FmHA Interest Rates Increases

The Farmers Home Administration in the U.S. Department of Agriculture has started charging higher interest rates effective October 1 on several of its loan programs as a result of legislation enacted by Congress.

David Marion, County Supervisor of FmHA for Mitchell and Scurry Counties, said that higher rates are required for community facility, water and waste disposal, emergency farm and limited resource farm loans. The changes were included in the budget reconciliation bill that was passed by Congress just before the August recess.

The increases in the interest rates for water and waste disposal loans, 12.25 percent; community

facilities loans, 12.25 percent; emergency farm loans, 17 percent for persons able to obtain credit elsewhere and eight percent only to loss indemnity loans; farm operating loans, 14 1/2 percent; farm ownership loans, 13 1/4 percent and housing home rate loans, 13 1/4 percent for moderate incomes.

The farm operating loan has a \$100,000 limit and a person must be turned down by other creditors for a loan. This has a 14 1/2 percent interest rate currently. When a person gets the loan, the interest rate is fixed when you sign the loan, but may go up or down according to the cost of money to the treasury.

The housing home rate loan is for families with

adjusted incomes of not over \$15,600. Also if they cannot get credit elsewhere.

All of these loans must be refinanced at private

credit institutions when private credit becomes available. The FmHA is there to supplement credit not to take the place of private credit institutions.

Employment Of City Policeman Is Discussed By Loraine City Council

The Loraine City Council met Tuesday night in the Loraine City Hall.

A representative from the Housing Authority met with the council and discussion was about the housing authority administration and some of the specifications of HUD ruling on housing.

The council discussed the trash hauling contract with Sylvester Rose. Many people are dissatisfied with the trash hauling and the council decided that if anyone is missed then they should contact City Hall and that would be subtracted from Rose's monthly contract check.

Also discussed was the financial situation of the street department. They discussed buying new equipment and a bond issue. There was no motion made.

The council accepted a bid from Rose for \$253.25 for a 1972 pickup.

A motion was made to take bids for a dump bed, front end loader and a roto-rooter.

The last item on the agenda was the employment of a city policeman. The council decided to take applications for the job and review them at the next city council meeting, which will be held November 3.

"I Ought To Be In Pictures" Casting Is Completed Tuesday

Casting was completed Tuesday night for the production "I Ought To Be In Pictures," according to Marsha Moore, director.

The play will be presented in last part of November and the first part of December.

The Neil Simon stage production is presently on Broadway and on the road tour. It is about a man who is a Hollywood screen writer with a mistress. His daughter, he abandoned 13 years earlier, returns in his life and demands he make her a star. In the

finale, she reveals her true intentions of regaining a relationship with her father. The setting is in Los Angeles during the present era.

Carl Beery Moore will portray the father, Herbert Tucker and Lisa Wilkinson will fill the role of his daughter, Libby Tucker. Jolyn Mikow will be Stephanie Blondell, the mistress.

Dixie Rader will be stage manager for this production and rehearsals will begin today (Monday), concluded Mrs. Moore.

Bus Shed And Garage Bids Will Be Opened By CISD Board Of Trustees

The Board of Trustees of the Colorado Independent School District will gather for their regular monthly meeting this evening, (Monday), in the Administrative Curriculum Center Board Room.

The board faces a full agenda including the nominations to the Mitchell County Appraisal Board, the discussion of School Board policies and the approval of the audit report for 1980-81.

Also on tonight's agenda is the discussion of certification of students of limited English proficiency.

cy, transportation costs 80-81 and a professional communications agreement.

Board members will open and award a bid for the bus shed and garage, as well as the bid on the District's energy management system.

Rounding out the agenda of action items is the teacher presentation.

The board will hear a financial report and a report on the TASA-TASB Convention.

Mitchell County Commissioners Will Appoint Election Judges Today

The Mitchell County Commissioners' Court will meet in regular session, today (Monday), at 1 p.m., in the County Courthouse.

