Insurance Regulations Called Discriminatory

Although changes announced by the State Board of Insurance pool which cover windstorm, include some needed relief for property owners, one of the new provisions has been branded discriminatory against the Rockport-Aransas County area.

Local business men who have studied the matter declare that

a provision requiring a minimum elevation of 20 feet above mean sea level for any property within a zone extending 2,500 feet from coastal bay water is discriminatory and prohibitive so far as this area is concerned.

This zone, classified as "beach" area carries a three-times-normal rate for wind-

storm insurance. It includes all of the business sections of Rockport and Fulton and extends roughly to State Highway 35 west of downtown Rockport in the area of the Market Street intersection. It also takes in most residential areas.

It is believed there is not a single structure, commercial or residential, in this area which meets the 20-foot minimum elevation requirement. Thus all would require insurance coverage in the pool at three times normal rates.

Local leaders point out that this discriminatory ruling will act as a serious handicap for future commercial and tourist development, as well as penalize hundreds of home owners whose property is nowhere near the so-called hazardous waterfront area.

This 20-foot height requirement is 12 feet greater than the standard of 8 feet established by the U. S. Corps of Engineers on the basis of 100 years of records on floods in the Aransas County area. Also, it was pointed out that federally sponsored rising water insurance accepts the 8-foot elevation as safe.

Plans are underway to write or visit members of the Legislature who represent this district to explain how this discriminatory height requirement for all structures in the 2,500-foot zone works a serious economic hardship on the future of Aransas County. Also, it is expected that owners of vacation or weekend homes in this area will contact members of the Legislature who represent their home districts in other parts of the state.

It is believed the 20-foot height provision outweighs the improvements in windstorm insurance coverage in the pool as ordered by the Insurance Board.

Among the beneficial changes are:

- Use of standard forms for coverage which include out-buildings such as garages and fences.

- Reduction of pool rates to 10 per cent above normal rates from a previous 50 per cent above for property located beyond the 2,500-foot "beach" area.

- Increase in maximum amount of coverage available from \$100,000 to \$200,000 on dwellings and from \$500,000 to \$1,000,000 on commercial or public buildings.

- Favorable revision of builder's risk premium rates so as not to require coverage for the full value of a building the moment it is started.

Despite these favorable changes ordered by the Insurance Board, the rate for buildings in the so-called "beach" area remains unchanged at three times the normal rate. This includes every structure located within 2,500 feet of bay waters, unless it is behind a seawall, which does not exist in this area, or a minimum of 20 feet above mean sea level, an impossible requirement for this community.

The windstorm insurance pool was set up by state law following Hurricane Camille when many insurance companies refused to write windstorm coverage in the Coastal area. The law now requires that any casualty insurance company operating anywhere in Texas must accept its percentage of Coastal windstorm insurance.

Telethon

The Cerebral Palsy telethon will be held at the new fire station on Concho St., Saturday, March 18, 10:30 p.m. to midnight, and Sunday, March 19, 8:00 a.m. to 6:00 p.m. Members of the Ladies Auxiliary of the Rockport Volunteer Fire Dept. will man the phones. The telephone number to call is 729-2066.

Little League

There will be a meeting of the Little League managers and workers at the Chamber of Commerce Building at 7:30 p.m. tonight (Thursday). This meeting is not for the boys.

TOURISTS OF WEEK—Mr. and Mrs. C. R. Hewitt of Park Rapids, Minn., recently were selected as Tourists of the Week in the hospitality program for winter visitors sponsored by the Chamber of Commerce. The honor came on Mr. Hewitt's 76th birthday. He is a retired banker, having been associated with the Farmers State Bank of Dorset (Minn.) 50 years and is now chairman of the board.

Staying at Sandra Courts, the Hewitts have been spending their winter vacations in Rockport for the past 20 years. Their prizes as Tourists of the Week include gift certificates from Bill's Enco Station, Rockport-Fulton Tourist Association, D&D Restaurant, Wagley Lumber Company, two certificates for Roaten's Drug Store (contributed by Sandra Courts and Glass, Sorenson & McDavid Insurance), First National Bank, Key Allegro Restaurant and Picton Lumber Company (the last contributed by United Savings Association).

Track Team 3rd In Tiger Relays

Rockport-Fulton's track team finished a strong third in the Tiger Relays in Goliad last Saturday, gaining points in 10 events.

For the second straight week the Pirates did not win a single event, but they had enough points to trail Calallen and Yoakum.

The Pirate relay teams have fared well in the past two weeks, and in Goliad the 880 relay team of Joe Dominguez, Oscar Pina, Wally Sanford and Joe Green took a second in the event in 1:36.2. Both the 440 relay team and the mile relay team finished fourth. The 440 team of Joe Pina, Glyn Landrum, Sanford and Green posted a 45.6, while the mile team of Landrum, O. Pina, Dominguez, and Charles Crusier ran the mile in 3:31.4.

Joe Lee Green was clocked in 10.3, good enough for second place in the 100 yard dash, while Wally Sanford finished fourth in 10.4.

Pirate hurdlers Glyn Landrum and Clay Gillis took second places in the 330 intermediates and the 120 high hurdles, respectively.

Joe Dominguez leaped 17'10" to gain second in the long jump. Bob Gillis hurled the discus 127'7" and took 4th in that event.

Nelson Barre cleared 5'6" to finish 5th in the high jump. Rounding out the point getters, Charles Crusier and Florencio Lara took 5th and 6th places in the 880 run.

This week the Pirates will be the host team in the annual Toast of the Coast Track Meet, which over the past few years has gone down to the last event before the winner was decided.

Christian Folk Concert Friday

Charles Geller, a pre-ministerial student at Southwestern University, will present a Christian Folk Concert in the First United Methodist Church at 7:30 p.m. on Friday, March 17.

His program will feature popular folk songs, contemporary songs, and religious songs. Highlighting the concert will be Charlie's own meaningful personal witness.

The program is sponsored by the Council on Ministries. The Council extends an invitation to all persons in the community to attend this program. Refreshments will be served following the program.

Church of God Dinner Mar. 18

The Rockport Church of God Youth Fellowship will sponsor a Country-Style dinner Saturday, March 18. The approximate starting time will be 11:30 a.m.

The menu will include fried chicken, pinto beans, collard greens, carrots, and dessert. There will also be a bake sale held along with the dinner. Everyone is invited to come. The price per plate will be \$1.25. The dinner will be at the Church of God.

Wild Game Barbecue

The Methodist Men will sponsor a wild game barbecue at the Fellowship Hall at First Methodist Church starting at noon Sunday, March 19. Venison, Russian boar and fish and all the trimmings will be served.

For adults, the donation will be \$1.50 and for children, \$1. The public is invited.

Highway 35 Relocation Hearing Held Tuesday

B&PW Style Show Is Huge Success

The Rockport Business and Professional Women's Club last Saturday night staged the most successful benefit scholarship dinner and style show in its history with a more than capacity crowd of over 325 persons at The Sandollar Resort Motel and Spa's Colony Room.

Always one of the city's most outstanding social events, the affair was being praised and acclaimed by all who attended.

The Colony Room -- which had been especially decorated and designed for an oriental setting -- had people bulging at extra tables set up into The Sandollar's coffee shop area.

An authentic Chinese dinner was served the guests who contributed \$5 per person to the club's scholarship fund which aids Rockport students in financing their college education.

Forty-nine women's fashions varying from the most stylish in the latest cocktail or party wear, sportswear and swim suits were provided by Suttles Dress Shop and modeled by a bevy of local women and girls.

Those attending were given a premiere showing of a new hit in men's fashions -- all of double knit -- featuring the line of Mr. Sid of Dallas. It was the first showing of the line in this area and was made possible through The Sandollar.

The Sandollar announced that it will soon be opening an exclusive men's specialty store in its 20-acre complex carrying clothes by Mr. Sid of Dallas. Richard Fern, sales representative for the Dallas based clothing firm, was on hand for the affair and modeled several of the men's styles.

Miss Lola L. Bonner presided as commentator for the evening describing in detail the many fashions in both women and men's wear.

The Business and Professional Women's Club wishes to express its deepest thanks

(Continued on Page Two)

Absentee Voting For School Election

Absentee voting will continue through March 28 at the School Administration Building for the School Trustee election on April 1.

Mrs. Jan Wendell and Gary D. Smith, candidates for reelection to the Aransas County Independent School District Board from the Rockport area, are unopposed.

Ottie Mundine, seeking reelection from the Fulton area, has Dr. J. Martin Shaw, optometrist, as an opponent.

Four candidates have filed for the one-year, unexpired term of Dr. H. F. Elliot who has resigned to run for county commissioner of Precinct 1. They are James W. Hunt, Gene Howland, Blas Ramirez and Mrs. Therese M. McCarthy.

Next to New Corner Opens

The Christian Women of Aransas County are happy to announce that the next to new corner of their weekly rummage sale (Fridays 9-11 a.m. at 114 N. Church), will be ready for sales this Friday.

The purpose of these weekly sales is to have a place where your no longer needed items can be sold to those on a limited budget as well as the budget wise buyer. The money made from this service is to be used for a community need, as yet not selected, but most likely emergency equipment.

Anyone with contributions can bring them to 114 N. Church Wednesdays, all day, or Friday mornings. If you cannot bring them those days leave them on the porch and call Pat Picton, 729-6737, Flora Lee Beasley, 729-6081, Dorothea Montgomery, 729-2164 or Pat McCready, 729-2308.

Oil Wildcatting Is Resumed Here

Wildcatting has resumed in Aransas County after a lull of some six months.

The Texas Company No. 1 J. M. Head Fee just south of Cove Harbor is drilling. A board road to the location from Cove Harbor was built. This could be considered an extension of Ester Cove Field brought in by Kelly Bell five years ago.

Duer Wagner, a Ft. Worth oil operator, is to re-enter the Perry H. Bass Atlantic-Porterfield No. 1 in the McCampbell Subdivision which was completed by Bass last year as a dry hole.

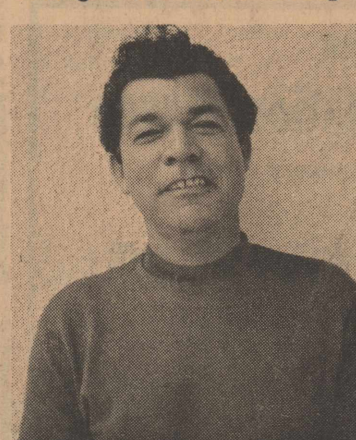

Wagner will kick over the bottom of the hole and will try for a completion in the O sand series where Bass encountered gas and salt water and was never able to cut off the salt water. This depth is about 10,500 feet and the O sand series is a blanket sand.

