Rainfall Becomes Common Sight

Mitchell County's bout with the weather has not ended, as indicated by rainfall amounts received in the county during the past few days.

Wednesday night and Friday morning, the city received only a shower, about fifteen-hundredths to two-tenths of rainfall.

For that same time period, China Grove had two and one-half inches, Valley View, two inches, and Fairview, .76. These communities are in the northern part of the county.

Pool Is Now Open

Rick Crowley, city manager, has announced that the Colorado City swimming pool is now open to the public.

Pool hours will be from noon until 6 p.m. on Monday through Saturday (excluding Wednesday, when it will be closed for cleaning). On Sundays, the pool will open from 1 p.m. until 6 p.m.

No family passes will be sold and there will be a straight admission charge of 75 cents a person, according to Pool Manager Juan Molina.

Everyone is invited to come out and take advantage of the facilities, Crowley concluded.

Then at McKenzie in far southeastern Mitchell County, one and one-quarter inches fell.

The rain gauge report for Friday showed these amounts:

Colorado City.....	.20
Westbrook.....	from one-half to zero.
South of town.....	.50
North of Westbrook...	.0
Airport.....	.40
Buford.....	.40
China Grove.....	2.50
Conaway.....	.20
Cuthbert.....	.20
Dorn.....	.40
Fairview.....	.76
Lake Champion.....	.30
Looney.....	.40
Lone Wolf Mountain...	1.10
McKenzie.....	1.25
Payne.....	.30
Rogers.....	.40
Spade.....	.10
Spade Ranch.....	.20
Valley View.....	2.0

Many of the people contacted said that they have had so much rain they've forgotten how much. The southern part of the county has not received totals as high as the northern portions but they have not had the hail in the south either.

Totals look something like this: Conaway, 3.7 the last week; south of Westbrook, 3.5 in a week; Lone Wolf Mountain, a little over 11 inches this month; Loraine, nearly eight inches in a week, 7.95; McKenzie, 14 inches in a week. See RAINFALL, Page 9

Storm Costly To Schools

Assessment of the hailstorm damage to Colorado City's schools was the topic of a Friday morning meeting at Villa Restaurant for school board members.

Superintendent Charlie Useton said that dollar amounts have not been tabulated yet because all the estimates are not in.

"There were 300 windows replaced in the

schools at a cost of from \$8 to \$9 each and that's not counting the labor because we're putting them in ourselves," Useton said.

One major item of expense will be the \$24,000 estimated cost to fix 26 air conditioning units damaged by hail and another large expense to repair 55 more.

Useton explained the air conditioner situa-

tion. "There were 26 units which had coils and fins flattened by the storm. These must have new coils at a cost of \$24,000. Then, there were 55 other units which were damaged but can be repaired but we don't know how much it will cost yet."

Another very expensive casualty of the storm is the main building

roof at Colorado High School.

Useton said that the school's roofing contractor, Lydick-Hooks of Abilene, is working with the local insurance agencies and the school on estimating roof damage.

Damage to the high school main building is probably the worst and Useton said it will pro-

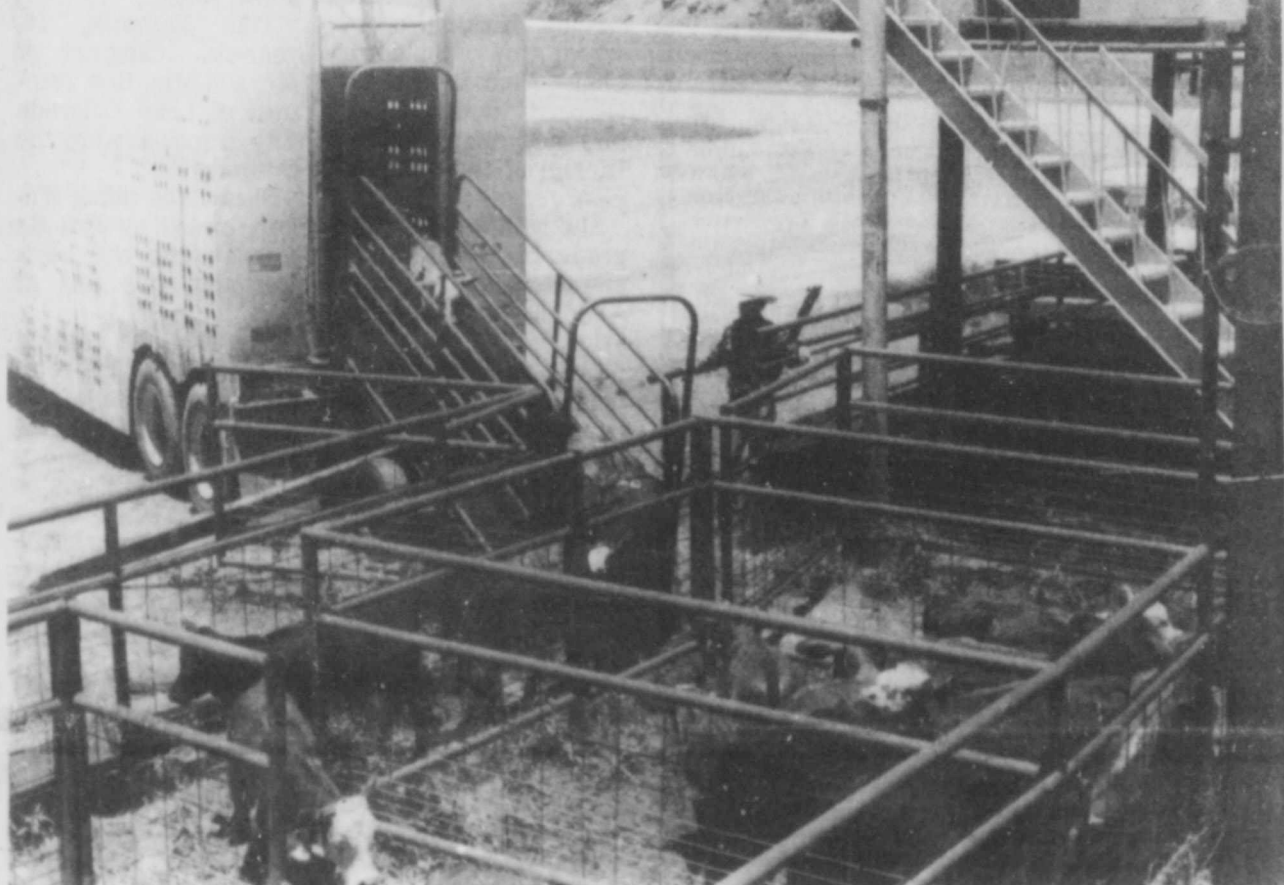

bably be best to scrape it off and put in a new roof. No estimate is available.

