Tahoka Schools Begin New Term Monday Morning

All this week Tahoka High School students have been registering, and school will officially open with the first meeting of classes Monday morning at 8:45. Around 300 students had registered in high school at the time The News went to press, indicating a large enrollment for the 1944-45 term.

Grade school students will not register until Monday.

Supt. W. T. Hanes announces that he expects a complete staff of qualified teachers to be on hand for the first general faculty meeting Saturday morning at 10 a. m. Tahoka school board has spent much time and thought in recent weeks in preparation for this school year. Both buildings have been thoroughly renovated and repaired, two new school buses purchased, and an efficient and qualified corps of teachers secured. They now ask the continued cooperation of the entire community for another successful school year.

Wilson Schools Open Monday

The 1944-45 school term will begin at Wilson next Monday. An opening program has been arranged to begin at 9:30 a. m., according to Supt. C. O. Head.

Four new faculty members have been employed, and one place, seventh grade teacher, is yet to be filled. New teachers are: Miss Gladys Carter, from New Lynn and Texas Tech, sixth grade; Mrs. R. L. Condray, from Whiteface and West Texas State, homemaker; Mr. Craig Lynn of Buffalo Gap and A. C. C., high school principal and mathematics; Miss Wilda Hannah, from Slaton and Texas Tech, social science in high school.

The teachers who were here last year are: Mrs. W. L. Forrester, first grade; Miss Gladys Kirtley, second grade; Mrs. Lula Porter, third grade; Mrs. J. P. Covey, fourth grade; Mrs. E. L. Blankenship, fifth grade; Mrs. C. O. Head, high school English; Nolan J. Robnett, vocational agriculture; and C. O. Head, superintendent.

Lt. Wade Howell, In France, Still Sends Curious Back Home

Lt. Wade Howell, in France as an engineer with the Air Force, has sent his parents, Mr. and Mrs. H. B. Howell, a number of curios he has picked up in England and other places where he has served.

The most recent and most interesting is an "indenture" which he sent home recently from England.

An indenture is a legal document, a form of contract, used in England. This particular indenture was made on Nov. 4, 1767, and is written in longhand by pen and ink on what is apparently genuine parchment, a fine paper which now is very, very rare. Though 177 years old, the document is in perfect state of preservation, and could be read very easily if one were acquainted with the scribe's handwriting.

Also interesting is the description of the property involved. Instead of giving a survey, the bounds of the property are merely described by listing those who own property surrounding this particular piece of property, and stating that it is located in a certain town and county.

Wade is a graduate of Tahoka schools, Texas Tech college, and has a hobby of collecting antiques, curios, etc., which hobby he is continuing while in the Army.

MRS. AYERS DIES

Rev. and Mrs. H. A. Nichols were called back to Chillicothe Wednesday to conduct the funeral of Mrs. Irvy Ayers, who died at 1 o'clock Wednesday morning. She was the mother of Cecil Ayers, who used to teach school here, but now professor of Agronomy in Texas Tech. Funeral services were to be Thursday afternoon, at 3 o'clock at the Chillicothe Methodist Church, Rev. Nichols assisting in the services.

New Lynn School Is Ready For Opening

New Lynn school will open its 1944-45 term Monday morning, and everyone in the community is invited to be present for the opening exercises.

Teachers for the year are Mrs. Pearl Davidson, who has been at New Lynn two years, and Mrs. Ethel Shelton, the new primary teacher, who comes from Hubbard, Texas.

Mrs. J. A. Earwood Is Buried Here

Funeral services were conducted in the Baptist Church here Monday afternoon for Mrs. Sarah M. Earwood, widow of the late John A. Earwood, who died at the residence of a son near Commerce in Hunt county on Thursday of last week. She had been residing with her children since the death of her husband in 1935, a part of the time with her daughter, Mrs. R. T. Moore of Wilson.

Rev. George A. Dale, former pastor of the church here, conducted the services, assisted by Rev. L. W. Price, the present pastor.

Similar services had been held in the Sheely Funeral Chapel in Commerce Sunday afternoon, following which a Sheely ambulance brought the body to Tahoka. W. M. Harris, funeral director, had charge of the body here.

Pall bearers were: J. C. Earwood, grandson, Bud Self, Ross Barron, E. J. Cooper, Carl Spears, and Watson Spears.

The Earwoods had resided on a farm home about midway between Tahoka and Wilson prior to his death.

