City Council Election

The following four candidates for places on the City Council have expressed their views on the election at the invitation of the Colorado City Record. Four candidates, Marion Bassham, Larry W. Hamner, J. Lee

Jones Jr. and Finis L. (Buck) May, presented their views in Thursday's issue of the Record. The election is set for Tuesday, April 2 for three places on the Council.

3-AAA Co-Champs

Girls Volleyball Team Defeats Lamesa

A large crowd in Wolf Gym witnessed Colorado City's volleyball team defeat Lamesa Friday night to take district championship honors.

Wolves volleyballers won the first game of the match 12-10, lost the second 9-15 and were down four points in the final game of the match before coming back strong to take the win, 15-11.

Points scored by individuals on the varsity team were Connie Spann, 6; Pam Johnson, 6; Patty Whitley, 10 for high po-

int; Terre' Pawkett, 2; Wanda Williams, 4 and Jackie Palmer, 8.

Wanda Williams made two key blocked spike plays during the last part of the final game to help with the win, said Coach Carol Dakan.

Coach Dakan also said that Lamesa's time out situation hurt them in the final game. She said that teams are allowed two time-outs per game in a match and Lamesa used theirs early in the final game and could not make adjustments

necessary for the Wolves final hard charge.

An additional match between the two teams was set up for last night in Big Spring High School gym at 7:30 p.m. to determine which team would represent the district in Regional play.

The three teams in district competition were Sweetwater, Lamesa and Colorado City. Colorado City lost the first match against Lamesa, played in Lamesa, but won both matches with Sweetwater. The final defeat of Lamesa put the two teams up for co-championship honors.

Saturday's Regional Tournament will be held in Lubbock.

The Junior Varsity also won their match with Lamesa, in strong sets of 15-10 and 15-2. High point girl was Ginger Noel with 8.

Guest Column

(Editor's Note: The Record asked Schools Superintendent Lloyd McKee to write the following article to explain several changes being made in Colorado City Schools.)

By Lloyd McKee

A person obtains his education in many ways, through his family life, through his friends and co-workers, through his church and civic life, and through formal education itself. It is the last topic that I wish to relate some thoughts I have on the matter, especially public school education.

In one short report it would be impossible to cover even the major areas of public school education, but some important ideas and principles concerning education can be expressed, I think, aptly in a few paragraphs.

A school's role or purpose will be seen differently by each one of us to some degree, but all of us will agree that a school should offer an excellent educational program to all of its students in order to meet their needs, abilities, and interest, and along with that a school has the responsibility to teach good citizenship principles, and practices to its students. When a school is successful in these two endeavors, you can usually find its graduates to be hardworking, honest and productive citizens.

A school's curriculum should be coordinated and comprehensive from kindergarten through the twelfth grade. A lot of planning and research must take place on a continuous basis by school personnel, parents and the community for the curriculum to remain current and challenging.

The quality of the education program in its schools is one of the most important elements in the life of any community. The excellence of the program will have life long effects upon the boys and girls education in this school system.

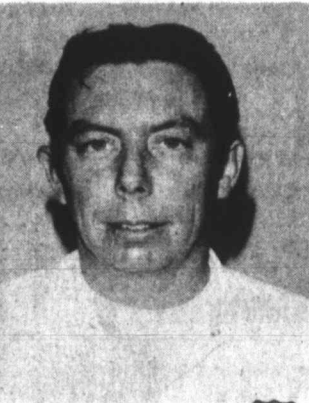

Programs should be established in schools which are:

- Fundamental enough to provide the basic needs that are common to all children.
- Wide enough in scope and diversified enough in techniques to account for the vast individual differences among children.
- Flexible enough to change rapidly as the needs of the children change.

As a teacher in Colorado City, I feel fortunate to live here because the people in Colorado City are very interested in education for their children. People are interested in all phases of the schools' curriculum, which is good. Parents and interested citizens are always willing and very able to help and assist when called upon.

Recently we have had a few questions concerning our elementary music program for the lower grades, K-5. We shall continue to have an elementary music program. It will be a regularly scheduled period as it is this year. The homeroom teacher will have access to materials, records, filmstrips, educational TV programs, music textbooks with teacher aids, rhythm band instruments, autoharps and xylophones.

Music specialists will be in See McKee Page 7

Don Minshew

Citizens of Colorado City, I wish to express my deepest gratitude in being a part of Colorado City and having the opportunity to run for City Council.

At this time, I would like to share with you an article written by James Lupton in the early 30s. The article pretty well sums up my views on my campaign.

"What's Wrong With Texas?"

Nothing's wrong with Texas, except too many of us get up in the morning at the alarm of a CONNECTICUT clock, button a pair of OHIO suspenders to a pair of CHICAGO pants. Put on a pair of MASSACHUSETTS shoes, wash in a PITTSBURGH tin basin, using CINCINNATI soap, and a cotton towel made in NEW HAMPSHIRE, sit down to a GRAND RAPIDS table, eat pancakes made from MINNEAPOLIS.

See MINSHAW Page 7

Charles L. Snider

The citizens of Colorado City deserve the very best representation possible on "their" city council.

There are eight very concerned candidates asking to be elected to three positions. The people of this city have a very good selective choice. This is a sign of a healthy community attitude.

I was born in Colorado City. I attended Buford and Colorado City schools and have lived in Colorado City most of my life.

I am employed by Dowell, Div. of Dow Chemical Co. I am married and have four children. Two are grown and two are in the home. My wife, Jean, my daughter Destry Lynn, 4 and my youngest son Dalton Shane, 3, reside at 975 Marshall.

We are active members of First Baptist Church.

See SNIDER Page 7

Joe Stockton

I would like to thank the Colorado City Record for allowing me this opportunity to express my views on the needs of Colorado City.

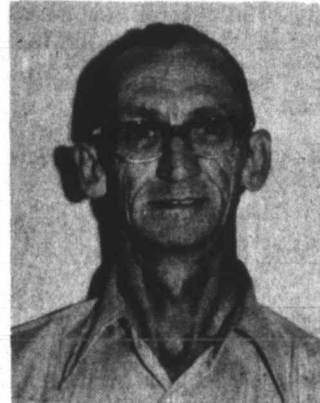

I will list a few areas where change and improvement are needed: Sanitation, Streets, Water, Park Improvements, Functional Mobile Home Ordinance, Better City Services, Salaries for all City Employees and a proper "Preventative Maintenance Program" for all city equipment.

My one promise is to try to put my one vote as a councilman where I believe the people of Colorado City want it.

I have respect and pride in what has been done in the past and great expectations for the future.

Vote for the candidate of your choice, but Vote.

Thank you, Joe Stockton

Herman Upshaw

My reason for running for the City Council is that I like Colorado City, I like the people, the town has improved some the past two years and I am in business here.

