

HIGHWAY 83 ASSURED BY HIGHWAY COMMISSION

\$200.00 IN PRIZES OFFERED IN DAWSON CO. BASEBALL TOURNAMENT

V. Z. ROGERS AND DIXIE KILGORE ATTEND AUSTIN MEET

Austin, July 15.—While the Texas Highway Commission today canceled all new designations and applications for newly designated roads, with certain exceptions, until the Government may act under its gigantic relief program, nevertheless, here and there definite assurance was given on a number of projects.

Perhaps the most significant move by the commission takes in Highway 83, extending across West Texas as the most direct route to the Carlsbad Caverns.

A large group of citizens in 11 counties affected attended the hearing, with M. E. Daniels of Breckenridge as the spokesman, but hardly had he finished when Harry L. Hines, commission chairman, declared that further speaking was unnecessary, "because the commission is just as enthusiastic for improvement of the road as you are. In fact, we already are arranging for a conference at Carlsbad with the Governor and commission of New Mexico, and we have conferred with officials in Washington, and all of us are anxious to get those gaps closed as soon as humanly possible."

Then the delegation applauded, shook hands with the commissioner and departed. The road goes directly west from Fort Worth to Seminole in Gaines county. All but 163 miles of the route is in first class condition and the route is 80 miles shorter to the cavern. Coming to Austin in behalf of the road were: T. F. Doak, James Stanley and J. W. Childress of Gaines county; Dixie Kilgore and V. Z. Rogers of Dawson county; Bert Messingill, A. O. Murphy, and Dave Burdett of Borden county, with representatives from Scurry, Stephens, Palo Pinto, and Parker county also present.

Daniels said the route will serve 270,000 people and that it was first designated by an act of the Legislature.

Thus it is that after several years of work on the part of interested citizens and organizations that the first definite assurance of action on Highway 83 has come about. It is hoped that the next year will see the completion of this road. Dawson county has worked continually to this end for a number of years and it looks now as if their efforts will be crowned with success.

Singing Convention Is Well Attended

The annual Dawson County Court House Singing Convention which was held at the court house in an all day meeting Sunday was attended by one of the largest crowds ever to attend a singing in Lamesa.

Mr. Bill White, president of the group stated this week that the district court room was filled both Sunday morning and afternoon, with many people standing on the outside. He also stated that some of the best singing he had ever heard was enjoyed at the convention.

The Echols quartet of Lubbock and the Bethany Penal College Quartet of Oklahoma were two noted quartets present, with various other local talent.

This convention is an annual affair and always meets on the second Sunday in July.

Church of Christ Has Successful Meeting

A very successful revival meeting was closed at the Church of Christ on Sunday night. Rev. C. C. Morgan of Clovis, N. M. did the preaching.

Over fifty additions were made to the church during the two weeks meeting.

Rev. Morgan will return to Lamesa in September to be pastor of the local Church of Christ congregation.

High School Offers New Course

Mr. L. P. Stark of the Lamesa High School faculty who is to be instructor and coordinator in new courses known as Diversified Occupations has returned from the University of Texas Summer School.

As has been announced, the local high school has been granted the privilege of being one of the ten high schools in Texas to offer such courses and Mr. Stark has met the requirements as a teacher and has received a Vocational Teacher's Certificate as evidence of his proficiency in this field. The co-operation of State and Federal agencies with the local school authorities and business establishments now makes it possible for the youth of this community to become trained in one of several occupations.

The requirements set up by the State supervisors of Vocational Education regarding age and grade are that pupils in the Diversified Occupation Courses shall be sixteen years of age on or before September 1, 1935 and shall have attained membership into the third year or tenth grade of high school.

Those pupils, either boys or girls, who meet the foregoing age and grade requirements and who will be in Lamesa High School the next term either by residence or by transfer and who wish to enroll in the courses known as Diversified Occupations are requested to meet Mr. Stark for conference on Saturday or Monday July 20th or 22nd. He will be located in the High School Gymnasium and pupils should enter at the south entrance because the other portions of the high school building are closed to traffic. He will wish a personal conference with each applicant for the courses. Mr. Stark will be at the place indicated from 9 to 12 and 1 to 4 on both Saturday and Monday.

Paving Started on South End Highway 9

Paving was started last week on both ends of Highway No. 9 in Dawson county, starting at the Martin county line on the south end and the Lynn county line on the north end, both divisions working toward Lamesa.

