## Side Issues

HENRY G. VERMILLION

Jeff J. B. Williams is looking for the owners of three Hereford calves that are eating the greenery near his home on South Daugherty Street. The sheriff has withstood temptation of thinking about the T-bones and sirloins that are from the calves, which are in possession of in rather a way. A couple of weeks ago or so, a man in Rancho was arrested on the request of Palo Pinto officials, who believed the man had stolen some calves—that is—in their county. Williams made the arrest all but found the man had in his truck the three calves mentioned. The calves had no brands, and he had no papers to show he got hold of them. Williams said that two and two make four even with three. The sheriff brought the calves to Eastland and began to look for someone who was missing unbranded calves. Williams figured it would be fairly easy to find the owner. And so far, no owner. And Williams has no experience with calves to love to eat. If any of you stock growers want looked in your pasture, it might pay you to before the sheriff's hunger for great.

Womack, manager of the Nursery at Desdemona, Texas, that it was his firm, not Bros. Nursery at Desdemona, Texas, that traded the plants and shrubs at the Eastland Nursery for a golf club member.

Reported the wrong nursery because it was so close to a Quarterback Club. We're sorry.

Womack (the Desdemona) writes also that he now has on construction the new highway at Desdemona and modern road to be opened about eliminating the need for the unimproved roads to get to the main nursery, which is Eastland County's largest of its type.

Had a card from one A. Williams, the card post-marked Desdemona, which reads:

Not suggest to the city that instead of auto metropolis, which the City of Eastland profit, he purchase about a nickel and quarter gamblers (I presume Mr. Williams refers to slot machines) less cost, placing them in hotels, restaurants, etc., on the 30-30 basis.

Year's time the City of Eastland would be out of debt, and plenty of funds on hand to increase budget, and they would be happy. Mind don't sell 'em, so am not interested in such a

laughing off Mr. Simmons' proposal too quickly, be that there are towns in the United States of ours that have such a course, and very good, too.

am informed that a certain town levies no tax on property, but meets operating with a public bingo

get me wrong. I'm dead such a move. And the I am running Mr. Simmons in this column instead of letter to the editor is so

Eastland is to have a police after all these years. subject of policemen's has been a favorite one for many years, for reason, but this is no joke. and policemen will have the in the American Legion 10, and the public will

ed better be good!

Mrs. Hershel Self spent in Fort Worth visiting

## 15 Dairy Calves To Be Given Boys In Local Ceremony

At least 15 registered dairy calves will be given to farm boys of Eastland County in a presentation ceremony set tentatively for Dec. 3, it was decided Wednesday night at a meeting of the steering committee for the program.

If the weather is good, it is planned to hold the ceremony on the square in Eastland.

The sponsoring body is the Eastland County Dairy Association, and the program is to give the calves to boys who have proved by past work that they will take care of them.

The heifer calves are to be bred only to registered sires, and the first heifer calves born to the donated animals must be turned back to the committee to be given to some other boy, and so on.

The registered calves cost about \$200 apiece, sometimes more.

Among those who have donated funds with which to buy one calf for the program are eight from Eastland, including the Eastland National Bank, Eastland Chamber of Commerce, Eastland Rotary Club, Texas Electric Service Company, McGraw Motor Company, Muirhead Motor Company, King Motor Company and Lamb Motor Company.

There are also five donors of calves on record from Cisco and two from Rising Star.

Theo Lamb, Eastland committee member who attended the meeting, said it is possible there will be other donors before the presentation is made.

Calves are to be selected by George Lane, and J. M. Cooper of Eastland, and A. Z. Myrick of Cisco, president of the dairy association.

Four-H and FFA boys who want calves may apply after Nov. 1, when application blanks will be ready, through County Agent Cooper or through their school vocational agriculture teachers, who are to be furnished with the blanks, and who also are to help screen the applicants.

## Murder, Suicide Ruled In Deaths

A domestic tragedy came to light Sunday afternoon when the bodies of Mr. and Mrs. C. J. Williams were found lying side by side in the living room of their home near Carbon.

Both had been shot to death with a 410 gauge shotgun, and the gun lay at Williams' hand. Coroner Turner of Gorman rendered a verdict that Williams had shot himself and then his wife.

Williams, 64, had clerked in grocery stores in Eastland for a number of years, first at Piggly-Wiggly and later at the Quality Food Market.

Mrs. Williams was 50. Both had lived in Eastland County most of their lives.

Williams did not show up for work at the food market Friday of last week, and Sunday, Louie Corbell, market man there, began an investigation that led to the finding of the bodies. Coroner Turner said the couple had been dead since Friday morning.

Corbell and a neighbor of the Williams', Mrs. Mae Speer, went to the Williams home, where Mrs. Speer peered in and saw the bodies lying on the floor.

Bob Vaught, owner of the store where Williams worked, was on his way to see about Williams a little after the discovery of the bodies, when he was hailed by Corbell and told what had been found.

Funeral services for Mr. and Mrs. Williams were held in Carbon Tuesday, with burial there.

Bobby Belmont of Dallas is a son of Mrs. Williams by a former marriage, and Mr. Williams had children by a former marriage also.

Mrs. Williams had filed suit for divorce recently in Eastland, and friends said it was the most recent of several such flings, all the previous ones having been withdrawn.

## Moisture Slows Harvesting Of Giant Peanut Crop

### One-fifth Of Local School Pupils Need Eye Aid, Is Report

About one-fifth of Eastland school children in the fourth grade and higher need visual aid of some kind, a sight survey concluded last week by Dr. Edward Adelsten, Eastland optometrist, and his wife revealed.

Another one-fifth of the pupils had eyes that were classified as doubtful, and three-fifths were found to have normal vision.

Dr. Adelsten said the results of the survey are not conclusive, and that it may be that some of those checked as needing visual aid would not be found to need it after a more thorough analysis.

The survey was made in all the schools, including the South and West Ward Schools, Eastland Junior High and High School, and the Negro school.

Dr. Adelsten said the results were quite close to the national average of results in such tests, and there is nothing to get particularly alarmed about.

Children who need glasses or other seeing aids should be tended to now, he stressed, rather than wait until vision is too impaired.

The sight survey was sponsored by the Eastland Lions Club, which has sight conservation as its number one project at present.

Students whose eyes were tested were given cards to take home showing results of the test.

The sponsors asked that where the test showed unsatisfactory results, the parents have the child's eyes tested by the doctor of their choice.

Where children need glasses and parents cannot afford them the Lions Club is raising funds with which to buy them.

Eastland women who assisted Dr. and Mrs. Adelsten in the survey are Mesdames W. S. Adams, J. H. Lee, Louie Corbell, Sammy Bell Carroll, Milton Day, J. J. Pittman, Aubrey Shafer and Jack Jernigan.

In addition, a number of Eastland High School girls helped record the results of the tests.

### Oil Talk For Lions Made By Harry Taylor

Harry Taylor made an Oil Progress Week talk for the Eastland Lions Club Tuesday, and drew on his extensive knowledge of the subject to discuss the development of the oil industry from the time oil was formed in the earth to the present day.

Taylor, a retired oil man, dwelt at some length on the geological data bearing on the formation of oil, and said that while we think of petroleum as a recent discovery as time goes, men in ancient times used it in small quantities for various purposes.

