

Rivercrest Rebels Falls To New Diana 27-14

By Diana Eudy
The Rivercrest Rebels clashed with the district 19AA leaders, New Diana Friday night in Jolntown. The Rebs dropped the game 27-14 in a hard fought but ill fated contest.
The Eagles received the opening kickoff and proceeded to evade Rebel defenders to score on an 80-yard run bck into the endzone. Their extra point was good for a 7-0 lead just seconds into the first period.
The Rebels' first possession alternated Clint Stephenson, Bubba Simpson and Bradley Woods running but they couldn't generate any yardage and were forced to punt. Charley Martin nailed the punt for 33 yards and the ball was downed on the one yard line of New Diana.

The New Diana offense made some godo carries in their next possession, but penalties and incomplete passes led to a 32 yard punt by the Eagles. The Rebels controlled the ball at the end of the first quarter with the score 7-0, Eagles.
Rivercrest punted the ball back to the Eagles following an unsuccessful series of downs and the Eagles started what looked like a good run at another score. But sophmore Rebel Wade Smith put a stop to the drive as he latched onto an errant pass from the Eagle quarterback.
The Rebs were unable to get anything going as they fumbled the ball away three plays later. The Eagles took over on the Rebel 37 and took the ball into the endzone. The ex-

tra pont was good for a New Diana lead 14-0.
Rivercrest wasn't ready to just lie down though, as they started their drive from the 45. The catching and running of Bubba Simpson advanced the Rebs to the Eagle 29. Penalties against New Diana aided the Rebel cause as they were guilty of a delayed hit and offsides on two consecutive plays. A pass completion to Wade Smith moved the ball to the 21. Two plays later another tremendous catch by split end Wade Smith scored the Rebels six points as he hauled the ball down in the endzone under a great deal of pressure from the Eagle defender. The extra point by Charley Martin was good and with six seconds left in the half the Eagles led 14-7.

The Rebels received the kickoff in the second half and handed the ball over to the Eagles on a fumble. New Diana hit paydirt in five plays for a lead of 21-7 with 9:49 remaining in the third period. Yet another fumble two plays later handed the ball back to the Eagles who capitalized with 7:19 remaining. The extra point was no good for a lead of 27-7.
The two teams punted the ball back and forth for the rest of the third quarter as neither one could put together a drive.
Wade Smith grabbed another interception early in the fourth period but the Rebs were hampered by a fumble and an incomplete pass.
The Eagles took voer on the 22, but penalties slowed their offense. Tony

Jasso intercepted an Eagle pass to give the Rebels the ball on the 30.
The running ability of Jerry Belcher and Clint Stephenson and a pass completion to split end Chris Anderson moved the squad to the one yardline. Quarterback Bradley Woods carried over on a sneak play for the six points. The kick by Charley Martin was good for a score of 27-14, New Diana. Only 1:20 remained on the clock.
New Diana ran out the clock and claimed the victory. They remain undefeated in district play.
Rebel Coach Terry Giddens said, "Too many mistakes and a little too much pressure," was what he thought caused the loss. "It wasn't from the boys lack of trying. They didn't give

up but it seemed the harder they tried, the more they messed up. We, as coaches, let their minds get away from playing football and on district. The runback on the opening kickoff for a touchdown and two fumbles are something a team can't afford." Giddens continued, "Our secondary played exceptionally well. New Diana had been completing the long passes but they didn't against us. Wade Smith and Tony Jasso both made good intercepts and our receivers made some exceptional catches."
The Rebels host Ore City in Jolntown Friday night at 7:30. This will be the last regular season game for this year.

