Coaches Select All-District Football Stars of 14-A at Talco Meet Friday

Talco's school Supt. S. O. Lovin, Prin. W. T. Hughes, Coaches Guy McGill and W. E. Hoffman were hosts at the annual football banquet for school officials and coaches of football district 14-A Friday evening in the Talco school cafeteria.

Superintendents and principals met to clear the way for the 1953-54 athletic program while the coaches met to select all district opponents on both offense and defense in the closing 1952 football season.

Talco landed nine spots on the two groups, with five boys landing berths on the mythical defensive club and four spots on the offensive club. Talco had three boys who did a repeat performance this year.

Jack Smith was again selected as an all district defensive half-back, the same honor he received last year.

J. M. Fussell who was an all district end on both offense and defense last year, again received the same honors.

Jerry Worden who was all district defensive guard last year was selected as all district offensive guard this year.

Billy Ramey was selected as a defensive guard and Gene Worthington received the nod as all district defensive tackle.

Three backs from Talco were selected on the mythical offensive club. Freddie Rodgers, Bobby Martin and Elton Belcher. Rodgers scored 41 points, Martin scored 25 points and Elton Belcher, a junior, scored 81 points in the past season. Martin and Rodgers are seniors.

All District Defensive Team as selected by the coaches of District 14-A:

Ends—J. M. Fussell, Talco; Henderson, Jefferson.

Tackles — Gene Worthington, Talco; Tettler, James Bowie.

Guards—Billy Ramey, Talco; L. L. Linder.

Linebackers — Harrell, Jefferson; Nichols, Hughes Springs.

Defensive half — Jack Smith, Talco; Wilson, Jefferson.

Safety men—Woods, Daingerfield; Hargett, Linder.

Woods and Hargett received the same number of votes and were both given a berth on the defensive team.

All District Offensive Team as selected by the Coaches of District 14-A:

Ends—J. M. Fussell, Talco; Moore, Jefferson; Lee, Daingerfield. Three were placed on of-

fensive team by a tie vote.

Tackles — Allbright, Linder; McClain, Daingerfield.

Guards—Jerry Worden, Talco; Allen, Jefferson.

Center—Simmon, Qleen City.

Backs—Bobby Martin, Talco; Banks, Jefferson; Freddie Rodgers, Talco; Elton Belcher, Talco.

A large number of good boys were up for honors and some only needed one vote in making the grade. Honorable mention was accorded all of the boys:

Backs — Vaughan of Bogata, Capps of James Bowie, Duck of Hughes Springs, Odom of Queen City, Johnson of Linder, Oliver of James Bowie, Pyland of Hughes Springs, Walker and Woods of Daingerfield, Lilley of Talco, Brown of Hughes Springs. All of these boys were backfield men.

For end slots a number of good boys were up and received honorable mention: Earl Hawkins of Talco, Knight of Linder, Whitley of Queen City, Vaughan of Bogata, Henderson of Jefferson, Tigert of Daingerfield, Daniels of James Bowie and Swinford of Linder.

For tackle positions: Ballman of Jefferson, Worden and Worthington of Talco.

For guards and honorable mention: James Stewart of Talco, Cox of James Bowie, Wallace of Hughes Springs, H. Griffin of Queen City, L. Griffin of Daingerfield, Duck of Hughes Springs, Lilley of Talco and Allen of Jefferson.

Center: George Leake of Talco and Powell of Linder.

Line backers for honorable mention were Freddie Rodgers of Talco, Anderson of Linder, Oliver of James Bowie, Lee of Hughes Springs, L. Pugh of Queen City, Elton Belcher of Talco.

Attending the meeting were the Talco school board, C. M. Williamson and Marshall Abernathy of Hughes Springs, Supt. Smith, Joe Parsons, Jack Frances, Prin. Thomas of Jefferson, Frank Branson and W. S. Cody of Bogata, Boone of Linder, Bobby Locke of Queen City and M. McDaniel of Daingerfield.

Talco Girl Cagers Win at Avery

Talco girls "B" basketball team played Avery here Dec. 1 with Talco girls winning 19 to 16. The members of this team are Doris Cogburn, Shirley Lewis, Lillian Pennington, Barnell Stevens, Sue Brown, Dorothy Bowden, Wanda McGee, Dorothy Hall, Peggy Holland and Barbara Graf.

