Highland Home
Homecoming Oct. 27

On Sunday, October 25, the Highland Home Baptist Church near Rotan will celebrate its seventy-fifth anniversary. The Church was organized October 27, 1889.

The Church has had a long and fruitful ministry in this community. Morning services will begin at 10:00 A. M. with Sunday School. Following Sunday School at 10:55 the worship service will begin with Ernest Smith and Janetta Hardin in charge of the song service. A brief history of the Church will be read by George T. McBeth. The morning message will be brought by Rev. Charles R. Smith.

Following the Morning Worship Service the noon meal will be served at the Church. The lunch will be 'covered-dish' style furnished by the Church. The afternoon service will begin at 1:30 P. M. with Mr. Dewey Smith and Eva Taggart in charge of the song service. From 1:45 to 2:45 there will be an Open Forum Hour. This will give the former pastors and members an opportunity to speak a few words. Following this Rev. Phillip Goodrum will bring the afternoon message.

Highland Home has been known throughout the years for its good singing. At 3:33 Mr. John Wallace will lead the congregation in an informal sing-song.

The Evening service will begin at 6:30 with Mr. James Carter and Mrs. Carl Singley in charge of the song service. Mr. Roy Carter will bring a devotional. The closing message will be preached by Rev. Floyd Strickland.

Preachers for these services are former pastors, the present pastor is Harold Churchill.

The Highland Home Baptist Church extends to all former members and friends a special invitation to be in all these services and help us celebrate these seventy-five years in the Lord's Service.

Homecoming Draws
Good Attendance

Annual Homecoming of Rotan Exes drew a large crowd of out-of-town and local exes last weekend.

The affair opened Friday with registration, pep rally and a highlight during the Rotan-Roby game was when Mrs. Archie Neeley was announced as Homecoming Queen for the year.

At the business meeting which was presided by president Al Finch, officers were selected. Finch was serving the first of his two year term. Mrs. Charlie Joe Helms was named vice-president. Mrs. L. B. Berry, also serving her first year of a 2 year term, gave her report. Mrs. Archie Neeley was named treasurer.

Business discussion included the proposition of having homecoming every two years instead annually, which has been the tradition since 1952. Dr. Gilbert Mize, graduate of Rotan School and superintendent of Perryton School for the past 16 years, proposed a referendum vote on the question. It will be voted on next year as the exes register at homecoming.

"The Torquays" a local group, provided music on the afternoon program Saturday. A reception in the home of Mr. and Mrs. Charles McCall followed.

Tops Club News

Tops Gals have been honored with more speakers, salad suppers and new members in the past few weeks. Debbie Sparks gave a very interesting talk concerning the posture, dress, and manners. Debbie has contributed very much to tops and we have missed her since school started. Alice Kemp, County Home Demonstration Agent, gave a much needed discussion on patterns, prints and colors, concerning clothing problems, everyone welcomed the views Miss Kemp had to offer.

The Tops Club meets at 7:00 P. M. in the Parish Hall of the Catholic Church every Thursday night. If you need help to overcome obesity, come and join us. There are games, weight tips and a salad banquet the last Thursday of every month.

Little Hammers Lose Number Four

The Little Hammers lost their fourth game Tuesday, Oct. 6, to the Roby Cubs 26-0.

The Little Hammers kicked off to the Cubs. The Cubs took the ball but lost it on a four down attempt. Rotan then took the ball but lost it on a fumble. The Cubs recovered on Rotans 40 yard line. Cubs then drove across for their first touch down. The Cubs second touch down came about after an intercepted pass on their own 25 yard line and returned it to their 15. The third touch down was set up on a blocked punt on the eight yard line. The score at the half was Roby 18, and Rotan 0.

Rotan received the kickoff and drove to the twenty yard line before being halted on a fourth down attempt. The last Cub score was a quarterback keeper 40 yards around the end, making the score at the end of the game 26-0 in the Cub's favor.

