

THE SUN DID PEEK THROUGH just long enough for bathers at the Spearman swimming pool to enjoy this afternoon outing. The Spearman pool is open to the public from 1 to 5 p.m. weekdays and 2 to 5 p.m. on Saturdays.

THE HANSFORD REPORT

by JAMES JARRETT

Let me tell you about my Grandpa Louie. Except I should explain that he's not my real grandpa, he's my step-grandpa.

I barely remember my Grandpa Hurt. I was only seven when he died, but I remember a big man with a crown of hair and a bald spot which extended from front to back. And I remember a whole lot of love -- that's what's important.

No fireworks display set for July 4

Soaring insurance premiums and economic pressures are putting a damper on the annual July 4 fireworks display this year, reports both the City of Gruver and the Spearman Chamber of Commerce.

Because of rising insurance premiums, there will be no county-wide fireworks display for the July 4 celebration.

Individuals are cautioned to exercise extreme care in displaying their own fireworks by officials in both Gruver and Spearman.

Following the wheat harvest, dry pastures will result in numerous firework related blazes if precautions are not taken in advance.

The firework display has been a joint effort of the City of Gruver and the Spearman Chamber of Commerce with the two entities trading off responsibilities each year. This was to be the Spearman Chamber's turn.

"Insurance premiums for firework displays, like a lot of other public insurance, has gone out of sight," reports Cora Queener, executive vice-president of the Spearman Chamber.

"Last year we spent \$1,000 for fireworks and another \$500 for insurance," notes Gruver city manager Jim Ratliff. "Then, on top of that, we had to purchase a permit from the state."

City requests residents help with clippings

The City of Spearman is asking residents' help in making sure all grass clippings are placed inside trash containers in the alleys, reports Jim Murray, city manager.

"Grass clippings as with other debris, should be placed inside the receptacles rather than beside them," he notes. "This makes it easier to dispose of and keeps the property around the containers clean as well."

Murray also reminds residents to close the lids on the container to help keep the fly population to a minimum.

To a 7-year old who listens to adults talking, however, opinions are formed. Sometime after my Grandpa Hurt's death, I remember overhearing a conversation concerning my Grandmother and her future. Mentioned in the conversation was the possibility of her remarrying at some point in her life. She was still in her late 30's at the time.

I decided right then that nobody would ever fill my Grandpa Hurt's shoes.

God bless Louie Brown. He brought his own shoes. And he filled them quite admirably.

Louie was probably about as opposite from my Grandpa Hurt as my memory could ascertain. Where Grandpa Hurt was big and burly with a booming voice, Louie was thin and of average height. And, he was a shy man not prone to speak overtly loud.

No, he wasn't my Grandpa Hurt and I could never bring myself to call him simply, "Grandpa". But he did become my Grandpa Louie, and my children's Grandpa Louie.

The most important thing is, he loved my Grandmother. That's what endeared him to my heart.

We buried Grandpa Louie Tuesday afternoon in Dalhart. He's one space down from my Grandpa Hurt. One day, far in the future I hope, my Grandma will rest between them.

Right now I can't help but picture my Grandpa Hurt and my Grandpa Louie meeting and getting to know one another. Somehow, I think they're going to have a grand old time.

This doesn't have a whole lot to do with Grandpa Louie and I trust you'll forgive an editor a few moments to talk about what might seem trivial. But sometimes, a person just has to talk his feelings out . . . or in this case, write them out.

One of the first people I met when I came to Hansford county was Ralph Blodgett. Few people have impressed me as much as he did in that first meeting I had with him.

Many of you know Ralph personally and probably know what I'm talking about. Most, however, probably have little contact with him and know him only as the Mayor or the rich guy with the big house. But then, envy is never a slur.

What struck me in that first meeting was the fact that Ralph Blodgett could be anywhere he wanted to be. Think about that a moment. He could be anywhere he wanted to be.