Before the first well was drilled in Pennsylvania, oil sold for \$30 a barrel after it had been collected from seepages, Taylor said. He recalled that in the depression it sold for as low as 30 cents a barrel in Eastland County, and less elsewhere.

He also pointed to the immense use of oil today, and to the many products made from it.

### Father Of R. L. Morse Dies In S. Carolina

Dr. John H. Morse, father of Robert L. Morse of Eastland, died in Columbia, S. C. Sunday.

Robert L. Morse went by plane to Sumter S. C. where funeral arrangements were made. The funeral was to have been at New Milford, Pa. in the family burial ground.

Survivors are two sons, John H. Morse of Coronado, Calif., and Robert L. Morse of Eastland.

### CARBON, SOUTH TAYLOR TO MEET IN EASTLAND

Carbon and South Taylor High Schools will clash on the Eastland High School field at 7:30 p. m. Friday in a District 10-B game.

Carbon, winless thus far in its first football season 20 years, is expected to have little chance against the invaders.

### Three More Homes To Be Built In Hillcrest

At least three more homes will be built in Hillcrest Addition after completion of the homes now under construction, it was announced this week by backers of the housing development.

It also was disclosed that Carl Butler of Olden has replaced W. O. Penderly of Fort Worth as building supervisor for the project.

Butler and his workmen now have the seventh home in the project well under way, and the three projected houses will make 10 in all.

Here Wednesday to see after the project were M. R. Carb of Fort Worth, whose mortgage firm is handling financing of the project, and Shelby Owen of the Stuckert-Owen Lumber Company of Fort Worth, which is supplying materials and is in direct charge of the project.

### Parks Poe Named C. Of C. President

Parks Poe Tuesday night was elected president of the Eastland Chamber of Commerce to succeed H. L. King, who was applauded by the directors present as he left office and was given a fountain pen desk set by the group as thanks for his work during the past year.

Other officers elected were John Osborne, Sr., first vice-president, Jack Muirhead second vice-president, and H. J. Tanner, re-elected secretary-manager.

Walter Payne was named a director to serve to Oct. 1, 1951, and Hubert Westfall was named on the board to serve until Oct. 1, 1950.

Poe is manager of the Eastland plant of the Texas Coca-Cola Bottling Company and has been prominent in Eastland civic work for a number of years.

The directors voted to amend the chamber's by-laws to permit a director filling an unexpired term of 24 months or less to succeed himself. Directors elected for regular terms may not succeed themselves.

The group voted to purchase a calf for donation in the program of the Eastland County Dairy Association for giving dairy calves to farm youths of the county. The action was taken at the suggestion of Theo Lamb.

Also discussed was the project for building a dam on the Leon River for a joint Eastland-Ranger water supply, and sentiment was expressed against having the project financed by the U. S. Bureau of Reclamation if private financing seems practical.

W. B. Pickens, named local director of the West Texas Chamber of Commerce at the meeting, said jokingly he might tangle with D. A. Bandoen, manager of the WTCC, over Bandoen's advocacy of having the U. S. bureau come into West Texas with a vast series of domestic water dams.

The group discussed the chamber's annual Christmas program, which includes having decorative downtown light put up and a Santa Claus come to town on Saturdays, and at the suggestion of Henry Pullman, Pickens said he would try to figure out some different way of hanging the downtown lights.

Pullman said he figured people are getting tired of seeing the lights in the same pattern, as they have been for some years.

S.M.U. PROFESSOR TO SPEAK AT CARBON  
Dr. J. T. Carolyn, professor in the Perkins School of Theology of S. M. U., will be the principal speaker and counsellor on teaching at a district meeting to be held for teachers and officers of adult classes, at the Methodist Church in Carbon Tuesday.

METHODIST YOUTH TO MEET HERE  
Methodist youth of Eastland will be hosts Monday to a district meeting, with a program of worship, recreation and fellowship, Rev. J. Morris Bailey, pastor of the First Methodist Church, said this week.

### Eastland, Dublin To Clash Tonight In 8-A Contest

The Eastland Mavericks, who were hot and cold in beating Winters 12-6 last week, will meet their first severe District 8-A test of the year Friday night when they journey to Dublin to take on the Dublin Lions.

Dublin lost a conference game to Ranger, 25 to 7 last week, but looked powerful at the start of the game and scored first. The strong Ranger eleven then went on to win rather easily as Dublin's offense withered away.

On the record, Dublin probably should rate a slight favorite.

Coach Wendell Siebert of Eastland will take a squad to Dublin that is virtually at top strength, and said he would throw everything he has at Dublin in an effort to win.

The Mavericks' chief trouble so far this year has been inability to hit a peak of playing excellence and stay there. Long drives frequently have faded through fumbles, inopportune penalties, or inability to do the right thing at the right time.

Siebert was not pleased with the officiating at Winters, but planned no action, particularly in view of the fact that his team won.

Larry Falls proved once again, if proof is needed, that he is the ace of the Eastland ball-carriers when he twisted and turned 55 yards for the first Maverick score against Winters.

Falls also contributed materially to the second touchdown, which came as the first one did in the first quarter, and which was made on a 10-yard pass to Glenn Garrett. Both point tries were missed.

Having built up the 12-point lead, the Mavericks took a score by Winters on a pass play, and then the two teams rocked back and forth for three quarters of the game with no scoring.

Eastland made several fairly long marches that bogged down for one reason or another.

An extra strong showing against Dublin would be needed by Eastland for the Mavericks to be considered anything like title contenders in the district.

Although Eastland is undefeated in district play, the Mavericks have met only one conference foe, weak De Leon.

Ranger and Hamilton are considered the top two district teams with Eastland and Dublin next, followed by Comanche and De Leon.

### Presbyterian Pastor Better After Illness

Rev. M. P. Elder, pastor of the First Presbyterian Church, is reported recovering satisfactorily from a recent illness, but is unable to conduct services of the church.

In his absence E. C. Johnston, superintendent of the Sunday School, was appointed delegate to the Texas Synod of the Presbyterian Church, U. S. A., at Sherman. On his return he will give a report on the sessions.

### Frank McKnight Dies Suddenly In Longview

Frank McKnight, former Eastland resident, died Wednesday afternoon of a heart attack in Longview, where he lived, friends in Eastland were notified.

Mr. McKnight was associated with the Arkansas Fuel and Oil Company while he lived in Eastland.

Funeral services were set for 3 p. m. Friday in Longview.

Mr. and Mrs. P. L. Parker left Thursday for a two-week business and pleasure trip to California. While there Parker will attend the convention of the American Bankers Association in San Francisco.

J. U. Johnson, who is recuperating at his home in Eastland after a recent operation in Baird, is feeling reasonably well much of the time, but has had several slight relapses, Mrs. Johnson said this week.

### Four Rifles Stolen From Ranger Store

Eastland County officers were scratching their heads Thursday over a burglary the night before in which a small quantity of cash and four rifles were taken from Vaughn's Firestone Store in Ranger.

The burglary was startlingly similar to one the week before in Eastland in which cash and guns were taken from Hanna Hardware and Lumber. Most of the Hanna loot later was found under the old Grapevine School.

Deputy Sheriff Cotton Graham said the guns taken in Ranger consisted of three .22's and one Savage 300. Officers wondered if the burglars in both cases were the same, and if they were, what they were up to.

Rifles, they pointed out, usually are avoided by burglars, who prefer smaller loot.