Now! '65 Chevrolet

'65 Chevrolet Impala Sport Coupe—with new Sweep-line roof.

If what you see moves you, wait'll you take the wheel

(V8's with—GRRRR!—up to 400 hp)

One look at those longer, wider lines tells you it's the kind of car you just couldn't buy before without getting into the higher price brackets. But one drive will tell you a lot more.

You've got your kind of engine going for you. There's an even half dozen of them available this year—anything you name from a quieter, sweeter running 6 to a V8 with the authority

of 400 hp. And the road feels like satin because our engineers came up with a new Full Coil suspension system, teamed it with a Wide-Stance design, and made our famous Jet-smooth ride smoother and more stable than ever.

Beginning to feel like it's your kind of car? There'll be no doubt about it when you drive the real thing at your Chevrolet dealer's.

cooking!**

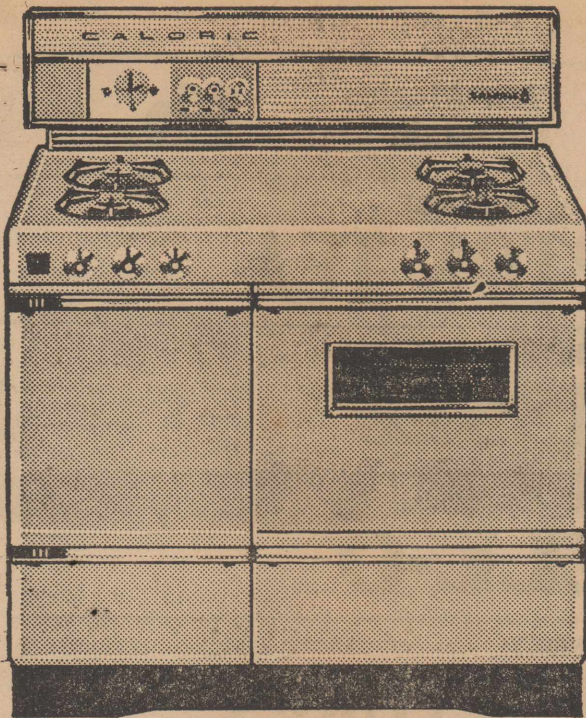

(down with hangover heat!)

Turn a gas burner off . . . and it's OFF! There's none of the hangover heat you find with electric ranges—wasted heat that causes boilovers and burned foods. Gas broiling is cooler, too, because you broil with the door closed. And it's smoke-proof broiling—(the flame consumes the smoke!) With gas your kitchen stays cooler and cleaner! Now's the time to elect a modern gas range to head up your kitchen: it's sale time!

Senior Girls Reveal Secrets to Success

The senior girls have consented to reveal one of their secrets for being a success with people. Jeanne Ferris, Beverly Brown, Cheryl Elliott, Linda Brown, Zana Thompson, Bobbie Kerns, Beverly Randolph, and Judy Byrd believe friendliness is an essential quality for being successful. Linda Murphree, Lupe Montez, Connie White, Billie Jo McKinney, and Carol Donham believe a good personality leads to success with people; while Diantha Tankersley, Kay Summerlin, and Sunny Partin think sincerity is the real key to success. Barbara Eades and Adela Berrerra attribute a girl's success to her sense of humor. Diane Phillips and Pooky Hale recommend cheerfulness and smiles. Phyllis Hicks attributes a girl's success to sincere determination, while Cheryl Hammit believes in a girl with sincere concern.

English Students Has Reader's Digest

Each Monday, starting October 5, all English classes will read the current Reader's Digest. A class period is designated for this purpose. The articles are selected by the teacher and frequently tests are given over the articles read in class. The Digest may be ordered through the school, or brought from home. However, those ordered at school have a special addition to them. They contain vocabulary tests as well as various other tests over specific articles. The purpose of devoting a period a week to the Reader's Digest is to inform the students with up-to-date facts about the world around them.

