Bell Hurst Playhouse Grand Opening Soon

Plans are being completed for the grand opening of the Eastland Civic Theatre's Bell Hurst Playhouse, located on Highway 80 East.

The first production to be presented in the new facilities is "Junior Mess," a three act comedy, which opened on Broadway in 1941 and played three successful years.

Members of the cast include Bernice Stephen, Jack Germany, Ann Boney, Shannon Wilson, Marsha Hanna, Nancy Mahan, Bruce Pipkin, Bill Gresham, Rhett Smith, Eddie Gallagher, Jr., Grey Pierson, Phillip Smith, B. O. Sanderson, Bob Day, Frankie Sayre and Dick Dixon. The play is directed by Virginia Russell.

Mrs. Dick Yielding will be in charge of a nursery, located adjacent to the Playhouse, for pre-school age children.

The Eastland Civic Theatre was organized a year ago and a board of directors appointed: Jack Germany, Nell Carter, Dick Dixon, Mary Watson, Nancy Mahan and Tom Staggs. Ivan J. Allen Murder Trial Nearing Jury-Room Climax in District Court

The three-woman, nine-man 91st District Court jury is expected to be given the Ivan J. Allen murder trial for deliberation Thursday morning.

Final arguments were heard Wednesday afternoon after the defense presented its testimony of accidental gunshot.

The prosecution began Tuesday afternoon and introduced several witnesses to establish malice in the Nov. 7, 1965 shooting.

Among those testifying Tuesday were Gerald Ward, 25, of Ropesville, who told of seeing Rancher Allen shoot his nephew, Dr. Albert Riedel.

Ward said Allen had aimed the gun at Riedel, "not just pointed it." Ward's testimony was backed up by that of his wife, who said she also saw the shooting.

Ward was with a group of 11, including five children, who were picking pecans on the property where Dr. Riedel was shot. He said Allen advanced toward them telling them to "get out or I'll shoot every one of you."

Ward said he and his wife climbed over the fence (the five children had already been sent to the car). He said Allen "brought up a rifle and the man who came in the pickup fell as the shot was fired."

The purported death weapon, a deer rifle with a hunting scope, was introduced as evidence and identified by Sheriff L. E. Sublett.

Dr. W. P. Watkins, Ranger physician, said he was called to the emergency room at Ranger General Hospital and that Dr. Riedel died about an hour after entering. He quoted Allen as saying, "I'd give anything if I could change places with Riedel. I helped send him through medical school. I'm worried about his wife and children. I don't know — I just turned around and the gun went off."

Dr. Watkins said Allen told him at the hospital, "That's my nephew. Do everything you can to save him."

Dr. Riedel died while in the X-ray room. Internal bleeding from a chest wound was given as the cause of death.

He said he later took Allen home. "He was agitated and upset. He was in a state of shock at the time Dr. Riedel died and during and after the ride home."

Dr. Watkins said he stayed at the Allen home for an hour and a half.

Others testifying were M.D. Underwood, Ranger justice of peace; and Mrs. Doris Herring, surgical nurse at the Ranger hospital.

The state rested its case at 11:10 a.m. Wednesday.

Called to the stand just before noon Wednesday to testify in Mr. Allen's behalf was Jerry Minton, vice president and trust officer for a Fort Worth bank, who stated that he and the late Dr. Riedel were very close friends, and that he knew that the uncle and nephew were also very close. He had never met Mr. Allen, he said, until coming to this county the day after the shooting to carry Mrs. Riedel and the children to their home in Dallas.

Mr. Minton carefully described how bereaved Mr. Allen was at that time.

Another defense witness before noon was Dr. Jerry Lewis, a Dallas physician specializing in the practice of psychiatry, who stated that he had known Dr. Riedel about eight years, and he told how the late Riedel had spoken of his uncle "with great warmth and personal fondness." He recalled too that Dr. Riedel had told how important he felt it was that he repay his uncle the money loaned him at attend medical school.

Mrs. Riedel was expected to take the stand following the noon recess Wednesday.

Selection of the jury in the Allen murder trial in 91st District Court was completed shortly after noon Tuesday and testimony began.

Allen, a prominent 72-year-old Eastland County rancher and landowner, was indicted by an Eastland County grand jury following the Nov. 7, 1965 shooting of his nephew, Dr. Albert Riedel of Dallas.

