## CC Reaches Third of Goal First Day

Thirty-two new members -- one third of the total quota -- were added to the Chamber of Commerce rolls on the first day of the fall membership drive, Chairman Charles Floyd announced as results were tallied.

The goal is 100 new members.

A kick-off breakfast at Cherokee Inn Dining Room opened the drive Monday, October 1, with Mr. Floyd, high school science teacher, handing out campaign materials and giving a short pep talk.

Team captains and workers, all members of the C-C board of directors, were announced, and a contest between these was officially opened.

At the end of the drive, the loser will treat the winners.

Mrs. Esta Glenn and Pat McAlister head one team with their members being John Coleman, Billy Moseley, Travis

## City Council Approves Budget, New Tax Roll

A budget of \$437,325.07 for the year ending June 30, 1974, was accepted by the City Council in its meeting Monday night, October 1.

Of this amount, \$248,928.88 is budgeted to general operation of the city, while \$188,396.19, is allocated for the water development, according to figures presented by City Manager Lyman Daniel.

The council members also approved the city audit presented at the last meeting by the city's auditor, Don Wells of Shamrock.

Approval was also given the 1973 tax roll, which totals \$4,009,133 for both real and personal property. It is projected that this will give the city \$51,988.98 in tax money.

Approval was also given for the collection of delinquent tax.

## Former Resident To Hold Revival

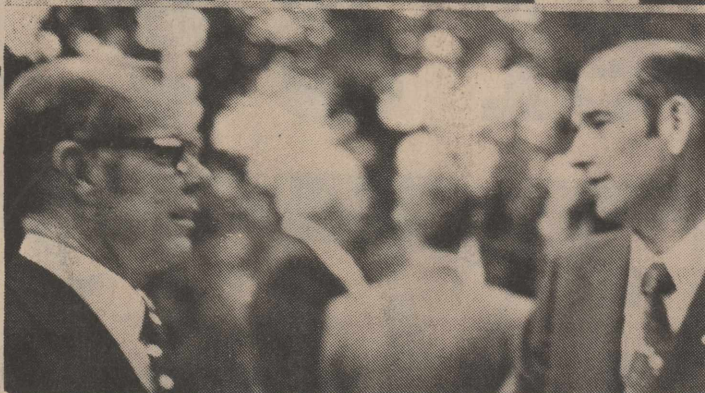

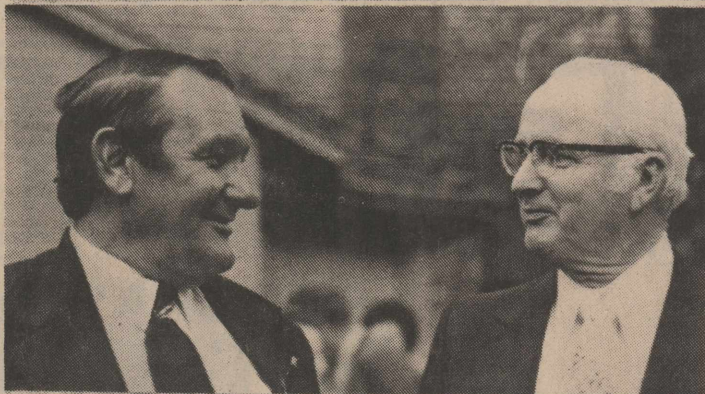

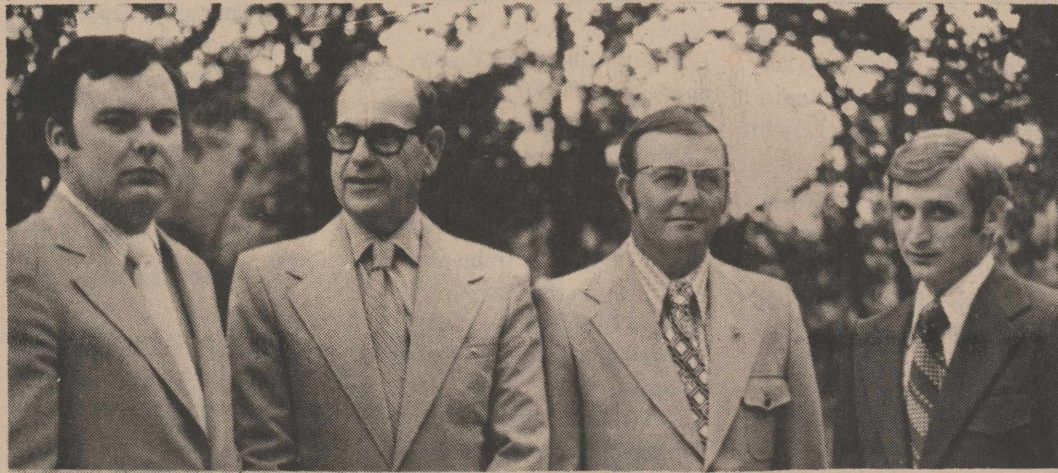

A former Wellington man will return as the evangelist for a revival at Fundamental Baptist Church Sunday, October 7, through Friday, October 12.

He is Dr. Claude N. Craven, pastor of Trinity Baptist Church in Big Spring. Services will be at 7:30 p.m. The Rev. Steve Dolloff, pastor, will lead the singing.

Dr. Craven lived here until 1948 and was the son of the late Mr. L.C. Craven and Mrs. Craven of Amarillo. He served in the Armed Services then returned to Wellington. and was married to Elizabeth Beck of Hollis, Okla. He accepted the call into the ministry in the Fundamental Baptist Church here.

In 1948 Dr. Craven enrolled in the Baptist Bible Institute in Ft. Worth, where he graduated in 1952 with a B.D. degree and also earned a Th. M. In 1971 he received D.D. Degree from the Bible Baptist Seminary in Arlington.

The Craven's have five mar-

### KIWANIANS INSTALL

Wellington Kiwanis Club installed new officers Tuesday, September 25, at Hay Camp Country Club. At top, from left, are Bill Spillman, second vice president; Robert Valliant, president; Pat McAlister, first vice president and Dan Hiatt, treasurer. At center are Paul Spillman, outgoing president, and James A. Gilmer of Amarillo, Lt. Governor of Division VI, Kiwanis International. At bottom, Garner Altom, secretary, visits with Gerald Hall of Vega, Lt. Governor-elect.

## Rockets Open District Play

Wellington Skyrockets open district play Friday, October 5, against the powerful Clarendon Bronchos, 1972 state finalists in Class A Football. The game will be played at Clarendon at 8:00 p.m.

"This will be another tough one that counts for both teams," declared Head Coach James Williams.

Although Clarendon lost several starters by graduation, the team the Skyrockets meet will

be principally the same one that went to the state finals.

"The Bronchos have a little more speed than Childress and pretty good size," says Coach Williams. "They have a lot of height to go with their weight. They are just a real balanced ball team."

Clarendon runs from the Power I on offense and a Six on defense.

"They are unusually tough and we'll have to get ready again, for we know we'll have to play football."

The Bronchos had a 1972 season of some 15 or 16 games.

They opened this season with a 13-0 loss to Childress, the AA powerhouse that last week was toppled by the Rockets. In that game, the Bronchos showed themselves with a tough defense and a lot of offensive potential. Their mistakes cost them the game, but these have been corrected.

The following week, Clarendon put it all together and defeated the White Deer Bucks 42-0. This was not the measure of the Bronchos, however, since the Bucks have fielded a weak team to this point.

The third game was a better indication. In a surprise upset, Clarendon defeated the highly touted AA Quana Indians 21-7. That team had been considered to be about as strong as Childress.

Clarendon had an open date September 28, but Coach Clyde Nooncaster's Bronchos were by no means idle. They do not consider Wellington lightly, and they attach considerable importance to the fact that the Rockets came to within 10

## Mrs. O'Neil Dies Friday After Long Illness

Mrs. Austin (Leatrice) O'Neil, prominent county ranch woman, died in St. Joseph's Hospital at Ft. Worth, Friday, September 28, after a long illness.

She came here as a child, and this remained her home except for a short time when her husband's work took them to Colorado.

During the years her children were growing up, Mrs. O'Neil worked closely with the schools and in youth activities. She gave generously of her time and efforts in behalf of many civic enterprises which she believed were good for the town and its people.

Mrs. O'Neil lived for a number of years on the Mill Iron Ranch, during the time her husband was ranch manager. Later they moved to their own ranch in the north part of the county, and she worked closely with him in its management and development. She shared with him honors that came in the field of soil conservation.

After Mr. O'Neil's death August 2, 1966, she continued to live at the ranch and was actively in charge until she was joined by her sons.

For several years, after her health began to fail, Mrs. O'Neil spent much time in Mineral Wells and Fort Worth. Born at Bonita May 29, 1898, she was the former Leatrice Dean, daughter of the late Mr. and Mrs. J.C. Dean.

She and Mr. O'Neil were married on July 17, 1917. Mrs. O'Neil was a member of First Baptist Church.

Funeral services were conducted at First Baptist Church at 2:30 p.m. Monday. Officiating were the Rev. C.R. Hankins, pastor of Glen Davis Memorial Methodist Church at Dozier and the Rev. Raburn Holton of Garland. Burial was in Memorial Gardens under the direction of Kelso Funeral Home.

## Murder Mystery on Stage at Norwood

A murder mystery by a famous American author has been chosen by the Samnorwood seniors and juniors as their class play, to be staged Thursday, October 4.

This is "Night of January 16," by Ayn Rand, and curtain time is 8:00 p.m.

The action takes place in a New York court room, during the trial of Karen Andre, accused of murdering her employer, millionaire Bjorn Faulkner.

Taking the role of Karen is Connie Dwyer, and it was from the roof garden of her penthouse that Faulkner fell.

Others in the cast include the Prison Matron, played by Jannette Oldham; the Baliff, Harold Hill; Judge Heath, Larry Stages; District Attorney Flint,

Mike Oldham; defense attorney Stephens, Mark Simpson; and Clerk of the Court, Paul Gowan.

Witnesses in the case are Dr. Kirkland, C.B. Bryant; Mrs. John Hutchins, Ethel Bryant; Homer Van FLeet, Kim Martindale; Elmer Sweeney, Brad Carter; Nancy Lee Faulkner, wife of the murdered man, Judy Bell; Magda Stenson, Teresa Ray and Roberta Van Rensselaer, Elaine Purkey.

