Reed Turns In Near Perfect Entry In Grid Guessing Game

An almost perfect entry in last week's Hart Beat grid game gave Bob Reed the week's top win. He was incorrect on just one prediction and thus claims the $5 prize.

Everette Heller was wrong on two predictions and picks up second place.

Four persons missed three games each but Scott Rice proved to be the best predictor of the Mustangs-Horns scoring Friday night. He wins third place for the week by missing just eight points with a 7-24 prediction.

Other contestants who were wrong on three games and their tie-breaker predictions were Michele Walker of Plainview, off 11, 7-21; Glen Black, off 17, 20-18 and Jan Remmenga, 27, 24-12.

Reed also pushed ahead in the season standings as a result of his week's proficiency. He has 70 correct predictions for the season, three more than Rusty Ammons who had held the lead three weeks. Contestants with 60 or more correct predictions are listed elsewhere in this issue.

Contestants should not give up competing for the grand prize even though the chances to win seem impossible. Only the one who gives up is with certainty eliminated.

The contest is fun even for someone not seeking the grand prize. Enter today, you may be the next winner.

Head Coach Eddie Hooper Speaks To Lions Monday

Head football coach and athletic director at Hart High School, Eddie Hooper, was special guest at Monday's luncheon meeting of Hart Lions Club.

"We're real pleased with the success we've had this year," Hooper told Lions. "Anytime you can beat New Deal, you know you have a good ball club."

Hooper said the Longhorns played "hard enough to win" Friday night against Olton, but that mistakes helped lead to the defeat.

"Our defense played a pretty good game - we played much better the

Track Fund Boosted By Booster Club Gift

One thousand dollars was contributed by the Booster Club Tuesday night to the fund begun for track facilities at Hart schools.

The fund was established by the Student Council who plans to match their $200 contribution.

Boosters discussed the project and propose that the track be approached through "one step at a time" action. All efforts will be channeled at present in leveling, scraping, grading and "laying out" the track with curbing as one of the first steps. As additional funds are raised, improvements can continue.

Other organizations are invited to join in the campaign to have phase one ready for the 1981 track season.

Track participation by students in Hart schools has been hampered in years past because of poor facilities. Only a sprinkle of rainfall makes it almost impossible.

Booster Club members feel the need is great, pointing out that track is a program which benefits both boys and girls and is something which enables individual participation rather than team effort.

Attention was also called to the fact that the completed facility can serve the community as well as the school. Persons interested in jogging or running will be able to use the facilities outside of school hours.

In other action Tuesday night, Boosters saw the game film of Friday night's action in Olton and expressed pride in the efforts shown by the Horns.

Boosters proposed and were given the green light for a busing service for Longhorn fans. The club will pay for the gasoline required and driver's salary for a bus to be taken to football games of some distance from Hart. The first scheduled trip will be for the Farwell game.

Any student may ride the bus free of charge but must be accompanied by a chaperone. Departure time is set for 5:30 p.m.

Turkey Dinner Slated Oct. 26

Seniors of 1981 are sponsoring a turkey dinner Sunday, Oct. 26 in the school cafeteria. Turkey, dressing and the "trimmings" will be served from 11:30 a.m. until 1:30 p.m.

Adults may eat for $3.50; students under 12 years, $1.50.

An invitation to "come to dinner" is extended the public.

Seniors Of 1981 Selling Photos

Hart High School Senior Class is selling family portraits. An 11x14 color photo may be had for $5. Additional pictures may be purchased for an additonal fee.

Photos will be made Wednesday, Oct. 29 from 4 until 10 p.m. in the band hall. Contact any senior for additional information.

Don't Blame Your Age For Poor Hearing

Chicago, Ill.—A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest Beltone aid of its kind will be given absolutely free to anyone requesting it.

True, all hearing problems are not alike . . . and some cannot be helped by a hearing aid. But audiologists report that many can. So, send for this free model now, and wear it in the privacy of your own home. It is not a real hearing aid, but it will show you how tiny hearing help can be. It's yours to keep, free. The actual aid weighs less than a third of an ounce, and it's all at ear level, in one unit.