The work is proceeding at a rapid rate and it is hoped by contractors and engineers that the paving will be completed by September 1.

Local Homes Entered By Burglars Saturday

The home of Mr. and Mrs. C. P. Hendrix on South Second Street was entered by burglars some time Saturday night or early Sunday morning taking \$50 in cash from Mr. Hendrix's trousers.

The burglars unlatched a screen door into the Hendrix bedroom getting the money from Mr. Hendrix's trousers. The trousers and about \$200 in checks were found Sunday morning in the yard.

The home of Rev. and Mrs. E. F. Cole was also entered by burglars Saturday night. Mr. Cole's trousers and Mrs. Cole's purse were found at an open window but nothing was found missing.

EPWORTH LEAGUE PLAY AT PATRICIA FRIDAY

The Epworth League of Patricia is putting on a play Friday night, July 19. The play is entitled "An Old Fashioned Mother." This is a good play and one that you will be glad to see. There will be no admission charge. Everyone invited to come.

John Rihmann spent the week end in Sweetwater.

Terrapin Races to be Featured Trades Day

The Dawson County Courier in cooperation with Lamesa Merchants will stage one of the biggest events of its kind ever held in Dawson County, the first Monday in August. A Terrapin Race will be the big show of the day. No strings are tied to entering this race. All that is required is that you have a terrapin and register for the race at The Courier office, Monday, August 5. Every man, woman, and child may enter the race. No entrance fee will be charged. READ NEXT WEEK'S PAPER FOR DETAILS CONCERNING THIS BIG EVENT.

Construction Started On CCC Camp Here

Construction was started this week on the buildings of the CCC camp here and it is thought that the camp will be completed within the next three weeks.

First Lieutenant R. S. Howarth is camp commander in charge of construction. Jess Waller, local contractor is foreman of the construction work. Approximately twenty-five local men are working on the job.

An appropriation of \$288 was received Monday from the Texas Relief Commission for the digging of the sewer lines from the CCC camp to the main city lines. Local plumbers will do the connecting work. All electrical work will be done by local electricians. Mr. Gorman, head of the Government re-employment office here stated this week that this sewerage and electrical work will necessitate the employing of a few more local men, but just at this time was unable to name the exact number.

The following is a copy of a letter to George Mahon from Secretary H. A. Wallace, stating that Lamesa would get a white CCC camp:

July 10, 1935

Hon. Geo. H. Mahon, House of Representatives, Dear Mr. Mahon:

This will acknowledge receipt of your letter of June 25, addressed to the Soil Conservation Service with enclosed telegram protesting the location of a negro CCC camp in Dawson County, Texas.

The placement of colored camps is entirely a function of the Army. No such camp, however, will be placed in a community which is greatly adverse to receiving it. However, there is a likelihood that if a colored camp is assigned to an area and they refuse to accept it no camp whatever will be established. I believe that the colored camps have been assigned in Texas and satisfactorily located and that Dawson county will receive a white camp.

Sincerely yours,
H. A. Wallace, Secretary.

AUGUST 5TH IS NEXT TRADES DAY

Say, Trades Day will be continued, but the money that was put into the extra premiums will be offered to you in reduced costs of goods. In other words in Lamesa on First Mondays you will be able to get merchandise at a reduced figure over all other days.

Please note that Lamesa merchants will sell on First Monday, SPECIALS at a BARGAIN.

So, the people will have a First Monday as heretofore except the extra premiums will be in the value merchandise offered at a bargain.

Let's try it out—and tell the merchants what you think of it.

Keep in mind that next First Monday will be the first time this new plan is being tried out. And be on hand for the early bird gets the worm.

ALL CLIENTS ON RELIEF ASKED TO CALL AT OFFICE

Due to the inauguration of the new Works Progress Administration it has become necessary to certify anew the eligibility of all clients on the relief rolls of Dawson county. To obtain sufficient information for the certification of eligibility to relief, all persons now receiving assistance from the Dawson County Relief Office have been requested to call immediately at the relief office to be certified for the new works program. This transfer is to be completed by July 25th.

RELATIVE OF LOCAL PEOPLE DIES IN CALIFORNIA

Mr. and Mrs. H. E. Baldrige Sr. and H. E. Baldrige Jr., received a message Sunday night July 7 that their son-in-law and brother-in-law, Mr. I. H. Shankle was seriously ill at his home in Laguna Beach, Calif. They left immediately for that place. Mr. Shankle passed away on this past Sunday night. He was brought to Abilene for the funeral services and burial.