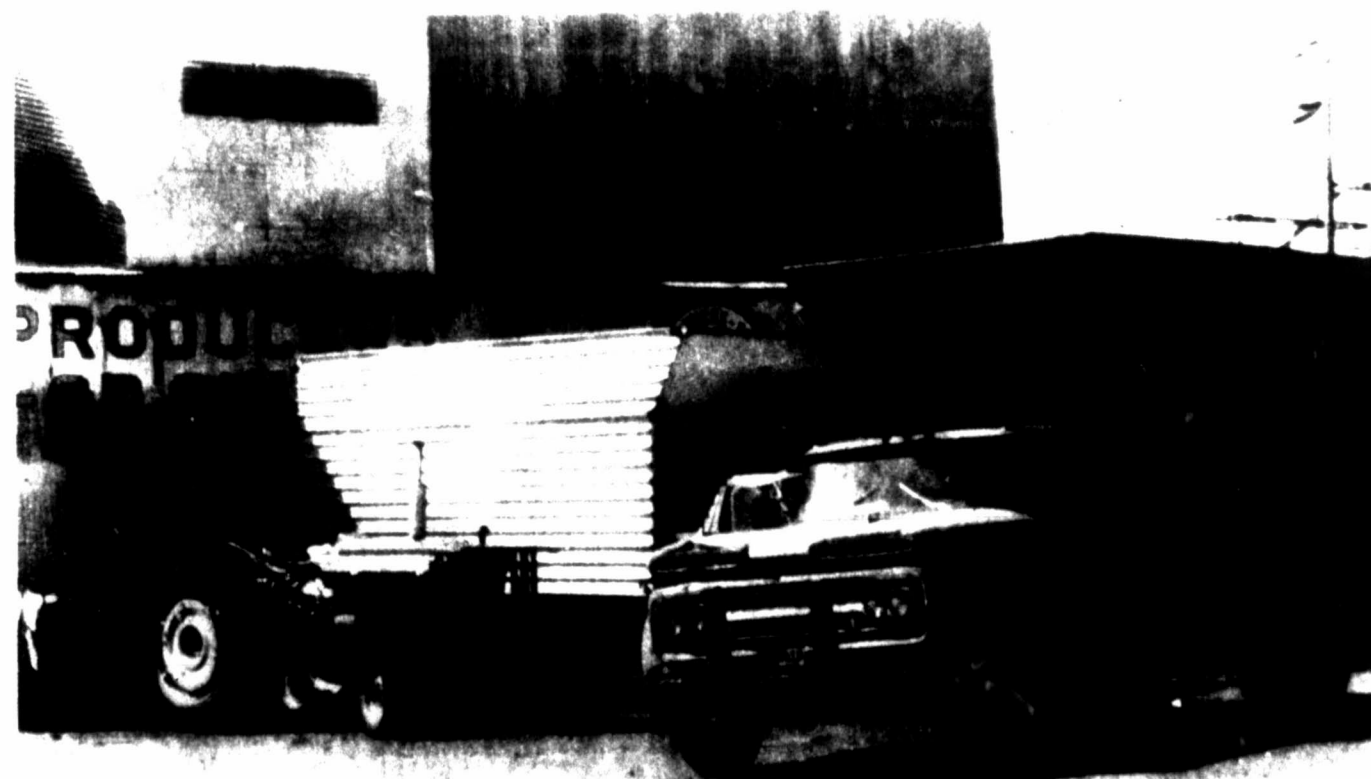

The Commissioners face a full agenda including the appointment of election judges, a decision regarding the weather-proofing the County Courthouse, and discussion of the Mitchell County Appraisal District's 1982 budget.

Also under consideration by the Court will be the approval of the dues for the Texas Association of Counties, the request from the District Attorney's office for increase in mileage reimbursement, and the approval of the Revenue Sharing Statement of

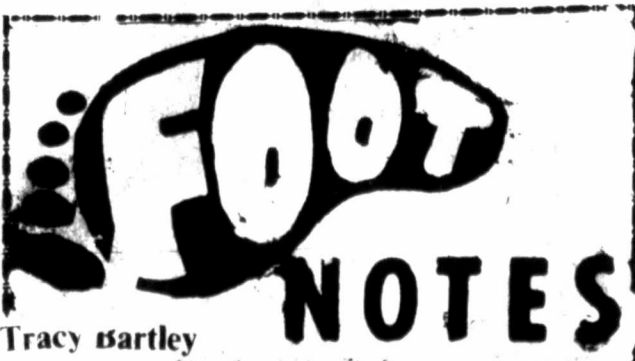

Assurances.

