Karami Resigns In Lebanon

The SDN Column

Levelland's transfer, at its own request, from District 3-AAA to District 1-AAA in the University Interscholastic League suddenly provided a much better line-up for both districts.

Instead of 11 teams, 3-AAA now has eight, since Slaton and Littlefield are going back to Class AA, while 1-AAA will have six teams, the same as this year. Levelland will take the place of Hereford in 1-AAA, the latter having been elevated to Class AAAA for the next two years.

The switch left 3-AAA schools looking for non-conference games, and for Snyder next season will be the first since 1967 that teams outside its own district are on the schedule. Everybody in 3-AAA had 10 conference games in 1968, and this year, with the district zoned, Snyder is the only team playing all other teams in the district.

Levelland will join Canyon, Dumas, Muleshoe, Perryton and Tulia in 1-AAA.

So, Snyder has three non-conference games for next football season. A "natural" is Big Spring, a former rival, which also is losing a team from its district as Odessa Ector goes back to Class AAA. Snyder and Big Spring had established one of the better non-conference rivalries before our district was increased to 11 teams a couple of years ago. Andrews and Stamford also are returnees after a brief absence.

★ ★ ★

Experts "rate" just about every possible factor concerning football teams these days. One nationally circulated rating system has come out with its annual evaluation of major college schedules. Strictly on the basis of the toughness of their respective schedules, here's the way it rates teams of the Southwest Conference: 1. TCU; 2. Baylor; 3. Texas A&M; 4. Rice; 5. SMU; 6. Texas Tech; 7. Texas; 8. Arkansas.

Washington University has the toughest schedule in the nation this year, according to this system, while Kentucky ranks second. TCU, the SWC leader, is 10th in the nation. However, Southwest Conference teams have had the toughest schedules in the nation three times in the past 10 years. Rice had that distinction in both 1959 and 1966, while SMU had it in 1960.

Today In History

BY THE ASSOCIATED PRESS

Today is Wednesday, Oct. 22, the 295th day of 1969. There are 70 days left in the year.

Today's highlight in history:

On this date in 1962, President John F. Kennedy ordered U. S. air and naval forces to quarantine Cuba after concluding that Soviet missile bases were being built there.

On this date:

In 1721, Peter the Great took the title of Czar of All Russia.

In 1746, Princeton University was chartered.

In 1883, the former Metropolitan Opera House in New York celebrated its grand opening with a performance of Gounod's opera, "Faust."

In 1907, a run on a New York bank set off a financial crisis known as the panic of 1907.

In 1942, during World War II, the British air force pounded the Italian port of Genoa.

In 1953, France granted independence to Laos.

Ten years ago — Senate Democratic Leader Lyndon B. Johnson ordered an inquiry into the national space program, saying it seemed to lack direction.

Five years ago — U. N. Secretary-General U Thant proposed that Nikita Khrushchev give an account of his ouster from Soviet leadership.

One year ago — The U. S. Apollo 7 spacecraft splashed down after a perfect 11-day mission.

THE WEATHER

SNYDER TEMPERATURES: High reading Tuesday, 58 degrees low reading, 50 degrees; reading at 7 a.b. today, 50 degrees; precipitation, .30.

Northwest Texas: Mostly cloudy and cool, occasional light rain and widely scattered thunderstorms tonight. Widely scattered showers Thursday. Decreasing cloudiness and a little warmer Thursday afternoon. Low tonight 45 to 55. High Thursday 64 to 72.

Northeast Texas: Clear to partly cloudy tonight. Increasing cloudiness and cooler Thursday. Low tonight 46 to 54. High Thursday 70 to 78.

North Central Texas: Increasing cloudiness tonight. Mostly cloudy and cooler Thursday. Widely scattered west portion tonight and Thursday. Low tonight 52 to 60. High Thursday 68 to 78.

Southwest Texas West of the Pecos: Considerable cloudiness with chance of showers or thundershowers through Thursday. No important temperature changes. Low temperature tonight 40 to 55. High Thursday 65 northeast to 90 south.

Southeast Texas: Partly cloudy and mild through Thursday. Low temperature tonight 53 interior to 79 along the coast. High Thursday 78 to 88.

College Night At SHS Set For Monday

Representatives of 32 colleges and universities will be present for a "college night" program in the Snyder High School auditorium at 7:30 p.m. Monday.

They will discuss such matters as entrance requirements, application procedures, estimated yearly cost, courses of study or fields of specilization offered, type of housing available, financial aid and opportunities for social development.

Senior and junior students and parents are invited to attend the program. It is being sponsored by the SHS guidance department.

Horrace Bostick, high school prinsipal, will preside over the program. After the discussion in the auditorium, representatives of the colleges will be available to talk with students or parents. They will be located at various rooms in the school.

The program includes an invocation by Rev. Otis Archie, pastor of New Hope Baptist Church, the welcome by Pat Falls, assistant superintendent, Snyder Public Schools; and announcements by John Short, counselor at SHS.

Members of the National Honor Society will act as student hosts and hostesses.

Rooms where the various college representatives will be:

101 Abilene Christian College; 213 Angelo State University; 103 Austin College; 113 Baylor University; 110 Bishop College; 114 Connally Technical College; 116 East Texas State University; 118 Hardin - Simmons University; 120 Hendrick School of Nursing; 122 Howard County Junior College; 109 Howard - Payne College; 108 Jarvis Christian College; 124 Lubbock Christian College; 201 McMurry College; 112 Midwestern University; 210 North Texas State University; 204 Odessa College; 208 South Plains College; 209 Southwest Texas State University;

205 Sul Ross State University; 206 Tarleton State College; 203 Texas A&M University; 211 Texas Christian University; 217 Texas Technological University; 212 Texas Woman's University; 214 University of Texas; 207 University of Texas at Arlington; 221 University of Texas at El Paso; 219 West Texas State University; 218 U. S. Air Force cademy; 222 U. S. Naval Academy.

City Council Accepts Bids

Snyder City Councilmen accepted low bids Tuesday afternoon for the purchase of a 24 cubic yard garbage body for a sanitation department truck, and for new uniforms for the police department.

Industrial Disposal Supply of San Antonio was successful bidder for the garbage truck equipment with a net bid of $8,798, the lowest of four proposals received. It will be mounted on a truck already purchased from Snyder Truck and Tractor Co.

J. B. Battle Co. of Oklahoma City had the low bid for the police uniforms with a quotation of $3,261.55. The police uniforms will replace uniforms which have been in use for the past 10 years.

The council also approved a proposal for the Texas Highway Department to maintain the traffic signals on U. S. and State Highways in the city. Thirteen traffic lights are involved.

PLAN COLLEGE NIGHT — From left, Horrace Bostick, principal at Snyder High School, and counselors Janet Wesson and John Short discuss plans for the "college night" program at Snyder High School, set for 7:30 p.m. Monday, Oct. 27, in the auditorium. Representatives from 32 colleges will be present. The program is sponsored by the SHS guidance department. High school seniors, juniors and their parents are invited to attend.

WILL HIT COAST THURSDAY

Laurie Aiming At Florida

MIAMI (AP) — Shoving squalls and high tides ahead of her, Hurricane Laurie thrashed eastward across the Gulf of Mexico today aiming her 100-mile-an-hour winds at Florida's heavily populated west coast.

Forecasters said tides would roll up to four feet higher than normal today in the Tampa-to-Naples area, about 150 miles, and warned that Laurie would be preceded by squalls with winds up to 55 m.p.h.

Small boats were told to stay in port all along the Gulf Coast and people in low areas were advised to be ready for quick action once the storm's landing point was apparent.

The big, wet storm was moving at about 10 miles an hour on a southeast course, headed for Florida's southwest tip.

Forecasters at the National Hurricane Center in Miami said Laurie was about 315 miles southwest of Fort Myers and 375 miles west northwest of Key West late this morning.

A hurricane watch was posted from Cedar Key south to Everglades, a small community below Naples.

Dr. Robert Simpson, head of the hurricane center, said Laurie would batter the coast sometime Thursday morning. He said it was impossible to tell where she would make land.

Laurie's gales stretched 200 miles east and 125 miles west of her center.

Simpson said, "It is a very large, wet hurricane and is capable of bringing considerable damage to a large stretch of coastline."

Thunderstorms scattered rain from the desert southwest into Texas before dawn. Hail pelted an area near El Paso, Tex., and also Las Cruces, N.M.

Occasionally heavy rain soaked portions of New Mexico and Texas. More than 3 inches fell at Hobbs, N.M., and nearly that much drenched Lubbock, Tex.

Corpus' Plea For Water Pass Fails

By ROBERT HEARD
Associated Press Writer

AUSTIN (AP) — Corpus Christi has failed again to get a water pass to the Gulf of Mexico, but its state senator, Ronald Bridges, got a lesson in law.

Bridges headed a large delegation Tuesday that flew up from Corpus Christi to plead for the $3 million pass before the Parks and Wildlife Commission.

The delegation would have been larger but there were only so many seats on the airplane, Bridges said.

The legislature appropriated $1.5 million each of the next two years for the pass. The money was to come from Fund 9, which is made up of hunting and fishing license fees. Some sportsmen have called it a raid on Fund 9.

Commission member Harry Jersig said this created a problem because fishing boats are prohibited by the penal code from anchoring or mooring in any fish pass, yet part of the money would come from fishing licenses.

