

## Scoop Sez . . .

By J. M. . . .

When Senator John Kennedy and Senator Lyndon B. Johnson, Democratic nominees for President and vice-president, paid a call at Lubbock Monday they were greeted by 12,000 people (since this writer is a Democrat). My—Republican friends will announce the crowd was 5 to 6 thousand and how petty can you allow your envy and prejudice to cause you to be.

If they had to sit in a car in the broiling sun for what seemed hours in order to leave the place after the ceremonies, as I did, they would be ready to settle for 20,000. But Republicans always shut one eye when they estimate a Democratic crowd, and to heck with

the number of cars on the grounds; "perhaps said one Republican newspaper friend of mine, perhaps these cars were dragged out there by the Democrats."

As I walked toward the speakers stand, I was amused at a crayon sign on the back of one automobile: "I am a Baptist and I'm going to vote for Kennedy." One preacher, I think he was from Hart, displayed a sign reading "Baptists for Kennedy." But a speaker on the program got pretty burned up when he saw a sign held by a member of the crowd that read: "I'm a fixin' to vote for Nixon!"

Marshall Formby, of Plainview, our old friend and yours, until recently the chairman of the State Highway Commission gave the invocation for the Kennedy-Johnson

meeting. He duly thanked the Good Lord for our manifold blessings, our independence, our freedom, our hopes for world peace, many, many other mercies.

When he said "Amen" after a brief prayer, I heard a shrill, little boy's voice pipe from the crowd behind me: "And we're thankful for Kennedy, too!"

Republicans and Democrats mingled freely in the crowd, a circumstance that might cause totalitarian tyrants to ponder. Whoever is to become the next President of the U. S., he won't be a pushover for the Communists.

I am just filling in, the way the speakers did, to keep the crowd in a festive mood until the planes arrived. Finally the speaker said the DC 6s were in the air, then they were over

Levelland. There were five big planes in all, including the "Lucy B." named for Lucy Baines Johnson, daughter of the vice-president nominee.

Finally the plane bearing the candidates landed on the field, taxied very near the speakers stand, erected on the prairie out at Lubbock Air Field. The red carpet had been rolled out, and, as the crowd sang "The Eyes of Texas," Mr. Kennedy and Mr. Johnson and their group walked in. The nearly red hair of Jack Kennedy shone brightly in the rays of the noody sun.

From a few feet away, in the press box, where Carol Pouncey, the Chamber manager and I had repaired early, I watched the candidate and his second number. Kennedy really got amused, really twisted his nose and chin, when the speaker system got to acting up while Congressman George

Mahon was trying to introduce the distinguished candidates. Jack Kennedy's boyish figure has been commented upon by better writers than I: certainly, he gets about as a 42 year old should; no arthritis, no sluggishness, no lethargy. The 6-foot Kennedy is very much a modern young American man. His cheeks are tanned by constant outdoor existence under the rigors of his campaign. By the standards of a man, Mr. Kennedy is handsome, the kind of person you'd like to have as a friend.

Mr. Kennedy spoke very briefly, because he had other speeches to make, the planes were late arriving in Lubbock. Speaking of our national defense posture, I remember that he said: "We want our country to be first. Not first IF, not first BUT, not first WHEN, but FIRST!"

He will bear down on foreign policy and national defense. I presume, pretty emphatically during the campaign.

The tough minded Texas rancher, U. S. Senator Lyndon B. Johnson, majority leader in the Senate, the most powerful legislator in Washington, told the crowd: "I cannot go into all the details of the thinking at the Los Angeles convention. I would like to say, however, that my being on the ticket with Jack Kennedy is the result of the decision of Jack Kennedy, the Democratic convention, and Lyndon Johnson." He said that if he could help with the Kennedy and the Democratic program, he felt it was his duty as a Democrat to accept the vice-presidential nomination.

This writer was amazed at the work and planning that had to go into Lubbock's re-

ception of the candidates and their entourage. Waggoner Carr, speaker of the Texas House was emcee; brass of all Democratic kinds was on hand; the lieutenant governor, Ben Ramsey; the attorney general, Will Wilson; Congressman Paul Kilday, of San Antonio; Congressman George Mahon; another congressman whose name is not remembered; Sam Rayburn, speaker of the House, "Mr. Democrat," the chairman of the State Democratic Executive Committee, and of the district committee, Senator Ralph Yarborough, Formby, formerly mentioned, many other area and county notables. It was indeed a recherche and per diem affair.

Many people from Muleshoe and area were present. Ed and George Johnson, who will support Kennedy; the St. Clair

brothers of the south part of the county; Lee Pool, here in town; Pouncey and I; Gil Lamb; a group from the Bailey County courthouse that I didn't get to see.

As an anti-climax, the words of a Republican young hot-head: "The Republicans will carry Lubbock County two to one; by a better margin if Nixon visits here." We bade goodbye to our luncheon companions, shook the dirt of Lubbock from our feet and returned home.

I told my companion on the long journey from the Hub City: "Many say they will desert the Democratic party this time, giving all kinds of reasons. I venture to say that many will do as the poet once said about the country preacher: 'Some who came to scoff, remained to pray!'"

## First Bale Ginned In City Wednesday

Jim Green, grower, and his mother-in-law, Mrs. H. E. Schuster stand before the first bale.

Fall was officially ushered in here Wednesday, Sept. 13, with the ginning of the first bale of cotton from the 1960 crop.

James Green brought in the No. 1 bale early in the morning. It was produced on irrigated land belonging to H. E. Schuster about 10 miles south of town.

Earl Richards, manager of Muleshoe Cooperative gin where the bale was turned out, said he believed it was the first bale for Bailey County.

The Cooperative ginned the cotton free, and paid the grower 50c per pound for the cotton. The bale weighed 445 lbs. from seed cotton weighing 1660 lbs.

Placed On Display  
The bale was placed on display on the sidewalk in front of the Muleshoe Jewelry Co. on Main Street.

## Dr. Lewis Will Have New Office

Purchase of the old "Ice House" building and ground on which it stands was announced this week by Dr. A. E. Lewis and son, Dr. Charles Lewis, Muleshoe dentists.

The property, purchased from Pat Bobo, is located next to his building, and occupies the corner at West First and Ave. C.

other bales will be coming to the gins of the area in the next few days. Good weather for ripening cotton has greeted the growers for several days, but they are still hoping for a late frost to allow younger bolls time to mature.

Observers foresee a record crop for the county and area in 1960.

Jim Green, 24, is the son-in-law of Mr. and Mrs. H. E. Schuster on whose land the cotton was grown seven miles south of town.

This is Jim's first year of farming and he's thrilled to have produced the first bale of 1960. In fact he said, "I was beginning to wonder if it was all worth it, but when I got paid for the first bale I could see what it was all about. It's worth it all right!"

Jim's father, Dr. M. F. Green of Farwell, suspected that Jim was going to become a doctor like himself. In fact Jim earned his BA degree in pre-med at Southern Methodist University at Dallas in June of 1958.

Young Green planted the Gregg cotton in April on a 151 acre irrigated tract. He said, "Being irrigated cotton I didn't suspect that it would open before the dryland cotton, but it sure did."

Jim says he pre-plant irrigated, watered one inch after it was up and two additional waterings since the heavy rains.

The gin said that Jim's cotton was some of the whitest and best looking they have seen in some time. It's a real good "A" cotton.

Jim and his wife Joannah, have two children, a son, Durk, and a daughter, Jamie. Charles Snyder didn't realize that the first bale was being ginned at the very moment he was taking his group to the field, "to get the first bale in Bailey County." Better luck next year to the Snyders.

## Progress Church Revival Underway

The Progress Baptist Church revival is now under way, with good attendance. The Rev. Clifford Jester, of Hurst, Texas, is the visiting evangelist. Pastor of the church is the Rev. Earl D. Hord.

Song leader for the revival is Don Monroe, and at the piano is Mrs. Melvin Mackey, of Muleshoe.

The revival will continue through Sunday, Sept. 18. Evening services are at 8 o'clock and morning services begin at 10 o'clock.

An invitation is extended to everyone.

## Gala Xmas Promised By Local Merchants

The retail Merchants Committee has set into motion the machinery that will guarantee every family within 30 miles of Muleshoe to have a happy Christmas.

Over 100 gifts will be given away again this year to lucky Muleshoe shoppers. It has not yet been decided just what will be given away, but you can bet it will be done Texas style.

A committee has been picked to select the gifts to be awarded to some 100 families who register in Muleshoe during the registration dates to be announced soon.