The Court will also hear and approve the minutes from the prior session, pay the county's bills and approve the monthly reports.

In the final spot on today's calendar, there will be a report from Sheriff Wendell Bryant.

SOME GINS just got wound up to blow and go, just to be shut off because of rain. It has slowed up the ginning season, but only temporarily as gin workers, farmers and everyone else is ready to go.

Mitchell County Will Get Funds For Roads

State Treasurer Warren G. Harding announced that \$25,770,675.15 will be distributed to the 254 Texas counties. These funds are the Lateral Road Fund administered by the State Treasurer's office as allocated by the sixty-seventh legislature.

The Mitchell County allocation is \$65,629.11 and the funds will be used for the construction and improvement of county roads. The lateral road fund is comprised of money derived from gasoline taxes collected at the pump.

The county allocations are based on the county square mile area, the rural population and the county lateral road mileage. Expenditures of the funds are reported by the counties to the State Treasurer.

Treasurer Harding stated that the distribution includes money appropriated for fiscal years 1980, 1981 and 1982, as well as interest earned on these funds. The 1982 funds are being distributed now rather than at the completion of the fiscal year.

Nomination To The Mitchell County Appraisal Board Faces LISD Officials

The Loraine Independent School District's regular meeting is set for tonight, (Monday), in the Loraine School Board Room at 7 p.m.

LISD officials look forward to a full schedule including their nomination to the Mitchell County Appraisal Board, a discussion on the status of the English as a second language program and the

reviewing of job descriptions.

Board members will also consider policies to involve senior citizens in the matters of the school system and discuss Senate Bill 341.

Rounding out tonight's agenda will be the ratification of bills, the reading of the minutes, the principal's report and consideration of new business.

MR. AND MRS. ELMER RAINEY, of Loraine, proudly stand by some "huge" sweet potatoes grown in their garden.

I would like to personally congratulate the Wolves on what a good job they have been doing. The year didn't start out as well as we would like, but in the long run the best will defeat.

Q. Is there any maintenance which can or should be performed on a catalytic converter?

A. Your catalytic converter should be good for about 50,000 miles, and there is virtually no preventive or routine maintenance which can be performed on it. However, you do need to be very careful concerning your choice of gasoline, and the first rule here is: Unleaded gas only. Second, try to buy and stay with the highest quality gas you can. The better the gas, the less unburned hydrocarbon your converter will have to deal with. A new additive is supposed to be on the market soon which shows promise in helping consume fuel more efficiently, leading to better mileage, less diesel and cleaner plugs and converter.

Parker To Work On Show

University of Oklahoma student associations, housing groups, fraternities and sororities will sing and dance to the theme of "OU Wonderful Dad" for the 1981 University Sing.

Presented as a part of Dads' Day activities, the University Sing not only honors all OU Dads, but also provides entertainment for the whole family. Student participation in the show has steadily increased, and there were a record number of auditioning acts this year, according to Cynthia Stratton, chairwoman of the event. "There were 27 acts to audition, a lot more than in the past," Stratton said.

Working on the executive committee from Colorado City is Jamie Parker, daughter of Mr. and Mrs. James Parker.

Reid United In Marriage To Scott

Deborah Kay Reid, became the bride of Tommy Bruce Scott, Saturday evening in the Midway Baptist Church in Sand Springs.

The bride is the daughter of Mr. and Mrs.

Randall Reid of Coahoma. Mr. and Mrs. Larry Nix of Big Spring are the parents of the bridegroom.

Rev. John Snider, minister of the Church of Christ in Melrose, officiated in the 7 p.m. ceremony.

