Volume LXIII | Wellington, Collingsworth County, Texas 79095 Thursday, September 21, 1972 | Number 8

JUVENILE HEAD

Bob Watson of Claude has been chosen to head the Multi-County Juvenile Probation Program.

More Donors Needed for Bloodmobile

The county is still short on the number of blood donors scheduled for the Bloodmobile visit here Tuesday, October 3, Mrs. Bill Hall, recruitment chairman, has reported.

The county's quota for this visit is 110 units of blood, and at least 140 persons should be scheduled.

Operating on a schedule serves two purposes, Mrs. Hall explained. The Red River Valley Blood Center at Wichita Falls will know what it can expect when the bloodmobile unit reaches here, Also, prospective donors will have far less waiting time than if they simply dropped by.

However, those who cannot make an appointment will be accepted on a drop-in basis.

The bloodmobile will be at Bura Handley Community Center from 1:00 to 5:30 p.m.

A number of workers both in Wellington and the other communities are contacting prospective donors, but anyone who is missed may call Mrs. Hall.

Persons over the age of 18 who are physically qualified, can donate blood without written permission. Those over 66 years should have written approval of their physician dated within two weeks of the bloodmobile visit.

FARMERS UNION ELECTS

The Collingsworth County Farmers Union re-elected Donald Langley, back left, as president for a second term Saturday, Sept. 16, at the annual meeting and barbecue. Five directors were chosen, including, back right, Lloyd Wooldridge, and front, from left, Dan Henard, Jr., Wilbur DePauw, Doug Seal, and Bob Hightower.

Acquiring Right-of-Way On US 83 Due to Start

Securing the right of way for widening of Highway 83 and improving First Street is due to begin immediately, O.V. Johnson resident Highway engineer for the Texas Highway Department said this week.

The Highway Department also recently accepted FM 3070, a 9-mile stretch of hard surfaced road beginning four miles west of Dozier and extending toward McLean. Work began on this road about two and a half years ago and the total cost amounted to about $350,000.

The third improvement project in the Wellington area, is nearing completion. This is the widening to four-lane the one mile stretch of US 83 - 62 between the Memphis Y and the Hollis Y, and widening of US 62 east to the state line.

The county commissioners decided in a special meeting with Highway Department officials that the county will appraise the value of the land to be secured as right of way.

Plans for the US 83 improvement north to Lutie are ready, and waiting on allocation of funds from the Highway Department, Mr. Johnson said.

This project goes from the south city limits of Wellington to FM Road 1439 at Lutie.

According to the highway department proposed improvement from the South City limit to 7th Street consists of overlaying the present municipal section with hot-mix asphaltic concrete pavement on existing right of way.

From 7th Street to a point .2 miles north of Wellington,

New Building For Ambulance Service Approved

The City Council has voted to construct a building at Collingsworth General Hospital to house the two ambulances of the Volunteer Ambulance Service, at a cost of about $3,000.

This action was taken in the regualr meeting of the council Monday night, September 18.

At present, one ambulance is kept in the fire station and the other in the city's parking lot east of Bura Handley Community Center. Some work has been volunteered by organizations and individuals, Don Welch, ambulance service chairman, told the council.

In other business, the council accepted a petition bearing approximately 60 signatures concerning weed-grown waterway in southeast Wellington. The council took this matter under advisement to determine the best way to eliminate the problem.

The contract on a pickup to be used by City Manager Lyman Daniel went to Clark Chevrolet on a low bid of $3,079.90.

The city audit and 1973 city budget were received from Ronnie Gowdy, auditor representing Don Wells of Shamrock, and these were taken under study until next meeting.

Glenn Warrick, mayor protem, presided in the absence of Mayor John Coleman, and others present were Council Members Bob McAlister, R.L. Mabery, Ralph Owens, and Lloyd Vines; Mr. Daniel, and City legal advisor, Paul Spillman.

Skyrockets Travel To Shamrock Friday

The Irish will have more than luck on their side when the Wellington Skyrockets travel to Shamrock Friday night, September 22. Game time will be 8:00 p.m.

Wellington Coach Jimmy Forrester has impressed his boys with the strength of the Irish Club. They lost most of their starters, from 1971, but a strong reserve of men who are juniors this year left them with plenty of experience.

"They have a good size ball club and lots of speed in the backfield," said Coach Forrester. "An example of this is Ronald Gragg, their quarterback, who has real fine speed, and Sammy Jackson also in the backfield and another example of their speed.

"For size and ability, there is their tight end, Walter Bond, who is already 6-7 and weighs between 235 and and 240. Coach Colie Huffman has said that Bond has the ability to be the best football player who has

N. W. Murray, 74, Dies Sept. 13 Of Short Illness

N.W. (Shorty) Murray, 74, died at 4:55 p.m. Wednesday, September 13, in Collingsworth General Hospital, where he was admitted earlier in the day.

He had gone about his accustomed work the preceding day and attended church services in the evening.

Mr. Murray was in the hog business here for many years but earlier in life, he farmed and also was associated with the College Farm of Panhandle A&M College in Goodwell, Oklahoma.

Born March 18, 1898, at Graham, Noble Wesley Murray was reared in southwest Oklahoma, and was still a young man when he came to Dodson.

He was married to Miss Valentine Huff at Dodson on December 19, 1915. They had lived in Wellington since 1933.

PTO Slates Meeting to Plan Carnival

The first meeting of the Elementary School Parents-Teacher Organization will be Thursday, September 28, at 2:30 p.m. at the school cafeteria.

The Halloween carnival, principal fund raising project of the organization, will be discussed. The date for this is set Saturday, October 28.

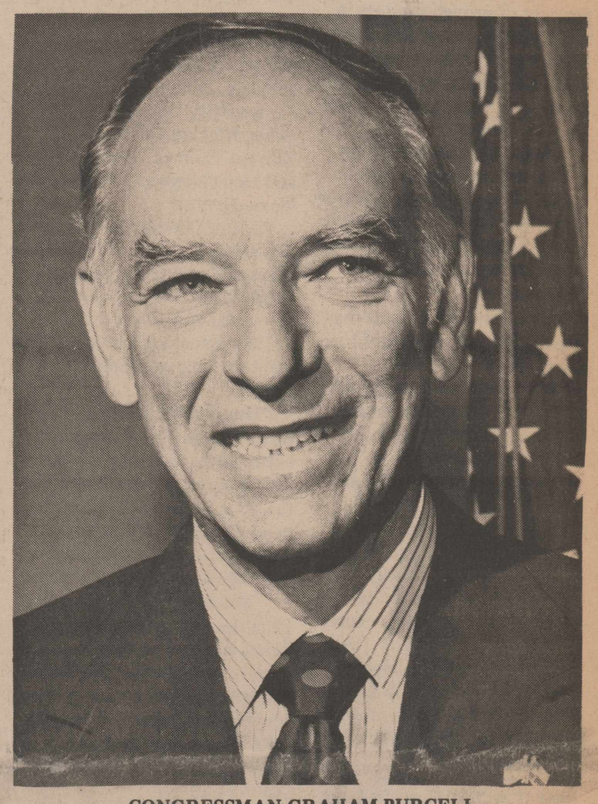

A short program will be presented.

There will be room mothers meetings following the PTO meeting.

A prize will be given the room with the most mothers present, according to Mrs. Jerry Nix.

The PTO has bought and paid for a fence to go around the east and south sides of the

CONGRESSMAN GRAHAM PURCELL

Luncheon to Honor Rep. Purcell Sunday

Congressman Graham Purcell, seeking election from the new 13th District, will be in Wellington Sunday, September 24.

He will be honored at a luncheon at noon in Bura Handley Community Center, which is open to the public, Mrs. John Coleman, County Democratic Chairman, has announced. Everyone wishing to meet him is invited to attend, she said.

Mr. Purcell will arrive by plane at 10:00 a.m. and he will attend services at one of the Wellington churches.

The luncheon will be from 12:00 noon to 1:00 p.m.

After lunch, Mr. Purcell along with several party leaders, will tour a shinnery eradication project northwest of Wellington. He is due to leave Marian Air Park about 4:00 p.m., Mrs. Coleman said.

Tickets for the luncheon are on sale and reservations may be made by calling Mrs. Coleman, County Judge Zook Thomas or Bill Spillman.

"Graham Purcell will speak briefly at the luncheon. Come by immediately after church. You will be served as you arrive. There will be no waiting line," Mrs. Coleman said.

"Give the family a treat, take them to the Purcell luncheon. If you do not have time to eat, come by and visit with the congressman. This is a very informal affair."

Mr. Purcell, whose home is in Wichita Falls, is now representative from the old 13th Congressional District. Realignment of the districts in 1971 combined it with the old 18th District, to become the new 13th District.

Watson Heads Multi-County Juvenile Probation Work

A former Wellington man, Bob Watson, of Claude, has been named to head the Multi-County Juvenile Probation Program, which will be headquartered here.

Mr. Watson will be the chief probation officer, and serving with him will be Alvin Minatrea, who is resigning as Collingsworth County Deputy Sheriff to take over the duties of probation officer, and Mrs. Kennard Poteet, who will be office manager-secretary.

The Multi-County program is unique in the state in that counties and schools have combined to work on the problems of juvenile delinquency.

The appointments were announced this week by County Judge Zook Thomas.

The officers will begin their duties October 1 with offices on the northwest corner of the third floor of the court house.

Three counties, Collingsworth, Donley and Wheeler, and five schools, Quail, Samnorwood, Hedley, Shamrock and Turkey, are co-operating in the program which seeks to head off delinquency in boys and girls and to work with those who do face problems or run afoul the law.

Mr. Watson, 38, whom many of the family's friends remember as Bobby Jack, comes to his new work with a broad background of law enforcement work, especially with juveniles. He is currently protection manager for Montgomery Ward in Amarillo.

He entered law enforcement work with the Perryton Police Department in 1957, and since then he has been Ochiltree County Deputy Sheriff, with the Texas Parks and Wildlife Department as a park attendant at Palo Duro State Park and park superintendent of Abilene State Park.

He organized and ran as chief of the security department of Abilene Christian College while enrolled as a student. He was a pre-medical student at San Jacinto College before he and his family returned to the Panhandle.

His first job, however, was with The Wellington Leader, and later he worked for Wellington Lumber Co.

Mr. Watson joined the Wellington Volunteer Fire Department when he was 18 and he has been a fireman ever since.

For three years at Claude, he has been a volunteer ambulance driver, and has attended several schools on emergency care of sick and injured. He is a Registered Emergency Medical Technician with the Texas State Department of Health, after completing the required course at Amarillo College.

He is a director of Claude Chamber of Commerce.

The Watson family belong

Col. Alexander Goes to Germany

A career officer from Wellington, Col. J.T. Alexander, is beginning his fourth tour of duty in Germany.

He and Mrs. Alexander left Charleston, South Carolina, by plane Saturday, September 16, for Worms, Germany, where he is assigned to the Provost Marshal, Theatre Army Support Command.

The couple spent a week here just before going overseas visiting his parents, Mr. and Mrs. Earl Alexander and other relatives, and with her mother, Mrs. Hugh Jones of Childress.

They expect to be in Germany three years.

D. A. Kincannon, Long-Time Abra Resident, Dies

Services are pending for D.A. Kincannon, 88, long-time resident of the Abra area, who died Tuesday, September 19, in Shamrock General Hospital.