The same night the "A" team played Avery and won the game 24-20. Members of this team are Vera Bennett, Faye Black, Mavis Dyke, Patsy Price, Nella Easterling, Sally Taylor, Sue Brown and Barnell Stevens.

Dec. 5, Talco clashed with James Bowie in the second night of the Avery tournament and lost 21 to 37. Talco won over Spring Hill 26 to 16 on Thursday night and over Annona 37 to 24 on Saturday night, thereby winning third place trophy.

Pretty Spring Like Weather in This Area

The unusually warm weather the past week seemed like spring of the year in this section. Temperatures were lower Wednesday morning as a cool wave moved in. Skies were clear and the bright sunshine brought the mercury up in the mid 50's by noon.

Several more days of sunshine and farmers will be in fields preparing land for next year's crops. Little cotton remains in fields to be gathered.

The warm weather is good on cover crops, which were planted before the rains the past few weeks, and pastures. Winter grass is putting out and it will cut down on feed bills for ranchers.

Mrs. T. L. Leake Buried Tuesday

Funeral services were held Tuesday at 10 a. m. at First Methodist Church in Talco for Mrs. Thomas L. Leake, 92, who died Sunday at 7:10 p. m. at her home in Talco. The body lay in state in the church from 9 to 10 a. m.

The Rev. John Dvorak, pastor, and the Rev. P. G. Hightower conducted the services. Interment was made in Mt. Vernon Cemetery.

Survivors include one daughter, Mrs. Addie L. Truett, McKinney; four grandchildren, Mrs. Ward Worthy, Dr. Harvey Truett, Luther Truett and Mrs. W. H. Ward, all of McKinney, seven great-grandchildren, and two great-great-grandchildren.

Mrs. Leake, the former Miss Nancy Annie Wims, was born Jan. 22, 1860, in Titus County, daughter of the late Mr. and Mrs. James W. Wims. She was married in 1878 to John Lee Grimmette, who died in 1890. She later married Mr. Leake, who died in 1944.

Mr. and Mrs. Gus Wims of Bogata, Mr. and Mrs. George Wims of Mt. Vernon, Mrs. Charlie Nichols of Ft. Worth, Elmer Cato of Carrollton and Dick Rodgers of Sunray, were among the out-of-town relatives who attended the funeral of Mrs. N. A. Leake on Tuesday.

Sandlin Motors Gets Award for Safety Efforts

Presentation of a Highway Safety award for contributing to traffic safety has been made to Bob Sandlin Motors, Mt. Pleasant, by the Texas Automotive Dealers Association, the state organization of new car dealers.

The award is in recognition of the local dealer's lending an automobile for high school driver training during the 1951-2 school year to Talco High School.

C. B. Smith, Austin, State Safety Chairman for the dealer association, described this contribution to safe driving by the local dealer as a significant service to the community, the state and the nation.

The safety award is signed jointly by officers of the Automotive Industry National Safety Committee, and State and National new car dealer associations.

In Texas alone last school year, more than 250 members of the authorized dealers association loaned cars to schools in their community where "behind the wheel" instruction is given in high school training.

It was estimated by E. A. Kinsey, Beaumont, president of the state association, that this represents an investment of more than \$500,000 which Texas new car dealers have in a "revolving" fund devoted to safety education.

Robert Giddens will begin a class in driver education at mid-term for Talco High School students, with a car furnished by Bob Sandlin Motors.

Talco Cagers Beat Pittsburg 37-28

Coach Bill Hoffman's Talco Trojans opened the basketball season Monday night by downing the Pittsburg Pirates 37 to 28. Led by Billy Ramey and J. M. Fussell with 12 points each, the Trojans took the lead early in the game and never relinquished it.

Talco "B" team won over Pittsburg "B" team 43 to 24. Leroy Matthews led the victors with 13 points.

The "A" team is composed of the following: J. M. Fussell, Billy Ramey, Bobby Martin, Freddie Rodgers and Gilbert Burks.

The Trojans will journey to Commerce Friday night and then return Tuesday to open conference play with Daingerfield.

Three games will be played Tuesday with the first at 6 o'clock. A girls' game followed with the boys "B" game last.

Following the Tuesday night game with Daingerfield, the Trojans will journey to Queen City to take on one of the strongest teams in the district. This game will complete the schedule until after Christmas.