Miss Tracey Spell, of Coahoma, was the vocalist, and Mrs. Lorene Barbee of Big Spring, accompanied her on the piano.

The ceremony took place before a fifteen branch candleabra with two swirl candlebras on each side.

Given in marriage by her father, the bride wore a gown made by her mother. It had a chapel length train of 'peau desiou covered with imported candlelight organza and edged with galloon lace.

The bodice and sleeves of chantilly lace fastened at the neck and wrists with tiny peau buttons. The fingertip-length veil, also made by the bride's mother, was of candlelight illusion edged with matching galloon lace. The bride carried a silk cascade of ivory roses, miniature orchids, stephanotis and a touch of brown daisies on top of a white Bible given to the bride by her great grandmother.

Mrs. Dianna Osburn of Big Spring, cousin of the bride, served as matron of honor.

Bridesmaids were Teresa and Leisa Reid of Coahoma, sister of the bride and Cindy McAdams of College Station.

James Nix of Big Spring served his brother as best man.

Groomsmen were Charles Roberts of Odessa, Van Gaskins of Bryan, brother-in-law of the groom and Ronnie Hipp of Big Spring.

Ushers were Jim Bob Coates of Weatherford, OK., Scott Buie of College Station, Jerry Brooks of Odessa and Gary Brooks of Bryan.

The couple were honored with a reception following the wedding in the fellowship hall of the church.

The bride's table was centered with her bouquet. A three-tiered cake, accented with ivory roses and a brown fountain, was topped with fresh flowers. Brass appointments were also used at the bride's table.

Hot d'ouerves were served from the

groom's table. The groom table's centerpiece was a brown ceramic, western boot.

Those serving were Peggy Duffer, cousin of the bride and Cherri Welch, both of Big Spring, Bernard Gaskins, sister of the groom of Bryan and T. Lee Abernethy of Abilene.

The bride graduated from Coahoma High School in 1979 and is presently working at First Federal Savings and Loan in Big Spring.

The groom also graduated from Coahoma

High School in 1977 and is in the ranching operation of Registered Hereford & Cattle with his grandfather and grandmother, Mr. and Mrs. Roy Henderson of Hyman Community.

Following the reception, the couple traveled to Cloudcroft, N.M., for their honeymoon.

The couple will make their home south of Big Spring on Longshore Road.

A rehearsal dinner was held in honor of the couple in the home of Mr. and Mrs. Larry Nix.

Annual Meeting Held

Mitchell County Bureau held their annual meeting at 7 p.m. on October 26 in the Thompson Room of the City National Bank. Dwayne Harris, president, presiding.

Before the dinner, R. Smith offered a prayer.

Secretary D. Stubblefield read minutes of the 1980 meeting. He also presented the current financial report.

Joe Murphy, manager, introduced office personnel and families. Also, presented an annual report on new business and membership.

Stubblefield on the State Legislature in Austin and Farm Bureau the legislative Mitchell County Bureau members to support Proposition 5.

Board members elected for a term, included Golden, Jr., Harris, Tommy, Ronnie Feaster, Stubblefield and Cornutt.

Door prizes awarded to Tommy, Peggy Faulk, Mac Ritchey, K. Pickens, Ruby tree, Justin Hearn, Donny Hearn.

President Harris addressed the citizens of Mitchell County to Proposition 5, seven constitutional amendments which would be voted on in the November 3, 1981, general election. It proposes to include livestock with other products already taxed from property (valorem) tax. Passed. Proposition will be a significant in helping hold the cost of livestock poultry products in Texas.

This means store prices for items would not reflect additional production costs of property. Therefore, this one step we can help hold down food costs.

Annual Meeting Held

Mitchell County Farm Bureau held the annual meeting at 7 p.m., September 26 in the C. C. Thompson Room of the City National Bank with Dwayne Harris, president, presiding.

Before the covered dish dinner, Rev. Fred Smith offered the invocation.

Secretary David Stubblefield read the minutes of the 1980 annual meeting. He also presented the current financial report.