Mrs. Earwood was born on April 13, 1877, at Cartersville, Georgia, being the daughter of Mr. and Mrs. Thomas Sorrell. She and her husband moved from Georgia to Alabama, thence to Oklahoma, and from Oklahoma to Commerce, Texas, in 1919. They later moved out to Slaton and lastly to the Wilson community.

She is survived by three daughters and nine sons, as follows: Mrs. R. T. Moore of Wilson, Mrs. Jim Taylor and Mrs. R. L. Taylor of California; Culmon Earwood of Honey Grove, John and W. Eaker of Commerce; Gilbert, Perry, Jesse, and Henry, of California; Roy of the U. S. Navy, India; and Andy of the U. S. Army, Washington. Also surviving are 29 grand-children and two great grand children.

Mrs. Earwood had long been a member of the Baptist Church.

Many Wilson people were here for the funeral services.

MISS IDA BOTKIN, TECH GRADUATE, TEACHING

Miss Ida Botkin, daughter of Mr. and Mrs. V. A. Botkin, received her B. S. degree at graduating exercises of the Texas Technological college in Lubbock on Wednesday night of last week and has already gone to Whiteface to begin her work as a member of the faculty of the Whiteface high school. The News is informed.

CONDUCTED REVIVAL

Rev. H. A. Nichols returned Monday afternoon from Crosby county, where he held a 10-day meeting for Rev. Eppler, pastor of the Roberson church.

The oldtimers claim it was the best meeting ever held there. Other denominations claim that never was the community lifted spiritually so much as at this meeting. More than a dozen confessions of faith and 12 members united with the Methodist Church, most of them by baptism. The different denominations worked together as harmoniously as if they were one church. Rev. Nichols had nothing but praise for the community.

CHRISTMAS MAILING PERIOD ANNOUNCED

Postal authorities have made the announcement that this year the Christmas mailing period for both the Army and Navy overseas forces is September 15 to October 15.

After October 15, no gift parcel may be mailed to a soldier without the presentation of a written request from him.

Pvt. A. J. Warren Killed In France

Pvt. Arnold J. Warren, 23, was killed in action in France on July 27, according to a telegram received Saturday by his parents, Mr. and Mrs. L. G. (Gene) Warren, Rt. 3, the Joe Bailey community, from the Adjutant General's department in Washington. The telegram said further details would follow in a letter.

The parents had recently received a letter from Pvt. Warren stating that he had arrived in France. That was on July 22, and he could not have been more than just a few days in action. He was in an Infantry company.

Arnold J. Warren was born at Joe Bailey on July 20, 1921. He attended Joe Bailey and O'Donnell schools, and worked on his parents' farm before entering the Army July 17, 1942. He trained at Camp Carson, Colorado, Shreveport, La., and Camp Roberts, Calif., before going to England, where he also trained before moving to France.

He is survived by the parents and three sisters, Mrs. Theo Cathey, Mrs. Verla Jean Richey, and Miss Ona Lee Warren, all of Oklahoma City; and four brothers, Ronald, Woody, Sam, and Jerry, all of the family home; and one nephew, Ray Dean Ritchey.

Bud Pugh Murder Trial Nears End

Trial of L. B. (Bud) Pugh, O'Donnell wrecking yard operator, for the murder of Deputy Sheriff Con Burns on the streets of O'Donnell is nearing an end in district court here, as The News goes to press Thursday night.

Starting Monday, two days were required to get a jury, and testimony began Wednesday. The state, represented by District Attorney Rollin McCord and County Attorney Calloway Huffaker, is asking for the death penalty. Defense counsel, Truett Smith and Tom Garrard, sought to show previous trouble between the two men.

Pugh, allegedly drinking at the time of the murder, emptied a pistol at the deputy sheriff, two of the bullets piercing the heart, after Burns had told Pugh to go home. Arguments will likely be heard by the jury Friday.

Mrs. R. L. Richardson Home From Meeting

Mrs. Rafe Richardson, state vice-president of the American Legion Auxiliary, returned Saturday from Fort Worth, where she spent the last week working on the program of the Auxiliary for the Department of Texas.

She reports the Legion and Auxiliary had a well attended War Conference with 1100 or 1200 in attendance.

MRS. THORNHILL RECOVERING

Mrs. W. H. Thornhill, who has been seriously ill in a Lubbock hospital, was able to come home Saturday, and is said to be recovering.

Her four children have been at her bedside. They are: Mrs. Truman Beougher, Logansport, Ind.; Mrs. George E. Fowler, Fort Worth, well known here; Robert Kirkwood, Gary, Ind.; and Miss Jane E. Thornhill, nurse in St. Paul's Hospital, Dallas.