Others are John Graham Whitfield, friend of Mrs. Faulkner's played by Doug Coleman; Jane Chandler, Chrissie Paschal; Sigurd Jungquist, Darrell Bast; and Larry Regan, played by Johnny Morgan.

Mrs. Billie Shirley is directing the play.

## Department Slates Observance Of '73 Fire Prevention Week

Wellington Volunteer Fire Department will lead the observance of National Fire Prevention Week with a series of events starting Monday, October 8, and continuing through Friday, October 12.

For the Wellington department, this brings up the annual election of officers, which will take place at the regular training meeting on Monday night, Chief David Peters announced.

Officers serving with Chief Peters are Buster Hughs, first assistant; J.D. Baker, second assistant; John Brown, president; and Billy Wilkerson, captain. The department is short one captain since Glen Norman moved to Waco.

Dr. Carter Holcomb is the

department doctor, and Howard Breece is the paid fireman.

Much of the department's work during Fire Prevention Week is educational, and the Wellington unit will sponsor the Fire Prevention posters among students of the elementary school. Prizes will go to the winners, and their pos-

ters will be entered in the state fire prevention poster contest.

At this time, also, firemen will begin pushing the sale of hand fire extinguishers, with the goal being one in every home. These are easy to operate, and the firemen will teach the purchaser.

It is pointed out that the use of one of these in case of an em-

ergency can prevent a destructive fire.

"All of the fire extinguishers that the department sells will be refilled free of charge," said Mr. Hughs.

The Wellington Volunteer Fire Department presently has 22 members, and these include Mr. Baker, Lynn Emmert, Jim Sikes, Jerry Lee, E.C. Bobbitt, Carroll Reynolds, Dr. Holcomb, Jerry Settle, Mr. Wilkerson, Alton Wilkins, Mr. Hughs, Mr. Brown, Leon Martin, Lyman Daniel, Mr. Peters, Elmer Green, Ken Patterson, Alvin Minatrea, Bill Anders, Bob Watson, John Green and Mr. Breece.

## New Mexico Man Joins City State

Venum Fitzgerald, 33-year-old Santa Rosa, N.M., banker has been added to the staff of City State Bank as a vice president and loan officer.

Announcement of his appointment was made by Melvin Boothe, president.

Mr. Fitzgerald began his duties with the bank October 1, and he and his family have moved here.

He had been assistant vice president and loan officer of the First National Bank in Santa Rosa since May 11, 1970, and prior to that he was cashier of the First National Bank in Levelland.

With eleven years experience in the banking field, Mr. Fitzgerald began his career as bookkeeper at the Plains State Bank in 1962 and was promoted to cashier and secretary of the board, with duties which included making small farm loans and personal loans. He held this post until he moved to Levelland in April 1968.

Born at Brownfield, he grew up on a ranch at Plains, where he graduated from High School. He attended Lubbock Christian College and South Plains College in Levelland. In conjunction with his banking duties, he has completed nine courses by the American Institute of Banking.

Mr. Fitzgerald has been active in civic as well as the financial life of the towns where he lived. At Levelland Plains, he was a member of Lions Club and was secretary-treasurer at the former.

He was a director of Santa Rosa Chamber of Commerce at the time he came here and had been president of Rotary and treasurer of Boy Scouts.

He is married to the former Judy Palmer of Plains, and they have four children, Vennette, age 10; Vincent, 7; Vonda, 5, and Vee Ann, one month.

The couple is active in the Church of Christ and Mrs. Fitzgerald was a member of a literary club and garden club.

## W. M. Williams, Retired Farmer, Dies Tuesday

W.M. (Bill) Williams, 85, died at 4:30 a.m. Tuesday, October 2, in Thomas Nursing Home, after a long illness. He had lived in Collingsworth County 68 years.

Throughout the time he was an active farmer, Mr. Williams lived in the Cottonwood community. He held a place of leadership in that part of the county, with an abiding interest in its educational and religious life.

Since he retired, Mr. and Mrs. Williams have made their home at 1202 East Avenue.

William Marcus Williams was born March 21, 1888, in Bridgeport, the son of Dave and Ida Sheppard Williams, who had moved there from Alabama and Tennessee.

Mr. Williams came to Collingsworth County in the fall of 1905 to help E.B. Haralson harvest his crops. By the first of the year, he knew he wanted to remain and began farming in the Lillie community.

He was married to Miss Carrie Ethel Haralson August 23, 1908.

Mr. Williams served as a road overseer and as a school trustee, at Cottonwood, but the greatest influence he exerted was by the example of his own life, and through his many friendships.

He had been a Baptist since early in life.

Funeral services were conducted at 2:00 p.m. Wednesday, at First Baptist Church, with the Rev. Howard Jones of Hamlin, a former pastor here, officiating. Burial was in Fairview Cemetery under the direction of Kelso

## Annual Men's Golf Tournament Slated

More than 100 players are expected in the 11th Annual Wellington State Bank Men's Golf Tournament when qualifying play begins Friday, October 5, C.T. Hubbard, president, has announced.

Qualifying rounds will continue through Sunday, October 7, then the final rounds will be played Friday, Saturday and Sunday, October 12, 13 and 14.

Flights will be determined by the 18 holes played this week, Mr. Hubbard said.

Each man will play 36 holes

in the finals next week. Approximately 110 men are already listed as potential tournament players, and others may come in.

Mr. Hubbard emphasized that this tournament is open to any resident of Collingsworth County and they are invited to come in and register.

First, second, third and fourth place awards will be presented in flight, and in addition, there will be special awards for those closest to the cup on holes 1 and 9. This is a customary procedure.

## Name Zone 5 SCD Director at Lutie Saturday

An election will be held at Lutie Gin office Saturday, October 6, to name a director for Zone 5, Salt Fork Soil and Water Conservation District.

Plans were announced by Tommy Powell, unit supervisor for Soil Conservation Service.

The voting hours are 9:00 a.m. until noon. Dan Henard Jr., is the Zone 5 incumbent.

Voting will be by written ballot.

Zone 5 is roughly that part of the county lying north of Salt Fork River and east of Highway US 83, Mr. Powell explained.

Eligible to vote is anyone who owns land within Zone 5, and who is a resident of Collingsworth County.

The new director will serve for a 5-year term, and with others on the district board will provide leadership in soil and water conservation work within the county.

points of beating Shamrock. This concern deepened after the Childress downfall.

In the three games they have played this season, Clarendon has run up an impressive 1,021 total offensive yards while limiting its three opponents to 484. The small total for these opponents speaks clearly for the strength of the Broncho defense, which has among its star performers Danny Monroe, Jimmy Floyd, Tommy Hill, Rodney Hicks, Wayne Harden and Stan Shelton.

Powerhouse of the Clarendon backfield is Randy Crosslin, 6-2, two hundred pound quarterback who led the Broncos to state last year as a sophomore. He has matured even more, and is showing a superb

job in directing the offense. His passing also is highly effective with receivers including Johnny Gerner, Stan Shelton and Kenneth King.

Among Broncho homefolks, however, the biggest threat the Broncos have shown is Kenneth King with his running ability. He is about as quick as anyone who has gone through football in District 2-A, and he is also good on kickoff and punt returns.

The Skyrocket victory over Childress not only sparked the spirits of the team, but it did the same for the student body. Beyond that, it has been many a year since football enthusiasm boiled so high in the community.

"Our boys did a great job to win over Childress. I'm tickled to death," declared Coach Williams.

"They've gone ahead to show what they can do. But we've got to get ready all over. We've got to forget Childress and start looking at Clarendon,"

he said Monday morning.

"It was one of the greatest efforts we have had in Wellington in a good while. The boys put it together and played as a team. Childress had a good team and we had to play good ball to beat them."

Wellington has no injuries, except for bruises, and Coach Williams says he does not plan for any change in the lineup for the Clarendon game.

Pall bearers were Jimmy Graves, Jimmy Cochran, John Rainey, J.R. Bowen, Jr., James Sullivan and Calvin Hurst.

Survivors are three sons, Austin O'Neil, Jr., of the ranch north of Dozier; Ted O'Neil of Whitney and Walter L. O'Neil of Ft. Worth; a sister, Mrs. Allen Trimble of Shamrock; a brother, W.L. (Doc) Dean; 11 grandchildren and three great grandchildren. Her only daughter, Pollyanna O'Neil Adams, preceded her in death.

McGuire, Lynn Jenkins, Billy Hatch and Jerry Lee.

Heading the other team are Mr. Floyd and Dan Hiett. Their workers are Jimmie Kelso, Bill Spillman, Garner Altom, Mack Saied, Jr., Charles Darter and Robert Owens.

This membership drive is county-wide, and T.E. Lennon will head the work in Dodson.

Chairman for the Samnorwood area is Mrs. Rudie Tate, while Mrs. Delbert White and Mrs. Carl Wischkaemper are co-chairmen at Quail.

Mr. Floyd announced that as soon as the membership drive ends, a number of chamber activities will be started that will actively involve these new members, as well as those who already belong.

On Monday, also, the Wellington State Bank became the first business institution in the city to reach 100 percent membership of all employees in the Collingsworth Chamber.

The public will be able to watch the progress of the drive. Mr. Floyd announced that a giant thermometer will be erected on the Court House lawn, and the daily rise in the number of members recorded.

The campaign is being conducted on an informal basis, according to Mr. Floyd and his co-chairman, Mrs. Esta Glenn. Through this, the work the C-C does in Collingsworth is told on a one-to-one basis to non-members. Even school students are learning the story, although it is emphasized that they are in no way solicited for membership. The work at this point is educational.

Some of the new members Monday turned around and became workers in the campaign.

Members added Monday, with husbands and wives consisting of one membership, included:

T.E. Lennon of Dodson, O.V. and Wandell Johnson, Jimmie Wilkins, Grant and

Edna Wooldridge, Sam and Sybil Thompson, Tommy Thomas, Ray Cozad, Jack Kennedy, Enoch Fuller, Carroll and Jean Reynolds, Mrs. Mecca Manuel,

Mrs. Yvonne Brewer, Rodney Porter, James Morgan, Bill and Ann Long, Mrs. Kay Feemster, Mrs. Lucille Wooldridge, Mrs. Eva Thompson, Mrs. Janell Brown, Mrs. Rita Owens, Mrs. Linda Jones, Mrs. Glynda Colson, Mrs. Donna Dabney, Mrs. Patsy Martin, Mrs. Paulene Estes, Elvis Crawley, Miss Dorothy Robertson, Vickie and George Porter, Bob and Verne Barton, and Bill and Roxie Hill.