Santa Claus Parade Saturday Most Successful Affair; Many Entries

Legion Will Hold Roy Bean Court For the Needy

A very good time was had by Legion members who attended the American Legion supper at Alps Cafe, on Monday, Dec. 1, where they were served barbecued chicken, shrimp salad, shrimp cocktail and dessert.

The meeting was attended by twenty members and three guests. Plans were made for our yearly Judge Roy Bean Court, for our Christmas boxes for the needy families.

Appointments were made, for those to serve in front of the bank on Saturday, Dec. 20. The following men will be roping and jailing all who are caught in town, without written permission from Judge Roy Bean himself: Jerry Jones and Truman Wright from 7 a. m. until 10 a. m.; Rip Hargrove and Mac McAfee 10 a. m. to 1 p. m.; Odie Gibson and Bobby Cox, 1 p. m. to 4 p. m.; Ruddy Warnell and Jimmy Haynes, 4 p. m. till they can't get any more money.

"We hope everybody will respond to this charity cause as they have always happily and cheerfully done in the past," Jim Bagby stated.

Mr. and Mrs. Denver Brewer and two-weeks-old son, Arthur Lawrence, left Friday of last week for their home in Marshall. Mrs. Brewer had been with her parents, Mr. and Mrs. Dave Neely for several weeks.

The Santa Claus parade Saturday was successful from every standpoint. Perfect weather, a large crowd, excellent parade and Santa Claus and his helpers with plenty of candy.

The parade formed at the west end of Lillienstern street, entered First street, marched up Broad to 6th down the Highway 71 to the Methodist church, then back to the fire truck, bicycles, horses, several Humble trucks, business floats, Fine Arts float and Mrs. L. G. Adams driving the truck bearing the signs "Silent Night" and "Peace on Earth" in which three ladies were bound and gagged.

Buck Stansell won first prize on business float.

Sam Mayfield had charge of horses and had twenty-five entries. Mickey Via and Bobby Adams won first prize on horses. Judy and Horace Shirey won first place for bicycle and riders.

Talco Lions Club sponsored the Christmas parade this year, and the committee having it in charge did a fine job.

TALCO

**Talco Activities
Ten Years Ago**

Week of December 11, 1942

Talco had held Roy Bean court by putting every one who had come to town by way of the square in jail. A fine had to be paid in order to be released, the money going for the very worthy cause of Santa Claus for underprivileged children.

Over 100 men had been due for induction in the armed forces in Titus County.

C. P. Lee had been killed in an automobile accident at Camp Kohler, Calif., and burial had been made in the cemetery near Green Hill, with a short military service at the Presbyterian church by L. L. Gieger, Church of Christ minister.

WPA had been ordered out of existence. It had been organized seven years before and had developed into a sizeable political machine, which resulted in enactment of the Hatch Pure Politics Act.

Miss Johnnie Maye Vaughan and Grady Richeson had been married in Hugo, Ok.

Mr. and Mrs. Bob McClung had entertained the PJC Dragons with a duck dinner in the college recreation room.

The War Department had announced that soldiers could increase their pay to dependents.

**In and Out Club
Christmas Party**

Mrs. R. R. Rothwell was hostess to the "In and Out" Club Thursday. The home was beautifully decorated, the Christmas motif being carried out. On the dining table was a miniature Christmas tree, where gifts were placed as each guest arrived. A short business session was conducted by the president, Mrs. Ovella Martin. Each little child present exchanged gifts.

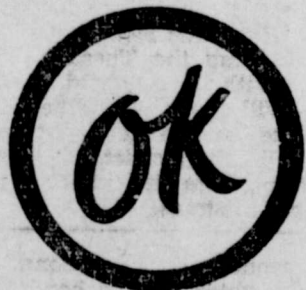

Mrs. R. F. Parker conducted several games. Mrs. Nita Seabaugh and Mrs. Pearl Hall won the game prizes.

Refreshments of fruit cake and coffee, with tiny candy canes as favors, were served to Mmes. A. Dyson, Ola Robertson, Elizabeth Hanks, Joyce Orr, Melvina Winchell, Helen Pendleton, Odell Morrison, Nita Seabaugh, Virginia Seabaugh, Annie Laughlin, Virginia Elkins, Ovella Martin, Ruby Mitchell, R. F. Parker, Pearl Hall and the hostess, Pearl Rothwell, and Johnny Rhoades.