I own and operate the Upshaw Body Shop. If the town grows, it will improve all business and make more jobs for people.

I would like to see more done on the city streets, vacant lots cleaned up and finish cleaning up old vacant and abandoned buildings. This will improve the looks of our town and to get industry here, I believe this should be done.

The appearance of a town means a lot to a business wanting to move to a new location.

I would like to see the city employees have a decent salary so we could have permanent

See UPSHAW Page 7

C-City Council Election Tuesday

Colorado City voters will go to the polls Tuesday to elect three persons to the city council. Polling place is City Hall with voting to begin at 8 a.m. and end at 7 p.m.

There are eight candidates for the three positions. They are, in order listed on the ballot:

- J. Lee Jones Jr.
- Joe Stockton.
- Herman Upshaw.
- Marion Bassham.
- Larry Hamner.
- Charles Salder.
- Don Minshew.
- Finis L. (Buck) May.

Eight votes were cast absentee in the election. Absentee

voting ended Friday. R. B. Baker is election judge.

Loraine Time-Change Reminder

Loraine Schools will go on the Spring schedule tomorrow (Monday) with buses set to run about an hour earlier than last week.

Classes will begin at 8 a.m. and dismiss at 3:06 p.m. starting April 1.

Loraine Supt. Tom Harkey reminds students to be ready to catch the school bus an hour earlier.

'Bluebeard' Places Third

Westbrook's entry in one act play competition placed third in district and placed third of the cast on the All-Star cast.

Named to the star roll were Susie Hogue, Julia Sweatt and Kathy Parsons.

Westbrook's play was "Bluebeard Had A Wife" and featured Tim Oden as Bluebeard. The melodrama was written by Tim Kelly, Judy Chitsey directed the drama students in their presentation of the play.

Ira's play placed first and Hobbs second in competition held at Western Texas College in Snyder.

Bids Taken For Hospital Furniture

Bids for furniture for ten patient rooms and the lobby, now under construction at Root Memorial Hospital, were opened and taken during Tuesday's regular meeting of the hospital district board of directors.

Low bidder was Texas Hospital Supply Corp. of Dallas with \$11,956.11. Their bid was accepted. All-electric beds, chests and chairs for the patient rooms and tables, chairs and lounges for the lobby were included in the bidding.

Other bids were: American Health Facilities, \$13,156; Will Ross Inc., \$13,207 and a bid on bedroom furniture only by Surgical Medical Supply, \$13,608.50. George Witten, business manager of the hospital, explained that the bid by the Dallas firm was not only the low bid but also would supply furniture more in line with furniture already in use in other rooms at the hospital.

Construction on the new patient and lobby wings for the hospital is underway but will not be completed for some time and furniture delivery has been set for after Sept. 4.

8th Grade Wins Track Meet

Wolves Eighth grade 1320 relay team set a new record during Friday's Junior Lone Wolf Relays held in Wolf Stadium.

The relay team of Selvera, Adams, Ornelas and Sanchez were clocked in at 2:44.0, one second less than the old record of 2:45.0 set last year by a Colorado City relay team.

The eighth grade team compiled a total of 200 points to win the Junior High division and Freshmen totals were 127 1/2 points, putting them in second place behind Hamlin's team.

The win gave the eighth gr-

Deadline For License April 1

Midnight, April 1 is the deadline for installation of new license plates on automobiles and other vehicles.

License plates for 1974 can be obtained at the county Tax-Assessor-Collector's office in the courthouse. The office closes at 5 p.m. Monday.

Special Playday Today

A special playday with proceeds going to the new Woodland School will be held in the Western Riding Club arena west of the city Sunday afternoon.

Four events, goat tying, pole bending, flag race and barrel race, will get underway at 1:30 p.m. Registration begins at 12:30 at the arena.

Woodland School is being set up in the Northside Church of Christ building for the county's physically handicapped and mentally retarded. The \$1 entry fee for each event in the playday will go to the school.

AJRA rules will be followed in each event and ribbons will be awarded the first six places in each age group.

Regular playday high point awards will not be made for this special playday, according to Western Riding Club president David Scott.

Absentee Voting Now Underway

Five school board and city council elections will be held in Mitchell County Saturday.

Absentee voting is now being conducted and will continue through 5 p.m. Tuesday for the school boards in Colorado City, Loraine and Westbrook and for city council elections in Loraine and Westbrook.

Play Opens Monday

On Monday and Tuesday, April 1 and 2 the Colorado City Playhouse, Inc. will host three performances of "Reynard the Fox" at 7:30 p.m. Monday and 4 p.m. and 7:30 p.m. Tuesday at the Opera House. A touring theatre production for young people presented by the Department of Drama of the University of Texas at Austin, the play is under the direction of Dorothy Dodd.

During its run on the University of Texas campus and on tour in the Austin community and throughout the state the production will be seen by more than 12,000 children and adults.

A tale of the wily exploits of a fox named Reynard, the play uses animals to portray human types as amusing and interesting to adults as they are familiar and exciting to children. A fashionable young man, a cowboy, a truck driver, a southern evangelist, a meticulous businessman, a modhipster and a meek housewife are all presented.

According to director Dorothy Dodd, "the animals in the original story represent human types that are found at any place at any time. In our production, set in Texas in the spring of 1974, they seem to say that we all have a little bad in us, but we usually manage to find someone else to blame our troubles on."

Tickets for children are \$1.00 and \$1.50 for adults and are available at the Opera House box office or by calling 728-3491. The box office will be open from 1 p.m. to 5 p.m. each day.

Westbrook To Play Bi-District

Westbrook's volleyball team is district champions and will represent their district Monday night in a Bi-District game with Patton Springs.

The game will be played in Spur at 7 p.m. and the winner advances to Regional Saturday at Loveland.

Construction Beginning

Levelling of the construction site of the city's new Civic Center got underway last week as workmen also moved in construction materials in preparation for building to begin. Construction is being handled by E. D. Click Construction of Abilene.

Fund Drive Tops \$35,000

More than 230 firms and individuals have contributed in cash and pledges a total of \$35,650.05 toward the Industrial Team's fund drive goal of \$50,000.

Thus far, \$30,675.05 has been contributed in cash and \$4,975 has been pledged. The fund drive began about a month ago.

Industrial Team members appealed to everyone to contribute as much as possible in order to put the fund drive over the top of the goal. Individual contributions of \$1, \$5 and \$10 and more are extremely important and help the drive toward reaching the goal.

Contributions may be made by sending or taking funds to City National Bank, Chamber of Commerce or any member of the Industrial Team. Members of the Industrial Team are C. C. Thompson, G. D. Foster, J. S. Craddock Jr., Bob Reilly, Mac McKinnon, J. Lee Jones Jr., Charles Root, Willie Lanau and Sefton Pickens.