NICHOLS' WORTH

By: Nanalee Nichols

There are some things that aren't really meant to be. Or at least, it's nice to be able to blame it on fate instead of sheer disorganized stupidity.
Last Friday night we decided to leave for the football game in time to eat before the game.
We put the camera in the car, loaded ourselves in, complete with heavy coats and socks for the chilly evening, and stopped by for some gasoline.
Thomas discovered that he didn't have enough paper left on his note pad, so we swung through town to get a new one.
About six miles down the road I glanced at the camer and squeaked out "Did YOU get the telephoto lens?" Thomas gave me a disgusted look and we just did an about face in the road and headed back to town.
At the house we looked for the telephoto case...it didn't appear. So we had to go back down to the office where the lens was.
Just at the city limits, Thomas realized that we didn't have an extra roll of film. Long experience has taught us that when only one roll is available, that roll will immediately lock up or fall apart. We went back for the extra roll.
Of course, by that time the clock had ticked off about thirty minutes, and there wasn't enough time to eat anywhere. We were just glad to get to the game at kickoff time.
Having found the stadium, parked, and heading towards the gate, I decided to test the batteries. You guessed it, they were DOWN.
Like I said, some things aren't meant to be. Or, at least, they only come to be after a whole lot of running around.
Organization.....that's my motto!