He was living at Golden Spread Nursing Home in Shamrock at the time of his death.

Mr. Kincannon was the last surviving member of the original Samnorwood School Board.

Survivors include his wife, Mrs. Lela Kincannon, a son, Dee Kincannon of Abra; a daughter, Mrs. W.R. Breeding of Samnorwood; two brothers, J.W. Kincannon of Wichita, Kansas, and Robert Kincannon of Olustee, Oklahoma; three half sisters, 10 grandchildren and three great grandchildren.

Bank Slates Annual Golf Tournament

The Wellington State Bank is sponsoring its tenth annual golf tournament for men which will be played at the municipal golf course from Friday, September 29 through Sunday, October 8.

Arrangements were announced by C.T. Hubbard, Wellington State president.

The first 18 holes will be played on Friday through Sunday, September 29 to October 1. The total of the first 18 holes will determine the flight each player is in.

Each will be required to play an additional 36 holes, making a total 54 holes.

"Unless there is an emergency, we had rather that you not play them on the week end of October 6,7 and 8. All participants must begin final play no later than 1:30 p.m.,"said Mr. Hubbard.

There will be four flights and awards will be given for the first, second, third and fourth place winners in each flight. Those not a winner in one of the flights will be eligible for the extra prize, which will be for the player closest to the cup on No. 9 green.

Each participant will receive a gift when entering this tournament. There will be no entrance fee, and only the green fees required by the course are paid.

Claude McKinney Some Improved

Justice of the Peace Claude McKinney is reported as improving this week from injuries received in a two-car collision Saturday, September 9.

He is in the Northwest Texas Hospital, Amarillo.

Sandy Parsons, who visited him Tuesday, said that his condition was improved over that of a few days ago.

Mr. McKinney has had good days and bad days since the accident. Surgery which was scheduled for Thursday, September 14, on his broken hip was not performed.

Mrs. McKinney is in Amarillo with her husband.

GOLF WINNERS

These eight women won prizes in the second annual Wellington State Bank Women's Golf Tournament which ended Sunday. Golfing champion was Mrs. Harold Watkins, third from left. The group of winners reading from left, includes Mrs. R. L. Mabery, Mrs. L. B. Bratten, Mrs. Watkins, Mrs. Howard Holton, Mrs. Earl Clark, Mrs. Henry Sullivan, Mrs. Jones Singley, C. T. Hubbard, tournament sponsor, and Mrs. Rodney Kane.

LP Gas Firefighting Demonstration Set

Members of the Wellington Volunteer Fire Department will practice skills they hopefully will never have to use in fighting liquified petroleum gas fires at a demonstration on Tuesday, September 26, one block north of the water tower. Classes will begin at 7:00 p.m. and the demonstration at 8:00.

The public is invited to attend the demonstration, which is held for the firemen by a Houston insurance company and sponsored by the LP-gas dealers of the area and Texas A&M Fire School, according to Bill Anders, who is helping with plans.

Water, using two fog patterns will be the medium for extinguishing the blaze, Anders said.

This training session will be an actual exercise in dealing with a liquefied petroleum gas fire. The LP-Gas industry is relatively new; suppliers and dealers have already had special training in handling the fuel and the safety record has been sufficiently good that few firemen have had occasion to gain experience and confidence in their own ability to quench an LP-Gas fire.

The firemen will experience the noise and heat they would face in such an emergency situation and at the same time practice the techniques of approaching the fire, maintaining a protective cover of water from fog nozzles, and shutting off the fuel source.

Skyrocket B Team Stops Irish 20-0

Wellington Skyrocket B team shut out Shamrock 20-0 Thursday night, September 14, in the opener played at El Paso Field.

From the start, Wellington had command of the game. Receiving the kickoff, Wellington's Larry Doty ran the ball back to his own 40-yard-line. Then on the first play from scrimmage, on a sweep around left end, Ray Aguilar went 60 yards for a touchdown.

In the second quarter, on a sustained drive, Wellington took the ball all the way downfield with Jim Bob Nall, Sammy Gonzales, and Dale Blakes alternating at carrying. Nall finally scored from 6 yards out on a play up the middle. The try for extra points again failed, and that was the score at half time, 12-0.

The third quarter was pretty muchly a defensive ball game. The Rocket B had some drives stopped, and they stopped Shamrock.

In the fourth Wellington got another sustained drive started with George Brewer, Doty, Nall. Gonzales and Blakes, taking the ball upfield. The touchdown was set up on a long pass from Brewer to Doty that put the ball down on the 8 yard line. On another sweep to the left, Ray Aguilar scored again. This time on a pass play from Brewer to Aguilar made a two-point conversion, making the score 20-0.

"Our offensive line, consisting of Joe Whitten, Ray Jeffrey, David Null, Lynn Anglin, Larry Wright, Mickey Vassey, Bill Havens, and Neal Cochran, all did a real good job for us," said Lacy.

"Richard Sanders played an outstanding game of defense, along with Robert Wolf, Dickie Johnson, Jackie Black, and on our specialty teams, the Sims twins, Richard and Randall, Edward Thomas, Rudy Cantu, and Doug Maxwell and Randall Maxwell.

"I think George Brewer did an excellent job of calling the plays and calling the game at quarterback. Ray Aguilar did an outstanding job of running."

"On defense, I would have to mention Sanders, Johnson, Nall and Wolf."

"Our defense limited Shamrock to three first downs in the entire game, and they never got nearer to the goal line than the 40 yard line. On the other hand we picked up around 20 first downs in the game, and over 300 yards rushing.

"Wellington had quite a few penalties that stopped several drives, and this was attributed to early season errors that will be eliminated later on. For their first game, I thought these kids did an exceptional job of playing football," concluded Coach Lacy.

Pronghorn Sheep Looking Good

SAN ANGELO -- West Texas prong-horned antelope are increasing by leaps and bounds.

The Texas Parks and Wildlife Department reports that 60 per cent of pronghorn does in the Trans-Pecos and Permian Basin had fawns this year. Panhandle antelope crops shape up to be the second best in the past 12 years.

Department biologists out west will issue special permits to landowners which are required for coming hunts in the fall.

Panhandle landowners received about 381 permits from Dick DeArment.

All permits were issued by department officials prior to Sept. 20.

In the Panhandle Regulatory Distict, the pronghorn season runs from Sept. 30- Oct. 3 with a bag limit of one.

Parks and Wildlife Department biologists report that the herds are in excellent condition as a result of good range.

In the past, one lucky hunter in the Permian Basin bagged an antelope with horns exceeding 19 inches in length. The Boone and Crockett record is over 22 inches but the Texas animal is rated as one of the four best pronghorns killed in the state.

ELEGANT NEW CUTLASS — The popular Cutlass Supreme again tops the intermediate lineup from Oldsmobile in 1973. Completely redesigned, the Cutlass Supreme is available in a colonnade hardtop coupe (shown) and a four-door sedan. Standard engine is the 350 cubic-inch V-8 four-barrel with the 455 cubic-inch V-8 four-barrel available as an option.

Showing of New Olds Set for September 21

Oldsmobile Division's 1973 lineup features a new compact car, completely redesigned Cutlass models and a long list of engineering advancements.

From its compact Omega to the luxurious 98 and Toronado, Oldsmobile spans the automobile market with 27 models, two more than in 1972. 1973 Oldsmobiles will be here September 21, according to Mickey Kendrick, dealer.

Following are highlights of the 1973 lineup:

OMEGA

Oldsmobile's new entry, the Omega, is built on a 111-inch wheelbase and has an overall length of 197.5 inches. It is offered in three body styles . . . a two-door coupe, a four-door sedan and a hatchback coupe that has a rear door that opens upward to reveal a flat carpeted load floor extending from the front seat to the rear end when the rear seat back is folded down.

Front and rear bumpers are rigidly mounted to meet new requirements. The bumpers protect the car's safety systems in front-end barrier impacts up to five miles per hour and rear barrier impacts up to 2.5 mph.

The Omega's standard engine is the 250 cubic-inch six-cylinder and the 350 V-8 four-barrel is optional. Other Omega options include power drum and power disc brakes, variable ratio power steering and Turbo Hydra-matic transmission.

CUTLASS MODELS

All intermediate Cutlass models have been completely redesigned for 1973. The design of these cars is new and contemporary, but still readily identifiable as Oldsmobiles.

The intermediate lineup features seven models . . . two Vista Cruisers, two Cutlass Supremes, one Cutlass 'S' and two Cutlass models. The F-85 nameplate has been discontinued.

The front ends of these cars feature single seven-inch headlamps in place of dual lights. These single sealed beam units have more candle power on low beam than last year's dual headlight system.

The new energy-absorbing front bumper meets the five mph barrier impact requirements. Grilles are hinged at the bottom and retract with the bumper during a low-speed impact. The Cutlass and Cutlass 'S' have rectangular pattern dual grilles, while the Supreme and VIsta Cruiser have a dual vertical bar design.

Rear-end design of the 1973 Cutlass models is new. Large vertical taillamps are mounted in the body, except on the Vista Cruiser where four bumper-mounted lamps are used. The Cutlass Supreme has a specific taillamp.

The rigid rear bumper on all Cutlass models meets the 2.5 mph barrier impact requirement.

The 1973 Vista Cruiser is built on a 116-inch wheelbase, with an overall length of 219.3 inches, one inch longer than last year. The roof glass dome is replaced by the "Vista Vent," a section of moveable tinted glass over the front seat. The "Vista Vent" is potional on Cutlass, Cutlass 'S' and Cutlass Supreme colonnade hardtop coupes.

The Vista Cruiser, available in two- and three-seat models, features a lift-open tailgate with a fixed window.

88'S and 98'S

Sixteen models are offered in Oldsmobile's 1973 88 and 98 lineup, including a new addition. . . the Regency sedan. Introduced as a limited option on the 98 last year, the Regency has become a full-fledged model in 1973.

Among the special features of the Regency are extra-luxurious interior trim and upholstery, a 60/40 front seat and a specific clock.

Design modifications are evident in all new 88's and 98's. Hoods and fenders on these cars have been revised, and front end panels and parking lamps are new.

Also new is a hydraulic front bumper system with more impact-absorbing capabilities than last year's system. This bumper is built to protect the safety systems in a five mile per hour barrier impact in conformance with federal standards.

TORONADO

Oldsmobile's front-drive Toronado, now in it's eighth model year, features an all-new front appearance for 1973. Design changes include new fender extensions, parking lamps a grille and an energy-absorbing bumper.

At the rear, the Toronado, has a new bumper and a new vertical taillamps that complement modified rear quarters and deck lid.

As in previous years, the Toronado is available with a special Brougham interior trim package that includes a full-foam divided front seat with exclusive trim design.

Fair to Honor Senior Citizens

According to Rex. B. Baxter General Manager of the Tri-State Fair, the fair will once again honor senior citizens of the Panhandle area.

Baxter said that Thursday, September 21, has been designated "Medicare Day." On that day all persons having Medicare will be admitted to the fair grounds free of charge upon showing their Medicare card.

Travis C. Briggs, Manager of the Amarillo Social Security office said there are 20,000 persons living in the Panhandle eligible for free admission. Briggs added that the Amarillo Social Security office will have a special exhibit in the North end of the Commercial Exhibits Building throughout the fair. It will be manned each evening from 6:30 to 8:30 p.m. and all afternoon and evening, 12:30 to 8:30 p.m. , on "Medicare Day" and Saturday. Questions regarding Medicare and related subjects will be answered and free literature distributed.