This committee consists of: Leola Allison, Haydon Shoes; Dean Calahan, Retail Merchants' Credit Bureau; Sam Damron, Damron Drug; Earl Harris, Western Auto-Associate Store; Charles Alsop, Alsop Cleaners; Irvin St. Clair, St. Clair's Variety Store, and Truman Lindsey, Lindsey Jewelry.

It rests upon these committees to determine the gifts which the Muleshoe merchants will award and to pick the dates for the give-away.

At the meeting held recently by the Retail Merchants it was decided to decorate the Muleshoe streets with Christmas lights and that these should be turned on in the evening of Thanksgiving Day.

BUT HOT WEATHER HANGS ON

## Summer Hastens Into Fall, Calendar Says

by Vern Foltz  
We have one more week of what is officially considered summer. This is very late summer. Beginning Friday we will have only seven more days in which the nighttime darkness.

Friday, September 23 marks an annual event of considerable importance. The sun drifts across the equator into the southern hemisphere leaving us in the northern hemisphere with longer nights than daylight.

As the sun marches above the equator we refer to the phenomenon as the autumnal equinox . . . that is, equal day and equal night all over the earth . . . less technically we could say the beginning of fall.

We have one more week to enjoy the more-than-half day light days. It may be a good time to plan that last picnic of the season.

We had a preview of fall in the period just past. Our temperature slipped below fifty early Sunday morning to a peppy 49 degrees. We popped back to the nineties late in the period, however, 90 degrees Tuesday and 95 Wednesday.

Rainfall accompanied the prelude to fall into Bailey County. A chilly 1.10 fell Thursday and .02 Friday at the football game. This is the total so far for September.

The rain just about ended irrigation proceedings on the 1960 crops, though a limited amount is still being practiced. The September variety of rains brings our 1960 rainfall

Derrell Oliver

## Derrell Oliver Reports At Texas

Derrell Oliver, Muleshoe's gift to Southwest Conference football, has joined the University of Texas grid forces and began light workouts with the Freshman squad Sept. 9.

His parents, Mr. and Mrs. Martin Oliver, took Derrell to Austin and saw him installed in the athletic dormitory, located on the campus. They thought his friends might drop him a card in care of Moore-Hill Hall, Austin 18, Texas, and hearing from people here might help to relieve his homesickness.

The parents met the coaches and were very pleased at all the arrangements and with the personnel with whom Derrell will be associated. Heavy workouts, they said, will begin Sept. 19. The Varsity will begin heavy scrimmage.

Derrell, a graduate of MHS this year, was a star athlete during his four years in high school.

LUBBOCK, AMARILLO PROGRAMS LISTED

## Journal Is Printing TV Log This Week

Today marks the beginning of a new service of The Journal to the Muleshoe area television connoisseurs.

On page 6, section I is the first version of our new TV Log. It has all programs listed for Amarillo and Lubbock stations. All of these stations are available on the cable, thus we are carrying these stations.

## Trap Shooting Set For Sunday

Trap shooting will be on tap here the coming Sunday afternoon, Sept. 18.

The shoot is sponsored by Muleshoe Jaycees. It will be held on the Lubbock highway, east of town.

The Jaycees say: All of you bring your guns, come out, and have a good time!

## Sorghum Grain Ass'n Program Is Expanded

Amarillo—The research market development and service program of the Grain Sorghum Producers Association gained added impetus this week with an announcement of expansion of their work in two important directions.

In one expansion move, Frank Moore of Plainview, the Association's president, announced that B. M. McGinley is joining the staff of the organization to enlarge the field service activities. Moore pointed out that this is in order to give greater service to the expanding potentials for livestock feeding in the area, the need for closer relationships with other feeding areas such as the California market, and the need for close attention to legislative matters affecting sorghum growers as farm policy programs are reconstructed during the coming year.

McGinley, former Anadarko, Okla. businessman, will give special emphasis to work with county sorghum producer association directors and local grain elevator operators in organizational matters.

The second area of expansion according to Moore is the naming of a local grain operator to the board of each county grain sorghum producer association. Such officials have in the past worked closely with Association leaders in all phases of their program but this marks the first time they will be serving on the board of the organization. These added directors as well as other officers for the coming year, will be elected at county meetings which will be held throughout the sorghum-producing area

B. M. McGINLEY

during the ensuing weeks. Moore pointed out that McGinley comes to the Grain Sorghum Producers Association with an admirable background of many years' business and civic experience. After being reared on a farm in Kansas, he attended Oklahoma State University and since has served Oklahoma Agricultural interests in such towns as Enid, Elk City, El Reno and Anadarko. In all these areas he has been active in civic affairs and has served as president of the Junior Chambers of Commerce, the Chamber of Commerce and the school boards.

## 30 Bands To Parade

More than 30 high school bands in the Lubbock area are expected to compete for \$600 in cash prizes offered by the 43rd annual Panhandle-South Plains Fair, scheduled to open in Lubbock September 26.

The parade will wind its way through downtown Lubbock, officially opening the 43rd annual Fair.

The Fair parade will be formed on the parking lot east of Municipal Auditorium and proceed to the intersection of Broadway and Avenue Q, from where bands will march to the Fair Grounds.

Heading up the judging will be Dr. D. O. Wiley, chairman, with Fred Stockdale, Monterey High School band director, Paul Brannon, Tom S. Lubbock High School band director, and Dean Killion, of Texas Tech assisting.

The judges' stand will be situated on the balcony of the Pioneer Hotel, formerly the Lubbock Hotel. The judging panel was selected by a committee which was appointed by Fair president Homer E. Hunt. Bands from the entire South Plains area, including Eastern New Mexico, will be judged on the usual basis of marching-playing qualities observed in interscholastic competition. The parade will begin at 10 a.m. on September 26, the opening day of the Fair. Parade divisions will be A, Double A, Triple A and B.

## Lamb-Bailey PTA Council Met At Amherst

The Lamb-Bailey Bi-County Council of Parent-Teachers Association met Tuesday, Sept. 13 at the Amherst schools with the president, Mrs. L. E. Sullins presiding. Mrs. Bernard Phelps of Muleshoe was elected to fill the vacancy of vice-president, and Mrs. Leonard from Spade was elected historian.

Amherst, Muleshoe, Olton, Spade, and Littlefield were represented at the meeting. On October 18, the council will host a School of Instruction in Sudan.

Plans are being made for Miss Ester Sorensen, Home-making Supervisor of Plainview, to be our leader for planned study groups at our regular council meetings.

The state convention was discussed by Mrs. J. M. Farmer. Convention dates this year are November 16, 17, and 18, at Austin.

The president, Mrs. Sullins, will be the delegate from the Bi-County council with Mrs. Phelps as alternate.

Spade was presented the traveling trophy for having the most members attend council meetings last year.

### MARRIAGE LICENSE

Only one marriage license was issued this week. It was to Lannie Glen Blake and Mary Ann Stacy.

MR. AND MRS. GERALD SHANKS

## Double Ring Ceremony Unites Miss Lula Maye Embry And Mr. Shanks

Miss Lula Maye Embry, daughter of Mr. and Mrs. J. E. Embry of Muleshoe, became the bride of Gerald Shanks in a lovely double-ring ceremony in the home of the bride's parents August 26 at 4 p.m. The bridegroom is the son of Mr. and Mrs. J. C. Shanks of Muleshoe.

Vows were read before a background formed by baskets of pink carnations and white gladioli accented by lemon leaves. The Rev. Paul Robinson of Lubbock officiated.

The bride chose for her wedding a white linen dress fashioned with a fitted jacket. A small white feather hat and white accessories completed the ensemble. Her flowers were pink carnations with white

stephanotis. Something old and borrowed was her mother's watch and something blue was her earrings.

Miss Elaine Embry of Muleshoe, niece of the bride, served as maid of honor. She was lovely in a pink dress of daron complemented by a corsage of white carnations outlined with pink.

Donald Shanks of Muleshoe was his brother's best man.

Mrs. Embry wore for her daughter's wedding a pale blue dress with white accessories and a white feathered carnation corsage. Mrs. Shanks was attired in navy blue with white accessories and a white feathered carnation corsage.

Mrs. Chester Embry, sister-in-law of the bride, registered the guests for the reception which followed. The white cathedral wedding cake and pink punch were served by Mrs. Calvin Embry and Mrs. Joe Embry from the bride's table laid with lace over pink centered by a pink carnation floating in a crystal bowl. Crystal and silver appointments completed the decor.