Hawkins and Hawkins, oil operators from New Orleans, have taken a farm-out from Mokeen Oil Company and Emory M. Spencer and will drill an 8,700-foot test on the Modest ranch. Location has been staked near the ranch house and the operator is waiting on a rig.

Betancourt Runs For Commissioner

Manuel Betancourt is a candidate for Aransas County Commissioner, Precinct 1 and 1A, subject to the May 6 Democratic primary election.

He has been a resident of Aransas County for 20 years, moving here from Hidalgo

County in 1952. He attended school in Edinburg, Texas. He served two years with the National Guard and in May of 1952 volunteered for the U. S. Air Force and served four years 10 months overseas.

Betancourt is former secretary of the Seamen's Lions Club, former president of the American G. I. Forum, member of Sacred Heart Catholic Church and was former lecturer for Sunday Mass.

His wife, Adelina, is the daughter of Mr. and Mrs. Frank Covarrubias. Mr. and Mrs. Betancourt have three children, Frankie, Yvonne and Terry Lynn. They reside at 903 S. Pearl Street.

Absentee Voting For City Election

Absentee voting will continue at the City Hall through March 28 for the City Election which will be held April 1.

Walter S. Falk is unopposed for a two-year term as mayor to succeed Delmar Hiller who did not file for re-election.

Joe "Pepe" Zambrano is a candidate for re-election from Ward 1 and is opposed by Marcelino Ramirez and Joe Lister.

Murray McMillan, appointed alderman from Ward 2 after the resignation of Mrs. Tony Harden, is seeking a two-year elective term and has William McNickle as an opponent.

Approximately 170 persons attended a public hearing on proposed relocation and improvement of State Highway 35 Tuesday morning in the Veterans of Foreign Wars hall.

Travis Long, district engineer for the Texas State Highway Department in Corpus Christi, said the purpose of the meeting was to explain the proposal and to give the public an opportunity to express opinions for or against it, as well as to indicate a preference for one of three proposed routes extending from Gregory to the Copano Bay causeway, a distance of about 14 miles.

Although no decisions were made at the meeting, it appeared to be the consensus of most of those present that Route A, the one nearest the coast and about two miles west of State Highway 35 at the Market St. intersection was the most desirable from the standpoint of traffic, convenience, safety and cost. This route follows present Avenue A north, for most of its distance. However, it swings to the east and rejoins Highway 35 in the vicinity of the Aransas County Airport and follows it for approximately three miles to the south end of the causeway.

Long explained that hearings such as the one Tuesday were required by law, but of equal or greater importance was the opportunity to gather information and opinions from local residents and from representatives of city and county government. In describing the proposed highway project, Long used large wall maps, one a drawing and the other a large scale aerial photograph with an overlay showing the three possible routes. Many attending the hearing were able to locate their property on the photograph-and-overlay map.

If the project is approved, half the cost of the right-of-way will be paid by the counties involved and half by the state, while construction costs will be divided between the state and the federal government, Long said. Total cost of the proposed highway is expected to be approximately \$10,240,000, and it probably would be

(Continued on Page Two)

Wee Putt Golf Course Sold

Rockport's Wee Putt Golf Course has been sold to Mr. and Mrs. A. D. King. It was announced by Bob Strook, who has owned the course for the past few years. The Kings have been residents of Rockport for the past 13 years and own and operate the Sun Tan Motel on the Fulton Beach Road.

Mr. King has announced that there will be a grand opening for the season on Saturday, March 18, at 10 a.m. weather permitting.

Police Report

Chief of Police E. D. Taylor submitted to the City Council a police report for February which listed the following:

County Studies Revaluation Project

Aransas County officials are considering the possibility of employing Southwestern Appraisal Company of Austin to conduct a complete revaluation of the county next year.

Clyde Hamilton of the firm appeared before Aransas County Commissioners Court and explained the work that would be involved and the cost. It was explained that if the project is launched, it probably will concentrate entirely on real estate. The valuation of oil properties is determined by the Thomas Pickett Company.

Hamilton said the number of real estate "items" in the county totals 15,490. This includes houses, business buildings, lots and tracts of land. He said his firm would charge \$7.50 per item to conduct a revaluation program, or about \$16,175.

Judge John D. Wendell said there is a possibility that the City of Rockport and the Aransas County Independent School District will consider taking part in the project. Commissioners W. B. Allen, Mrs. Wanda Sparks, Charlie Hale and Raymond Owens requested Judge Wendell to contact both the city and the school district and find out if they care to participate.

If the city and the school district went into the project with the county, the total cost would be greater but the three groups would share the cost.

In another matter, County Surveyor Tommy Griffith reported that he had made a study and had run elevations at Sylvan Heights Subdivision to enable him to make recommendations to improve drainage in this area.

Griffith recommended that some of the ditches be cleaned out and that some drain pipes be lowered. Commissioner Raymond Owens said he would carry out the recommendations.

In reviewing the report of Aransas County Airport for February, the commissioners noted that 622 landings and takeoffs had been recorded, all hangars were occupied, and sales of 2,646 gallons of gas and 2,763 gallons of jet fuel were reported.

Monthly fee reports included: Justice of Peace J. Paul Rogers, \$247; Sheriff Bob Hewes, \$349; County Tax Assessor-Collector Margaret Weber, \$945.62; County Clerk Ruby Hart, \$1,440.95; District Clerk "Tony" Harden, \$281; and Justice of Peace Lawrence Miller, \$1,380.75.

Law Officers Being Honored

Aransas and San Patricio County law enforcement officers are to be honored at the meeting of the Aransas-San Patricio County Board of Realtors at the noon luncheon, March 16 at Little Bob's Rattan Room in Aransas Pass. County Attorney Richard D. Hatch will address the guests and board members.

Bud Wise, President of the local board, announces the Aransas-San Patricio Board is dedicating the week of March 13 as "Law Enforcement Officers Appreciation Week" in keeping with the State and National Association "Make America Better" program. The chiefs of police, sheriffs, representatives of the Texas Dept. of Public Safety, and FBI representatives have been invited.

Book Fair at High School

Rockport-Fulton High School will sponsor a student book fair from March 22 to March 24. Students will be able to browse and purchase books. The book fair will be open during the hours of 8:00 a.m. to 3:30 p.m. Books will be on display in the High School Library.

The book fair committee invites all students, parents and visitors to attend the fair. The fair will encourage student interest in reading and in building home libraries, and will also contribute to a worthwhile project. All profits will be used for a library club field trip.

The library club is sponsoring this event, with Mrs. Elsie Barton serving as book fair chairman. The committee includes Josie Garcia, project chairman of the library club. The officers of the Rockport-Fulton High School Library Club are: president, Alice Huff; vice president, Pam Lister; secretary, Charlene Wagener; treasurer, Karen Arthur; reporter-business manager, Josie Garcia.

C of C Banquet Set for March 25

If you haven't done so already, it's time to get your tickets for the annual banquet of the Chamber of Commerce which will be held Saturday night, March 25 at the Sandollar Resort Motel Spa.

Tickets may be purchased at the Chamber of Commerce Building for \$5. The deadline to get your tickets is March 21, to provide ample time to turn in the reservations for delicious steak dinners.

Long recognized as one of the most important civic and social events held here each year, the banquet will be highlighted by the appearance of James Blakely, Ph.D., a college professor and humorist from Wharton.

The program will be opened by John P. Mitchell, Jr., who will be master of ceremonies. W. W. Janacek will introduce the speaker.

Entertainment will be provided by an outstanding singing group, the Tri-Tones from Del Mar College. One of the girls is Miss Ann Kleypas, daughter of Mr. and Mrs. Vernon Kleypas.

R. H. Eckman is the retiring president of the Chamber of Commerce and Ed Harper is the incoming president.

Bridge Tourney Here April 14-16

Approximately 100 members of the National Bridge Tournament Association, Texas Region, are expected for the "Beachcomber Sectional" bridge tourney to be held April 14, 15, 16 at The Sandollar Resort Motel and Spa. It was announced today by Miss Corinne Crabb, who is in charge of local arrangements.

Miss Crabb, who is also Aransas County Librarian, said the three-day program has been completed.

On Friday, April 14 at 1:30 p.m., she said action calls for men's and women's pairs followed by the "Master Pairs" at 7:30 p.m.

The Saturday schedule calls for open pairs in the first session of qualifying at 1:30 p.m. and the second session (finals) of open pairs at 7:30 p.m. Also at 7:30 p.m. Saturday there will be a "consolation" (new pairs accepted).

The first session of "Swiss teams" will get underway at 11 a.m. Sunday with the final and second session of "Swiss teams" at 5 p.m.

Highway 35—

(Continued from Page 1)

built in three stages as the money became available.

It was estimated that acquisition of right of way would take from 18 months to two years, with first construction starting in four to six years.

Transcript of Tuesday's hearing will be forwarded to state highway department headquarters in Austin for evaluation and decision. If approved at that level, the material will be sent to the Federal Highway

Highway 35 on the basis of present and anticipated traffic density, safety and service to the communities involved. He pointed out that one of the important safety provisions was grade separations at seven intersections. He said the new highway would be planned to meet the needs of this area for the next 20 years.

James Johnson, also of the Corpus Christi office, discussed the environmental aspects of the highway project with emphasis on proposed Route A, pointing out that it would result in relocation of fewer families than the other routes. He also said it would encounter no natural or historic sites, public parks or oil wells. A total of 15 families and three businesses would require relocating if Route A is followed, according to Johnson. Later testimony by individuals indicated that one or two additional businesses might be dislocated.

John Ilse of the right of way department in the Corpus Christi highway office, discussed land acquisition, and assistance

Nine persons responded to Long's invitation to express opinions or objections. Mayor Delmar Hiller said Rockport's comprehensive planning study produced by a firm of professional city planners, aided by four committees of local citizens, recommended relocation of State Highway 35 and favored Route A as the best from many standpoints. A representative of the Aransas Pass Chamber of Commerce said his organization was strongly in favor of the entire project and that it believed Route A was the most desirable.

Several property owners in the north Fulton Beach area between the airport and Copano Bay causeway expressed concern that in widening that three-mile stretch of present State Highway 35, some of their property might be needed for the right of way. Long assured them that any additional land would be acquired on the west side of the highway. One trailer park owner said it appeared that Route A would cut through the middle of his property. The safety importance of an additional grade separation at one of the intersections was pointed out, and two persons who spoke raised the question of moving proposed Route A to the west side of the airport to reduce congestion in the North Fulton Beach area. Another suggested that the highway be located on the other side of Copano Bay. Sky Eagle Jr., area engineer for the U. S.