He's intelligent enough to hold any position with any corporation I can think of. Yet he chooses to remain in Spearman.

And, Spearman and Hansford county both are the better for his choice. Ralph Blodgett has made an impact on this county community. Not because of any self-seeking device. Not to make money, not to further his

450 swimmers from 7 teams to compete . . .

Spearman to host swimming meet

The Spearman Swimming Pool will become a beehive of activity this Saturday when some 450 swimmers representing seven swimming teams converge on this Hansford county town for a 1-day meet.

This is the third of five meets scheduled prior to district level competition and an annual event in Spearman.

Teams entered in the Spearman

Swim Meet include host Spearman, one Oklahoma squad and five Kansas teams.

Guymon will field a team in the Spearman meet while Kansas will have teams from Ulysses, Cimmaron, Meade, Liberal and Scott City on hand.

The meet will begin promptly at 9 a.m. Saturday and will run through the better part of the day.

A concession stand will be available on the park grounds just outside the swimming pool area.

Grandstand bleachers are available for spectators and the public is invited to attend.

Competition in the meet is divided into age and sex brackets ranging from 8-years old and under on up to competition in the 15-18 year old bracket for both boys and girls.

Individual events as well as team relays are also on tap for the 1-day event in Spearman.

Events include freestyle, freestyle relay, backstroke, butterfly, breaststroke, individual medley and medley relay.

Distances are determined by age with the younger swimmers marking shorter distances for their particular races.

As storms continue to plague county . . .

Hansford precip over 12.77

Weather related news continues to grab the headlines as storms have produced what has to be a record moisture total for this early in the year. With almost a week still remaining in the first half of 1987, moisture totals have reached 12.77 inches.

Turbulent storms dumped pea-sized to marble-sized hail over a large swath of Hansford county Wednesday morning as weather-related stories continue to claim headlines in the upper Panhandle area.

Hansford county was under a severe weather alert at press time Wednesday as a hail-producing cloud left city streets and county fields under a blanket of the white ice.

The average precipitation for Hansford county over the past six years is 19.01 inches, reports Burt Williams, Hansford county extension agent.

The heaviest precipitation since 1981 came in 1985 when the county received some 24.46 inches of moisture. The lightest was in 1983 when 14.78 inches was recorded.

Area cities study rate hike request

A steering wheel committee composed of elected officials from Spearman, Higgins, Canadian, Perryton and Booker have hired a gas rate consultant to help with the upcoming rate hike request High Plains Gas, reports Spearman city manager, Jim Murray.

Spearman alderman Burl Buchanan is chairman of the 5-city committee. Higgins Mayor Bill Cornett, Canadian Mayor Teresa Abraham, Perryton alderman David Hale and Booker alderman Lowell Sheets comprise the entire steering committee.

In a meeting earlier this month, the group hired C.H. Guernsey of Oklahoma City to study the rate request being sought by the company which supplies natural gas to the five cities composing the steering panel.

In a 2-page letter with supporting documentation, High Plains Gas has outlined their planned rate hike to the cities involved.

While underlying gas cost is variable based on what the company has to pay, the law allows for the company to make a reasonable pass through of expenses.

Cost of service for the participating cities has been kept to a minimum due to major contracts the Texas gas supplier had with several large users -- namely Phillips Petroleum and Westar.

These two users wound up lessing the load for the five cities. However, High Plains has lost both contracts, resulting in a higher cost of service passthrough for the cities involved.

In their outline, High Plains seeks an increase of almost 216 percent on cost of service.

This would be a raise from the current price of .3849 cents per MCF to a cost of \$1.216 per MCF, a difference of .8311 cents per MCF used by the cities.

The steering committee is expected to meet again in July following High Plains formal request to the Public Utilities Commission in Austin.

Moisture amounts since 1981 show 20.90 inches for that year; 18.89 for 1982; 14.78 for 1983; 17.29 for 1984; 24.46 for 1985 and 18.04 for 1986.