Other damages included repair to all the buildings where the roof and walls meet as water ran down the walls and also around the air conditioning and heating units where they are installed on the roofs.

Useton also said that

many of the school's vehicles were damaged. Three pickups and a principal's car, as well as the FFA trailer, were out in the storm and were damaged. Other vehicles were on the bus yard and had minor damage.

At Kelley, the list looked like this: 100 broken windows on the north side. See SCHOOL, Page 2

RODEO STOCK for this year's AJRA Rodeo arrived over the weekend. The stock is being furnished by Terry Walls of Stephenville. Squirrely Northcutt, chairman of the rodeo is shown here unloading roping calves in the running chutes in preparation for the rodeo's kick-off, Wednesday night.

Rodeo Draws Near

Rodeo fans will have a high 'ole time this week, because the AJRA Rodeo is set to kick-off Wednesday night and

more than 354 contestants are chomping at the bit to start the competition. The rodeo will run

through Saturday night and will begin at 8 p.m. each day.

Tickets are \$3 for adults and \$2 for children if purchased in advance and may be obtained from any of the seven rodeo queen contestants. They are Andrea Carpenter, Diane Gregory, Holly Hicklin, Naomi Mize, Jana Northcutt, Tina Tammen and Lynda Walker.

Tickets will also be available during rodeo nights at the gate, but will cost \$3.50 for adults and \$2.50 for children.

Coordinator Squirrely Northcutt says they have over 350 entries as of Friday, but were expecting a few that were delayed in the mail.

Northcutt said he needed six volunteers for each night of the rodeo; two to untie calves, two for unrigging bucking stock, one to help load calves in chutes and one to let horses out of the arena. He said that all help would be appreciated.

A rodeo is not complete without a few clowns and Terry Walls, of Stephenville, who is furnishing the livestock for the rodeo, is also supplying a few clowns.

The rodeo is sponsored by the Chamber of Commerce and they will have a concession stand open for those hungry, thirsty rodeo goers. They will sell hot dogs, nachos and Cokes.

For those wanting a cool treat, the Kiwanis Club will have a snow cone stand set up and will be selling snow cones for 25 cents each.

They will have a large variety of flavors to choose from, according to President Robert Hoback.

Scott Stuzman will be the rodeo announcer.

Parade Slated Saturday

The Annual AJRA Rodeo parade is set Saturday at 5 p.m., and entries will assemble at the old Round Top Cafe on East Highway 80 at 4 p.m.

According to Brenda Feaster, chairperson, there is no entry fee and persons wishing to enter should just show up.

The parade will run from the old cafe downtown through Colorado City to the Mitchell County courthouse where it will disband.

She said she wanted to encourage persons with horses to enter, noting that all entries of someone riding a horse will receive a free rodeo ticket.

Mrs. Feaster expects quite a few businesses to enter and has received notification that Snyder's Riding Club will be participating along with several local entries.

"All persons are invited to join in and help make the parade a real success and remember the barbecue supper planned afterwards at the courthouse lawn," she concluded.

FRANK CONARD'S Donut Alley was the site of a ribbon cutting ceremony by the Colorado City Chamber of Commerce Ambassadors Friday morning. Pictured (left to right) are Ambassadors J. O. Queen Candidates Nervously Await Outcome Of Race

Seven young ladies of Mitchell County anxiously await for the verdict of who will reign as "1982 AJRA Rodeo Queen," that will be named Saturday night.

Andra Carpenter, 13-years old, is being sponsored by the Opti-Ms Club and is the daughter of Mr. and Mrs. Darrell

Carpenter.

She will be a freshman at CHS this fall and enjoys vocational agriculture. She will be riding her quarterhorse named LoBo.

She said, "I wanted to have the experience to use my knowledge of horsemanship and the contest is a way to help

me overcome my shyness."

Diane Gregory, daughter of Mr. and Mrs. Eddie Gregory, is 13-years-old and is being sponsored by the Westbrook Golden Age Club. She will also be a freshman and will be riding Wart, owned by Jug Rees.

"I thought it would be a lot of fun and good exercise for me. I also would like to have the opportunity to represent the county," she said.

She is undecided on a career of coaching or agriculture, at this time she said.

Holly Hicklin, sponsored by Sundown Lions' Club is the 13-year-old daughter of Mr. and Mrs. J. W. Hicklin of Lake Champlain.

She will be an eighth grader in the fall at CMS and intends to be either a radiologist or veterinarian in life.

She said her goal in the contest was to make new friends and strive to be a good sport in the competition, as well as setting a goal for herself and meeting the challenge to win.

Naomi Mize, sponsored by the Noon Lions' Club, is the daughter of Mr. and Mrs. Hollis Mize. The 16-year-old contestant is a junior at CHS and intends to major in pre-medicine and osteopathic medical school.

She enjoys shooting on the 4-H rifle team and says she entered because she always loved the sport of rodeo and all the stock involved.

She will be riding her horse Rosa.

Jana Northcutt is the 14-year-old daughter of Mr. and Mrs. Squirrely Northcutt. She is a freshman at CHS and is sponsored by the Colorado City B&PW Club.

"My goal is to be crowned AJRA Queen and represent Colorado City everywhere I go with the AJRA Rodeo."

She will be riding her horse, Buck.

Tina Tammen, 14-year-old daughter of Mr. and Mrs. Bob Tammen of Lake Colorado City, is sponsored by the Optimist Club.

She will be riding Whitey, owned by Jim Bo Morgan and will be a freshman this fall at CHS.

She said she entered the contest for the competition and says she hopes to win. She plans to go to cosmetology school and later major in physical education.

Lynda Walker, is the daughter of Mr. and rs. Ardis Walker and is sponsored by the Kiwanis Club.

She is 15-years-old and will be a freshman in the fall. She will be riding Candle Stick, owned by Adele Morgan.

She said she entered the contest because she

thought it would be a lot of fun and she loves meeting people and figured it would be a good way to do so.

Girls have been busy selling tickets and will continue to sell them through opening rodeo night Wednesday. Tickets are \$3 for adults and \$2 for children.

Winner of the queen's title will receive a "Gary Gist" belt buckle, valued at \$350. First runner-up will receive a pair of western boots and second runner-up will receive a \$50 gift certificate.

School

From Page 1
thside of classrooms; 12 broken windows in the cafeteria; four rooms with wet carpet, 10, 18, 12 and 6; eight air conditioners with condensers to be replaced and 18 air conditioners to be repaired.

The administration building suffered broken windows, soaked carpet, roof damage, one air conditioner condenser ruined and four needing repairs.

Wallace had only one broken window but possible roof damage.

The bus garage had 21 windows busted on the northside of the shop and the metal building was damaged.

Broken windows, roof damage and damaged siding was suffered by the bus house.