For traveling, Mrs. Shanks chose a black two-piece dress with white accessories. They are now at home at 215 West Ave. E. in Muleshoe, where he is employed by the Lenderson Implement Co. Mr. and Mrs. Shanks both attended Muleshoe High School. Out-of-town guests attended from Covina, Calif., Lubbock, and Farwell.

## Little Sisters Of FHA Elect

The Little Sisters of FHA met Tuesday and elected officers as follows:

President, Joyce Adams; first vice-president, Dianne Chappell; 3rd vice-president, Sharon Miller; 4th vice-president, Peggy Lewis; secretary and treasurer, Linda Wells; reporter, Lou Venia Williams.

There will be a formal installation of officers on Sept. 19, at 7:30 p.m. There will be FHA meetings the second and fourth Tuesday of every month.

## Mrs. Chambers Is Hostess For Club

Mrs. Nancy Chambers was hostess for the meeting of the Los Planos Study Club which met Tuesday night, Sept. 13. Lauranette Mason served as co-hostess.

Jack Young, County Attorney, gave an interesting and enlightening talk on how the president is selected. A question and answer period followed.

Poison pie and coffee were served to Betty Wagnon, Beverly Wagnon, Sandra Mason, Martha McCormick, Georgia Pena, Ruby Hodges, Dollie Ahrhart, Polly Wampler, Dean Callahan, Roseanne Thomas, and Lena Ford.

## Miss Martin Becomes Bride Of Mr. Stancell In Home Ceremony

MR. AND MRS. JACKIE WAYNE STANCELL

Miss Carolyn Faye Martin became the bride of Jackie Wayne Stancell Friday, Sept. 9, at 8:00 p.m., in the home of Mr. and Mrs. W. R. Tittle. W. R. Tittle, minister of the Church of Christ, performed the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. L. E. Martin and her husband is the son of Mr. and Mrs. Jessie Stancell of West Camp.

Mrs. Stancell, given in marriage by her father, was wearing a full length gown of pale de soie. The dress was made in princess lines with a cluster of pleats in the center back. The dress was enhanced with a short fitted jacket which featured a Queen Anne collar and long tapered sleeves. Her fingertip veil of illusion fell from her headpiece of lace and pearls. She carried white gardenias placed atop a white Bible.

She carried out the traditional something old, new, borrowed, and blue. Her wedding gown was new; her Bible was old, a gift of her mother when she was seven years old; her single strand of pearls was borrowed from Phillis Milligan and she wore a blue garter, a gift from Karen Smallwood of Wilcox, Ariz.

Phillis Milligan of Muleshoe was maid of honor. She was wearing a powder blue wool dress with princess lines, scoop neck and circular sleeves. Her flowers were white carnations. Dwayne White of Lariat served as best man.

## WMU Observe 'Week Of Prayer For State Missions' At First Baptist

The WMU of the First Baptist church are observing "Week of Prayer for State Missions" Sept. 12-16. The theme is "Look on the Fields".

The front of the church is beautifully decorated. Directly over the baptistry the theme, "Look on the Fields" is cut from brown styrofoam and outlined with gold glitter. In front of the baptistry a huge map of Texas is covered with gold glitter with miniature resources mounted on it.

The state offering goal is \$1,000. To illustrate this, a brown styrofoam stairway is made with the amount of money placed at the top and outlined with gold glitter. Each step represents \$100. The offering will continue throughout the month of September.

The first program was titled, "Look on the Mexican". It was held Monday night, Sept. 11, at 7:30, and was followed with a tea in the dining room. There were approximately 40 women who attended the program.

On Tuesday, Sept. 12, the ladies were asked to pray in their own home. The theme was, "Look on the Negro".

The candlelighters were Ray Lynn Tittle and Maudie Faye Stancell, sister of the groom. Miss Tittle was wearing a white dress with blue cutwork around the neckline and hem. The dress featured a round neckline and circular skirt.

Miss Stancell was wearing a powder blue dress which featured a round neck, full skirt and puff sleeves. They wore white carnations. The mother of the bride wore a royal blue dress with black accessories. The mother of the groom wore a multi colored two-piece dress with black accessories. They wore corsages of white carnations.

Miss Ray Lynn Tittle and Miss Maudie Faye Stancell served at the reception which followed. For traveling the bride was wearing a blue floral satin dress accented with round neckline, full skirt, long sleeves and a lumberbund. She chose a black feather hat and blue shoes and bag to further enhance her costume. Her corsage was of blue carnations tipped in glitter. Mr. and Mrs. Stancell plan to tour Carlsbad Caverns, Grand Canyon, Las Vegas, Nev., and parts of California.

Mrs. Stancell is a senior in Muleshoe high school. Her husband is a graduate of Farwell high school and is engaged in farming. They will make their home in Muleshoe.

## A NOTE OF THANKS

DEAR PEOPLE OF MULESHOE AND SURROUNDING AREA

We have been here about a year and a half and we sometimes feel like we have been here all our lives. When we speak of we or us, we are talking about our family.

After all, that is why we are here—to enjoy life with our family and all the wonders of living and to earn a living.

I can't think of anything any better to be thankful for than being in the town of Muleshoe, Texas. If we could just get acquainted with each of you and could remember all the names of each and everyone we would indeed be happy. But to remember names in a new town is hard to do and I have had the experience of several towns and in the Armed Forces, my memory is weak.

But on the other hand, if everyone would hear his or her name on his or her being, we could all call each other by name. Since all of us don't, then please give us a chance to know you. Believe me, it's not easy to call everyone by name in the Service Station business or any other business.

All kinds of people coming in, and it would take a smarter person than I am to meet so many people and in a couple of weeks see them again and recall their name. I'll say very few people can do this, but I will never forget a face, whether it has a smile or otherwise.

People with a smile are the ones I would like to be like, because I think of a smiling face as a happy person, that is enjoying life. I do enjoy life.

Again I would like to thank the wonderful people of Muleshoe and surrounding territory on behalf of my family for being so nice to us in our year and a half in Muleshoe, and we hope we will be here a long time to come. Our future is left up to the citizens whether we stay or fold.

So in saying, all of your business is GREATLY APPRECIATED, all of our love and good wishes go out to "our" people of Muleshoe and into all the world.

Sincerely,  
The Vernon Bleeker Family.

### Juanita S. Thompson, College Junior, Attends WAC School

(AHTNC) — Cadets Katherine T. Scobie (right), Wauwatosa, Wis., and Juanita S. Thompson (center) of Muleshoe, discuss Army life with Colonel Mary Louise Milligan, Women's Army Corps director, following their recent completion of the fourth annual college junior program at the Women's Army Corps (WAC) School, Fort McClellan, Ala.

The four weeks training program, attended by 53 college juniors, was designed by Department of the Army to give young women a preview of life in the Women's Army Corps with a view toward their selecting the Army as a career.

Representing 44 colleges and universities throughout the United States, the cadets wore the DAC uniform and trained with Regular Army WACS stationed at the fort.

The college juniors sampled a full slate of military subjects, including nuclear weapons employment, chemical-biological-radiological warfare, military justice, map reading, civil emergencies, the Army in national defense and administrative subjects, and toured other installations.

At the Army Infantry Center, Fort Benning, Ga., they inspected infantry weapons, saw a demonstration of weapons of the infantry in action, and were given the opportunity to ride in a helicopter and in the "buddy seat", which is a simulated parachute jump.

At the Anniston (Ala.) Ordnance Depot, they learned about Army Ordnance supply procedures and met Brigadier General Chester V. Clifton, Jr., Deputy Chief of Information, Department of the Army, who was present to observe the training program.

The cadets may remain in the U. S. Army Reserve throughout their senior year and may apply for a commission in the Women's Army Corps following graduation.

Each of the graduating cadets received a certificate from Lt. Col. Lucile G. Odert, commander, Women's Army Corps Center, at a graduation ceremony, where the guest speaker was Lt. Col. Helen F. Brecht, WAC Staff Advisor for the Third U. S. Army Area.

Cadet Scobie is the daughter of Mrs. Mildred R. Scobie, 8312 Portland Ave., Wauwatosa, Wis. She is a 1954 graduate of Divine Savior High School, Milwaukee, and attends the University of Wisconsin. Cadet Scobie is a pledge to Kappa Epsilon sorority.

Cadet Thompson is the daughter of Mr. and Mrs. Jesse G. Thompson, Rt. 1, Muleshoe. She is a 1958 graduate of Muleshoe High School and attends Eastern New Mexico University, Portales, N. M. Cadet Thompson is a member of Alpha Psi Omega sorority.