WILL TEACH AIR COURSE

B. T. Smith, grade school principal and certified ground instructor, will teach course for adults in aeronautics, at the grade school beginning Monday night, 9 o'clock. The course will include everything needed by the private pilot. About 12 men already have enrolled, he said.

EVANS IS LIEUTENANT

Boyce Evans, 21, son of Mr. and Mrs. C. B. Evans, Rt. 2, received his wings and commission as a second lieutenant in the Army Air Forces recently at the Honco Army Air Field.

Congratulations—

Mr. and Mrs. Clarence Kopecky on the birth of an eight pound boy on August 2.

Rotary Governor Will Visit Tahoka

Dr. Harris M. Cook, Governor of the 127th District of Rotary International which includes 59 Rotary Clubs in Northwest Texas, will visit the Tahoka Club next Thursday, Aug. 31.

Dr. Cook is a popular professor of education and Dean of Men at West Texas State College, Canyon. He is past-president of the Canyon club, and is president of the Canyon school board, and is active in all civic and church affairs.

While here, he will confer with the officers, directors, and committee chairmen, and will speak at the club at noon.

Pfc. Marion Roper Gets Purple Heart

Pfc. Marion J. Roper, 26, son of Mr. and Mrs. C. L. Roper of Gordon community, was wounded in action in France on July 3, spent a month in a hospital in England, has been awarded the Purple Heart, and is now back in France hunting his division so that he may fight again, according to his father.

The parents received the Purple Heart medal last week.

Pfc. Roper participated in the invasion of France with the 290th Infantry division. He was wounded in the left arm by a piece of shrapnel and taken out of action. A letter received Tuesday told that he was back in France trying to find his unit.

Pfc. Roper wrote that he found a great change had taken place in France during the month that he was away. The Americans were running rampant, and there were "lots of happy Frenchmen."

Light Shower Falls Here Thursday

A light rain fell over this area Thursday morning, and at the time The News went to press, the skies were overcast, with prospects good for more rain.

If nothing else, the shower had a cooling effect, and no doubt will help crops come.

NEW HOME BAPTISTS HOLDING REVIVAL

Rev. Perry F. Evans of Dallas is conducting revival services with the Baptist Church at New Home, of which Rev. E. C. McDonald of Wilson is the pastor. Boswell Edwards is conducting song services.

JOURNALISM GRAD

Miss Mary Lynn Morris of the Gordon community received her degree in journalism on Wednesday night of last week at the Texas Technological College graduating exercises.

LT. MAASEN IN PACIFIC

Lt. H. A. "Ham" Maasen, son of Mr. and Mrs. Henry Maasen, is "somewhere in the Pacific" with the Marine Air Wing, having left the States July 14, according to his mother. He is pilot of a B-25 bomber, the "flying artillery."

FIRST BALE

The first bale of 1944 cotton was received here Wednesday afternoon.

Raised by Buel Draper, the bale weighed 532 pounds, and the seed 856 pounds. Tahoka Co-op ginned the bale.

Fire Damages Farm Home At Lakeview

E. F. Schwartz of Lakeview, who was in Tahoka Wednesday, reported a near-serious fire at his residence that morning.

There was an explosion from an oil stove in the kitchen which set the building afire and did damage estimated at \$200 before the flames could be extinguished. Mr. Schwartz states that composition wall and ceiling finish was the only thing that saved the building from destruction.

Funeral Rites Held For L. H. Perkins

Funeral services for L. H. Perkins, a former citizen of Lynn county who moved over into Terry county a few years ago, were conducted at the First Baptist Church in Brownfield on Monday afternoon of last week, following his death at his home in the Tokio community on the preceding Saturday.

Burial was in the Brownfield cemetery, Borden and Otis Davis of Tahoka acting as two of the pall bearers.

Born at Athens, Texas, on April 6, 1869, Mr. Perkins was married to Miss Mollie Irene Davis at Aspermont on June 19, 1910. They moved to Lynn county in 1921 and resided here for 17 years. He is survived by his wife and eleven children, all of whom were reared largely in Lynn county and are well known here. Most of them attended the Tahoka public schools.

The children are: Mrs. J. M. Brown, Amarillo; Mrs. Henry P. Stewart, Bryan; Payton L. Perkins, Tahoka; Mrs. Leonard R. Kruse, San Antonio; Sgt. Champ Clark Perkins, serving overseas; Bessie Mae Perkins, Dallas; Mrs. Preston Adams, Brownfield; Pfc. Daniel B. Perkins, Camp Gordon, Ga.; Pvt. Ray G. Perkins, Ocean-side, Calif.; and Foy and Roy Perkins of the family home. All the children except Sgt. Champ Perkins were present for the funeral.