### #1—continued from page 1

Mr. Cozad was trained as an electrician in the Navy. He is married to the former Polly Browning, and the couple has a young son.

In his new work, he will have complete care of the ambulances and co-ordinate the volunteer

service, as the community will still depend on volunteer drivers and attendants for 16 hours each day. Charles Waugh, minister of First Christian Church, has been the ambulance service co-ordinator on a volunteer basis and will work with Mr. Cozad through October.

The Collingsworth Volunteer Ambulance Service in a meeting Thursday, September 27, approved the purchase of equipment for the new ambulance to bring it to state specifications. Jimmie Kelso of Kelso Funeral Home will coordinate this work.

Funeral Home.

Pall bearers were Ocie Scott, Paul Bell, Cal Sugg, Ernest Harwell, Alvin Horton and Bob Barton.

Surviving Mr. Williams are

his wife; a son and three daughters, Billy D. Williams and Mrs. Woodrow Wood of Wellington, Mrs. Oleta Bennett and Mrs. W.F. Carlisle of Wichita Falls; a sister, Mrs. Pearl Aaron; two half brothers, E.F. Bartlett and Ozro Bartlett; 10 grandchildren and 8 great grandchildren.

His older son, John Herman Williams of Dallas, preceded him in death.

## Mrs. Mabery Low in WSB Golf Tourney

Mrs. R.L. Mabery shot a low score of 131 to take first place in the Wellington State Bank third annual Ladies Golf Tournament Sunday, September 30. She was also the leader in flight one.

Twenty-four women were entered in the event, with qualifying rounds being played Friday through Sunday, September 21 to 23. Final rounds began Friday, September 29, and the last stroke, to break a tie, was played at mid-afternoon Sunday.

Mrs. Harold Watkins received the special award for having her ball closest to the cup on the first hole.

With Mrs. Mabery shooting the low score in flight one, other winners were Mrs. Wayne Martin, second; Mrs. Jones Singley third, Mrs. Tom Anderson and Mrs. Henry Sullivan each shot 148 for the 27 holes, and in sudden death play-off, Mrs. Anderson received fourth place.

Flight two winner was Mrs. Howard Holton with 137, while Mrs. Bill Long was second with 147; Mrs. Richard Nall, third with 157 and Mrs. Jimmy Black fourth with 180.

Mrs. John Sherman was first in the third flight with 168; Mrs. Cal Hurst second, 175; Mrs. Dan Hiett, third, 188; and Mrs. Auther Jones, fourth, 191.

Others entered were Mrs. J.W. Cochran, Mrs. Willie Gragson, Mrs. John Holton, Mrs. Barney Glenn, Mrs. Edd Henard, Mrs. Mickey Kendrick and Mrs. Jim Wood.

Presentations were made by C.T. Hubbard, Jack Neeley, Marlin Felts and Dan Hiett of Wellington State Bank. This was the largest of the three tournaments the bank has sponsored for women.

## Highway Staff At Opening of I-40 By-Pass

Employees of the Wellington office of the Texas Highway Department attended the ribbon cutting and barbecue with which the Shamrock By-Pass of Interstate Highway 40 was opened to traffic Friday, September 28.

First O.V. Johnson, resident engineer, and Clyde Drake, retired District 5 Construction Engineer, attended the dedication of the new Texas Highway Department Ware House in Childress.

Going directly to Shamrock, they and other Wellington personnel attended the barbecue staged by the Shamrock Chamber of Commerce. The guest of honor was D.L. Deberry, State Highway Engineer. He was also the principal speaker at that time.

Immediately afterward, the ribbon cutting ceremony was held at one point on the by-pass, with Mr. Deberry again the guest of honor.

Going from here were Mr. Drake, Mr. Johnson, Glenn McLain, Willie Gragson, Jack Ford, Bill Long, Hubert Mauldin, Grant Wooldridge, Harry Patterson, Doyle Brown and Mike Smith.

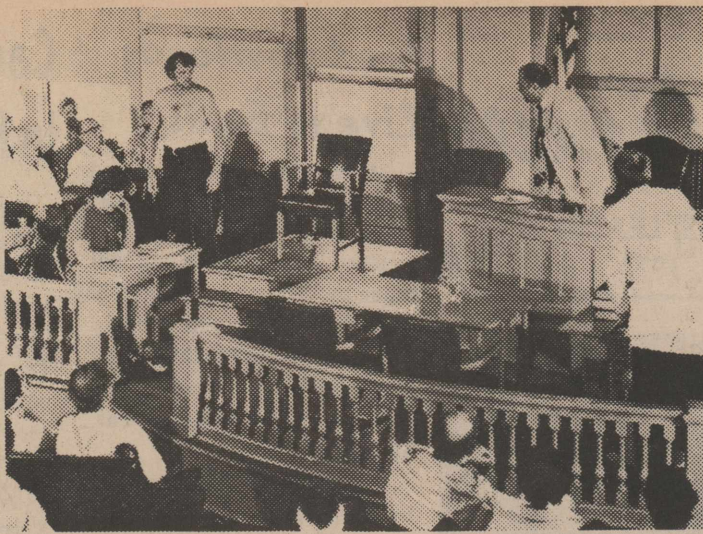

## Emil Kersten

### Now Improving

Emil Kersten is improving slowly from a leg ailment, from which he has suffered for 8 weeks.

He was hospitalized in Amarillo for a week and later for a period of time in Collingsworth General Hospital. He is now at home and said this week he is "up and about."

Visitors in the home of Mr. and Mrs. Alvin Horton during the week end were Mr. and Mrs. John A. Horton and son, John Ed of Arlington, Mrs. Johnny Embry of Amarillo, Mr. and Mrs. John D. King and Mr. and Mrs. T.W. Loveless and Tana of Dumas, Mrs. Betty Welch of Ft. Worth and Arlie Green of Borger. Mrs. John Horton and John Ed are spending the week.

## Officers Picked By Sophomores

The sophomore class of Wellington High School met recently to elect officers.

George Brewer was chosen president; Jimmy Saied, vice-president; Jeff Hanna, treasurer; Paul Hanna, secretary; and Karen Jeffrey, reporter.

Kim Goforth and Paul Hanna were elected student council representatives and also class favorites.

The sponsors are Mrs. Bill Long and Charles Floyd.

## Quail News

By Mrs. G. T. Stephens

Rev. John Hoggard of Hedley preached at the Quail Baptist Church Sunday morning and Sunday night. After morning services, the congregation had dinner at the church. These dinners are held each fifth Sunday.

Bill Clayton Pegram of Westcliff, Colorado, visited his grandparents, Mr. and Mrs. Roy Pegram, recently. He had enrolled in Colorado State College at Ft. Collins for the fall term. This is his second year there.

Mrs. Mary Clay and Mrs. Jenny Oatman came home Friday after an extended visit in Houston, with Mrs. L.N. Shelton and in San Antonio with Mrs. Clay's daughter and family, Mr. and Mrs. Lynn Dawson and Jill.

Mr. and Mrs. L.A. Davis returned home last week after spending a week at Gladstone New Mexico, with cousins, Mrs.

Bonnie Kisee. They also visited in Colorado and at Cimarron Canyon.

Mrs. Kisee visited here with the Davises four days in the early fall. She attended the Collingsworth Fair with them.

Mr. and Mrs. Lee Heckard moved to Quail Friday. They bought the Jim Lowe house. The Heckards formerly lived in the Quail community 14 years, then lived in Los Angeles, Calif., several years, where he worked. He was transferred to Tucson, Arizona, where they spent a number of years. In all, they were away 27 years. Mr. Heckard said they didn't forget Quail, and came back here to retire.

Mr. and Mrs. Orville Atkinson of Plainview were guests in the home of Mr. and Mrs. Roy Pegram Sunday.

Mr. and Mrs. Lonnie Neeley and Mr. and Mrs. James Ingram

## Questions People Ask About the Catholic Church

Q. What have you to say about Father Berrigan and other bad Catholics?

A. When there were only a dozen people in the Catholic Church, 2,000 years ago, one of them, a chap called Judas, betrayed Jesus. There will always be good and bad in every organization and in every church. Lee Harvey Oswald, a Protestant, killed President Kennedy, and Jack Ruby, a Jew, killed Oswald. One of our biggest murderers in England, was a Baptist. All these broke the laws of God and of their churches, and all have to be punished here and in the life to come. They don't necessarily make their churches bad; they're just wayward members of basically good societies. Leave them to God's mercy and justice.

Q. I remember you saying you favored amnesty for draft dodgers; has your opinion changed?

A. I don't like the term "draft dodgers". It lumps together too many different types of people. Those thousands of men who, for reasons of conscience or religious upbringing, did not choose to kill people differ very much from the types who simply were too lazy or too cowardly or not enough interested in their country to join the Armed Forces. Each case should be completely examined on its own merits. All these young men should not be lumped together as traitors.

## Lance Ford Weds Susan Langford In Home Ceremony Friday Afternoon

Susan Lorene Langford and James Lance Ford, both of Wellington, were married in the home of her parents, Mr. and Mrs. Billy Joe Langford of Fritch, Friday, September 21, at four-thirty in the afternoon. The Reverend officiated at the double ring ceremony.

The bridegroom is the son of Mr. and Mrs. John J. Ford, 1510 Graham Street.

The vows were spoken before a large picture window. At the center, a tall pedestal held a basket of pink gladiolas in a sunburst arrangement.

Wedding selections were sung a capella by Burt Brinson of Fritch, cousin of the bridegroom.

Mr. Langford gave his daughter in marriage.

She wore a pale rose satin dress designed with a scoop neck and empire waist. The long full sleeves were inset with bands of lace, and matching bands joined the tiers of the full street-length skirt. Her braid and horsehair picture hat was of matching color and she carried a bouquet of white pom-pom daisies with baby's breath.

Attending the bride was her sister, Mrs. Bruce Gray of Borger. She wore an orchid satin dress of empire style, with a rolled collar and v neckline. The full skirt was street length. She carried a nosegay made from a single giant camelia in shades of pink.

Craig Bergvall was the best man. The ring bearer was the brother of the bride, Kevin Langford.

After the ceremony, Mr. and Mrs. Langford honored the couple at a reception.

The table was laid with a white linen cutwork cloth, and the centerpiece was the wedding cake and bride's bouquet. Members of the house party were Mrs. Billy Joe Patterson, aunt of the bride, Mrs. Craig Bergvall, and Mrs. George Hamilton and Mrs. William Savage of Fritch.