### TEL Class Elects Officers For Year

Myrtle Alsop presided during the meeting of the TEL Sunday School Class of the First Baptist Church which met in the home of Mrs. E. E. Dyer recently. Officers for the new year were elected and they are as follows:

Bessie Harlan, teacher; Myrtle Alsop, president; Maude Harvey, vice-president; Lois Shook, secretary; Myrtle Harper, treasurer; Grace Winn, pianist; and Beulah Motheral, reporter.

Effie Bray and Myrtle Alsop gave interesting talks to the group. The visitors present were Linda Hart of Farwell, great granddaughter of Mrs. Bray, Mrs. Cecil Smith, daughter of Effie King, and Mrs. G. W. Isbell, of Madisonville, Tenn., sister of Lovie Benson.

### Mrs. Bray Is Hostess For Wesleyan Guild

The home of Mrs. Clyde Bray set the scene for the meeting of the Wesleyan Service Guild Monday night, Sept. 12, in which Mrs. Ruth Colbert presided.

The theme for the meeting was, "Basic Christian Beliefs". Mrs. Bess Edwards and Annamary Elrod gave a review on the Study of Missions held in August in which they attended. Mrs. Virginia Gholson was also on the program.

Those present for the meeting were Meses. Betty Burkhead, Barbara Burton, Ruth Colbert, Bess Edwards, Anita Elrod, Earl Gross, Virginia Gholson, Evelyn Johnson, Bonnie Leveridge, Dena LaRue, Lois Schoenberger, Margaret Stemmmons, and Miss Elizabeth Harden and the hostess, Mrs. T. L. Glasscock and Mrs. H. O. Barbour were guests for the occasion.

The next meeting will be held in the home of Mrs. Betty Burkhead Sept. 26.

All kinds of School Supplies are available at The Journal. Come in and select yours.

### Mrs. Jennings Gave Travelogue For Study Club

Members of the Muleshoe Study Club enjoyed a Travelogue Narration and showing of slides given Thursday evening, Sept. 8 in the home of Mrs. Sherman Sweatmon by Mrs. O. N. Jennings and her grandson, "Jeep". Mrs. Jennings gave a most interesting talk on their trip along the Southern Coast of the United States, and up the East Coast to Washington, D. C., New York, Maine and Canada, while Jeep showed slides of pictures which they had made.

Also enjoyed was the talk by Mrs. Verney Towns, on the subject of "American Tourists as Others See Them." Mrs. W. T. Andrews was the director of the program.

Following the program, the president, Mrs. W. Q. Casey, held a business session and yearbooks were distributed to the members. Delicious refreshments of banana nut cake and coffee were served. Those

present were: Meses. Neal Dillman, O. Gerrard, W. T. Andrews, W. Q. Casey, John Farley, R. O. Gregory, Jack Henderson, O. N. Jennings, Eddie Lane, Verney Towns, T. R. White, Gil Lamb, and the hostess, Mrs. Sherman Sweatmon.

The next meeting of the Club will be on Sept. 22 in the home of Mrs. R. O. Gregory.

### Barbara Evins Gives A Report To MYF

Magann Lamb presided at the MYF meeting held in the First Methodist church Sunday, Sept. 4, at 6:30 p.m., in the Youth Chapel.

Barbara Evins gave an interesting report on the sub-district meeting held in Progress Sunday afternoon.

Sandra Harris was in charge of the program which consisted of various forms of prayer, Elaine Embry, Jan McVicker, Kathy Moore, Joyce Adams, and Ann Brooks discussed particular types of prayer.

Approximately 25 young people attended the meeting.

### Local Square Dancers First At Portales Fair

The Square Thru Club had a square to go to the Roosevelt County Fair in Portales Tuesday night.

Those who went were the caller, Bob Glass, and square dancers, Mr. and Mrs. Warren Meeks, Mr. and Mrs. W. F. Stewart, Mr. and Mrs. Ed Edmiston, Mr. and Mrs. Carl Ellington, and Mr. and Mrs. John Bickel, all from Muleshoe.

Muleshoe dancers came home with First Place Trophy and the traveling trophy. The Muleshoe square must return next year to defend the traveling trophy. If it is won three consecutive years, it is the Square Thru's to keep.

There were seven squares competing in the contest. Dancers from Floyd, N. M., Tatum, N. M., Roswell, N. M., Portales, N. M., Farwell, and Muleshoe.

Second place trophy was won by a square from Roswell, and third place was taken by Portales.

### LOSE NO. 17 TO WILDCATS

## Mules Trampled By Littlefield Wildcats

Muleshoe's Mules lost for the 17th time last Friday night at Benny Douglass Stadium in as many games to the Wildcats from Littlefield. The Mules have yet to defeat the Littlefield eleven on the gridiron.

The Mules kicked off to Littlefield to get the game underway. On their second try from scrimmage, a backfield man dropped the ball and big Don Julian pounced on it on the Wildcat 35. The Mules' hopes were short lived as they gave the ball right back to Littlefield on their first running play from the line.

Muleshoe held Littlefield for downs and they were forced to punt out. Muleshoe had the ball on their own 16. Again fumbleitis struck and the Mules lost the ball on their own 18 yard line. There was no denying the 'Cat team as they hammered the forward wall of the Mules, driving close on every play to the goal line. Tony Estrada, sophomore fullback, bullied his way over from three yards out. Jerry Koller, a thorn in the Mules' side all night, kicked the extra point, to send Littlefield out in front 7-0. After taking the ensuing kickoff, the Mules were stopped and were forced to kick. From the Muleshoe 41 the Wildcats began to claw their way goalward. A jump pass to Dale Purdy, end, was good down to the Muleshoe 31. After driving to the Muleshoe 25, Pete Estrada carried the mail over the double stripes for another Wildcat tally. Koller again booted the extra point to send the 'Cats out in front 14-0 as the first quarter ended.

### 7th and 8th Teams Stop Levelland

The seventh and eighth graders of Coach George Washington and Coach Louis Powers took a twin win from Levelland 7th and 8th graders here Tuesday night. The Muleshoe seventh grade team shut out the Levelland team with an 18-0 score.

The eighth grade game proved to be an exciting affair as the teams were evenly matched. Levelland brought first blood with a counter, but the future Mules came storming right back, with Luna going over for the touchdown. Again Levelland scored six more points to put them ahead 12-6. With time running out, Luna went wide on a beautiful 65-yard romp, only to have the TD called back on a clipping infraction. With the ball resting on the Levelland 25, the little Mules worked it down to the 5-yard line with the help of a 15-yard penalty. From five yards out the 8th graders scored to tie up the ball game. With time running out, Scottie Oliver bullied his way over for the extra two points, edging the Levelland club 14-12.

### Pleasant Valley Views

Mrs. C. W. Calhoun attended a Girl Scout Adult Leaders meeting in Lubbock last Thursday.

The Pleasant Valley 4-H Club met Wednesday, Sept. 7, at 5 p.m., in the Community Center for the purpose of electing officers for the coming year. Officers elected were: Pres., Sheryl Stevens; vice-pres., Veta Allison, sec., Patsy Angeley; reporter, Carolyn Allison. Veta Allison was elected county delegate.

Refreshments were served by Sheryl Stevens to 12 members present. A meeting of the past officers and adult leaders will be held in the Community Center Thursday, Sept. 15, to make plans for the achievement program to be held the first week in October.

Mrs. Jewell Crowe and Mr. and Mrs. E. K. Angeley went to Morton Monday to visit Mrs. J. E. Crowe and W. E. Angeley. Mrs. Crowe and Mr. Angeley have been ill for several days, both are much improved at this time.

E. K. Angeley and Kenneth Duncan took Tubby Angeley to Canyon Sunday to begin his freshman year at West Texas State College. Other Pleasant Valley college students this semester are Martha Wuerflein, Wayland; Maurice Jones, Texas Tech; Benny Bickel, West Texas State.

The Gerald, Oscar, and Harold Allison and Mr. and Mrs. Gene Tunnell went to Sudan Sunday to hear Evangelist Grady Allison. Rev. Allison, a cousin of the Allison's, held a revival meeting last week at the First Baptist Church of Sudan. Mrs. Grady Allison was the guest soloist. Rev. Allison is the pastor of the Wooster Baptist Church at Baytown, Texas.

### Dimmitt Downs Longhorns 22-6

The Dimmitt Bobcats lassoed the Longhorns from Lockney 22-6 in a game played at Dimmitt. Junior Coffey, big fullback for the Bobcats scored two touchdowns to lead the Dimmitt eleven. His first TD came on a 65-yard romp over left tackle. The other one was for short yardage.

Halfback Donnie Nelson scored Dimmitt's last touchdown in the third period.

