COUNTY'S FIRST BALE LOAD

FIRST BALE load of cotton is inspected by the owner and friend before ginning. Drexel Lawson, left, rolled the trailer load on Olton Co-Op Gin's scales at 3:50 PM Wednesday. It was the first bale harvested in Lamb County this year. Fred Hicks, Olton farmer and member of the Olton Chamber of Commerce & Agriculture board of directors, looks at a handful of the cotton. Drexel Lawson Has County's First Bale

Drexel Lawson delivered Lamb County's first 1958 bale of cotton to Olton Co-Op Gin Wednesday afternoon.

Lawson's load was delivered at 3:50 PM to the gin, qualifying him for the gin's offered premium and a donated prize from the Olton Chamber of Commerce and Agriculture.

For his bale, which weighed 455 pounds, Lawson received \$400.50 in cash and \$125 in merchandise certificates. The price of bagging and ties and ginning was also donated by the Co-Op Gin. He was paid \$227.50 for the cotton, \$30 for seed and \$268 in cash and merchandise certificates for having the first bale delivered to an Olton Gin.

Olton Chamber officials were especially proud of the fact that the first bale was brought to this city. It has been several years since such an event occurred.

Bob Hamilton Joins Enterprise As News Editor

Bob Hamilton this week assumed duties of news editor for the Enterprise.

Hamilton, his wife Delores and 19-month-old daughter Kellie, now reside at 1101 Main St. They moved here from Hereford.

After attending schools in Hereford, Hamilton served four years in the US Air Force. He studied two years after separation from the service at Amarillo Junior College.

His first professional job for a newspaper was in 1956 at Dumas, on the Moore County News.

It was there that he was nominated for the Pulitzer Award for his reporting of the Shamrock McKee refinery fire-explosion. Nineteen men were killed in the fire and Hamilton himself was seriously burned.

Hamilton was also honored when he was named winner of the first Anson Jones Award to be presented to a weekly newspaper reporter. The award was made for outstanding lay medical reporting.

The Hamiltons moved to Hereford in January of this year, where he was news editor on The Hereford Brand.

He and his wife are members of the Presbyterian Church.

year for Lawson to have the first bale of the season to be brought here. He did the same thing about five years ago.

Lawson had 20 field workers begin work yesterday morning pulling the cotton. The field is located at Circle community, four miles west of Olton. The load was picked off a 20-acre field.

The cotton variety was Paymaster B-54. It was planted April 21.

The load weighed 1,600 pounds.

Junior Rodeo Group To Form

Some 30 local and area boys are attempting to form a junior rodeo association here, according to spokesmen, Buddy Nicholson. The group's first objective, after getting organized, will be to erect a new rodeo arena, probably at the site of the former arena which was destroyed by the May, 1957 tornado.

The organization will be affiliated with the American Junior Rodeo Association, Nicholson said. Other than an annual July 4th rodeo, he said other events to take place each year will be an amateur and junior rodeos.

"We have about 30 boys who want to organize," Nicholson stated, "but we will have to get some sponsors to back us financially. We will build the arena ourselves, if we can get the materials paid for."

The group plans to meet in the near future to form officially.

Jim Fuller's Brother Dies In California

John Fuller, brother of Jim Fuller of Olton, died after suffering a stroke Sunday night at 7 in Compton, Calif.

Mr. Fuller, a former Olton resident, is survived by his wife and four sons. Funeral services were held Wednesday in the Compton Methodist Church and burial was at Compton.

When Mr. Fuller lived in Olton he was a bookkeeper at the Farmers Gin Co. Prior to moving here, he was County Clerk at Wellington.

Mr. Fuller was preceded in death by one son, Kirby. His sons are J. E. and J. M., twins who graduated from Olton High School, and Lee and Neil.

Olton Homes Are Due For Numbers

All Olton homes will have house numbers by Sept. 10.

At a meeting of the Civic Affairs Committee, Monday afternoon, it was decided that installation of the numbers will be made Sept. 8, according to chairman of the committee, G. H. Bley.

Distribution and installation will be made by members of the committee, who will be assisted by Boy Scouts. One member will work with a group of Scouts, working a designated district.

Home owners are requested by chairman Bley to pay for the numbers—they cost 5 cents each—at the City Hall, after installation. Work will begin at 4 PM, on the designated date.

Initial work on the project began some two months ago by the Civic Affairs Committee.

Actually, house numbers were put up by members of the Olton Volunteer Fire Dept. several years ago, but, due to the tremendous expansion of the residential district, new numbers were required.

Quarterback Club Meeting Monday

New officers for the Olton Quarterback Club will be elected Monday night.

The organization will be re-organized for the year's activity. Time for the meeting has been slated for 8 PM.

Glen Phillips, president of the group last year, stressed the importance of all men in the community attending the meeting. He said a special invitation is extended to the fathers of the football players.

The Quarterback Club's purpose is to back the football players during the season, both morally and financially.

Olton Woman Wins Free Mexico City Trip

Mrs. Warner Lanning was awarded an all-expense paid trip to Mexico City recently as a door prize at an RCA meeting in Amarillo recently.

Lawson lives 5½ miles southwest of Olton.

Harry Thomas has for the past two years ginned the first bale in Olton.

Lawson said he planned to pay his landlady, Mrs. Paulene James, a quarter of the amount he received for the bale. He contracted to pay the field hands who aided in the picking \$4 per hundred pounds.

Thomas' first bale in 1957 was delivered Sept. 17. His bale the year earlier was delivered Aug. 23.

Football Returns To Olton

Mustangs Open Practice; 33 Turn Out For Squad

Only 33 candidates for the 1958 Olton Mustang varsity football team reported for workouts this week.

"Looks like we've run out of boys," head mentor Joe Turner commented while looking over the sweating crew during practice.

Of the 33 candidates, five are returning lettermen, 20 are squadmen (mostly from the "B" team), seven are freshmen and one is eligible by transfer.

Returning lettermen are Arno Hall, Rande Buchenau, David Hamm, Robert Priest and Royce Bodkin. The 1957 squad posted a record of two wins, six losses and two ties.

The Mustangs have only this week and next to prepare for their season opener against Petersburg, Sept. 5.

"We're going to throw the ball quite a bit this season," Turner announced. He claims Hall as his ace passer.

The Olton squad this year will be operating from a multiple-offense "T" and single wing formation.

When asked if he thought the team would be in shape for the Petersburg tilt, Turner said "We hope. We expect an awful rough and tough game out of them (Petersburg). They have eight starters back—most all juniors—and they will probably out-weight us 30 pounds a man."

Assisting Turner in the coaching duties again this year will be Jeff Smart, Jimmy Goss and Travis Rector. Smart will coach varsity line. Goss and Rector will tutor the B team and Turner will handle the varsity backfield instructions.

This will be the seventh year as coach of Olton football teams for Coach Turner.

Turner said he was counting heaviest on Hall and Bodkin in the backfield. He also expects a lot from two players up from last year's "B" team, Phil Neinst and Jimmy Robbins.

Hall is the only two-year letter-

man on the team this year. The 170-pound fullback is a senior student.

Bodkin, also a senior, was a starter last year as halfback. He stands six feet tall and weighs 145 pounds.

Buchenau is a sophomore halfback and weighs 150 pounds.

Another sophomore letterman is Priest, a 175-pound quarterback, who reportedly is an "A" student.

The fifth returning letterman is Hamm. An end last year, the 160-pounder is to switch to a tackle slot for his last year in school. He started several games last season.

Other team members are: Bobby Brown, sophomore, squadman, plays guard and center, 140. Coy Carlisle, sophomore, squadman, fullback, 150.

Johnny Conder, freshman, junior high experience, guard, 125.

Gary DeBerry, freshman, junior experience, halfback, 130.

Robert Diaz, sophomore, squadman, tackle, 215.

Robert Duncan, freshman, junior experience, halfback, 130.

Harold Feathergill, sophomore, squadman, guard or center, 130.

Billy Hair, senior, squadman, end or tackle, 145.

John Wayne Hair, junior, squadman, halfback, 125.

Kenneth Hooper, sophomore, squadman, tackle, 190.

Jimmy Lawson, freshman, junior experience, center, 135.

Gary Lawson, junior, squadman, end, 130.

Lonnie Miller, senior, squadman, halfback, 140.

Roy Moss, freshman, junior experience, end, 120.

L. H. McAdams, senior, has not played since junior high, end, 145.

Danny McAnally, freshman, junior experience, guard, 125.

Phil Neinst, junior, squadman, center, 170.

Fred Riney, sophomore, squadman, end, 140.

Jessie Joe Riney, senior, squadman, tackle, 145.

Jimmy Robbins, senior, squad-

SCHOOL REGISTRATION BEGINS; FIRST CLASSES SLATED MONDAY

Olton students this morning began registering for the 1958-59 school year. First classes begin Monday.

Seniors began registering at 9 AM. Juniors began at 1 PM.

Sophomores will register at 9 AM Friday, and freshmen will begin registering at 1 AM.

Only new students in junior high will have to register themselves. They will do so today or tomorrow. Returning students of the sixth, seventh and eighth grades will be automatically registered, and their names will be posted on the doors of their rooms.

First grade elementary school students began registering Wednesday. Primary students new in the district, other than first graders, should register Friday or Saturday, according to Elementary Principal Fred Gordon.

Those wishing to enter children in kindergarten should contact Mrs. Calvin Horn, phone number 5931. The school will begin September 1.

Cecilia Graves Wins In Piano

Cecilia Graves, 11-year-old daughter of Mr. and Mrs. B. T. Graves, won third in the piano solo contest at Prairie View last April.

Results of the contest were not known until recently, Mr. Graves said. Cecilia is a student at Bohner School and Mr. Graves is principal of Bohner.