Upon returning from their wedding trip to points in New Mexico, the couple will live in Wellington.

The bride was graduated from Sanford-Fritch High School.

## Mrs. Crownover Hosts Dodson HD

Mrs. Thurman Crownover was hostess to the Dodson Home Demonstration Club Tuesday afternoon, September 25, when Mrs. Arla Felts, home extension agent, presented the program.

Mrs. C.E. Hightower, was in charge of the meeting and Mrs. Gilbert Hunt read the devotional. Members answered roll call by naming "My favorite painting and artist."

During the business session Mrs. Wayne Reynolds gave the council report, and Mrs. Hightower and Mrs. Purl Tippie were elected to attend a clothing clinic for county HD club representatives.

Mrs. Felts gave a demonstration on making yarn chrysanthemums, then gave hints on the effect of various styles of patterns on different individuals.

Refreshments were served to Mrs. Hugh Painter, Mrs. Lyla Black, Mrs. Hightower, Mrs. Reynolds, Bruce Jones, Mrs. Reggie Lewis, Mrs. Tippie, Mrs. Hunt, Mrs. A.V. Lowrie, De De Hudspeth, Mrs. Felts, and the hostess Mrs. Crownover. Mrs. Lewis will be the hostess for the next meeting.

## Happy Homemaking By BARBARA BAKER

When making baking powder biscuits, roll out the dough to make a rectangle. Use the inside divider from an ice-cube tray and press down on the dough to cut out biscuits which are even and ready for baking.

When the children's stuffed animals no longer take soap and water, completely cover them with a thick layer of

starch. Let dry and then remove with a very stiff brush. Use a handkerchief for a pressing cloth and the hankies and the other items get ironed at the same time. An aid for cleaning under low appliances is a nylon stocking drawn over a yardstick. Hair spray will remove ball point pen ink from furniture.

## Deborah Class Has Installation

Installation of new officers was held recently for the Deborah Sunday School Class of First Baptist Church.

A salad supper and period of fellowship followed. Hostesses were Mrs. Oran Starkey, Mrs. W.F. Harbin, Mrs. T.B. Wilkins and Mrs. Ray Clubb.

Mrs. Albert Fulcher gave the charges, as she installed Mrs. Jack Lowry as the new teacher; Mrs. Harbin, president; Mrs. Ben Wilhelm, secretary-treasurer; and Mrs. Homer Ingram, reporter. New group leaders are Mrs. Clubb, Mrs. Starkey and Mrs. John Brim.

## Tech Bandswomen Stop at Points of Interest En Route to Convention

There was much to Carol Blain's trip to Storrs, Conn., than her installation as national president of Tau Beta Sigma, honorary sorority for bandswomen. That story is on another page. Here are some of the side-lights to that trip, on which she was accompanied by other girls from Beta Chapter at Texas Tech.

Pam Poteet and Laura Hays of Ft. Worth, Janis Reinken of Plainview, and Debbie Heathington of Ralls - all members of Beta Chapter at Tech - went with me.

First day of trip we stopped in Stillwater at the National Offices of Tau Beta Sigma and Kappa Kappa Psi. We visited with Bob (Robert H.) Rubin who is the National Executive Secretary of both organizations. It was the girls' first trip to national. Incidentally we are the only sorority or fraternity to share rent free a suite of offices in the new Seretyn Center for Performing Arts on the OSU campus. We spent the night in St. Louis with the cousins of a Tech sorority sister.

In St. Louis the next day we visited Grant's Farms and saw the Budweiser Clydesdale horses and also the Arc. Wednesday night we stayed in Akron Ohio as guests of the L.L. Randsalls and Cindy Masters. Cindy and Kathy (Randall) are members of TBS at Akron University and I met them in May while installing their chapter. Thursday was spent on the road and we arrived in Philadelphia.

Friday we went sight-seeing in the city of brotherly love - this is where the truck ran over us. We went to Independence Hall, Betsy Ross' house, U.S. Mint and the cemetery where Franklin is buried. That evening we drove into New York City and drove around downtown Manhattan before we arrived in Philadelphia.

## Mrs. Lowe Speaks At HDC Meeting

Mrs. Bill Langford entertained the Lillie Home Demonstration Club Thursday, September 27, when Mrs. Jim Lowe presented the program, "Family Life."

Mrs. Malcolm Horton, president, directed the business meeting, and members answered roll call by naming a favorite painting.

Refreshments were served to Mrs. Horton, Mrs. Lowe, Mrs. L.M. Bartlett, Mrs. Dudley Phipps, Mrs. David Phipps, Mrs. Fred Yarbrough, Mrs. Elmer Haralson, Mrs. Gabe Wright, Mrs. Lowell Wells, Mrs. Ozro Bartlett, and the hostess, Mrs. Langford.

Sponge cake may be frozen for up to one month.

fore going out to Long Island. We spent the night at Sayville Long Island with the Wurms. Diana is a member of TBS at Tech. Also joining us there were Becky Littleton from Littlefield, Tom Sterrit of Amarillo Mike Melcher of Lubbock, and Kent Thompson of Lubbock. They had flown into JFK on way to convention Saturday. The ten of us rode the train into NY City and went sight-seeing. Saw that Championship Season on Broadway and had supper at the world famous Mama Leone's.

Sunday we all trekked on to Storrs, Conn. where the convention was being held. Registration was held on Sunday and convention opened with the first joint session Monday afternoon. There were around 450 or more present. Chapters from all over were represented from Mass. to Calif. (UCLA) to Florida, Arizona, etc.

The National Intercollegiate Band - NIB - was under the baton of Col. Arnold Gabriel, USAF Band of Washington D.C. Our commissioned work was done by Karel Husa, a Pulitzer Prize Winner in music.

The Showband BATO from Hareleem, Holland performed for us on Wednesday night after a picnic. On Thursday night the final concert was held with the commissioned work a Concerto for Trumpet being performed by guest artist Ray Crisarakas of the Dick Cavett Show. Friday saw the installation of new officers and banquet.

On trip home we again drove through Manhattan to have a final look and on to Maryland. We stopped in Aberdeen and had supper with Ron Brooke a cousin and then to Forestville, Md. where we spent the night with his sister Monya Stoezel. She showed us the capitol city on Sunday with stops at the Capitol, White House, Jefferson Memorial, Lincoln Memorial, Washington Monument, and Arlington. Rest of trip uneventful but beautiful scenery.

Those going were Marty Warrick, Lyn Hurst, Don Lewis, Jon Sessions, Lee Ann Sessions, Kelly Covey, Beverly Orr, Tami Boswell, and a guest, Leslie Doty.

Accompanying them were Mrs. Fred Covey and the Rev. and Mrs. Jim Boswell.

## Carolyn Terry Weds Guy W. Harrell In Kermit Ceremony September 1

Trinity Christian Church in Kermit was the setting for the September 1 wedding of Miss Carolyn Sue Terry and Guy W. Harrell of Houston. The Reverend John L. Floyd, pastor, officiated at four in the afternoon.

The bride is the daughter of Mr. and Mrs. H.C. Terry of Kermit, formerly of Wellington, and the granddaughter of Mr. and Mrs. D.E. Scott and Mr. and Mrs. Joe C. Terry. Parents of the bridegroom are Mr. and Mrs. T.A. Harrell, Jr., of Corpus Christi.

Altar decorations were an arch of greenery with blue and white satin ribbons. Tall baskets of white gladiolas were at each side. Ivy runners with lily of the valley decorated the windows.

Wedding selections were presented by Mrs. W.D. Wall, organist.

Mr. Terry gave his daughter in marriage.

She wore a gown of candlelight organza over satin, designed with empire waist and A-line skirt. The bodice was trimmed with Chantilly lace and the high collar and full sleeves ending in pointed cuffs were accented with the lace. Her cathedral veil, edged in lace, fell from a tiara of matching lace and seed pearls. She carried a white carnation cascade, centered with red rosebuds.

Miss Kathy Richardson of Hale Center was the maid of honor and the bridesmaids, sisters of the bridegroom, were Miss Kathy Harrell and Mrs. Alex Harris of Kingsville. Their street-length crepe dresses were designed with bibs and sashes, with the honor attendant wearing royal blue and the other attendants off-white. They carried white and royal blue nosegays.

The best man was the bridegroom's father, Mr. Harrell, while groomsmen were Alex Harris of Kingsville and Mark C. Terry of Kermit, brother of the bride. Tommy Carlisle and Bruce Caule of Alice ushered.

After the ceremony, Mr. and Mrs. Terry honored the couple with a reception in the church fellowship hall.

The table, holding the bride's and groom's cakes, was covered with a royal blue satin cloth with white antique satin skirt. The centerpiece was of chrysanthemums in autumn colors of orange, yellow and white.

Members of the house party were Miss Debra Copeland, Miss Mary Lou Cooley, Miss Janice Wall, Mrs. Frank James and Mrs. David Weise.

Both the bride and bridegroom attended West Texas State University in Canyon. She is also a graduate of Kermit High School in 1970, and of South Plains College, Levelland. He was graduated from King High School in Corpus Christi and served two years in the United States Navy.

After their wedding trip to Lubbock, Amarillo and Canyon, they are now at home in Houston, where Mr. Harrell is employed by Mandel Corp.

Special out of town guests were the grandparents of the couple, Mr. and Mrs. Scott and Mr. and Mrs. Terry of Wellington, Mr. and Mrs. J.P. Forgason of Beeville, and Mr. and Mrs. T.A. Harrell, Sr., of Kingsville.

Mr. and Mrs. Harrell Jr., parents of the bridegroom, were hosts for a rehearsal dinner for the wedding party in the club room of the Inn of the Golden West in Odessa on the evening before the wedding.

## C. Christians Win Trip to Las Vegas

Mr. and Mrs. Clifford Christian returned from Las Vegas, Nevada last week after they described as the best "fun trip we ever had."

The Christians were one of six couples from the Dallas Division of Sears Catalog Stores who won awards in a contest conducted in July on the sale of home appliances. There are 114 stores in the Dallas Division which is divided into six areas. There are 32 stores in the area in which the Christians were competing.

They flew from Amarillo to Dallas where they were joined by the five other winners and were flown direct to Las Vegas. In addition to an all expense stay at the Holiday Inn the Christians were also awarded \$250 in cash for spending money.

They ate at some of the other hotels along the famous strip. They also visited the downtown area which is the original Las Vegas. For three solid blocks it is lit up so brilliantly that a person can stand in the middle of the street and read a newspaper.

