Walter Rogers Here Saturday For Farm Bureau Barbecue

Plans are near completion for the annual Farm Bureau Barbecue Saturday night, October 24, and the address by Congressman Walter Rogers which follows, W. R. Breeding, president, has announced.

This event will climax the Farm Bureau membership drive now under way and will also serve as the annual election meeting for the organization.

The barbecue will begin at 7:00 p. m. This is for Farm Bureau members and their families. Between 800 and 1,000 are expected. Mr. Rogers address is open to the public and will begin at 8:30. Both events will be held at the community building.

As representative from the 18th Congressional District, Mr. Rogers will talk on "What's Ahead in Agriculture," but he will be in Wellington to get opinions as well as give his own. Mr. Breeding pointed out. All persons interested in the agriculture problem are invited to come and make their wishes known to Mr. Rogers.

Members of the Quail Girls Septet, directed by Mrs. Lowell Wells, will be presented in a short musical program will proceed Mr. Rogers address.

Miss Fayteen Peoples, the Bureau sweetheart who will participate in the state beauty contest, will be introduced.

Following the address, resolutions will be presented and adopted. Mr. Breeding pointed out that part of these will be presented by the resolutions committee, but that any other person wishing to present a resolution from the floor may do so.

Officers will be elected at this time. This year's officers include Mr. Breeding, president; Monty Mitchell of Quail, vice-president; Riley Danson, secretary and office manager; J. A. Coleman, J. C. Jones, Herbert Knoll, Riley Garner, Lonnie Neeley, Palo C. Cummings, George L. Roberts, John R. Henard, Fred Cox Jr. and Osa Black.

Mr. Mitchell and Wood Coleman have headed the membership drive which is under way this week.

Unusually good response has resulted, and the quota of 400 new and renewal memberships is only

Council Continues to Study Gas Rate, Petition Issues

The City Council, in a meeting Tuesday night, October 20, continued its consideration of the combined proposition of the increase in gas rate requested by the Lone Star Gas Company, and the petition presented the city group two weeks ago requesting that the city condemn and purchase the gas company properties here, and that the city further call a bond election to pay for these properties.

A study of the petition has been under way by Mayor Lester Hunter and City Attorney Paul Spillman, who have asked further out-of-town legal opinion on the proposition.

There's Still Fire in the Skyrockets Highly Favored Burk Bulldogs Here Friday

The chastened Wellington Skyrockets have another conference game this Friday evening on their home field. Already a two-line loser conference-wise, the Rockets will face the highly-favored Burk Bulldogs, who will bring with them the only perfect 3-AA conference record. They took Olney to a 20-13 beating last week and, like many fans in Wellington and elsewhere, will doubtless expect to take home another win. However, the unpredictable Rockets have the

material for an upset, if they can get up steam.

The Bulldogs' powerhouse will be Don Joe Prescott, who was top yard-gainer for Burkburnett in the Olney game, but Gerry McCabe will be just as serious a menace. All three of the Bulldog TDs against Olney resulted from his wicked passing arm.

The Rockets will be counting on Hood, Holliman and Duncan to pick up Wellington yardage, while Wood picks the plays. The Rocket passing attack accounted for the only Wellington tally in last week's game with Childress, Wood to Hood. A variation in which Duncan dropped back to toss for long gains was unsuccessful. With an improving line that held the fleet Childress backs to small gains time after time, the Rockets will likely depend to a great extent on their ground offensive.

The kickoff will be at 8:00 o'clock.

Jimmie Lee Heads Scout Finance Drive in City

Plans are shaping up this week for Wellington's annual Boy Scout Finance Drive, in which business and professional men here put their money behind the Scouting movement for the 12 months ahead.

Jimmie Lee, vice-president of the City State Bank, is general chairman for Wellington.

This week he announced the chairman of the three major committees to handle the drive. Cameron Beam heads the advanced gifts committee. Co-chairman of the general solicitation committee are Denzil Bevers and Kelly Pigg, while the prospects and rating committee has J. W. Holder and Howard Riggs as the co-chairmen.

Each of these chairmen will name others to work with them. School officials and members of several of the women's clubs will be asked to help in the drive.

Finance chairman for the Southern District of the Adobe Walls Council is Ben Parks of Memphis. The date for the opening of the drive has not been set, but will be announced next week. Mr. Lee said. General plans were laid in a meeting of chairmen Tuesday, October 13, when Ray Young, Field Scout executive for the Adobe Walls Council, met with the group.

No quota has been set for Wellington, but workers this year will be out to exceed last year's fund of \$891.75.

Sophs Sponsor Domino Jamboree

Sophomores of Wellington high school are sponsoring a domino jamboree and 42 tournament at the American Legion hut Saturday night, October 24, beginning at 7:00 p.m.

This is a money-raising event for the sophomores, and proceeds will go toward electing their candidate for carnival queen.

Admission will be 25 cents with 10 cents additional for each game played. Coffee and cinnamon rolls will be sold. Baby sitting service will be provided by the Sophomore girls at the hall.

The committee in charge of the tournament includes Carlene Uselton, Lindell White and Helen Gardner. Miss Leatrice West is helping with the arrangements.

The public is invited to attend.

Father of Rev. R. L. Porter Dies

Members of the family of the Rev. R. L. Porter were called to Sweetwater last week by the death of his mother, Mrs. Sarah Ellen Porter, 90, who died Wednesday, October 14, there.

Her home for some years had been at Nolan, and she had been a resident of the area more than 50 years. She was the wife of the late J. K. Porter. She had visited in the home of her son here numerous times.

Mrs. Porter was born in Tarrant County June 16, 1863. She was married to Jeff Jones, who died as a young man, then she was married to J. K. Porter there 66 years ago. He preceded her in death 33 years ago.

Funeral services were held at the Nolan Baptist Church Friday, with the Rev. Hugh Magee of Garrettsville officiating.

Tin Can Lids Asked for Christmas Tree Glitter

One of the highlights of the Christmas decoration scheme here will be the giant Christmas tree set on the court house lawn, and every person in the area will have a chance to help with its decorations.

Lids cut from tin cans have been used by many cities to make glittering decorations. Local visitors to Fort Worth during the Christmas season will recall this plan there, Mrs. Walter Winter, secretary of the Chamber of Commerce, said, and that is the plan Wellington will use.

To collect tin can lids, a large

Rain to 4 Inches Falls in Week; Wind Hurts Cotton at Rolla, Loco

Three rains falling in the past week gave Wellington a little more than four inches of moisture, and while the fall varied over the county, the good rains were general.

Coming at the cotton harvest approached its peak, many growers expressed the belief that there would be some damage to the grade, but this was offset by the

high optimism of those who have wheat in the ground or who plan to plant right away.

The total rain measured for the first three weeks of the month of October is 6.46 inches.

First of the rains fell Wednesday night, October 14, and in the early hours Thursday, giving Wellington 2.10 inches. More rain,

measuring .65 fell Monday morning, October 19; and the final 1.30 inches came in the early hours Wednesday, October 21.

From both the Loco and Rolla communities in the south part of the county came reports that a high wind, while it lasted only a few minutes, blew out a considerable amount of cotton.

The rain Thursday, Oct. 14, that gave Wellington its 2.10 inches, varied considerably over the county. The rain gauge at the Elbert Warren farm northwest of Dodson caught 1.50 inches. At the same farm, .40 fell Monday and 1 inch Wednesday.

West of Wellington, the Thursday rain was lighter. Shelton Nunneley got .80 inch, while at Quail about an inch fell. The rain was heavier Sunday night and Monday at Quail; and between an inch and a half and two inches was reported. An inch and a half fell Wednesday.

The total rainfall at Samnorwood measured three inches, an even inch each time, according to Mrs. Orville Cunningham. Thursday, two miles west of Norwood, an inch and a half fell. Office Kidwell reported only a quarter of an inch at his home place, but more on another farm he has nearby.

Dozier got half an inch, and west of there there was only a light shower. An inch and a half fell at Dozier Wednesday according to J. E. Throckmorton. Light hail fell, but no damage was reported.

At Rolla, 2.6 inches fell Thursday, the heaviest reported in the county, and at a point five miles south of Rolla, 4.2 inches was recorded, with light hail. Rolla got another inch and a half Wednesday, with the wind blowing cotton out. There would be considerable damage to the grade, it was predicted.

Sell Approximately 200 Calves

Mill Iron Ranches to Hold Fall Bull Sale at Estelline Monday

The fall bull sale of the Mill Iron Ranches will be held at the Estelline Corrals Monday, October 26, preceded on Sunday by the drawing and buyers at the Childress Hotel, Bill Hughes announced.

This is one of two sales to be held this year. 1953 is the first time that Mill Iron has disposed of its registered Herefords bull calf crop in two events rather than one big fall sale.

There will be 28 buyers from 13 states taking approximately 200 calves of the 236 selection from 407 calves by the selection committee of John Burns, Fort Worth; Raymond W. Lewis of Banning-Lewis Ranches, Colorado Springs;

Colorado; and Dr. Jack Miller, head of the animal husbandry department of Texas A & M College.

Sears-Roebuck Foundation is taking for its FFA program 62 calves for their Southeastern region, represented by W. C. Greenway of Atlanta, Georgia; and 30 calves for the East Texas section of their Southwestern region, represented by Cal T. Johnson of Dallas.

The drawing for numbers, to determine the order in which the buyers make their selection, will be held at the Childress Hotel at 11:00 a. m. Sunday. The buyers supper will be Sunday evening at 7:30 p. m.

Selection of the calves at Estelline starts at 7:30 a. m. Monday.

There will be no barbecue this time.

"The selection should be finished before noon. Most of the buyers are anxious to be on their way home with the minimum of delay," Mr. Hughes said.

The calves to be sold range in age from 6 to 12 months. The price remains the same, \$300.

"The calves are in as good flesh and condition as they have ever been, despite the drought," Mr. Hughes said.

States represented in this sale will be Alabama, Arkansas, Georgia, Kansas, Mississippi, Missouri, North Carolina, Oklahoma, South Carolina, Tennessee, Texas, Utah and Virginia.

