Schwartz Blasts New Windstorm Insurance

BY BRYAN GRAHAM
Tribune Austin Bureau

Blasting the newly announced changes in the Texas Windstorm Insurance Pool, as "less than half a loaf," State Senator A. R. "Babe" Schwartz of Galveston has pledged to continue his fight to lower the cost of policies written under the pool.

Schwartz, the author of the bill creating the pool concept, said he found the reforms unveiled recently by State Insurance Board Chairman Larry Treaver unacceptable.

He aimed his main fire at the fact that the new rules do not provide for refunds to coastal residents "Who have already been gouged" by the insurance companies. He also objected to the fact that even after the 26 per cent cut in the cost of most of the policies written under the pool announced by Treaver, pool policies will still be more expensive than standard coverage.

Teaver had announced that the rates for coverage in the so called coastal area are to be cut from 150 per cent of the cost of standard coverage to 110 per cent. He had also announced a doubling of the coverage provided by the pool, raising the maximum limits on a private house from $100,000 to $200,000 and on a commercial or public building from $500,000 to $1 million.

Schwartz said the cut in the cost of the policies was not enough. He has consistently charged that insurance companies forced almost all property owners to buy their policies through the pool because they could make more money from the pool's higher rates, and, he said, the 10 per cent difference in the cost of standard and pool coverage means "The companies can still be counted on to abuse the pool." The rates for both types of coverage should be the same, Schwartz said, as anything else gives the insurance companies "A bonus for shirking their responsibility."

Schwartz said he definitely planned to continue his efforts to lower the rates, reporting "I'm going to take it up with the legislature when we reconvene; I'm going to take it up with the insurance commission before that, and I just guarantee you that this is one battle that the people are going to win."

Referring to the fact that two of the three state insurance board members have not yet been confirmed by the Texas senate, Schwartz dropped a heavy hint that he would use the senate's power over their appointments as a weapon in his fight," If this board doen't provide the remedies, some other board will," he commented.--Matagorda Daily Tribune.

Goose Island Area Closed To Oystering

Austin-The State Department of Health has notified the Texas Parks and Wildlife Department that waters around Goose Island near Rockport have been added to those officially closed to oystering because of pollution.

Oysters may not be taken for any purpose from the waters around Goose Island and a band extending up the shore to Highway 35. The change was effective March 1, the department was told.

Persons harvesting oysters in the closed areas are subject to arrest and fines.

Pilot Starts 103rd Year

With this week's issue, The Rockport Pilot begins its 103rd year of publication and service to the community.

Roy V. Rogero, Sr., the present owner, and the late Roy Woods purchased the newspaper on April 1, 1946. Rogero bought out Mr. Woods' share in January of 1971.

Many changes and improvements have been made in the Pilot throughout the years, one of the most important advancements occurring last September when arrangements were completed to have the paper printed on an offset press instead of the old letterpress method.

Offset printing creates a better looking paper which is easier to read. It also produces sharper pictures which can be published the same week they are received.

School Board Holds Meeting

The School Board of Aransas County Independent School District met March 13 and took the following actions:

1. Regular monthly bills were presented and approved for payment.

2. New textbooks were adopted for certain areas in the curriculum, these textbooks having been approved by the State Board of Education and the local Textbook Committee.

3. The school calendar for the 1972-73 term was approved.

4. Faculty members recommended for re-employment for the 1972-73 school term were approved and contracts authorized.

5. Computerized grade reporting and scheduling was approved for the 1972-73 school year.

Absentee Voting For City Election

Absentee voting will continue at the City Hall through March 28 for the City Election which will be held April 1.

Walter S. Falk is unopposed for a two-year term as mayor to succeed Delmar Hiller who did not file for re-election.

Joe "Pepe" Zambrano is a candidate for re-election from Ward 1 and is opposed by Marcelino Ramirez and Joe Lister.

Murray McMillan, appointed alderman from Ward 2 after the resignation of Mrs. Tony Harden, is seeking a two-year elective term and has William McNickle as an opponent.

Shrimp Landings Increase Again

Austin-U. S. shrimp fishermen netted 10 million more pounds in 1971 than they did the year before.

The total means that for the third consecutive year the nation's shrimp fleet set a record over all previous years' catches.

Preliminary data indicates the 1971 catch was a little more than 234 million pounds, heads-off weight, compared with 224.5 million pounds in 1970.

Fishermen received $166.2 million for their efforts, the highest overall value of any species taken commercially in the United States.

Three states--Texas, Louisiana and Alaska--accounted for 70 percent of the nation's shrimp catch in 1971.

Continued increases in landings are attributed primarily to the growing number of modern vessels in the shrimp fishery as well as the growing demands for shrimp, the nation's most popular seafood.

NOTICE

The Beta Sigma Phi sorority wants to know of any one in this area who has any brothers or loved ones in Korea or Vietnam and would like for the sorority to send cookies. Please contact Mrs. Ginger Haulsey, Box 104, 729-0831.

RESIDENTIAL CAPTAINS for the Cancer Society Crusade are: Seated (left to right): Mrs. Darnell Cuff, Estes Community; Mrs. Viola McNorton, Smith & Wood; Mrs. Sue Randow, West Terrace; Mrs. Marjorie Hulett, Little Bay Shores; Mrs. Sandy Johnson, Copano Heights; Helen Thompson, Allegro Club; Blas Ramirez, Rockport.

Standing (left to right): Mrs. Barbara Maley, Lazy Acres; Helen Foster, Mrs. Polly Rouquette, South Fulton; Mrs. Bernice Miller, West Terrace; Mrs. Bland Davis, Copano Cove; Mrs. Donie Meador, Copano Village, Mrs. Patty McArdle, Shadyside; Mrs. Bernice Parker, Mrs. Leona Lock, Holiday Beach; Jimmy Fowler and Mary Lou McGlathery.

Those not pictured and their areas are: Mrs. Mary Gilliam, Oak Terrace; Mrs. Bernita Kinsey, Peninsula Oaks; Mrs. Meta Sharpe, Palm Harbor; Bob McBride, North Fulton; Mrs. David Connery, Copano Area Coordinator; Mrs. Cody Burk, Copano Village; Mrs. Al Keller, Copano Ridge; Mrs. Doug Carroll, Carroll Const. Area; Mrs. Homer Elliot, Club Lake Drive; Mrs. Marilyn Young, Hwy. 881; Mrs. Janet Griffis, Phillips Camp.

C of C Banquet On Saturday Night

One of the year's most important civic and social events --the annual banquet of the Chamber of Commerce--will be held at 7:30 p.m. Saturday, March 25 in the Colony Room at the Sandollar Resort Motel Spa.

The evening will be featured by an outstanding speaker, a delicious steak dinner, musical entertainment, presentation of a surprise community service award and the opportunity for all present to enjoy a congenial evening.

James Blakely, Ph. D., a college professor and humorist from Wharton, Texas, will be the principal speaker.

Possessing extensive experience as a public speaker,

JAMES BLAKELY, Ph.D.

Dr. Blakely's philosophy is that "the sense of humor is the just balance of all the faculties of man, the best security against the pride of knowledge and the conceits of the imagination."

His talks, containing messages of success and social and spiritual reward, are carried on the wings of humor, with the serious points illustrated by an abundance of humorous stories, jokes and anecdotes.

The program will be as follows: Master of Ceremonies-John P. Mitchell, Jr.; Introductions; Invocation - Rev. Lester Hill; Dinner; Entertainment-Tri-Tones of Del Mar College, Jane Howe, Ann Kleypas, Laurin Shockley; Presentation of Community Service Award-John P. Mitchell, Jr.; Past President's Report-R. L. Eckman; Incoming President's Remarks-Ed Harper; Introduction of Speaker-W. W. Janecek; Guest Speaker - Dr. James Blakely.

Officers of the Chamber of Commerce are: Ed Harper, President; John P. Mitchell, Jr., First Vice President; W. W. Janecek, Second Vice President; Charles LaBounty, Treasurer; Directors - Mrs. Denver "Corky" Agler, Mrs. Juanita Wagley, Mrs. J. W. "Tony" Harden, Glen Wagner, W. W. Janecek, L. E. Casterline, Vernon J. Kleypas, Port Little, John M. McDavid, James H. Sorenson, Jr., Gordon Stanley and Sam Wilcox. The staff consists of: Mrs. Loyce Landrum, Secretary-Manager; Mrs. Louise Brisbin, Assistant and John R. Kinsey, Public Relations.

REAL ESTATE FIRM SOLD

Emory M. Spencer has announced the sale of his interest in the operating corporation, Security Real Estate, Inc., as well as all of the properties, land, building and equipment to Carl C. Krueger, Jr., chairman, and Jerre Ledbetter, president, of Key Allegro Development and Sales Company.

John Lewis, who with Spencer owned Security, retains his interest in the firm. Lewis, Krueger and Ledbetter will operate Security as a partnership.

Walt Addis, a licensed real estate broker and former sales manager of Key Allegro, has been appointed manager of Security Real Estate.

Harry E. Cole, former owner and operator of the Mayflower Hotel in Corpus Christi, recently joined the staff as a salesman.

Also associated with Security as salesmen are Paul Johnson, Bob Stroot and Del McLain.

Military Retirees Meet March 28

Area military retirees will hold a meeting Tuesday, March 28 at the Ingleside V.F.W. Hall, at 8 p.m. This meeting is open to all ranks and branches of service. Any retiree who has completed 20 or more years active military duty is eligible for membership. Opportunity to become a charter member of the local chapter will be closed after this meeting. All interested retirees are urged to attend this meeting, as application for local charter from national headquarters will be applied for as soon as possible after March 28.

Police News

Chief of Police Everett D. Taylor reported that Ralph Ochoa, Jr., was arrested Saturday at H.E.B. Family Center and charged with shoplifting. Taylor said Sgt. Daniel Vargas apprehended Ochoa and recovered eight cartons of cigarettes. Ochoa was held in the county jail under $500 bond.

*

Patrolman James Russel will leave Sunday for Austin to attend a two-week police school conducted by the Texas Department of Public Safety. This particular course will concentrate on fingerprinting and identification.

Cancer Crusade Starts April 16

The American Cancer Society's Crusade will begin on April 16. Residential Captains for this year's campaign attended a meeting at the Chamber of Commerce Building on March 17.

Mary Lou McGlathery, House to House Chairman for the Rockport-Fulton Area, presided over the meeting.

Jimmy Fowler, who is the Vice Chairman of the Aransas County Fund Drive, gave a talk on how funds given last year by Texans to the American Cancer Society are being spent. Helen Foster of Corpus Christi, District Executive Director for this area, expressed her appreciation to the Residential Captains for volunteering in this fight against cancer.

You may volunteer by calling the Residential Captain in your area or 729-7259.

Absentee Voting For School Election

Absentee voting will continue through March 28 at the School Administration Building for the School Trustee election on April 1.

Mrs. Jan Wendell and Gary D. Smith, candidates for re-election to the Aransas County Independent School District Board from the Rockport area, are unopposed.

Ottie Mundine, seeking re-election from the Fulton area, has Dr. J. Martin Shaw, optometrist, as an opponent.

Four candidates have filed for the one-year, unexpired term of Dr. H. F. Elliot who has resigned to run for county commissioner of Precinct 1. They are James W. Hunt, Gene Howland, Blas Ramirez and Mrs. Therese M. McCarthy.

Voter Registration

Persons who have not registered to vote must do so by April 5 in order to be eligible to vote in the May 6 Democratic Primary Election, according to Mrs. Margaret Weber, Aransas County Tax Assessor-Collector.

Mrs. Weber points out that many persons who have received voter registration applications in the mail have not filled out the applications and returned them to the county tax office in the courthouse. She is certain that many people mistakenly have assumed that the application forms are voter certificates. She urges such people to examine the application forms they received some time ago.

No Revaluation

Aransas County Commissioners have decided not to employ an Austin firm to conduct a complete revaluation of the county next year.

The decision was made last Friday after County Judge John D. Wendell said he had been informed that the Aransas County Independent School District would not be interested in entering into the project on a share-the-cost basis.

Du Pont to Proceed With 'Freon' Plant

INGLESIDE -- The Du Pont Company has decided to proceed with construction of the first phase of a multimillion-dollar complex for production of some of its "Freon" fluorocarbon products. Robert N. Franz, who will be manager of the manufacturing facility when it goes into production late next year, said that construction would proceed immediately from the site improvement phase to building of the plant itself.

The project was announced as being under consideration late in 1970, and site improvement activities began last October.

Plans call for construction in several stages which will combine to be the world's largest fluorocarbon facility.

The size of the plant, plus the inclusion of highly advanced technology, said Franz, will reduce production costs and should enable "Freon" fluorocarbons to compete more effectively in domestic and international markets. The initial stage, to produce about a half billion pounds of chemical intermediates annually, will establish some of the new technology.

