J. W. KING, SR.

From the looks of the cotton trailers stacked around Loraine's two gins it appears that we need another gin to handle the cotton as fast as it can be gathered.

Weather has been fine since the freeze and cotton is being stripped as rapidly as trailers can be emptied and made available. Most of the cotton in the area is good but cotton that was planted late has made very little. Cool wet weather and boll weevils combined to get most of the late cotton before it matured.

Some people have taken heed of the warning issued by City officials of Loraine and have corrected some of their faults in driving. Quite a few tickets have been given for speeding and others will likely be given from time to time so all of us had better obey all traffic laws in our town or we may be faced with a fine.

State Representative Temple Dickson of Sweetwater will speak at the Loraine Lions Club on Tuesday, Nov. 22, at noon. His subject will be, "Hospital Districts," and he should have a capacity crowd since this area is faced with the possibility of forming a hospital district and we should get all the information we can on the subject. I am sure those who would like to hear the discussion and are not members of the Lions would be welcome. If you want to be there for the meal, however, you should let President Herbert Mearse know not later than next Monday so arrangements can be made for it.

## RONNIE BLAIR HONORED

## Community Thanksgiving Service At Baptist Church, November 23

For the first time in several years, Loraine churches are planning a community-wide Thanksgiving service.

The service will be held at the First Baptist Church at 7 p. m. Wednesday, Nov. 23, with the Rev. C. R. Copeland, pastor of the First Methodist Church bringing the message.

Harold Martin, choir leader of the Methodist church will lead in congregational singing. There will be special music and special choir numbers.

The Bible says "It is a good thing to give thanks unto God." We should give thanks to God, the giver of all good things, each day, but on this day set aside for a national day of Thanksgiving it is good to as-

semble at God's house with God's people to express our thanks in unison for the many blessings, both spiritual and material we receive each day.

A spokesman for the service urges all churches of the town and all in the community who can to attend.

## Special Service For Thanksgiving

Sunday, November 20th, will be a great day in the history of Loraine Methodist Church.

First of all, a letter is going out this week to every family, reminding them of this Thanksgiving season and of this Special Service at the Church, and in response to God for his Blessings, each family is asked to bring, in addition to their regular giving, a special offering.

There will also be those who will be uniting with the church by transfer of membership, or profession of faith in Christ, or coming from another church.

Our attendance goal for Sunday School and Worship Service is 125. We extend to our friends and people of this community who do not have a church home to worship with us this Sunday and every Sunday.

## Pratt Rites Held In Stamford

Funeral services for W. C. Pratt, 85, were held at the First Baptist Church in Stamford Wednesday at 2 p. m., with the Rev. Jack Southland, pastor, officiating. Mr. Pratt was an uncle of Woodrow Pratt of Loraine.

Born Sept. 30, 1882, in Baldwin, Miss., he came to Texas as a young boy. He married Ezelle Mae Riechbourg on Oct. 18, 1909, and she died May 9, 1960.

He married Lillian Hockersmith Nov. 9, 1962 in Wichita Falls, and she died Dec. 10, 1965.

## Elsa Freeman Donates Christmas Card Money to Lions Club

Perhaps others might want to do as Elsa Freeman is doing this year regarding mailing Christmas cards to local friends.

Mrs. Freeman said in lieu of mailing local cards she was giving \$5.00 to the Lions Club for their redecorating fund. She left her check in The News office this week to be turned over to the Club.

In discussing the custom of sending Christmas cards, and also gifts at Christmas, most of us agree the custom has gotten out of hand. We send cards to those we see every day, why because of custom, habit, have always done this, and too, because we don't want to fail to send a card to those who will be sending us one, etc.

The Lions Club didn't start

this way of gifts for their redecorating fund, but they could use it. If it benefits the Club then it's a help to the town and community, as all have access to the building and its facilities.

## Trent Defeats Bulldogs, 44-12

Six fumbles and mental mistakes seem to be the biggest differences between the Bulldogs and Gorilla teams.

Statistics-wise, there was only about 20 yards difference in total yardage gained by both teams.

Loraine made 14 first downs to Trent's 20; had 274 yards rushing 391; passing yardage 168 to 68, completed 7 of 19 pass attempts and Trent had 3 of 7; punts, 2 for 31 average, to 1 for 30. The Bulldogs lost 6 fumbles and Trent, 2.

The Bulldogs will be out Thursday night to take revenge for the 26-0 licking taken from the Hermleigh Cardinals in the 1966 season opener. The game will be played Thursday night at 7:30 in Hermleigh.

The Hermleigh Lions Club will be serving their annual pancake supper before and after the game.

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LORAIN:**

SECTION 1. Effective with the first gas bills rendered on or after the 7th day of December, 1966, the general service rate for sales of natural gas rendered to residential and commercial consumers within the city limits of Loraine by Lone Star Gas Company, a Texas corporation, its successors and assigns, is here-

by fixed and determined as follows:  
 First 1,000 cu. ft. or fraction thereof \$1.67 gross; \$1.50 net. All over 1,000 cu. ft. — \$ .8433 gross per MCF; \$ .759 net per MCF.  
 No gas bill will be rendered to any residential or commercial consumer served under the above rate not consuming any gas during any monthly billing period.