Joe Murphy, agency manager, introduced office personnel and their families. Also, he presented an annual agency report concerning new business and membership.

Stubblefield reported on the State Legislature in Austin and the role Farm Bureau plays in the legislative process. Mitchell County Farm Bureau members voted to support Proposition 5.

Board members, elected for a two year term, included R. B. Golden, Jr., Dwayne Harris, Tommy Morris, Ronnie Easter, David Stubblefield and Billy Cornutt.

Door prizes were awarded to Tommy Fuller, Peggy Faulkenberry, Mac Ritchey, Katherine Pickens, Ruby Crabtree, Justin Harris and Donny Hearn.

President Harris urged the citizens of Mitchell County to support Proposition 5, one of seven constitutional amendments which will be voted on in the November 3, 1981, general election. It proposes to include livestock and poultry with other farm products already exempt from property (ad valorem) taxation. If passed, Proposition 5 will be a significant step in helping hold down the cost of livestock and poultry production in Texas.

This means grocery store prices for these items would no longer reflect additional production costs caused by property taxation. Therefore, this action is one step we can take to help hold down rising food costs.

Hearing Loss Is Not A Sign Of Old Age.

Chicago, Ill. — A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of one of the smallest Beltone aids of its kind will be given absolutely free to anyone requesting it.

Send for this model, put it on and wear it in the privacy of your own home. While many people with a hearing loss will not receive any significant benefit from any hearing aid, this free model will show you how tiny hearing help can be. It is not a real hearing aid, and it's yours to keep free. The actual aid weighs less than a fourth of an ounce, and it's all at ear level, in one unit.

These models are free, so we suggest you write for yours now. Again, we repeat, there is no cost, and certainly no obligation. Thousands have already been mailed, so write today to Dept. 25455, Beltone Electronics Corp., 4201 W. Victoria, Chicago, Illinois 60646.

THE FIRST place winners in the Cotton Festival in Loraline was the St. Joseph Church float. Those on the float were Marachis singers, Tanis Moreno and John Pantoja; women were Seveva Davila, Erlinda Pantoja and Elva Manoz; queen candidate on the float was Christina Vasquez; children were Mark, Rene and Becky Pantoja, Amy Vasquez, Isabel Pantoja, Elizabeth Martinez, John Luis DeLora and Macalio DeLora.

Martinez Continues Studies At WTC In Occupational-Technical Training

Geneva Martinez, an outstanding office occupations student at Colorado High School, is continuing her studies at Western Texas College this fall and is gaining practical experience as an office assistant in the Occupational-Technical Division office.

Miss Martinez is a sophomore stenographic and general secretarial studies at WTC and was recently elected historian and reporter for the campus chapter of the Office Education Association. She and the other chapter officers are looking forward to attending the OEA executive convention in Austin on Oct. 22-24. Accompanying them will be their faculty sponsors, Charlene Light and Linda Wright.

OEA members at WTC enjoy competing in statewide skills contests each spring. Last year, Miss Martinez placed second in the Secretary II (shorthand) contest, second in Business Arithmetic, and fifth in Business Proofreading and spelling. She was one of the WTC students who qualified for the national contests held later in the spring, and she placed second in business proofreading and spelling, a real thrill for a freshman.

student in such strong competition!

Winning contests is nothing new for Geneva. She was first in UIL District 6AA shorthand and eleventh in the regional shorthand contest in her junior year at CHS. She was selected Who's Who in Shorthand I and II and was named Who's Who in Home Economics in her senior year. A member of the National Honor Society, she was graduated seventh in a class of 84 students.

Fire Report

L. O. Schafer, fire marshal of the Colorado City Volunteer Fire Department, gave the following report of fires for the month of September, noting there were only five during the entire month.

SEPTEMBER 3
3:08 p.m. - Grass fire on the David Marion farm.

SEPTEMBER 19
11:55 a.m. - Car fire at the Sonic.

SEPTEMBER 25
8:12 p.m. - Grass fire on the Col-Tex Road.

SEPTEMBER 26
11:52 a.m. - Grass fire at the Mitchell County Cemetery.