The building trades house under construction also had roof damage, garage door damage, one window frame ruined and one storm window out.

The field house had only two windows broken and one of the foot-

ball stadium lights busted.

At the high school, roof damage was extensive to the main building, other buildings in the complex somewhat damaged and other damages as follows: one gym exhaust fan, 15 air conditioner condensers to be replaced and 13 to be repaired.

Thirty-four windows were broken at Wolf Gym and the roof was damaged.

At Hutchinson, ten windows in the cafeteria were broken, two storm windows and two skylights must be replaced, along with ten condensers and nine units to be fixed.

The ag barn suffered no damage but damage at middle school went like this: roof damage throughout the complex, eight windows broken in the first floor of the main building, 35 broken on the stairways and eight gone on the third floor; CVAE, seven windows gone; choir and speech, three; industrial arts, 20, and others, eleven.

The superintendent also said that July 12 is set for the date to open bids for the school to purchase a new truck and make repairs to the middle school cafeteria.

He explained by saying that this air conditioner at the cafeteria was not part of the

storm aftermath but part of the plan devised earlier to lower the ceiling and put in a new air conditioner unit.

The truck will be used for a number of purposes, Uselton said.

"Big Red will have to be retired," he said, talking about the 1963 bus used to haul band equipment to out of town games.

Also the truck, an enclosed box bed model,

"We have started spraying and will do everything we can to control and eliminate the mosquito problem," he said.

The spray is a compound of one part Formula 112 insecticide concentrate and 12 gallons of diesel and is sprayed from a slow moving truck at about 6 1/2 gallons per acre.

The compound kills flies and mosquitoes on contact and helps control insect breeding areas.

The compounds contains active ingredients of chomatic petroleum methoxychlor technical, 2-2 dichlorovinyl phosphate. State laws require permanent records are kept on file and recorded each time the city sprays.

Eleven Request To Meet Board

No serious problems were encountered by the review board as it met this past week concerning real estate valuations.

Chief Appraiser Mike Burt said that about 30 people came to check some of their figures but only about eleven requested to go before the board.

Meetings were in the middle school cafeteria Wednesday, Thursday and Friday. Members of the board are Bobby Lemons, chairman; Ray Preston and W. R. Powell.

Burt said that most of the problems were with people who did not apply for an open space designation of their property.

Period to request that designation was from Jan. 1 through May 1.

He added that this has been done on an annual basis but after 1982 it can be automatic.

Just to show the difference in valuations, Burt gave the following example: Six sections would be valued at \$806,400 for market value, but using the open space formula, value would be reduced to \$72,960.

These valuations set by the appraisal district and reviewed by the board are used as a basis for setting tax assessments to the various taxing entities in the county.

THE NEW TAX-DEFERRED INDIVIDUAL RETIREMENT ACCOUNTS-IRAs.

It's nice to have someone take care of you.
But it's even nicer to feel confident that you can take care of yourself. Especially when you retire.

To start building that confidence, talk to the professionals at our **FULL SERVICE BANK** about setting up a tax-deferred Individual Retirement Account (IRA).

Starting in 1982, IRAs will be available to almost everyone (even individuals already covered by a company pension).

With the new IRAs, you as an individual may deposit up to \$2,000 a year.

We'll even help you set up a convenient payment schedule.

WHAT A TAX-DEFERRED IRA COULD MEAN TO YOU	\$500 INVESTMENT	\$1,000 INVESTMENT	\$2,000 INVESTMENT
Total investment after 30 years	\$15,000	\$30,000	\$60,000
Total value after 30 years	\$135,146	\$270,292	\$540,585

Note: This chart is intended to be an example of how regular deposits into an IRA can grow into a substantial sum. This is not a guarantee of interest rates or end financial results.

Letting you make your deposits by the week, by the month, or whatever suits you best.

You then deduct the annual investment from your taxable income. And pay no federal taxes on the interest until you start withdrawing funds (minimum age: 59 1/2).

Then, when you retire, you'll probably be in a lower tax bracket, able to hold on to the lion's share of your nest egg.

For complete details about the new IRAs, talk to the professionals at our **FULL SERVICE BANK** today. Then you won't have to worry about social insecurity tomorrow.

25 Mitchell County Youth To Participate In Rodeo

Mitchell County youth will be competing with youth from all over Texas and New Mexico in the AJRA Rodeo beginning Wednesday at 8 p.m.

Joyce Northcutt, AFJRA rodeo contestant coordinator, announced that she currently has received en-

tries from 354 youth that are entered in nearly 800 rodeo events.

Twenty-five youth from Mitchell County have entered the competition, she said.

Lynn Bradbury, Kerry Bradbury and Chip Northcutt of Colorado City and Larry Dawson of Westbrook are the

local contestants entered in the bareback competition.

Scott Guill of Westbrook is the only contestant entered in the 12 and under steer riding event.

In the junior bull riding division, John Longley of Colorado City has entered and in the senior riding division, K. Bradbury, L. Bradbury, Northcutt and Dawson will be competing.

Ann Margaret Kimmel, Camie Kemp, Tiffany Rose, Amber Stephens and Marci Cawthron, all of Colorado City, are entered in the girls 12 and under barrel racing event. They are also entered in the pole bending competition, along with Shelia Cawthron, also of Colorado City.