The soft ball league sponsored by the Lamesa Lions Club was organized Tuesday night at a meeting at the office of the West Texas Gas office with nine teams being entered.

A. G. Barnard was elected president of the league with Leslie Pratt secretary and treasurer, and Dr. R. F. Nix, Tom Tillman and Joe Spikes as the Rules committee.

Each team posts \$2.50 as an entry fee, the amount to be used to buy balls and pay for lights. Each team is allowed fifteen men.

It is now planned to give prizes to the leading pitcher, the leading hitter and the leading home run hitter. These prizes will make the members of the league hustle to see who are the best.

Two games are to be played each playing night, with games to be played on Monday, Wednesday and Friday nights. Until the Baptist revival meeting is over the first game will start at 7 o'clock and the second game at 10:15 p. m. The complete schedule will be given next week with the following games to be played during the coming week:

Wednesday night (Tonight): First game: School Boys vs. Crouch team; second game: W. E. Cox Jr., Team vs. Boy Scouts.

Friday night, July 19: First game, Fireboys vs. Lions Club; second game Gus Ragsdale team vs. Post office.

Monday night, July 22: First game Luncheon Club vs. School Boys; second game, W. E. Cox Jr., team vs. Crouch team.

Wednesday, July 24: first game, Boy Scouts vs. Ragsdale team; second game Lions Club vs. P. O. team.

Large crowd have already been attending the practice games and it is believed that once the League gets in full swing that attendance will grow proportionately.

The playing field is located just behind Yates Hardware store and in front of the West Texas Gas office, and has been well lighted for the night playing.

MRS. AVERIETT'S SISTER ILL IN COLORADO

Mrs. W. P. Averiett received a message last Saturday that her sister, Mrs. Lewellen, was seriously ill at her home in Manitou, Colorado. Miss Enid Averiett left immediately after receiving the message for her aunts bedside. Mrs. Averiett was unable to make the trip.

NEW CARS REGISTERED

New cars registered this past week were: D. D. Woodul, Ford Tudor; E. W. Cope, Chevrolet truck; Beechy Barron, Ford Tudor; Tom Burnside, Plymouth sedan; Ottis Pelham, Chevrolet truck; Owen Taylor, Chevrolet sedan; M. J. Stube, Ford Tudor; and J. R. Flaniken, International truck.

ATTEND MEETING

Bernie Holt, W. B. McWhorter and W. L. Marr of the city commission and William A. Wilson of the chamber of commerce left Wednesday for Austin where they will attend a Texas Municipal annual program.

TOURNAMENT TO BEGIN AUGUST 15; NO ENTRY FEE FOR TEAMS

Announcements this week by officials in charge of the annual Dawson County Baseball Tournament, are that there will be over \$200 in prizes this year to the winners of the tournament. As the prize list now stands \$150 in cash will be awarded to the first place winner with \$50 to the winner of second place and other prizes to be announced later.

According to Bill White, business manager of the tournament, fourteen teams have already signified their intentions of entering the tournament with several more to enter before the entry lists are closed. Those teams already named as possible entrants are: Loraine, Tahoka, Wilson, Lamesa, Haskell, Stamford, Brownfield, New Moore, O'Donnell, Lubbock, Ackerly, Welch, Midway, and Flower Grove. Other teams wishing to enter are requested to notify Bill White, Lamesa, before August 3rd.

There is to be a meeting of the managers of all entering teams at the court house in Lamesa, at 8:30 P. M. Saturday, August 3rd, at which time the schedule and other matters pertaining to the tournament will be worked out.

The tournament is to start August 15, according to present plans, with two games to be played each day until the winner is determined. A small gate fee is to be charged in order to care for the expense of the tournament.

August 15 was selected as the date for the starting of the tournament in order to allow the players in the rural communities to get caught up with their work and be allowed to devote their time and best efforts to the playing of baseball.

This is expected to be the largest and best attended tournament ever staged on the South Plains and with the strong entry list and lucrative prizes some real baseball is expected. Fans are awaiting the starting date with impatience and are making their plans now to attend every game possible.

The Swenson team from Stone-wall county won the tournament in 1933 with Lamesa winning last year.