6:40 p.m. - Grass fire on Dekalb Ave.

Schafer stated that this past week was "Fire Prevention Week" and the fire department had planned to visit the Colorado City elementary schools and give a program on fire prevention. Due to the weather, they had to postpone it until sometime this week, but Schafer added that everyone should always take caution with fire at any time of year.

Geneva's secretarial skills and her cooperative attitude make it a pleasure to work with her, Nancy Higgins, Occupational - Technical Division secretary, says.

"Geneva does her work efficiently and well," Mrs. Higgins commented. "We never have to worry about anything she's assigned because we know it will be done quickly and correctly. She's a very pleasant person to have around our office."

Mrs. Light, assistant professor of office occupations and one of Miss Martinez's instructors, echoes Mrs. Higgins

comments on Geneva's attitudes and abilities.

"She's one of the hardest working students I've ever had," she added. "I predict that she will be a really top-notch secretary, capable of accepting responsibility and handling the multiple duties of a secretary well."

Employment prospects for secretarial students are very good, and Miss Martinez is looking forward to a full-time job after graduating from WTC in May, 1982. With her natural abilities and training plus her experience, it's a good bet that she won't be job hunting very long!

Festival Slated For November

St. Joseph Catholic Church of Loraine, is planning a "Fiesta Day Festival" on November 1.

There will be three candidates for queen. They will be raising money to help the church. The candidate that raises the most money will become the 1981-82 "Festival Queen."

The candidates are

Christina Moreno, age 15. She is the daughter of Mr. and Mrs. Tanis Moreno. Ms. Moreno is a sophomore in the Loraine High School.

Christina Vasquez, 15, is the daughter of Mr. and Mrs. Manuel Vasquez. She is also a sophomore at Loraine High School.

Patty Munoz, 17, is the daughter of Mr. and

Mrs. Manuel Munoz. She is a senior in the Loraine High School. The Festival will have games, game booths, cake walk and food booths.

A program by the students of the Bible classes is also being planned and will feature Mexican dances. Everyone is invited to come.

MEMBERS OF THE Colorado City Poetry Club met in City Hall Thursday to overlook Mayor Elmer Martin sign a proclamation designating Thursday "National Poetry Day." Pictured are Mrs. L. B. Elliott, president; Mrs. C. P. Gary, oldest member and Marie Helm, newest member of the organization.

Wolves Murder Bluecats Friday

Colorado City Wolves' fans made a trip well worth the effort as their "winning team" continued winning, when they beat the Bluecats 20-9 Friday night in Coleman.

The Wolves took advantage of their first possession of the ball in the first quarter of the game, as Jeff Hammond made a 24 yard pass to Stacy Tarter for the first score of the night. The extra point was no good, this left Coleman trailing 0-6, all the way through half time.

Coleman scored in the third quarter on a seven yard run, but the mighty Wolves blocked their extra point, tying the score 6-6. Coleman then came back and scored three more points on a 23 yard field goal, this put Coleman ahead 9-6.

The Wolves did not give up, as players showed determination and stamina to win the game. In the fourth quarter, Victor Jackson scored for the Wolves with a six yard run and Jeff Hammond came through with the extra point, bringing the score 13-9.

The Wolves regained their lead but this did not stop them, as Victor Jackson again made a touchdown on a seven

TREMENDOUS TRIFLES

THE FIVE MINUTES THAT SAVED THE TELEGRAPH

In the development of the telegraph, only five minutes saved this great invention from relegation to obscurity. This is the story:

In 1832, Samuel F. B. Morse, an artist, returning by ship from Europe was interested by his fellow passengers in experiments in electricity. It occurred to Morse that since electrical currents traveled almost instantaneously and could be made to show a visible spark, messages could be sent at great speed by this means.

In the six-week passage, Morse devised a system of symbols—dots, lines, and spaces—representing the alphabet. He also made rough sketches of an instrument which he believed would record these symbols by electrical impulse. This was the beginning of the telegraph.