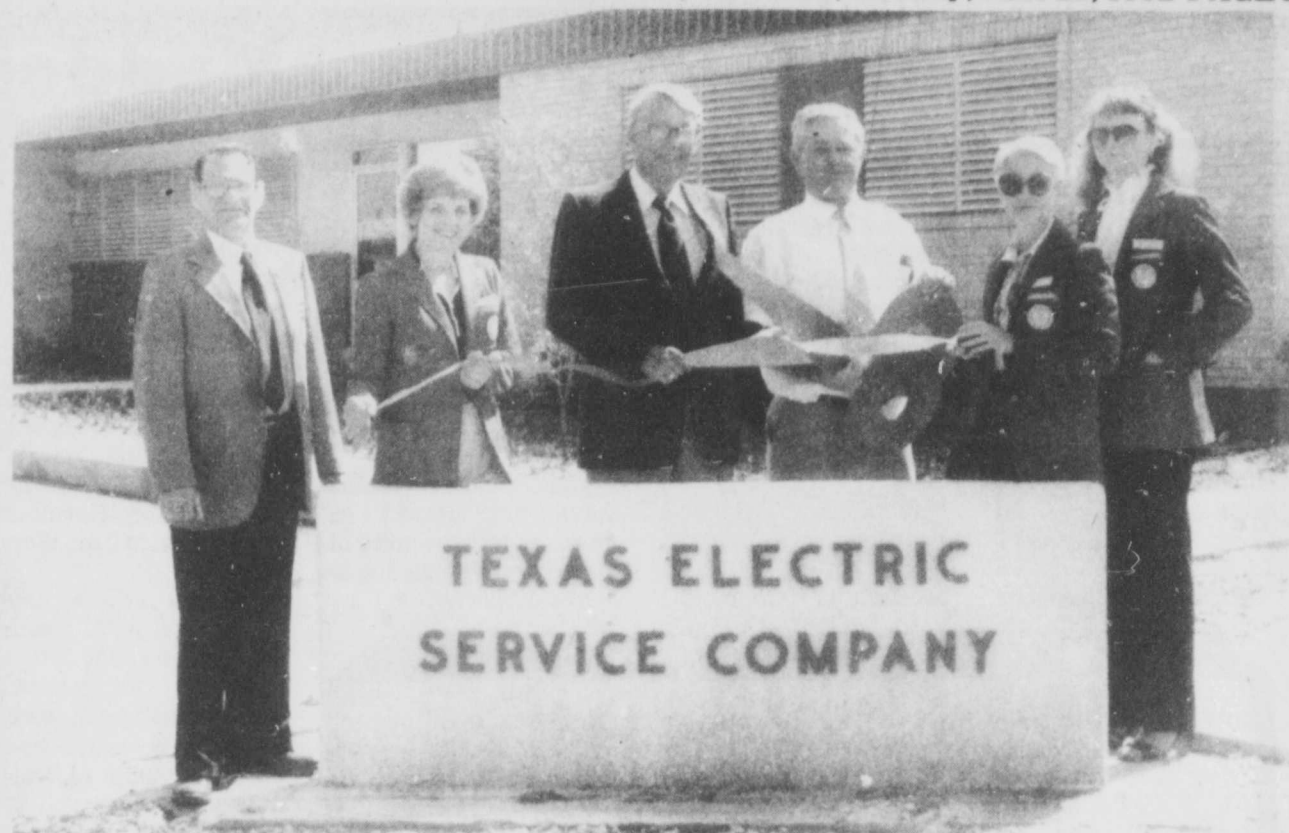

In the boys 12 and under, Chris Anderson and Gregg Nichols are

entered in the breakaway roping. Nichols is also entered in ribbon roping and Ray Carpenter is entered in the barrel racing.

Jody Mann is entered in the girls 13-15 breakaway roping event and entered in barrel racing are Jennifer Beasley of Westbrook and Andra Carpenter and Jana Northcutt, both of Colorado City.

Duane Linam, of Lorraine, is entered in the breakaway roping and ribbon roping in the boys 13-15 bracket.

Entered in the tie down roping are Randy McPhaul, Gary Rowe, Stefan Jamison and Todd Whitesides of Colorado City and Allan Moody of Westbrook. All with the exception of Jamison are entered in ribbon roping competition in their division.

Prescott Hosts Club Meeting

The Looney E.H. Club met June 23 in the Lone Wolf Medallion Room at 2:30 p.m., with Mrs. Iva Prescott as the hostess.

The meeting was called to order by the president, Mrs. Etta Lee Gibson. The opening prayer was led by Mrs. Pansy Northcutt and Mrs. Prescott led the recreation.

The club agreed to have a covered dish supper July 14 in the Medallion Room with crafts being the program.

Mrs. Madge Shepherd

gave a very interesting program on places of interest in Texas. Mrs. Shepherd had visited many of these places.

Mrs. Sidney Compton gave the council report.

Eight members were present. The hostess served lemonade, Dr. Pepper, fresh apple cake and other snacks to Mmes. Compton, Etta Gibson, Pansy Northcutt, Madge Shepherd, Angie Harris and Catherine Shurtleff.

Mothers, Youngsters Play Ball

Tuesday, the mothers of the youth playing on the Westbrook Wildcat Midget and Little League teams and the players, came face to face on the battlefield in a double header baseball game.

In the first game, the mothers took advantage of their experience and playing ability and defeated the Wildcat Midgets, 12-2.