Luncheon Clubs Hears Dr. Doyle B. Jackson

Dr. Doyle D. Jackson, Associate Professor of Texas Technological College at Lubbock was the principal speaker at the Lamesa Luncheon Club Tuesday noon at the Williams Hotel. Forty business and professional men and women heard the address which had to do with a background of Texas history for the Texas Centennial. All enjoyed the talk very much and expressed themselves at really getting some educational value as well as Texas inspiration from the address.

The club voted to enter the City Soft Ball League and appointed T. L. Tillman as Captain for the club's team. Mr. Tillman was instructed to place in the City League the very best team possible.

The club voted to request the Rev. James, pastor of the First Baptist Church of Cisco and who is now holding the revival meeting for the Baptist church here to speak to the club next Tuesday noon. Boys take note and be out. The Rev. James is one of the most entertaining after dinner speakers in West Texas today. A treat is in store for you next Tuesday.

Boys the old Luncheon club is growing every meeting. The old spirit is coming back, like it used to. Be there next Tuesday and get a little of the old time Lamesa spirit and pep.

New Manager At Shook Tire Co.

Mr. Pete Hunter of Sweetwater has this week assumed the management of the Shook Tire Company, replacing Mr. Frank Stanley, who resigned to enter other business.

Mr. Hunter is a tire man of several years experience and is well qualified to render the best of service in the tire line.

Mr. Hunter invites all tire users in the territory to call on him and get acquainted, and to figure with him before purchasing tires.

OLD TIME CAMP MEETING TO BE HELD IN LAMESA SOON

People from Assembly of God Churches from all over the Central and South Plains section of Texas, and from southeastern New Mexico will come together here on July 25, for a ten days Old Time Camp Meeting. A large crowd is expected to attend; many from neighboring coun-

ties, and quite a number out of state visitors are expected. Rev. George O. Hayes of Houston, Texas, will be the main speaker, speaking twice daily. Many other visiting ministers will be on the program from time to time. We are also expecting Rev. A. C. Bates of Clovis, N. M., our District

Superintendent to be with us. There will be fine music and singing; special numbers in song will be rendered from time to time.

There will be four services daily: Sunrise prayer service at 7:00 A. M. breakfast 8:30 to 9:30. Morning service begins at 10:00. Lunch 12:30 to

1:30. Afternoon services begin at 2:00 P. M. The night service will start at 8:00. Everyone is cordially invited to attend all services. Rev. Irvin E. Smith is the pastor of the local Assembly of God Church and also secretary-treasurer of the Texico District Council Assemblies of

God. Rev. A. Watson Harris of Big Spring, is Presbyter of the South Plains section. They, with many other ministers of this section, are co-operating and pulling together to make this the greatest Camp Meeting ever held in this part of the country.—Contributed.

JOE ALEXANDER, EDITOR

Victor H. Schofflemeyer, agricultural editor of the Semi-Weekly Farm News concludes a splendid article on "The Soybeans 'Use In Industry'" as follows: "Soybean meal contains about 50 per cent protein, making it similar to animal horn and milk casein. This meal was experimented with the Edison Institute in the manufacture of horn buttons, gear shift knobs, light switch handle, distributor base, distributor cover, window trim strips, and many other molded parts on the Ford car. These parts may be produced in a pleasing variety of colors. Mixed with formaldehyde the protein produces a thermoplastic resin of great strength and can be machined at will. The soybean meal at the Ford Motor Company is also used as a bond in making briquettes, as a green or wet bond in foundry sand, as an adhesive for plywood, as a paper bond and in many other ways. In short the soybean and its products show the possibility of an important union between agriculture and industry. Texas can grow soybeans, hence this story."

It was thought for the longest that none would have to splice their belts on account of watermelon time in this section, but it looks now that splicing will have to be done, as melon vines are beginning to run, and an occasional bloom is seen. Speed the splicing time.

The dominant thought in the brain of every human being is the thought of how to make existence secure.

Good fortune is nearly always the result of a group of circumstances prepared by cleverness and brought about by perseverance.