Over the weekend, rain clouds dumped another 1.83 inches over Hansford county, reports George Young, of the official weather reporting station, KDRF-FM in Spearman. This brings the June rainfall total to 3.12 inches, still well behind May's record setting 4.92 inches.

The weekend weather totals -- kept from 7 a.m. to 7 a.m. daily, saw Saturday's total at .72, Sunday's reading at .95 and Monday's total precipitation at .16. There was no moisture falling on Hansford county after that time.

Sunday morning's gusty storm saw some scattered wind damage across the county.

The latest round of showers didn't keep harvesters out of the wheat field for long, however.

By Tuesday morning, crews were back in full operation across the county with reports coming in from all elevators across Hansford.

Test weights continue to remain light, however, with an average test weight around 57. The highest reported to date through spot checks via the telephone is slightly over 60. The lightest report has been in the mid 40's.

"If our weather will hold, the harvest will probably be pretty well wrapped up by the end of the month," reports one grain elevator operator. "Things are starting to move along real quick."

YOU COULD SCOOP up a shovel full of hail from Wednesday's storm which hit Hansford county with high winds and rain in addition to the hail.

County studies tax rate hike

Hansford County commissioners' court will be eyeing a \$102,793 deficit budget for the upcoming 1987-88 fiscal year which begins October 1. Unencumbered funds from this year's budget will help offset the deficit, reports Hansford county auditor, Weldon Green.

The proposed budget includes a 5.263 percent raise for all county employees and elected officials which is designed to offset a 5 percent pay decrease which was passed last year by the county.

The proposed increase brings all wages and salaries paid by the county back up to their 1985-86 levels.

The 1987-88 budget call for \$1,758,643 in expenditures compared against an estimated \$1,655,850 in receipts. The county expects to have some \$286,200 in unexpended funds at the end of the current fiscal year.

Despite the deficit budget, county commissioners are looking at a tax hike which includes an 8 percent total tax increase as well as a cost shift due to devaluation of taxable property within the county.

Taxes levied in 1986-87 were \$1089,936 while the commissioners expect to raise \$1,178,000 in taxes for the upcoming fiscal year -- an increase of \$88,064.

Under the proposed budget, the tax rate would raise from \$.24011 per \$100 of value to a rate of \$.3297 per \$100.

This would raise the taxes on a piece of property valued at \$50,000 from \$120.06 in 1986-87 to \$164.85 for the upcoming year.

A piece of property valued at

\$30,000 would have taxes increased from \$72.03 to \$98.91 under the proposed budget.

The increase comes not only from the increase in taxes levied, but from the devaluation as well.

Hansford county lost over \$24

million in taxable property due to oil and gas devaluation for the upcoming 1987-88 fiscal year. This results in a loss of tax revenue of \$58,972 based on the current \$.24011 rate.

That, coupled with the \$88,064

Spearman wins 22 gold medals

The Spearman Swim Club captured 22 first place wins, 13 second place finishes, 10 third place medals, 10 fourth place ribbons and one fifth place enroute to a team point total of 320 in the Cimarron Swim Meet held this past Saturday in Kansas.

A quintet of Spearman relay teams took medals with the girls 11-12 year old 200 - yard medley relay of Jill Lusby, Jessica Wooley, Leslie Latta and Tracy Tigrett winning gold.

Also taking a first place finish was the girls 9-10 200-yard medley relay team of Kristina Poole, Mandi Lusby, Kelly Shieldknight and Ashly Shieldknight.

Tara Butt, Jana Brock, Macy Shieldknight and Samantha Beasley teamed up for a second place finish in the girls 8 and under 100 - yard medley relay for Spearman.

The boys 9-10 200-yard medley relay team of Phillip Sanders, Martin

Sanders, Coyt Tigrett and Ben Queener swam to a second place finish in that event.