94 Students Are Registered In Bohner School

There are 94 students enrolled in the Bohner Public School, according to B. T. Graves, principal. Graves said Tuesday that the enrollment is very unusual for this time of the year, before cotton harvest.

Teachers in the Bohner School are Mr. and Mrs. Graves and Mr. and Mrs. E. C. Woods. Graves said Mr. Woods took Spanish at San Antonio this summer. Mr. Graves received his Masters degree in Education this summer, also.

Funeral Home Is Opened Recently

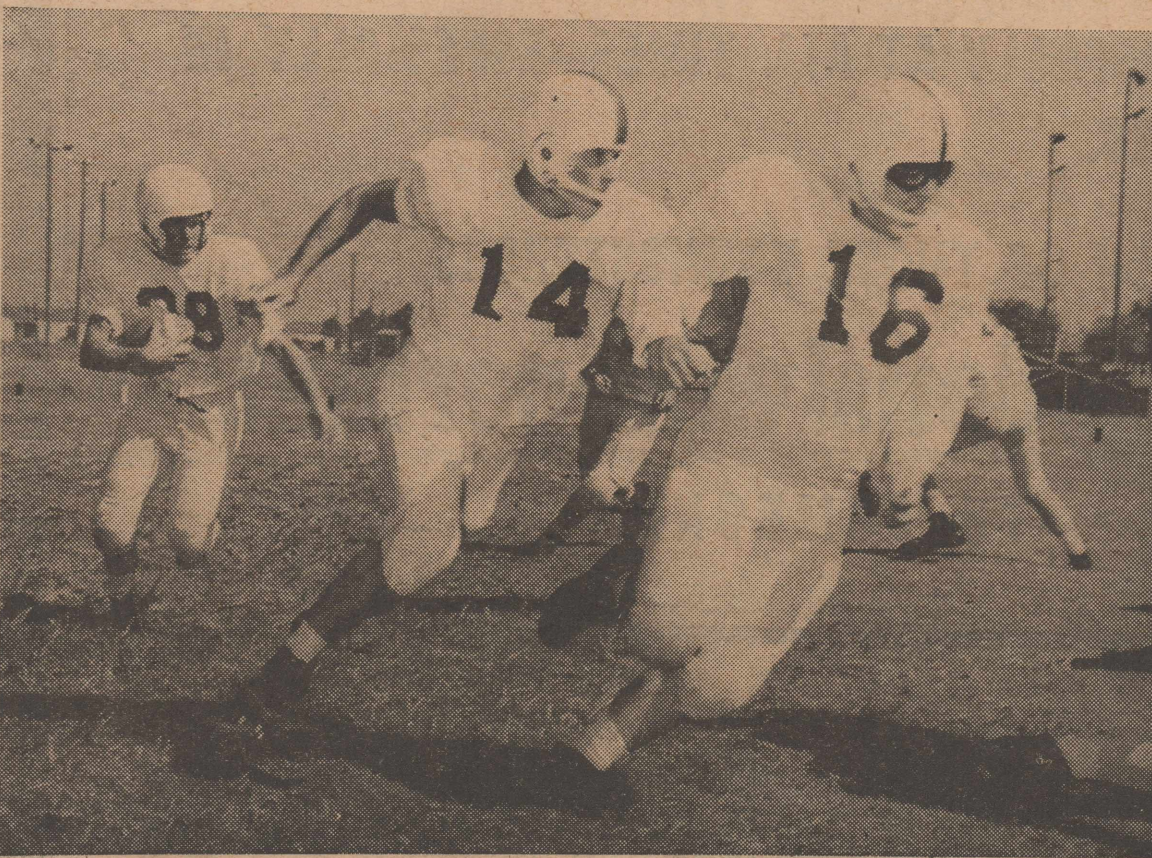

Olton's first funeral home is open, and all services are now available, according to Percy Parson, owner.

Parson's Funeral Home will have its formal opening with an open house Sunday, Sept. 7. It is located at Ave. G and 9th St.

Parson has two air-conditioned ambulances. They are equipped with oxygen, and on 24-hour call. The funeral home has a complete line of funeral service insurance.

The telephone number, for both funeral service information and ambulance calls, is 5211.

MUSTANG STAMPEDE

SPEED, power and form are shown by these three candidates for the 1958 Mustang starting lineup. Carrying the ball is John Wayne Hair. Running interference is Arno Hall (14), and Robert Priest (16). The three were caught running a single wing play during the first day of practice, Monday. Petersburg will be the first Mustang foe this season, September 5. (STAFF PHOTO)

Olton may have a trash disposal system in the near future.

A small group of businessmen met Tuesday morning in the high school auditorium to hear a talk and see a demonstration movie on the Dempster Dumpster system of trash disposal units.

Giving the demonstration and talk was Sid Patterson of Norman, Okla., who is the company's sales representative for Texas and Oklahoma.

Patterson told the men, "If you offer."

He gave his recommendations for the town's trash disposal needs after showing an 18-minute film and distributing literature on the company's equipment.

The Dempster Dumpster system is, in short, a number of large, steel trash containers for spotted location about the business district which can be picked up and hauled away to be dumped. The entire operation is carried out by one man and specially-equipped truck.

The system also includes several other optional pieces of equipment such as a special container which can be used to pick up trash in the residential areas.

Patterson said the units are placed in such a location as to be used by more than one business establishment. Usually those in an entire half block use one container.

Recommendations

His recommendations were to place a unit behind Cashway Grocery; in the Enterprise block; east half of the Post Office block; west half of the J. C. Jones block; north half of Olton Hardware; south half of Sherman Grocery; south half of City Hall block; High School; and joint use by the Junior High and elementary school.

One driver could service all the business district in less than three hours a day, he stated. He also said the same man could be joined by another to service the entire residential district, plus those business buildings near enough to use a Dempster Dumpster unit, twice weekly.

Cost of the units would be based on trash output by the businesses, which would have to be estimated before a set service charge could be made, he said. Schools usually purchase their own units. The city purchases the truck, residential trash pick-up unit and truck's hoisting unit.

All 10 containers, residential pick-up unit, and the hoisting unit for the truck, including freight from Knoxville, Tenn., was estimated at \$10,218. Estimated cost of the two-ton truck was \$2,500. Patterson said the company sells the units to cities on a lease-purchase plan, with no down payment necessary. Capital outlay to get started would be approximately \$3,000. This amount includes the cost of the truck and freight of the units.

Payment Plan

Three payment plans were listed by Patterson. Under the lease-purchase plan, monthly payments for three years would be \$310.85; \$239.97 per month for four years; and \$197.54 per month for five years.

The salesman recommended a charge of \$1 per month be placed on residents for twice-weekly pick up of trash. He pointed out the people would be paying only 12½ cents per pick-up.

He also emphasized that, if the charges were based properly, no increase of taxes would be necessary.

Several towns and cities in the Panhandle area were named by Patterson where the system has already been put into effect. A few named were Littlefield, Plainview, Hereford, Dumas, Amarillo, Pampa and Lubbock.

He said the smallest town he has sold the system was Lindsey, Okla. Approximately 4,000 live there.

Patterson was invited to speak before the group by Wood, at the request of Mayor D. Y. Ray. A full report of his survey and estimated costs will be written and forwarded to the city commission, Patterson said.

Previews of worthwhile books coming soon—

But I Wouldn't Want To Live There by Heather Jimenez, Dutton, \$3.50.

Here is a light-hearted, amusing account of a gay, observant young American's experiences abroad. Her adventures range from a honeymoon in Mexico to visiting in-laws in an English castle to recovering from polio in Italy. . . . Publication date, Sept. 11.

Success in Marriage by David

R. Mace, Abingdon, \$2.95.

Out of long experience as a marriage counselor the author offers some wise and practical advice to young people about to get married, to staid couples whose marriages may not be as good as they could be, and to married couples whose marriages are going on the rocks. (The author, a professor of human relations at Drew University, contributes a regular bi-monthly feature to McCall's.) Publication date, Sept. 8.

East To West—A Journey Round The World by Arnold J. Toynbee, to be published soon by Harpers.

I'll Take Texas by Mary Lasswell, Houghton-Mifflin—to be published in October. This is a collection of impressions of Texas by the well-known novelist. . . .

And then there will be the **Shirley Temple Story Book** scheduled for October publication. And all the children who loved **The Cat In The Hat** will be pleased to note that Dr. Seuss has written an amusing sequel, **The Cat In The Hat Comes Back**. . . .

Bridge enthusiasts will be happy to know that Simon and Schuster will release on Sept. 8 something new and different by Charles H. Goren. It is a deck of (marked!) cards and a paper bound book all packaged in a box. The cards are designed so that they may be dealt into 24 different, predetermined bridge hands. The book tells how they might be best bid and played, and it is titled **Charles H. Goren's New Way To Better Bridge**. \$2.95.

There are just a few of the many, many worthwhile new books coming in soon. Did you know books are mailed to bookstores long before publication date? But they are positively not to be sold until the official publication date. Not even the new **Dennis The Menace** can come out of my office corner until September 8. The book is called **In This Corner**. . . **Dennis The Menace**, is written by Hank Ketcham, published by Holt, and will sell for \$1.00.

And sometimes I feel just like Dennis when on the last page on bended knee, he says his prayers, "Well, God, I goofed again."

In Better Homes and Gardens, Robert Osborn wrote a very clever (But True) sympathetic impression on "What does a woman do all day?"

It goes something like this: "6:55. An eager child and an impatient alarm clock explode their loud talents to startle her from sleep into the waiting treadmill."

"7:15. Renewing an endless preparation of food, she tries once more to fill those hungry, bottomless stomachs."

"7:58. Deserted in the ruins of a wild hunt for overshoes, she bids fond farewell to her bus-chasing brood."