Library News

The following people donated books to the Aransas County Library in the past two weeks: Mrs. Eugene Carter, Mrs. John Anderson and Mrs. W. H. Woellert of Poth, Texas, donated 28 books.

The Library Policy on accepting gift books is as follows: "The Library will accept only books to which no conditions have been attached, and with the understanding that the librarian may handle them in any way which best suits the purpose of the library and may dispose of them at any time in any way if it seems proper to do so."

A book sale will begin at the Aransas County Public Library Monday, March 20, where many books may be obtained at great savings. There will be several sets of encyclopedias in this sale.

Arnold Palmer says:

"They tell me birth defects are forever. But if research can be sustained, then one day scientists will uncover the basic causes of most defects. That means they can be prevented. There is no reason why we can't do it."

B&PW Style Show—

MR. RAYMOND OWENS:

In your letter to the Editor of the Pilot in the March 9th edition, which titled "Search for a Taxpayer", after your attorney told me that my ad of March 2, 1972 in the Pilot violates the Texas Election Code Article 14.10, which provides that such advertising should be labelled political, and signed by the party who paid for it.

In order to verify the ad in question, I quote, "It is time for a change, and this waste of money, time and equipment by some County Commissioners. A Taxpayer." Because of my inadvertent oversight of the requirements of the Election Code, I hereby publicly apologize to you.

I assure you that further ads will comply with the Election Code, should they express dissatisfaction with the way a County Commissioner spends taxpayers money on roads and ditches, without engineering help to establish proper grades to carry the water way, and by so doing, lower the water tables so that septic tank disposal systems have a chance to work, and road bases are not saturated causing failures.

Yours truly,

M. W. COCHRAN

The Rockport Pilot

PAGE FOUR

Thursday, March 16, 1972

Historical Data Is Resumed

The Pilot resumes herewith the presentation of minutes kept by the Civic Improvement League, an organization established by a group of community minded ladies here in 1909:

The Civic Improvement League held a regular meeting at the City Hall Feb. 24, 1910. The two previous meetings had been postponed on account of inclement weather.

The president and vice president being absent on account of illness Mrs. A. Bailey, the corresponding secretary acted as chairman of the meeting. The minutes were read and approved.

Dr. Bailey reported that a superficial examination had been made of the front water pipes at the pavilion and recommended that an offer of \$25.00 be made to Mr. Herzfeld. After some discussion it was thought best to give the matter further consideration before making the offer as the windmill might have to be raised.

Arbor Day had been almost too cold to do much outside work but preparation had begun and would be carried on from time to time as circumstances would allow. Dr. Bailey reported the walks around the Beach Park were ready for shelling and that Mr. Charles G. Johnson had signified his willingness to give the shell if the League would pay for the hauling. Mrs. Hoopes and Mr. Cleveland had dug the privet for the hedge and it would be put in place this week. Mrs. Greve reported that work had begun on Live Oak Park, she had paid for plowing several times around it close to the fence. Mr. Traylor had leveled down the plowing. Mrs. Mathis

had sent a man to plant oleanders across one side and Capt. Gray had furnished a lot of cut things.

Dr. Bailey reported \$34.45 receipts from his entertainment given on the 22nd.

The receipts from the Ole Oleson show were \$22.35

A motion was made and carried that a contract be drawn up for our pavilion manager for the remainder of the year - his probationary period of two months having already expired. Mr. Klevenger and Mr. and Mrs. Hoopes were appointed as a committee to draft a contract and present it at the next meeting for approval.

A motion was made and carried to advertise for bids on the bathing privileges during the season, and the corresponding secretary was requested to write out the ads for next week's papers.

The subject of stationery and postage for League correspondence was postponed to the next meeting.

Mr. Klevenger was the bearer of an excellent suggestion from Mrs. Hoopes that we try to organize Civic Leagues among

the Mexican and colored population of Rockport. Action was deferred until our president could be with us.

Suggestions were made by the secretary that we advertise Rockport by sending copies of our local papers to friends and acquaintances. That we use postal cards of local scenes instead of meaningless sentimentality. Fill out personal letters with descriptions of our country; also enclose some kind of folder or circular descriptive of our city; and ask our friends to pass them on to neighbors contemplating a coast visit. Again - make use of the advertising matter furnished by the Gulf Coast Immigration Co. and others.

The necessity of securing good seed for our farmers and truck gardens was touched upon.

Mrs. Greve reported the League was under obligation to Mr. J. M. Mason for having contributed advertising space in the Gulf Coast edition of the Corpus Christi Herald.

There being no further business the meeting adjourned. Gertrude B. Greve, Rec. Sec'y.

Fishing Report

Our red fishing champ, Wayne Lindsey, called in the following from his charters: Sunday, he and Bill Lentz from Post, Texas, caught 58 trout from 2 pounds to 6 pounds. Monday, they caught 44 trout from 1 1/2 pounds to 9 pounds, (where's the reds, Wayne?)

Pouzee's Pier (Copano Cove) reported: Glenn Daniels caught

some nice trout. Johnny Garcia from San Antonio caught a lot of school trout, using dead bait under a popping cork.

Kleine's Rattlesnake Point Fishing Camp reports: Vance Vye and K. Haggler from San Antonio caught a lot of nice trout.

Mr. and Mrs. Pilot from New Braunfels also caught some nice trout under the lights. Jack Lutenbacher from Refugio has

been catching good fish each time he seems to want to wet a hook.

Surf Motel reports that pier fishing has really taken a giant step forward. Carl Ison, from Oklahoma caught one trout 6 pounds and 25 others that were larger than school trout, Monday night. Two other guests from Nebraska have been catching good fish almost nightly.

Joe Lister from the Sea Gull Cottages said his fish-catching

guests are still there, that they don't want to tell where they catch their fish. (I've been watching to see that they don't go over to Lee's Seafoods for their fish.)

Oleander Motel owners Joyce and Jack have been mopping up on the school trout from the Copano Causeway.

Good reports all over the place.

Call in your reports to 729-6012.

4H Bridge

Mrs. J. D. Houston was hostess to the 4H Bridge Club at her home last Friday. Members playing were Mrs. W. E. Blackshare, Mrs. W. M. Denny, Miss Lillian Fahr, Mrs. Ed Hall, Mrs. Fred Hunt, Mrs. M. H. McKinsey and Mrs. L. G. Wood. Mrs. McKinsey won high score, Mrs. Blackshare was second high and Mrs. Houston was third high.

THANK YOU ROCKPORT-FULTON

On behalf of THE SANDOLLAR RESORT MOTEL & SPA, THE ROCKPORT BUSINESS AND PROFESSIONAL WOMEN'S CLUB, SUTTLE'S DRESS SHOP AND MR. SID OF DALLAS, we want to thank the citizens of our great community for their tremendous support of the annual B&PW benefit scholarship dinner and style show last Saturday night. It was the most successful ever held and was received by a more than capacity crowd.

We also want to sincerely express our appreciation to the ROCKPORT BUSINESS & PROFESSIONAL WOMEN'S CLUB for choosing THE SANDOLLAR RESORT MOTEL & SPA as their host. Thank all of you who so enthusiastically commended us for the manner in which we managed the event.

Scout News

Troop 49, Boy Scouts of America, sponsored by the First Presbyterian Church of Rockport is one of the oldest troops in this area. Its history dates back to 1929, according to Norvell Jackson and Bill Gray, two of its charter members. The troop has completed its charter renewal papers for the coming year, according to John L. Leslie, now serving as Neighborhood Commissioner for all scout units in Rockport.

The officers and leaders of the troop are as follows: Institutional Representative, John L. Leslie; Troop Committee Chairman, Murray C. McMillan; Troop Committee members, Gordon Stanley, David R. Tiner, L. W. Tuer, Cecil V. Gray, Norvell Jackson, Jerry Evans, Robert G. Little, Robert T. Aleman. They have appointed Carl Stracener as Scoutmaster with assistants as follows: Rodger Bennett, J. T. Tumlinson, Lee Villa Jr., Roger

Elliot, Norvel Jackson, Jr., and Gary Tuer, Jr.

There are twenty boys on the active roll with more coming in each week. The troop enjoyed a weekend camp-out over the past weekend. Fifteen scouts were accompanied by Rodger Bennett and Leo Villa. Any boy in the Rockport area 11 years or older who wants to be a Boy Scout should come to the Scout House on Live Oak at 7:00 p.m. Monday night. They will be welcome.

Cub Pack 49, sponsored by the Rotary Club of Rockport, has also completed its charter application, according to John L. Leslie, Neighborhood Commissioner. Its leadership are Bill Janacek, Institutional Representative for the Rotary Club, and Committee Chairman John Schlichenmaier. Pack members of the Pack Committee are T. Frizzel, Sr., John Gravel, Don L. Brooks, Jesse M. Scott, Jr., Ed Frazier.

Mothers serving as Den

Art Lessons For Children

Mix the interest and efforts of the Rockport Elementary Parent Teacher League and the talents and generosity of members of the Rockport Art Association with a classroom full of enthusiastic boys and girls - Result: the newest recipe for fun, adventure and learning. Twenty-four classes are currently benefitting from this type of community cooperation and "the word" is spreading. Each class receives one art lesson a week under the direction and assistance of one or more members of the Art Association. Mr. Herb Booth is directing

Leaders are as follows: Gladys Frazier, Mrs. John Goff, Ruby Evans, Rodell Baird, Annie M. Evans, Carol Harper, Janice Bell, William (Bill) Harper is the new Cubmaster. About 20 boys are now active in 4 Dens.

Boys 8, 9, and 10 who wish to join should contact one of the above. March 27 is date for next pack meeting at Live Oak Elementary School in Peninsula Oaks. Boys must be accompanied by their parents when they join. Cubbing is a family program, says Mr. Leslie. It won't work unless the parent comes in with his son.

the efforts of other members of the classes.

The atmosphere is very informal and old "poppa-shirts" are the order of the hour for coverups as each student experiments with lines, color, felt tip pens, and tempera paint.

Mr. Booth indicates that more instructors and assistants are needed to fulfill the requests for these art classes, and he would be happy to hear from anyone who is interested. For more information, call him at 729-5006.

The class roster consists of: Gabriel Benavidez, Richard Castells, Daniel Garcia, Van Lee Grumbles, Raymondo Herrera, David Perez, Jr., Jose Pulido, Kenneth Smith, Luanna Arispe, Janet Carter, Katherine Cassel, Conchita Garcia, Holly Garrison, Sylvia Guerrero, Kelly Hutson, Romona Luna, Brenda Myers, Elva Rodriguez, Shar Simpson, Pamela Woody and Gloria Zamudio.

