Perryton School Term to Close On Friday, May 20

Clean-Up Week for Perryton Starts Next Monday Morning

Operation of Residents Requested

Mayor C. Carter warned city residents that if they have any refuse piled in the streets they should move it, because city trash haulers will spray every alleyway with DDT to get rid of mosquitoes this summer.

Broken bottles, tin cans and other refuse offer ideal spots for these insects, and before DDT spraying is started the cooperation of all city residents is to be requested.

Mayor C. Carter warned city residents that if they have any refuse piled in the streets they should move it, because city trash haulers will spray every alleyway with DDT to get rid of mosquitoes this summer.

\$1,500 Raised for Barbecue Fund

\$1,500 has been raised for the Celebration Barbecue Fund. The funds have been raised through mail subscriptions. The Jaycee will start this fund in an effort to raise as much as possible. Roy Liberal will prepare the barbecue.

200 Farmers Have Not Completed Acreage Forms

An estimated 200 Ochiltree farmers have yet to fill out their farm acreage report now being compiled by the Ochiltree ACA office. With the deadline for completing these reports only a few days away, the work is only three-fourths completed, reports Elliott Lee, county ACA secretary.

Lee urges all farmers who have not filled out this report to do so immediately. If the farmer does not fill out the report, giving his seeded acres during the period from 1945 through 1949, the county ACA committee will have to do it by estimate. Since wheat allotments expected to go into effect next year, will be based on these reports, it becomes quite necessary that farmers fill them out.

Wire for REA Lines Arrives; More to Come

Aluminum wire — enough to complete all REA lines in the entire section where poles are already standing — started arriving in Perryton last week.

The crew for stringing the wire arrived in Perryton Tuesday, and according to the foreman on the project, the job should be completed by June 1 providing electric service for harvest to all REA members who have poles set to their houses. There are approximately 140 miles of poles now standing without conductor.

The REA office also announced this week that field engineers will arrive this week to begin staking on the "E" section lines. This section consists of 331 miles serving 300 REA members in Hansford, Hemphill, Hutchinson, Lipscomb, and Ochiltree counties. Almost half of this section is in Lipscomb county since 72 miles of lines were deleted from the "E" section because of the power shortage, and included in the "F" section.

The power problem has been solved temporarily by buying power from the Southwestern.

Angus Range Day Program Is Completed

Farmers and stockmen of this area are again reminded of the Angus Field Day and tour to be held in Perryton on Friday, May 20. Approximately 300 visitors from the Panhandle counties are expected to attend.

Highlight of the day will be a free barbecue at noon, with the beef prepared by Roy Reed of Liberal. The barbecue will be served at the county fair grounds.

The tour will assemble Thursday morning at Roger Pearson's farm, south of Waka, and will continue to several other local Angus breeders' farms that morning. After the barbecue, the group will assemble at the regional grounds where selected Angus

JUST HERE and THERE

The April 1 estimate by the U. S. Department of Agriculture for the 1949 wheat crop is 1,019,696,000 bushels. The U. S. total for 1948 was 990,098,000.

In 1948, Texas produced 56,290,000 bushels. . . the 1949 estimate is for a yield of 99,190,000 bushels.

All of this adds up to a terrific storage problem for the 1949 crop. With a carry-over of millions of bushels, with practically all elevators either filled or near capacity, the handling of the 1949 crop is going to be a headache.

If conditions continue favorable, the Perryton area should produce a record breaking crop this year. . . and if such happens millions of bushels of wheat will be piled on the ground.

Had a letter the other day from our old friends, Mr. and Mrs. O. E. Bruner, now residing at Talequah, Okla. After living in Ochiltree county for 27 years, they moved to Oklahoma about a year ago. Say they like it fine at Talequah. . . but that they still like Perryton.

Go placidly amid the noise See No. 2, Page 6

May 17-18 Clean-Up Days at Bethany

Clean-Up Day at the Blue Mound cemetery has been designated as next Tuesday and Wednesday, May 17-18.

Residents of the community are asked to bring their tools and help in this project during these two days.

PHS HONOR STUDENTS—Grace Payne, left, salutatorian and Marian Day, right, is valedictorian of the 1949 graduating class of Perryton high school. Miss Day, daughter of Mrs. Nellie Day, had an average of 95.5 for the year, and Miss Payne, daughter of Mr. and Mrs. J. W. Payne, had a 94.1 average. Both will receive college scholarships. Lloyd Hummer, with an average of 91.5, was highest ranking boy in the class and will also receive a college scholarship.

Recent Rains Boost Crop Prospects; Storage Of 1949 Wheat Harvest Remains Big Problem

With nearly three inches of rain received in the Perryton area last week at a time when the 1949 wheat crop badly needed it, prospects for a good harvest are bright in this banner wheat producing county. While some sections have wheat that was burned in the days of hot weather before the recent rain, for the most part, the crop seems assured this year.

The rainfall Friday morning was measured at .11 inch, another 2.18 inches fell Friday night, and this amount, added to the .55 inch Wednesday, made a total of 2.84 inches for the period. County agent Hood Willis stated that a conservative estimate of this year's yield would be seven million bushels, and Ochiltree county will probably beat that, he added. Some quarters predict a crop that will approach the record 1944 and 1947 yields.

Storage problem With the good crop comes a storage problem, however, and farmers, elevator men and railway officials are all worried about it. While the supply of boxcars will be greater than in the past few years, there is no place to go with the wheat.

The wheat which the government took over on May 1, under the loan program is still in the county, for the most part. Aldon

Bell, manager of the Equity, largest grain concern in the Panhandle area, stated Wednesday that they have received shipping orders on all government wheat in Equity elevators at Titchell, Farnsworth, Waka, Morse and Spearman and wheat in these elevators is in the process of being moved.

No Shipping Orders Here No shipping orders have been received on government wheat in the Equity elevator at Perryton, stated Bell. The Ellis Grain Co. has not received any shipping orders for this government wheat, but expects to in the next day or so, according to J. H. Woodward, manager.

Eight Carloads Of Pipe Arrive For Water Work

Materials are arriving and plans are being made for the construction of the city's new water and sewer system within the next few weeks. Eight carloads of pipe for the water system arrived this week, and representatives of the Lanier Construction Co. plan to start the work as soon as possible, according to mayor C. C. Carter.

Delivery of the sewer pipe is scheduled for May 16, and work on laying the new sewer lines will start by the first week in June, according to a wire received from the Sherman Machine and Iron works of Oklahoma City.

The city is advertising for bids for drilling of the new water well, to be located in the city park, with bids to be submitted by May 24.

Dr. F. L. Mize Commencement Speaker; Baccalaureate to Be Sunday at Baptist Church

The Perryton schools will close the 1948-49 term with commencement exercises in the First Methodist church on Friday night, May 20. The baccalaureate sermon will be held in the First Baptist church on Sunday night, May 15, with Rev. John C. Hulcy, minister of the Nazarene church, preaching the sermon.

Only Four Days for General Closing in '49

Only four days have been set this year by the retail merchants committee of the Chamber of Commerce as a day of general closing for business firms. These closing days are Monday, May 30, Memorial Day; Friday, August 19 and Saturday, August 20, Perryton Celebration; and Thursday, November 24, Thanksgiving. Business firms will not close on Monday, December 26, or on Monday, January 2, the days after Christmas and New Year's. For the first time since World War I, November 11, Armistice Day, will not be observed in Perryton this year.

DR. F. L. MIZE He took his BA degree from Sul Ross State Teachers College, his MA and PhD from the University of Oklahoma. He has been on the Texas Tech faculty for three years.

There are 50 seniors in this year's graduating class. Senior examinations will be held on Thursday and Friday of this week, and on Monday morning, the senior class will leave for Colorado Springs on the annual senior trip.

Final examinations for the rest of school will come on Monday and Tuesday of next week. There will be no school and the busses will not run on Wednesday and Thursday, and the final grades and reports will be completed by the faculty during these two days.

Junior high graduating exercises will be held Thursday night. On Friday morning, the busses will run, and pupils will report to the school to receive their final reports. School will dismiss at noon Friday.

TO SPEAK TONIGHT — Mrs. Corinne Neal Cook, editor and publisher of the Texas Mesquite, Mesquite, Texas, will be the featured speaker tonight at the B&PW banquet in the Perryton Hotel. Mrs. Cook has more than 60,000 miles of flying to her credit, is an accredited war correspondent with wide foreign experience, and has studied conditions in 18 foreign countries. She is a nationally known Texas news-woman.

GEORGE HOME
Every Modern Facility for Comfortable Living

House Is Scheduled Sunday Afternoon at George Home

Mrs. A. J. George joins builders in extending an invitation to everyone to visit the home Sunday afternoon, from two to four o'clock. If inclement weather prevents an open house will be held one week. This beautiful ranch-style home is located two miles north of Perryton on Highway 81.

ences, the home has a living room, den, dining room, two bedrooms, two baths, kitchen with breakfast nook, utility room and a two-car garage attached. It is reached from the highway by a winding gravelled driveway. The house is of frame construction, Austin stone veneer exterior with brown slate surfaced asbestos shingles.

The front presents an array of picture windows of blue green plate glass, two in the living room, and one each in the den and dining room. One of the many unique features is the

tion air conditioning, forced draft hot air heating, butane storage tanks, electric lighting, beautiful and modern furniture and pressure water system make this country home just as modern as any city residence.

Locals to Open Home Season With Stratford

After having the Texhoma game postponed because of wet grounds, the Perryton baseball team will make their initial home appearance this Sunday against Stratford. This will be the second NPAA league contest for the locals, the first game being a 7-2 victory over Spearman two weeks ago.

The Texhoma game will be played at a later date, probably when the new lights are installed at the local park.

Lineup for the Stratford game probably will be the same as for the Spearman game, with Wayne Gyger on the mound and Ira Campbell behind the plate.

Preliminary Plans For Memorial Building Received

The preliminary drawings for the Veterans Memorial Building have been received from the architect, and the building committee met Wednesday night to go over the plans and make alterations, where advisable.

When approved, copies of these drawings will be printed and distributed to Ochiltree county citizens for their inspection.

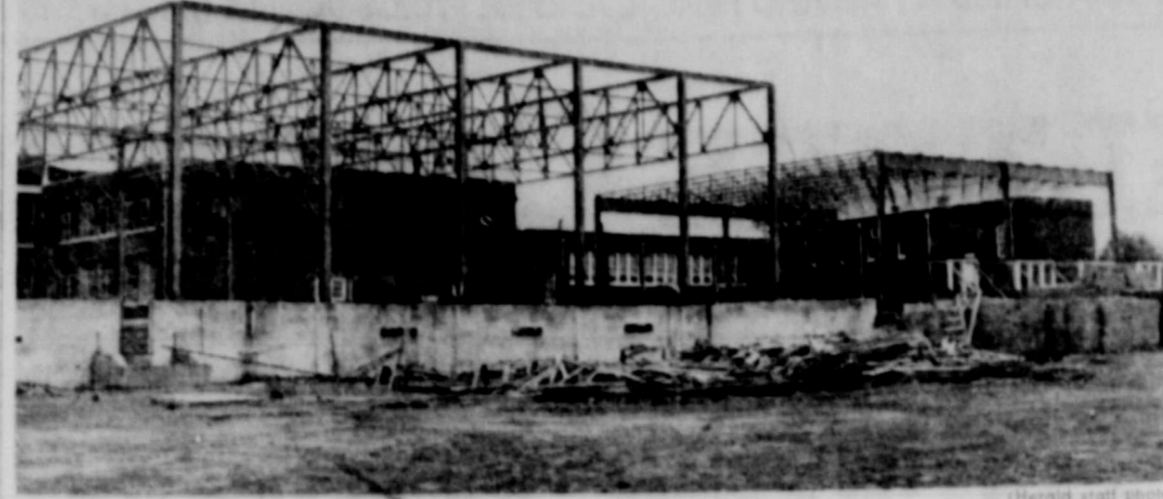

Waka Oil News

"How" greetings from Wawakians. Several moons have passed since I wrote last... had to have a medicine man last week. I predicted rain before we got our big one last week. The skies were muddy, Indian sign of rain. However, I was somewhat confused in my testing for rain... I wet my forefinger and held it up to the wind and when I sniffed the air for moisture, I got my smeller full of oil. The Gulf No. 1 Stump is still going after it... they have gotten pretty tight on their information... a good sign that something of interest is showing. The pretty wheat is outshining the oil prospects right now.

We have the best wheat country in the world when it rains... and this is the time it rained. Just right, I think. If we could have rain every time we wanted it, we would make a mess of things... you can't beat old Mother Nature when she is on the ball, and she is giving us plenty this time... just about every thing in the book. Thousands will be made on wheat and topped off with a good royalty check, will make any man, red or white, happy. Waka is going to build if the prospective builders can just buy the lots. Many house hunters have come to our little community lately looking for a place to live after seeing the wonderful prospects for Wawaka. They begin to think about noon, during the open house their own home... words were

never truer than that old song, "Home Sweet Home." Be it ever so humble, there's no place like home. Won't some good promoter start a home project in Waka. Remember most of us were poor people when we came to this country... many of us were working for wages a few years ago... now most have a bank account and a good home. A home puts a solid foundation under a man and his family... gives a feeling of security and confidence that nothing else can do. Just give a good man a chance and he will do the rest. So long 'til next week. The Old Country Boy Out Waka Way P. S.—On Decoration Day my thought for the day. When we pause to put flowers on the grave of our loved ones, let us

SCHOOL GYMNASIUM AND AUDITORIUM—This latest view of the new school gymnasium and auditorium shows the structure with the steel framework complete, and a portion of the brick walls going up. The new gym and auditorium is scheduled to be completed and ready for use by the time the 1949-50 school term opens in September.

ment, spinning into the ditch and hit in the side, it would probably have caused more and probably serious damage to the driver.

Equity Annual Meeting Being Held Today

Approximately 1,500 stockholders and guests of the Equity, largest farmer-owned grain cooperative in this tri-state area, are attending the annual meeting today in the general offices in Perryton.

Highlight of the meeting will be the fried chicken dinner at noon. Over 700 chickens and 40 gallons of potato salad have been prepared for the crowd.

Among the out-of-town visitors present today will be E. N. Puckett, manager of the Union Equity at Enid and an early day manager of the Perryton Equity. Roy Bender, secretary-manager of the Oklahoma Cooperative Grain Dealers Assn., and Fred Merfield, president of the Wichita Bank for Cooperatives.