Herschel Coffee of Canyon

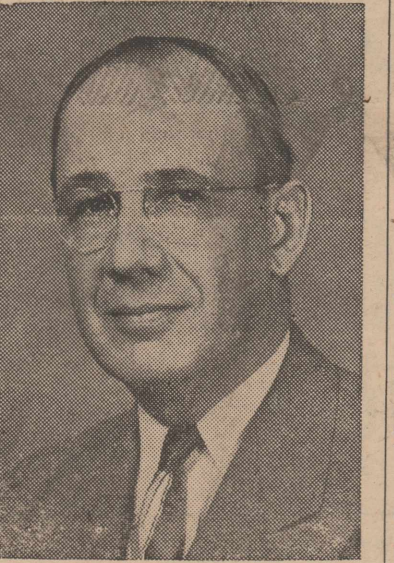

Rotary Dist. Governor To Visit Local Club

The Rotary Club of Wellington will be host Monday and Tuesday (Oct. 26-27) to Herschel Coffee, Governor of the 183rd District of Rotary International, who is making his annual official visit to each of the 37 Rotary Clubs in Northwest Texas.

The district governor will confer in assembly Monday night with officers and members of the Wellington club, and will address the regular meeting of the group Tuesday.

Mr. Coffee is professor and head of the department of economics and government at West Texas State College in Canyon and is a member of Canyon's Rotary Club. He is a past president of the club, a director, and has been program chairman. He is also a commissioner of the city.

He was elected District Governor of Rotary International for the 1953-54 fiscal year at the annual Rotary Convention in Paris, France, last May. He is one of the 212 District Governors supervising the activities of some 8,000 Rotary Clubs which have a membership of 372,000 business and professional executives in 86 countries and geographical regions of the world.

Wherever Rotary Clubs are located, their activities are similar to those of the Rotary Club of Wellington, because they are based on the same general objectives — developing better understanding and fellowship among business and professional men, promoting community-betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among all the people of the earth.

Harp to Address Farm Women in Meeting Saturday

District Attorney Allen Harp will be the speaker at a meeting of Home Demonstration Club women and all others interested Saturday afternoon, October 24, at 1:30 p. m., Miss Mary Trammel, county home demonstration agent, has announced.

His talk is part of an all-day meeting which will include the election of the County Home Demonstration Club Council, and a covered dish luncheon. The meeting will be held at the Veterans of Foreign Wars Building.

The council meeting is called for 10:30 a. m., with Mrs. Hubert Mauldin, president, in charge. Officers for the coming year will be elected. Reports will be given by the three delegates to the state convention, Mrs. J. L. Alexander of Lutie county THDA chairman, Mrs. Murl Whitfield of Dodson, (Continued on Page Twelve)

"Senior Follies" Set for Tues. Night Presentation

Wellington seniors will present their "Senior Follies," a variety show of plays, skits, and dances, designed for an evening of enjoyment, on Tuesday night, October 27, at 8:00 p. m. in the high school auditorium.

This presentation runs along the same line as last year's "Junior Follies," but each act is new, Mrs. Taylor Lowrie, one of the senior sponsors, said.

Opening the Follies is a square dance. Taking part will be Jo Ann Aaron, Dug Duncan, Genevieve Bartlett, Edward Bawcom, Mary Sue Crawford, William Harvey, Mary Carol Smith, Bill Gardner, Marilyn Dickey, Lynn Couch, Betty Drake, Doolen Starkey, Elly Barnes, Wilfred Bickerstaff, Maxine Unelson and Lonnie Woods. Clifford Niles will be the caller. Truman Judd will take the part of Gramp; Frances Boyd, Grandma; and Delores Ward, the schoolteacher.

After the square has gone home, an impersonation will be given by Donald Green.

Next on the agenda is the "Baby Show," in which the boys are dressed like babies and the girls are their mothers. "Mothers" will be

Miss Uselton, Miss Dickey, Miss Drake, Doris Nell Thomas, Miss Aaron, Barbara Graves, Miss Boyd, and Miss Bartlett. "Babies" will be Gardner, Couch, Starkey, Olan Murdock, Calvin Hiett, Camal (Continued on Page Seven)

"So You Want to Lead a Band" Featured

City Is Sammy Kay's Only Area Dance Stop

Sammy Kaye and his orchestra, with their famous feature, "So You Want to Lead a Band," make their only dance stop in the Panhandle Thursday night, October 29, when they play at the community building in Wellington sponsored by the Veterans of Foreign Wars post.

This is the latest of the many famous bands brought to Wellington by the VFW, whose dances are so well known to the people of the Wellington area.

Four full hours of entertainment will be offered, beginning at 9:00 p. m., Russell Yates, entertainment

chairman of the VFW announced. Kaye's only other stop in the Panhandle is a concert engagement.

Advance tickets are on sale and may be secured by writing Mr. Yates at Wellington.

Sammy Kaye's famous audience-participation stunt, "So You Want to Lead a Band," will be highlight of the dance. Two men and two women are chosen at random from the audience to lead the band. Each receives a "Swing and Sway" baton.

Aid-de-Camp to National Commander

Swift Cited by VFW With National Honor

Ross A. Swift, commander of the Glynn Moore Post of the Veterans of Foreign Wars No. 6439, has been appointed national aid-de-camp to the commander-in-chief, Wayne E. Richards, the post was notified in a letter from Julian Dickenson, adjutant general, from the National VFW headquarters at Kansas City, Mo.

Mr. Swift was recommended for the appointment by the Department of Texas Commander Justin M. Morrow.

Richards and Morrow were

guests at the luncheon at the local post home last December. This was one of only 13 stops made by the commander-in-chief in Texas.

The appointment is considered a great honor both for Swift and for the Post, as it is the highest honorary award given by the VFW and is given for outstanding work in all fields.

Duties of a national aide-de-camp are to carry out any order given him by his commander.

EDITORIAL COMMENT — THE WELLINGTON LEADER
Thursday, October 22, 1953

One Need to Make Wellington a Christmas Town

The time for putting together Wellington's Christmas decorations will come along soon, and a good many business men and others will be asked to do some work a few evenings.

In a world where so much is drab, where there is so much tenseness and where so much of the day is filled with the hurried business of making a living, gaiety and color at Christmas time are welcomed many times over. Money is not the only thing involved. Two thousand dollars has gone into Wellington's project, under leadership of the Chamber of Commerce and almost every dollar of it was given gladly. Ingenuity, and most of all co-operation, are major factors. Ingenuity and know-how we have. Leadership has been unselfish. And now it up to the rest of us to do our part, co-operate with those who already are assembling the materials for the decorations.

For several years before World War II Wellington had the reputation as the

best decorated small city in the Panhandle at Christmas time. There's no reason why that reputation cannot be gained back. A little remembering will reveal that there wasn't any more money around to spend on Christmas decorations than there is now. Most of the beauty and the originality that brightened the city at holiday time was made or put together by the owners of the businesses.

Not only the businesses, but the homes were gay with lights and wreaths. And these, too, were the work of the householders themselves.

Wellington has many new homes that are particularly adapted to beautiful or unusual decorating plans. And there is not an old home, no matter how small, that won't look better for a wreath or candles in the window.

Let's work together this year—to make Wellington the Christmas town of the Panhandle.

grow up in that normal development which Luke sums up in the simple sentence, "And Jesus increased in wisdom and stature, and in favor with God and man." These words of Luke are all that we have concerning the preparatory years from 12 to 30.

Yet, to some extent, we can fill in the picture, and what we find further emphasizes the fitting nature of that home and environment in Nazareth. A mile away, from the brow of a hill, from which His enraged townsmen would later have thrown Him down, the boy Jesus could look out over a great part of the scenes of His later ministry.

The great caravans of trade, though they never touched the village, passed nearby in the village. Here, too, though a town boy, He was never to be the farms and fields, to husbandry and shepherds. "Can any good thing come out of Nazareth," "Come, and see."

Yet the best of all came out of that hill village. The unknown town was destined to become among the world's most famous places. And, best of all, the town was strangely well fitted to be the environment of that wonderful Boy.

Here, remote from busy and troubled Jerusalem, the Boy could

The Buck Creek Philosopher

Editor's note. The Buck Creek Philosopher on his Johnson grass farm on Buck Creek has a wild idea this week, which he won't get anywhere with.

Dear editor:

I was out here yesterday afternoon drainin' the oil from my tractor so I could use it in my car for a trip to town, some people say this is a big waste of time but my time is cheaper than lubrication oil, and as I was wipin' my hands off on a newspaper after I got the oil swapped I noticed an article and while it was a little hard to read on account of the smear I sat down and leaned against the car fender and read it.

This article said the world's supply of oil may play out in about 70 years and the supply of atomic

power in 75 years, and we'd better get busy figurin' out a way to draw energy from the sun.

Now I'm not disturbed over this matter, I believe the supply of oil, whatever it is, will last longer than my car or my tractor ether, and even if it didn't I can think of worse things than not ben able to plow on account of dry crank case,

and anyway lack of oil ain't the only thing that frequently keeps me from drivin' to town in my car, the sparks plugs, for example, or the radiator, or a flat tire, or my wife.

But I am interested in this plan to draw energy from the sun, that is, energy to run vehicles, not me, I got all the energy I want which is enough to get by on but not enough to forcin' me to be splittin' the breeze goin' up one row and down another, in fact you might say me and my energy are in perfect balance, and I intend to keep it that way.

The phase of this new source of energy though that interests me is not whether or not scientists can do it, I believe they can, anybody

who can invent an automobile without a gear shift and a strapless bathin' suit you can dive in can figure out a way to draw energy out of the sun.

What I want scientists to be spendin' their time on is figurin' out a way to get this energy to me without the use of a meter.

We got all the metered energy we can handle, what this country needs is some meter—less variety. If they have to go back to puttin' gear shifts in cars or straps on women's bathin' suits in order to remove the meter from this new source of energy, I'm willin'. I don't care what makes a light bulb burn or a pump work or a stove heat up, provided scientists could figure out some way to get

the stuff to me without runnin' it through a meter.

I look for this day to arrive through about the same date they eliminate taxes.

Yours faithfully,
J. A.

Bible Comment For October 22

The Good That Came Out of Nazareth

It would be interesting to know how many of the world's great teachers and leaders, religious and otherwise, have come from small towns and lowly homes.

Jesus came from both. He was a small-town boy, and the carpenter's home in Nazareth must have been quite lowly. But Jesus glorified both the small town and the lowly home.

The little town of Nazareth would never have been heard of but for the Boy who grew up there. It was an ordinary, unnotable Galilean village. It was not without warrant that Nathaniel said, "Can any good thing come out of Nazareth?"