They also attended two shows. Fats Dominoes and Osborne Brothers and took a tour to and through Hoover Dam and the City of Boulder.

Mrs. Roy Brinson, of Fritch, Mrs. Joe Bulloch and her daughter, Mrs. Jay Hancock, Melanie and Brad, all of Arlington, spent the past weekend with their sister, Mr. and Mrs. Jack Ford.

Guests of Mr. and Mrs. Barney Glenn were Mr. and Mrs. Tom Shelton and Mr. and Mrs. Bill Shelton of Amarillo.

EDDIE POTEET

## Poteet Granted Printing Degree

Eddie Poteet, the grandson of Mr. and Mrs. G.T. Stephens of Quail, received his degree from the Southwest School of Printing, Sam Houston State University, Huntsville, at the commencement which closed the summer session. His parents are Mr. and Mrs. Freddy Poteet, Lubbock.

He was graduated cum laude, having been in the top 10 students in the class of 200.

He received the Outstanding Senior Award in Printing Management earlier. The presentation was made by Dr. Roy G. Clark, director of the school of printing, at the annual SHSU Pica Club Banquet.

Poteet was cited for academic achievement, contribution to the SHSU program, and potential in printing management.

He and his wife are at home in Austin, where both are employed. Mrs. Poteet is the former Debbie Dunmit of New Orleans, La. She received her degree from SHSU last June.

Visiting with Mr. and Mrs. Jack Sanford were their daughter, Mr. and Mrs. Jim Marks and Angela from Wichita Falls.

## Letters from the People

Dear Deck:

I am writing this letter concerning an idea that I have had for several months but have neglected to follow through with in sharing with you or others in Wellington.

I have read with interest the articles concerning the Collingsworth County Historical Society and the fact that Herschel Tyler made his building available to house the Collingsworth County Historical Museum.

My idea is that I am of the

sauce, black-eye peas, cabbage salad, corn bread, butter, apple-sauce cake, milk.

Tuesday, Oct. 9: Breakfast: Bacon slices, drop biscuits, butter jelly, milk; Lunch: Ham and beans, seasoned greens, mixed salad, wheat rolls, butter, cookies, milk.

opinion that a perfect permanent home for the museum would be the Ft. Worth and Denver railroad station on Ninth Street. Contrary to most of the old railroad stations in the surrounding communities and other communities across the nation, I note that the station there in Wellington is in almost perfect condition. Much credit should go to the long-time station master, John Roberts, for the care that he has given to the local depot.

I do not know whether or not this building would be available for the museum, but it seems to me to be a perfect place in that the railroad and the depot are an historical part of Collingsworth County. Also, the depot is a beautiful structure and is probably one of the better constructed buildings in Wellington.

If you feel that this idea has any merit, you might share it with the members of the Society and those interested parties who are working so diligently to preserve the history of Collingsworth County.

I enjoy reading my hometown newspaper and particularly look forward to your column each week. I have been somewhat surprised that you have not written anything this Fall about your annual complaint concerning daylight savings time. I hope you haven't completely given up on your crusade.

# Rocket JV Again Wins Over Hollis

Wellington Skyrocket Junior Varsity held the luckless Hollis Cubs 13-0, in Tiger Stadium Thursday night, September 27. In the meeting of the two teams here a week earlier, Wellington emerged the victor 6-0.

The Rocket JV had possession of the ball first, but could not move it and had to punt. It remained a defensive game through the first quarter with neither team able to penetrate.

About mid-way in the second, Rocket quarterback Shane Tarver heaved a pass to split end Edward Thomas for 50 yards and the touchdown. Ricky Ford kicked the extra point to give Wellington a 7-0 lead. Both teams were held on offensive play until half time.

Wellington kicked to Hollis to open the second half, and the Tiger Cubs moved the ball down to Wellington's 35. At that point, Richard Sims intercepted a pass and returned it about 20 yards. Neither team was able to mount a sustained drive after that.

Three minutes deep in the fourth period, Shane Tarver punted from the Wellington 45.

The Hollis player taking the ball fumbled it on his own 5, picked it up, only to have it jarred loose when he was hit by Ricky Ford.

It rolled into the end zone, where Rocket Victor Aguero

covered it for the score. The kick for extra point went wide.

Later in the fourth, Wellington fumbled the ball on the 30 and Hollis started a drive downfield. This came to an end with a key interception by Jessie Davis.

Coach Robert Hicks praised the play of tackles Jackie Black and Danny Morris, along with offensive guard Randall Maxwell. Shane Tarver looked good on tight roll out options and pass plays, his coach added, but altogether it was team play that put the Rocket Junior Varsity in the winner's column.

# Deck's DIDACTICS

—by Deskins Wells

FARMERS who grow cotton are going about their work in a daze as they contemplate the prospect of high prices and a good yield. Many of them say they can't believe it and others are so anxious to start harvesting that they do not sleep well at night.

THERE IS sound reason for their uneasiness. There is the ugly rumor that an embargo may be placed on cotton. All of the growers know that a certain percentage must be sold abroad if anything like a decent price will prevail.

THE COTTON ginning season may be a hectic one this year. There was difficulty in securing enough gin hands last year when the season was prolonged by bad weather. This year 80 per cent of the cotton may be open at the same time. Enough fair weather stretching over November and December could cause a glut at the gins that could be painful and costly.

LEE O'NEIL, who was in Wellington this week, said that they would have to build bigger vaults in the banks if all this cotton around Wellington is ginned and sold at the present price.

THE RITZ has some wonderful shows scheduled for the month of November, just as they have all year. As a matter of fact you can see the same shows in Amarillo, Dallas or wherever you may go.

WALKING TALL is now showing. It is the true story of a sheriff in a Western town who fought the gangsters and the syndicate in spite of great odds and finally drove them from his town. It is said to be one of those shows that make you want to stand up and cheer at the end.

SPEAKING of standing up and cheering brings to mind the stunning victory over Childress last Friday. This Friday the Rockets travel to Clarendon for their first conference game with the Bronchos. This game is most important for Clarendon, at the beginning of the season, was picked by the daily writers as the team most likely to win the district crown.

JAMES POSEY wants to know if I have abandoned my crusade to abolish Daylight Saving Time. From the first I have opposed daylight saving time from April to October. However, my opposition is not to the idea if applied to a shorter part of the year. More than once I have written that most people would not object to Daylight Saving Time if it started June 1 and ended on Labor Day. That is the sensible compromise for those who hate the practice and those who like it.

WES IZZARD of The Amarillo News has this advice for those who are up in arms over having to take their children to the school bus while it is still dark. He writes:

"You parents who are hurrying your children off to the bus stop before the late autumn sun comes up, why don't you talk to your congressman? There are rumbles in Capitol Hill, and we CAN get our old sun-time back again in place of Daylight Saving Time if we insist enough."

OCTOBER is our most beautiful month three years out of four. This year the last two days of September and the first two in October were superlative. Sunday morning there was not a leaf stirring from dawn until well in the morning. The first day of October was a repeat performance.

THE OCTOBER sunsets are marvelous and the Hunter's moon on October 11 will provide another spectacle. Enjoy them while you can.

## Wellington Kiwanis Near Top Of 400 T-O District Clubs

Wellington Kiwanians heard themselves lauded as one of the top clubs of the entire Texas-Oklahoma District, Kiwanis International, as past Lieutenant Governor Jim Gilmer spoke briefly at the annual installation banquet Tuesday evening, September 25.

In inter-club meetings, Wellington ranked fourth in the T-O District of 400 clubs, Mr. Gilmer said. Wellington Kiwanians traveled the fourth greatest number of miles to spread the "gospel of Kiwanis," and their 61 per cent increase in membership was the third highest in the district.

The patio of Hay Camp Country Club was the setting for the banquet, when new officers were installed by Lt. Governor Elect Gerald Hall of Vega, and outstanding club members were honored.

Guests included wives of members, Kiwanians and their wives from Shamrock, Amarillo Downtown Club, Pampa and Vega, along with other Wellington guests.

National Guard Sgt. Robert Valliant was installed as president, succeeding Paul Spillman, who has headed the club the last year. Pat McAlister became first vice president; Bill Spillman second vice president; Garner Altom secretary and Dan Hiett treasurer.

1973-74 directors taking office were Garner Altom, Sam Adams, Jimmie Kelso, Lynn Jenkins, Robert Owens, Jerry Settle and Jake Leach.

Three appointments were announced. Phyllis Sullivan daughter of Kiwanian James Sullivan and Mrs. Sullivan, is the Kiwanis Sweetheart for the coming year. Miss Vikki Saunders will serve as executive secretary, handling club records and with various other duties. John Brown, the retiring secretary, will be the club historian.

Mr. Brown also was the recipient of the top honor given by the club, who was named Kiwanian of the Year.

Attendance awards were made by James Sullivan. Climaxing this list was the presentation to George Shadid, who has been a member of Kiwanis 25 years and has a 25-year perfect attendance record. He received the Club's Legion of Honor.

Ranking immediately behind him was Joe Terry, with a 24-year perfect attendance record. Other awards in this category went to John Coleman, 19 years; Mack Saied, Jr., 17 years; C.T. Hubbard, 15 years; John Brown, 13 years; Dick Pendleton, and Jake Leach, 10 years; Garner Altom and Pat McAlister, 5 years; and Lynn Jenkins and Bill Spillman, one year.

Mr. Gilmer, member of Amarillo Downtown Club, presented certificates to five men for their inter-club work: Mr. Sullivan, Paul Spillman, Mr. Altom, Mr. Valliant and Mr. Brown.

"Small towns are doing great things in Kiwanis," the outgoing president, Mr. Spillman declared. "We feel the town, the county, and this side of the Panhandle is better because of us." He enumerated these club activities during the year:

Several Boy Scout uniforms were bought; Halloween candy was sold; several members have served as guardian ad litem for youths appearing in juvenile court; Cub Scouts, Girl Scouts, Boy Scout Troop 75 and Cub Pack 75 were sponsored.

The club assisted with the new ambulance; the annual Pancake Supper was held; Kiwanians ushered at the Community Thanksgiving Service; food was presented to Westview Boys Home; and Wellington joined Pampa Kiwanians in sponsoring the New Childress Kiwanis Club.

In one of the major Kiwanis projects, 140 American Flags were bought and will fly on 11 days each year, with FFA members in charge of putting them up and taking them down.

The club furnished speakers for schools and other groups; an inter-club visit was held with every other club in Division 26; membership was increased from 30 to 51; six pair of glasses were bought for needy students; and a light bulb sale is being conducted.

