### Local School Library Wins Contest Award

The Aransas County Independent School District is one of four school systems in Texas chosen to represent the state in national elementary school library contest, it was learned today.

Judges in the Texas Education Agency eliminated 18 other school systems which had entered the contest from across the state, and submitted applications of the top four to the American Association of School Librarians in Chicago, Ill., where they will be reviewed by a national committee.

Other Texas schools qualifying for the national level contest, are North East Independent School District of San Antonio, which was rated first among four Texas schools; Port Aransas Independent School District; and Victoria Independent School District.

The program is sponsored by the Encyclopedia Britannica, which has recognized the need for high quality libraries in elementary schools. Cash prizes of $200 will be awarded the two finalists in the national competition, and winners will be named during National Library Week, April 21-27.

This is the first time the program has been held. Judging is determined on the basis of information furnished by the applicants. Judges consider the amount of money devoted to libraries in the school budgets, the amount of improvement made during the past few years, and future plans of the library personnel.

Mrs. Lois Garver, a library service consultant for Texas Education Agency announced the four statewide winners. She said all 22 schools in Texas were in a category having fewer than 25,000 scholastics.

The play is a modern version of the second shepherd's story, a Christmas play performed during the medieval period, and concerns the experiences of a little, mischievous black sheep, who visits the Christ Child. Mrs. De Angelis has chosen and adapted several old Christmas carols to be sung during the performance of the play.

## City Calls Bond Election Dec. 21

### Issue Is to Be Retired By Revenues, With No Increase In Water Rates Foreseen, Mayor Herman Johnson Says. Federal Funds Also Asked

The City Council, at a special meeting, called an election for Dec. 21, seeking approval of $200,000 in revenue bonds for expansion of the water and sewer system, and authorized McClendon and Associates to prepare an application for another $200,000 in Federal funds under the recently-approved Public Law 345.

"We need all of the funds from both sources," Mayor Johnson said, "but even if we don't get the Federal funds we're going ahead as far as we can if Rockport voters approve the revenue bond issue.

"There will be no increase in water rates or in taxes if the issue is passed. The work will be paid for out of revenues of the city's sewer and water system, and, if approved, should result in marked savings on insurance in the city, as well as rust-free water, better water pressure, and more adequate well system, and better sewer disposal."

The polls will be at the City Hall in Rockport, with the entire city comprising a single election precinct, and absentee voting on the propositions will start Monday, Dec. 10, and will close Monday, Dec. 17.

The propositions are as follows:

(1) "For issuance of $160,000 revenue bonds for water works improvements and extensions, pledging the revenue of the city's combined waterworks and sanitary sewer system to the payment thereof.

(2) "For the issuance of $40,000 revenue bonds for sanitary sewer system improvements and extensions and pledging the revenues of of the city's combined waterworks and sanitary sewer system to the payment thereof."

Aransas County has recently been certified eligible for a grant under Public Law 345, and the Council authorized McClendon and Associates of Corpus Christi to proceed with preparation of an application to the Community Facilities Administration of the Federal Housting and Home Finance Agency for another $200,000 to complete the other work needed.

With the money, if it is approved, the council hopes to install a water treatment plant, to remove iron and other impurities from the City's mains, that has been causing red water about which many complaints have been received.

They also hope to install a 500,000 elevated tank in the north end of Rockport, drill any extra wells that are needed; install a piping system and new water mains; and to replace one city sewer lift station and enlarge sewer trunks in portions of the city.

Mayor and council were in agreement that all these things were needed, but, as Johnson stated: "We just don't know where all the money is to come from, unless we get that Federal grant. If we can't do that, some of these things are going to have to be left undone."

Only resident qualified electors, who own taxable property in the city and who have duly rendered the same for taxation, are qualified to vote.

City financial agent in the transaction, is the First Southwest Company, represented by Laddie Janicek, of San Antonio.

## MISS MARGARET ANN HAYNES WEDS ROBERT O. HEWES

At a morning wedding in the home of her parents, on Saturday-Dec. 1, at 10 o'clock, Miss Margaret Ann Haynes became the bride of Robert O. Hewes, with the Rev. C. L. Simpson, officiating at the double-ring ceremony. Twin floor baskets of white chrysanthemums and greenery flanked the improvised altar where the vows were pledged.

The bride is the daughter of Mr. and Mrs. Walton L. Haynes of Rockport.

Parents of the groom are Mr. and Mrs. H. M. Hewes, of 1125 Oak Street, Danville, Ill.

Given in marriage by her father, the bride wore a Darby model sheath-type dress of white wool, in street-length, with round neck and short sleeves. It was trimmed with a belt and soft pleats at the waist. Her headress was a crescent-shaped bandeau of white satin with small circlet veil. She wore a corsage of pink rosebuds.

Matron of honor was Mrs. I. P. Herrington of Ingleside. Her dress was of ice blue wool, and her headpiece and accessories were in blending shade. She wore a white corsage.

Mother of the bride was dressed in a sheath of royal blue wool, with matching hat, and wore a white corsage.

Serving the groom as best man was I. P. Herrington of Ingleside.

A reception was held in the home following the ceremony. The table was laid with a white lace cloth and held the punch bowl and five-tiered wedding cake topped with a miniature bride and groom. The centerpiece was an arrangement of white chrysanthemums.

Serving the cake was Mrs. W. C. Beckham. Mrs. Roy Lee Hart served the punch. Miss Ann Cassel presided at the guest register.

The bride attended Aransas County High School.

The groom was graduated from high school in Danville, Ill., and was in the Air Force for fourteen years before becoming deputy sheriff of San Patricio County.

The young couple will make their home in Aransas Pass.