BAPTIST LADIES MEET

First Baptist W.M.U. met Tuesday with fifteen ladies and four children present. The devotional was brought by Mrs. Elsie Kelley. Everyone answered roll call with a scripture verse. The study of Revelation was continued with Mrs. Henry as teacher. All ladies were urged to attend next week for the December program.

SCHOOL TALK

By PEGGY CORNELIUS

This week THS elected school favorites. Named were: Most beautiful—Sally Taylor; most handsome—Jack Smith; Miss THS—Jean Russell; Mr. THS—Bobby Martin; best all round girls and boy—Mavis Dyke and J. M. Fussell. Congratulations, all of you deserve the honors.

Basketball season has started and both teams are looking forward to many victories this year. If THS basketball games turn out as good as the football games, then Talco fans have nothing to worry about.

Monday morning everyone was back in school ready to start to work and also very happy about the Thanksgiving holidays. Everyone is willing to work hard because Christmas holidays will be coming up real soon and everyone in school wants to catch up on his lessons.

The THS band went to Mt. Pleasant Thursday night to take part in the big Christmas parade. There were many other high school bands present and after the parade each band was served refreshments in the high school cafeteria. After band members finished eating, they left for home. Every member of the band had a very nice time and enjoyed helping Mt. Pleasant make their parade a success.

Saturday was the big day for all Talco. Saturday evening Santa Claus came to Talco. The THS band led the parade, followed by Santa Claus and many other floats. After the parade everyone enjoyed looking at the beautiful colored show windows in each store.

Everyone in THS is glad to see that Lavon Harper is back home to stay. Lavon moved away last summer and didn't start to school this year at THS. Welcome home, Lavon.

**Campbell-Cannon
Rites Friday**

Felix Ward of Bogata, Miss Willie Grant of Mt. Pleasant, Miss June Damron of Bogata, Mr. and Mrs. A. C. Jones, Andrew and Jimmie of Humble Lake, attended the wedding of Mrs. Jones' niece, Miss Jean Campbell, and Floyd Cannon, both of New Boston. The wedding was solemnized at Red Bayou Methodist Church, Friday evening at 7:00. It was a candlelight, double ring ceremony, performed by Rev. Wayne Cannon, brother of the groom.

Avoid Holi-Daze Is Warning Texas Highway Patrol

"Avoid holi-daze and enjoy the holidays!"

This was the advice given Texas motorists and pedestrians today by Captain Guy Smith, Commanding Texas Highway Patrol District No. 12. Captain Smith characterized holi-daze as a mixture that constitutes an intangible holiday hazard.

"Holi-daze," he said, "is made up of last-minute shopping, office parties, home celebrations, distracting holiday sights and sounds, crowded streets and highways, hurrying pedestrians and motorists."

"No one of these items by itself can be called a holiday hazard," he said, "but put them all together and they result in heedlessness that makes both motorists and pedestrians more careless than usual."

"Worst of all," he said, "holi-daze operates when our traffic is at its peak."

"Pavements are wet, icy and slippery, rain or ice collects on windshields, pedestrians frequently are blinded by umbrellas and armfuls of packages, and darkness falls earlier than usual."

"That's a combination that usually makes the traffic death toll higher in December for Texas than in any other month," he said.

The Texas Highway Patrol urges motorists and pedestrians to help reduce the traffic toll in Texas this December by observing the customary rules of courtesy and good sense in walking and driving.

"In addition," Captain Smith said, "motorists and pedestrians should remember that holidays can and do result in holi-daze—and that extra walking and driving care, and vigilance are essential to safety at this time of the year."

East Wing of New School Burns

Fire early Friday gutted the east wing of the north unit of Daingerfield's new \$250,000 elementary school building in South Daingerfield.

Estimated loss to the \$80,000 unit is about \$30,000 to \$40,000. Loss to furniture and fixtures was estimated at \$10,000 to \$15,000.

The fire originated either in the heating unit equipment or defective wiring. Fire departments of Hughes Springs, Consolidated Vaultee Air Craft plant and Omaha assisted the Daingerfield department.

Formal Opening of New Texaco Sta. Next Saturday

Announcement is made in this
edition of the formal opening on
Saturday of Sonny Williams' new
Texaco Service Station at corner
of Broad street and Highway 271
in Talco.