Bridges said his group had carefully refrained from calling it a fish pass. It is to be a water pass to lower the salinity in Corpus Christi and nearby bays, he said.

Jersig said the law creating Fund 9 says it can be used only for purposes dealing with hunting or fishing.

Bridges began to warm up. "I may have poor legal counsel but I'd like to know how the law controlling the fund takes precedence over this specific act the legislature authorized," he said.

Commission Chairman Pearce Johnson grinned good-naturedly and said: "I think any lawyer will tell you a general law takes precedence over any specific appropriation measure."

The commission approved a $5,000 study on the effect such a pass would have on water salinity and fish life.

As Bridges departed, Johnson called to him, still grinning, "Get you a bigger airplane and come back next time."

The commission approved an $18.6 million operating budget for fiscal 1969. The new budget calls for the addition of 107 employes, raising the parks and wildlife department total to 1,348.

As Lebanon Riots Erupt

By THE ASSOCIATED PRESS

Lebanon's prime minister resigned today as protests mounted at home and in neighboring Arab countries against the Lebanese army's attempt to check Arab guerrillas using the country as a base for attacks against Israel.

Prime Minister Rashid Karami submitted his resignation as mobs rioted in the Arab quarter of Beirut, the Lebanese capital, stoning police from behind improvised barricades.

Karami's Cabinet quit last year when the guerrilla question erupted in riots, but the government stayed on in a caretaker capacity while Karami sought to form a new government.

Lebanon, a country with a population almost evenly divided between Christians and Moslems, has sought to steer a militarily neutral stance in the Arab-Israeli conflict. But the presence of 200,000 Palestinian refugees in the country and the growth of the Arab guerrilla movement have upset the balance.

Tens of thousands of demonstrators marched peacefully through Baghdad and Amman. The demonstrators in the Iraqi capital shouted, "Death to the criminal rulers of Lebanon!" and, "Down with imperialist-backed regimes!" Baghdad Radio reported.

The Iraqi government offered its army's assistance to Arab guerrillas in Lebanon.

Syria took the lead in the protests, closing its border with Lebanon Tuesday night a few hours after the Palestine Liberation Organization reported 14 guerrillas killed and 25 wounded in a Lebanese army attack on three guerrilla villages.

The PLO also claimed five Lebanese civilians were killed in the villages of Kafr Shams, Majdal Salam and Al Shakra, and that 30 to 40 guerrillas were arrested. It said Lebanese troops and tanks had surrounded the villages, and both Lebanese and Israeli artillery attacked them.

Libya's new leftist military government asked the Lebanese ambassador to return home and inform his government of Libya's "concern over the bloody incident," Egypt's official Middle East News Agency reported. The Libyan Cabinet also recalled its ambassador in Lebanon and said it would submit a complaint to the Arab League against "Lebanon's stand regarding the Palestinian case."

The Syrian government threatened "firmer and more effective measures" if the Lebanese government did not call off its attack on the guerrillas.

2nd Division Over Top In UF Drive

Another division reached its goal this morning as Scurry County United Fund Campaign workers made progress reports at campaign headquarters at the city hall.

The over-all total in the campaign had reached $23,226 before noon today and the Oil and Industry Division had exceeded its goal.

Soaking rains failed to daunt some of the workers who came in to make reports, although the weather undoubtedly delayed some of them.

The Oil and Industry Division, headed by T. D. Cramer and Herbert Reed, had turned in $3,677.68 and workers still had not completed all of their assignments in that division. The Oil and Industry Division's goal was $3,200.

It is the second division in the campaign to exceed its goal. The School Division, headed by J. D. Hinton, went beyond its goal early in the drive.

Workers were being urged to make their reports as rapidly as possible.

The Scurry County United Fund campaign has an overall goal of $40,638. Funds are budgeted to support the operations of nine participating agencies.

Competition Still Tough

There were no perfect scores, but competition still was tough last week in the Snyder Daily News Football Contest.

However, there were clear-cut first and second place prize winners.

Dale E. Patterson, Box 804, Snyder, led the field with only two misses, and one of them was the Notre Dame - Southern Cal tie, which both the winners missed. Patterson's other error was in selecting Brady to defeat Lake View.

Finishing in second place with three misses was Mike Martin, Route 3, Box 140, Snyder. He missed the same two selections as Patterson and also erred by picking Texas Tech over Mississippi State.

Another contest begins today. The list of games may be found in sponsors' advertisements on the football contest page of this issue of The Snyder Daily News.

Nixon Speaks At Prayer Breakfast

WASHINGTON (AP) — President Nixon said today Americans need to call on a "spiritual quality" to guide them during period of stress.

That same spiritual quality has helped to guide every president faced with difficult decisions, he said.

"There are times we need help beyond ourselves, beyond what any man can give us," Nixon said at a "National Day of Prayer" breakfast at the White House.

Living Costs Take Sharp Rise

By NEIL GILBLRLIDE
Associated Press Writer

WASHINGTON (AP) — Living costs rose five-tenths of one per cent in September, continuing the nation's sharpest inflationary spiral in some 20 years, the Labor Department reported today.

Clothing prices rose at about double the usual increase for September, food prices failed to show their usual decline for the month, housing costs continued to rise and there were increases for all kinds of consumer services, said the Bureau of Labor Statistics.

The increase boosted the governent's Consumer Price Index to 129.3. This means it cost $12.93 last month for every $10 worth of goods and services in the 1957-59 period on which the index is based.

However, Asst. Commissioner Arnold Chase of the bureau said it was encouraging that the rate of acceleration of price increases had stopped and he predicted next year's rise in living costs would be less than this year's.

Living costs have risen 4.5 per cent so far in 1969 compared with 3.4 per cent in the first nine months of last year, which had been the sharpest increase since the Korean War year of 1951.

Prices in September were 5.8 per cent above a year earlier.

Despite the price increaees, the bureau reported that the purchasing power of some 45 million rank and file workers rose last month because of a five-cent gain in average hourly earnings.

The average pay check last month rose $1.29 to $117.80 per week.

After taxes the average pay check was $102.44, up 99 cents from August, and after allowing for the rise in living costs, it was 40 cents higher for the average worker with three dependents.

The report said food prices were up one-tenth of one per cent because of higher restaurant charges, but groceries purchased for home use remained unchanged.

Housing costs rose six-tenths of one per cent in September, clothing rose 1.7 per cent and medical costs were five-tenths of one per cent higher.

The only major price category showing a decline was transportation, down five-tenths of one per cent because of lower prices for new and used cars.

Your United Fund Depends On You

By ABIGAIL VAN BUREN

DEAR ABBY: I read the letter in your column from the woman who did not find any physical satisfaction in her marriage. That has been my problem for 25 years.

I talked with two doctors. One told me that I was expecting too much and had been reading too many love stories. The other (a woman doctor) told me that very few women had it any better — they just "pretended" most of their lives.

My man is one of the loving kind, but I have been "pretending" all my married life. Is there no hope for me?

NAMELESS

DEAR NAMELESS: The first doctor was off base, but the second doctor (if statistics can be believed) was not. You need to see a third doctor —one who specializes in unlocking doors of minds where "hangups" have been stored. This may be an oversimplification, but the reason most women are unable to enjoy marital relations is because as young girls they've been told that sex is a "no no." And so it is. . . forever.

* * *

DEAR ABBY: What do you think of the "no-bra" look?

JUST ASKING

DEAR JUST: Its a good way for some women to get everything off their chests. For others, it's a flop.

* * *

DEAR ABBY: You say a lot in your column about "adopting kids." How about a word about the "unadoptable?" After having two of our own we adopted three. These are children of mixed blood, the last ones to be adopted if they ever are.

Thirteen years ago we were warned that we were headed for heartbreak when we adopted the product of a Filipino barmaid and an American GI. She was sick, half starved, and not a very pretty child when we took her. The Red Cross and the military doctor where we were stationed told us she might turn out to be mentally retarded. But we adopted her anyway.

A year after we returned to the states we adopted another girl. She was half Negro. The next year we adopted a Mexican boy one year old.

Our half Filipino daughter is now 16. She is a very good student and a raving beauty. Her half Negro sister leads her class in straight A's and in a few years she will be as beautiful as the older girl. The boy is an average student, affectionate and outgoing.

Abby, please ask your readers who are thinking of adoption to consider these "unadoptable" children. I promise them happiness, not heartbreak.

Sincerely,
M. B., PORTLAND, ORE.

* * *

CONFIDENTIAL TO M.M.S.: To set the record straight, I said, "Ideally, sex education should be taught in the home, but since it obviously is not, the next best place is in the public schools by responsible teachers."

Too many mothers were raised to believe that sex is "dirty," and the subject should never be mentioned in front of the children. And should a little girl ask any questions about sex, she was told, "you're too young to know" — or, "nice girls don't talk about such things." And later should this little grl grow up and try to find the answers to her questions by experimenting, and wind up pregnant, this same mother will wring her hands and say, "What have I done to deserve this! I gave her everything!" These, by the way, are the same women who wonder why their husbands have a girl frind.)

* * *

Everybody has a problem. What's yours? For a personal reply write to Abby, Box 69700, Los Angeles, Cal. 90069, and enclose a stamped, self-addressed envelope.