### Cover Crop Record Planting Foreseen

Cover crop plantings in Eastland County this fall will be the heaviest on record, County PMA Administrator Emmett Powell said Thursday.

Farmers and ranchers are aided in buying seed for the crops through a fund administered by Powell's office.

Vetch planted with a grain is by far the most popular crop being planted again, Powell said, but more farmers are turning to other grains to take the place of rye, which has been largely planted with hairy vetch in the past.

Because of the lack of a suitable market for rye seed in the past, more barley, oats and wheat are being planted with vetch this year, he said.

He explained that rye, with a greater root system, is perhaps better suited for planting on the sandier lands of the county, but that inability to sell the rye seed has discouraged those who have been growing it.

### Donations Help Band Make Football Trips

Two buses will carry Eastland High School Band members to the Eastland-Dublin game Friday, and the trip, as well as that of a bus to the De Leon game, were made possible by the donation of \$75 by Eastland merchants and individuals, it was announced.

Donors are H. L. King, \$5, Curtis Koen, \$5, Neil Day \$5, E. K. Henderson \$5, Kilgore's \$5, Brandy Humphreys \$2, Judge Milburn Long \$1, Hoyt Davis \$2, Carl Johnson \$5, Eastland Drug \$2, Corner Drug \$5, Harkrider Cleaners \$2, Wilson's Variety Store \$2, John Turner \$1, Grimes Bros. \$5, Blevins Motor \$5, Muirhead Motor \$5, Pullman's \$5, Osborne Motor \$5, and Ed Layton \$3.

### Band Returns After Playing In Dallas

Tired but happy, members of the Eastland High School Band returned in the early hours Thursday from Dallas, where they gave a concert at the State Fair and helped put on the "Marchiesta" in the Cotton Bowl Wednesday.

Band Director T. R. Atwood and a group of parents accompanied the band to Dallas on two chartered buses.

The local band was one of 24 honored by being chosen to appear at the fair.

The bands were described as the top high school bands of Texas.

### PIONEER CLUB TO MEET TUESDAY

The Eastland 50-Year Pioneer Women's Club will meet Tuesday with Mrs. Mae Harrison. Mrs. R. F. Jones urged all members to be present.

Dr. and Mrs. R. C. Ferguson will leave Friday to visit their son, Robert C., Jr., at Stratford. From there they will go to Oklahoma City where Dr. Ferguson will attend the Oklahoma City Clinical Conference. They will return home Oct. 27.

### 20 To 45 Bushel Per Acre Yields Being Reported

Eastland County's greatest modern day peanut crop was rolling in to market this week, but farmers and buyers said the weather was going to have to get dryer before the stream turned into a flood.

Moist, warm weather kept the moisture content of many of the harvested peanuts too high for selling, and farmers and buyers alike were hoping for a norther to come along and blow some of the moisture out of the air and out of the peanuts.

Meanwhile, peanut yields were reported as almost amazingly good, ranging in most cases all the way from 20 to 45 bushels to the acre.

A number of persons who have been in close contact with the harvest estimated the average per acre yield in the county at about 30 bushels or perhaps slightly less than that.

Since there are about 40,000 acres of peanuts to be harvested in all—the figure quoted by County PMA Administrator Emmett Powell, who knows—the cash return from the harvest might climb to as high as \$3,600,000 or more.

To be acceptable for sale under government grading rules, the peanut kernels must have a moisture content of nine and a half percent or less, and it was this factor that was slowing down the harvest in the county.

Some farmers were complaining that they could not find a thrasher or combine to work their crop, but a buyer said that if the weather would turn dry, there would soon be plenty of threshers to go around.

Powell said there are between 3,000 and 4,000 acres of cotton in the county this year, the most in many years, and farmers who planted the staple are doing well also.

It was reported that one field near Staff yielded about a bale to the acre, which sounds like the old days when Eastland County was among the leading cotton producing areas of Texas. Before depleted soil and the boll weevil took their toll, the county in 1906 was the top cotton producing county of Texas, with over 60,000 bales.

Powell said about 550 farmers of the county whose farms produced cotton in 1941 will be eligible to vote in December in the cotton quota election.

### Speaker Sees Need For More Scouts

There are 175 boys of Boy Scout age in Eastland, but only 62 Scout troop members, Boy Scout Field Executive Steve Potts said Monday in a talk before the Rotary Club.

Potts discussed the recent age changes in Scouting which permits a boy to join a Scout troop at the age of 11 instead of 12 as heretofore.

He explained that Cub Scouts now are aged nine through 11, and after a Scout becomes 14 he automatically becomes an Explorer Scout with special status.

Need for an assistant Scoutmaster for Troop 6, sponsored by the club, was told by Scoutmaster Bill Brown. Bob Moore, who had been assistant, resigned to become Scoutmaster of Troop 66, being formed now with the First Methodist Church as sponsor.

### COMANCHE JUNIORS BEAT DOGIES 38-6

An older and bigger team from Comanche beat the Eastland Junior High School Dogies 38 to 6 Thursday night at Maverick Field.

The Eastland team's only score came late in the game on two straight passes to Ekey Jordan, tall end.

W. M. Warren, who underwent a series of abdominal operations in Fort Worth recently, has returned home and was at the Warren Motor Company, which he owns, in a wheel chair the early part of this week. Warren said he felt reasonably well, but weak.

## News From ... CARBON

—By Special Correspondent—

Funeral services for Mr. and Mrs. C. J. Williams, who were found dead from gun shot wounds in their home near Carbon Sunday evening, were held at the Methodist Church, of which they were members, Tuesday afternoon at 3. Rev. Lively Brown, pastor, conducting.

Musie was led by W. E. Trimble and a special quartet was composed of Mr. and Mrs. C. J. Williams, Mrs. Tomie Clark and W. E. Trimble.

Interment was in Carbon New Cemetery with Higginbotham of Gorman in charge.

Mrs. Williams, the former Donna Boone, is survived by one son, Bobbie Belmont and daughter of Dallas; three sisters and four

brothers.

Mr. Williams is survived by two sons and two daughters; one brother and one sister.

Relatives and friends of J. L. (Uncle Jake) Rhine met at the Eastland Park Sunday to celebrate his 84th birthday.

Among those attending were Mr. and Mrs. G. W. Rhine and children, Misses Nelie and Druzy Murray, Mrs. Eva Couch, Mr. and Mrs. Clayton Rhine and daughter, Mr. and Mrs. E. R. Snodgrass and children, and Mr. and Mrs. E. J. Jackson all of Carbon; H. L. Jackson, Mr. and Mrs. G. W. Kimbrough, and Mrs. Lee Snodgrass and daughter of Eastland; Mr. and Mrs. J. L. Loftie, and Mr. and Mrs. R. O. Weatherby of New Castle; Mr. and Mrs. J. O. Lilly, Mr. and Mrs. Elbert Kuter, and Mrs. E. A. Curtis of Elbert, Texas; Mr. and Mrs. J. M. Rhine and children, Mrs. Frank Olney and son, and Mrs. Lewis Torgeson and son of San Antonio; Mr. and Mrs. Sam Murray and son of Midland; Mrs. Cecil Self and daughter of Gorman, Mr. and Mrs. H. E. Fox and children of Olden, and Mr. and Mrs. Leak Lane and daughter of Cisco.

Mrs. Eva Couch attended the funeral services of her sister, Mrs. Elmira Key, 90, in Gustine, Thursday.