Five new directors will be elected this year to fill the vacancies left by L. H. Lance, N. G. Nelson, A. L. Swink, W. R. Greener and L. L. McGarraugh, whose terms expire this year.

The Equity marked a record high in total volume of business and net earnings during the past year. The volume was \$18,018,932.72, and the net earnings were \$330,705.75. There were 7,450,000 bushels of grain handled during the year.

Local Man Wrecks Car Friday Near Spearman

Harold Williams of Perryton narrowly missed having a more serious automobile wreck Friday afternoon when his 1946 Oldsmobile swerved off the highway about seven miles east of Spearman and rammed into a highline post.

Williams told investigating highway patrolmen that he ran up behind a truck, and when he applied his brakes, the car went out of control on the wet pavement.

Poppy Day Poster Contest Winners Are Announced

Winners in the Poppy Poster contest, sponsored by the American Legion Auxiliary, have been selected. Prizes of \$5 were given to the first place winners in Class I and II.

Mareta Lou Pitman won first in the Class I division, composed of sixth grade entries. Honorable mention went to Alice Black, Sue Williams and Don Trew.

In Class II, composed of seventh and eighth grade, Gib Clark won first prize. Marilyn Richardson, Joan Johnson and Gail Hurter won honorable mention.

The posters were judged on the basis of appeal, neatness, originality, and artistic ability. Art students in junior high school made the posters.

All posters will be displayed in windows of Perryton business firms as a feature of Poppy Day, which is on May 28 this year.

C. A. White of Fort Worth is visiting the local Goodyear store this week. He is in the Operating Department of Goodyear, working out of Oklahoma City.

Cars Damaged In Sideswipe Wreck Saturday Evening

An estimated \$200 damage was done to two automobiles involved in a "side-swipe" accident on highway 117 about 3 miles west of Perryton Saturday evening. Involved in the wreck were Mrs. Minnie Klinge and William E. Hacker, Jr., both of Perryton.

Investigating highway patrolmen Jack Shields and Bob Lovington stated that the Klinge car was traveling east and the Hacker car was traveling west on the highway, and side-swiped each other. Mrs. Klinge was driving a 1940 Chevrolet coach and Hacker was driving a 1936 Ford coach.

Mrs. Klinge told officers that she was blinded by the headlights of an approaching car and swerved across the center marker on the highway, meeting the Hacker car.

NEW BELMONT ADDITION—Here is the new Belmont housing addition, where 26 new homes are being built in Perryton. The structure shown in this picture is the tool shed and temporary office of Fritz Ostrom and Associates of Borger, builders of the houses. The Belmont addition is located in the north-west part of Perryton, just north and east of the county fair grounds. Plans call for the eventual construction of 64 new houses in this addition.

Junior High Exercises to Be On May 19

Graduation exercises for the 75 members of this year's Perryton junior high school graduating class will be held on Thursday night, May 19, at 8 o'clock in the First Baptist church.

There will be no main speaker for the exercises, the program having been arranged and will be presented by members of the class.

The program is as follows: Processional, Miss Len Lowe; Invocation, Rev. J. H. Sharp; Salutatorian, Donna Reitz; Class History, Don Dietrich; Song, "When Day Is Done", Marilyn Richardson; Class Poem, Madolyn Humphrey; Piano solo, "Grande Valse Caprice," Lyndol Riley; Musical reading, "If," Jean Suitor; Class Will, Donald Cooper; "It's a Good Night For Singing," "Green Cathedral," junior high ensemble; Valedictorian, Merle Hulsey; Presentation of diplomas, Kenneth Precise, junior high school principal; Benediction, Rev. J. H. Sharp; Recessional, Miss Len Lowe.

New Street Lights To Be Installed

Installation of a new street lighting system in Perryton is scheduled to begin in the near future, with 15 new lights on Main street and 19 new lights in the residential section to be installed at the present time. The new lights will start at the intersection of Main street and Brillhart avenue and continue south. They will be 1,000 lumens, approximately 500-watt bulbs, mounted on 35-ft. poles. The Community Public Service is installing the lights, and will have 43 new lights erected when the program is completed.

The world is the Dead Sea. Lenses were first used in the time of Nero.

He was killed several years later, however, by a posse of ranchers. The ranchers accused him of stealing a horse. Not just the tail. A whole horse.

John Spencer, regional forester, says the histories are of value in establishing dates of land-ownership, settling boundary disputes, and studying the cyclic damage of pests like the bark beetle. Spencer says the histories of the forests also provide the only available histories of dozens of communities in the areas involved.

Canadian Truck Line Purchases Motorway Co.

The Canadian Truck Line has purchased the Motorway Freight Co. and opened for business in the new location, 321 West 3rd avenue, on May 5.

James Pitts, partner in the Canadian Truck Lines and local manager, has been in Perryton since February and will continue to make his home here.

The new company office and dock is located across the street from the Perryton Coca-Cola Co. The present schedule has two arrivals and departures daily in Perryton. Overnight service is offered from Pampa, and second morning service is offered from Oklahoma City.

The Canadian Truck Lines operates between Amarillo and Woodward serving all intermediate towns.

All claims against the Motorway must be settled with that company, as the Canadian Truck Lines assumed no obligations in the transaction, Pitts stated.

Student Awards for 1948-49 School Term Are Announced

Recognition has been given to the outstanding students of Perryton high school for the 1948-49 school term which ends on May 20. Awards to these students are given for citizenship, athletics, and outstanding work in journalism, speech, drama, commercial, choir, band, homemaking and science.

Many of these awards were given at a special ceremony on Wednesday afternoon in the high school study hall. The others will be presented at commencement exercises May 20.

Citizenship

Citizenship awards, presented by the American Legion and Auxiliary, go this year to the following students: Seniors, Lloyd Hummer and Norma Flowers, Juniors, Bettye Hall and Debert Trew; sophomores, Fay Marie Beck and Raymond Vaughn; freshmen, Gene Clack

Shanks Cup

This award, given by Judge and Mrs. Dave Shanks each year to the outstanding athlete in high school, goes this year to Raymond Powell. He is a four year letterman in football, and has achieved district, regional and state recognition in this sport. In basketball, he has been a regular for three years, and was a mainstay on the district championship team last year. He is also district and regional light heavyweight Golden Gloves champion in boxing.

Allen Medal

The Allen medal, given each year by Judge and Mrs. Jack

Salaries, Financing Provided In Gilmer-Aiken Bill No. 116

Gilmer Aiken 116 or Senate Bill 116, as it is called in the Legislature provides for minimum salaries to be paid school teachers, determines eligibility of school districts for the program and tells how the program will be financed.

It guarantees nine months of schooling to every child of school age, provides classroom teachers, special service teachers and vocational teachers. The number of teachers is to be determined by the average daily attendance in the schools.

School districts having from 137 to 445 pupils in average daily attendance are to have one classroom teacher for each 24 pupils. A supervisor is to be determined for each 40 classroom teacher units and districts may pool their units to be eligible for a supervisor.

School teachers finally have a minimum base pay really established by law which has a chance of being fairly adequate.

The minimum pay for a classroom teacher with a Bachelor's degree will be \$267 per month. \$6 per month is to be added for each year of teaching experience for twelve years. Minimum pay for a teacher with one, but less than two years of college training is \$155 a month. The raise in salary is \$6 a month for each year of teaching for twelve years. \$180 a month is to be paid those teachers with two but less than three years college training. A teacher with three years of college training will be paid \$206. The \$6 raise per month for every year experience teaching pertains to all teachers except those holding Masters degrees.

A teacher with a Masters degree will get a salary of \$292 a month, with \$6 a month added a year, but the raise is not to exceed \$156.

Total operating cost of a school shall be based on the classroom teacher units other than professional salaries and transportation. Schools with 74 units or less get \$400 a unit. 75 to 84 unit schools are allotted \$29,700 and those having over 85 units get \$350 a unit.

The County School Boards and Superintendents are authorized to set up the most economical system of transportation of pupils to school. The State Warrants for transportation are to be made payable to the County Board Transportation Fund.

For each nine months transportation of each pupil the school will be allowed \$31.50 but if the number of pupils is less than three per square mile then the amount will be \$45.00 per pupil.

Purchases of buses are to be handled through the Board of Control. Time warrants can be issued by schools wishing to purchase a bus when unable to raise the money immediately.

In financing the program, school districts are to make equalized efforts, the State and County Available School Fund will be distributed on the basis of the number of pupils and payment by the State with a sum of money to finance the remain-

Pampa Men Visit Monday Regarding New Highway 70

A group of Pampa citizens were in Perryton Monday and met with the commissioners court regarding the completion of state highway 70, between Perryton and Pampa.

It was brought out at the meeting that it will take approximately 27 months to build a bridge across the Canadian river, after construction is authorized.

Ochiltree county has purchased all the right-of-way for highway 70 in the county, and preliminary grading and structure work has been completed. Recently, the county has opened the road to the Roberts county line.

Hard surfacing of the road from Perryton to within three miles of the Roberts line is scheduled to start this summer. In Gray and Roberts counties, however, much right-of-way remains to be bought, and no construction has been done on the road in those two counties.

CARD OF THANKS

I wish to thank the Hospital Staff of the Sanford Hospital in Perryton for the care and kindness shown me during my stay there. Also for the gifts and help in celebrating my 10th birthday anniversary.

RAY HENNIGH
Baiboa, discoverer of the Pacific Ocean, was beheaded for treason.

Mr. and Mrs. Roy Leath and Mrs. Dorothy Crisp, left Monday for a couple of weeks in California, visiting relatives and friends.

Fleet Street in London is the location for the newspaper located there.

Hugh Grotius, a Hollander is known as the Father League of Nations.

CARD OF THANKS

I wish to express my thanks to my friends for the beautiful flowers, gifts, and cards I received while in the hospital and special thanks go to the doctors, nurses and clinic and office staff at the Sanford Hospital for their kindness and care.

Mrs. Grace Patton.

Allen to the student who has made the most progress in public speaking during the year, goes this year to Larry Slaughter. Larry has been an outstanding football player in his high school career as well as having taken part in all of the speech class activities this year. He was a member of the first place one-act play cast this year.

Scholarship

Marian Day is valedictorian of the 1949 class, with a scholastic average of 95.5 for the year. Grace Payne, with an average of 94.1, is salutatorian, and Lloyd Hummer, with a 91.5 average, is highest ranking boy. All three of these students will receive college scholarships.

Medal Awards

These awards, given each year to the outstanding students in the department concerned, go this year to the following: Journalism, Nell Peckenpaugh; Student Council, Roger Piersall; Dramatics, Zona Donley; Commercial, Josephine Foote; Band, Curtis Leicht; Homemaking, Bettye Hall; Science, Grace Payne.

Three-Way Certificates

Three-way certificates, awarded on the basis of scholarship, attendance and citizenship, go to the following students:

Seniors: Clara Revis, Grace Payne, Marianna McGibbon, Peggy Luthi, Jerry Key, Roberta Jantzen, Bettye Hurter, Lloyd Hummer, Zona Donley, Marian Day and Orville Brummett.

Juniors: Patsy O'Dell, Dean Morgan, Carolyn Malone, Bettye Hall, Gary Conley, Don Clark, Dale Hoover and Connie Ker-shaw.

Sophomores: Colene Schell, Bill Melvin, Anita Rae McCurdy, Wanda McKee, Betty Holdeman, Josephine Foote, Freddie Dendy, Marilyn Campbell, Fay Marie Beck and Joan Brown.

Freshmen: Phyllis Taylor and Maxine Gheen.

WRECK INJURES TWO—This is the wrecked automobile in which Mrs. R. C. Brownlee of Perryton and Mrs. Max Jones of Canadian were seriously injured Thursday evening. The car turned over an estimated six times at the intersection of highways 305 and 117, seven miles west of Follett. Mrs. Brownlee's daughter, Cheryl, age 2, who was asleep in the back seat, was uninjured. Neither was a rooster riding in the trunk.

Two Injured In Car Accident Near Follett

Mrs. R. C. Brownlee of Perryton and Mrs. Max Jones of Canadian suffered severe injuries Thursday afternoon when their Frazer sedan turned over an estimated six times at the intersection of highways 117 and 305, seven miles west of Follett. Small Cheryl Brownlee, age 2, asleep in the back seat, miraculously escaped injury in the accident, as did a rooster in the trunk.

Mrs. Brownlee and Mrs. Jones are both in the Sanford Hospital, where they are still in critical condition, although recovering from their injuries.

The two women had been to Canadian visiting Mrs. Brownlee's sister, Mrs. Bill McPheerson, and returned to Perryton by way of Glazier after visiting another sister, Mrs. Willie Schaffer. The car was traveling north on highway 305, and went out of control as they were rounding the turn into highway 117.

The Brownlees moved to Perryton two weeks ago from Borger. He is a partner in the Williams Motor Co., Kaiser-Frazer dealers. Mrs. Jones' husband is stationed in Frankfurt, Germany, where he is a staff sergeant in the Air Force.

Hospital attendants credited the skill of two unknown passers-by who picked up the injured women and rushed them to the local hospital. This careful treatment of the injured women undoubtedly kept their injuries from becoming even more serious, it is reported.

No. 2 Continued from Front Page

and the haste and remember the peace there is in silence. As far as possible, without surrender, be on good terms with all people. Speak your truth quietly and clearly and listen to others; they, too, have their story. Whatever your labors and aspirations, in the noisy confusion of life, keep peace in your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world. Be cheerful. Strive to be happy.—Max Ehrmann.

It's not what you'd do with a million if riches should fall to your lot, but what you are doing at present with the dollar and a quarter you've got.

Some grasping, greedy, selfish landlords around Perryton are doing their utmost to retard the growth of Perryton by the high rentals they are charging for sleeping rooms, and apartments and houses. We know of numerous cases where people have recently located in neighboring towns just because they would not or could not afford to pay the high rentals asked by some Perryton landlords.

The Perryton area will be featured in the July and August issues of Khiva Caravan, the official magazine of the Khiva Shrine Temple of Amarillo and all Masonic orders in the Panhandle area.

This magazine goes to 3,000 Shriners in West Texas, all Shrine temples in North America and to all Masonic lodges in West Texas. More than 4,000 copies are printed.

Wheat and cattle with the

new oil play will be featured in the articles on the Perryton area. Khiva Caravan is a high type slick paper publication. Published under the direction of John McCarty, past potentate of Khiva Temple, a veteran newspaper publisher now engaged as a public relations counsel in Amarillo.