* * *

Hate to wrie letters? Send $1 to Abby, Box 69700, Los Angeles, Cal. 90069, for Abby's booklet, "How to Write Letters for All Occasions."

Sinatra Refuses To Appear

LOS ANGELES (AP) — Frank Sinatra says he does not care to figure in "any three-ring circus" and refuses to appear voluntarily before a New Jersey agency investigating organized crime.

The New Jersey State Investigation Commission, probing alleged criminal activity in Monmouth County, had a warrant issued for Sinatra's arrest last week after the 53-year-old entertainer failed to answer a subpoena. The warrant is enforceable only in New Jersey.

In a statement issued Tuesday, Sinatra said:

"For many years every time some Italian names are involved in any inquiry I get a subpoena. I appear. I am asked questions about scores of persons unknown to me. I am asked questions based on rumors and events which have never happened. I am subjected to the type of publicity I do not desire and do not seek."

He said he was willing to answer "any and all appropriate questions" by deposition or personal interview, but "I am not willing to become part of any three-ring circus which will necessarily take place if I appear before the state commission of investigation in New Jersey, whether the hearings be public or private."

William F. Hyland, chairman of the New Jersey commission, said any decision on further action would be up to the full commission.

Sinatra was ordered to appear Aug. 19 at a private hearing but obtained a month's delay. The commission said it heard nothing more from him.

"Notwithstanding the fact that I am of Italian descent, I do not have any knowledge of the extent or the manner in which 'organized crime' functions in the State of New Jersey or whether there is such a thing as 'organized crime,'" Sinatra's statement said.

HOSPITAL NOTES

ADMISSIONS: Frank Waterman, Box 73; Lou Annie Brandon, 1208 Twenty - seventh; Nora Morris, N. Ave. T; Virginia Reyes, 410 Thirtieth; Minnie Glasscock, 411 Thirtieth.

DISMISSALS: Mrs. Manuel Molina and baby boy, Marilyn McCormick, Nettie Sayner, Beatrice McDaniel, Faye Brown, Elsie Campbell, Annie Fuqua.

Charge Is Filed

Stephen Dale Shoemake was charged in Justice of the Peace Court yesterday with breaking and entering an automobile.

He was arrested Oct. 16 by City Police. He was remanded to county jail in lieu of $1,000 bond.

The Swiss have converted a 14th-century mule trail into a 7,320-foot mountain pass, highest open to traffic in Switzerland. Nufenenpass offers unrivaled scenery, but motorists unfamiliar with mountain driving are advised to bypass the steep, narrow road.

Capt. Peoples New Head Of Rangers

AUSTIN, Tex. (AP) — Capt. Clint Peoples was confirmed Tuesday by the Texas Public Safety Commission as the new head of the state's colorful, 73-man Ranger force.

The new top hand of the Texas Rangers, currently commander of Ranger CK. F in Waco, assumes the office with a new rank—senior captain—on Nov. 1, effective date of his appointment.

In announcing the confirmation of Peoples' appointment, Col. Wilson E. Speir, director of the Texas Department of Public Safety, also announced three other promotions.

Named a captain to succeed Peoples at Waco was Sgt. E.G. Albers Jr., of Midland. Promoted to sergeant were Texas Rangers J.L. Rundell Jr. of Houston and J.E. Lynch of Mineral Wells.

Albers will take over Peoples' old job at Waco. Rundell will be transferred to Waco and Lynch will take his place at Midland.

Peoples was reinstated in the highway patrol in 1945 after leaving the state service in 1942 to become chief deputy sheriff in Montgomery County. He was named a Texas Ranger in 1946 and promoted to captain in 1953. He served in Austin more than four years before his transfer to Waco in 1957.

Albers has been with the DPS since 1949, Rundell since 1941, and Lynch since 1948.

Girls Join Boy Scouts

MANHATTAN BEACH, Calif. (AP) — What's new with the Boy Scouts?

Girl Scouts.

Explorer Post 92 was chartered last July with seven boys and two girls. The scouts decided about a year ago to let girls into specialty posts, such as this one, but the people here think Old 92 is the first mountaineering post with gal members.

The rules say girls can hold any office except president—but boys must always be in the majority.

Since the post was formed the group has taken several hikes, including a week-long backpacking trip into the High Sierra.

So how are the girls doing?

"Backpacking is strenuous work," says adviser Edward Eversold. "You have to carry a 25 to 30 pound pack all day and it can be dangerous.

"It's sort of a good feeling to see the girls, after a few days, forget about their neat appearance and become just as grimy as the guys. The back-country is one place where the gals really begin to carry their own. They are as tough as the guys at this age and generally we find no difference in the distance we can hike, the terrain they can cover or the amount they can carry.

"In fact, it's rather nice to have them around. They cause a sort of social interaction, and things are more fun around the camp fire with singing and so forth."

The age range is 14 to 17. Girls must be members of either the Girl Scouts or Campfire Girls. While the post has openings for boys, There's a waiting list for girls.

Two Charged In Liquor Cases Here

Two charges for liquor law violations were filed in county court yesterday.

Max Baugh was charged with illegal transportation and was released on $500 bond.

Mozelle King was charged with illegal possession. Bond has not been set in her case yet.

Baugh was apprehended by City Police for an offense that allegedly occurred Oct. 20, and King was arrested by Sheriff's Authorities for an offense that allegedly occurred Oct. 21.

Honor Roll At Fluvanna

FLUVANNA — The honor roll for the first six weeks of the current term has been announced by Fluvanna Schools.

Listed on the "straight AA" honor roll are Dow Mathis, first grade; Tenna Hopper, second grade; Zenda Ball, third grade; Lorinda Jordan, sixth grade; Marsha Talley, eighth grade; Richard Gill, ninth grade; Gwen Stansell, 10th grade.

On the "A" average honor roll are Scott Key, second grade; Theresa Stansell, Max Drum and Steve Key, third grade; Susie Jones, fifth grade; Debbie Herring, Theleca Hopper and Cindy Beaver, sixth grade; Ronald Gil and Chuck Jones, seventh grade; Ann Smith and Alex Ynguanzo, 10th grade; Lary Patterson, Mike Landrum and Randy Gill, 11th grade; Carolyn Stansell, 12th grade.

Former Resident Hurt In Explosion

Word has been received here of the injury of a former Snyderite, Charlie Land, 41. Land and an employee, Pete Chavez, were both injured when an explosion occurred while they were cleaning up the Dairy Creme at Edcouch, Texas.

Land left Snyder several years ago and went into the missionary work in Old Mexico. He used this Dairy Creme business to support his work in Old Mexico. Chavez is in satisfactory condition but Land is in a critical condition with 2nd and 3rd degree burns over 75 per cent of his body. Both men are in the Knapp Methodist Hospital in Weslaco, Tex.

Land is the son of Mr. and Mrs. Leamon Land and brother of Stanford Land, agent of RS&P Railway, all of Snyder. His wife lives in McAllen.

Networks To Reduce Rates To Candidates

By H. L. SCHWARTZ III
Associated Press Writer

WASHINGTON (AP) — Two of the three major television networks, hoping to head off a congressional crackdown on the cost of campaigning, said today they will slash rates for political advertisements.

The National Broadcasting Co. said it would reduce rates in next year's elections by 50 per cent. The American Broadcasting Co. said its rates would be cut by 33 and one third per cent.

The announcement came as the presidents of NBC, ABC and the Columbia Broadcasting System testified before a Senate Commerce subcommittee.

Julian Goodman, president of NBC, said the 50 per cent discount would apply to the five television stations it owns.

But he said the network was seeking ways to help the 195 TV stations it serves to offer time at reduced cost to local candidates.

Goodman said plans also are in the making to offer reduced-rate time slots to the 1972 presidential contenders.

Another plan would make available some free half-hour segments, he said, if Congress waiver the law that requires broadcast stations to give equal time to candidates seeking the same office.

President Leonard H. Goldenson of ABC said his network has already granted political discounts of 33 and one-third per cent for spot announcements on its own television stations and that this would be extended to ABC owned radio stations.

In addition, Goldenson said, both ABC radio and television stations would allocate "a number of time periods," during future campaigns and make them available at discount.

Snyderite's Mother Dies

Funeral service will be held at 11 a.m. Thursday at Orange, N. J., for Mrs. Walter Flynn Sr., who died there late Monday. She was the mother of E.D. Doug) Flynn, business manager for Snyder Public Schools.

Also surviving are three other sons, Walter L. Flynn Jr. of Little Falls, N.J. Roland Flynn of Hacketts Town, N. J., and Roger Flynn of Flanders, N.J. Also surviving are six grandchildren.

Astronauts Host To Cosmonauts

By PAUL BAGER
AP Aerospace Writer

SPACE CENTER, Houston, Tex. (AP)—Two Soviet cosmonauts visit the American branch of the space flight fraternity today as U.S. astronauts play host in a special tour of the Manned Spacecraft Center.

The Russian spacemen, Maj. Gen. Georgi T. Beregovoi, 48, and Konstantin Feoktistov, 43, were guests Tuesday night at a dinner given them by about 30 of the American astronauts.

The Americans presented models of the Apollo command module and the Apollo lunar lander to the Soviets during the dinner, which was closed to all but spacemen and their wives.

Beregovoi, who brought his wife and son with him, and Feoktistov ended the second day of their two-week American tour at the space community around the Manned Spacecraft Center.