And, in boys 8 and under 100 - yard freestyle relay competition, Michael Lusby, Quentin Shieldknight, Loren Queener and Jordan Brock captured second place.

In individual competition, Carly Shieldknight brought home the heaviest load, winning five first place medals in girls 15-18 year old competition.

The talented Spearman swimming took first in the 100 - yard backstroke, the 100 - yard butterfly, the 100-yard breaststroke, the 200-yard individual medley and the 200-yard freestyle events.

Mac Sheppard captured three first place wins and one second place finish for the Spearman Swim Team.

Among the Neighbors

By Helen Fisher

It is useless to call your neighbor regarding any Social Security information though that item and another was inadvertently included under the heading for this column in the Sunday issue.

Helen Etter returned Saturday from Biloxie, Miss. where she had been a commissioner to the Genral Assembly of the Presbyterian Church for ten days.

She has been selected to represent the Palo Duro Presbytery which covers a large geographical area extending beyond Wichita Falls. This was the 199th General Assembly and was world-wide in scope.

There were 649 commissioners present. In spite of an extremely crowded schedule, with duties beginning at breakfast and ending late, Helen found it fascinating.

Benjamin Weir, former hostage in Lebanon, was the retiring Moderator. One morning at breakfast Helen was seated by, and visited with, Sygman Rhee, former President of South Korea.

He has been associated with the Seminary at Louisville, Ken. There were other world-known dignitaries attending.

Though extremely weary, Helen returned with renewed appreciation of the magnitude of the Presbyterian influence

Tom Etter managed to maintain the household during her absence with Betty and Arnold Richardson of Lubbock lending him a hand.

Of interest to many long-time residents of the county is word of the passing of Merle Mizar, 65, at Crese, Cal. His mother, Mrs. Ada Mizar, called to inform her nephews, Don and Billy DeArmond.

Merle was born in Spearman and finished high school here in 1940. He had retired from the military some years ago.

Marie Weckesser spent two weeks at Glade Spring, Vir. with her brother who recently suffered a stroke. She returned Saturday and, enroute from the airport in Amarillo, she brought her grandchildren home with her for the weekend.

Hadley Reed, his mother, Sharon, Mr. and Mrs. Boyd Rice with Tatum, and Mr. and Mrs. T.C. Harvey, returned Monday from Bozeman, Mon. They had been there a week attending the National Finals of the Intercollegiate Rodeo.

Hadley had qualified from Texas in the bareback and saddle bronc riding. Unfortunately the week before at Mesquite, he had torn the ligaments in his knee, and though making a valiant effort, he failed to place.

A.D. kept abreast of the activity via telephone while he harvested wheat at home.

Mr. and Mrs. Tommie White flew back to Greenville, Texas after spending the weekend with his mother, Mrs. Ailene White.

A worn-out group finished with the Cutting Horse contest in Amarillo Saturday. Mr. and Mrs. Dan Pearson and Mr. and Mrs. Terry Butt commute between the shows and their wheat fields all week.

It was a good meet and the fellowship and associations were thoroughly enjoyed, though no trophies were brought home. Buddy Mur-

rell of Gruver also had horse entered.

Mr. and Mrs. Joe Karl of Ocean Side, Cal. spent one night here in the home of his army buddy, Bart McDonald and family. They also visited with Mrs. Karl's aunt, Ila Mae Buchanan. They were enroute to Grove, Ok.

Sunday Burl and Nellie Buchanan returned after being gone several days. They transacted business in Oklahoma City before going to Sawyer, Ok. to visit her parents who are summering on Lake Hugo. On the return trip they watched part of the Air Show at Oklahoma City.

Greeting and entertaining their first grandchild is Carole and Charles Hall. Mrs. Hall left for Stella, Neb. on May 23 to be sure to be on hand when he arrived.

Tyson David was born June 2, weighing 7 lb. 12 oz. He is the son of Rhonda and Nick Dettmann. Other grandparents are Mr. and Mrs. Leonard Dettmann of Huber, Neb., and great grandfather, David Dettmann of Kansas.