Mr. McCarty was a Perryton visitor Wednesday making preliminary arrangements for the Perryton play-up. Mrs. Myrtle J. Cooper, advertising manager of the magazine, and staff writer Mrs. D. M. Parmelee were with Mr. McCarty. Mrs. Cooper remained in Perryton to contact Shriners and advertisers for the financial support necessary for such issues.

Incidentally the Shrine magazine is a non-profit publication. All profits from the magazine are used for crippled children work. From a recent crippled children's clinic held in Amarillo 30 children received treatments and eight were hospitalized. All expenses for the clinic, treatments, and hospital care were defrayed from Khiva Caravan profits.

from Darrouzett

Shirley Smith and Jimmie Laurie Honor Students

Commencement Is May 19; Graduation Sunday, May 15

DARROUZETT — Scholastic honors for the 1949 Darrouzett school graduating class were awarded to Shirley Smith, valedictorian, and Jimmie Laurie, salutatorian, it has been announced.

A commencement sermon for the 1949 class is scheduled for Sunday, May 15, and commencement exercises will be held May 19 in the high school gymnasium.

Varsity Football Team Organized in Magazine

DARROUZETT — Darrouzett's six-man football team has received national recognition in the 1949 issue of the National Football Magazine published in Baltimore, Maryland.

The magazine featured an article on the Darrouzett team which was won by a score of 32-30, the team's record straight victories. The team scored 375 points against opponents 115 during the season.

Pendergraft and Altmiller Get All-Star Bids

DARROUZETT — James Pendergraft, backfield ace of Darrouzett's bi-district champion six-man football team, and Wendell Altmiller, DHS basketball star, have received invitations to play in state all-star competition to be held at the Texas Six-Man Coaches Association meeting in Big Spring next August.

Coach A. C. Teter who led the 1948 squad through their successful season, will attend the coaches meeting.

More than two hundred Texas high school players played the six-man game in the Interscholastic League last season, and its fast wide-open style play is rapidly gaining popularity. The game's emphasis on passing and kicking is claiming the attention of many college coaches who hope to capitalize on this type high school experience.

Also invited from this area to participate in the all-star games are Merle Bengel of Miami and Ted Leonard of Mobeley.

Pendergraft, who will continue his football career at West Texas State College at Canyon, worked out with the 1949 freshman squad at Canyon last week.

Mr. and Mrs. Todd Cone and son of Pampa spent the week end with his brother and sister, Bill and Betty Jo Cone.

Mr. and Mrs. John Simmons spent the week end in Amarillo.

R. T. Laurie, J. P. Rogers, Jimmie Laurie, LeRoy Schoenhals, Gene Deeds, Helmut Dobeck, manager, and A. C. Teter, coach.

DARROUZETT HONOR STUDENT.—Pictured above are Jimmie Laurie, salutatorian, and Shirley Smith, valedictorian, of the 1949 graduating class at Darrouzett High School. Miss Smith's scholastic average is 93.25 and the Salutatorian attained an average of 88.5.

WINS SCHOLASTIC HONORS.—Janice McGee, left, and Irene Mier, right, will receive recognition for the highest scholastic standing in the 8th grade class at Darrouzett. Miss McGee is class salutatorian and Miss Mier is valedictorian.

Mr. and Mrs. Bob Eubanks had as their guests on Mother's Day Mrs. Eubanks' mother, Mrs. R. M. Larrick of New York, City, and Norman Hoffman of Midland. Mr. Hoffman flew Mrs. Larrick to Lubbock Sunday evening where she will visit her son and family, Mr. and Mrs. Jack Larrick.

R. P. Hurn is on a buying trip to California and vacationed last week in Hawaii. Read the Herald ads. It pays!

Refugees Crack Up In Labor Work

CANBERRA.—A Canberra physician says many European migrants doing pick-and-shovel work are cracking up under the strain. Dr. Lewis W. Nott, superintendent of the Canberra Community Hospital, told a reporter many migrant—Balts and Poles—are showing signs of heart strain.

"Before they came to Australia they were in professional or other sedentary jobs," he said. "These people, coming from cool climates, are not standing up to laborious work in our heat."

"They would be better in the jobs for which they are trained." Displaced persons have come to Australia agreeing to work at government direction for two years. Many have been directed to laboring jobs.

You can find many bargains in the Herald Ads.

Murder Cases Make Live Record

ALAMOSA, Colo.—In his 37 years as a lawyer, George H. Blickhahn has defended 25 persons accused of murder. Not one has been given the death sentence.

Only two, in fact, were convicted of first degree murder and both of them won outright Colorado supreme court. Two others were convicted of second degree murder and one of manslaughter. The 20 others were acquitted.

Mr. and Mrs. Tom Slack, Sydney and Sherry spent the week end in Canyon.

RESOLUTIONS OF RESPECT

In memory of Brother Tom R. Terry, who died April 25, 1949. Once again a Brother Mason having completed the designs written for him on life's trestle board, has passed through the

portals of eternity and entered the Grand Lodge of the New Jerusalem and hath received as his reward, the white stone with the new name written thereon. An Whereas, the all-wise and merciful Master of the universe hath called from labor to refreshments our beloved and respected brother, and he having been a true and faithful member of our beloved Order, therefore be

Lodge, No. 910, A. F. & A. M. of Perryton, Texas, in testimony of her loss, be draped in mourning for thirty days, and that we tender to the family of our deceased brother our sincere condolence in their deep affliction, and that a copy of these resolutions be sent to the family.

Summer Brings Varied Diseases To Youngsters

AUSTIN, Texas—The summer season always brings an increase in the incidence of dysentery, diarrhea and enteritis, all of which are major menaces to the lives of small children, annually causing the deaths of hundreds of Texas youngsters.

The State Health Officer, Dr. Geo. W. Cox, declares that the chief cause of these intestinal diseases are contaminated milk, water or food; allowing the child to get overheated or exhausted; excessive sugar in the infant's formula, and foods that have been improperly refrigerated.

"All foods should be clean and fresh, and all left-overs should be refrigerated so as to avoid spoilage. The utmost care should be used in preparing the infant's formula which should, of course, be prescribed by a physician, and his recommendations as to sanitation precautions and correct refrigeration should be implicitly followed."

The State Health Officer warns parents especially of the danger of disease transmission by flies. Children in any home that is not free from flies, are in danger of contracting dysentery or other intestinal diseases which may be fatal.

"If dysentery or diarrhea symptoms appear in your child, call your doctor immediately", Dr.

Cox advises. "His treatment of the disease is your best insurance against fatal results, since such diseases are really a very serious threat to the child's life. Don't depend on home remedies for diarrhea or dysentery; consult a competent physician and let him institute the safest and best treatment which medical science has available, for combating these wasting diseases."

J. C. Jones, Texas Tech student, spent Mother's Day with his parents, Mr. and Mrs. C. F. Jones.

Mr. and Mrs. H. I. Hudson and Mrs. Lela Ownbey of Dumas spent Mother's Day with Mr. and Mrs. Harold Hudson.

Has Welcome Mat Out Rodeo Festival May 13-14

Gruber's Annual Rodeo and Rodeo on Friday and Saturday, May 13-14, call for the best entertainment and this progressive city.

Pilots' Breakfast at the Gruver Airfield at 7:30 a. m. Street entertainment featuring boxing matches, Boy's Ranch entertainment and other events will entertain the crowd until the big parade at 10:30 a. m.

Following the parade a big free barbecue prepared by the barbecue class of Goodwell College will be served the public.

The big days for the rodeo, Friday and Saturday afternoons May 13 and 14, will see more than 100 contestants working hard for the \$3,000.00 in cash prizes and special awards which includes a roping saddle for the best all-round roper for the two day rodeo; a gold buckle with contestant's name engraved on a cowboy for the two days, also gold buckles valued from \$160 to \$350.00 each for the best record made in each event.

A \$50. bill will be tied to the tail of a big Brahma bull each afternoon of the rodeo, and all contestants can enter the event. The cowboy who gets the money from the tail of the bull wins.

Modern and old time dances will be staged both nights of the Festival at the new Hansford County Memorial Home. The modern dance will feature

THE FARMER AND HIS WIFE . . . Mr. and Mrs. Raymond Sayre of Ackworth, Ia., take time out to attend a couple of lambs. Mrs. Sayre now is in Germany acting as consultant for the department of social and cultural relations of the United States Army's occupation forces.

49 PONTIAC

Sweetheart on the Road!

The plain truth is you never drove a car that displays so many different, delightful and thrilling aspects when in action as does this big, roomy, roomy 1949 Pontiac.

BOB SCHUSTER PONTIAC
Perryton, Texas

QUICK RECOVERY—Mickey Vernon, veteran first baseman acquired from Washington in a trade during the off-season, is off to a good start at the initial bag for the world champion Cleveland Indians. It was feared that Vernon would be sidelined for a period due to an appendicitis operation he underwent during the winter, but he made a rapid recovery and is batting fifth in the Cleveland lineup.

Guy Neal and his orchestra, dance from 10:00 p. m. until 1:30 a. m. The Old Time Dance will feature Gambles Ramblers and the time will be from 7:00 to 9:30 p. m.

One feature of the Festival this year will be the sale of a beautiful new Plymouth Convertible car. The American Legion will sell this car immediately

after the Rodeo, Saturday May 14th. The Rodeo Queen of Hansford County will be decided at noon or before rodeo time Saturday May 14th, and will be crowned at the rodeo grounds as a feature of the afternoon program.

Let's Get After Those Mosquitoes

After the late, welcome big rain, Perryton is in line for a heavier-than-usual onslaught of one of our most pesky pests—the mosquito. Not only does Lake Huron south of town offer an ideal breeding place, but the thousands of tin cans, bottles, etc., lying around back yards and vacant lots furnish trying places for the pest.

For the past two summers, Perryton has enjoyed pleasant outdoor life, because of the thorough spraying done on the lake, alleys and vacant lots by the city. Now that it has been proved quite practical, it is only common sense to keep up the practice.

In a short time, flies will be hatching out, and the only way we know to control them is through a city-wide DDT spraying program.

However, just the spraying alone won't do the job. It falls upon every home owner to bear his part of the campaign. Not only does cleaning up the trash and cutting the weeds do away with breeding places of flies and mosquitoes, it makes Perryton more attractive.

A clean and beautiful town enhances its reputation and respect in the eyes of neighboring cities and to the visitors that pass through. A clean town develops a spirit of civic pride among the individuals.

A clean town is a good town. Also a pleasant town in the months when the flies and mosquitoes are killed off instead of on the wing.

One Reason for the Post Office Debt

Plagued by an ever-increasing barrage of letters, documents and other forms of propaganda from the horde of bureaucrats that infest our national capitol, the County Wide News of Littlefield last week conducted an experiment.

Out of the mass of first class mail, they picked out only two pieces out of a total of 51 that contained anything that could be used as "news." Total cost of mailing, if postage had been paid, came to \$1.32 for the week's offering of propaganda. The pieces were weighed on postal scales as they were received.

Multiplying the week's propaganda receipts by the number of weeks in a year and multiplying that by the number of newspapers and periodicals in the United States—all of which received as much, or more—the total cost attained the staggering sum of \$82,960,000.

Out of this entire mess of propaganda, a casual reading found that its ultimate purpose was to create publicity for the "indispensable" bureau that sent it out.

That sum of almost \$83 million dollars was for postage alone, and does not take into account the heavy cost of paper, the huge sum spent for clerical hire, and the tremendous cost to the papers who receive it caused by the time it takes to wade through their piles of unusable trash.

If Congress would spend a little more time in weeding out the unnecessary bureaus that infest our government, a huge saving could be effected for the long-suffering taxpayers.

Babson Discusses Farm Land

ROGER W. BABSON, Editor-in-Chief

Eureka, Kansas, May 6. During the past week I have been motoring through the six states of America's "Magic Circle"—the richest in time of peace and safest in time of war. This "Magic Circle" is made up of Iowa, Missouri, Arkansas, Nebraska, Kansas and Oklahoma. It is the people of these states arise to their responsibilities, they will someday have an opportunity of organizing and controlling the United States.

Importance of Good Land

Every time I travel throughout this wonderful country I am more convinced that good land, properly located, is the safest of all investments—better than even Government Bonds. As I have said in this column before, everything that feeds us, or clothes us, or shelters us, comes from the soil. This is not a recommendation to speculate in land, especially at present high prices. This, moreover, is a time to get out of debt rather than to buy anything on a mortgage. But next to cash in the bank, give me good income producing well-located land, preferably "bottom land" located on a stream.

Once was the time when titles had to be examined with great care; but now with the Torrens System you can be sure that you have a perfect title if your land is properly registered. This system is now available in sixteen states. All of the other states should adopt it. Those interested in further information regarding the Torrens System of checking and insuring land titles should write to my friend Mr. W. C. Perry, 876 Elm Street, New Haven, Connecticut. I like good land everywhere, but especially in the six states mentioned above which make up my "Magic Circle." For further particulars regarding this "Magic Circle," write to W. A. Bowers, President of Utopia College, Eureka, Kansas, or to the First National Bank of Oklahoma City, Oklahoma.

All I meet in the Central West ask about business conditions in the East. Although farm prices have declined considerably since I was here a year ago, yet the people are optimistic and understand unemployment or business failures such as the East is experiencing. In behalf of my Eastern friends let me say that the farmers of the Central West have no idea of what Eastern manufacturers are suffering from ill-guided labor unions. Truly when, as if, another depression comes, it will be due to the overreaching labor elad-

I find very little land speculation out here. Farmers are rapidly getting out of debt and improving their properties. Most farmers have Government Bonds and a good bank account. Hence, although the prices of farm products will gradually decline, yet there will be no collapse as there was in the early thirties. Although I don't believe in the latest attempt of the Secretary of Agriculture to please everybody, yet I do believe that some form of parity farm support should be continued.

Maintaining Full Employment
 I am one of those who agree with George H. Le Boeuf of Dayton, Ohio that a manufacturer who refuses to shut down his plant should be insured against loss as well as the farmer who continues to raise crops. Mr. Le Boeuf's program will do nothing for the manufacturer who throws his labor out of employment and then takes a trip himself to Florida. The manufacturer, however, who will keep his plant operating and his people employed deserves industrial insurance just as much as bank depositors or farmers.

Such an insurance program would not be too expensive for our Federal Government because if all manufacturers kept their plants operating, there would be purchasing power sufficient to

buy most of the goods produced. Hence, there would be very few insurance payments. Business depressions cannot be altogether eliminated anymore than can sickness. But they can be greatly diminished in severity. As the health departments of our cities are constantly reducing sickness and the insurance companies are taking care of the unfortunate, so unemployment can likewise gradually be reduced.