Just to acquaint the motoring
public with the new location and
the service he renders, he is of-
fering either a free wash job or a
Marfak job with each five gal-
lons of Texaco gasoline that is
purchased.

Sonny says there will also be
free Texaco Fire Chief hats for
all the kiddies. He invites you
to drive in for service at any
time and especially on his formal
opening date next Saturday.

DOCTOR AGAINST ASPIRIN FOR BABIES

St. Louis.—Caution in giving
aspirin to infants was urged Fri-
day by three pediatrics special-
ists on the heels of a disclosure
that three babies have died in St.
Louis Children's Hospital this
month of salicylate (aspirin) in-
toxication.

Dr. J. Earl Smith, St. Louis
health commissioner, issued a
similar warning. "Parents should
be very careful with infants and
young children," Dr. Smith said.
"They should not use it at all ex-
cept under the supervision of a
physician or clinic."

New 1953 Ford Goes on Display Friday, Dec. 12

The 1953 Ford—marking the 50th anniversary of the Ford Motor Company—will go on display in 6400 Ford dealerships across the country Friday, Dec. 12. The new models will be introduced without any increase in present prices.

Joel Steed Motors of Mt. Pleasant is the Ford dealer in Titus County, and he cordially invites you to see the new Ford on Friday.

A massive new grille with a center spinner characteristic of recent Ford design and a low, road-hugging look, advance the modern Ford styling. And an outstanding improvement in suspension, termed the "miracle ride," heads a list of mechanical improvements.

L. D. Crusoe, vice president of Ford Motor Company and general manager of Ford Division, said: "The 1953 Ford is a worthy successor to all the millions of cars this company has built since the late Henry Ford organized it in June, 1903."

"The swing to Ford this past year is the result of only one thing—the great public appeal of our product. And the 1953 Ford has all the features of the current model plus new beauty, comfort, performance and quality thru-out."

L. W. Smead, general sales manager of Ford Division, said that Ford's "new miracle ride" brings to the high volume field for the first time the smooth riding characteristic of much heavier, costlier cars. It is smoother, softer and permits the car to hug the road at high speeds and low, on rough roads as well as on smooth pavement. It is a ride which must be experienced to be appreciated fully.

The 1953 Fords are available in the following models:

Mainline: Tudor and Fordor sedans, business coupe and two-door Ranchwagon.

Customline: Tudor and Fordor sedans, club coupe and four-door Country Sedan.

Crestline: Victoria, Sunliner convertible and Country Squire four-door station wagon.

Included in the three lines are 12 single-tone and 14 two-tone exterior colors. Interior fabrics and trim are new and color-harmonized interiors blend perfectly with the new body colors on all 1953 Fords. The instrument panel has been redesigned with a satin-chrome finish on the mask surrounding the gauge indicators and chrome yokes around the control knobs.

CARD OF THANKS

We want to humbly thank each of you who so freely gave of your means, clothing, furniture and other contributions to help us make a new home since fire destroyed everything we had. You cannot know how much your generosity is appreciated.

New 1953 Ford Goes on Display Friday, December 12

Smart, sleek lines accentuated by new jet-tube taillights and a new chrome molding through the center of the rear fender line are featured in the 1953 Ford Customline Fordor sedan. Outstanding mechanical feature is a new "miracle ride" which brings to the high volume field for the first time the smooth riding characteristics of heavier, costlier cars.

Book Lovers Club With Mrs. Williams

The Book Lovers Club met Friday in the home of Mrs. H. O. Williams. The meeting was called to order by the vice president, Mrs. Morris. Club prayer was given by Mrs. Haynes. After the business meeting and the distribution of the books the program with Mrs. N. W. Nugent in charge was enjoyed.

Larry Bridges was guest speaker, giving the beautiful poem "The Creation" by James Weldon Johnson, followed by a sketch of the life of Ann Hutchings given by Mrs. Nugent.

In the game contest, Mrs. Hood and Mrs. Haynes were winners of lovely prizes and Mrs. Gieger won the door prize. A delicious plate was served to Mmes. Jones, Nugent, Reed, Morris, Haynes, Blackburn, Davis and the guest, Mr. Bridges. The next meeting will be the Christmas party Friday, Dec. 12, in the home of Mrs. E. W. Smith.

Gregarious animals are those that live in flocks or herds.

