L.A. Gilmore, 52 Dies Suddenly Monday Night

L. A. Gilmore, prominent Wellington business and church leader, died in an Amarillo hospital Monday, Oct. 25 at 7:15 p.m. He became ill at his farm near Wellington Sunday and was taken to Amarillo for treatment. His illness was unknown to all except his family and those closely associated with him, and his death came as a shock to the business community and to all those who were associated with him.

He died on his 52nd birthday. Mr. Gilmore was a partner in Gilmore Locker Plant, a business which he established shortly after returning to Wellington from service in World War II, at a time when frozen food locker plants were new to this section of the county. He was associated with Elmer Hiett in this enterprise.

Funeral services will be conducted Thursday, Oct. 28 at 4 p.m., at the Church of Christ. Min. Grandol Forehand will officiate, and burial will be in the West Wellington Cemetery under the direction of Kelo Funeral Home.

Leron Anderson Gilmore was born Oct. 25, 1913, in Arkansas, the son of Lee A. and Linnie Hannah Gilmore. Later he lived in Florida, where he received his education, and came to Wellington in 1927 from Florida.

He was married to Miss Lucille Martin June 9, 1934, at Hollis. Mr. Gilmore was a veteran of World War II, and served in the European theatre. He was a member of the American Legion.

A leader in the Church of Christ since he became a member in 1942, Mr. Gilmore had served as an elder and at the time of his death he was co-

Bucks Ranked No. 1 in State

Crucial Test Faces Rockets at White Deer

The Wellington Skyrockets travel to White Deer Friday night, Oct. 29 to meet the Bucks—the team ranked No. 1 in the state in Class A in the pre-season football poll.

Game time is 7:30 p.m. "There's no question that they are one of the best Class A ball clubs in the state of

Texas, and by far the strongest football team we've met," declared Rocket Coach Don Beck.

Offensively, they have scored an average of 37 points per game, and they have held their opponents to an average of 3 points per game. That is with their second unit playing at least two quarters per ball game except at Gruver.

Their most outstanding football players are Charles Smith, an all-state tackle last year, a 195-pound boy; Vernon Marlar, 190-pound fullback, who was also listed on an all-state team.

"They have probably the best running back in Class A football, 150-pound Randy Elliott, the most dangerous back we've seen in the last four years," Beck continued.

"They are headed by Phil Hart, who is a fine passing quarterback. His favorite targets are Monty Hawpe, who stands 6-4 and weighs 185 pounds, and Randy Elliott."

Their defensive line is anchored by big strong boys. The two defensive tackles are Johnny Mooney, 6-4 and 220; Danny Lane, 245 pounds. The two linebackers are the two all-state candidates, Smith and Marlar. The defensive end play is done by Hawpe and Harris, and the secondary is controlled by Elliott, Luman and Sargeant.

Mrs. Wilkerson Dies Monday of Lengthy Illness

Mrs. Ross Wilkerson, who had made Wellington her home since 1913, died at 7:35 p.m. Monday, Oct. 25 in the Groom Hospital, where she was a patient for approximately two months. Her condition had grown steadily worse throughout her illness.

Her home was at 1210 Dalhart Street. With her love for flowers and her talent for making them grow, she had made this one of the beauty spots of Wellington. Through all the growing season, her yard was filled with flowers which she so generously shared with others.

Mrs. Wilkerson was the former Bertha Eeds, the daughter of the late M. E. and Mollie Hankins Eeds. She was born at Waxahachie, Nov. 2, 1895, and at the time of her death she was 69 years, 7 months and 23 days.

She lived in Electra before coming here. In 1926 she was married to the late Ross Wilkerson at Childress, and she was associated with him for a number of years in the operation of a grocery store here. He died in 1950.

Mrs. Wilkerson was a member of the Presbyterian Church.

Funeral services were conducted at 3:30 p.m. Wednesday at First Methodist Church with the Rev. Ellis Todd, pastor, and the Rev. A. B. Earn-

NEA Speaker Slated

County Teachers Hold First Meeting Nov. 1

The initial meeting of the county unit of the Texas State Teachers Association for this school year will be held at Samnorwood school Monday evening, Nov. 1, Mrs. Robert Dwight, president, announced.

The guest speaker will be Noah A. Lee, Jr., a former teacher in the Lubbock Public Schools and since August a field representative of the National Education Association. He lives in Fall Church, Va.

Lee was born in Wichita Falls and is a graduate of North Texas State University with both B.A. and M.A. de-

grees. A teacher for 13 years, he taught band, orchestra and mathematics and was a member of the Lubbock Symphony Orchestra.

The county TSTA will hold four meetings during the school year, with each school in the county acting as host one time.

Officers in addition to Mrs. Dwight are Mrs. Woodrow Wilson of Quail, first vice president; Mrs. Byron Duncan of Wellington, second vice president; C. A. Crawford of Wellington, treasurer; and Mrs. Loyd Stephens of Samnorwood, secretary.

Collingsworth Bank Assets and Deposits Soar to Seasonal High

Soaring Collingsworth County bank assets reached a new seasonal high, approximately a quarter of a million dollars over the October 1 figure, when the county's three banks made their report to the Federal Reserve Bank and the State Banking Commissioner.

These total assets are \$8,166,082.60.

This puts the assets approximately one-half million dollars higher than the 1962 figure.

Deposits follow the same trend and now stand at \$7,390,846.07. This is around \$850,000 higher than the deposit figure reported by the banks at the same time three years ago—Sept. 30, 1963.

These deposits reflect almost none of the cotton crop and only the early grain crop. Nor are there the other sources of county income, such as oil lease and bonus money that the county has had in some years.

Demand deposits, subject to immediate checking, amount to \$5,475,082.55. The remainder of the deposit figure is made up of time deposits, deposits of various government and political subdivisions, and deposits from other banks.

Loans and discounts are up from last year, now totaling \$4,585,328.40 compared to \$4,279,245.51. This figure has remained stable for several years.

The three banks have a capital structure of \$761,496.78, which includes capital, surplus and undivided profits. This is approximately \$40,000 higher than a year ago and nearly \$100,000 above the figure two years ago.

Undivided profits this year total \$261,496.78.

This report reveals a trend dating back 12 years, and only once during that time, in 1959, has it been broken.

Two Voting Boxes

Voters to Ballot on Ten Amendments Nov. 2

Collingsworth County voters will ballot on ten proposed constitutional amendments in a special election Tuesday, Nov. 2.

There will be only two voting boxes for the entire county. Voters living south of Salt Fork River will use the box located in the county courtroom of

the courthouse in Wellington.

The box for residents north of the river will be at Samnorwood School.

Locally, little interest has been shown in the election, and Wednesday at noon, only three absentee ballots had been cast, according to Nancy Mc-

Alister of the County Clerk's office.

In brief, these are the amendments to be voted on:

No. 1: proposes increasing the state ad valorem tax by five cents per \$100 valuation to be used for building construction of colleges and universities of the state.

Amendment No. 2 would authorize an increase of \$200 in bonds or obligations to be issued by the Veterans' Land Board and extend the program for 8 years.

No. 3 would provide that the Legislature can enact legislation to empower the state to continue co-operation with the Federal government and extend assistance and/or medical care to the needy aged and handicapped. This is the "medicare" proposal.

No. 4 would authorize four-year terms for the Governor

At State Fair

Junior Stock Show Steers Judged High

Six Collingsworth County show calves netted their youthful owners four blue ribbons and two red at the State Fair of Texas which closed Sunday, Oct. 24. All were from Collingsworth County 4-H Club.

Results of the Junior Livestock Shows were received here Monday, Oct. 25.

Stevie Marsh, who showed a grand champion heifer in the county show, came home with two blue ribbons, one on his Hereford and the other on the only Angus steer entered from Collingsworth. Both were in Class 20 of their respective breeds, steers weighing 875 to

950 pounds.

He is the son of Deputy Sheriff and Mrs. Troy Marsh.

Mitzie Hartman and Ronnie Hartman each received blue ribbons on their Hereford steers

Burglars Fail Attempt On Dodson Bank Mon.

Burglars entered the First State Bank at Dodson some time Monday night, Oct. 25 but they were unable to get inside the vault and nothing was taken.

However, the doors to the vault were heavily damaged in the attempt to cut through them with a torch before the burglars gave up the job. The burglary was discovered by Floyd Teutsch, president of

the bank, when he went to work about 7:30 a.m. Tuesday morning.

"The door to the vault was cut all to pieces and the inner door was cut, but they were not able to get in it and nothing at all was taken," Mr. Teutsch said.

Because of damage to the doors, there was considerable delay getting inside the vault Tuesday and it was 1:30 p.m. before it could be entered.

Apparently a pipe wrench was used on the handle of the outside vault door to break the latch.

Entry into the bank was gained when the lock was jimmied on a steel door at the back of the building, Mr. Teutsch said.

There was considerable damage to the inside of the bank. "They did not know how to use a torch too well and it smoked the walls and ceiling, and a considerable amount of water was left where they tried to cool the outside door," Mr. Teutsch said.

Law enforcement officers began reaching Dodson within minutes after the burglary was discovered. Sheriff John Rainey, Deputy Troy Marsh and Police Chief Donald Nunnelley were in charge of investigation for the county; Texas Ranger Bill Baten came in from Pampa and three agents from the Amarillo office of the Federal

Town-Wide Pep Rally Set for Friday at 1:30

A town-wide pep rally to boost the Skyrockets on to White Deer will be held Friday, Oct. 29 at 1:30 p.m. in the high school gymnasium.

"We want the people of the town to come," said Becky Brewer, head cheerleader.

For those who have not attended a pep rally in some years, this will be a rousing experience. It will bring back lively memories for some, and it will show others what makes Wellington high school enthusiasm click.

The pep rallies are short. School will be dismissed early Friday so those who wish to attend the game may do so.

Rev. James Jackson

Rev. Jackson New Pastor of Assembly of God

The Rev. James Jackson has accepted the pastorate of the Assembly of God in Wellington, and he and his wife arrived Wednesday, Oct. 20 to begin their work with the local church.

