SKYROCKET BAND FLAG CORPS

That Skyrocket Band's Flag Corps is attending camp this week at Hardin Simmons University in Abilene. The six team members were named this spring to serve through the 1985-86 school year. Team members are, back row from left, Linda Lacy, Julie Caldwell and Penny Wilkins. Front row, from left, are Kristie Keller, Christie Whitten and Nicole Keller.

Rain Delays Wheat Harvest

A wheat crop that promised to be the best in recent years has been heavily damaged by rust, rain and several days of 107-8 degree weather.

There have been only two days of good weather for harvesting since the first wheat was delivered May 24, according to Glen Warrick of Warrick's Inc.

From the latter part of last week, through the weekend and to mid-week, few combines were moving due to wet wheat and muddy fields. Extension Agent Don Reeves estimated that a day or two of hot, dry weather would start harvesting operations again.

Yields have not been established as few farmers have finished harvesting, and most of the fields that have muddy spots had to be bypassed.

Although some of these have produced good yields, better than expected, yields in many more are disappointing, it is agreed.

The first wheat was delivered to Warrick's Inc. by Clark brothers of Loco on May 24, and harvest never got in full swing before the rains started.

The May 24 cutting date was unusually early, and this was due to rust in the wheat, plus 107-8 degree weather, stressing the plants, causing them to mature early.

"There have been excellent yields and some very disappointing yields," said Warrick.

Not enough wheat has been cut north of Salt Fork River to determine yields or damage.

"It would take just one day to put harvesting in full swing if the sun shines and wind blows a little," Warrick continued.

If damp weather continues, however, there is the possibility of weeds catching up with the wheat, it was pointed out.

Collingsworth wheat growers face this possibility added to the disease, shriveled grains and prices they are already facing with the present crop.

Some of the wheat that has come into Wellington so far has been from north Childress County, Gray and Wheeler Counties as well as some from the Vinson area in Oklahoma. Much of the wheat grown in that sector is delivered to Warrick's Elevator at Reed.

All of the rain has hurt the quality. Test weights are way down and yields have been very disappointing to many for wheat cut since the rain started, Warrick commented.

Reeves reported that some of the custom cutters are pulling out of the county. "They have obligations up north, and they must go on," he said. Some of these have come from outside the county. Others are local custom operators.

Some growers are plowing their fields right behind the combines where that is possible.

Reeves said there has been more rust than usual, and he attributes it to the wet spring. Wet weather and rust go hand in hand, he said.

Hail damage has been scattered through the county and only a few fields were completely wiped out. Most of this damage was in the Arlie and Rolla communities, with scattered fields in the north part of the county.

Reports from the Dodson area, where harvesting started, are about like the results from around Wellington. Some growers in that area have left their wheat to make every effort to get their cotton planted, due to the greater profit possible from this year's cotton crop.

Most wheat growers have stayed with the standard varieties again this year, although a few of the newer wheats are appearing, according to Reeves. They have planted Concho, TAM 105 and 101, and Larned. Some Chisum variety was planted and the growers are satisfied. It has seemed to mature a little earlier than the other varieties, Reeves said. Hawk, although it has been around for a long time, is just appearing here and it also is satisfactory.

School Board Accepts Bids on New All-Weather Running Track

Wellington School Board accepted at regular meeting Monday, June 10 bids for a new all-weather track which will be completed this summer.

Bids for the project total $61,494.65. The board accepted Vibro-Whirl Co. of Panhandle's bid of $40,000 for a rubberized "Reslite" surface. The board also accepted a bid of $18,993.65 from an Altus contractor for the asphalt sub-surface. The City of Wellington will provide some additional base material and will complete the base for $1. The City will lay a prime coat on top of the base for $2,500, the city's cost of the primer material.

The current track, composed of compacted road base material and a concrete curb, was constructed about ten years ago with City of Wellington equipment and material. The Vibro-Whirl representative who met with the school board this week said that the work that had already been done on the track saved the district about $40,000.

The Vibro-Whirl representative also said that his company's experience showed that adults in the community would use an all-weather track for walking and jogging in addition to the district's use of the track as a sports facility. He said that the district would have to specify what type of shoes could be used on the track and he said that fences should be improved to keep motorcycles and three and four-wheel vehicles off of the track.

Included in the bid are the eight-lane 400-meter track and all-weather surfaces for field events.

CAREER LADDER

The School board also approved without changes the recommendations of the district's career ladder committee. Earlier this year the district appointed administrators and teachers representing each of the school's three campuses to develop criteria to determine the district's career ladder.

The merit pay or career ladder concept was one of the changes in Texas public schools mandated by education reform bill, House Bill 72, last summer.

Under the new system, teachers who qualify will receive an additional $1,500 this summer, and will have an additional $1,500 added to their annual salaries in the future.

The committee recommended thirteen teachers for placement this year on the career ladder.

DELINQUENT TAXES

The district mailed notices of delinquent taxes to taxpayers on May 31. District tax assessor Tommie Watts said that the district has received several complaints from taxpayers who said that this was the first time they had received notices for delinquent taxes which were, in some cases, many years old.

Mrs. Watts said that a new state law required the district to send notices of all delinquent taxes this year and once every five years in the future. The law applies to all delinquent taxes no matter how old they are. She said that the district in the past has sent notices of taxes being delinquent only during the first year of their delinquency. Then taxes were entered into the delinquent tax roll and no further notices have been sent.

Mrs. Watts said that most of the problems had arisen from old delinquent taxes in the former Dodson school district which was incorporated into the Wellington district in 1971. She said that the Dodson district did not have a delinquent tax roll at the time the districts were merged. A delinquent roll was constructed at that time from all records available from the Dodson district, and that many problems had occurred over the years as a result of the missing records.

Mrs. Watts said that any taxpayer who has received a notice of delinquent taxes and who has proof of payment should contact the tax office. She said the district would accept receipts or abstracts as proof of payment.

Mrs. Watts also said that some taxpayers have asked if a "statute of limitations" applies to delinquent taxes. She said that the State Property Tax Board in Austin has said that there is no statute of limitations on delinquent taxes.

OTHER BUSINESS

The board also accepted the resignation of assistant coach Tom Johnson who has taken an assistant coach's position in Quanah, and the board hired Wanda Cardwell to replace Louis Graham as school counselor. Graham resigned earlier this year, effective this summer.

Graham, in his final report to the board, gave the results of the 1984-85 Texas Assessment of Basic Skills Tests for the school. Students in grades 3, 5, and 9 are tested each year on reading, writing and math skills. Graham told the board that the district was ahead of its goals in most areas. He also said that beginning next April first graders will be tested in the TABS

Torrez Attends American Legion Boys State, Austin

Rudy Torrez, the son of Mr. and Mrs. Julian Torrez, Sr., is among 959 Texas high school juniors who are on the University of Texas Campus at Austin this week for the 45th session of American Legion Boys State. Registration began at 1 p.m. June 8 for the full week of activities learning about the functions of our government.

State Commander John D. Morris of Houston announced.

Rudy was drum major for That Skyrocket Band and manager of the Skyrocket football team.

He was on the Skyrocket basketball team and a member of the National Honor Society and consistently on the honor roll.

This year he will be vice president of the National Honor Society.

That evening the new citizens of Boys State will attend their first meeting in their assigned mythical Boys State City to start the week long program. A program designed to teach responsibilities of citizenship in an actual "Learn By Doing" type workshop.

"Boys State is one of the outstanding youth training programs of the Americanism Commission of The American Legion," Commander Morris stated.

C-C Announces Fair Plans, New Directors

Charles Darter, Collingsworth Chamber of Commerce president, announced a completed list of county fair chairmen during the directors meeting Monday, June 10.

A firm date of Friday and Saturday, September 6 and 7, was set for the fair.

Mark Keys and Nick Gilley will be overall fair co-chairmen.

Tommy Hudson will head the opening parade Friday morning.

Nancy Janes, extension agent, and Jeanelle Gilley will co-chair the exhibits to be shown in Bura Handley Community Center. Each division, such as flower show, art exhibit, and others, will have its own chairman and as many workers as are needed.

Junior Fair chairman will be Diane Casual, and she will have chairmen of the various events that are a part of Fun Fair. This will be at Eillison Park, starting at noon Saturday.

Horse show chairman will be Extension Agent Don Reeves. This will be at VFW Rodeo Arena again this year.

Wellington Rodeo Association will be in charge of the Friday noon Barbecue, also at Ellison Park.

Henry Wells will be chairman of the chili cookoff, an event of Saturday afternoon at Ellison Park.

Buster Hughs will be in charge of the pet show to be held on the court house lawn Saturday morning.

Finance chairman will be Bill Hatch. This becomes a major appointment of the Fair, as there will not be a fair carnival for the first time in 10 years.

The chamber's portion of the carnival proceeds have funded the fair each year and now for the first time in a decade the chamber will have to raise money from some other source to fund the fair, which is the major community of the year.

Each of these will name as many workers as will be needed.

With the Fair date firm, That Skyrocket Band will be available for the parade, and the Community Band will be invited to participate.

Chamber of Commerce directors voted Monday that all booths at Fun Fair must be sponsored by non-profit organizations and none will be operated commercially.

Darter announced the nominating committee has selected directors to fill unexpired terms:

Earl Feemster will fill a term expiring July 1, 1986. This was a vacancy already existing. Jamie Johnson was appointed to succeed Charles Britten, for a term expiring January 1, 1987. Lyn Hurst succeeds Walter Clements in a term expiring July 1, 1985. Britten moved to Hereford and Clements to Altus Okla.

The nominating committee, Yates Parker, Tommy Hudson and Zeb Roberson will meet again to nominate directors for regular terms which begin July 1, 1985. Those whose terms expire at that date are Hurst, Jerry Duncan and Don Reeves.

Present for the meeting were Darter, C-C president; directors Hudson, Roberson, Hatch, Glenna Hernandez and Tommy Lonon, a new director; also Margaret Vines, secretary.

Satellite Center to Host Get-Together Fri.

Wellington Satellite Center will be host to other centers from over the panhandle for a get-together at Pioneer Park Friday, June 14, from 10 a.m. to 3 p.m., Toni Wright, director has announced. Approximately 100 visitors are expected from Childress, Tulia, Hereford, Pampa, Dumas, Borger, Perryton and Wellington, along with staff members from the outreach department of Amarillo State Center.