They flew here from Washington where they visited briefly with President Nixon at the White House. The Soviets arrived in New York Monday and surprised their hosts by canceling plans to visit Cape Kennedy.

Minutes after their arrival here, astronaut Frank Borman showed them the T38 jets astronauts use to fly between space facilities in the United States. Borman is serving as their guide.

Beregovoi climbed into a cockpit and talked with Borman through an interpreter.

The Soviets came to America on the invitation of Borman, who toured the Soviet Union earlier this year after commanding the Apollo 8 flight around the moon.

Beregovoi and Feoktistov hold a brief news conference Thursday morning, officials here said, then fly to El Toro Marine Air Station, Calif.

Car Hits Fence

Minor damage resulted when the 1957 Model Chevrolet of Frank Rodriguez Garcia, 1509 Avenue M, crashed into a pine fence owned by Emma Head, 501 Eighteenth Street, at 8:15 a.m. Tuesday in the 1700 block of Avenue E.

City Police estimated damage to the car at $200, and damage to the fence at $40.

TO WED — Mr. and Mrs. W. E. Smith of Fluvanna announce the approaching marriage of their daughter, Virginia Sue, to James Patrick Smith, son of Mr. and Mrs. J. P. Smith of Snyder. The couple will exchange vows Saturday, Oct. 25 at 6 p.m. in the Fluvanna Methodist Church. A reception will follow in fellowship hall.

WOMEN

MRS. ANN MCFADDEN, District VIII President of Epsilon Sigma Alpha from Crane, was here Sunday for the meeting held in Scurry County Coliseum. Mrs. Trudie Wood, left, is president of the local Iota Psi Chapter.

District Meet Held Sunday

Epsilon Sigma Alpha held its District VIII meeting, Sunday, at the Scurry County Coliseum.

District VIII is composed of 17 chapters from Andrews, Big Spring, Crane, Fort Stockton, Kermit, McCamey, Midland, Monahans, Odessa and Snyder.

Fifty - three members representing 11 chapters were present for the meeting. President, Ann McFadden from Carne presided at the afternoon business meeting.

Other officers attending were Vice President, Margaret Elliot from Odessa; Recording Secretary, Jerry Harvey, Odessa; Treasurer, Gail Collins, Kermit; Co-ordinator, Maxine Lipscomb, Crane; Educational Director, Liz White, Fort Stockton; Project Director, Patsy LaFon, Kermit; Reporter, Jerry Conner, Midland; ESA Home Board Representative Mildred Blount, Monahans; and State Past President, Mickey Clark of Abilene.

A past president's gavel was presented to Faydean Hart of Snyder by Ann McFadden.

Attending from Snyder were: Betty Hunter, Faydean Hart, Norma Book, Norma Thompson, Virginia Johnston, Lenora Boydstun, Wanda Eicke, Anita Payne and Trudie Wood.

China Grove News

By MRS. N. F. HALL

Mr. Sydney W. Williams spent the week with his daughter, Mr. and Mrs. J. W. Plattomier of Odessa.

Mrs. Pete White and Mrs. N. F. Hall visited Mrs. Rayburn White and Mr. and Mrs. Hollis Mize Jr. and Naomi of Lubbock Wednesday.

Mrs. Clarence T. Merritt visited her sister, Miss Ella Lee Hickey of San Angelo last week.

Roy Dean Mize recently visited friends and relatives in Midland.

Miss Vickie Cotton of Levelland visited her parents, Mr. and Mrs. Arlie Cotton over the weekend.

Mr. and Mrs. Bo Merket and family of Colorado City recently visited Mr. and Mrs. Floyd W. Merket.

Mrs. Gladys Duncan of Coahoma and Elmer Rainey of Big Spring were dinner guests of Mr. and Mrs. Pete White Sunday.

Weekend guests of Mr. and Mrs. N. F. Hall were Mr. and Mrs. R. L. Hall of Crain, Mr. and Mrs. Hollis Mize Jr. and Naomi of Lubbock, Billy Phipps, Jerry White and Ed White of Snyder, and Mr. and Mrs. D. L. Cotton of Dunn.

Cranberry Whirl

3 cups cubed cooked ham
2 cups sliced cooked sweet potatoes
13½-ounce can pineapple chunks drained, reserving juice
½ cup whole cranberry sauce
¼ cup plus 2 tablespoons firmly packed brown sugar
1 tablespoon flour
½ teaspoon cinnamon
⅛ teaspoon ground cloves

Place half of ham, sweet potatoes and pineapple chunks in layers in 1½-quart casserole. Spoon half of cranberry sauce, by teaspoonfuls over casserole. Repeat layers. Combine 2 tablespoons brown sugar, flour, cinnamon and cloves in small saucepan. Blend in ½ cup reserved pineapple juice. Cook over medium heat until mixture boils. Pour over mixture in casserole. Sprinkle with ¼ cup brown sugar. Bake uncovered at 375 degrees for 50 to 60 minutes. 6 to 8 servings.

Tip: Canned sweet potatoes, drained, may be used for sliced cooked sweet potatoes.

On The HOUSE

By ANDY LANG
AP Newsfeatures

Because fir plywood is the kind you usually get when you walk into a lumber yard and ask merely for plywood, most persons are unaware of the many varieties of this material.

The two basic kinds of plywood are interior and exterior. Both are made in the same manner: by gluing together sheets of veneer, usually at right angles to one another. But the exterior type is bonded with a special adhesive designed for permanent outside exposure.

The two basic classes of plywood are softwood and hardwood. The popular fir falls into the softwood category, along with pine, cedar, redwood, larch, cypress, and many others. The hardwoods include walnut, oak, birch, maple, mahogany and cherry. Incidentally, the designation depends on the kind of wood used for the face or top veneer.

Within the types and classes of plywood are several grades, most of which refer to the appearance of the face and back. A-A grade is tops; A-B indicates an excellent face, with a slightly less perfect appearance on the back; A-C and A-D grades are used where only one side of the panel will be seen in the finished project.

Why is fir plywood the best seller? Because it is the least expensive yet has tremendous strength. However, it requires the use of a special sealer to prevent its wild grain from coming through the finish coat. There are two kinds of fir plywood sealer: one for use on wood which is to be finished with a transparent material, such are varnish, shellac or lacquer; the other for wood which is to be painted. Hardwood plywoods are treated in the same manner as solid hardwood. (For Andy Lang's helpful booklet, "Wood finishing in the Home," send 25 cents and a long, stamped, self-addressed envelope to Know-How, P. O. Box 477, Huntington, N.Y. 11743.)

Those who have worked with regular lumber are surprised to find, when they make their first purchase of plywood, that the dimensions are exact. That is, if you buy a piece of half-inch plywood 4 feet by 8 feet, those are its measurements. With regular lumber, the dimensions refer to the wood before it was sanded and prepared at their mill.

A big advantage of plywood is that it is not susceptible to splitting, even when nails and screws are driven close to the panel edges. When cutting plywood with a table or radial saw, the good side of the plywood should be face up. When using a portable power saw the good side should be face down. With a handsaw, it should be face up.

In drilling small - diameter holes in plywood with either hand or power drills, use a piece of wood behind the panel to avoid splintering if the appearance of that side of the panel is important. For large holes, using a brace and bit, employ the same technique, but instead of going straight through, stop as soon as the point of the bit appears. Reverse the panel and work from the other side to complete the hole.

Nutmeg Delight Cake

2 cups all purpose flour
1½ cups sugar
1 teaspoon salt
1 teaspoon baking powder
1 teaspoon soda
4 teaspoons nutmeg
1 teaspoon vanilla or rum flavoring
¼ cup shortening
1 cup buttermilk or sour milk
3 eggs

Whipped Cream Frosting
1 package one layer size Buttercream vanilla frosting mix
1 cup (½ pt.) whipping cream
¼ cup milk
½ teaspoon rum flavoring, if desired

Generously grease and lightly flour two 9-inch round layer pans. In large mixer bowl, combine all ingredients except frosting. Blend at low speed until moistened; beat 3 minutes at medium speed, scraping bowl occasionally. Pour batter into prepared pans, spreading to edges. Bake at 350 degrees for 25 to 30 minutes until top springs back when touched lightly in center. Cool 10 minutes; remove from pans. Cool completely. Frost with Whipped Cream Frosting. Chill until served.

Whipped Cream Frosting: In small mixer bowl, combine all ingredients. Blend at low speed until moistened; beat at medium speed until thickened, scrapping bowl occasionally.

Tip: Cake may be baked in two 8-inch round layer pans or 13 x 9-inch pan for 30 to 35 minutes. Treat layer pans as directed; grease bottom only of 13 x 9-inch pan.

Parkerhouses

3½ to 4 cups all purpose flour
1 teaspoon salt
2 packages active dry yeast
1 package (3 o.) egg custard mix
1¼ cups warm water
¼ cup butter or margarine, softened

In large mixer bowl, combine 2 cups of flour with remaining ingredients. Blend at low speed until moistened; beat 3 minutes at medium speed. By hand, stir in remaining flour to form a stiff dough. Knead on floured surface about 2 minutes. Roll out to a 20 x 8-inch rectangle. Cut in half lengthwise making two 20 x 4-inch strips. With knife handle, crease each strip lengthwise, slightly off center. Fold along crease. Gently pull and shape each strip to a 24-inch length. Cut each into twelve 2-inch or eight 3-inch slices. Place on greased cookie sheets. Cover; let rise in warm place until light, 45 to 60 minutes. Bake at 400 degrees for 10 to 12 minutes until golden brown.