"9:46. As TV biars advice on staying young, she faces moody machines, lively kids, curious dogs."

"12:00. For the 2,000th time, she lunches in the stimulating company of her five-year-old."

"2:18. A normal afternoon is spent largely in transit—picking up and delivering, collecting and transporting, every conceivable sort of being and thing."

"4:59. After buying the groceries, baking the P-TA cake, addressing party invitations, and exchanging a left-handed fielder's mitt, she is reasonably tired."

"5:10. At last her HERO returns! There's someone to talk to,

a man to do the heavy chores and entertain the children!

"5:15. But it's been a tough day at the office, dear, and down he flops with the sports page. So its fix dinner, wash dishes, bathe kids, darn socks, and finally, . . . "FINISHED! (until tomorrow.)"

Boy! we've never had it better at The Enterprise!

So much new (and expensive) equipment. A new editor, a teenage editor, a society editor and jack-of-all trades writer, an advertising editor, a bookkeeper and columnist, and Troy (he's publisher).

Then there's correspondents from Hart, Hart Camp, Springlake, Halfway and Fieldton.

I'd have to mention the backshop "men"—the ones who do the dirty work in putting the paper together and printing it and the ones who do our commercial printing and use the new equipment. There's Wayne Moore, shop foreman, and Joe Alcorta and Sonny Bryant.

Almost the most important of all is Eleanor Sudduth. She sets all the stories that go into the paper. (She's a mighty handy gal to have around.)

We have four phones, and two lines, in the office now—which doesn't sound like many at all when you think that it is ALMOST entirely our only means of communication in getting our stories.

My number at the office is still 3361, and the backshop is 3363 (and Troy's is 3361). Bob Hamilton's number here at the office is 5791.

We don't close The Enterprise during the noon hour now, so if you're in town at noontime, go ahead and drop by. Someone will be here.

You really get a joy out of writing when there's someone else or others to help cover the news—that way you're not just typing out words but writing good, "thought about", stories.

Look for a better-than-ever paper in the next two weeks. By the way, Bob Hamilton, our new editor, is a wonderful photographer, too. So between him and Troy we should have some real great pictures!

There are other things at The Enterprise now, vs. before, that makes for more pleasant working—for instance air-conditioning that really works. Ask Korkye

Series On Golf Course Rules To Appear Weekly

Editor's Note: At the request of Olton Recreation Center golf course pro Glenn Miller, a series of articles will be published for the information of all golfers who play the local course. This article is on local rules, and those articles following will be taken from the Rules of Golf manual, as approved and published by the United Golf Association.

1. USGA rules apply unless amended by local rules. Fairway boundaries are indicated by furrow lines. If in line, play as fairway.

2. Drop out of all tree holes, ditch and burrowing animal holes one club length away from green. No penalty.

3. All fences are out of bounds. Penalty—two strokes.

4. All roads played as rough. 5. Beginners and slow players will step aside and allow faster players to go through.

6. Power lines through the course are not hazards. On No. 5, ball striking power line . . . player has option of playing the ball or shooting another without penalty.

7. No high heel shoes or boots allowed on green.

8. Not more than foursomes shall play on Saturdays, Sundays, and holidays. Foursomes will have right-of-way over all players at all times.

9. Improving lie in fairway is permitted—provided ball is not moved nearer green.

10. On greens, ball may be moved in any direction the distance of club head only.

Next week, the series article will cover the USDA rules on golfing etiquette.

SPRINGLAKE—Members of the XIT Study Club were complimented with a coffee in the home of Mrs. Jimmy Winder, Thursday morning.

Plans were made for a "42" tournament to be held in September at the Community building.

Coffee and doughnuts were served to one guest, Mrs. Denny Barnett, and to members, Mesdames Arnold Washington, Jesse Watson, Orville Cleavinger, Billy Wayne Clayton, Ernest Baker, James Sanderson, Kenneth Hinson, Edwin Jones and Jimmy Winder.

The first meeting of the new club year will be September 9.

Bible Class Is Canning For Children's Home

The Ladies Bible Class of the Main Street Church of Christ decided to can food for the Children's Home in Portales NM.

At a meeting of the class last week in the Church, Mrs. Glen Exter taught the lesson from the book of Numbers in the Bible. Twenty-five persons were present.

G. B. Stanley will teach the lessons in the coming weeks.

Mrs. King Is Shower Honoree

Mrs. Ruth King was honored with a surprise coffee at her home August 15, before her marriage to Frank Adams of Levelland, August 17.

Assisting with hospitalities were Mesdames Roy Hooper, Tom Smith, Ray Slatten, Glen Gipson and Miss Ethyl Hairgrove.

About 25 persons were present.

Guild Holds Family Social

The Wesleyan Service Guild of the First Methodist Church held their annual family night social last week at the church.

Mrs. Gerald Bizzell was hostess. Special guests were Mr. and Mrs. Joe Harper, Mr. and Mrs. Calvin Horn and Mr. and Mrs. Percy Parsons.

Homemade ice cream and cake were served.

Bettie Lois Daniel And Ronald Perry Curtis Vows Are Solemnized In Friday Night Service

MRS. RONALD PERRY CURTIS

(PERSONAL PHOTO)

Olton First Methodist Church Sanctuary was the scene Friday night at 7:30 PM, for the exchange of wedding vows by Miss Bettie Lois Daniel and Ronald Perry Curtis, Lubbock.

Mr. and Mrs. R. R. Daniel, Sr., are the bride's parents, and Mr. and Mrs. W. H. Curtis of Dimmitt are the bridegroom's parents.

Rev. W. S. Daniel of Phillips, the bride's uncle, read the double-ring ceremony before an arch covered with green foliage and baskets of white gladioli. White candles completed the altar decor.

Nuptial music was played on the organ by Mrs. J. E. Waller of Floydada, cousin of the bride. Miss DeVeryl Daugherty sang, "The 12th of Never" and "Whether Thou Goest." She was accompanied by Mrs. Waller.

Brother Serves

Jimmy Curtis of Dimmitt served his brother as best man and the groomsmen was Dewayne Brown, Lubbock. Ushers were John Gilbreath, Dimmitt; Joe Ben Mitchell, Dimmitt; Joe Ben Crowder, Lubbock; and John Barbee, Lubbock.

Mrs. Richard Snell of Albuquerque NM, was her sister's matron-of-honor. Brides-matron was Mrs. Raiford Daniel, Jr., sister-in-law of the bride, of Clovis, NM. They were attired in powder blue polished cotton dresses, fashioned with fitted bodices and full skirts. They were designed with boat necklines. Short white veils were attached to headaddresses and they wore white accessories. They carried blue carnations.

Lyndie Ray, Olton, cousin of the

bridegroom, and Kent Clark, of Floydada, the bride's cousin, were candlelighters. Ringbearers were Vickie Ray, cousin of the bridegroom, Olton, and Snookie Daniel, the bride's nephew, Clovis, NM.

Wears Traditional White

Escorted to the altar and given in marriage by her father, the bride was a picture in a traditional white lace gown, styled with a boat neckline accented with seed pearls. The fitted bodice was attached to a full floor-length skirt. Her veil of illusion was caught to a crown of seed pearls. She carried a Rainbow Bible topped with a white orchid.

Immediately following the ceremony, the wedding party was feted with a reception in the church parlor. A white lace cloth, made by the bride's grandmother, covered the table and was laid over a blue cloth.

The table was decorated with blue candles. Mrs. Edward Featheringill and Miss Cherie Crouch of Vega cut the cake and ladled the punch. The guests' names were secured for the bride's book by Miss Yvonne Pinkerton and Mrs. Krueger Johnson.

New Mexico Trip

After a wedding trip to points in New Mexico, the couple will reside in Lubbock. For traveling, the bride selected a light blue wool suit with black and white accessories.

Mrs. Curtis, a graduate of Olton High School, has been employed by Merrill's Farm and Ranch Store. While in OHS, she was basketball queen, cheerleader, and football queen attendant.

A graduate of Dimmitt High School, the bridegroom attended West Texas State College and Texas Tech. While in high school, he was a member of the football team, track team, and the senior play. He is employed at Bill Barnett's Real Estate, Lubbock.

Attending the wedding from out-of-town were Rev. and Mrs. W. S. Daniel, Mrs. S. S. Daniel, Phillips; Mr. and Mrs. L. L. Clark and Kent, Mr. and Mrs. J. E. Waller, Floydada; James Briscoe, Tucumcari, NM; Mrs. Joe Ben Mitchell, Peggy Gilbreath, Dimmitt; Mr. and Mrs. M. N. Snell, Clovis, NM; Richard Snell, Albuquerque, NM; Raiford Daniel, Jr., and Wyonna and Cliff, Clovis, NM; Mr. and Mrs. Perry, Sr., and Mr. and Mrs. Howard Perry, Jr., and sons, Rule; and Mrs. Carl Macon of Lubbock.

PINKERTONS ARE FETED

Mr. and Mrs. Jethro Pinkerton were honored with a surprise housewarming last week. Their new home is located north of the Roy Granbery home.

Hostesses for the affair were Mesdames Fred George, Lindsey Dennis, Clifton Hines, Gilbert Roberson and Howard Buchenau. The group served ice cream and cake to about 25 guests.

Mr. and Mrs. Pinkerton were presented their pottery in the pattern, "Autumn Leaves."

Olton Women's Federated Clubs Begin New Club Year

Olton women's federated clubs will begin their new club years in the next few weeks with the mad whirl of coffees and teas for their presidents—and new, stimulating and interesting programs.

The 1958 Bykota Study Club's theme for the new club year is "Self Improvement". The program will feature talks and discussions on beauty ideas, home decorating ideas, intellectual programs, etc.