DuPont is awaiting the issuance of an order from the Texas Water Quality Board, the subject of a public hearing in Corpus Christi earlier this month. Franz said that the plant will incorporate the most advanced technology for environmental control which will avoid any problems of air or water pollution.

Franz noted that construction employments levels would rise as the second phase of building develops further. About 600 are expected to be employed at peak construction levels. Production employees will number about 300, of whom 70 per cent will be hired locally.

Real Estate Board Honors Lay Officers

Left to right: Sheriff Bob Hewes, Police Chief Everett Taylor and Bud Wise, President, Ingleside.

Left to right: Mrs. Louise Itschner, Mrs. Ana Wishert, Sheriff Bob Hewes, Police Chief Everett Taylor, Raulie Irwin and Grant Stowell.

The Aransas - San Patricio County Board of Realtors on March 16 honored area law enforcement officials at a dinner meeting in Aransas Pass. Bud Wise of Ingleside, president of the Board, recognized the special guests, including Sgt. Ray Holub of the Texas Department of Public Safety, Aransas County Sheriff Bob Hewes and Rockport Chief of Police Everett D. Taylor.

Local members of the host Board who attended the meeting were Mrs. Ana Wishert, Mrs. Nan Irwin, Grant Stowell, Ed Beasley and Mrs. Louise Itschner.

Mr. Wise introduced the speaker, San Patricio County Attorney Richard D. Hatch, who told of his work with the various law enforcement officials and praised them for their dedication to duty and told of the increase of criminal offenses being committed in the county and of the hazards of being a law enforcement officer.

He read from the Texas Department of Public Safety report on Texas Juvenile offenses for the year of 1971 which covers offenses by males through age 16 and females through age 17 as follows:

Murder 32, rape 141, other sex offenses 325, robbery 366, burglary 6,661 and aggravated assault 909. He told of ten juvenile cases heard by the Juvenile Court of San Patricio County recently where six male children were found to be delinquent, 3 to be committed to the Texas Youth Council, 3 to be restored temporarily to custody of parents, 1 case dismissed, 1 case taken under advisement and two children taken from custody of parents and placed in custody of representatives of Texas Department of Public Welfare.

Cerebral Telethon Thank You

The Rockport Cerebral Telethon couldn't and wouldn't have been such a big success March 18 and 19 had it not been for the Rockport Volunteer Firemen's Auxiliary.

All the wonderful girls worked long hard hours and the very proud president, Peggy Hunt, says "Thank You."

Key Allegro Unit 4 Completed

Completion of Unit 4 at Key Allegro Isle has been announced by Jerre Ledbetter, president of Key Allegro Development and Sales Company.

He said 67 of the 107 waterfront home sites already have been sold and eight houses presently are under construction.

Ledbetter said that Unit 4 provides, in addition to an underground utility system, a central sewer system tied into the city sewer facilities, and also a completed curb and getter layout.

Ledbetter reported that during the past 30 days, sales of houses and lots on Key Allegro Isle totaled $354,190, breaking all sales records for a one-month period at this waterfront subdivision.

Car Licenses

Mrs. Margaret Weber, Aransas County Tax Assessor-Collector, reminds local car owners that they must purchase their 1972 license plates on or before March 30. The Courthouse will be closed on March 31 (Good Friday).

Architect Named for New Bank Bldg.

Selection of an architect to design and supervise construction of the new $500,000 First National Bank building on a one-block site in the north end of Rockport's business district was announced Tuesday by James H. Sorenson, Jr., bank president.

Morgan Spear Associates of Corpus Christi has been awarded the contract, and Frank Hall of the Spear firm has been appointed project coordination.

Spear, company president, is a graduate of the University of Texas with a degree in architecture. He has been practicing his profession in Corpus Christi for 15 years and has been in business for himself for the past 10 years. Hall was graduated from the University of Houston with a degree in architecture and has been practicing since 1956.

The architectural firm has designed a variety of buildings and construction complexes in south Texas -- both commercial and residential -- including banks, shopping centers, office buildings and country clubs, as well as apartment buildings and single residences.

At present the architects are involved in a series of discussions with First National Bank representatives to determine type of design and space needs prior to undertaking preliminary sketches and tentative layouts for the new building. Also, they have been studying preferences and needs of the community as well as characteristics of the building site.

"We want to make certain our new building is in harmony with the practical and aesthetic preferences of the community," Sorenson said. "This is one of the architect's most important responsibilities."

It is anticipated that final plans for the bank will be ready in two to three months, with completion of the building sche-

San Patricio Municipal Water District Gets Grant

Senator John Tower and Congressman John Young announced in Washington today the gratifying news from the Economic Development Administration of approval of a $555,000 Grant to San Patricio Municipal Water District to double the capacity of the fresh water plant and increase its water supply. Congressman Young says "the approval of this Grant is of immense importance to San Patricio County and the entire South Texas area because the $555,000 is an integral and essential part of the expansion of the water supply that will be necessary to service the new du Pont plant which will make Ingleside and South Texas the "Freon" capitol of the world.

The fresh water facilities of the San Patricio Municipal Water District represent one of the outstanding examples in the Nation of the cooperation of Federal, State and local government in providing the necessary facilities for major industries to locate and operate."

The original pipeline from Calallen to Aransas Pass and beyond was built with the assistance of a $1,170,000.00 Federal Grant. It supplies several Cities and Towns in the area as well as presently existing industrial plants, such as Reynolds Metals. This $555,000 will assist in expanding these facilities to accommodate the new proposed du Pont plant.

The Rockport Pilot

Architect Named—

(Continued from Page 1)

duled for about a year and a half, Sorenson explained.

Because of rather vague public understanding of the functions and responsibilities of the architect on a major building project, a series of questions about the profession and their specific plans for the First National building was asked of Spear and Hall.

Hall said, "An architect converts a human need into an environmental reality, whether a single building or an entire city," adding that the architect has a responsibility to the public as well as to his client. He tries to improve the environment by making certain that the building fits well into the community. Spear added.

This is achieved as a result of extensive discussions with the client and a thorough survey of the community. From this mass of factual information and opinions, a general plan is developed which is compatible with the needs of the client and within financial limits set by him. "Next, the plan is translated into graphic diagrams and drawings so the client can visualize the reality," Spear continued.

"An architect must be a sort of hybrid between an artist and an engineer. He must be able to develop graphic illustrations of abstract ideas, and then supply details of mechanical and structual requirements for the building," according to Spear. This diversity of talents is supplied by a staff of specialists, all of whom contribute their part to any major archetectural project, he added.

Continuing his description of the process through which a building is designed and developed, Spears said once general agreement is reached with the client, schematic studies of various departments and areas are produced. In turn, these are fitted together to permit development of an overall layout within the physical and financial requirements of the project. After agreement with the client, construction cost estimates are prepared. Drawings of the proposed exterior appearance of the building are completed, followed by construction of a cardboard model of the structure so as to permit the client to study the physical shape of the building, especially its three-dimension appearance, Spear explained.

"After approval by the client, we prepare so-called construction documents -- final plans and specifications -- commonly called blueprints. When these are completed we assist the client in getting construction bids, acting as his agent," Spear said. "We perform this function with sub-contractors as well as with the general contractor. It is our responsibility to make sure the contractors have the ability and the facilities to handle the job.

"From then on we become the 'middleman' between owner and contractors to make certain the plans are followed faithfully and all contract requirements are met," Spear continued. "The architect's responsibility continues until the project is complete and the finished building is turned over to the owner," he said.

Navigation Dist. Holds Meeting

The Board of Navigation and Chanal Commissioners met recently in regular session at the District's office, with Chairman Richard J. Fox presiding. Present were Commissioners David Maguglin, R. W. Landrum, F. M. Rouquette, and Wm. M. Brown, Jr.; Attorney Ellis L. Clark and Harbormaster B. C. DeForest. Bill Johnson was a visitor.

Minutes of the February 1 regular meeting and February 15 and February 25 special meetings were read and approved. Treasurer's report was read and placed on file. Monthly bills were approved and checks signed. Motion was made by Commissioner Brown, seconded by Commissioner Maguglin and all voted "aye," that payment in amount of $300.00 be made to EDA, to help them meet local fund requirements.

Bill Johnson, d/b/a Fulton Boat Yard, submitted only bid for removing sunken boats from Rockport Harbor. Bid was as follows: Boat Niewe Hope--Barge Landing--$1,050.00; Boat Benny Loyd--Dock R-93--$200.00.

Motion was made by Commissioner Maguglin, seconded by Commissioner Landrum and vote carried, that contract in amount of $1,250.00 be awarded Bill Johnson, d/b/a Fulton Boat Yard, for raising and removing boats "Niewe Hope" and "Benny Loyd" from Rockport Harbor.

Harbormaster was instructed to make inquiries as to cost of deepening salt water pool in area of diving boards and swings. Present depth is felt to be safety hazard.

There was discussion of high cost of maintenance of recreational areas. Letters will be sent to Aransas County and City of Rockport, requesting that they share in this expense to the District.

The board concurred in Robert C. Stroot's request that he permit Mr. and Mrs. Alfred D. King to operate Wee Put Golf Course, on land leased from the District. Monthly rental payments will be paid by Mr. and Mrs. King beginning April 1, 1972, Mr. Stroot to be held responsible for any unpaid rental. Lease will remain in Mr. Stroot's name, pending purchase by Mr. and Mrs. King next year.

Retired Service Officers to Meet

All retired Service Officers and their wives have been invited to a dutch treat cocktail hour to be held at the Gold Room of the Sandollar Motel on Fulton Beach Road.

The event has been scheduled for Wednesday evening, March 29th, beginning at 6 p.m. Dress will be informal.

Because it has been so long since the last get-together, there will be many newly arrived retirees whose names are not yet on the mailing list, hence they will not receive an invitation.

Nevertheless they, along with those retired officers visiting in the area, are cordially invited to attend. Information may be obtained by calling Bob Stroot at Security Real Estate, 729-2256.

Sewer Line to Be Built from Racquet Club to City Limits

The City Council Tuesday night approved a request from Global Land Corp. to install a 4 1/2 mile sewer line from the Rockport Racquet and Yacht Club to the north edge of the city and hook into the city sewer system.

Larry Urban of Urban Engineering, Corpus Christi, said Global will pay the entire cost of installing the six-inch pressure line which he estimated would cost between $60,000 and $70,000. The city will receive fees for the use of its sewage treatment facilities.

Urban said 28 condominium units are under construction at the Yacht Club's 21-acre tract and Global plans to have a total of 80.

In another action the Council agreed to close Cherry Street and open Maple Street in the Sea-Aire Shopping Center, scheduled to be built soon at the triangular tract of land at the intersection of Highway 35 North and Fulton Beach Road.

Mayor Delmar R. Hiller presented to Chief of Police E. D. Taylor, Sgt. Daniel Vargas and Patrolman Dan Sullivan certificates of achievement for attending and receiving 40 hours of intensive training at the Coastal Bend Council of Government's Regional Law Enforcement and Criminal Justice Academy.

The Council also voted to enter into an agreement to lease 64 city-owned lots to Henry H. Wagner, Corpus Christi petroleum landman, for $10 per lot on a five-year lease. Wagner said he represents an anonymous individual interested in gas and oil exploration.

The first action of the evening was the opening of bids for a truck for the garbage department. Commercial Motor Company of Aransas Pass bid $4,070; George Clark Chevrolet, Aransas Pass, $4,005; and Attzenhoffer Chevrolet of Victoria, $4,007.83.

Girl Scouting 60th Birthday

Sixty-two fathers, grandfathers, proud Brownies and Juniors celebrated the sixtieth birthday of Girl Scouting with a party at the Paws and Taws Building last Saturday evening.

The young hostesses prepared box lunches for their escorts and a huge birthday cake provided the dessert. Each troop of girls presented songs or games for entertainment and the escorts were involved in several games.

Three fathers of Brownies judged the boxes of the Junior girls and prizes were awarded to Melissa Gonzales and Kathy Heffernan. Brownie boxes were judged by fathers of Juniors and prizes went to Stephanie Hettenback and Sherry Miley with Barbara Mosier winning honorable mention.

The party was closed with a Friendship Circle and the singing of taps.

Lions Camp For Handicapped Kids

Applications for a summer vacation full of fun for handicapped children in the Rockport area are now being accepted by members of the Rockport Lions Club.

This unique Texas Lions Camp for Crippled Children at Kerrville will open its first two-weeks session Sunday, June 4. Five sessions will be held this summer for youngsters from seven through sixteen years of age.

The camp is free to eligible blind, deaf, mute or crippled children. Transportation to and from the camp is supplied by the local Lions. All requests for summer camp are handled locally by Lions.

For more detailed information about the camp, you are urged to contact James Gillis of the Rockport Lions Club. Lions Club Business Phone 729-5722, residence phone 729-6244. In the past years, Lions have sent over 13,000 youngsters to camp.