Who is this lady?

A. Little Orphan Annie.
B. The Jolly Green Giantess.
C. The Statue of Liberty.
D. Mae West.

If you picked anything other than C, well, you're in a whole lot of trouble.

Sure, you probably picked the Statue of Liberty. Everybody knows who she is and what she stands for.

Or do they?

It's amazing how many of us take this proud lady of the New York Harbor for granted.

We should know that her proper name is "Liberty Enlightening the World." That she symbolizes the triumph of freedom over tyranny. That she is a declaration of our independence.

Of course, we need more than statues to remind us of our freedom. We need action, by each and every one of us.

And that's where U. S. Savings Bonds come in. They help preserve that thing called freedom.

They help make this country of ours economically stronger to tackle some of the problems that face us.

And, buying Savings Bonds can be easy and automatic. All you have to do is join the Payroll Savings Plan where you work, or the Bond-a-Month Plan where you bank. And then you can sit back and forget 'em while the money piles up.

So think about the freedoms we enjoy. And think about U. S. Savings Bonds as a way to keep us free.

As for Miss Liberty, well, when you're in New York go up and see her sometime.

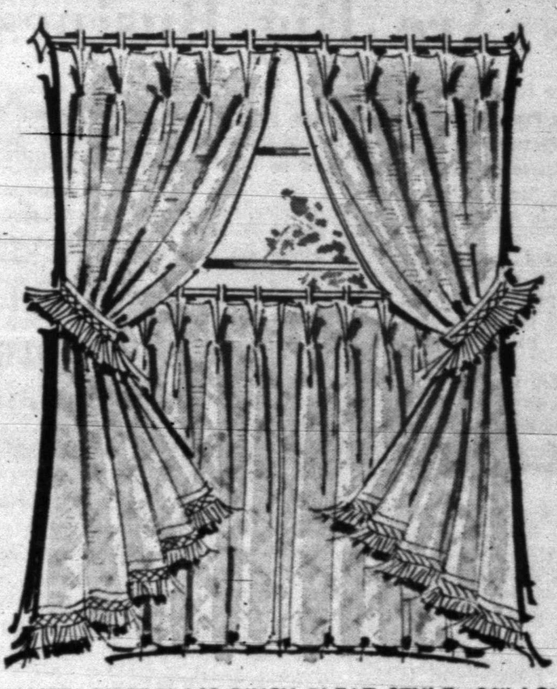

If they're lost, stolen, or destroyed, we replace 'em.

Many Factors Contribute To Stock Market Changes

By JOHN CUNNIFF
AP Business Analyst

NEW YORK (AP) — What causes the stock market to rise and fall is always a debatable matter, but there never is an absence of explanation, especially in recent weeks.

Almost invariably, any rise or dip in prices is attributed to the Vietnam war, or more precisely, to the prospects for peace in that country. But one wonders if this is so—if money men really think so idealistically.

Some maverick analysts believe that investors are far less concerned with Vietnam than they are with the dollar-and-cents issues of inflation, slowdown, corporate profits and the internal workings of the market itself.

The war-peace stories, they say, have an influence on prices, because the mass of people do tend to spend when they are in a happy mood.

But the big portfolio managers aren't supposed to be so subjective. Instead, they're supposed to ask: "What's in it for me?" And nobody is certain there is anything immediately translatable into dollars and cents.

Remember, the market these days is far less a reflection of the random thoughts of millions of Americans than it was just two years ago. Today it also mirrors the behavior of the big money managers, who account for 50 per cent of the trading on some days, and perhaps even more recently.

There are several technical and financial reasons for believing the market might have hit a low, and none of them are directly associated with the war. Take your pick:

—The market is merely following an ingrained pattern. Since World War II, every major stock market decline has ended in September or October. Leave the explanation to students of mass psychology. The fact remains.

—The technical position of the market is said, once again, to be sound. For the past three months price movements have been narrow. The so-called bottom has been tested. In fact, the chartists say a "double bottom" has developed, signalling a sustained advance.

—The stock market indicates conditions expected many months ahead, rather than conditions at the moment. Economic conditions, in the view of some professional traders, will be much sounder in 1970 than now.

Those holding this view believe that the Nixon administration's slowdown policy has begun to dig in and will result in a healthier business climate late in 1970. The conviction grows with each passing day.

Albert Sindlinger, a pollster who has surveyed stock market confidence for years, claims that the war did have a sharp effect on the stock market—but that was a couple of years ago.

The factors that count, Sindlinger's polls show, are financial and economic. And these factors invariably have been tied up with the handling of the economy out of Washington.

For many weeks, he found, the managers-proprietors-officers, or the affluent and informed private investors, were losing their confidence as inflation continued to endanger the economy.

Three weeks ago his polls showed that not only had the decline in confidence stopped but that almost immediately it began rising, and still is.

IN MEXICO

Pills Are Big Business

By ROBERT BERRELLEZ
Associated Press Writer

TIJUANA, Mexico AP)—Pills are the hottest selling item in this swinging Mexican supermarket for U.S. narcotics consumers.

High powered tranquilizers and stimulants, called "downers" and "uppers," by teen-age users, can be bought in most drug stores, no prescription needed.

They are then smuggled into the United States for use or resale, mostly to high school and college children. They provide a cheap if dangerous "trip" for the user.

Checking only about 1.5 per cent of the 11 million cars and 46 million passengers and pedestrians passing through this border gateway in 1968, U.S. customs agents seized 5 million pills labeled as "dangerous drugs."

Most were manufactured in the United States and sold with a minimum of distribution controls by American wholesalers to Mexican disfributors, many of them posing as pharmacists.

There's no way of determining the volume of the pill export-import business.

"We have testimony," says Rep. John Tunney, D-Calif., "that more pills are shipped from here to Mexico in a year than could be used in a lifetime."

This grim picture of the scope of pill traffic along the U.S.-Mexico border was from testimony at a congressional hearing in San Diego and in interviews with U.S. and Mexican narcotics authorities.

Although more difficult to smuggle, because of their bulk, than heroin, pills are easier to acquire than other drugs in this bustling border town of 400,000.

They can be had at almost any drugstore and nightclub on noisy, garish Avenida Revolucion, the town's main business artery, or from cab drivers and street peddlers.

So can marijuana, cocaine and heroin in retail or wholesale lots. One major distributor is popularly called the "pep pill king" by young American visitors. He owns two of the largest stores in this playground for California tourists who flock here by the thousands every weekend to play the horses, see the bullfights or enjoy other and varied forms of entertainment.

"You yourself can sit here," said a pharmacist critical of U.S. wholesalers, "and order any amount of pills you want from an American company. They'll deliver them to you in San Ysidro in California across from Tijuana. All you do is go over there and pick them up."

Daughter Takes Dad To Dentist

By PHILIP ORAMOUS
Associated Press Writer

BIRMINGHAM, Ala. (AP) — Taking a child to a dentist is an everyday event for many mothers, and some fathers.

But how many fathers have taken along a 5-year-old child when the appointment was for themselves, not the youngster's?

It's a frightening and rewarding experience for Daddy.

The appointment was to have an old filling replaced in a front tooth. Due to the wife's other commitments, I was forced to take along Claudette, a curious, talkative tyke.

She had visited dentists' offices before, to have her teeth cleaned and for applications of fluoride. But this was a new, unfamiliar dentist.

On the way downtown I tried to explain that the dentist was her friend, just like the policeman on the corner, and we mustn't be afraid of him.

"If he does hurt you," I explained, "It doesn't hurt too much and for just a minute, anyway." She accepted that.

In the waiting room, we quickly exhausted the supply of children's books, most of which concerned the bravado of kids going to the dentist.

Then it was my turn.

Daughter: "Daddy, can I go in that little room with you?"

Daddy: "Well, I don't know ..."

Dr. Walter Kyle: "Sure you can."

Daughter: "What's that funny machine? What's that little white bowl for? What's he gonna do, Daddy?"

Daddy: Mumbled reply through a cotton ball.

Dentist: "I don't think we'll deaden this. It shouldn't hurt much."

Daddy, mumbling around mirror: "Thanks a lot."

Daughter: "Daddy, he's doing that with his left hand! What's that funny noise? Daddy, why are you making a face? What did you say, Daddy?"

Daddy, at rinse-out time: "I said, 'Ouch, darn it'."

Dentist: "I've drilled your daddy's tooth so we can put in a new filling an brighten up his smile a bit."

Daughter: "Good, but I can't see what you're doing."

Daddy, through assorted clamps and semihard filling: "Go read a book."

Daughter: "No, I've already read all of them. I want to watch. Can I look into the hole in your tooth, Daddy?

Daddy: "No."

Dentist: "Sure you can."

Daughter: "My teeth hurt, Daddy."

Dentist: "Oh?"

Daddy: "Yeh, she's been complaining about them for a day or so."

Dentist: "Into the chair, young lady, and we'll take a look."

Daddy: "There goes the budget."

Dentist: "She's cutting her six-year molars. That would give her some discomfort, but there's nothing we can really do about it."

Daddy: "That's good. No charge, eh?"

Dentist: "No extra charge."