These models are free, so we suggest you write for yours now. Again, we repeat, there is no cost, and certainly no obligation. Thousands have already been mailed, so write today to Dept. 00000, Beltone Electronics, 4201 W. Victoria, Chicago, Ill. 60646.

8th Grade Plays 'Best' Defensive Game Of Season

The 8th Grade Shorthorns played their best defensive game of the year last Thursday defeating Olton 14-6. The Horns allowed Olton past the 20 yard line one time the entire ballgame.

Hart scored first with about three minutes left on the clock in the first quarter. Kerry Newsom, Shorthorn QB raced around the left end for the first score of the game. The extra point was no good.

Olton's only score came in the second quarter. Olton took the ball on Hart's 48 yard line and drove down the field. The remaining second quarter and all the third was a defensive battle, neither team was able to drive in for a score.

Hart's final score was in the fourth quarter with about three minutes left in the game. The Shorthorns used a combination of outside sweeps and inside dive plays to confuse Olton's defense.

Bruce Finch, the Shorthorn's fullback, played a key role in this final drive in getting the necessary yardage to maintain the drive. The final score came when Newsom attempted a quarterback sneak to get a first down on Olton's three yard line. The offensive line, led by Darrell Ethridge, blocked so well on this play that Newsom was able to cross the goal line.

The extra point attempt was fumbled but Junior Mancias, playing heads up football fell on the loose ball in the end zone to make the extra point good.

Outstanding player was Kerry Newsom.

second half. Hopefully we'll get our system cleared of mental mistakes this week and do okay Friday night."

"We feel our tough schedule has matured us a lot. I'm proud of our kids - they didn't give up, not even when we were down 21-0."

Hooper said the Horns face a tough district slate with their first outing Friday night against unbeaten Springlake-Earth.

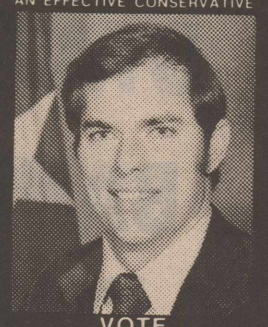

Lion Boss William Ammons reported the Student Council of Hart High School had begun a fund to build a track at Hart schools. He also submitted estimated costs of providing track facilities and asked the club's consideration of the track as a service project.

Members voted to contribute an additional $150 each to the John Darryl McLain and Willie Diaz funds established at Farmers State Bank.

"We bought a house a few years back, and it had a heat pump in it. I was very satisfied with it and simply decided to have it put in our new home here. The reason I like the heat pump is because it is efficient, simple and clean . . you don't have to fuss with any change over from heating and cooling. I was given projected operating costs of the heat pump in both homes by Southwestern Public Service. And, in every month since I've had the heat pump, my actual monthly operating costs have been considerably lower than the estimated projections. So, consequently I've been very pleased. I would definitely recommend the heat pump to my friends or anyone else because in my opinion, it is a good unit and economical."

Horns In Good Showing

Hart Longhorns journeyed to nearby Olton last Friday for the Mustangs' homecoming game. The Horns played hard but could not stop the big play Mustangs. Final score read 27 to 12, Olton.

The first period was marred by mistakes from both teams. A Longhorn mistake led to the first Mustang score. Olton received a fumble at the Horns' 28 yard line. It took the Mustangs 8 plays to go the distance with FB Kenny Smith diving over on fourth and one to put the Mustangs on top. PAT was good and with 5:50 remaining in the first quarter Olton led 7 to 0.

The Longhorns were stopped by their own mistakes in the first half of play. Consequently, they really never mustered any kind of threat during the first two periods.

Olton scored its' second TD of the evening on a 30 yard scoring toss from QB Gregg Smith to FL Junior Casares. This score came with 2:40 remaining in the half. The successful PAT stretched their lead to 14 to 0.