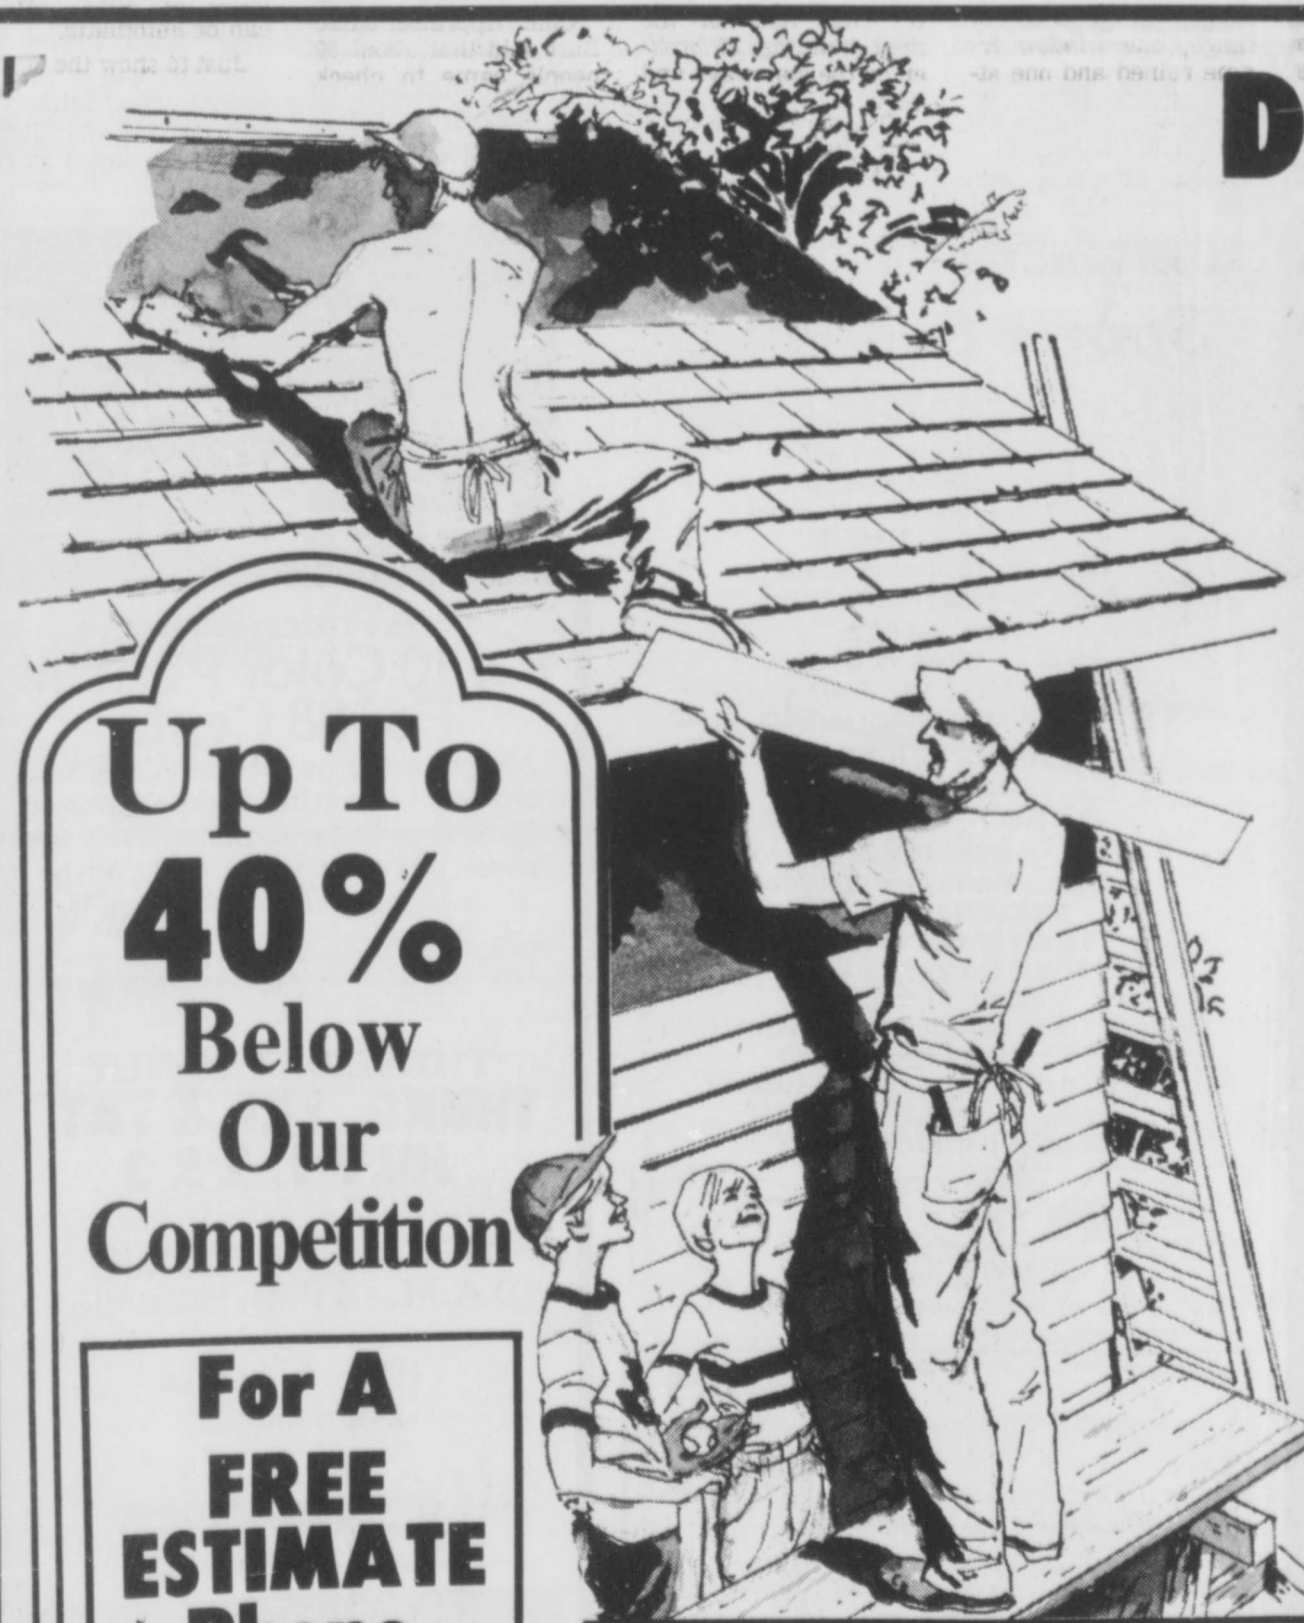

Things were a little different in the second game, as the Little League Wildcats showed no mercy on their mothers. They defeated their moms 21-8.

Maddox To Receive Award At Convention

Dalton Maddox, son of Mr. and Mrs. Joe Maddox of Colorado City, will receive the "Texas Sheep and Goat Raisers' Association" award Wednesday, July 14 during the 54th Annual Convention of Texas Association of Future Farmers of America in Fort Worth.

Maddox will be among many FFA members across the state attending the convention and will hear some outstanding speakers and participate in business sessions, as well as recreational activities.

The convention theme is "Vocational Agriculture-Growing for America."

The 18-year-old 1982 graduate of Colorado High School, has many honors, some include showing the 1981 Champion Chianian Steer in the Amarillo 4-H Livestock Show, named "Gold Star Boy" in 1982, Named "Lone Star Farmer" for this area in 1981, showed the 1981 Reserve Senior Champion Chianian Steer in the National Junior Chi-

anian Show in Lawton, Okla., and many more show honors.

He was a member of the National Honor Society, a member of the CHS golf team four years and received the

KVMC Radio station award, "Fighting E Award."

Maddox plans to attend Texas A&M University in College Station this fall.

Auditions Here For Next Production

Today and tomorrow, persons with an interest in acting are encouraged to come out to the Colorado City Playhouse and audition for a part in the next upcoming play, "Opal Is A Diamond."

Auditions will begin at 7 p.m., each night for the hilariously funny sequel to "Everyone Loves Opal," that was presented some 15 years ago at the playhouse.

Joan Sorflaten, director, said there were openings for nine cast members and she was specifically looking for two sweet eccentric old ladies; one middle aged

salesman-politician and two 30-year-old executives, one man and one woman.

The production dates are tentatively set for July 29-31 and August 4-7.

She said she was looking for a lot of new faces and this would be the ideal opportunity for those first-timers to make their debut. "But she said, she did not want to overlook any of the veterans either."

Persons are requested to read the play prior to auditions and may obtain one from Elaine Fugate at The City National Bank.

Scorecard

TUESDAY, JUNE 22

UGSA Div. I
Sweetwater 5, Royals 7.

UGSA Div. II
Sweetwater 11, Warriors 10; a very exciting game right to the bitter end. This was a game full of home runs on both sides and some double plays. The game had to finally be called because of a time limit.

Freshman League
Dodgers 13, Rangers 9
Pirates 13, Indians 9

City League
C. City B vs. Fullers, Fullers won by forfeit.
McKinley Plumbing 18, Loraine Pop-a-top 1.
C. City A 12, Los Amigos 4.

WEDNESDAY, JUNE 23 Make-up games

Freshman League
Dodgers 6, Astros 10
Yankees 1, Rangers 16; a game that surprised a lot of people. The Yankees were undefeated on the season until this game whereas the Rangers were only 2-5 in the win-loss columns.