Miss Jackie Gove, John Trepagnier Exchange Vows

Miss Jackie Gove and John Trepagnier were married in a double ring ceremony March 5 at the Peace Lutheran Church. Pastor Paul Bohot officiated at the ceremony.

The bride is the daughter of Mr. and Mrs. John Gove and the groom is the son of Mr. and Mrs. Otis B. Trepagnier of Houston.

Mrs. Gene Adams was organist, and vocalist was Mrs. J. W. Nawarro, Jr., of Houston. Vows were repeated before an altar decorated with two large candelabra entwined with greenery.

Given in marriage by her father, the bride chose a white crepe, princess line dress, cowl neckline and bell sleeves. Her veil of illusion was held by a circlet of seed pearls and she carried a bouquet of daisies and white mums.

Mrs. Danny Kresta, Houston, sister of the bride, was matron of honor and bridesmaids were Miss Judith Gove and Miss Jane Trepagnier. The attendants were Gus Saper, Houston, and groomsmen were Danny Ray Kresta and Ted Nunley, Houston. Ushers were Patrick McConnell, Kingsville,

SECURITY REAL ESTATE, Inc. 729-2256.

ALONG THE WATERFRONT

By Carl Duckworth

If you were a shrimp, the entire world would probably look like a huge mouth. Shrimp are eaten by just about everything that is big enough to bite. They're so good, they'll even eat each other.

Grass shrimp abound in the Bays; but they are seldom over two inches long. Their eggs are carried on the legs of the female; (which is fortunate for the males.)

The species of shrimp caught commercially are Brown Shrimp, White Shrimp, Pink Shrimp, and the Royal Red Shrimp. (I was just kidding about the Royal Red Shrimp.) They hang out in depths of a thousand feet or more. Royal Reds were only recently discovered and our commercial trawls are not adapted to fishing that deep yet.

The Texas fishermen played an important role in the development of the shrimp industry. In 1955, Rockport shrimpers decided a boat should pull two trawls instead of only one. Aptly named "double-rig" trawlers, virtually all off-shore shrimp vessels built in recent years are double rigged and pull two trawls.

A shrimper's life is far from easy. They are incessantly exposed to all the perils of the sea, and often sail far from home in search of shrimp. When catches off the Texas coast decline, many travel to the Bay of Campeche near the Yucatan Peninsula. The Mexican government isn't too happy over our shrimpers fishing near their shores. They claim twelve miles out, and shrimpers caught within this area, are sometimes exposed to gunfire, fined, and some have had their boats and equipment seized. Although our government didn't agree with the 12 mile limit -- until 1966 -- I figure our shrimpers have recognized Mexico's wishes for some time, before 1966.

The next time you buy any shrimp, don't complain about how much the little fellers cost. Some of our guys might have been shot at, getting them.

Story Hour

There will be a story hour in the Aransas County Public Library, Tuesday, March 21 from 10:30 to 11:30 for pre-school children. Miss Becky Fleeg, Library Science Major at Parkland College, Champaign, Ill., visiting Rockport on her Easter vacation has volunteered to conduct this story hour; there will be refreshments served and it is hoped that there will be a large participation.

CHOIR HONORS
The Rockport-Fulton High School Choir was represented in UIL Solo and Ensemble contest Saturday in Kingsville by eleven of its members.

The results were: Girls' trio - Kay Bell, Opal Hesselhine, and Catherine Theodore, III.
Boys' Quartet - Pat McLead, Gene Carter, Gerry Kleypas, and Ricky Little - I.

Girls' Trio - Debbie Halgood, Pat Pena, Mary Harrist - I.
Solos - Debbie Halgood, I; Catherine Stafford, II; and Mary Harrist, II.

These youths are to be commended for their hard work and superior ratings.

The Choir will be attending its contests Saturday, March 25, and would appreciate your support and backing.

"A BUY FROM SECURITY — IS A BUY OF SECURITY"

SOUTH BEACH — Exceptionally clean 2 bedroom, 2 bath home on the bay. Furnished. Bulkhead, double garage and nice yard. Owner financed.

WATERFRONT — Fulton Beach estate with large 3 bedroom, 2 bath home plus separate guest house. Double carport, storage room, beautiful grounds and 500 ft. fishing pier. This home will please the most discriminating.

HOLIDAY BEACH AREA — 300 ft. Highway 35 frontage, good commercial potential, 3 bedroom, 2 bath, brick home with den and fireplace in living room, central air and heat, double garage with attached utility room. Tractor and mower included. A real bargain at \$25,000.00.

COUNTRY — Immaculate 2 bedroom home on Texas size lot. Carport and laundry room. Landscaped and selling for only \$9,250.00.

COPANO HEIGHTS — New Cape Cod design with 2 bedrooms, bath, large living room and kitchen/dining down; 1 bedroom, half bath and large den up. Separate storage area, double carport and large landscaped yard, rear fenced. A bargain at \$16,250.00.

TRAILER LOTS — We still have a few low priced lots for mobile homes, both in the Rockport and Fulton areas.

RENTALS — We have an unfurnished waterfront home and a furnished house just 1 block from the bay.

The Kinsey Report

I believe most men are like me about one thing in particular: they don't look forward to attending a style show but when they get there they enjoy it.

Certainly this was true of the annual scholarship benefit style show of the Rockport Business and Professional Women's Club

at the Sandollar Resort Motel and Spa.

As the ladies say, "It was a fun evening."

In the first place, the Colony Room and the restaurant were absolutely packed with people who have come to look forward to this as one of the major community affairs held each year.

Being a diplomat, I am not going to mention any names because too many people were involved in the success of this event. But their combined efforts paid off and the style show--dinner was the kind of affair that sent everyone home

saying, "That was a wonderful party."

The models were great, the fashions shown by Suttles Dress Shop and Mr. Sid of Dallas were colorful and attractive, the food was good, the service was excellent, the music was nice, and the entire program moved along professionally.

A surprise that made a big hit was the appearance of four members of the B&PW dressed in humorous outfits, interspersed with the models wearing high fashions.

And, best of all, the B&PW Scholarship Fund was helped, which means that some deserving girl will be helped when it's time for her to go to college.

S. J. Williams, owner of Mobile Inn Trailer Park, has gone to Houston for heart surgery.

One of the late theories to account for a migratory bird's uncanny ability to travel great distances is that the bird and the sailor navigate in just about the same way--by reference to the stars. Birds apparently recognize the patterns of constellations.

Woman's Club Tourist Party

Mr. J. V. Ferguson, Mrs. Fred Hunt, and Mrs. J. W. Hunt were hostesses at the tourist party Monday afternoon at the Woman's Club Building.

Mrs. Frank L. Harrington, DeWhitt, Iowa and Mrs. C. D. Raber, Indianapolis, Ind., presided at the teaservices. There were 12 tables of bridge and 6 tables of canasta.

Making high score in canasta were Mrs. Chris Kofod and Mrs. Hugh Stump, Wahoo, Nebraska second. In bridge, first prize was won by Mrs. Harold Wolbert, Down, Kansas and second prize was won by Mrs. Harrington. The finale prize was awarded to Mrs. Charles Riebschlaeger, Cuero, Texas.

There will be another tourist party next Monday at the Woman's Club Building. Refreshments will be served at 1:30 p.m. followed by bridge and canasta. All ladies are invited to attend.

Monday night a pot-luck supper was held at the Paws and Taws Building. About a hundred people enjoyed excellent food and afterwards danced to records. Joe Lister announced game night next Monday night. It starts at 6:30 p.m., so let's all turn out. See you then.

Distinguished Students

Kingsville -- Two students from Rockport have been selected to the Distinguished Student List at Texas A&I University.

Named were John Porter Jackson, general business junior, son of Mr. and Mrs. N. F. Jackson, 801 N. Magnolia; and Olivia Anne Smith, general business senior, daughter of Mrs. Elaine May Smith, Box 683, Rockport.

In all, 75 students met selection standards set by the Student Recognition Committee in academic fields, related areas, and other activities, according to Dr. W. Floyd Elliott, vice president for student affairs. Alfredo Espinosa, assistant professor of engineering, headed the selection committee of students and faculty.

The recognition was begun last year to replace university "Who's Who" recognition. Under the plan, up to 1 per cent of the student enrollment may be nominated from the six university schools.

Sea Horses

Most sea horses, including the northern sea horse, reach a length of five to six inches when fully grown, but the dwarf sea horse is never more than two inches long.

Doins' at The Dunes

By Viola Reynolds

The concrete roadway that splits the Dunes Court from Highway 35 to the bay is known by the residents as "The Strip." So with note pad in hand let's count license tags. Of course, Texas ranks first, then Iowa, Kansas, Illinois, Michigan, Missouri, Oklahoma, New Mexico, Wisconsin, California and Indiana at present, but there's changes every day as people head for home, or move on to a different area of Texas.

Mr. and Mrs. C. L. Peck of Ft. Worth spent the weekend in their mobile home at the Dunes.

Mr. and Mrs. Ed Fish and Mr. and Mrs. Carl Baerth enjoyed a middle of the week trip to Zapata returning by way of Mission, McAllen and Harlingen.

Mr. and Mrs. Robert Reynolds accompanied by Mr. and Mrs. Ira Campbell of Mound City, Kansas, enjoyed a three-day trip in the valley in the

Mission-McAllen area and at Reynosa, Mexico.

Sympathy is extended to the family of W. H. (Bill) Hamilton who passed away Tuesday in San Antonio. Joe Toman and John Smith from the Dunes and V. J. "Sarge" Smith from Fulton attended the funeral services Thursday.

Mr. and Mrs. Harold Scott had as their guests the first of last week Mr. and Mrs. Don Smith and Mr. and Mrs. Dave Leidigh of Cedar Rapids, Iowa and Mr. and Mrs. Glenn Jacobs of DeKalb, Ill.

Mr. and Mrs. Bill Phillips of Bristol, Ind., were at the Dunes a few days last week before going on to Temple, Texas, where both of the Phillips will enter the Scott-White Clinic.

New residents in our court this past week are Mr. and Mrs. Henry Becker of Medford, Oklahoma, Mr. and Mrs. Robert H. Melat of Kingsville, Texas, and Mr. and Mrs. Emery F. Klingaman of Des Moines, Iowa.

Mr. and Mrs. Ray Anderson of Hereford, Texas, were weekend guests of his brother and

his wife, Mr. and Mrs. Morris Anderson.