Mrs. and Mrs. Fate Brown, Erlene Brown and Mrs. Edna Lovell attended funeral services for Ben Hitchcock in Baird Friday.

Mr. Hitchcock was the husband of Mrs. Brown's sister.

Mr. and Mrs. Charles Kincaid of Abilene stopped in Carbon, visiting Mr. and Mrs. H. Hall, enroute home from Desdemona, where they had been called because of the sudden death of a brother, Frank Kincaid. Burial was in Breckenridge Thursday.

Mr. and Mrs. Hamilton visited her mother, Mrs. McGaha and Mrs. Frank Clement in Gorman Thursday.

Rev. B. F. Clement has returned from a visit with Mr. and Mrs. A. N. Mahan in Morenci, Ari.

Mr. and Mrs. Cecil Couch and daughter of Aransas Pass visited his mother, Mrs. W. C. Couch Friday.

Mrs. Hiram Thurman of Breckenridge and daughter, Mrs. Nell Cole of Eastland visited Mrs. Fannie Welch Friday.

Mr. and Mrs. W. T. Curtis of San Antonio visited her sister, Mrs. Hallie Seatrunk this week. Mrs. Seatrunk accompanied them to Throckmorton where they visited their son, Travis Curtis and wife.

Mrs. C. Ables visited her daughter, Mrs. J. B. Walker and family in Cisco Friday.

Mr. and Mrs. Frank Redwine of Wichita Falls announced the arrival of a son, Eddie Ray. Mrs. Mamie Redwine is the paternal grandmother.

Mr. and Mrs. R. Gray visited Mr. and Mrs. M. D. Gibson in Rising Star Sunday.

Rev. Lee Fields and Jess Hale were called to Knoxville, Tenn. for the funeral of Mr. Hale's brother, Lark Hale, who was also Rev. Fields' uncle. They were accompanied by a sister, Mrs. Abbie Thurman of Bellflower, Calif., and a brother, Emmett Hale of Loraine.

Mr. and Mrs. R. L. Huckabee visited Mr. Huckabee's father, Sam Huckabee, who underwent major surgery in an Abilene hospital recently.

J. G. Nowlin returned from a trip into West Texas, Saturday.

Mr. and Mrs. T. E. Robertson and Mr. and Mrs. Ray Norris attended the Dallas Fair and the S. M. U. Daniel Baker football game in Dallas Saturday.

Mr. and Mrs. Leo Huckabee and Mr. and Mrs. Garland Loudermilk and Roberta of Stephenville visited Mr. Huckabee's father in Abilene Sunday. Mr. Huckabee is recovering from an operation.

Mrs. Julia Been has returned from a visit with her sister, Mrs. Mary Hearn at Yellow Mound.

Mr. and Mrs. J. Pake Rhine and children of San Antonio visited relatives here over the week end.

Mr. and Mrs. Guy Thompson and family are visiting her parents, Mr. and Mrs. Jim Jackson. While here, they have enjoyed fishing at Lake Brownwood.

Mrs. Willie Harris spent the week end in Lubbock with her son, Luther Harris and wife.

Mr. and Mrs. W. M. Medford have returned from a visit with their daughter and husband, Mr. and Mrs. Bill Ramsey in Morenci, Arizona.

Mrs. T. E. Robertson attended a meeting of the W. S. C. S. of the Methodist Church in Fort Worth Tuesday.

Mr. and Mrs. J. E. McLaughlin were in Fort Worth on business

## News Items From CHEANEY

By SPECIAL CORRESPONDENT

Cool weather, ducks flying South and the sounds of tractors humming in the early morning air are heralding the Autumn and harvest season, and this means busy days Tuesday.

Mrs. Mamie Redwine plans to leave Thursday for Wichita Falls, where she will spend the week end with her grandson, Eddie Ray and his parents, Mr. and Mrs. Frank Redwine.

Guests of Mr. and Mrs. Wade White last week were Mr. and Mrs. Claude Chambliss and Mrs. Pope of Gorman on Tuesday, and on Saturday were Mr. and Mrs. George Moore, and Mr. and Mrs. George West. On Sunday guests were Mr. and Mrs. Jim Everett and children and Mrs. Stella Jarrett of Olden, Mr. and Mrs. Clifford Horton of Plainview, Mr. and Mrs. Boots Rogers and Mrs. Pearl Logan of Stamford.

Dan Boatwright has returned home from an extended visit in Arizona.

for the farmers of this community. Many of the familiar faces were absent from church Sunday due to the harvesting.

Mr. and Mrs. Joe Butler went to Brownwood Monday and his brother, Frank Butler returned home with them for an indefinite stay. Other guests this week were Mr. and Mrs. G. Y. Gillispie and family of Goldthwaite, their son, Representing Salem H. D. Club at the October Council meeting, were Mrs. Florence Yancey, Mrs. Agnes Rodgers, Mrs. Othell Wilson, and Mrs. Bill Tucker.

The Cheaney representative was Mrs. John Love.

Mrs. Jessie Lemley was ill and unable to attend church Sunday.

Mrs. Sallie Bishop became ill at the office Monday and came home early. Arthritis, due to colds, was the trouble. Colds have been quite prevalent in this community.

Mrs. Ruby Blackwell suffered a severely sprained ankle when she stepped from the sidewalk in Ran-

ger Saturday afternoon. She was not present at church service.

The Alameda congregation of the Church of Christ had a rare treat indeed Sunday morning and evening in having Minister Herman Echols preach for them. He has many close friends here due to his missionary efforts in small communities.

Mr. Echols is field representative for the Sunny Glen Orphanage at San Benito, and has made extensive tours in their behalf throughout the state. His travels have carried him and his wife up through the Northwestern United States and on into Canada; preaching and

teaching in many communities.

Mrs. Shirley Brown and Mrs. Lata Brown were hostesses Tuesday, Oct. 12, completing Mrs. Billy Wayne Reid's stork shower. Several came from Morton Valley, including Reid's mother, Mrs. Cox. The and lovely gifts were displayed after the serving of the refreshment course.

Branches of the banyan send down shoots which take root.

## CHEVROLET ... the one and only low-priced car with all these EXTRA VALUES

### World's Champion Valve-in-Head Engine

the extra efficient power plant with the valve-in-head design that's setting the trend for the automotive industry.

### Longer, Heavier, with Wider Tread

the big car in the low-price field, with all the advantages of more riding-comfort, road-steadiness and safety.

### Certi-Safe Hydraulic Brakes

more outstanding than ever before with new *Dubl-Life* Rivet-less brake linings that last up to twice as long.

### Curved Windshield with Panoramic Visibility

supplying all that extra safety driving with a fuller, freer view all about you.

### Center-Point Steering

with control centered between the front wheels for maximum driving-ease with minimum driver fatigue.

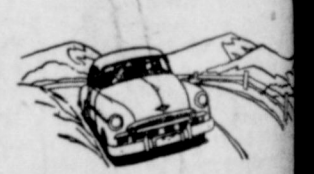

### Fisher Unisteel Body Construction

with steel welded to steel above, below and all around you for the highest degree of solidity, quietness and safety.