Visitors are welcome, Mrs. Wright said.

Games will entertain the visitors. Each one attending will bring a sack lunch and Wellington Satellite Center advisory board members will furnish pop and home made ice cream. Entertainment will include games, wading in the river, races and a tug of war. Those who attended the Special Olympics will demonstrate their skills.

"Visitors will have the opportunity to see how every workshop operates," said Mrs. Wright.

Alexander Heads Texas Lumbermen

Ruel Alexander of Canyon Drive Lumber Co., Amarillo was elected President of the Lumbermen's Association of Texas for the 1985-86 year.

Ray Nunn, Simms-Moore Lumber and Hardware Co., Frisco, was elected First Vice-President, Tom Hanover, Hanover Building Materials, Inc., Austin, was elected Second Vice-President, and A George Natsis III, Edna Lumber Co., Edna was elected Treasurer. Leonard Bartlett, Higginbotham-Bartlett Co., Lubbock, was elected Sergent-at-Arms, Joe Butler, Sr. was re-elected Executive Vice President and Joe Butler, Jr. was re-elected Secretary.

The new officers were elected at the Board of Directors meeting held in conjunction with the Fort Worth Convention, April 19-21, 1985.

Alexander is manager of Canyon

RUEL ALEXANDER

October 1968. Upon incorporation Drive Lumber Company in Amarillo. He joined Canyon Drive Lumber Co. as accountant in May 1966, and became manager in

of the business, a short time later, he was elected secretary-treasurer. "My primary interest has been the design and development of a data processing system which we began in early 1969 to use and expand," said Alexander.

He was a member of the Amarillo Association of Credit Management several years and for three years was a member of the Board and was on the Executive Committee. He has been a member and secretary-treasurer of West Texas State University Cager Club. He will serve as L.A.T.'s President from the Fort Worth Convention through the San Antonio Convention next year.

Alexander, who was reared in Dodson, is the son of Mr. and Mrs. Clyde Alexander, who now live in Wellington. His wife is the former Gloria Boyd, daughter of the late Mr. and Mrs. Fred Boyd.

Film on Hazardous Waste Disposal Here

GFWC 1924 Study Club has made available to Collingsworth County citizens the viewing of a 16 mm film, "Hazardous Waste Options." This new film is a way of informing the public about hazardous problems and modern technology. Shell Oil is the sponsor of the GFWC Watch Your Waste emphasis.

Supportive materials have been a preface and follow-up in this film, depending on whether it was shown to an adult or student group. Those who have viewed the film include a courthouse presentation to Commissioners Court, other county officers and staff as well as to club members; Wellington Kiwanis Club with City officials; Samnorwood Lions. The youth groups were from Samnorwood ISD and Wellington ISD spanning grade schools and the gifted and talented classes. Mrs. Kent Clark has co-ordinated the school previewings with vocabulary drills.

Essays on "Hazardous Waste" are sponsored by GFWC 1924 Study Club with monetary awards to each class participating.

The club president, Mrs. H.L. Jenkins, distributed earlier a "Hazardous Waster Management Questionnaire" to help stimulate members' thought processes to think what hazardous waste is, who generates it, how to dispose of it and who is responsible for cleanup."

"Watch Your Waste Checklist" for items found in residental environment are available to alert indidivuals on their roles in safe use and sound practices of disposal of hazardous products.

Wellington Men Named to TSTI Honor Rolls

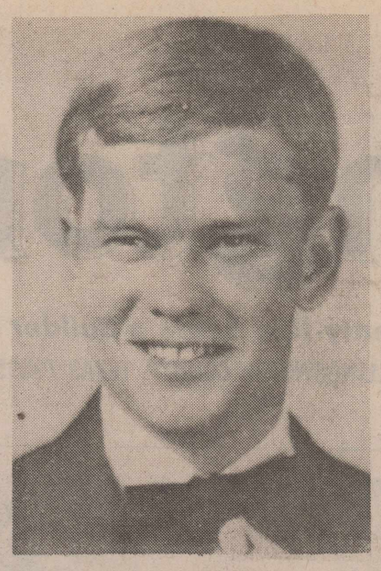

Two Wellington men have been named to the honor rolls at the Amarillo Campus of Texas State Technical Institute, according to Ron DeSpain, campus president.

Richard Burba was named to the President's Honor Roll. Membership to this roll is attained by maintaining a 4.0 grade average.

Burba is the son of Mr. and Mrs. Dee Burba. He is majoring in computer electronic technology and is a graduate of Wellington High School.

Ricky Martinez was named to the Vice-President's Honor Roll. Membership on this honor roll is attained by maintaining a 3.5 grade average.

Martinez is the son of Mr. and Mrs. Juan Martinez. He is majoring in diesel mechanics technology and is also a graduate of Wellington High School.

JEFFERY CAMP

Jeffery Camp Earns B.S. Degree From Texas Tech

Jeffery Camp received a Bachelor of Science degree in mechanical engineering in May from Texas Tech University.

Camp was on the Dean's List for five semesters.

This spring he won second place in statewide competition for a senior engineering project. Students from eighteen universities from across the state competed in the "Old Guard Competition" sponsored by the American Society of Mechanical Engineers.

Camp was a member of Farm House social fraternity, serving as secretary, house manager, vice president and little sister representative.

He also served as secretary of Tau Beta Pi, an engineering honorary fraternity, and as treasurer of Pi Tau Sigma, a mechanical engineering honorary fraternity.

Camp is the son of Mr. and Mrs. Walter Camp. He is employed this summer at Ober J. Engineering, Inc., Wellington.

94 Attending Mexican Youth Camp at Panfork

Ninty-four boys and girls are attending Panfork Mexican Camp this week, the Rev. John Gillispie, Panfork director, has reported. It was a much larger group than expected, he said.

Twelve drove from Ulysses, Kansas to attend. Daily activities are: devotions and prayer, breakfast, clean and beautify cabins for inspection (limpiar y arreglas su cabana); Bible study (estudio Biblico), a break (descanso), and a seminar on "Prayer for Spiritual awakening." After lunch and a rest period, swimming fills most of the afternoons.

Evangelistic services close the dav's activities.

SCHOOL ---continued from page 1

program, which will be renamed TEAMS tests next year. Graham also said that beginning next year students must pass "exit level" tests in reading, writing and math in order to receive a high school diploma. He said that a student had four opportunities to pass the test before graduation, and that a student had to be re-tested only in the specific area of the test which he previously failed.

The board also approved a new eight-week pre-kindergarten class to be taught for students for whom English is a second language. The class is a requirement of new state education regulations. The class will begin after July 4 and will be taught by Phoebe Tramel. It is for students who will enter kindergarten this fall.

The board also approved selling its portion of several lots in Wellington to the Wellington Industrial Board. The district owns the lots in conjunction with the city and county as a result of sheriff's sales of property for delinquent taxes.

Present were board members Bill Spillman, Reed Souder, Jerry Duncan, Kirby Campbell and Sharon Starkey. Frances Schmidt and John Barton were absent.

EXTENDED COVERAGE

★ If you haven't reviewed your insurance coverage in light of recent tax laws, you could find yourself seriously underprotected.

★ In years past, Uncle Sam would help you bear an uninsured loss. If a diamond ring was stolen, or a tree fell on the house, you'd have to carry the first $100 of the loss yourself, but you could deduct the rest from income on your tax return.

★ Now the "Floor" on casualty and theft losses is 10 percent of adjusted gross income, PLUS that $100, before you can deduct anything. And if you are subject to the alternative minimum tax, the effect is even worse.

★ Now it makes sense to insure just about everything worth stealing, and to up your coverage sufficiently to cover home, auto, or other holdings; if premiums are a problem, it's cost-efficient to increase deductibles.

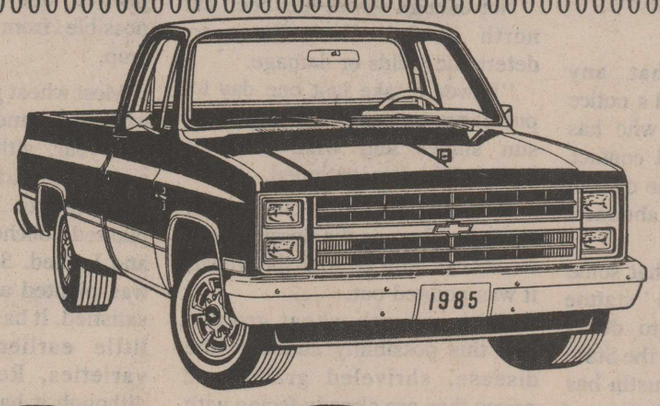

★ Don't wait for the NEXT tax law change to review your policies. It's a good bet it won't be any more liberal.

VFW Auxiliary Holds Officer Installation

Officers elected to serve the VFW Auxiliary for the new year were installed by Laverne Jones, a past president of the organization, on Tuesday evening, June 4. Taking the oath of office were Louise Henard, president; Wanda Jeffrey, Sr. vice president; Treva Stallings, Jr. vice president; Esta Glenn, treasurer; Thelma Curry, chaplain; Edna Rudy, conductress; Cheryl Anders, guard; Dorothy McGill, Laverne Jones and Ina Brown, trustees.

The work and activities of the Auxiliary for the past year were reviewed. A drive was made to collect books, magazines and recreation and hygiene items which were taken to the Veterans Hospital in Amarillo. Postage stamps in the amount of $25.00 was included for the patient's use. A cash gift was given to the VA hospital at Christmas to be used for the patients.

Also for Christmas, a Pinata filled with 'goodies' was presented to the children at the Community Action Center to add joy to their holiday. To add cheer and happiness to a cancer resident and her family, the Auxiliary surprised them with a basket of food and gifts at Christmas.

The National Home received cash gifts for their Christmas Cheer Fund. Sizable gifts of cash were made to the Department for disaster fund, nursing scholarship fund, for cancer aid and research and to the department Memorial chapel. Thomas Nursing Center patients were remembered with a birthday cake for one of their monthly birthday parties.

To promote peace, the Auxiliary planted a Peace Rose in the Collingsworth General Hospital patio. Flowering shrubs were planted on the VFW grounds to enhance the beauty of the grounds. A flag was purchased and given to the DAR La Paisana Chapter, Daughters of the American Revolution for their presentation to the jail. Funds for these activities are derived from a portion of the membership dues and the Buddy Poppy Sale. VFW Buddy Poppies are assembled by disabled veterans in hospitals throughout the United States. Funds raised through "Buddy" Poppy sales by VFW Post and Auxiliaries are used for aid to veterans and their dependents.