Here is a list of the latest contributions:

Colorado Schools administration, \$190; Colorado High School, \$310; Colorado Junior High School, \$84.75; Wallace Elementary, \$170; Hutchinson Elementary, \$68; Kelley Elementary, \$77; Colorado Schools Maintenance, \$45; Colorado Schools lunchroom, \$45; Colorado Schools Transportation, \$20; J. S. Craddock Jr., \$150 (making a total of \$200); C. C. (Mike) Burt, \$100; Mary Lee Moore, memorial for J. Ralph Lee, \$10; Mrs. Cap Smith, \$5; Betty Lemons, \$25; Production Credit Association, \$200; Mitchell County Abstract, \$100; Robert R. Ratliff, memorial for Lynn Burkes, \$5; Mrs. L. B. Elliott, \$10; Mack Ritchey, \$15; T. P. Fowler, \$15; Holbert Appliances, \$25; Mr. and Mrs. R. S. Wallis (Electrolux), \$10; Bodine Brothers, \$200; Farris Lipps, \$25; KVMC Radio, \$500; Don Wallace, \$25; C. W. Wallace Estate, \$25; Zeta Delta Study Club, \$25.

Also Warren Anderson, \$30; Joan Beach, \$2; Marie Bassham, \$1; Lodena Blassingame,

\$2; O. F. Jones, \$25; Martin Weaver, \$25; Julia Johnston, \$11; Geneva Davila, \$5; Dale Mathis, \$50; M. D. Williams Pump Co., \$100; Montgomery Ward Store, \$50; Fuller Foods, \$500; Mr. and Mrs. W. C. Harlow, \$25; VFW Post 9178, \$150; Bill Erwin, \$15; Mrs. O. L. Simpson, \$15; Elizabeth Gary, \$10; Garvice L. Craghead, \$40; Kiker-Seale Funeral Home, \$500; Cowen Shoe Store, \$100; Dr. W. Kenneth Cowan, \$100; Dr. B. B. Bridgford, \$500; Dr. R. D. Bridgford, \$500; Mac McKinnon, (Colorado City Record) \$340.80 (second contribution for a total of \$718.80; and J. D. McKinney, \$20.

Looney HD Elects New Officers

Mrs. J. A. Bobo and Mrs. Maggie Hamrick presented a program on "Older Adult Roles" at the Wednesday meeting of the Looney Home Demonstration Club.

Members were told that those who stay active and busy live longer and stay healthy.

Mrs. J. A. Bobo, president, presided during the business meeting.

Roll call was answered with "I wish some one would invent..." Mrs. Sidney Compton gave the council report.

New officers were elected and are as follows: president, Mrs. Bruce Byrnes; vice president, Mrs. Charles Williams; secretary, Mrs. J. D. Gibson; council delegate, Mrs. Henry McGuire and reporter, Mrs. Sidney Compton.

Refreshments of soft drinks, cookies, chips, nuts and candy were served to Mrs. J. A. Bobo, Mrs. Bruce Byrnes, Mrs. Parker Jarmon and Mrs. Rufus Marshall.

Also Mrs. Henry McGuire, Mrs. Fred Warner, Mrs. Sidney Compton and Mrs. J. D. Gibson.

Visiting WTC

Eighth grade students from Colorado City visited the Western Texas College planetarium Tuesday morning. In upper picture inside the planetarium are left to right Scott Neff, Truman Alberts and Mike Wilson. Waiting their turn to enter the planetarium are in lower picture left to right Greg Grisham, Leslie Moore, Sharon Coldeway and Beverly Fuller. About 150 students made the trip. Accompanying them were Mickey Ratliff, earth science teacher, Don Dulin, principal and Mel Gierhart, Carl Moore, Betty Reese and Mary Lou Griffin, faculty members. The WTC planetarium is open to the public at 2:30 each Sunday afternoon and special showings may be arranged at other times by contacting the office of Dr. James Tully at the college.

Ruth Sunday School Class Has Meeting

Mrs. Hilton Parsons was hostess when Ruth Sunday School class of Westbrook Baptist Church met in Fellowship Hall for a meeting, Thursday night, March 28.

Mrs. D. R. Lamb led the opening prayer. The group sang the class song, "I Love to Tell the Story" and repeated the class scripture I Corinthians 13:13.

Mrs. T. A. Whitesides, president, presided during a business meeting when members voted to buy a small plastic table for the nursery.

Refreshments were served to Mmes. Lamb, Johnny Shackelford, L. M. Dawson, Gene Farley, Floyd Rice, Whitesides, M. F. Crawford, Gerald Rollins, H. M. Rice, class teacher and Jimmy Anderson, guest.

Westbrook Area News

By MRS. W. A. BELL
Record Correspondent

Mr. and Mrs. George Dawson returned home Saturday from Houston where they visited with his sister, Mrs. Florence D. Hastings, and a cousin of Mrs. Dawson's, Mrs. Nellie Ashenfelter, whom she had not seen since 1922 (or 52 years). They also made a trip to Galveston.

While there Dawson, vice president of Federal Land Bank Association of Colorado City, attended the annual stockholders meeting of The Federal Land Bank of Houston.

Jackson Services Saturday

Services for Mrs. Grace Oms Jackson were held at 3 p.m. Saturday in the Loraine Methodist Church.

Rev. Wallace Kirby officiated assisted by Rev. Wilton E. Lynn of Loraine Methodist Church. Burial was in the Loraine Cemetery under direction of Kiker-Seale Funeral Home.

Born Aug. 30, 1893 in Tarrant Co. Texas, she married Joseph Samuel Jackson in 1914 in Loraine, he died in 1921.

She was a graduate of Loraine High School, McMurry College and had a Master of Education degree from Hardin-Simmons University. She taught schools in Abilene, Snyder and Loraine for 41 years.

Survivors are two daughters, Mrs. Donley P. Stephenson of Abilene and Mrs. John Hamblen of Snyder; five grandchildren and 9 great-grandchildren.

Grandsons were pallbearers. Honorary pallbearers were Dr. Harry Sorrels, Coleman; Dr. Bruce Johnson, Loraine; Dr. Homer Johnson, Midland; Dr. Dale Johnson, Abilene and Wylie Walker, Loraine.

The Dawsons made the trip by plane from Midland.

The home of Mr. and Mrs. Doyle Rice, Big Spring, was the setting for a family gathering Tuesday night, March 26.

Attending were Mrs. Curtis Carriker and son, Fred of Paw Paw, Michigan; Mr. and Mrs. Tom Rice and daughters, Barbara and Sandra and Mrs. Marvis West, all of Midland; Mr. and Mrs. Lee Bennett of Big Spring; Mr. and Mrs. Paul West and son, John, of Coahoma; Mr. and Mrs. Floyd Rice and family and Mr. and Mrs. H. M. Rice, all of Westbrook.