News Letter

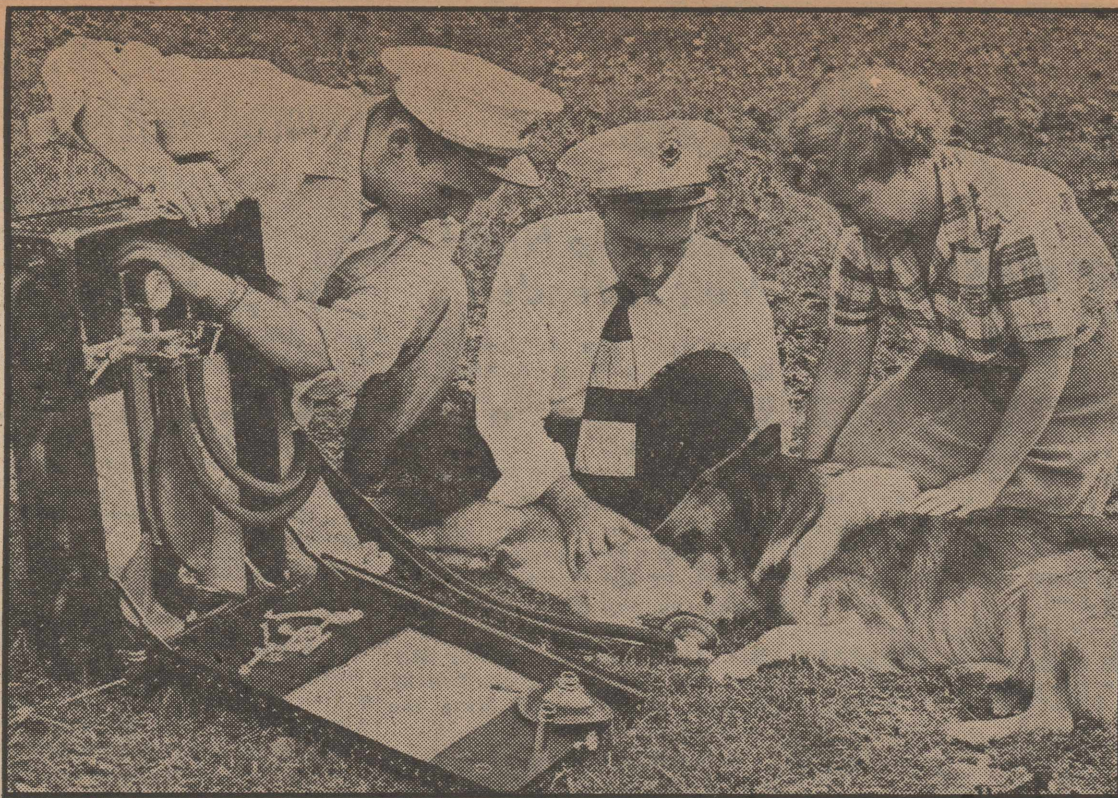

From Congressman WALTER ROGERS

RUSSIA AND THE HYDROGEN BOMB: Much has been said and written in the past several weeks about Russia and the development of the Hydrogen bomb. That Russia has developed near future perfect such a bomb, should not come as a surprise to anyone. Least of all to those who are charged primarily with the defense of this country. In the first place, history will reflect that all newly designed or conceived weapons of warfare do not remain secret as between nations for any lengthy period of time. Scientific minds in all countries are constantly devoted to research in an effort to discover some new and novel means for man to destroy man. No one nation has a monopoly on brains. Therefore, this age-old mad race will continue at an ever increasing tempo until man someday awakens to the fact that the dedication of the efforts to peaceful pursuits will bring much greater rewards and benefits to mankind everywhere. Until that time comes, this country has no choice other than to meet the challenges of those who subscribe to the policy of world domination. Russia knows full well our capabilities in this field. She knows that the United States could not be destroyed by any kind of bomb or explosive she could invent or devise. She knows also that should she be foolish enough to drop a bomb on this country, it would be only a matter of minutes before Russia would be subjected to the most devastating retaliation ever witnessed by

man. We have beses so lacted strategically that it would be much less possible for Russia to defend against that retaliation than it would for us to defend against her act of aggression in bringing the bomb to our shores. As crazy as Russian thinging seems to be, I do not think she is yet ready to commit suicide.

I say those things because I feel that much fear and trembling has been created throughout this country by the many statements that they have been made on the subject in the immediate past. We should not relax our vigilance or show our research and development. We should face facts and reality and do it without being afraid. In order to do this and to meet these constant challenges, it will be necessary that money be spent on these programs. This money must come from the taxpayer's pocket. If it cannot be done properly with present revenues, it is my opinion that the American taxpayer will be willing to put up whatever might be necessary to meet the requirement. It is also my opinion that present revenues, and revenues after the scheduled tax cuts, will be sufficient.

If they are not, then there should be a re-evaluation of what we are doing in the over-all government programs both civil and military, with the thought in mind of rearranging, reassigning and reallocating funds to the end that the objectives can be attained with available revenue. If such funds then

VIGIL REWARDED—Tension is keen in humans and dog alike as members of the Bethesda-Chevy Chase, Md., rescue squad administer oxygen to a collie pup, removed from a deep hole just moments before. As the pup's mother, "Dusty" and owner, Mrs. George W. Imrie, keep vigil, Dick Shaub, left, and Charles Cherry bring the incident to a happy ending. The pup soon was frisking about.

appear to be insufficient, the American taxpayer should be given the plain simple facts about the deficiency and the need. The result will be that the people of this country will rise to the occasion as they have so many times in the past, and the needs for adequate defense will be provided. People do not mind being taxed when they know that the need exists and that the revenues are employed to effectively meet that need, but they do not like to be scared to death in the process.

There are many who think that the recent developments and disclosures concerning Russia and the Hydrogen bomb are in the nature of a softeningup process preparatory to an announcement that taxes be cut, and that now taxes will be needed. I do not agree with this thinking. As I have said many times before, I do not think that Congress will be asked to extend those taxes that automatically expire January 1, 1954. These taxes cannot be continued unless Congress takes affirmative action to extend them. Congress will be in no mood to extend these taxes under their present names or under assumed names.

Misses Theresa Lile and Fern Jones are the advisors of the new group. They met with Miss Lile on Tuesday, October 13, to discuss and start the new chapter. The club has written its constitution, voted in two new members, and when the clubs charter has been received, a formal ceremony will be performed and the club will officially be a branch of the Horizon Club.

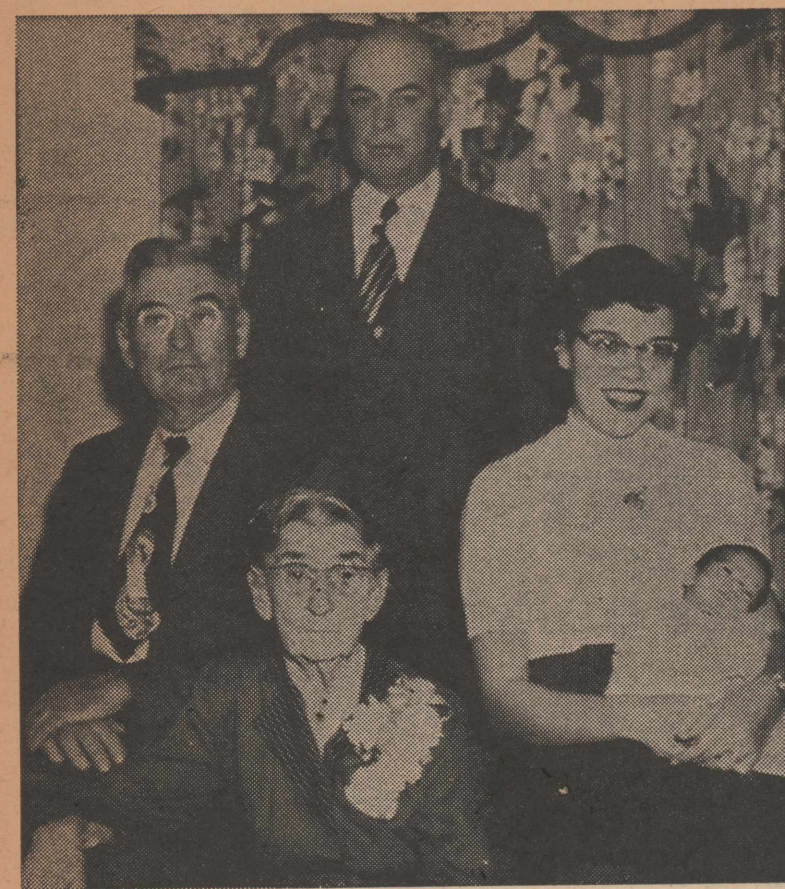

Members of the group are Mary Beth Kelson, president; Mary Jane Hiett, vice-president; Barbara Hackler, secretary; Carolyn Coburn, reporter; and Sonja Stall, Sallie Jo Murphy, Carolyn Scott, and the two new members, Wanda Shinn and Elizabeth Hurst.

Norwood HD Club Elects Officers

By MRS. NATHAN THOMPSON
The Samnorwood Home Demonstration Club met in the home of Mrs. S. J. Glazner in Samnorwood on Friday, October 9.

After a prayer and song, new officers for the coming year were elected. These were Mrs. O. B. Bradley, president; Mrs. Robert Baxter, vice president; Mrs. J. L. Alexander, secretary and treasurer; Mrs. V. J. Simpson, council delegate; Mrs. Bert Fields, parliamentarian, and Mrs. Nathan Thompson, reporter.

Refreshments were served to Mrs. C. J. Bradley, Mrs. V. J. Simpson, Mrs. J. L. Alexander, and the hostess, Mrs. Glazner. The next club meeting will be November 13, in the home of Mrs. Nathan Thompson.

Five Generations of Elbert Family

Five generations were present to help Mrs. Mary Jane Elbert to celebrate her 84th birthday Saturday, October 17, in the home of a son, S. W. Elbert. She is shown with her son, S. W. Elbert; grandson, Cecil Elbert; great-granddaughter, Mrs. Max Davis; and great-grandson, Stevie Mark Davis, a month old.

Mrs. Elbert Observes 84th Birthday Saturday, Oct. 17

Mrs. Mary Jane Elbert of Lake Dallas, Denton County, came here to celebrate her 84th birthday in the home of her son, S. W. Elbert and family. Five generations of her family were present.

Mrs. Elbert, the former Miss Mary Jane Hudson, was born on October 17, 1869, in Iowa, where she lived until she was seven years of age, when she came to Texas with her parents. They made the trip in a covered wagon and the family settled in Denton County, and Mrs. Elbert has continued to make her home there since that time.

Mrs. Elbert became the bride of J. L. Elbert in 1888. They reared six children, all of whom lived in Denton County until they were grown. Children are S. W. Elbert of Wellington, Mrs. R. J. Bounds of Tell, Jack Elbert of Denton, Leonard Elbert of Lake Dallas with whom Mrs. Elbert makes her home at present, and Jim Elbert of Little Elm, and one child is deceased. Mr. Elbert passed away in 1916.