Word comes from Ed Byrne in Victoria he is recuperating satisfactorily from recent surgery and hopes to be back at the Dunes before too long.

Mrs. Albert Peyton, a long time resident at the Dunes, returned Friday evening from her home in San Antonio for a week's stay in her mobile home here.

The high count at Friday evening game night stands at 32, an all time high as of March 10. The usual good time of games and an over abundance of good eats still stands. The group also enjoyed a record on the life and habits of the timber wolf furnished by Laurence Rasmussen.

Cancer has seven warning signals: Change in bowel or bladder habits; a sore that does not heal; unusual bleeding or discharge; thickening or lump in breast or elsewhere; indigestion or difficulty in swallowing; obvious change in wart or mole; nagging cough or hoarseness. If you have a signal, see your doctor right away, the American Cancer Society says.

MONITORING UNITS

Six men are training for the use of radiological monitoring units which the city is obtaining from the federal government as part of the Civil Defense program.

The men are Mayor Herman Johnson, Fire Chief Dick Fox, J. C. Gurley, Eddie Ratliff, J. P. Keith and Hollis Collum.

The monitoring stations will make periodic checks of the air and forward the results to the district radar station in Corpus Christi.

PERSONALS:

Mr. and Mrs. Jimmie Clobardants of Fort Polk, La., and San Antonio visited his parents, Mr. and Mrs. J. F. Clobardants.

Mrs. Nora Griffin and Mrs. Bert Hausman of Des Moines, Iowa, were guests of Mr. and Mrs. G. W. Scott.

Mr. and Mrs. Frank Davis spent the week in Midland visiting Mr. and Mrs. Leon Johnson and family.

Mr. and Mrs. Willis Webb of Bay City visited relatives here over the weekend.

J. C. Gurley attended a water and sewer school at Texas A&M.

Mr. and Mrs. Frank Davis returned from Midland where they had gone after learning of the illness of a grandchild.

Mrs. Otis Rouquette, who underwent minor surgery at Thomas-Spahn Hospital in Corpus Christi, is home and recovering satisfactorily.

Vernon Kleypas was winner of the \$25.90 door prize at a meeting of the V.F.W. He immediately donated it for the purchase of two safety road signs for the protection of children.

V.F.W. NOMINATES OFFICERS

The V.F.W. nominated the following candidates for officers: Nick Carter, commander; Frank McLeod and V. A. Dullye, senior vice commander; Herman Johnson, Pete Boggus and Frank McLeod, junior vice commander; H. C. Mullinax, quartermaster; Green McGehee and W. S. Hampton, chaplain; Louis Solis and Don Banning, surgeon; Bill Gray, Charlie Garrett and Don Banning, trustee.

LADY TRAPS 15 SKUNKS

Mrs. Ross Haynes has trapped and killed 15 skunks around her home on Highway 35 during the past month. She thinks the grass fires may have driven them from their native habitat. She caught them with a wolf trap and no bait, placing the trap near the place where she buried her last victim.

From The Pilot Files — 20 Years Ago

SCOUTS HONORED

A Court of Honor was held at the Scout Hut, with the following boys receiving awards:

Candidate Scout: Clyde Townsend and Eddie Ratliff.
Tenderfoot Scout: Bobby Close, James Richard Fox, Leo Owens, Gary Horne.

The following are patrol leaders and assistants in the order named:

Beaver Patrol: Rudy Gwynn and Jimmy Mills.
Fox Patrol: Leslie Cole and Herbert Torain.
Seagull Patrol: John Slocum and Mitchel Ammons.
Wolf Patrol: Leo Owens and James Richard Fox.

NEW CARS REGISTERED

The following new cars were registered at the courthouse during the past two weeks:

Union Carbon Co., 1952 Chevrolet.
J. E. Byer, 1952 Chevrolet.
Mrs. Trudie Caspary, 1952 Chevrolet.
Heldentels Bros., 1951 Schonrock cable dump truck.
Gulf Oil Corp., 1952 Chevrolet.
Clyde Armstrong, 1952 Kaiser.
Johnson Fish Co., 1952 International.

POETS HOLD FORUM

The second of a series of Poetry Forums of the Bylanders was held at the Robert Driscoll Hotel in Corpus Christi and featured J. Meredith Tatton of Refugio and J. D. Donaldson of Rockport as speakers.

Donaldson spoke on the writing and appreciation of verse and offered timely suggestions on the marketing of poetry, giving tips on the style of verse certain magazines are looking for.

The Rockport Rhymsters had charge of a workshop session. A feature was the audition of poetry by local poets reading their own creations. Mrs. Reese, Mrs. Alleman and Mr. Donaldson, each read a poem.

Mr. and Mrs. J. D. Donaldson, Mrs. Paul Reese, Mrs. L. E. Alleman and Mrs. Anders of Aransas Pass attended.

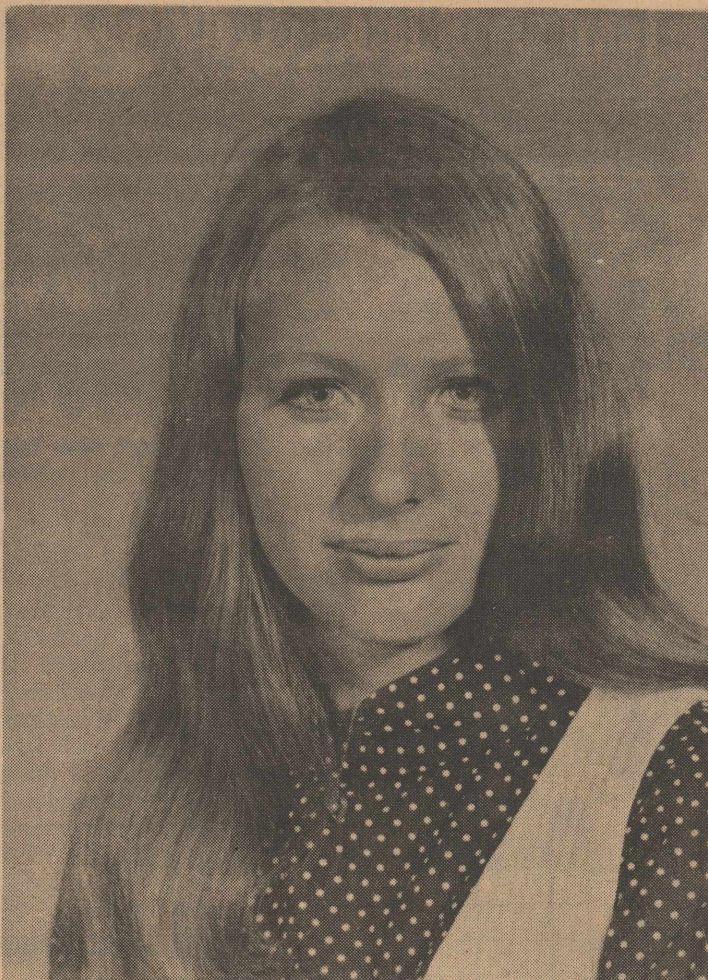

Tommy's 8 and he's still collecting Social Security

... and he has been ever since his father died.

If something should happen to you, your family is protected, too, under social security's survivors program. It provides regular monthly checks until children reach the age of 18. Or 22 if they stay in school.

Girls Work For Senator Tower

Two Rockport girls spent the first two weeks of March working for Senator John Tower of Texas in special programs for Juniors and Seniors at The Madeira School, Greenway, Virginia.

Mary Beth Caspary worked in the Senator's office in Austin as part of the Senior Work Project, in which students leave campus to take paying or volunteer jobs while keeping up with their school work.

Carrie Caspary worked for the Senator on Capitol Hill in Washington in the school's Public Affairs program for Juniors.

Both girls are daughters of Mr. and Mrs. Delo H. Caspary, 1330 North Magnolia Street.

Meek-Lawrence Engagement

Mrs. Tom L. Mitchell, 322 Williamson, Corpus Christi, and Bruce Lawrence of West Hartford, Conn., have announced the engagement of their daughter, Dianne, to Donald C. Meek, Jr., son of Major and Mrs. Donald C. Meek, 1401 Omohundro, Rockport.

An August 5th wedding is planned in the First Presbyterian Church at Rockport.

Miss Lawrence is a graduate of Texas A&I University and Spohn Hospital School of Medical Technology. Her fiancé received bachelor's and master's degrees from A&I.

In the Kitchen

OPEN SHRIMP AND CHEESE SANDWICH

1½ cups chopped cooked shrimp
2 cups medium white sauce
6 slices toast
6 slices American cheese
Paprika

Add shrimp to white sauce. Butter toast and cover with a slice of cheese. Place under broiler until cheese melts. Pour shrimp mix over the slices and sprinkle with paprika. Makes six servings.

Pharmacy Topics

By
SHELLEY ROATEN

Kissing can cause tooth decay, according to a report by a University of Illinois researcher.

It's been found that a human being's senses of taste, smell and sight are keenest around 7 p.m., and again at about 2 or 3 a.m.

A medical journal comments that if a child bites and breaks a thermometer, there's no danger in swallowing particles of the mercury, but there could be in swallowing bits of broken glass.

A patient who complained of swollen ankles was found to have 258 items in his stomach, including keys, beads and coins.

The Italian government has banned smoking in certain public places such as public transportation, theaters and classrooms.

When your doctor prescribes the best, we do the rest, at

Roaten's

the pharmacy with the "bed-side manner."

Question And Answers to Veterans Benefits

Q: Can it be arranged with the Veterans Administration to automatically apply dividends from my G. I. life insurance policy toward payment of the loan on the policy?

A: Yes, if you request VA to use your dividends for that purpose.

Q: I am a veteran eligible for G. I. home loan benefits. Will VA guarantee a loan to buy a used mobile home?

A: No. Current regulations authorize only the purchase of new mobile homes with VA-guaranteed loans.

Q: I was honorably discharged from military service after serving from May 1, 1955 to May 7, 1959. Am I eligible for VA educational assistance?

A: Yes. Any veteran is eligible for this benefit after serving more than 180 days of active duty, any part of it after Jan. 31, 1955, and receiving an other than dishonorable discharge. Veterans released for service connected disabilities (regardless of length of service) and servicemen with more than 180 days of service are also eligible.

Q: I was honorably discharged from the Army after serving four years, part of it in Vietnam. Can I get a G. I. home loan and go to school under the G. I. Bill at the same time?

A: Yes, you may take advantage of both of these VA benefits at the same time.

Q: Does VA pay dividends on "RH" life insurance, and what interest rate is paid on National Service Life Insurance (NSLI) dividends left with VA as credit?