Bridge Surface is Concrete

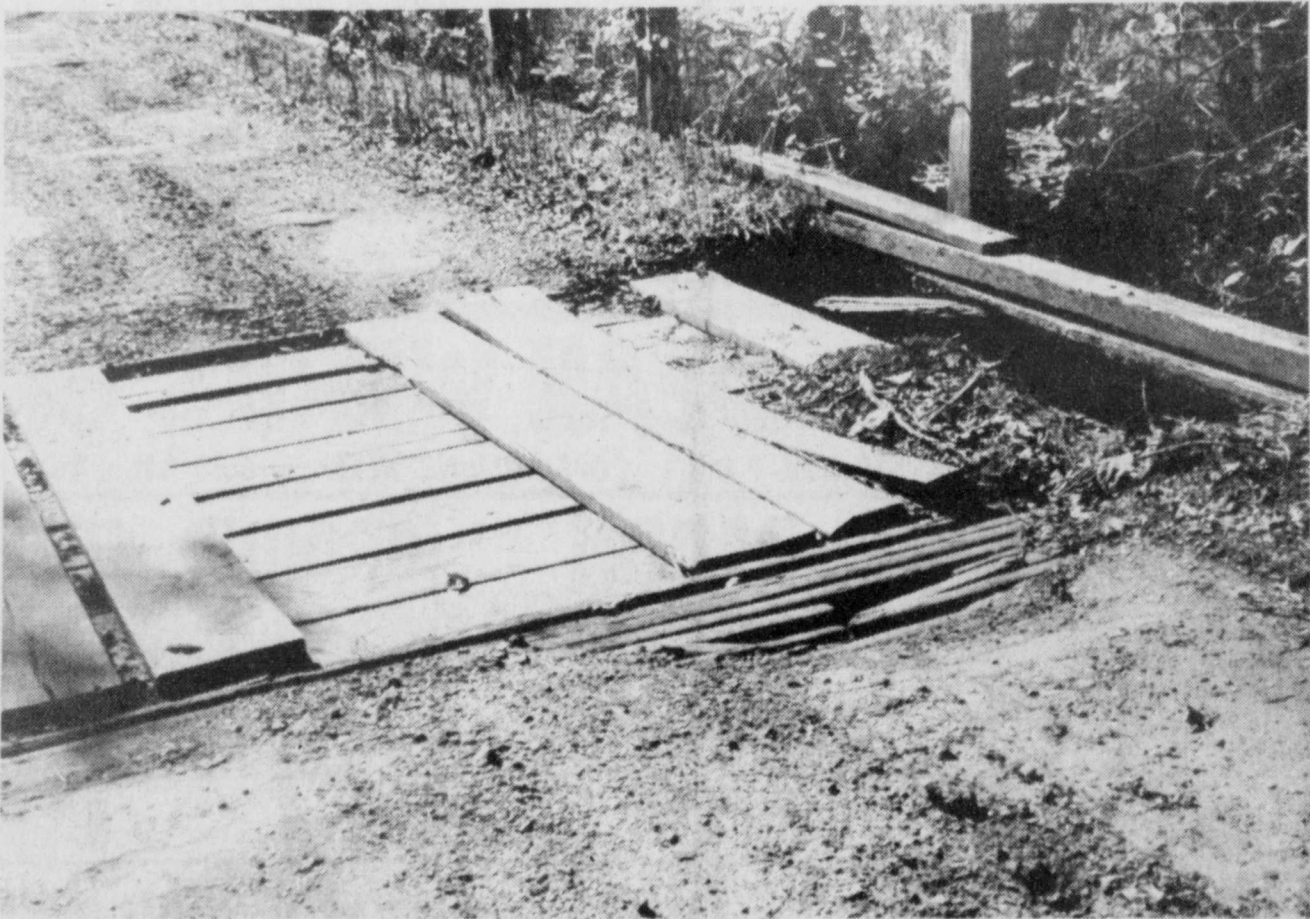

Bobby Dickey, Commissioner for Precinct 1, has recently finished work on the eighty foot bridge on the old Jolntown Highway near the Harold Geese home. The bride has a new concrete surface and is now ready for traffic.
According to Dickey, the bridge had a sound foundation, making it a good candidate for concrete. While most county bridges are made out of creosote timber, the cost of concrete is approximately the same. Labor costs on the work finishing concrete is much less, however, making it cheaper in the long run and giving the county a bridge that will last much longer.
The bridge work was county funded and all the labor was done by the county crew. No outside help was hired for the work.
"I appreciate the patience shown by the users of this stretch of county road during the past week while the bridge

was closed for repair. I want to thank Harold White, Ricky Daniels, Jack Merchant and J.D. Barnett for their extra effort and the positive attitude they have shown in working with me as Commissioner," Dickey commented.
There is another bridge further down the same road that is in the planning stages to be repaired. The bridge is approximately 150 feet long and will require some structural repair. One of the main support beams has shifted and caused a drop in the bridge. There are also some holes where the crossttimbers have rotted and fallen in. Dickey said, "This one will be more of a job to fix. The asphalt surface will have to be scraped off and the beams lifted and put back in place. Then a foundation for the concrete will be laid." The work on this bridge will take longer due to the amount of repair needed.

Immunizations To Be Given

The Texas Department of Health Public Health Region 7/10 office announced plans for the continuation o a series of monthly immunization clinics for all children needing immunizations. The clinic will be conducted at the Bogata City Hall on November 14 from 2 to 4 p.m.
Future clinic dates will be announced.
The Health Department emphasized that this clinic is available to all children, preschool and school age

beginning at two months of age. Immunizations to be offered include Mumps, Measles, Rubella, Oral Polio Diptheria-Tetanus-Pertussis and Tetanus-diptheria. All children must be accompanied by a parent or legal guardian. Parents are reminded to bring the child's immunization record if it is available.
The Tetanus-diptheria vaccine is available to adults.