They came here from Tahoka, where he was pastor of the Assembly of God for a year. Prior to that he had two pastorates at Quinlan which totaled two years and four months, and altogether he has been a clergyman for 8 years.

Rev. Jackson was reared at Royce City, and he entered the ministry while a teen-ager. As a senior in high school, he not only carried on his scholastic work and extra curricular activities, but also the full time pastorate of a church.

He attended East Texas State University at Commerce two and a half years.

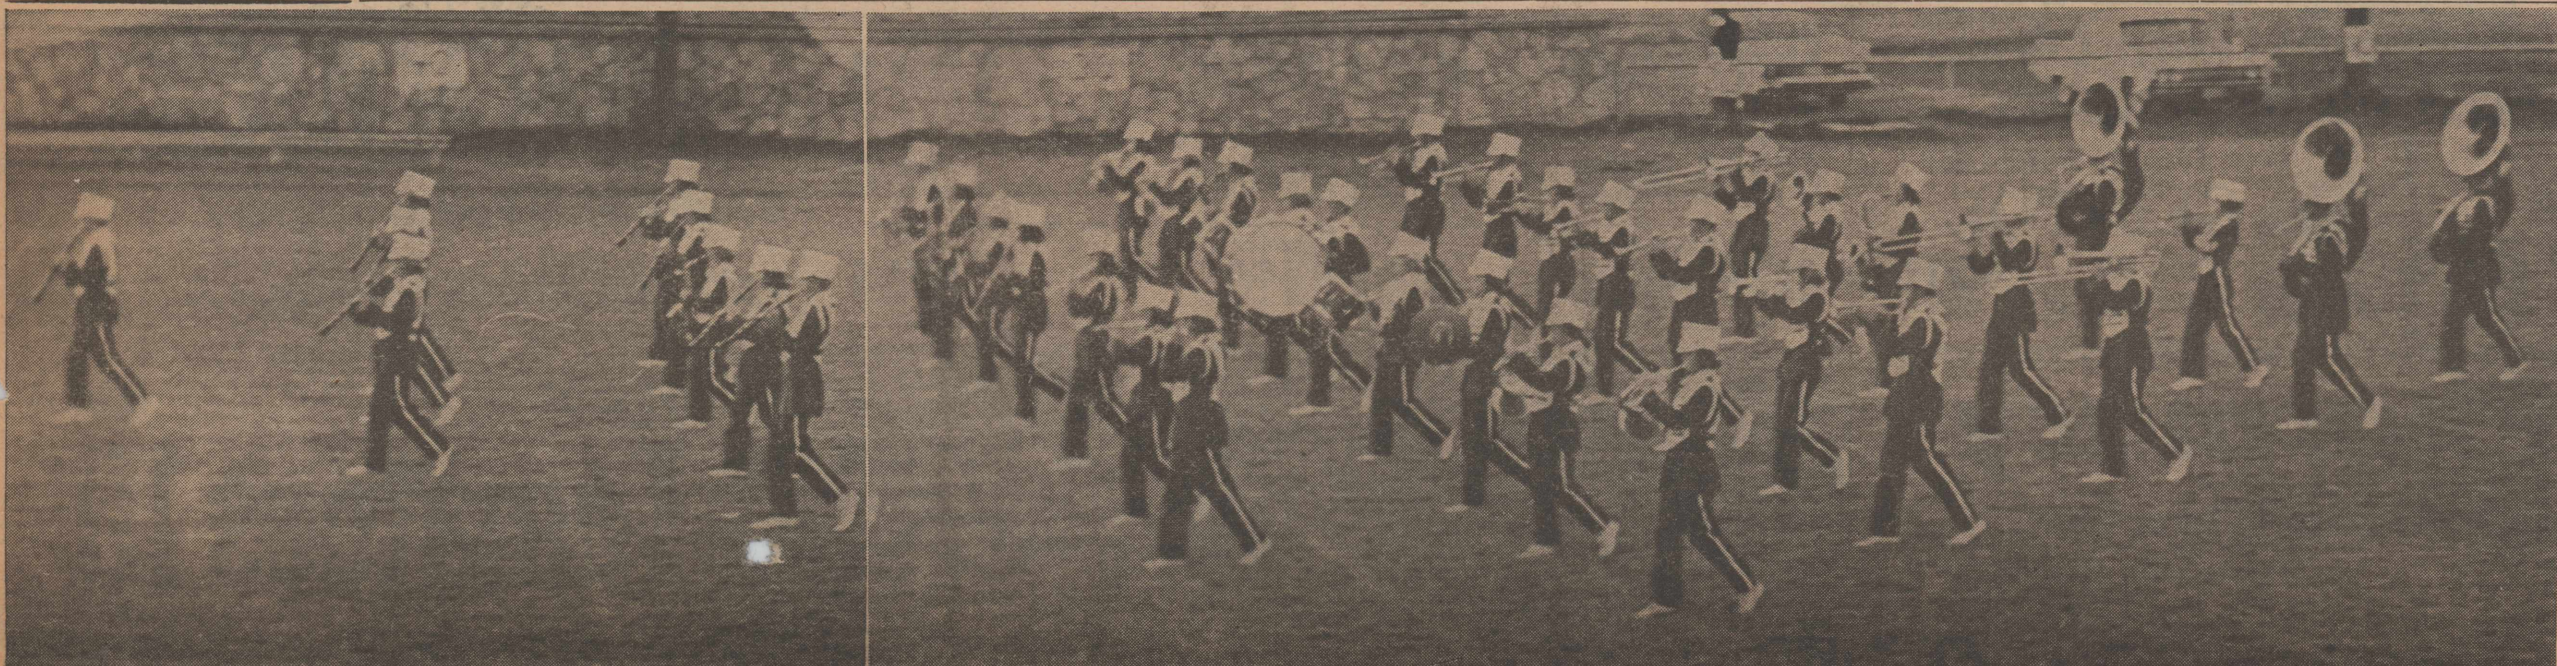

Mrs. Jackson grew up at Commerce.

Rev. Jackson succeeds the Rev. A. D. Stewart, who twice was pastor of the Assembly of God here and who has moved to Duncan, Okla.

Cub Pack to Meet Nov. 2

A meeting of Cub Pack 31 will be held Tuesday, Nov. 2 at 7 p.m. in the community building, Douglas Lowe, Cubmaster, announced this week.

All boys wanting to join the Cub Scouts and their parents should be present, Lowe said.

Sixty-five boys have signed up for the Cubs, but not all parents have signed the necessary consent, he explained.

"The Sons of Katie Elder" Bring Wayne and Martin Together

An opulent, eye-filling Western, filmed in Technicolor and wide-screen Panavision against the sweeping landscapes of the Pancho Villa country on Mexico's northern plateau and other colorful backgrounds, Hal Wallis' "The Sons of Katie Elder," opens Sunday at the Ritz Theatre.

Starring John Wayne, the screen's No. 1 Western hero, Dean Martin and Martha Hyer, the new Paramount release is in the tradition of classical folklore which has a pantheon of its own on Boot Hill.

"The Sons of Katie Elder," based on a story by Talbot Jennings, grew out of how three prodigals and their kid brother fought a stand-up battle a-

gainst a town. William Wright, Allan Weiss and Harry Essex wrote the screenplay.

Directed by Henry Hathaway ("How the West Was Won"), an acknowledged master of the Western, the story has a dual theme; not only is this a he-man's story, but it's also a drama of the maternal influence of Katie Elder, dead before the story unfolds; her sacrifice, love and incredible valor. The hopes and aspirations for her sons is movingly communicated from beginning to conclusion.

Wellington FFA Initiates 18

The Wellington Future Farmers of America had its formal initiation of new members at the regular monthly meeting Tuesday night, Oct. 19. The 18 new members are first year Vocational Agriculture students and were awarded the degree of Green Hand.

VA Approves Education Aid for Students

Children of both living and deceased veterans studying under the Orphans Education Assistance Act will receive in November the new educational allowances signed into law last week by the President, according to Jack Coker, manager of the Veterans Administration Regional Office at Waco.

At the same time, Coker pointed out that the new law removes a restrictive provision for eligibility under the Orphans Education Assistance program. The provision had previously required that the quali-

The degree certificates were presented by Don Lacy, chapter advisor, and Gary Killian, chapter president.

Immediately following the meeting, the new Green Hands treated the rest of the chapter to a wiener roast at the park.

fyng death or disability result from the "performance of duty." The new law strikes out the "performance of duty" provision.

The VA manager estimated that more than a thousand children throughout the nation may now become eligible because of this change.

The increase in monthly education assistance allowance rates which go from \$110 to \$130 a month for full-time study will affect between 20,000 and 30,000 students in the current school year. Almost 80,000 children have taken advantage of the orphans' study program to date, Coker said.

While those who were previously denied eligibility must file new claims, no filing is necessary to obtain the increased allowance rates. These payments are automatic and require no correspondence with the VA, Coker added.

FFAers Attend National Meet

The Wellington FFA chapter was represented at the National FFA convention held at Kansas City during the past week. Local members attending were John Henard and Joe Wood. John is the local chapter vice president and Joe is reporter.

THE WELLINGTON (TEXAS) LEADER
Thursday, October 28, 1965

The boys left Amarillo by train Oct. 11 and returned there Oct. 16. Chapter advisor Dcr. Lacy accompanied the boys to t... train and picked them up when they returned. Three area advisors went with the 70 FFA boys from this area.

Highlighting the events was a 20-minute telephone talk by Vice President Hubert Humphrey. The vice president was scheduled to attend in person but was unable to because of the illness of the President.

East Panhandle Cotton Harvest Progress Slow

A late planted crop and considerable acreage of replanted hail damaged cotton coupled with the practice in recent years of the almost complete harvesting by machines has made the 1965 crop one of the slowest on record.

While some defoliation has taken place, most farmers will wait on a killing frost before harvesting and it is hoped it will be late. An early frost could damage considerably this crop in yield and quality. This is the summation of the Eastern Panhandle crop by the USDA's Consumer and Marketing Service in Memphis.

