Shannon Surveys Local Facility For Possible Management Takeover

Representatives of Shannon Hospital were here Thursday to meet with doctors and tour the hospital and clinic. The visit was preliminary to a possible management proposal from Shannon.

Hospital/care center board president Eddie Moore said Monday that he expects Shannon to make a proposal within a month.

"I feel Shannon will offer what we've offered without the flexibility of hospital stay rooms," Moore said. "They're going to shoot us the best deal they can.

"Both doctors have the opportunity to go out and work for Shannon," Moore said. The Shannon representatives are interested in hiring local people and some staff could be moved into the care center, Moore said.

"I don't think we'll hurt ourselves by being tied to Shannon. Professionals would be running the hospital and clinic, where I'm an amateur," said Moore.

Shannon is already operating medical facilities in Sterling City, Coleman and Ballinger. Ozona's situation would be different in that the town is larger, and there is a greater patient load, Moore said. I-10 is also a concern because of wrecks and the resulting patient load.

Discussion of a Shannon proposal is on the board meeting agenda for the Nov. 9 meeting. The meeting will begin at 6:30 p.m. in the EMS board room.

The Ladies Are Back

By Neal Ulmer
Stockman Sportswriter

The Ozona Lady Lions are back to prove they can reach the state Class 2A playoffs in basketball in 1996. With four returning starters, the defending AA state champions should once again vie for the district and beyond championships.

Coach Dickie Faught, Class 2A Coach of the Year for 1995 (199 wins and 128 losses in 11 years) is excited about starting his fourth year at Ozona High as the varsity girls' coach. He will be assisted again by Coach Rodney Johnson, who will also coach the girls' junior varsity team.

Enthusiasm ran through Coach Faught as he said, "The girls are very excited about getting the season started. They're ready for the competition from other schools in order to motivate them. The girls are continuing to work hard."

Since the rearrangement of the districts by the U.I.L. last year, the Ladies and Lions will play Anthony and Van Horn in District 5-2A.

Ozona will again be paired with Eldorado this year in traveling along with Iraan and McCamey, and Van Horn and Anthony.

For example: Ozona and Eldorado will travel to Anthony and Van Horn with Ozona playing Anthony on a Friday evening and Eldorado playing Van Horn at the same time. On Saturday (with the team spending the night in Van Horn) the Ozona teams will play Van Horn at 1 p.m. Likewise, Eldorado will travel to Anthony and play them at the same time.

In a preseason poll by the Texas Association of Basketball Coaches, the top three teams were chosen in each district. Ozona was picked first followed by Eldorado in second and Anthony in third place. The district race starts after the first of the new year.

"The girls feel they have some things to prove this year as far as having another good year and feel challenged to once again get into the playoffs and to have success in the playoffs. They don't want people to think last year was a fluke," said Faught.

Even though many publications have the Lady Lions ranked in the top three of the state in a couple of early polls, coaches Faught and Johnson know the girls want to prove those rankings.

Coaches will be seeing some new faces with the freshmen coming in and two transfers. There will be a total of 32 girls participating and competing for spots on the junior varsity and varsity squads.

The Lady Lions return 11 lettermen on the varsity squad. Ozona's sophomore Amber Tarr is returning as the 1995 First Team, State Class 2A Team member and Bobbie Bryson a third team member of the State Class 2A Team. Other returning lettermen include: senior Tara Wilkins; juniors Shelly Sullivan, Julie Perez, Megan Tambunga, Amy Laughlin and Tiffany Alamon - a transfer from Big Lake; sophomores Amber McWilliams, Autumn McWilliams, Stormi Sessom, Jessica Avila, Leslie Avila, Araceli Tijerina, Lauren Wilkins, Julie Hall, Haley Holden, Stephanie Franco, Traci Screws, Kristen Shurley, Angelica Longoria, Maria Quiroz and Stephanie Castro.

Freshmen joining the group include Donika Martinez, Lindsey Flanagan, Angela Branch, Helena Williams, Gina Castro, Lori Sanchez and Rachel Murr - a transfer from Junction.

The freshmen will add a little spark to the junior varsity team. "I feel very good about our incoming freshmen, and they will be a strong class for us in the future," said Coach Faught. "Coach Johnson and I feel that the JV will be improved from last year."

In addition to the varsity and junior varsity schedule, there will be eight JV B games to accommodate a large JV group, said Faught. The JV Lady Lions will play their first game in Ozona against Fort Stockton at 6 p.m. on Tuesday, Nov. 14. The JV B team will play their first game at 7:30 or 8 p.m. on Thursday, Nov. 16, in Eldorado. The JV B team games will be played on Mondays or Thursdays following the junior high games.

The Lady Lions' varsity team will play their second scrimmage against San Angelo Central and Snyder in San Angelo on Central's campus starting at 2 p.m. Saturday, Nov. 11.

The Ladies' first game will be Ozona against Fort Stockton starting at 7:30 p.m. on Tuesday, Nov. 14, in Davidson Gym. The JV Ladies will play at 6 p.m. Be a Lady Lion supporter and follow the team to state.

Villarreal And Sanchez Headed To State, Lions And Ladies Just Miss

By Neal Ulmer

The Lions and Lady Lions breezed through several first place finishes in district cross-country races this year, but found a tougher group of competitors at the Region I-2A Cross Country Meet in Lubbock this past weekend. The Saturday meet held at Mae Simmons Park was the location of Class 1A through 5A Region I cross country contests. However, two OHS runners will have another chance at the state meet, due to excellent personal performances.

The Lions placed fifth with a total of 166 points, missing going to the state race by two places. The Lady Lions placed seventh with 193 points, missing a berth at state by four places. The top three teams and top 10 individuals will advance to the UIL state meet in Georgetown Saturday, Nov. 11.

"Everybody ran well. Everybody in both groups will be back except Johnny Porras. It's a gainful experience that we can use next year," said Coach Pete Maldonado.

Receiving an individual berth at state is Lady Lion freshman Lori Sanchez. She placed third in the regional meet with a time of 12 minutes, 45 seconds on the 2-mile course. Lion Charles Villarreal placed fourth in the boys' division, garnering a berth at state with a time of 16:28.2 on the 3-mile regional course.