The Auxiliary assist with the Memorial Services sponsored on Memorial Day by the VFW. VFW members place flags on each veteran's grave and the Auxiliary places a cross covered with poppies at the grave of each deceased member. They also serve breakfast to the members who decorate the graves and take part in the service.

Each month the VFW and Auxiliary join together to host a fellowship dinner for members and their families.

Six new members were admitted to the Auxiliary in 1985. These included Kedron Mitchell, Viola Colson, Winnie Bell, Margaret Peeples, Lola Estes and Kathryn Barjenbruch.

Shreveport Woman Visits Many Kin

Mrs. Ruth Evelyn Stewart of Shreveport, La., has come to be with her aunts, Mrs. G.L. Jones and Mrs. Lydabel Kannenberg.

Mrs. Stewart will remain for several weeks, and during this time she plans to pay a first-time visit with a number of other relatives living in this area.

Mrs. Stewart will go to Matador for a visit to see Mrs. John Aaron; to Amarillo to see Mrs. Cleo Aaron McQuary; and to Clarendon to see the Harvey Jones family.

Other relatives she will visit include Mrs. Ruth Norman of Dodson, Howard and Marie Jones, Mrs. Bill Hankins and Mrs. Velma Emmert and Joy Aaron Emmert.

Mrs. Stewart was here a number of times as a child and will be remembered by some as Ruth Evelyn Corder, daughter of Mrs. Ruth Aaron Corder.

Dodson Nazarene WMS Begins Mission Study for New Year

BY WANDA CARDWELL

The Dodson Nazarene World Missionary Society met Tuesday, May 8, in the home of Mrs. Janet Huff.

Mrs. Huff directed the singing of "Throw Out the Lifeline" with Mrs. Nancy Heflin as her accompanist at the piano.

Mrs. Wilma Beanland gave an interesting devotional.

Mrs. Ellen Holder, president, presided over the business meeting. She gave the month's emphasis on mission education. She also gave the requirements for having a NWMS Honor Society. She told the group that the missionary society received Honor Society status for last year.

She told the group that Missionary Richard Crow of Africa will be at the Dodson Church of the Nazarene to speak Sunday morning, Sept. 29.

Wanda Cardwell presented the first lesson for the year on Unit I, "Why Missions?" Everyone in the audience participated in the program. Mrs. Mamie Lewis closed the meeting with prayer.

A buffet dinner was served to Iva Lewis, Billie Jo Jarvis, Mamie Lewis, Nancy Heflin and Reece, Ellen Holder, Wilma Beanland and Misti, Wanda Cardwell, the Rev. and Mrs. Corlis Huff, Karen and Kristi Huff.

MR. AND MRS. KENYTH CASS

Kenyth Casses Honored On Wedding Anniversary

A former Collingsworth County couple Mr. and Mrs. Kenyth Cass of Friona observed their fiftieth wedding anniversary Saturday, May 11.

The celebration began when the couple was honored with a family dinner in the home of their son, Mr. and Mrs. Jerry Cass of Friona.

The couple's children are Gay and George Price of Midland and Jerry and Karene Cass. Their grandchildren are Laurie Price of College Station, Russell Price of Lubbock, John, Jennifer and Mary Frances Cass of Friona.

After the dinner, the children and grandchildren presented the honorees with a 35 mm camera, to record by picture the trip they had planned and arranged for them.

The trip took them through the states of Oklahoma, Arkansas, Tennessee, North Carolina, Alabama, Georgia and Mississippi. Highlights of the trip were historical tours through Memphis and Nashville, Tennessee, with two nights at the Gand Ole Opry. While in Nashville, they stayed three nights at the Sheraton Music City, a new hotel which had just opened. They went on east and south to Gatlinburg, Tennessee and through the Great Smoky Mountains.

On their return trip home, they stopped in Wellington for a visit in the homes of Mr . Cass' sisters, Mrs. Clyde Emmert and Mr. and Mrs. George Scott. There they took pictures of the church where they were married and of the hospital where the children were born.

Kenyth Cass and Mary Lee Jones were married May 11, 1935 at Wellington in the First Methodist Church. The Reverend T.M. Johnston, performed the ceremony. The couple has lived at Friona for 34 years. They grew up northwest of Wellington.

Personal

Mrs. Gary Wright and daughter, Alicia, were in Waxahachie last week for Alicia to see her orthodontist, Dr. Stan Parker. At Vernon they were joined by Mrs. Wright's mother, Mrs. Glen Taylor, who was visiting there, and they visited their daughter and sister, Glenna Barton and her husband, Wayne Barton, at Decatur. Enroute home, they stopped at Olustee, Okla., to pick up Larry Wright, who was with his father in wheat harvest.

Home Delivered Meals For The Homebound

Monday, June 17: baked franks and rice, chopped broccoli, lettuce with dressing, peach cobbler, bread and butter, milk.

Tuesday: June 18: beef patty, peas and carrots, spinach, bread and butter, spice cake, milk.

Wednesday, June 19: beef-pork loaf, glazed sweet potatoes, chopped spinach, chocolate chip cookies, bread and butter, milk.

Thursday, June 10: Macaroni and cheese with ham, carrot-cabbage slaw, apple crisp, bread and butter, milk.

Friday, June 21: roast, whipped potatoes, broccoli with cheese sauce, applesauce cake, bread and butter, milk.

New research shows that forested land returns ten times the moisture to the atmosphere as deforested land, and produces 50 percent of the rain that falls on it.

Sabine Pass UDC Has Annual Jefferson Tea

United Daughters of the Confederacy, Sabine Pass Chapter No. 2459 met in the Heritage Room Sunday, June 2, at 2:30 p.m. for its Jefferson Davis Day tea, honoring the memory of that president of the Confederacy.

Mrs. B.B. Martin of Hollis was the guest speaker, telling the life of Jefferson Davis, Senator and later President of the Southern Confederacy 1861-65.

The tea table was decorated with a picture of Jefferson Davis and a collection of flags that flew over the Confederacy. Tea and cake were served. Mrs. George Porter was in charge of the tea.

Those attending were Mrs. Mary Nell Holton, Mrs. Willie Wells, Mrs. Marguerite Bartlett, Miss Maudie Coffee, Mrs. Kedron Mitchell, Mrs. Florence DeArmond, Miss Hattie D. Wells, Mrs. Gertrude Mayhugh, Mrs. Betty Kiker, Mrs. Jo Carson, Mrs. Martin and Mrs. Porter.

Mrs. Martin, the program speaker, called Jefferson Davis "the most misunderstood man in history."

Davis was born the same year, 1808, as another famous Kentuckian, Abraham Lincoln, Mrs. Martin reminded. Their paths were to cross often, in the Blackhawk War, when they were in the same unit, in government when Davis was senator, and secretary of war, later when they were on opposing sides in the Civil War.

Davis became a wealthy plantation owner in Mississippi and his first wife, Sara Knox Taylor, was the daughter of General Zachary Taylor, who later became U.S. president. She died young, and later he married Varina Ann Howell of Natchez, Miss. She was a Whig, he a Democrat. Her family could never understand how a man as intelligent as Mr. Davis could be a democrat.

While serving as Secretary of war under President Franklin Pierce, Davis improved the nation's military equipment, enlarged the Army, and established a medical unit, and appointed Robert E. Lee as head of West Point, all of which was used effectively against the Confederacy later.

Davis opposed secession until his own state seceded when he resigned his senate seat and took command of the confederate forces, to become president of the confedracy.

He headed a nation without an army or navy, munitions or arms factories, or mills to make uniforms, without hospitals and without money.

After the end of hostilities, Davis was imprisoned at Ft. Monroe, and it became necessary for Mrs. Davis to finally appeal to his former enemies to secure Davis' release from the vermin-infected prison. Although Davis was indicted for treason, he was never tried, Mrs. Martin concluded.

There are more than 25 million people with high blood pressure—hypertension—in the United States.

Sincere Thanks

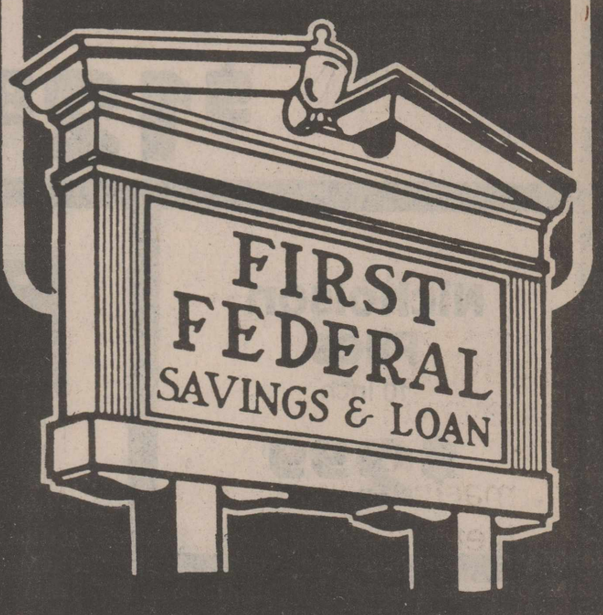

We wish to express our appreciation for each act of thoughtfulness on the occasion of our 60th anniversary.

Bill and Ruby Harbin

Mr., Mrs. Jack Ball Honored on 60th Wedding Anniversary

Mr. and Mrs. Jack Ball celebrated their 60th wedding anniversary Saturday, June 8, with a family luncheon at the Farm Bureau Hospitality Room, followed by a reception for friends from two to four-thirty o'clock.

The reception was hosted by the couple's three daughters: Mrs. Dave (Pearl) Browder of Memphis, Mrs. R.B. (Carra Beth) Johnson of Fremont, Nebraska; and Mr. and Mrs. Rowland (Nita) Lewis of Dallas. Grandchildren attending and assisting were Mr. and Mrs. David Keith of Amarillo, Mrs. Bill Knoell of Fremont, Ms., Merrie Lynn Lewis and David Lewis of Dallas.

Great grandchildren were Kris and Kyle Keith of Amarillo, Jan, Jared and Jina Knoell of Fremont. The couple and their daughters received the guests.

Presiding at the reception table were the granddaughters, Mary Knoell, Linda Keith and Merri Lynn Lewis.