Graveside Services For Infant Held

Graveside services were held in the Colorado City Cemetery, for the infant daughter of Mr. and Mrs. William Patrick Haley at 11 a.m. Saturday with Kiker-Seale Funeral Home in charge of the arrangements.

Complete First Aid Course

Kenneth Rogers, instructor and J. C. Britton, assistant instructor have announced that seventeen persons have completed the first aid course that was given in Westbrook.

Finishing the course were Dale Byrd, Elaine Byrd, Judy Chitsey, Deborah Crawford, Fred M. Crawford, Gene Farley, Betty Hines, Sheryl Lamb, and Mary Ann Lopez.

Also Anne Martin, Julia Moore, Charles Parnell, Pat Parnell, Francis Rame, Linda Rame, Peggy Ratliff and Debby Webb.

Rev. Harold Henderson, pastor of Calvary Baptist Church officiated.

Survivors are her parents; paternal grandparents Mr. and Mrs. Bob Haley, French Settlement, Louisiana; maternal grandparents Mr. and Mrs. Dale Crowder of Big Spring and maternal great grandmother, Mrs. Hester Keeling, Colorado City.

Friendliest

Selected by the student body at Westbrook High as the Friendliest for the 1973-74 school year was Eddie Morris, grandson of Mr. and Mrs. Kay Morris and Kathy Parsons, daughter of Mr. and Mrs. Hilton Parsons.

C-City Lake HD Elects New Officers

Mrs. Bea Harlow was hostess to the C-City Lake Home

Demonstration Club March 26th. The meeting was held at 2 p.m. in the Harlow home.

Mrs. Fannie Morris led the opening prayer and Mrs. Harlow gave the program on "Order Adult Roles."

New officers were elected for the coming year and are Mrs. Bea Harlow, president; Mrs. Bobbie Norman, vice president; Mrs. Doris Penny, secretary; Mrs. Vivian Holter, council delegate and Mrs. Dee Cloud, reporter and council alternate.

The spring meeting was discussed and a report from the council was given by Mrs. Doris Penny.

Visitors were Mrs. Ozella Brookshire and Mrs. Janice Choate, county agent.

Reed Hosts Maranatha Study Club

The Maranatha Study Club met March 21st in the home of Mrs. R. M. Reed, with Mrs. Daisy Henry, club president presiding. Mrs. Woodrow Crabtree led the opening prayer.

The minutes of the last meeting were read and approved. The club voted to give \$10 to the retired group to help pay expenses for their camp meeting during the summer.

Mrs. Marguerite Helm was leader of the afternoon program. She introduced Miss Gladys Miller, guest speaker, who spoke on the subject of "Security From Worry." She read several scriptures from the Bible.

After the program the hostess served refreshments to four guests Miss Gladys Miller, Mrs. A. A. Herrington, Mrs. Helm and Cornelia Helm.

Also served were Mrs. Marion Bassham, Margaret Bullock, Midge Crabtree, Della Fox, Daisy Henry, Edna Pace, Mrs. Dona Reed and Minnie Howell.

Claxton Lodge News

There has been lots of activity at Claxton Lodge the past two weeks. The residents are really enjoying the nice weather with games on the patio or taking long walks. Some have gone for rides to the Lakes- others are visiting relatives.

We hope many relatives will be stopping by during their coming vacations.

Among our recent visitors were two State Health Department workers who dropped in at 9:30 p.m. Tuesday. We are always happy to have these people come see us and observe the care we give our residents. In spite of the critical LVN shortage that is plaguing all nursing homes and hospitals we continue to give excellent care and receive an A-OK from the Departments.

New additions to our staff include Jesse Aguilar, Hope Holguin, Faye Madewell, Dee Bowers and Dena Soloris.

New residents are Jeff Roberts and Alfred Richey.

Our residents enjoyed a film strip before our singing two weeks ago. Approximately 65 persons were present.

Fund Drive Reports \$1,100.25

Mitchell County unit of the Salvation Army has carried out a fund drive in the county during the month of March, raising \$1,100.25 through donations, reports Bob Raliff treasurer.

Sheriff Bill McGuire is campaign chairman for the fund drive and contributions are still being accepted.

Agape Circle Continues Study

The Agape Circle (Evening Circle) of the United Methodist Women met Monday evening at 7 p.m. in the church parlor at the church for the second session of the study "Go Free" written by Elliott Wright. The study is being led by Mrs. Della Fox, as a lecture type and also dialogue form; with members participating when called on.

develop to their fullest potential as children of God.

On April 8, at 7 p.m. members of the Agape Circle of the United Methodist Women invite all the ladies of the church to be present for the last session of this Bible study "Go Free." This session of study will be presented mostly in dialogue form, and refreshments will be served after the study.

AIMING FOR ECONOMY IN SMALL CARS AND LOW-PRICED PICKUPS?

THE DODGE BOYS ARE RIGHT ON TARGET

WITH TWO SENSATIONAL BUYS:

DART SPORT!

• PRICED LESS THAN VW'S MOST POPULAR MODEL.

Difference based on Manufacturers' Suggested Retail Prices for 6-cylinder Dodge Dart Sport and VW Super Beetle, both equipped with all standard equipment. Not included are state and local taxes, destination charges, and Dealer preparation charges, if any.

• CAN GO FARTHER ON A GALLON OF GAS THAN NOVA.

Gas mileage figures based on October, 1973 Popular Science magazine. Tests performed by Popular Science for its report were conducted on '73 vehicles with figures adjusted by Popular Science for 1974 model changes and the results of E.P.A. tests.

• MORE TRUNK SPACE THAN 3 PINTOS.

• MORE TOTAL HIPROOM THAN MAVERICK.

• OVER A MILLION SATISFIED DART OWNERS!

DODGE PICKUP!

• SMALLEST 6-CYLINDER ENGINE.

The 225-CID Dodge Slant Six is the smallest 6-cylinder engine offered on any American pickup.

• ELECTRONIC IGNITION.

This advanced system is standard on every 1974 Dodge pickup. It eliminates points and condenser (that can wear out or get wet).

• FRONT DISC BRAKES, standard.

SEE 'EM BOTH RIGHT NOW.

Ladies' Lectureship To Be Held Saturday

The Eighth Annual Ladies' Lectureship of the 22nd and Austin Street Church of Christ in Colorado City, will be held April 6. Registration will begin at 9:30 a.m. Coffee will be served during the registration.

The theme for this year's lectureship will be, "...but be of good cheer, I have overcome the world." John 16:33. We chose our theme because we are faced with so many problems. There seems to be a shortage in everything—money, gasoline, groceries, etc. We felt that Christians need to be reminded that in God, there is no energy crisis, or any other crisis.

The lectureship will begin at 10 o'clock with all of the day's activities conducted in the church auditorium. Mrs. Homer (Floy) Hodge, of Winters, Texas, will be the morning speaker. Her topic for discussion will be Happiness Is A Tankful. We are very much pleased that she has consented to be with us again this year.