THURSDAY, JUNE 24

UGSA Div. I
Angels 10, Sweetwater 12; both teams played a very fine defensive game allowing runs on errors only.

UGSA Div. II
Devils 26, Sweetwater 10

Minor League
Blue Sox 15, Colts 13

Freshman League
Pirates 6, Astros 17

Teenage League
Expos 3, Lions 2; this game was very exciting as the Expos tried and succeeded in making a threat against the Lions in the standings. The Expos are one game behind now.

White Sox 19, Braves 4.

City League
Little Chicago 15, Fullers 19
C. City A vs. Chicanos; Chicanos won by forfeit.

Low Riders 11, Rejects 10; a good played game. The Rejects were ahead 10-5 until the very last inning when the Low Riders at their last bat took a one point lead.

VFD Elects New Officers

The Volunteer Fire Department of Mitchell County elected officers June 21.

All present officers were re-elected to the same post as follows: Jerry Hammonds, chief; Jack Green, 1st assistant chief; Donald Webb, secretary-treasurer and Doyle Mitchell, 2nd assistant chief.

Appointed officers were Captains - Alan Pharris and Joel Pharris; Training Officer - Pat McKinney; Sergeant-At-Arms, James Light and Monte Jones were reappointed as Chaplain.

Lisa Welch

Welch Crowned Queen

Lisa Welch was recently crowned Spring Festival Queen of Garden City Elementary School. Her escort was Jody Bradford, son of Mr. and Mrs. Larry Bradford of Garden City. Lisa's parents are Mr. and Mrs. Adron Welch of Big Spring, formerly of Colorado City. Her grandparents are Juanita Coker of Colorado City and Mr. and Mrs. W. L. Welch of Arp, Texas.

Lisa's other accomplishments of the year include first place winner in physical science during the 1982 Permian Basin Regional Science Fair and student of the Q.U.E.S.T. Gifted Talented Program of Garden City Elementary School.

Blackard Receives Degree

Joe Wayne Blackard of Colorado City, was among 404 students from the University of Texas College of Engineering receiving his degree at the close of the 1982 Spring semester.

Dean Earnest F. Gloyna said Blackard received his bachelor of engineering science during the commencement.

YOU AUTO KNOW

By Aaron Carpenter

Q. This is more curiosity than problem right now. I've noticed, occasionally, cars spewing clouds of smoke of various colors - white, gray, black, etc., and wonder what problems are connected with each.

A. It's a good idea to check your exhaust smoke occasionally. It can warn you in advance of trouble. White smoke on a cool morning is perfectly normal. However, billowing clouds of white exhaust smoke when the temperature isn't cold is a sign of water in the engine, possibly due to a faulty head gasket, warped cylinder head or cracked block. Blue-black smoke could be a sign of worn piston rings allowing excess oil into the combustion chambers. Black or gray smoke after the car is warmed up is not as serious, but shouldn't be ignored, either. It usually indicates improper air/fuel mixture in the carburetor, and may call for anything from a simple adjustment to a rebuilding.

Sessions Begin July 6th

A new session of body control with Joanne Sanderson will begin July 6, at the Wallace Center Gym. The class will meet on Tuesday and Thursday nights for six weeks from 6:30 to 7:30 p.m. Tuition for the class is \$25. A special discount of \$5 is being offered to those that bring a friend that has never been to the class before.

The class is designed to help those desiring to lose inches around the waist, hips and thighs. It is also helpful in toning up those flabby muscles and getting an over-all body conditioning.

Pre-registration is required. To do so, come by the Wallace Center before July 5. For more information, phone the Community Education Office 728-2392.

Delicious Recipes To Try

Here's a delicious, professional looking fresh fruit tart that is easy to prepare using packaged pudding and pie filling mix and frozen whipped topping. If you don't have a pizza pan for the rich shortbread crust, simply shape the dough into a circle and bake it on heavy duty aluminum foil as the recipe directs. What a beautiful way to fresh crop of scrumptious strawberries!

FRUIT TART
 1/2 cup butter or margarine
 One-third cup sugar
 1/4 teaspoon salt
 1-3/4 cups unsifted all-purpose flour
 2 tablespoons milk
 1 package (4-serving size) French vanilla flavor pudding and pie filling
 1 container (4 oz.) non-dairy whipped topping, thawed
 2 tablespoons sherry

wine
 2 pints strawberries, halved
 1 can (11 oz.) mandarin orange sections, drained
 1 medium banana, thinly sliced
 1/2 cup apricot preserves.

Cream butter well with sugar and salt. Gradually blend in flour, then add milk, 1 tablespoon at a time, to form a stiff dough. Pat evenly into 12-inch pizza pan and flute rim. Bake at 400 degrees for 15 minutes or until lightly browned. Cool.

Meanwhile, prepare pie filling mix with 1-1/2 cups milk as directed on package. Cool. Fold in 1 cup of the whipped topping and the sherry. Spread over crust and chill. Just before serving, arrange strawberries, orange sections and banana slices in decorative pattern on filling. Heat preserves

to melt and brush over fruit. Garnish with remaining whipped topping and chill.

Note: Crust may be baked on double thickness of heavy duty aluminum foil on baking sheet; press dough into 13-inch circle with 1-inch rim. Bake and cool; then trim away foil.

You can put much more pizzazz into your pork chops if you cook them with a couple of surprise ingredients: sauerkraut and beer.

Sauerkraut, first discovered by the Chinese almost 2,000 years ago, is low in calories and high in flavor.

SAUERKRAUT AND PORK CHOP CASSEROLE

4 thick slices bacon
 4 pork chops
 3 1/2 cups sauerkraut, drained
 1 medium onion, sliced
 1/4 teaspoon pepper

1 1/2 cups beer
 Sauté bacon, remove from skillet and brown chops lightly in bacon fat. Grease a 2 to 2 1/2 quart shallow casserole or deep baking dish and lay in strips of bacon. Drain sauerkraut and fork over top of bacon. Slice onion in rather thick slices and lay over sauerkraut. Sprinkle

with pepper. Place pork chops on top of sauerkraut and push into mixture a bit. Sprinkle chops lightly with salt. Pour beer around chops in casserole and bake in 350 degree for 45 minutes to an hour. Or cook on top of stove, layering the ingredients into a kettle. Cover and simmer for 45 minutes.

Unemployment Down In Colorado City Area

The Reagan recession has not yet penetrated the Colorado City area, but for most of the rest of the state, unemployment has joined the sun-belt migration.

According to figures released by the Texas Employment Commission, unemployment in Mitchell County hit the 3.9 percent in May, down 0.7 percent from April. The TEC estimates the total local labor force at 3,804 persons.