Mr. and Mrs. Ball were married on June 6, 1925, at the home of the Rev. and Mrs. F.B. Boyett near Hollis. Their attendants were Mr. and Mrs. Floyd Prather of Blair, Okla., and the ceremony was read in the yard of the Boyett home.

The next day, Mr. and Mrs. Ball moved to Wellington to establish their home.

Mr. Ball was born in Independence County, Ark., near Batesville, the son of John Henry and Matilda Nancy Eason Ball. He grew up on a farm in that area, coming to Collingsworth County with his parents in 1909. The family returned to Arkansas for a few years, but in 1919 they moved back to Collingsworth County.

Mrs. Ball was the former Nora Sanford, daughter of B.F. and Pearl Derden Sanford. She was born in Ellis county, but moved to Harmon County, Oklahoma with her family when she was a small child.

As a young woman she was a teacher and for three years taught at the Bitter Creek School southeast of Dodson. She remains active in First Baptist Church.

Mr. and Mrs. Ball farmed during the first year they lived in Collingsworth County, and it was at this time that Mr. Ball began his work as a brick mason. Fifty-eight years later, he is not completely retired, and some of his latest projects include installing the elevator at Collingsworth County court house and putting in the concrete ramps leading from the street to the court house.

Besides their three daughters, their youngest daughter, Von Dell died as a small child, and their only son, Jack Ball, Jr., died in 1967 after open heart surgery.

Coming from Hollis to attend the anniversary celebration were Louise Watt, Maxine Keith, Mr. and Mrs. W.J. Keith and Mr. and Mrs. Roy Sanford.

Col. and Mrs. Hollis Attend Washington Picnic of Year

Colonel and Mrs. J.B. Hollis of Dodson recently attended "The Picnic of the Year" at "Monteevedeo", home of Mr. and Mrs. Austin Kiplinger at Poolesville, Maryland.

The beautiful 300 or more acre estate was the sight of interesting and fun events, such as show jumping, polo exhibitions, demonstrations by the Potomac Fox Hunt hounds, exhibit and grand review of antique and classic automobiles, carriage driving displays and promenade, croquet matches, clowns and calliope, Old time American music, climaxing with a dramatic ascension of "Odyssey", hot air balloon.

Mrs. Hollis was on the committee for this event which benefited The Children's Hospital and National Medical Center of Washington, D.C.

Mr. Kiplinger is the editor-publisher of The Kiplinger Washington Letter, Agricultural Letter, Tax Letter and The Changing Times.

Club Hears of Child Abuse

A program on "Child Abuse" was given by Mrs. Beth Motsenbocker, child welfare worker, for members of Midway Extension Club Wednesday, June 5. The meeting was at 2:30 p.m. in the Heritage Room, with Mrs. Gertrude Mayhugh postess.

Mrs. Frankie Duncan, president, opened the meeting, Mrs. Mayhugh gave the devotional and treasurer's report, and then conducted the roll call. Members told their favorite poems and the authors.

Refreshments were served to Mrs. Duncan, Mrs. Mayhugh, Mrs. Lorene Hill, Mrs. Edna Rudy, Mrs. Annie Bowen, Mrs. Mamie Terry, Mrs. Pauline Masten, Mrs. Thelma Curry, Mrs. Annie Caison, Mrs. Trudie Peters, Mrs. Ina Brown, Mary Wilkerson, and the guest, Mrs. Motsenbocker.

The majority of stars we know of are in binary systems were two stars move through space together and influence each other gravitationally.

1924 Study Club Emphasizes On Waste Prevention For 1985

Have you taken steps to make your home and business safer by setting an example to youth and others as you "Watch Your Waste"? asks Lorene Jenkins of 1924 Study Club. Take a step in an attempt to have "Waste in Place" become habit forming. Consider such waste management as a daily routine; it can make a positive difference--to make a step in the waste management habit!!!

There is a local effort to encourage citizens to participate in safe disposal of house substances that are dangerous, if misused, not only to human beings and domestic animals but to wildlife. Some local businesses come under this category too. This appeal is to rural residents as well as municipal ones.

"To educate the community about hazardous, earlier this year the GFWC 1924 Study Club through GFWC/Shell Oil offered a film Hazardous Waste Options.

"Viewing this film with supportive brochures were county and city officials, men's and women's civic clubs, and the public schools of Collingsworth County, said Mrs. Jenkins. On this topic, groundwork on pointers for commercial and residential handling of landfills and low level toxic waste was generated from programs by City Manager Glen Taylor, Hospital Administrator Perry Foster, and DPS Trooper Herbert Duncan, Jr. These were requested as guest days on regular programming on GFWC 1924 Study Club.

Citizens may wish to consider the waste possible by purchases, such as glass returnable or recyclable, rather than throwaways. Many people do not know they are disposing of wastes illegally. It is estimated that "each individual household generates a few gallons a year of hazardous waste." Multiply that by a community populous and there is "chemical soup" proportionately. Locally, there are certain measures for industrial and commercial disposal that vary with the designated guidelines. But what about households? What happens when people change residences? How many are aware that it is illegal to dump or leave unattended certain leftovers that appear on the following list?

With this check list, citizens may discover where and what kind of hazardous waste is in the home.

Garage: pesticides, fertilizers, weed killers, insecticides.

Paint products: thinners, removers, wood preservatives, furniture trippers.,

Automobile products: waste oil, antifreeze, window cleaner, break fluid, car wax.

Bathroom: cleaning solvents for clothers, toilet bowl cleaner, (mixing more than one type can cause instant lethal fumes), bathroom cleaners, rubbing alcohol, disposable shavers, spray cans for hair, cleaning, starching, etc.

Kitchen: Oven cleaners, furniture polish, drain cleaner, floor cleaner, floor wax, ball point pens.

Bedroom: perfume, medicines, (outdated and otherwise).

Laundry room: laundry detergent, bleaches.

Mrs. Jenkins declared: "This is designed only to start you thinking about the need for safe use and disposal of hazardous products. Everyone needs to consider their role in promoting, environmentally sound practices."

What should be done with empty containers of half-used items that the home owner wants to dispose of? Reading the labels helps! But actual disposal means proper guidelines which are being provided for Collingsworth County citizens by the City of Wellington and county officials. (On the current water bills from city is a legend which refers to an advertisement elsewhere in this edition, with subjects more in detail in this article.) This is a new specified category to emphasize disposal of household hazards in addition to the general clean-up campaign project sponsored by Collingsworth Chamber of Commerce.

Items for disposal should be placed in plastic containers or trash bags and taken to a landfill, throwing this in bottom of the existing landfill. "There is an attendant in the general area if there is a question where to place your hazardous materials," according to City Manager Tiny Taylor. This allows for daily coverage to comply with state laws.

Just as our preferences regarding high-level waste site in Texas Panhandle gets the "Nimby theory " to DOE, let our county use "volunteer steps for our level of a SUPERFUN" and do our individual part to say in an " inventory of household waste" -- Not In My Back Yard..."Waste in Place" means a safer, neater county. Will citizens "take steps in that direction" beginning TODAY? Any day is the time to take a step in this direction. Why not get that habit TODAY?

No birds now on earth have teeth.

Take a *step* towards
a safer home and community;

Volunteer *strides* to
lower toxic waste inventory;

Hike "Waste in Place" as
habit-forming, rural/town;

Try NIMBY theory* to
de-feet household waste list.

Disposal Options: Date, places,
and methods in related story.

Lorene Jenkins Tells Gardeners of Plants, Trees of Holy Land

Wellington Garden Club met in the Heritage Room for their last meeting before summer vacation.

Mrs. Lorene Jenkins, program leader, gave a follow up on "Hazardous Waste" in your homes. She told about "A Hazardous Waste" Remover-Spider Plants. NASA researchers have found that some popular houseplants, among them the spider plant that millions of householders have hanging in windows, remove formaldehyde from the air.

"Formaldehyde is a common indoor pollutant released by many construction, decorating and personal-care products. In your home, you might need 60 or 70 plants to keep the place free of formaldehyde. Nevertheless every plant contributes to a reduction in the amount of formaldehyde floating through the air. Wellington Garden Club is cooperating with the 1924 Study Club this year in informing the public about hazardous waste in the home by the use of slides and programs," said the speaker.

Mrs. Jenkins briefly reviewed flowers and trees of the Holy Land. She stated that some of the irises, tulips and lillies which grow wild can compete with any cultivated species for their beauty. Wild flowers are found all over the country-even the desert, often believed to be void of life, has it's own plants which have adpated themselves to their special conditions. "Trees form an integral part of the landscape playing a significant role in Biblical tradition," according to Mrs. Jenkins.

Mrs. Jenkins showed slides of the Holy Land. These slides with tape were provided by Mrs. L.C. Sweat.

Mrs. Mamie Terry, president, presided over the business meeting. Mrs. Willie B. Harwell led the collect and Roll call was a favorite house plant. Violets were chosen by a majority of membes.

The hospital patio committee reported the grass was up and growing in the patio and that plants of marigold, coxcomb, periwinkles and Christmas peppers had been set out.

As a reminder to members of Wellington Garden Club of the Texas Sesquicentennial Celebration-1986, Mrs. Jenkins presented members and guest with ceramic replica of State of Texas with the Yellow Rose of Texas decal. These were hand made by Mrs. Jenkins. Margarette Bartlett drew the door prize which was a houseplant.

Refreshments were served by hostesses Jenkins and Terry to Annie Caison, Willie B. Harwell, Ellen Mae Wood, Florence DeArmond, Bill Cason, Margarette Bartlett, Susie Crawford, Anne Fires and Abbie Harris, a guest.

Who's New

Mr. and Mrs. Andy Butler are parents of a daughter, Andrea Michelle, born Thursday, May 30, at Childress Hospital. She weighed seven pounds and nine ounces. Grandparents are Mr. and Mrs. Dewey Butler and Mr. and Mrs. Roy Kemp all of Wellington. Paternal great grandparents are Mr. and Mrs. Darrel Ellexson of Beverly, Kansas. Maternal great grandparents are Virgil Lemley of Carthage, Ill., and Norma Kemp of Dupo, Ill. There are also great-great grandparents, Helen Beck of Colchester, Ill., and Goldie Lemley of Plymouth, Ill.

I Saw... by Virginia Robey

Zook and Leatha Thomas have moved to town. First their house came and was completed and bricked. Then they moved in. Zook says the last time they lived in town, anywhere, was in 1940-41, when he managed the Wellington Gin.