Through Friday, Oct. 22, a seasonal total of 3100 samples were classed compared with 5400 as of the same date last season, and nearly 46,000 in 1961. This reflects the delay in harvesting even though a good portion of the cotton is open, according to K. E. Voelkel in charge of the Memphis Classing office.

The quality of cotton classed to date was chiefly in the Light Spotted and Spotted categories, with 65%. White grades made up 35% of the ginning.

In the White classification, Middling was the predominant grade with 23%, Middling Light Spotted with 37%, and Middling Spotted with 7% were the prevailing grades in the color group.

The staple length ranged from 7/8 inch to 1 1/8 inches. The various lengths were distributed as follows: 7/8 and 29/32 inch, 12%; 16/16 inch, 57%; 31/32 inch, 21%; 1 inch, 4%; and 1 1/32 inches and longer, 6%.

Classification of cotton in the past meant assigning a grade and staple length to a sample but now for the fourth season, a third factor is available. It is the measuring of fiber fineness and maturity by the use of an air-flow instrument called a micronaire. Of the 58 gins served by the Memphis office, 57 have applied for this testing service at the cost of 5¢ a sample.

Micronaire readings for this territory were very good, with 94% of the cotton classed in the 3.3 and above range. Only 4.2% read 3.0-3.2, and 2% read 2.7-2.9.

The Pressley test results showed that the cotton of the Eastern Panhandle had good fiber strength, with 97% reading 80,000 pounds per square inch and above, which is strong and Very Strong. Only 3% tested 75,000 - 79,000, which is average.

Cotton of the chief qualities that sold in the local market brought the following prices:

Middling, 15/16 - 27.35; Middling, 31/32 - 27.90; Strict Low Middling, 15/16 - 26.05; Strict Low Middling, 31/32 - 26.60; Middling Light Spotted, 29/32 - 25.90; Middling Light Spotted, 15/16 - 26.45; Middling Light Spotted, 31/32 - 26.95; Strict Low Middling Light Spotted, 29/32 - 25.05; and, Strict Low Middling Light Spotted, 15/16 - 25.70. These prices were based on mike readings 3.3 and above, and for cotton delivered uncompressed, mixed lots in warehouses.

The prevailing rate for pulling cotton was \$1.75 cwt delivered to the gin. Cottonseed prices to farmers advanced at most gin points, from \$45 to \$47 per ton.

Many in Graduate Work

More County Students In Colleges, Universities

Names of approximately 20 Collingsworth County students attending colleges, universities and vocational schools, have been reported since the first list was published in The Wellington Leader.

Among these are several adults who are continuing educations that were interrupted to raise families or to support them.

The names this week bring to almost 200 the number of students from Collingsworth County continuing their educations above the high school level.

Eddie Hale, son of Mr. and Mrs. E. S. Hale, Jr., is a freshman in Texas Tech.

Joel Lowry, son of Mrs. Jack Lowry of Lutie, is in his first year at the University of Texas Dental School in Houston. His wife, Janice, is a senior at the University of Houston. She is the daughter of Mr. and Mrs. Joe Rountree of Lutie. Another student in the University of Texas Dental School is Keith Hudson, son-in-law of Mr. and Mrs. Raymond Ross of Quail. He will graduate this year.

Attending Bethany Nazarene College in Bethany, Okla., are Oliver Bishop, son of Mr. and Mrs. Oral Bishop, and Patsy Falk, daughter of Mr. and Mrs. Frank Falk. Both are seniors. Enrolled as a freshman is Patricia Kimbro, daughter of Mr. and Mrs. Pat Kimbro.

Leamon Bawcom, son of Mr. and Mrs. Gene Bawcom, is attending North Texas State University, Denton. Previously he completed a course as an x-ray technician in Parkland Hospital, Dallas.

Peter Hughes, son of Mr. and Mrs. Bill Hughes, is a freshman in Texas Christian University.

A student in Amarillo College is Mrs. Polly Tate, who will continue her work toward becoming a licensed vocational nurse by entering St. Anthony's Hospital School of Nursing in Amarillo. Mrs. Tate is an unusual student in that she has two grandchildren and her daughter, Miss Elaine Tate, teaches in Wellington high school.

Johnny Carson, son of Mr. and Mrs. John W. Carson of Marella, is enrolled in Southwestern State College, Weatherford, Okla.

John Alf Thomas, who taught last year in the Lela schools, is studying to complete his degree at Texas Technological College, Lubbock. He is the son of Mr. and Mrs. Zook Thomas.

Additional students who are attending Clarendon Junior College are Weldon Cleveland, son of Mr. and Mrs. Weldon Cleveland, Sr.; Charles Floyd, son of Mr. and Mrs. Leroy Brinkley; and Pat Jumo, granddaughter of Mr. and Mrs. H. C. Templeton.

A fourth student at CJC is the Rev. John Welborn, pastor of Trinity Methodist Church.

Travis McGuire, Jr., is doing graduate work at Washington State University, Pullman, Wash., on a fellowship which he received. He is the son of Mr. and Mrs. Travis McGuire.

Firearms Dangerous About the Home

AUSTIN.—The Texas Safety Association reports that firearms incidents around the home takes more lives than hunting accidents. In 1963 there were 165 persons killed by firearm accidents in Texas — 88 of these fatalities occurred in the home. Be sure to unload all guns before taking them into the house. If there are children in the home, store guns and ammunition separately—under lock and key.

Check Equipment

There's an Easier Way to Dress Deer

The Texas deer season is open for bow and arrow hunters in most areas and the gun season will follow soon, reminds county agent Sam Helmers.

Before the hunt, it's a good idea to check to see that you have all the equipment needed for hunting and handling your deer kill. Important items include a sharp hunting knife, some strong cord or a small rope, enough cheesecloth or canvas to wrap the carcass in camp and a box of salt if you want to keep the hide or cape for mounting.

The deer should be dressed immediately after the kill.

Prop the deer on its back,

placing large rocks or logs beside each shoulder and each hip. Remove external sex organs with your knife.

Beginning between the hind legs, cut down to the pelvic bone. Then turn the knife blade up and cut up through the breastbone and up the neck as far as possible.

Now, grasp the windpipe and esophagus with both hands and pull down. The insides will come free down to the mid-section. Remove the stones from under the deer and roll the carcass on its side. Cut the thin layer of muscle that holds the entrails to the ribs, on each side of the deer. Cut around

the vent so the entire visceral mass can be removed without severing any part.

Using both hands, pull the entrails from the deer. To cut the pelvis, place knife against the middle of the pelvic bone to locate the seam where the bones grow together, and push down. You may have to hit the back of the knife with a rock to cut through the bone.

If you need help to carry the carcass to camp or if you cannot carry it out immediately, hang it to a tree branch so the carcass will cool in the shade. Prop the body cavity open with a stick for better air circulation.

When carrying the deer to camp, be as conspicuous as possible—you don't want to be shot at by an over-anxious hunter.

For more information see L-634 at his office, says agent Helmers.

Mrs. Pritchard Dies at 91

Funeral services for Mrs. Sam Pritchard, 91, of 1719 Eighteenth, Corpus Christi, were conducted in Gorman on Oct. 12 under the direction of Higginbotham Funeral Home. Her home was in Gorman.

She and her husband, the late Mr. Pritchard lived here until the late 1920's, and then they came back often to look after property. Mrs. Pritchard was a native of Missouri. She died Oct. 10 at the home of her daughter, Mrs. Ella Logan.

Survivors are another daughter, Miss Ethel Pritchard of Gorman; two brothers, J. T. Collins of Clyde and J. E.

Collins of Eastland; one grandchild and three great grandchildren.

The first postage stamps were issued in 1847.

Tortoises on the Galapagos Islands are believed to be the oldest living creatures on earth.

B&PW Members Participate Recently in District Conference at Childress

Members of the Wellington Business and Professional Women's Club brought home the gavel for having the largest attendance at the District 10 conference of B&PW Clubs in Childress October 16 and 17.

The theme of this conference was "Plan for Progress."

The banquet was held Saturday evening.

Mrs. Mamie Green of Childress, district director, presided, and Mrs. Christine Williams, Childress Mayor C. D. Lyons and Dr. Gene Blackwell, president of the Chamber of Commerce, welcomed the visitors. Mrs. John Coleman responded on behalf of the members.

The speaker for this session was Mrs. Thelma Jarratt of Marshall, president-elect of the Texas Federation of Business and Professional Women's Clubs.

The Sunday morning session was opened with a devotional period given by the Quanah Club members, and music was presented by the Wellington Chorus. Memorial services for Mrs. G. W. Lane, a member of the Wellington club, were conducted by Mrs. Ernest Harwell and Mrs. A. A. McQueary.

A workshop period followed. The afternoon speaker was Lester Campbell, Dale Carnegie instructor from Memphis, and a former Wellington resident. He was introduced by Miss Tops Gilreath, a member

of the Memphis club.

During the business session, Mrs. Green was elected district director for 1965-66 and Mrs. Coleman was named to the state nomination committee.

Clubs were represented from Wichita Falls, Bowie, Vernon, Jacksboro, Quanah, Olney, Memphis, Wellington and Childress.

Attending from here were Mrs. Jimmie Kelso, Mrs. Louise Templeton, Mrs. H. L. Jenkins, Mrs. Otis Emmert, Mrs. Creed Hill, Miss LaHonda Mayhugh, Mrs. Bura Handley, Mrs. B. C. Duncan, Mrs. Pat McAlister,

Mrs. Ray Uselton, Mrs. Dudley Phipps, Mrs. Rufus Sweat, Mrs. Zook Thomas, Mrs. McQueary, Mrs. Truman Estes, Mrs. Drury Lacy, Mrs. Coleman, Mrs. Rob Isbell, Mrs. Steve Owens, Mrs. Harwell, and Mrs. Raymond Patton.

Belles Lettres Meets Oct. 19

A Halloween theme was used by the members of Belles Lettres for both the program and the decorations at their meeting Tuesday evening, October 19, when Mrs. F. A. Hatch was hostess.

Mrs. Bob Hightower reviewed the history of Halloween, from its origin as a religious observance, "Allhallow's Eve," the eve of All-Saints Day. She explained how the black cat and witches, the jack o' lantern and other facets of the holiday grew.