A: The answer to the first part of your question is "no." Effective the first of this year, the interest rate on NSLI dividends held as credit with VA was increased from 4.24 to 4.5 percent.

Premier Golda Meir arrived in Israel as an immigrant from the U. S. 21 years ago.

Try Fritters for Fun

Austin--Be sure to try a pint of fresh Gulf coast oysters before the seasonal peak declines this spring.

To many gourmets, the only way to eat an oyster is raw. But if you prefer yours cooked try the popular deep-fried fritter.

Frying is the tried and true method for most people, but dipping oysters in a fritter batter takes them out of the realm of the ordinary. The delicate, crispy coating complements and enhances the flavor of fresh oysters.

You may have heard some bad publicity about oysters, but you need not worry about their wholesomeness as long as they are purchased from reputable fish dealers.

Oyster beds are certified by the State Health Department, and harvesting is enforced by Game Management Officers of the Texas Parks and Wildlife Department.

The Seafood Marketing section of the department distributes free recipes to interested consumers. If you would like a set of kitchen tested recipes send your name and address to: Seafood Recipes, Texas Parks and Wildlife Department, Austin, Texas 78701.

OYSTER FRITTERS

2 jars (12 oz. each) fresh shucked oysters
1 cup flour
1 teaspoon salt
Dash cayenne pepper
2/3 cup water
2 tablespoons cooking oil
1 egg yolk, beaten
1 egg white, stiffly beaten

Drain oysters and spread out on paper towels to remove excess moisture. Sift dry ingredients together. Combine water, fat, and egg yolk. Add gradually to dry ingredients, stirring only until batter is blended. Let stand one hour. Fold in egg white. Dip oysters in batter. Fry immediately in deep fat, 375 deg. F., for three or four minutes or until golden brown. Drain on absorbent paper. Serve with cocktail or tartar sauce. Serves six.

Cannibal Shark

The sand tiger shark is a cannibal before it is born. Eggs of this shark are hatched within the mother's uterus and the first baby to emerge feeds on its weaker brothers and sisters in turn. The shark has two separate uteruses, so two young sand tiger sharks survive to be born.

Phones In World Total 272.7 Million

How would it be to call all the telephones in the world? "Impossible," said Ron Maples, district manager for Southwestern Bell Telephone Company. "The task of reaching all 272.7 million phones would take more than 250 years, even for an American, who places more calls a year on the average than anyone else on the globe."

He said statistics show that each man, woman and child in America during 1972 averaged about 2.1 conversations per day, or 779 for the year -- more than the combined average of their counterparts in Argentina, Greece, China and Australia.

However, Maples pointed out that even if this average were increased to 2.1 conversations per minute it would still take more than 250 years to reach all of the world's telephones.

Maples based his calculations on the latest edition of "The World's Telephones," a booklet published annually by

AT&T's Long Lines Department, the Bell System unit for interstate and international services. He said the telephone census reflects developments to January 1, 1972, because a full year is needed to compile the data.

Rockport played a role in helping Americans set another record -- that of having more telephones in service than any other country.

"The record showed the U. S. ahead with 120.2 million phones, five times as many as second place Japan which reported 26.2 million," Maples said. "There are 5,401 phones in Rockport which is more than all the telephones in the country of French Guiana," he noted.

Even though the U. S. topped the list in total telephones, its growth rate is less than half that of a number of countries led by Greece, Yugoslavia, Japan and Korea.

"However, it probably will be a long time before these

countries equal telephone concentration in the U. S. which is one phone for every two people," he said.

To make his point, Maples compared Texas with its more than five million telephones to Sweden which has more than 4.5 million telephones.

With the other four states of Arkansas, Oklahoma, Kansas and Missouri served by Southwestern Bell, the total company phones at the end of 1970 surpassed the number in Canada. Southwestern Bell had 10,488,540 phones compared to Canada's 9,752,537.

Changed Coat of Arms

President Harry Truman made a change in the U.S. coat of arms. The eagle now not only faces to its right -- the direction of honor -- but also toward the olive branches of peace which it holds in its right talon. Formerly, the eagle faced toward the arrows in its left talon, symbolic of war.

LEGAL NOTICE

NOTICE OF CITY OFFICERS' ELECTION

Rockport, Texas

Notice is hereby given that a City Officers' Election will be held on the 1st day of April, 1972, in the above named city for the purpose of electing the following officers for said city: Mayor, Two Aldermen. Said election will be held at the following polling places in said city:

One Polling Place for Both Wards at the City Hall Building. The polls at each of the above designated polling places shall on said election day be open from 8:00 o'clock a.m. to 7:00 o'clock p.m.

The absentee voting for the above designated election shall be held at Rockport City Hall Building, in said city, and said place of absentee voting shall remain open for at least 8 hours on each day of absentee voting which is not a Saturday, Sunday or an official State holiday, beginning on the 20th day and continuing through the 4th day preceding the date of said election. Said place of voting shall remain open between the hours of 8:00 o'clock a.m. and 5:00 o'clock p.m.

Dated this 7th day of March, 1972.

S/Delmar R. Hiller, Mayor c52

RAYMOND OWENS, Re-election
R. M. (Bob) HILL

For Constable: Precinct #1 & 1A:
DOWELL KING, Re-election

Precinct #2
JOHN H. RAY, JR.

Precinct #3
I. E. "Buddy" McLESTER, Re-election

Fix-It Tip

Staple guns come in a variety of sizes. A good one for home use will take the more common sizes (3/16, 1/4 and 5/16). Heavy-duty guns will handle maybe six or seven sizes, ranging from about 3/16- to 9/16-inch staples.

Heavy-duty units can be rented if you don't wish to make the investment. The smaller gun is worth buying and having around the house. You will find many uses for it easily enough.

City Council Minutes Listed

The City Council met in Regular Session on Tuesday, February 15, 1972, at 7:30 p.m. and those present were: Mayor, Delmar R. Hiller; aldermen, Murray C. McMillan, Joe Zambrano, N. F. Jackson, Charlie Garrett; Assistant City Secretary, Helen G. Ruffett; city attorney, David Connery, Jr.; director of PW, Tom Shults; reporter, J. R. Kinsey.

Visitors: Pam McVay, Jane Dietz, Arthur C. Roloff, Gilbert Hill, Marcelino Ramirez, W. C. McNickle, R. G. Maples, Mrs. David Connery, Jr.

The meeting was called to order by the Mayor.

The minutes of the Regular Meeting of February 1, 1972, were presented for approval. Mr. Zambrano moved that minutes be approved as corrected. Mr. Garrett seconded the motion. All voted in favor. Motion carried.

Mayor Hiller welcomed the visitors.

Mr. Maples, Dist. Mgr., Southwestern Bell Telephone Company, presented to Council additional information they requested with reference to the rate increase requested by the telephone company. Book costs, net income, rate of return, etc., for years other than 1970 were reviewed and compared with the 1970 financial statement presented by the telephone company as basis for their request for rate increases. Matter discussed.

Mayor Hiller read the proposed ordinance presented for Council's approval of rate increases. City Attorney David Connery was asked his opinion of the ordinance as read. Mr. Connery stated that he thought additional data should be stated therein. The Mayor suggested that Mr. Connery draft an ordinance for presentation at next meeting for Council's review and approval. Council agreed that this be done.

Discussion was had regarding bid proposals covering various segments of construction on Little League Ballpark. One proposal had been received from Urban Engineering covering installation of park lighting. The Mayor stated that he thought staff should contact Mr. Gene Urban with reference to obtaining bid proposals covering fencing, dug outs and other construction items so that all could be advertised for at one time; thereby, Council being able to determine total cost involved as compared to funds available at this time.

Mayor Hiller entertained a motion to authorize advertising for bids to be received for opening on March 21st at 7:30 p.m. on the lighting, fencing and other construction items of ball park; bid forms and specifications to be approved by the staff. Mr. Jackson so moved. Mr. McMillan seconded the motion. All voted in favor. Motion carried.

Mayor Hiller reported on his

trip to Austin this date to attend the Insurance Public Hearing regarding windstorm coverage. No decision was reached regarding decreasing rates in this area or defining what constituted "beach property." Some changes were agreed upon in builders' liability rates.

Mr. Gilbert Hill of the Rockport Volunteer Fire Dept., requested Council's permission to sponsor a carnival from April 2 - 9; stated that it was the same operator that ran a carnival during the Centennial. Fire Dept. could net possibly \$300 which they could use. Matter discussed. Council agreed that they did not wish it to open on April 2nd, which is Easter Sunday.

Mr. Jackson moved approval for one week provided carnival did not open on April 2nd, waive permit fee. Mr. Zambrano seconded the motion. All voted in favor. Motion carried.

Mr. Hill informed Council that it has come to Fire Dept.'s attention that by recent legislative action firemen must be certified, effective Sept. 1, 1972. To be certified requires 325 hrs. of schooling. Mr. Hill suggested Council inquiring into this matter and if such certification is required, can Volunteer Fire Dept. members be certified under the "grandfather clause." Matter discussed.

Council agreed that all information be obtained regarding this matter.

Mayor Hiller read the following letter:

"To Honorable Mayor City Councilmen

We the undersigned request you to have a street light installed at the corner of Cedar and North Church. There is a light pole at this corner.

S/ J. A. Baird, 1030 N. Church
J. R. Appel, 1005 N. Church
K. W. Smith, 1013 N. Church"

Matter discussed. Mr. Shults stated that there was a light pole available at the corner of Cedar and North Church.

Mr. Zambrano moved that Council approve installation of street light (7500 lumen) at the corner of Cedar and North Church Streets. Mr. Jackson seconded the motion. All voted in favor. Motion carried.

Council reviewed the specifications for a backhoe as requested by Mr. Tom Shults. Mayor Hiller entertained a mo-

FRONT-WHEEL DRIVE is the new departure in bicycles in the Soviet Union. Leonid Dutov, researcher at Gorky University at Kharkov in the Ukraine, developed the front-wheel mechanism operated by the hand movements that enables rider to climb steep inclines and cover rugged terrain with ease. A Kharkov plant is considering producing the bike for public use.

tion to authorize advertising for bids on backhoe, as presented, for opening at 7:30 p.m. on March 7.

Mr. McMillan so moved. Mr. Garrett seconded the motion. All voted in favor. Motion carried.

Mr. Jackson moved to instruct staff that Council would not consider further salary adjustments, prior to next budget time; already budgeted. Mr. Garrett seconded the motion. All voted in favor. Motion carried.