"But things were different," he says. "We lived on Childress Street and we kept a cow. Leatha milked her every morning and Helen Hurst Gribble milked her every evening. But I'm not getting much response when I bring this up now."

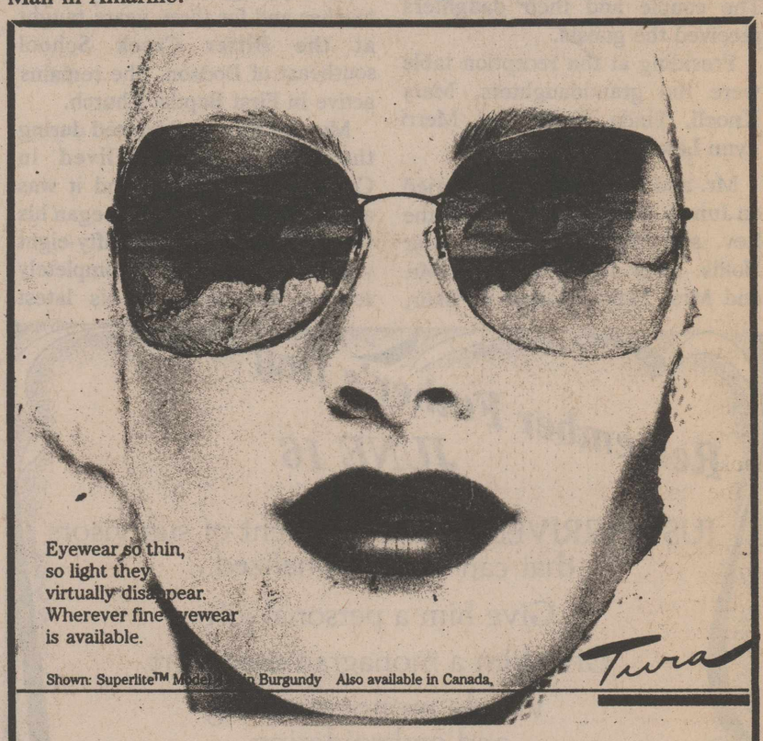

John and Patsy Dodge are back on their circuit selling their hand crafted wooden articles in various fairs, and gatherings over Texas and Oklahoma. This will continue through the summer and fall.

Recently they were at Westgate Mall in Amarillo.

And Patsy Barnett told him that about 12 years ago when she and her husband, Donny, lived in Amarillo, he took care of cattle on pastureland where Westgate Mall is located.

Follow-up: There was an unexpected development to last week's story about Frances Davis (Mrs. Charles) Jones, who was retiring after teaching 31 years in the Bennington, Okla., schools. (She is Mrs. Fay Davis' daughter).

The Wellington Ex-Student Class of 1944 has been hunting Frances for years but couldn't locate her. They called all the Davis families here we thought might be related to her. No luck. There were plenty of offers of the address of WHS' other Frances Davis who graduated a year or two earlier. Finally the '44 class wrote her off as "Lost." Now she's back with a rundown on what she has been doing all this time.

MR. AND MRS. W.F. HARBIN

Mr., Mrs. W.F. Harbin Observe 60th Anniversary

Mr. and Mrs. W.F. Harbin were guests of honor at a reception given to celebrate the 60th anniversary of their wedding. The setting was the Heritage Room of Wellington State Bank.

The hosts were their daughter and her family, Mr. and Mrs. Jack Meares of Roscoe, Jan Renae and Wayne Meares.

Assisting them were Mrs. Herman Belew of Wellington, Mrs. W.C. Faulkenberry and Mrs. A.R. Faulkenberry of Seagraves. Nieces in the house party were Mrs. Travis Bagley and Mrs. Jim Hadaway both of Seagraves, Mrs. Alvin Lynn of Dumas and Mrs. E.F. Whitten of Bovina.

Guests registered from Wellington, Childress, Hollis, Amarillo, Dumas, Bovina, Odessa, Roscoe, Garland and Seagraves.

Mr. and Mrs. Harbin live at 1709 Graham Street.

Mr. Harbin has farmed over 60 years starting at Carey. He is still farming actively, although on a smaller scale than in the past.

Mrs. Harbin continues with her church and club work, and still growing the flowers for which she is so well known in Wellington.

William Foster Harbin and the former Ruby Mae Faulkenberry were married on June 6, 1925, at the court house at Childress, attended by Olean and Fannie Harbin, Geneva Hale and O.O. Mills, all of Carey. Fannie Harbin Whitten also attended the 60th anniversary reception.

Mr. and Mrs. Harbin farmed at Carey until 1936, when they moved to Loco. He was one of the first irrigation farmers in the Loco are, beginning in 1955.

Their lives have been filled with many activities--both church and community.

Mrs. Harbin was born in Hamilton County, the daughter of Joe R. and Emma Mills Faulkenberry. She attended the Carey Schools.

Mr. Harbin, who is the son of the late Alonzo and Mazie Warlick Harbin, was born at Quitman. He attended Lone Star School in Wood County

Both are members of First Baptist Church, Wellington although for many years they were active in the Loco Baptist Church.

He is a Deacon at First Baptist Church, having been ordained at Loco in 1943. He served as Sunday School superintendent 12 years and has served on various committees. Mrs. Harbin is a member of the W.M.U. of First Baptist Church and she has worked many years in the children's department and Bible school in both the Loco and Wellington churches.

They belong to Farm Bureau.

Mrs. Harbin also belongs to Belles Lettres Club and the Wellington Garden Club. She has held various offices in these, including past president of all of them.

She worked 36 years in the Home Demonstration Club in Childress County at Loco and Carey, where she was a charter member, and she helped with 4-H Clubs.

Mr. and Mrs. Harbin were among the first to host the Loco-Arlie Reunion, along with Edith Belew and the late Herman Belew in 1960.

They will be honored at the 25th anniversary reunion to be held in August.

Thank You

We wish to express our deepest gratitude to all those who were so thoughtful at the passing of our loved one. We would also like to thank everyone for the many prayers said in our behalf and for the beautiful flowers and cards expressing your sympathy.

To each of you who remembered us in any way, we say "Thank You."

The family of Mrs. P.M. (Theresa) Shields

Personal

Visiting in the home of Mr. and Mrs. Howarad Crosby over the weekend were his sons, and grandsons, Col. (Ret.) James C. Crosby, of Irvine, Calif., Bill Crosby of Denton, and Bruce Crosby of Jacksboro, the grandsons, Keelan Crosby of Ft. Worth and Kent Crosby of Shamrock.

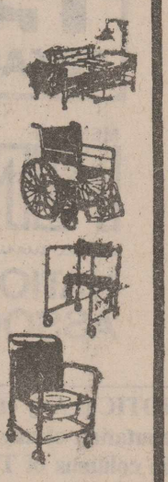

Some ancient peoples believed that looking at a yellow bird would cure jaundice—if the bird returned the stare.

Scoopin'

Dr. J. Frank Johnson brought me this week a copy of a fact sheet of statistics developed by the National Highway Traffic Safety Administration on alcohol-related automobile accidents.

It's good to keep in mind, when you're reading these stats, that it takes only a couple of drinks to cause the alcohol in your blood to rise above the level that classifies you as legally intoxicated. With laws on drunk driving getting tougher all over the country, we need to think ahead about a ride home when we attend a function where we're planning to drink.

Below are the highlights of the statistics on alcohol-related auto accidents:

*250,000 people have died during the past decade.
*presently over 25,000 people are killed each year.
*about 500 people are killed each week.
*nearly 70 people are killed every day.
*one person dies every 21 minutes.
*650,000 persons are injured each year.
*125,000 persons are permanently injured each year.
*1,000,000 collisions occur each year.
*over 50 percent of all fatal highway crashes involving two or more cars.
*over 65 percent of all fatal single car crashes.
*leading cause of death for Americans between 16 and 24 years of age.
*persons between 16 and 24 years old cause 44 percent of all nighttime fatal crashes, even though they comprise only 22 percent of the total licensed population and 24 percent of the total vehicle miles traveled by all-aged licensed drivers.
*36 percent of all adult pedestrian accidents involve an intoxicated pedestrian.
*for Americans up to 35 years of age, the motor vehicle crash is the number one cause of death (over 50 percent are alcohol-related).
*30 percent of all fatal crashes between 8 p.m. and 8 a.m.
*on an average weekend night, one out of every ten drivers is legally impaired or drunk.
*of every 2,000 drunk drivers, only one is arrested) and the chance of receiving a serious penalty is statistically insignificant).
*create economic costs to the American taxpayer of about $24 billion yearly.
*when drinkers are at the presumed level of intoxication, the risk of causing an accident is six times greater than non-drinkers.
*drunk driving is the most frequently committed violent crime in the nation.

---Henry Wells

Wagoners Camping Club Plans Square Dance Sat.

The Wagoners Camping Squares from Amarillo will be at Pioneer Park during the weekend and will hold square dancing Saturday night, June 15, starting at 8 p.m.

Announcement of plans was made by Darrell Cummins president of the club.

"We are inviting all the area square dancers, or those who simply like to watch square dancing, to be here. There is no admission, and you are welcome," Cummins said.

He explained that the club members, traveling in campers and RV vehicles, make monthly visits to camps and parks over the Panhandle and entertains with square dances, just as they will be doing at Pioneer Park.

Although Amarillo is headquarters for the Wagoners Camping Squares, there are members from other area towns, including Pampa and Borger.

There will be no admission to the dance Saturday night, although a collection will be taken for the caller, who is Wendell Dashioum of Amarillo.

Approximately 20 couples who are club members will be at Pioneer Park.

"We will dance in the pavillion and if there are too many couples, we will dance on the grass," said Cummins. He emphasized that the group square dances for recreation only. Last month they were at Lake Fryer. In August they will be at Red Deer Park near Miami. A July location will be selected.

Those attending should bring their own soft drinks, tea or coffee.

Veterans Day Activities Told

Memorial Day activitives of Wellington Veterans have been reported:

While the men, who met at the VFW Building, at 7 went to the various cemeteries to put flags on the graves of veterans of all wars, Mrs. Keith Smith and Mrs. J.W. Tarver placed poppy covered crosses at the graves of our auxiliary members.