She is a graduate of Abilene Christian College in Abilene and has taught speech and English at high school level.

She has also taught two adult Bible classes in Winters for more than 20 years and has participated as a teacher at the ACC lectureships in Abilene.

Also on the morning program, will be a group reading from the Book of Job. This will be given by several ladies from the congregation, and should be very inspiring.

Immediately after lunch, a short program of "Sermon in Song" will be given. Mrs. Virginia Chambers, of San Antonio, Texas, will be the afternoon speaker, reviewing No Pat Answers by Eugenia Price; she will also include thoughts from None Of These Diseases, a book by S. I. McMillen, M.D.

She is a graduate of Abilene Christian College in Abilene with a degree of Bachelor of Science in Education. She is also coordinator of the ladies lectureship at Oak Hills Church of Christ in San Antonio.

A luncheon will be served by the ladies of the congregation at noon. Please mark April 6 on your calendar now and plan to attend the lectureship.

Mrs. Floy Hodge

Virginia Chambers

FHA Child Development Center

The spring semester of the child development class at Colorado High, made up of Junior and Senior students, has begun its Early Childhood Learning Center for 4 year olds.

The purpose of the center is to provide actual first hand experiences for the high school students in teaching and guiding children.

Topic for the lessons are: foods; use of the telephone; weather; colors; body movement and balance; music and rhythm; shapes; Hawaii; Easter and plants and animals.

The goals of early childhood education are: to foster the independence of each child; to help the child learn to give or share affection; to help the child learn to get along with other children; develop self control and self guidance; improve large or small motor skill; increase his understanding of the physical world; learn new vocabulary and develop a positive self concept.

The daily schedule is: 10:45 to 11 a.m. greeting and snack; 11 a.m. to 11:30 a.m. learning circle; 11:30 a.m. to 11:35 a.m. short break; 11:35 to 12 noon free play and noon to 12:15 field trip or active play.

Assisting the teacher, Mrs. Martha Matthews, this semester is Mrs. Debby Lewis, student teacher, from Texas Tech.

Children attending the class are Lissa Turner, Michelle Newby, Janine Galey, Doony Hearne, Ashley Dennis, Bobby Daniels, Boye Don Proctor, Cary Redwine, Kathryn Blassingame, Holly Tarter and Kirby Barber.

SANCAP.
BECAUSE YOU HAVE
ENOUGH SOIL PROBLEMS
ALREADY.

If the soil in West Texas was the same as the soil everywhere else maybe the herbicides they use would be good enough for you. But you've got different soil. Sandy soil. And different problems. You need an herbicide specifically made for sand, loamy sands and fine sandy loam soils. You need Sancap. If you used it when we introduced it last season, you know what it can do. STOP CARELESSWEED AND RUSSIAN THISTLE COLD. Without hurting your cotton. With just ordinary rainfall or irrigation. And all you have to do is broadcast Sancap over your field at planting or within two days after. No incorporation, either. Sancap. The only herbicide made for sandy soil. We made it especially for your soil and problems. And not anybody else's.

The only herbicide made for sandy soil.
YOU DON'T HAVE TO USE A
COTTON HERBICIDE MADE FOR
SOMEONE ELSE'S SOIL.

QUITE OFTEN you encounter in some paper or journal that little ad which is headed WHY DO YOU HAVE SUCH A POOR MEMORY?

If you remember to read the rest you're supposed to write to somebody in some town in Illinois for a booklet or leaflet or brochure designed to help you find out how to acquire a powerful memory. Forget just who or where.

What is of more concern is the why part. Most of us already have such powerful memories they keep us awake at night.

If anybody is beginning to moan over the belief that the memory is growing poor it's because the memory is plumb worn out. A good forgettery is better sometimes. It is not to worry.

WHY DO YOU have such a poor memory? Oh there are many whys. Can't remember 'em all.

The telephone is one. It rings when you are streaking toward the bath and you may forget to turn off the water. It's full of wrong numbers when you try trusting the memory. Zip codes are another. Write 'em down and put 'em in a safe place you can't remember to find. Use the telephone directory. That's easier than filling the mind with numbers.

Names of people you haven't seen for a while are the real Waterloo. But you always smile and say "Why, hello there!" and nearly always the name will pop into your mind when you're trying to remember to pay the gas bill or turn the oven down.

SOME MEMORIES are beautiful and worth staying awake... a poem, a song, the smile of a departed one, what it was Jesus said about casting the first stone.

Trouble with having a powerful memory, though, is that every one of life's embarrassing episodes has a way of haunting even years and years later.

Everybody has a complete set of "Wish I hadn't's." Like wearing the price tag in plain sight on a new dress at a big party... Forgetting the birth number of your first pullman in the middle of the night and finding yourself lost in a dark tunnel of closed curtains... running around unzipped... dropping the petticoat around your ankles when a button came off at a high school picnic... Zipping when you were supposed to zag... falling flat in public.

THEN there are the "Wish I

Henry Block has 17 reasons why you should come to us for income tax help.

ONLY 16 DAYS LEFT

Ruth COFFEY'S

CONVERSATION CORNER

The perfect clever reply usually hits us four hours or four days too late, that's what.

People with no memories a-tall are pathetic, of course. But most of us have memories to share--and the older we get the more we share them.

Don't want a more powerful memory, either for social or business reasons, if it is confined to names, dates and the multiplication table.

LORD, help us have such poor memories we can forget all the bitter and remember only the sweet.

TO TELL the truth most of the things we remember 'did not happen quite that way, anyhow. The powerful memory makes them either better or worse than they were.

So you might as well live for today. Concentrate on the fact that income tax time is here... car license tags are due... and you can't write a letter if you haven't got a dime. That's exercise enough for one memory just now.

No memory course should be necessary to help you remember those. But it might be well to remind somebody to remind you--or tie a little string around your finger an then forget what it's for.

"Over the sea of memory" is not all happiness. It's hazardous, too. Remember that three things in life are not to be trusted--the weather, gossip and your powerful memory.

FAMILIAR FACES remember

found out that Dr. Ivan Barber Jr., who grew up here, is practicing medicine in Lubbock now.

He and his family moved from the coast back to West Texas some time ago.

SAW Mrs. J. A. Sadler, Sr., raking leaves at her curb... Viola (Mrs. Curtis Sr.) Erwin supervising some work in her yard... and drove by twice to adore the blue bonnets in the Hickory St. yard of Myrtle and Otto Jones. You'll find bluebonnets scattered all over town in flowerbeds and lawns because now Spring spends nearly all her afternoons tending to the sun. The phlox are wearing bright new calico-like frocks, too. But most of the gorgeous wisteria is sadly wilted since the freeze.