The Longhorn lone tally came in the fourth quarter as Bill Mangold hit the Bobcat middle for 15 yards and a Longhorn score.

There was no scoring in the fourth quarter but the fans were brought to their feet on the last play of the game. Young faded back and hit Jimmy Patton with a 30-yard pass that carried down to the Wildcat 40-yard line, where he was smothered.

The Mules played a good brand of football but the more experienced and heavier Wildcat team was just too much for them. The Mules were hitting a little harder than they did in the Clovis game, but were outweighed, both in the line and in the backfield.

Muleshoe has an open date tomorrow (Friday) night as they prepare for another home game the night of the 23rd. They will host the Hereford Whitefaces. Hereford won their first ball game last Friday night, since 1958 when they toppled the Canyon Eagles 20-0.

The last meeting between the two was in 1915 when the Whitefaces took a 47-7 victory.

### Jennings Agency Gets New Office

Jennings Insurance Agency will have a new home when work of remodeling the H. H. Carlyle building located on Ave. B at West First is completed. The building has been used as a service station.

James Jennings, owner of the agency, said he will have a nice reception room and two private offices. The building will be completely redecorated inside and out and new partitions will be installed. There will be ample parking space about the building. The agency expects to move in about October 1.

Mr. and Mrs. E. K. Angeley and Mr. and Mrs. Earl Darsey attended the Fair, Old Fiddlers and Square Dance Contest at Portales Tuesday night.

## Kerr Is Named Manager Here For Land Bank

Ernest Kerr has been elected manager of the Muleshoe office of the Federal Land Bank Ass'n., succeeding Noel Woodley, who resigned effective today. Mr. Kerr will assume his duties Friday morning. Miss Mildred Davis will continue as office secretary. The local office handles farm loans in Parmer and Bailey Counties.

Mr. Kerr came here from Hereford ten years ago. He was a member of the firm of Muleshoe Liquefied Gas Co., for several years and upon its sale became the dealer here for the Ford tractor. During the past two years or so he has been associated with an insurance company. He served for several years as a member of the City Council and as mayor of Hereford.

Mr. and Mrs. Woodley are to leave Friday morning on the first leg of their trip to Washington. They will visit their daughter and son-in-law in Albuquerque until Sunday, then push on to the capital.

Mr. Woodley will enroll Sept. 22 in George Washington University where he will study hospital administration. The Woodleys sold their insurance business here to James Jennings and this week sold their home at West 5th and Ave. E.

The couple, long active in civic, club and church affairs, have been honored at several farewell parties in recent days. They told The Journal they hope to be back for a visit with their old friends at Christmas time.

### LIVESTOCK AUCTION REPORTS

A target date for initiating reports under a demonstration market news program to cover livestock auction markets in East, Central and Southwest Texas has been set for the week of October 16 by the Texas Department of Agriculture.

Preliminary work on the program got under way at the beginning of September, when two livestock auction market reporters assigned by the TDA started training under Charles Foley, director in charge of the S. Department of Agriculture market news at the Fort Worth stockyards.

Additional reporters will be assigned later, eventually expanding the program to cover the entire state. In its opening phases, the project will cover 12 key markets in an area which is co-extensive with two of the six districts of the Texas Department of Agriculture. The program is a cooperative State and Federal undertaking.

Initial research to get the program under way has been conducted by the Texas Department of Agriculture, the Texas Extension Service and Texas A. and M. College in cooperation with the Texas Livestock Auction Association. Demand for such a reporting service has been widespread.

Expansion of livestock auction markets in Texas within the past few years has been exceptional, and currently there are more than 160 such markets operating in the State. A reliable, regular and accurate market news program to serve these sales outlets has been regarded as one of the prime necessities for their further orderly development.

In announcing the demonstration project, Agriculture Commissioner John C. White pointed out that "it was during the depression years of the 1930's that auction sales began performing their greatest service to livestockmen. They provided a quick, convenient and responsible outlet to hard-pressed ranchers. Their service has been vastly expanded and improved since the days of the depression."

"Our auctions are owned and operated by responsible business people who are a definite part of the community and ranch life. They serve as a friend, advisor and promoter to those engaged in the livestock economy of our State. They cooperate with State health and law enforcement agencies to see that all regulations are strictly enforced—and there are many of these regulations."

For 1961, Comet continues the styling which has made it one of the most sought-after compacts in the market. A new grille and modest ornamental changes identify the 1961 models of the two and four-door sedans and the two and four-door station wagons. In addition to the standard 85 horsepower economy engine, the 1961 Comet offers an optional 101 horsepower six. See the Comet soon at Muleshoe Motor Company.

### Tax Man Sam Sez:

The Internal Revenue Service still has several thousand refund checks that belong to North Texas. Every year a lot of taxpayers fail to write plain enough for the tax folks to read.

Then the electronic machines fail to spell some taxpayer's name right on their refund check. Due to several causes the Internal Revenue Service end up with quite a few thousand returned refund checks.

They work hard at trying to find the taxpayer's correct name and address, but a lot of folks also add to the confusion by moving and not telling Internal Revenue of their new address.

If you were due a refund check this year, if you have not received your refund check yet, if you have not been notified that your return is being given a pre-refund audit, you should write to Internal Revenue. You may be one of the several thousand who may be pleasantly surprised by having a refund check forwarded to them.

"It is our hope that this new market news program will offer material benefits in the further development and improvement of this essential livestock activity."

### Three Way News

Mrs. Frank Griffiths

A farewell party was given in the Cass Stegall home Wednesday evening for the Horace Huttons, who are moving to Muleshoe.

Fried chicken, vegetables, pie, and tea and coffee were served.

Attending were Mr. and Mrs. Buck Ragsdale, Mr. and Mrs. Pete Tarlton, Mr. and Mrs. Clint Everett, Mrs. Lewis Jordan and Linda, Mrs. W. C. McCelvey, Mr. and Mrs. Jack Hutcheson, Mrs. Jack Lowe, Mr. and Mrs. Tommy Galt, Mr. and Mrs. L. W. Chapman, Mr. and Mrs. Cecil Cole, Mr. and Mrs. Louis Henderson, Mr. and Mrs. Leon Reeves, and Mr. and Mrs. Kenneth Corbell.

A table lamp was presented to the Huttons as a farewell gift.

Visiting in the Frank Griffith home Thursday were Mr. and Mrs. Ira Griffith of Shallowater, parents of Frank.

Mrs. Lewis Jordan and Mrs. Frank Griffith were shopping in Clovis Thursday.

Spending the weekend at Ruidoso, N. M., were Mr. and Mrs. Pete Tarlton, Mr. and Mrs. Buck Ragsdale, Mr. and Mrs. Thurl Lemons, Mr. and Mrs. Jack Hutcheson and children, Mr. and Mrs. Neal Smith, Mr. and Mrs. Clint Everett, and Mrs. Jack Lowe.

The Three Way Eagles defeated Cotton Center Friday evening in their first conference football game. The score was Three Way 20, and Cotton Center 18.

Several fans from Three Way attended the game at Cotton Center.

The Eagles will play Bula at Bula Friday night.

Mrs. Florence Bailey spent several days visiting her granddaughter and family. Mr. and Mrs. J. L. Batteas and girls of West Camp.

Mr. and Mrs. Frank Griffith and Bailey drove to Bryan Saturday. Relatives from Houston came to Bryan Sunday morning and had breakfast with the Griffiths and spent the day. Bailey remained there to enroll at A&M College. Mr. and Mrs. Griffith returned home by Lott, Texas, and visited relatives there.

Mr. and Mrs. Charles Bowers of Smyer are the parents of a boy, born last week at Lubbock. The baby was named Charles Riley, Jr. The Bowers are former residents of Three Way. They have two other children, both girls.

Visiting relatives at Littlefield last weekend were Mr. and Mrs. Jack Lowe and girls.

Mrs. W. C. McCelvey accompanied Mrs. Homer Waldrop of Muleshoe to Ruidoso, N. M., Sunday.

Charlie Pollard of Forrest, N. M., is visiting his brother and sister, Carl Pollard and Mrs. Marvin Holt.

### Three Named To Labor Committee

Three Bailey County citizens, Bill Miller, Carol Pouncey, and Rev. Roque Puente, will serve as a County Farm Labor Committee and met with T. R. Jewell, Jr., Manager for this area of the Texas Employment Commission office, to review the total seasonal employment needs developed by the TEC.

Also present was Mr. David Miles, Muleshoe Office Manager, and Mr. E. G. Travis, District Representative from Amarillo.