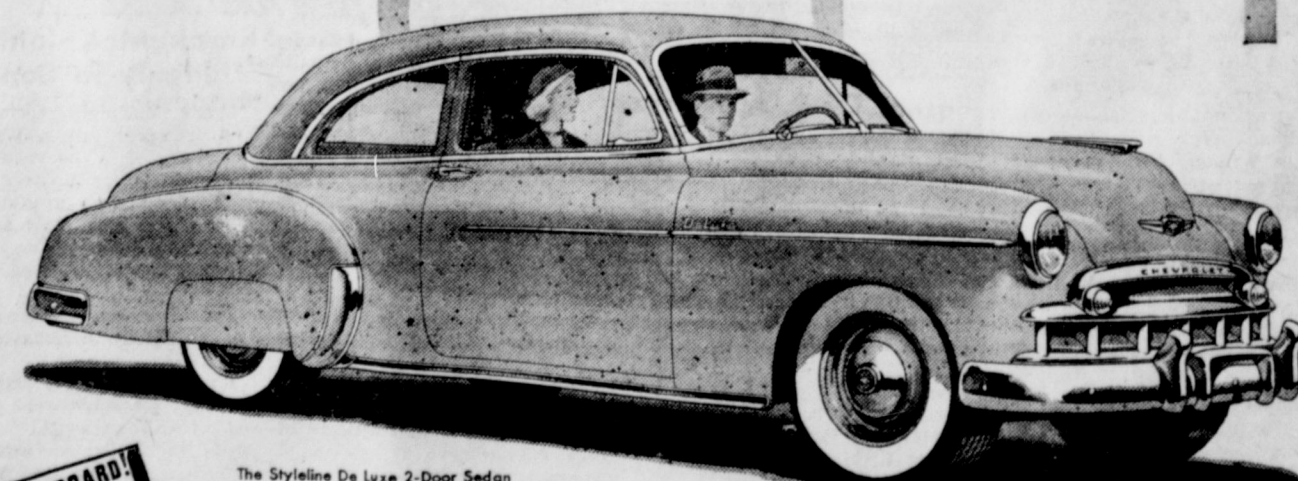

### Extra Economical to Own and Operate

and traditionally worth more when you trade; for Chevrolet is America's most wanted motor car—new or used!

### 5-Inch Wide-Base Rims, plus Low-Pressure Tires

the widest rims in the low-price field—plus extra low-pressure tires—for greater stability and riding-comfort.

## Light Up for Better Seeing ...

## ...BETTER LIVING!

BETTER LIGHT  
MEANS  
BETTER SIGHT

Proper lighting is a valuable aid to beauty and the very best in lighting is essential for the dressing table. New and modern dresser lamps which provide ample illumination at face level help shorten "beauty time" and add to the comfort and charm of the bedroom. Visit your favorite store which sells electric appliances and see the new and modern boudoir lamps now available.

TEXAS ELECTRIC SERVICE COMPANY

J. E. LEWIS, Manager

# Of Bulls Used In Eastland County Official Breeding Program, Says Crow

HOMER PIETERERTJE BOCCH LAD 835403

bull is only one of the  
being used in Eastland  
for artificial breeding ser-  
according to Harry Crow, Car-  
feeding technician for the  
County Dairy Associat-

of this caliber are made  
to each dairyman or  
owner in the county at  
reasonable fee of \$6.00

the bull is known in the  
breeding world is own-  
the North Texas Artificial  
Farms near Dallas. He  
exceptionally high proven  
fact it is said that he is  
the highest proven bulls  
Holstein breed in the United  
States. Five daughters av-  
erage 123 pounds of milk and  
100 pounds of fat. Five dams  
average 108 pounds of milk and  
100 pounds of fat. Increased  
milk and 166 pounds

fat. The average cow in the state  
averages only 134 pounds of fat  
per year. From the above figures  
it can readily be seen that H-3  
has the ability to increase the pro-  
duction of his daughters over their  
mothers by more than the average  
cow in Texas produces.

This Holstein bull already has  
over 1,000 artificial daughters  
over the North Texas areas.

Approximately 2,000,000 cows  
were artificially bred over the  
nation in 1948. This is proof that  
artificial breeding of dairy animals  
is here to stay.

Jersey, Holstein, and Guernsey  
bulls are available for breeding  
any dairy cow in the county. All  
are high quality bulls and cows  
may be bred to a bull of the above  
breeds.

For breeding your cow to one  
of these great bulls contact Harry  
Crow at phone no. 133-F at Carbon  
or see the county agent for further  
information.

## W. T. C. C. Asks U. S. Help on Water

ABILENE.—The need of water  
in West Texas now has top billing  
in the Bureau of Reclamation of  
the Department of Interior and  
the biggest show of its kind will  
be held in Fort Worth, Tuesday,  
Nov. 22.

J. A. Krug, secretary of the De-  
partment of the interior, has ac-  
cepted the invitation of the West  
Texas Chamber of Commerce to  
speak at its annual banquet there  
on that date. The WTCC has prom-  
ised a thousand water-thirsty West  
Texans there to hear him, along  
with Reclamation Commissioner,  
Nathan Strauss and Senator Lyn-  
don Johnson.

This, the annual meeting of the  
WTCC board of directors, will be  
the climax of the year's work of  
the organization in defining water

needs of the area, and establishing  
economic loss through lack of  
water companion to flood loss.

"The federal government will  
learn how badly West Texas needs  
water at this meeting," said WTCC  
President John D. Mitchell in re-  
porting the plans to his executive  
board in session here this week.  
"We have been sitting over water-  
holes with Winchesters or fighting  
to keep our domestic water rights  
in West Texas for a long time.

"This is a program to develop  
new water, a program so big it  
can only be handled in a big way  
and that's what we are doing in  
bringing a man at cabinet level  
here to hear our story and tell  
us what the federal government  
can do to protect our economic  
loss from lack of water."

The WTCC has a nominal board  
of approximately 200 among its  
6,000 membership in the 132 county  
area, but the organization hopes  
to take interested officials from

## YOUR brain budget

1. "Crime and Punishment" was written by (a) Balzac, (b) Booth Tarkington, (c) Dostoevski, (d) Dillinger.
2. Salvador Dali is associated with (a) cynicism, (b) stoicism, (c) solocism, (d) surrealism.
3. Recently appointed United States delegate to the United Nations general assembly was (a) John Sherman Cooper, (b) Herbert Lehman, (c) Bernard Baruch, (d) Glenn Taylor.
4. The U. S. senate recently voted an hourly minimum wage of (a) 75 cents, (b) \$1.00, (c) 40 cents, (d) \$1.50.
5. With what school story do you associate Greer Garson? (a) "A Yank at Oxford," (b) "Tom Brown's School Days," (c) "A School for Scandal," (d) "Goodbye, Mr. Chips."

ANSWERS  
1.—(c) Dostoevski.  
2.—(d) Surrealism, in painting.  
3.—(a) John Sherman Cooper, former senator from Kentucky.  
4.—(a) 75 cents.  
5.—(d) "Goodbye, Mr. Chips" by James Hilton. Miss Garson played in the movie version.

all the towns to help the water  
cause, according to manager D.  
A. Bandoen.

Already the Bureau of Reclama-  
tion has authorized three West  
Texas surveys under the direc-  
tion of Harry P. Burleigh, state  
planning engineer, according to  
Bandoen. One will provide for all  
the area of the Brazos river shed  
above Possum Kingdom and be-  
low the Caprock; another is on  
the Colorado above the mouth of  
Pecan Bayou, while the other un-  
der the authorization is a survey  
of the Prairie Dog creek area  
and tributaries of the Red river  
in the Memphis-Childress area.