Mrs. Elbert has been a member of the Methodist Church for at least 65 years. She says she cannot recall the exact time when she became a member.

Mrs. Elbert can boast of five generations in her family and also of having seventeen grandchildren, 20 great-grandchildren, and one great-great grandchild.

After celebrating her birthday here on Saturday with relatives, Mr. and Mrs. S. W. Elbert carried her to the home of her daughters, Mr. and Mrs. R. J. Bounds at Tell for a birthday dinner on Sunday. The afternoon was spent visiting with her children and relatives.

Vaughn-Clayton Vows Read

In the presence of a few close friends, Mrs. Louise Clayton of Sudan and Henry Vaughn of Wellington, exchanged wedding vows at the Methodist Church in Sudan Saturday evening, October 17th at 8 o'clock. The Rev. H. F. Dunn, pastor of the Sudan Methodist Church, officiated at the single ring service.

Mrs. Vaughn is the daughter of Mrs. L. B. Wheeler and the late Mr. Wheeler of Corsicana.

For her wedding, Mrs. Vaughn was attired in a wheat faille dress, with a turquoise hat and gloves, and complemented with alligator shoes and bag. Her corsage was of feathered bronze chrysanthemums, and she carried a white Bible.

Music was provided by Mrs. W. O. Eddins, who played "Ave Maria", "I Love You Truly", and "Blest Be the Tie That Binds".

Following the ceremony, Mrs. W. O. Eddins and Mrs. Tom Wood, were hostesses at a reception in the Eddins home.

When the couple left for a trip to Albuquerque, Mrs. Vaughn wore a royal blue knit dress with navy accessories.

Mr. Vaughn, a retired farmer, is a long-time resident of Wellington. The couple will be at home in Wellington after October 26th.

Guests at the wedding were Mr. and Mrs. G. W. Masten, Mr. and Mrs. H. E. Rogers, Mr. and Mrs. Tom Wood, Mrs. H. F. Dunn, F. O. Masten and W. O. Eddins, all of Sudan. Out-of-town guests were Mrs. J. G. Marshall and Mr. Norton Baker of Amarillo.

Houselog Neighbors Club with Mrs. Kiker

The Houselog Good Neighbors Club met with Mrs. O. A. Kiker October 18. Mrs. Robert Karnes, the president, opened the program and the group sang "Sweet Hour of Prayer." Members had sentences of prayer for our country, and was closed by Mrs. Kiker.

Cookies and punch were served to Mrs. J. W. Worsham and Teresa, Mrs. John Henry Ward, Mrs. C. E. Roberts, Mrs. Eugene Bawcom, Mrs. George Brawley and Joyce, Mrs. Karnes, and the hostess, Mrs. Kiker.

The club will meet with Mrs. John Trew for an all day quilting on November 20.

The club is sponsoring a Halloween party, Thursday night, October 29, at the Houselog school house. Coffee and pie will be served. "42" will be played and the public is invited to attend. Bring your own table and dominoes.

Circles 1, 2 Meet At Fellowship Hall

Circles 1 and 2 of the First Christian Church met in a combined service at Fellowship Center on Monday night, October 19 at 7:30, with Mrs. Jim Farrar and Mrs. Sandown Smith acting as hostesses for both circles.

Mrs. M. C. Cleveland presided during the business meeting. A program was planned for the years work and plans made for a bazaar to be held in December. Mrs. J. D. Thomas led the devotional.

Refreshments of apple pie and coffee were served to Mmes. Cleveland, Thomas, J. Gladney, Jerry Conner, D. C. Beard, A. Y. B. Nira Johnson, Duard Scott, Stanley Ietcher, J. M. Strong, Heber Brantley, Zook Thomas, Claud McMillin, and the hostesses.

Ko Shari Forms Baby Sitting Plan

Members of Ko Shari, teen-age girls club, are opening a baby sitting agency, and the group met Monday night, October 19, to make final plans.

This is a money making plan for the club, and anyone wishing to hire a sitter can phone 415 and one of the club members will take the job, they announced.

Ko Shari is the local organization of the Horizon Club, the older Camp Fire group.

Members present for the Monday meeting were Mary Ann Hunter, Renne Thomason, Donna Black, Nancy Elliott, Sharon Swift, Sally Parsons, Elionor Drake, Frankie Campbell, Linda Singley, Cynthia Watkins, Bette Elliott, and Lydia Thomas. Co-sponsors of the club are Mrs. Jim Cochran and Mrs. Horace Small.

Mrs. Elliott Hostess To Excelsior Club

The Excelsior Club met in the home of Mrs. A. L. Elliott on Thursday night, October 15.

Miss Loeva Pierce brought the program dealing with the government and world status of Canada.

Mrs. Elliott served a salad plate to members: Mmes. Bob Barnett, E. F. Bartlett, Byron Duncan, J. F. Michael, and Misses Katherine Boverie, Sara Jones, Inez Leach, Loeva Pierce, Mary Trammell, and Bonnie Willis.

Deck's DIDACTICS

—By Deskins Wells

Next Saturday is the night for the barbecue for Farm Bureau members and their families. The public is invited to hear the speech of Congressman Walter Rogers which is scheduled to start about 8 p.m.

This county is going to make a lot more cotton than was believed possible in mid-September. There is still a tremendous shortage of pullers and they may be late in arriving in this section due to extra good crops in other parts of the state.

Business could be very good for the aggressive firms of Wellington between now and next May. Of course they ought to realize that out of town firms are telling their potential customers about their merchandise every day.

Gibbs Glenn says that the crop this year is an accident — perhaps he said miracle. He says he never saw the crops look quite as hopeless as they did up until the big rain in July and it was that one rain in July that saved us from disaster.

Mr. Glenn's observation brings up the thought of more irrigation. The good well that Darrel Crooks brought in northeast of Quail shows that the Wellington to Dodson strip is not the only one that needs to be explored. Perhaps it needs to be explored much more intensively. Many think that some of the failures of knowledge and experience on the part of the drillers.

Had quite a visit with Jimmie Gillelentine of The Hereford Brand at the meeting of the National Editorial Association in Chicago this past week end. (Told him that it was a heck of a note for me to travel clear to Chicago to have a good visit when he lives just across the Panhandle.) Anyway he was telling about the price of business buildings in Hereford, how much some irrigation farmers were making, the gross of the stores and I couldn't help but compare. And the difference was and is irrigation. Enough development could change business in Wellington in a radical manner.

Everybody talks about how important education is for the individual future of our children and the collective future of our nation. But they holler to high heaven about school taxes and the increased pay for teachers continues to be postponed.

Can you hire a baby sitter for 23c an hour. That is what it costs the average person to maintain a child in school for one hour. No wonder that day laborers get more money than teachers — no wonder that the shortage of good teachers continues to get worse and worse.

Here is something that the Buck Creek Philosopher or D. E. Scott should expound upon their peculiar and different styles: I read in the daily papers where 25,000 government employees are evading their income taxes. They file a return; but just don't pay if it is more than the withholding taxes. They are in the clear as long as they file a return as far as the present law is concerned. One Senator says that it runs into millions what these employees are refusing to pay their employer — Uncle Sam. They get by because there is another law that prohibits Uncle Sam or anybody else from garnishing the wages or attaching the bank account of any Federal Employee. In private business the employer would simply take out of wages or salary what was due him, and then if he had any business sense he would fire the person who was trying to chisel on him, which means chiseling on all of the people who work with him.

Tanya Smith Teaches Twirlers

Miss Tanya Smith, freshman student in Hardin-Simmons University, Abilene, and former twirler for the Skyrocket band, is teaching twirling to majorettes of the Coahoma high school band, where her brother-in-law, Dillon Bowden, is band director.

Coahoma is approximately 90 miles west of Abilene, and Miss Smith makes the trip regularly each week.

She is the daughter of Mr. and Mrs. Willie Smith.

Harold Wayne Moore, son of Mr. and Mrs. Leslie Moore was home from Bethany College to visit for the week end.

Senior Follies -

(Continued from Page One)

Dakil, Bickerstaff and Bawcom. This will be followed by a tap dance by Miss Dickey and Sharon Elbert Gibson.

The one-act play, "Campaign for Two," is about two contestants for student council president, a boy and girl who once were sweethearts and still like each other but won't admit it. The cast will include Miss Aaron, Bickerstaff, Miss Uselton, Miss Crawford, Donald Sessions, Hiett, Miss Bartlett, Duncan and Miss Karnes.

The chorus, including Miss Ward, Miss Uselton, Miss Dickey, Miss Karnes, Joyce White, Beatrice Hutchins, Mrs. Gibson, Miss Graves and Miss Smith will present themselves and do "Ten Pretty Girls."

The complete cast for "No! No! A Thousand Times No!" has not been selected.

Closing out the Follies will be a return of Donald Green in his hit-part from the Junior Follies, "The Shiek." This time, it is "A Modern Day Shiek," with a comparatively new script. Jimmy Strickland will again play Yasmin, his right hand man. Others in the cast are Miss Crawford, Miss White, Miss Ward, Delores King, Miss Aaron, Dun-

can, Miss Karnes, Miss Hutchins, Bill Hall, Lester Montgomery, and Bill Warrick.

Tickets are now on sale by the senior class.

den City officiating. Burial was in the Slater Chapel cemetery.

Survivors are five sons and three daughters: Will Jones, Waldo Porter, and Mrs. Mae Rhodes, with whom she made her home, all of Nolan; Rev. Porter of Wellington; O. Z. Porter of San Angelo; J. W. Porter of Roscoe; Mrs. Myrtle Burns of Plainview; and Mrs. Lizzy Curry of Las Cruces, N. M. There are 22 grandchildren and 35 great grandchildren.

Going from here were Rev. and Mrs. Porter Sr., Hollis Porter and Mrs. D. C. Lacy. They were joined by Mr. and Mrs. J. K. Porter and family of Memphis, the Rev. and Mrs. R. L. Porter and children of Brownwood; and Rev. M. L. Porter of Vernon.

Visiting here during the week end were Mr. and Mrs. Clarence Hunsaker of Lubbock, who were guests of their parents, Mr. and Mrs. Gibbs Glenn and Mr. and Mrs. Jess Hunsaker.

Rain to 4 Inches -

(Continued from Page One)

Mrs. Bill Harbin reported an inch of rain at Loco Wednesday. Zook Thomas of Lillie said his rain gauge caught an inch and a half.