Daughter: "He didn't hurt me, Daddy. I didn't say 'ouch' and make a face."

Dentist: "That's a good girl."

Daughter: "Where's my balloon?"

Heart Transplant Patient Dies

HOUSTON (AP) — Henry Sims, 54, this city's most recent heart transplant recipient, died Tuesday evening in St. Luke's Episcopal Hospital of viral pneumonia.

Sims received his donor heart Sept. 25 in an operation headed by Dr. Denton A. Cooley. He was Cooley's 21st heart transplant recipient.

A hospital spokesman said Sims, a drug company supervisor from Birmingham, Ala., died of pneumonia caused by herpes simplex virus, which causes fever blisters. He had been suffering from pneumonia about a week.

Dwain Marlow, 52, who received a transplanted heart June 2, was listed in stable condition in the hospital. He was discharged following the operation but readmitted in September for treatment of a respiratory system infection.

The longest-living recipient of Cooley's transplant operations, Lee Boyd, 51, is listed in satisfactory condition in the hospital's special unit for heart recipients. Boyd, a retired railroad yard master from Chippawa, Ont., Canada, received a new heart last Nov. 16.

A Junior Editors Quiz About BULLDOGS

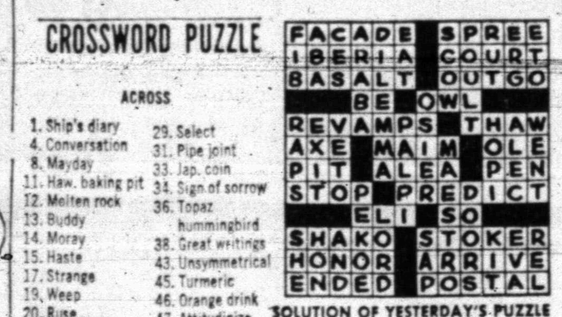

QUESTION: *How did bulldogs get their name?*

ANSWER: There was a time, we regret to say, when many people seemed to take pleasure in looking at bloody battles between animals. The more brutal and gory these were, the better. Bears and bulls were often chained to a stake, and savage dogs set loose upon them. The English bulldog was specially bred and trained for this cruel sport. These dogs, of course, were very much smaller than the bulls. But they had extremely powerful undershot jaws and they could lock these jaws together and hang on with unbelievable tenacity. The dog would try to catch the bull's nose in his powerful jaws. The great bull might toss him around like a feather, but the dog would hang on until he had brought the bull to the ground. The development of more civilized and humane ideas fortunately outlawed such barbarian sports, but the bulldog remained — with his mashed-in face and undershot jaw, developed for fighting. It seems curious that these fighting dogs, who look so ferocious, should actually have mild, trusting dispositions, making excellent companions and pets.

10-22

(Steve Belcher of Moultrie, Ga., wins a prize for this question. You can win $10 cash plus AP's handsome World Yearbook if your question, mailed to Junior Editors in care of this newspaper, is selected for a prize.)

Bench, Seaver Head Stars

NEW YORK (AP) — Johnny Bench of the Cincinnati Reds and Tom Seaver of New York's world champion Mets head The Associated Press' all-star major league baseball team announced today.

The 21-year-old Bench, who hit .293 with 20 homers and 90 runs batted in in his second full season in the majors, was the top vote-getter, attracting 264 in the nation-wide balloting by 283 sports writers and broadcasters.

Seaver, the smooth right-hander whose 25-7 record was the best in the majors and whose exuberance and zest played a big role in the Mets miracle, was next with 237 votes.

He was the only member of the world champions to make either the first or second team.

In fact, Cincinnati was the only team to land two players on the first team—outfielder Pete Rose, who led the National League with a .348 average, was the Reds' other representative.

Others on the first team were Willie McCovey of the San Francisco Giants at first, Rod Carew of Minnesota at second, Rico Petrocelli of Boston at shortstop, Ron Santo of the Chicago Cubs at third, outfielders Hank Aaron of Atlanta and Frank Howard of Washington and left-handed pitcher Mike Cueller of Baltimore's American League champs.

Bench was an overwhelming choice as catcher. The young slugger's nearest rival, Bill Freehan of Detroit, drew only eight votes.

Seaver similarly was a solid choice as the right-handed pitcher, drawing 211 votes more than runnerup Denny McLain of Detroit, the 31'game winner of 1968 who was 24-9 last season.

Carew, who led the American League with a .332 average, beat out Glenn Beckert of the Cubs as the second baseman, 217 votes to 42.

Petrocelli, who hit .297 with 40 homers and 96 RBI, also had a comfortable margin over another Cub, Don Kessinger, at short —234 votes to 40.

Aaron, who helped the Braves to the NL West title with a .299 average, 44 homers and 96 RBI, led the outfield balloting with 224.

Rose was next with 186 while Howard, who had his greatest year with 48 homers, 111 RBI and a .296 average, had 112.

The three runnersup were Frank Robinson of Baltimore (.308), Roberto Clemente of Pittsburgh (.345) and Reggie Jackson of Oakland A's, who led the AL in homers much of the season before being sidelined late in the campaign and finishing with 47.

Jackson edged out Cleon Jones of the Mets for final outfield spot on the second team by just three votes.

Because of some vote splitting, Harmon Killebrew of Minnesota wound up as both the first and third baseman of the second team.

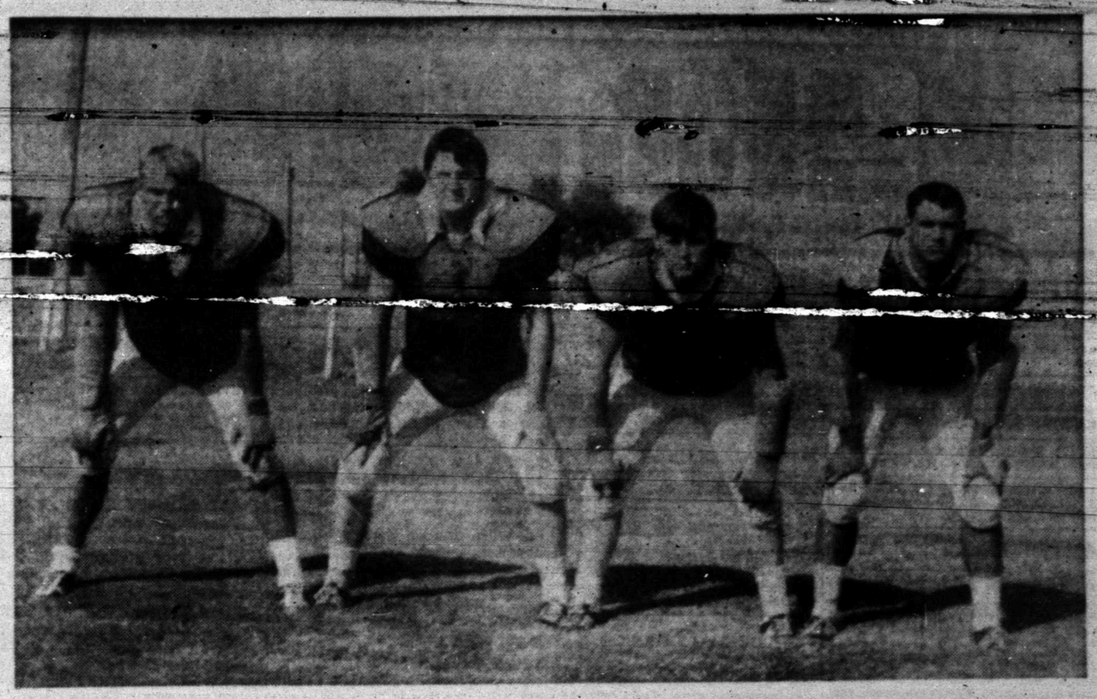

Killebrew, who hit .277 in leading the majors with 49 homers and 140 RBI, played both positions during the season and had 53 votes at first and 83 at third. However, his total vote for both positions—136—would still have put him behind either Santo at third or McCovey at first.

McCovey, who played a key role in the Giants' pennant bid, drew the attention of the voters with 45 homers, 126 RBI and a .320 average.

Santo, the Cubs' captain, produced 129 RBI, 29 homers and a .287 average.

Cuellar, 23-11 during the season and the winner of the Orioles' only triumph in the World Series, beat out teammate Dave McNally as the left-handed pitcher, 141 votes to 49.

Gil Hodges of the Mets and Ted Williams of Washington earlier were named the National and American League managers of the year, respectively.

FRONT FOUR — Here are four reasons why Tiger foes find it difficult to run against the Snyder High School varsity football team this season. From left, are Steve Dillaha (212), Joe Hale (205), Barry Walsh (205) and Tony Breedlove (210). Things will probably get worse for Snyder opponents before they get better since the "fearsome foursome" will return next year along with alternate Albert Hernandez (not pictured).

Snyder Shares Zone 11 Lead

Snyder, Slaton and Littlefield share the lead in one zone of District 3-AAA and Lamesa and Estacado share the lead in the other zone after championship play began last week.

Perhaps the most interest was in Zone I where Estacado pinned a 10-0 setback on Dunbar and Lamesa whacked Colorado City 23-9. The other team in this zone — Lake View — took a 19-0 decision over non-district foe Brady.