Mrs. Jim Brown and Mrs. Jerry Nichols were in charge of the new club yearbooks.

The Club's colors are yellow and bronze. Their name "Bykota" came from the first letter of each word in the verse, "Be ye kind one to another".

The Bykotas will begin their year with a president's coffee September 12, Tuesday night, at 7:30 in the home of Mrs. Douglas Owen. The President will give her address at the coffee.

Club officers are Mesdames Jim Brown, president; Andy Stroebel, vice-president; Jerry Nichols, second vice-president; Fred Stockdale, recording secretary; Doug Owen, corresponding secretary; Travis Rector, treasurer; Billy Smith, reporter; Robert Meinecke, parliamentarian; Edd Lynn Burrus, federation counselor; Jerry Anderson, critic; and Dan Quigley, historian.

The main money-raising project for the club is their annual spring style show, usually held in February. The club's main project is giving a scholarship to a deserving senior girl. Shirley Webb won the scholarship last spring. This year, the Bykotas have pledged to help with the remodeling and redecoration of the American Legion Hall.

The club's meeting nights are set for 7:30 every second and fourth Tuesday nights.

No Passports Needed

Olton Study Club will hear programs on "Travel" this new club year. Their course of study is entitled, "No Passports Needed."

Mrs. Jack Allcorn, program chairman, said that the district president will visit the club this year and that several out-of-town speakers will give programs.

Mrs. Elmer Moore is president of the Olton Study Club. Other new officers are Mesdames Allcorn, vice-president; corresponding secretary, Frank Cornelius; recording secretary, G. H. Bley; reporter, Jim Williams; treasurer,

er, Raiford Daniel; parliamentarian, H. B. Carson; federation counselor, Paul Burrus; and critic, Basil Sherman.

For several years, the Olton Study Club has made as their main project, the Olton Girl Scouts. They sponsor the Girl Scouts. This year, they will also support community drives, help with the Golden Age Social Hour, assist in financing the community tennis courts and in repair and decorating the American Legion. Mrs. Allcorn stressed that "the scouts will still be our main project."

Olton Study Club will honor their president, Mrs. Moore, with a coffee, Sept. 6, Saturday morning, at 9 AM, in the home of Mrs. Roy Aikman. They will meet every other Monday night.

Meet Wednesday

A president's coffee will mark the beginning of the New Century Study Club's new Wednesday morning in the home of Mrs. Frank Struve. Meeting time is set for 9:30 AM.

Course of study for the club is "Texas", which will be a series of programs on Texas in general—her capital, her land, her governors, her folk songs, etc.

Mrs. J. C. Brown heads the New Century club as president.

Vice-president is Mrs. Struve. Other club officers are Mesdames L. M. Hardy, recording secretary; Don Spain, corresponding secretary; Glen Exter, treasurer; Major James, reporter; Wilton Bodkin, parliamentarian; R. A. Burgess, federation counselor; and Fred George, historian.

Other than this year's projects of donating money on the community tennis courts and helping with the American Legion, the club will send materials to a mental home, buy milk tickets for underprivileged children at school, and give magazines and newspapers to Bohner School.

All in all, a mad whirl is beginning to spin and the lid will start coming off next week. Olton's women's federated clubs are big helpers in civic and church affairs.

SS DEPARTMENT TO HONOR JAPANESE COUPLE WITH PARTY FRIDAY NIGHT

The Young Married People's Department will honor Mr. and Mrs. Kan Matsumoto of Japan with a party Friday night in the home of Mr. and Mrs. A. C. Light, Jr.

The party will begin at 7:30 PM. Mr. Matsumoto is a brother of Mrs. Tom Craft. He and his wife are on their way to Baylor University, where they will study this year. This is their first time to visit the United States.

"All members of the YMP Department of the First Baptist Church are urged to be present," announced Mrs. C. S. Silcott, department head.

ELISA ROSS IS HONOREE

Little Miss Elisa Ann Ross was feted with a birthday party on her first birthday, by her mother, Mrs. Tom Ross, August 14.

Cake and Cokes were served to Danny Joe Carson, Jennifer and Cindy Smart, Jan Ross, Rebecca Bartling, Wanda Stephen, Mrs. Joe Edd Carson, Mrs. Jeff Smart, Mrs. Roger Bartling, Mrs. Marten Stephen, Mr. and Mrs. Hoyt Paschal and Mr. and Mrs. W. T. Ross, Sr. of Flomont.

Miss Anita Yvonne Sorley And Donald Curtis Powell Pledge Wedding Vows In Ceremony

MRS. DONALD CURTIS POWELL

(PERSONAL PHOTO)

In a formal church ceremony Friday night, Miss Anita Yvonne Sorley became the bride of Donald Curtis Powell. Their parents are Mr. and Mrs. Emil Sorley of Hart and Mr. and Mrs. Andy Powell of Olton.

The twin ring rites were read at 7:30 PM, in the Valley View Church by the bride's brother, Rev. Gene Sorley, Methodist pastor of Wichita Falls.

Altar decorations featured a Gothic arch entwined with lacy fern and holding seven white cathedral tapers and a cluster of white wedding bells. The chancel was draped in white satin, and palm greenery was used as a background for floor baskets of white gladioli and orchid carnations. A white satin kneeling bench centered the arrangement.

Mrs. Joe Ed Vaughn, Friona, furnished the nuptial music on the piano. The bride's brother, Grady Sorley of Bovina sang the ceremony prayer, "The Lord's Prayer," and Mrs. Jerry Maynard, the bride's sister of Friona, sang, "I Love You Truly" and "Alo-ways".

Father Gives

Escorted to the altar and given in marriage by her father, the bride was a picture in a gown of

white bridal satin enhanced with Chantilly lace. The figurine bodice featured a rounded neckline and long tapered sleeves of lace. The bodice extended to a deep point at the center back where the extreme fullness of the sweeping skirt was laid in deep folds. A full length panel of the lace was inset at the front of the skirt which terminated at the back into a chapel train.

Her elbow-length veil of illusion was attached to a bandeau of iridescent sequins. She carried a cascade bouquet centered with a white orchid, arranged on a white Bible with lace and tulle and a shower of white satin tied in love knots.

Mrs. Owen Jones of Hart attended her sister as matron-of-honor. She wore a sheath dress of orchid peau de soie with a full orchid net overskirt held at the waist with a purple velvet cummerbund. Her headband was of purple tulle and she carried a colonial bouquet of orchid carnations tied with white satin.

Bridesmaids In Orchid

The bridesmaids were Mrs. Eugene Edmonson and Mrs. Boyd Ears, both of Lubbock, and Miss Evelyn Critchfield, Olton. Their dresses were similar to the honor

attendant's, except the cummerbunds were of matching orchid and their headaddresses were of white tulle. They carried bouquets of white carnations tied with orchid ribbons.

The bride's niece, Sunya Sorley, Olton, was flower girl. She was attired in a full skirted dress of orchid peau de soie, with orchid net overskirt, purple velvet headband and cummerbund. She wore a wrist corsage and carried a basket of rose petals.

The candlelighters were Marilyn Jones, niece of the bride, and Sue Witten, both of Olton.

Ringbearer was Phil Sorley, Bovina, the bride's nephew.

Gray Is Best Man

Jackie Gray, Olton, served the bridegroom as best man. Ushers and groomsmen were Jerry Dennis, John Jefferies, Teddy Estes, and Jack Hysinger, all of Olton.

For her daughter's wedding, Mrs. Sorley selected a powder blue lace dress with black accessories. Mrs. Powell, the bridegroom's mother, chose a navy blue linen dress with black accessories. Both wore white carnation corsages.

A reception was held in the church banquet room following the ceremony. In the houseparty, assisting the couple, their parents, and the honor attendant, to receive guests were Mrs. Tom Witten, Mrs. Ernest Jones, Mrs. Luther Alexander and Mrs. D. L. Lewis.

The serving table was laid with a white organdy cloth over orchid and centered with the wedding bouquets and candelabra. The three-tiered cake was served with punch.

For traveling, Mrs. Powell selected a daron and wool sheath dress of teal blue, a white sequin hat, white gloves, and black shoes and purse.

OHS Graduates

The couple went to Carlisbad for their wedding trip. They will be at home on their return at 608 Denver Street, Plainview.

Mrs. Powell, an Olton High School graduate, attended Lipert's Business College, and is now employed at the Hale County ASC office.

Mr. Powell also graduated from Olton High School and attended Hardin-Simmons University, Abilene, and San Angelo Junior College. He is employed in Plainview by Bruce and Son.

Social Held At Home Ec Cottage

Mrs. Archie Sorley and Mrs. H. B. Maxey, Jr., Olton High School home economics teachers, were hostesses to a come and go social held in the home economics cottage Wednesday afternoon.

All OHS girls and their mothers received invitations to the affair beforehand.

The social was planned in order that the new teachers and the pupils and their mothers might become better acquainted.

DECEPTIVE ROLLERS

FOOTBALL is largely made up of deception, and this picture shows a good example of how deceptive the Mustangs will be this season. To the untrained eye, they would appear to be lying down and having a good time. Actually, they are probably working harder in a rolling exercise than most men do lifting several 100-pound sacks of grain. Coach Travis Rector (left) is directing the maneuver. The team began practice Monday. (STAFF PHOTO)

SEASON'S FIRST INJURY

FIRST INJURY of the football season did not occur to a player—but to Head Mustang Coach Joe Turner. The mentor explained he was "... running through a series of water sprinklers with my eyes shut and WHAM! ... I hit the edge of the metal scoreboard. The next thing I knew I was lying on the grass and my nose was bleeding like an irrigation pump." Results: sore nose, no broken bones, and a sweat suit ready for the wash.

Three Graduate Tech Saturday

Among the 428 students who graduated in ceremonies at Texas Tech in Lubbock Saturday were three people from Olton.