With the cotton still wet, one experienced ginner here said it was too early yet to say what the damage to the grade will be. That can be determined only after the cotton dries out.

A large acreage of the county's wheat is already in.

The October rainfall has been reported by Jim Williams, who has the government rain gauge, as follows:

Oct. 3 — 2.41 inches.
Oct. 14 — 2.10 inches.
Oct. 19 — .65 inch.
Oct. 21 — 1.30 inches.

Guests of Mr. and Mrs. G. N. Tucker and Miss Della Tucker from Friday until Sunday were Mr. and Mrs. Al Cure of Bowie; Mr. and Mrs. J. W. Cure and Stevie of Fort Worth; and Mr. and Mrs. Bob Myers and Gladys Lee of Pueblo, Colo. The Mrs. Cures are nieces of Mr. Tucker and Miss Tucker, while Mr. Myers is the son of Mrs. Tucker.

Plans Complete For Chili Supper

Plans are complete for the chili supper to be sponsored by the Band Mothers Club Thursday night, October 22, at the community building, Mrs. Osa Black, president, has announced.

The supper will be served from 6:00 to 8:00 p.m., and the meal will include homemade chili and homemade pie.

Advance tickets are on sale, and also may be bought at the door.

Clean-up Day At Junior High

Junior high students are holding a Clean-up Day Tuesday, October 27, when they will clean their building and the school grounds, Lee Plante, principal, has announced.

The work is being done under the direction of the junior high student council, composed of Ronnie Thomason, president, Alicia Ham secretary, Twyla Reeves, Jerry Elbert Sondra White, Betty Jo White, Pauline Martin, Elouise Bowen, and Judy Glenn.

McMillin Lumber Observes Sixth Anniversary Here

Dudley McMillin, owner of the McMillin Lumber and Building Supply, reminded that this week the business is observing its sixth anniversary in Wellington.

"We are indeed grateful to take this opportunity to say thank you to the people of this area who have made our success possible. It is also a chance to say that we will be serving you with quality merchandise many years ahead," the owner said.

He added that the firm constantly keeps abreast of the building trends, thereby offering both the home builder and the commercial builder the latest in supplies, along with the building staples that never change.

Working with Mr. McMillin are his nephew, Sandy Parsons III, and Herman Harris.

Mr. and Mrs. Earl Alexander and their daughter, Betty, accompanied by Miss Marilyn Dickey spent the week end in Abilene where they attended Abilene Christian College Homecoming activities and visited with their son, Freddie Alexander.

Black, Feemster Lease Station

Homer Holton, Gulf consignee, has announced that he and his son, Howard Holton, have leased their service station at the corner of Eighth Street and Highway 83 to Bill Black and Elmer Feemster. They have already taken over the management.

Mr. Black has been employed at the station for some time, while Mr. Feemster has been engaged in farming. Both are widely known in the area.

The new managers of the station invite their friends to visit them at their new business location.

Jimmy Agee from North Texas State College at Denton was home over the week end visiting with his parents, Dr. and Mrs. J. C. Agee.

Mr. and Mrs. Alvin Horton and son, John, and Jonakin Cecil, and Wesley Savage visited in Dumas on Sunday with Mrs. Horton's brother, Mr. and Mrs. John King and Eleanor. Mr. King had the misfortune of getting a foot broken on Thursday of last week when a pipe fell on his foot while he was working at the Shamrock Refinery. He has been undergoing considerable pain and will not be able to work for some time.

Principals to School Meeting

Bennett Goodloe, high school principal, and Lee Plante, junior high principal, will attend the annual meeting of the Texas Association of Secondary Principals in Fort Worth from Sunday through Tuesday, October 25 to 27.

Secondary school administrators from throughout the state will attend.

Mrs. Goodloe will accompany her husband and they will also visit members of his family in Fort Worth.

Mrs. Elroy Cooper and daughter, Sandra spent Sunday in Marlow, Okla. visiting with their son and brother, Beryl Cooper and Mrs. Cooper's parents, Mr. and Mrs. E. W. Cook, and a sister, Mr. and Mrs. E. B. Wagner of Duncan and a brother, Frank Cook and family of Marlow.

Mr. and Mrs. George Henry visited, recently with her parents in Floydada, Mr. and Mrs. Jess Shurbet, and a sister, and husband, Mr. and Mrs. W. L. Orman, and they also visited with Mr. Henry's brother and family, Melvin Henry. Mr. Henry went on to Muleshoe to a business meeting.

Our 6th Anniversary As Your Supplier of

LUMBER and BUILDING MATERIALS

Anniversaries are important milestones in any business, for they measure the years of service a firm, particularly one like ours, renders, the people of an area.

We are grateful to our friends, who are also our customers, for their support. Only this has made our growth possible. It has always been our aim to supply you with those building supplies that will stand the test of time — for that is the real standard by which to measure the materials of which you construct your home or business building.

We are grateful to see our supplies

This is our sixth anniversary and we can truly say they have been among the happiest and most useful years of our life.

going into so many of the new homes, farm improvements and business buildings in the past six years. We believe it reflects your confidence in us. All these are buildings that mean permanent improvement to Collingsworth county . . . for a good building is of real value.

On this our sixth anniversary, we invite you to visit us at any time and see what we have to offer.

"Bigger pies, not smaller slices"

We ran across a new word the other day... "demographer." That's a research man who studies statistics on births, deaths, populations.

Well, it seems the United States will have 20 million more people aboard by 1960, or thereabouts. Logical enough. We gained 20 million people in the forties.

Bigger pies are the order of the day. In the electrical industry, for instance, men with sharp pencils have figured that demand for electric power will have doubled during the decade ending in 1960. More power equipment is therefore needed. More electrical machinery for industry.

And better pies. Americans insist on better products, year by year. Somebody has to pioneer things. Looking ahead for five, ten, fifteen years—creating new and better products and improving old ones—that is the business of General Electric. For seventy-five years progress has been our most important product.

The babies who come into the world today won't want smaller slices of the world's goods and opportunities. Or even the same slice. They'll want more. Wait and see. Nothing less is worth planning for by the people who must organize for the future. It's no job for pessimists.

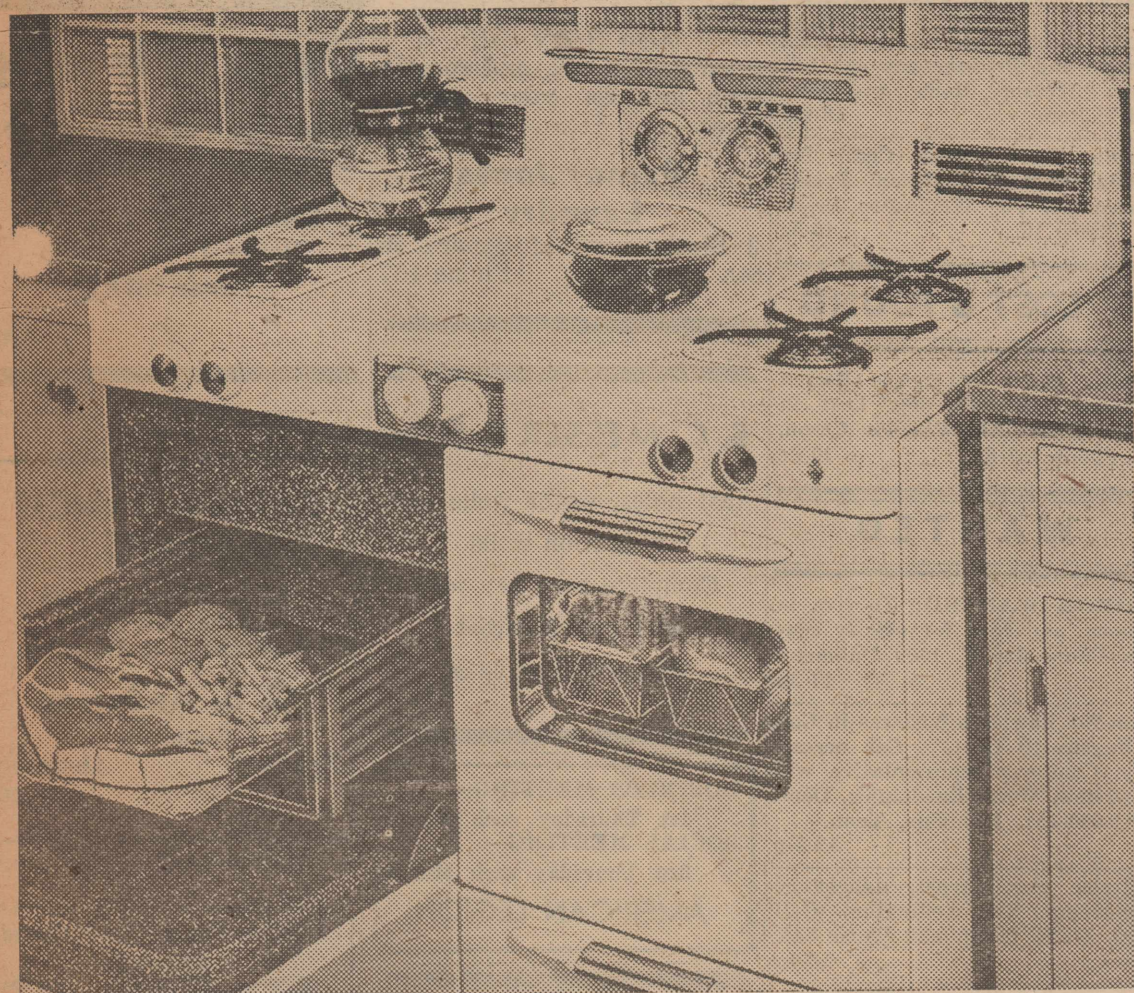

You can put your confidence in—

Know Your Hospital

Our hospital, and it is our hospital, is a vital part of our community. Each of us should be acquainted with its functions and its problems.

The purpose of this series of articles is to so acquaint us.

St. Joseph's Hospital is a Blue Cross member hospital, an active member of local, state and national hospital associations, and has the distinction of being fully approved by the American College of Surgeons. It means that the hospital has fulfilled the standards set by this organization. Such recognition is rarely attained by small hospitals.

There are less than 35 fully approved hospitals of this size in the United States and Canada. The nearest fully approved hospital is located in Amarillo.

On the staff of St. Joseph's Hospital are six registered nurses, which is a far greater number of registered nurses than is to be found in any other 35-bed hospital. This is made possible by the contributed services of the sisters of St. Joseph's Hospital. They serve you regardless of race, creed or color. Their wonderful spirit of service should be recognized by each of us. They have never turned any one away for lack of ability to pay.