Chosen Monday were Morgan F. Roberts of Desdemona, Mrs. Sutton Croft of Cisco, Weldon Tankersley, Vernon Walker, Charles B. Harris, all of Eastland, W. T. Eaton of Ranger, E. H. Cook of Carbon, and Mrs. Waldene Lewis of Rising Star.

Chosen Tuesday were Mrs. J. D. Collier of Cisco, Jerry Carter and Ben Lancaster, both of Eastland, and Don Nicholas of Carbon.

Only 36 persons were examined to obtain the 12 jurors, believed to be some sort of

Baird Takes 2 From Eastland - Albany Next

The District 10-A basketball title apparently settled itself in Callahan County after action the early part of this week.

The Eastland Mavericks lost two cliff-hangers Tuesday evening in Baird as the Bears downed the Mavs, 78-76 in overtime and the Mavericks bowed, 59-57, to the Baird girls.

At the same time in Clyde, the Bulldogs were winning their eighth by defeating Ranger, 55-40.

The Eastland-Baird matches were razzle-dazzle, with six Mavs fouling out, and only four local players on the court during the last few minutes.

The Mavs are now 3-5 for the district season; Baird, 4-4. Win N. O. Eight virtually wrapped up the title for the Clyde Bulldogs.

Larry Wilson and Marsha Treadwell lead Eastland scoring with 32 points each.

Bobby Voights hit 20 to lead the Baird Attack and Kathy Townsend meshed 38 for the Baird girls.

Ranger Mayor Will Enter Race For Gibbens' Seat

Mayor Morris L. Newnham, Ranger civic and business leader, announced Monday that he will be a candidate for the office of Texas state representative, 63rd District, in the Democratic primary election in May. He said that a formal statement of his candidacy will be issued in the near future.

The district is comprised of Eastland, Palo Pinto, Stephens, Callahan and Shackelford Counties. Rep. Wayne Gibbens of Breckenridge, representing the five-county area in the Texas Legislature since 1961, has resigned to accept Gov. John Connally's recent appointment as director of the new Texas federal-state liaison office in Washington.

Newnham, 43, has been serving as mayor of Ranger since 1959, when he was elected to the post of finance commissioner.

Active in the Texas Municipal League, Newnham currently is serving as president of Region 6 of TML and has served on several key committees, including legislative, of the statewide organization composed of mayors and top officials in Texas municipal government.

Newnham, a director of the Commercial State Bank, Ranger, owns and operates the Ranger Frozen Food Center.

Deadline For Paying Poll Tax Is Next Monday

Deadline to pay poll tax is Monday, Jan. 31. Everyone is being reminded that these taxes must be paid before being eligible to vote.

A total of 954 poll taxes had been sold in the office at the Courthouse, Eastland, up until Monday night, according to Tax Collector Edgar Altom. From this number, 107 taxes were sold Monday.

Sales at sub-stations are picking up and from all accounts it looks as if sales this year are about the same as last year's, Mr. Altom stated.

Visiting with Mr. and Mrs. D. B. Perdue this week have been a grandson, Bill Brawley of Mountain Home (Idaho) Air Base, his wife and son.

Light Bulb Sale Plans Announced By Lions

A city-wide light bulb sale has been announced by the Eastland Lions for sometime in the near future.

Bill Leslie and Bill Walters were introduced as Sales Chairmen at the regular club luncheon meeting Tuesday at the White Elephant Restaurant. The club has not held such a sale in over a year.

It was pointed out by the chairman that commercial concerns, including plants and office buildings, may place special orders for specific sized globes now, and may do so by contacting either of the chairmen. This is a new service of the club bulb sale and affords local firms the opportunity to secure first-quality lighting bulbs and at the same time assist the club in its worthwhile benevolent projects.

Proceeds from the sale will go toward helping crippled children, securing glasses for needy youth and others, as well as financing expenses of the forthcoming Eastland Teacher Appreciation Banquet to be held Nov. 10.

In addition to the commercial sales, the club members will conduct a house-to-house campaign offering an assortment pack of household sized bulbs economically priced.

Date for the general sale will be announced.

Program at noon was arbitrary.

Southern TV's Managers Protesting FCC Regulation

Effective February 7 the Federal Communications Commission is planning prohibitions which will profoundly affect the cable viewers in the Eastland County area, Roy Thackerson, Ranger manager of Southern Television Systems Corp., charged Wednesday.