Maldonado expects these two to do well at the state meet. He said, "Charles is in the top five in the region, and Lori in the top three - they should both be in the top 10 at state."

The top 10 team placings and total points in the girls' division are as follows: 1 Sundown 93 points, 2 West Texas 133, 3 Winters 150, 4 Stratford 154, 5 Canadian 168, 6 Hart 188, 7 Ozona 193, 8 Idalou 194, 9 Abernathy 222 and 10 Seymour 232.

In the boys' division, Sundown placed first with 31 points followed by: 2 Hawley 73, 3 Boys Ranch 85, 4 Holliday 157, 5 Ozona 166, 6 Abernathy 193, 7 Eldorado 215, 8 Winters 222, 9 Anson 223 and 10 Jim Ned 231 points.

The girls' division was won by Isela Minjarez from Hart with a time of 12:35.2. Tara Jernigan of Sundown

Rodriguez Announces For Sheriff's Race

I would like to take this opportunity to announce to the citizens of Crockett County that I will be a candidate for the office of Sheriff.

I was born and raised in Ozona to the late Joe V. Rodriguez and Hilda Porras. I am the grandson of the late Adolfo and Maria Rodriguez and the late Leandro and Josefa Flores, all of whom lived and raised their families in Ozona. I am also a great-grandson of a Crockett County pioneer. I have been married to my wife, Linda, for 20 years. We have five children: Mario, Melissa, Carlos, Robbie Lynn and Jim Bob. We also have seven grandchildren. All our children attended Ozona Public Schools. Jim Bob, our youngest child, is a junior in high school this year. Our children have all lived here and are also raising their families here in Ozona.

In 1985, I was hired by Sheriff Billy Mills as a jailer. While under that title I received a Proficiency Certificate from the Texas Commission on Law Enforcement Officer Standards and Education as provided for in the laws of the State of Texas and the rules of the Commission. The Texas Commission also awarded me with a different certificate for having fulfilled the requirements of training and experience of a jailer. I attended the West Central Texas Law Enforcement Academy in May of 1985 and completed their courses of study and received a certificate from the West Central Council of Government. In August of 1990, I completed a course of study from the Texas Department of Public Safety in Uniform Crime Reporting. Judge Kathryn Mayfield presented me with a Certificate of Appreciation for dedicated service to Crockett County on Dec. 21, 1990. On May 31, 1990, I attended the Concho Valley Regional Law Enforcement Academy and completed 440 hours on the various courses of instruction in Basic Law Enforcement. Afterwards I attended the same Police Academy in November of 1991, and I successfully completed a course of study in New Law Update.

On the day of July 15, 1991, I was sworn in by Judge Kathryn Mayfield as a Crockett County Deputy Sheriff.

Furthermore, after having completed over 500 hours of training and being employed by the County of Crockett for eight years, I currently maintain a peace officer's license as Deputy Constable for the Crockett County Constable's Office.

I come to you as a dedicated husband, parent, peace officer and lifelong resident of Crockett County with an extraordinary concern for our community, and most of all, for our young people.

I see a very serious need for a positive change in Crockett County Law Enforcement. If elected, I will be a full-time Sheriff whose main goals will be as follows: (1) Every call for assistance to be answered and handled with promptness and proficiency; (2) I will place a greater emphasis on better neighborhood patrolling and better utilization of deputies; (3) I will also do my utmost best to enforce the law as fairly and as equally as it should be enforced in all cases; (4) I will also see to it that my department does likewise in handling all cases.

I hope to continue to visit with each family as I have been doing during the past eleven months in order to express my views further and to listen to any and all of your concerns. My family and I deeply appreciate all your support.

Social Security and Supplemental Security Income (SSI) benefits will increase 2.6 percent beginning with the payments that Social Security beneficiaries receive Jan. 3 and SSI recipients receive on Dec. 29, Franklin H. Upp, Social Security manager for San Angelo said. The automatic cost-of-living adjustment is made annually.

For Social Security beneficiaries, the average monthly benefit amount for all retired workers will rise from $702 to $720. Plans Completed For Annual Style Show

Xi Sigma Omega members met Monday, Nov. 6, to finalize plans for the annual style show and luncheon. They voted on the menu, a count was given on the number of raffle tickets sold, and specific plans were made for decorations. Susan Buchanan and Shannon Hunnicutt reported that the following local businesses have agreed to furnish a door prize for this year's "To Catch A Dream": South Texas Lumber Co., Monica's Tupperware, T&C Village Market, T&T Village Supermarket, Petals & Pearls, Ozona Garden Club, Crockett County National Bank, Kritter Sitter, Bobbie Renfroe's Mary Kay, Lilly Construction Inc., Pastime Pleasures, Dairy Queen of Ozona, Tedford Jewelry, Westerman Drug, Kwik Mart, Village Drug, The Foot Note, Baskets & More, Small Fashions, The Teacher Store and The Cafe Next Door.

President Martha Weant urged members to continue to sell raffle tickets and reminded everyone of their pledge to make this year's event the best ever. She also emphasized the importance of selling the style show and luncheon tickets as early as possible in order to have an accurate count for tables and food.

Those attending the meeting included: Martha Weant, Pam Tarr, Shannon Hunnicutt, Donna Herring, Paula Westmoreland, Cynthia Hokit, Barbie Myers, Janet Smith, Diane Anderson, Robin McNeely, Sally Roane, Jackie Necessary and Connie Jennings.

New Looks Found For Old Wardrobes

New looks using old wardrobe items and fabric scraps is just one of the topics to be presented at the Thursday, Nov. 9, meetings of the Crockett County Family and Community Education Clubs. Anyone interested can attend - there is no charge to do so - and there are two sessions from which to choose. One program will be held at 10 a.m. and the other will be at 7 p.m., both in the civic center.

FCE member Dean Allen and her guest, Debra Lindsey, will present the program. Allen will demonstrate how simple and easy touches can update old wardrobe items and home decor - using yo-yos and other embellishment techniques. Lindsey will demonstrate using a hot glue gun to make easy and beautiful holiday decor items.

Participants can bring their own glue gun and glue sticks and enjoy making their own decorations in the "Make and Take" segment. County Extension Agent Tedra Ulmer will also give a sneak preview of the December program.