The Committee was presented with the figures of the TEC that Bailey County will be short 1275 cotton pullers during the peak period of the cotton harvest. This shortage will be met by the importation of Mexican Bracero workers.

The Committee will function under Public Law 78, obtaining facts relevant to the supply of domestic farm workers existing in Bailey County and the shortage of workers, if any, which must be met by importing Mexican Nationals to harvest the cotton crop. Under Public Law 78, the TEC must supply this information to the secretary of Labor who must limit the number of Mexican Nationals to be used in this county by granting a "ceiling". The Committee consults with the Local Office Manager to assist him in estimating the number of workers who will be needed, based on current local conditions affecting the cotton crop.

"Ceilings" granted by the Secretary of Labor limiting the importation of Mexican Nationals into this area will be posted in all Post Offices in the County, in the County Agent's Office, and in the County Courthouse.

### Annual Club Tourney Is Set

The annual club tournament at Muleshoe Country Club will be staged beginning Sunday, October 2. No entries will be received after 7 p.m., Oct. 1. Club officials said an entrance fee of \$5 will be charged and there will be 54 holes of medal play with handicaps. Final rounds will be played Sunday, October 9.

### Parmer County Farm Bureau

Herman Gerles, PCFB President and his wife, Alta, invited all the directors out to their home for the regular director's meeting Monday night, Sept. 5. To make it more interesting, they asked them to bring their wives and enjoy barbequed chicken with trimmings and ice cream.

Attending were: The Donald Christians, F. D. Carters, J. T. Jones, Claude Osborns, Joe Jeskoos, Vernon Symcox, Franklin Bauers, all of whom are directors and officers. Others attending were the Busters Davises, Jack Pattersons, Raymond Eulers, and the Roy Millers.

Subjects discussed in the meeting were investment of building fund money; letters to legislators regarding need for a different type of farm program then presently advocated; membership acquisition. The date and place for the annual county convention was set for the Oklahoma Lane Community Building on the night of October 6.

The United States Department of Agriculture reports that there are one hundred seventy automatic cotton samplers operating in gin plants in the United States. Ninety seven of these are in the state of Texas.

Regarding the statement often heard that the United States should donate its surplus food supply to the needy, here are some interesting facts. Over fifteen billion pounds of surplus food have been moved into use during the last eight years through the operation of the District Distribution Program, both in the United States and overseas.

The number of persons receiving surplus food in the needy person category increased to five and seven tenths million in March 1959 — the largest total since 1942. The cost of the food was reported nearly three billion dollars.

We would like to urge each person to give time to study of the political situation and decide how you really want to vote in the coming election. It is important that everyone study enough that they are interested enough to make it a point to vote their convictions. **CONSIDER THIS: The father of the righteous shall greatly**

### Ruidoso Downs Had A Record High Attendance

Ruidoso, N. M.—The curtain fell on the 1960 season of horse racing at Ruidoso Downs and officials could review a racing program that brought a record high attendance and a record high mutual handle.

Handle this year went beyond \$11,500,000, highest in the 14 year history of the track. The Downs' All American Futurity has become the world's greatest quarterhorse race.

Ruidoso Downs' motto is "the fastest growing track in the U. S." Earnings are continually being put back into plant to increase the convenience and comfort of patrons, horse owners, trainers and so forth.

**STANLEY REED HORD**

**OUTDOORS IN TEXAS**  
by Vern Sanford  
Keeping up with neighbor Jones is a problem. But keeping up with the multitude of manufacturers of the various and sundry items for outdoorsmen is many times more difficult. It's expensive, too!  
There must be a million different products designed especially for those who fish, hunt, swim, ski, hike, go boating, or just plain camp out.  
And—friend wife contends that we already have most of these items.  
But the little woman is wrong there. She doesn't know the half of it—in fact even a fraction of it. There are millions of items we don't have! Trouble with her is that she's looking at the multitude of canceled checks . . . and comparing them with the small bank balance.  
However, she is right in many respects. Looking back I find that I do buy nearly every lure that's advertised in the local newspaper. Also I've purchased most of the rods and reels that have been "specialized" in the press. My resistance always weakens when a store runs one of those "introductory" or "special-price" offers. I'm a sucker for such deals. If I can save money I'll buy most anything.

hours of early morning casting before reporting to work. Don't overlook the fact that fish bite late in the evening too.  
Anyway—fall fishing is wonderful!  
Are you ready for it? Got the tackle box cleaned up, hooks sharpened, rod carefully checked, reel oiled and new line installed?  
What the Fall months mean to you in the way of a successful season depends a great deal on your preparedness. Nothing is more disgusting than to discover that you failed to bring along your favorite lures, or your best rod and reel.  
Some anglers keep a check-off sheet handy—just to be sure nothing is overlooked.  
We keep our rod and reel in a Boyt case, but instead of a gun it holds a two-piece spinning or casting rod, a fishing reel, and a dozen or so lures of top-water and underwater variety. It's a mighty handy case. Take along a couple of them, fully rigged, and you can forget your tackle box and still not kill a day of good fishing.  
But, even then it's wise to open the cases before you leave home and give 'em the ole double-check. We know because we just flat failed to do it only a few days ago.  
So, there we were, right on top of the ole fishing hole . . . with everything and everybody ready to fish—except yours truly. We had everything with us including a brand new four star Garcia rod which we had won in a fishing tourney at the Outdoor Writers meeting at Lake Texoma—everything that is except one important item. We'd failed to outfit the case with any kind of reel.  
Thank goodness however, for one good habit. We always take along a spare outfit. Luckily Boyt case number was fully equipped.

**IN FACT THE WIFE REMARKED just the other day, that if I didn't quit saving money that way we'd soon be broke. "We just can't afford to save any more", she warned.**  
There's a merchant in our town whose name is Dan. He has three stores. Biggest is a general-merchandise type of store, but it stresses things for the sportsman . . . everything from tees to tents.  
He's a big buyer and sells at a small margin of profit. Every time he runs an ad his store swarms with customers. Usually I'm one of them.  
I keep our fishing and hunting gear, as well as our boating extras, in a small store room in our fishing shack on the lake. I'll admit the room is pretty well packed.  
My wife has complained lustily and long about my buying too many outdoors items. My "excuse" has been that I have to keep up-to-date on the products if I'm going to write about them.  
But, she found a way to put a stop to all this "foolishness" . . . as she calls it.  
She's a pretty clever girl, that woman. When I came in from a recent visit to Dan's—with two or three of about every type of lure that Dan had "specialized" . . . there was a big sign greeted me over the storage room door. Embellized in huge letters was—"Dan's No. 4."  
That ended it. I took the hint. Now I tell Dan to come out to my place on the lake, anytime he runs out of any thing, and replenish his stock. Anyway, if you haven't been reading in this column lately, anything about the latest in everything outdoorswise, that's the reason. But chances are we'll be back again as soon as the storm blows over—just like any avid angler.

**TEN YEARS AGO MISS PATSY LANE TO MARRY NOV. 12**  
Mr. and Mrs. Eddie Lane are announcing the approaching marriage of their daughter, Patsy, to Charles King, son of Mr. and Mrs. C. M. King of Muleshoe.  
The wedding will take place at 2:00 p.m. Nov. 12 in the home of the bride-elect's parents.  
The Y. W. A. girls of the First Baptist Church entertained with an informal party September 1 for the bride-elect in the home of Mr. and Mrs. Clarence Wilhite.

### WHAT'S HAPPENING IN WASHINGTON AND OTHER CITIES

**THE SANDHILLS PHILOSOPHER NOT SURE He Can Vote Right Enough To Keep World From Collapsing**  
Editor's note: The Sandhills Philosopher on his Johnson grass farm ponders a serious matter this week, his letter reveals. He'll probably get over it.  
Dear editor:  
There's one thing about history that I've never been able to understand. Well, that's just a manner of saying it, actually there are thousands of things about history I've never understood, and even more I don't even know about, but the thing that I'm referring to now is this:  
How is it that a fateful crossroads in history always looms up simultaneously with a Presidential election?  
As long as I can remember, I can't recall a time when, every fourth year along in September, the fate of the world wasn't considered to be hanging in the outcome of the election in November.  
I don't understand how this comes about, but it does, and this is even more surprising: how the American people always seem to make the right choice. At least they always must have, as so far the world never has collapsed yet after an election in the United States. When I haven't had anything else to do, I've often sat and pondered what would have happened to the world if all the defeated candidates for President had been elected and the successful ones had been defeated. I figure the world

### BABSON DISCUSSES

## Ireland, Its People, Land And Castles

Dublin, Ireland, September 15. The Steamship Mauretania, upon which Mrs. Babson and I were travelling, stopped at Cobh, Ireland to drop off a few passengers on its way to Liverpool. As neither of us had been to Ireland, we thought this was a good opportunity to spend a week there. Hence, we disembarked at Cobh.