EVIDENCE THAT GOD IS

Humanity is so dependent. Jeremiah declared that "it is not in man that walketh to direct his own steps" (Jer. 10:23), and Jesus taught his disciples to pray, "Give us this day our daily bread" (Matt. 6:11). This shows our dependence. What if He drew a veil between us and the sun? What if He ceased to gather the mists from the ocean and form them into clouds? The result would not be long in manifesting itself—physical life would soon cease to exist! But, the infidel says that all this is just according to nature. I maintain that nature is incapable of doing this by itself—that there must be and is a Supreme Creator behind nature guiding it and directing it to our good! Truly did the sweet singer say, "The fool hath said within his heart, there is no God" (Psalm 14:1). This contemptible wretch, with a muddy head and an unclean heart, would have been better off had he never been born!

From where I sit... by Joe Marsh

They'll Do It Every Time

You know where Hammy Jackson lives—on that small dead-end street off Maple Avenue near the library? Well, about a month ago, the town finally put up a sign on the corner there saying: "No thoroughfare... Dead End."

Yesterday Hammy dropped by to see us. "Can't understand it," he says. "Hardly anybody drove down our street before—but, now, since they put that sign up, there's been more cars than ever turning around in my driveway."

From where I sit, these people who bother Hammy on his one-

way street are the same as those who automatically ignore a Wet Paint sign and touch their finger on a freshly painted surface. But you can't change human nature. People like to find out for themselves—and then make their own decisions.

That's why I say "live and let live." You can drink your butter-milk, but let me have my glass of beer when I choose. And let's not feel we're obliged to "point the way" for the other fellow.

Alcorn Amazed to Learn Modern New White House Still Plagued With Mice

Editor's note: Achin Alcorn, philosopher on his Johnson grass farm on Sulphur, is off on another one of his odd side trips, his letter this week reveals.

Dear Editor: The other day I was readin about a trip Mrs. Eisenhower took to the White House, to sort of look the place over and get some idea of what her new home is gonna be like, and after she'd inspected the place, looked at all the new decorations, modern conveniences, brand new kitchen, air conditioning, etc., which cost six million dollars and took two years to complete, the group was goin down a long hallway and noticed a rat scurryin along, and the reporter pointed out in his article that the White House like other houses was bothered occasionally with mice.

You mean to tell me with six million dollars to spend on a house modern science still ain't able to build it rat-proof? We sure could have saved some money. My house out here ain't rat-proof, but it sure didn't cost six million.

It looks like this country's scientists are good at takin a couple of billion dollars and comin up with a bomb which is pretty good at eliminatin people, but there ain't one of em capable of out-smartin mice. We may be

able to build an airplane that'll fly 1,000 miles an hour, but when you get where you're goin at that speed it's just as likely the mosquitoes will be as bad as they were at the place you took off from. There are some people who say bein able to sit at home here in Texas and not only hear but see the President of the United States bein inaugurated in Washington is so fantastic it's almost unbelievable, but it ain't near as fantastic to me as the fact the President after he gets inaugurated on television then moves into a six-million-dollar house with mice. Television is a wonderful thing, but swattin at a fly buzzin around your head while you're lookin at television ain't a whole lot of improvement over swattin at one while you're lookin at crude drawings on the wall of a cave.

I don't care how far out in space scientists go or how powerful a bomb they perfect, somebody has slipped a cog when we still got as many mice, flies and mosquitoes per person as we had back in the days when the side with the most broad axon won the war. Yours faithfully, A. A.

By MRS. G. A. VAUGHAN
Mrs. F. B. Whitby of Houston, visited her parents, Mr. and Mrs. W. A. Cotten, Sunday. Her mother accompanied her home Monday for a visit.

Word has been received by relatives that Mrs. Kenneth Sims of Tucumcari, N. M., had undergone a major operation in a hospital there, since visiting her in November. Reports are she is recovering nicely.

Mrs. Kate Pirtle has received word that her son, James, who is now in Korea, would start for home Dec. 9.

Mr. and Mrs. Leon Huddleston of Bogata, visited Mr. and Mrs. Bill Bain recently.

Miss Mary Dryden visited her cousin, Eleanor Vaughan at Bogata over the week end.

Mr. and Mrs. Jim Pirtle have a new two room dwelling under construction on a lot adjoining their home. Mr. and Mrs. D. C. Thomas will occupy it when completed.