These are in addition to the  
\$85 million Canadian project al-  
ready approved by the Bureau, to  
supply water to a dozen West  
Texas towns between Borger and  
Lamesa.

Angora goats are famous for  
their long hair.

### Mrs. Van Hoy To Be Honored At Tea

Mrs. Aubrey Van Hoy, district deputy of District 3, Section 4, Grand Chapter of the Order of Eastern Star, will be honored at a tea in the Womans Club Sunday from 3 to 5 p. m.

Invitations have been mailed to grand officers and members in this district.

Mrs. J. E. Black, formerly of Eastland, underwent major surgery Tuesday in the Quanah hospital at Quanah.

### Record Advertising Gets Results!

### Beethoven Club Meets With Sallie Cooper

The Beethoven Junior Music Club met Monday in the home of Mr. and Mrs. J. M. Cooper, 513 South Daugherty Street, with Sallie Cooper and Marilyn Morgan as hostesses.

Babeth Quinn, program leader, presented a program honoring Chopin, who died 100 years ago Oct. 17, leaving the world much poetical and romantic music for the piano. The program was presented as follows: Life and words of Chopin; Jana Weaver, Prelude; Marilyn Morgan, Charming of Chopin's composition, Margie June Poe, Piano solo; Sallie Cooper, and musical quiz conducted by Mrs. A. F. Taylor.

The appointment of Marilyn Morgan to serve as vice president of the Junior Division of the Texas Federation of Music Clubs was announced by Mrs. Taylor. Jana Weaver will represent the

club at T. F. M. C., which is to be held at Brady Oct. 29, and Sallie Cooper was elected delegate to the Fine Arts program Saturday at 2 p. m. at the First Christian Church.

Refreshments were served to Jana Weaver, Margie Lane, Harvey James Poe, Babeth Quinn, and Herby Weaver.

Next meeting will be Nov. 21 with Babeth Quinn.

### Kilgores Entertain Staff At Supper

Mr. and Mrs. J. P. Kilgore entertained the Kilgore Creamery employees and their families with a chili supper at the Ringling Lake Friday evening.

After supper, the group gathered around the campfire to enjoy songs and instrumental music furnished by members of the group James Wright, Marshall Storey, W. P. Rogers, and Roland Koch. Those attending were Mr. and

Mrs. Joe B. Farr, Joe B. Jr., and Dana, Mr. and Mrs. Roland Koch, Connie and Sue; Mr. and Mrs. George Scruggs, Mr. and Mrs. Marshall Storey and Mary Chris-

tine; Mr. and Mrs. James Wright, Jimmie and Jeanne; Mr. and Mrs. W. R. Rogers and children; Mr. and Mrs. M. G. Cartwright and Bobbie, Jack Willis, Mr. and Mrs.

J. S. Armstrong, Gayle Kilgore and her guest, Ruan Owen, and Mr. and Mrs. Kilgore.

Employees unable to attend were Rabb Steddum, W. D. Cannon,

Glenn Hogan, and Richard pass.

Water power is sometimes "White Coal."

**First Meeting Held**  
**By Alpha Delphians**

Members of the Alpha Delphian Club will have the theme of "Today's World" for their course of study during the current club year, it was revealed Thursday night of last week when the club opened its season with a dinner in the Woman's Club.

Mrs. E. L. Wittrup presided in the absence of Mrs. Robert Vaughan, welcoming Mrs. J. H. Parker, George Lane, Cecil C. Collings, and Robert L. Morse as new members.

Hostesses were Mrs. Ina Bean, Mrs. R. L. Carpenter, LeRoy Arnold, Mrs. N. N. Rosenquest, Mrs. W. B. White and Mrs. Marvin Hood.

Others present were mesdames L. C. Brown, W. R. Cole, George Cross, J. A. Doyle, D. J. Fiensy, B. O. Harell, Carl Johnson, N. P. McCarney, Leroy Patterson, L. S. Perdue, W. C. Vickers, and Miss Mabel Hart.

**Circles Of W. M. U.**  
**Meet On Monday**

The W. M. U. of the First Baptist Church met in circles Monday.

The Maybelle Taylor Circle met with Mrs. W. W. Carney, with Mesdames John Dorsett, E. M. Pritchard and Jim Hart in charge of the program. Eleven members and one visitor were present.

The Blanche Groves Circle met in the home of Mrs. Parks Poe at 406 South Daugherty Street. Mrs. James Wright joined the circle and Mrs. Blanche Payne and Dewey Bishop were visitors.

The Lottie Moon Circle met with Mrs. Jeanie Self, 405 North Green Street. Mrs. Frank Lovett, president, presided over the business session and Mrs. A. J. Blevins, Sr., had charge of Bible study.

Next Monday night all circles will meet at the church for a business meeting and Royal Service.

**MISS LUCAS RETURNS**  
**FROM VACATION TRIP**

Miss Helen Lucas, who is employed at the Coca Cola plant as bookkeeper, has just returned from a ten day vacation trip to Houston, Baytown, and Temple. In Baytown she visited in the home of Mr. and Mrs. James LeFan. In Temple she visited Mr. and Mrs. Donald Tow.

Mrs. LeFan will be remembered in Eastland as the former Miss Jackie Lusk, and Mrs. Tow is the former Miss Elaine Altom.

**Gleaners Class Meets**  
**With Mrs. Manning**

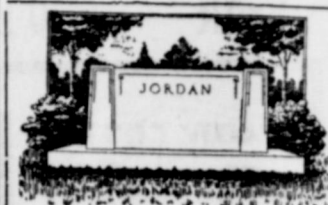

Members of the Gleaners Class of the First Baptist Church held their monthly social and business meeting Wednesday in the home of Mrs. Clyde Manning, 1402 South Seaman Street.

Lunch was served buffet style and guests were seated at game tables. Following lunch, Mrs. Velma Culbertson introduced Miss Eunice Nall, who reviewed "Sure 'Nuff, How Come" by Frieda Van Emden. Mrs. Culbertson presented a gift to Miss Nall from the class. Mrs. Ruth Shafer, president, presided over a short business session.

Mesdames Clyde Manning, Raymond McCord and Coy W. Friday were hostesses.

Mrs. Earl Bender spent the week end in Anson, stopping in Abilene to shop.

Mrs. Bender returned home with Mr. and Mrs. Pat Miller and children also visitors in Anson Sunday.

## LOW INCOME CAUSES POOR HOUSING

Here is a dwelling on a "wash" farm. The house does not have a water system. The owner can obtain money to install modern conveniences on a small interest, long-term loans of new housing act.

(This is the second of two articles explaining the function of the Federal Home Administration.)

IF FARM HOUSING surveys are an indicator, a lot of Joe Johnsons will be knocking on Farmers Home Administration doors for credit in the weeks and months ahead. Sample studies by the bureau of agricultural economics two years ago indicated that new houses were under construction on 240,000 of the nation's 6,000,000 farms, and 23 per cent of the farmers interviewed reported some form of construction or repair to their buildings.

More than 67 per cent of the rural farm dwellings still lack running water, 80 per cent do not have a bath and flush toilet, 40 per cent are without

electric lights, and 10 per cent are overcrowded.

Adequate shelter, along with food and clothing, have long been regarded as the three basic necessities of life. Roofs that leak, walls that let in cold air, and floors that are damp, of course, lead to sickness; houses without screens invite malaria and other insect-carried diseases; poor sanitary facilities lead to hookworm and typhoid fever.