Mis maternal great grandmother is Mrs. Elgin Garrison of Merced, Cal. and great grandfather Margie Hall of Oklahoma City.

When he was two weeks old, he came to Spearman with his mother and grandmother to meet his grandfather. They will remain here a few more days.

Mrs. Lorene McGuire accompanied her son, J.L. and family of Amarillo, to Lubbock last Saturday to attend the wedding of her grandson, Bart Hamilton. The former Jana Castle of Lubbock was the bride and the couple will make their home in Garland.

Others attending from Spearman were Gertrude Archer, Bart's other grandmother, and Freeman Barkley and Virginia Retfrow.

Dahlia Flower Club meets in Curtis home

The Dahlia Flower Club met Monday afternoon in the home of Marjorie Curtis who served in the absence of the president.

The program was presented by Home extension agent, Karen Babitzke and a Hansford 4-H'er, Lynette Williams. Mrs. Babitzke discussed the Hansford 4-H program while Miss Williams made a slide presentation on "Don't Mess With Texas".

Ethel Ellsworth won first place in flower arrangement and Cleo Denman took first in flower specimen.

Attending were Karen Babitzke, Sammie Bishop, Deta Blodgett, Marjorie Curtis, Cleo Denman, Mabel Edwards;

Ethel Ellsworth, Sada Hoskins, Ora Sanders, Jewel Turner, Ruth Mary Whitson and Wanda Smith.

Award winning swimmers

NOTICE TO BIDDERS

Sealed proposal for group term life,
accidental death and dimemberment,
and medical insurance will be received
by the City of Spearman until 2:00
p.m. on August 11, 1987.

Bidders must provide two (2) copies
of their proposals. The envelope or
container in which bids are sent or
hand-delivered should be clearly
marked as "Sealed Life and Health
Insurance Bid".

Bids should conform as closely as
possible to the attached specifications.
Any deviations from the attached
specifications should be enumerated
in a separate page attached to and
made a part of the proposals.

The City of Spearman reserves the
right to reject any or all bids and to
waive any formalities. The City of
Spearman is not required to select the
lowest bid, but shall take into consid-
eration other factors such as ability to
service the contract, past experience,
and financial stability. The City of
Spearman reserves the right to award
the bid to serve the best interests of its
employees, as judged by the City.

Attached to these specifications is
an employee census showing dates of
birth, sex, salary, and whether the
employee has covered dependents.
Any questions regarding the speci-
fications should be addressed to Jim
Murray at (806) 659-2524.

Card of Thanks

The family of Dolores Rylant would
like to express their thanks to the
following kind people whose services,
prayers, and kindness were appreci-
ated. Officer Dewayne Kyle, Dr. Taylor,
the Hospital, Ambulance Crew, The
Baptist Intercessory prayer line. The
Union Church and the many friends
and customers who sent plants, flow-
ers, gifts, and cards to her while she
was in the hospital. Your prayers and
kindness were appreciated and accept-
ed with love. Circumstances like this
shows you, you have more friends
than you realized. Thanks again for
your thoughtfulness.
Sincerely
Dolores Rylant and family

THE GAS PUMP

Riding The Clutch

If you let your foot rest on the
clutch pedal, this light force will
partially overcome the force of the
spring and cause slippage of the
clutch plates. This will shorten
the clutch life making for an early
overhaul. Clutch riding is a costly
habit.

NOT REALLY

He: "Would you love me just as much
if I told you I was broke?"
She: "You aren't really, are you?"
He: "No."
She: "Certainly I would, darling!"

FOR LIFE

Teacher: "Henry, can you give me
an example of a sentence in one word?"
Henry: "Marriage?"

Back To Work

One third of retired senior execu-
tives in one survey returned to a full-
time job within 18 months of retire-
ment.