These women cooked breakfast: Viola Colson, Babe Leach, Winnie Bell, Edna Rudy, Esta Glenn, Erma Kersten, Charlene Poteet, Edna Wooldridge and chairman, Laverne Jones.

Sausage, eggs, juice, biscuits, donuts, jelly and butter, and coffee were served at 8:30 to Don Jones, VFW Commander M.W. Paschall, Buster Hughs, John Brown, Paul Davis, Milburn Derryberry, E.B. Peeples, Grant Wooldridge, Bear Bowen, Norman Winter, Don Nored, Monty Mitchell, Viola Colson, Babe Leach,

Polly Cozad, Greg Cozad, Ray Cozad, Nickie Dodson, Winnie Bell, Guy Bell, William Anders, Bob Barton, J.P. Sikes, Evelyn Tarver, Dora E. Smith, John Coleman, Edna Rudy,

G.L. Harrison, Esta Glenn, Charlene Poteet, Erma Faye Kersten, Edna Wooldridge and Laverne Jones.

LITTLE LEAGUE NEWS AND NOTES....

A'S-BRAVES

Little League A's defeated the Braves 23-13 on Tuesday, May 28.

Billy Culpepper was the winning pitcher.

The A's scored 2 runs in the first inning, 6 each in the 2nd and 3rd periods, 2 in the 4th and 7 runs in the 5th inning, for a total of 23.

The Braves had 4 runs in the 1st inning to lead, but had only 2 runs in the 2nd. They scored 7 runs in the 4th inning, for a total 13 runs.

ASTROS-ATHLETICS

Little League Astros won over the Athletics 20-7 in the Thursday, May 30 game.

Brent Duncan was the winning pitcher.

Athletics scored 3 runs in the 1st inning, one in the 2nd, three in the 3rd, a total of 7.

Astros did not score until the 2nd inning, when they got 7 runs, and added 2 in the 3rd inning, another 7 in the 4th and four runs in the 5th, a total of 20.

A'S

In a game played Friday, May 31, Little League Braves took a close win over the A's 15-13. The winning pitcher was Cliff Burns.

The Braves scored 3 runs in the 1st inning, 7 in the 3rd, 2 in the 5th and 3 in the 6th, for a total of 15.

A's had 5 runs in the 1st inning, one each in the 2nd 3rd periods, and 2 runs each in the next three innings for 13 runs.

BRAVES-ATHLETICS

In a game played Thursday, June 6, Little League Braves won over the Athletics in a high-scoring contest 21-15.

Cliff Burns was the winning pitcher.

The Braves made 3 runs in the 1st inning, 4 in the 2nd, 3 in the 3rd inning, 4 in the 4th and 7 in the 5th inning, for 21 runs.

Athletics had 3 runs in the 1st period, 6 in the 2nd, one in the 3rd and 3 each in the 4th and 5th innings, a total of 16 runs.

A'S-ASTROS

A winning score of 8-6 brought a victory for the A's over the Astros Friday, June 7.

The winning pitcher was Henry Outley.

The A's made 3 runs in the first inning, 4 in the second and one in the 5th, 8 runs altogether.

The Astros did not score until the 3rd inning, then had 5 runs. They scored one more run in the 5th--their total, 6.

ASTROS-BRAVES

In their first Saturday game recently, Little League Astros defeated the Braves 23-21.

Wesley McKnight was the winning pitcher.

The Astros jumped out to a 7-run lead in the 1st inning and added 6 runs in the 2nd, 7 in the 3rd, two runs in the 5th and their last run in the 6th. Their total: 23.

Braves had 4 runs in the 1st, 7 in the second, two in the third, 7 in the 4th inning and their last run in the 5th, totaling 21 runs.

Little League has 44 players on the four teams this year and there is room for more, according to Nick Gilley, Little League Association president.

Adult helpers are needed for each team and anyone wanting to help in the concession stand should contact Shirley Fike.

"We need a mother from each team to help with fund raising," Gilley said. "If you want to help, contact Kathy Southerland," Gilley added.

Games are played Tuesdays and Thursdays, and sometimes Friday and Saturdays at the Little League field on the Veterans of Foreign Wars grounds.

Dodson News

by Wanda Cardwell

Mrs. Audry Harrison visited her son and his family in California recently.

Mrs. Iva Lewis, Mrs. Emma Lee Pittman and Clifford Lowry were in Erick, Okla., June 2. They visited Rev. Raymond Williams. Mrs. Lewis accompanied Mr. Williams to Norman, where they visited Mr. and Mrs. Earl Stockley and family, and Mrs. Evelyn Williams. Mrs. Williams has been ill for several months. Mrs. Lewis came home Wednesday, June 7.

Andy Seigrist preached at the Church of Christ Sunday. Everyone enjoyed the good gospel singing that was directed by Vance Hunt.

Mr. and Mrs. Alan Hunt have a new baby born in Dallas last week. The grandparents are Vance and Elizabeth Hunt. Mrs. Hunt is in Dallas. Vance Hunt and Howard and Jo Hunt were in Dallas last weekend.

Sam Thompson had surgery recently at a hospital in Gig Harbor, Washington. He is still in the Hospital. Mrs. Thompson joined him in Washington last week. Mr. Thompson had eye surgery there a few weeks ago before having heart surgery.

The Rev. and Mrs. Merlyn Klink of Troop are visiting Melvin and Wanda Cardwell and Mark and Renessa Klink this week.

Rev. Earl Cotton was the guest speaker at the Church of the Nazarene Sunday. Arnice Lewis directed the music. Garland Hightower and Shane Smith sang for the worship service. Visitors were the Rev. and Mrs. Earl Cotton of Quanah and Toby Henson of Pampa.

A Father's Day program is being planned at the Church of the Nazarene Sunday. Mrs. Ellen Holder will direct the program. The men will teach all of the Sunday School classes. A Father of the Year will be honored. A guest speaker will preach.

Dodson received 1.3 inches of moisture this week.

The Rev. Ed Porter of Elk City Church of the Nazarene will speak at the Church of the Nazarene Wednesday, June 12, at 7:30 p.m.

The Farmers Co-op Elevator has been busy with the wheat harvest this week. The gin has the elevator leased to Greenbelt Co-op at Childress.

Kloette and Jeffery Camp celebrated their birthdays Sunday, June 9, in the home of their parents, Walter and Opal Camp. Kloette is attending West Texas State University this summer and Jeffery is employed with Ober J. Engineering, Inc., in Wellington.

Lonnie Roberson returned to St. Anthony's Hospital in Amarillo last week.

The Dodson Church of the Nazarene youth in the High School Class and the Career Class will have a skating party Friday, June 14, in Altus.

Mr. and Mrs. Weldon Sexton attended the Pittman reunion recently near Hobart, Okla. All of the Pittman children and many of their families attended. About 80-85 were present.

The Dodson community building is looking so nice. Howard Hunt and Red Riddle have been working on the bathrooms and kitchen. The building is really an asset to the community.

Renessa Cardwell Klink and Wilma Beanland went to Grandbury last weekend to get Misti Beanland, who joined a group of 89 teens on a mission trip. The teens had Bible schools, held services at a nursing home, cleaned a cemetery, did house-to-house calling and had special services at the groundbreaking of the Church of the Nazarene.

The teens had a training session at the West Texas District Church of the Nazarene Camp Arrowhead before they went to Grandbury.

Mr. and Mrs. Grover Royce Graham and family of Houston are visiting the Grover Grahams this week.

Cliff Harper preached at the Missionary Baptist Church Sunday. Bobby Harper directed the singing.

Melissa Harper is visiting Mr. and Mrs. Elvin Sain in Canyon.

Thanks

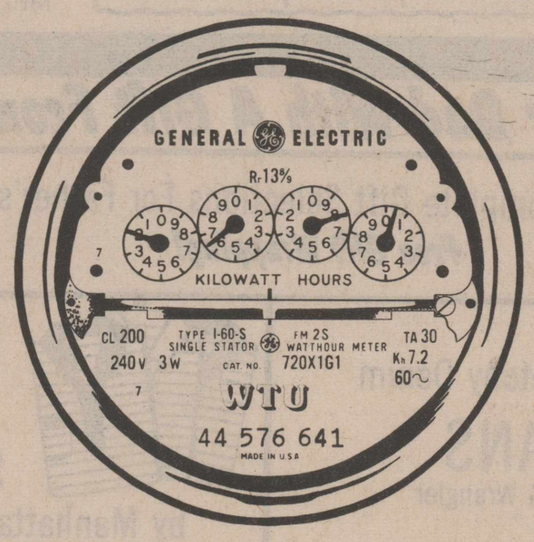

The Wellington Satellite Advisory Board would like to thank all the people who donated items to our Garage Sale. A special "Thank You" to Henry Sullivan for the use of the building.

We also would like to thank those who bought air line tickets. The money from both of these fund raisers will be used to benefit the Wellington Satellite Workshop, a sheltered workshop for persons with mental retardation.

The Way We Live Makes Our Electric Meters Run *Faster!*

IN TODAY'S BUSY LIFESTYLES, IT'S OFTEN EASY TO FORGET THE SIMPLE THINGS THAT HELP MAKE OUR ELECTRIC METERS RUN FASTER — AND MAKE OUR ELECTRIC BILLS HIGHER! PRACTICE THE FOLLOWING CONSERVATION TIPS TO HELP SLOW YOUR ELECTRIC METER DOWN AND TO HELP YOU *SAVE MONEY* THIS SUMMER.

- Set your thermostat on 78° or higher.
- Keep all outside doors tightly closed when your air conditioning system is on.
- Don't leave unnecessary lights on — they add heat to the room and consume unnecessary energy.
- Use fans with air conditioning, to increase comfort at thermostat settings over 78°. Remember to turn fans off when you leave the room.
- Don't leave your refrigerator door open for an extended amount of time.
- Remember to close draperies, blinds, or shades to block the sunlight on hot summer days.
- Use exhaust fans in the bathroom, kitchen, or laundry to help move heat and humidity outside, but remember to turn them off when their job is done.
- Use major heat-producing appliances, like ranges and dryers, during the cooler part of the day.

FOR MORE INFORMATION ON HOW YOU CAN SAVE ENERGY AND MONEY THIS SUMMER, CALL YOUR LOCAL WTU OFFICE TODAY.

Remember REDDY Supplies the energy—
but only YOU can use it wisely!