Mrs. Hazel Adcock of Phoenix, Arizona, visited her niece, Mrs. Wilbur DePauw and her brother Mr. and Mrs. Freeman Melton.

Oldsmobile for '73

Cutlass. It's two new cars.

Cutlass S Colonnade Hardtop Coupe. Sportier this year. Roomier. Heavier. Yet surprisingly easy to own. Even if you order the new swivel bucket seats.

Cutlass Supreme Colonnade Hardtop Coupe (foreground). More of a little limousine than ever. You can see it in the formal roofline and new opera side windows. You can feel it in the spacious, quiet interior. And even in the ride we've patterned after our bigger Oldsmobiles.

Delta 88—with a new grille that swings out of harm's way.

For '73, we've made the Delta 88 tougher than ever. The Swing-Away Grille (pictured at left) is just one way. It's teamed with an improved hydraulic front bumper system: if the bumper gets tapped, the grille swings out of the way. We pound the seats 100,000 times, and drive the Delta 88 thousands of hard miles, to test durability. All to make sure it's more than just big, comfortable and smooth-riding—not just another pretty car.

Omega. The new compact Olds at a compact price.

It's a whole new kind of Olds. And the lowest-priced of all. Omega is a compact —but one with big-car thinking built in. It's nearly 500 pounds more car than some smaller compacts. Its wheelbase is longer, 111 inches, for a smooth ride. And you can feel the difference on the road. A deluxe interior with new "wet-look" vinyl trim is standard. So is full carpeting. And a 250-cu.-in. engine. Coupe, 3-door hatchback or sedan, it's a lot of Olds for the money.

See the '73 Toronado, Ninety-Eight, all the new ones at your Olds dealer's showroom now.

GM
MARK OF EXCELLENCE

Top-of-the-Line '73 Monte Carlo

The all-new Monte Carlo, the flagship of the Chevrolet fleet, is among the most changed of all seven Chevrolet car lines in 1973. Featuring beautifully sculptured side and rear-quarter metal, new grille, and an optional Landau or opera-type vinyl roof, the Monte Carlo is a styling classic. Many months of advanced chassis and suspension engineering work have given the Monte Carlo handling and roadability said to equal or surpass that of Europe's most expensive personal touring cars. Introduction date for all 1973 Chevrolets will be Thursday, September 21.

Chevrolet Offers Three New Lines

Chevrolet, which sells more cars and trucks than any other manufacturer in the world, in 1973 will offer three product lines that are completely new from the ground up . . . the Monte Carlo, the division's personal luxury car; an all-new Chevelle; and a completely restyled line of pickup trucks, Chevrolet's first new pickup truck in six years.

The 1973 Chevrolet, featuring seven car series ... from the top-of-the-line Caprice to the versatile Vega... give America's automobile buyer the greatest choice of styling features and safety innovations ever offered in the division's 62-year history.

In the model year that just ended, Chevrolet broke its all time past sales record. Along the way new sales records were established for the Corvette, the Monte Carlo, the Caprice, the Nova, and the Vega ... which gives some idea of the breadth of Chevrolet's current sales strength.

John Z. DeLorean, a General Motors vice president and general manager of Chevrolet, stated that "the '73 models are substantially improved in roadability, comfort and styling."

"In addition," DeLorean added, "Chevrolet dealers are undertaking an all new service program, called Service Supremecy, which should result in a giant step toward better service.

"The addition of an improved product and improved service to the momentum built in the past year should guarantee a super year for Chevrolet in 1973," he concluded.

The 1973 Chevrolet passenger cars and trucks are scheduled for public introduction on Thursday, September 21.

All told, Chevrolet will offer 47 passenger car models in '73, eight more than in the previous year.

The new Monte Carlo ... one of of the industry's strongest candidate for Car-of-the-Year honors ... has outstanding handling and roadability characteristics.

From its new impact resistant bumper and new roofline to its sculptured taillights, the Monte Carlo has redesigned interiors, instrument panel and steering wheel.

Also new is an acoustically-engineered double-panel roof while a power-operated all-metal sliding roof is optional.

Another customer-plus is a new 22-gallon fuel tank.

The full-size standard Chevrolet ... the industry's top selling car ... offers a new luxury series ... the top-of-the-line Caprice Classic.

The Classic sports a convertible model for the first time along with two and four-door hardtops and a four-door sedan.

Also offered are two and three-seat Caprice Estate wagons which have a 125-inch wheelbase and the popular Glide-Away tailgate.

John Holton Takes TCU Ranch Course

(FORT WORTH, Sept.) Wellington resident John Elbert Holton of 1616 El Paso is among the more than 30 men from the United States, Central and South America enrolled in Texas Christian University's 1972-73 Ranch Management program.

An intensive nine-month program for study of all aspects of ranching, the TCU program was inaugurated in 1956 on the recommendation of Southwestern ranchers. Since that time, members of the yearly classes have gained skills, technical knowledge and practical experience in preparation for a life's work in ranching.

The program combines intensive classroom study with extensive field study during the year. Classroom work highlights such topics as beef cattle, sheep and goat production; development and business management of a ranch; animal health and reproduction; soil and water conservation; livestock feeding and marketing; and forage production and use.

On the field trips which cover more than 9,000 miles in three states, the men observe ranching practitioners, livestock operations and veterinarians demonstrating basic animal care. The visits are chosen to give the best possible cross-section of different types of country, climates, soil conditions, grasses, crops and livestock.

The student earns 33 credit hours and a Ranch Management Certificate for successful completion of the 12 courses.

"At a time when the total fund of knowledge is doubling every ten years, agriculture is leading the way in technological change. The resulting opportunities for improvement form a challenge which must be met by ranchmen who expect to be victors rather than the victims of progress," explained Program Director John Merrill. "Deciding which changes will be profitable and fitting them into an organized plan of operation becomes a critical test of knowledge and the ability to apply it. The ranch management program is custom-tailored for the man dedicated enough to invest his best effort in education and experience to prepare for a lifetime of productive and rewarding work in the profession of ranching," Merrill added.

Director of the program since 1961, Merrill is a Central Texas native and operates his own ranch near Crowley. Raymond Kenny is associate director. Jack Moreman, formerly of Wellington, and a recent addition to the TCU faculty, is assistant director.

Members of this year's program represent eight states and four foreign countires. Twenty-five are single and seven are married while the average age is 21. Four members of the program have obtained degrees from colleges and universities across the United States.

Visiting Mrs. Hattie Hornsby during the week end were Mrs. Madalene Slaten of Gould, Oklahoma, Mrs. H.M. Cowell of Plainview, James Branch, his son and daughter of Amarillo.

It's 1973, and Chevrolet roofs are opening, seats are swiveling, bumpers are retracting, hatches are flipping up.

Did you ever have so much to talk about that you didn't know what to say first?

We're happy to report that's us for 1973. But since everything must begin somewhere . . .

Isn't it romantic?

You see that rectangle beaming at you from above? That's a moonroof. Not to be confused with a sunroof. (Although many people will undoubtedly be caught using it like one.) A power roof is available on Chevelle and Monte Carlo; a manual one on Nova.

Bumpers are exciting?

This year's are something to get stirred up about. One of our new bumpers, for example, is built around twin hydraulic cylinders. So on minor impact, the whole system retracts to cushion the shock.

It's standard on all big Chevrolet, Chevelle and Monte Carlo models. Nineteen different models to choose from.

New Malibu Colonnade Hardtop Coupe.

New Nova Hatchback Coupe.

Look what we hatched

You know us for our little Vega Hatchback. Now dependable Nova has one. Which literally makes it half trunk with the backseat down. It's a feature as practical as Nova itself.

We've been thinking about your legs

One of the few things people asked us to improve in our popular Chevelle was leg room in the backseat. Well, your knees will be pleased with the '73s. There's almost 3½ more inches in the sedans.

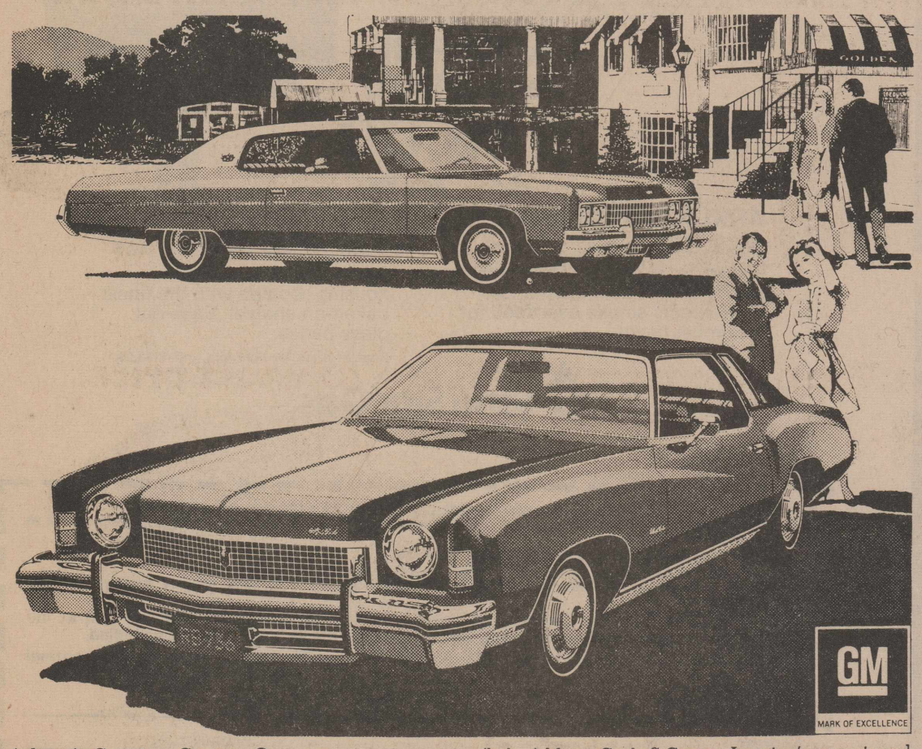

So what else is new

Naturally this is only a taste of what's new for '73.

Among other things, we're introducing larger gas tanks for longer cruising range, a new Exhaust Gas Recirculation system, a hatchback for wagons, and a highly refined flow-through power ventilation system.

Plus a reading light for front seat passengers, improved suspension systems, engines that give you performance combined with gas economy, reclining seats and scores of dramatic styling changes.

We invite you to see it all at your Chevrolet dealer's.

(above) Caprice Coupe. Our new uppermost Chevrolet. Its luxury, comfort and quiet ride rival the most expensive cars you can buy.

(below) Monte Carlo S Coupe, America's newest road car. With the handling of the finest European cars, and the looks and comfort of an American car.

MRS. L.W. McCLURE AND MRS. L.A. DICKEY

Twin Sisters Celebrate 81st Birthday Anniversaries Sept. 13

Mrs. L.A. Dickey and Mrs. L.W. McClure, pioneer Collingsworth County twins, observed their 81st birthday anniversaries Wednesday, Sept. 13. The two sisters celebrated the occasion with a family party Sunday, Sept. 10, when several of their children came to Wellington for the weekend.

The sisters, known to their friends as Sedera and Selesta, are the daughters of the late Mr. and Mrs. W.B. Wilson and were born and reared in Itawamba County, Miss. They came to Collingsworth County with their parents Dec. 3, 1910.