Received the ensuing kickoff, the Horns went to the airways trying to put a score on the boards before halftime. On second and short, DB Junior Casares intercepted a Rich pass and returned it to the Horns' 46 yard line. On the very next play QB Smith sprinted around right end, cut back across the field, and went untouched for the score. The PAT kick was good. With less than a minute remaining in the half, the Mustangs upped their lead, 21 to 0.

Both teams came out in the second half playing good defense. There were no real threats during the third period, but the scoring was far from over.

The Longhorns began their first good drive of the evening late in the third quarter. Rich hit Manuel Castenada for a 10 yard scoring play with 8:41 left in the game. This capped a 14 play, 62 yard drive. The drive was kept alive by a 15 yard roughing the passer penalty. The PAT was not good, so the score read Olton 21, Hart 6.

After a series of possession changes, Rich got off a beautiful 54 yard punt putting the Mustangs back on their own 4 yard line. The Mustangs made one first down and on the next play G. Smith found a crease over the right end and ran 86 yards for the Mustangs' final score of the night. The PAT failed, and the score read Olton 27, Hart 6, with just 6:26 remaining in the game.

The Longhorns came back again; this time driving 51 yards in 9 plays. The big plays were a pass to C. Clifford and a pass interference call on the one yard line. Rich finished off the drive by going around right end for the TD. The try for two points failed leaving the score at 27 to 12, Olton, with only 26 seconds left in the ballgame. Not giving up, the Horns tried and recovered an onside kick. However, time ran out after only two plays, giving the Mustangs a hard-fought 27 to 12 Homecoming victory.

The entire Longhorn team should be commended for playing hard throughout the game, fighting until the last seconds ticked off the clock. Several players should be recognized for their efforts. Isaias Ponce - 24 carries for 105 yards. Manuel Castenada - 3 catches for 29 yards and 1 TD. Derek Rich - 8 carries for 57 yards and 1 TD; 5 of 17 passing.

On defense, Santos Valenzuela, Jesse Gonzales, Chad Black and Benny McLain all put forth good effort.

The Longhorns' record now stands at 2-2-1. Olton upped its' record 5-1. The Longhorns will entertain undefeated Springlake-Earth in Hart, Friday, Oct. 17. Game time will be at 7:30. This will be the District Opener for both schools.

Jv's Hand Olton 'Good Fight'

Hart JV traveled to Olton last Thursday evening for their fifth game of the season. Although the Horns were much smaller, they gave the larger Mustangs a very good fight before falling by the score of 15 to 2.

On defense R. Martinez, A. Gonzales, T. Peterson, C. Myrick, A. Carrasco, and D. Scott all played well. R. Rodgers, C. Myrick, and R. Martinez tackled the Olton QB in the end zone for the only Longhorn score.

Olton scored on the first play from scrimmage on a 70 yard run. Late in the fourth quarter the Mustangs intercepted a Longhorn pass and returned it 80 yards for the score. With only twenty seconds left in the ballgame the Mustangs booted a 40 yard field goal to finish the scoring.

On offense there were several bright spots for the Horns. Myrick turned in a good game completing 9 of 18 passes for 87 yards. Peterson, again, led all Longhorn rushers. Carrasco had 6 receptions for 53 yards.

The Junior Varsity now stands at 0-3-1, while Olton upped its' season record to 5-0-1. The Horns' will travel to Springlake-Earth Thursday, Oct. 16, for their first district game. Game time will be right after the 8th grade game, approximately 7:15.

Seventh Grade Loses To Olton

The 7th Grade football team lost to Olton by a score of 22-8. The Olton team came into the contest undefeated.

"We played a pretty good game considering their size. They had a big 7th grade team and they were good," says Coach David Turner.

Abel Martinez scored the only Shorthorn touchdown, going 25 yards for the score. The try for two points was good as Abel Martinez went around left end.

The 7th grade record is now 1-2-1. District competition begins this week with Springlake-Earth on their field.

"Player of the Week" award goes to Lolo Espinoza.