Wolf Creek Philosopher

Has Brand New Answer For Soil Conservation

(Ed. note: The Wolf Creek Philosopher is just hunting an excuse to keep on loafing, if you ask us, but we're printing his letter on soil conservation as an example to what might happen if everybody around here was as lazy as he is.)

Dear editor:
 For years and years I've been listening to people tell farmers how to conserve their land, and according to the city advisers it's easy, all you have to do is terrace your land and do a few other simple things which they make sound about like sendin-

Decorations for Phone Girls

LONDON.—(P)—Maybe it will improve the service. The Post Office is experimenting with fluorescent lighting and more decorative interiors for some of London's telephone exchanges in the belief the brighter atmosphere will increase staff efficiency. If it works other exchanges will be redecorated.

Mr. and Mrs. O. C. Watson, Mr. and Mrs. Ray Thomas, Mr. and Mrs. Drew Ellis attended the Shrine Ceremonial in Amarillo from Sunday through Tuesday.

your suit to the cleaners and sit back and grow prosperous, but it don't work that way. In spite of what George Parker and Ralph Headlee and Hood Wills and Elliott Lee say, buildin a terrace is hard work, re-buildin it after it washes out is harder, and getting the money to do it with is harder'n that, even with the government tryin to make it easy.

However, I believe in savin the soil, and I have a method that will do it, without technical advice from the experts, without no Washington bulletins, without no appropriations, without even callin up the SCS.

Just stop plowin.
 Plowin is what causes erosion. Didn't have no erosion to speak of when the Indians and the buffaloes were in control of this country. Leave the ground alone and it'll stay where it is. It took me a long time to discover this fact, for years I plowed my land without knowin it was helpin it wear away, although I knew all along somethin was wearin me away and wasn't no doubt in my mind it was plowin.

As I see it, if a man's gonna lose money farmin anyway, he might as well lose it and be a conservationist at the same time. It's easier and you can do it from the front porch. The thought of me out there goin up one row and down another helpin deplete this nation's

greatest resource was too much for a thinkin man, a man who has some consideration for future generations, and I quit. Left my plow where it broke down last, sold my mules for five dollars apiece, and turned my land into pasture, which is the easiest operation I ever undertook, all I had to do was leave it alone.

Now this ain't countin one little patch of wheat land which I rent out and don't have to do no work on, which makes it about as easy to farm as pasture land, as far as I'm concerned.

I ain't recommendin every farmer ought to follow my ex-

ample, some of em can hire somebody to do it, and I believe in surprise and letting a man decide to practice what he pleases, but as I've decided to practice what it sure does cut off my head. The next time you tells you I'm lazy, well, te you pointin out the vanguard of progress, land for future generations.

Branding Irons Invited to Meet May 14

May 11—The Follett American Legion post invited farmers and stockmen to the branding party in the Panhandle area to bring branding irons and attend

the Branding Party to be held at the Follett Legion home on Saturday, May 14. Each brand will be burned on an individual plaque, 12x17 inches in size. The owner will sign the plaque and it will be traced with an electric burning pen. The location of the brand on the animal will be initiated beside the brand and then the plaque will be varnished and hung in the Legion home. Free coffee and fresh home cooked doughnuts will be served.

Clue at \$3 Worthless at \$603

ROCKLAND, Me.—Three silver dollars—a rarity here—were among \$500 stolen from a store. Police Chief George Shaw alerted his force to watch for anyone passing silver dollars. Two days later silver dollar clues became worthless. A local concern included 600 of them in its 23 employes' pay envelopes.

It pays to advertise in the Herald. Ask our advertisers. Stewart

Fetch the Vetch For a Free Test To College Station

COLLEGE STATION — Texas farmers have a way of finding out just how good their vetch is.

If they will send it to the Vetch Seed Testing Laboratory at the Texas Agricultural Experiment Station in College Station, this laboratory will make germination and purity tests of the vetch seed free of charge.

E. B. Reynolds, experiment station agronomist in charge of the laboratory, says the vetch sent into the testing laboratory should be a representative sample of the vetch the farmer has on hand. At least two lbs. of vetch should be submitted for sampling, sent in cloth bags or securely packed to prevent loss or breakage.

It takes at least three weeks to get a report on the sample of vetch, Reynolds says. Fourteen days are required to make the germination tests and about a week for shipment to and from the laboratory.

Send the vetch samples to Vetch Seed Testing Laboratory, Department of Agronomy, TAES College Station, Texas. Name and address of the sender and any identification should appear on the tag or label on the outside of the package, says Reynolds.

When the grower receives his information, results of the tests may be used by him in securing official tested seed labels. Such labels must be applied for directly to the Seed Laboratory Division, State Department of Agriculture, in Austin.

Since this laboratory was established especially to make germination and purity tests of vetch seed produced by Texas growers, they are urged to use these services if they need them, Reynolds says.

Mr. and Mrs. Art Elmore of Liberal spent Mother's Day with Mrs. Laura Elmore.

Uncle Sam Says

Millions of Americans have found their "Opportunity for Security" through an investment in U. S. Savings Bonds. You, too, can supplement your every-day opportunity to provide future economic freedom by participating in the big Spring Savings Bonds Drive which opens May 16. The wise person saves his money—before he can spend it—by becoming a shareholder in the safest, surest, and most profitable investment offered anywhere in the world. You thereby benefit yourself and your country.

Army Has Corn Troubles in Japan

TOKYO—Ask any Japanese what's cooking and he'll tell you it isn't corn. Not at his house. He doesn't like corn. And there are 300,000 tons of corn waiting to be eaten. It was shipped over here by the United States to feed the hungry.

The United States couldn't ship wheat and other grains because the Allies of Europe get first crack at the available supply. Now the U. S. Army has a little scheme to get rid of some of that corn.

The Japanese farmer is allowed to keep millet, sorghum and other coarse grains to feed his livestock. These grains can be made into food a Japanese will eat. The Japanese can trade these grains for corn, which can be fed to the livestock. The livestock don't care. They'd just as soon have corn.

Mrs. E. N. Lowe of Lubbock visited her daughter, Miss Len Lowe, Sunday. Mrs. Lowe was also a guest in the home of Mrs. C. B. Rogers.

Mr. and Mrs. L. T. Tucker had as their guests Sunday, their daughter and family, Mr. and Mrs. J. C. Cluck, John Marianna and David of Gruver.

Mr. and Mrs. L. M. Davis of Borger spent Monday night and Tuesday visiting in the home of her mother, Mrs. F. C. Spencer.

Paul Harbaugh To Graduate At Wentworth

Paul Harbaugh, Jr.

LEXINGTON, Mo.—Cadet Paul A. Harbaugh, Jr., son of Mr. and Mrs. Paul Harbaugh of Perryton, is a candidate for graduation at Wentworth Military Academy's 70th annual commencement here on May 26. Harbaugh is a member of this year's high school graduating class at the academy.

Commencement exercises at Wentworth start with the baccalaureate service on May 22, followed by five days of special events including field day activities, alumni meetings, the graduation dance, presentation of diplomas, and a special farewell ceremony on Friday, May 27.

Wentworth's commencement speaker this year is Ely Culbertson, expert on bridge and authority on international relations.

Gale Rogers, Texas Tech student, spent Mother's Day with his mother, Mrs. C. B. Rogers.

Gilmer-Aiken Bill No. 15 Is New Plan for School Operations

The Gilmer-Aiken Bill 115 is the administrative process for a revised public school system. Here briefly are the various boards, their functions, terms and general make-up.

The bill as a law will terminate and abolish the present Board of Education and State Superintendent of Public Instruction. It creates a central education agency composed of the State Board of Education, State Board for Vocational Education, State Commissioner of Education and a Department of Education.

The central agency will exercise general control of the public school system and will be the sole agency of the state, empowered to enter into educational undertakings including school construction and providing of school lunches. No county board of education or board of trustees will enter into contracts with the Federal govern-

ment except under the rulings of the central education agency. One member from each of the twenty-one existing congressional districts will be selected to the State Board of Education for terms of three years.

The candidate in each district receiving the highest number of votes will be the congressional district's representative to the State Board of Education. This bill also states that no person engaged in organized public educational activity shall be eligible to serve on the Board or be elected to it.

The State Board of Education will be the policy forming and planning body for the public school system. It will adopt and formulate budgets, make biennial reports, certify school teachers, purchase textbooks within limited authority and execute contracts for the investment of the Permanent School Fund. The State Commissioner of Education will recommend to the State Board the names of 15 persons, no two from the same county, for membership on the textbook committee for one year terms. Each of these persons shall be an experienced active educator and a majority of the members shall be classroom teachers. The Textbook Committee will recommend a complete list of textbooks of the various school subjects.

NOTED ORGANIST-MISSIONARY—Albert Schweitzer, the man of many legends, is coming to America next month. To many, this announcement means little, but to others, it means that a legendary figure has suddenly leaped to life. At 30 years of age, he ranked among the world's leading theologians, philosophers and musicians, yet he then became a medical student to devote the rest of his life to service. At 36, he finished his medical training and went into Africa ministering to the bodies and souls of the natives. There he has remained, until this trip back to civilization.

The position of State Commissioner of Education will take over all powers now vested in the State Superintendent of Public Instruction. The State Board of Education shall elect with the consent of the Senate, the commissioner for four years and may reappoint him at a salary set up by the board. The commissioner serves as the executive officer of the Board of Education.

The State School Investment Commission shall be composed of five members appointed by the governor with the consent

of the Senate for five year terms. They receive no salary and serve for one, two, three, four and five year terms according to lots drawn. The Commission will meet in Austin with the State Board of Education to help with the investment of the Permanent School Fund, but the board by formal action may reject such help.

The State Department of Education will be the professional, technical, and clerical staff of the central education agency. Directors of the major divisions of the State Department are to be appointed by the State Commissioner of Education. The Director of the Division of Vocational Education shall be the executive director for the State Board of Education. Enumerating duties of personnel and proper qualifications are set up.

The State Department will carry out the mandates for which it is made responsible by law, the State Board of Education and the Commissioner. It shall have no power over local school districts except those specifically granted in statute. Disputes and grievances are to be appealed to the Commissioner of Education who shall notify the interested parties and examine and render a verdict in a hearing without cost to the parties involved. Commissions composed of citizens of the state may be appointed to advise the Commissioner in the discharge of his duties.

CARD OF THANKS

I want to thank the many friends and relatives for the lovely flowers, cards, letters, visits, and gifts during my illness in the Perryton Hospital. Special thanks to the Doctors and hospital staff.

Roger Pearson Elected to Natl. Angus Association

Roger Pearson has been elected to membership in the American Aberdeen Angus Breeders' Association at Chicago, announces Secretary Frank Richards.

Pearson was one of the fifteen purebred Aberdeen Angus breeders from Texas elected during the past month to membership in the organization.

Few Australians Jobless

VIENNA—(AP)—Less than one per cent of Australia's working population is unemployed, recent government figures show. The figure is described as the "absolute minimum" by government authorities.

Mrs. Paul Woods and her Louise Harlow of Kingman, Kansas, visited in the home of Mr. and Mrs. C. E. Woods over the week end.

Lynn Hulsey to Graduate from TU This Month

Lynn Hulsey, son of Mr. and Mrs. Hardy Hulsey, will receive his BS degree in physical education at the May 30 commencement exercises at the University of Texas.

He is one of 51 College of Education seniors who will receive degrees this spring.

While attending the University, Hulsey distinguished himself by participation and direction of the mammoth intramural sports program on the campus. He plans to enter the teaching field as a physical education instructor.

Old Equipment Wastes British Electricity

BIRMINGHAM, Eng.—(AP)—Old and inefficient electrical appliances are wasting a lot of Britain's inadequate power supplies, I. A. R. Stedford, Chairman of Tube Investments Limited, told a company meeting here.

Mr. and Mrs. Ward and friends in Perryton visited last night at the Perryton Church.

Mr. and Mrs. Russell and friends in Perryton visited last night at the Perryton Church.

ATTENTION CREAM PRODUCERS

The State and Federal Pure Food Inspectors are demanding that we improve our cream, so Texas butter will compete on the markets in other States.

In order to do this we are required to run a sediment test on each delivery. Please deliver your cream as often as possible and keep it COOL and CLEAN.

Ask to see your sediment test.

Delivering Cream in COOKING UTENSILS, SYRUP PAILS, and GLASS JARS IS ILLEGAL. Please use only LEGAL cream cans.

Why are more and more families choosing the Servel GAS Refrigerator?

IT'S GUARANTEED FOR TEN YEARS!

Only Servel

STAYS SILENT, LASTS LONGER

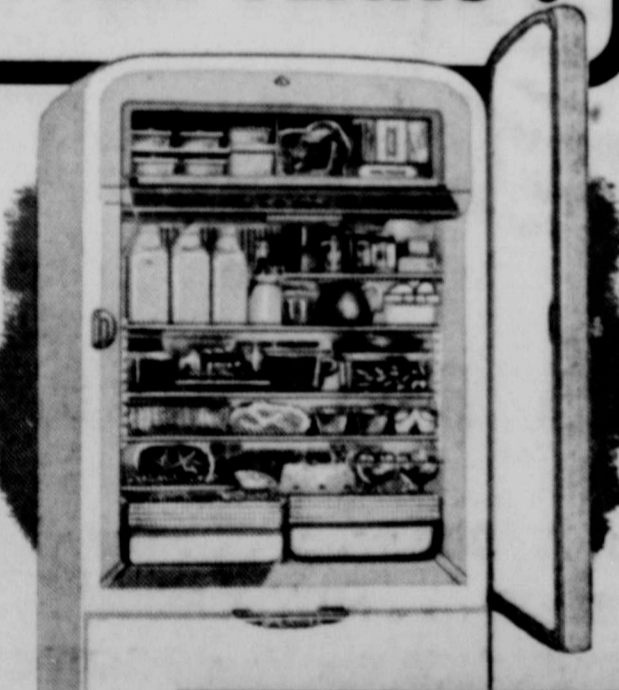

Talk to folks who've had experience. They'll tell you, "The Gas Refrigerator is your big refrigerator value! It guarantees silent, dependable performance for ten full years!"

How can this be? Servel is different. There's not a single moving part in its freezing system to cause noise or wear. A tiny gas flame does the work. So Servel stays silent, lasts longer. Thousands of Servel's over 2,500,000 owners report theirs still on the job after 15, 18 and 20 years.

See the new Gas Refrigerator models today. You'll find every new convenience. And remember—you're sure of long-lasting noise-free, trouble-free performance with Servel!