More than 100 at Dozier Reunion

As a result of interest shown at the Second Dozier Ex-Students Reunion, an Official State Historical Marker will be placed at the site of the last Dozier School.

Donations were taken for the marker, but more money will be needed, according to Dorothy Darrow, who spearheaded the reunion.

Another fund was raised to benefit the Dozier Cemetery Association and this was turned over to Mrs. Douglas (Ann) Coleman.

The location of the last Dozier School, and the site of the proposed marker, is one mile south of the Dozier Church of Christ and Glen Davis Memorial Methodist Church. They and several occupied houses are all that remain of the once thriving trading point and post office that was Dozier.

The reunion was held Friday evening and all day Saturday, May 31 and June 1, at the Samnorwood School cafeteria. The crowd reached 103 for the Saturday noon barbecue luncheon served by two former Dozier students, Helen and Carrol Williams of Carrol's Smokehouse, Dumas.

The reunion group began gathering Friday evening for visiting, then returned about 9:30 a.m. Saturday for more visiting.

Bart Martindale presided at the business meeting and program held early Saturday afternoon. A.J. Shields, 80, of Logan, N.M. was presented a gift as the oldest person present. Memorial services were held for Jewel Rushing Huggins, who atended the first reunion last year and whose death has occurred since then.

Mrs. Darrow and Willie Turner presented piano music.

The date of the next Dozier Ex-Students Reunion will be in the summer of 1987.

Those who assisted with this reunion were Goldie Barnett, Lenora Phillips, Shorty and Sally Sechrist of Wheeler, Bart and Lillie Martindale of Shamrock, and Willie and Ivan Turner of Dozier and Amarillo and Mrs. Darrow. Martindale was the master of ceremonies.

In addition to, the oldest resident present, Mr. Shields, Dee Coleman, who was born and raised at Dozier, attended.

The Dozier School was long ago nick-named "The Traveling School," because of the number of times its location was changed after its organization in 1893, making it one of the oldest in the county, according to information from "Samnorwood Saga," the history of all schools making the present Samnorwood Independent School District. Lois Simpson is the author.

Those who registered at the Dozier reunion were N.L. (Shorty) Sechrist of Wheeler; Willie Massey Turner and Ivan Turner of Amarillo-Dozier; Gussie Harvey Cornell of Phonix, Ariz; Lenora Phillips of Dozier; Alice Darrow Barret and Jewell Barret of Tulsa, Okla.; Beatrice Phillips of Dozier; Dorothy Sechrist Darrow of Dozier; Sallie Neece Sechrist, Wheeler; Willie Mae Darrow Massey and Leo Massey of Slaton; Nolda Sechrist Bonds of Dozier; Lillie Voyles Martindale and Bart Martindale of Shamrock; Ruth Oldham Rogers of Farmington, N.M.; Janice Oldham Richards of Albuquerque, N.M.; Ruby Oldham of Samnorwood; G.R. and Helen Kirklin of Amarillo; Winnie Kirklin Fielder of Ft. Worth; Clara Neece Throckmorton and Andy Throckmorton of Amarillo; Annabel Wischkaemper Howland of Florence; Joe Henry Wischkaemper and Mildred Wischkaemper of Ft. Worth; Susie Nixon Bradstreet of Shamrock; Ruby Nixon Essary of Amarillo; Linda Bradstreet Hall of Shamrock; Glen and Hazel Moring and Gene and Ada Brown all of Stephenville; Vernon Kirklin and Lily Kirklin of Shamrock; Claudie Murray Shaw, Thelma Johnson Shields and A.J. Shields, all of Logan, N.M.; Dennis Ward of Memhis;

Dee Coleman and Paralee Coleman (former teaacher) of Wellington; Mildred Voyles Martindale and Buck Martindale of Shamrock; Goldie McCracken Barnet of Wellington; Clyde and Ruth Brown (both former teachers of Wellington; D.V. Biggers (former teacher) and Zena Biggers of Pampa; Louise Biggers Erskine and Jake Erskine of Ft. Worth; Laverne Biggers Johnston of Waxahachie; Bernice Francies Stice and Kenneth Martindale and Kay Martindale with Melanie all of Samnorwood; Robert Neece of Amarillo; James Throckmorton of McLean; Mr. and Mrs. C.E. Stephens of Amarillo; Jackie Cummings of Wheeler; Barney Rogers and Gladys Hawkins Rogers and Clyde Laycock and Virginia Laycock all of Pampa; Lucille Sechrist Laycock and Carrell Laycock of Wheeler, Lula Mae Tennison Keys of Vinson, Okla.; Helen Carreker Williams of Dumas; Mampe Ruth Clark King (former teacher) of Vega; David (Tuttie) Clark and Virginia Clark of Dozier; L.V. Dunn of Shamrock; Annie Biggers Reeves of McLean; Virgil and Gladys Kidwell of Silverton; Dorothy Rogers Thompson and George Thompson of Pampa; Eula Fay Tate Stokes and Irene Tate Mitchell, both of Shamrock; Darrell Thompson, Chris Thompson and Andy all of Pampa; J. Milton Gooch and Elizabeth Gooch of Amarillo; Bully Tate of Dozier; Joyce and Joe Wilkinson of Shamrock; R.T. Woods of Lake Tanglewood; Kathleen Shields Wischkaemper of Lubbock; Tommy and Minnie Tate of Abra and Ann Coleman and Doug Coleman of Dozier.

Dianne Elbert Critically Hurt In Accident

Mr. and Mrs. Herman Moseley were in Amarillo Sunday, to be with their granddaughter, Dianne Elbert, who was critically injured in a one-car accident near Spearman on Friday, June 7.

Miss Moseley, 16, is the youngest daughter of Mr. and Mrs. Dickie Elbert of Spearman.

Moseley said Miss Elbert has severe head injuries, a broken pelvic bone and cuts and bruises. She is in the intensive care unit of Northwest Texas Hospital. She was still unconscious Sunday.

Doctors have told the family that they will need to take a wait-and-see attitude as to how long she will be hospitalized.

Moseley said the car in which Miss Elbert was riding turned over into a soft field.

In old England it was believed good luck for a bride to cry copiously on her wedding day.

Loco-Arlie Anniversary Reunion Set August 4

The Loco-Arlie 25th Anniversary Reunion will be held Sunday, August 4 at Bura Handley Community Center, Edith Carter of Hollis has announced.

The day will begin with registration and coffee at 8:30 a.m.

The hosts at the first reunion will be honored in a short ceremony at 11 a.m., and these are Mr. and Mrs. Bill Harbin and Edith Belew, widow of the late Herman Belew.

The Arlie history by Merle Talley Black and Lucille Covey Motsenbocker will be for sale, as well as a revised edition of Loco and Berea, which has been completed by Edith Carter with pictures of early teachers at the two schools.

Newssheets have been sent out and the response is great, said Mrs. Carter. Secretaries for Arlie are Mrs. Motsenbocker and Mrs. Black, and for Loco Edna Crow of Hollis and Mrs. Carter, both of Hollis.

The "Oscar" statue is 10 inches tall and weighs 7 pounds.

THE MELODY SINGERS

Harding, Melody Singers At Fundamental Baptist

The Melody Singers are made up of 7 young women from the College. They and their director, Harding, present old-fashioned singing and preaching, according to Mrs. Rick Fincher.

The public is invited and a nursery will be provided, Mrs. Fincher said.

Evangelist Chuck Harding and the Melody Singers from Oklahoma Baptist College School of the Prophets, will be presented at Fundamental Baptist Church at Floydada and 9th Streets, on Thursday, June 13, at 7 p.m.

1st Methodist Slates New Trinity Studies

A new series of Trinity Studies will begin at 1st United Methodist Church Thursday, June 20, and continue for a period of 10 weeks.

Classes will be at 10 a.m. and 8 p.m. each Thursday.

Dr. Tom Thomson, pastor, said this study will cover the Epistles of John, covering the letters of that apostle to the churches under his care.

There will be child care and special activities for children available for the morning session.

There is no tuition charge for this course, Dr. Thomson said. Those wanting tape recordings of the sessions may secure them at $10 for the entire set.

Refreshments will be served at each session.

This course is a continuation of the Trinity Studies offered from time to time over the last two years.

New Movies Showing at Abundant Life Fellowship

The Rev. Dan Denissen has announced new motion pictures to be shown at Abundant Life Fellowship.

"Ordinary Guy" and "Man from Snow River" a double feature, are scheduled for Friday, June 14, at 7 p.m.

Admission will be $1.00 per person and a concession stand will be available.

"All are welcome," said Rev. Denissen.

There are now 270 species officially listed as "endangered" in the United States. Among these endangered species are 38 mammals, 72 birds and 71 plants.

Wellington Leader

913 West Avenue P.O. Box 992 Wellington, Texas 79095

IN NEED OF *Specialized* HELP

The car's acting up . . . sometimes he can repair minor problems himself . . . but this time it looks like it may require the work of a specialist. To correct this problem he needs a mechanic, someone who has the knowledge and equipment for this particular work.

In spiritual matters, individual worship is necessary and vital to one's life, but God in his wisdom has said that we need to worship with others too. At church we can receive help from those who have dedicated their lives to special service for God.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

EVERYONE IN THE CHURCH . . . THE CHURCH IN EVERYONE

COLLINGSWORTH COUNTY AGENT REPORT

DON REEVES

WARM WEATHER BRINGS TICKS

Tick populations increase dramatically with warmer weather, causing inconvenience and health hazards for homeowners and pets.

Ticks are biting, blood-sucking parasites, and their bites may become inflamed and infected due to toxic secretions. Tick paralysis, tularemia and Rocky Mountain Spotted Fever may be transmitted through tick bites.

Brown dog, American dog and Lone Star ticks are the most common in Texas home landscapes. Brown dog ticks are reddish-brown while American dog ticks are yellowish-brown when engorged. The brown dog tick rarely occurs in rural areas; instead, it hides in crevices around buildings. American dog ticks are most often found along roads and trails. The Lone Star tick has a characteristic white spot on its back and commonly referred to as a spot backed tick.

A female tick may lay several thousand eggs, beginning a two-to four-month cycle. Remaining stages--six legged larva (seed tick) and eight legged nymph and adult--generally develop on separate host animals. After each feeding the tick drops off the host and temporarily hides until the next developmental stage.

Regardless of the species, control is basically the same for all ticks. Heavy infestations in the home may require treatment by professionals. Spot treatments with household sprays containing diazinon, Dursban, Baygon, resmethrin or Capona will provide excellent control of light infestations.