Receiving her Bachelor of Science in Home Economics degree was Evelyn S. Maxey. Robert Taylor "Bobby" Bryant, a mathematics major, received a Bachelor of Science in Education degree. Royce Vernon was awarded a degree in English.

Principal address at the college's summer commencement exercises held in the Lubbock Municipal Auditorium, was made by Dr. Watrous Irons, president of the Federal Reserve Bank in Dallas. Bobby is the son of Mr. and Mrs. Leamon Bryant. He is a 1954 OHS graduate.

Royce L. Vernon Graduates Tech

ROYCE L. VERNON

Royce L. Vernon, former publisher of The Olton Enterprise, has been awarded a degree in English at Texas Technological College.

Royce was graduated last Saturday night.

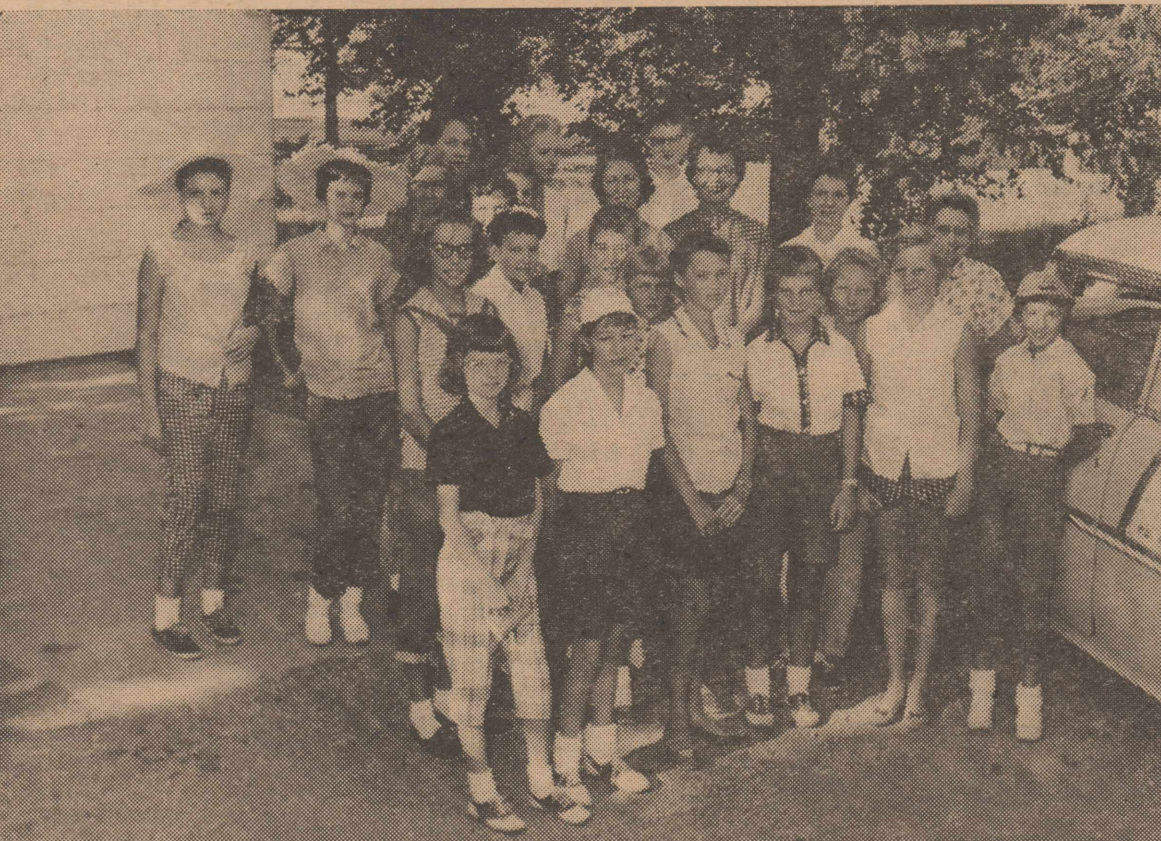

Mr. Vernon said he plans to pursue his studies further with an eye on a masters degree. He hopes to specialize in public school administration.

Mr. Vernon left Olton in 1954 after selling his half interest in The Enterprise to the present publisher, Troy Martin.

Mr. Vernon at first enrolled in pre-medical studies but later switched to an English major. He said he made the change after taking college aptitude tests.

Distribution Of Annuals Saturday

The 1957-58 Olton school annuals will be distributed to students Saturday evening.

Copies of "The Mustang" arrived this week. And, as last year, all students will be the guests of the annual staff for a Coke and annual-signing party.

The event will take place between 6 and 8 PM, in the cafeteria, according to David Howton, sponsor.

Lafrell Stewart is editor of the publication. It contains 166 pages and has color pictures of the school buildings on the fly sheets.

Highlight of the book's distribution for the students will be finding out who was named Best All-Round Boy and Girl. The names have been, and will be, kept secret by the staff until Saturday evening.

Unlike last year, the publications will be distributed to both high school and elementary students at the same time this year.

Members of the 1957-58 staff are to report at the cafeteria at 5:30 PM, according to editor Stewart.

M. T. Carter Buys Spotlite

M. T. Carter, Plainview, has taken over operation of the Spotlite Cafe.

It will now be known as Carter's Cafe.

Mrs. Carter has had a number of years of experience in the cafe business. Mr. Carter has been a cook in a Plainview eating establishment.

that will last longer, and this, in turn, will make him a more intelligent, desirable part of society.

This is not to say that grades are all-important. It can happen that a B and C student is actually LEARNING more than the straight-A student. But not necessarily so.

What IS important is that the student at least is giving his best, is trying his hardest, and is convinced that school and learning are basic, necessary and all to his advantage.

John Jefferies is one of the lucky ones. He went to college. He found out he didn't know how to study. But he didn't quit. He applied himself and determined to learn how.

And now, no matter what profession he chooses, he has already benefited from the experience. He knows it pays off.

We welcome Bob Hamilton to our staff at the Enterprise. Have heard some good things about Bob's newspaper work in recent months, and we're counting on him to contribute a great deal to our publication.

He brings with him his young wife, Delores, and 19-month-old Kellie, as chubby a little blonde-headed girl as you could find. They'll increase Olton's population by one more, however, about in October.

We know you'll like Bob and find him eager to do you a service. i-t-o

Lucy Moreland Wins Run-Off

Mrs. Lucy Moreland is the new Lamb County treasurer.

Voters Saturday gave Mrs. Moreland a slight 18-vote nod over incumbent Mrs. Bill Pass. Final vote was 898 to 880.

Olton went for Mrs. Moreland, giving her 73 votes to Mrs. Pass' 46. In the July Democratic Primary Mrs. Pass carried the Olton poll.

The contest was the only run-off slated for a county office.

Springlake voted in favor of Mrs. Moreland also, 19-6. Hart Camp went entirely for Mrs. Pass 17-0.

Voting in Olton was about as light as expected. The total vote was 119. There are approximately 1,000 eligible voters in the precinct.

Robert Hamilton soundly defeated J. Edwin Smith, as far as Lamb County was concerned, in the race for associate justice of the State Supreme Court. He received 1,198 to Smith's 322.

"I wish to thank the voters of Lamb County for their vote and support in the run-off election," Mrs. Moreland stated this week.

Nazarene Church Has New Pastor

Olton Church of the Nazarene has a new pastor—Rev. J. W. Douglas.

Rev. Douglas was pastor at Mineral Wells, before moving here last week. He has been in the ministry for 23 years.

While in Mineral Wells, Rev. Douglas was president of the Ministerial Alliance, last year; vice-president of the Ministerial Alliance, year before last; and worked with the committee at the USO at Camp Walters.

Before pastoring the Mineral Wells Church, he was in Dodson, Fort Worth, Seagraves, Bowie and Ranger, where he began his ministry.

Rev. Douglas and his wife, Letha, have one child, a boy, John Allen. John Allen is a freshman in high school.

Trinity Mission Move Successful

The Trinity Baptist Mission was successfully moved to its new location last week. It is now located at Ave. H and 14th. St.

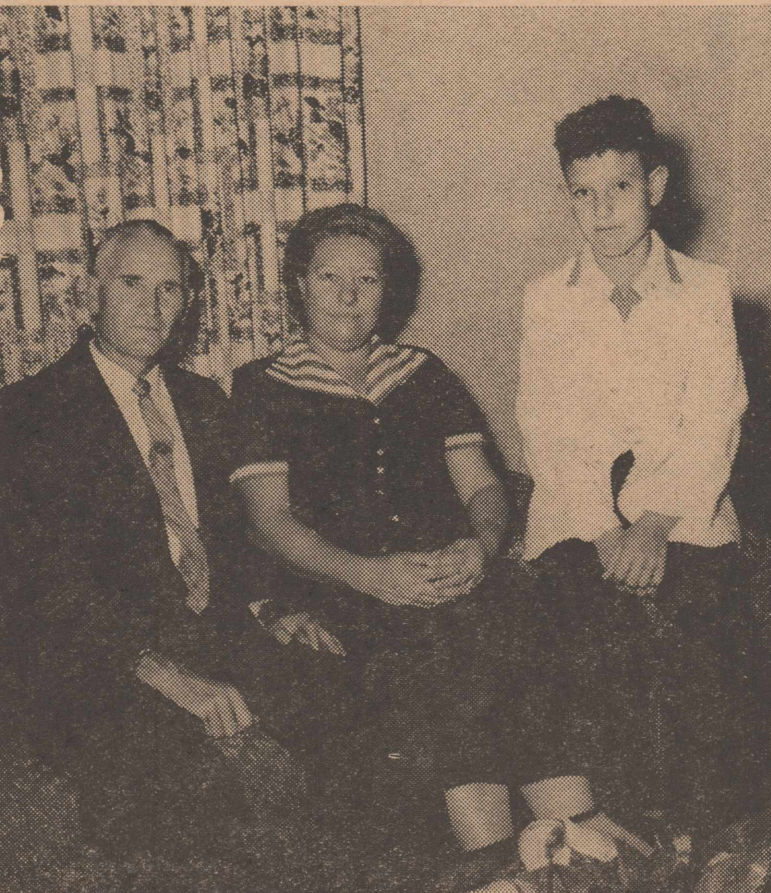

Movement of the building from its 11-year location at Ave. D, and 3rd began Wednesday of last week, and the project was completed in time for regular services to be held the following Sunday morning—with 119 of the church's 139 members of the congregation attending, according to Rev. Glen E. Godsey.