Historical, yet interesting withal, that astonishing, unique, unprecedented, and unparalleled landslide of vote of confidence from the American people given to Franklin D. Roosevelt, the New Deal and the Democratic party on November 6th, 1934. In the present Congress which met January 3rd, 1935, in the Senate the Democrats have 69 seats, the Republicans 25, the Progressives 1, and the Farm-Laborites 1. In the House of Representatives, the Democrats have three hundred and twenty-two seats, the Republicans 103. Only in Reconstruction Days following the Civil War, has there been such a one-sided dominance in the congress as the Democrats now exert, having 72 per cent of the voting strength in the Senate, and 74 per cent in the house. No such one-sided

dominance in the Congress since 1886. Old timers of the South remember the stirring times of those stormy days—that period of reconstruction during which, while the South was practically disfranchised, the party in power, with almost unanimous vote enacted the Fifteenth Amendment which placed that almost sacred prerogative (the ballot) in the hands of a horde of ignorant negroes, just freed from slavery, and—
notwithstanding this nation lived. Chattel slavery ceased, industrial slavery took its place. The years rolled by, half a century and more were numbered with the years that were, the deeds and misdeeds of congressional legislation in greatest measure created the depression which forced many millions of American citizens to stand in line, receive a dole of bread to prevent starvation—this condition brought about by a system, vicious in conception, cruel in execution and disastrous in results, so much so that the citizens of forty-two of the 48 sovereign states of the Federal Union called for a new deal and by a sensational and most overwhelming vote made Mr. Roosevelt the executive head of the nation, and which gave him almost dictatorial power. No one can forknow just the results, so we stand alert, avidly watching, anxiously waiting.

Information comes from Austin that the minimum salaries paid the teachers in Texas Rural Schools have been raised from five to ten dollars monthly by the State Board of Education. The basic pay for rural aid schools has been set at \$80 monthly in the 1935-36 term. The maximum is \$95 paid on an 8 months term. Principals salaries range from \$85 to \$100 for one teacher schools, to \$125-\$135 for eight teacher units.

Cooperative purchasing plans are meeting with considerable success, both in the quality of merchandise purchased and in the price paid. As an instance, County Agent L. C. Carter of Howard County, gave out the statement that a quantity of hay was recently bought and handled cooperatively at a saving to the farmers of \$12.50 per ton. The idea is well worth the consideration of Dawson County farmers.

USE COMMON SENSE IN MANAGEMENT OF VACATION

Austin, July 16.—This is the time of year when we put much effort and money into the summer-outing and justify the expenditure on the ground that we and our families require an opportunity to recuperate through change of surroundings and to improve our well-being. But there is often very little common sense in the management of the vacation, especially that of the children. The essentials of good care are ignored, so that the child is often in less satisfactory condition, physically and mentally, at the opening of the school in the fall than he was at the beginning of the summer, said Dr. John W. Brown, State Health Officer.

Insufficient rest and over-exercise are particularly common. It is more difficult, of course, to see that the child obtains sufficient rest during the summer, the long days and planned diversions being responsible; but more rest, not less, should be the rule during the summer months. Heat and exercise may interfere with proper digestion, indiscretions in diet are often permitted or even encouraged. Milk, the child's staple food, which deteriorates rapidly in warmth is not sufficiently protected; and other foods are subjected to contaminations which would be less likely to occur in winter.

A sudden change from an indoor to an outdoor life often leads to long exposure to the summer sunshine and when this is unduly prolonged sunburn often results. Children who have played out in the sun all the

CHEVROLET SALES LARGEST SINCE 1929 FOR JUNE

Detroit, July 11.—Chevrolet sales and production in June were the largest for that month since 1929, W. E. Holler, vice president and general sales manager, reported today. Sales in the United States totaled 97,862 units. Total production including Canada and export, was 122,300.

"These figures," Mr. Holler announced, "not only surpass the sales and production totals for any other June since 1929, but with a single exception exceed the highest totals for any month in years."

"For the third time this year, June gave us a monthly production in excess of 100,000, the other two months being March and April. In no other year since 1929 has even an entire year had three 100,000-car months such as this year already has at the half way mark."

"As we enter the second half of the year, we have already built more than 60 per cent as many cars as we produced in all twelve months of 1934—a year in which Chevrolet startled the industry by registering more cars in the last six months than in the first half."

"Sales of the Master de luxe models in June greatly exceeded Standard model sales. However, the lower priced Standard models, improved this year with the addition of the Master blue flame engine, is a tremendous success. To date, 1935 Standard sales show an increase of 107,727 units over the same period last year."

Little Berthanel Dean passed away Sunday after a long illness. We greatly sympathize with the bereaved ones.

—Mrs. T. L. Shults, corres.