You enjoy all these modern features

- Big frozen food compartment
- Plenty of ice cubes—bigger release trays
- Multi-draw cold for fresh foods
- Flexible interior—plastic-lined shelves
- Large draw-out vegetable fresheners

STAYS SILENT LASTS LONGER

Up, Brother! You MIGHT Get Ticket to SMU-Notre Dame Game

WILBUR MARTIN
Staff Writer
Southern Methodist University
Notre Dame play football
next December.
If your fingers crossed,
you will wait until Aug.
tickets go on sale. But
30 of the 48 states
may be deluged Southern
athletic business man-
agers with requests

cludes the year the Mustangs
went undefeated, untied and to
the Rose Bowl—1935.
Jordan said "The way we
will work the distribution of
tickets is like this:
"Sections, of course, will be
set aside for students, for the
visiting team's followers, the
Mustang club, Lettermen execs,
and alumni.
"On August 1 for four days
we will take applications from
the general public for season
tickets and for single game tick-
ets. We'll work this the way the
Cotton Bowl tickets are handled,
keep the envelopes as received
until the four days are up, and
then start filling them on a
"first come, first serve basis."
So if you want to be in on the
ground floor, wait until 12:01
a. m. on Aug. 1 and then mail
your ticket request.

One fellow, though, took a
time-honored right. He wrote his
U. S. Senator to help him get
tickets. It didn't help.
"I was in Denver, Colo.,
and wanted 50 tickets,
one for each of the 48 states
and one for me. I came over
and see the game as
I am now. I am now
undergoing
management, will prob-
ably around 75,000 next
year, of course, is
disappointed. There
are seats for all.
The game has brought
number of requests
ever received at
Methodist. And this in-

25,000 Polish Jews Going to Palestine

WARSAW, Poland—AP—The
new state of Israel may get 25,
000 or more of the 100,000 Jews
in Poland sometime during 1949.
Jewish sources here estimate
that many want to go to Israel
and intend to leave as rapidly
as they can fulfill passport and
other requirements.

Approximately 5,000 Jews are
to leave Poland during the win-
ter months. Thousands of
others are expected to follow
as soon as they can wind up
their business affairs in this
country. The Polish government
consistently has followed a
liberal policy in granting pas-
ports to Jews desiring to leave
this country and who can show
they have the facilities and op-
portunity to go to Palestine.

Emigration, however, often
has been slowed down by res-
trictions on what money and
valuables Jews might take with
them upon leaving Poland. Jew-
ish authorities have been work-
ing with Polish government of-
ficials to obtain a relaxation of
such restrictions and thereby
speed up travel to Palestine.

Keith and Kenneth McLain
and Jock Gerard left Friday eve-
ning for Kentucky to get Leo
Guffy, called to the bedside of
his daughter, Mrs. R. C. Brown-
lee, seriously injured in a car
wreck May 6. The men returned
Monday morning.

Turner, sponsor and associated professor of range animal husbandry. Left to right, bottom row, are Bub Hull, Seminole and Charlie Hall, Iran. (AP Photo.)

BALKO News

Miss Geraldine Pugh

The Balko Outsiders baseball
team played Booker, May 1, at
Booker. Booker won.

The Balko Band went to Guy-
mon for the big celebration on
May 2. There were 35 bands
present.

The band went to Stillwater
May 6, to enter in the state con-
test.

The Balko girls trio rated ex-
cellent at Norman, Oklahoma
in the state contest.

The Balko high school boys
entered in the Bethany base-
ball tournament May 6-7. They
played Tyrone. The score was
1-0 in favor of Tyrone. It was
a very close game.

The Seniors are practicing on
their class play. They plan to
give May 19th. The name of it
is "Dizzy and Daffy". The char-
acters are: Dolores Claybrook,
Juanita Fish, Van Bartel, J. A.
Kinsey, Lucy Pearson, Patricia
Cornell, Mary Ann Penner, Nor-
man Enterline, Ouida Saunders
and Geraldine Pugh. It is a
three act comedy.

Jo Ann Neufeld visited with
Mr. and Mrs. Bob Meisner over
the week end while her folks
were in Stillwater for the band
concert.

The Balko Sunflower Club
meet in the home of Mrs. S. A.
Pugh for an all day meeting,
May 3. A covered dish luncheon
was served at noon. A very in-
teresting lesson was rendered
on a Family Life.

Mrs. Mahle Humphrey gave
the demonstration on book re-
view.

The Junior and Senior classes
are planning their trip to be
taken after school is out on May
28th. They plan to leave early
Saturday, May 29.

The high school students are
all working hard on fair pro-
jects to be taken to Beaver next
fall.

Mr. and Mrs. Leslie Beckwith
have moved back to the Balko

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: James M. Freeman, or if
Deceased, Then His Unknown
Heirs

GREETING: You are hereby
commanded to appear before the
District Court of Ochiltree Coun-
ty, Texas, in the Court House of
Ochiltree County, at Perryton,
Texas, at or before 10 o'clock, A.
M. of the first Monday after the
expiration of forty-two (42) days
from the date of issuance of this
citation, that is, at or before 10
o'clock A. M., on Monday, the
30th day of May, 1949, then and
there to answer the petition fil-
ed in said Court on the 16th day
of April, 1949, in a suit number-

ed 1077, on the docket of said
court, wherein LASSIE FREE-
MAN is Plaintiff, and the above
named parties to whom this ci-
tation is issued and directed are
defendants, the nature of which
suit is as follows:

Plaintiff alleges ownership of
that tract of land situated in
Ochiltree County, Texas, describ-
ed as follows:

Outlot Number Forty-Three
(43), of the Outlot Addition to
the town of Perryton Texas, as
same is shown upon the re-
corded plats of said town and
addition on file in the office of
the County Clerk of Ochiltree
County, Texas.

Such action is a suit in tres-
pass to try title brought by
plaintiff alleging both title and
possession of the land above de-
scribed, plaintiff alleging both
record title and title in herself
through peaceable, continuous
and adverse possession under

the ten (10) year Statute of Lim-
itations.

Plaintiff prays in said petition
for recovery of title and posses-
sion to and of the land above
specifically described, for costs of
suit and for further relief, gener-
al and special, at law or in
equity.

If this citation is not served
within ninety (90) days after
the date of its issuance, it shall
be returned unserved.

Issued this 16th day of April,
1949.

Sue Ragan, Clerk,
District Court of Ochiltree
County, Texas

Given under my hand and
seal of said court at office in
Perryton, Texas, this 16th day of
April, 1949.

Sue Ragan, Clerk,
District Court of Ochiltree
County, Texas.

Here's Comfort with a capital

"SEE"

Look at its clean and sweeping lines so un-
mistakably Buick—the room expressed
in its broad beam—the level-going smooth-
ness shown in its sizable length.
Now—slip in. Settle back. Take in the
spread-out room everywhere—even to extra
room overhead from super-soft seats that
cradle you deeper.
Then notice this: You can really see!
See more of everything easier—through its
higher and wider windshield set in narrower
corner posts—through its deep side win-
dows, and its one-piece rear window that
makes parking and backing up so much
simpler.
Your whole outlook is broadened and driv-
ing becomes safer and more fun because
high visibility here goes along with comfort.

Dynaflow Drive,* lively Fireball power, coil
springs all round, and big soft tires, and
extra-wide rims for comfort with safety.
And all at prices that make this beauty the
buy of the year!
See for yourself at the nearest Buick deal-
er's, where you will find your dollars buying
so much you'll get your order in fast.

BUICK alone has all these features
Silk-smooth DYNAFLOW DRIVE* • FULL-VIEW VISION from
enlarged glass area • SWING-EASY DOORS and easy access
"LIVING SPACE" INTERIORS with Deep-Cradle cushions • Buoyant-
riding QUADRIFLEX COIL SPRINGING • Lively FIREBALL STRAIGHT-
EIGHT POWER with SELF-SETTING VALVE LIFTERS plus HI-POSSIBLE
ENGINE MOUNTINGS • Cruiser-Line VENTIPORTS • Low-pressure
tires on SAFETY-RIDE RIMS • DUREX BEARINGS, main and con-
necting rods • BODY BY FISHER

THE TEXAS POLL Less Vacationing Is In Sight For Texans This Summer

By Joe Belden
Director, The Texas Poll
AUSTIN, Texas, May 7.—There is likely to be slightly less vacationing by Texas adults this year than in 1947.

A statewide survey by The Texas Poll indicates 34 per cent are planning vacations this year. A similar survey in 1947 found 42 per cent making plans for that year.

Galveston again ranks as the most popular resort in the state, while California continues to hold first place among the out-of-state vacation spots.

In the order of their popularity, as shown by the latest poll, here are the choice Texas resorts:

1. Galveston

SAFETY MAN'S SAFETY INVOLVED IN HIS ART—Caricaturist Jack Rosen likes to twitwit celebrities. Here are some of his 30-second creations and a view of the artist at right, waiting for Warren Austin's autograph while Robert Young, the railroad magnate, looks on. Rosen has made his living for years with this type of quick action drawing.

2. Davis Mountains and Big Bend
3. San Antonio
4. Lower Rio Grande Valley
5. Along the Gulf Coast
6. Corpus Christi
7. Hill country around Bandera, Kerrville, Fredericksburg and Llano
8. "At home"
9. Dallas, Houston (tied)
10. Austin

Most significant change since 1947 is that the Davis mountains and Big Bend country have moved up from eighth to second place. Otherwise, the relative standing remains substantially the same.

For Texans, the top out-of-state vacation spots are these:

1. California
2. Colorado
3. Florida
4. Mexico
5. New Mexico, New York (tied)
6. Washington state, Arkansas (tied)

In 1947, the top four were California, Colorado, New Mexico and Mexico. Florida placing third this year is the most important change.

The survey is based upon the following questions which were put to a statewide cross section of adults:

1. "If you could not go out-of-state, where in Texas would you like to spend a vacation?"
2. "Outside of Texas, what state or foreign country do you think is the best place for a vacation?"
3. "Are you planning a vacation this year?"

Among the lower income levels, only about one out of every four or five plans to take a vacation this year. Among the upper levels, the ratio is one out of every two.

YOUR VOTES AT WORK

by Gene Ehrlich

Members of the legislature are really trying to get the bulk of their work done before they adjourn for the year. Various estimates have been made and will continue to be made upon the probable date of adjournment. The general opinion is the legislature will adjourn in four weeks. Estimates range from May 26 until June 11.

A constitutional amendment concerning annual meetings of the legislature may go before the people this year. This amendment would provide annual meetings with an annual wage for the members. The legislature now meets every two years except when the governor calls special sessions.

The main argument for annual meetings seems to be the matter of appropriations. The legislature now has to appropriate for each two years and many members feel it is impossible to determine to a reasonable degree the amount to be appropriated for state functions two years from now.

Others feel a legislature paid

annual wage would be more attractive to men of greater maturity, more experience, better administrative ability and business ability.

The objection has been voiced that some legislators look at the sessions as only a part time job. Many feel it is a full time job and in order to have a really representative government doing a good job; full time members with an annual, reasonable working wage are essential.

House Bill 14 would give the State Auditors authority to audit the counties' books. Before the bill the State Auditor had no such authority. The county commissioners may request an audit of the books or action of the grand jury would call in the Auditor to the records.

Some confusion over this bill has resulted. Many counties publish annual financial statements but no penalty is on the books for non-publication of such a statement.

A new tax bill may be the result of appropriations made in this session of the legislature. Members are in doubt as to what kind of a tax to impose. Some members favor an increase in present taxes. Nothing is definite except the feeling that more money may be needed.

State Comptroller Bob Calvert made the statement: it would take almost a year to determine the total cost of the Gilmer

How Would You Say It?

Curley Lawson's cousin from back East and a few of us got talking when he was here visiting, and I couldn't help noticing how different he said things.

For instance, he said, "Lifting that 200-pound bag of cement almost killed me." "You mean sack of cement?" asks Curley. (That's the way we'd say it.) "No," interrupts young Elliott who'd spent a lot of time down South. "He means a 'poke of see-ment.'"

It was good for a chuckle, anyway. Bag, sack or poke—we knew

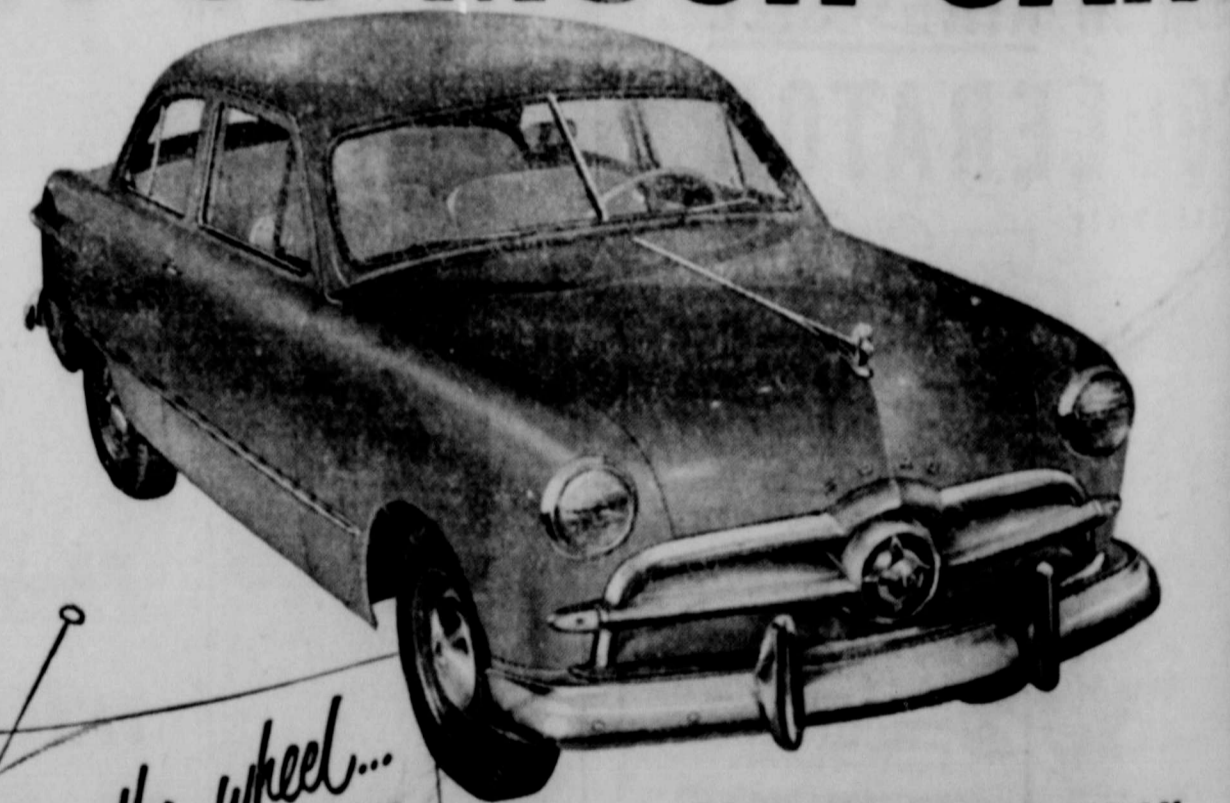

what he was trying to say. It just depends on where you are in the U. S., which way sounds right.