Rev. Art Brown Will Move to Dawson

Rev. Art Brown has been called as pastor of the Key-Bethany Baptist Church, 9 miles southeast of Lamesa, and will move to that community with his wife and son next week.

Rev. Brown preached for the church Sunday morning and evening, and immediately following the evening meeting, the church held conference and unanimously elected Bro. Brown at a substantial salary.

The church is one of the better rural churches of the South Plains. It has 200 members, a nice parsonage and church.

During their two years here, the Browns have made many close friends. Bro. Brown has been a leader in the Rotary Club and all other civic enterprises, as well as acting as pastor of two churches at different times, teaching last year in Tahoka High, and operating the Carlos Courts. They will be greatly missed in Tahoka.

MISS RICHARDSON IS HOME FROM NEW YORK

Miss LaVoyie Richardson is expected home this week end from New York City, and will reopen her studio in the school building on Monday. She has spent the summer on Broadway in New York City working on piano and voice and with the Dancing Masters of America, of which she is now a member. She received two certificates for work accomplished this summer.

WAR PRISONER BROADCAST

A former prisoner of war will be featured on the United War Chest broadcast Monday night, 9:30 to 10 o'clock, over many Texas stations. Others on the program will be Texas fighting sons speaking directly from the battle fronts.

Mrs. Hazell Williams and Mrs. Beckie Romine returned Sunday from Ima, N. M., where they visited last week with Mr. and Mrs. L. L. Watley and son, and attended the annual rodeo at Fort Sumner. Mrs. Watley is their sister.

Important Offices At Stake In Second Primary Saturday

The prospects are that a very small vote will be cast in the runoff primary election held throughout Texas next Saturday.

Only two state-wide contests are to be decided, that for attorney general and that for associate justice of the supreme court of Texas. Grover Sellers, serving by appointment to fill out the unexpired term of Gerald Mann, who had resigned, is opposed by Senator Jesse E. Martin of Fort Worth. Judge Richard Critz, who has been on the supreme court of Texas for many years, is being opposed by Gordon Simpson of Tyler. Rather, Simpson's friends are running him in his absence, as he is doing some character of military service overseas, in Italy to be exact.

All other state races and most of the congressional races were settled by the first primary. There is a run-off in the 17th congressional district between Judge Russell of Stephenville, the present incumbent, and Clyde Garrett of Eastland, former congressman from that district. That race is of interest to many of our people because it touches our own district on the east and many of our citizens formerly resided within its bounds.

The labor issue enters to a considerable degree in all the contests. Judge Critz of the Texas supreme court, by some decision he rendered, has incurred the wrath of radical labor organizations, such as the C. I. O., and they are fighting him. Neither candidate for attorney general has the unqualified approval of the C. I. O. but it seems to be more unfavorable to Jesse Martin Judge Russell, by some of his votes in Congress, has brought upon his head the imprecations of the C. I. O., and they are out after his scalp. It will be interesting to note results in these contests.

In the 119th legislative district, two Lubbock men are in the runoff. They are Preston E. Smith, theatre owner, formerly of Gaines and Dawson county, and Jack Douglass, Lubbock American Automobile Association manager. Locally there are run-offs in only two races, those for commissioner in precincts Nos. 2 and 4. In No. 2, Lonnie Williams, the present incumbent, is opposed by Lewis Kenley; and in Precinct 4, L. C. Crews and Thad Smith are opposing candidates. Leon Jennings, the present incumbent, is retiring at the close of this term.

Two Sets of Twins. Sons of T. F. Moores, In the Armed Forces

Two sets of twins, four sons of Mr. and Mrs. T. F. Moore of New Home, are in the armed services of their country.

T/Sgt. Yater L. Moore, 25, has been in New Guinea over a year and is with the famous 7th Cavalry. His wife, the former Louise Kinney, and baby live near Lubbock. His twin brother, Barrett L. Moore, is apprentice seaman in the Navy stationed at San Diego, having entered the service in June this year. His wife is the former Freda Smith of New Home.

The younger set of twins, T/Sgt. Joseph L. Moore and Sgt. Thomas L. Moore, 22, recently had a happy reunion in Italy, the first time they had been together in three years. Joseph, a medical corpsman of the 91st Infantry division, was on the front 53 days in May and June, having arrived in Italy in April, at the end of which period he saw four days rest. It was during this period that the two held their reunion.