Mrs. Coy Vaughan, president, directed the business session, and Mrs. J. M. Stowell read the collect.

Refreshments were served to Mrs. E. F. Bartlett, Mrs. L. M. Bartlett, Mrs. A. B. Clark, Mrs. Howard Riggs, Mrs. J. M. Stowell, Mrs. Jim Wood, Mrs. Bob McAlister, Mrs. S. B. Owen, Mrs. Hightower, Mrs. Joe Thompson, Mrs. Hurshel Tyler, Mrs. Vaughan, Miss Pearl Eudy and the hostess, Mrs. Hatch.

For Tea and Later

For tea, then on to the theatre or other evening entertainment, this dress shows the return to elegance, noted in women's fashions this fall. It is of lush geometric quilted metalesse imported from Italy. The outfit features a dress with winged neckline and tunic length coat.

Coffee Wednesday Honors Camp Fire Representative, Miss Lois Jarrell

Miss Lois Jarrell of Dallas, field representative of Camp Fire Girls, was honored at a coffee in the dining room of Cherokee Inn Wednesday, October 27. The coffee began at 3 p.m. and was given by the Leaders Association of Camp Fire Girls.

This was Miss Jarrell's official visit to Wellington, and it was the first made by a Camp Fire representative in three years.

Those attending were council members, leaders, sponsors, mothers of Camp Fire Girls and friends of the movement here.

Plans for the coffee were made in a recent meeting of the Leaders Association with

Mrs. J. B. King, council president, in charge.

The annual candy sale was scheduled for November, and it was announced that the girls will wear their official uniforms when they are selling the candy.

Attending this planning meeting were Mrs. J. B. Stevenson, Mrs. C. T. Shumate, Mrs. J. B. King, Mrs. Bob Goforth, Mrs. Jeff Wilson, Mrs. Johnny Welborn, Mrs. Gene Morrow, and Mrs. Donald Nunneley.

POWDERY GEARS

Metal powders of nickel and iron are formed by compression and heat, into strong, light and intricately designed gears for small engines.

Orrs Attend Parents Week

COLUMBIA, Mo. — Dr. and Mrs. James Milton Orr of Wellington visited their daughters, Margaret Ann and Marjorie Jane during Stephens College Parents' Weekend on the campus here. Misses Orr are freshmen at Stephens, a four-year residential college for women.

Dr. and Mrs. Orr were among some 1500 parents from 45 states who attended the seventh annual Parents' Weekend, October 22-24. The event is one of the largest parents' weekend programs at any college in the country.

Activities during the weekend included a welcome by President Seymour A. Smith; attendance at classes; "The Arts on Stage," a special production featuring students of music, dance and theatre arts; talks by the Dean of Students on "College and Your Daughter," and by the Chairman of the Division of Sciences and Mathematics on "Controversy and Creativity in Education"; a Dads-Daughters luncheon and Mothers' buffet; a dance for parents, daughters and dates; and tours of the campus.

Mrs. Patterson Has NWMS

Mrs. Louis Patterson was hostess to the Dodson Nazarene Woman's Missionary Society at her home recently for a study of Syria.

Mrs. Walter Camp directed the playlet which carried out the theme, and those taking part in costume were Mrs. Fletcher White, Mrs. Charles Grimes, Mrs. Maurice Moore and Mrs. Bill Holder.

Mrs. Holder was accompanist and Mrs. Camp was narrator of that part telling of Mulhim A. Thahabijah, a former missionary to Syria.

Later a quiz was given on the study.

Refreshments were served to Mrs. Camp, Mrs. Holder, Mrs. White, Mrs. Daro Camp, Mrs. Bill Patterson, Mrs. Harry Patterson, Mrs. Arnice Lewis, Mrs. Roy Tisdale, Mrs. Claude Lewis, Mrs. Grimes, Mrs. G. M. Lewis, Mrs. Georgia Owens, Mrs. Moore and the hostess, Mrs. Patterson.

HIGHFALUTIN FLUTES

The precious metal platinum is used to make high-quality flutes. Eight such platinum flutes, each costing \$5,000, are being played by musicians today.

THE LUMINOUS HERD

Authorities have urged Dartmoor, England, farmers to fit luminous collars on dark-coated cattle, so they may be more

clearly seen at night by motorists. Last year, in one section of the moor, 85 cattle, sheep and ponies were killed and 35 injured in road accidents.

RECORD CONSUMPTION

Uses and consumption of nickel reached a record 640 million pounds in the free world in 1964.

Bryant Harris Honored as First Musician of Month by Music Club

On October 19 the Wellington Music Club met in the home of Mrs. L. W. Wells with Mrs. Orville Vaughan as co-hostess.

The year's theme, "Say It With Flowers—Musically," was interpreted at this meeting as "The Anniversary Rose" with reference to the United Nations' twentieth anniversary.

Commentary was by Mrs. Wells who gave information compiled when she visited the U.N. The National Federation of Music Clubs is the only music organization with a representative to that international body. A special emphasis is placed this year on the International Co-operation Year with its theme, "Peace and Progress Through Co-operation."

"United Nations on the March" by Shastakovich was a vocal duet by Mrs. Mack Bush and Mrs. B. M. Sims.

Music from UN member nations included: Hungarian Bela Bartok's "Free Canon" with Mrs. Sam Thompson, pianist; recorded excerpts from Bartok's "Mikrosmos"; Austrian Franz Schubert's "Ave Maria" with Mrs. A. J. Peters, soprano, and Mrs. Claude Groves violinist, with Mrs. Thompson at the piano. The United States was represented by group singing of Key's "Star Spangled Banner."

For the hymn of the month Mrs. Bill Bradley directed the group singing with Mrs. Peters at the piano.

The first Junior Musician of the Month for the '65-'66 club year was Bryant Harris, son of Mr. and Mrs. Milford Harris. A senior in Wellington high school, Bryant is president of "That Skyrocket Band." He has been in band eight years; for three years he has been in the stage band. Last year he was a member of the all-region band. In the '65 summer band camp, WTSU, Bryant was placed in the "honors band." A piano student for six years, Bryant is also a member of the WHS chorus. He is an active member of the First Baptist Church. His trumpet solo, "Land of Enchantment" by Clair Johnson was accompanied at the piano by Regina Ferguson.

Mrs. Groves made the formal presentation of a certificate of merit to Bryant.

1924 Club Has UN Program

The first regular meeting of the 1924 Study Club was held October 21 in the home of Mrs. Mack Bush.

Presiding at the business session was Mrs. Scott Neill.

An "Infocade of the United Nations" was given by Mrs. B. M. Sims, United Nations division chairman, Texas Federation of Women's Clubs. She stressed "The U.N. in Perspective: Twenty Years of 'Peace and Progress Through Co-operation'" with charts, posters, pamphlets and pictures. She showed the overall structure of the organization and told the general functions of the six principal organs and their main subcommittees.

Music mentioned concerning the UN was the Unicef's "Rainbow 'Round the World" and Shostakovich's "United Nations on the March," a vocal duet by Mrs. Bush and Mrs. Sims.

The anniversary celebration of the UN coincides with the International Co-operative Year designated by the General Assembly, and the halfway point of the Decade of Development. Portions of President Johnson's ICY proclamation were read and the ICY symbol displayed.

In summation, the speaker said that for the advanced countries of the world to share food, money, technical skills and knowledge with those less prosperous is not merely an act of charity but rather one of enlightened self-interest.

The refreshment table restated the UN Week theme with its white linen covering with blue cutwork echoing the colors of the UN flag, which topped a 3-tiered arrangement of flags of UN member nations.

In attendance were Mrs. R. R. Crawley, Mrs. Neill, Mrs. Chester Fires, Mrs. Don Van Pelt, Mrs. Jeff Wilson, Mrs. Jack Moreman, Mrs. J. B. King, Mrs. D. F. Cook, Mrs. Howard Riggs, Mrs. R. H. Tyler, Mrs. Henry Vaughan, Mrs. J. F. Michael, Mrs. Douglas Lowe, Mrs. Sims, Mrs. Bush and Miss Hattie D. Wells and Miss Sara E. Jones.

The next meeting is to be in Mrs. R. H. Tyler's home on November 4.

A dessert plate with napkins and individual favors from the United Nations was served to Mrs. Bradley, Mrs. Bush, Mrs. Hiram Cudd, Mrs. Groves, Mrs. Peters, Mrs. Sims, Mrs. Thompson, Mrs. Vaughan, Mrs. Velman Warrick, Mrs. Wells, Mrs. Tom Ferguson, Mrs. Milford Harris, Regina and Bryant.

Norwood PTA Meets Monday

Plans for the Samnorwood Halloween Carnival on October 30 were completed by members of the Parent-Teacher Association in their regular meeting Monday night, October 25 in the foyer of the Norwood gymnasium.

Members voted that proceeds from the carnival will be used to install a water fountain and coolers in the grade school building, and any money left over will go toward buying a glass door for the high school building.

Winners of the carnival poster contest were announced and prizes were awarded. The junior class was winner in the high school division, and in the elementary school, sixth grade won first, the first grade was second, and the fifth grade won third.

Mrs. Robert Baxter was program chairman and in charge of entertainment. Nelson Dwyer was presented in a piano solo, Chopin's "Polonaise in A Sharp."

Three students described the trips for which they were chosen this summer. Kay Purkey told of Girls State; Ken Baxter of Boys State, and Leatrice Adams of the Attorney General's Youth Conference.

Lloyd Stephens gave the invocation.

Refreshments were served by mothers of the freshmen and sophomores and the room count went to the first grade.

Mrs. A. F. Wischkaemper, Jr., president of PTA, was in charge of the meeting.

Eighth Grade Names Officers

The eighth grade of Wellington junior high school met on Wednesday, Oct. 20 in the auditorium to elect officers for the current school year.

Elected were Truitt Holton, president; Nicky Watts, vice president; Jan Philley, secretary; Linda Williams, treasurer, and Ricky Nall, reporter.

Sponsors elected at the same meeting were Mrs. Rufus Sweat, chairman, Carroll Nunnelly and Raymond Kauffman.