Interest in the new project led him to give more time, energy, and finances to it. A professorship at New York University supplied additional funds that were desperately needed for his invention. To save money, he prepared his own meals in his room.

Five years of toil found him with a model suitable for application for patents and exhibition to Congress. He was seeking government aid in the construction of a telegraph line between Washington, D. C. and Baltimore. A bill authorizing \$30,000 for this purpose remained on the shelf for four years before it was finally passed by the House of Representatives. However, it still had to pass the Senate. There it was delayed again and again. The last night of the session arrived and the Senate planned to consider 119 bills. There seemed no chance for Morse's bill. Completely discouraged, after twelve trying years of experiment and setback, he returned to his hotel ready to give up at last. The next morning he was leaving the hotel to return to New York when a friend rushed up to him. "Your bill has passed!"

The impossible had happened. It had passed five minutes before the Senate adjourned. Shortly thereafter, telegraphic messages were being sent between Washington and Baltimore, and the great new invention swept the world. However, only a margin of five minutes prevented the complete abandonment of the project by the inventor.

Coach George Martin And Laura Wiley

Volleyball season is fast coming to an end for the freshman and junior varsity teams—Coach Martin and myself are enthused and excited about the progress of each of these young ladies through this season. With the various drills of spiking, setting, serving, ball movement and defensive play these athletes have developed mentally and physically into becoming mature Wolves for our varsity team in years to come.

The varsity team is presently in second

place of District 7-AAA at 2-1, 10-4 season, with Breckenridge leading. The first half is over and the second half is beginning this Monday, October 12 at home with Merkel. The seventh, eighth and varsity teams will be in action beginning at 4:30 p.m. The girls need everyone's support and backing and we appreciate all that have been out to see our girls in action. We have a big game against Breckenridge here on October 19, probably for the District 7-AAA Championship and would love to have Wolf Gym jam packed. Our girls play better with a large crowd, so let's get out by the numbers and back them.

Also the Wolves football teams are having a super time of it. So we hope that everyone in Colorado City can get out and see our teams in action on Mondays, Thursdays and Fridays. Back the Wolves all the way and we'll never be disappointed in them.

This put the Wolves in District 7-AAA 2-1 the first half and in second place behind Breckenridge 3-0. On the year, the Wolves are 10-4 and play the last three district matches at home beginning October 12 against Merkel, October 19 against Breckenridge and October 26 against Clyde.

We are gearing for the big match against Breckenridge here in Colorado City on October 19. This will probably be for the District Championship. We want to encourage all of Colorado City to be there for this very important game. Thank you for your continued support for our athletic teams.

Wolves Fall After Real Tough Battle

The Colorado City seventh and eighth grade girls volleyball team each played three games before Bronte won the matches.

The scores for the seventh grade were 6-15, 15-12 and 3-15. Points were scored by Holly Tarter, 10; Becca Whitesides, four; Kellie Beights, three; Lisa Alvarez, three; Cynthia Walker, two and Holly Hicklin, two.

The scores for the eighth grade games were 3-15, 15-11 and 10-15. Points were scored by Melanie Rees, 10;

Leanne Acuff, four; Diane Gregory, four; Tina Upton, three; Shannon Perkin, two; Lynda Walker, two; Yolanda Lee, one and Ashley Weaver, one.

Tina Upton had three good spikes and Melanie Rees had two good spikes. The eighth grade girls played well, attempting to pass, set and spike on many plays, stated Linda Mathis, coach.

The next game is set for October 12, against Merkel. The seventh grade plays at 4:30 p.m., and the eighth grade plays at 5:30 p.m.

Big Wolves Roped The Mustangs 21-8

The Colorado Junior Varsity Wolves' football team defeated the Sweetwater Mustangs Thursday night on the Mustangs home territory. The final score was 21-8.

All of the scoring that was done was during the first half of play. The Wolves' Tim Beights, Dennis Rivera and Ben Gonzales all scored one touchdown apiece.