Time For Romance

Getting a book published is usually a long, hard, time-consuming business. One way to ease the way for struggling writers and newly published authors is to network ideas, contracts and expertise, to band together with others in groups. One such group is based in Texas. The Romance Writers of America is headquartered in Houston, and is one of the fastest growing writers' groups. Each group has awards that are given to each year's hottest writers. The romance award is called the RITA, named for the founder of the RWA.

There are 13 separate awards given by the RWA each year in categories such as Regency, Inspirational, Historical, Gothic and Contemporary. 1995 RITAs went to titles such as Nora Roberts' *Hidden Riches* from Putnam Gothic, *Getting Rid of Bradley* by Jennifer Crusie for Harlequin Temptation, Luryn Chandler's *Oh, Baby!* for Silhouette Traditional Romance, and from Avon , Susan Elizabeth Phillips' *It Had To Be You.* Most of these writers are published in paperback, and I'm sure many of the past winners are familiar to most romance fans. They include: Leigh Michaels, LaVyrle Spencer, Anne Peters, Susan Wiggs, Katherine Kingsley, Penny Richards, Anne Stuart, Tami Hoag and Deborah Nichols. Some of the recipients of the RWA Lifetime Achievement Award are Jennifer Blake, Kathleen Woodiwiss, Phyllis Whitney, Barbara Michaels, Mary Stewart, Janet Dailey, Elizabeth Lowell and Janye Ann Krentz.

Many of these romantic stories have been made into movies and frequently air on television. In October the CBS Sunday Matinee featured "Harlequin Romance Movies" all month. The U. S. News and World Report magazine featured an in-depth three page article on the Romance genre in the October issue. According to Book Industry Study Group, Romance novels account for 48.6% of all mass market paperbacks sold in the U.S. Come check out the RITA Awards and take home a wonderful romance. Curl up, relax and escape to a romantic world waiting just for you in a book or on tape.

Revival Services Begin Sunday

Ozona's First Baptist Church has scheduled revival services for Sunday, Nov. 12, through Wednesday, Nov. 15. Guest evangelist will be Dr. Frank Harber, one of the youngest evangelists in the Southern Baptist Convention, who has preached local and area-wide crusades across the United States and is a frequent speaker at evangelism conferences, seminars and Bible conferences.

Music Evangelist Steve Poe will lead in music worship and bring special music during each service. His experience includes conducting music activities in revivals, camps, youth discipleship weekends and providing special music for banquets, conventions, concerts and other special events.

The church extends a warm welcome and an invitation to all of Ozona to attend the services, which begin at 7 each evening. A nursery will be provided.

Friday Is Deadline For Bazaar Food Orders

No strain, no last-minute rush...holiday goodies are as close as your phone with the Ozona Woman's League annual bazaar Monday, Dec. 18. However, wise shoppers know that Friday, Dec. 10, is the deadline for all food orders, so busy League members can begin a week of baking to order. No orders will be accepted after Friday.

By filling out, clipping and mailing the handy order form in The Ozona Stockman, picking up the phone and calling 392-2442 or 392-5443, or contacting any Woman's League member, you can choose from a wide array of everyone's traditional favorites. All items are homemade for that just-right holiday flavor.

The funds raised from Bazaar go back into the community for a wide variety of charitable projects, including the community center, EMS, school activities and much more. Woman's League has been able, thanks to the generosity of Ozonans who have supported the bazaar for over 30 years, to put thousands of dollars back into these important efforts.

Wondering what to order?

Three types of casseroles are available in two sizes. King Ranch Chicken and chicken spaghetti, plus lasagna, are available in large and small sizes. Delicious, tender cinnamon rolls, dinner rolls, pumpkin or banana nut bread are also available. For those discriminating men, consider a cherry or peach cobbler, or a pecan, mince, buttermilk or pumpkin pie.

Cakes are always a hit at Bazaar, and this year is no exception. Order a delicious Italian Cream, Red Velvet, German Chocolate or chocolate sheet cake for a special dessert. Trying to cut out a few calories while enjoying good taste? Consider uniced pound cakes - rum, buttermilk, million dollar or cream cheese. Fudge with or without nuts, pralines, peanut brittle and cookies such as sandtarts or chocolate chip make great hostess or holiday gifts.

Of course, there will be many more delicious items available at the sale table during Bazaar, which runs from 5 to 6:30 p.m. Nov. 20. However, Bazaar chairmen Peggy Dickerson and Tedra Ulmer suggest if you want a particular item, don't take a chance on its being sold before you get there - order now.

Also included on the order form are mouth-watering barbecue plates with brisket, sausage, beans, potato salad, bread and trimmings for only $5 per plate. Why not pre-order some Diamonds in the Desert cookbooks for holiday gifts? They're only $14.95 each, and the artwork alone is worth the price.

This year's raffle items include an original vest by Tammy Bunger, a beautiful holiday wreath by Terry Faught, and a 60-second shopping spree from T&T Supermarket in the Village. Tickets are only $1 each and are good for all three drawings on the day of Bazaar.

For more information about food orders or Bazaar, call 392-2442 or 392-2721, or check out League's ad in The Stockman. Don't delay - enjoy a restful holiday and leave the cooking to Woman's League.

The Key To Forgiveness

I met a lady once who upon finding out that I was a preacher began telling me that she too was a believer in Christ. She then proceeded to tell me that she no longer went to church due to the fact that some of the women in that church had said some harsh and hurtful things about her. To my amazement she went on to describe in detail the hurt of that moment, and because of this one event she no longer went to church. I asked her how long ago this event took place and to my shock she replied that it was over 12 years ago. What amazed me the most was the fact that as she described the event one would have thought that it was recent. I guess to her it was! It seems as though the more we nurse our hurts the more alive they become, but what we are supposed to do is to let go of them.

Are you holding on to the past and all of it's hurts? A person can never go forward while holding on to the past. The Bible clearly tells us that the key to being forgiven in our own lives is to forgive others, but do we really grasp what true forgiveness is? Some Christians act as though they deserve a medal for mustering up the love and faith to forgive someone else, but that should be just an every day part of our life. I'm sure glad that I have been forgiven and that I have the capacity to forgive others.