From where I sit, whenever we criticize someone for sounding funny to us, we ought to think how we sound to them. It's the same as choosing your liquid refreshment. I'm accustomed to a moderate glass of beer—you may like ginger ale—but who's to say the other's wrong? I'd say we're both right!

Joe Marsh

Pupils of Mrs. Hallie Veale Presented in Three Recitals

Mrs. Hallie Veale presented her pupils in recitals on the April 26, April 28 and April 29, the high school study.

The pupils of Mrs. Veale presented in three recitals on the April 26, April 28 and April 29, the high school study. The pupils presented in three recitals on the April 26, April 28 and April 29, the high school study.

Meal Planning Studied at Notia HD Club Meeting

"The problem of planning, preparing and serving three meals a day, 365 days a year, is one which all homemakers face. Meals that keep the family well and the children growing are the most important job the homemaker. The food that is served day after day plays a big part in making the family strong and in keeping each member healthy, happy and alert," stated Mrs. Mary W. Jones at the Notia Home Demonstration Club meeting Thursday afternoon in the home of Mrs. Lawrence Good.

The club voted to enter their community in the Farmer-Stockman contest and are asking the cooperation of each individual in the community. Lunch was served to Mesdames Etta Waggoner, Flora Callihan, Juanita Brownlee, Maureen Flathers, Betty Savage, Bertha Good and Mary Watson Jones. The club is invited to the home of Mrs. Daniels for the next meeting on May 21.

Beta Sigma Phi Honors Mothers With Breakfast

Honoring their mothers and other guests, the members of the two local chapters of Beta Sigma Phi sorority entertained with a breakfast, Sunday in the Harvest Room of the Perryton Hotel.

Jane Hudson, president, presided as toastmistress and Mrs. C. Sanford, honorary member, pronounced the invocation. Following a toast to the mothers by the president, each member was asked to introduce her guests. Miss Colleen Schell presented Edgar A. Guest's "Home" as a musical reading, accompanied by Miss Elaine Graves at the organ and Elaine played "Mother" as an organ solo.

Members present and their guests were Mrs. R. T. Correll, Mrs. Van St-wart, and Mrs. H. C. Sanford, honorary members, Jane Hudson, Mrs. C. B. Rogers, Mrs. F. C. Spencer, Mrs. J. L. Darrell, Peggy Thomas, Mrs. J. R. Thomas; Polly Holmes, Mrs. Roy Enfield; Margaret Hearn, Mrs. Emil Hearn; Doris and Carolyn Jines, Mrs. Sibley Jines; Carolyn Lowe, Mrs. A. J. Conley; Len Conley, Mrs. E. A. Lowe; Betty Shaeckford, Mrs. Ruby Moore; Janice LaMaster, Mrs. B. H. Sims; Coleta Bealmer; Jean Heubner; June Anderson; Colleen Schell, and Elaine Graves.

Officers of Wesleyan Service Guild Installed in Candlelight Ceremony

The Young Peoples Department of the Methodist Church was the setting for installation of officers in the Wesleyan Service Guild, Monday evening, May 9 at 7:30. Mrs. R. L. Kirk conducted the candlelight installation ceremony, which was very beautiful and inspirational. Mrs. Lloyd Morgan was installed as president; Mrs. C. W. King as vice-president; Mrs. Freeman Garrett as treasurer and Miss Anna Tevis as secretary.

Before the new officers began their duties, Mrs. Herman Meadows, outgoing president, conducted a business session to close the fiscal year. Mrs. Rufus Bolerjack, treasurer, gave the financial report. Pearl Teter, finance chairman, gave a report on the cake sale. Mrs. Leroy Hartman and Miss Edith Eggleston gave interesting reports on the Lubbock convention.

The group adjourned to the basement where refreshments were served to guests. Miss Isabel Herndon from Ft. Worth, and

TO BE MARRIED MAY 21—Mr. and Mrs. Warren Gum have announced the engagement and approaching marriage of their daughter, Goldie Marie, to Ben Hardy, son of Mr. and Mrs. Willis Hardy. The wedding will take place on Saturday, May 21, in the Willis Hardy home.

Home Menu Quite Vital, Ochiltree HD Club Learns

"There are over fifteen minerals essential in your diet," stated Mrs. Mary W. Jones at the meeting of the Ochiltree Club, held Friday in the home of Mrs. Oscar Blank.

"These minerals build the muscles, bones and cells of the body," further stated Mrs. Jones in pointing out the necessity for careful planning of a family's menu.

A film on nutrition will be shown to the club on May 19.

At the close of the meeting, refreshments were served to Mesdames Mary W. Jones, Bob Drake, N. R. Hutton, Kirt Williams, Delbert Davis, Robert Thurman, Jack Dodson, Ancil McClung and the hostess.

The next meeting will be with Mrs. Kirt Williams on May 20. Visitors are always welcome.

Young Matrons Meet Thursday At Boatman's

The Young Matrons Missionary Society of the Christian church met Thursday in the home of Mrs. Charles Boatman. Mrs. Leland Wilson was program chairman and Mrs. Robert Earl Bowles had the devotional service.

Members present were Mesdames Robert Bowles, Alec Wilton, Max Herman Clark, Leland Wilson, Joe Cox and Charles Boatman.

Mrs. Frank Cunningham and Miss Rozelle Vaughn were guests.

Use the Want Ads. They pay!

Rileys Entertain On Mother's Day

Mr. and Mrs. Debs Riley were hosts at a Mother's Day dinner last Sunday.

The dinner table was centered with pink carnations.

Mrs. Edna Watson was honor guest. Others present were Mr. and Mrs. Jim Anderson, Jimmy and Judy, Mrs. Furman Williams and Nancy of Canadian, the hosts and their family.

Dinner-Bridge Parties Highlight Of Social Week

Hostesses at a series of parties last week were Mrs. Dean McCutcheon, Mrs. Jerome Woods, Mrs. Gordon Shackelford, and Mrs. O. C. Watson. They entertained their friends Thursday and Friday evenings with seven o'clock dinner-bridge and on Saturday with a one o'clock bridge luncheon.

The parties were in the O. C. Watson home, 1201 South Baylor street.

The entertaining rooms were beautifully decorated with arrangements of spring flowers. Each of the quartet tables was centered with pansies in crystal bowls.

At the Thursday evening party, first and second prizes were won by Mrs. Roy Sanford and Mrs. Malcolm Bealmer. Miss Polly Holmes won the traveling prize.

First and second prizes on Friday evening went to Mrs. Cecil Dodd and Mrs. G. W. Acker. The traveling prize was won by Mrs. A. B. Hankins.

At the Saturday afternoon party, Mrs. Jack Allen held high score and Mrs. A. V. Goff held second high. Mrs. Dwight Sims won the traveling prize.

Invited guests for the occasions were Mesdames G. W. Acker, Claude Allen, Jack Allen, Vance Apple, Malcolm Bealmer, Aldon Bell, Clifton Bell, R. E. Bell, H. C. Brillhart, Dean Blank, H. J. Boisdorf, John Bolin.

Alton Boxwell, Max Boyer, J. H. Brashears, Gene Brillhart, Virgil Castle, Bill Caylor, George Clennan, Virb Conley, Dean Conner, Ray Chase, Cecil Dodd, Miles Edwards, Carl Ellis, Drew Ellis, Joe Erickson, Bob Eubanks, Oscar Flowers, Beth Fuelscher, C. W. Foote, Charles Garrett.

A. V. Goff, A. B. Hankins, Herman Hargrove, Harlan Hawk, Irvin Hergert, Joy Hergert, F. L. Gerard, W. C. Herndon, W. L. Herndon, L. C. Hartman, A. R. Hoghland, John Holland, Harold Hudson, A. J. Kelly, Sidney Jines, G. L. Kenzie, Giltner LaMaster, H. J. Lemaster, W. B. LaMaster.

Engagement of Mary Tom Kirk Is Announced

Rev. and Mrs. R. Luther Kirk announce the engagement and approaching marriage of their daughter, Mary Tom, to Wendell Morris Tooley, son of Mr. and Mrs. A. W. Tooley, Kress, Texas.

Both are students at McMurry College, and will graduate this summer.

The wedding will be solemnized in the rock garden at McMurry College, Abilene, Texas, on the evening of May 23.

May Meeting Of Busy Ladies Held In Lance Home

The lovely new home of Mrs. L. H. Lance was the scene for the May meeting of the Busy Ladies' Class of the Methodist church. Mrs. R. D. Stephenson, president, was in charge.

After two songs, "Jesus Is All the World to Me," and "Love Lifted Me," a number of business matters were discussed.

Mrs. C. A. Zirkle reported on the organ fund and Mrs. G. M. Cooper gave her report on the support of the "class boy," James Wallace of the Methodist Home at Waco.

At the close of the business session, a short program was rendered. The devotional and prayer was brought by Mrs. H. W. Ragan and Mrs. Luther Kirk gave a beautiful reading, "The Hill Road."

Mrs. Lance led a quiz from the April Adult Student, followed by a song, "I Need Jesus." Mrs. Sharp gave the closing prayer.

Delicious refreshments were served by the hostess and her assistants, Mrs. Luther Kirk and Mrs. J. H. Sharp, to the following members: Mesdames G. M. Cooper, J. H. Neufeld, R. D. Stephenson, H. W. Ragan, C. A. Zirkle, S. S. Malfett, O. T. Glasgow, John Sell, Anna F. Wilson, Lela Seago, Anna Budock, Nancy Goodman and Annie E. Rogers.

Kansas Guests Honored at Monday Picnic

Mrs. G. W. Acker and Mrs. Carl Ellis were hostesses at a picnic at the Acker home, 618 South Fordham, on Monday evening.

Honor guests were Captain and Mrs. Darwin Gerard and Mrs. Mable Gerard of Lawrence, Kansas.

Those enjoying the evening were Mr. and Mrs. G. W. Acker, Barry and Ann, Mrs. Carl Ellis, Donald Ellis, Stacy, Carl and Linda Ellis, Mr. and Mrs. F. L. Gerard, and the honor guests.

ENGAGEMENT ANNOUNCED—Mr. and Mrs. R. F. Vaughn of Gray announce the engagement and approaching marriage of their daughter, Rozelle, to Maurice Wilson, son of Mr. and Mrs. A. K. Wilson of Perryton. The couple will be married on June 12 at the First Christian church. Both graduated from Perryton high school with the class of 1948.

Mrs. Schroeder Is May Queen at Baptist Party

The Euzelian Class of the First Baptist Church held the first annual May Party on Tuesday evening, May 3, with a buffet dinner and selection of Mrs. Edward Schroeder as May Queen as highlights of the occasion.

Guests met in the church parlor, where secret ballots were cast for the May Queen on points of merit. Mrs. Ray Halsey was in charge of the ballot box.

Dinner was served buffet style in the church dining room. The banquet tables were laid with white cloths and decorated with May poles wound in the class colors of gold and purple, with streamers of the same colors.

Small milk glass baskets filled with pansies were used on the side tables. The speakers' table was decorated with a pottery basket and two matching cornucopias filled with tulips and bridal wreath. At each place, miniature May poles on plate cards were used as favors.

Through the room iris, tulips and bridal wreath were used in vases in each window. Flor baskets were filled with lilacs.

The invocation was pronounced by Rev. O. C. Curtis. Special guests were introduced by the toastmistress, Mrs. Reese Nowlin.

Following the dinner, Mrs. Ed Fike, teacher, announced the May Queen and presented Mrs. Schroeder with a coronet of orchid and gold daisies as the first annual May Queen. Mrs. Schroeder is also president of the class.

Corsages of orchid and gold carnations were worn by Mrs. Nowlin and Mrs. Fike as gifts of the class.

For the entertainment of the Queen, guests and children, Art Evans and Cy King of Gruver presented their program as amateur magicians.

Other guests were Mrs. Evans and Mrs. King of Gruver, also Rev. and Mrs. O. C. Curtis, Mrs. Staley Key, Dr. and Mrs. Reese Nowlin, Mr. and Mrs. C. H. Williams, Ed Fike, Corwin Padgett, Roscoe Nelson, Bob Kile, Dwight Drake, Perry Bostick, V. Smith.

Quick-Russell Vows Exchanged in Lubbock

Mrs. Audrey Quick has announced the marriage of her daughter, Betty Jean, to W. L. Russell, son of Mr. and Mrs. G. W. Russell of Slaton, Texas. Vows were exchanged on Saturday, April 9, in the church parlors of the First Methodist church in Lubbock, with Rev. H. I. Robinson officiating.

It was a single ring ceremony. The bride attended the Perryton schools, graduating with the class of 1946. She attended Draughn's Business College in Lubbock, and was employed with the Southwest Associated Telephone Co. for two years. She moved to Dallas about three months ago when the telephone company moved their headquarters.

Mr. Russell attended the Slaton schools, and served with the 11th Airborne Division during World War II. He is employed by the Zermac Battery Co. in Lubbock.

They are at home at 1303 26th street, Lubbock.

Dinner Bridge Club Meets In LaMaster Home

Mr. and Mrs. Giltner LaMaster were hosts for their dinner club Saturday evening.

After dinner, bridge was played, and Mr. and Mrs. Alton Boxwell won high score.

Mr. and Mrs. W. R. Slaton of Albuquerque, N. M., were guests.

Others enjoying the evening were Mr. and Mrs. James McGregor, Dr. and Mrs. Roy Sanford, Mr. and Mrs. Clifton Bell, Mr. and Mrs. Boxwell, the host and hostess.

Mr. and Mrs. Hadley Reeve, Floyd Scott and Sharon of Friona visited Sunday and Monday with her sisters, Miss Marie Pineckley and Mrs. Lloyd Morgan.

er, Kenneth McLain, Ray Halsey, and Mr. and Mrs. Roy Stallings, Harry Reimer, Edward Schroeder.