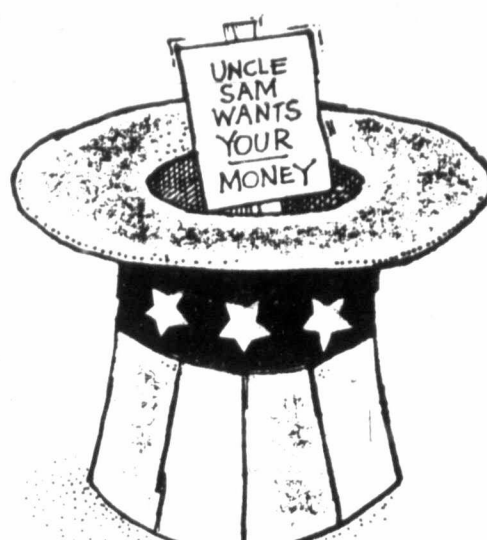

The Mustangs scored their points during the second quarter. It had looked like the Wolves had lost a little bit of momentum, when the Mustangs kicked off to

the Wolves and the Wolves' Dennis Rivera threw a 70 yard pass to Tim Beights for a touchdown.

Coach Bernard stated that the defense had an outstanding ball game and it was a complete team effort. The offense, he added, performed real well and moved the ball well during the second half and kept the team out of a hole. Both the Wolf and the Mustang defenses stiffened up during the second half of play. Coach Bernard added that he was real pleased with the effort and that a 3-A school beat a 4-A school.

Marsha McAdams Gives Presentation

The VIL (Very Important Literary) Society met recently in Loraine. Ann Rowell Gregory presented each member with a booklet on "Introduction to Philosophy" compliments of AARP, NRTA & ILL.

Marsha McAdams was the guest speaker. She gave her program on drugs, noting that the widespread use of drugs by children, some as young as five or six years of age is often not known by their parents.

Just one of the drugs, marijuana, has about 200 different chemicals in it and these lodge in the fatty cells of the body, mainly the brain. The body isn't free of these chemicals from 21 to 30 days. These can cause sterility and impotence, stated Mrs. McAdams.

Marsha McAdams

The rest of the meeting was as follows: Ricki Harmon, Moestoso (piano) arrangement, T. K. Rowell, Scherzando (organ) arrangement and Berta Fuller, thought for the day.

Members and associate members are B. D. Miles, T. K. Rowell, Ann Rowell Gregory, B. N. Gross, R. Preston, Joy Culwell, E. D. Bond, Ricki Harmon, Marsha McAdams and Berta Fuller.

Erwin Hosts Monthly Rose Circle Meeting

Leigh Erwin hosted the monthly meeting of the Rose Circle of the First United Methodist Church Tuesday in her home. Co-hostess with Mrs. Erwin was Kim Hudson.

The business meeting was conducted by Carla Rivera, president. Following a program, concerns were discussed and plans were made for the Christmas Tea, which is scheduled for December 13 in the fellowship hall of the church with Joan Lemons, Susan Anderson and Judy Chapman making up the planning committee.

Stockholders Meet

The Nominating Committee of the Sweetwater Production Credit Association met Friday, at the Scurry County Coliseum in Snyder.

The Nominating Committee has placed Stanley Moore, Route 3, Colorado City, age 33, on the ballot for the director election, which was held at the meeting.

Moore has been a member of the Production Credit Association since 1976. He produces cotton and alfalfa.

The nominating committee for the selection of new officers for the 1982 year were drawn, designating Mrs. Erwin, Leslie Perkins, Mrs. Chapman and DeLores Wood as the committee.

The next meeting will be held in the home of Mrs. Chapman with Roxanne Light co-hosting.

Attending were Ann Beaty, Debby Carlock, Patty Graham, Mrs. Erwin, Mrs. Rivera, Mrs. Hudson, Mrs. Perkins, Judy Bridgford, Mrs. Wood, Mack Perkin and Dodie Banks, guest.

Thank You

The family of Queen Candidate Lisa DeLoera would like to express our deepest appreciation to everyone who was so helpful during the campaign benefit for St. Ann's Catholic Church recently. Congratulations Mona! Thank you.