Thackerson was joined in his protest by Kelly Coats, Southern TV's Eastland manager, and Royce Taylor, service man, of Cisco.

According to Thackerson, the new rules, will, in effect, tell all TV cable subscribers which programs they can watch and which programs they cannot watch.

"Our subscribers may have to miss many of their favorite programs if the new rules go into effect," he said.

The proposed rules will deny viewers in TV areas the right to watch distant TV channels. They will also prohibit viewing of certain channels if their programs duplicate those shown on nearby channels.

The prohibition may apply even if the nearby channel shows the program at 6 p.m. and the distant channel carries it at 8:30 p.m.

"We will have to leave certain channels black part of the time," explained Thackerson.

In the Communications Act of 1934, Congress authorized

Parents Must Be Involved, Mrs. Little Tells Las Leales Members

"The key to making the Head Start program successful is involving parents in the program," Mrs. Rudolph Little stated when she spoke on the government-sponsored program of helping pre-schoolers at the Las Leales Club meeting. Mrs. Little said that the aims of the program are to help culturally different children learn to play with others; accept direction from adults; learn the value of one's own worth; give these children opportunities to succeed; sharpen and widen their language skills; teach them to be curious.

"But the time actually spent with the children is too short," Mrs. Little said. "Their parents must be interested. We must win the confidence of the parents by proving that the program is designed to help their children. These parents must be allowed some voice in this process."

Is the program successful? It's too early to be sure, Mrs. Little feels, although reports range in their opinion. The University of Indiana says no; the authorities in Dade County, Florida say yes. Mrs. Little says, "The program can be instrumental in building better home-school relationships but it can't offer overnight success."

Prior to the club program, Mrs. Little presided over a business meeting. Mrs. Wendell Siebert read the minutes of the previous meeting and

called the roll. Members present responded by speaking on "Joy in Little Things."

Mrs. Little appointed a nominating committee. Miss Esther Groth is chairman and will be assisted by Mrs. Maurice Dry and Mrs. J. C. Whatley.

Miss Alta Nation, speech therapist for Eastland Public Schools, was welcomed as a new member of the club.

The members of Las Leales will meet on February 7 in the home of Mrs. Guy Patterson, 409 South Oaklawn. Each member will bring a Valentine containing a verse about love.

Present at the meeting were Mrs. M. L. Forgey, Wendell Siebert, Theron McKensie, Gene Boney, J. C. Whatley, Vern Mahan, Rudolph Little, and Miss Alta Nation.

Smiths Observe Anniversary 25

Mr. and Mrs. Selton Smith celebrated their 25th Silver Wedding anniversary January 16 at the home of their son, Mr. and Mrs. Jeff Laughlin, with open house from three to six at the Laughlin home in Dallas.

Hostess were their daughter, Sheila, and sister of Mrs. Smith, J. B. Turner, who served punch. Mrs. Thomas Pittman and Mrs. Jim Corley served coffee and cake to 60 attending guests.

BEN KARNES WILL PRESENT STUDENT RECITAL JAN. 29

Music students of Ben Karnes will entertain relatives and friends at a recital Saturday night January 29th at the woman's Forum in Breckenridge.

The Four Rhythmeers, a performing title taken by Sammy Masner, Scotty Masner, Terrance Mark, and Paul Riffle will execute a tapping display using their own hand-painted sticks. In addition to a theory demonstration by Mary Ann Turner and a transposition feat on the glockenspiel by Lois Ann Sims, there will also be piano solos, some with rhythmic accompaniment.

These performers will be Kathy Duncan, Rebecca Fry, Victoria Wilson, Cheryl Duncan, Kim Collings, Gracia Haby, Lisa Germany, Ann Hellinghausen, Teresa Thompson, Michele De Arman, and Patti Horne. Other students who will strike some of the eighty-eight keys of the pianoforte are Jonie Patterson, Mary Hellinghausen, Joni Patterson, Beth Pearson, Alexa Meredith, Janie Miller, Sue Magers, Shannon Wilson, Martha Brown, Maxine Murphy, LaDora Elder, An Graham, Nancy Boyd, and Lela Lee. Additional boys to be heard will be Paul Smith, Jimmy Watkins, and Rusty Garvin, clarinetist, of Midwestern University.