Mr. and Mrs. George Goode of Booker Observe Golden Wedding Anniversary

Mr. and Mrs. George Goode of Booker celebrated their Golden Wedding anniversary on Sunday, May 1, at their home with an open house for their neighbors and friends.

The table was laid with a lace tablecloth and centered with an arrangement of yellow roses and yellow carnations. White candles in crystal candelabra and the three-tiered angel food cake, trimmed in white with yellow roses, completed the table decorations.

Mrs. Goode cut the first piece of cake, then her three granddaughters, Mrs. Howard Tilton, Booker, Mrs. Leland Wilson and Miss Marianna McGibbon of Perryton, served the punch to the guests.

The guest book was taken care of by a close friend, Mrs. Charley Marshall. One hundred guests were registered at the closing hour.

Mr. and Mrs. Goode both were born in Carroll county, Missouri, and were married there. They

made their home in Missouri until 1917, then moved to Beaver county and have made their home in this area since that time.

They have two daughters, Mrs. Warren Marshall of Booker, and Mrs. Glen McGibbon of Perryton. There are also six grand-children. Mrs. Howard Tilton, Booker, Mrs. Leland Wilson, Perryton, Marianna and Glenda McGibbon, Perryton, Roger and DeWayne Marshall, Booker, and one little great-grand daughter, Linda Louise Tilton of Booker. Pictures were taken of the family group at this Golden Wedding anniversary.

Some of the out-of-town relatives present were Mr. and Mrs. Claud Bowles, Shattuck; Mr. and Mrs. Gilbert Bowles, Arnett, Oklahoma; Frank McCarter, Shattuck; Mr. and Mrs. Bill McCarter, Gray.

Mr. and Mrs. Goode received many nice gifts.

Society Continued on Page 2

DURABLE GLAMOR... The two diaphanous evening gowns above are made of white marquisette treated with the new "sheersel" finish, which keeps the fabric fresh and crisp, impervious to dampness. The dress at left is trimmed with black soutache braid, the one at right in black lace. Both by Fred Perleberg.

Mrs. Ragsdale Is Hostess to Club

The U-Deal 'Em bridge club met Wed. in the home of Mrs. Clyce Ragsdale, 1109 South Colgate, Mrs. Keith Bray won high score for the afternoon and Mrs. H. C. Brillhart, Jr., was low.

Refreshments were served to Mesdames Keith Bray, Miles Sumpter, Skippy Redenius, Don Eudy, Elton Symons, Roy Leatherman, Charles Price, and Mrs. H. C. Brillhart, Jr.

Spending Mother's Day with their mother and grandmother, Mrs. Myrtle Collingsworth, were Mr. and Mrs. Tom Collingsworth and family of Hardesty, Oklahoma, Mr. and Mrs. Tip-Top Collingsworth and family, Mr. and Mrs. Bernard Wray.

Mothers Honored At Dinner In Ragsdale Home

Mr. and Mrs. Clyce Ragsdale honored their mothers on Sunday with a dinner.

Covers were laid for Mr. and Mrs. Harry Barlow, Mr. and Mrs. Clint Ragsdale, the host and hostess.

Later in the afternoon, Mr. and Mrs. Russell Revis and Marcela Dodson called.

Mrs. Vance Apple Entertains Club

Mrs. Vance Apple was hostess to the Friday Club on May 6. High score was won by Mrs. Max Boyer.

Refreshments were served to Mesdames G. W. Acker, Harlan Hawk, W. C. Herndon, H. C. Brillhart, Max Boyer, LaRue Norris, W. L. McConnell and the hostess.

Ranger Band Club Entertains With Pot Luck Supper

The Ranger Band Club met Monday night in the school cafeteria for a pot luck supper for members of the fifth grade, junior high and senior high bands, and their parents.

Hostesses were Mesdames Horace Hall, Mrs. Malcolm Bealnear, Mrs. Dean McLarty, Mrs. Darwin Barnes and Mrs. C. L. Schell.

A short business session was held after the supper, and new officers of the organization were elected. Mrs. Lonnie Sultor was reelected president, Mrs. B. C. Jones was elected vice president, Mrs. Alton Witt secretary treasurer, and Mrs. J. B. Woods, reporter.

Approximately 100 persons attended the affair.

The next meeting of the Ranger Band Club will be held after the 1949-50 school term begins in September.

Exemplar Ritual Of Xi Lambda Held Tuesday

Xi Lambda chapter of Beta Sigma Phi held their Exemplar Ritual on Tuesday night, May 10, in the home of Viola Miller, 1118 S. Baylor.

The Exemplar degree was conferred upon Helen McGregor and Janice LaMagter in a candlelight ceremony.

Beth Fuelscher read the ritual. The ritual table was draped with a white satin ritual cloth. The centerpiece was of yellow roses, flanked by white candles in crystal holders.

After the ritual was read, next year's officers were installed. The new officers are Marguerita Shollenbarger, president; Retha Nies, secretary; and Eulene Brillhart, treasurer.

Refreshments were served to Mrs. R. T. Correll, honorary member, Helen McGregor, Janice LaMagter, Edna Lance, Jean Blank, Opa Archer, Retha Nies, Lorene Richardson, Juanita Brillhart, Violet Hergert, Eulene Brillhart, Beth Fuelscher, Mable Halsey, Marguerite Schollenbarger, Leona Headlee, Pauline Woodward and the hostess.

Dinner Observes Mother's Day In Spencer Home

Mrs. F. C. Spencer and Grace entertained with a Mother's Day dinner Sunday.

Covers were laid for Mr. and Mrs. Robert Thurman, Cavita, Rollin and Danny, Mr. and Mrs. DuWayne Thurman, Mr. and Mrs. J. L. Darnell and Joyce, Amarillo, Mr. and Mrs. Glen Tindie, Kate and Joyce, Stinnett, Mrs. Spencer and Grace.

Council of Church Women Hear Amarillo Guest

The Perryton Council of Church Women enjoyed an interesting talk by Mrs. T. W. Whigham of Amarillo at the meeting held Friday in the Methodist church. Mrs. Whigham's subject was "Freedom's Foundation: The Christian Home."

The opening prayer was by Mrs. Jim Sharp of the Methodist church.

An explanation of the proposed merger of the United Council of Church Women in the National Council of Churches of Christ was made by Mrs. A. R. Turner, president. An opinion vote was taken and three were for and 27 against the merger.

A freight bill for shipping shoes to Church World Service for overseas relief was paid.

Mrs. Neal Thompson led the devotional.

A trio composed of Mrs. Garland Dale, Mrs. Rufus Bolerjack and Miss Moira Caldwell sang "No One Ever Cared for Me Like Jesus."

The meeting closed with a prayer by Mrs. Stanly Key.

A social hour was enjoyed with refreshments served by the ladies of the Methodist church to Mesdames T. W. Whigham of Amarillo, A. R. Turner, C. C. Carter, J. A. Jones, Stanly Key, John Richardson, Don Shockley, J. D. Copeland, Mark Burton, C. B. Barber, C. B. Rogers, Clifford Beck, Debs Riley, Holly Palmer, A. P. McElvey, H. P. Ragan, Neal Thompson, A. K. Wilson.

Mrs. Paul Tucker Shower Honoree In Schweitzer Home

Mrs. Paul Tucker, who until her recent marriage was Miss Lenetta Elizabeth Hulcy, was honored with a shower-tea last Thursday afternoon in the home of Mrs. Ray Sweitzer. Mrs. Rufus Bolerjack was co-hostess.

Mrs. Tucker wore a corsage of pink carnations presented by the hostesses. Members of the house party also wore pink carnation corsages.

Mrs. Peggy Lennox registered the guests and Mrs. Kenneth Sweitzer assisted with the gifts.

The serving table, covered with a lace cloth, was appointed with crystal centered with an arrangement of pink carnations and spirea. White tapers in crystal holders completed the table decoration.

Mrs. John Hulcy, mother of the honoree, and Mrs. Edith Tucker served punch, cookies and mints throughout the afternoon.

Approximately fifty guests called during the afternoon.

Garden Club to Sponsor Flower Arranging School

Inez Adrian Hamilton, a true artist with flowers and a capable and interesting speaker on the subject, is to be presented in Perryton by the Garden Club, next Tuesday, May 17. Mrs. Hamilton will teach a flower arranging school. Classes are scheduled to begin at 9:30 o'clock, in the Fellowship Hall of the Methodist Church.

As the class is limited to 25 only Garden club members will be enrolled. Those enrolling are asked to bring their own floral material and foliage: 3 containers, a vase, a tray type container, and a bowl; needle point holders, also bird cage and chicken wire type holders if desired; scissors; note book and pencil.

Mrs. Hamilton is rated as a National Flower Show judge, and for the past five years she has been in great demand, both as a teacher and lecturer. The Perryton Garden Club feels that they are indeed fortunate to secure her services, and they urge that all members be at the Methodist Church promptly at 9:30 Tuesday morning.

Bill Dodd, Bell Truax, Elizabeth Fuelscher and Alfred Pittman.

Gunter Circle Meets With Mrs. Oscar Flowers

The Gunter Circle of the Baptist church met May 3 in the home of Mrs. Oscar Flowers with 12 members and two visitors present.

The meeting opened with prayer by Mrs. George Parker, and Mrs. J. R. Thomas had charge of the Benevolence program.

Mrs. J. A. Jones gave the devotional, using as her subject, "Our Baptist Hospitals." Mrs. Norman Follis, Mrs. Thomas and Mrs. Stanley Key had parts on the program.

A special number was sung by Donita Gunter and Glenda Foster, with Mrs. Oscar Flowers at the organ.

Mrs. Flowers gave a report on a needy girl from Wayland College, and an offering of \$16.50 was made and sent to her.

The meeting closed with prayer by Mrs. Key and delicious refreshments were served by the hostess to Mesdames J. R. Gunter, Andy Revious, Melvin Wilson, Irvin Lilly, George Parker, J. A. Jones, J. L. Flowers, Stanly Key, Norman Follis, Judy and Jane, J. R. Thomas, A. L. Schnell, Mrs. Foster and Glenda and the hostess.

Teen-Age Party, Dance Held Friday In Harvester Room

The Harvester Room of the Perryton Hotel was the setting Friday night for a teen-age party and dance, with the hostess duties shared by Misses O'Leen Yates, Connie Kershaw and Co'Leen Yates.

Between the hours of 8 p. m. and 12 midnight, the guests, enjoyed dancing and record playing. "Noise-making" toys were given as favors.

During the evening, punch was served from a lace covered table and at a late hour, cookies, sandwiches and nuts were served.

Snowballs, tied with red ribbons, were presented each guest upon arrival.

The invitation list included Bettye Hall, Beverly Hale, Carolyn Malone, Dannie Mize, Joan Sims, Tily Unruh, Kathryn Isenhour, Diane Gerard, Jolene Wright, Rita Smith, Nancy Dodd, Patsy O'dell, Evonne Bruner, Barbara Bruner, Betty Piersall, Jean Plummer.

Sonny Schnell, Earl Olmstead, Delbert Trew, Bill Melvin, R. E. Waide, Jimmy Witt, Jimmy Nelson, Dean Maberry, Ed Melvin, Dean Morgan, John Taylor, Du-

'Good Luck' Is Theme of Annual Junior-Senior Banquet Monday

DARROUZETT — "Good Luck" was the theme for the annual Darrouzett High School Junior-Senior banquet held Monday evening in the high school gymnasium.

A huge rainbow was erected across the gymnasium under which the classes and their guests entered.

A cleverly lighted pot of gold was placed at each end of the rainbow. A picket fence with bridal wreaths and climbing red roses was placed beneath the giant vari-colored rainbow. A silver horseshoe adorned the curtain behind the banquet tables further carrying out the good luck theme. Soft candle light at the banquet tables added to the festive atmosphere.

Following the banquet musical selections were provided by Don Travis and Leonard Hood. Ione Born gave a short monologue, "Merrythought".

The senior's futures were foretold by wishes drawn from an old wishing well. The wishes were read by Lorene Miller and Joan Robins.

Twelve members of the sophomore class served at the tables and women of the Methodist church prepared the banquet.

Attending were Irvin Born, Jimmie Laurie, Wendell Altmiller, Betty Jane Ford, Leroy Schoenhals, Edith Haines, James Pendergraft, Fern Hennigh, Shirley Smith, Betty Jo Hill, Edward Born, Peggie Travis, Ronald Davis, Eileen Boston, Mrs. Ray Hennigh, Mr. and Mrs. A. G. Wat-

son, Mr. and Mrs. E. A. Herber, Mr. and Mrs. Robert L. Green, Mr. and Mrs. Glen Phillips, Mr. Henry J. Meier, Mr. Alex Meier, Mr. Alfred Fausset, Mr. Russell Gilger, Don Travis, Leonard Hood, Mr. G. A. Jenkins, and the junior class—Helmut Doebel, John Robins, J. P. Rogers, Joe Travis, Ione Born, Douglas Teter, Everett Hill, Lorene Miller, Mervin Schneider, Fern Smith, Joe Burton, Van Cope, and L. E. Chappell.

Sharon Phillips Wins Darrouzett Amateur Contest

DARROUZETT—Twenty contestants waged a terrific battle of wit, music, song and drama for the cash prizes offered by the Kiowa Post of the American Legion at an amateur show held here Tuesday evening in the American Legion hut.

The show opened as the entire assembly stood and joined in the singing of "America", with Don Travis, World War II veteran, as master of ceremonies.

First prize in the amateur contest was awarded to little Miss Sharon Phillips, daughter of Mr. and Mrs. C. T. Phillips, who recited "The Disobedient Rooster". Second prize was awarded to Sherry Beth Jackson for her recitation of "Punishing Little Mary." Third prize went to Joyce Rogers, who sang "Cruising Down the River." The seventh grade English class presented a one act play "A Group of Keys", under the direction of Mrs. Bob Green.

A public address system was furnished by the Perryton Chamber of Commerce with Lee Little, secretary, in charge.

Judges for the show, which was presented to a capacity crowd, were Mrs. Frank Peterson, Harold Tennant, and Lee Little.

Mrs. A. F. Loftin and A. A. Sanders of Estelline, Texas and Mr. and Mrs. Fred Holt of Spearman visited with Mr. and Mrs. Paul Loftin, Friday.

Use the Want Ads They pay!

DARROUZETT ATHLETES—Wendell Altmiller, left, and James Pendergraft, right, have received invitations to play in all-star games during the Texas Six-Man Football Coaches school to be held in Big Spring in August. Pendergraft will represent Darrouzett in the all-star six-man football competition, and Altmiller will play basketball at the school.