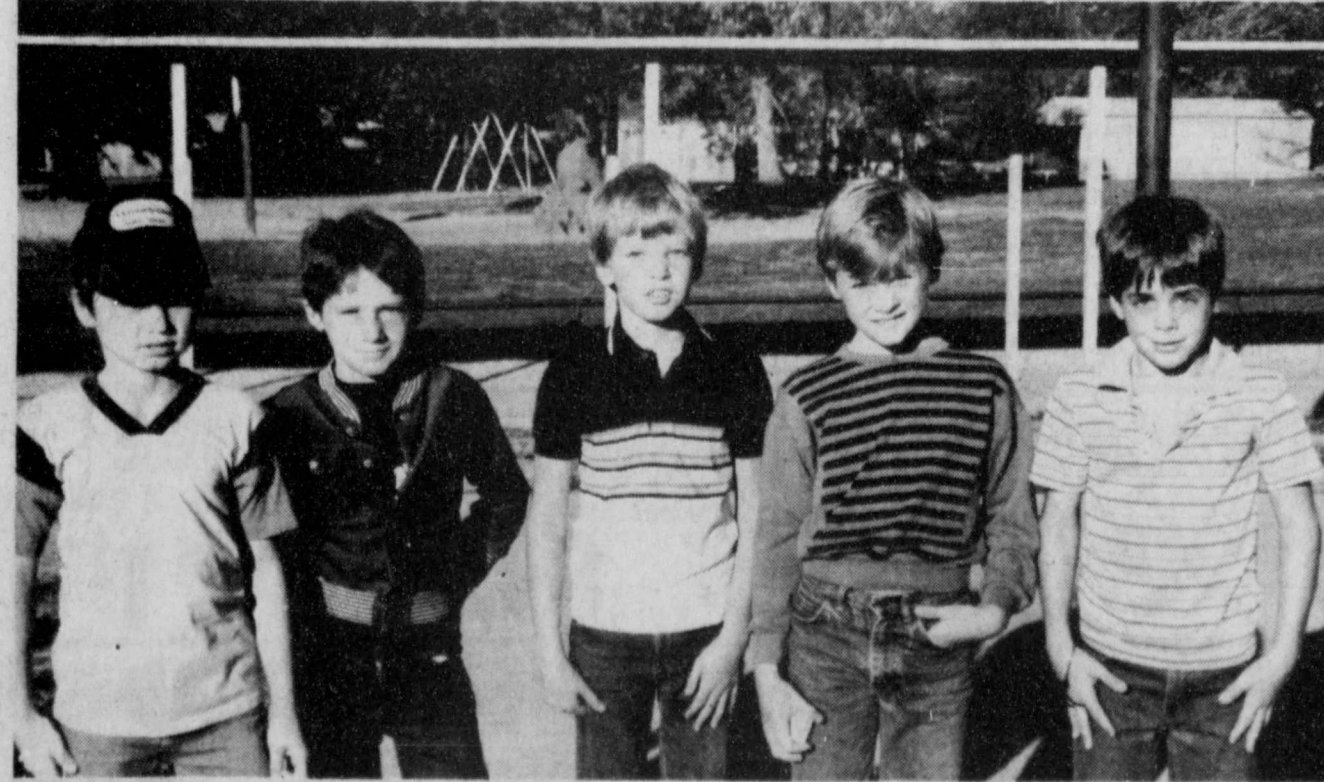

PLANNING STAGES-This bridge located on the old Jolntown highway is in the planning stages for repairs. One of the main support beams has shifted and caused a drop in the surface and several of the timbers have rotted, leaving holes in the bridge. Commissioner Bobby Dickey hopes to have the plans worked out soon. (Staff Photo by Diana Eudy)

NOVEMBER 11th

VETERANS DAY NOVEMBER 11TH

We salute you, the men and women of our armed forces who have so bravely defended our nation's cause. Through wars and peace-time, you have shown courage and strength when called upon, and played an outstanding part in preserving our freedom. We're proud to honor you on this special day.

"We've cut costs to make natural gas your best energy value."

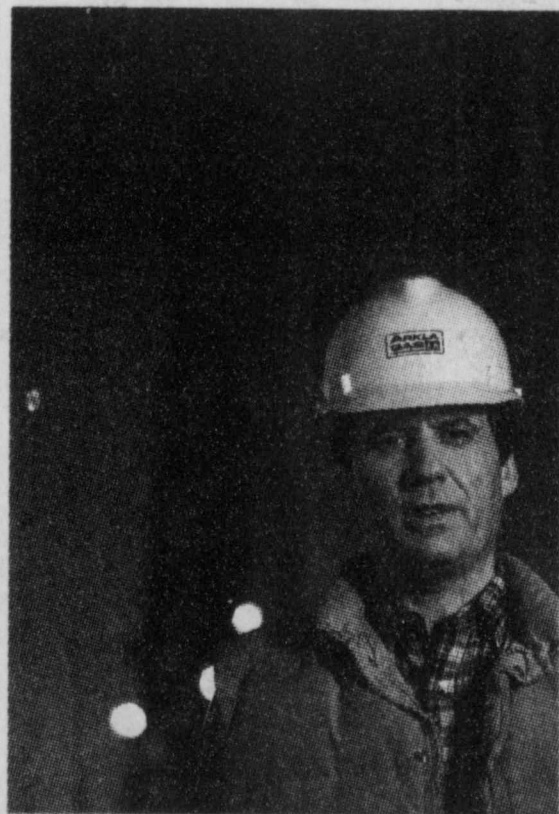

Gas Costs Less.

Many people today are concerned about the rising cost of energy. As an energy supplier, we understand this concern, and are taking steps now to keep natural gas affordable for our customers in the years ahead.