IN LOVING MEMORY OF BERTHANELL DEAN

Little Berthanel Dean was born September 24, 1926, and passed away just at sundown, July 14, 1935, was laid to rest in Midway cemetery

on Monday afternoon. Brother Thomas and Brother Cole officiating.

Pallbearers were J. T. Dunn, Earl Esmond, Curtis White, J. M. Ballard, Jim Hinson, and Shelby Howell. Honorary pallbearers were Palmer and Charles Glazner, Oran Ivy, Edmond Dean and Roy Love.

A host of relatives and friends were gathered for the sad occasion and many were the words of sympathy and love expressed in this trying hour.

She had been sick several months and had suffered much. Everything that loving hands and tender hearts could do was one, but the Master called and she had to go.

She was a congenial little play mate, and will be missed at school and Sunday school, but most of all, she will be missed at home, where her sunny ways and childish laughter made home brighter. Being the youngest of a large family she had many to love and cherish her. She was a talented child, and had learned a little song about "Angels" which she was very anxious to sing at Sunday school but was never able to do so.

Her suffering was great. The pain she could not bear, so an angel came from God and took her "over there".

Let us think of her as being with the angels, where there is no pain or suffering and there is no darkness for God is the light.

—One who loved her, Mrs. Claude Dean.

CARD OF THANKS

Words fail us when we try to express our appreciation for loving words of sympathy, kind deeds and for the beautiful floral offering rendered by friends and relatives during

the illness and death of our loved one.

Mr. and Mrs. L. I. Dean.
L. I. Jr., Elmer and Dorothy Dean.

—Viola Stovall, correspondent.

PATRICIA

Sunday school was well attended this week.

A large crowd attended church Sunday morning and baptizing Sunday afternoon. Bro. Jamar filled his regular appointment Sunday morning.

Mrs. Clarence Stephens entertained her Sunday school class at the church with a basket lunch Sunday.

Mr. and Mrs. Williamson of Weaver and Mrs. Murray of Carlsbad, N. M., visited with Mr. and Mrs. J. A. Burton Sunday.

J. A. Burton was quite ill last week but we are glad to say he is better at this writing.

Mr. and Mrs. Elmer Adams are the proud parents of a fine baby girl. The little lady has been named Joyce Evelyn.

Although school has not started yet, Mr. and Mrs. Cox have moved in. They took dinner Sunday with Mr. and Mrs. Howard Chapman.

Mr. and Mrs. R. T. Hightower and children spent the week end with Mr. Hightower's parents in Garden City.

—Eudora Bruce, corres.

SUNSET

Let's not forget that Saturday night and Sunday are our regular preaching dates.

Mrs. Ebbie Lee entertained her Junior BYPU class last Thursday afternoon with a treasure hunt and other games. Afterwards they were served with cold drinks and cake.

Joe Grayson was in Big Spring Monday on business.

Several from this community at-

tended the singing Sunday in Lamesa. The young folks enjoyed a fruit supper at Mr. and Mrs. C. K. Smiths Friday night.

Mr. Payton's brother and family were here from Brownfield Sunday. Jude Smith of John Tarelton is spending a few days with home folks.

We have organized a singing class which meets every Wednesday night. Come and help us sing.

Mr. and Mrs. Preston Smith of Lubbock spent the week end here with Mr. and Mrs. C. K. Smith.

—Bessie Ola Grayson, corres.

GRANDVIEW

Everyone enjoyed the play Friday night. There will not be any more plays until the first of the fall.

Mr. and Mrs. Lindley and family visited at Tahoka Saturday and Sunday.

Miss Bernice Bowles returned to Lubbock Saturday.

Mr. and Mrs. Daniels have returned to their home. Mr. Daniels is reported better.

There were only a few at Sunday school Sunday. Everyone try to come next Sunday.

We are very proud of the new curtain for the stage. We appreciate the merchants helping in getting this curtain.

—Alice Marie Holt, corres.

HIGGINBOTHAM

Sunday school was well attended. Several of this community attended singing at Lamesa Sunday.

Anna Laura Stamford of Novice is visiting Mr. and Mrs. Ernest McCafferty.

Mrs. Horn is very ill with whooping cough. We hope that she will soon recover.

Miss Pauline Tapps of Weaver visited Mr. and Mrs. Blackstock and Norman Gandy last week.

Henry Pounds is on the sick list this week.