Sgt. Thomas Moore has been overseas two years this August and served in England, North Africa, and Italy. While in North Africa, he spent five months in a hospital from injuries received in a gas explosion. He is a mechanic for a fighter plane squadron. His wife resides in Dallas.

Mr. and Mrs. Clyde Spurriel returned Tuesday from a visit of several days with relatives in Pampa.

"The end of the war is in sight," declared General Bernard L. Montgomery, Allied field commander, the other day after the German army in Northern France had been shattered and almost destroyed. But it will not close this time, President Roosevelt had previously declared, until the Allied armies march into Berlin and into Tokyo. We were glad to be given that assurance again, not that we are burning to get revenge on the German people but because we believe that this time they must be shown that they have been thoroughly whipped, that wars of conquest do not pay, and that it is disastrous for any people at any time to submit to the rule of any dictator. The people of Germany must be so thoroughly convinced that these things are true that no dictator again will be able within the next century to so hypnotize them that they will be willing to launch out again on another great international campaign of rapine and robbery.

A week after the Japs made that treacherous attack on Pearl Harbor, we were saying editorially that they were fools to attack a mighty

MISS LENORE ANGLIN WEDS PRIVATE JOHN H. BOYD

The marriage of Miss Lenore Anglin, daughter of Mr. and Mrs. W. S. Anglin, and Pvt. John H. Boyd Jr., son of Mr. and Mrs. John H. Boyd of El Campo, Texas, was performed last Friday, Aug. 18, at 6:30 p. m. in the home of the bride's parents in Tahoka.

Rev. H. A. Nichols read the double ring ceremony before an improvised altar of fern and ivy, with roses in the background. Roses and crepe myrtle were used to decorate throughout the living room.

Miss Verda Bartlett of Tulsa played a number of selections as the guests were arriving. Preceding the ceremony, Miss Betty Lou Frazier sang "Always." The wedding party entered to the strains of the wedding march, and soft music was played during the ceremony.

The bride was attired in a floor-length dress of white satin with white net overskirt. For something old she wore a pin belonging to her great grandmother, and for something borrowed and something blue she wore a turquoise bracelet belonging to her sister, Mrs. H. J. Cowdrey. Her arm bouquet was of white gladioli and white asters, and she wore a bandeau of white feverfew in her hair.

Mother of the bride wore a navy blue dress with pink trim and a corsage of pink gladioli.

Flower girls were Jerry Greenwood, niece of the bride, and Joyce Weaver, cousin of the bride; and ring bearer was Sarah Beth Nelms, a niece.

Mrs. Cowdrey presided at the punch bowl, and Miss Ida Botkin served cake from a table covered with a white linen cloth. The wedding cake was two-tiered, with tiny bride and groom and two miniature flags on the top. The punch bowl was surrounded by ivy and crepe myrtle. The centerpiece was of pale pink roses.

The bride and groom both were former students of Texas Technological college. Mrs. Boyd taught in Uvalde High School last year. Boyd is in the Army.

The couple left immediately after the ceremony for a brief honeymoon trip to South Texas. For traveling, the bride wore a white suit with black accessories.

Guests included Miss Verda Bartlett of Tulsa, Mrs. H. J. Cowdrey of

Vaughn, New Mexico, Mr. and Mrs. H. S. Anglin and daughter of O'Donnell, Miss Gayle Lily of Brownfield.

Herman Reid And Bride Here

Pvt. and Mrs. Herman Reid of Montgomery, Ala., were honored with a bridal shower by Mrs. A. L. White last Saturday afternoon, at which they received many nice gifts.

The small son of Mr. and Mrs. C. E. Mitchell of Crosbyton underwent a tonsillectomy in Sinclair Clinic.

METHODIST CHURCH

After an absence of two weeks from the pulpit, the pastor will occupy it at both services Sunday morning and night.

He will use for his subject Sunday morning "The Strength and the Beauty of the Church." The church has gone through persecution, cursed by Robespierre, ridiculed by Voltaire, sneered and jeered at by Payne, and all forces of darkness have bombarded her without conquering or subduing her. How much do you love the church? Are you loyal to her with your presence, prayers and your services and your gifts?

The Flowers Evangelistic Party will be here Wednesday night, Sept. 6, to begin our meeting. The committee will meet and plan from the above date until the 10th—Sunday. We shall expect every member to be in his place and if you are on a committee to serve. Just 11 days set aside for the meeting! Let everyone get his work so well in hand that he will not have to miss any of the meeting. The community will be delighted with the Flowers Party.—The Pastor.