Mr. Zambrano moved that Council authorize payment of expenses incurred by Mayor Hiller on his trip to Austin on February 15th to attend Insurance Public Hearing. Mr. McMillan seconded the motion. All voted in favor. Motion carried.

Mayor Hiller read the following letter received with reference to Navy Relief Festival:

"11 February 1972
City Secretary
City Hall
Rockport, Texas 78382

Dear Sir:

The Naval Air Station will

again engage in a Navy Relief Festival this year in an attempt to raise funds for the Navy Relief Society, a worldwide organization which aids military personnel who are in dire financial straits. The dates planned for the festival are June 16, 17 and 18, 1972.

As in the past, the greatest portion of funds are achieved through direct solicitations and ticket sales.

Accordingly, it is requested that permission be granted to

The Rockport Pilot

Thursday, March 16, 1972

PAGE ELEVEN

solicit funds in your city by direct contact and ticket sales or, if a permit must be issued, the necessary application forms be forwarded to this office for completion.

Sincerely yours,

S/ R. J. Lanphere
CDR, SC, USN
Chairman, Drawing Committee"

Matter discussed. Mr. Jackson moved that permission be granted as requested. Mr. Zambrano seconded the motion. All voted in favor. Motion carried.

Current bills were reviewed. Mr. Zambrano moved that current bills be approved for payment as presented. Mr. Jackson seconded the motion. All voted in favor. Motion carried.

Mayor Hiller told Council that Mr. Johnson could not find anyone in Rockport to submit a bid on repairs needed on 1970 Ford used in the Police Dept. After consulting with the Mayor regarding this matter, Mr. Johnson authorized Commercial Motor Co. in Aransas Pass to proceed with the repairs. However, Commercial Motors said they would follow through and try to get Ford Motor Co. to absorb all or part of the cost of their estimate of \$231 based on continuous problems experienced during the warranty period which were connected with the present required repairs.

Mayor Hiller mentioned letter recently received from State Board of Insurance list-

ing findings of inspector during his recent inspection visit; stating that City would be due a 4¢ reduction in charges whenever new pumper was received and loaded with hose. Mr. Gilbert Hill told Council that he understood from his talk with the inspector that the City was due a reduction of 2¢ at the present time due to present truck being loaded with hose. Staff was instructed to check this item.

The Mayor informed Council that Walter S. Falk, Jr., had filed that day as candidate for Mayor in the coming election. City has received no reply from Secretary of State as of this date regarding eligibility of candidates under 21 years of age.

Financial Statements as of January 31, 1972, were reviewed.

Mr. Roloff told Council that after talking to developer of proposed shopping center south of his property, he understood that plans called for building close to property line. In view of these facts, Mr. Roloff was requesting Council to consider reducing width of street to 60', using center of street as center-

line, and abandoning 20' on each side. Mr. Roloff was informed that Council would not take any action in this matter until engineer's plans are presented to Council for approval. Council was advised by staff that a plat had been submitted late that afternoon. Since sufficient time would be required to survey the plat before any decision could be made, Council agreed to do so at a workshop; Mr. Roloff to be informed when same is to take place.

The meeting was adjourned.

If you had flea-power you could jump over a 90 story building.

Church of Christ

The Church of Christ is at its very foundation ecumenical. As our Lord prayed for unity; (St. John 17: 15-21) of all that believe in Him, so we are to work to that end. And there is a most common denominator for such unity - that document of Christianity, the New Testament.

We invite our religious friends of Rockport to stand with us in such a unity. To lay aside man-made teachings and creeds. Adding nothing to that New Testament faith, and taking nothing away from it.

Abandon the clergy that holds you in error, and study your New Testament. In such a study you will see the doctrines of the Christ, and the teachings concerning Christ's church.

The Bible teaches us that there is no Christian faith apart from His church, and no church without the Christ.

Blue and Gold Banquet Held

Cub Scout Pack 49 held the Blue and Gold banquet Feb. 26 in the cafeteria at Live Oak Elementary School.

The banquet began with Mrs. Ruby Evans of Den IV, presenting and posting the colors, and leading the Pledge of Allegiance. All present sang the Star Spangled Banner.

Cubmaster, Billy Harper, had each guest introduce himself.

Mr. John Leslie, neighborhood counselor, gave a short talk about the beginning of scouting. Then he played some magic tricks which were thoroughly enjoyed by everyone.

Mr. Bill Gray, assistant neighborhood counselor, gave a short talk on scouting and how the Cub and his parents are closely related in Cub Scouting.

After a prayer of thanksgiving, led by Bill Gray, everyone enjoyed a delicious meal of ham sandwiches, salad, beans and the trimmings furnished by the Rotary Club, and prepared by the Cubmaster and Den Mothers.

The tables were covered with gold tablecloths and trimmed with blue crepe paper. The table cloths were furnished by the D and D Cafe. The Totem Count gave Mrs. Bell's Den VI the totem pole. They had the most parents attending.

Next was a candlelighting ceremony and signing of "This Little Candle."

Mrs. Harper's Den II, put on a skit about President Washington.

Identify Tax Payments

Each year the Internal Revenue Service receives many tax payments from taxpayers that cannot be credited to the proper account.

Unidentified payments delay action on the tax account because these payments are placed in a special account until they can be properly identified, George Zerda, Administrative Officer of Internal Revenue, Corpus Christi, Texas, said.

Checks or money orders for payment of taxes should be attached to the bill or notice received. If a bill or notice was not received, a note should be enclosed stating what tax the payment is for, the year of the tax, and the type of tax owed. The taxpayer's name, address, zip code and correct Social Security number should be included.

Money order stubs or cancelled checks should be retained in case you are requested to verify any tax payments.

Tax returns should be mailed in the special envelope provided, or addressed to: Internal Revenue Service Center, 3651 South Interregional Highway, Austin, Texas 78740.

Den III put on a skit (comedy) about a fish market. Mrs. Baird, Den Mother, was unable to be there because of her father's death.

The awards included:

1 Year Pins: Eddie Lane, John Gravel, Bryan Evans - Silver Arrow (Wolf), Steve Frizzell, David Kublak, Mark Setterbo, Toby Cosby, Shane Harper - Gold Arrow (Silver Badge), Clay Evans - Silver Arrow (Wolf), J. Kenneth Butcher - Wolf Badge.

2 Year Pins: Patrick Frizzell, Kelly Cosby, Lionel Frizzell, Kelly Cosby.

3 Year Pin: Lionel Vargas, Bradley Reiminger.

Bob Cat Badges: Chris Kublak, Jody Sanford, Jessie Scott.

Den Chief Card, Charles Dupnik.

Ruby Evans, Den Mother, appreciation award for three years service to the Pack.

Pack 49

A committee - den leader meeting was held in the home of Cubmaster and Mrs. W. O. Harper, Monday, March 6.

Plans were completed for the March Pack Meeting.

Pets and Hobbies is the theme for the month, so Pack 49 will put on a pet show. The place, date and time will be announced next week.

Present at the meeting were Cubmaster Billy Harper, committeeman, Tillman Frizzell, Den Mothers, Davy Carol Harper, and Janice Bell and D.L.C. Mary Goff.

Coming Events

March 17: St. Patrick's Day. Meeting: Commissioners Court. Birthdays: April Simpson, Ray Longino, Mike Kelly.

March 18: Birthdays: Jeff Little, Pepper Everett.

March 19: Birthdays: Harry Gurley, Jay Carroll.

March 20: Meetings: Fulton Lions Club, Eastern Star.

Birthdays: H. B. Jackson.

March 21: Meeting: City Council. Birthdays: Scott Love, Mrs. Edmond Cessac, John David Carrico, Pedro Velez.

March 22: Meeting: Rotary Club. Birthdays: Donna Griffith, Jerry Picton, Donna Smith.

March 23: Meeting: Rebekah Lodge No. 88. Birthdays: Pat Brown, Kam Helmsohn. Wedding anniversary: Ray and Deanna Longino.

New Cars

The following new car purchases were registered last month at the county tax collector's office:

E. H. Caril, 1972 Buick.

Mrs. Wanda Sparks, 1972 Plymouth.

CP&L, 1972 Ford.

G. M. Pattillo, M. D., 1972 Ford.

Neil Brant, 1972 Chevrolet.

G. W. Christian, 1972 Continental.

Coast Materials, Inc., 1972 White.

I. E. McLester, 1972 Chevrolet.

Bracht Lumber Co., 1972 Ford.

Hubert Johnson, 1972 Chevrolet.

Edward Morningstar, 1972 Chevrolet.

Ben Johnson, English poet laureate, is buried in an upright position in Westminster Abbey.

Select Qualified Tax Practitioners

Taxpayers seeking professional help in filing their 1971 Federal income tax returns should select only qualified and reputable advisors.

Even though someone else may prepare his return, the taxpayer is responsible for all entries and supporting documents, and for the full payment of additional tax, penalties, and interest, George Zerda, Administrative Officer of Internal Revenue, Corpus Christi, Texas, said today.

While most tax practitioners are competent and honest, taxpayers were alerted to these potential danger signals:

Beware of the "expert" who will not be around to answer questions after the return has been prepared and filed;

Never sign a blank return and leave it with a stranger;

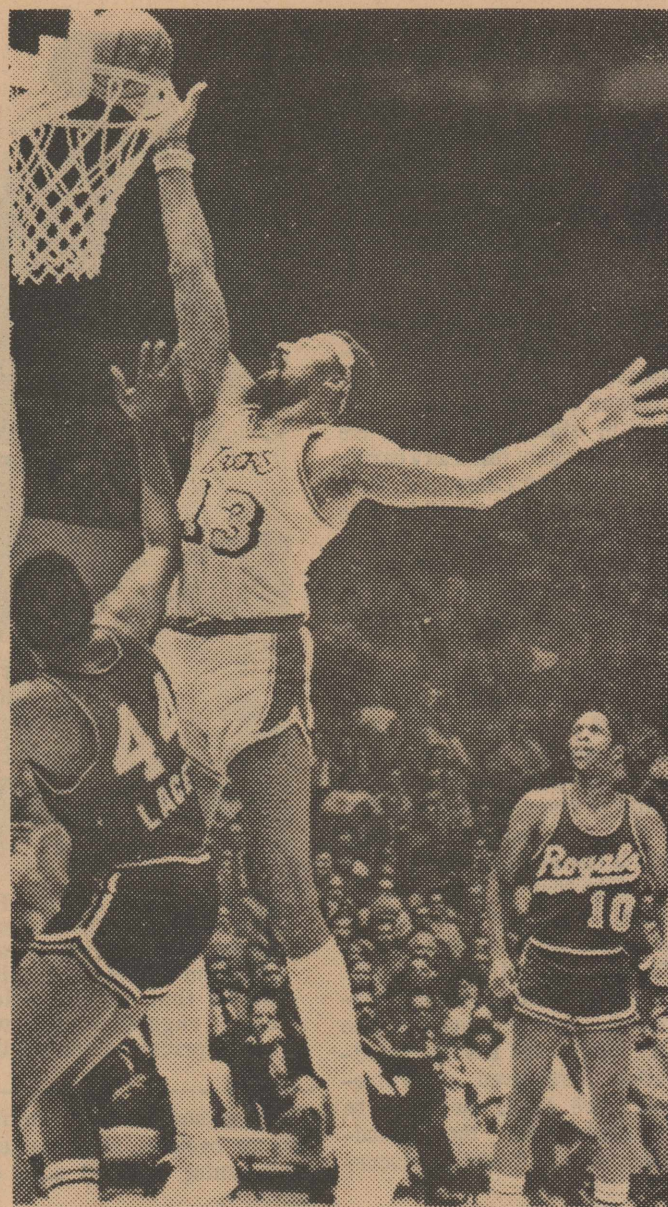

Do not sign a tax return prepared in pencil, since the return can be changed later;

Avoid the advisor who "guarantees" refunds, wants a percentage of the refund, or supposedly knows all the angles, and

Be on your guard if it is suggested that your refund check be mailed to the practitioner's address.