The statewide unemployment rate for May was 6.3 percent, up 0.4 percent from April and up 1.1 percent from May 1981. "The major factor

in the May increase was people entering the labor force for the first time," James Barnes, TEC labor market analyst said.

While most of the new job seekers were students, Barnes said, many people were re-entering the labor market. Layoffs in many industries have forced spouses out to look for work, Barnes said. "This is not uncommon in times of big layoffs," he said.

Statistical analysis shows that the Reagan recession is hitting Tex-

as harder than the raw figures indicate. Every other year, Barnes said, the unemployment rate in Texas falls from January to April as the work force traditionally declines. "We just didn't see it this year," he said.

The rate stayed relatively constant at 5.9 percent, while the labor force hung at approximately 7.3 million persons.

The national unemployment rate dropped slightly from 9.0 percent in April to 9.1 percent in May.

Summer Playdays To Begin July 7th

True Christians Never Quit!

Virgil Fox
Minister
First Christian Church

Some Christians can be pushed, shoved and insulted in the ticket lines at a ball game, ignored at the beauty salon or barber shop, bawled out at the grocery store or slighted at the movie house; but they never quit attending these places! Yet, if they feel offended for any reason at church, they refuse to attend for weeks at a time, or sometimes quit for good. Rather strange and inconsistent isn't it?

Being peeved at the brethren and forsaking the Lord is about as logical as being angry at the dog and kicking the cat.

A preacher once asked a certain man why he had just ceased to attend church. He replied, "They haven't treated me right over there." "Then why don't you go home and beat your wife?" asked the minister. The startled backslider gave the preacher a look which questioned his sanity. "My wife hasn't done anything against me, he said. "Well," said the preacher, "Has the Lord Jesus done anything against you?"

How utterly silly men come in trying to give an excuse for failure to support the cause of Christ. The truth is that when you see a man or a woman begin to stay away from church because of something that has been said or done, there is something wrong with that person! Deep down in his heart he usually knows it, but simply hasn't the grace to confess it to God and make his life right with the Lord Jesus.

Let's be honest about it. If you have quit, there's something wrong with you and your relationship to Christ. It is your soul that is being separated from Christ, and there should be nothing allowed to come between you and your Saviour! Your Commitment to Christ should be far above and beyond any treatment fellow humans are capable of rendering you.

Don't kick the cat! Don't beat your wife! Don't quit the Lord! Don't stay away from His church!

NEWLY-ELECTED LIONS Club officers and directors were sworn in Friday at the weekly Noon-Day Lions Club meeting. They are, left to right, Andy Cook, director; Pete McKinney, director; Dr. Bill Jones, director; Eddie Gregory, first vice

president; G. W. Lookadoo, 2nd vice president; Murrell Blasingame, Tail-twister; Monte Jones, president; T. P. Fowler, secretary-treasurer and Ed Reich, zone chairman from Sweetwater. Not pictured is Lion-tamer, J. O. Sanderson.

Fourth Fly-In Full Of Excitement

Aerobatics, parachute jumps, plane rides and sky diving of death-defying feats will leave an audience breathless on Sunday, when the fourth Fly-In in Colorado City will be held.

The July 4 spectacle will begin with breakfast at 7 a.m., at the Northwest Airstrip and will be a day of numerous performances. Breakfast will be served to fly-ins free of charge and will cost others \$3.

"Ricky Hallmark of Midland will be doing some sky diving performances and many may remember when he zoomed in on the courthouse lawn as Santa Claus. He also carried the game ball on the football field for Lorraine's 1981 homecoming at night," stated J. O. Dockrey, Jr., chairman. Dockrey said Hallmark would be bringing another sky driver and they will be doing a double flag, displaying the American flag in the air.

Special featured attractions will be a P-51 being flown by Rob Satterfield of Odessa and a Confederate Air Force BT-13 being flown by Bill Masters of Abilene.

Spine-tingling feats will be presented in aerobatic stunts by Vann White of Lubbock, Doug Warner of Big Spring, Sam Holloman of Odessa and Bill Wicks and Buzz Hurt of Odessa.

Ole Olson of Midland will also be participating in the fly-in with his Lear-Jet.

"A special treat for the youngsters who have dreamed of sitting behind the cockpit has

been added. They will have the opportunity to do so because there will be a plane on hand for them to do just that," added Dockrey.

The show will be fast paced with something

going on at all times, and church goers will have the opportunity to attend the fly-in before and after Sunday morning services, he concluded.

Appraisal Board Delays Renewal Of Contract

Renewal of an appraisal contract with the Fort Worth firm of Pritchard & Abbott was delayed by Mitchell County Tax Appraisal District board during a recent meeting.

Board chairman Curtis Latimer explained the reluctance on the part of the local board by saying that an escalation clause in the contract is just not acceptable.

"We'll contact Pritchard & Abbott to see if they'll accept the contract at a set rate," Latimer said.

District Appraiser Mike Burt used these figures to show the board's position: the first year's contract was for \$48,000 and this year's figures were \$55,000 yearly for two years but

the inflation clause might have escalated that amount to \$57,750. This year the contract charge was \$52,000.

Pritchard & Abbott handles utilities and mineral valuations for the district. Another firm does real estate values.

Burt said, "The present contract expires Dec. 31, so we have six months to take care of this."

"We did not approve the escalation clause," Latimer said. "We'll have to negotiate with them."

Another matter be-

Rainfall

From Page 1

June; Payne, between 10-12 inches in June; Seven Wells, six and one-half to seven inches this month; Silver, 3.2 since last Friday, but did not go down to read the gauge this Friday yet; Spade Ranch, almost four inches this month, and Valley View, "so much I don't know, maybe 30 inches!" This last amount is not reported to be accurate.

Carrots, parsnips, sweet potatoes and winter squash can be simply candied with a tablespoon of honey or molasses and a tablespoon of melted butter, per cup of cooked vegetable. Gently heat until coated.

fore the board was approval of a budget for the coming year. Latimer said that at last May's meeting budget proposals were presented but the final figures adopted are \$12,000 lower than the preliminary estimates.

One item on the budget that caused considerable discussion was the matter of salaries for three people hired by the district: Burt, Marivel Quiroz and Jane Andrews.

Burt had recommended a 10 percent increase but after talking it over, that was changed to a five percent raise.

Latimer said, "This is the first time that the board couldn't agree. Jay (Craddock) felt that

ten percent was proper and it had been recommended by Mike (Burt), so that then the motion was made to grant a five percent raise, all votes were yes except for his."

Members present were Latimer, Elmer Martin, Ronald Bruce, Billy Bruce Bridgford, Marcus Vest and Jay Craddock. William Conaway was not present.

The budget calls for expenditures of \$160,077. Of that amount, \$73,000 will pay for appraisals and engineering; \$13,000 for data processing and \$33,000 for salaries.