In further articles we will attempt to answer questions that have arisen in the past and will arise in the future. That is the only way in which you can know your hospital.

Spillman Attends Lawyers Meeting

Attorneys from this area served notice Friday, Oct. 16, during a meeting at Amarillo that they plan to protect the public from illegal practitioners of law.

Present from Wellington was W. P. Spillman.

Sixty-seven Panhandle attorneys attended the day-long Public Protection Institute at the Herring Hotel. They discussed means of stamping out unauthorized practice of law.

Six widely-known speakers talked under the auspices of the State Bar of Texas. They outlined how the lawyers present could aid in the State Bar's current, all-out campaign to protect the public.

A keynote speaker, R. A. Kilpatrick of Cleburne, said:

"The public is the big loser when deeds, leases, wills and contracts are improperly drawn by persons with little concept of proper legal procedure. These improper documents often lead to expensive and unnecessary legal action in attempts to clear them."

"Much unauthorized practice is done through real estate brokers, banks, notaries public, insurance firms and abstractors," Kilpatrick said, "even though Texas statutes prohibit them from practicing law unless they are members of the Bar."

The State Bar plans to seek injunctions to halt such illegal practice, added Kilpatrick, who is chairman of the State Bar's Committee on Unauthorized Practice of Law.

Other speakers included Everett L. Looney, Austin, president, State Bar of Texas; Melvin F. Adler, Fort Worth, Associate Justice Clyde E. Smith, Supreme Court of Texas; Vernon B. Hill, Mission, and W. J. Rochelle, Jr., Dallas.

Miss Kiker in Princess Run-Off

ABILENE — Veda Mae Kiker daughter of Mr. and Mrs. O. A. Kiker of Wellington, is in the run-off for Reservation Princess at McMurry College, Abilene. Election of the campus favorite was scheduled for Tuesday, October 20, with the winner to be announced at the Methodist colleges' homecoming, November 14.

Miss Kiker is a senior speech major at McMurry. She is president, this year, of Delta Beta Epsilon, women's social club, and is a member of the Science Club and McMurry Theatre.

She was chaplain last year for Delta Beta Epsilon, and was also secretary of the Girl's Social Club Council.

In Wellington High School, from which she graduated in 1950, Miss Kiker was drum major for the Rocket band, and was vice president of her sophomore class.

She is running against Patty Ray Boothe, Sweetwater senior.

SALT FORK

By MRS. R. H. ISBELL

We had a wonderful rain out here last Wednesday night. No hard wind or hail for which we're very thankful. Cotton pullers are needed out here badly and we have some really good cotton.

Our speaker Sunday morning was Mr. John Forbis of Wellington. Mr. Forbis said not to say his message was a sermon, that he was just a layman so he was making a talk. Any way we enjoyed his good talk. His subject was "Christ Calls Men." Several of our regular attendants at Sunday school were absent. We surely hope they are not sick and will all be back in their place next Sunday.

Mrs. G. C. Wright, Mrs. R. H. Isbell and George Isbell visited friends and relatives in Mangum, Oklahoma, last Thursday. Among the friends visited were the J. R. Pattersons, life long friends and neighbors of the Wrights and Isbells. Mr. Patterson is in very poor health. He is 84 years old and getting very feeble, but he still remembers his old neighbors. He said, "yes, I remember George Isbell and Cannon Wright. We belonged to the same church and were lodge brothers back in the pioneer days. People appreciated one another more then than we do today. We're living too fast to be good neighbors like people were in the early days."

Mrs. Wright and the Isbells also visited Mr. and Mrs. Fred Hunt and daughter, Miss Bobby Hunt. Mrs. Hunt is a cousin of the Isbells and a niece of Mrs. Wright. Mr. and Mrs. C. A. Wright and Edna Ellen were shopping in Shamrock last Thursday.

Mrs. Weymon Moody and family visited her sister, Mrs. Richard Peters and family Sunday.

Mr. and Mrs. Ray Maxwell and children visited his mother, Mrs.

Hood, Woods Stand Out

Bobcats Roll Up 47 to 7 Victory Over Rockets

By DON SCOTT

The Childress Bobcats, sparked onward with the thought of another shot at the district crown, and with the help of little Billy Browning, rolled to a 47-7 victory over the Wellington Skyrockets at Childress Friday night. The Childress team's morale was further boosted when the news was received that Burkburnett had won their game with Olney, who had defeated the Bobcats the previous week.

The Wellington team was all thumbs throughout Friday night's game. Only the sharp running of Odie Hood and the good ball-handling of Lonnie Woods, kept the Rockets from being skunked. The Bobcats took early advantage of the Rocket slump, and at the end of the first half the score was 19-0.

The Skyrocket line tried time and again to move the stubborn Bobcats, but failed. The Childress passing ace, Castleberry, and Bobcat End Dan Raney, connected several times for large gains. The Rockets' only score came in the third quarter when a pass was good from Lonnie Woods to Odie Hood, who traveled 53 yards for the 6 points. Doolen Starkey, Wellington tackle, kicked the extra point.

Bobcat Halfback Billy Browning accounted for four of the seven Childress TDs. Jay Sharp, 160-pound center, intercepted a Rocket pass and went all the way for another. Odie Rippey, substitute quarterback, racked up another of the Childress scores, and Fullback Sam Wrinkle made the remaining one.

FIRST QUARTER

Starting the first quarter of play, the Bobcats received the kick on their 30-yard line, where it was covered. With Browning attempting to smash the Rocket line, Castleberry gave him the ball twice and he gained 3 yards. Castleberry faded back for a pass, but Rockets Johnny Brock and Ed Bawcom caught him 3 yards behind the line, putting the ball back on the Childress 30, where the Bobcats punted.

The kick sailed to the Wellington 40, where Douglas Duncan took it and raced to the 47, where he was stopped by the Childress line. On the next play, both teams received penalties. From the 48, Odie Hood and Dennis Holliman made 3 in two tries and moved to the Childress 49. Duncan attempted a long pass, but it fell incomplete. Duncan punted and the ball landed on the Bobcat 10. Castleberry carried to the 31.

Browning took the ball on a handoff and smashed over the Rocket line for 6 yards and Castleberry pulled a keeper around for 7 more and a first down. Sam Wrinkle, on a power play, crashed through and made 5, then Castleberry, on another keeper, was brought down 2 yards behind the line by Billy Agee. Lindley Davis got it back and one more on the next play, but it was short of a first down and the Bobcats punted. The kick went to the Wellington 10, and Woods brought it out to the 15.

With the ball in Rocket possession, Duncan carried one yard over left tackle and Hood carried twice in succession for 6 on line bucks, and the Rockets punted. With Duncan back, the kick went straight up and came down 2 yards behind him, where the Bobcats took over on the Wellington 19.

On the first play the Bobcats received a penalty but the Rockets declined. Little Browning went around end to pick up 12 yards

and put the ball on the Rocket 7. Castleberry carried for 1 and Davis made 4 to the Rocket 2, where Sam Wrinkle powered over for the first Bobcat touchdown. Cagle's try for extra point was no good.

Rocket Quarterback Lonnie Woods caught the kick-off on his 20 and carried to the 30. Halfback Holliman took a handoff and went 2 yards, then Woods gave the ball twice to Duncan, who picked up 6, and again the Rockets punted, from their 38. Duncan back, the ball carried to the Bobcat 40, where it rolled dead. On the first play, Lindley Davis went around end and raced to the Wellington 40 as the quarter ended.

SECOND QUARTER

Starting the second quarter on the Rocket 40, the Cats' Quarterback Castleberry tried a pass which was incomplete and again Davis tried end, picking up 7. Another pass by Castleberry was incomplete and the Bobcats punted to the Wellington 37, where the ball went out of bounds.

Lonnie Wood completed another pass, this time to Duncan, taking a handoff from Wood, made 2 and another pass put the Rockets on their 46-yard stripe. Wood tried end and covered enough ground to put the ball on Childress' 41 where, after an incomplete pass, the Rockets punted. Duncan again was rushed for time and the ball came to rest on the Childress 38. On the Bobcat's first play, Browning fumbled and Wellington recovered.

On the Bobcat 45, Duncan, Hood and Holliman picked up 10 yards in three plays for a first down. Duncan again took the ball and carried for 4. On the next play the Rockets drew a 15-yard penalty, giving them second and 11. Holliman, on an end run, fumbled and gave the ball to Childress on the Wellington 42 after picking up several yards.

The Bobcats started clicking and Castleberry picked up 11, then tossed a pass to Browning for the remaining yards to the Wellington goal. Leland Cagle kicked the extra point and the score stood 19-0.

The Skyrockets received on their 15-yard line and Duncan, who picked up the ball, was dropped before he could cover any ground. The Wellington team, playing against the clock as the first half neared its end, had Duncan trying to connect with a long pass to Bawcom, but it was too tall. Wood tried a throw to Hood, who caught it and scampered 20 yards to the 35 as the half ended.

THIRD QUARTER

The second half of the ball game started with Billy Agee receiving for the Rockets on his 33, where he was dropped before he could get going. Again the Rockets took to the air in an attempt to score on the Bobcats. Two passes were tossed at Bawcom, but both fell incomplete, then Hood skirted right end and failed to find an opening, making only two yards. On the last down the Rockets kicked to Castleberry who took on the Childress 30 and carried to the 40.

The Bobcats fumbled on their first try but recovered for no gain, and after two incomplete passes, kicked. Duncan received on his 20 and carried to the 24.

The Rockets brought the ball up field to their 47 by Duncan and Hood alternating with Holliman and Wood for several short-gain runs, before they were forced to punt. The kick carried to the Bobcat 15, where it was brought out to the 21.

The ball in Childress hands on their 21, made the Rocket defense loosen up and on the first play Davis scooted around right end for a gain of 11 yards. On the next play the Bobcats lost this gain by a 15-yard penalty, putting the ball back on their 17. Again Davis skirted end, this time for 26 yards to the Childress 42. Billy Browning took and dashed 58 yards over left tackle and crossed the goal line standing up. Cagle again put the ball through the uprights and the score rose to 26-0.

The Rockets took the kick-off on their 20, where Odie Hood carried 14 yards before the Childress Bobcats could bring him down. Halfback Holliman tried an end sweep but was brought down by Claude Lane just on the line of scrimmage. Duncan took the ball and covered 5 yards, then for almost the first time of the game, something worked for the Rockets and Odie Hood, on a pass from Lonnie Wood, outran the Childress backs 61 yards to cross the Bobcat goal line. Doolen Starkey, Wellington tackle, kicked the extra point to give the Rockets their 7 points of the evening.