Mr. and Mrs. Otis Archer spent

Sunday in Ackerly with relatives.

Successfully Treats All Chronic Diseases
Without the Use of Drugs or the Knife

OFFICE IN NIX BUILDING

This is the same treatment given in Glen Rose, Texas. If I do not think your ailment is curable I will not take your case.

ELECTRICAL AND VIOLET RAY TREATMENT

I use seven treatments for a test. If you see no improvement after taking seven treatments I do not insist on you to take any more treatments. This is a treatment of nature given in a scientific manner by following the nerves and stimulating the circulation. By the circulation the system is cleansed of all impurities. Another great feature in this treatment is we don't hold but a short time, as rule from two to three weeks. In real hard cases about four weeks. The quickest results known to mankind.

I want 25 of the hardest cases in and around Lamesa. If you are a sufferer, don't fail to see Dr. Shoultz. This is the same treatment as given in Mineral Wells, Cisco and Glen Rose, Texas.

MUNGER 4-H CLUB MET JULY 5TH

"Girls, you must decide who is going to the short course," stated our sponsor, Mrs. Burger at the school house on July 5th. We decided to meet again July 8th.

There were seven members, one visitor, Miss Phenix, and our sponsor, present. Our next regular meeting day will be July 19 at the school house.—Reporter.

KEY 4-H CLUB MET JULY 5TH

Key 4-H Club met Friday July 5 with four members present. We planned a stunt for that night and made plans for the encampment.

We adjourned to meet again July 18th in the home of our sponsor.—Reporter.

HANCOCK 4-H CLUB MET LAST THURSDAY

"Four of our club girls won trips to the Short Course," announced our Club Sponsor, Mrs. Bill Miller at the meeting Thursday afternoon. "They are Chelcy Bowles, Jean and Clara Beth Harrell and Pearl Ansley." Goodwill advertising of certain Lamesa and O'Donnell merchants and a pie supper provided enough money to pay expenses of the trip for the four girls and the club sponsor.

A hundred per cent attendance of our club members is expected at the encampment July 17 and 18.

Chelcy Bowles explained methods of marketing to the members present, Maurine Johnson, Pearl Ansley, Euma Lee Bowles and Clara Beth and Jean Harrell.—Reporter.

McCARTY CLUB MET MONDAY, JULY 15TH

The McCarty 4-H Club met Monday, July 15 with ten members and the sponsor present. Plans for the encampment were discussed. Yells, songs, drills, and stunts were chosen and practiced. Dinner was spread in the club room.

We talked on parliamentary procedure, having missed this lesson earlier. We voted to have an ice cream supper at the school house this coming Friday night to raise money to send our delegate to the short course. Everyone is invited to come, buy ice cream, and have a general good time with us. All the girls present were in high good spirits in planning for the encampment.—Reporter.

O. K. HOME DEMONSTRATION CLUB MET JULY 12TH

"A correct diet plays a most important part in the way we look," stated Miss Mattie Phenix, County Home Demonstration Agent, to members of the O. K. Home Demonstration Club when they met in the home of Mrs. Alice Greenlee, Friday July 12th.

Miss Phenix gave a very interesting demonstration on "your looking glass." She also looked at the dresses made from our foundation patterns and it seems that we have quite a bit more work to do on them yet.

The club adjourned to meet with Mrs. Mildred Vandiver, Friday, July 26.

There were eight members and two visitors present.—Reporter.

KLONDIKE H. D. CLUB MET JULY 9TH

The ladies H. D. Club met Tuesday July 9th and enjoyed an interesting program on the responsibilities of a short course delegate. After the program Ruby Lee Latham was elected assistant reporter. Everyone enjoyed the delicious refreshments of coconut cake and fruit salad.

Mrs. Edd Lewis is to be the leader of the next program. The opening exercise will be the reading and a round table discussion of Christ's Sermon on the Mount. "America Must Choose" will be discussed from different viewpoints. One is the national problem of marketing our products and the other topics of like interest and importance. The program was assigned two or three meetings back but because of rain we did not have it. We are hoping the weather will permit everyone to be present. We urge all members to be present at this meeting for we feel sure the information you receive will be a benefit.

Club members, we are expecting you, Tuesday, July 23, at 2:30 o'clock at Mrs. W. C. McKenzie's home. We extend a hearty welcome to new members and visitors.—Reporter.