"At the first of the year we will look at that again and possibly give the other five percent raise," Latimer said.

Optimist Club To Sell Fireworks

Fireworks have gone on sale again this year by the Colorado City Optimist Club.

Optimists have opened a firework stand on West Highway 80 by the Colorado Compress. They will sell fireworks from 10 a.m., until 10 p.m. through July 4. Rodeo tickets will be on sale at the firework stand for \$3.50 for adults and \$2.50 for children. They will also be giving away free rodeo tickets for children and any child 12-years of age and younger accompanied

by a parent may enter the drawing. All tickets will be presented immediately to the lucky winners.

Johnny Tammen, member of the club, said they wanted to encourage everyone to obey the firework laws and always use safety precautions when firing them.

He added, that they did not want anyone firing fireworks around the compress areas because of the danger of a fire.

Applications Received To Fill J.P. Post

Tom Rees, chairman of the Democratic party's executive committee in Mitchell County, has released the information that "there are several applicants for the vacant post of Justice of the Peace for Precinct One."

Information came from Rees's office that "no meeting is scheduled at this time" for the executive committee to make a decision to name someone on the ballot as the party nominee.

County Judge Bill Carter said that there are six applications for the post.

Applications may be made through the county judge's office or the office of Tom Rees.

Judge Carter said that really there are two jobs open: one, the interim J.P. post which would expire Dec. 31 of this year; and two, the party nominee's spot on the ballot for the term beginning Jan. 1, 1983 and expiring Dec. 31, 1986.

"Whoever the ex-

ecutive committee designates would be the one the commissioners court would in all probability appoint to the interim post," Judge Carter explained.

Members of the executive committee for the Democratic party in Mitchell County include Rees, chairman; G. D. Foster, Precinct One; Gwan Strange, Precinct Two; Jimmy Harrison, Precinct Three; Ray Preston, Precinct Four; and Leslie Anderson, Precinct Seven.

Judge Carter also said that the law says the Executive Committee shall designate a name for the ballot by 45 days before the election, so a decision on that matter could be delayed until sometime in September.

Judge Carter was emphatic in pointing out that the three other justices of the peace in the county are handling the business normally handled in the Precinct One office in the courthouse.

Those justices of the peace are: Mary Lee

Moore, Colorado City, Precinct Three; Ruby Claxton, Westbrook, Precinct Two; and Jo Ann Merket, Lorraine, Precinct Four.

The Precinct One office was vacated by the recent death of Henry Doss.

In the meantime, applications for the interim post are being taken at the office of the county judge and applications to be the party nominee are made at Rees's office.

Judge Carter also said that the matter is on the July 12 agenda for commissioners court.

POW-MIA Recognition Slated Friday, July 9th

July 9th has been proclaimed National POW-MIA Recognition Day by President Ronald Reagan to honor all former American prisoners of war as well as those still missing, and their families.

He called on "all Americans to join in honoring those who made the uncommon sacrifice of being held captive in war, and their loved ones."

Appropriate ceremonies and activities to mark the special day are planned at Veterans Administration medical centers and regional offices in Texas, Louisiana, Mississippi and elsewhere.

The VA also is advising former POWs in the Texas-Gulf area who haven't done so yet to contact its Waco, Houston, New Orleans or Jackson Regional Office or a local veterans service organization to see if there are more benefits and services due them now because of their imprisonment.

That is important, VA directors said, because the Prisoners of War Health Care Benefits Act of 1981, which covers persons detained or interned during periods other than wartime, liberalizes certain eligibility requirements and extends existing benefits.

Former POWs also are able to establish that certain disabilities are related to their POW experience without producing military records confirming they were

incurred or aggravated during active duty.

Under the same new legislation, the VA established a Veterans Advisory Committee on Former Prisoners of War. The committee

consults with and advises VA Administrator Robert Nimmo on the administration of benefits for former POWs and their compensation, health care and rehabilitation needs.

Computer Course To Be Offered

A basic Micro-Computer Course will be offered on Saturday, July 17, at the Wallace Center. The one-day course will be held from 9 a.m. until 4 p.m. Fee is \$25.

Dr. Gene McClurg, Dean of Occupational Education at Western Texas College, will be the instructor for the class. Dr. McClurg has a Ph.D. from Texas A&M in Physics and is very qualified to teach this course.

This basic course will consist of a general un-

derstanding of the fundamentals of micro-computers. Terminology and practice with the computers will be stressed. Application of the computer to individual businesses will be discussed.

Students must pre-register by July 16. Registrations may be made by coming to the Wallace Center Community Education Office. For information, phone 728-2392.

This course is sponsored through Western Texas College.

Hines Accepted Into Program**Scooter Hines**

Charles (Scooter) Hines has been accepted by the Gifted Students Institute to participate in the 1982 Summer Program designed for gifted and talented students to be held at Mountain View College in Dallas.

Scooter was accepted upon recommendations from the Westbrook School Counselor, the School Administration, and his teachers; test scores; general ability; academic aptitude; and evidence of special abilities in creative thinking.

This Summer's Program for 9-10 year old students is Explorations—A Journey of Discovery in which the students will study areas of natural phenomena.

Each student will be an active explorer in biological, chemical, and geological activities designed to provide understanding of the interrelationships associated with natural science. Unexplained phenomena, such as UFO's, the Black Hole, and Magic will also be examined.

Once admitted to the Institute, the students have continuing opportunities for learning experiences at various American universities and foreign study as they grow older.

Scooter will be a fifth grade student at Westbrook and is the son of Mr. and Mrs. Bass Hines of Colorado City.

City Complies With State Law

Colorado City complies with state ordinance concerning sale and use of fireworks inside the city limits, according to Chief of Police Ed Wheat.

All fireworks must be activated outside of the city limits and any persons not complying with the law can be fined up to \$200, added Wheat.

He said the ordinance was passed to protect property owners because of the extreme fire hazards caused by fireworks.

L. O. Schafer, fire marshal of the Colorado City Volunteer Fire Department, said "besides being potential contributors to fire, they can also cause serious burns and injuries to the body if not handled properly, using extreme safety precautions."

Schafer stressed that children should always have the supervision of an adult when handling fireworks. He said they should use a firework lighter for lighting them because some of the fuses were very short and active.

Schafer said that children should shoot fireworks outside the city limits in open areas, away from grass and brush.

BACKGROUND ON BUSINESS

Read The Contract

"I don't know," said a photographer salesman when a prospective customer asked why a discount was being offered on a photocopy. But inquiry by the small businessman showed that the Xerox copier being offered was "remanufactured" — what many people would call "used!"

After stuffing a turkey, close the cavity with the dampened heels of a bread. Push each into an opening with crust facing out to hold the stuffing in.