A professional advisor should sign the tax returns that he prepares on the line provided and you should record his name and address for future reference.

Geoffrey Chaucer was the first poet laureate of England.

WILT CHAMBERLAIN, who recently scored his 30,000th National Basketball Association point, has paced the Los Angeles Lakers to their lead in Pacific Division.

Happy Homemaking

By BARBARA BAKER

When oiling your sewing machine, try letting a few drops of the oil slide down a long, thin nail to those little holes that are hard to reach with the short spout of your machine oil can.

Keep a roll of cellophane tape and a box of facial tissue in the baby's room. When someone has a cold, fold several tissues in half and put a piece of tape at each corner to make a fine, disposable mask.

drawers to the ceiling. Fasten with tape, or glue, at top and bottom. then pin on pictures of favorite movie stars, basketball players and other things.

When crocheting or tatting, stick a hatpin firmly into the arm of an upholstered chair and slip the spool of thread over the pin. This will prevent the spool from falling to the floor, yet permit it to rotate freely as you work.

Blas Ramirez TRUSTEE

ARANSAS COUNTY INDEPENDENT SCHOOL DISTRICT
FROM THE ROCKPORT AREA

I have lived in Aransas County since 1950, working for Rockport Boat Works, Jackson Marine and Rockport Yacht and Supply. My wife owns and operates Emma's Flower Shop.

We are very active members of the Catholic Church. I am now serving on the Board of Directors of the Parent-Teacher League, Chairman of the P.T.L. Safety Patrol Committee, Member Aransas County Library Board, Presiding Election Judge, Prec. No. 2, Treasurer of the Rockport LULAC, Member G.I. Forum and Notary Public.

I feel the above qualifies me to have better communication between the school and community. I'm married and have a daughter, Frances, in the 4th grade.

Your support and vote appreciated. Thank you.

Blas Ramirez

(Political Ad Paid for by Blas Ramirez)

Our generation is for you.

We generate power with the future of all living things in mind. For example more than \$7,000,000 of the \$30,000,000 being spent in construction of our Barney M. Davis plant near Corpus Christi will help provide new ways to

protect the environment for all species.

Of course, ours is a growing area. And plenty of low cost electricity is needed to help a growing South Texas grow.

Because people live here, too.

CPL
Our generation is for you.

Ford Offers 1972 1/2 Autos

The first of Ford Division's 1972 1/2 products, including the new Pinto station wagon, have arrived at Commercial Motor Co. of Aransas Pass.

This mini wagon also is available with the luxurious Squire option which includes woodgrain bodysides, deluxe interior trim and deluxe wheel covers. Other midyear offerings include:

--New Pinto features - optional sunroof, Sports Accent Group, vinyl roof for the three-door Runabout, and electrically heated backlite.

--Sprint Decor Option packages - Pintos, Mavericks and Mustangs with red, white and blue paint and trim packages.

--New Maverick features - Luxury Decor Option with exterior appearance package and plush interior.

--New Mustang option - a vinyl roof available with the Sports Roof model.

--Ford car packages - special value option packages for the Galaxie 500.

--Two trailer towing packages - Class III packages for Torino and Thunderbird.

"Our 1972 1/2 offerings, primarily in the small vehicle area, emphasize this top action spot in today's market," said John Naughton, Ford vice president and Ford Division general manager.

"With our new Pinto wagon, and added improvements and special packages in all of our smaller cars, I feel we're now offering a substantial and varied product lineup to take advantage of this booming market."

Both the Pinto station wagon and the more luxurious Pinto with the Squire option are almost 10 inches longer than the Pinto two-door and three-door Runabout models.

With a cargo volume of 60.5 cubic feet and a flat load floor, the new little wagon is an ideal utility vehicle as well as a comfortable passenger car.

A Sprint Decor Option is offered on Pinto Runabouts, Maverick two-door sedans, and Mustang hardtops and SportsRoofs. Besides the red, white and blue paint and trim themes, the Sprint packages include special "U.S.A." emblems on the rear quarter panels.

Pinto improvements and additions for 1972 1/2 include new arm rests, thicker seats and an adjustable passenger seat.

Maverick's big addition for 1972 1/2 is a Luxury Decor Option including an exterior appearance package and interior refinements such as reclining bucket seats, cut-pile carpeting and a carpeted package shelf.

A vinyl roof option soon will be available on the Ford Mus-

FHA News

March 19 through 25, 1972, has been designated National FHA Week. Members of Future Homemakers of America will carry out special activities and observances designed to share their experiences and achievements with family, friends and neighbors.

The theme chosen for this year's National FHA Week is "Profiles of Youth" to focus attention on what over half-a-million young men and women are doing to improve personal, family and community living.

Debra Kelly, president, points out that several million young people have been challenged by the unlimited opportunities offered through membership in Future Homemakers of America over the 26 years since its establishment as a national organization for home economics students in the secondary schools. "They have an opportunity to grow as an individual," she stated, "to contribute to home and family living, develop leadership and cooperation, open doors of service to others, prepare for a vocation or profession, make new friends, find new experiences, gain an understanding of others, make creative and constructive use of leisure time and most importantly, be a part of a national organization of teenagers concerned with people, families and communities."

The 88 members of the Richardson FHA Chapter have scheduled a number of activities for this week. Plans outlined by President Debra Kelly include for Sunday - Family Day. Attend the church of your choice with your family; place a sign in your yard stating that you are an FHAer; for Monday - Color Day. Wear

tang SportsRoof, giving this low, sporty car a touch of Mustang Grande elegance. The Ford Galaxie 500 special value packages offer at reduced price a number of optional features for either the two-door hardtop or the four-door sedan. One package consists of color glow paint, accent stripes, power disc brakes, deluxe wheel covers, bodyside molding, a woodgrain instrument panel and a vinyl roof. Another package includes those items plus air conditioning, tinted glass, deluxe seat belts, automatic seat back release, intermittent windshield wipers and bumper guards.

Torino and Thunderbird will receive full Class III trailer towing packages for the first time. The packages include special trailer towing equipment and enable either car to tow from 35,00 to 6,000 pounds.

red and white, place a poster on your locker stating that you are an FHAer; Tuesday - Parent's Night. A program will be presented for the parents; for Wednesday - Beautification Day. Plant flowers around homemaker building; for Thursday - bake sale at school. Funds will go to charity; for Friday - Courtesy Day. FHA members will bring bake goods for distribution among faculty members; for Saturday - clean-up around community.

Future Homemakers of America is a non-profit, self-supporting organization officially sponsored by the U. S. Office of Education, through the Division of Vocational and Technical Education and The American Home Economics Association. It encompasses two types of chapters: FHA chapters for students in homemaker, consumer and family life education; HERO-FHA chapters for students enrolled in home economics related occupation courses. High school home economics teachers serve as advisors to the 11,000 local FHA chapters throughout the country. National headquarters are located in Washington, D. C.

Officers of the Richardson chapter are: President, Debra Kelly, 1st vice president, Karen Jackson; 2nd vice president, Pat Garcia; 3rd vice president, Yolanda Carabojal; 4th vice president, Myrna Wilcox; 5th vice president, Sylvia Frazier; secretary, Annette Demory; treasurer, Diana Moore; historian, Josie Garcia; parliamentarian, Carrie McElveen; sponsors, Miss Mutscher and Mrs. Spears; chapter parents, Mr. and Mrs. William B. Kelly.

Letter to the Editor

Editor, the Pilot:

I always enjoy Mr. Duckworth's comments. I was very interested in his advice to all of us to pick up the litter thrown out by careless persons. This I have done for the nearly three years I have lived here. The problem I cannot solve without help is a different kind of litter. It is junked automobiles, scrap iron, old boards, and just general clutter and unsightliness. Some of it is very unsanitary.

There is no zoning here since it is out of the city limits. However, much of it is on county right-of-way. In one case, the Commissioners Court has instructed that the junk be moved. It not only has not been moved, the pile is growing larger. I do not think the "mess" on Kossuth (300 block) has been reported. Please take a look.

Mrs. W. L. Reasor

Miss Indian America Visits H.E.B. Store

Mrs. Sarah Ann Luther, "Miss Indian America 1967-1968", and "Miss Navajo, 1966", was here Saturday in connection with the introduction of Golden Indian Bread at the H. E. B. Family Center.

Mrs. Luther was born on the Navajo Reservation in Pinon,

Arizona. Her Navajo parents live in Pinon where Sarah is the Assistant Program Director for the OEO Emergency Food and Medical Services program.

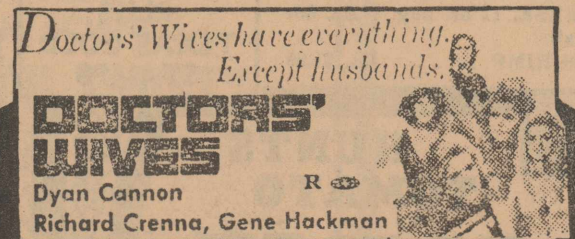

Chosen "Miss Navajo" in 1966, she toured the western United States and Hawaii as the official Navajo representative. In August of 1967, Sarah was chosen "Miss Indian America" from the group of forty candidates.

During her reign as "Miss Indian America," she traveled extensively throughout the
