from light to medium in Kaufman, Rockwall, Delta, Tarrant, Collin, Cooke, Hunt, Lamar and Denton Counties. Fleahoppers were light in Cooke, Denton and Hunt Counties with heavy infestations in Delta and Lamar Counties. Boll weevils were light in Kaufman, Delta and Hunt Counties. Medium infestations were reported from Lamar and Rockwall Counties. Bollworms were light in Kaufman and Rockwall Counties. Grasshopper activity was light in Cooke and Lamar Counties.

Others present were Mr. and Mrs. Roy Lee Beach and daughter, Mr. and Mrs. Tom Grant, Mrs. E. L. Henderson, Mr. and Mrs. Jimmy Henderson and daughter, and the host couple's daughter, Anna Palmer.

Father's Day dinner guests in the home of Mr. and Mrs. Dennis

Fortenberry were Mr. and Mrs. Wayne Oliver and children, Mr. and Mrs. Bert Fortenberry and family of Midland.

After lunch, the three families traveled to Big Spring where they visited Mr. Dennis Fortenberry's father, J. E. Fortenberry, in the home of Mr. and Mrs. Jewel Fortenberry.

Other relatives visiting in the Big Spring home were Mr. and Mrs. Lloyd Fortenberry, Mr. and Mrs. J. B. Buckner of Colorado City.

Mr. and Mrs. Ray Bedford of Big Spring, Mr. and Mrs. Glen Durham of Midland, Mr. and Mrs. J. D. Fortenberry of the Payne Community.

Mr. and Mrs. Tom Killian and daughters visited Sunday in the Shepherd Community home of Mrs. Killian's parents, Mr. and

Mrs. W. W. Anderson.

Additional guests were Mr. and Mrs. Dick Richey, Mrs. Mack Richey and Miss Wilma Anderson.

Home of Mr. and Mrs. Edward Roach Sunday was setting for a dinner honoring their parents—Mr. and Mrs. Ed Roach, Mr. and Mrs. Fuller Colbert.

Others attending were Mr. and Mrs. Billy Earl Roach and daughter, Sharon, of Tulsa; and Miss Wanda Roach of Tahoka.

RICHARDSON TAKES WIN

Cards-Sox Victors In Pony Star Game

Cardinals and White Sox used a combination of hard-hitting and effective pitching to edge past the Athletics-Braves in the Pony League All-Star game Thursday.

Dickie Richardson toiled the entire seven innings on the mound for the Cardinals-White Sox squad, giving up 10 hits but scattering them enough to defeat the opposition.

Billy Key started the game for the Athletics-Braves but left in the second to make way for Lucky Merket. In the sixth, Romaldo Lujan took over.

In going the route, Richardson struck out 15 batters. The pitchers came in for their share of the glory on homers. Richardson and Key both connected for round-trippers in the fourth inning.

Cards-Sox team got off to a fine start, scoring three runs in the first and four in the second frame.

Don Vest led off with a double and scored on Red Lemons' single.

Hunter Mann's single scored Lemons and Mann crossed the plate several minutes later.

Cards-Sox continued to pound the ball in the second. Bobo led off with a walk and Richardson followed with a booming double.

Vest got on base on an error. Jerry McKay singled and Mann finished off the scoring with a single that scored McKay.

Athletics-Braves came in for their share of the scoring in the second frame.

Three successive singles by Merket, Danny Maples and Key, followed by William Sanders' bingle was enough to score four runs.

Top of the fourth saw the Cards-Sox rack up three more runs to complete their scoring for the night.

Richardson opened the frame

Lake Colorado Featured in Magazine

An article and picture emphasizing Lake Colorado City as a recreation oasis in West Texas is featured in the June edition of West Texas Today.

The West Texas Today magazine is the monthly publication of West Texas Chamber of Commerce and is distributed throughout 132 Texas counties and other areas.

June edition of the magazine was devoted to West Texas as a vacation and recreation area.

The Lake Colorado City article and picture — with Tom Coker holding a 26.5-pound yellow cat — was prepared by the local Chamber of Commerce by Joe Ed Boatright of the Record staff.

Included in the article were general description of the lake and its 46-mile shore line, camp and club facilities for fishermen and vacationing families, fishing advantages and possibilities, data on water depth and routes to various areas of the lake.

850 groups of Boy Scouts made trips to Canada, Mexico, Cuba, Puerto Rico, Alaska, and Europe in a year.