Property on which the building is now situated was recently purchased by the church. It is 140 feet by 200 feet, and located on the northeast portion of block 163.

The building, a former military camp structure, was originally moved to Olton in 1947.

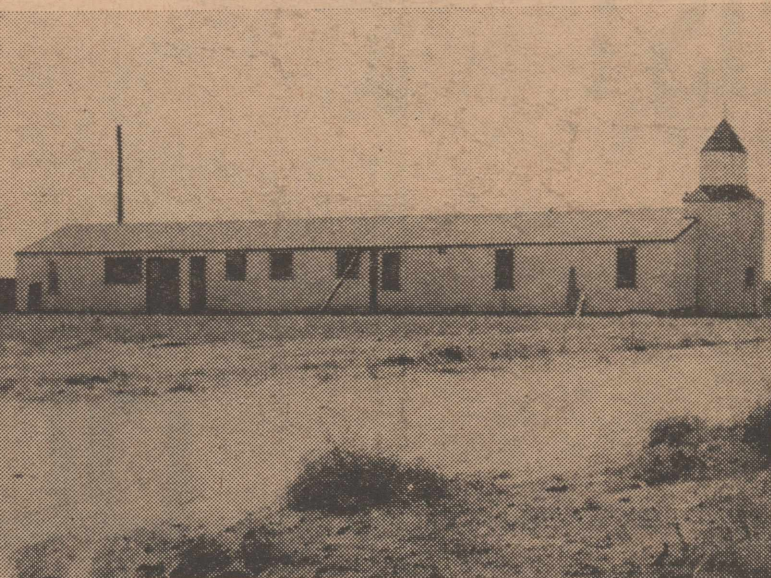

"August also marked the eighth year of our being here in Olton," remarked Rev. Godsey.

School Lunch Prices Unchanged; First Week's Menu Is Announced

Prices for school lunches this year will remain unchanged as in the past eight years, Mrs. Ray Slatten, school lunch superintendent, announced this week. Grades one through four will pay 30 cents per lunch, which may be cash daily, or a five-day lunch ticket which sells for \$1.50, or a 20-day lunch ticket which sells for \$6.00.

Students between and including the fifth and eighth grades, and high school, will pay 35 cents cash, or \$1.75 for a five-day lunch ticket, or \$7 for the 20-day lunch ticket.

Extra milk will sell for two cents per half pint, and a 20-day milk ticket will sell for 40 cents. Students, Mrs. Slatten said, in the first, second and third grades are urged to purchase milk tickets instead of using cash. High school students are urged not to lose lunch tickets as they cannot be replaced except by purchasing new ones.

Lunch tickets cannot be sold during lunch period, she stated. Students were urged to "Please register this week" by Mrs. Slatten.

Lunch will be served Monday and every day after school is in session. "Parents please feel free to visit the lunch room anytime," Mrs. Slatten said.

Olton School Lunch Menu,

Olton School Lunch Program Is Recognized

A higher percentage of Olton School students eat in the school lunch room than at any other school in the state.

The information came from a recent school lunch workshop held at Tech college, according to the Olton lunch superintendent, Mrs. Ray Slatten.

"We are proud of the fact that an average of 82 percent of the school's entire enrollment eats at the lunch room daily," she said. Commenting further, Mrs. Slatten states "The Olton school students, parents of Olton school students, the Olton school administration and Olton school lunch staff go the credit for this achievement."

However, Mrs. Slatten added "We start this new year with fear and trembling due to mounting food costs. We hope for the continued loyal support of our school lunch program."

Beat one egg in cup. Fill cup with lukewarm water. Add 2 cups of flour (a good pint). Add a pinch of salt and mix well. Beat and knead (by picking up dough and throwing or hitting it on table) until white blisters appear. Divide into 4 parts and cover each. Let stand 2 hours. Roll and pull tissue-paper thin. Spread with sliced apples, sugar, cinnamon, butter and sour cream. Roll up—place in greased pan. Bake in moderate oven for one hour, basting with hot milk. Apple strudel may be frozen unbaked. After removing from freezer, bake, basting with hot milk. Bake slightly longer than one hour. from an old Austrian Recipe

Ever look into the bright, expectant faces of hungry children eagerly awaiting a freshly-baked cookie? Or see the downcast, disappointed look that only kids can show when the cookie supply is "all out?" Mrs. Detton knows that look—that's one reason she's so pleased with her electric home freezer. She bakes large supplies of cookies, in advance—then freezes 'em. The happy faces of her grandchildren stay happy because Grandmother Detton just never runs out. She's always good for a fresh cookie, thanks to her electric home freezer—the first upright model in the Panhandle of Texas.

HALFWAY HAPPENINGS

By Mrs. Bill McPherson

Dr. T. C. Longnecker, head of the High Plains Station research farm, demonstrated the use of a Boyoucousoil moisture meter in one of the station's cotton fields Monday afternoon when the Hale County Agricultural Club was host to the Lubbock Ag Club.

Members of the Hale County Ag Club were at the research station, located at Halfway, 5:15 Monday. Dutch supper was served by the ladies of the Halfway community, after a short tour of the farm.

On the tour members were told about the soil moisture meter, a new technological development whereby irrigation farmers can tell when to irrigate and when not to irrigate.

Dr. Longnecker explained the operation of the meter and cost of installation.

Dr. Johnny Davis told the group about oilbearing seed crops, such as sesame, soybeans, castor beans and cotton.

A house warming shower was given the Clyde Emberton's Friday night. Everyone was invited and brought gifts. Approximately fifty guests attended.

Bill Wilson was surprised with a birthday party Thursday night by his wife and his sister, Mrs. Lynda Dunn and daughter, Melanie. Mrs. Dunn lives in California and is visiting this week. Guests attending were Mr. and Mrs. H. D. Ogle and family, Mr. and Mrs. Weldon Craig and Randal and Mr. and Mrs. Gene Wilson and son.

The Methodist Young Couples enjoyed a welmer roast at the Plainview park Friday night. There were about 20 attending and a very good time was had by all.

Visiting in the home of her parents, Mr. and Mrs. Elmer McPherson, this week are Dr. and Mrs. Aubrey L. Smith, Jr. and son Aubrey. Lois Ann and Aubrey returned home recently from Germany. They brought back many souvenirs and beautiful pictures of Europe.

Mr. and Mrs. Troy Thomas and daughters Jessie and Marilyn visited Mrs. Thomas' sister in Portales, NM. Jessie plans to go to school there this fall.

Mr. and Mrs. E. T. Hines spent

Wednesday, Thursday and Friday in Cleburn, visiting Mrs. Hines brother.

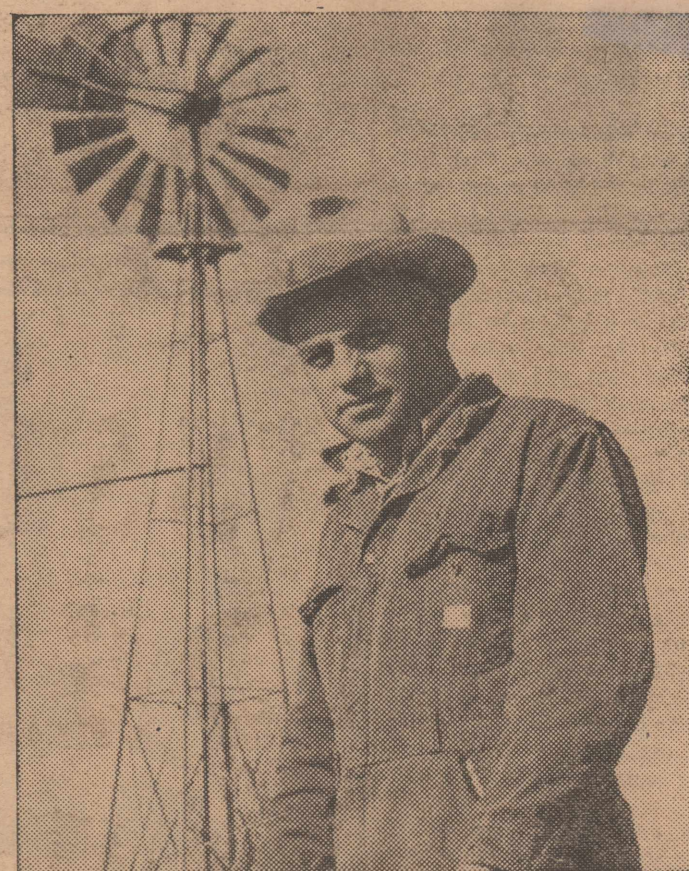

The Brownies of Halfway enjoyed a swimming party and picnic at the Park in Plainview last week. Mrs. Grant Sisemore and Mrs. Joe Long are the group leaders. Those attending were: Linda McEachern, Diane Rambo, Oleta Ogle, Sheila Wilson, Nancy and Linda Adams, Connie and Yvonne Emberton, Nancy and Nina Autry and Cora and Mary Tollison.