On the kick-off, the ball came to Browning who raced through the entire Rocket defensive and slipped on his 47. The Bobcats got off three plays, but the Rockets held, and they punted. The ball went out of bounds on the 50.

Holding the ball on the 50 yard line, the Skyrockets tried a series of plays but none of them worked. They punted to the Childress 24, where the ball rolled dead. Castleberry completed a short pass to Don Raney for 6 yards, then Browning again caught one of Castleberry's tosses and this time ran 70 yards for another Childress score. Cagle converted and the score was 33-7.

FOURTH QUARTER

Duncan took the kickoff, but as he started to run, slipped and fell on his own 3. After three downs the Wellington team was on their 2 and Duncan went into punt formation but passed to Ed Bawcom, who brought the ball to the 13. Trying to pass, Lonnie Wood threw, but Jay Sharp, Bobcat center, raced in to take the ball and raced through a bewildered Rocket crew for a TD. Cagle again kicked and it was good. Score 40-7.

Duncan received the kickoff and paced the Bobcat team all the way back to Childress' 36, but on four tries the Wellington team failed to gain enough yardage for a first down and the Bobcats took over on their 28.

The Cats were held to a standstill and punted to Wellington's 15, where Woods brought the ball out to his 25. The Rocket team rolled on and gained several yards, but after a 15-yard penalty and losing 7 on a pitchout to Holliman, were back on the Rocket 29, and Duncan kicked. The kick was partially blocked and Alan Clifton caught it just one yard downfield, but Duncan turned and brought him down on the Rocket 17.

A 5-yard penalty against the Rockets put the Bobcats on the Wellington 12, where Odie Rippey

I've been away too long...

A MAN forgets how a happy house sounds when he's been away from the snap of a fire or the soft whimper of his dog or the hum and hustle of his wife fixing dinner. I know—I've been away.

I've been away since the day I lost my hearing. When sound is shut out of your world—your world goes with it. Anyway, it seemed that way to me.

Friends had no place in my world because I couldn't share their laughter and talk. I left my records because I couldn't enjoy their music. The sadness in my wife's eyes told me I'd left her, too. I retreated. I read, I walked, I did the things a man can do alone. In fact, I got so wrapped up in adapting myself to this completely new life, I forgot hardness of hearing could be fought

and defeated. My wife never forgot and one day her eagerness... her loving belief that something could be done urged me to see a hearing-aid specialist. What I saw there amazed me! Hearing aids no bigger than a package of cigarettes! Hearing aids that weigh no more than a few ounces! Hearing aids with a precision I never dreamed possible.

I'm wearing one now. When I first wore my hearing aid, I was self-conscious. I guess wearing glasses makes you feel the same way. But, after a couple of days had gone by, and everybody had taken it for granted, I took it for granted, too! I stopped thinking about it and started to get reacquainted with a life I've been away from too long.

B-ROCKETS CLEAN OUT LITTLE BOBCATS IN FIRST DISTRICT GAME

By DON SCOTT
The Wellington B-team met the B-Bobcats at Childress and came out on top for their first district game Thursday night, October 8. The Wellington-B led the Childress-B all the way with the game ending in a 38-7 victory for the Rockets. The Bobcats had already won one conference game from the Quana-B but this was the first for the Wellington team.

Humble Promotes Dr. H. A. Holcomb

The promotion of H. A. Holcomb to senior research chemist has been announced to Research & Development at Humble Oil & Refining Company's Baytown refinery. The son of Mrs. Jennie Holcomb of Wellington, Dr. Holcomb was awarded the B. S. degree in chemical engineering at Texas Technological College, and M. A. and Ph. D. degrees at the University of Texas. After having spent several years in the Bureau of Industrial Chemistry at Austin, he joined Technical Service Division of Humble Oil and Refinery Co., at Baytown refinery in February, 1952, where his assignments involved technical contact work and studies of the economic justification for new pipe stills.

Sparklers Tie Bobkittens 6-6

By DON SCOTT
The Wellington Junior High football team met the Bobkittens of Childress Junior High in a district battle at Childress Thursday night, October 8. The Wellington Sparklers paced the Bobkittens all the way up the last quarter when the Childress team crashed over from the 6 yard line to tie up the game in a 6-6 score.

46 and, sparked by Cobb and Maxie Tarver, they went down the field for the second Wellington tally. Midway in the same quarter the Rockets took over on their 47 and marched 53 yards for another touchdown, making the half time score 19-0.

Starting the third quarter, the Bobcats received but failed to make a first down and with the Wellington team in possession of the ball, Cobb broke away for a 65 yard run and the Rockets fourth tally. In the remaining seconds of the third quarter the Bobkittens were on the Wellington 25 and tried a pass but Duggie Jamerson, Wellington Quarterback, snagged the ball and galloped 75 yards to pay dirt. The conversion was good and the score stood 32-0.

Early in the last quarter the Rockets fumbled on their 11 and the Bobcats went off tackle for their only tally. Cawton converted and the score was 32-7. With minutes left in the last quarter, the Rockets recovered a fumble on the Cats 36 and Cobb carried over from the 13 yard stripe.

The B-Rockets made 9 touchdowns in the entire game, having three of them nullified by penalties; Cobb, left halfback, making 6, Tarver 1, Jamerson 1, and Fullback Teddy Stansbury racking up the last one.

The B-Rockets will have a return match with the B-Bobcats in Wellington Thursday night, beginning about 8:00 or immediately following the Junior High game, which starts at 6:00.

Personal

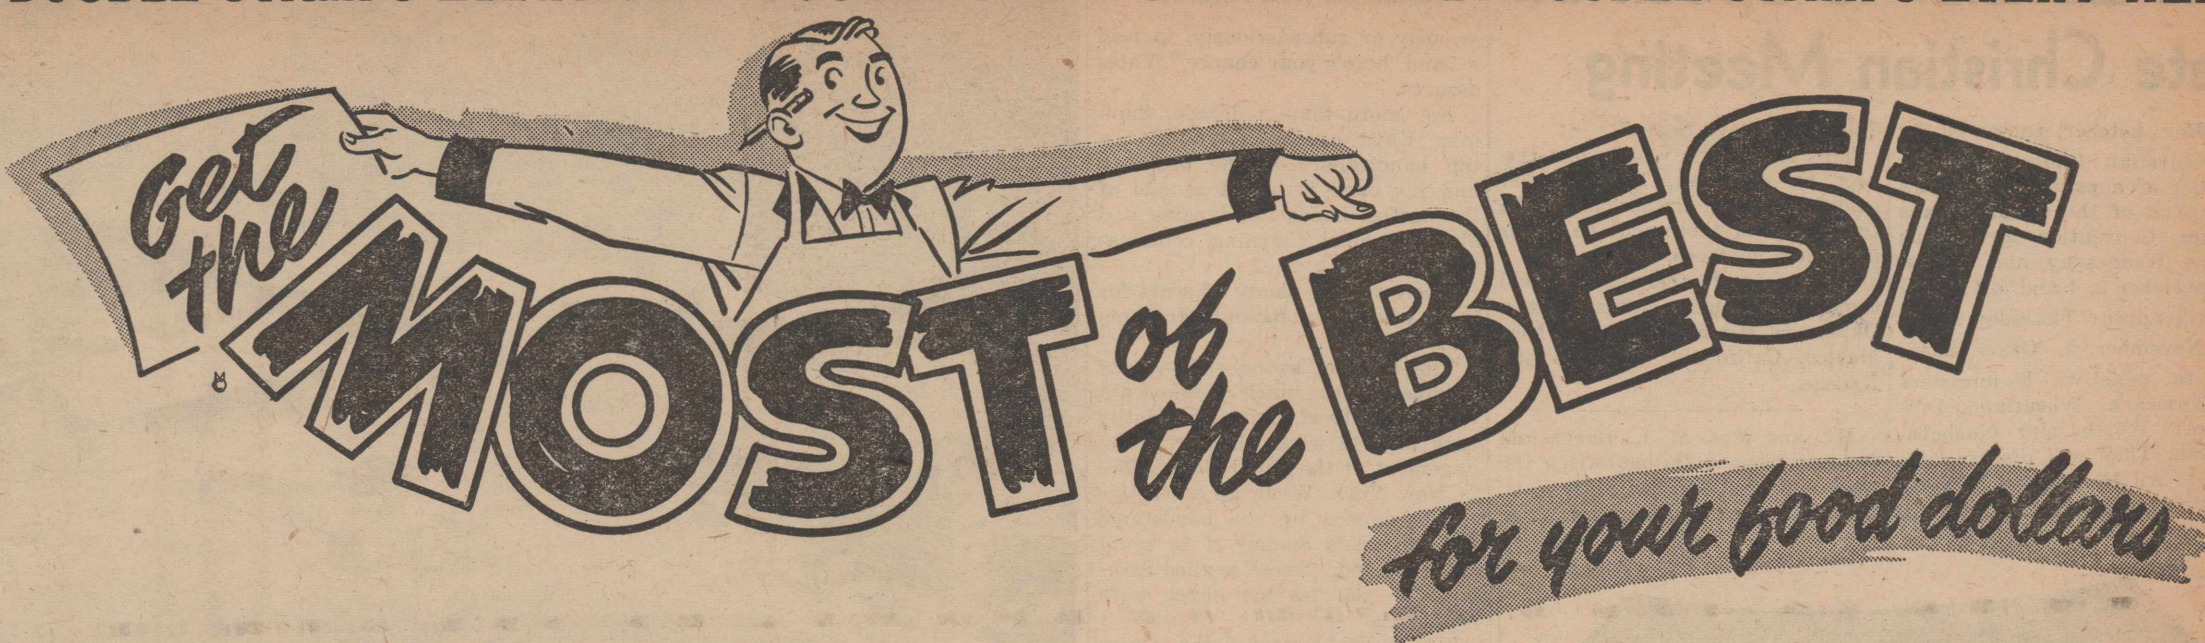

Mr. and Mrs. Charlie Starkey accompanied T. B. Starkey to Clarendon recently where he was met by Mr. and Mrs. Bill Boston of Goodnight, and they all visited with the Henry Browns' of Dimmitt. Mr. Brown had the misfortune of losing a leg in a gin accident last year and has undergone a serious operation, but is now able to be up part of the time.

Freddie Alexander and Jerry Drummond were here recently visiting with parents and friends. They are both students at Abilene Christian College.