Mr. Spillman also was master of ceremonies, Charles Waugh gave the invocation and Pat McAlister introduced the guests.

## Fall Injures Mrs. Crabtree

Mrs. Tom Crabtree was injured in a fall in the yard of her home Saturday afternoon, September 29.

There were no broken bones, but she had lacerations and bruises.

When Mrs. Crabtree did not return to the Quail store, her husband went to see about her. It is believed she lay in the yard about an hour and a half, as she fell where she would not be seen from the street.

Mr. Crabtree and Mr. and Mrs. A.L. Robinson brought her to Collingsworth General Hospital. She was dismissed Tuesday morning and recovering at home.

#5—continued from page 1  
es, a matter that has been under consideration for several months.

The resignation of council member R.L. Mabery was presented, but no action was taken to either accept or reject it.

Arrangements were made for City Policeman Mike Gilmore to attend a traffic school in Amarillo within the near future. This also had been pending since Mr. Gilmore was hired and was contingent on the opening of a class.

## Younger Teams Play Clarendon This Week Also

Wellington and Clarendon will meet on the gridiron this week, all the way from the young seventh graders to the high school varsity.

Besides the Skyrocket-Broncho game Friday, there will be three Thursday night games. The Rocket Junior Varsity will hold the spotlight this week as they meet the Clarendon Junior Varsity at Powell Field. This game will begin at 7:00 p.m.

The Eighth grade Firecrackers and Clarendon Eighth Grade will meet at the same location an hour earlier, 6:00 p.m.

The Wellington and Clarendon seventh grade teams will play at Clarendon in a game starting at 5:00.

Coach Robert Hicks predicts the Junior Varsity will probably find in Clarendon the toughest team it will play all year.

"We will have to play up to par, with no mistakes, to beat them," he declared.

This will be the first district game for the Wellington Junior Varsity and the Eighth Grade.

Coach Carroll Nunneley also expects his boys to find tough going, citing the football tradition in which Clarendon is steeped. Even the younger players go on the field with a winning attitude, he points out.

Wellington, however, will have the advantage of playing at home.

Wellington's youngest team, the seventh grade, is ready to put up a good fight, also, according to Head Coach James Williams, who is training these boys just starting in football.

The public is urged to come out and watch the home games, for nothing helps the youngsters like some enthusiasm behind them, it is pointed out.

Visiting with Mr. and Mrs. Louis Allred is their granddaughter, Paula. She is the daughter of Mr. and Mrs. Jon Waggoner of Dallas.

## Schaub Youth Injures Hand

Russell Schaub, 10-year-old son of Mr. and Mrs. Paul Schaub of Lutie, received deep cuts on one hand when the horse he was preparing to mount pushed him into a barbed wire fence.

The accident occurred at the family home Monday afternoon, October 1.

He was brought to Wellington for medical treatment, and about a dozen stitches were required to close the cuts, according to his grandmother, Mrs. Jack Lowry.

## Artists Invited to Amarillo Show

The Amarillo Fine Arts Association (A.F.A.A.) will sponsor its 4th Annual 'Best of The Southwest' Art Show Oct. 13 through Oct. 21. At Western Plaza Mall, I-40 and Western St., Amarillo. This show will be open to public visiting October 15 through October 20.

It is open for entry to all professional, amateur and student artists and artisans in the southwest. This particularly includes Texas and the surrounding states of New Mexico, Colorado, Oklahoma and Kansas.

This is a jurored show with duplicate prizes in both fine arts of painting and sculpture media. Cash awards totalling \$600.00 as well as ribbons and merit certificates will be given.

Visiting in the home of Mr. and Mrs. Ted Wheeler, were Mr. and Mrs. Bill Wheeler and Donna of Amarillo, and Mr. and Mrs. Bill Sarrels, Billy, Wayne, Teddy and Jeffrey of Childress.

Mrs. Bill Tarter went to Amarillo where she visited her daughter, Mr. and Mrs. Delmo Risley, Jill and Derek, her sister, Mrs. C.E. Killingsworth, and her niece, Mr. and Mrs. M.C. Kuykendall.

## Junior High Takes District Opener 14-0

Wellington Firecrackers opened district 2-A Junior High play with a 14-0 victory over McLean here Thursday, September 27. Both scores came the first two times Wellington was in possession of the ball.

McLean received the opening kickoff on its own 10 yard line but was unable to move the ball and had to punt.

Wellington returned 35 yards for a touchdown behind George Darton going over behind excellent blocking to set up this score.

The try for extra point failed and the score was 6-0.

Wellington kicked off again to McLean and held on defense, then took over on McLean's 35 yard line and on the first play from scrimmage, George Darton again ran 35 yards for a repeat performance and second touchdown.

The try for extra points was good by Darton and the score was 14-0.

The remainder of the first half was defensively dominated.

Wellington received the second half kickoff and was unable to score.

Late in the third quarter

These young people are the best 4-H has to offer. They're part of the 4-H Report-to-the-Nation Team, a group of top 4-H members selected by the Cooperative Extension Service. Here, they are talking with 4-H leaders during 4-H Congress. During the year the 4-H'ers travel around the country representing 4-H to others and showing them what 4-H can produce. Encouraging 4-H'ers "to make the best better" through achievement and leadership programs are: The Conrad Hilton Hotel, sponsor of the 4-H Report-to-the-Nation program; the Ford Motor Company Fund, which encourages young people in the 4-H achievement program; and Reader's Digest, a new 4-H donor in 1973, helps develop leadership abilities among 4-H'ers through the 4-H leadership program.

Wellington returned another punt for a touchdown from 65 yards out but the play was nullified due to a penalty.

The remainder of the game was played with neither team being able to score.

The substitutes for Wellington came in for the last quarter and finished the game.

McLean was never able to get inside the Wellington 20 the entire evening.

## Heroines to Meet Saturday

The Smiling Joy Court No. 259, Heroines of Jerico, meets each Saturday at 8:00 p.m. in Lodge 4.

All Heroines are asked to please meet and bring dues, which should be paid in October, according to Fredonia Hunnicutt, secretary, and Harriette Powell, matron.

By Colquitt Nash

The cheers, the smiles, the yelling in the locker room and the red and white streamers draped around and through the locker room seemed to tell their own story of the 14 to 8 upset victory in favor of the Fighting Skyrockets last Friday night in Powell Field. The entire night was one of anticipation and excitement as the home-town supporters cheered the team on to its first victory under new head coach, James Williams.

Defense seemed to be the name of the first quarter as neither team was able to score. However, Wellington was able to roll to three first downs as compared to none for Childress.

## Skyrockets Scorch Bobcats in Brilliant Game on Home Field

Randall Hodges took the opening kick-off and sped from the goal line to the 31. From here Wellington launched their first offensive attack. Jim Bob Nall hit the middle of the Childress defensive line for no gain. Then George Brewer hit Mike Williams at the 45 with a well-thrown pass but Mike was met there by a Bobcat defender and fumbled the ball over to Childress. A seemingly good break for Childress was not able to be cashed in on as the Rocket defense stubbornly held the line of scrimmage and allowed only nine yards to be gained. So on downs the ball again belonged to Wellington. From the 34 Hodges broke off-tackle for thirteen yards to the 47 for a first down for the Rockets. Two faulty passes and a stopped end sweep later Hodges was forced to punt the ball away to Joe H Hardison on the 5 who returned it back to the 15. Childress, hoping to get their offense started, was held back by the Rocket defense and a holding penalty which moved the ball back to the 12 yard line. Forced to punt the ball was dead on the Bobcat 47 yard line. Here Wellington's drive stalled because of a motion penalty and a good defensive rush by Childress' Marty Martin as he sacked Brewer on his own 47 yard line. The punt by Hodges was killed on the 22 by Steve Kane. Gaining no ground yardage, Childress took to the air. Mark Brown hit Mark Keys at the 50 where he was wide open all the way to the goal line but dropped the ball. The punt by Lewellen this time was short and out-of-bounds at the 50. The Rockets broke the huddle and Hodges moved the ball to the 47. Brewer on a keeper kept the drive alive by taking the ball to the 40 for a first down. Hodges then picked up nine yards on an off-tackle run and Nall ran for the first down to the 27. Cantu gained the 21 after Hodges reached the 25 on the previous effort. Going back to pass, Brewer was blitzed by Lance Keys and dropped at the 24 for a loss of three. Thus ended the first quarter of play.

After changing ends of the field, Brewer again went into the pocket to pass this time finding Mike Williams at the 10 where Mike maneuvered around two Bobcat defenders to score with only 10 seconds gone from the second quarter. Hodges found his mark on the point after kick and Wellington gained a 7 to 0 lead. Childress' Terry Hogue took Hodges' kick-off and returned it from the 5 to the 31. Aided by an offside penalty against Wellington and a five yard ramble by Brown, Childress finally gained a first down. Hogue and Lewellen then moved the ball to the 45 and then to the 43 of Wellington for the second first down of the drive for Childress. It seemed that the Cats had finally found their steam when Paul Wilbur hit Marks Lanham as he attempted to find a gap in the Rocket line and caused a fumble that Dean Baker claimed for the Rockets. The Skyrockets now headed for the goal line. The Cat defense began to resist the ground game so Brewer called a reverse pass to Hodges who came left end and found his blocker in Steve Kane who broke Randall around the corner and down to the 20 before Childress caught up to him. After three yards by Cantu the Wellington offense stalled. Calling a time-out, the Rockets set up for a

field goal. However the snap went to Hodges who threw a touchdown pass to Steve Kane who made a great effort to catch the pass which was almost too high. Childress accepted the kick-off on the 10 and stormed back down field to the 39 before Bobby Cantu corralled Jackie Jones. Richard Sanders led the Rocket defense this series as he stopped Ivan Johnson for a one yard gain then stormed the offensive line to sack Brown at the 37. Brown again called a pass, this time to Roger Eikman who had the Rocket defense beat by a few steps but fell at the 35 as the ball got to him. The punt moved Wellington back to their 25. Not being able to move the ball this time Hodges was forced to punt again. Starting from their 35 Childress began to look to the air. Not finding the man he wanted and chased out of the pocket by Dean Baker Brown found room on the ground to gain enough for a first down to the 47. Brown then hit Floyd Key for a first down and then Ivan Johnson for a short gain. The Rockets defense then would not allow a complete pass and the Cats punted. Hodges seemed to wait for a fair catch but then lunged at the ball only to fumble it away to Childress at their own 10. A good break for the Cats who now seemed able to go to the half with at least one touchdown. But Paul Wilbur halted such ideas as he picked off a Brown pass on the 10 and agilely rambled back to the 15. Brewer on a keeper to the 20 ended the first half with Wellington out front 14 to 0.