THE KEY TO FORGIVENESS IS TO FORGIVE, AND THE KEY TO FORGIVING IS THE FACT THAT WE HAVE BEEN FORGIVEN.

THANK GOD FOR JESUS!!!

Living A Life Of Love

By Dennis J. Prutow

You can argue the Ten Commandments are not binding today for Christian people or for anyone else. You can use Romans 6:14, "You are not under law, but under grace."

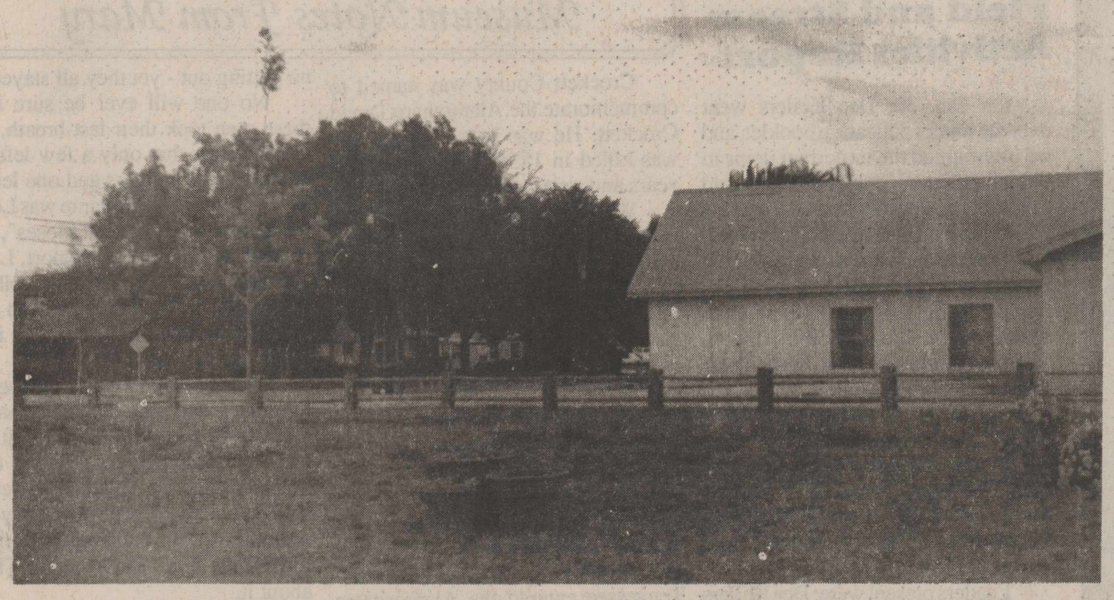

This is important. We do not obtain salvation by keeping the Ten Commandments. We obtain salvation through faith in Christ alone. "For by grace you have been saved through faith; and that not of yourselves, it is the gift of God; not of works, that no one should boast" (Ephesians 2:89). So let's be clear. We are not under law as a way of salvation. Trying to keep the Ten Commandments will not get you to heaven.

On the other hand, the Bible also declares, "Do we nullify the Law through faith? May it never be. On the contrary, we establish the Law" (Romans 3:31). Although we are not under law as a way of salvation, God's Ten Commandments are still a vital part of a Godly lifestyle. Negatively, it is sin to violate the Ten Commandments. "Sin is the transgression of the law" (1 John 3:4). Positively, the Ten Commandments provide us the opportunity to show other people and to show God we love Him. "This is the love of God, that we keep His commandments; and His commandments are not burdensome" (1 John 5:3). Amazing, the Ten Commandments define both sin and love.

Holiday Eating Can Be Healthful

Holiday foods are among the pleasures of the season. But for many, this presents a special challenge. During this time of the year people sometimes wonder how can they enjoy the holidays and still manage to maintain a healthful diet.

There's no need to panic. Most foods, even the traditional family favorites, can fit into a healthy eating plan. The secret is moderation and balance.

Dinner invitations away from home could mean eating at a friend's or relative's home or perhaps at a restaurant, a hotel or country club for the company bash. In either case, the meal is already planned and there is no menu choice.

If you're bringing a dish to a friend's or relative's table, make a lowfat version of a family favorite. Once the food is on the table, you will have some healthful choices.

If possible, choose two appetizers instead of an entree or share an entree with a friend.

If second helpings are mandatory with your host or hostess, make your first helping small. That way, if you're enticed to take seconds, at least the total amount of food you eat may equal a normal-sized portion.

Choose skinless white meat of poultry. It has fewer calories and fat than dark meat.

Eating a roll is okay. If it's fresh, you will not miss the butter or margarine.

The excitement and festival atmosphere of holiday parties can really take your attention away from what you are eating.

Here are some effective tips for holding the line at holiday stand-up events:

*Eat small, lower-calorie meals during the day so you can enjoy a special treat later. Eat a healthy snack right before the party. A hungry stomach can sabotage even the strongest willpower.

*When you arrive at the party, don't rush to the food. Greet people you know, get a beverage and settle in first.

*Make only one trip to the buffet and be selective. Choose only the foods you really want to eat.

*Keep portions small. Often, a taste is all you will need to satisfy a craving or your curiosity.

*Skip the fried food, mixed nuts, cocktail sausages and other high fat tid-bits. Eat the crackers, bread and fresh fruits and vegetables.

*If you want to nibble on cheese, take only one or two pieces.

*Fresh vegetables and fruits are always great low-calorie, lowfat choices. Have a small dollop of dip, just enough to coat the end of a carrot stick, broccoli floret or tip of a strawberry.

*Boiled shrimp or scallops and thin slices of lean roast beef are good choices. Choose cocktail sauce or lemon and horseradish as a condiment.

It's good to have celebration strategies, but be realistic. Trying to lose weight during holidays may be a self-defeating goal. Striving to maintain your weight, however, is a reasonable expectation. Forget the "all or nothing" mind-set. Depriving yourself of special holiday foods or feeling guilty over a particular food choice is not part of a healthful eating strategy. And, certainly not a part of the holiday spirit.

Remember to have fun. Sharing food is an important way to spend holiday cheer. Enjoying a traditional meal or celebrating with family and friends need not destroy the healthy food habit you have nurtured all year.