Aransas County Wildcat News

The Texas Company #1 J. M. Head Fee logged Monday at 9,500 feet and operator is now setting 7 inch casing through which tests will be made. The log indicated a dual completion as to gas.

Duer Wagner Co., re-entry of the Perry R. Bass #1 Atlantic-Portfield on Monday was drilling ahead at 9,800 feet with a contemplated total depth of 10,500 feet. A window was cut in the casing at 9,200 feet and a directional hole drilled from that depth. The location of the well is Block 16 of the McCampbell Subdivision.

The E. G. Catlett, Hawkins & Hawkins #1 Mokeen Spencer is waiting on a rig. Padre Island Drilling Company has the contract and is expected to move in by April 15.

Proclamation

TO THE PEOPLE OF ARANSAS COUNTY

WHEREAS, Future Homemakers of America, the national organization for secondary school students in home economics and related occupations, is a training ground for tomorrow's homemaker citizen; and

WHEREAS, the achievements of this organization over the past twenty-six years are the foundation for continuing progress for enthusiastic young people who are learning to be creative leaders in tomorrow's society; and

WHEREAS, Future Homemakers as an organization offers members an opportunity to work as individuals and as members of a group for the betterment of themselves, their families and their communities; and

WHEREAS, the week of March 19 through 25, 1972 has been designated NATIONAL FHA WEEK:

NOW, THEREFORE, I Delmar Hiller do hereby proclaim the week beginning March 19 as FUTURE HOMEMAKERS OF AMERICA WEEK in Rockport, and urge all citizens to acquaint themselves with the activities of the Future Homemakers of America organization, to show interest in it and to give help and encouragement to the members who are working hard to achieve knowledge that will make outstanding homemakers and leaders in our communities.

DELMAR HILLER, Mayor, City of Rockport

Rockport Firemen's Auxiliary Meets

The Rockport Firemen's Auxiliary met March 14 for their monthly business meeting. The corrections from last month's social article are: Teet Mullinax was the winner of the balloon contest, and Mrs. Royce Harrell was a former auxiliary member and officer.

The April business meeting firemen cakes are furnished by Kathy Ratliff and Gwyne Howland. An Easter party is planned for the March social. Gwyne Howland will furnish the treasure chest.

Peggy Hunt, president appointed Gwyne Howland and Kathy Ratliff delegates to the April 9 Firemen's Convention in Sinton. Details for the dance were announced by Judy Johnson, dance chairman. Details of the Cerebral Palsy Telethon were announced.

Racing practice is March 26 at 4 p.m. Please meet at the fire station.

Members present were: Lois Gurley, Dorris Hill, Inalia Hinze, Gwyne Howland, Peggy Hunt, Judy Johnson, Mona McNutt, Sarah Belle Smith, Cleo Truelove, Joan Truelove, Kathy Ratliff and a new member Evelon Redden.

Joan Truelove, reporter

Cerebral Palsy Telethon Results

The Cerebral Palsy Telethon March 18 - 19 produced $648.17. Members of the Rockport Firemen's Auxiliary manned the phones Saturday night and Sunday at the new Rockport Fire Station on Concho St.

The Auxiliary wishes to thank Coastal Electronics for the use of a television set. The Auxiliary wishes to thank all those who donated and the following boys and girls for volunteering to collect money throughout the Rockport and Fulton area:

Sandra and Karen VonHeunel, $55.13; Linda Gaines and Ruby McLester, $2.00; Janet Truelove, $12.61; Frances Ramirez, $46.26; Richard Dominguez and Orlando Pena, $16.75; Bill Theodore, $12.25; Cheryl McLester $2.25; Anna Dominguez and Sharon Pena, $9.05; Joe Flores and Ronald Dominguez, $7.96; Kathleen Brown, Cathy Tucker, Mary Tucker and Alice Green, $44.61; Carey Dietrich, $32.00; Jannet Dietrich, $17.20; Louann Agee, $25.00; Darren and Partricia Gurley, $18.61; Roy Rivera, $1.99; Esquiel Hernandez, $2.29; Tony Buenano, Lura Rodriguez, Freddie Rodriguez and Carmen Buenano, $18.68; Steve and Pat Frizzell, $9.58; Linda Kelly, $13.25.

Joan Truelove, reporter

Lecture On Atomic World

Rockport-Fulton High School students will get acquainted March 30 with atomic energy and its uses.

Basic principles of nuclear energy, its sources and role in agriculture, industry, medicine and research will be covered in a demonstration-lecture titled "This Atomic World."

Orlan L. Ihms will conduct the 40-minute program. It is sponsored by Texas A&M University in cooperation with Oak Ridge Associated Universities (ORAU).

Using student terms, Ihms will describe structure of atoms, nuclear reactor operation and such concepts as radiation, fission and fusion.

He will employ special equipment to demonstrate radiation sources and how nuclear energy is harnessed to generate electricity. Life process studies and disease diagnosis and treatment using radioisotopes also will be depicted.

A chalkboard talk to Rockport-Fulton High science classes will go into more detail on atomic structure, radioactivity, radiation biology and nuclear science careers, among other topics.

Ihms trained with ORAU at Oak Ridge, Tenn. He has bachelor and master's degrees from Texas A&M. ORAU is a non-profit educational and research corporation of Southern colleges and universities.

FIREMEN'S AUXILIARY DANCE SCHEDULED

The Rockport Firemen's Auxiliary is sponsoring a benefit dance June 17 at Lillian's from 9 p.m. to 1 a.m.

Adolph Hofner will provide the music. Tickets are $3.00 per person and may be purchased from members of the auxiliary.

NEUGENT SENATOR

Dean Neugent would like to talk to you

Your new Senator should have the courage to break with the past and those who seek to preserve it. The ability to recognize what is good around him and use it and discard what is not.

The Kinsey Report

Have you ever made a tape recording and then listened to how your voice actually sounds?

I don't know about you, but my wife and I have discovered that our speaking voices definitely do not sound like we thought they did.

I thought I had a fairly pleasant sounding voice but I discovered that I sould more like Goober "What's His Name" or Jim Nabors (when he's talking, not singing). I sound as though I should blow my nose.

And my wife thinks she sounds "sort of gushy all the time." "Everything I say sounds like I am reciting 'Twas the Night Before Christmas' to a group of children," Mrs. Kinsey comments.

With us, this tape recording process began shortly after Christmas. Our son and daughter-in-law gave us a tape recorder for Christmas and asked us to send recorded messages instead of letters. They have a tape recorder, and this way we can communicate by spoken messages.

In addition to sounding funny, we find that it's difficult to think of clever and interesting things to say. A typical greeting will go something like this:

"We love you and miss you. The weather has been very nice. Our dog and cat are fine and the; cat is going to have kittens again. Daddy won a prize in the golf tournament. We sure wish you were here. Etc. etc."

Seriously, we are enjoying this method of communication. We send tapes back and forth and we get to hear not only our son and daughter-in-law but also our grandson, and we feel like we are with them in California.

I still regret that I sound more like Goober than Orson Welles or Richard Burton.

Gonzales Found Guilty of D.W.I.

A jury in County Court Tuesday found Silvestre C. Gonzales guilty of driving while intoxicated. His sentence was 30 days in the county jail and a fine of $250.

Gonzales was arrested after his car struck Timothy Tippin who was walking. The boy was seriously injured and had to have a leg amputated while recovering in a hospital.

Members of the jury were Avie M. Grobe, Everett M. Perry, Glenn W. DeForest, Allen Johnson, Bennie R. Dupnik and Howard Black.

Golf News

In the Toast of the Coast Annual golf tournament Monday at the Live Oak Country Club, the medalist was Dee Hagy from Aransas Pass; second medalist was Steve Hutchins from Sinton; and third medalist was Scott Coughran from Bishop.

The winner of the tournament was Corpus Christi Carroll with a score of 325, second was Sinton with 330 and third was Edna with 334.

*

Thirty-seven players competed in the Scotch foursome tourney Sunday.

Finishing first with seven under par was the team of Sonny Tiner, Lou Tuer, Bob Sterns III and Rene Swann.

In second place at six under par was the team of Chuck Wilhelm, Bob Sterns, Jr., Pasco Martin and Rose Smith.

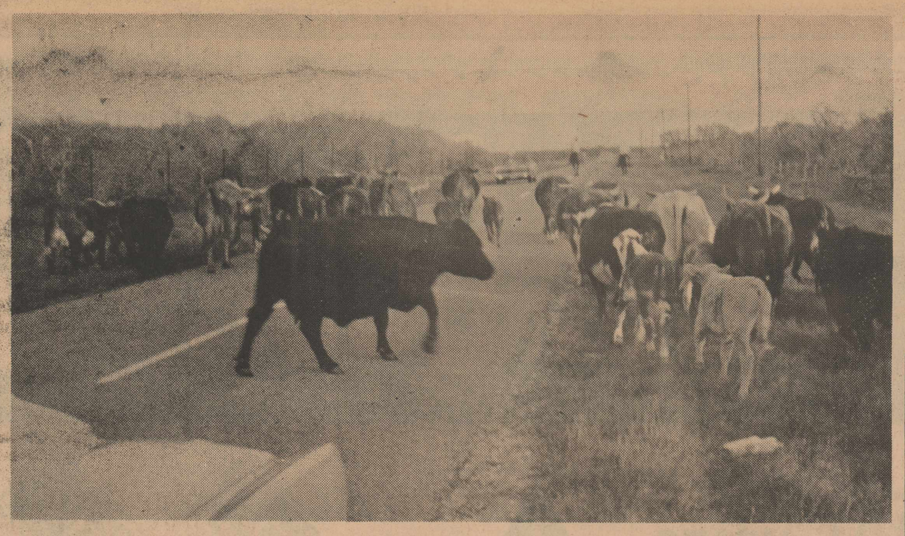
Five teams tied for third with four under par. The flip of a coin determined the winning team: Ted Greenfield, Glynn Swann, Rudy Mayo and Helen Wilhelm.

*

There will not be a Scotch foursome tournament Sunday, March 26.

LIBRARY SCIENCE SCHOLARSHIP

Corinne Crabb, Aransas County Public Librarian, has been asked to submit the name of a graduate student in Library Science to be considered for a scholarship. Any interested student please contact Mrs. Crabb at the Aransas County Public Library.



TRAFFIC JAM — Whereas people living in big cities often have to contend with traffic tie-ups involving thousands of cars, folks in Rockport area are more apt to occasionally be delayed by this type of slow-down reminiscent of the Old West days. This photo shows about 50 of the Rouquette Brothers cattle being moved along FM 2165 from one pasture to another.

Holy Week Devotions

The Aransas County Ministers' Association is sponsoring a series of weekday devotions during Holy Week, March 27 through 31, at First Baptist Church from 12:05 to 12:20 Monday through Friday. The theme of these worship services will be "Jesus and His Roles as Savior."

The Rev. Josef Barton, the Rev. Paul Bohot, the Rev. C. J. Molmen, the Rev. Lester Hill and Msgr. Harold Palmer will lead the devotions on successive days of the week.

Everyone is invited to take part of his lunch hour to attend these brief devotions.

TOPS News

Texas Tops Chapter #493 had its election of new officers. They are: leader, Tanya Gatlin; co-leader, Jo Ann White; secretary, Dorothy Fields; treasurer, Eva Henderson.

Installation of officers will be March 27.

Queen of the Week was Dee Hutchins.

Regular Tops meetings begin at 7 p.m., weigh-in begins at 6:15 p.m. They meet at the Presbyterian Church. All interested women are welcome.

New Marine Business Opens

Mr. and Mrs. Wayne E. Collins announce the opening of a new marine business in Rockport. The business, known as Coastal Marine, is located on Highway 35 South in the city limits. It has 30,000 square feet of secured fenced ground with entrances both on Highway 35 and Fuqua Street. The building, containing 4,500 square feet of floor space, was designed by Mr. Collins and sold and erected by Kenneth Gillespee Construction Company.

The new business will carry a full line of boating accessories, and is the area franchised dealer for Johnson motors, Invader boats, Starcraft boats. tent campers, and travel trailers. Coastal Marine offers full authorized service on O. M. C. outboard motors and stern drive units.

Mr. William Wolff is an associate of the new business. He and Mrs. Wolff have recently moved to Rockport from San Antonio.

Mr. Collins was born and reared in Corpus Christi, and boating and fishing have been his hobbies for several years. Collins, in fact, was on a fishing trip to the old Ingleside area when he met Mrs. Collins, who was teaching sixth grade at Ingleside and rooming with friends of the Collins family. Mrs. Collins is now a teacher at Rockport-Fulton Junior High School.