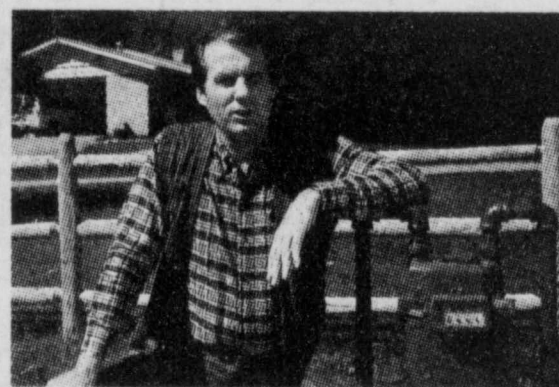

One way we can keep your costs down is by reducing our own costs. We recently finished renegotiating hundreds of long-term contracts with independent gas producers for lower prices in the future.

Our offices now operate with fewer people. We don't use as many vehicles, and we've reduced operating expenses throughout our system. All this has been accomplished while still maintaining excellent service to you.

One result of this emphasis on cutting costs and reducing expenses is reflected in present and projected gas prices. Where the cost of gas was rising, it has now leveled off. And it's projected to rise much more slowly than other forms of energy in the future.

But, more importantly, our cost-saving efforts have paid off for you - our customers. By operating more efficiently, it is much easier for us to keep your gas costs down. And you can save even more by using a high-efficiency gas furnace and energy-saving gas appliances in your home.

Energy costs may be rising, but one form of energy stands out clearly as your best value.

Now, and in the future. Gas costs less.

FOOTBALL CONTEST

WIN FIRST PRIZE \$12

WIN SECOND PRIZE \$7

WIN THIRD PRIZE \$5

RULES OF THE GAME

CLIP OUT THIS PAGE AND MARK YOUR CHOICE OF WINNERS OF THE GAME THAT APPEARS IN EACH OF THE ADS ON THIS PAGE.

Do not guess the score, just the winner. If you predict a tie, so indicate with the word "Tie" written across the ad.

GUESS BOTH THE WINNER AND THE SCORE FOR THE GAME MARKED "TIE-BREAKER", THAT APPEARS ON THIS PAGE.

Tie-breaker game winner will be counted with other games but tie-breaker game score will be used only to break ties among contestants, with the game winner first, margin of victory second, total game points third and total points by winner fourth. If still tied, the prize money will be divided equally.

Fill in your name, address and phone number (if any) and either mail or bring this page, or a reasonable fac-

simile of the list of games, to either The Deport Times or The Bogata News.

Entries brought to either of the newspaper offices, must be in that office no later than 5 p.m. Friday of this week. If mailed, entries must be mailed to either The Deport Times, P.O. Box 98, Deport, Tex., 75435; or The Bogata News, P.O. Box 306, Bogata, Tex., 75417. All mailed entries must be mailed in time to arrive with the Saturday morning mail.

It is requested that only one entry per person be submitted. In event of more than one entry from a contestant, that person will be eligible for only one prize in that contest week.

Everyone eligible except employees of The News-Times newspapers and their families. Decision of judges will be final.

Strawn-Boyd Exchange Wedding Vows

Deana Jean Strawn and Reginald Kelley Boyd exchanged wedding vows in a formal candlelight ceremony on Saturday, October 12, 1985 at 7 p.m. in the First Baptist Church of Bogata.

The service began with the groom's mother, Mrs. Jo Boyd of Mesquite, lighting an outside candle of the couple's trinity candle arrangement. The second outside candle was lighted by the bride's mother, Mrs. Jane Strawn. The arrangements base was covered with pink satin. Small grouped pink and white flowers and wedding bells surrounded an opened white bride's Bible.

Bradley Strawn and Timothy Trillet lighted the candles and assisted Kelly Jeffery with escorting the guests.

The assembled guests enjoyed wedding selections and prelude music played by Mrs. June Stanley and Mrs. Pam Koerner. Preceding the processional, Miss Staci Brooks sang "The Rose".

Rev. Bob Posey led the groom's procession to the altar. The best man, Paul Griffith and groomsmen Randy Williams, Kenny Gallaher, Glen Gilmore and junior groomsman Clifton Joplin were dressed in light gray and pink attire accenting the bride's chosen colors of light pink, rose pink and silver.