Mrs. Pink Sullivan and Mr. and Mrs. J. W. Dickens of Big Springs returned Wed., Oct. 7, from a ten day visit with relatives and a tour of some of the Eastern states. They visited in Memphis and Knoxville, Tennessee, and New Albany, Mississippi. Mr. and Mrs. Dickens left on Thurs., Oct. 8 for Dallas where they attended the Fair and football game in the Cotton Bowl on Saturday, October 10.

Rev. Letcher to Speak at State Christian Meeting

The Rev. Letcher, pastor of the First Christian Church, will be a member of a panel of speakers at a session of the annual Texas Christian Convention in Dallas Tuesday, Wednesday and Thursday, November 3, 4 and 5.

He will appear Thursday afternoon, November 5. Other members of the panel will be ministers from Corsicana, Wheatland, Dallas, Fort Worth and Nashoba, Oklahoma. They will discuss "All Things to All Men That I May By

All Means Save Some."

This convention will in one respect be different, Rev. Letcher said. More panel discussions will be featured and there will be fewer individual speeches.

Speakers and panel members will come from eight states, Texas, Oklahoma, Missouri, Arkansas, New Mexico, California, Colorado and Kansas.

Mr. and Mrs. M. L. Burks and children were in Dallas during the week end to attend the State Fair.

sciously or subconsciously, to lead a band, here's your chance," Yates assures.

For more than a decade, Sammy Kaye has been one of the top bandleaders in the business, and his band is hailed as one of the perfect bands for dancing and also the ideal listening combination.

There will be plenty of seats for those who prefer listening to dancing.

The King of swing—and—sway discovered how much people want to lead a band quite accidentally back in 1942 while playing an engagement at the Hotel Commodore in New York. When an attractive couple danced by the bandstand, the boy asked Sammy if he could lead the band. "Sure," replied Sammy, "if you let me dance with your girl."

"It's a deal," agreed the young man who put on a hilarious show and met with such enthusiastic applause that others wanted in on the act, too. Sammy was besieged by requests to lead the band. Always an alert showman, he incorporated the stunt as a permanent feature of the band, devising a system which allowed four contestants, two men and two women, to take over the baton at every performance. The orchestra actually follows each movement of the amateur's baton—invariably laugh-provoking.

and Mrs. H. B. Lowry.

The North Wellington and Midway Home Demonstration Clubs are in charge of the covered dish luncheon.

While Mr. Harp has not announced the subject of his address, it will be one of interest to all farm women and others as well, Miss Trammel said.

Also featured will be reports by girls who attended the State Fair, Ellen Messer of Quail Lois Amerson of Samnorwood, Sara Baird of Dodson and Sherry Smith of Wellington. Joyce Amerson will give the reading which she used in the state speaking contest.

Mrs. Henard -

from the office.

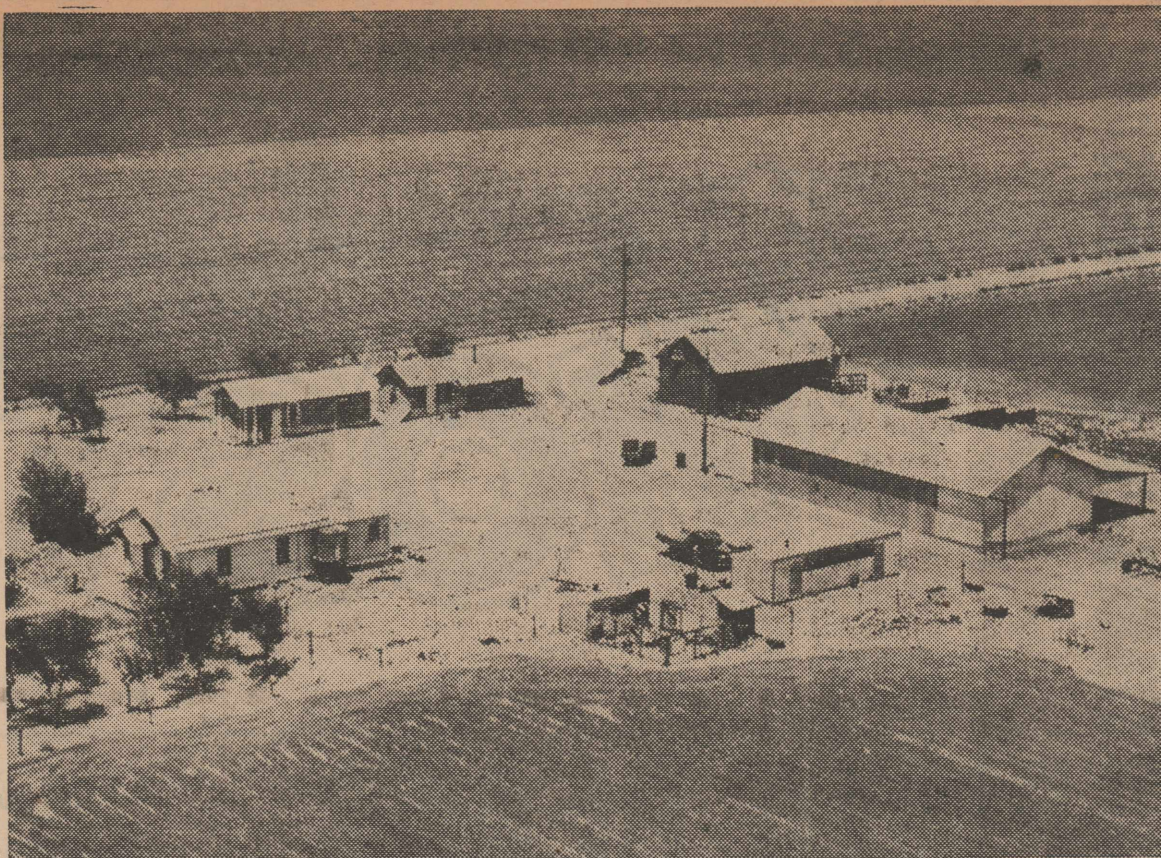

Mrs. James Richardson was elected vice president to replace Mrs. Henard.

During the business meeting plans were made to buy folding chairs for the room used by the PTA, and for other purposes at the school.

Later parents visited with their children's teachers.

Trying for the attendance prize, given the room with the most mothers present, were those of Miss Mary Alston and Mrs. Bernice Welch.

The next meeting will be held Wednesday, November 11, when an educational movie on child psychology will be shown.

MYSTERY FARM NO. 12

This well-improved mystery farm reveals that the owner has a great deal of pride in his home, and that the entire farmstead has been well planned and is kept unusually neat. The first person coming to the Wel-

lington Leader with the identification after 8:00 a. m. Thursday morning will receive passes to the Ritz Theatre. The owner will receive a picture like the one above if he will call at the newspaper office.

VISITATION PROGRAM AIMS AT CLOSER SCHOOL-HOME RELATION

By the approval of the school board, a program of home visitation has been worked out for the Wellington Schools. The program will include Elementary, Junior High, and High School. A period of one week will be taken from November 2 to 6 inclusive.

The schools will dismiss classes at 2:00 each afternoon during this week and visitations will take place during the remainder of the afternoon.

The Purpose of the program are to get acquainted and improve school-community relations; to gain a knowledge of the physical, intellectual and emotional environments in which pupils live; to gain an understanding of the needs and problems of the pupils and of their families; to gain parents' ideas of what they want their children to learn.

It is the desire of the school to become better acquainted with the community, its people, and its affairs. In turn, it is hoped that by this meeting, the community

will become better acquainted with the school. Improvement of relations between the school and community should result.

Heading the steering committee for the Home Visitation Program is Stanley M. Brooks as chairman, assisted by Lee Plante, Sarah Jones, and Betty Welch. Serving on sub-committees are Fern Jones, Roland Jenkins, Gladys Leggett, Mrs. Lee Plante, Sandra Ainsworth and Mrs. Calvin Adecock.

Training Union Meeting Tuesday

A Training Union Zone meeting of seven Baptist Churches of the area was held at Wellington Tuesday night, October 20.

Members of the Wellington group were in charge of the program.

Attending were young people from the churches of Rolla, Dodson, Loco, Quail, Lillie, and Faith Baptist and First Baptist Churches in Wellington.

CANDIDATES CHOSEN TO ANNUAL CARNIVAL QUEEN CONTEST

Candidates for carnival queen have been announced by the four classes of Wellington high school, and campaigning in earnest will begin Saturday, October 24, Bennett Goodloe, high school principal, has announced.

Candidate from the senior class is Barbara Graves, while Nelda Terry represents the juniors, Linda White the sophomores and Ada Carole Thomas the freshmen.

The queen race is a money raising affair for the four classes, and

all have an equal chance. All money raised between Saturday morning, October 24, and Saturday noon, October 31, may be applied by the classes toward electing their queen.

The identity of the winner will not be revealed until her coronation at the traditional Halloween Carnival Saturday night, Oct. 31.

The classes will use the money raised to finance various events during the year.

Something really Special -in power, room, ride, price

WE picture here a car that keeps our order book pages turning quicker than quick.

It is the 1953 Buick SPECIAL 4-Door Sedan—the bargain value that doesn't stay long on our showroom floor.

For this is the best-selling Buick in the land—snapped up by eager buyers who know something really special when they see it.

For your information, we present some SPECIAL facts.

It has a Fireball 8 Engine with the highest power and compression ratio ever placed in a Buick SPECIAL—plus, if you wish, the instant getaway response and utter smoothness of Twin-Turbine Dynaflo.*

It has easy-sitting-room for six adults—as much room as you'll find in cars costing hundreds of dollars more.

It has a ride unique among automobiles. The

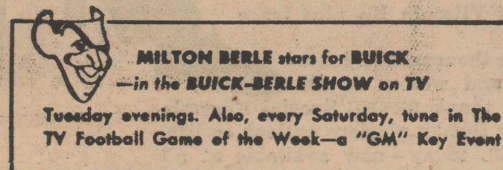

Buick Million Dollar Ride. The soft and steady and ever-level ride that comes of coil springs on all four wheels—a full-length torque-tube drive—a massive X-braced frame—a solid and substantial roadweight poised with meticulous balance on broadly spaced wheels.

But what makes the Buick SPECIAL so extra special is the low delivered price it carries.

It is a price just an easy step above the so-called "low-price three"—and a price that gives you more room and power and ride-comfort for your money than you get in any other car, except another Buick.

Wouldn't you like to see, sit in and drive one of these great-powered Buicks—look into its beauty, its luxury, its handling ease—and judge for yourself how small a price tag it wears?

Phone us this week, or drop in. We'll be happy to arrange a demonstration.