W. S. C. S. MEETS

The Methodist Women's Society of Christian Service held a social meeting Monday afternoon at 4:00 o'clock in the home of Mrs. E. R. Edwards. The afternoon was spent in hemming cup towels for use in the Church kitchen and in gathering clippings for the soldier boys' scrap book. All reported an enjoyable time.

Next Monday's meeting has been set aside to visit the sick and the new members.

Lovely refreshments were served to the following: Mmes. W. S. Anglin, V. F. Jones, Paul Johnson, Emil Prohl, Pete Ware, H. A. Nichols, Jim Wood, Ted Terry, Hick Gibson, Calloway Huffaker, Alton Cain, C. A. Thomas, Tom Gill, C. G. Franks, Roger Bell, Hoskins, and R. C. Wood.—Reporter.

MISS JOHNNIE MARGARET PRICE ATTENDS MEETING

Miss Johnnie Margaret Price returned on Wednesday of last week from Mt. Sequoyia, Ark., where she represented the Methodist Young People of the Lubbock District at the Leadership Conference held there.

This conference is held on the Mountain for a period of 12 days in August of each year for the purpose of training Conference, District, and Sub-district officers in Youth Work.

Miss Price says that it would be impossible for her to describe adequately the work of the conference and the joy she got out of it. It was quite an honor to be selected to represent the entire Lubbock district at this conference.

Tires Wear Out

twice as fast at 90°

WHEN YOU SUFFER with the heat, remember that your tires really *sizzle* on the road... because road-surfaces are usually 25° hotter than air temperatures.

This frying-pan heat saps the strength of rubber... produces doubled wear as the thermometer rises from 60° to 90°... and multiplies tire failure by twenty per cent.

Obviously, you and every other patriotic driver, want to get every bit of precious mileage remaining in your present set of tires. That is why we bring you these authoritative suggestions:

Avoid hot-road driving as much as you can... Drive at slower speeds... Don't over-inflate tires, but avoid under-inflation as you would a plague... And don't neglect to have your tires cross-

switched every 3,000 miles.

Your Phillips 66 Service Man is anxious and waiting to help you. Give him the opportunity, at least once a week, to check air pressures... to inspect for nail holes, cuts, and bruises... to examine tires so he can warn you when re-capping is advisable.

This is only part of the *Tire-Saving and Car-Saving Service* pledged to you at every Phillips 66 Service Station, to help you "Care For Your Car For Your Country."

In the Nation's interest and in your own, be watchful and intelligent about making your car and your tires last longer and go farther. Drive in for help at the Orange and Black 66 Shield, the sign of famous Phillips 66 Gasoline and Phillips 66 Motor Oil.

County Agent Discusses Prospect For Storing and Shipping of Grain Crop

As a whole, the Plains region is facing one of its most promising grain harvests so far as yield and area are concerned. Whereas last year five counties of the South Plains region made rather good grain crops, over five times this number of counties are producing outstanding grain crops this year, reaching from Roosevelt county, N. Mexico, to the Caprock and from southern Dawson county to the wheat area of the North Plains, states County Agricultural Agent Robert L. Stone.

Thus the problems of moving this grain is magnified at least five times over that of last year in area concerned and add to this the new problems and we are faced with facts—not propaganda—but facts which are worthy of farmers' planning to avoid as much as possible. One railroad which serves the South Plains area which had 1,500 cars for moving grain last year has stated that it will have only 250 cars available this year. This does not happen to be the company op-

erating in our county, but is related to our crop down the line. We all well know from the papers and the radio about the rubber situation which at this time is particularly critical in view of the drastically reduced quotas of heavy truck tires in line with the increased demands of our armed forces and allies. The record wheat crop just harvested has filled all but 12 percent of the terminal elevator space to which our grain would normally be moved into after leaving the county, and there is enough wheat on the ground and in the fields to finish filling these terminals.

It always pays to have insurance on the farm in the nature of farm storage facilities for our grain crop. This year, farm storage of grain may be and likely will be of critical importance. It is possible that the situation may improve in time, but wise farmers are not going to bank too strongly on the possibility.