The bride was escorted by her father, Justin Strawn, and given in marriage by her parents. Her designer gown was shimmering organza. It featured an exquisite low neckline bordered with venise lace and tiny seed pearls. Appliques of venise lace covered the bodice to the flattering dropped waistline. The sleeves were done in total organza ruffles for a softer look. The full skirt gracefully flowed into a cathedral length train with bias organza ruffles cascading down the train and matching venise lace bordering the ruffles. Her bouquet was a cascade of white gardenias, roses, lily of the valley and miniature carnations interspersed with greenery.

Following the welcome, Miss Susan Stanley sang "Through the Eyes of Love".

The altar scene, designed by Mrs. Nelda Screws, was centered with a massive arrangement of gladiolas in shades of pink. Behind was a fifteen branch candelabra interspersed with boxwood greenery and garlanded with lily of the valley. This center setting was flanked by four seven branched candelabra all intertwined with boxwood greenery and lily of the valley. These were tied with satin bows in shades of pink.

Arrangements of greenery and baby's breath complimented the altar rails. Two spinal candelabra also intertwined with boxwood greenery and lily of the valley completed the altar scene.

The congregation listened as the minister read I Corinthians 13 to begin the marriage ceremony. Following the nuptial blessing Susan Stanley and Staci Brooks sang a duet, "Wither Thou Goest".

Marriage Licenses

Marriage licenses issued from the office of Mary Hausler, County Clerk, Red River County, Texas for the month of October, 1985.

Claudia Ray Lindsey and Beth Sue Lindsey, Paris.

Richard Kimbell Edwards and Rebecca Annette Daughtery, Paris. Tommy Allen Cherry and Debra Lanell Reed, Valliant, OK.

James Elvin Wooten and Tennie Estelle Parker, Clarksville. J.C. Wilkins and Ada Mae Rigenberg, Broken Bow, OK.

William Franch Jr. and Estoria Lee Butler, Idabel, OK.

Earl Jay Hayes and Lanora Ann Wood, Broken Bow, OK.

Stanley Eugene Brumalaw and Mary Sue Smith, Bagwell.

Rev. Posey defined the meaning of the unity candle as the couple extinguished the two outside candles and together lit the center candle.

The maid of honor, Miss Becky Brooks, bridesmaids, Miss Michelle Stephenson, Miss Sharon Strawn, Miss Carolyn Strawn and junior bridesmaid Miss Melanie Strawn wore identical floor length gowns of rose pink organza. The off the shoulder bodice featured a deep gathered ruffle trimmed with light pink ribbon. The gathered three-tiered skirt was also trimmed with ribbon on each tier. A wide ribbon sash was tied into a bow at the waist.

The bride's headpiece of her own design, was a circlet of wedding white flowers with streamers of net, ribbons and lace cascading at the back from wedding bows. The bridesmaids also wore circlets of flowers trimmed with pinks and silver. They carried carnation and net bouquets trimmed with ribbon tied in love knots.

Guest book attendants, Miss Gala Legate and Miss Sandy Simmons, completed the wedding party in their matching gowns and flowers.

The couple were honored to have all their grandmothers present. They are Mrs. Chris Benton and Mrs. Grace Strawn of Elaine, AR, Mrs. Dannie Boyd of Dallas and Mrs. Leslie Nettles of Groesbeck. Leslie Nettles, grandfather, was also present. Chris Benton was unable to attend.

Following the recessional, the guests assembled in the Fellowship Hall for the reception.

The bridal table held a four-tiered wedding cake, pink ice cream punch, nuts, mints and wedding napkins engraved in silver quoting I Corinthians 13:13 with the couple's names and date. Serving were Mrs. Lailani Ward and Mrs. Annie Strawn.

The guest table offered meat and cheese trays and assorted snack crackers, dips, chips and hors d'oeuvres on bride and groom wedding picks. Assisting guests were Mrs. Mary Joplin, Mrs. Patricia Strawn and Mrs. Jana Trillet. Serving the double-ring chocolate groom's cake and coffee was Mrs. Kim Allen.