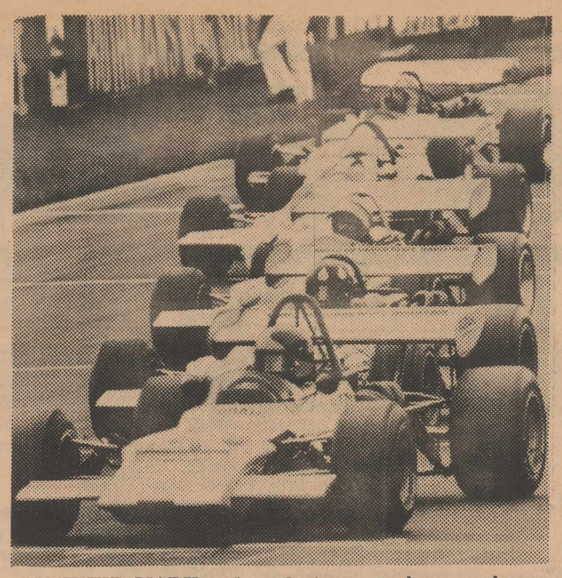
Mr. Collins served four years in the Coast Guard and has been self employed in South Texas for the past twenty years. He, Mrs. Collins, and their two sons became residents of Rockport in 1969 after having had a weekend home here for some time. Mr. and Mrs. Collins also have a married daughter who lives in San Antonio.

Mr. Collins cordially invites everyone to come by and see him and Coastal Marine.

SEAMAN JOHN BURKE GRADUATES FROM BASIC

Navy Seaman Recruit John D. Burke, son of Mr. and Mrs. John F. Burke of Fulton, Texas, graduated from recruit training at the Naval Training Center San Diego.

He is a graduate of Rockport-Fulton High School in Rockport, Texas and is scheduled to report to the Naval Air Technical Training Center at the Naval Air Station in Memphis, Tenn.



ON THEIR MARK and ready to go, racing cars in an International Formula 2 event at Brands Hatch, Kent, England, provide an impression of tailgating to end all tailgating, thanks to the telescopic camera lens.

Talk Given On Contact Lens

Progress and prospects for recently developed "soft" contact lens were reported by Dr. Jerry Shaw at the weekly luncheon meeting of Rotary Club March 15 at Corky's Restaurant.

Shaw recently attended a meeting devoted to exploration of a new type contact lens, and reported that while progress was promising, there remained many problems to be solved before the new type lens can be accepted as a complete substitute for the kind of contact lens now in use.

Owner of the patents on the new type lens is the optical firm of Bausch and Lomb, which according to Shaw, has imposed a number of rather drastic conditions on use of their product. He believes that much more experimental work must be done before the new type lens are adaptable for general use.

The new lens, according to Shaw, are jelly-like in consistency and do not irritate the eye, even on first application. However, their adaptability to a precise optical prescription is limited at present. Shaw said this adaptation is subject to a trial and error method of fitting them to the requirements of a given eye situation.

Shaw reported that several other firms are working on the problems of "soft" contact lens and that he personally is waiting on greater refinement before adopting them for his practice.

Texas A&M Honors Carl Krueger, Sr.

Carl C. (Polly) Krueger of San Antonio has been honored by Texas A&M University where a new dormitory will bear his name. He is the father of Carl C. Krueger, Jr., head of Key Allegro Development and Sales Company.

Texas A&M President Dr. Jack K. Williams said the "C. C. Krueger Residence Hall" is one wing of a new $8.5 million complex currently under construction.

The complex includes two four-story residence halls, the east wing named for Krueger. In addition, there is a one-story student commons with dining and recreational facilities.

Krueger is the oldest living president of A&M's Association of Former Students, the first president of the San Antonio A&M Club and co-organizer of the San Antonio A&M Mothers' Club, a former Texas A&M System board member and an outstanding San Antonio businessman and civic leader.

He retired as president of San Antonio Machine and Supply Co. (SAMSCO), the firm his father founded in April, 1899.

Polly Krueger was born Sept. 20, 1889, at Twin Sisters, Texas.

Krueger's early education was in San Antonio public schools and at Texas Military Academy. He entered Texas A&M in 1908, graduating in civil engineering in 1912.

At Texas A&M Krueger was captain and adjutant of the Cadet Corps, captain of the Ross Volunteers and president of the Final Ball.

After teaching one year in North Carolina, he joined his father's company in the sales department.

He entered World War I as a lieutenant of field artillery in 1916 and resigned as a major in 1919 to become vice president of SAMSCO. He was elected president in 1923 and remained in that position until retirement in 1961.

Krueger was the fourth president of the Association of Former Students, serving from 1924-25. He was a member of the A&M board from 1947-53.

In 1952, Krueger donated 23 oil paintings by European masters which hang in the A&M Library. He recently added two more to the collection.

Always active in civic affairs, he served the chamber of commerce and the manufacturers association as officer and director. He was a director of the South Texas Chamber of Commerce, San Antonio Research and Planning Council and a member of the Industrial Distribution Committee during World War II.

Krueger is a director of the Frost National Bank, San Antonio, and Key Allegro Development Co., Rockport.

Film Scheduled At Calvary Baptist

A motion picture film "If Footmen Tire You, What Will Horses Do" will be shown at the Calvary Baptist Church at Doughty and Market Streets, March 27 at 7:30 p.m.

The film is 55 minutes long, in color, and deals with the communist take-over that has already been accomplished in some countries, how religious freedom was suppressed and religious leaders tortured and killed. The film was documented by Richard Wurmbrand who himself was for years imprisoned behind the iron curtain and tortured for his religious beliefs.

Every American ought to see this film, and be made aware of the threat communism poses to our religious freedom. The showing of this film is sponsored by the Calvary Baptist men. Everyone is invited. There is no admission charge.

About 50 percent of the continental U. S. is drained by the Mississippi River system.

Girls Volleyball

March 7, the girls volleyball teams made a clean sweep in their first district game against Woodsboro. The freshman won by a score of 15-5 and 15-7. The junior varsity won with a score of 15-12 and 15-1, and the varsity won 15-3 and 15-11. The varsity is tied for the district lead with Mathis.

March 10, the girls traveled to Gregory-Portland for a non-district game. The JV brought home a victory with a score of 12-15, 15-12, and 15-10. The varsity lost a heartbreaker by a score of 1-15, 15-10, and 13-15.

March 14, victory again slipped past the Lady Pirates when they played Aransas Pass. The score of this match was 9-15, 16-14, and 10-15.

March 16, the Lady Pirates made a clean sweep against the Flour Bluff Hornets. The JV won by a score of 15-3 and 15-12. The varsity won with a score of 15-4 and 15-10.

Friday, March 24, the volleyball teams will travel to Ingleside for their second district game, and Tuesday, March 28, will conclude district play at home against Mathis. Games will start at 5 p.m.

Little League Registration Set

The Aransas County Baseball Association announces the registration of all boys interested in playing Little League baseball. Registration will be held at Rockport Elementary School on March 24 and March 27. The time of registration will be 6:30 p.m. till 8:30 p.m. each day.

This registration will include Senior Little League (Pony) ages 13 through 15. This means that a boy that is 16 before August 1, 1972 is too old. All new boys 8 through 15 must bring proof of age.

The next meeting of the Aransas County Baseball Association will be held on March 29 at the Chamber of Commerce building at 7:30 p.m. All interested people are invited to attend.

Library News

A story hour was conducted by Miss Becky Fleeg of Champaign, Illinois at the Aransas County Public Library on Tuesday. Miss Fleege told a delightful story about a dragon awarded a medal for performing a good deed; a model of a dragon was used, which was made and donated by Mary K. Johnson, a tourist from Outing, Minn., with a medal to be hung on the dragon at the end of the story. Thirty-five children attended, including several from kindergarten and nursery schools. An Easter motif was used for the table setting where punch and cookies were served by Mrs. T. R. McGlathery. Don Williams of the Aransas County Sheriff's Department took pictures of the occasion.

Mrs. M. D. Casterline donated 3 novels to the Library last week.

Saturday morning Wade Evans, Ray Evans, Jackie Mundine and Mike Vermillion, Boy Scouts of Troop 281, working on their Citizenship Merit Badge, worked in the Library alphabetizing books.

The vampire bat, which sucks blood of sleeping animals, lives only in South America.

Pirates Third In Toast of Coast Meet

Rockport-Fulton finished third behind district foes Calallen and Woodsboro in the Toast of the Coast Track Meet at Pirate Stadium last Saturday. The meet is an annual event, this one marking the 17th annual running and field championships.

The Pirates captured but one first place, but managed to score a total of 96 points behind powerful Calallen and Woodsboro. The Pirates took first in the new event, the shuttle hurdle relay, using Robert Walters, Allan Passmore, Glyn Landrum and Clay Gillis to establish a new record at 32.4, while Calallen which has run this event in their own meet finished second.

The Pirates placed second in a number of events, with Charles Cruser taking second in the 880 yard run in 2:08; Nelson Barre tied for second in the high jump with a jump of 5'8"; and Bob Gillis took second in the discus, throwing 125'8".

Wally Sanford took a third place in the 220 yard dash in 23.7; the 440 relay team of Joe Pina, Joe Dominguez, Wally Sanford, and Joe Green tied a school record with 45.0 flat in their third place finish; and the mile relay team of Glyn Landrum, Oscar Pina, Joe Dominguez, and Charles Cruser ran to a third place finish in 3:37.7.

Fourth place finishes were recorded by Billy Beasley in the pole vault (11'); Florencio Lara came in fourth in the 880 run in 2:08.4; Clay Gillis took fourth in the 120 high hurdles in 16.4; and Joe Green took fourth in the long jump with a leap of 19' 9 3/4".

As far as fifth places, the Pirates had a fifth place finish by Joe Dominguez in the long jump with a leap of 18' 11 3/4".

Rounding out the point producers was Sanford in the 100 yard dash with a sixth place time of 10.7.

This coming weekend the Pirates will be participating at Ingleside in a meet there on Saturday.

The Pirate JV scored 68 points to finish third in the JV division.

Rickey McLester threw the shot put 46' 1/4" to take first in that event, while Bill Mercer ran a 2:10 in the 880 run for another Pirate first.

Ruben Guerrero took a second in the mile run with the time of 5:02.5.

Peden Rogers hurled the discus to a third place finish with a toss of 116' 5 1/4"; Warren Gerdine placed third in the high jump with a leap of 5'6"; and the 440 relay team of Jesse Valdez, Duane Parr, Charles Dupnik, and Rickey McLester took a third in 47.6.

Fourth place finishes were taken by Glafiro Solis in 5:06.6, and the mile relay team of Bill Mercer, Charles Dupnik, Kevin Vannatter, and Amando Rios took a fourth in 3:57.5.

The Pirates got a fifth from Duane Parr in the 220 yard dash as well as a fifth from Parr in the 100 at 25.4 and 11.0 respectively.

Miss Linda Sharp Plays 'Pussycat'

Miss Linda Sharp of Rockport will play the role of "Pussycat" in "The Owl and the Pussycat" to be presented at Ciro's Galleon Theatre in Corpus Christi Friday and Saturday, March 24 and 25 at 7:30 p.m.

She recently starred in the same role in the Little Theatre of Corpus Christi presentation of "The Owl and the Pussycat." Several local persons who saw the play reported that Linda did an outstanding job.

Masons to Meet Monday Night

Rockport Lodge No. 323, A.F. & A. M., will host an open meeting on Monday, March 27 at 8:00 p.m. at the lodge hall on State Highway 35 North. The topic will be "Your County School System."

J. D. Gray, Superintendent of Aransas County Schools, will be the moderator, assisted by other members of the school faculty, who will discuss this past Public Schools Week of March 6 through March 10 and the meaning of becoming involved in the system; also the purposes of evaluation in education and other activities.

Members and sojourning Masons, friends and their wives are requested to attend this meeting.

Announce Marriage

Mr. and Mrs. Harold Oakman of Fulton announce the marriage of their daughter, Patricia Louise Oakman, to Don A. Heald, son of Mr. and Mrs. Don Heald of San Antonio. The couple were married March 18 in the Fulton Baptist Church with Rev. Boyce Laqua officiating.

Lots of Fish Records Broken During 1971

Austin--Texas anglers assaulted the Texas State Fish Records at an impressive clip during 1971, posting five new record catches and placing 13 more into previously unfilled categories.

Three freshwater records were broken -- for spotted bass, white crappie and redfish. New record freshwater fish which filled previously "open" categories were for flathead catfish, pickerel, northern pike and walleye.

In saltwater competition, new records were set for flounder and king mackerel. In addition, nine new saltwater records were established in "open" categories. These included barracuda, croaker, jack crevalle, pompano, bull shark, hammerhead shark, tiger shark, spadefish and tripletail.

No new records were set in the "unrestricted" division, which is for fish taken by legal means other than hook and line.