WTU Awards Scholarships For Economic Development Course

West Texas Utilities is providing a scholarship for Sharon Farmer, Ozona Chamber of Commerce manager, to attend the 29th annual Economic Development Course in San Antonio Nov. 5-10.

The course is a one-week intensive training program rather than a workshop, seminar or conference. Sponsored by the Texas Economic Development Council and Texas A&M University, the course has two major objectives: first, to provide a medium for the exchange of ideas on the principles, practices and ethics in the field of economic development; and second, to provide the background theory and practical application of economic development techniques.

"We strongly believe the principles of economic and community development offered in this course will aid in helping West Texas communities grow and prosper," said Eric Geisler, WTU director of Business Development. "WTU is proud to have provided the scholarship allowing Sharon Farmer to attend the course."

The course covers a variety of topics including: Communications for Economic Developers, Project Financing for Your Town, Community Development, Industrial Sites and Buildings, Business Retention and Expansion, Group Prospecting and Prospect Handling.

The course is accredited by the American Economic Development Council.

Out and Around

with Judy Reagor

John Tom Stokes, son of JoNel and Tommy Stokes, is a model in the Texas Parks and Wildlife advertising segment in the November Texas Monthly. John Tom has opened his own air conditioning and heating business in Lampasas where he and his wife and children reside.

Former Ozona minister Connie Marroquin was here over the weekend to visit friends. Rev. Marroquin, who pastored Church of God of Prophecy, moved to Lubbock in 1990 to help her ailing parents. Her son, Jacob, also makes his home in Lubbock.

David Pratt of Balcluitha, New Zealand, and Glyn McDonald of Mossburan, New Zealand, are visiting Ira and Heatherly Childress and Clay and Shelly Childress on the ranch south of Ozona.

Joe and Tina Moran were in Sheffield on Saturday to attend the 50th wedding anniversary celebration of Tina's aunt and uncle, Val and Mary Flores. Hosts for the celebration were their 10 children. After celebrating their vows at Good Shepherd Catholic Church, a meal of barbecue, potato salad, beans and wedding cake was enjoyed by all present. While there, Joe and Tina also visited with her grandmother who will celebrate her 115th birthday in January. She is the mother of the late John Mendoza.

Tamie Reagor came home from A&M to visit her family for the weekend. Tamie's friend, Kelly Snodgrass of Colorado Springs, CO, a senior accounting major at A&M, came to Ozona with her. They enjoyed the craft show and visiting with family.

Wanda Smith of Austin was here last weekend to visit her parents, Beth and Allen Smith.

The funniest story we've heard in a long time is one told by Monica Bendele last week. (And Monica swears it is true.) She said that Wednesday morning while driving down Ave. E Janet Smith attempted to avoid hitting a large black dog. The dog bit a tire, causing a blowout on Janet's car.

Lib Applewhite called to say that Lloyd Lane (Boochie) Coates had called her after reading the story about the Nelson house. Coates, 70, was born in the house, delivered by Dr. Gains Coates. A number of people have mentioned that they were born there, including Dr. W. B. Robertson, a nephew of the Nelsons. He said his aunt was a mid-wife.

Book Fair At Primary School Nov. 13-17

Ozona Primary School is happy to announce that it will once again sponsor its semi-annual Troll Book Fair. The fair will be held in the school library, and it will be open from Nov. 13 to Nov. 17. Daily hours will be from 10 a.m. to 3:30 p.m.

If a parent would like to visit the fair along with his/her child during school hours, a convenient time can be arranged with the student's teacher. Students, parents and visitors are all welcome to attend. Anyone can come and purchase books. If you would like to come in and just browse, do so. You are under no obligation to make a purchase.

Besides contributing to the library fund, the book fair also encourages children to read. There will be a wide selection of books such as classics, activity books, mysteries, adventure stories, science and nature books and fiction books.

Remember, books make good gifts, too. This is a perfect opportunity to do a little early Christmas shopping.

"Come visit our fair. Help us out with the fund raiser. We hope to see each and everyone there," says chairperson Simply Cervantez.

Accelerated Readers Rewarded

The first Accelerated Reader reward trips were taken on October 11 and November 1. These trips rewarded students earning 25 A.R. points for reading books and answering questions about the books.

First, the students went to Fort Concho and went on a tour of the building. Fort Concho was very educational.

Next, the students went to Shakey's, where they ate pizza, played games and had lots of fun.

Then, off the buses went to Eight Wheels for a couple fo hours of skating. At 3:15 p.m., the buses headed home, arriving at about 5:00 p.m.

Museum Notes From Mary

Crockett County was named to commemorate the Alamo hero David Crockett. He was born in 1786 and was killed in 1836 at the age of 49 years and seven months.

We're beholden to this man who is known around the world (some thanks must go to Walt Disney), and so well thought of that his monument on our Square attracts many travelers each day. He left behind a legacy of principle that attracts those of all ages.

He had spent all his life in Tennessee, served three terms in Congress and came to Texas looking for a good place to relocate with his wife and chidlren. He only rode to the Alamo to help out because he heard that the folks there needed reinforcement. Once he and fellow riders from Tennessee entered the Alamo gates they were pretty sure there would be no getting out - yet they all stayed.

No one will ever be sure how these men took their last breath, but we do know that only a few left the Alamo as messengers and one left to save his own life. His name was Louis Rose, commonly called "Moses", and he died in 1850 in Logansport, LA. I read about him and most of the folks at the Alamo in the book "Alamo Defenders" by Bill Groneman that is in the museum bookstore.

I often wonder what happened to the ideals that were so important to these early settlers. They fought because of principle, not because they were "ordered" to. They shared a common conviction of love of country and right of freedom, and they made quite a statement there March 6, 1836. Think about it.

Ceremony To Honor Veterans

The time-honored tradition of honoring the nation's veterans will be observed Friday, Nov. 10, as the Veterans of Foreign Wars Post 6109 of Ozona receives a United States Flag from representatives of the offices of U. S. Sen. Phil Gramm and U. S. Rep. Henry Bonilla.

The ceremony will be held at 9 a.m. at 601 Ave. I, the home of former county judge A. O. Fields.