A major reason for poor farm housing is that farm earnings have been too low in too many instances, despite higher farm prices. Joe Johnson is one of the estimated two million small farmers who have been by-passed by increased farm profits these

days, because he doesn't produce enough to benefit much from higher prices.

Also like many other small farmers, he couldn't buy in large enough amounts to get bulk-purchase discounts, and he operated on too small a scale to use mechanized equipment efficiently.

Besides low-income, another reason for the current need to improve farm housing has been the inability of families to get materials, labor, or equipment for such construction during the war and immediate post-war years.

When funds are appropriated, the farm housing program will start operating in short order.

No new agencies are needed to run it.

## News From . . . OLDEN

—By Special Correspondent—

Mrs. Marcell Daniels and son spent Friday night with her uncle and aunt, Mr. and Mrs. T. L. Lockhart, while Mr. Daniels went to the football game at Winters.

Mr. and Mrs. Robert Rough and son of Electra visited his mother, Mrs. Ethel Rough, Wednesday and Thursday.

Mr. and Mrs. Cap Norton and

Mrs. Leonard Fox of Coleman visited his mother, Mrs. Norton; also Mr. and Mrs. Dick Yielding last week.

June Thompson and Mike of Iradale were here visiting her mother and family, Mrs. D. O. Moffitt.

Mr. and Mrs. Arnie received word last week that her brother-in-law of Breckenridge had passed away.

Mr. and Mrs. J. B. Adams and children of Holliday visited Mrs. Adams' mother, Mrs. Ethel Rough last week end.

Mrs. Dick Yielding is working at the telephone office this week. Mrs. T. L. Lockhart was in Dallas Tuesday of last week to attend the funeral of her brother-in-law.

Mrs. Stella Jarett was in Dallas Wednesday and Thursday on business.

Mr. and Mrs. Billy Crone are visiting his parents, Mr. and Mrs. Carl Crone over the week end.

Billie Joe Fox of Dallas, formerly of Olden, is announcer for the Coleman broadcasting station. Virgie Hamilton, who is working in Snyder, spent the week end in Olden with his wife, Mrs. Edna Hamilton.

Mrs. E. T. McKelvin suffered a wounded hand while working on a typewriter. A screwdriver slipped going entirely through the hand. Mrs. J. T. Daffern has been very ill at her home in Olden for the past two weeks.

Mr. and Mrs. Clifford Seaburn and children were week end callers in the home of her parents, Mr. and Mrs. E. J. Allen.

Mrs. Stella Jarett is the proud owner of a new Plymouth.

Mr. and Mrs. John Hamilton of Colorado City spent the week end with his parents, Mr. and Mrs. Sid Hamilton.

Miss Mollie Green and Miss Eunice Hamilton spent the week end in Dallas with Miss Sue Hamilton attending the fair while there.

Mr. and Mrs. E. J. Stanford were in Brownwood Sunday visiting her sisters, Bula and Eula Young.

Mr. and Mrs. Virge Hamilton spent Sunday afternoon in Ranger with her sister, Mrs. Gorman Morton.

Mrs. J. L. Whisenant celebrated her birthday last week. Visitors for the occasion were Mr. and Mrs. Lamar Whisenant of Weatherford, Mrs. Mabel Gray of Fort Worth and Mrs. Jessie Simons and son of Dallas.

Carl Butler, Jr. of Bryan has returned home, accompanied by his wife, who has been in East-

land for the past two weeks.

The W. S. C. S. met at 3 p.m. Mrs. Edwards brought the devotional and prayer and Mrs. Jarrett gave a program on India. Mrs. Hendrix dismissed the audience.

Mrs. Joy Daniels and son and Mrs. Betty Sue Gibbs and daughter spent Monday with the school children and watched the ball teams work out.

Mrs. Willie Brockman has been returned to the hospital. She is reported as quite ill.

Jack Thompson and Jack Meyers of A. C. C. were in charge of the services at the Church of Christ Sunday. They had lunch with Mr. and Mrs. Pete Holt.

Today Your Pharmacist Drops  
A Few Facts About . . .

PENICILLIN

The drug that was discovered twice could well be said of Penicillin. Dr. Alexander Fleming did not arouse the interest of his colleagues when, in 1928, he announced that he had found a mold that would destroy bacteria. Years passed but no further development was made until acute need for antibacterial agents at the start of World War II brought about the "re-discovery" of this wonder drug when the War Production Board began supervising its commercial production in May 1944.

**STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, AND JULY 2, 1946.**  
of Eastland County Record published weekly at Eastland, Texas for Oct. 1, 1949.  
State of Texas; County of Eastland; Before me, a notary public in and for the state and county aforesaid, personally appeared H. G. Vermillion, who having been duly sworn according to law, deposes and says that he is the owner of the Eastland County Record and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily, weekly, semiweekly or triweekly newspaper, the circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the act of August 24, 1912, as amended by the acts of March 3, 1933, and July 2, 1946 (section 537, Postal Laws and Regulations), printed on the reverse of this form, to wit:  
1. That the names and addresses of the publisher, editor, managing editor, and business managers are: Publisher, H. G. Vermillion, Eastland, Texas; Editor, H. G. Vermillion, Eastland, Texas; Managing editor, none; Business editor, none.  
2. That the owner is: (if owned by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding one percent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a firm, company, or other unincorporated concern, its name and address, as well as those of each individual member, must be given.) H. G. Vermillion, Eastland, Texas.  
3. That the known bondholders, mortgagees, and other security holders owning or holding 1 percent of more of total amount of bonds, mortgages, or other securities are: (if there are none, so state.) Eastland National Bank, Eastland, Texas.  
4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.  
5. That the average number of copies of each issue of this publication sold or distributed, though the mails or otherwise, to paid subscribers during the twelve months preceding the date shown above is 1229. (This information is required from daily, weekly, semiweekly, and triweekly newspapers only.)  
Signed  
H. G. Vermillion  
Sworn to and subscribed before me this 26th day of Sept. 1949.  
Merle Barthelemy

# Round-Up

ISHED BY THE EASTLAND COUNTY RECORD ON BEHALF OF THE STUDENTS OF EASTLAND HIGH SCHOOL, WITH NEWS SUPPLIED BY A STUDENT STAFF.

## A MEETS TO OFFICERS

Eastland Chapter of the Future Homemakers of America met Friday morning at the high school. During the meeting, the following were elected officers for the year:

President: Dolores Warden, Secretary: Gayle Parrack, Reporter: Stella Stallcup, Treasurer: Patton, Parliamentarian: Vaughan.

which is the newspaper of the Texas Association of the FHA, was distributed to the members. The paper has been changed from magazine form to a newspaper. It contains articles and many pictures of activities of clubs all over Texas.

## ORGANIZATIONS FORMED

Many clubs have been organized this year. There is a club for nearly everything you could want. One of these clubs is the Camera Club, sponsored by Mrs. Harris. In this

club you can learn to develop pictures, take pictures and print them. It is very worthwhile and interesting.

Another is the F. H. A., sponsored by Miss Morris, where you make trips, learn to cook and sew and have lots of fun doing it. Mr. Alexander sponsors a Sports Club. Of course most of the boys are in this. They keep up with sports news and discuss them.