Mr. and Mrs. Herman Moseley of Quail attended Dad's Day at Texas Tech, Lubbock, on Saturday. The Dads were guests at a luncheon in the Coronado Room of the Student Union. The mothers attended a luncheon at the Lubbock Women's Clubhouse.

Open House Sun. to Honor Mr., Mrs. T.C. Cass, Former County Residents

A former Collingsworth county couple, Mr. and Mrs. T. C. Cass of San Diego, Calif., will be honored with an open house Sunday, October 31 in the club room of the community building, from two until five o'clock.

The hosts will be the couple's daughter and son-in-law, Mr. and Mrs. J. C. Emmert. All friends of the couple are invited to call and visit with them.

"There are many with whom they would like to visit, and

this will be an opportunity for all those who knew them to be with my parents," said Mrs. Emmert.

Mr. and Mrs. Cass farmed northwest of Wellington for a number of years. They moved to San Diego about 1943.

A son, Kenneth Cass of Friona, will be here, and their other daughter, Mrs. Carroll Jones of Brownfield may be able to attend. The couple's other sons, Troy Cass and Roy Cass, live in California and are not expected to be here.

Guild Studies Mission Realms

The Wesleyan Service Guild of the First Methodist Church met at the church Thursday night, October 14 for their regular meeting.

Mrs. David Baumgardner, the president, presided. Mrs. Joe Thompson gave the devotional, stressing the theme, "The Christian's Calling, and Are We Good Samaritans?" The group sang "Help Somebody Today."

Mrs. Baumgardner, assisted by Mrs. R. H. Isbell, gave the program on "Mission Realms of Our Calling."

Refreshments were served by the hostess, Mrs. G. L. Jones to Mrs. Frank Anderson, Mrs. Fred Watkins, Mrs. R. H. Isbell, Mrs. Byron Duncan, Mrs. Gorman Owens, Mrs. Barney Jones, Mrs. J. F. Michael, Mrs. Jack Davis,

Mrs. Joe Thompson, Mrs. David Baumgardner, Mrs. Jennie Holcomb, Mrs. Pearl Aaron, Mrs. Bernice Welch, Mrs. Arlon Williamson, and a guest, Mrs. C. E. Bairfield of Clarendon.

Ralph Coburn, son of Mr. and Mrs. L. R. Coburn, a student in Texas University, Austin, visited his parents Wednesday of last week. Ralph is a member of the Wellington National Guard unit and was here for their annual inspection.

Mr. and Mrs. W. N. Price spent the past week end in Abilene in the home of their daughter, Mr. and Mrs. Jim McKelvy and children.

Week end visitors in the home of Mr. and Mrs. James Richardson were her parents and sister, Mr. and Mrs. Paul Williams of Plainview and Mr. and Mrs. Walter Schuler and son, Lance, or Wilmington, Del.

Mrs. D. C. Powell Entertains Club

Mrs. Denver Powell was host to members of the Excelsior Club Thursday evening, October 21.

Miss Dorothy Robertson directed the program, which is a continuing study of drama. She reviewed the Broadway production of a few years ago, "The Voice of the Turtle" by John Van Druten.

A short business meeting preceded the program.

A dessert plate was served to Mrs. E. F. Bartlett, Miss Marie Shadid, Miss Robertson, Miss Bonnie Willis, Mrs. J. F. Michael, Miss Sara Jones, Mrs. Robert Barjenbruch, Miss Rose Shadid and the hostess, Mrs. Powell.

Mrs. A.R. Clay, Former Dozier Woman, Dies

Mrs. A. R. (Ott) Clay, who lived in the Dozier community many years before moving to Shamrock two years ago, died in a Shamrock Hospital at 1:30 p.m. Thursday, Oct. 19. She had been in ill health three years and hospitalized eight weeks.

Mrs. Clay was born March 5, 1900 in Wilbarger County, and she was the former Della Lee Bradstreet. She moved to Wheeler County when she was still a girl, and on May 25, 1917, she and Mr. Clay were married at Texola. They moved to Dozier in 1933.

A Baptist, she was active in the Lone Mound Church until it was discontinued.

Funeral services for Mrs. Clay were conducted at the First Baptist Church in Shamrock at 2:30 p.m. Thursday. Officiating were the Rev. Bill Melton of Fort Worth, assisted by the Rev. Jimmy Wilson, pastor, and the Rev. Dennis Surber of Adams, Okla., Mrs. Clay's son-in-law. Burial was in the Shamrock Cemetery under the direction of Clay Funeral Home.

Pallbearers were Jim Sikes, Paul Sublett, J. B. Hiett, R. L. Roberts, Carroll Williams, J. D. Throckmorton, Bart Martindale and Buck Martindale.

Mrs. Clay is survived by her husband of Shamrock; and five daughters, Mrs. Lottie Hicks of Shamrock, Mrs. Vivian Sikes of Little Rock, Ark., Mrs. Estelle Surber of Adams, Okla., Mrs. Doris Crandall of Amarillo and Mrs. Dollie Tennison of Marana, Ariz.

Other survivors are three brothers and two sisters, Bill Bradstreet of Shamrock, Cliff Bradstreet of Wheeler, Les Bradstreet of Phoenix, Ariz., Mrs. Kate Mayo of Whitesboro, and Mrs. Rozena Bryant of Anchorage, Alaska.

There are thirteen grandchildren.

Norwood Teams Go on Road

The Samnorwood Eagles and Eaglettes will go on the road for their next two dates, traveling to Kelton Friday night, Oct. 29 and to Quitaque Tuesday, Nov. 2.

The game at Kelton is a return game, said Coach Loyd Stephens.

At Quitaque, the Eaglettes will play a team coached by a former Collingsworth County and Quail basketball star, Gano Wilson.

Cards of Thanks

We wish to thank all our many friends and neighbors for the many flowers, other kindnesses and food furnished during the passing of our loved one.

May God bless you all.
The family of
Bob Hudson.

We wish to express our appreciation to the many friends and neighbors for their kind deeds and words of sympathy, to those who sat with us at the hospital, for the food brought to the house and the church; also our thanks to the staff of St. Josephs Hospital and Dr. Holcomb.

May God bless each of you.
The family of
Mrs. E. G. Pierce.

May we extend our heartfelt thanks to those of you who expressed your sympathy in so many thoughtful ways during our recent bereavement. Your kindnesses have meant much to us.

The family of
Mrs. T. M. Bartlett.

With deepest gratitude we extend this word of thanks to all those who were so thoughtful and kind to us at the passing of our loved one.

For the beautiful floral offerings, cards and many expressions of sympathy, we are truly grateful. Your kindness has meant much to us.

The family of
L. W. McClure.

We wish to express our deepest gratitude to all those who were so thoughtful at the passing of our loved one. We do thank everyone for the many prayers in our behalf and for the beautiful flowers and cards expressing your sympathy.

We are especially grateful to Rev. A. D. Stewart and to the ones who prepared and served the food each day. May God richly bless each of you.

Rattlers Lure Wichita Youths

WICHITA FALLS. — What's that, huh! Soft teenagers! How about the Wichita County Rattlesnake Club comprising high school age chaps!

They are a functioning outfit, thirty strong, organized to learn about reptiles, principally rattlesnakes, their distribution and usefulness in the balance of nature routine.

Using live specimens, these resourceful lads provide programs for schools, civic clubs and groups interested in snake lore.

They teach first aid. Yes, being businessmen, they sell snakes to zoos and medical laboratories.

And they do get around. One of the boys recently captured a Western Massasauga rattler, a rarity in the southwest part of Wichita County.

Mrs. Langford Joins City State

Mrs. Bobby Langford has begun work in the bookkeeping department of the City State Bank, Zook Thomas, president, has announced.

She succeeds Mrs. Don Hiett, who is moving to Amarillo.

Mrs. Langford was graduated from Wellington high school this spring. Before her marriage she was Nancy Gibbs and is a former Collingsworth County Farm Bureau Queen.

Don't Climb With Gun

The Texas Safety Association reminds hunters to never climb or jump with a loaded gun. Never pull a gun toward you muzzles, push your gun on a head, or hand it to a companion with the breech open. And don't set your gun against a tree or fence. It could fall and discharge.

Harvest Opens for County's Newest Money Crop, Guar

Harvesting the county's guar crop is about to begin on the largest scale we have known so far.

We have watched this crop through its growing season, and after we have seen the final process, harvesting and marketing, most farm operators will know whether they think it is the crop for them.

Our need for as many money crops as possible is stronger than it has ever been. As yet, guar is free from government control programs, and most important it will produce a yield that makes it profitable. As this autumn progresses, we will hear more about guar, which has proved itself, and those other crops still in the experimental stage but which now look good.

For this golden autumn is the time to think about next year's operations.

Tell any woman that she's too clever for words and immediately she will prove you wrong.

Anyone who can swallow an aspirin at a drinking fountain deserves to get well.

FISH FOR COLLINGSWORTH

Fingerlings to stock Collingsworth County ponds were delivered Thursday, October 21, in this tank truck from the fish distribution unit of the National Fish Hatchery at Santa Rosa, N. M. Both Black bass and catfish fingerlings were included. At top, a group is shown with buckets to receive the fish, and below are a netful of the bass dipped from the tank. Orders for the fingerlings are made through Extension Service and the Soil Conservation Service.

Emergency Hay Program Out

The County USDA Disaster Committee's recommendation to extend the emergency grazing and haying of Soil Bank land was disapproved by the USDA State Disaster Committee, since the county has received beneficial rains during the past several weeks. Therefore, no approvals can be granted for grazing or haying after Oct. 31, 1965.

"Also, we would like to remind all farmers who have approvals for grazing soil bank land through Oct. 31, 1965, to be sure to take all livestock off these fields by this date or

else they will be violating their soil bank contract and subject to a penalty," said Millard Brown ASCS office manager.

Diverted acres under the 1965 wheat and feed grain programs may be grazed after Oct. 31, 1965, without charge. However, no hay or bundles can be harvested from diverted acres after this date without having to refund the entire payment for the program.