Birth Announcement

Kermit and Tonya Mahanay announce the birth of their first son, Torey C. Mahanay.

Torey was born June 1. At birth he weighed 6 pounds, 15 ounces. He joins an older sister, Kyra, who is 4½ years old.

Grandparents are Paul and Joyce Woolley of Spearman and Carl and Pat Mahanay of San Angelo.

GUESS WHO'S FIXING

TO BE 70 YEARS OLD?

Chamber spotlight . . .

White House Lumber may be Hansford's oldest retail store

The White House Lumber Company is one of the oldest businesses in Spearman, perhaps the oldest retail store. Records show that it was opened in 1924, and so far as can be ascertained, has had continuous ownership by the Tepe family of Canadian until April, 1985 when Tim Woodington purchased the firm.

Mr. Woodington was born in Canadian, but raised in Pampa. He attended West Texas State University. His entire adult career has been in the retail lumber business. He came to Spearman in 1972 as an employee of White House Lumber Company. In

addition to the Spearman facility, Mr. Woodington owns a lumber yard in Odessa, Texas.

His business acumen and leadership is recognized in lumbermen circles as evidenced by his election to the Board of Directors of the Lumberman's Association of Texas for a four year term beginning in February, 1988.

Fishing and golf are recreation for Tim when time permits. His wife, Carla, is from Borger. She was Carla Birchfield, raised at Huntsville, and attended A&M. She is currently the Court Administrator for the 84th

Jean Burgess of White House Lumber Co. is shown above. White House lumber is one of the oldest retail stores in Hansford county

Judicial District. The Woodingtons have one daughter, 5 year old Sydney, and there are two other children who do not live in Spearman.

White House Lumber Company offers a wide range of building materials, tools, repairs, and supplies. Mr. Woodington enjoys the confidence of the contractors in the area and cooperates in working out specifications on bids and architectural plans for new construction or remodeling. The firm carries Skil and Black & Decker lines. Always on hand is an inventory of culverts, rig timbers, storm doors and windows, and all sizes and kinds of standard lumber and generally used materials.

There is an efficient staff of employees that will courteously assist customers in making any selection or giving information. Jean Burgess is the able assistant manager and others are Ken Bullard and Wilma Lackey.

The White House Lumber Company has supported the Chamber of Commerce since the first Chamber was organized. Mr. Woodington stresses the importance of the Chamber's place in activities of the community, taking

the lead in new developments, organizing support for various meritorious endeavors.

He especially appreciates the efforts of the Chamber in emphasizing trading and patronizing local merchants.

Birth Announcement

Richard and Carey Mackie of Spearman announce the birth of Jennifer Alyson, born June 7 in Perryton. At birth, their new daughter weighed 8-pounds, 5-ounces.

Grandparents are Helen Ruth Mackie of Pampa and Helen E. Meaker of Panhandle.

Dismissals from the Hansford Hospital are Dora Olivarez, Beatriz Pina, and Steve Lopez.

An Investment in COMFORT

When you buy a new heating and cooling system, you're making an investment in comfort and in energy efficiency. Here is a free checklist of features your new heating and cooling system should offer.

1. Does the unit have a Seasonal Energy Efficiency Ratio (SEER) and Energy Efficiency Ratio (EER) of at least 8.0? The higher the rating, the better the efficiency.
2. Is the unit properly sized to serve the required cooling area?
3. Have you obtained information at your local Texas-New Mexico Power Company office about energy efficient cooling/heating systems? At TNP, we don't make or sell air conditioners or heaters, but we do have information on how to get the most for your energy dollar.

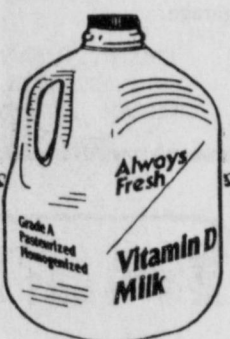

Come by today and request your free literature.