Let's consider a few possibilities. Suppose that when we get our harvest under full swing there will be far too few trucks to move this grain readily. We can be sure that in line with the heavy shortage of truck tires that there will be a substantially less number of trucks hauling the grain down State. Suppose that many of us have to pile our grain on the ground because of lack of trucks to get it to the elevators; further, it is possible that the elevators will fill up and be unable to move the grain as fast as needed because they can't get railroad cars fast enough. It is possible then that under these conditions that many farmers will find themselves piling their grain on the ground and because of fear of spoilage and weather damage become overly anxious to sell. It is possible that under such strain many might sell their grain well under the government floor of about \$1.69 per hundred. Remember, this government floor doesn't mean that grain can't sell under the floor price. The floor is merely a support price which the government will loan on grain provided you can store it. Thus, a good granary on the farm in which you could store 100,000 pounds of grain would be excellent insurance to make sure of getting at least \$1.69 per cwt. Also, grain is generally always cheapest just at harvest season. By being in a position to store it for a period of 60-120 days one might find the price back up to the ceiling price of about \$2.08 per cwt. Whether farm storage assured a farmer of getting only the floor price or the ceiling price for his grain, there is plenty of possibility that the spread in price between what the farmer will sell for at harvest time or at a later date can easily be enough to clear a granary in one year, pay the cost of putting the grain in and out of the granary, and show even a cash profit, possibly. In any event, those who have observed the wheat harvest and are thinking in terms of the problems likely to confront us, are making plans to care for their crop storage. Many are building granaries on their farms and many more should.

The priority of farmers to secure lumber for farm storage has been improved by the government because of the difficulties ahead in moving the crop fast enough. The greatest difficulty now is in locating enough of the right kind of lumber after getting a permit to buy it. One possibility is that a number of farmers desiring to build granaries could pool their permits with one lumber yard, thereby giving

CURTAINS THEME OF NEW HOME H. D. CLUB

The New Home H. D. Club met Friday, Aug. 11, at 3:30 p. m., in the home of Mrs. Wyn Overstreet. The roll call was answered by giving a curtain idea that was different.

Miss Dixon was present and gave an interesting demonstration on curtains, the making and draping of them.

After the demonstration, delicious sandwiches and limeade were served to the following: Mmes. Burr Morrow, D. D. Renfro, Garland Peek, Jay Pendergrass, Aubrey Smith, E. R. Blakney Jr., Clyde Ashcraft Jr., Graham George, Donald Caudle, J. W. Shadden, Boswell Edwards, Charles Armontrout, and the hostess, Mrs. Wyn Overstreet, and Miss Dixon.

The next meeting will be Sept. 8, at 3:30 p. m., in the home of Mrs. Burr Morrow.

WELLS H. D. CLUB

The Wells Home Demonstration club met Wednesday, Aug. 16, in the home of Misses Ina and Myrtle Ledbetter. Miss Carolyn Dixon was present for the meeting and gave a demonstration on dressing and canning chicken.

Miss Dixon was assisted by Mr. Stone, who gave a demonstration also on culling chickens.

Chicken salad sandwiches and punch were served to Mrs. D. J. Balch, Nola Balch, Hutchison, Edwards, and McLaurin. Visitors present were Mr. Lavender and Mr. Roy Lebetter.—Reporter.

M/Sgt. James C. Godsey was a visitor in Tahoka last week end. He had come to Lubbock to visit relatives on a furlough from Laughlin Field, Del Rio, where he has been stationed for some time. Sgt. Godsey resided in Tahoka before entering the service of Uncle Sam, having been connected with the operation in the English Theatre for several years.

Miss Sara Lou Rumbo is spending a few weeks with her grandparents. Mr. and Mrs. J. D. Noble, at Carrollton, near Dallas.

CARD OF THANKS

We wish to thank the people of Wilson and Tahoka for the many kindnesses shown us upon the death of our dear mother, Mrs. Sarah M. Barwood; for the numerous and lovely floral offerings, words of comfort and sympathy; to the ministers who conducted the services; to the funeral directors who had charge; and to every one who did a kindness of any kind.—Her children and families.

ling that yard an order of carload size with a high priority which should help that yard to get quick delivery on the lumber. Thus where as one man might have great difficulty in getting enough of the right kind of lumber to build a granary, a number of fellows might by cooperative action get the lumber readily.

Tahoka Member of Mortarmen Inflicts Damage on Jerry

Special to The News:

With the Fifth Army, Italy—Third "Marne" Division mortarmen recently cited some combat experiences to prove their "stove pipe" weapon had struck some heavy blows on Jerry while their outfit was serving on the Fifth Army front in Italy.

"The mortar is a weapon the Germans hate with everything they got," said Sergeant Harmon E. Self of Tahoka, Texas. "Here's an example." Self pointed out, "an American tank had located a bunch of Jerries in a valley and fruitlessly tried to blast them out. I was acting as a forward observer and called for my radio operator, Private Elmer Vanetta, 324 North 1st St. Nashville, Tenn., to call back for the mortars to open up.