Luis Saenz, regional director of Sen. Gramm's office in San Antonio, and Phil Ricks, district director for Congressman Henry Bonilla, will deliver remarks regarding the significance of Veterans Appreciation Week before presenting the VFW Post with a U. S. flag.

"I hope the citizens of Ozona will join me in thanking a veteran; whether it's a dad or mother, whether it's a grandfather, a brother or a sister, thank them for serving America with distinction; thank them for the freedom we enjoy today; thank them for making America the greatest country in the world," Gramm said.

Eighth Grade Cubs Beat McCamey 34-6

By Neal Ulmer
Stockman Sportswriter

The Ozona Eighth Grade Cubs beat the McCamey Badgers 34-6 in last Thursday's action in McCamey. The seventh grade lost to McCamey 18-0 in an earlier game. The eighth grade improves their record to 3-4 and the seventh grade's record is 2-6.

Eighth grade Coach Rodney Johnson said about last week's win, "We had much better concentration this week. The kids knew they did not play well against Iraan last week, and they wanted to prove that they were a better team than that."

In the first quarter of the game, Matt Castaneda broke loose on a sweep play for a 35-yard touchdown. The 2-point conversion was good, and the Cubs took an early 8-0 lead.

A few minutes later, the Cubs were on the move again. Ross Crawford scored on a 1-yard plunge. The PAT failed, but the Cubs increased their score to 14-0, which was the first quarter score.

In the second quarter, Crawford stole the show with a 75-yard touchdown run. An attempt for the 2-point conversion failed, but the Cubs expanded their score to 20-0.

The Cubs increased the tempo in the third quarter with two touchdowns. Miguel Rios got into the scoring action with a 55-yard romp to the end zone. The 2-point conversion was good, enlarging the Cub score to 28-0.

Several minutes later, the Cub offense stepped up the pace when Kenneth Vargas scored on a 45-yard run. The PAT failed, but the Cubs increased their score 34-0.

The Badgers came back in the fourth period when they scored on a 15-yard pass play. The PAT failed, but the Cubs dominated and won the game 34-6.

The seventh grade Cubs were not so lucky in an earlier game as they fell to the Badgers 18-0. The Cubs were plagued by turnovers during their game.

"The Cubs tried their hardest to win last Thursday," said Coach James Lopez, "but the McCamey team was big and very good all-around players. I'm still proud of all the players and love everyone of them. Each player on the Cub team is a key player to me."

No details were available of the scoring in the game. According to Coach Lopez, the Cubs offensively had some good runs and great success moving the ball down the field, but turnovers were a major factor.

In the second quarter, the Badgers intercepted a pass and returned it for a touchdown.

The Cub offense tried hard to put the ball in the end zone in the third quarter.

"Defensively, the Cubs held their ground throughout the game," said Lopez in praise of his team. "The Cubs did stop some of the Badger's offensive drives. In the end, the coaching staff was more concerned about the mistakes on the field than the final score."

Despite the good effort on the field by the Cubs, they lost the game by a final score of 18-0.

The Cubs will play their final game of the season in Sonora against the Sonora Colts at 5 p.m. on Thursday, Nov. 9.

Lions Fall Short Of Badgers 21-8

By Neal Ulmer
Stockman Sportswriter

Cold weather usually brings good football, but not always as the Lions could not hold on, falling 21-8 to the McCamey Badgers in last Friday's game in McCamey. The Lions were unable to overcome eight turnovers that included seven fumbles and one interception.

The Lions' record falls to 1-8 overall, 0-4 in District 5-2A, and McCamey improves their record to 5-4 and in district to 2-2.

"We rushed the ball good, and overall, played good defense," said Coach Walter Hargrove. "We just dropped the ball on the ground too much and gave them big plays. We moved the ball pretty good against those big boys."

Although the Badgers received the opening kickoff, several plays later David Browne intercepted an Isaiah Navarrete pass on the Lion 28-yard line. The Lions started out on good footing with their offense being led by quarterback David Browne and running backs Shayne Fuentes, Pete Castaneda and Darin Jackson.

Good running by Fuentes with runs of 7 and 15 yards and a 27-yarder by Castaneda placed the ball on the Badger 22-yard line. Bad luck turned toward the Lions as they received a penalty and fumbled the ball with the Badgers recovering on their own 33-yard line.

Coach Hargrove placed the whole game in perspective when he said, "In a nutshell, offensively, we fumbled seven times and lost four. Defensively, we gave up big plays."

A second Ozona fumble setup a Badger touchdown. The Badgers recovered a Lion fumble on their own 33-yard line. They reached the Lion 46-yard line on six plays. On the next play, Badger wide receiver Sergio Montoya caught a pass from Navarrete for a 46-yard touchdown with 5:12 remaining in the first period. A run by Navarrete was successful for the two-point conversion, giving the Badgers an 8-0 lead.

Early in the second period, the Badgers made a good bid for a touchdown. An excellent goal-line stand by the Lion defense stopped the Badgers just short on a fourth-and-three play at the Lion one foot line.

The Lions started taking the ball back up field with good running by the backs. On a third-and-eight, Jackson broke loose for a 14-yard gain to the Badger 14-yard line. On the second succeeding play, Justin Browne lost the ball, and a Badger player recovered it on their own 21-yard line.

The Lions played good defense on the Badgers' next set of offensive plays. Good pass pressure by Adam Carroll and Patrick Sanchez forced an incomplete pass on a third-and-twenty-five play. The Badgers punted the ball, and the Lions started on their own 38-yard line. The Lions could not move the ball, and time ran out in the first half with the score Ozona 0, McCamey 8.

The third quarter see-sawed back and forth with the Lions miscuing on three fumbles and the Badgers recovering one fumble. Late in the third quarter, the Badgers started a drive from their own 44-yard line. It took the Badgers 14 plays to cover the necesary yardage for the score. They scored early in the fourth quarter with 11:56 on the clock on a 4-yard pass play from Navarrete to junior tight end Bernie Carrasco. A pass for the conversion fell incomplete, but the Badgers increased their score to 14-0.

The Lions moved the ball well on their next possesion, reaching the McCamey 15-yard line. David Browne fumbled the ball at that point, and McCamey recovered.