The Texas Parks and Wildlife Department's new record entries are listed below:

FRESHWATER

Spotted bass: 5 pounds, 9 ounces; Turner Keith of Austin; Lake 'O the Pines; Mar., 13, 1966.

Flathead catfish: 58 pounds; Floyd Hooks of Silsbee; Dam B Reservoir; 1958.

White crappie: 4 pounds, 9 ounces; G. G. Wooderson of Corsicana; Navarro Mills Lake; Feb. 14, 1968.

Pickerel: 4 pounds, 6 1/2 ounces; Perry N. Morris of Longview; Caddo Lake; April 10, 1971.

Northern Pike: 13 pounds; Clarence L. Hamilton of Clarendon; Greenbelt Lake; Sept. 10, 1971.

Redfish: 26 pounds; Jack Kimbrough of Clute; Chub Lake; May 11, 1971.

Walleye: 7 pounds, 1 3/4 ounce; Aubrey Phelps of Borger; Lake Meredith; April 14, 1971.

SALTWATER

Barracuda: 33 pounds; D. W. Broadie of Fort Worth; Port Aransas; June 6, 1971.

Croaker: 5 pounds, 2 ounces; Earl Merendino of Port Arthur; East Galveston Bay; July 10, 1971.

Flounder: 9 pounds, 4 ounces; Willie Legate Jr., of Galveston; Starvation Cove in West Bay; April 4, 1971.

Jack crevalle: 32 pounds; William Hylinski of Port Lavaca; May 3, 1971.

King mackerel: 68 pounds; Clay Hammonds of San Antonio; Port O'Connor; July 31, 1971.

Pompano: 6 pounds, 1 ounce; Mrs. Jerald Feldman of Dallas, Port Aransas jetty; April 27, 1971.

Bull shark: 320 pounds; Timothy S. Torrence of San Antonio; Port Aransas; June 5, 1971.

Hammerhead shark: 510 pounds; Mark Dobbs of Corpus Christi; Port Aransas; Aug., 28, 1971.

Tiger shark: 760 pounds; Ken Higginbotham of Texas City; Galveston; July 3, 1971.

Spadefish: 7 pounds 12 ounces; Durrell Hyatt; Port O'Connor; July 7, 1971.

Tripletail: 28 pounds, 8 ounces; Theodore C. Flick of Houston; Port O'Connor; July 3, 1971.

Editorial

In these days of massive governmental expenditures and skyrocketing welfare costs, it is refreshing to note that the Lions of Texas are continuing to increase their assistance to handicapped children—without cost to them or their parents.

Since 1953, the Texas Lions Camp for Crippled Children at Kerrville has provided two weeks of summer fun—free—to more than 13,000 blind, deaf, mute and crippled youngsters. And last summer, the Lions enlarged their scope of service by sponsoring a three-week summer camp for diabetic children, using leased facilities at Friendswood.

Nobody ever asked to come into this world—let alone to enter it with a physical handicap. But these uninvited tragedies of birth or childhood accident are made somewhat more bearable by the compassion of Texas Lions who make available the unfettered joys of the outdoors and the confidence-building companionship of other handicapped children.

Right now, there are 900 summer vacancies at the Kerrville facility and 110 at the diabetic camp. If you have, or know of, a handicapped youngster between the ages of seven and 16, you are invited to contact the Rockport Lions Club. Or, you can write the camp directly for more information.

We congratulate the Lions of Texas and their friends for their success of the past and wish them well in their future endeavors.

Boys may be scarce in Rockport but our girls are willing to do all sorts of jobs to get to Six Flags May 11 and 12. Linda Swank is mowing a lawn for the Pirate Band Job Placement Bureau. To date the Band has raised $700 with a goal of $1500. For any odd job that needs doing, call 729-0370. (This is not to say they don't have plenty of boys, too.)

Bank Returns Gomez Check

The Aransas County Democratic Chairman has asked that the name of Virginio Gomez of Sinton be removed from the ballot because his check to cover his filing fee was returned by the bank marked "insufficient funds."

The request was made by Miss Lola L. Bonner to Secretary of State Bob Bullock. Miss Bonner had certified Gomez as an eligible candidate for state representative from the 41st District on March 1.

The 41st District is composed of all of Aransas and San Patricio counties and an area in the western portion of Nueces County.

Gomez had notified the chairman of San Patricio and Nueces counties that he was withdrawing from the race. Toufic Nicolas, Nueces County chairman, appointed a subcommittee to rule on Gomez's and one other candidate's eligibility.

Gomez notified this committee by telephone during its meeting Friday afternoon of his withdrawal.

RAMON B. GARCIA DIES

Funeral services for Ramon B. Garcia, 63, were held Saturday in Sacred Heart Catholic Church. Burial was in Rockport Cemetery under the direction of Marshall Funeral Home of Rockport.

Garcia died March 14 in a Corpus Christi hospital after a short illness. He was a native of San Benito and had lived in Rockport 21 years. He was a carpenter.

Surviving are his wife, Elivia; a son, Uvaldo Garcia of Pasadena; three daughters, Mrs. Gloria Leuwellen of Gilroy, Calif., and Mrs. Rosenda Ramirez and Mrs. Felipe Salazar, both of Rockport; three brothers, Gasper Garcia of San Antonio, Herman Garcia of Gilroy, Calif., and Benito Garcia of Corpus Christi; a sister, Mrs. Conseulo Sanchez of Sunnyvale, Calif., 25 grandchildren and three great-grandchildren.

DR. GOLDMAN DIES

Dr. Leonard Nathan Goldman, 54, of Rockport, died in a Corpus Christi hospital March 14.

A native of New Orleans, La., he had lived in Rockport about eight years. He was a dentist for 28 years and a veteran of World War II.

Funeral services and burial were held in New Orleans under the direction of Tharp-Sontheimer - Tharp Funeral Homes, Inc.

Surviving are a sister, Mrs. Miriam Gerber of New Orleans, and two brothers, Dr. Bernard Goldman of Marrero, La., and Dr. Irvin A. Goldman of New Orleans.

New Method

The new method of determining the length of a second is based on the vibration of an atom of cesium. It replaces the old definition of a second, which was based on a fraction of the earth's annual orbit around the sun.

Lamar Woman's Club Meets

The Lamar Woman's Club held their March meeting in the Emerald Room at the Sea Gun Restaurant March 15 with Mrs. L. V. Clark and Mrs. J. B. Greeson as hostesses to the luncheon. Arrangements of wild flowers were used on the tables to emphasize the coming of spring.

After the business meeting the Program Chairman, Mrs. Weldon Cabaniss, led the members and guests in a game of Password.

Members present: Mrs. F. M. Brown, Mrs. Weldon Cabaniss, Mrs. L. V. Clark, Mrs. J. B. Greeson, Mrs. W. Dailey Heldenfels, Jr., Mrs. Walter D. Heldenfels, Mrs. R. E. House, Mrs. Robert Koch, Mrs. Roy Latham, Mrs. Ed Layshock, Mrs. D. H. Roberts, Mrs. John W. Luker, and two guests, Mrs. Ellis L. Clark and Mrs. Rossie Clark.

NOTICE

TO THE REAL AND TRUE OWNERS, WHETHER HEREINAFTER NAMED OR CORRECTLY NAMED OR NOT, OR PROPERTY ABUTTING UPON

MARKET STREET FROM HIGHWAY 35 EAST TO CHURCH STREET WITHIN THE LIMITS HEREINAFTER DESCRIBED

IN THE CITY OF ROCKPORT, TEXAS, AND TO ALL OWNING OR CLAIMING ANY SUCH ABUTTING PROPERTY, OR ANY INTERESTS THEREIN, AND TO ALL INTERESTED IN ANY OF THE PROCEEDINGS, CONTRACTS OR OTHER MATTERS HEREINAFTER MENTIONED.

Notice is hereby given to the real and true owners, whether hereinafter named or correctly named or not, of property abutting upon Market Street and sundry other streets within the limits herein defined, in the City of Rockport, Texas, and all persons owning or claiming any such abutting property, or any interest therein, and to all others claiming or interested in any of said property, or in any of the proceedings, contracts and matters herein mentioned, that:

The City Council of the City of Rockport, Texas, by duly enacted Ordinance dated March 7, 1972, has determined the necessity for, and ordered the permanent improvement of, the following described streets within the following limits, in the City of Rockport, Texas, to wit:

Unit No. 1 - Market Street from Highway 35 East to Church Street

By said Ordinance, the City Council of the City of Rockport has ordered each and all of said streets, within the limits indicated, to be improved by excavating, grading and paving the same by the installation of drainage facilities and by constructing curbs and gutters, where adequate curbs and gutters are not now in place, together with other drains, incidentals and appurtenances thereto; said improvements to be as provided for in the plans and specifications therefor prepared by the State Highway Department and heretofore approved and adopted by said City Council, all of said improvements to be done and constructed in the manner and of the materials as provided for in said plans and specifications and the Contract covering the construction of said improvements heretofore awarded to Heldenfels Brothers, Contractor, by said State Highway Department for and on behalf of the City of Rockport or its duly authorized agent, which contract is dated March 13, 1972, and approved and authorized by Resolution enacted by said City Council on March 21, 1972, which said plans and specifications and Contract are hereby expressly referred to for a more detailed description of said improvements, and are on file in the office of the City Secretary of the City of Rockport, Texas.

That said City Council has caused the City Secretary to prepare and file the hereinafter set out estimates of the costs of such improvements and has heretofore by duly enacted Ordinance dated March 21, 1972, determined the necessity of levying assessments for a portion of the costs of the construction of said improvements against the property abutting upon said streets within the limits above defined, and the real and true owners thereof, and did adopt and determine the hereinafter set out proposed apportionment of the costs of said improvements between said City and the said abutting property, and the real and true owners thereof, and that the portion of said costs proposed to be assessed against the said abutting property, and the real and true owners thereof, will be in accordance with the FRONT-FOOT RULE or PLAN and did further adopt the following proposed rates and estimates of said costs in reference to and for each of said streets within the limits above defined and indicated in the following schedule by the Unit Nos. of said streets, to wit:

ESTIMATED COST OF IMPROVEMENTS
MARKET STREET - HIGHWAY 35 EAST TO CHURCH STREET

The estimated total cost of all improvements with the amounts per front foot proposed to be assessed against the abutting property and the real and true owners thereof, are as follows:

South Side		North Side

Above total cost to property owners is based on $3.75 per front foot.

The total estimated cost of said improvements proposed to be paid by the City of Rockport, Texas is Thirty Thousand Nine Hundred Fifty-Three Dollars and Seventy-Five Cents ($30,953.75).

A hearing will be given and held by and before the City Council of the City of Rockport, Texas, on the 18th day of April, 1972, at 7:00 P.M. o'clock in the City Council Chamber of the City Hall of the City of Rockport, Texas, to the real and true owners, whether named or correctly named herein or not, of all property abutting upon said streets within the limits above defined, and to all persons owning or claiming any such abutting property, or interest therein, and to all others owning, claiming or interested in said abutting property or any of the proceedings, contracts or matters and things herein mentioned or incident to said improvements or contract herein described.

At said time and place all such persons, firms, corporations and estates, and their agents and attorneys, shall have the right to appear and be heard and offer testimony as to the said assessments, and to the amount thereof, proposed to be assessed against said abutting property, and the real and true owners thereof, the lien and charge of personal liability to secure payment of said assessments, the special benefits to accrue to each such abutting property and the owner of owners thereof by virtue of said improvements, if any, or concerning any error, invalidity, irregularity or deficiency, in any proceeding or contract in reference to said improvements, and said proposed assessments, and concerning any other matter or things as to which hearing is a constitutional prerequisite to the validity of said assessments, proceedings and improvements and on which they are entitled to a hearing under the Constitution and laws of the State of Texas and the proceedings of the City Council of the City of Rockport, Texas.

Following such hearing, assessments will be levied against each and every parcel of property abutting upon said streets, within the limits above defined, and the real and true owners thereof, for that portion of the costs of said improvements determined by said City Council to be payable by such abutting properties, and the real and true owners thereof, and said assessments shall be and constitute a first and prior lien upon said abutting property, from the date said improvements were ordered by said City Council and shall be a personal liability and charge against the real and true owners thereof, as of said date, whether such property be described or correctly described, or such real and true owners be named, or correctly named, in such proceedings or not, and no error or mistake or discrepancy in the name of such owner or owners or in describing said property in this notice or in any of said proceedings with reference to said improvements, shall invalidate any assessment or certificate issued in evidence thereof, but nevertheless, each parcel of property abutting upon said streets, and the real and true owner or owners thereof, shall be charged with, and be liable for, said assessment which shall be valid whether or not such owner or owners be named or correctly named, or such property be described or correctly described, all as provided for under the Acts of the 40th Legislature of the State of Texas, First Called Session Chapter 106, commonly known as Article 1105-b, Revised Civil Statutes of Texas, as amended, and as adopted by the City of Rockport, Texas under which said improvements, proceedings and assessments are being constructed, performed and levied.