WOODY H. D. CLUB MET JULY 10TH

The Woody Home Demonstration Club met Tuesday afternoon, July 10 at 2 o'clock at the school house. Eight members and Miss Phenix were present.

The house was called to order by the president, after the opening exercises and a short business session was held. Miss Phenix took charge and gave a very interesting talk and demonstration on being well groomed.

As this was a called meeting we will meet again, July 16 our regular day.—Reporter.

Next meeting will be at Mrs. J. T. Pruitt's. A demonstration on brining kraut will be given. We urge all club women to be present and invite new ones.—Reporter.

HANCOCK H. D. CLUB MET JULY 12TH

The subject of the lesson for the Hancock Home Demonstration club was "Our County". There were only seven members present. We hope to see more members out next club meeting which will be July 25.

Mrs. Sam Hodge resigned as pantry demonstrator and Mrs. Bob Butchee was elected. Most of us have a garden and have been canning.—Reporter.

DEMONSTRATION CLUBS GIVE THANKS FOR ENCAMPMENT

We the committee on resolutions for the Home Demonstration Clubs of Dawson county at the Encamp-

ment held July 2 and 3, 1935, wish to submit the following resolutions of appreciation.

To Mrs. R. F. Nix for her royal welcome to us; to Mrs. Joe Flaniken and Miss Marguerite, Mrs. Carl Rountree and Miss Asalie Key for delightful music; to our visiting demonstration agents, Misses Robb and Jennings and Mrs. Hill for judging our exhibits; to the county commissioners for the ice cream and cabinet; to the school trustees for the use of the school building and Mr. V. Z. Rogers for his courteous treatment; to the Boy Scouts of Troop 22 for

untiring help; to the Chamber of Commerce for cooking and serving us a delightful breakfast; to Mr. S. L. Forrest for an instructive and encouraging talk on Home Improvements; to those who judged our stunts; and to all others who helped to make our encampment the great

success which we feel it was.

"How Does Chiropractic Apply to the Disease from Which I May Be Suffering?"

Is the question nearly every reader asks. The nerves that radiate from the spinal exits of the backbone, reach every organ of the body. It follows then, that misalignments affecting any of these nerves, when corrected by chiropractic adjustments, will affect favorably any organ of the body reached by these nerves.

Chiropractic releases the power inside. It is simple and easy to understand. It is a FOUNTAIN OF HEALTH toward which the world is turning.

FARM NOTES

1934 Cotton Tax Exemption Certificates

Closing date for polling (special pool) for 1934 cotton Tax Exemption certificates was Monday night July 15th.

Producers who have a few Cotton Tax Exemption Certificates that have not been surrendered to the County Agents Office to be sent to the Washington office to be re-issued for Certificates usable on the 1935-36 cotton crop must do this before Thursday, July 25. After that date it will be too late to do anything with the 1934 tags if you have not already put them in the special pool or brought them in to have them re-issued for this year's use.

New Cotton Contracts and Split Contracts

All new contracts (contracts sign-

ed for the first time in 1935) except three or four have been adjusted by local Committees and are ready to be signed by the producer. Producers who have not signed their new contracts and made Bale Tag Applications for this year please come in immediately and do so. We would like to get all of these contracts signed and ready to be sent to the State Allotment Board soon after July 25.

Producers who have not signed their Split-Contracts and made Bale Tag Applications please do so not later than July 25th.

KEY COMMUNITY REGISTERS BOY SCOUT TROOP

With Charles T. Hatchett as Scoutmaster and W. B. Osborn as

Assistant Scoutmaster, the Key community has this week registered its first Boy Scout troop. The following boys were registered with the National Boy Scout Headquarters:

Earl Calhoun, Edgar Fair, Paul D. Grissom, Elmo Jeter, Reubin Osborn, Charles Shipley, Lee Towns, and Harry Lee Zeeck. Charles Hatchett was a former Scout in Troop No. 1 of Lamesa, the first troop organized in Dawson county, which is now Troop No. 22, and his assistant, Mr. Osborn, was formerly a Life Scout with a Midland troop. He has 17 merit badges to his credit. The troop committee is composed of Gene Towns, E. B. Osborn, and Truitt Shipley. The sponsoring organization is the Ladies Home Demonstration Club. With this fine backing and leadership, the Key troop is expected to take a high rating right away with Dawson county's other fine troops. McCarty, Klondike, and Welch, are there any boys in your communities? Then whacha waiting on?