Darrouzett High Nine Wins 5-0 Over Canadian Friday

After battling through six scoreless innings, the Darrouzett Longhorns were able to edge the Canadian Wildcats 5-0 in their final baseball game of the 1949 season.

Canadian's Hernandez was handling the batters with ease until the first of the seventh when he was nicked for six hits and five runs. A no-hitter for Rogers, hurler for Darrouzett, was spoiled in the last of the seventh when Fry popped one high in the infield that fell unattempted. Both clubs were excellent on defense. Only one bobbie was charged to Darrouzett when Rogers missed first in an attempt to retire a runner who had reached the base by virtue of a walk. The north half of District 2 is still knotted and had not been settled when officials conferred on Wednesday.

Methodist Corner Stone Ceremony Set for Sunday

DARROUZETT — The corner stone of the new Methodist Church building will be laid at a special service at 3 p. m. Sunday, the Rev. C. T. Jackson, pastor, has announced.

THE RIGHT COLD FOR EVERY NEED

Below-freezing cold for frozen foods, ice and ice cream

Near-freezing cold for fresh meats

Normal cold for general storage

Ultra-moist cold for fresh vegetables

SAVES in a new ELECTRIC refrigerator

Different kinds of food require different kinds of cold for proper preservation.

The new 1949 ELECTRIC refrigerators provide the right kind of cold for every food storage need—from extra-moist cold for vegetables to below-freezing cold for frozen foods.

And, of course, being ELECTRIC, they provide ample reserve power for the hottest summer weather, plus low cost of operation that's figured in pennies per day.

COMMUNITY PUBLIC SERVICE COMPANY

Darrouzett Short Items

Mr. and Mrs. Carson Altmiller and Mrs. Merle Cross went to Enid, Oklahoma last week on business concerning the Co-operative Association of Darrouzett.

Mrs. George Herber was honored on Mothers' Day by the presence of her children and grandchildren; Mr. and Mrs. J. R. Barnes and Nancy, Mr. and Mrs. E. A. Herber, Janice and Gail, Mr. and Mrs. Harry Herber and Marsha Kay, Mr. and Mrs. J. D. Hancock, and Lee and Gary Herber.

Dinner guests in the home of Mr. and Mrs. William Terrell on Sunday were Mr. and Mrs. Frank T. Peterson and Mr. E. W. Boyer.

Little Miss Marsha Kay Herber has returned from Oklahoma City where her parents, Mr. and Mrs. Harry Kerber took her for medical treatment and surgery. Her friends will be glad to know that she is recovering nicely.

Mrs. Arda Smith returned from Oklahoma City last week where she received medical treatment.

Rev. C. T. Jackson, Methodist pastor was taken to the Sanford Hospital at Perryton at noon Friday where he received medical treatment. He was released Saturday. He is recuperating at his home in Darrouzett.

Mr. and Mrs. Howard Andrick honored Mrs. Andrick's mother, Mrs. L. M. Kerns by their presence in her home in the Sunset Community north of Darrouzett.

Miss Fern Smith, junior student in Darrouzett High School, who was awarded first place in declamation in the Interscholastic League in district and regional meets, was taken to Austin last week by Mr. and Mrs. Glenn Phillips and Wade, and her mother, Mrs. Newman Smith. She entered state contests at Austin. While in the southern part of the state the party visited points of interest and reported a most interesting trip.

Rev. C. T. Jackson will deliver the Baccalaureate address for both high school and grade school graduates Sunday at 11 a. m. at the high school gymnasium.

Mr. A. C. Teter, high school principal, is in charge of the program, and Mrs. E. B. Burton will be in charge of the music. G. A. Jenkins, county judge and ex-officio superintendent of Lipscomb county schools, will give the invocation.

Mr. and Mrs. Louis Schnell and son, James Allen, of Spearman, were Sunday evening visitors in the home of Mr. and Mrs. A. L. Schnell.

"Your Best Way To Save"

Jimmy Looks Like Any 11-Year-Old, But He Has Leprosy; The Rest of His Family, Too

By Frank Carey

Science Reporter
 CARVILLE, La., (AP)—Eleven-year-old Jimmy is nonchalantly chewing a wad of bubble gum. He's wearing a yellow-checked sport blouse. His hair is neatly combed, and he is grinning a friendly grin.
 He looks like any number of kids you'd see in your neighborhood. But he isn't. Jimmy has leprosy.

So have his father, his mother, his grandparents and his two older brothers. They are all to-
 gether at the U. S. Marine Hospital—the National Leprosarium conducted by the Public Health Service.
 They are all under treatment for a disease of the skin and nerves which, authorities say, is not necessary disfiguring, is not incurable, and is less communicable than tuberculosis.
 Leprosy—it's called "Hansen's Disease" here where there is a campaign against use of the words "leper" and "leprosy"—has two forms:
 1. A skin type. As the disease

advances the skin thickens around the forehead, eyebrows, ears, cheeks and nose. In the most advanced cases the face takes on a lion-like expression.
 2. A "nerve" type. The disease attacks the nerve structure while at the same time discoloring, but not raising, patches of skin. Affected areas become powerless to feel heat, cold or pain. The face, with its muscles weakened, assumes a make-like expression. Blindness may develop.
 Fewer than 100 patients are

GIRAFFES WITH CIRCUS—These giraffes and the midget clown will be in Perryton on Thursday, May 20, when the Al G. Kelly-Miller Bros. Circus comes to town for a one-day stand. The circus boasts this year of having the second largest herd of performing elephants in America, and the most varied selection of wild animals ever with any circus.

GIRL, GRAVELY ILL, ENJOYS WATERMELON—Wanda Jean Fields, 15, Sweetwater, Texas, girl gravely ill with cancer, enjoys a piece of watermelon flown here especially for her from Houston. "I've wanted watermelon so bad, I've been fasting it for two weeks she said as she bit into the luscious piece of melon. (AP Photo)

bed-ridden here, and of the hospitals total 400 patients doctors say, many have no outward signs of the disease.
 One bedridden patient is a young man—a nerve-type case—who periodically suffers such excruciating pain that even drugs like morphine can not completely relieve him. Another is a woman who at times has fever ranging up to 106 degrees.
 Other patients have some skin blemishes, ulcers or lumps. A

few showed marked disfigurement, and one man is going blind. But the doctors say all have shown improvement under treatment with "sulfone" drugs, the latest and most promising weapons against the disease. Carville has been discharging more and more patients with the disease "arrested" each year since the sulfones came in.
 Jimmy and his family are examples of what one doctor here calls "the real public health problem" in leprosy—and instance of the disease going through an entire household before any member of the family was brought under treatment. It is the general opinion of experts that children are born free of the disease.
 However, it is not common for the disease to go through the entire family. It is the exception rather than the rule.
 The Public Health Service has launched a new program designed to meet this and related problems, says Dr. F. A. Johansen, medical director of the hospital.
 It is a plan under which the service, instead of attempting to confine all patients in Carville, would attempt to establish diagnostic and treatment centers in each of the four states where the disease is prevalent—Louisiana, Florida, Texas and California. The plan has already been launched on a limited, experimental basis.
 Johansen says extensive trial of the plan would require training of large numbers of workers and funds from congress.
 "The philosophy behind the idea is this:
 "Undetected persons who know, or suspect, that they have leprosy will be encouraged to seek treatment voluntarily if they know that leprosy is being approached like any other public health problem.
 With the plan, Johansen says, must go an intensified educational program "to change public opinion in regard to Hansen's disease."
 "It is not an easy job to change notions that have gone unchallenged for thousands of years," he says, "but the success we have had so far is of great encouragement to us."
 Mrs. Billy Wilson and Mrs. Walter Hiatt, west of Beaver, were Perryton shoppers, Friday of last week.

THE CIRCUS IS COMING—The Al G. Kelly-Miller Bros. Circus, first big circus to visit Perryton in 12 years, will be in Perryton on Thursday, May 20, and will give both an afternoon and evening performance. Above is shown one of the many beautiful horse-drawn animal dens that will bring this second largest wild animal circus in America.

THEY'LL RIDE ANYTHING IN TEXAS—James Brillhart, farmer-stockman living 17 miles northeast of Spearman, raised and trained this 3-year-old buffalo to a saddle and to haul a cart. He calls it "Sioux City Sue." (AP Photo)

Hornflies, Ticks Prevalent This Time of Year

COLLEGE STATION — Hornflies and Lone Star ticks are a couple of pests Texas stockmen ought to be on the lookout for, warns James A. Deer, assistant extension entomologist of Texas A. & M. College.

Both are showing up on the cattle along about this time of the year, Deer says, and both of them should be controlled in order to keep up beef and milk production. Insects keep cattle in a nervous condition and often cause wounds that come infested with screw worms.

The most effective control for hornflies is DDT. Animals sprayed or dipped with eight pounds of 50 percent DDT wettable powder in 100 gallons of water will be protected from hornflies for a least 10 to 15 days. Two or three treatments of DDT in the spring and early summer and one more in the fall usually kills the hornflies for a year.

Dipping or spraying at two week intervals will put a stop to the Lone Star tick. Control should be started in the spring as soon as the ticks are found and continued until no more are seen, Deer says. A combination of BHC and DDT is recommended for tick control. The same amount of DDT is used here as in the hornfly remedy. Mix this with four pounds of 5 percent wettable gamma BHC in 100 gallons of water. Mix the chemicals first in a small amount of water, then add this mixture to the spray tank or dipping vat.

But whether you're chasing away the hornflies or getting rid of ticks, Deer reminds the cattle owners not to use DDT on dairy cows nor beef cattle that will be slaughtered within 30 days.

Livestock will be better producers if they don't have to fight off flies and ticks.

Meet Your Postman—9

New Postmaster, Irvin Hergert, Came South to Perryton On Opening Day; Never Left Home

IRVIN HERGERT Heeded Advice of Horace Greeley

Irvin Lee Hergert, who recently assumed the duties of postmaster, moved to Perryton with out leaving his former home— he rode in the house which his parents, Mr. and Mrs. Sam Hergert, moved from Gray, Oklahoma to the new city of Perryton in 1919.

The postmaster attended Perryton schools and was graduated with the class of 1930. He won letters in basketball and tennis in 1928, 1929, and 1930. After graduating from high school here, he entered the University of New Mexico where he attended one semester before his academic career was interrupted when a group of Perryton boys came through Albuquerque en route to California.

where he administered first aid and later secured medical attention for them. Hergert participated in the Ardennes, Central Europe, and Rhineland campaigns, and after the war in Europe he remained in Germany with the occupation forces until December of 1945 serving as battalion sergeant-major. The postmaster and Mrs. Hergert, the former Helen Buckland, live at 510 Amherst street. Before assuming his duties as postmaster, Hergert was associated with the Plainview Hardware here.

NOTICE People having graneries on my property are urged to remove them. I have sold this property and wish to give possession. T. O. PATTON

GOOD LUCK TO THE GRADS of '49 You're at the Peak... Your Graduation Is A Mountain-top Experience. Take a deep breath and realize that you're receiving The World's Good Wishes and a World of Opportunities —We Telegraph Flowers Anywhere— Boxwell Bros. Flower Shop Perryton — Spearman Phone 335

Never Before in the History of the World Was Education So Badly Needed A boy or girl without an education in these days and times is like a "ship without a rudder"—"a plane without a pilot" or even like your Equity without grain. And it does our heart good to see the large graduating classes of 1949 marching down to receive their diplomas. As you continue your education and we hope that all of you do just that, may you deserve and receive all the good things that life affords. EQUITY

NEW TEXAS PRISON SYSTEM OFFICIAL—Richard C. Jones, former president of Memphis State College, (above) will become executive assistant to O. E. Ellis, general manager of the Texas state prison system.

Weekly Swing of SOUTHWEST FARM MARKETS

(USDA) — Despite numerous weak spots, southwest farm markets ruled mostly steady to strong during the past week, the U. S. Department of Agriculture's Production and Marketing Administration reports.

Most grains sold from 1 to 3 cents higher than a week ago, although corn declined slightly. No. 2 yellow milo closed Monday at \$2.57 to \$2.62 per hundred pounds at Texas common points. No. 1 wheat brought \$2.36 to \$2.43 a bushel. No. 2 white corn sold at \$1.65 1/2 and yellow corn \$1.55 1/2 to \$1.57.

Wheat millfeeds led a general downward trend in feed prices. Rainy weather improved pastures and slowed demand for hay, but also hindered curing.

Butcher hogs netted gains of 25 to 50 cents for the week at Oklahoma City and Denver, and feeder pigs advanced around \$1 in Texas and Oklahoma. Other swine saw little change. Top butcher hogs closed Monday at \$18.25 at Texas markets, and \$19.75 at Denver. Receipts fell off slightly. Pork sold weak to \$3 lower.

Cattle sold unchanged to \$1 Houston and San Antonio recorded losses up to \$1 or more compared to a week earlier. Calves declined most at the south Texas markets. Medium and good slaughter calves sold Monday from \$23 to \$26 at San Antonio and Houston. Fort Worth paid \$24 to \$27 for good and choice. Last week's cattle receipts about equaled the week before, but calves increased in Texas. Steer beef sold weak to 50 cents lower for the week, and veal as much as \$1 lower.

Bethany School Will Give One-Act Plays

Two one-act plays featuring all-male casts will be presented at the Bethany High School auditorium at 8 p. m. Tuesday, May 17.

The public is invited and there will be no admission charge. E. E. Baker, English instructor, has announced.

Gems of Thought COURAGE

I would define true courage to be a perfect sensibility of the measure of danger, and a mental willingness to endure it. —W. T. Sherman

That courage is poorly housed which dwells in numbers. —Aaron Hill

A great deal of talent is lost in this world for the want of a little courage. —Sydney Smith

Courage consists not in hazarding without fear, but being resolutely minded in a just cause. —Plutarch

Let us have faith that right makes might, and in that faith let us to the end dare to do our duty as we understand it. —Abraham Lincoln

No Drinks for Pakistan Officials

KARACHI—(AP)—Din Mohammad, Governor of Sind, has warned the European officers of the Pakistan Government against drinking at parties.

The governor said: "Islam has prohibited drinking and as servants of an Islamic state the European officers must respect the sanctity of Islam and refrain from drinking or they may choose their future elsewhere."

Under orders of the late M. A. Jinnah, founder of Pakistan and its first governor-general drinks are not to be served at any official function but the practice has prevailed of drinking in private functions.