School Cafeteria Receives New Stoves

Rotan Public Schools purchased two new stoves for the Cafeteria from Home Lumber Company.

They are of a different type than the older stoves which were removed. They have an automatic thermostat which keeps and regulates the proper temperature, an enclosed flame for added safety which is unlike the old open flame stoves. They are ventilated to reduce sweating of the ceilings which was also a big problem with the old stoves.

Jungle Jim Goes On Lion Safari

Linus Lion was constantly pursued by Jungle Jim Jackson and his side kick, Banana-eating Baugh. In the winter Linus and Jungle Jim wrote letters to Santa asking for victory the coming football season. Spring found Linus love sick and Jim plucking daisy petals to determine whether or not he should get Linus then or wait until football season. Lazy Linus laid in the summer sun while Jim looked through out the jungle for good players. In his search he found Hammer Hughes to add to his team. Fall and football season came. Either the fur or the feathers would fly. As the game ended the stage was covered with fur and Jungle Jim was the proud owner of a Lion's Tail.

Zana Thompson Is Class Good Citizen

The National Society, Daughters of the American Revolution, has invited our high school to participate in the DAR Good Citizen Contest held annually in the eligible, accredited senior high schools by selecting the most outstanding girl in the senior class to be the DAR Good Citizen of her school.

The Nation Association of Secondary School Principals has placed this contest on the Approved List of National Contests and Activities for 1964-65.

The four qualities the girl must possess to qualify are: dependability, service, leadership, and patriotism. The recommended method of selection was for the students of the senior class to elect three girls from the class possessing the four qualities. Chose were: Beverly Randolph, Cheryl Hammit, and Zana Thompson. From these three girls, the faculty selected one, Zana Thompson, to become the Good Citizen of the school. Her name was sent by the principal to the State Chairman, Mrs. James W. Lynch. A competitive method in the form of a questionnaire on a merit basis is used by the State Chairman and State Society to choose the State Winner. She will receive the state award and will be the guest with expenses paid of the Texas Society, DAR at the State Conference, March 16, 1965, in San Antonio, Texas. She will also receive a state pin. She may bring her parents, teacher, or sponsor, but they are expected to pay their own expenses.

A certificate of award is given by the National Society to each school Good Citizen, and she is entitled to a Good Citizen Pin from the chapter sponsoring her.

The state winner competes with other states for the national award by writing an essay of not more than 300 words on the subject, "Lest We Forget," which must reach the state chairman by February 1, 1964.

The national award will be a \$1,000.000 scholarship to the college of her choice and a sterling silver Paul Revere type bowl, 5 1/2 inches in diameter, engraved "DAR Good Citizen, 1965." The state winner receives an award of \$100. U. S. Savings bond Series No., of a \$75 scholarship in lieu of the bond.

Zana Thompson will compete in state-wide competition first. She will answer such questions as: What is the supreme law of our country? Where do all bills for raising revenue for the government of the United States of America originate? What does loyalty mean to you?

Cheerleaders For Jr.-High Are Selected

The junior High cheerleaders for 1964 football season are Jodie Helms, Frances Baugh, Kaye McKimney, Jeannie Tidwell and head cheerleader, Peggy Adams. Jodie and Peggy were cheerleaders last year and are eighth graders this year. Frances, and eighth grader, and Jeannie and Kaye, seventh graders, are the new cheerleaders.

The sponsors are Mrs. Lawrence Weatherman and Mrs. Robert Phillips. These two teachers have worked with the cheerleaders to organize the pep squad.

The cheerleaders worked this year with the assistance of high school head cheerleader Cheryl Hammit. Cheryl worked with the cheerleaders this summer. She showed the girls new yells and helped them with some of the old ones. The junior high cheerleaders gave Cheryl a very special thanks for helping them this year.

The pep rallies for junior high are held Tuesdays from about 12:40 to 12:50. The cheerleaders invite the public.