The first regular meeting will be held September 17. Mrs. Sisemore asked that all girls wishing to be in a girl scout troop

Bushland, Tex., Man Reports—

"Made \$15 an acre grazing wheat—cut a 40-bu. crop"

Bill D. Wood, who farms 640 acres, says: "My records show the dollar profit in applying Phillips 66 Agricultural Ammonia pre-plant to wheat land. On my irrigated wheat, I paid for my seed and fertilizer and made \$15 net an acre grazing it, when I used Phillips 66 Ammonia. The next year, I cut a 40-bushel wheat crop."

Other successful Southwestern farmers use Phillips 66 ammonia to give them higher grain yields... and more profitable grazing. The 82% nitrogen in Phillips 66 Agricultural Ammonia gives young wheat a fast start, supplies plenty of lush, protein-rich forage that puts on more beef at less cost per pound.

Many of these farmers plow down Phillips 66 ammonia in the fall on maize land. They know that the 82% nitrogen helps decompose crop residue, to provide extra plant food and make the soil more productive. Remember, Phillips 66 ammonia gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

Improvements On Telephone Service

to please contact either Mrs. Wilma Emberton or Mrs. Honey Wilson.

Mr. and Mrs. Cecil Gartin spent the weekend in Amarillo.

Mr. and Mrs. A. E. Lewellen and Mr. and Mrs. J. E. Eelm left for "parts unknown" last week. For those of us who haven't had our vacation yet, it sounds mighty good.

Installation of central office and emergency power equipment which will improve telephone service in Olton has recently been completed according to R. E. Saunders, district manager for General Telephone Company of the Southwest.

The central office equipment includes the addition of 40 lines which will permit installation of new telephones and the upgrading of telephones now in service.

The new power equipment replaces present batteries and increases the amount of emergency power available so that normal telephone service may be retained even when the normal source of power is cut off.

Olton converted to dial operation in 1949 and in 1950 there were 245 telephones in the exchange. As of June 30, 1958 there were 765 telephones served, according to Saunders.

"The additions and replacements were made at a gross addition cost of over \$4,000," according to Saunders.

Hawkins, Featherston Win Irrigation Rodeo

Robert Lewis Hawkins and J. R. Featherston were named winners of the fourth annual Irrigation Rodeo Saturday at Hart.

Hawkins, winner of the senior division, received \$25 in cash for

taking the honors. He set the full 25 tubes in 31.3 seconds, which was more than four seconds faster than his nearest competitor.

Young Featherston, who declined acceptance of any prizes, because of his high school athletic eligibility, set his required tubes in 42.2 seconds to win the junior division.

Runners up in the senior division were Wayne Beavers, 35.5 with one tube stopped (which drew a penalty), and Joe Percy Hart, 38 seconds.

Ralph Brockman and W. A. Hawkins III were runners up in the junior division, with respective times of 56.2 and 68 seconds.

All winners were from Hart, with the exception of Brockman in the junior division. He hails from Nazareth.

The contests were held near the American Legion grounds. Sponsor of the event, the only one known of its kind in the world, is the Hart Legion Post.

W. A. Hawkins, Jr. and Bud Steiert were co-chairmen of the rodeo. A total of 28 men entered the senior division and eight competed in the junior category.

Donating toward the prize awards were the following merchants and individuals:

Ed Harris Lumber Co.; Farmer's Grain; Hart Grain; A. A. Lindsey Gin and Grain; Walt Hansen Grocery; Hart Locker; W. T. Sanders, Inc.; S&S Spraying; Hi-Point Fertilizer; Newsom Grocery; Bauman and Warren Garage; Hendrix Motor; Hart Oil; Cox Butane; Shepard Gin; Co-Op Gin; Green Frog Cafe; Panhandle Compress and Warehouse; Paul L. Kennedy; Norlan Dudley; Bob McLean and Bob Estes of Dimmitt and Brockman Hardware of Nazareth.

The Irrigation Rodeo will be held again in August, 1959, according to this year's sponsors.

Lions Discuss New Stadium At WTSC

W. A. Hawkins, Jr., was in charge of the program Monday at the regular Hart Lions Club meeting.

Topic of discussion during the program was the new West Texas State College stadium at Canyon.

Prospects for the coming football season were presented in a talk by Hart high school football coach, Bill Shelby.

NOTE OF THANKS

I would like to thank everyone for their many cards, letters, telegrams, flowers and prayers received during my recent illness.

Hart School Opens With Assembly Monday Morning

All Hart school students will meet Monday morning in a general assembly to officially open the school year.

The announcement was made this week by superintendent Paul Kennedy. Friends and parents of students are cordially invited to attend by the faculty.

Immediately after the general assembly, high school students and elementary classes will meet in separate assemblies, with respective principals, J. V. Wescott and Royal Copeland in charge.

Students will go through the rest of the day as their studies will be for the semester, with lunch being served in the lunch room.

Superintendent Kennedy said this week he was "exceedingly happy to give this community a library which is in perfect condition for the students. All books have been repaired and indexed."

The lunch room has an entire new staff except for Mrs. Ray Warren, who was with the lunch room staff last year. Mrs. Granville Martin is the superintendent and the other cooks are Mrs. Lester Lancaster and Mrs. O. L. Beavers.

"RICH TALK"

BY MAMIE RICH

Who will have the first bale of cotton in the Hart community? Last week Floyd County had its first bale, soon we will hear of Castro County's first bale. Will YOU have the first bale or will your neighbor be the first or maybe the fella who plowed his ground last and planted two weeks later than you.

Who knows?

While sight-seeing in Juarez, Mexico, over the weekend, we toured the cathedral in downtown Juarez.

This cathedral was completed two weeks previous, taking fifteen years to complete. There is no steel in this structure, the walls are five feet thick to hold the mahogany beams which covers the ceiling, and there is much hand-painting and carving on the ceiling.

There are ten statues carved and handpainted which look very real and are placed on each side of the cathedral and on the altar. The entire front of the church and altar are made of marble from Mexico City and are trimmed with twenty carat gold.

Each morning and night the organ is played and the choir sings. Also, each Saturday afternoon confirmation services are held for the young people.

Mothers-To-Be, I hope you read last week's "Ironing Things Out" by Korye Martin in the Olton Enterprise. It was so true and interesting, don't you agree?

Dr. Jack Harris, we are happy to announce, is feeling better and will be in his office a few hours each day.

The Church of Christ parsonage is nearing completion.

Hill Store was robbed Saturday night, but only few articles were found missing.

The daughter of Mr. and Mrs. C. W. Seago fell and broke her arm Monday.

CURBS FOR HART STREETS

HART STREETS, 12 blocks, are now in the process of being paved. At present the crews are laying concrete for curbs and gutters, as shown above. Asphalt paving is expected to be laid in the near future. Streets under construction are Avenues F, G and E, from Broadway to First Street. (STAFF PHOTO)

Monte Phillips And Lillian Tolbort Are Wed In Quiet Home Service Sunday

The home of Mr. and Mrs. Bill Phillips of Tulsa was the scene for the quiet ceremony which united Miss Lillian Tolbort of Winnsboro and Monte Phillips.

The ceremony was read by Rev. George Lane of Plainview, Sunday August 24, at 2 PM.

Mrs. Dean Phillips, of Tulsa, sister-in-law of the bridegroom, was matron-of-honor, and Jerry Phillips, brother of the bridegroom was best man.

Following the ceremony, refreshments of cake and punch were served at a reception. The bride's chosen colors of blue and white were carried out.

Mrs. Van Wakefield and Mrs. Dean Phillips served the cake and ladled the punch.

After a wedding trip to Carlsbad, NM, the couple will make their home in Hart. The bridegroom is employed with Farmers Grain Co.

Assembly Of God To Begin Revival

The Assembly of God Church will begin a revival series Sunday.

Rev. Jess Ashley and Gerald Boggs of Amarillo will be the speakers.

Services begin each evening at 7:45 PM. A general invitation is extended to the public.

FARWELL PARTY HONORS PASTOR

A farewell party was held for Rev. Don Green of the Hart Church of Christ Friday night in the home of Howard Davenport.

Rev. Green is returning to Texas Tech to work on his Masters degree and Mrs. Green will teach at Lubbock Christian Elementary School.

Ice Cream and cake were served to the group.

Hart Sailor Leaves On Pacific Cruise

WESTERN PACIFIC(FHNTN)—

Alvin H. Beavers, fireman, USN, son of Mr. and Mrs. O. L. Beavers of Hart, is serving aboard the attack aircraft carrier USS Midway which departed the states August 16, for an extended cruise in the Western Pacific as a unit of the US Seventh Fleet.

The 60,000-ton vessel is expected to visit Pearl Harbor, Hawaii; Yokosuka and Iwakuni, Japan; Hong Kong, BCC; and Subic Bay, Philippines, before returning to her home port of Alameda, Calif., early next year.

Hart Firemen To Get Tags, Cards

Members of the Hart Volunteer Fire Dept. will soon have car tags and membership cards, it was decided at a meeting Monday evening.

The new cards will have the member's name, name of the chief and the blood type of the member for emergency use.

Stewart Newsom, Walt Hansen, and Norlan Dudley were named to the committee to draw up the rules and regulations of the dept.

It was also decided at the meeting that drill meetings will be held the first Monday of each month beginning at 8 PM, during the summer season and 7 PM, during winter.

Business meetings have been set for the fourth Monday of each month, starting at the same hour as drill meetings.

Sept. 8 was named as the next drill meeting.

A demonstration of the fire truck was given to members who were not present at the last meeting during the Monday session.

Those present were: G. V. Martin, Bob Richmond, John Ray Holloway, Kenneth Warren, Billy Gallion, Stewart Newsom, Claude Cox, Lyndall Warren, Joseph Bauman, Aubrey Myers and Willie Martin.