In three plays the Badgers reached their 26-yard line, but a penalty placed them back to the 16-yard line. On the next play, Navarrete ran 84 yards for a Badger touchdown with 5:01 left in the fourth period. The PAT kick by Joe DeLeon was good, increasing their score to 21-0.

Again, the Lions started moving the ball with good runs by David Browne, a 22-yard pass completion to Jon Sanchez, and a 4-yard run by Castaneda. On the next play, Badger defender Joe DeLeon intercepted a Browne pass on their own 33-yard line.

On the second play of the Badgers' possession, they fumbled, and Ozona's Bryan Mendez recovered on the Badger 39-yard line.

Sanchez caught a 9-yard pass, Jackson picked up 19 yards on a run as David Browne was injured. Brother Justin Browne came in at quarterback and threw a pass into the end zone to Casey Upham but it fell out of his hands. On the next play, Justin Browne scampered for an 11-yard touchdown through the middle of the line with 26 seconds left in the game. A two-point conversion run by Jackson was good, making the final score Ozona 8, McCamey 21.

The Lions had a good game rushing with Darin Jackson leading Ozona with 91 yards rushing followed by David Browne 65, Justin Browne 44, Pete Castaneda 35, and Shayne Fuentes with 27 yards rushing. Jon Sanchez caught two passes for 26 yards.

Defensively, the Lions played a good game, but allowed some big plays. Patrick Sanchez and Gary Dominguez led the Lions with 11 tackles each followed by Lance Jamerson with 10, Bryan Mendez 7, David Browne, Justin Browne, Jason Stuart and Albert Flores with five tackles each and Adam Carroll with four tackles. Seven players had a total of 13 tackles.

The Lions will host the Van Horn Eagles in their last game of the season at 8 p.m. in Lion Stadium on Friday, Nov. 10. Van Horn lost to Eldorado last week 28-0. Both Van Horn and Ozona have the exact same records, so be prepared for a good game.

According to Coach Hargrove, the Eagles are a pretty young team and have a couple of kids with some speed. They start eight underclassmen both ways.

Team strengths, according to Van Horn head Coach Robert Gomez, are: experience at running back, quickness, experience on defense, and lots of heart and desire. The team weaknesses are lack of experience, size and depth.

The Lions' last pep rally of the season will be dedicated to the seniors and will start at 3:40 p.m. on Friday, Nov. 10, in Davidson Gym.

Keeping Your Comfort *In Control*
In order to meet all your heating needs, Vanguard Vent-Free Gas Heaters are available in both manually operated and thermostatically controlled models. Both offer reliable economical heating and can be lit with just a push of their piezo "matchless" ignition button.

Manual Control – Blue Flame & Infrared Models
Vanguard's Manually Controlled Vent-Free Heaters allow you to choose the heat setting you prefer by simply turning the control knob. The heater will operate at the selected level until the control knob is turned to off or another setting.
Thermostatic Controls
Thermostatically Controlled Vanguard Heaters automatically modulate their output in order to maintain the heating level selected. Both blue flame and infrared models are offered with thermostatic controls, though they operate in slightly different ways (see below).
Thermostatically Controlled Blue Flame Heaters
Blue Flame models that feature thermostatic controls operate by gradually modulating the heat output and flame height from the selected setting to lower settings, or pilot, in order to maintain a consistent room temperature.
Infra-Stat™ Thermostatically Controlled Infrared Heaters
The ultimate in versatility, Infra-Stat Thermostatic Controls are available on selected Vanguard Infrared Heater Models. This patented dual control system provides the widest range of gas space heating flexibility in the industry. These heaters feature a comfort selector thermostat plus a separate control with three or four heat output settings, depending upon the model you select. One to three (or four) plaques will light according to which heat output is chosen. Then, the Infra-Stat Thermostat Control allows you to choose how frequently the unit will cycle between pilot and the heat output selected. The higher the thermostat setting selected, the longer the plaque(s) will stay on.

was second with 12:42.9, and third was Lori Sanchez from Ozona with 12:45.0. Other Ozona runners' placings and times are: 24 Terren Marshall 13:29.1, 32 Gina Castro 13:37.9, 62 Amy Laughlin 14:6.0, 103 Patti Dominguez 14:55.7, 104 Maria Trujillo 14:56.9, and 119 Felicia Ramirez 15:25.6.

The boys' division was won by Daniel Willis of Holliday with a time of 15:46.2. Michael Serna of Sundown was second with a time of 16:12.5 followed by Trey Jernigan of Sundown with 16:19.1 and in fourth place, Charles Villarreal with a time of 16:28.2. Other Ozona finishers are: 35 George Hernandez 18:16.5, 48 Blas Villa 18:42.7, 49 Will Roane 18:46.3, 56 Pete Castaneda 19:5.5, 70 Johnny Porras 19:38.8 and 94 David Martinez with a time of 21:30.8.

Coach Maldonado noted that Ozona's course is pretty typical to what they ran in Lubbock. The main difference between Ozona and Lubbock is not the course but the quality of the competition, which gets much tougher.

"To be in the top five is elite. You have the best of the districts at region, a lot better athletes, and even better athletes at the state level. If they do finish in the top 10, that is quite an accomplishment," said Maldonado.

The state cross country meet will be held in Georgetown at Southwestern University's golf course on Saturday, Nov. 11. Lori Sanchez will run at 1:20 p.m. and Charles Villarreal at 1:40 p.m. There was a good turnout of parents and friends at the regional meet, and Lion fans are encouraged to go out and back Lori and Charles to a state championship.

TESTING IN TAE KWON DO in September and receiving their belts last month are: Danny Whitehead, Arron Garza, Lacy Vestal, Jennifer Whitehead and David Whitehead. Lacy received her high red belt and the other students received their black belts. All have been karate students two years this month.

local student performance at both the district and campus levels. In addition, the report provides four specific comparisons: (1) district performance is compared to the state and the region of the education service center in which it is located: (2) campus performance is compared to the performance of a group of 100 similar campuses across the state; (3) performances of student groups are compared to that of other groups within a single campus and/or district; and, (4) campus and district performance are compared to their performance for the prior year.

The report also contains profile information on: (1) students, including enrollment, ethnicity and economic status; (2) finances, including revenue and expenditures; (3) staff, including number and types, years of experience, degree held, salaries and staff turnover rates; and, (4) programs, including student enrollments and operating expenditures.