CROSSROADS REPORT

Dear Editor:

I see where some Senatorial squabbling developed over the nomination for federal judge of a citizen whose main qualification is that he works hard for the party.

Some commentators say this trait could make a man a fine judge, especially in matters of judging the probable vote returns on a decision.

But my screwy neighbor wonders if the President's surgeons were picked by considering their proficiency as people-openers, or by how much they had put in the party kitty.

My conniving neighbor is letting his lawn get shaggy and expects this will soon be noticed by the federal beautifiers, because his house is part of the scenery along a road.

He figures the consequent excitement in Washington will trigger a law to provide feder-

al pay for yard mowing, like the program to beautify the country by paying the owners for billboard and junkyard removal.

And with people getting to be more and more prevalent in the scenery, he looks for the bureau of beautification to begin insisting on making humans more beautiful, and paying for pot and wrinkle removal.

News is that a big herd of Poverty War brass held a plan-making party at a jazzy joint up in the mountains in New York.

All kinds of shrewd strategy for helping the poor was whopped up here, and so Poverty War money was used to pay for the food and flowers and liquor and the rented tuxedos.

My sympathetic neighbor says this proves that poverty is being fought by just ordinary people who know how it is to be poor, and not by rich politicians who own tuxedos.

Reports are that science is

saying the weather influences people-behavior, and when the weather is bad, we have more crimes and other human meanness going on.

But my reversatile neighbor reminds science that in the case of Noah and the flood it was the misbehavior of the people which caused that long rainy spell.

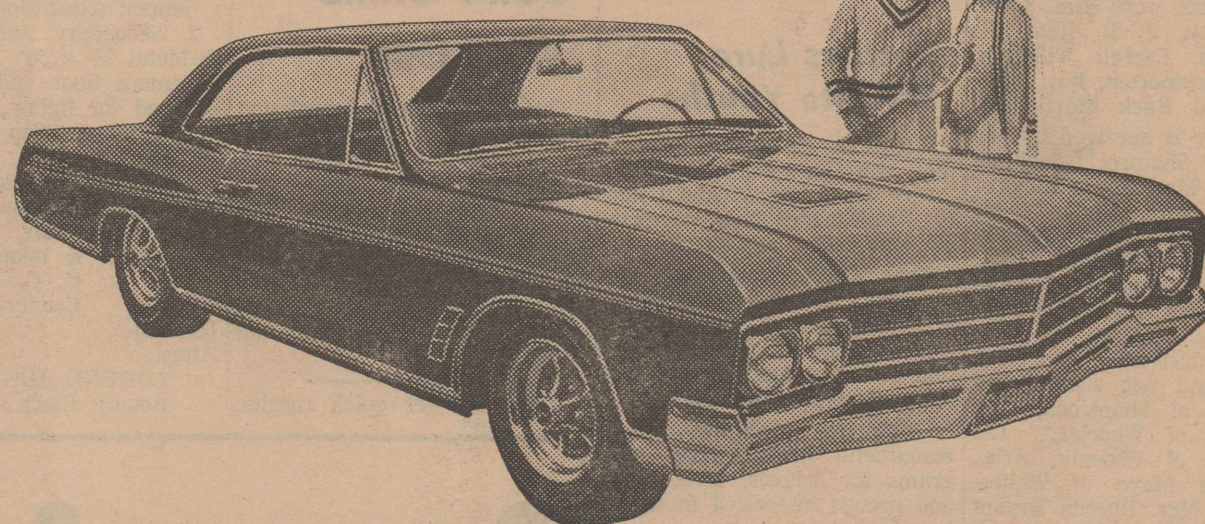

So he says the computer-minds had ought to re-check their data, because they may find it's not that bad weather is influencing people, but that the people are influencing the weather.

The largest blast in the history of world underground mining was recently fired in the Frood-Stobie mine of the International Nickel Co., in the Sudbury District of Ontario. Rockets Beat Wildcats In One-Sided Contest

By JACK FORD

In a wild and high scoring football game the Wellington Skyrockets, using a strong running attack, and passes in the clutch spots, snowed under the Canadian Wildcats 55 to 0 at Powell Field on Friday, Oct. 22.

The Rocket speed and lateral movements kept the Wildcats off stride the whole ball game. Both the Rocket offense and defense did exceptional service. Just pick up a Rocket roster, point a finger at any name and you picked a Rocket who did a great job on either offense or defense in this ball game.

The Rocket backs, Andy Bell, Freddy Mayhugh, Jackie Needham, Randy West, Claude Barber, Neal Roberts, Tommy Yarbrough, James Smith, Marion Barton, and Jimmy Black had a great night in moving the ball against the Wildcats.

And again the Rocket line, Lewis Watkins, Michael Gilmore, Johnny Maxwell, Jim Rudy, Mike Smith, Rodney Kane, Steve Trapp, Gary Kilian, Danny White, Ronald Barr, Fred Bobo, Andy Henard, Larry Henard, Don Sweat, and Jimmie Barber did their usual fine job on both offense and defense.

The Rockets kicked off to the Wildcats to open the game. The Wildcats couldn't move the ball and were forced to kick. The Rockets put the ball in play on the Wildcat 42, J. Black went for 6, and then A. Bell plowed off guard, broke into the open and went 36 yards for the first Rocket TD. J. Maxwell kicked the extra point. Rockets 7 Wildcats 0.

The Rockets came right back to score again after recovering the kickoff fumble by the Wildcats on the Wildcat 40 yard line.

J. Needham, N. Roberts, A. Bell and J. Black carried the ball to the Wildcat 12 yard line. A. Bell then ran to his right and threw a pass to J. Needham who went into the end zone for another 6 points. The try for extra point failed. Rockets 13 Wildcats 0.

Again a fumble set up the next Rocket TD. After the Wildcats put the ball in play on their own 17 after the kickoff, a fumble on the third play was recovered by the Rockets on the Wildcat 14 yard line.

A. Bell on the first play threw another pass, this time to J. Barber, who made a great catch in the end zone for another 6 points. F. Mayhugh carried the ball across for the 2 extra points. Rockets 21 and Wildcats 0.

Midway in the second quarter the Rockets scored again. After receiving the Wildcat punt and putting the ball in play on the Rocket 25 yard line, N. Roberts, R. West, C. Barber, J. Black and F. Mayhugh moved the ball to the

32, J. Smith took the handoff, went to the right, cut back to the left side of the field and went the distance for another Rocket TD. J. Black scored the 2 extra points.

The last Rocket touchdown came after M. Barton intercepted a pass on the Wildcat 30 and ran the ball back to the Wildcat 5 yard line. Barton plowed to the 1, a TD by Barber was called back and a 5 yard penalty against the Rockets put the ball back to the 6 yard line. Again J. Black came through and scored 6 points. M. Barton scored the extra 2 points.

The Rockets scored 3 more points after taking a Wildcat punt. J. Smith, J. Black, and C. Barber moved the ball from the Rocket 45 to the Wildcat 6. Then J. Maxwell came in and kicked a 16 yard field goal. Six plays later the game ended. Rockets 55 Wildcats 0.

This coming Friday the Rockets travel to White Deer for the biggest game of the year. The Bucks, rated second in the state standings, will be heavy favorites. This one is a must for the Rockets and they'll have to put out all they have to win it, but the Rockets can do it. The Rockets will need lots and lots of support, and the best way they can get it is for the Rocket fans to be at White Deer to cheer them on, so hope to see everyone at White Deer.

The fourth quarter was again all Rocket. After recovering a Wildcat fumble on the Wildcat

Eagles Win Double Header From Kelton

The Samnorwood Eagles and Eaglettes defeated the Kelton boys and girls in their season opener Tuesday, Oct. 19 at Norwood.

The Eaglettes, defending district champions, were victors 44 to 31, while the Eagles won their game 55 to 31.

The girls jumped to a 10 point lead early in the game and increased that margin steadily until the fourth period. Coach Loyd Stephens moved in his reserves and Kelton was able to move up a little.

Suzy Bentley was high scorer for Norwood and for the game with 22 points. Kay Purkey had 15. Lafern Bradley made 18 points for Kelton and Joyce Walser added 11.

Norwood's three guards coordinated to give an outstanding performance — Judy Martindale, Eunice Stice and Billie Purkey. Suzy, Kay, and Brenda Coleman were starters for the Eaglettes.

THE WELLINGTON (TEXAS) LEADER
Thursday, October 28, 1965

Reserves playing were Karen Waters, Odessa Stice, Carol Garner, forwards, and Charlotte Conner, Sherry Kindrick and Betty Coleman, guards.

Playing for Kelton were Lafern, Joyce, Nancy Chick, and Brenda Pond, forwards, and Loynette Calcote, Gwen Brittain, Linda Davis and Janet Finley, guards.

The Eaglettes hit 50 percent of their field goals attempted, and about the same percent of their free tosses.

Eagles - Kelton

The Eagles jumped to a 10-0 lead over Kelton at the end of the first quarter. The second period was played about evenly, then Samnorwood increased the lead through the latter half of the game.

Norwood defense was the most outstanding feature of the game, with Nelson Dwyer leading the play.

Samnorwood scoring was led by Augustine Zermine with 21 points, while Acie Boyd made 16. Other starters were Paul Clark, Danny Tate and Dwyer. Reserves playing were Stanley

Oldham, J. D. Ward, Thomas Zermine and Ken Wischkaemper. Alvin Lisle, who has a knee injury, did not suit up.

Ken Abernathy, playing outstanding ball for Kelton, made 20 points. Other boys playing were Thurman Davis, Earl Joslyn, Kelly Abernathy, Mack Carver, Richard Finley, T. C. Williams, Ed Matthews and Tom Puryear.

Shearlings Can Be Washed Now

Shearling bedpads may become standard hospital equipment for preventing bedsores as a result of a USDA tanning process that makes the skins easier to launder.

Shearlings are sheepskins with the wool trimmed but not removed. Their value has long been recognized but use was limited because of the special care required in laundering them. The new tanning process makes laundering possible in automatic washing machines with soap, moderately warm water and a disinfectant.