SEEN LATELY along with spring flowers out in the sunshine were Olson Sweat walking vigorously toward town... Mac McKinnon tending to his business... Don Banta laughing with a friend whose name is not remembered right now... Leon Callaway hurrying along his mail route... Mary Lew Rhea of the warm smile at City National's drive-in window.

And a FDP, favorite dear person, named Gwen Wistrand breezing along.

Had a card and sassy note from a long-loved face named Princess Martin of Dallas... Swapped greetings with Robert Bracy... Saw Bea Richards headed somewhere... Lewis Elliott driving along.

Industry Backbone Of Texas Economy

Industrial Appreciation Week, April 1-6

We Honor Our Industries

One week each year, Texas communities take it upon themselves to honor their industries. That week in 1974 is April 1-6, by proclamation of Governor Dolph Briscoe.

We wholeheartedly support such a week. Texas Industrial Commission figures show industry is the backbone of the Texas' economic base and is gaining more and more in stature as the key to employment of Texas' Labor force.

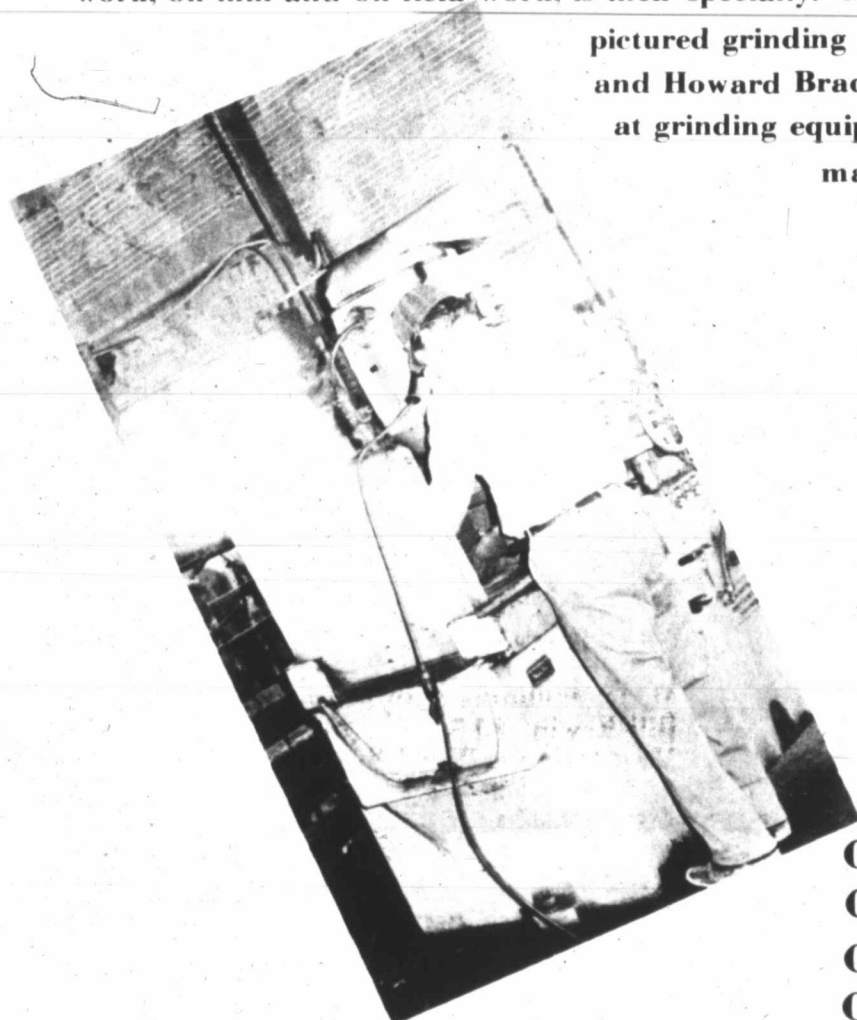

What is especially rewarding about Texas Industry Week is that it gives Texans an opportunity to honor existing industry. This is good.

Too many times around the nation, officials turn out for ceremonies turning the first spade of dirt of a new plant, or join in the festivities at a ribbon-cutting when the doors of the new industry open, and then forget that industry ever existed.

It is existing industry that provides the vast bulk of new jobs with expansions, and it is existing industry that carries the load with jobs, taxes and growth in our community.

It is good to cheer for new industry when we are fortunate to get it. But, it is great that in Texas, we remember them with a special week after they've been around awhile.

Colorado Machine Shop, 223 W. 3rd, begun here by Fielding E. Lee Sr. in 1933, is now operated by Robert Aycock since Lee's death last November. Aycock is Lee's son-in-law. Employees include Benny Lamb, Kenneth Shurtleff, Howard Bradshaw, Mike Lamb and Robert Cain. Georgia Tarver is bookkeeper. General machine work, oil mill and oil field work, is their specialty. Mike Lamb is pictured grinding oil mill parts and Howard Bradshaw works at grinding equipment in the machine shop.

Colorado City Livestock Auction on East Highway 80 looks sleepy during parts of the week. On Saturdays the auction building, pens and chutes, loading areas and parking lot become a hub-bub of activity. West Texans converge on the Auction to take care of important livestock transactions and also to visit and catch up on the area news. The auction is owned and operated by Dink Rees. The list of employees includes some long-time hands as well as some aspiring ones. Rees has a number of student helpers who work at the auction on Saturdays.

The employees are:

Darrell Andrews	Scott Neff
Pete Andrews	Todd Neff
David Brownfield	Ronnie Owens
L. D. Bateman	Walter Patton
John Carroll	Chandler Patton
Bertie Colson	Terry Revis
Bill Denson	Vickie Rees
Randy Erwin	Kevee Ramsey

stated again in our lower grades as soon as possible. Public schools in Texas will, I think, receive additional funds in the future, and, too, we are hoping for an increase in enrollment and additional state funds so that music specialists at Kelley and Hutchinson Elementary schools can be reinstated.

Areas such as music, art, speech and drama will not be overlooked in Colorado City schools, but rather they will be continually improved because they play an important part in our school system.

In the Fine Arts area, one new and exciting addition will be a full-scale program in the fields of Speech and Drama. There have been several requests, from students and townspeople, for a method to broaden our curriculum in these areas; now, the plans of our future comprehensive high school facility will offer a Speech and a Drama program that will comply with the expectations and desires of everyone.

On the Speech level, courses will be broadened to include all of the several forensic areas. These involve: impromptu speaking; extemporaneous speaking; persuasive speaking; humorous speaking; original oration; oral interpretation of prose, poetry, and dramatic literature; and a large program in debate. Also included will be the non-forensic areas such as group discussion and parliamentary procedure.

The new facility will be complete enough to enable Colorado High School to not only participate in, but also host competitive forensic tournaments with the other high schools in our area. Speech competition at such tournaments will give the opportunity for the students to develop their skills and talents to the fullest.