Longhorns In Practice Go

Hart's Longhorns opened their grid practice with 17 boys reporting for practice.

The players are practicing twice daily until school commences. They will scrimmage Tulia tonight at Tulia.

Coach Bill Shelby says he has a big rebuilding job to do with eight boys gone from last year's team. He will be looking for a quarterback, fullback and both guards, lost through graduation; and a halfback, and big, 225-pound center lost through transfer.

Saturday night the Longhorns will host Cooper in a scrimmage which will start at 6 P.M.

Players returning from the 1957 squad are: Halfbacks J. D. Myrick, Conard Riddle and Gene Varner; Tackles Kenneth Jennings, Thomas Holster, Ronald Clark and Donald Clark; Guards Bob Bowden and Mando Gonzales.

New candidates are Gene Johnson, Eufemio Rubalcaba, Larry Lee, Ralph Myrick, Robert Molina, Mike Morrison, John Holloway and John Smith.

This year's managers are Jerry Feller and Wilburn Brooks.

The Longhorn's season opener will be away from home. They will play Estelina September 5.

The first home game will be against New Home, September 12. Both New Home and Estelina games are non-conference.

Nazareth Church To Hold LD Picnic

Members of the Holy Family Church of Nazareth will hold a Labor Day picnic, Sept. 1, at the Nazareth Community Hall.

Fried chicken dinner will be served, beginning at 12. Entertainment will be featured throughout the evening. The supper will be served beginning at 5 P.M. and a dance will follow.

Hart Residents Enjoy Swimming

A swimming party feted several Hart residents Tuesday night at the Olton Recreation Center.

Present were Mr. and Mrs. Norman Dudley and children, Mr. and Mrs. Claude Cox and children, Mr. and Mrs. Lloyd Davis and Lonnie, and Mr. and Mrs. Herman Burgess and children.

"Pa Ike" Is Feted On His 83rd Birthday

Lubbock Mackenzie Park was the scene Sunday for a birthday luncheon in honor of "Pa Ike" Stewart. He was 83 years old.

Pa Ike, as he is known by all his friends, is a former resident of Peacock. He now resides with a daughter, Mrs. J. J. Newsom of Hart.

Among those attending were seven of his eight great-grandchildren. Ages of the guests ranged from Pa Ike's great-grandson, two-year-old Mark Hodge to 95-year-old "Manny" Rigby of Lockney, who is also Mark's great-grandfather.

Approximately twenty-one were present. Attending from Hart were Mr. and Mrs. Newsom, Mr. and Mrs. Stewart Newsom, Debbie, Vickie, Ronnie and "Pa Ike".

Mary Taack To Represent Castro

Mary Taack, daughter of Mr. and Mrs. Roy Taack, will represent Castro County as their "Baking Queen" at the Tri-State Fair in September.

Mary will show biscuits and a fruit pie. She won a blue ribbon and medal at the County Baking Contest.

Other girls from Hart, who entered their records, biscuits, and fruit pies at the County Bake Show, July 30, are Renee Brooks, Juanita Diaz, blue ribbons; Linda Armstrong, Susie Diaz, and Retta Henderson, red ribbons. Each girl received a medal.

Rites For Infant Held Monday

Funeral services honoring the memory of Mr. and Mrs. Randolph Whitson's baby daughter were held in Littlefield, Monday at 2 P.M.

Mr. and Mrs. E. E. Whitson are the grandparents and Travis Whitson, the uncle of the infant.

MUSTANG TALE

By Gayle McAnally

A sincere vote of appreciation goes to the nice someone who wrote the letter which I received in the mail recently. Also many thanks for this bit of news—

"Beverly Eby was with Huey Sheldon, last Wednesday and Friday nights. He is from Plainview."

That Sharron Dennis gets around just about as much as any one girl can! She was with Arno Hall Thursday night two weeks ago, with Carl Nafzger the following Friday and Saturday nights, and then with Jerry Fancher this past Friday and Saturday nights. Who'll be the next lucky guy?

John Paul Jones and Gayle Machen dated both Friday and

Stream, New York to visit her parents, Mr. and Mrs. C. B. Patterson.

Mr. and Mrs. Roy Pyeatt and Royce Lynn met Mrs. Pyeatt's mother, Mrs. Oliver in Amarillo Sunday night. Mrs. Oliver will visit for a few days.

Mrs. Edd Golladay and daughter, Gertrude, visited on Wednesday in the O. D. Dinwiddie home. They are former residents of Hart now living in Fort Worth, where Miss Golladay is connected with the city schools.

Mrs. Harvey Davis spent Friday and Saturday in Lubbock at the bedside of a sister, who underwent surgery.

Mr. and Mrs. E. R. Carpenter and Mrs. Alma Culwell of Knox City visited the Dinwiddies' and other friends here Sunday afternoon.

Mr. and Mrs. Jim Brooks, Mr. and Mrs. Claude Ray, Mr. and Mrs. Paul Brooks, and Mrs. Anne Brannan are all back from holidays.

Lyndall Warren has purchased a house from Ernest Martin.

The Holloways have moved to the C. E. Patterson house.

Mr. and Mrs. J. J. Newsom visited last week in the home of Mr. and Mrs. T. R. Davis of Lelia Lake.

ONE OF FEW VOTERS

Saturday nights.

m-t

Sheri Smart, my sweet little 'ole cousin from Albuquerque, NM, is visiting in my home this week. Sheri is kinda of a mixture between a Texan and a New Mexican (having lived in both places.) Instead of saying "You Grys", or the Texas "You All",—Sheri says "You All Grys". Meet her . . . You'll enjoy it immensely. (Pardon the plug for my own kin, please . . . I guess I just kinda sorta like her!) By the way, you'll be interested to know that this lovely New Texican (combo) has enhanced several of our Olton lads . . . Max Wozencraft and L. H. McAdams among them.

m-t

Attention All Grammarians: Please, please, excuse any and all abuse of the English language which you may see in this column. I'm trying . . . honest.

m-t

I've said it before, and I'll keep saying it . . . MUSTANGS, BEAT PETERSBURG.

m-t

Elton O'Neal and Nelda Green are still going strong . . . to say the least.

m-t

Jane Thurman and Randall Roper rate a nomination for being the surprise couple on the dating scene this week. They were a duo Saturday night. Course, it was rather surprising, at least to me, to hear that she was with Jerry Young Sunday night. Either way you go, Jane is surprising, or so it would appear this week.

m-t

Keeping up with Arno Hall and his dates requires a full time watcher! He was with Bobbie Campbell, Saturday night week, Tuesday night week, and this past Friday night. Bobbie is no new date to Arno though, they've been together several times before now.

m-t

Jerry Brothers was with someone, my informers have no idea who, Sunday night at the Tasty Creme.

m-t

I. A. Webb and Janice Campbell dated Friday and Sunday nights.

m-t

A few "Frankies and Johnnys" Sunday night were Winfred Hair, Ronda Robertson; Kenneth Prestridge, Lana Hair; Phyllis Hair,

general condition of your car helped when it contains some eight or nine people?

m-t

Kay Gregory visited with Shirley and Margaret Matney in Midland about three weeks ago. While there, she met a certain Charles Collins. Charles spent this week-end in Olton; for an apparent reason—Kay.

m-t

Jerrell Hadaway and Sandy Sanderson of Earth were in Olton Saturday night to see Lonnie King who reportedly had the flu.

m-t

Again: MUSTANGS, BEAT PETERSBURG!!

m-t

I'm really looking forward to school starting this fall. I guess I can take the waiting, as school starts Monday. In case you're interested though, there are approximately only 153 school days remaining until school is out in May. Interested?

m-t

Donna May is another one of those girls that gets around. She dated Gary Lawson Thursday night and J. D. Myrick of Hart Saturday night. J. D. is the boy with the red and white Impala Chevrolet.

m-t

Who were the girls that Bill Boverie and Walter Coventry were squiring around Sunday afternoon and night? Huh?

m-t

All in one car Sunday night were Butch Hulsey, Billy Hair, Tommie Wilson, Lewis Earl Calame, Kay Gregory and Bobbie Campbell.

m-t

Noticed several junior boys together Sunday night. What are these boys coming to?—they had a sophomore with them!

m-t

It's not that I have anything against any of the other classes, it's just that I'm prejudiced toward anybody that's not a junior.

m-t

Lonnie Miller is really living fast! He was with two different girls in one week. Really, that's not fast, it's just that this isn't Lonnie's usual pace. Jerrie

McGrew of Halfway received the honor of Lonnie's company on Thursday night, and our own Joyce Curtis was the lucky lady Sunday night.

m-t

Donna Whittington returned this week after spending two weeks in Altus, Okla., with her cousin, Katie Lou Goldsberry. Have fun?

m-t

Joann Lawson reports that everything in the Oakie State lived up to expectations. Hurray for you!

Wrong Spray Can Ruin Milo Crop

A wrong mixture of insecticides on grain sorghums can cause the harvested crop to be condemned, Lamb County Agent W. R. Kimbrough states this week.

Kimbrough said farmers had been using a number of wrong insecticidal mixtures on grain sorghums in fighting false chinch bug infestations, and that the materials had not been cleared for use on the crop.

"The last communication from the State Extension Entomologist

has listed toxaphene and malathion as materials which may be used on the grain crop. Parathion has been added to this list. "The three materials may be used within the following restrictions," he said, "malathion may be used to within 10 days of harvest, parathion to within 21 days of harvest and toxaphene to within 30 days of harvest."

"DDT alone, or in combination with other materials, should not be used on the grain crop," he said.

"We cannot urge the farmers too much to realize the importance of using insecticides that will not be condemned," Kimbrough concluded.