Skyrocket B Team Loses to Clarendon

The Wellington Skyrocket B team met the Clarendon Broncho B team for the second time this season on Oct. 21. In the first game the Rockets won with a 6-0 score. The second game was a reversal of the first with the Broncos victorious by an identical 6-0 score.

The Broncos kicked off to Wellington to open the game. On the first series the Rockets failed to make a first down and were forced to punt. Clarendon also was unable to make a first down on its first possession and punted back to Wellington.

The Rockets then moved the ball inside the Broncho 30 yard line but were unable to penetrate the goal line because of a fumble. This was the first of several costly mistakes for the Rockets.

Clarendon recovered the fumble, but they did not move the

ball and again kicked to Wellington. This was the story of the remainder of the first half. Both teams played good defensive ball but neither could get their offense rolling. The half-time score read 0-0.

The Rockets came back strong after the half and they moved the ball down the field. Fumbles again took their toll and the Rockets gave up the football to Clarendon. Each time Wellington had possession they made good gains but could not continue the drives because of fumbles and pass interceptions.

The only Broncho offensive threat looked like it had bogged down when they faced a fourth down and 15 yards situation with less than 2 minutes to play in the game. Then the Broncho quarterback faded back and completed a 20-yard pass to the Rocket 3 yard line. In two plays they pushed in for the touchdown. Their try for extra points was no good.

With one and one half minutes remaining on the clock there was still time for the Rockets to score and win with an extra point. The Wellington offensive was stopped, though, when the Broncos recovered another fumble. Clarendon was able to run out the clock without giving up the ball.

"The loss was a team loss and it was hard for the boys to take," Coach James Stavenhagen commented. "But they realize that the other team wanted the game worse than we did. We hope that the boys will do better in the game this week."

Marigolds Tested in Nematode Study

Oklahoma farmers one day may plant fields of marigolds—not for their beauty, but to rid their soils of nematodes, say Oklahoma State University agricultural scientists.

Generally considered a weed, marigolds have been used in Southern Rhodesia to reduce root-knot nematodes in tobacco fields.

And tests in two southern states show some varieties of the South American marigold are effective in reducing populations of plant-parasitic nematodes while serving as badly needed cover crops for the soils.

Rites Held for Former City Youth

Funeral services were conducted at the Church of Christ in Wellington Wednesday, Oct. 27 at 2 p.m. for Dennis Dale Teakell, 14, of Corpus Christi, the son of Mrs. Odean Lewis of that city and Billy Dale Teakell of Amarillo.

The youth died at Corpus Christi Saturday after he was struck by a car.

Minister Grandol Forehand conducted the funeral and burial was in the North Wellington Cemetery under the direction of Kelso Funeral Home.

Dennis Dale was born at Wellington June 12, 1951, and later moved to Corpus Christi with his family. He was a student in Driscoll Junior High School.

Surviving Dennis Dale are his mother and step-father, Mr. and Mrs. Odean Lewis of Corpus Christi; his father, Billy Dale Teakell of Amarillo; a brother and sister, Billy Glenn Teakell and Betty Alice Lewis of Corpus Christi and two step-brothers, Johnny Doyle Lewis and James Henry Lewis of Burkburnett; and these grandparents: Mr. and Mrs. W. D. Lewis, Mrs. Goldie Wilson, and Mrs. M. L. Sasser of Wellington; and E. S. Wilson of Armona, Calif.

Mail Explosion Seen in U. S.

The U.S. Post Office is in the middle of a mail explosion. Six billion more pieces of mail will be delivered this year than were delivered only 3 years ago. That's enough mail to reach around the equator 25 times.

Motorized equipment has helped to keep postal employment relatively stable. As the mail explosion continues, the total number of postal employees is expected to rise very slowly in comparison with the soaring volume figures.

SALT FORK SOIL CONSERVATION DISTRICT NEWS

By Max Manly

TERRACES

Terrace are recommended by the Salt Fork Soil Conservation District, assisted by the Soil Conservation Service, as being the most efficient means of controlling erosion on farmland while providing a rapid return on investment to the landowner.

Terraces are one of the oldest conservation practices and while minor changes have been made from time to time the idea is still the same.

Both town people and city dwellers recognize a terrace system when they see one. However both should realize the importance of them.

Speaking generally, terrace systems protecting the water sheds of municipal water storage will materially reduce sedimentation rates thereby preserving the usefulness of storage and lengthening the life of these structures. This applies as well to reservoirs for irrigation water. Reservoirs, whether for irrigation or municipal use, also provide recreation for both urban and rural people.

From a conservation point of view, people usually become aware of the need for terraces where the land is steep. This is good. However, terraces are a good investment on the flatter land also. In fact, terraces will pay for themselves quicker on flat land than on steep land.

Experimental work done at the Spur Experiment Station has disclosed that terraces on clay loam soils on slopes of less than one foot per 100 feet have returned as much as \$16 per acre above what was returned from the adjoining land farmed up and down slope.

Both plots are being farmed in cotton and treated the same except for terraces and contour farming. This coupled with the fact that flatter land can

Oats Valuable for Winter Grazing

More than a million acres of oats are planted each year in Texas for winter and spring grazing for beef cattle. In a 7-year research test at Texas A&M University's livestock and forage research center at Mc-

Gregor, steers gained 1.7 pounds per day during the winter grazing period, Nov. 15 to March 1, and 2.4 pounds daily during the spring period, from March 1 to June 7. For the entire grazing period, with no supplemental feed, the average daily gain was 2.1 pounds.

Deck's DIDACTICS

—By Deskins Wells

Next Tuesday is the day the voters go to the polls to cast their ballots on ten separate amendments. If you want to read them again your last week's copy of The Leader contains all ten amendments listed in the order they will confront you on November 2.

People continue to talk about the serene, golden beauty of these October days which is the most felicitous season in the major part of the United States including Alaska and Hawaii. They are days that provide a profound spiritual and sensual pleasure that make you think of Keats when he said: "A thing of beauty is a joy forever." What do you say of an entire month of breathtaking beauty?

Rev. Ellis Todd added a new note to the peacans of praise when he described the view from his window on the morning of October 20 which was the time of the first noticeable frost. He awoke to see the lawn of the First Methodist Church white and shimmering in the first rays of the rising sun while the red red cannas stood out above the whiteness against the background of the church and its evergreens. This good and courageous man was impressed and excited over the beautiful scene that confronted his eyes as if a door had been opened on a vista of fairland or perhaps eternity. "A thing of beauty is a joy forever."

Preacher Todd might be interested to know that I designed the landscaping on the lawn of the Methodist Church some twenty years ago. For about two or three years the late W. N. McCarver and I kept up the lawn with the exception of paying for the water bill. Since then the lawn has been kept by the Methodist Ladies; but even to this good day the cannas you see growing on the church lawn are descendants of those that came from my yard.

Mrs. Rube Crawley has more and more demands for her recipe for Uncooked Chow-Chow. Here it is published for your convenience:

Uncooked Chow-Chow
3 pts. white vinegar
4 cups sugar (or 5 cups) dry mustard
1 t. celery seed or celery salt
2 t. tumeric powder
4 lemons
1 t. cloves
Mix above ingredients and bring to boil. Set aside and cool.
Grind following:
1 gal. green tomatoes
2 small heads of cabbage
8 medium onions
6 sweet peppers—hot to taste
Pour ½ cup salt over ground mixture—let stand 1 hour.
Drain well, add to cool vinegar mixture, seal in jars.
—Alma Crawley's recipe.

Next Friday brings the moment of truth in the football contest in this district. At that time Wellington will meet White Deer in a game that will decide the district championship in all probability. The Bucks are considered slight favorites by some of the daily sports writers; but that does not mean that the Rockets can't take them. We have a much better balanced team than we had at this time last year.

Everett Bell showed me through the new plant of the Farmers Co-op Gin last Monday. It is nearing completion and this would be a good time for people who are allergic to dust or who suffer from sinus trouble to visit this tremendous processing plant before it starts running. It is the largest single unit, four-story gin, in the world. It has more gadgets and push buttons than a jet plane. You need to see what we have on the edge of town.

Visited with Mr. Mickey Kendrick the other morning and he was wearing an expensive looking sport coat with trousers and hat to match. I looked him over from several different angles without saying a word and after two or three minutes of inspection, I observed: "Good Godfrey, you sure look dressed up for a working day morning." "Tiz nothing, my friend," said the cheerful Mickey. "You should see me in my black suit. I wear it only half a day on Sunday." I had forgotten that he won an Oldsmobile contest and instead of taking an elaborate trip elected to take the equivalent in clothing.

My neighbor, Mrs. J. L. Burt,

WHS Band Wins Top Rating in UIL Marching Contest Tuesday

The Wellington high school marching band won a first division rating in the Interscholastic League marching contest held at Canyon Tuesday, Oct. 26—"the best conceivable performance by a group in its classification."

This is the second year the band has received a first division rating, but the first that the three judges have been unanimous in giving it, said Band Director James Larson.

Trick-Treat for Crop to Be Monday Night

The Wellington Ministerial Alliance is sponsoring its annual Trick or Treat for CROP to aid needy children of the world.

The date this year is Monday night, Nov. 1, announced the Rev. Verrell Leeper, Alliance spokesman.

Boys and girls of all churches that are members of the Alliance will participate. The group will gather at First Methodist Church at 7 p.m. and streets will be assigned, and the town will be worked street by street. Those with cars, or parents who will drive the youngsters, are asked to come.

After completed solicitation in their streets, the boys and girls will return to the church for refreshments.

"We are calling on the people of Wellington to realize that this is a benevolent cause and the need is great. Trick or Treat for CROP helps needy families, especially children, and primarily in war-torn areas of the world," said the Rev. Mr. Leeper.

Rites Held for John Essary

Funeral services for John H. Essary, 68, of 307 North Mirror, Amarillo, were conducted at Glen Davis Memorial Methodist Church at Dozier Sunday, Oct. 24 at 2:30 p.m., with the Rev. C. R. Hankins, pastor, officiating.

Mr. Essary died in an Amarillo hospital Thursday night, Oct. 21, after an illness of six months. He lived at Dozier before moving to Amarillo 20 years ago.