They were married in a double ceremony on Dec. 26, 1911, near Wellington, to cousins, Luther A. Dickey and Luther W. McClure, now both deceased. The twins remained in Texas while the Wilson family moved back to their former home in Mississippi in January, 1911.

Mrs. Dickey has continued to live in and near Wellington throughout the years. For many years the family farmed east of Wellington and after Mr. Dickey retired they moved to Wellington.

Mrs. Dickey has three daughters all of whom were present for the weekend. They are Mrs. Herschel Combs of Memphis, Mrs. Ted Driskill of Fort Worth and Mrs. J.E. Norman of Hooker, Oklahoma. Also present were Mr. Driskill and Kathy Norman. Mrs. Dickey has 7 grandchildren and 13 great grandchildren.

Mr. and Mrs. McClure lived in Collingsworth County until 1924 when they moved to Springlake where they farmed until he retired about 18 years ago they moved back to Wellington to make their home.

Visiting with Mrs. McClure during the weekend were a daughter and husband, Mr. and Mrs. Rudolph Miller and a granddaughter and family, Mr. and Mrs. Lonnie Haney and Celeste Elaine, all of Wichita Falls, and a son, Bill McClure and family of Perryton. She has four other sons, who were unable to be present. They are Gene McClure and Dick McClure of Tulare, Calif., and Arvel and Roy McClure, both of White Face. She has 13 grandchildren and 11 great grandchildren.

The twin sisters are identical and many of their friends have trouble distinguishing them apart especially when they were younger. They both enjoy good health and are active in church work. They have been members of the Church of Christ since they were 16 years of age.

The sisters live across the alley from each other and spend many hours together. They enjoy visiting with friends they have made throughout the years and as a hobby they enjoy sewing and piecing quilts. At the present time, both Mrs. McClure and Mrs. Dickey are spending two weeks in Fort Worth as guests of Mr. and Mrs. Driskill.

Mr. and Mrs. Edd Harrison and small daughter, Rachel, of Denver, Colorado, visited recently with his mother, Mrs. Sid Harrison.

Freshman FHA Elects Officers

The freshman chapter of the Wellington Future Homemakers of America elected officers in a meeting Monday evening, September 11. The session was held in the high school auditorium.

Kim Goforth was elected president; Linda Coffee, first vice-president; Stacey Neeley, third vice president; Lana Lacy, reporter; Karen Jeffrey, secretary; Jewel Sosa, treasurer; Pam Vines, historian and Sheri Peeks, parliamentarian.

The Chapter Beau is Jeff Hanna.

Chapter parents are Mr. and Mrs. Bob Goforth and Mr. and Mrs. Don Lacy.

Plans were discussed for fund raising projects and these will be chosen at a later date.

Members present, in addition to the officers, were La-Donna Jones, Cindy Seale, Glenda Norman, Yolanda Bueno, Sharon Pipins, and the sponsor, Mrs. Gary Killian.

NWMS Studies Cape Verde

The Nazarene World Missionary Society of the Wellington Church of the Nazarene met at the church Tuesday, September 12.

Mrs. Rosalie Roberson gave the devotion, Mrs. Oral Bishop led in prayer, and Mrs. Frank Falk gave an article from the magazine, "The Other Sheep."

The lesson this month was "The Cape Verde Islands." Mrs. Joe Harris told of the "Islands and the People"; Mrs. Clyde Emmert, "Early Beginnings of the Church of the Nazarene, Missionary Personnel and Nazarene Launch;" and Mrs. Phillip Daniels discussed "The College, the Print Shop and 1970 Statistics."

Mrs. Robert Posey gave the dismissal prayer.

Those attending were Mrs. Emmert, Mrs. Roberson, Mrs. Falk, Mrs. Harris, Mrs. Bishop, Mrs. Posey, Mrs. Leslie Moore, Mrs. Lebron Goswick, Mrs. George Scott, Mrs. Milburn Gibbs and Mrs. Daniels, Marcia Lindley and Kenny Harris.

Wellington FHA Names Officers

The Wellington Chapter of the Future Homemakers of America met in the High School auditorium, Monday, September 11, to elect officers for the year 1972-73.

Joy Jesse was elected president; Lillie Rogers, first vice-president; Peggy Young, second vice president; Renee Mitchell, third vice president; Debra Long, fourth vice president; Juliana Baumgardner, fifth vice president; Lucy Sullivan, parliamentarian; Phyllis Sullivan, historian; Lennie Morgan, secretary; Nancy Graham, treasurer; and Mike Savage, chapter beau.

Chapter parents are, Mr. and Mrs. Sam McGill, Mr. and Mrs. Bill Long, and Mr. and Mrs. Calvin Mitchell.

This year's projects include a bake sale and a "Fun NIght."

The sponsor is Mrs. P.M. Scott.

Notes from Your County Home Demonstration Agent

by Miss Sherry Arnold

I have planned a 4-H organizational meeting for all interested adult leaders. It will be held September 26, at 2:00 p.m. in the County Court Room in the Court House. I want to invite even adults interested in 4-H work from all ethnic cultural groups regardless of geographic location to participate in this meeting.

If you have a girl or boy who is interested in 4-H please decide to work with him or her as a 4-H leader.

Volunteer 4-H leaders are the key to successful 4-H programs. They have the opportunity to help young people develop into responsible and productive individuals. Working with Youth is exciting and challenging and provides personal satisfaction.

You can be a 4-H leader if you:

* Have an interest in young people
* Like young people
* Are willing to learn from experience
* Want to share your skills, talents, and hobbies.

There are a number of reasons why you should consider being a leader:

* You will have an opportunity to be involved with young people.
* You will be sharing your talents with them.
* You are needed to help youth become better citizens.
* You will enjoy serving and making friends with young people and other adults.

4-H is a youth development program of the Cooperative Extension Service focusing on the needs, interests, and concerns of young people. Its aim to help youth acquire a positive self-concept, rational social behavior, knowledge and problem-solving capabilities. Boys and girls between 9 and 19 from all ethnic, cultural and economics groups regardless of geographic location may participate.

* Develop leadership.
* Practice democracy.
* Acquire knowledge and skills.
* Develop new friends.
* Make new friends.
* Have fun

"Learning by doing" is the central creed of 4-H work. Members get involved in projects and activities that enable them to learn skills and attitudes that will help them in their adult life. Through community service projects and individual projects, 4-H members, in urban and rural areas, are helping to make this a better place in which to live.

President Nixon underscored that point when he addressed the 50th National 4-H Congress last year.

"Young people today, every survey shows, are more generously committed to human betterment through voluntary services than any generation before you."

I am looking forward to working with many 4-H Adult Leaders and 4-H'ers in the coming months.

Use Leader Classified Ads for best results.

Happy Homemaking

By BARBARA BAKER

When making a lot of hors d'oeuvres for a party, make a tray out of two thicknesses of cardboard and cover with aluminum foil. So they can be stacked in the refrigerator, cut paper towel cardboard rollers into pieces that can stand up as supports for trays on top. Cover with plastic wrap and they will stay fresh until time for serving.

* * *

To make a party-size relish tray, a good idea is to secure a small bowl with florists' clay in the middle of a large chop dish. Place dip or spread in the bowl and arrange your other appetizers around the edge of the platter.

* * *

When you find it necessary to put two card tables together for extra company, hold the tables together with strong rubber bands on adjoining legs. This eliminates danger of spills because the tables can't slip apart.

* * *

A tin muffin pan can be painted with bright enamel and used for serving beverages. Glasses won't tip over and serving is made much easier.

High School Girls Tell B&PW of Girls State and Youth Conference

Wellington Business and Professional Women's Club held it's dinner meeting Tuesday evening, September 12, with three high school girls as speakers.

Mrs. Ernest Harwell was program director, and Mrs. John Coleman introduced Joy Jesse, representative to girl's state; and Annabelle Harris and Diane Brooks, representatives to the Texas Youth Conference.

Each girl told the B&PW members of the activities experienced and the values she derived as a result of attending their respective meetings.

Guests were Miss Jesse, Miss Harris, Miss Brooks, Mrs. Coleman and Mrs. Nette Herring. Members attending were Mrs. Drury Lacy, Mrs. Harwell, Mrs. Raymond Patton, Mrs. Charles Darter, Mrs. Pat McAlister, Mrs. Jack Lowry, Mrs. R.H. Isbell, Mrs. Tommie Murdock, Mrs. Pearl Aaron, Mrs. Louise Templeton, Mrs. Truman Estes, Mrs. Loren Thompson, and Mrs. Bill Spillman.

Sandra McGill Pledges Zeta

CANYON, – Sandra McGill, Wellington freshman, has pledged the Zeta Tau Alpha social sorority during the fall rush at West Texas State University.

Zeta Tau Alpha's West Texas chapter, Zeta Kappa, works with retarded children as its national philanthropic project.

To be eligible for pledging, previous college students must have a minimum "C" average on class work taken the preceding semester. There is no grade point requirement for freshmen.

Needham Family Holds Reunion

A family reunion and dinner bringing together members of the Needham family was held recently in the Heritage room.

A turkey dinner was served and visiting and picture taking followed.

Attending were Mr. and Mrs. Jake Ogletree (Addie Lou Needham) of Arlington; Mr. and Mrs. Alfred Gollihugh (Margie Needham) of Long Beach, Calif.; and these Wellington residents: Mr. and Mrs. Jack Needham, Craig and Kevin, Mrs. Eva Needham, Mr. and Mrs. Kenny Brown and Daryon and Mr. and Mrs. Walter Needham.

Quick Candies Shown HD Club

Mrs. Purl Tippie was hostess to the Dodson Home Demonstration Club Tuesday, September 12, when the group met with Miss Sherry Arnold.

This was the first visit for the new home demonstration agent, who gave a program on making quick candies. These included quick fudge, peanut butter kisses, and potato candy.

Mrs. C.E. Hightower presided at the business session and members answered roll by telling "What I can do to make our club stronger and better."

The candy which was made during the meeting and drinks were served to Mrs. Slagle, Mrs. Gilbert Hunt, Mrs. Wayne Reynolds, Mrs. Hightower, Mrs. H.A. Painter, Mrs. A.V. Lowrie, Mrs. Thurman Crownover, Mrs. Truett Holland, Miss Arnold and the hostess, Mrs. Tippie.

Mrs. Hightower will be the hostess for the next meeting.

Good Neighbors Meet Friday

Mrs. R.L. Karnes was hostess to the Good Neighbor Club Friday afternoon, September 15, for a business session and program.

Mrs. Coy Vaughan presided.

Members voted to donate $25 to the Garden Club to help with it's work in the North Fairview Cemetery, the city's newest.

Mrs. Karnes presented the program, a reading entitled "Do You Have to Suffer to Play the Blues."

Refreshements of ice cream and cake were served to Mrs. Grady Van Pelt, Mrs. Nell Cook, Mrs. Ralph Ball, Mrs. Earl Alexander, Mrs. Coy Vaughan, Mrs. Robert Barjenbruch, Mrs. Ray Clubb, Mrs. Merritt James, Miss Glenda Kiker and the hostess, Mrs. Karnes.

MISS PHYLLIS ANN THOMAS

November 4th Wedding Planned By Phyllis Thomas, Mark Killian

The engagement of Miss Phyllis Ann Thomas and Mark Douglas Killian was announced this week by her mother, Mrs. Virginia Thomas.