The many areas of Drama will be equally as extensive.

The new stage facility will enable the Drama scope to cover the various aspects of acting, directing, and technical theatre. Technical theatre includes costumes, scenery, lighting, properties, makeup, publicity, and stage managing. Students will learn how to construct and design all of the technical elements of a play. Theatre History will be offered as a part of the Drama program that will appeal not only to students interested in Drama, but also literature, United States and World History, Art and Music History, Architecture, and many other fields.

The new stage will be so complete that any type of theatrical production could be performed. Guest artists and touring groups could easily adapt to the new stage and the University Interscholastic League One-Act Play Contest could be presented as easily here as anywhere else.

The planning of the stage itself is being done with the assistance and advice of the Colorado City Playhouse group. Thus, community and school combined projects in this area have already begun; and refreshing new ideas are being discussed that will give the students the kind of opportunities that most other communities merely dream of.

With a complete program in Speech and in Drama, the students will benefit greatly in the areas of cultural exposure, public performing, competition with peers, and others. But most important, they will have a facility that will enable them to develop fully a creative imagination, which is an necessary asset in any chosen field of endeavor.

I think we have one of the best school systems in the nation. We in this school system will continue to work hard to keep it that way for our deserving young people.

★ Snider From Page 1

I am committed to the idea that Colorado City is a good place to live and raise a family.

I am also committed to the belief that Colorado City has great potential as an industrial point.

I have in years past seen many opportunities slip by Colorado City because no interest was shown; because no effort was put forth.

I believe these days are gone forever, or at least they certainly should be.

Today we live in an era of "Grow or Be Swallowed Up." We must stand as a healthy, progressive, industry-minded city or be swallowed up by cities that are.

Our youth must be retained to a major degree or we are lost!

Turning thoughts to other problems--Colorado City not unlike other cities does have domestic and financial difficulties.

Some of these I am aware of, some I am not.

If elected I will work diligently to effect a solution to these problems that will be satisfactory to everyone and will be for the genuine good of Colorado City.

I hold no fantasies that I can please everyone 100 percent, but I will work toward that goal.

If elected I will encourage everyone to inform me of their problems. Only in this way can a public servant feel the pulse of a community and fully realize its needs.

I believe:

--1. We must grow as a city.
--2. In order to do this, we must have a healthy city government.

--3. A city government dedicated towards growth and the best interest of its citizens; dedicated to making progress a steady continuing process; dedicated to being very careful, as we grow, not to overstep our financial capabilities; dedicated not to forget our citizens' daily needs and our responsibility to them; dedicated to the effort of paying our city employees a fair wage and seeing that we get good representation from them.

--4. Dedicated to always keeping God first in our lives and in all our endeavors.

Yours for a growing and happy Colorado City, I am sincerely, Charles L. Snider

★ Upshaw From Page 1

hands and would make better hands. I am not for raising taxes as this would put a burden on all of the people. I believe this could be done without higher taxes. I would like to see this town have a taxi, so the elderly people that can't drive or shouldn't drive have a way to and from stores and places they have to go. This could be done so it would be self supporting.

There are eight running for the three places on the City Council. I want all voters to check all eight and decide which three would be the best ones for the job.

April 2 is the day all voters have their say on how the town is run. I own my own business, my home and a cabin at Lake Champion.

I will appreciate your votes and influence if you feel like I will be better for the City Council. If I am elected, I will do my best for all the people and our town.

Thank you, Herman Upshaw

★ Minshew From Page 1

LIS flour, spread with VERMONT maple syrup, and KANSAS bacon fried on a ST. LOUIS stove. Eat fruit put up in CALIFORNIA, seasoned with RHODE ISLAND spices, and sweetened with COLORADO sugar. Put on a hat made in PHILADELPHIA, hitch a DETROIT mule fed by OKLAHOMA gasoline to an OHIO plow and work all day on a TEXAS farm covered with NEW ENGLAND mortgage, send our money to OHIO for tires, wondering why TEXAS taxes are \$2.75 per acre while the OHIO farmers pay \$1 and ride on paved roads, and at night we crawl under a NEW JERSEY blanket to be kept awake by a bull dog, the only home product on the place, wondering all the time where in the HECK all the money went in this wonderful state of ours.

If we all would buy more HOME MANUFACTURED products it would help to give more employment and we could keep our money at home and be prosperous."

I feel that if more people would shop at home, there would be more revenue flowing in Colorado City, which means greater opportunity to keep the young people here.

I will say that if elected, I will do my best to please the residents of Colorado City.

I am quite certain that the citizens of Colorado City will elect the most qualified persons to the Council.
Thank you, Don Minshew

We're Going For Industry

Honored

Mrs. Curtis Latimer, far left, was hostess to a reception honoring Mr. and Mrs. Sam Majors III, left, who were married February 14th in Fort Worth. The reception was in the Curtis Latimer home from 5 p.m. till 7 p.m.

Pictured here with Mrs. Latimer and Mr. and Mrs. Sam Majors III is Mr. and Mrs. Sam Majors Jr. The couple live in Odessa where he is in business with his father.

Cancer Crusade To Begin Today

An Educational leaflet will be given to Mitchell County citizens when volunteer workers make door to door calls during the cancer crusade on April 2nd.

March 31st thru April 6th is Cancer Crusade week with Tuesday April 2nd being National Cancer Day. The Mitchell County goal is \$4,400.

"Cancer is everybody's business as no one is immune and only a concerned citizen crusade can fight it successfully. Research saves lives. Volunteer power multiplies the value of each ACS dollar. Thank you for giving of yourself... your time... and your hard work. With your help the ACS will function as it should. Thousands of people will live and with your help we can wipe out cancer in our life time," says Tom Landry, coach of the Dallas Cowboys, Texas crusade chairman for 1974.

well will then have workers for each block.

"Send a Mouse to College" will be headed by Jerry Reynolds, president of the local unit. Every student in all the

public schools in Colorado City, Westbrook and Loraine will have an opportunity to contribute what they choose to "Sending a Mouse to College." It only takes 50¢ to buy a mouse for the research department as they research cancer.

Co-chairmen Joy Piland and Jan Lemons would like to thank the volunteers for their help.

FHA Has Guest Speaker At Meeting

The Junior Chapter of FHA held a regular meeting Wednesday at 2:30 p.m. in the Homemaking Department at Colorado High. Joni Holder, president, presided.

Guest speaker was Mrs. Dillard G. Johnston, mother of Tina Johnston, one of the FHA members.

Mrs. Johnston spoke on "Reality Orientation," a technique to rehabilitate elderly and brain damaged patients with a moderate to severe degree of disorientation.

The major project emphasis for the year's FHA work is "The Elderly" and this program was to help prepare members who wish to serve as candy strippers on weekends and during the summer.

Mrs. Johnston emphasized that candy strippers could be of great help in the program by helping to motivate the patients.