The second half began on the 40 yard line after a good return from the 20 to the 40 by Tim Lewellen. Then Joe Arellano became the Childress workhorse as he carried the next eight times to move the ball to the 14 of Wellington. Going again from the 14 he fumbled and Robin Maddox found the loose ball for the Rockets. Nall found room to the 29 for a first down then Hodges and Cantu took turns running and moved the ball to the 45. Here the drive slowed and stalled as Nall fought his way to the 48. Punting to Arellano, the return went from the 10 to the 15. The Cats could not find the right number as they only gained three yards in their attempts then fumbled and the Rockets came up with it. The offense then began to stall. On Childress' next series the ball again was fumbled and Paul Wilbur found its handle on the 17. However, the Rocket offense was unable to cash in on this break and the ball went back to the Cats on downs at the 15. Childress then seemed to find the chink in the Rocket armor and began to hit short passes in the flat for three first downs. Moving from the 50, Brown then gained the 33 on two running plays. Going back to the air Brown found Floyd Key at the 5. He then sent Lewellen up the middle to the 3 and then hurried around right end to score with 5:30 left in the game. Another pass to Key in the end-zone netted the two-point conversion for Childress and they had now narrowed the score to 14 to 8. In a hurry to regain possession of the ball, Childress' defense tightened up and allowed no yardage for the Rocket offense. Hodges sent his punt to the Cat 10 yard line where Arellano took it back to the 24. Passing quickly to Lan-

ham, Brown moved the Cats to the 43. Again the Childress threat was stopped as Keith Davis stole Brown's pass and took it back to the Cat 41. Infuriated, the Bobcat defense stormed the Rocket's offensive line and were able to sack George Brewer for a nine and a four yard loss. Hodges went back to punt and had this kick blocked by a very questionable offside call. However, the ball went to Childress at the Wellington 46. This time it was Brown's time to feel the wrath of the defense as Richard Sanders and Dean Baker met him at the 49 of Childress for a five yard loss. Two passes failed to find their mark and in desperation Brown again went back to pass. Here Neal Cochran, Steve Emmert and Richard Sanders again found Brown and dropped him at his own 40. With only seconds on the clock, the Rockets were content to let the clock run out. Brewer kept the ball for no gain as the final second left the clock with the score: Wellington 14, Childress 8. A big upset and a deserved victory for the Fighting Skyrockets.

In the locker room it was evident as to the outcome of the games, and the wall-to-wall smile of Coach Williams told See SKYROCKETS, page 2B

## Annual Prison Rodeo Slated At Huntsville

HUNTSVILLE -- The rodeo at Huntsville each Sunday in October is unique in a lot of ways.

First of all, it's a prison rodeo, which makes it one of a kind in Texas.

Convict women competing in featured events adds yet another dimension, while the presence of a group called the "redshirts" ties it all up in a neat bow.

These three groups -- the cowboys, cowgirls and redshirts comprise the featured main attractions in the rodeo arena.

Well, not quite. The Texas Prison Rodeo -- in its 42nd year -- is unique in another way, too. Free-worlders heading to Huntsville in October can make it an all-day affair by visiting a midway complex in front of the main prison unit located adjacent to the rodeo stadium starting at 9 a.m. each Sunday.

If your musical taste runs in the country western vein, you're in luck -- three c&w inmate groups alternate every 30 minutes in the real crowd-pleaser on the midway.

"Behind The Walls," a stereo album featuring original songs written, composed and orchestrated by Texas Department of Corrections inmates, will be sold at the midway for \$4 -- a first for the prison rodeo.

## National 4-H Club Week Slated October 7 to 13

Approximately 90 boys and girls of Collingsworth County will join others throughout the nation in observing 1973 National 4-H Week October 7 thru 13.

The theme this year is "4-H Gets it All Together."

Across the country, five and a half million boys and girls, ages 9 to 19, a half million volunteer adult leaders and thousands of Extension Service personnel are involved in 4-H. Working together they are putting the 4-H Week theme into action, in many ways helping to make their communities better places in which to live.

The timeliness of their efforts is indicated by the current 4-H emphasis on helping educate communities on ways to economically operate vehicles and to conserve electricity during the current energy shortage.

Other 4-H groups are helping to ease the food shortage by supporting agricultural production and marketing efforts. Also, drug abuse programs, improving the environment, and community development planning are being given a high priority in 4-H programs.

Boys and girls, of different backgrounds, philosophies and lifestyles, working together with adults to solve common problems -- that's the 4-H picture in 1973. 4-H brings together youths from all racial, economic, social and cultural backgrounds. Rural and city youngsters have an opportunity to interact, communicate and share ideas.

4-H is strong, and growing in all areas of the fifty states, Puerto Rico and the District of Columbia. Urban 4-H is expanding too. In fact, the major cities in the U.S., all have active 4-H programs.

Low income and handicapped youngsters are involved in 4-H through flexible programs and projects specifically geared to their needs. And 4-H'ers have always aided younger boys and

girls in all 4-H program areas.

4-H is reaching out to bring more people together "to make the best better" in new ways. 4-H television series on nutrition and nuclear energy are premiering this year on hundreds of stations. These and other 4-H efforts will reach hundreds of thousands of young people who have never been exposed to the 4-H program before.

Helping 4-H'ers and their leaders "get it all together" are business organizations, foundations, civic groups and private individuals, who aid the 4-H program. On the national scene alone, over \$3 million dollars is being expended in 1973 to aid 4-H programs through the National 4-H Service Committee.

Contributing importantly too are over 31 million Americans who are 4-H alumni. These former 4-H'ers get together with young people in 4-H programs at all levels.

Working together, growing together, learning together -- that's what 4-H is all about in 1973. And we support the efforts of the total 4-H program, nationwide. William J. Kuhfuss, president of the American Farm Bureau Federation recently remarked that "The 4-H Clubs of America are an excellent vehicle of developing sound, conscientious citizens."

We agree with Mr. Kuhfuss' observations, and salute 4-H'ers their leaders and their friends on this occasion of 1973 National 4-H Week.

We encourage youths to explore opportunities for developing their talents and skills through 4-H. And parents and others may wish to volunteer their services as leaders and program consultants. Further information on 4-H may be obtained from county extension offices or volunteer 4-H leaders in local communities.

We feel that through 4-H young people and adults can "Get It All Together" for the benefit of all Americans.

# Texas Travel Program Wins Coveted Award

AUSTIN -- The Texas Highway Department, recently commended by the State Legislature for its broad range of travel programs, has again achieved top national honors from Discover America Travel Organizations, Inc., the country's overall travel trade association.

For an unprecedented third time within six years, the coveted annual Discover America Award was presented to the Texas Highway Department at ceremonies in Lake Placid, New York, on October 1. Competing against all other state, federal, and territorial travel offices, the Highway Department took the 1973 award for its innovative highway InfoBord program introduced this year. No other travel organization in the nation has ever received three DATO awards for its tourist programs.

Ramsey Pollard, awards chairman and vice president of "Resort Management Magazine," made the announcement before 600 leaders of the nation's

travel industry assembled for DATO's annual travel conference at Lake Placid. Pollard quoted Texas Highway Commissioner Charles E. Simons, who earlier had described the state's new InfoBord program as "the most significant development in highway travel information since Texas established the nation's first highway tourist bureaus in 1936."

The highway InfoBord program is currently under development to provide travel information along the state's Interstate and primary highway routes. With the forthcoming elimination of most roadside billboards, InfoBords in highway rest areas are designed to picture and interpret scenic, historic, and recreational features of the immediate area.

Colorful 3x3-foot InfoBord panels may be read at leisure by motorists who stop in elaborate new rest areas that feature drinking water and rest rooms in addition to the customary picnic pavilions. When the program is completed, 188 InfoBords will interpret Texas attractions for more than 44,500,000 people a year.

Luther DeBerry, state highway engineer, said "This new concept puts travel information where travelers are . . . on the highways." He explained that InfoBords capitalize on the travel style of modern tourists, which is unplanned flexibility. DeBerry also noted that the concept for interpreting the surrounding countryside overcomes the nationwide sameness of Interstate Highways that have earned the label "tunnels of isolation."

The latest Discover America Award is the third national citation to the Texas Highway Department for a series of outstanding travel programs. The first award was garnered in 1968 for the department's tourist bureaus and travel literature including the new "trail" concept of pleasure driving routes. The second DATO award came in 1971 when a lavish, full-color guidebook of more than 200 pages was named the finest travel literature of the year from among the 50 states.

On a distinguished roster of members DATO includes a variety of travel-oriented government agencies, the nation's leading magazines and newspapers, air, rail and bus carriers, major metropolitan convention and visitor bureaus, and a host of the foremost tourist attractions from throughout the country.

## Travelers Visit In East Texas

Two Wellington couples met two who formerly lived here for a week's vacation in East Texas.

Mr. and Mrs. Sandy Parsons and Judge and Mrs. Zook Thomas went first to Tyler State Park, where they met Mr. and Mrs. Orval Couch of Homer, Louisiana, and Mr. and Mrs. John W. Thomas of Ralls. They traveled by motor home and spent a week there.

They also visited Eisenhower State Park at Denison, and Caddo Lake, on the Texas-Arkansas state line.

In Tyler, they were guests of another former Wellington family, Mr. and Mrs. Enis Schaded, Miss Yvette Shadid and Edmund Shadid. The travelers also visited the Tyler Fair and Tyler Rose Gardens.

# Know What You're Shooting This Fall

A special note to the thousands of hunters taking to the fields and woods this fall in search of game --

Before you pull the trigger, know what you're firing at.

Sporting arms -- from a single-shot .22 calibre rifle to a heavy big game weapon to a fast-shooting automatic scatter-gun -- are designed to kill birds and animals. They also can easily kill humans.

The Texas Medical Association reminds that nearly every year several hunters return from fall outings via hearse. Hundreds of others return with a load of

bird shot or a rifle bullet to be dug out by a doctor. Behind almost every hunting accident is one cause: carelessness. The hunter who blazes away at everything that moves or shoots before he's sure of his target runs a big risk of bagging a fellow hunter.