The biggest surprise in Zone II was Slaton's 22-9 triumph over Sweetwater, the pre-season choice to win the zone title. Snyder had no trouble in disposing of Brownfield 47-0. Littlefield caused a mild surprise with the margin of its 26-6 win over Levelland.

Snyder hosts Littlefield in the "big game" in Zone II this week. Slaton will be favored to hang onto at least a share of the lead in its contest at Brownfield while Sweetwater will be trying to get back on the winning track at Levelland.

The feature game of the week, however, will be at Lubbock again where Dunbar will be fighting to stay alive in the title race with Lamesa providing the opposition in a Saturday affray. Estacado also is involved in a big game against non-district foe Wichita Falls Hirschi. This skirmish also is on tap for Saturday night, and it will be held in Wichita Falls. The other Zone I contests finds Lake View opening at Colorado City.

For the season, Lamesa remains the only unbeaten, untied team with a perfect 6-0 record while Estacado has only the tie with Snyder to blemish its mark. Dunbar and Colorado City both are 4-2 for the campaign while Snyder has pulled over the .500 mark with a 3-2-1 record. Slaton is even with a 3-3 record. Sweetwater, Lake View and Littlefield are 2-4 for the season while Levelland has only one victory in six outings and Brownfield remains winless.

ROLL N' HOPE LEAGUE

Cotton Bowl Ducats On Sale

DALLAS, Tex. (AP)—Thursday is the first day for football fans to apply for tickets to the annual Cotton Bowl Classic Jan. 1.

Ticket orders will be accepted by mail only during a 13-day period that ends at midnight Nov. 4.

Price of the tickets are $7 each and a 50 cent mailing fee should be added to the check or money order. There is no limit to the number of tickets an individual may order but no more than ten should be sought on a single order.

Orders should be mailed to the Cotton Bowl Athletic Association, Box 7185, Inwood Station, Dallas.

After all requests have been received, a drawing will be held to determine the allocation of the 25,000 available seats.

Pokes Dominate Grid Statistics

NEW YORK (AP) — The Dallas Cowboys, rolling along with a perfect record through five games, top the National Football League team statistics in total offense, rushing offense and rushing defense.

The Cowboys also have scored the most points, 156 and have scored the most touchdowns, 21. Coach Tom Landry's Dallas club has given up only seven tochdowns, the same number as the Minnesota Vikings have allowed.

Minnesota, aided by their tremendous front four, top the NFL in total defense and also has allowed the fewest points, 55.

Baltimore's pass offense has been the most effective with 235 yards per game and the Chicago Bears have the best record in pass defense with an average yield of 104 yards.

DISTRICT 3-AAA
(Season Standings)

LAST WEEK'S RESULTS — Snyder 47, Brownfield 0; Lamesa 23, Colorado City 9; Lake View 19, Brady 0; Slaton 22, Sweetwater 9; Littlefield 26, Levelland 6; Estacado 10, Dunbar 0.

THIS WEEK'S SCHEDULE — Littlefield at Snyder; Slaton at Brownfield; Sweetwater at Levelland; Lake View at Colorado City; Lamesa at Dunbar (Saturday); Estacado at Hirschi (Saturday).

Sky-Diver Falls To Her Death

FORT WORTH, Texas (AP) — A woman sky-diver, Carolyn Sue Roberts, 24, fell to her death Tuesday when her parachutes failed to open.

Miss Roberts, a Fort Worth laboratory technician, jumped from a plane flying over a grass landing strip on a farm outside nearby Saginaw.

Tacoma, Wash., won the 1969 Pacific Coast League Northern Division baseball pennant while Eugene, Ore., took honors in the Southern Division.

BIG SPRING RETURNS TO BENGAL SCHEDULE

District 3-AAA will return to an eight - member alignment next year, and each team will get to play three non - district gridiron contests plus seven district games.

It will be the same number of teams that competed in 3-AAA in 1967, but the alignment will be different with the league losing Littlefield and Slaton to the Class AA ranks and Levelland to District 1-AAA. The membership in 1970 will include Snyder, Sweetwater, Lake View, Colorado City, Lamesa, Brownfield, Dunbar and Estacado.

Coach Wayne Tyrone has completed his schedule for next year, and it includes the same three non-district foes that appeared on the slate in 1967 before the district was increased to 11 teams.

"I like the schedule because all three non-district foes are good teams and we'll have an open date prior to district play," Tyrone said.

The schedule:

Sept. 11—Stamford.
Sept. 18—At Andrews.
Sept. 25—At Big Spring.
Oct. 1—Open date.
Oct. 9—At Sweetwater. X
Oct. 16—Brownfield. X
Oct. 23—At Dunbar. X
Oct. 30—Colorado City. X
Nov. 6—At Lamesa. X
Nov. 13—Estacado.
Nov. 20—Lake View. X

(X - Denotes district game).

Lamesa Is Ranked No. 7

By THE ASSOCIATED PRESS

Austin Reagan, Houston Elmore, Lufkin Dunbar and White Oak held onto their top billings in the Dallas Morning News Schoolboy football poll Tuesday with only minor shuffling in the lower ranks.

Reagan, with 35 straight victories and a third straight state championship within reach, remained No. 1 in Class AAAA.

Houston Elmore needed 54 points to edge Cypress Fairbanks 54-51 last week to keep its Class AAA No. 1 ranking. Lufkin Dunbar easily retained its No. 1 ranking in Class AA as did White Oak in Class A.

Amarillo Palo Duro and Galveston Ball merely switched places with Palo Duro moving up to No. 6 to mark the only changes in Class AAAA.

Jasper dropped from the top 10 in Class AAA after losing to Bridge City 16-6 and was replaced as the No. 9 team by Wichita Falls Hirschi, ranked 10th last week. Brenham moved in as No. 10.

Ballinger, No. 9 last week, disappeared from the Class AA top 10 after losing 27-7 to Hamlin. Eastland 6-0, is the replacement.

Class A remained intact from last week with White Oak, Iowa Park and San Antonio Randolph holding on as the Big Three.

Class AAAA
1. Austin Reagan (6-0)
2. Abilene Cooper (6-0)
3. Houston Kashmere (6-0)
4. Dallas Kimball (6-0)
5. Dallas Wilson (6-0)
6. Amarillo Palo Duro (6-0)
7. Galveston Ball (6-0)
8. Spring Branch (5-0-1)
9. Killeen (6-0)
10. Odessa Permian (5-1)

Class AAA
1. Houston Elmore (6-0)
2. Alvin (6-0)
3. Lubbock Estacado (5-0-1)
4. West Columbia (6-0)
5. Bonham (5-0)
6. Ennis (5-1)
7. Lamesa (6-0)
8. Belton (4-1)
9. Wichita Falls Hirschi (5-1)
10. Brenham (6-0)

Class AA
1. Lufkin Dubbar (6-0)
2. Iowa Park (6-0)
3. San Antonio Randolph (5-0)
4. Georgetown (6-0)
5. DeKalb (6-0)
6. Klein (6-0)
7. Columbus (6-0)
8. Jacksboro (6-0)
9. Reagan County (5-1)
10. Eastland (6-0)

Class A
1. White Oak (6-0)
2. Poth (6-0)
3. Three Rivers (6-0)
4. Seagraves (6-0)
5. Coahoma (6-0)
6. Honey Grove (6-0)
7. Pflugerville (6-0)
8. Junction (6-0)
9. Clarendon (6-0)
10. Mason (6-0)

Panthers Have Best Area Record

Area football teams have completed their non - district schedules on an even footing, scoring 10 victories out of 20 games.

Only two skirmishes were held last week with Hobbs extending its record — best in the area — to 5-1 with a 55-30 decision over Weinert while Hermleigh remained winless after dropping a 36-6 verdict at Trent.

District play begins this week with the annual Hobbs-Ira battle the highlight of the week. The tilt will be held at 7:30 p.m. Saturday in Ira with the visiting Panthers favored to win it and contend for the area Six-Man crown.

Gail, competing in eight-man circles, will be at Garden City for a Friday night game while Hermleigh visits Sands for its first district Class B encounter.

The records:

REA TEAMS

Team	W	L	T	Pts	Opp
Hobbs	5	1	0	235	82
Gail	4	1	0	112	68
Ira	1	3	0	86	172
Hermleigh	0	5	0	72	230

L'Field Is A Threat-Tyrone

"We've got to play them one at a time, and Littlefield is the next opponent," said Coach Wayne Tyrone, speaking at the Booster Club meeting, held last night in the high school cafeteria.

He pointed out the Wildcats —Snyder's Friday night foe— share the lead with the Tigers and Slaton.

"They'll come down here with one idea in mind — to beat Snyder," he said. The Bengal mentor declared Littlefield is "tougher than many people think. They jelled last week (with a 26-6 victory over Levelland)."

Continuing his discussion of this week's foes, Tyrone said the Wildcats have good team speed. They operate basically from an I slot or regular wing slot offensive formation and like to throw from the shotgun alignment. Defensively, the 'Cats employ a five man front with rover who rotates towards the strength. Stacked linebackers also could give the Bengals trouble.

Discussing Snyder's triumph at Brownfield last Friday, Tyrone said he is "proud of all of our boys." He pointed out Larry Greene, especially, looked good on defense, and Joe Hale led the team in tackles.

The Bengal mentor credited another top defensive effort with much of the Snyder success last Friday, but said the offense is beginning to come along.