Of all said matters and things, all owning or claiming any such abutting property or any interest therein, as well as all others in anywise interested or affected by the things and matters herein mentioned, will take notice.

DONE by order of the City Council of the City of Rockport, Texas, this the 21st day of March, 1972.

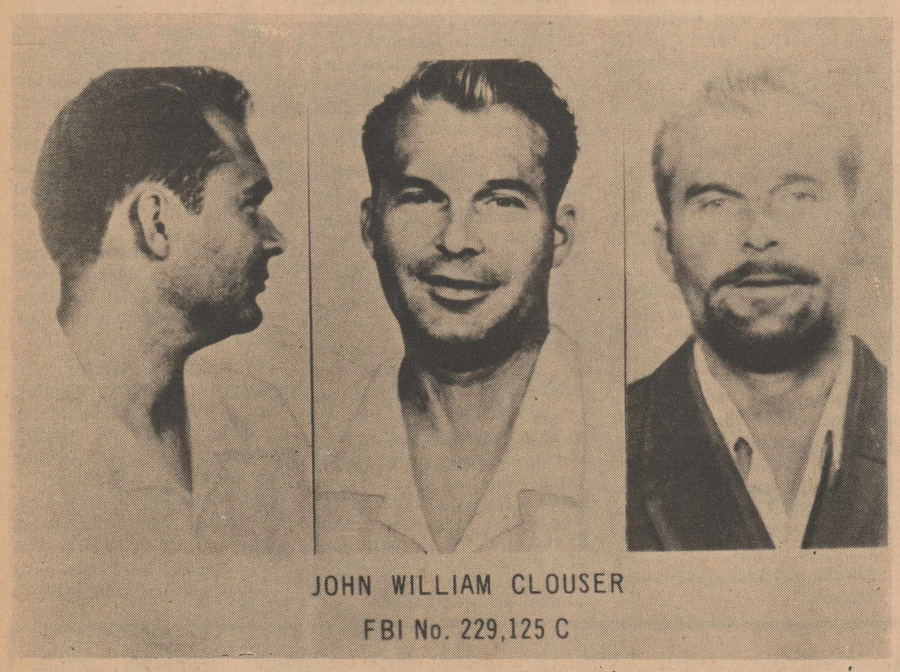
FBI's Most Wanted



JOHN WILLIAM CLOUSER

FBI No. 229,125 C

The FBI is conducting an extensive investigation to apprehend John William Clouser. Clouser is currently listed as one the "FBI's Ten Most Wanted Fugitives."

Clouser is being sought by the FBI for Interstate Transportation of Stolen Motor Vehicle. Clouser escaped with three other inmates from the Florida State Hospital in Chattahoochee, Florida on March 2, 1964 wherein they forced two hospital employees to drive them to Columbus, Georgia. The hostages were robbed but released unharmed. A federal warrant was issued at Montgomery, Alabama on April 9, 1964 charging Clouser with violation of transporting a stolen motor vehicle in interstate commerce from Georgia to Alabama. Prior to his escape from the Florida State Hospital, Clouser was sentenced to 30 years in the Florida State Penitentiary for robbery, assault, and kidnaping.

Clouser is described as a white male, born March 29, 1932, Chicago, Illinois, 5'9" tall, weight 160-180 pounds, has blue eyes, blond hair (which may be dyed black or brown), has had past employment of shoe clerk, furniture salesman and police officer, as well as general laborer. Clouser has tattoos of a panther on right shoulder, heart pierced by arrow left shoulder, blooming rose right chest, and dragon's head left chest. He is described as a "ladies man", braggert and sports enthusiast, who likes sport clothing, books on politics and crime and western music. Aliases used by Clouser are Edward L. Poe, William Saxton, James A. Ripley, and numerous other aliases.

Clouser has claimed he will not be taken alive. He is reportedly an excellent marksman and proficient in judo and karate.

Clouser should be considered armed and extremely dangerous.

Anyone with information concerning Clouser should immediately contact the Houston Office of the FBI. Your information will be handled in strict confidence.

Southwestern Bell Plans Expansion

Southwestern Bell has announced a record $484 million expansion program in Texas during 1972 to stay ahead of the growing demands for telephone service.

Despite a generally dull economy last year, the expansion is $39 million more than the amount spent for new plant and equipment during 1971, according to H. D. Schodde, the company's vice president for Texas.

Schodde pointed out that the company's Texas operations in 1971 showed "very good" growth over the same period during 1970.

He said that the company added nearly 265,000 phones to its network in Texas during 1971, bringing the total Southwestern Bell phones in service in the state to more than 5.3 million. He said that another 304,000 are expected to be added during 1972.

Schodde also noted that along with the increase in telephones, customers in Texas used their phones more in 1971 than ever before. As an example, he pointed out that the number of completed Long Distance calls on the average business day increased by more than 57,000 to a total of more than 907,000 in the state.

The company remained one of the largest employers in the state with a work force of just under 34,000. Payroll for Southwestern Bell employees jumped nearly $22 million to more than $294 million annually.

"In view of the general economic conditions that prevailed in Texas and nationwide during 1971, we feel our growth during the year was very good," Schodde said.

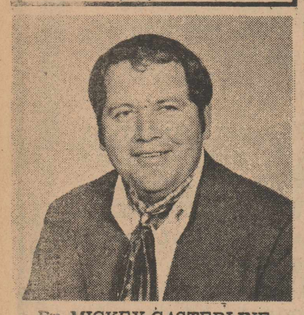
Schodde said that with demands for communications service growing, the company's huge construction expenditures are more important than ever to provide service to new customers, to introduce new services and to maintain and improve the quality of existing services.

CONGRATULATIONS

Mr. and Mrs. Jimmy Chandler are the proud parents of a baby girl born March 7 in the Taft Hospital. She weighed 6 lbs., and has been named Hope Michelle.

Cotton, for many years Tennessee's number one cash crop, has been replaced by soybeans.

MIRACLES DO Happen



By MICKEY CASTERLINE

Silt is carried by rivers to the oceans and seas, causing the land to change over a period of years. In early Babylonian days, the land of Ur from which the patriarch Abraham is said to have emigrated, was a seaport--now it is 150 miles inland. The Nile has pushed the Egyptian shoreline 100 miles into the Mediterranean. The prehistoric Lake Bonneville was the size of the present Lake Michigan; the still dwindling Great Salt Lake is a poor remnant, barely 1/14 of its size.

The outstanding performance of a MIRACLE WATER water refiner never changes--every day, always the same sparkling clear water from every tap in your home. And there's always plenty of refined water when extra demand is made on water needs in your home--just push the "guest button" for extra quantities of refined water. "For a better way of life through better water", call 729-6468.p1

On Distinguished Student List

A student from Rockport has been selected to the Distinguished Student List at Texas A&I University.

Named was Pamela Susan Ballard (a Rockport-Fulton High School graduate), an education senior. Her parents are Mr. and Mrs. J. F. Ballard, 720 W. Kenedy, Kingsville.

North Texas State University News

North Texas State University will receive Osteopathic students for Basic Science training beginning Sept. 1972.

Texas College of Osteopathic Medicine has received $150,000 State support from the Coordinating Board of the State of Texas and into a signed agreement with the North Texas State University for facilities and additional faculty for the Freshman class beginning in Sept. 1972.

The Texas College of Osteopathic Medicine appointed Dr. Henry B. Hardt, Ph.D., as associate Dean of the College in Oct. 1969. Dr. Hardt was one of the original members of the Texas State Board of Examiners in the Basic Sciences and had served as President of the Board since his appointment in 1949.

Dr. Glen Kanus, of Aransas Pass, Texas, is currently serving on the Board of Trustees.

Historical Data Is Resumed

The Civic Improvement League held a meeting at the usual time and place March 3, 1910.

The minutes were read and approved with the correction of the initials in Mr. Mason's name - J. M. instead of J. W.

The president, Mrs. Hoopes, announced the resignation of our manager, Mr. Stevenson, and the appointment of Mr. Frank Lewis to fill the office. A signed contract was read before the League which received a vote of approval. Mr. Clevenger submitted a plan for renting the pavilion which would insure at least a return of expenditure on each performance if not more. Mr. Clevenger was requested to put his plan on paper for consideration at next meeting.

Mr. Stevenson's report of the Woods Sisters entertainments for 3 nights and a matinee showed a balance of $39.50 - 20% of the proceeds, less various expenses - from this was deducted Mr. Stevenson's commission $2.03 and commission on Dr. Bailey's entertainment, $1.72, leaving $36.05. Of this amount $20.30 was paid on the chair bill and $15.75 was turned over to the treasurer. There were no receipts from the Hawkins Show.

Sergeant Major Shoof of South Africa gave a lecture on the 2nd of March, after paying the managers' commission $3.95 was paid to the treasurer.

A letter was read from the Marshall Training School with regard to securing the pavilion for the summer months. It was decided we could not accept the proposition and the letter was tabled.

The necessity of a separate school room for the Mexican children was discussed and on motion, Mrs. Bailey was requested to formulate a petition to that effect to the school board.

A bill for tuning the piano in the pavilion was presented - no action was taken.

It was decided to endeavor to interest the Mexican and colored population in forming Civic Leagues and Mrs. Hoopes offered to bring the subject before some of the more intellectual representatives.

Monthly dues of $1.70 was received by Mrs. Bracht and turned over to the treasurer. A bill for stationery was presented by Mrs. Hoopes amounting to $1.00 which was credited as monthly payments on her dues.

A plan for raising money by serving refreshments at the pavilion was disucssed, but no special time decided upon.

Dr. Bailey and Mr. Bracht were appointed to meet with the City Council and request the removal of the telephone pole from the Beach Park.

Dr. Bailey made an encouraging report of work done on the Beach Park. Privet has been planted all around on the inside of the fence which will be half as high as the fence before the summer is over. Room has been left in the center for a pagoda and Mr. Bracht will allow the tapping of his water pipes for sprinkling purposes. Acknowledgments were made to Mr. Mason, Mr. Bracht, Mr. Britten and Mr. Hoopes for shell and hauling donated for the walks. It was suggested that some oleanders be planted temporarily and dug out when other shrub berry was sufficiently advanced.

Mrs. Hoopes reminded the League that March 10 had been proclaimed by the State Health Officer, Dr. Brumby, as general cleaning up day, and we should fall in line and encourage our neighbors to do the same.

Dr. Bailey pointed out a significant fact that there are a number of parks in the city limits which ought not to be lost sight of now that property values were on the rise. Mr. Hoopes promised to bring the subject before the City Council at the next meeting.

Mrs. Bailey said she had heard from reliable authority that the Epworth League at Corpus Christi were not satisfied with their present location, and having had a good offer made for this property, were looking to Rockport to furnish a more favorable site. The fact that Rockport was a dry town was a strong point in its favor. Messrs. Hoopes, Clevenger and Bracht were appointed a committee to write and find out further requirements.

Mrs. Hearnwell and Mrs. Bracht were appointed a committee to see about having recepticles for garbage placed on street corners and other convenient places.

The corresponding secretary was requested to write to the press association as to their decision as to annual place of meeting.

The meeting adjourned, tired but satisfied, with plans well executed.

Gertrude B. Grewe
Rec. Sec'y.

OF THE PEOPLE, BY THE PEOPLE, AND FOR THE PEOPLE.

ELECT

Blas Ramirez

TRUSTEE

ARANSAS COUNTY INDEPENDENT SCHOOL DISTRICT

FROM THE ROCKPORT AREA

In talking to people about the April 1st School Board election, I have found that there is a lot of confusion about the voting regulations for this election. School board trustees serve as representatives for certain areas of the county, but every voter in the county gets one vote for each trustee seat open in this election. Because I feel that this election is so important to the community; I want to be sure that every voter understands that, no matter where in the county he lives, he has four votes in the school board trustee election.

The schools of any community are very important to the progress and prosperity of that community. This makes the school board election one of the most important elections held in any community, so let's all get out and vote on April 1st.

My twenty year record of involvement in school and community affairs in Rockport makes me especially well qualified to serve on the Aransas County School Board.

Your support and vote will be appreciated.

THANK YOU,

Blas Ramirez

(Paid for by the Blas Ramirez for school board committee, Herb Booth, Chairman)

Letter to the Editor

Dear Mr. Kinsey:

The hearing on Highway 35 Relocation which was held last Tuesday at the V.F.W. Hall in Rockport brings the following matter to my attention, in view of my work on the history of Aransas County 1871-1971. There are many definitions of history, but the one that I like best is, "history is the record of past events that affect our living today." Some events are recognized as history the moment they take place, others are recognized as historical events within a relative short period of time, and still others have to wait longer periods of time. Attached is a Xerox copy of an instrument that has become recognized as a historical event in less than 4 years from the time in which it was written. Since, from time to time you have published matters pertaining to the history of Aransas County, I trust that you will share this with your readers.