Plans are for a sing-along finale of "I Love You Colorado," a ballad written by a Colorado mountain guide, and discovered by the Bill Collings family of Ranger.

The public is cordially invited.

Lt. S. L. Fenter Completes Army Course Jan. 21

Second Lieutenant Stephen L. Fenter, son of Mr. and Mrs. Weldon V. Fenter of Route Two, Rising Star, completed a combat platoon leader course at the Army Infantry School in Fort Benning, Gas. on Jan. 21.

During the nine-week course, Lieutenant Fenter received advanced instruction in leadership, tactics of small infantry units, map and aerial photograph readin and Army administrative procedures.

The 24-year-old officer entered the Army in October 1965. The lieutenant, a 1959 graduate of Billings, (Mont.) High School and a member of Sigma Chi fraternity, received a B. S. degree in 1964 from the University of Montana, Missoula.

the control of broadcasting to insure the public of as much service as possible. However, the new FCC rules may curtail service in the Ranger, Eastland, and Cisco area, Thackerson said.

"For several years, the local cable systems have been in operation. Curtailment of its services would affect not only TV viewers, but the local economy as a whole.

"Surprisingly, the FCC has previously stated that it has no control over the CATV. In fact, the regulatory agency was twice turned down by Congress in bids for such authority.

"However, on April 23, 1965, the FCC suddenly stated that it needed no Congressional approval, claiming that it already has authority to control cable TV. As a practical matter the FCC gave an ultimatum to Congress; either pass CATV legislation by the end of the 1965 Congressional Session or the FCC rules will be put into effect.

"Embroided in the busiest session in recent years, Congress has been unable to act on this question. Thus, the FCC has indicated it will now adopt its new rules on or about Feb. 7."

Thackerson said that the FCC is exceeding its authority.

"No regulatory agency has ever before been allowed to dictate to the viewing public," he said. "And the FCC should not be permitted to usurp this power."

"It is up to Congress to decide the nation's communications policy — not the FCC. Congress should not permit the FCC to give it deadlines."

Thackerson, Coats and Taylor are urging subscribers to

write to their congressman in Washington, D. C. in protest of the pending FCC action.

The Hon. Omar Burleson is the U. S. Congressman from this area and the Hon. John G. Tower and Ralph W. Yarborough are the U. S. senators from the State of Texas.

'You Gotta Have One To Vote Agin 'Em'

Some see more than irony one if they want to "strike" in the traditionally - Southern their blow" against the de-poll tax, and there's more of that this year than ever before.

Ironically — even those who oppose the poll tax and would gladly vote to have it out-laws as a pre-requisite for all other elections. And among voting in Texas, must have the amendments will be one

for the abolishment of the poll tax as a qualifier for voting. So, those "agin 'em" are going to need that poll tax receipt.

And the days are running out. Monday, Jan. 31 is the deadline — and there's no getting around them this year if you want to vote. The federal judges considering the constitutionality of the poll tax have unprecedentedly recommended that Texans secure their tax receipt this year. Suits are expected by the federal government, but for now, the poll tax is a qualifier, if not the law of the land.

Sales are lagging in Eastland County, although a heavy rush is anticipated Monday, so the wise will make their way to the selling points (at the courthouse tax office and at sub-stations all over the county) Thursday and Friday in order to avoid the last-minute push.

The price is still \$1.75, and over - age persons (60 or above) are not being issued exemptions because the law does not require them in counties of this population category. First-year voters may secure exemptions however, it is reported.

And those who favor the poll tax are quick to recommend that every otherwise-qualified voter arm himself with a poll tax to be ready for the many elections com-

Gas Well Is Completed In Palo Pinto Area

Third gas well has been completed in the Johnston Gap (Atoka Conglomerate) Field three miles southwest of Metcalf Gap in Palo Pinto County.

It is Ben E. Taylor of Oklahoma City No. 2 Albert Riebe. Site is 1,300 feet from the north and 2,140 feet from the west lines of Section 59, Block 3, T&P Survey.

ing up this year — including local elections in April for school trustees and city commissioners, primaries in May and the ensuing run-offs as well as the general election in November and any others, including possibly local options, which may come up during the year.

Several candidates have already filed for election and many others are expected soon.