A third table displayed the pink and silver rice bags contained in silver baskets trimmed with pink net and bows. Wedding matches, thank you scrolls rolled with silver rings and momento napkins were displayed. The guests also viewed the couple's engagement and wedding portraits done by Mrs. Diana Eudy. Other snapshots depicted their childhood years.

Mrs. Rue Anna Bell and Crystal, Mrs. Kay Sheffield, Kimberly and Kelli also assisted with the reception party.

The rehearsal on Friday evening was concluded with a dinner hosted by Mr. and Mrs. Stanley Boyd of Mesquite, a buffet supper was served to party members and guests at the Texas Inn in Paris.

Following a wedding trip to Arkansas and Tennessee, the couple will reside in Mesquite.

Mrs. Reginald Kelly Boyd

Stephenson-Powell Exchange Wedding Vows

Mrs. Lena Stephenson became the bride of James N. (Jim) Powell in a double-ring ceremony at the home of the bride's daughter and son-in-law, Mr. and Mrs. Don Roach in Bogata at 5 p.m. Saturday, November 2. Rev. Bob Posey, pastor of First Baptist Church of Bogata, officiated.

Attending the bride was Geneva Weaver, daughter of the groom. Best man was Don Roach, son-in-law of the

bride. The bride wore a street length dress of shirred dacron. Her attendant wore a street length dress of blue satin. Decorations included large baskets of white gladiolas, daisies, yellow mums and white orchids accented with blue satin bows.

Mrs. Miriam Stephenson and Mrs. Bobbie Cawley, nieces of the bride, served cake and punch from the bride's table. Mrs. Jo Ann Kennedy and Mrs. Janie Martin, nieces of the groom, served from the groom's table.

Present at the wedding were the bride's daughters, Mrs. Gayle Roach, Mrs. Ima Jean Hutson, Mrs. Bill Jeffries, and their families and the groom's daughters, Mrs. Geneva Weaver and Mrs. Newman Johnson and their families. Approximately 45 others also attended.

Why does TNP Employee Johnnie Holub weatherstrip his home?

Keeping your home comfortable throughout the winter months can be costly, especially when heated air inside is lost through seams around your doors. That is why TNP Employee Johnnie Holub of Pecos, Texas, prevents heat loss by weatherstripping his doors. Found at your local hardware store, the weatherstripping materials are inexpensive and you can easily install them yourself in only a matter of minutes. Sealing your home from heat loss will help make your home more comfortable. For more information on Energy Management, call our office today.

Deport Nursing Home Admission Policy

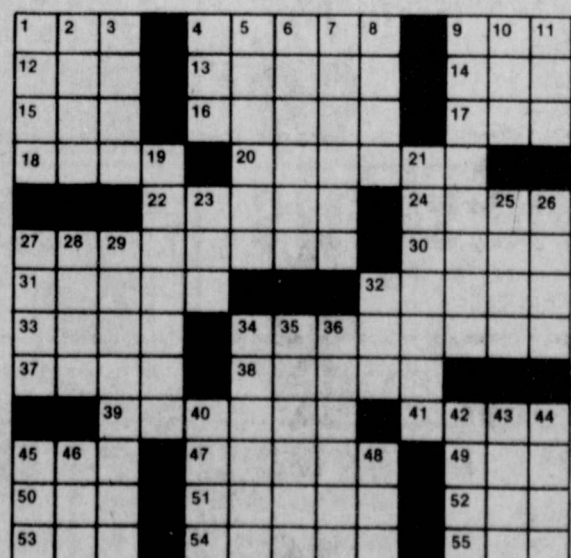

It is the policy of the Deport Nursing Home to employ and admit to and to treat all patients, without regard to race, color, or national origin. The same requirements for admission are applied to all, and patients are assigned within the nursing home without regard to race, color, or national origin. There is no distinction in eligibility for, or in the manner of providing, any patient service provided by or through the nursing home. All facilities of the nursing home are available without distinction to all patients and visitors, regardless of race, color, or national origin. All persons and organizations that have occasion to refer patients for admission or recommend are advised to do so without regard to the patients race, color, or national origin.