Band Raises Money Selling Magazines

The three bands sold magazine subscriptions from September 28 to Oct. 12. The purpose of the sale was to raise money for music and the reconditioning of instruments. The junior high and beginner bands are to receive prizes on a point system. The high school band was divided by grade levels. The grade which raised the most money, percentage wise, will be given a steak supper by Mrs. Bartlett Strayhorn.

Taylor-Morrow Vows Said Saturday

Oklahoma City—Joyce Talyor, daughter of Mrs. Louie P. Taylor of Clinton and the late Mr. Taylor, was married Saturday to Preston Morrow Jr.

He is the son of Mr. and Mrs. Preston Morrow Sr. of Rotan, Texas.

Vows were read by Dr. J. Chess Lovern in Watchorn Chapel of St. Luke's Methodist Church.

The bride was presented in marriage by her uncle, Dr. J. L. Schapansky. Her satin gown had a chapel train. Seed pearls edged the neckline and appliques on the bodice and skirt were of chantilly lace which matched the long sleeves.

A Juliet cap of lace with pearly trim held her waist length veil. She carried white carnations centered with a white orchid.

Attending the couple were Mrs. James W. Green of Overland Park, Kansas and H. Joe Selby of Houston, Texas.

Mrs. Green's gown of honey gold brocade was marked at the waist by a rose. Her pillbox hat had an illusion veil. She carried bronze mums.

Tonya Dillahunty was flower girl. Lachelle Dillahunty and Ricky Iser-

hagen lighted candles.

Guests were seated by James W. Green and the bride-groom's brother-in-law, Bill Boyd of Warner Robins, Ga.

Music was by Fred Haley, organist, and Johnny Isernhagen, soloist. The mother of the bride wore a beige two-piece brocaded silk suit and mother of the groom wore a turquoise Italian silk suit. Their corsages were a white orchid.

Mrs. Bill Boyd of Warner Robins, a., served the wedding cake at the reception held in the church parlor, following the wedding. The bride wore a red woolen sheer dress when the couple left on a wedding trip to New Orleans.

Parents of the groom hosted the rehearsal dinner Friday night and Col. and Mrs. Ross H. Routh and son John of Oklahoma City entertained the entire wedding party with a buffet luncheon at their home Saturday morning at 11:30.

Relatives of the groom attending the wedding were Mr. and Mrs. Preston Morrow of Rotan; Mr. and Mrs. Ed Boyd of San Angelo and their son, Mr. and Mrs. Bill Boyd of Warner Robins, Ga.; Dr. and Mrs. N. J. Guillet and daughter, Nell of Wichita Falls.

The couple will live at 1311 N.

Meridian. Morrow, a graduate of Texas Christian University, is a national bank examiner. Mrs. Morrow attend Oklahoma City College.

NEWS County Agricultural Agent Texas A. & M. College Extension Service

According to last weeks Southwest Screwworm Eradication Program Progress Report four cases were reported in Texas; one in New Mexico and three in Arizona.

Officials working with the Screwworm Eradication Program have been cautioning all livestock producers about the fall build-up which we normally expect along about this time of the year.

Screwworm flies, long known for their remarkable ability to beat the long odds and take advantage of the slightest opportunity to make life miserable for the livestockman, put on a typical demonstration of their resourcefulness last week by popping up in four locations in the state, each far removed from the scene of previous cases and most at considerable distance from where other infestations were reported during the week.

On Wednesday, one case was discovered 50 miles west of Marfa in Presidio County, while another popped up southeast of Sonora, in Sutton County, some 300 miles away.

Two days later, a specimen picked up in Starr County in the Lower Rio Grande Valley was confirmed as containing screwworms, as was another sample collected 50 miles to the north in Zapata County.

On none of the infestations have eradication workers been able to determine the origin. Three of the cases were located close to the Rio Grande; all were probably the result of fertile flies migrating into Texas from Mexico.

Fortunately, say the authorities, the screwworm is making its move several weeks later than it has in past years -- decreasing the time the insect is expected to be a major problem before cold weather begins limiting its activities.