She is also the daughter of J.W. Thomas of the United States Merchant Marine out of San Francisco, while the bridegroom's parents are Mr. and Mrs. J.B. Killian of Route 1.

The couple has chosen as the date of their wedding Saturday, November 4. The ceremony will be performed in First Baptist Church.

Both Miss Thomas and her fiance were graduated from Wellington High School, in 1971 They attended West Texas University and she also was a student in Clarendon College, where she belonged to the Rodeo Club. At WT, Mr. Killian was a member of the Block and Bridle Club.

A recent guest of Mrs. Sid Harrison was her daughter-in-law, Mrs. Granvel Harrison of San Diego, Calif. They also visited in Lubbock with Mrs. Sid Harrison's daughter, Mr. and Mrs. Ray Thomas and sons, Clinton Ray and Jeffrey.

Mr. and Mrs. Ted Wheeler visited Sunday afternoon with their daughter and family, Mr. and Mrs. Bill Sarrels and children of Childress. Mrs. Sarrels was in a car wreck Wednesday, Sept. 6, and received a badly sprained neck. The boys, who were with her, were uninjured. The car was badly damaged.

Mrs. F. L. White Hosts NWMS

Mrs. F.L. White was hostess to the Dodson Nazarene World Missionary Society September 12, at her home in the Kelley community.

Mrs. B.T. Webb led the devotional and read a poem, "Crowded Ways of Life," by Walter Gresham.

The study was "Cape Verde Islands," by Mrs. Mayme Lewis. Mrs. Geogia Owens then discussed "Bible College" and Mrs. Ocie Lewis the "Print Shop."

Prayers were given by Mrs. White, Mrs. Sadie Camp and Mrs. Howard Smith.

Refreshments were served to 10 members.

Family Life Study Given

Mrs. Gabe Wright entertained members of the Lillie Home Demonstration Club Thursday, September 14.

During the business session, the devotional was read by Mrs. Wright, Mrs. Malcolm Horton led in prayer and Mrs. Elmer Haralson gave the Home Demonstration Council report.

Members voted to make cookies for the bloodmobile visit on October 3.

Roll call was answered by suggestions to make the club better.

Mrs. Daniels gave the program, a discussion of family life.

Refreshments were served to Mrs. Haralson, Mrs. Ozro Bartlett, Mrs. Haskell Manuel, Mrs. Horton, Mrs. Daniels and the hostess, Mrs. Wright.

Questions People Ask About the Catholic Church

Q. Are priests immune from some things, such as legal prosecution or military draft?

A. Priests are not immune from arrest and legal prosecution, if they are deemed to have broken the law. They cannot be drafted, however, for military service, except for chaplain duty in the armed forces. I myself am proud to be a reserve chaplain in the U.S. Air Force.

Q. What is the Church's position on the issue of "busing"?

A. I really don't think the Church has made a blanket statement on that issue. I personally don't like it, as it causes a great deal of hardship and loss of time on the part of the chief sufferers, namely the children. There might be some reason for it if a better school were at the end of the bus-ride; that would make it worthwhile. For the purpose of integration, it seems to be a very awkward and rather unsuccessful tool.

Our Mother of Mercy Catholic Church

Father Pat Burke, Parish Priest

MRS. FRANK BOURLAND

Mrs. Frank Bourland Honored on 90th Birthday at Clarendon and Quail

A woman who has been closely associated with Collingsworth County for some 60 years, Mrs. Frank Bourland, was honored at Quail and Clarendon on her 90th birthday.

She still maintains her home at Clarendon, where she has lived for 70 years, but she now spends most of her time with her younger daughter, Mrs. Raymond Ross at the Bourland and Ross Ranch northwest of Quail. During the week end she left to visit her other daughter, Mrs. Robert Dillard in Austin.

On Tuesday, September 12, her birthday, four hostesses entertained at Quail, Mrs. Delbert White, Mrs. John Carson, Mrs. Ben Farmer and Mrs. Van Schooler.

The handkerchief party was given in the homemaking cottage of the Quail School at two-thirty o'clock. Mrs. Schooler greeted the guests.

The tea table was laid with a beige cloth and centered with an arrangement of fall flowers in shades of red, orange and yellow. Crystal appointments were used.

Mrs. White served the birthday cake and Mrs. Carson poured.

On September 2, Mrs. Bourland was honored by the Fun After Fifty Club in Clarendon, and at that time she was presented the Outstanding Senior Citizen Certificate awarded by the State of Texas.

She was seated at a table laid with a white linen cloth accented by an arrangement of garden flowers. Three birthday cakes were made for the occasion by close friends, Mrs. Homer Taylor, Mrs. Leck Goldston and Mrs. Harry Brumley.

Mrs. S.H. Condron of Canyon, a former Clarendon resident and sister-in-law of the honoree, presented her with a corsage of carnations.

Jennie Deyhle and Sharon Owens entertained with piano selections and readings.

Approximately sixty attended the luncheon which honored Mrs. Bourland.

Born on a farm near Elgin, 25 miles east of Austin, she is the former Edna Condron. She recalls that she was an outdoor girl, often assisting her father, and while still a teen-ager she was trusted with such responsibilities as seeing that hired help harvested certain crops as they should be.

She and other members of her family moved to Clarendon in 1902. Later she studied art at Clarendon College.

After she and Mr. Bourland were married, she was associated with him in the operation of their ranch at Quail, although their home remained in Clarendon.

She is a long-time member of First United Methodist Church in Clarendon and belongs to the Fun After Fifty organization.

Visiting with Mr. and Mrs. Raymond Ross and Joel over the week end were her sister and brother-in-law, Mr. and Mrs. Robert G. Dillard of Austin, and Mr. Dillard's sister, Mrs. Ted Bryan of Madisonville. Mrs. Frank Bourland, mother of Mrs. Dillard and Mrs. Ross, returned home with them to visit in Austin.

Mrs. Margaret Howlett and daughter, Jan, of Oklahoma City, were here over the week end to visit Mr. and Mrs. Guy Bumpas.

Who's New in the Wellington Area

Mr. and Mrs. Peyton Mallard are the parents of a daughter, Patricia Ann, born in Collingsworth General Hospital September 14. She weighed seven pounds and eight ounces.

A son, Glenn Roshaun, was born to Mr. and Mrs. James T. Riley on September 14 in Collingsworth General Hospital. His weight was five pounds and eleven ounces.

LVN Division Has Anniversary

Division 83 of the Licensed Vocational Nurses Association of Texas celebrated its first anniversary with a banquet in the dining room of the Maverick Restaurant in Shamrock Thursday evening, September 7.

A special guest was Miss Louise E. Krchnak, R.N., director of LVN Training, Austin.

Mrs. Fredricka Adams, R.N. director of nursing at Shamrock General Hospital, was the guest speaker. Her discussion was "Learning Disability and Its Treatment."

A white cake was topped with one large blue candle, and the centerpiece was an arrangement of blue and white flowers.

Attending were Miss Krchnak; Mrs. Adams; Mrs. Bonnie Immel of McLean; Mrs. Bonnie Dodson of Twitty; Mrs. Martha Harrison of Texola; Mrs. Willie Cummings and Mrs. Wilma Gibbs of Wellington; Mrs. Chorice Hulsey, Mrs. Becky Morgan and Mrs. Maurine Stafford of Shamrock.

The next regular meeting will be Tuesday, October 3, in McLean.

Norwood Young Matrons Meet

Samnorwood Young Matrons met recently with Mrs. Guy Bell as hostess.

Mrs. Walter Deger and Mrs. Dick Sweat demonstrated making small wall plaques for home decoration.

Refreshments were served to two guests, Mrs. Jimmy Breeding and Mrs. Richard Bentley, and these members: Mrs. Leon Myers, Mrs. Oliver Wischkaemper, Mrs. Rex Peeples, Mrs. J.H. Oldham, Mrs. Sam Carter, Mrs. Kenneth King, Mrs. Rudie Tate, Mrs. Douglas Coleman, Mrs. Joe Knoll Knoll, Mrs. Deger, Mrs. Sweat and the hostess, Mrs. Bell.

The group meets on the first Thursday of each month.

Mrs. J. L. Burt Honored by Sunday School Class on 84th Birthday

Mrs. J. L. Burt, church leader and retired business woman, was honored on her eighty-fourth birthday by the Business and Professional Women's Sunday School Class of First Baptist Church.

The entertainment was given in the home of Mrs. Raymond Patton on Thursday, September 7.

Mrs. Burt has been either teacher or assistant teacher for this group, almost all of whom are business women, for many years.

They watched prayer services of their church on television, visited and then were served refreshments.

Attending were Mrs. Burt, Mrs. O. V. Johnson, Miss Larlu Hays, Miss Doris White, Mrs. Doc Turner, Mrs. Lester Harwell, Mrs. Ed White, Mrs. Robert Barjenbruch, Mrs. Jack Ford, and the hostess, Mrs. Patton.

Miss McCutchen, Randy Andrews Marry at Guymon, Okla., Recently

Miss Joann McCutchen became the bride of Randy Andrews Saturday, August 19, in the First Baptist Church of Guymon, with the Rev. Clyde Cain officiating.

The bride, who with her family formerly lived here, is the daughter of Mr. and Mrs. Herman McCutchen of Guymon, and the granddaughter of Mrs. Earl Epps. Parents of the bridegroom are Mr. and Mrs. Marvin Andrews of Guymon.

Wedding music was presented by Mrs. J.Q. Woodard, organist, and Mr. and Mrs. Tom Millican of Shawnee, Oklahoma, sister and brother-in-law of the bride.

Escorted down the candle lit aisle by her father, the bride wore a floor-length empire gown of crystal silk and lace. The dress and cathedral train was overlaid with lace and crystal medallions. A seed pearl tiara held her veil, and she carried a cascade bouquet of white chrysanthemums and pink roses.

Mrs. Millican was her sister's matron of honor, and bridesmaids were Vicky Steff and Kathy Hallford of Guymon, while Deann McCutchen, sister of the bride was junior bridesmaid.

Kenny Andrews, brother of the bridegroom was best man, while Jerry Knapp of Canyon, Kim Bearden and Bobby West of Guymon were Groomsmen. Gary and Jerry Leatherman, Larry Chandler and Kenneth Harris of Gruver ushered. Taperlighters were Miss Teri Hart of Gruver, and Danny Getman of Pueblo, Colorado.

Trisha Proctor of Guymon was the flower girl and Todd Roberson of Dodson, cousin of the bride, was ring bearer.

A reception in the church fellowship hall followed the ceremony.

Both the bride's and groom's tables were laid with white linen cloths and appointed in silver. Starla McCutchen and Karen McCutchen of Amarillo, cousins of the bride, assisted at the groom's table.

After a wedding trip to Colorado Springs, the couple is now at home in Goodwell, where both are sophomores at Panhandle State College.

Among the out of town guests were Mrs. Epps, and Mr. and Mrs. Lonnie Roberson and sons.

Mrs. Joe Terry Hosts WSCS

The Ethel Michael Circle of the First United Methodist Women's Society of Christian Service met in the home of Mrs. Joe Terry on Friday, September 15.

During the business session, Mrs. J.B. King discussed the upcoming United Methodist Women. Mrs. John Henard gave the devotional on prayer, then Mrs. Robert Lewis presented the program, a study of the New Testament Book of Matthew.