**THE O'DOUGHERTY CASTLE**  
The island which we normally think of as "Ireland" consists of two distinct divisions politically. The Republic of Ireland (Eire) comprises four-fifths of the area; its population is independent, and largely Catholic. Northern Ireland, consisting of six counties is still a member of the British Commonwealth and is largely Protestant. It was settled chiefly by the Scotch.  
The northwestern tip of this Protestant section is O'Dougherty country, which has the remnants of a Castle which Mrs. Babson's ancestors built two hundred years ago. It was constantly in trouble. It was taken by the English some forty years after it was built; then the O'Dougherty's got it back for about forty years, and thereafter the occupancy

of it switched from one to the other. There is a lesson here which may apply to other countries where property has been seized by the Russians or other Communists. Although the O'Dougherty buildings were burned and the cattle and tools stolen, yet the title of the real estate finally returned to the original owners. This makes me feel that well-located real estate is one of the safest investments in this troubled world.

### THE PEOPLE OF IRELAND

The people of Ireland are most courteous and warm-hearted. They have laughter and humor as well as curious superstitions. They are known as chronic exaggerators, due to their kissing of the Blarney Stone! Both the men and women are healthy, athletic, and handsome. They are very trustworthy, God-fearing working people, charmingly graceful. In my travels over the world, I have never met more friendly or happier inhabitants.  
We started at Cobh and went along the South Coast, passing wonderful old castles such as the Dronoland Castle, built in the Eleventh Century, the Ash-

ford Castle, and the Ballynahinch Castle. Hotels are reasonable, the food is good, but bathrooms are scarce and cold. The rooms are heated by open fireplaces, burning peat rather than coal. Little wood is left in Ireland, but the fields are verdant.

### VALUE OF PASTURE LAND

Although Ireland is smaller in area than Pennsylvania, yet it has the marvelous ocean frontage exceeding that of Florida. Some of this is meadow farm, land extending down to the water; in other places there are high cliffs. As I worked up the West Coast and noticed this beautiful unoccupied ocean frontage, I systematically took samples of the soil. These I will bring home with me and have analyzed. This land sells at a low price per acre and is fairly rocky, suitable, from our standpoint, only for pasture. It also is difficult to purchase large tracts of a thousand acres. However, I should think this land might be an excellent investment for those with patience who are willing to visit Ireland once every other year and talk with those to whom they rent.  
I was much surprised at the temperature of Ireland. I saw palm trees growing in the southern portion, and it was told that, due to the Gulf Stream, even the northern portion is seldom freezing cold. The Kil-

larny Lake section in Southwest Ireland is beautiful, and many other lakes abound throughout Ireland providing fishing, hunting, and other sports.

### TRANSPORTATION

Dublin has an excellent airport with planes going to all the leading English and Scotch cities, as well as to Paris, Rome, and elsewhere. Planes from the United States land at Shannon, a hundred sixty miles southwest of Dublin, near the famous Blarney Castle. The population of Northern Ireland is almost 1,500,000, while the rest of Ireland has about 3,000,000 people. Ireland has excellent banks, department stores, and hotels. It reminds me today of what our Florida was in 1900, sixty years ago.

As a teenager I had felt the need of a true chart and compass for my life in this world of uncertainty. How grateful I am that through God's mercy I have found in Christ the true captain of my soul and in the Bible the true chart of my life!

Through the tempests of my life my Captain has stood beside me. Whenever darkness encompassed me, my soul was enlightened by the Word of God, and I was led safely to victory.

More than once when brought to the very brink of death, I stood on the promise of God and was restored to health and strength.

The Word of God has inspired, strengthened, and guided me when all else failed. I have been troubled much, yet as I have knelt before God, the Holy Spirit has been my helper. He has brought understanding and comfort, strength and guidance, as I have turned to the life-giving Word of God.

**PRAYER:** We thank Thee, our Father, for Thy Word, which is the true chart and compass of our lives. Help us to put our trust in Thee and believe Thy word and be guided by it. In Christ's name. Amen.

**THOUGHT FOR THE DAY**  
God never fails those who trust Him for guidance.  
Vahram Salibian (Lebanon)

## Today's Meditation

Read Psalm 119:97-104

The statutes of the Lord are right, rejoicing the heart: the commandment of the Lord is pure, enlightening the eyes. (Psalm 119:8.)  
My forty years of Christian experience have proved to me that the Bible is the chart of life.

## Inquire Before You Retire!

As human beings, we dislike having our plans disturbed. We are impatient of any kind of interruption. Understandably, we resent any delay in the delivery of our regular paycheck, or dividend check. We have made plans committing ourselves to certain financial obligations. When the check is delayed we are forced to make excuses to our creditors. We just don't like it. "Why can't they get those checks out on time"? Isn't that familiar? Perhaps if someone had made a little more preparation there would have been no delay. But someone didn't. The checks were late.

There is one delay YOU can help to prevent. Any delay in receiving your first check for social security retirement benefits can be eliminated. Any interruption in shifting from a "paycheck" to a "retirement check" is not necessary. Perhaps this fact doesn't interest you. Maybe you have been lucky enough or should we say, wise enough to have been able to save so that getting neither paychecks nor retirement checks for a few months makes no difference. Most of us haven't been that lucky. We can't afford to be without a regular check, whether it is a paycheck or a retirement check.

The first thing YOU can do to help prevent any delay in receiving your first check for social security retirement benefits is to "inquire before you retire." Look up the address of the nearest social security office in the telephone directory. If you live in a small town, inquire from your postmaster where the nearest social security district office is located.

Then call at the social security office even as much as three months before the time that you are to actually retire. As a matter of fact you can file an application even while you are still employed. Men 65 or older, women 62 or older, who have already stopped working should call at their social security office immediately.

The second thing that you can do to prevent any delay in receiving your first check is to find out what proof, if any, you will need to establish that you are entitled to retirement benefits. Again this can easily be done by calling at the nearest social security office. They not only will be most happy to help you, but they are in a way selfishly helping themselves by reducing to a minimum the time elapsing from the moment you sign your application and the moment the postman delivers your first benefit check.

## Progress News

**Church Conference**  
Wednesday night of last week was Conference Night at the Baptist Church. The church voted to enter into the Texas Baptist Church Achievement program again this next year.

The Progress Baptist revival is being well attended this week. Bro. Clifford Jester of Hurst, Texas is doing the preaching. Don Monroe is leading the singing and Mrs. Melvin Mackey of Muleshoe is playing the piano. You are invited to come out and hear Bro. Jester. The revival will go on through Sept. 18.

**Intermediate Picnic**  
Ten intermediates and two adults from the Progress Baptist church went to the sandhills for a hot dog supper. Punch and spotnuds were also served. Everyone had a good time.

Frank James was released from the West Plains Hospital Saturday of last week.

Mr. and Mrs. N. P. Apostoles and son, Steve, of Fairbanks, Alaska are here visiting her parents, Mr. and Mrs. H. L. Pugh. Also her sister and family, Mr. and Mrs. Homer Redwine and children of Muleshoe.

Mr. and Mrs. E. A. Bass and girls spent the week end in Springtown visiting her parents and brother, Mr. and Mrs. Andy Dunlap and Ben Dean.

Mr. and Mrs. Harlan Maddon of Mountair, N. M. were here visiting friends this past week.

Luana Shipp of Denver, Colo. is here visiting her mother and father-in-law, Mr. and Mrs. M. L. Shipp, Roy Lyn and Janet.

**TO ENROLL AT TEXAS**  
Tommy Thomson has gone to Austin and established residence in one of the dormitories preparatory to enrolling at the University of Texas. His parents, Mr. and Mrs. Bill Thomson accompanied him and, upon returning home found themselves pretty homesick and homesick. Tommy was valedictorian of the 1960 MHS graduating class.

A representative of the Lubbock Social Security Office will be in Muleshoe on Thursday, September 22 in the County Courthouse and will be glad to assist in all matters pertaining to social security.

## Lazbuddie News Letter

by Penny Grusendorf

Mr. and Mrs. Jess Pendergrass visited her brother, Reece Hester and her sister, Mrs. H. P. Sims of Eunice, N. M. over the weekend.

The Lazbuddie Baptist Church had brotherhood Thursday night and 14 men were present. They studied Religion and Catholic prejudice.