Emory M. Spencer

October 8, 1968
Honorable Delmar Hiller,
Mayor, City of Rockport
Rockport, Texas

Dear Mr. Hiller:

I have studied the Tentative Report Upon THE COMPREHENSIVE PLAN of Rockport, Texas, and I have some observations to make. One of the reasons for not getting around to this matter sooner has been the fact that I have personally discussed these matters with Robert Grossman and it is possible that some of them will be incorporated in future reports. Taken as a whole, I think the plan is very good indeed, although there are some matters known to those of us who have not only lived in this area but have lived with these problems that would not be so obvious to someone who has not done so.

In my opinion the number one problem of this area is water-sewer. In years when we have less than normal rainfall the number one problem is water, while in years when we have more than normal rainfall the number one problem is sewer. Of course tied into the problem of sewer is the matter of drainage for the reason that a number of homes are served by septic tanks and as far as that is concerned the sewer system of the City of Rockport is affected by drainage.

Corpus Christi is a fast-growing metropolis and we are thirty miles from Corpus Christi, but there are many towns the size of Rockport thirty miles removed from fast-growing cities that are becoming ghost towns. Thirty miles is too far for any worker who has to punch a time clock to commute, although some white-collar workers may live in Rockport and work in Corpus Christi. Be that as it may, Rockport has to have something of its own to support its economy and growth independent of Corpus Christi. I do not consider Rockport a suburb of the metropolitan Corpus Christi for that reason.

I merely intend to give my ideas on some of the things which I feel need some additional thought. By way of illustration, the re-routing of Highway 35. When Highway 35 is re-routed it will be an express type with a minimum of 300 ft. right-of-way, while at this time for the most part Highway 35 has a 100 ft. right-of-way. Inasmuch as it will be divided highway, wherever the new route follows the old route the entire additional 200 ft. of right-of-way will have to be taken from one side of the highway and not 100 ft. from both sides. That being the case the highway will certainly cross Copano Bay at its present crossing and will proceed along the old route past the Aransas County Airport. We certainly need an expressway type of highway for the purpose of having the through traffic go around our schools and our business center. However, the proposed route according to this plan, in my opinion, goes entirely too far to the West as I am of the opinion that the newly constructed route should go down the more or less center of the peninsula where there is sufficient elevation that the highway will always be open despite any known hurricane tides. At this time during a severe hurricane the route of Highway 35 on the East is closed by high water and at the same time the Farm to Market Road on the West is closed by high water. A highway down the center of the peninsula would remain open despite any known hurricane tides that we have had and it would be much cheaper to build lateral roads from such highway to the lands on the West for the development of those lands in the future. Really I do not think that we should be too concerned for the reason that the highway will be built by the State Highway Department, probably with the right-of-way furnished by Aransas County, and one of the criteria of the State Highway Department is that the cost of building highways is vastly more than the cost of rights-of-ways.

My first thought on reading THE COMPREHENSIVE PLAN was that the ideas were good but where was the money coming from. I have asked Mr. Grossman to give us some information as to how much would have to come from local sources, how much from Federal monies and how much from State monies. Of course as stated before the money for Highway 35 would probably be a combination of State and Federal Funds or State money alone with very little cost, relatively speaking, for right-of-way.

In connection with the proposed Park on the East side of Highway 35 at the end of the Peninsula where you have a land acquisition cost of a quarter of a million dollars, the most logical plan of handling this provided we could do so, would be to have the State of Texas take it over as a park by the Parks and Wildlife Service. This becomes more probable in view of the fact that such organization has a small tract of land at the end of the old causeway. On the other hand, with Goose Island State Park it may be that we have more than our share of state parks.

The proposed plans of drainage, both North of Rockport and South of Rockport are very good ideas indeed. I called Mr. Grossman's attention to the fact that in Texas we have a Statute providing for throwing land back into acreage which is actually a tax Statute, but which would enable us to further the project in the Manning Addition. For the most part the land to the North of Rockport is still in acreage tracts and the matter of drainage easements would not be a serious problem in that area.

Certainly the central business district needs something done. I am of the opinion at this time all that can be done in this area would be for the City of Rockport to pass an Ordinance giving them the right to condemn a number of buildings in that area and also to pass an Ordinance along the lines passed by Corpus Christi in connection with North Beach properties which would control building of new buildings in the area.

As to the matter of the six block project in the vicinity of the Court House I do wish to point out at this time that your land acquisition cost of the six blocks involved would be approximately $500,000.00. It is possible that this money could be better spent in some other area unless a large part of the money would be forthcoming from Federal Government in connection with some kind of urban renewal.

To put in the drainage in the South part of town as set out by the plan would necessitate the raising of the railroad to such an elevation that boats could pass under. I am of the opinion that it would be more practical to get the railroad to take up their tracks to some point just South of the Cove Harbor, to furnish the railroad with yards, etc. in exchange for lands that they own in the City of Rockport and to have that part as a terminal for the Railroad. In this manner, it would not be necessary to build a bridge for the Railroad or raise their tracks. The only ones affected by this would be the building supply material companies and the ones using asphalt, as these are the principal users of the Railroad at this time. In my opinion that would not be such a big item as the loading and unloading in handling these products and these costs would remain the same. The Railroad Station in the City of Rockport has been abandoned and I would say that we have no Railroad deliveries in less than carload lots.

In my opinion the greatest potential for Aransas County, if not the City of Rockport, was not even touched upon, and that is St. Joseph's Island. With the development of upper Padre Island and Mustang Island the pressures will be so great upon the owners of St. Joseph's Island that it is just a matter of time until it will be developed similar to Mustang and Padre Islands. What we need to do to get the fullest benefit from the development of St. Joseph's Island is to furnish St. Joseph's Island with a means of ingress and egress and to furnish them with a dependable supply of fresh water for domestic purposes. I believe that our present plan in connection with water would be sufficient at least until 1990. As to the means of ingress and egress it would be a lot more practical to build a causeway from Lamar touching at this time on the tip of Black Jack Peninsula with a high-rise bridge to go over the Intercoastal Canal and then over to St. Joseph's Island. In any event this would be much less expensive than would the building of either a high-rise bridge or a tunnel from Port Aransas to St. Joseph's Island in view of the fact that they have a 45 ft. channel at that part where we would have about a 15 ft. channel in the Intercoastal Canal. With the proper planning the bulk of these expenses would be borne by the State Highway Department. At this time the Federal Government does not approve of a road going up Black Jack Peninsula, but it is quite likely that some time before 1990 such a road would meet with their approval. In view of what has happened in the Laguna Madre where the blowing of salt is blamed partially upon the type of causeway known as the John F. Kennedy Causeway, we should guard against such matter and build such a causeway that would not interfere with the natural flow of water.

The Little Bay Park project probably could be done by the Aransas County Navigation Distirct which already has done the biggest part of it. While there is some legal question as to whether the Navigation District has the authority to spend for these things, I have been in touch with the principal taxpayers of Aransas County and they will not make an issue of the matter as long as they feel that the money is being well spent and the tax levy of the Navigation District is not appreciably above what it is at this time.

At this time we have commercial and industrial projects scattered from Fulton to Cove Harbor. I am of the opinion that by 1990 all of these should be concentrated in the area from Heldenfels Ship Yard to Cove Harbor and possibly South of Cove Harbor. At this time Rockport Yacht and Supply needs additional space and has had at least one problem of air pollution. Commercial fishing will be going to the Gulf more and more and a fish house in the Cove Harbor area would be more practical than one at either Fulton or Rockport. At the same time the owners of the establishments in Fulton and Rockport probably could realize more from the use of their properties for pleasure boats and sports fishermen rather than for commercial fishing. By having a concentration of the fish houses new industries such as extracting protein from trash fish would be practical where such is not at this time.

Respectfully submitted,

Emory M. Spencer.

Farmers in the vicinity of Gilroy, Calif. produced 73 million pounds of garlic in 1970.

Richest Texas Derby Forecast at Goliad

La Bahia Downs, already the home of the "richest Futurity in the World at non-mutual tracks," has now forecast their richest derby during their 1972 Spring Meet. The South Texas Derby for three year olds, should easily break the estimated purse of $25,000 and the previous record of $24,000 set in 1968.

Derby trials are set for Sunday, March 26 and the finals on Sunday, April 2. The second Annual Anticipation Derby at 300 yards, will also be run during the first and second weekends. This race is restricted to three year olds who have not run a speed rating of 80 prior to February 15.

The Anticipation Derby has an estimated purse of $5,000. Trials will be run on Saturday, March 25, with the finals on Saturday, April 2. The 1972 Texas Futurity at 330 yards, will again offer one of the richest purses in Texas racing history. The Futurity, with an estimated purse of $115,000 will present its trials on Saturday, April 1, and the finals on Sunday, April 9.

Racing fans particularly enjoy the Distance Races run around the curve. During the Spring Meet La Bahia Downs will offer three feature races from 550 yards to 870 yards. One of these races will be run each of the three Sundays. The Spring Meet will consist of six days of racing, beginning March 25-26, April 1-2 and April 8-9, 1972. Post time for all six days is 1:00 p.m.

The government spends $1.5 million a day to maintain the U. S. National forests.

Re-Elect
JOE (Pepe)
ZAMBRANO
(The Barber)
City Alderman, Ward 1
SATURDAY, APRIL 1, 1972
YOUR VOTE AND SUPPORT APPRECIATED

I would like to take this opportunity to thank all the past voters who have helped in electing me and who have kept me in office for the past four years.

As you well know, when I started serving you as Alderman, I had very little experience, but thanks to the guidance of citizens like you, I had the chance to learn all about city government and have done all I could possible to earn the respect of citizens in my community.

As you well know, I am a family man, have a wife and two lovely children whom I am very proud of. I am also your friendly barber and Notary Public. I am also an active member of the Rockport American G.I. Forum, member of the Sacred Heart Catholic Church and member of the Chamber of Commerce.

For those who keep up with our meetings at City Hall, you will remember that describing my character, I was referred to as the "Champion of the Common Man" because I have done everything possible for the benefit of low income individuals and families, and in so doing, I have sought to be color blind in representing all the people in Rockport, and not only those in my precinct.

Therefore, I am here again, asking for your support and your vote this coming election.

Thank you,
JOE "Pepe" ZAMBRANO

(Paid Political Ad, Paid for by Joe "Pepe" Zambrano) p1

Good Anytime! **555-1212** No extra charge!

This is the phone number for Directory Assistance in any distant city. And there's no extra charge for calls to 555-1212. Suppose you want the number of someone in Denver. Just dial "1," plus the Area Code (Denver's is 303), plus 555-1212. No, you can't redeem the coupon, but the number's good anytime you want to use it.

This is not a valuable coupon.

(but its number is!)

RECEIVES FELLOWSHIP

E. G. Brooks, instructor in physics and chemistry at Aransas County High School, has been awarded a fellowship in chemistry for the summer of 1962 at the University of Wyoming. He was one of 20 chosen from 300 applicants for fellowships.

*

STUDENTS WIN HONORS

Lynn Dimmick, sixth grade student at Fulton Elementary School, won a first division prize at the El Campo science fair with her entry of "The World of Plankton." Lynn is a student of Mrs. Albert Griffith, Jr.

Hugh Morrison, freshman student, won a third division prize for his entry of "A Hydraulic System -- a Confirmation of Pascal's Law." Hugh is a student of E. G. Brooks.

Darrel Lichte and Raymond Heimbuch, freshman students, won a third division prize for their entry of "A Wind Tunnel" demonstrating the behavior of gases over air foils. Darrel and Raymond are general science students of Brooks.

Robert Reed, sophomore student of G. C. Watkins, won a third division prize for his entry on fossils titled "Rock -- the Imperishable History Book."

*

REGISTER FOR DRAFT

Four local men have registered for selective service upon attaining their 18th birthday. They are Raymond Ingersoll, Tommie L. Mikeal, Gerald Cox and Willard M. Cox, Jr.

*

ATTENDS MUSIC TEA

Mrs. James B. Jackson, local representative of the Corpus Christi Music Association, attended a tea at the Town Club in Corpus Christi which launched the Association's annual drive for funds.

*

ART STUDENTS PAINT MURAL

Students of the Rockport School of Fine Arts painted a mural depicting the waterfront which will be used as part of the decorations of a booth to be manned by local Chamber of Commerce members at the South Texas Home Show in Corpus Christi.

Artists who engaged in the project, under the direction of Simon G. Michael, were Mrs. H. F. Elliot, Mrs. Travis Bailey, Mrs. Jerry Wendell, Mrs. James A. Jarboe, Mrs. Gene Bird, Mrs. Grace Lentz and Mrs. Kit Dinger.