Copies of the AEIS report are available for public review at the four campuses and at the school administration building. Members of the public are invited to attend the public hearing at the school board meeting in the administration building this coming Monday.

Students Attend Theater Performance

The Ozona Intermediate fourth and fifth graders left on Oct. 19 at 8:15 for San Angelo's City Auditorium to experience a live theater performance of "Sleeping Beauty". Before the play, the students stopped at the City Park where they enjoyed Hoagie sandwiches and apples.

The characters in the play were good. They sang and danced, and the evil villain acted great. The performers added a new character to the story called the Blue Fawn. He was the prince under a spell from the evil fairy.

The students and sponsors returned to school before 3 p.m. Some of the fifth grade classes received appreciation certificates, because they wrote letters to the performers.

U. S. Rep. Henry Bonilla (R-Texas-23) is encouraging high school seniors and recent graduates who are interested in attending one of the nation's military academies to apply for a nomination through his office. Applicants must live in the 23rd Congressional District of Texas.

"Our military academies provide an excellent opportunity for students to get a great education and train to be officers in the finest military in the world," Bonilla said.

Applications may be obtained by writing Bonilla's San Antonio office at 11120 Wurzbach, Suite 300, San Antonio, TX 78230 or by calling 210/697-9055. The application deadline is Friday, Dec. 1, 1995.

Interested young men and women may apply for a nomination to any of the following academies: The U. S. Military Academy in West Point, NY; The U. S. Naval Academy in Annapolis, MD; The U. S. Air Force Academy in Colorado Springs, CO; The U. S. Merchant Marine Academy in Kings Point, NY.

Candidates must be nominated by their U. S. Representative, U. S. Senator or by the Vice President of the United States. Congressional nominations account for about 80 percent of all academy nominations each year.

Selection is based on academic achievement and extracurricular activities, as well as demonstrated motivation and leadership potential.

State Comptroller Says His Proposals Save $1.5 Billion

AUSTIN - State Comptroller John Sharp detailed nearly 100 cost-saving proposals from his *Texas Performance Review* that took effect with the start of the state's new fiscal year on Sept. 1.

"These changes are going to save Texas taxpayers $1.5 billion over the next two years," Sharp said. "They will also overhaul the state's welfare programs, retool our work force development system and help cut the state bureaucracy down to size."

The most important changes inspired by Sharp's *Texas Performance Review* team were contained in two reports, *Gaining Ground* and *A Partnership For Independence*, and approved by state lawmakers during the legislative session earlier this year. These include:

*A sweeping overhaul of the state's welfare system. Some of the most important provisions include requiring recipients to work, limiting how long recipients can receive public benefits and increased child support enforcement to ease the burden on state taxpayers. Other changes range from cutting fraud through increased used of the state's electronic benefits transfer technology system to maximizing federal funds for family violence shelters.

*A consolidation of the state's fragmented and inefficient job training programs into a single new agency - The Texas Workforce Commission. The commission is charged with matching the needs of industry with up-to-date and relevant training in community colleges and trade schools and administering a *Skills Development Fund* to provide quick turnaround grants for technical schools that offer customized training for local businesses.

*Creation of the *Texas Tomorrow Fund*, an innovative pre-paid college tuition plan that makes it possible for Texans to pay tomorrow' college costs at today's prices.

*A cap on the number of employees in state government, a move that will save taxpayers nearly $340 million over the next two-year budget cycle.

*Establishment of a Reserve Officers' Training Corps Scholarship Program to guarantee free tuition, room and board at Texas universities that offer ROTC programs. In return, each scholarship student will participate in Texas National Guard activities during the four years he or she attends college, take military science courses, accept a commission as second lieutenant and serve no fewer than four years in the Texas National Guard.

*Identification and deportation of foreign nationals convicted of committing crimes in Texas and currently being held in state prisons.

Sharp said that an important *Gaining Ground* recommendation will not take effect until one year from now - if voters approve a constitutional amendment on the ballot next Nov. 7.

"Abolishing the State Treasury is a dollars-and-sense idea," Sharp said. "I'm sure that when Texans go to polls, they'll jump at the chance to streamline state government even further."

State lawmakers adopted 80 percent of the total savings contained in Sharp's *Gaining Ground* report. In all, 94 of the 140 cost-saving recommendations were approved during the session.

Honesty

Donna Herring believes that honesty is the best policy. And recently, she had it proven to her twice that others think that way, too.

Last week at the Halloween Carnival Donna lost her money (which she was carrying in her shoe) within 10 minutes of arrival. "I went back to the car and looked all along the way," said Donna. While she was searching, a young boy walked up and asked if she had lost something.

Upon being told she had lost all her money, Boy Scout Shannon Vanderburg announced, "you're just the lady I'm looking for."

He had found the cash and was searching for its owner.

A grateful Donna Herring rewarded him for his honesty.

This was the second time this month she lost money.

"I hate to carry a purse," said Donna, who prefers to tuck the cash in pocket or shoe.

The first incident was at Lion Stadium. Before she realized she had lost her cash, and before she had moved far away from her vehicle, she heard Becky Hearne taking down the license plate of a car where she had found money. It was Donna's car and money.

Donna had a chance to return these good deeds one night when she found a Pulse card in the machine at the bank. She promptly put it in an envelope and inserted it in the night deposit slot.

"There really are some honest people left in the world," said Donna in reference to what she considers a "strange chain of events".

Sad Can Strike In Winter

HOUSTON - For people with seasonal affective disorder, 'tis not the season to be jolly.

SAD occurs most often in winter, but it is different from the typical holiday blues.

"The blues, common during the holidays, mostly come and go," said Dr. Ernest Fruge of Baylor College of Medicine in Houston. "But people with SAD are often depressed all winter long."

Although stress may be a factor, the disorder appears to be related to low-light environment. It is more common in higher latitudes where sunlight is less common during winter.

Symptoms include fatigue, sluggishness, oversleeping, overeating and weight gain. Women are four times more likely to be affected than men.

The first treatment is light therapy, Fruge said. The patient is exposed to white fluorescent light for several weeks.

Antidepressants can also be used.