Refreshments were served to Mrs. Jim Boswell, Mrs. Mayme Somerville, Mrs. Henard, Mrs. Earl Alexander, Mrs. Lewis, Mrs. S.L. Lindsey, Mrs. Robert Karnes, Mrs. Walter Franks, Mrs. L.J. Courtney, Mrs. J.B. King, Mrs. Cal Hurst, Mrs. W.F. Vaughan, and the hostess, Mrs. Terry.

October Wedding Plans Made by Miss Tabor, John William Dabney

MISS DONNA TABOR

Mr. and Mrs. Herschel Tabor of Dodson are announcing the engagement and approaching marriage of their daughter, Donna, to John William Dabney, the son of Mr. and Mrs. Robert Dabney of Amarillo.

Miss Tabor was graduated from Arnett High School in 1971 and attended Clarendon College.

Her fiance is a 1968 graduate of Amarillo High School and he also attended Clarendon College.

An October wedding is planned.

Attending the final week end of horse racing at Raton, New Mexico were Miss Vickie Mayhugh, Miss Vikki Saunders, Miss Carolyn Nicholson, of Sentinel, Oklahoma, George Porter and Rick Motsenbocker.

Approximately 64,000 Americans died last year of lung cancer

Mr. and Mrs. Roy Horn spent the week end in Mineral Wells visiting with Mrs. Leatrice O'Neil and Mrs. Ruth Cochran.

Dodson Club Meets Sept. 12

Mrs. Grover Graham entertained the Dodson Civic Club at her home Tuesday, September 12, with Mrs. J.C. Howell as co-hostess.

Mrs. Howell also was the program director, giving an explanation of the club constitution and by-laws.

Mrs. Graham explained the importance of the Red Cross Bloodmobile visit in Wellington October 3. Dodson will be responsible for furnishing 32 units of blood, she said.

Refreshments were served to three visitors, Mrs. Loyd Graham of Olton, Mrs. A.B. Dean and Mrs. Bob B[illegible]len, and to these members: Mrs. Don Dennis, Mrs. Hugh Painter, Mrs. Purl Tippie, Mrs. Thurman Crownover, Mrs. B.T. Webb, Mrs. Louis Patterson, Mrs. Murray Dodson, Mrs. B.B. Martin, Mrs. Jess Bogle, and the hostesses, Mrs. Graham and Mrs. Howell.

Sell it with a Classified Ad.

Mrs. R.R. Crawley left last week to visit a sister and brother-in-law, Mr. and Mrs. Charles Bairfield of Clarendon. From there, she went to Artesia, N.M. to visit a sister-in-law, Mr. and Mrs. Harold Magatagan.

Mr. and Mrs. Edward Aguilar and Mr. and Mrs. Simon Cantu visited recently in Del Rio and Eagle Pass, and in Villa Acuna and Piedras Negras, Mexico. In route home, they went through the Caverns of Senora.

County Has 5 Rural Accidents During August

The Texas Highway Patrol investigated five accidents on rural highways in Collingsworth County during the month of August, according to Sergeant Jack Therwhanger, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and three persons injured.

The rural traffic accident summary for this county during the first eight months of 1972 shows a total of 31 accidents, resulting in no persons killed, and 20 persons injured.

Region 5 of the Texas Department of Public Safety shows a total in August, 1972 of 593 accidents resulting in 28 persons killed and 359 persons injured as compared to the same month in 1971 with 581 accidents resulting in 25 persons killed and 400 persons injured. This was 12 more accidents, three more fatalities and 41 less injured in 1972, at the same period of time.

The accident report in surrounding counties included:

Childress, 9 accidents, no deaths, 4 injuries.

Cottle: 5 accidents, no deaths, three injuries.

Hall: four accidents, no deaths, no injuries.

Donley: two accidents, no deaths, three injuries.

Gray: 36 accidents, two deaths, 25 injuries.

Hemphill: three accidents, no deaths, one injury.

Wheeler: 12 accidents, no deaths, 7 injuries.

Your Name Is Important to The Bloodmobile Visit Here

Is your name on the schedule as a blood donor for the Bloodmobile visit October 3?

Blood is needed for every visit, but it is essential that our response be good at this first visit of the bloodmobile from the Red River Regional Blood Center in Wichita Falls.

Scheduling donors for this visit was decided upon as a time saving measure for donors, eliminating as far as possible the waiting time that you must wait. Mrs. Bill Hall, Mrs. Roy Tisdale, or any of their workers can put on this schedule.

Collingsworth General Hospital has wisely transferred to the Wichita Falls Center as its source of blood. It is to be pointed out that their source of blood, as in all Red Cross blood centers, is from the people who live in their area. Collection of blood is always underway at some point in the North-Texas-Lower Panhandle area. It is our turn on October 3.

Other Editors Say . . .

Habitual Offender

A tough, new law designed to remove dangerous and irresponsible drivers from America's highways has been proposed by the National Association of Insurance Agents, the oldest and largest such organization in the country.

The model law will be recommended to NAIA state affiliates for enactment in each state legislature.

Under the proposed legislation, called the "Habitual Offender Act," a person convicted of an accumulation of major and minor traffic offenses loses his driver's license for life and is subject to a mandatory prison term if he continues to drive. An offender who stays "clean for five years may, however, apply to the court for reinstatement of his license.

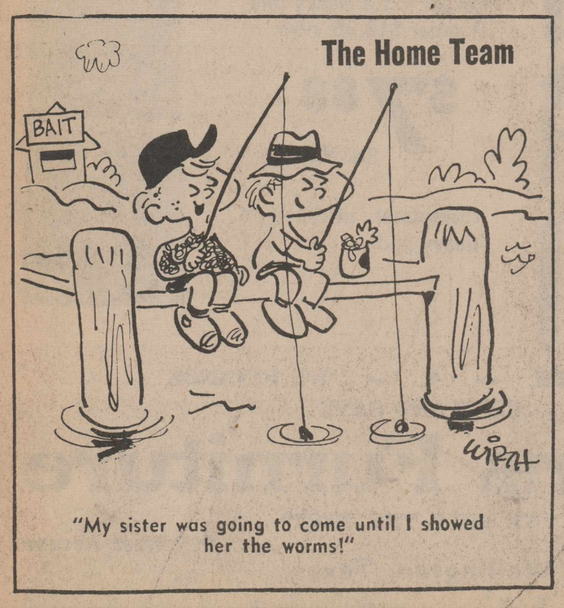

The penalties may seem harsh, but compared with laws in some other countries, they actually appear to be permissive. In South Africa, for instance, the penalty for drunk driving is 10 years in jail and a $2800 fine. In San Salvador, it can be execution by firing squad.

Six states already have similar habitual offender laws. Virginia was the first, followed by North Carolina, Rhode Island, New Hampshire, Maine and Massachusetts. In Virginia, the law is credited with helping bring down that state's fatality rate per 100 million miles from 5.2 in 1968 to 4.3 in 1970.

In the past 10 years, half a million Americans have been killed in traffic accidents, most of them victims of a habitual offender. NAIA's argument is that many of these accidents would not have occurred had courts been required to impose the ultimate penalty -- imprisonment -- on those who have shown a consistent disregard for the law, rather than waiting until after tragedy happens.

It remains to be seen whether the law-abiding driving public is sufficiently alarmed about the highway slaughter to demand the enactment, and enforcement, of habitual offender legislation.

-- Springfield (Mo.) Daily News

"My sister was going to come until I showed her the worms!"

The Capital News
By Bill Boykin

AUSTIN, Tex. -- About 20,000 on Texas welfare rolls may lose their eligibility next month due to increased federal Social Security benefits.

Probably, 110,000 more may get a cut in state Old Age Assistance as the federal benefit goes up.

However, Department of Public Welfare Commissioner Raymond W. Vowell emphasized that total income will still be higher even where state benefits drop.

Federal law requires the state welfare agencies to count Social Security income in figuring financial need for welfare grants.

Vowell said the Welfare Department is trying not to lower or deny welfare grants where ever possible.

He advised welfare recipients to notify their local aid offices of any recent changes in their need or other income.

Budgetry revisions in welfare procedures will permit continued assistance to about 4,700 old folks who otherwise would have had their welfare grants denied, Vowell said.

DEATH SENTENCES COMMUTED -- Some 28 prisoners sentenced to death have had their sentences commuted to life imprisonment following a high court decision that capital punishment as now applied in Texas is unconstitutional.

Atty. Gen. Crawford Martin August 2 held the U.S. Supreme Court decision (now on appeal) meant sentences must either be commuted or prisoners given new trials.

A Board of Pardons and Paroles member said he did not know when inmates whose sentences have been commuted by Gov. Smith actually will get the official news. He said there are 45 on death row in Texas prison and that the Board may wait until all sentences are commuted before informing either prisoners or the public.

Before action can be taken on commutations, prosecutors who do not want to start new trials must make formal written requests to the Board. In nearly all cases, local prosecutors are expected to request commutation rather than retrial.

The Board plans a meeting within the next month to take formal action.

DRAFT NUMBER AT 95 -- Young Texans whose draft lottery number is 95 can relax for the rest of 1972.

State Director of Selective Service Col. MelvinN. Glantz said 95 is the lottery number cut-off for induction of non-volunteers for the rest of the year. Lottery cut-off for September is 75.

The Department of Defense has asked for 15,900 men from all states October-December.

Glantz indicated about 1,100 Texans will be drafted during the last three months of the year. Induction orders will go to men qualified for military service who were born in 1952 and thos who lost a deferment in 1972.

RATE CUTS TAKE EFFECT -- That 11 per cent average statewide auto insurance rate cut went into effect September 1 as scheduled.

They will be available to auto owners when they purchase new policies or renew existing coverage in the next 12 months.

An additional 10 per cent is possible after passing a National Safety Council-prescribed defensive driving course. Total reductions amount to about $70 million.

DAM HEARING POSTPONED -- Texas Water Rights Commission recessed hearings on feasibility of rival damsites for the next reservoir in the Nueces River watershed until September 28.

At the same time, TWC Chairman Otha Dent hinted neither the proposed R&M nor Choke Canyon sites may be acceptable for the immediate future. Corpus Christi officials favor the R&M site (above Callallen on the Nueces River) which is closer to the city, while many other potential water users favor Choke Canyon which would be smaller and cheaper.

Nueces River Authority has filed as sponsor of the Choke Canyon project on the Frio River west of Three Rivers. TWC said the Federal Bureau of Reclamation, which would build the reservoir, did not consider water rights already granted when it made studies of the sites.

AG OPINIONS -- Attorney General Martin held constitutional a 1971 act to prevent insurance holding companies from draining off assets of insurance companies they control. The act was an outgrowth of the National Bankers Life Insurance Company scandals.

In other recent opinions, Martin concluded:

* Independent school districts are barred from collecting delinquent ad valorem taxes incurred before Dec. 30, 1939.

* Northwest Houston Water Supply Corporation bonds are not to be considered as ' "Other obligations" of the city under the water code.

* A commissioners court does not have authority to compensate justices of the peace on an hourly basis.

* A district clerk is legally authorized to retain as a fee of office compensation for accounting and administrative expenses in handling trust funds paid into court during litigation and invested at interest.

* The executive director of the Texas State Hospitals and Special Schools is the official on whose salary is based the contribution of eligible HSS board members for retirement credit.

* A one-year real estate loan providing for an interim payment on or before six months from date of a specified sum, plus accrued interest with unpaid principal balance due and payable on or before one year after date meets requirements of 70 per cent loans.