Manning the Chamber of Commerce booth will be Delmar Hiller, Mrs. Mary Juergens, Mrs. Charles A. Roe, Mrs. Helen Johnson, Mrs. H. F. White, Mrs. Vernon Lembert, James Kautz, Mrs. Gene Everett and Mrs. J. W. Pearce.

From The Pilot Files — 20 Years Ago

PERSONALS:

A. C. Glass was named chairman of the annual fund raising campaign of the local unit of the American Cancer Society.

*

Coach Charles Roe, Jr., has started the boys training for track and reports there are 46 out for spring training.

*

One new student, Julia Schoen of Victoria has enrolled at Aransas County High School. The following five students have enrolled at Rockport Elementary School: Billy Joe Schoen, James Bond, William Middaugh, Johnnie Miller and Elsie Schoen.

*

Miss Polly Isaacks, Miss Nell Adams, James Bracht, John Robert Barber, Mrs. Stanley Bissett and Mrs. Charles Dorsey attended the coronation ceremonies for the Lantana Queen at Texas A&I. Miss Dolly Lee Hart and Ozzie Williams were a duchess and duke in the ceremony.

*

Mr. and Mrs. Jack Sanders and sons, Rocky and Jackie, spent the weekend with Mr. Sanders' parents, Mr. and Mrs. L. E. Sanders of Fulton.

*

BUILDING PERMITS

The following building permits were issued at the city hall during a two-week period:

Rockport Lumber Company, 30 by 34 stucco building and 20 b6 70 lumber shed to be made of sheet iron.

Frank O. Peaza, four-room house, $1,200.

Mrs. T. M. Caspary, addition to frame dwelling, $1,000.

Seth Steele, frame dwelling, 10 x 18.

Seth Steele, three-room frame dwelling, 12 x 30.

Austin Glester home, 14 by 28, to be moved to another location.

*

ATTEND PRESBYTERIAN CONVENTION

Mrs. N. F. Jackson, Mrs. J. B. Jackson, Mrs. Jack Davis, Mrs. Mary Juergens and Mrs. J. F. Cloberdants attended the Business Women's Conference of the Women of the Presbyterian Church of the Corpus Christi District. The meeting was held in Taft.

The Corpus Christi District's spring conference of the Women of the Church, held in Falfurrias, was attended by Mrs. T. H. Pollard, Mrs. Manch Brundrett, Mrs. Carl Osborn, Mrs. Hugh Morrison, Mrs. Powers and Mrs. Earle Thomas.

Gary Howard on College Band

Gary Howard, a trumpet player from Rockport, is one of 54 other Howard Payne College musicians scheduled to take a nine-day tour with the school's band April 3-12.

Howard, a one-year band student majoring in Music Education, will accompany HPC's 55-piece symphony band, called the "Swinging Stingers" through parts of South Texas, the state's Valley area, the Gulf Coast region and northern Mexico.

Under the direction of Greg Berry, the band will stage 18 concerts in high schools and churches in towns ranging from Brady to Matamoros, Mexico.

According to Berry, the band already has made seven such trips through parts of Texas this year.

W.M.S. Meets

The W.M.S. of the First Baptist Church met at the church for their weekly prayer program, taken from the book "Catalyst In Missions."

Mrs. Rada West was in charge of the program. The picture "Here Is My Life" was shown.

Those present were: Mrs. Shiela Roach, Mrs. Rada West, Mrs. Scott, Mrs. Georgia Haynes, Mrs. Larry Stewart, Mrs. Alice Ballou, Mrs. Lillie Calvert, Mrs. T. L. Beedy and Mrs. Tiney Gayle.

Wednesday Bridge

Mrs. Travis Johnson was hostess to the Wednesday Bridge Club at her home last week. Members attending were Mrs. Fred Bracht, Miss Mabel Bracht, Miss Genevieve Bracht, Mrs. Fred Christilles, Mrs. Charles Cleveland, Mrs. J. V. Ferguson, Mrs. J. H. Mills, Mrs. Lois Rozzell, Mrs. Joe Slocum and three guests, Mrs. Roy Woods, Miss Lillie Fahr, and Mrs. John P. Mitchell, Jr. Mrs. Ferguson won high score, Mrs. Woods second high and Mrs. Mills the bingo prize.

Lynn Lang on Dean's Honor List

Lynn Lang, daughter of the Rev. and Mrs. Cecil H. Lang, Jr., was one of 1,071 students in the College of Education at Texas Tech University qualified for the dean's honor list for the fall semester, according to Dean Gordon C. Lee.

To qualify for the honor list, a student must be enrolled in 12 semester hours of courses, excluding pass-fail courses, and have at least a 3.0 grade point average. Texas Tech uses a 4.0 point grading system.

Doins' at The Dunes

By Viola Reynolds

Ernie Way, who was building engineer at St. John's Lutheran Church in Des Moines, Iowa, before retiring, decided to remodel their pickup truck.

Mr. Albert Peyton left Wednesday for her home in San Antonio after spending a week at the Dunes.

Mr. and Mrs. Vern Felmlee moved out Monday, March 13, for a tour into Lousiana, Arkansas, Missouri and Kansas before heading for California.

Mr. and Mrs. Wilson Dingus of Mound City, Kansas, were Thursday afternoon callers of Mr. and Mrs. John Reese.

Mr. and Mrs. Henry Becker left Wednesday forenoon for their home in Medford, Oklahoma, after a short residence at the Dunes.

Mr. and Mrs. Morris Anderson have been busy during their winter vacation residence at the Dunes, each following a different hobby.

'Twas with deep regret the residents at the Dunes said goodbye to Mr. and Mrs. Nels A. Nelson early Saturday morning as they headed their camper trailer westward to Phoenix, Arizona, their new home.

Mr. and Mrs. Donald Doolittle of Griswold, Iowa moved in Saturday, March 18 for a short residence.

Thirty-two persons gathered at the "rec hall" again Friday evening for the usual fun night of games and good eats.

Texas Wild Flowers

By THELMA SOURS

Texas means many things to many people, but to me it means beautiful wild flowers and this is the time of year that our Texas roadsides put on their "really big shew." Pardon me, Ed Sullivan, but you never had a presentation to equal this.

Take a drive down 1781 toward Copano Cove and you will see all the beautiful spring wild flowers in shades of yellow, pink, lavendar, cerese, blue, orange and while. There are masses of primrose, gaillardia, (commonly known as Firewheels or Indian Blanket). Texas thistle, white Prickly poppy, wine cups, phlox, lantana, blue lobelia and stately white Yucca.

Go through the Rockport Cemetery to see the Blue Bonnets and yellow daisies. They are a sight to behold. It is worth a special trip to Rockport to see this and take some color pictures.

If you drive out on 881 as far as the Live Oak Country Club you will see a huge display of beautiful Indian Paint Brush, blue-eyed grass as well as the varieties I saw on 1781.

I urge you to take a leisurely drive and see this beautiful show that nature has provided for us -- and remember -- just look, don't pick! Leave the flowers in order that they may re-seed. Leave them for all to enjoy and we will have them again for another spring.

WINS SCHOLARSHIP

Jerral Hawes, son of Mr. and Mrs. Jerry J. Hawes, has been awarded a music scholarship from the University of Texas, Austin. Jerral has also been given membership into the Longhorn Marching band. He is presently a sophomore and on the Dean's List at Del Mar college and plans to transfer to the University of Texas in September.

Key Allegro Tennis News

Winners of the first men's doubles tournament at the new Key Allegro Tennis Club were Elmer Crittenden of San Antonio, who has a weekend home in Rockport, and George Cone of Key Allegro and Corpus Christi. They defeated Bill Christian and Jim Langham, club professional, 2-6, 14-12 and 6-4, in the final match.

In the semi-finals Christian and Langham beat Buster Becker and Dave Crooks, 6-4 and 6-3, while Crittender and Cone won over Dulaney Lingo and Carl Krueger, 8-6 and 6-4.

In the quarter finals, Christian and Langham won over Tad Bailey and Travis Bailey, 6-2 and 7-5, with Crittenden and Cone beating Dr. Jim Wideman and Bob Raney, 6-0 and 6-2.

Thirty seven families, totaling about 100 players, are now members of the club, according to Langham. Included are approximately 18 juniors and 14 women players, he added. Langham who is a veteran club professional and teacher from San Antonio, gives individual and group lessons to a growing number of tennis enthusiasts. Langham reports he is planning a series of tournaments for members of the club as well as matches with out-of-town players.

Plastic Lumite wind breaks recently were installed on the north and south end backstops to facilitate playing on windy days and to provide a better visual background, according to Langham.

Riding Assn. News

The Aransas County Riding Association met Monday at Fulton Fire Station. A Day Trail Ride is scheduled for March 26. All members and guests will assemble at the arena in Fulton at 9 a.m., Sunday morning. The trail ride will travel to Theodore Tippins' home, south of Rockport for a coffee break, and then proceed to Jim's Smokehouse. Riders may bring their own lunch, or have lunch at the Smokehouse. Coming back from the Smokehouse, an afternoon break will be at Cecil's Grocery and Feed Store. Riders will leave Cecil's and continue back to the arena.

A bake sale will be held April 1. All members should contact Jo Ann Davidson for more information.

The main event for April will be a Horse Show. Events and prizes will be published at a later date.

The next meeting of the association will be April 3, at Fulton Fire Station at 8 p.m.

Foreign governments owe the U. S. $50 billion in debts dating back to World War I.

Rebekah Lodge News

Bonnie Cloberdants, noble grand, opened the Rockport Rebekah Lodge at 7:30 p.m. Thursday, March 16, with 16 members and 4 guests, A. W. Copeach, Vivian Copeach, Harriet King, from Ingleside, and Ina Coats of Rockport, present.

The Rebekah Degree was conferred on Dorothy Morrison and Deanie Mackey.

Tommy Bailey is in intensive care in the Osteopathic Hospital in Corpus Christi.

A social hour was enjoyed after lodge.

The serving table was covered with white lace over pink and bordered with shamrock leaves. It was centered with a vase of green flowers.

Punch, coffee, nuts, sandwiches and cake were served by the hostesses, Ora May and Pearl Wright.

Myrtle McLester, Gladys Mullan, Bonnie and Jim Cloberdants attended the Grand Lodge and Rebekah Assembly of Texas in Houston March 17 - 21.

V.I.C.A. NEWS

On March 17, the Vocational Industrial Club boys traveled to Brownsville for the District Contest, which was held on The Southmost College Campus.

The contest was made up of many different areas, with our boys placing in these:

Projects: 1st place, Ronnie Hinze; 2nd place, Richard Benavidez; 3rd place, Richard Benavidez and Ruben Estrada. An honorable mention went to Frank Casterline.

Other projects entered were by Johnny Riojas, Kenneth Howland and Kevin Rouquette. In the Skill Speed, Frank Casterline placed second. Frank Casterline, Ronnie Hinze now qualify for the state contests to be held in Dallas. Dee Leach, who ran for area office, will be a voting delegate to the State Convention. The boys were accompanied by Mr. Melvin Mills.

By Ross Harris

P.E.O. News

On Tuesday, March 28, Mrs. C. R. Gibson will be the hostess for Chapter EO of P.E.O. in her home at 409 N. Broadway. The group will meet at 1:00 p. m. with Mrs. Frank Harrington of DeWitt, Iowa, assisting the hostess. Mrs. Howard Montgomery will give the program on "Symbolism in Religion."

New officers elected and installed at the last meeting are:

President, Mrs. E. T. White; vice president, Mrs. Russell Eastridge; recording secretary, Mrs. Russell Cabaniss; corresponding secretary, Mrs. Clyde Staves; treasurer, Mrs. Howard Montgomery; chaplain, Mrs. D. I. Adams; guard, Mrs. R. L. Eckman.

Woman's Club Tourist Party

Four of the winter visitors were hostesses at the Woman's Club tourist party on Monday. They were Miss Marie Christensen, Council Bluffs, Iowa, Mrs. C. A. Kellum, Sioux Lookout, Ontario, Canada, Mrs. C. A. Price, Honey Creek, Iowa, and Mrs. J. S. Schoenberger, Winterset, Iowa.

The tea table was decorated with a centerpiece of spring flowers and Miss Christensen presided at the tea service.

There were 12 tables of bridge and 7 tables of canasta. First price in bridge was won by Mrs. Earline Ballou and second prize was won by Mrs. William Plummer. High score in canasta was made by Miss Christensen and second was made by Mrs. Frank Bair, Plymouth, Ind. The finale prize went to Mrs. J. S. Puster.

The final tourist party of the season will be next Monday at the Woman's Club Building. Refreshments will be served at 1:30 p.m. followed by bridge and canasta. All ladies are invited to attend.

Sesame oil is not only good for cooking, it keeps indefinitely without becoming rancid.