Pet owners should examine their animals frequently. Light infestations can be controlled by rubbing carbaryl dust into the pet's hair. Also, treat the animal's sleeping quarters every week.

If a tick becomes attached to the skin, remove it with a slow, steady pull. Be carefull not to break off its mouthparts. a drop of chloroform, isoproply alcohol, ether, acetone or fingernail polish rubbed over the tick may help remove it. It can be removed a half-hour later with less damage to the skin because its oxygen supply is reduced.

Always apply an antiseptic to tick bites. If your hands touched the tick, wash them thoughly with soap and water to reduce the risk of spreading disease.

Before starting your next diet, consider the appetite of a hummingbird. In a single day, a hummingbird may consume more than half its total body weight in food and eight times its weight in fluids.

SLOW PITCH TOURNEY WINNERS

Childress's Greenwood, Inc. team, upper left, won first place in Wellington Booster Club's Benefit Slow Pitch Softball Tournament last weekend. The Paducah team, lower left, took second place. Memphis's 1st State Bank team placed third. Jerry Reed, right, a member of the Greenwood team, was voted Most Valuable Player by the umpires. The tournament made around $1,500 which Booster Club spokesmen say they plan to use to help build new bleachers at the Wellington High School track.

Three WTSU Students On Spring Honor Roll

Three Wellington women who are attending West Texas State University were named to the spring 1985 Honor Roll.

All three had 4.0 grade point averages, the highest to be attained. Additionally, all of them were classified as juniors.

Katy Davis, the wife of Steve Davis, is majoring in elementary education. She has two daughters.

Sharon Covey is an elementary education major and the wife of Sandy Covey. She has two sons.

Joan Cochran, a science education major, is married to Grady Cochran. Her son will be a senior in Wellington High School this year. WTSU had 728 of its full time students named to the spring honor roll. A student must have a grade-point average of at least 3.25 to place on the honor roll. The 728 students represent 116 Texas towns and cities and 17 other states and Canadian provinces.

The three Wellington honor roll students are commuting to classes from their homes here.

The ancient Peruvians believed they could catch the sun by stretching a new net between two towers. The towers, complete with iron hooks, still stand.

Thank You!!

The Skyrocket Booster Club would like to say **THANK YOU** to the businesses and individuals who donated trophies, food for the concession stand and especially their time and hard work to help make our softball tournament possible.

With your support our tournament was a success!

Joan Cochran Receives Two WT Scholarships

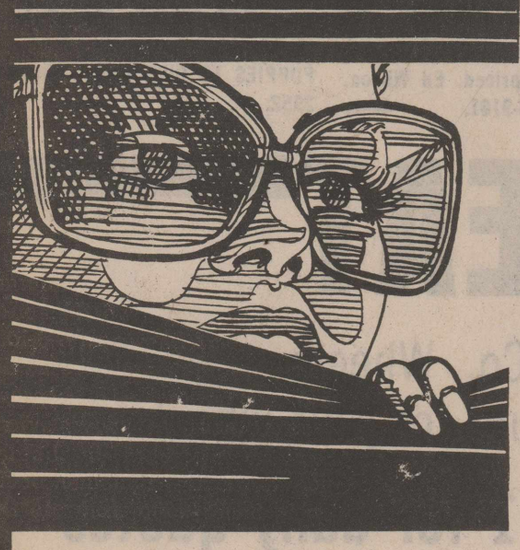

Joan Cochran, who will be a senior in West Texas State University this year, has received the Patrick Acker Memorial Scholarship for Physics. This is given by the Alternative Energy Institute of WTU. Valued at $250, it will be effective for the fall semester 1985.

Mrs. Cochran, the wife of Grady Cochran, also has received a teaching scholarship from the College of Education of WTSU, valued at $100.

She was on the president's honor roll for the last semester.

Pharoah Pepi II of Egypt reigned for 90 years.

Paul Howard Receives M.S. At West Texas

Paul K. Howard of Mobeetie was awarded a Master of Science degree in math at the spring commencement of West Texas State University. He had a grade point average of 4.0 on a scale of 4.0. He has a 3.96 GPA on a 4.0 scale for all his college work.

Howard visited frequently at Quail while his grandparents Mr. and Mrs. W.A. Gollihugh, lived there. He is the son of Betty and W.F. Howard of Mobeetie.

Paul Howard earned an Associate of Arts degree in math from Frank Phillips College, Borger, in 1981 and a Bachelor of Science degree magna cum laude with a major in math and a computer science minor from WTSU in 1983. He was a member of the math honor society, Pi Mu Epsilon and the computer honor society, Epsilon Delta Pi.

He received the Carl B. and Florence E. King Foundation Scholarship for four years. This is a Texas Interscholastic League scholarship available to students who meet specific requirements.

In April 1985 Howard tied for the Hollis L. Cook Scholarship for an outstanding senior year graduate student and received $180.

Paul Howard has been employed by the Pantex Plant in Amarillo as a computer programmer/analyst beginning June 3. He will live at Panhandle.

His brother, Dennis Howard, received his Bachelor of Business Administration with a GPA of 3.0, after completing degree requirements Dec. 21, 1984.

T-Ball Organized For Young Players

A T-Ball organization, one part of Little League Baseball program, has been completed and the schedule drawn up, according to Nick Gilley president of the Wellington Little League Association. T-Ball is for boys and girls 6 through 8 years of age.

All games will be played at 5:30 p.m. in Ellison Park. Playing days are Tuesday and Thursday.

Three teams were formed, and teams, their coaches and telephone numbers are:

Yankees - Bill Spillman, 7-2123, and Dr. Tom Thomson, 7-5853.

Dodgers - James Vickery, 7-5857.

Pirates - Lanny Ford, 7-5002 and J.D. Ward, 7-5511.

Gilley said that 35 boys and girls are on the three teams, and anyone wanting to play, or anyone wanting to help with the program will be welcome. One of the coaches should be contacted.

"If you want to play or want to help, we will make a place for you," Gilley promised.

The playing schedule includes:

Tuesday, June 11 Yankees vs. Dodgers.

Thursday, June 13 Yankees vs. Pirates.

Tuesday, June 18, Dodgers vs Pirates.

Thursday, June 20, Dodgers vs Yankees.

Tuesday, June 25, Pirates vs Yankees.

Thursday, June 27, Pirates vs Dodgers.

Tuesday, July 2, Yankees vs Pirates.

Tuesday, July 9, Pirates vs Dodgers.

Thursday, July 11, Dodgers vs Yankees.

The okapi, a relative of the girafee, looks almost the same today as it did 30 million years ago.

CARD OF THANKS

I wish to take this means of expressing my sincere appreciation to everyone who remembered me with flowers, cards, and visits during my recent illness. My thanks also to Dr. Holcomb and Dr. Kumar and his staff who were so nice to me.

John Jackson

obituaries.....

Clarence Smith, Retired Construction Worker, Dies

Clarence Edward (Smitty) Smith, 64, died Thursday, June 6 at 10:30 p.m. in the Veteran's Administration Medical Center, Amarillo, after a lengthy illness.

Mr. Smith was retired from the construction industry, and he was also a licensed Baptist minister.

Funeral services were conducted at 2 p.m. Saturday, June 8, in the chapel of First Baptist Church with Gene Dickson of Marfa, a nephew, conducting the service.

Burial was in Fairview Cemetery under the direction of Schooler-Gordon Funeral Directors.

Pall bearers were Bill Dickson, Jerry Bailey, Steve Miller, Larry McReynolds, Burke Inman and Robert Stewart.

Mr. Smith was born Oct. 28, 1920 in Cleburne, the son of Willie E. Smith and Mary A. Money Smith.

He married Louise Wren Feb. 15, 1948, in Plainview. He attended Wayland Baptist University at Plainview. He moved his family to Azle in 1953, where he entered construction business and lived there until 1979, when they moved to Wellington.

He was a veteran of World War II and a member of First Baptist Church.

Surviving relatives are his wife, Louise Smith of Wellington; one son, Jerry Wren of Amarillo; two daughters, Linda Brown of Watersville, New York and Elaine Smith of Amarillo; two sisters, Emma Lou Stewart of Friona and Gwen Lazo of Tampa, Fla.

Grandchildren are Christina Ryan, of Groton, Conn., Jeanne Camillo of Watersville, N.Y. Tammy Wren, Cheri Wren, Teresa Smith and Troy Smith of Ft. Worth, and three great grandchildren are: Melissa Ryan, Kailyn and Joseph Camillo of Watersville, N.Y.

He was preceded in death by a son, Clarence Douglas Smith, in 1982.

Services For Former Quail Woman Saturday

Annie Laura (Ann) Durham, 67, the wife of Joe Durham of Memphis, died Thursday, June 6. She suffered a heart attack while attending church services Wednesday night.

Mrs. Durham was the sister of two Wellington residents, Mrs. Beatrice Thomas and Emory L. Ewing. She visited Wellington frequently. The couple traveled with a group of recreational vehicle owners from Wellington and attended club and social functions here.

Mrs. Durham was born in Comanche County, the daughter of the late Mr. and Mrs. W.L. Ewing, who came to Quail about 1929.

As the Quail Rural High School had not been established, she graduated from Canyon High School.

She went to Hereford in 1937 and was a long-time employee of Southwestern Bell Telephone Co. retiring in 1972.

She was married at Hereford to Marvin Knox, who died there in 1969. She moved to Memphis in 1972, where she was married to Mr. Durham.

Mrs. Durham was a member of the Church of Christ.

Funeral services were conducted at the Church of Christ in Memphis with Derrell McGlathery, minister, officiating. Burial was in West Park Cemetery, Hereford.

Honorary pall bearers were Russell Payne, Olton Pate, M.E. Foster, Chester Wiggins, W.M. Davis, Lee M. Robertson, Wilbur DePauw of Amarillo, Sandy Parsons of Wellington, J.B. Byars, Woodrow Mullins, John Kehr, Monte Alewine, Bill Woods, Gene Hughes and N.D. Bartlett.

A large group from Wellington and Quail attended the service.

Survivors are her husband, a daughter, Cynthia Ann Knox Rye of Jacksboro; two brothers, Emory L. Ewing of Wellington; and Chester R. Ewing of Texarkana; a sister, Mrs. Thomas of Wellington; three grandchildren.