TEXAS SIXTH -- Texas is sixth among destinations of vacationing American families, according to a national survey cited by Texas Tourist Development Agency.

Texas also ranks fifth in visitor spending, as well as sixth in family visits last year, according to the study commissioned by Better Homes and Gardens magazine.

With 2.8 million family vacation visits credited to the state last year, Texas was exceeded by California, 5.6 million; Florida, 5.5 million; New York, four million; Pennsylvania, 3.5 million and Tennessee, three million.

Visiting families spent $474 million in Texas, compared with $1.9 billion in Florida; $1.5 billion in California; $684 million in New York and $650 million in Hawaii.

SHORT SNORTS -- The Lyndon Johnson family television station (KTBC-TV) in Austin sold to the Times Mirror Company of Los Angeles -- for a reported $9 million.

Top Democratic candidates George McGovern and Sargent Shriver screened House and Senate staff members carefully when they picked up their September 1 paychecks.

A mockingbird carved out of pecan wood will be the farewell gift of Governor and Mrs. Smith to the Governor's Mansion.

U.S. Senator Lloyd Bentsen is pushing for a two-pronged federal attack against an outbreak of fever ticks that caused quarantine of cattle in Jim Wells, Duval, McMullen and Live Oaks Counties.

The Governor approved federal anti-poverty grants of $410,000 to the Texas Office Of Economic Opportunity.

A fiery chili cooking championship -- the Third Chilympiad -- will be held at Aquarena Springs in San Marcos September 29 - October 1.

Meditations

And I smiled to think God's greatness flowed around our incompleteness,
Round our restlessness His rest.
— Elizabeth Barrett Browning.

Be wisely worldly, be not worldly wise.
— Francis Quarles.

A man who is good enough to shed his blood for his country is good enough to be given a square deal afterward. More than that no man is entitled to, and less than that no man shall have.
— Theodore Roosevelt.

I was never less alone than when by myself.
— Edward Gibbon.

Plain living and high thinking are no more.
The homely beauty of the good old cause
Is gone; our peace, our fearful innocence,
And pure religion breathing household laws.
— William Wordsworth.

You find people ready to do the Samaritan without the oil and sixpence.
tan without the oil and twopence.
— Sydney Smith.

The rose is fairest when 't is budding new,
And hope is brightest when it dawns from fears.
The rose is sweetest washed with morning dew,
And love is loveliest when embalm'd in tears.
— Sir Walter Scott.

We are in the calm and proud possession of eternal things.

Our hearts were drunk with a beauty our eyes could never see.
— George W. Russell.

Ye that follow the vision
Of the world's weal afar,
Have ye met with derision
And the red laugh of war?
Yet the thunder shall not hurt you
Nor the battle storms dismay;
Tho' the sun in heaven desert you
"Love will find out the way."
— Alfred Noyes.

It may well wait a century for a reader, as God has waited six thousand years for an observer.
— John Kepler

He that loves a rosy cheek,
Or a coral lip admires,
Or from star-like eyes doth seek
Fuel to maintain his fires, —
As old Time makes these decay,
So his flames must waste away.
— Thomas Carew.

Attempt the end, and never stand to doubt; nothing's so hard but search will find it out.
— Robert Herrick.

Vanity dies hard; in some obstinate cases it outlives the man.
— Robert Louis Stevenson.

CROSSROADS REPORT

Dear Editor:

Statistics show that the people-killing rate in Oklahoma went up 93 percent since the Supreme Court decided it is unlawful to execute murderers.

Some folks say this had nothing to do with the increased popularity of this national sport, and merely shows that more people these days are taking self-expression seriously.

It would also seem to indicate that before long we will have reached the point in our civilization process where there will be no closed season on anybody but murderers.

D.E. SCOTT
Crossroads, U.S.A.

Short Takes

Shipped in Crates

The Statue of Liberty arrived dismantled in New York City in 1884. Sections of the gift from France were packed in 214 crates aboard a steamship.

* * *

Hangs on by Its Tail

The curved tail of the sea horse is used for holding on to the narrow blades of turtle grass or seaweed, which it does most of the time.

* * *

Long Time

More than 3.5 billion miles from the sun, it takes the planet Pluto 248 earth-years to make one circuit around the sun.

* * *

Chestnuts

The horse chestnut is a member of the buckeye family, while the true chestnut belongs to the beech family, along with the oak.

Icebergs

An iceberg is a massive chunk of frozen fresh water that has broken off a glacier. It has been estimated that about 7,500 sizable bergs break off thick glaciers along Greenland's western coast each year.

Week of Oct. 1-7 Dedicated to 4-H

How often have we looked progress in the eye and then turned our backs because we were unsure which direction to go or which mew method or technique to follow?

Well, 4-H is a venturous organization of active boys and girls and these youngsters are constantly eyeing progress and taking the necessary steps to move forward and to grow and develop. 4-H is reaching out to new areas, involving youth with new interests and backgrounds, points out Dr. Don Stormer, state 4-H and youth leader for the Texas Agricultural Extension Service.

Thus it's appropriate that this year's theme of National 4-H Week, October 1-7, is "A New Day – A New Way."

"4-H is reaching more and more of our youth across the state," says Stormer, "It's reaching into urban areas and involving youngsters with a multitude of backgrounds, needs and interests. Thus 4-H has expanded its program areas to meet these varied needs and interests."

4-H has actually taken on a new look, according to the state leader. Boys and girls are now encouraged to "do their own things, set their own pace, venture into new areas of interests."

"4-H'ers are limited only by their imagination, and that's what makes 4-H so exciting today," believes Stormer. "4-H is also atuned to such present-day concerns as community development and improving the environment."

Although there are now more than 100,000 boys and girls between the ages of 9 and 19 enrolled in 4-H in Texas, many more are eligible to join. And with the upcoming observance of National 4-H Week, the call goes out to these youngsters to become involved in a real "action-oriented" program --- 4-H.

"Special programs and activities will be staged in counties throughout the state during 4-H week to recognize 4-H'ers, their parents, friends and other supporters," notes Stormer. "This is a good time to learn more about 4-H and then to then to invest a little time and energy to become involved in an organization that has something for everyone. Being a 4-H'er can mean the most exciting years of your life."

4-H is a part of the educational program conducted by the Texas Agricultural Extension Service of Texas A&M University. It is directed at the local level by county Extension agents who work with volunteer 4-H adult leaders and other local citizens.

Winners Named At Red River Track Sunday

There was good participation by riders in the enduro races at the Red River Rider Track Sunday, September 17.

Winners in the various classes were:

Mini-man: first, Danny Lane of Childress; second, Tom Johnson of Hedley; third, Sherryl Johnson of Hedley.

100 cc class: first, Tom Johnson; second, Randy O'Hair of Wellington; third, John Birdsong of Hereford.

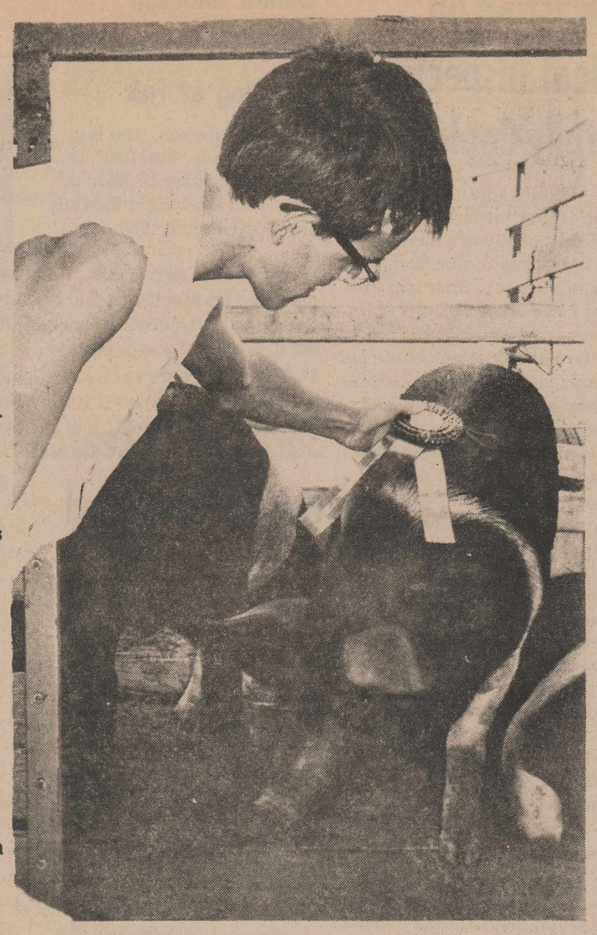

125 cc class: first, Wayne Woodward of Hereford; second Danny Lane.

175 cc class: first Wayne Woodward; second Randy O'Hair, third, Johnny Doughten of Altus, Okla.

250 cc class: first, Paul Jones of Childress; second, Harold Wilson of Canadian; third, Bill Cummings of Pampa.

Open class: first, Harold Wilson; second, Paul Jones; thrid, James Hanes of Pampa.

The next race will be Sunday, October 1 at 2:00 p.m.

CHAMPION BARROW
Joe Peters shows his Grand Champion Hampshire barrow, exhibited at the Collingsworth County Fair livestock show Saturday, Sept. 9. Animals were judged in their trailers this year rather than being removed to pens.

Friday, Sept. 29: Breakfast: citrus sections, scrambled eggs, buttered toast, honey, milk; Lunch: hamburgers with trimmings, pork and beans, potato chips, pudding and milk.

Highway 83 Body to Meet At Liberal

The annual meeting of the Great Plains Highway 83 Association of the U.S. and Canada will be held October 6 and 7, in Liberal Kansas.

Besides the improvement work on US 83 in the Wellington area, there has been other improvement in other sections of Texas. Between Abilene and Laredo, there is new bridge and passing lane construction. The Highway 83 traffic count is up in Texas with additional truck, camper and boat usage, according to Jim Suiter, secretary-treasurer of the national association.

The entire section of US 83 across the Oklahoma Panhandle was resurfaced last year.

The 15 miles from Oberlin, Kansas to the Nebraska line will be partially re-located and resurfaced and it will be four lane a short distance.

By-passes are slated for Liberal and Garden City, Kansas. There was little opposition at Liberal because of the growing truck traffic.

A $886,000 contract to resurface 13 miles north of Scott City, has been let.

An additional 13 miles will be resurfaced in the Welfleet, Nebraska area, and resurfacing is under way north of North Platte, Nebraska.

Mr. and Mrs. Lacy Borger of Amarillo visited recently with her parents, Mr. and Mrs. Ted Wheeler.

New Fords to Show Here on September 22

An all-new Ford car, significant improvements in other car lines, and new Ford pickup trucks with the most extensive changes in six years highlight Ford Division products for 1973.

Cars will make their debut in Wellington on Friday, September 22, and trucks Friday, September 29.

"Any year in which the big Ford, our bread-and-butter car, and our pickup trucks are new just has to be a banner year," said Hezz Jones, of the Smith Motor Co.

New impact-absorbing bumper systems are standard on all 1973 Ford Division cars. The front bumper is designed to prevent significant damage to safety-related barrier collisions. The rear bumper offers protection in two-and-one-half-mile-per-hour impacts.

The Ford Division cars also have new exhaust emission control devices to improve control of oxides of nitrogen (NO_x).