Of no comfort is the knowledge that all too many farmers and ranchers quit worrying about screwworm infestations long ago, and that some cases will probably go undetected until two or more generations of flies have been permitted to develop.

The problem of samples being received at Mission containing only one or two screwworms, along with numerous non-screwworm larvae, continues, giving rise to fears that some screwworm cases are going

unidentified because of improper sample collection.

Officials of the Screwworm Eradication Program have suggested that if a wound contains only a few larvae, the producer should be urged to collect all of them to insure that screwworms are detected if present.

Screwworms will generally feed in a pocket deep within the center of a wound, while non-screwworms feed on dead tissues near the surface.

Remember: "Collect as many as you can get in the tube, being sure they are collected from throughout the wound. When in doubt, however, collect them all." Then take them by the County Agent's office or mail them to Mission with the filled out form.

This is a reminder to all of you homeowners that it is the time of year for sending in orders for wind-break planting stock.

State Draft Call Heavier For November

Austin, Texas, Oct. 1 -- The state draft quota for November calls for 307 men, compared to 236 for October, Colonel Morris S. Schwartz, state Selective Service director, said Wednesday.

The state quota of 307 for November is the Texas share of a national call for 8,600 men, all for the Army.

The state Selective director also announced that state draft boards will forward around 2,900 males for Army mental-physical examinations in November, all of whom will be 18-year-olds.

These tests for 18-year-olds are the result of President Johnson's action early this year which ordered the Director of Selective Service and the Secretary of Defense to examine all newly-registered men who are out of school and available for service. Males married at age 18 and

those known to be in school at that age will not be examined.

Colonel Schwartz stressed that these youths will not be considered for armed forces service at this time. Normally, draft service is about age 22.

The 18-year-olds who fail the Army's mental examination will be referred by draft board letters to local offices of the Texas Employment Commission.

Youth who get the letters are under no compulsion to visit the TEC offices, but may go if they feel the government can benefit them.

The November quotas already have been figured and sent to the state's 137 local boards.

Cotton Classing Office Information

Wet fields delayed cotton harvesting until about mid-week, causing sample receipts at the USDA Cotton Classing Office in Abilene to decline sharply, according to B. B. Manly, Jr., Officer-in-Charge. Total samples classed through October 2, 1964 was 16,568 compared to 50,095 at the corresponding date last year.

District 2 (Coleman, Runnels, Taylor, Nolan, Mitchell, Scurry, Fisher, Jones, Stonewall, Kent and Dickens Counties) accounted for 1,640 of the 2,111 samples classed last week. Cotton quality dropped slightly; samples indicated some of the cotton was harvested when wet. Eighteen percent of the cotton was white, 59 percent light spotted, 22 percent spotted and one percent was gray or light gray. In the white category, two percent was strict middling, 12 percent middling and four percent was strict low middling or lower. In the light spotted category, six percent was strict middling light spotted, 34 percent was middling light spotted, 18 percent was strict low middling light spotted and one percent was low middling light spotted. Spotted grades were: seven percent middling spotted, 12 percent strict low middling spotted, and three percent low middling spotted. Middling gray and middling light gray made up one percent of the local cotton classed.

Staple lengths increased considerably. Seven percent of the cotton was 7-8 or shorter compared to 30 percent only two weeks ago. Other staple lengths were: 34 percent 29-32, 47 percent 15-16, 10 percent 31-32 and two percent 1-inch or longer.

More of the "mike" readings

were in the 3.5 - 5.0 range as compared to previous weeks. Last week, 90 percent was in the 3.5 - 5.0 range, six percent "miked" 5.0 and higher and five percent "miked" below 3.5.

The cotton market was slow due to the small amount ginned. Generally, white grades were not selling. Light spotted cotton was selling freely at 15 points below the CCC loan to 75 points above loan value. The higher premiums were received on the lower grades. Pro-

ducers were receiving \$44.00 to \$46.00 per ton for cottonseed.