A county with a long list of qualified voters is looked upon favorably — from without and within.

"A poll tax by any other name — is still the right to vote."

Calculated, absolute, open flow was seven million cubic feet of gas daily. It had a gas-liquid hydrocarbon ratio of 195-400-1 of 56.6 gravity.

The well is producing from perforations at 3,704-14 feet. The 4 1/2-inch casing is set at 3,920 feet, total depth.

A Palo Pinto Regular Field location was staked seven miles south of Palo Pinto. It is George J. Morgan, operating from Ranger, No. 2 Cyrus Holub.

Having a proposed depth of 4,063 feet, it spots 660 feet from the north and 1,100 feet from the east lines of Section 60, Block 2, T&P Survey.

Jarbo Oil Co., Houston, filed application to recenter to 1,750 feet with rotary an Eastland County regular Field project three miles east of Eastland.

It is No. 1-A A. J. Pippen, originally drilled by W. M. Jarrell. Location is 200 feet from the north and 767 feet from the east lines of Section 4, Block 6, ETRR Survey.

The Erie Canal, connecting the Hudson River and Lake Erie, is 363 miles long.

John Deere Day in Eastland

Saturday, February 5, 514 W. Main St.

All aboard for John Deere Day, 12 noon, Saturday, February 5 at Squiers Farm Store, 514 W. Main Eastland. "Power Train '66 — What's New in the Long Green Line" is the John Deere theme," says Eddie Squiers, "and on John Deere Day you'll see a fast-moving film highlighting new equipment. The 1966 additions to The Long Green Line were dramatically filmed aboard a 3/4-mile, 48-car train and at work in the field. It's an entertaining and informative way to introduce you to four new tractor models, new tillage equipment, new planters, new cultivators, new forage tools, new harvesting equipment, and other modern, new tools."

Squiers Farm Store will also hold an open house to display many of the latest model John Deere tractors and matched equipment. Visitors are invited to inspect the machinery and farmers can make arrangements for free demonstrations on their own farms.

"All farmers, their families, and other people in this area welcome," says Squiers. "Refreshments are free. We believe you'll enjoy the exciting program. There's something of interest for each and every farmer in The Long Green Line from John Deere for 1966."

Did You Know —
that January and February are the highest
months in the year for fire losses of all kinds? The
heat is on in every home, business house, church
and school thus increasing the overall hazards a
hundred fold. Do you have enough insurance to co-

inventory to be sure. Do that now and call us if you

OLDEN COUPLE NOTES 50TH WEDDING DATE

Mr. and Mrs. Burley Patterson of Olden celebrated their 50th wedding anniversary Jan. 23 in Olden Community Club House from 2 until 5 p.m.

The table, covered with a gold cloth, was centered with a gold antique lamp entwined with gold flowers and greenery.

Some 100 people attended the open-house event. Host and hostesses were their children, Mr. and Mrs. V. L. Patterson, Mr. and Mrs. Joe Bob Patterson, all of Albany; and Mr. and Mrs. Bob Clark of Aspermont, Mr. and Mrs. Jack Patterson of Seagraves, Mr. and Mrs. Nig

Patterson of Abilene and Mr. and Mrs. Jason Spannagel of Canadian.

While sitting in a horse-drawn buggy, the Pattersons were married on Jan. 23, 1916, on the old Duval place near Alameda. The Rev. Whitworth, Methodist preacher, read wedding vows for the couple.

The former Jenny Harrell, Mrs. Patterson was born in Farmersville, Collins County, on Sept. 10, 1898.

Mr. Patterson was born in

Mississippi, near Nettleton, in March of 1894.

They have six children, 11 grandchildren and two great-grandchildren.

Irrigation OK'd On County Farm

An Eastland County peanut grower won state approval Tuesday to irrigate his 24-acre crop.

A. R. Townsend applied for a Texas Water Rights Commission permit to use 12-acre feet of water annually from an unnamed tributary of the South Fork of the Leon River. He

told commission members that there was an existing reservoir. Townsend said peanuts were grown on a 30-acre tract in Eastland County and that he wished to irrigate 24 of those acres. The permit was granted unanimously.

C Bar B Ranch, Inc. in Gordon recently sold two Aberdeen-Angus bulls to C. L. Hodgkins of Strawn and one Aberdeen-Angus bull to Earl Pack of Stephenville.