**ADJUSTMENTS**

The amount of each net monthly bill computed at the above stated rates shall be subject to the following adjustments; Plus 1/2 of 1% of the amount computed at the above stated rates for each whole point by which the average of the 12 most recent monthly values for the "All Item Consumer Price" Index compiled by the United States Department of Labor on a 1957-1959 base, or adjusted thereto, exceeds 112; plus or minus the amount of any increase or decrease, respectively, in the present authorized intra-company city gate charge as fixed by the Railroad Commission of the State of Texas or other regulatory body having jurisdiction for gas delivered to Lone Star Gas Company's distribution system for sale to residential and commercial consumers in the City of Loraine; plus an amount equivalent to the proportionate part of any new tax, or increased

rate of tax, or governmental imposition or charge (except state, county, city and special district ad valorem taxes and any taxes on net income) levied or assessed against the Company or on its gas business, as the result of any new or amended law, ordinance or contract, after January 1, 1966. Each gross monthly bill shall be adjusted proportionately. Company at its option may forego the application of any adjustment if such adjustment would result in an increase in the monthly bill; however, failure of Company to apply any adjustment shall not constitute a waiver of Company's right, from time to time or at any time, to make any adjustment in whole or in part, in any subsequent current monthly bill that may be applicable to such bill under the provisions of the foregoing adjustments.

Net rate shall apply to all bills paid within ten days from monthly billing date.

SECTION 2. The rate set forth in Section 1 may be changed and amended by either the City or Company furnishing gas in the manner provided by law. Service hereunder is subject to the orders of regulatory bodies having jurisdiction, and to the Company's Rules and Regulations currently on file in the Company's office.

SECTION 3. The fact that there is an imperative public need for an ordinance fixing and determining the rate for gas and gas service furnished to residential and commercial consumers creates an emergency and the reading and passage of this ordinance at three separate meetings is hereby suspended and this ordinance shall take effect and be in full force from and after the date of its passage at a single meeting and the approval thereof by the Mayor.

**When you love your work, it shows.**

And we love our work. So much that we couldn't bear to stop with the slickest-looking split grille ever to grace a Wide-Track. (Or any other car, for that matter.)

We went ahead and made the windshield wipers disappear. The car not only looks cleaner, but the wipers are less subject to icing and freezing, too.

Then we got rid of the vent windows on all Grand Prix hard-tops. We replaced them with nifty monograms and a flow-through ventilation system.

We even designed a rather unique hood-mounted tachometer

option that's available on all Pontiacs. As are our other new options like stereo tape and stereo radio.

And, of course, our handsome interiors have to be seen to be believed.

All Pontiacs have standard safety features that include a dual master cylinder brake system with warning light, outside rear-view mirror, and GM's energy absorbing steering column.

Isn't it time you decided to see your Pontiac dealer? If you love our work the way we do, it's the least you can do.

She carried her bouquet of white roses atop a white pearl trimmed Bible. For wedding traditionals she wore a penny in her shoe, a blue garter, new pearl earrings and the Bible was borrowed from Elsa Freeman.

Miss Susie Watson, aunt of the groom, of Wichita, Kans., attended the bride as maid of honor. She wore a rose dress, street length and sleeveless, designed with a velveteen bodice and brocade skirt.

Bridesmaids, Miss Virginia Padgett and Miss Marilyn Forbus, cousin of the bride, wore identical dresses to that of the maid of honor. They wore veils attached to pill box halos and carried long stemmed rose carnations.

Vickie Lamb of Odessa, cousin of the bridegroom was flower girl. Candles were lighted by Anita Fay Brewer and Teresa Kay Brewer, sister of the bride, and Mike Lamb of Odessa was ring bearer.

Ronald Lamb of Colorado City,

cousin of the bridegroom, was best man and groomsmen were Gary Holman of Big Spring and Fred Watson, uncle of the bridegroom from Wichita, Kans. Ushers were Terry Brewer, brother of the bride and Larry Dambosky of Colorado City.

Following the wedding, parents of the bride hosted a reception in the church fellowship hall.

The bride's table held the attendant's flowers. Appointments were silver and crystal. Punch, nuts, mints were served with the three tiered wedding cake by Rita Sue Henderson and Mrs. Chester Collier.

After a honeymoon trip to Ruidosa, N. M., the couple will be at home in Fort Stockton where he is employed by Bell Telephone Co.

For traveling, Mrs. Kennemur wore an olive green suit of wool knit with black accessories.

She is a graduate of Loraine High School where she was cheerleader and Miss School Spirit her senior year. Mr. Kennemur, a 1964 graduate of Colorado City High School, attended IBM School in Ft. Worth, Howard County Junior College and is in the Marine Reserve Corps.