"We knew the defense was a little ahead of the offense, but it should jell any time now," he declared. The veteran coach said he prefers to substitute on offense rather than defense.

Continuing his discussion of substitutions, he said sometimes it is better to keep a boy out of two or three minutes action with the varsity so that he can get more experience by playing 48 minutes with the junior varsity the next day.

Tyrone also praised the play of both quartersbacks (Butch Buchanan and Bill Branson) and he said the regular quarterback, Lee McNair, remains a doubtful starter Friday night. He participated in drills yesterday, but as of now the team physician doesn't want him to take part in contact work.

Brownfield gave the Tigers trouble with a "five" defense that featured a "walking tackle." It was the first time the Tigers had encountered such a defense this year and it took them awhile to learn how to block against it. Also, it was pointed out, the Cubs rushed about eight men on pass plays and were able to throw the passers for losses on several ocasions.

"We have four or five boys going out for a pass and we just don't have enough back there to hold them out for very long, but I thought they blocked well under the circumstances. Our passers will be able to pick up their receivers quicker with more experience," the coach stated. He pointed out both Buchanan and Branson connected on touchdown passes.

Steve Pierce is looking better at running from the fullback slot all the time, the coach observed, and he will continue to improve with experience. Meanwhile, Eddie McClain, the regular fullback, may be able to see limited action against Slaton next week. Delbert Hirst, regular quick guard who has been out since the Estacado game, may see offensive action against Littlefield. There still are a few other injuries. For instance, Randy Levens, one of the top defensive halfbacks in the league, has a "charley horse" and may miss action this week. Mike Glasscock missed drills Monday and Tuesday due to sickness. Albert Hernandez still has a sore ankle.

Emphasizing the point he made earlier, Tyrone said, "I think we have as good a chance as anyone to win district, but it's premature to be talking about championship games — we've got to beat Littlefield next and that's who we've got to concentrate on this week."

A film was shown of the Brownfield game and coaches in the school system gave reports on their teams.

Eugene Glasscock, club president, appointed Clifford Hale, Mickey Nunley, Jerry McLeod and Eugene Glasscock to a committee to select a speaker for the annual banquet.

Earl Morrall of the Baltimore Colts holds the NCAA major college single season record for most yards per passing attempt. The mark is 13.8 yards and was set in 1955 when he quarterbacked Michigan State.

Lamar 9th Has Perfect Record

Snyder football teams have won four more games than their opponents during the 1969 campaign after a happy week that saw local teams triumph in four of six outings. One of the other two games was a tie.

Lamar 9th grade remains the only undefeated, untied team on the junior-senior high school level with six straight triumphs. Both the varsity and Travis 8th have won more than they've lost. The Tigers are 3-2-1 for the year while the young Blue Devils are 2-1-1.

Lamar 8th is even with two wins, two losses and a tie while the junior varsity and Travis 9th have lost more than they've won.

The biggest triumph last week was the varsity's 47-0 verdict at Brownfield. Lamar 9th thumped the Brahmas of Big Spring 32-6, Travis 8th blanked Goliad of Big Spring 19-0, and Lamar 8th nipped Runnels 6-0. The junior varsity and Sweetwater fought to a 7-7 draw while Travis 9th fell, 35-8 to the Toros.

Three games are scheduled here this week with Travis 8th hosting Lamesa at 6 p.m. Thursday, followed by a 7:30 p.m. battle between Travis 9th and Stamford. The varsity entertains Littlefield at 7:30 p.m. Friday while the junior varsity is on the road against San Angelo at 7:30 p.m. Thursday and the Lamar 9th team meets Lee in San Angelo at 2 p.m. Saturday.

CAREER CORNER

By F. J. LAIN

"How about more suggestions in the paramedical field? Both my daughter and I are interested."

A — One emerging health occupation in demand is the electroencephalograph (EEG) technician; highly qualified technicians are also called EEG technologists.

The EEG technician operates complicated electrical equipment that helps physicians discover brain disorders, and records the progress of patients with brain conditions.

JOBSCOPE. Most work in hospitals, cliniiics or medical schools, some are employed in physicians' offices. Here's how the American Hospital Association summarizes their duties;

"The EEG technician runs an instrument that records brain waves. The electrodes are attached to the patient's head in specified areas. The electrodes measure impulse frequencies and differences in electrical potential between various parts of the brain. Throughout the test the technician observes the patient's behavior and makes notes on the recording graph. He analyzes finished recordings for possible false readings. The physician (usually a neurologist or neuropsychiatrist) interprets the tracings in diagnosing brain disorders."

MONEY. A leading authority who was very helpful in preparing this column, Dr. John R. Knott of the University of Iowa, estimates the average starting salary is approximately $4,200 with a future potential of $9500, or more.

MAKE-UP. Most are women though men are in this field, and some handicapped persons as well. A smart, determined mature woman can become as EEG technician. "Ex-technicians" do return to work part-or full-time.

EDUCATION. The minimum required is a high school diploma, and most EEG technicians have learned on the job. However, the trend is toward upgrading education and performance through formalized training programs.

SCHOOLS. Most EEG technology programs are offered by hospitals or medical schools at the present time, and with one exception, all programs started within the last six years. These are: U. of Alabama, Barrow Neurological Institute in Phoenix, Duke U. in North Carolina, U. of Florida, Louisiana State U., Massachusetts General Hospital in Boston, Mayo Clinic in Rochester, Minn., Medical College of Virginia, U. of Washington, and U. of Wisconsin. Most of the programs last one year; the range is six to 18 months. One two-year program started last year at the U. of Kentucky at Lexington, and some junior colleges are expected to begin programs very soon.

Until several months ago, tuition in EEG technology programs was free and students were also paid a stipend. But federal spending cuts mean tuition will probably cost in the future; inquire at the school of your choice.

STUDIES. High school social and physical science courses are useful. No rigidly fixed curricula exist in EEG technology programs because EEG is a changing and growing field, but the basic "core areas" do seem to be agreed upon: instrumentation (electronic equipment), technique, anatomy, physiology and related clinical medicine.

REGISTRATION. To boost the professional standards and recognition of EEG technicians, the American Board of Registration of Electroencephalographic Technologists has developed a voluntary examination administered periodically. To date, only about 100 technicians have passed, resulting in the designation of "R.EEG T," after their names, but about 150 are taking exams yearly now. Advancement potential is better if you become a registry-level EEG technologist.

WHERE TO WRITE — For a free brief leaflet on EEG and EKG (heart) technicians, published by the American Hospital Association, send me a postcard at this newspaper. For information on the registry examinations, write to T. Sannit, Secretary, ABRET, Division of EEG, Graduate Hospital, 19th & Lombard, Philadelphia, Pa. 19146.

* * *

Miss Lain welcomes your career topic suggestions for use in this column, but the volume of mail makes personal replies impossible.

Ector Schools Have Deadline

ODESSA, Tex. (AP) — Ector County public schools have one more month to shape up their racial situation, the federal government told them Tuesday.

In a letter to Supt. Floyd Manry, Robert Gonzalez of the Dallas regional office of the Department of Health, Education and Welfare, said that steps taken thus far by Odessa school officials "will not have a noticeable effect in removing the racial identity of your schools."

He extended the deadline to come up with a new plan from Oct. 15 to Nov. 15.

Immediately upon returning from her coronation, Queen Victoria reportedly doffed her ceremonial robes — to give her dog a bath.

THE LIGHT TOUCH
By: BUD ENGLAND
Slaton at Brownfield

A pessimist is a guy who expects to find bad news in a fortune cooky.

* * *

It usually takes five years for a tree to produce nuts, but this isn't necessarily true of a family tree.

* * *

Young lady we know says that what she'd really like is one of those nice little foreign sports cars—with the foreign sport still in it.

* * *

Teacher: "What did Paul revere say after his famous ride?"
Johnny: "Whoa."

* * *

"I know I serve well-balanced meals," said the housewife. "One day my husband complains, and the next day my kids complain."

* * *

There won't be any complaints when you let us service your office machines at BUD'S OFFICE SUPPLY.

Test Your Skill... Win
CASH PRIZES

HERE ARE THE RULES OF THE CONTEST

In each advertisement on this page you will find the contestants in a prominent football game being played in the country this week-end. Get an entry blank from one of the merchants who are helping sponsor this contest and whose message is on this page. Fill in your selection of the WINNING TEAM only . . . opposite the name of the firm on the entry blank. Then send your complete blank to FOOTBALL CONTEST EDITOR, THE SNYDER DAILY NEWS. Entries must be in the hands of the editor by 12 o'clock noon, Friday. Games ending in a tie score must be specified as a tie or else it will be considered a miss.

If there is a tie for first place the winners will divide the cash money of $12.50 and no second prize will be given. If there is a first place winner and a tie for second place, the second prize winners will divide the money for the place. If more than two persons tie for second place, no second prize money will be awarded and the cash will be added to next week's prize. Tie for perfect score will split $25.00. There will be fun for the entire family. Only one entry blank will be permitted from any one person. More than one will disqualify all of the person's entries. Scores listed on the entry blank will have no bearing on the choice of the winner. Sign your entry blank and list your address and phone number — and watch for the story on next Wednesday's front page for the winners. Hurry now, and get your entry blank from one of the merchants on this page. The contest blank must be in your own handwriting. Employes of The Snyder Daily News and their families are not eligible to enter.