Miss Morhart is sponsoring a Spanish Club for people who like Spanish and want to learn more about it. The Commercial Club is sponsored by Mrs. Woloszyn. Other club are the F. F. A., sponsored by Mr. Fox. Livestock and farming conditions are discussed at this club, and orchestra sponsored by Mr. French.

Who knows? Someday we might have an orchestra for our school dances. We also have the Guidance groups on Monday of each week for every class. There were many clubs to choose from and it is very hard to choose because all of them are very worthwhile.

## EYES TESTED IN ALL SCHOOLS

During the past two weeks some of the students of the various schools in Eastland have found that they could not see as well as they thought they could. Every student over eight years of age in both white and colored schools had their eyes tested by Dr. and Mrs. Edward Adelsten.

This worthy project was sponsored by the Lions Club of Eastland. This was an enormous undertaking and the students and teachers extend their thanks to the Lions Club and to Dr. and Mrs. Adelsten. He is chairman of the Sight Conservation and Blind Committee of the Eastland Lions Club.

## BAND GOES TO BROWNWOOD

The Maverick Band spent the day in Brownwood recently. The main purpose was to hear the United States Marine Band. All the bands in attendance assembled in the auditorium of Howard Payne College to hear the Clinic Band. This band was composed of students from the various bands present.

Playing in the Clinic Band from Eastland were Janelle Patterson, Bob Vaught, Christina Arther, Gene Griffin, Ann Day, Nancy Freyschlag, Janeil Day, Tommy Patterson, Guyrene Robinson, Mozelle Pullman, and Sarita Seale. After hearing the Clinic Band, the Eastland Band members were

free to eat lunch and see the town until 2 p.m. At that time all the bands met in front of the auditorium to get ready for the parade which was 17 blocks long. After this parade, they all went to hear the Marine Band. It certainly was enjoyed by all who heard it.

At the concert, the winners of the marching contest were announced. Breckenridge took first place in class A bands, while Eastland took first in class B. Richland Springs took first in class C. After the concert, the busses left for home. A very enjoyable day was reported by all.

## RIP AND SIP CLUB ATTENDS STATE FAIR

Seventeen members of the Rip and Sip Club, accompanied by their teacher and sponsor, Miss Loretta Morris, spent Saturday in Dallas attending the State Fair.

Cars were taken by Mrs. H. T. Weaver, Mr. and Mrs. F. F. Terrell, Rev. and Mrs. W. E. Hallenback, and Miss Morris. The group left Eastland at 6 a.m. Saturday and returned late Saturday night.

Exhibits were viewed in the Foods, Agriculture, Fine Arts, and other buildings. The Midway with its shows and rides was also given its share of attention.

Many of the girls attended the Fair for the first time and all enjoyed it.

## DISTRICT SECRETARY TALKS AT W. S. C. S. MEETING

W. S. C. S. had its regular meeting Monday at the First Methodist Church. Mrs. N. P. McCarney, president, presiding.

Mrs. W. D. Stephenson, district secretary of spiritual life, gave a talk on "Service".

The lace covered table was decorated with fall flowers of yellow and lavender, encircling a Chinese figurine. Refreshments were served to 35 members present.

Mrs. Frank Crowell will be mission study leader Monday and Mrs. J. Morris Bailey will be speaker.

LONE STAR GAS COMPANY

OLD STOVE ROUND-UP  
TRADE-IN SALE  
of Universal gas ranges

Universal's Automatic Oven Clock Control

This leisure-giving automatic feature is on six different Universal gas ranges. It operates with three simple, easy turns. Set it and forget it. Go shopping, play bridge, take a nap. Complete oven meals will be done just right when you want them.

Universal "Marlboro" built to "CP" standards.

If you are using out-of-date or substitute cooking methods, there's a new Universal gas range for you—just the right size, with just the right combination of automatic features and just the right price. What's more Lone Star will give you the biggest Trade-In in 10 years for your stove—regardless of its age or condition. Save money. Come in and trade today.

LONE STAR GAS COMPANY

Head your Buick for our fountain of youth

NOW'S the time when Autumn calls you out for a ramble in your Buick.

Slide under the wheel and answer that call! Take a Fireball cruise through the countryside, with your heart growing lighter and the years slipping off your shoulders at each mile!

Just one reminder, though. Make sure your Buick is in top shape to keep step with you. First bring it in to us—and

let us clean summer's dust out of your air filter, flush out tired summer crankcase oil with its grit and goo, check your carburetor adjustment to see that you're getting the most powerful, most economical mixture with October's cooler, heavier atmosphere.

We can do this quickly, economically, with a sure touch. Our thorough Buick training and long Buick experience in doing each job the factory-designated way have earned us a reputation—we're the "Fountain of Youth" for Buicks.

To make it easy, we've printed a Fall Check List below. Just tear this out, drive in this week and hand it to us—and when you head out for the open road there'll be a happy smile on your face!

Tear out this check list—bring it in with your Buick

Fall Checkup—Lights, brakes, tire wear, front-end alignment, oil filter unit, battery, car heater.

Adjust—Carburetor, distributor.

Clean—Air cleaner.

Flush—Crankcase, cooling system.

Estimate—Antifreeze requirements.

ALSO—Lubricate (bumper-to-bumper lubrication and inspection).

Buick care keeps Buicks best

## School To Observe Education Week

American Education Week will be observed beginning Nov. 6 to 12. The South Ward P. T. A. will sponsor a Book Fair during this week at South Ward School.

Library books written especially for children will be on display from the John C. Winston Company, McGraw Hill Book Company, Texas Book Company, Bobs Merrill Book Company and others. Books will be on sale or orders may be given for any book on display. The public is invited to examine the books during the week.

"Help us teach the children appreciation of good literature; and help us make this experience a joyous thing. Come to our book Fair," said Mrs. H. H. Durham, South Ward principal.

Mr. and Mrs. James G. and Mr. and Mrs. Joe J. attended the Dallas Fair and U. football game Saturday. KARL & FANNIE Foreign Veterans Meets 2nd Thursdays Overseas Veterans

## Old Stove Round-Up

# TRADE-IN SALE

Biggest Sale ever sponsored on a single appliance

Now On at Gas Range Dealers and Lone Star Gas Company

You get everything in the New Automatic Gas Ranges!

**Absolute Heat Control** from a tiny keep-warm flame to a high-speed flame. There's no limit to variety of cooking speeds. No other range cooks as fast. No special pans needed.

**Circulated Fresh Air Baking** — Breads, cakes and pastries bake uniformly, brown evenly, without moving pans from one rack to another. Circulating heat does it. Gas alone, gives you it.

**Smokeless Broiling** — Only the live gas flame instantly consumes greasy vapors produced in broiling.

**New gas ranges** cost less installed than any other fully automatic cooking appliance. There is no expensive installation charge. New gas ranges operate for one-fourth the cost of non-flame method.

There's no method any cooler. No method any cleaner. No other method is as fast—absolutely none!

During the nationwide Old Stove Round-Up you can get a new gas range with the biggest trade-in allowance, the smallest down payment and the easiest monthly payments in 10 years! See your Gas Range Dealer or Lone Star Gas Company today.

They're new! They're wonderful—the dozens of new automatic gas ranges built to "CP" standards. Whichever make you choose look for "CP."

There's No Substitute for Flame Cooking and Gas is the Magic Flame for Broiling, Roasting, Baking, Frying, Boiling