Reality Orientation

Mrs. Dillard G. Johnston, left, presented a program entitled "Reality Orientation" to the Junior Chapter of FHA at Colorado High. Participating in the program with Mrs. Johnston

were left to right standing Kathy Golden and Tina Johnston, daughter of Mrs. Dillard Johnston and seated left to right Joni Holder, president and Connie Jones.

Attend Conference
Mr. and Mrs. Dwayne Harris left and Mr. and Mrs. John Ritchey right of Colorado City represented the Mitchell County Farm Bureau at a state-wide Leadership Conference March 23-25 in Waco. At right is David Hoelscher of Alice, chairman of the Texas Farm Bureau Young Farmers and Ranchers Advisory Committee. Purpose of the Conference, which was sponsored by the TFB, was to give young farm and ranch couples an opportunity to understand how they can work to solve agricultural problems in the Farm Bureau.

Brisco To Speak To Production Credit

Officers and directors of Sweetwater Production Credit Association will hear Texas Governor Dolph Briscoe keynote the Federal Intermediate Credit Bank of Houston's annual meeting April 5 in San Antonio.

PCA President F. C. Shillingburg of Sweetwatersaid area participants include board members T. L. Finley, Loraine, chairman; W. J. Harvey, Jr., Roby, vice chairman; Audrey Head, Snyder; L. D. Echols, Lamega and Othell O'Kelly, Trent. Harvey serves as Sweetwater PCA's official delegate. Shillingburg will accompany the group.

one 728-5009 after 5 p.m.

FOR SALE: Small lam-pro fi-
berglass bass boat. 5 horse
power boat and motor. Good
shape. \$150.00. Phone 728-2493
or see at 943 E. 14th.

P.M., April 11, 1974, at which
time they will be publicly opened
and read aloud, for the furnishing
of all labor, material, and
equipment and performing all
work required for the construction
of a High School Facility,
Renovation of Kelley Elementary
School, Addition & Renova-
tions of Hutchinson Elementary
School and renovation of exist-
ing high school for a New Mid-
dle School, Colorado City, Texas,
in accordance with Plans,
2. Lump sum Proposals will
be received for the General
Construction which will include
Plumbing, Heating and Air Con-
ditioning and Electrical Work.
3. A Certified Check, Cash-
ier's Check or acceptable Bid-
der's Bond payable to the Owner
in the amount of not less than 5%
of the largest possible total for
the bid submitted must accom-
pany each bid.

4. Attention is called to the
provisions that all Federal,
State, and Local Labor Laws
must be adhered to by the
contractor.

5. The successful bidder
will be required to enter into
a contract with the Colorado
Independent School District,
Colorado City, Texas, and fur-
nish a Performance and Pay-
ment Bond in the amount of not
less than 100% of the contract
price, conditioned upon the per-
formance of the contract.

6. Attention is called to the
fact that the Owner is exempt
from the payment of the State
Sales Tax normally levied a-
gainst material costs. In order
to take advantage of this exemp-
tion, materials and labor costs
must be identified by the suc-
cessful bidder. In developing
this division of labor and mat-
erial costs, the bidders are cau-
tioned to include all costs and
allowances, not representing
direct material costs, with la-
bor. The contract sum, as
identified by the Base Bid shall
not include any allowance for
the payment of State Sales Tax
on materials required to com-
plete the work. The success-
ful bidder, upon award of the
contract, will be furnished with
a permit number which will
enable him to purchase the re-
quired materials without pay-
ment of such taxes.

7. Specifications and Plans
may be obtained from the Ar-
chitect in accordance with the
stipulations set forth under De-
posits and Refunds.

8. All definitions set forth
in the General Conditions of
the Contract for Construction,
AIA Document A201, and the
Supplementary General Condi-
tions, included in these Specifi-
cations, are applicable to
these instructions to Bidders.

9. Bidding documents include
the advertisement or invitation
to bid, instructions to Bidders,
the bid form and the proposed
Contract Documents including
any Addenda Issued prior to re-
ceipt of bids.

10. The bidder acknowledges
the right of the Owner to re-
ject any or all bids and to
waive any informality or irreg-
ularity in any bid received.
Specifications, and Contract
Documents as prepared by Ri-
chard and Huckabee, Architects
and Planners, Lubbock, and An-
drews, Texas.

In addition, the bidder recog-
nizes the right of the Owner
to reject a bid if the bidder
recognizes the right of the Owner
to reject a bid if the bidder
failed to furnish any required
bid security, or to submit the
date required by the bidding
documents, or if the bid is
incomplete or irregular.

I am not responsible for any
debts other than my own.

James A. Hill

LITTLE LETTERS

By JILL DAVIS

Jill Davis, 11, answers letters from young readers and tries to help them with their problems.

Dear Jill,

Every night I have trouble going to sleep and when I finally do get to sleep I have bad dreams. Can you help me?

BAD DREAMS

Dear Bad,

Think about nice things before you go to bed and don't think of having to get to sleep.

Dear Jill,

I think it's great girls are going to play Little League Baseball this year, but will I have to have all the equipment like bats, balls, gloves, catcher's suit and uniform?

GIRL AT BAT

Dear Girl,

I think you have to buy your own glove and cap, but I think the rest is supplied.

Dear Jill,

I would like to write a book. Do you think this would be a good summer project for me?

BOOK

Dear Book,

Writing a book takes a lot of time and effort but if you think you would enjoy it, go ahead.

Dear Jill,

I know you've answered how to keep a clock from shining in your face, but how do you keep a digital clock from ticking too loud?

TICK TOCK

Dear Tick Tock,

I don't know of any specific way, but maybe if you put it on the other side of the room and ignored it.

Dear Jill,

I have a neighbor who brags about her dog that can do tricks that mine can't do. How can I get her to stop?

DOG TRICKS

Dear Dog,

Try to teach your dog some tricks that her's can't do. But if that doesn't do just don't worry about it.

Dear Jill,

I have a friend who's very superstitious. Do superstitions turn out to be right?

SUPERSTITIONS

Dear Superstitions,

I don't believe they're true. It's just a coincidence if they do turn out right.

Dear Jill,

Do you think it's too early to start thinking about Easter clothes?

EASTER CLOTHES

Dear Easter,

If you are planning on making your own dress, then it's not, but if you're planning on buying it, maybe you should wait a week or two.

Dear Jill,

I'm having trouble with English. Do you think I'm really going to need it?

ENGLISH

Dear English,

Yes. There are many reasons, but one is it shows good culture.

ALL YOU NEED TO DO TO RECEIVE A "LITTLE LETTERS" PENCIL IS WRITE YOUR PROBLEM TO JILL. BE SURE TO ENCLOSE YOUR NAME AND ADDRESS ALTHOUGH NAMES WILL NOT BE USED IN THE NEWSPAPER.