The wise Texas hunter will be wearing a "hunter orange" vest or, at the very least, a cap made in this glowing bright fluorescent color. The color sends a glowing signal to other hunters, but goes unnoticed by color-blind game such as white-tail deer, which will only be alarmed when it distinguishes motion, sound, or scent.

Never cross over or through a fence or climb a tree with a loaded gun. It might fall and discharge. Unload first and reload after crossing or climbing. Don't shoot at a hard, flat surface. Ricocheting bullets can carry long distances with killing power.

Even a small bore rifle has considerable range. Know where your bullet will stop before pulling the trigger.

Keep guns away from children. Never leave a weapon unattended without unloading it. Store guns and ammunition beyond reach of youngsters, preferably under lock and key. Never place loaded guns in your car or pick-up truck.

Always carry a gun so that you can control the direction of the muzzle if you stumble. Keep the safety catch on until ready to shoot. Always be sure the barrel is clear of obstructions. A barrel clogged with mud or snow may burst.

Guns and alcohol don't mix. If you like a nip around camp, wait until you're through hunting for the day and all weapons are unloaded and cased.

Treat guns with respect at all times. They may be loaded, despite all precautions. Thus never point a weapon at something unless you plan to shoot it.

This 4-H'er checks the automatic feeder in a large bird laying house as part of his work in the 4-H poultry program. Young people in the Cooperative Extension Service supported program learn various aspects of poultry raising-growing, keeping birds healthy and improving marketing techniques. And encouraging these young poultry producers is Kentucky Fried Chicken, donor of awards in the program, for the first time in 1973.

## GI Training Due Some Post Korean Vets

G.I. Bill training is still available for some veterans who were discharged from military service as much as 12 years ago, but not for long.

Jack Coker, VA Regional Office Director, pointed out that Post-Korean veterans -- those who were discharged between January 31, 1955, and June 1, 1966 -- have two more years to take flight training, farm or on-the-job training under the G.I. Bill. But their eligibility for other types of schools and colleges expires May 31, 1974.

In spite of the array of dates, the formula for computing an individual's eligibility is fairly simple, Coker said. The law gives each veteran eight years to use his G.I. Bill eligibility, for most, this means until eight years after discharge. But the Post-Korean group had no G.I. Bill eligibility until June 1, 1966, when the current G.I. Bill became effective. Thus, they have until eight years after the date of the law. The following year (1967), other forms of training were added to the G.I.

Bill, so the eight years of eligibility for these benefits starts from the date of the amendment -- August 31, 1967.

## Home Management

By Mrs. Arla Felts

The Family Living Committee and the County Extension Agent have planned rather interesting activities for October. These activities will all be open to any individual regardless of his age, sex, race, or location in the county. In fact, we are hoping that many of you who are not involved in an Extension Program will attend some of these special activities.

October 10 will be the day for a "Personalizing Patterns Clinic." This is the day an individual may bring a pattern that does not fit well. We will analyze the situation and determine what can be done to make the pattern fit. We will actually correct the flat pattern. It might be a good idea to bring a basic pattern for fitting. This clinic will be held from 9-11 and 2-4 in the County Extension Office. You may come at either time most convenient to you.

On October 15 there will be a Short Course in renewing clothing. Specifically the instruction will be how to reline a coat

or change the design of a coat, jacket, or suit. This short course will be from 4-6 at the Community Action Center.

The third activity will be another Short Course. This one will be held at the County Extension Office from 2-4 on October 24. This Short Course series will include "How to Sew With Fake Fur", How to Line a Top Without a Facing, How to Match Plaids, and "How to Use New Products on the Market."

Finally, there will be a workshop on October 30 from 9-11 and 2-4. You may come either or both times. The participants will receive instruction in "How to Do Swedish Embroidery" on hooked towels, how to make Chinese ball buttons, how to make belts, and how to cover French two-tone buttons. After the principles involved are discussed, participants will be given specific projects to complete during the workshop. Individuals should bring fabric of two different colors or designs for covering the French two-tone

How families may use  
MULTIPLE OWNERSHIP

MAXIMUM F.S.L.I.C.  
INSURANCE PROTECTION

The insurance of savings accounts by the F.S.L.I.C. for insured Savings & Loan Associations and by the F.D.I.C. for insured banks became standardized in 1967.

The following illustrations show how typical families may use multiple account ownerships to increase the insurance coverage for family funds. In all cases, of course, the accounts illustrated must meet the requirements of the regulations.

## Four-H Club Members Observe Their Week October 7 to 13

Through next week, October 7-13, 4-H Club members in Collingsworth County will join others throughout the country in observing National 4-H Week.

Five and a half million boys and girls, between the ages of 9 and 19, are participating in 4-H, America's largest youth organization. Supporting their efforts are a half million volunteer adult leaders, men and women of the Cooperative Extension Service, the National 4-H Service, and some of the major businesses and industries of the nation.

But our concern are the members at home. They account for the 4-H Beef and Horse programs, and for instructing girls in sewing and cooking. These programs are especially strong here. The adult leadership is also strong -- but there is not enough of it, the county extension agents say. Reorganization of the clubs for the coming year is now under way, and any adult who is interested in working with youth will find 4-H leadership most rewarding.

There are now 31 million 4-H alumni, living examples of dependable, purposeful citizenship -- those qualities stressed through 4-H.

These former 4-H members can be found in all walks of life, from Capitol Hill to Hollywood, but most of them on Main Street and the surrounding farms. These 4-H alumni include Speaker of the House Carl Albert; star pitcher of the Oakland A's Jim (Catfish) Hunter; The First Lady, Mrs. Pat Nixon; singer Glen Campbell; Dr. George W. Beadle, former president of the University of Chicago; and Don Meredith, former Dallas Cowboy now sportscaster.

Every boy and girl in the program needs and deserves our support, just as do our capable and hard-working extension service agents, Mrs. Arla Felts and Don Reeves.

### Unfreedom of Speech

Alexander Solzhenitsyn could teach us a thing or two about responsible dissent. In a recent interview with Associated Press, the celebrated author said he feels the cause of individual freedom in the Soviet Union is at a low ebb. He told of threats on his life and continued harassment. He denounced the tactics used by the government to silence criticism. Yet he has continued to persevere within the system, so far. He has been prophetic in the best contemporary sense of that term without returning evil for evil.

Solzhenitsyn also helped Americans put their current domestic troubles into better perspective: "It is strange to hear that in some places arguments take place about whether the President has a right to order electronic bugging equipment installed for the defense of military secrets of his country. And a man who has leaked such secrets even gets vindication in court. But in our country, any person who once loudly voices an opinion contrary to the official one is considered guilty even without trial."

— Achison Globe

### Sweetie Pie

"I forgot to tell you — I invited the Bensons over for dinner!"

AUSTIN, Tex. -- "The way a man comes across on television says absolutely nothing about his qualifications to govern," explains Bob Hardesty, Press Secretary to Governor Dolph Briscoe and former speech writer for President Lyndon B. Johnson.

Hardesty, speaking before the Austin Advertising Club, said "On television, the way a person comes across all too often has little to do with what he is really like. What's of paramount importance is what he appears to be like. We are faced with a basic conflict -- the conflict of illusion versus reality." Hardesty defended LBJ's "illusion that he was devious and secretive," stating that "it was under his (LBJ's) personal orders that there was no press censorship in Vietnam -- for the first time in the history of American warfare."

There was the "illusion that he was a southern racist, yet he was responsible for passage of every civil rights act since reconstruction," his former speech writer added.

Governor Briscoe "lives with myths that he is a businessman's governor, but he vetoed a bill which would have raised interest rates -- and the myth that he is a remote, inaccessible governor, but he is the man who is probably more accessible to members of the legislature than any Governor in recent history."

My remarks are not directed against the television industry and the fine people who work in it; this is something out of their control and is a fact of life.

His helmet now shall make a hive for bees,  
And lovers' songs be turned to holy psalms;  
A man-at-arms must now serve on his knees,  
And feed on prayers, which are old age's alms.

Passions are likened best to floods and streams:  
The shallow murmur, but the deep are dumb.  
— Sir Walter Raleigh

Give me a spirit that on this life's rough sea  
Loves t' have his sails fill'd with a lusty wind,  
Even till his sail-yards tremble, his masts crack,  
And his rapt ship run on her side so low  
That she drinks water, and her keel plows air.  
— George Chapman

Unless above himself he can  
erect himself, how poor a thing  
is man.  
— Samuel Daniel

"My point is obvious. We elect our public officials to run our government honestly, effectively and compassionately -- not to entertain us. We have our Johnny Carsons for that," he stressed.

"Therein lies the tyranny of television. The more we as a people become used to the suave, polished entertainers

and newscasters, the more we expect public servants to be like them. In this day of pre-packaged candidates and edited TV campaign spots, it takes a long, long time to see through a 'snow job.' The day we judge all our political candidates on style, rather than merit, we will all be the losers," he concluded.

## CROSSROADS REPORT

Dear Editor:

I see where the environmental overseers are demanding more and more expensive devices to make our cars breathe cleaner.

In fact it looks like they are going to hang so many expensive gadgets on the auto that it will become so high-priced that most of us will have to go back to walking or horse-and-buggy-ing.

Which would do a lot to bring back the good old days when folks had natural air to breathe, no auto accidents to kill them off, and averaged dying 20 years younger than we do now.

## We Commend the Men of the Wellington Volunteer Fire Department For Their Unselfish Service To This Community

The Wellington Volunteer Fire Department is made up of 25 of Wellington's choice citizens, men who give unselfishly of their time to fight fires, who use their evenings to study and practice the prevention and fighting of fires. We urge that you commend them in their work.

Every fire represents an economic loss to the owner of that property and his family. Beyond that, it represents an equal loss to the community. It is the concern of this bank, and all responsible citizens that our fire loss be kept to a minimum. Our firemen help make this possible.

This is the Skyrocket Varsity, one of the surprise teams of the Panhandle and inspiration for a surge in school spirit that is in keeping with the team name. In the back row, from left, are Steve Kane, Neal Cochran and Mike Williams. Richard Sanders, Paul Wilbur and Randall Hodges. Second row, standing, from left, are Dickie

Johnson, Dean Baker, Tim Jones, Steve Emmert, Arnold Fincher, and David Null. Kneeling are Paul Hanna, Jim Bob Nall, Robin Maddox, Sammy Gonzales, Jeff Hanna and Bobby Cantu. Seated in front are Tony Martinez, George Brewer and Micky Vassey. Keith Davis, No. 64, was ill when the picture was made.