Mr. and Mrs. S. M. Breland and Mr. and Mrs. Wendell Breland of Olton; Mr. and Mrs. Clint McCarty and family of Plainview; and Mr. and Mrs. Charles Brothers and family of Hereford were Sunday guests in the home of Mr. and Mrs. Bill Curry and family.

Mr. and Mrs. U. L. Lesly moved in this area this week. They have three daughters, Peggy, Ann, and Reba.

The Lazbuddie Senior Class had a bake sale Saturday at Clay's Corner and the Lazbuddie Grocery Store. The Seniors will be having bake sales every three weeks, and will take orders and then the person may either pick up the order or we will deliver it to them. We also take orders on our off weeks if you want something baked. All you have to do is contact a Senior. The Seniors this year are as follows: Norman Brantley, Patsy Morrow, Corretta Watkins, Roy Max Miller, R. L. Porter, Odie Bradshaw, Beverly Smith, Jerry Don Glover, Billy Hardage, Freddie Savage, Jerry Smith, Fommie Horton, Ronnie Gustin, David Tarter, Judy Brown, Thomas Ketchum, Robert Pruitt, Wayne Peterson, Ronald Elliott, Eddy Morris, Marilyn Carroll, and Penny Grusendorf.

The Lazbuddie high school will have a girls football game again this year and we urge everyone to attend. The date of this game will be October 1. More information on this event will be given at the time draws closer.

The birthdays for this week are: Sherry Vanlandingham, Sept. 7; Sandy Brown, Sept. 8; Sammie Harlin, Sept. 8; Debbie Jennings, Sept. 9; Larry Davis, Sept. 11; Bobbie Gleason, Sept. 12; Linda Smith, Sept. 14; Gayle Robinson, Sept. 17; Mike Hinkson, Sept. 18; and Raymond Fonseca, Sept. 18. We hope that all of these people have a very Happy Birthday.

E. W. Carter spent the first of last week in the home of Mr. and Mrs. Clyde Monk. Mr.

Carter is an uncle of Mrs. Monk and lives in Phoenix, Ariz.

Company in the Allen Grusendorf home Sunday were Mr. and Mrs. O. H. Grusendorf of Mulshoe and Mr. and Mrs. Albert Grusendorf and sons, Jimmy, Jerry, Johnny, Mike and Wayne of Mulshoe. Also Mr. and Mrs. J. E. Cullens of Farwell.

Mr. and Mrs. Jessie Motes of Lubbock visited in the home of the Rev. and Mrs. Motes of Lazbuddie Saturday.

The Lazbuddie Methodist Church closed their revival Sunday night, and the Rev. Rowland Moore of Tulla went back to his home. Everyone really enjoyed the revival and some very good sermons were preached.

Mr. and Mrs. L. B. Hambricht went to Midland Saturday and visited their daughter, Mrs. B. P. Tremble and daughter, Tracy. While there they also visited Mr. Hambricht's brother, E. Y. Hambricht of Midland, who was sick in the hospital.

Dr. Jerry Gleason went to Washington, D. C., Tuesday to enlist for the Air Force. He will spend six months in Washington, D. C.

## Enochs News Events

by Mrs. Jerome Cash

Norvell Roberts and Phillis Fide went to Smyer Sunday afternoon and spent the afternoon with Mr. and Mrs. Melvin Howard and family. Mr. Howard was coach at the Bula school last year.

Mr. and Mrs. Dan Hendrick left Friday afternoon to attend the funeral of his grandfather at Jackboro.

Those that left for college Sunday at Portales, N. M., were Janell and Sandra Seagler, Doris McBoe, Stanley Snitker, and Keith Fred.

Sam McCormick of Amarillo preached at the Enoch Church of Christ Sunday for both services.

Word was received here that a brother of J. W. Layton suffered a severe heart attack last week.

The Enochs Baptist revival is in progress this week with Bro. Charles Vanlandingham doing the preaching. Attendance has been reported good.

Mrs. Clifford Snitker was home this week recovering

West Plains Hospital in Mulshoe.

News was received Sunday of the death of Eddie Carter, nephew of Mrs. W. A. Pool. He was 8 years old, and lived at Taylor. He was killed instantly when struck by a large truck. He was the son of Mrs. Barbara Carter.

Tonya Gibson was ill with tonsillitis last week.

Those sick in the West Plains Hospital at Mulshoe are Mrs. Jackie Shan and Jewellen Brockman.

Mr. and Mrs. Bob Newton and boys spent the weekend in Lovington, N. Mex. visiting relatives.

## CHRISTIAN SCIENCE SERVICE

How freedom from the bondage of sickness and sin can be gained through wholly spiritual means will be emphasized at Christian Science church services Sunday.

Readings from the Bible in the Lesson - Sermon entitled "Matter" will include Luke's account of the healing by Christ Jesus of the woman "which had a spirit of infirmity eighteen years." (Ch. 13).

One of the passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (228:20): "If we follow the command of our Master, 'Take no thought for your life,' we shall never depend on bodily conditions, structure, or economy, but we shall be masters of the body, dictate its terms, and form and control it with Truth."

The Golden Text is from John 6:63: "It is the spirit that quickeneth; the flesh profiteth nothing."

## More Antelope Hunting Seen

AUSTIN—More hunters will be allowed to take antelope this year than at any time since they have been restored to the list of legal game. This was the announcement this week of Capt. E. M. Sprott, director of law enforcement of the Game and Fish Commission.

West Texas land owners have been given permits to take 2030 antelope in the Trans-Pecos area. An additional 300 probably will be issued in the Panhandle after the census there has been completed.

The Trans-Pecos season will be Oct. 1-7 inclusive. After a census check by biologists permits were issued for 1649 bucks and 381 doe. Several other small ranches also may be added to the list to increase the number slightly.

The hunts are conducted by the land owners, who have charge of the permits after they are issued by the Game & Fish Commission. Prices generally range from \$20 to \$40 for doe and \$40 to \$60 for killing bucks. There have been a few instances where even higher prices have been charged on choice hunting sites.

There will be short seasons in the Panhandle also. In Dallam, Hartley, and Moore counties, and Oldham county north of the Canadian River, shooting will be permitted Oct. 14, 15, and 16. In Roberts, Hutchinson, and Potter and Oldham county south of the Canadian, the season will be Oct. 18, 19, and 20.

## STATE FAIR'S FESTIVAL OF FALL FASHIONS

The latest fall fashions for women who sew will be shown daily at free style shows throughout the 1960 State Fair of Texas, Oct. 8-23, in the Women's Building. Among the fashions will be (left to right) the smart coat and dress duo designed by Simplicity Patterns; Advance Pattern Company's three-piece costume suit for daytime wear; a "new look" pleated princess dress by Butterick patterns; and the slim line ensemble which sheds its jacket for after-five from McCall's pattern collection. Vogue patterns will also be shown in the Festival and all garments were developed by Singer Sewing Machine Company and Talou Zippers.

**ORIENTAL INFLUENCE** — Laced canvas panels provide a colorful roof that contributes to the Eastern feeling of this modern home. Even the carpet at right is covered by the protective fabric. Window and terrace awnings of heavy cotton canvas can lower indoor temperatures as much as 15 degrees and save on air conditioning costs.

The virgin soils contain more organic matter and have a better granular structure, hence they absorb water faster and hold it for a longer time. Clean cultivation usually causes the soil organic matter to decay rapidly.

It often causes tight soils to lose their granular structure and run together. This prevents them from absorbing water rapidly. Loss of organic matter will cause sandy soils to become less "sticky" and blow more and hold less water.

You can increase the amount of organic matter and improve the granular structure in run down soils, and help keep soils in good condition before they are run down.

You can do this by growing cover crops on land with little or no cover, by leaving the stalks, straw, and stubble from the crops on the land, plow them into the top soil or leave them on top of the ground to form a mulch.

There is available equipment for any seeding job that one might want to do, inter-row seeders, and drills for soil

id seeding. These seeders are available for a small fee and available for a small fee and one of the agriculture teachers at the High Schools at Muleshoe, Three Way or Bula. For additional information and assistance contact your local Soil Conservation District Office or one of the technicians.

### SOIL CONSERVATION NEWS

## Now Is Ideal Time To Plant Fall Cover Crops

With moisture conditions in most places in the Blackwater Valley Soil Conservation District, this would be a very good year to plant those needed cover crops, and get them started growing. Rye or Vetch and rye planted at this time can make considerable growth now

to help that wind erosion come next spring.

Cover crops not only help prevent wind erosion; you have probably noticed that virgin soils are usually more drought resistant than are similar soils that have been cultivated for many years.