The entire community has been putting forth every effort to boost the building fund for the Baptist church. The work was started Tuesday to tear down the old building and build one of the same size on the original site.

The infant son of Mr. and Mrs. Burl Duffie is reported ill.

Bill Pirtle and son, Michael of Bogata, visited friends here Tuesday.

Mr. and Mrs. Frank M. Pew and Mrs. W. J. Hawkins were business visitors in Clarksville Saturday and visited Mrs. H. M. Askins there.

Mrs. Jerry Dodd and children, J. O. Cooper Jr., Mrs. D. C. Thomas, Mrs. W. S. Pirtle, Darrel and Delores Green and Mrs. Dan Cotten and sons, Larry and Danny, attended the Christmas parade at Talco Saturday.

Earl Hawkins Jr. and Charles Dryden were among the guests of honor at a banquet for the Talco football club sponsored by the Lions Club.

Christmas Tree Can Be Made A Fire Hazard

College Station.—The center of attraction in most homes, especially with the children, from now until Christmas will be the family Christmas tree. Most families, says C. W. Simmons, farm forester for the Texas Agriculture Extension Service, fail to realize that this tree is actually a fire hazard. Every effort, he adds, should be made to make the tree safe and eliminate the possibility of a fire starting from it.

He suggests that only trees in good condition be purchased. This means getting a tree that has fresh leaves or needles. If the tree is placed aside for a few days before the decorating job is done, he says it can be kept fresh by making a new cut above the original one and placing it in a container of water. When the tree is moved into the house, it should be left with trunk in water. Danger from fire is lessened when the leaves or needles contain moisture. Water should be added to the container each day and besides the safety angle, there will be less shedding of leaves or needles, says Simmons.

Next he warns against decorating the tree with flammable material. Check the electric light cords that connect the tree light and make repairs if needed. If cotton is used around the base of the tree, use the kind that has been treated for fire retardance. Candles should never be used to light a tree, and adds the specialist, never block exits from the room with the tree.

It is up to each family to make the holiday season a safe one, warns Simmons and those who fail to take into account fire and accident hazards may find their holidays marred by a serious fire or accident.

Van Beats Honey Grove 47 to 6

Van's Vandals administered a 47 to 6 licking to Honey Grove in the bi-district playoff at Greenville Thursday night of last week.

Talco's Trojans who really outplayed Honey Grove when those two teams met, and would have won the game had not a touch-down been cancelled when a charge of clipping was made, would doubtless have played the Vandals a better game.

SUNDAY ENTRANCE

A regular Sunday morning customer knocked on the grocery store door. Her chum, the grocer's daughter, stuck her head out of the window and called:

"Hey, we've all been to camp meetin' and got converted. If you want milk on Sunday after this, you'll have to come around to the back door."

trouble at Paris, battered and bruised, was taken out of the Van game, as was Dyer. These two men just about made up the Warrior backfield. It was then that Van scored at will.

INSPECTORS CAPTURE 7 ILLICIT STILL

The Texas Liquor Control Board inspectors in October reported the seizure of seven illicit stills. With the stills, which had a cubic capacity of 375 gallons, inspectors captured 615 gallons of mash and made three arrests. 16½ gallons of moonshine liquor were destroyed. Two stills were taken in Harrison County, two in Cass and one each in Marion, Red River and Grayson.

YOUNG MEN USING HEARSE FOR HOME

Akron, Ohio.—A hearse makes a fine home, two young men have discovered here. They bought the hearse from a funeral home here and equipped it with sleeping and cooking facilities—also electric lights.

Since that time they have traveled 5,000 miles. They stop occasionally to work and earn money for expenses. They expect to be back in Akron about Christmas time.

Mrs. Norman McAfee and Norman Guy of Ft. Stockton, are here to spend the holidays with her parents, Mr. and Mrs. G. P. Walker and Mr. McAfee's parents, Mr. and Mrs. E. L. McAfee.

Burglars Enter Kelley Store at Talco Friday

Burglars broke into R. R. Kelley's hardware and furniture store at Talco on Friday night of last week and carried off five pump shot guns and a 30-30 Winchester rifle. They also took \$6.31 in change from the cash register. This is all the merchandise Mr. Kelley had missed when interviewed by the reporter.

Entrance was gained by chiseling woodwork from a section of glass in the front door of the building. Officers were called and fingerprints were obtained. They have serial numbers on the firearms and are working on the case.