Pallbearers were Cortez Barnett, Worth Shields, Pat Bradley, Jim Clark, O. D. Offutt and W. R. Breeding. Burial was in the Shamrock Cemetery under the direction of Clay Funeral Home.

Mr. Essary was born Nov. 12, 1896, in Medina County. He was married to Miss Ruby Nixon on March 31, 1929 at Dozier.

Survivors are his wife; five sons and three daughters, Ben F. Essary, J. C. Essary, B. F. Essary, Johnnie Essary, Marvin Ray Essary, Mrs. Rosalie White and Mrs. Margie Brooks, all of Amarillo, and Mrs. Lucille Dudley of Cortez, Colo.

Other survivors are three sisters and a brother, Mrs. Louiza Drake of Fort Smith, Ark.; Mrs. Sarah Everetts of Fort Worth; Mrs. Jewell Horn and Bill Essary of Rock Island, Okla.

There are 19 grandchildren and three great grandchildren.

Show Steers

also entered in the 875 to 950 pound class. They are the children of Mr. and Mrs. J. C. Hartman, Jr. Mitzie exhibited her brother's steer, as he had only recently entered the armed forces.

Keith Davis received a red ribbon on his Hereford steer entered in Class 19, which was 950 to 1050 pounds, and his brother, Mike Davis, won a red ribbon on a Hereford steer in the 875-950 pound class. They are the sons of Mr. and Mrs. Neil Davis.

County Agent Sammy Helmers said calves receiving blue ribbons sold for 35¢ a pound, and red ribbon steers from 25.25 to 25.50 cents. In addition, the State Fair supplemented the price received by the red ribbon calves.

Prize money was \$18 for blue ribbons and \$12 for red, so all boys and girls exhibiting in these two ribbon groups received over \$300 for their calves, Helmers said.

saw me standing in the yard and called across the street to say: "You look so pretty in that blue suit in front of those yellow chrysanthemums that you should have a colored picture made." I related the conversation to my ever-loving wife and she got out the camera loaded with colored film and took a picture of Henry.

Sandra Carter, the only Wellington twirler to enter competition, received a second division rating.

Five first divisions were given in Class A, which has the largest number of entries and where the competition is keenest. Other schools receiving this were McLean, Memphis, Stratford and Panhandle.

Thirty-seven bands from over the Panhandle competed in the contests, and only 12 first divisions were given. There were none in Class B; five in junior high; and two in AA, Phillips and Spearman.

The band was playing as good as it ever played, but it has given more perfect marching performances on its home field, Mr. Larson said.

The judges were generous in their praise.

C. T. Gilligan, Kermit band director, noted that the "band plays well, marches well, has nice stride, very nice contest routine done with lots of drive. The band shows a lot of spirit, good performance, although alignment is ragged at times in spots."

Charles Wiley, Lamar Tech College, Beaumont: "Nice pointed toes, knee lift good, tempo excellent and steady, sounds like everyone is playing, very carefully planned drill; generally well executed flanking movements good, to the rears good and snappy."

Quail Juniors Sponsor Talent Show Oct. 28

The Quail junior class will sponsor a talent show Thursday, Oct. 28, starting at 7 p.m.

Talent numbers from the Quail community and from all surrounding towns will be on hand to perform, and the numbers will include music, bands, choruses and readings.

There will be a small admission charge. Proceeds will go toward financing junior projects this year.

The public is invited.

Voters

and other state officials.

No. 5 would clarify the investment authority for the board of trustees for the Teacher Retirement System.

Amendment No. 6 would authorize the issuance of bonds for the Texas Opportunity Plan Fund to aid needy students attending colleges and universities.

Amendment No. 7 would exempt certain hospitals caring for the indigent from paying ad valorem taxes.

No. 8 proposes automatic retirement of district and appellate judges for old age and also proposes a state judicial qualifications commission, and provides for removal of judges for misconduct and their retirement in case of disability.

The ninth amendment would enable the legislature to set the salaries of the lieutenant governor and speaker of the house, and increase the salaries of the legislators.

The final or tenth amendment would provide four-year terms for members of the House of Representatives.

L. A. Gilmore

teacher of a Sunday School class.

Mr. Gilmore served Wellington's community life in many ways, efficiently and with capability, but always in a quiet manner.

Nearly 20 years ago he became interested in conserving the land in Collingsworth county and worked closely with the Salt Fork Soil Conservation District. In the mid-1950's he was named Area I winner of Fort Worth Press Save the Soil and Save Texas awards, an honor given to those who do outstanding work in the field of conservation in Texas.

Mr. Gilmore is survived by his wife and two sons, Glenn Gilmore and Michael Gilmore of Wellington. Three brothers and four sisters also survive: Mrs. Robert Posey of Wellington; Mrs. Annis Reedy; Mrs. R. E. Gilmore of Washington, D.C.; John Gilmore of Hopkinsville, Ky.; Mrs. Marjorie Jenkins of Plant City, Fla.; and Mrs. Elaine Beaumont of Sarasota, Fla.

Mr. and Mrs. M. A. Atwood of Santa Cruz, Calif., and their daughter, Miss Penny Atwood of Anchorage, Alaska, visited recently in the homes of his sister and niece, Mrs. Mary Shipley and Mr. and Mrs. Ed White.

On the other side he noted, "a few individual mistakes, precision lacking on last four bars."

W. A. Anderson, Midland high school band director: "Good stride, drill out of diamond very effective and flashy, well trained, overall general effect very outstanding."

The band was rated above average on suitability of cadence, playing uniformity, special marching maneuver, and general effect.

Missionary to Philippines Will Speak Tuesday

A former Wellington couple who are missionaries in the Philippine Islands will be guests at the Fundamental Baptist Church, 9th and Floydada Streets, on Tuesday, Nov. 2 at 7 p.m.

They are the Rev. and Mrs. Fred Null and their teen-age daughter, Elizabeth.

Rev. Null will preach and show slides of their work, said the Rev. J. E. Young, pastor. The family returned to the States for Mrs. Null to undergo surgery in Oklahoma City. They are now en route back to the Philippines and are visiting his mother, Mrs. A. F. Null, and other relatives here.

They have lived in the Philippines approximately 10 years, and the headquarters for their work is in Manila.

The public is invited to the Tuesday night service, said Rev. Young.

L. W. McClure

five sons and one daughter, Mrs. Rudolph Miller of Wichita Falls; Gene McClure and Dick McClure of Tulare, Calif.; Orville McClure and Roy McClure of Whiteface; and Billy McClure of Perryton.

One brother and one sister also survive, Mrs. Margie Fields of Newport, Ark., and Elmer McClure of Newark, Ark. There are 11 grandchildren and 11 great grandchildren.

Fabric-Hobby Shop Observes 4th Anniversary

The Fabric and Hobby Shop, Wellington's complete fabric store, is celebrating its fourth anniversary this week.

Under the owners, Mrs. John Ingram and Mrs. J. J. Owens, this has been the town's fastest growing store of the women's merchandising category, and this growth remains unabated.

While it enjoys strong support within the Wellington trade area, one of the remarkable features is the number of customers it draws from other towns of the Panhandle and southwest Oklahoma area.

Assisting the two owners are Mrs. George Patterson and Mrs. Horace Holliman, with Mrs. Verrell Leeper assisting part-time.

Mrs. Wilkerson

est, Jr., pastor of First Baptist Church, officiating.

Burial was in the family plot in West Wellington Cemetery under the direction of Kelso Funeral Home.

Pallbearers were Jake Lawrence, Howard Gattis, Alvin Horton, Palo Cummings, Esdel Bartlett, Earl Hunter, George Scott and Elzie White.

Mrs. Wilkerson is survived by one sister, Mrs. Bob Glenn of Wellington. Other survivors are four nieces and three nephews: Mrs. J. R. Hare of Rodman, Panama Canal Zone; Mrs. C. L. Kinney of Wichita Falls; Mrs. R. B. Smith of Lawton, Okla.; Mrs. Bill Shivers and Frank Harpole of Macon, Miss.; Dr. H. J. Harpole of Atlanta, Ga., and Bill Harpole of Starkville, Miss.

Burglars

Bureau of Investigation handled the investigation for the federal government.

Other officers joining in the investigation were Highway Patrolman Bobby Chaffin of Childress, Sheriff Elmer Neal of Memphis, Deputy Don Hamm of Childress, and E. A. Nelson of the Highway Patrol.

The time of the burglary has not been determined. As far as officers could learn in the investigation Tuesday, nothing was seen by Dodson residents Monday to arouse suspicion.

Juniors Plan Smorgasboard

The junior class of Wellington high school is sponsoring a smorgasbord dinner Saturday, Oct. 30 in the school cafeteria. The serving hours will be from 11 a.m. to 1 p.m.

All types of food will be served and a ticket entitles the holder to as much as is wanted.

The juniors also announced they will deliver dinners to homes.

Proceeds from the dinner will go into the junior class banquet fund.

Tickets will be on sale by all members of the junior class.

One nautical mile measures 6,080.2 feet.

There are 70 different varieties of bananas.

at Clarendon, and later that same year the couple and their family moved to Wellington.

Mr. Baldwin had been a member of the Baptist Church since he was 14.

Survivors are his wife; two sons and three daughters, Ben Baldwin of Lubbock; Joe Baldwin of Wichita Falls; Mrs. Gladys Meek of Pampa; Mrs. Julia VanBebber of Dumas and Mrs. Mildred Butler of Clemson, S.C.

A brother and sister also survive, Charles Baldwin of Lamesa and Mrs. Emma Thornton of Waxahachie. There are six grandchildren and two great grandchildren.

Rockets

—from page one

"The boy we haven't mentioned offensively or defensively was moved from the line to the backfield this year and has done a terrific job — is 180-pound Gary Smith. They are primarily a strong running ball club and they throw real well but haven't had to yet. Their defense is a defense with no visible weaknesses. Their offense has been held very few times. They have punted only about six times this year," said the Wellington coach.

The Rockets are full strength for this game with the possible exception of Larry Pippins, who tripped and hurt himself while going out to practice one day; and Mike Gilmore, whose father died Monday.