"The first shell hit in the draw and as we gave successive ranges, the bursts worked right up the draw exploding in the middle of two companies of Krauts. We ran out of ammunition, but the enemy pulled out in a hurry."

"How about the time the Kraut tried a counter attack and we turned him back?" asked Sgt. William J. Westfield of East St. Louis, Ill. "My radio operator, Pfc. Ernest Crews of Martinsville, West Virginia, and myself saw 'em coming in. Crews radioed the word back to the mortars.

"The boys really let loose. Six heavy mortars let them have it and the gunners worked so fast that 20 shells from each gun were in the air at one time—120 all told. In other words, the first shell to leave the mortar hadn't hit the ground before the last one was fired. The Jerry counter attack was split wide open."

The sergeant explained that five jeeps were required to rush ammunition to the mortarmen and then sometimes they couldn't even keep up.

DAVIS-HALE

Miss Irma Davis became the bride of Horace A. (Bill) Hale in a ceremony at the Wesley Methodist Church in Big Spring Saturday afternoon at 5 o'clock, with Rev. H. A. Porterfield officiating.

They were accompanied to Big Spring by Mr. and Mrs. Marvin Wood, who attended the ceremony.

Miss Davis, the daughter of Mrs. J. O. Davis of Leander, is employed at Tahoka Clinic. The couple will make their home in Tahoka.

Joe Lee McKibben, seven-year-old son of Mr. and Mrs. Pat McKibben, suffered a fracture of his left arm when he fell out of his father's car at their home in the Wells community last Saturday.

C. A. Walters of Houston has been here visiting his sister, Mrs. H. B. Howell and Mrs. Oran Short, and his parents, Mr. and Mrs. F. E. Walters of Brownfield. For about 15 years, he has been with the Hughes Tool company.

Goofy, am I?

Go ahead—that's your privilege—thinking I'm just plain hipped on everlastingly keeping this engine's insides OIL-PLATED with Conoco Nth oil. Maybe there is and maybe there isn't sixty other ways that would have kept engine acids from raising Ned with this pre-Pearl Harbor limousine. But one thing I know is this: it's still running swell on nothing but Conoco Nth motor oil. You needn't be a scientist to know that acids from every explosion are forever trying to spoil an engine. Looks like the proper idea is to try blockading those acids by getting your engine OIL-PLATED. I learned there's a modern synthetic in Conoco Nth oil that reminds you of magnetism, because it makes inside surfaces attract a shield of OIL-PLATING. Acids can't so easily tear right into this. Then your OIL-PLATED engine has an extra chance to last you. When new cars arrive, hurry! But a real advanced improvement right now is to switch to Conoco Nth motor oil, see.

THE BEST INVESTMENT ON EARTH IS THE EARTH ITSELF

I am offering small and large farms on terms to suit, in Terry, Lynn, Hockley counties, and wheat land in Floyd, Hale, Swisher, and Deaf Smith counties.

If you are in the market for land I can show you farms owned by people in the North who want to sell it and this is your opportunity. If you wish to offer a farm worth the money list it with me as your farm may be what my buyer wants.

FACES ON THE HEN-HOUSE DOOR

Let these faces be an everlasting reminder that we need more eggs! Add Dr. Hiss Poultry Pan-A-Min to your laying ration. Research Farm hens receiving PAN-A-MIN lay as many as 27 more eggs per bird per year. We believe PAN-A-MIN will do its full share toward stimulating production. You can't produce too many eggs—you get a good price for all you produce.

Special Bulletin---

To Allis-Chalmers All-Crop Harvester Owners and Farmers with SEED TO HARVEST...

Seed is needed VERY URGENTLY

This is a call to action — now! Livestock feed reserves are running short due to the shortage of SEED for hay and pasture.

Your All-Crop Harvester can help meet this emergency.

We urge you to enlist your machine NOW in the "Seed Task Force." We are gladly volunteering as headquarters. Register your harvester with us.

If you have no means of harvesting seed, contact us and we will try to put you in touch with a nearby Allis-Chalmers owner. Millions of bushels of high-priced grain sorghum seed have been shattered on the ground unnoticed. An All-Crop Harvester can save this valuable seed which might otherwise be lost.

We recommend that your machine be given the 24-POINT FARM COMMANDO CHECK-UP, which includes reconditioning and adjusting for a BUMPER SEED HARVEST.

It will PAY in a BIG WAY TO SAVE FEED... Let's get READY TO ROLL! See us or phone—