Radial-ply, steel-belted tires are standard on Thunderbird and optional on all other car lines. Forged aluminum wheels are optional on Pinto, Maverick and Mustang.

An anti-theft alarm system is optional on the Ford and Thunderbird; a new spare tire lock is available on all models; and an inside hood latch is standard on Ford, Thunderbird and Torino.

One less model in the Ford car line reduces the total division car models to 39.

The Ford car features a new grille, new sheet metal below the windows on all models, and all four-door Fords have new "greenhouses" with increased headroom.

Other Ford standard equipment improvements include a new, more convenient instrument panel, a glove box three times larger than in 1972, additional sound insulation and improved window weatherstripping for a especially quiet ride, windshield washers on the wiper arms, and a spare tire extractor in station wagons. All 1973 Fords include power front disc brakes.

4-H'ers Are A Dog's Best Friend

SPECIAL - A dog is a 4-H'ers best friend to some 117,000 4-H member participants in the national 4-H dog care and training program, sponsored by the Ralston Purina Company. "And if dogs could talk, they might reverse that statement," says T.W. Thompson, assistant director of the National 4-H Service Committee, who has been closely associated with the program for 14 years.

Caring for and training a dog is something that can be done by 4-H members wherever they live in cities, small towns or on the farm. The 4-H members in the dog care and training program come from all of these areas.

Club members involved in the program, not only take care of their family dogs, but they raise and train dogs that aid others, notably the blind.

Marianne DuBois, of El Centro, California, raised and trained seeing eye guide dogs for the blind. Miss DuBois, who was a national winner last year in the 4-H dog care and training program, also recruited and taught other 4-H'ers how to raise dogs for the blind.

"You need a love of animals and a love of people to succeed in this project," Miss DuBois says, "I already have learned patience, the ability to use psychology on both dogs and people, and how to be a weight-watcher for a bunch of Labradors."

Ronald Chavez, of Faxon, Oklahoma, another 1971 national winner, set up his own dog kennel for other dog owners. He now plans to start a dog obedience school, for dogs and their owners.

Besides the satisfaction of caring and training your own dog, or dogs for other people, 4-H members who participate in the dog care and training program can receive other benefits.

Ralston Purina offers four gold medals of honor for outstanding 4-H'ers in each county. State winners in the program receive a transistor radio. The Cooperative Extension Service selects 18 sectional winners from among the state winners. These members receive an expense-paid trip to the National 4-H Congress in Chicago, Nov. 26-30. Scholarships of $700 are given to six national winners at the Congress.

Ralston Purina Company also gives educational assistance to the program through offering visuals, record forms and attractive instructional materials on canine care and training.

For more information about the 4-H dog care and training program contact the county extension office.

Salt Fork Soil Conservation District News

A statewide conference to discuss rare and endangered species of plants and animals will be held in Austin September 20 according to Bobby Gronewald, SCS, Wellington.

The meeting is being called by the Texas Organization for Endangered Species (TOES), a coalition of state, federal and private groups. It will be held at the Joe C. Thompson Conference Center on the University of Texas Campus, 20th and Red River, starting at 9:30 a.m.

M.J. Spears, deputy state conservationist for the U.S. Soil Conservation Service, is chairman of the steering committee of TOES and will preside. Committees which have been preparing coordinated lists of rare or endangered species will make progress reports during the conference.

Eventual goal of TOES is to coordinate inter-agency efforts to preserve threatened species and to monitor their numbers and habitat.

Steering committee members, in addition to Spears, include John Spinks, National Audubon Society; Charles Ramsey, Texas Agricultural Extension Service; Dr. Frank Gould, Texas A&M University; and Mrs. Robert H. Dooley, Texas Garden Clubs, Inc.

Eighth Grade Downs Shamrock 8-6 in Opener

Wellington eighth grade outplayed their Shamrock counterparts everywhere except on the scoreboard, and when the game ended, the Irish Eighth Grade led 8-6.

This was the opener for Wellington and was played here Thursday evening, September 14.

The first quarter was scoreless, with neither team being able to mount a sustained drive. Then Shamrock scored on an end sweep from 60 yards out with only 40 seconds left before the half. They then ran the ball over for two extra points and the half ended 8-0.

The third quarter and most of the fourth was scoreless, also. Then with 5 minutes left, Jesse Davis scored for Wellington on an off tackle play, carrying the ball over from four yards out. Try for the extra points failed.

"Shamrock has one real fast boy, but with the exception of the time they scored, they didn't cross the 50 yard line," said Coach Carroll Nunnelley.

"On the other hand, fumbles cost us the game. We got down inside their 20 six of the 7 times that they fumbled. I felt that for the first game, our kids played real well.

This was Shamrock's second game, having shut out McLean eighth grade 34-0 last week.

"Our line play was outstanding both offensively and defensively. We had good blocking by Dannie Morris, Don Allred, Joe Baumgardner, and backs having an outstanding game were Jesse Davis, Tony Martinez," the Wellington coach said.

The eighth grade roster includes:

Centers: Ernest Moody and Allen Sanders; guards: Lupe Gonzales, Alfred Castor, Tony Cox, and Bob Cummings, and Soel Garza; tackles: Danny Morris, Don Allred, Tim Cummings, Curtis Nash; ends: Joe Baumgardner, Joe Navarez, Cody Grubb; quarterback: Shane Tarver; half backs: Tony Martinez, Lee Templeton, Jesse Davis, and Cliff Pennon; fullback, Bobby Cantu.

Hughs Attends Zone Meeting Of Firemen

Buster Hughs, President of the Panhandle Firemen's Association, attended the Zone 4 meeting hosted by the Hereford Fire Department Saturday, September 16.

Demonstrations were presented by a Houston chemical company using foam to extinguish oil fires.

Eighty firemen were present representing 12 towns.

Bill Barrot, vice president of the Panhandle Association, announced that the next Zone meeting will be in Floydada.

Roland Black, third vice president for Zone Four, was in charge of arrangements.

Mrs. Hughs accompanied her husband to Canyon, and they spent the remainder of the week end with their daughter and family, Mr. and Mrs. Earl L. Feemster and baby.

Canadian Sets Antique Sale

CANADIAN, (Special) -- An auction sale of antiques from Canadian's historic WCTU Building, plus other antiques to be consigned to the sale from homes in the Canadian area, will be held Saturday afternoon, September 23, at 1:30 o'clock in the Canadian City Auditorium.

Proceeds from the sale will go into a fund for remodeling and refurnishing of the 61-year old red brick colonial building -- the only such structure in the nation built, owned and maintained by a local chapter of the Woman's Christian Temperance Union. The building, still used regularly for meet-WCTU's annual Holiday Bazaars, also serves as a community center and houses the Canadian Public Library.

Hospital Notes

Shelly Dawn Thomas, 20-months-old daughter of Mr. and Mrs. Glenn Thomas, medical, September 11 and 12.

Trusten Thomas, Jr., medical, September 12 to 14.

Mrs. Robert Reynolds of Shamrock, medical, September 12 to 15.

Mrs. Lula Williams, medical, has been a patient since September 12.

Mrs. Francis Roberts, medical, September 13 to 15.

Mrs. Lorene McGill, medical, September 13 and 14.

Mrs. Peyton Mallard, obstetrical, September 13 to 16.

Mrs. Bessie Thomas, surgical, September 14 to 16.

Mrs. Luella Neeley was admitted as a medical patient September 15.

Mrs. A.Y. Bell, medical, September 15 to 19.

Mrs. J.F. Isaacs, medical, September 15 to 18.

Mrs. Al Bettis was admitted September 15 for medical treatment.

Mrs. Bobbie Langford, obstetrical, was admitted September 18.

Robert Wolf, traumatic surgery, September 18 and 19.

Patients admitted earlier and discharged since September 11:

Mrs. Theo Trout, September 11.

Mrs. J.C. Hartman, Sr., September 13.

Mrs. Eddie Saldana, September 14.

Osa Black, of Hollis, September 14.

Mrs. Clara Frazier, September 15.

Felix Hunt, September 16.

Mrs. Dovie Reynolds, September 18.

Johnny Parker, September 19.

Real Estate Transactions

Christian on Meat Inspection Study Committee

AUSTIN, (Spl.) -- State Rep. Tom Christian met in Austin recently as a member of the Interim House Committee to Study the State and Federal Laws concerning the Inspection of Meat.

General consensus of the testimony brought before the committee was that the State and Federal Governments work together in setting the standards for the inspection of meat.

Directors of the Texas schools for meat inspectors expressed two areas in which improvements needed to be made: 1.) Broader and longer training period for meat inspectors and, 2.) Obtain a consistency in the inspection proth
gram throughout the State.

At present, meat inspectors only have a two week initial training course and meat standards vary throughout the State.

The committee will have the authority to call upon the State Department of Health, the Texas Animal Health Commission, the Attorney General's Office, and any other State agency or department deemed necessary for the completion of its study and report to the 63rd Legislature which will convene January of next year.

Wheeler Speaks At Artesia

Mr. and Mrs. Danny Wheeler will be holding a gospel meeting in Artesia, N.M., October 1 through 8, at the 8th and Grand Church of Christ.

Both have relatives in this part of Texas, so they plan to take their vacation with their parents. He is the son of Mr. and Mrs. Ted Wheeler.

If you don't need it any longer, sell it through a want ad in The Leader.

Square Dancers Meet Sept. 21

The Square Dance Club will be reactivated in a meeting at the American Legion Club Thursday, September 21, at 8:00 p.m.

Mrs. Hubert Bowen, who is helping with arrangements, said that if there are enough interested, a leading area caller will be secured as a teacher.

"We will need enough persons for three squares in order to get a teacher," she said.

Anyone interested should contact Mrs. Bowen by Wednesday, September 27, she said.

Is now the time to refinance loans?

Capital for expansion, more money from your equity, debt consolidation, smaller payments—these are important reasons for adjusting your loan structure. It's sound business to analyze credit obligations at least once each year to make sure borrowed money is being used to full advantage. Let's talk it over. Should you decide to rearrange your debts, we would be glad to make a Land Bank refinancing proposal.

Danna Jameson Wins 1st in Free Hand Drawing at Fair

Danna Jameson, who is in the third grade, won first place in the Elementary Division of Free Hand Drawing at the Collingsworth County Fair Sept. 8.

The Leader regrets that due to an error in listing the names of the winners, the winner in this event was published as Donna James.

Sorghum Research Report Released

COLLEGE STATION, ---- "Grain Sorghum Research in Texas --- 1970," a progress report which describes an entirely new industry in the state, has just come off the presses at Texas A&M University.

The 120-page publication was compiled by researchers and specialists in the Texas Agricultural Experiment Station and the Texas Agricultural Extension Service.

Dr. H.O. Kunkel, dean of the A&M College of Agriculture and acting director of the Experiment Station, said the grain sorghum story, as outlined in the publication, is a good example of what a land-grant university can do for an agricultural commodity.

He said the report is especially significant in view of the more than $300 million in cash receipts which Texas-grown grain sorghum has provided for the past four years. Receipts totaled more than $350 million in 1970.

About one in every $8 in cash receipts from all commodities marketed by Texas farmers has been from grain sorghum.

In 1970, 5.9 million acres of crop were grown in the state with a yield of more than 330 million bushels, exceeding 40 percent of the entire U.S. crop.

Kunkel said a marked effect of the grain supply has been the growth of the livestock feeding industry. There were 3.138 million cattle finished and marketed from Texas feedlots last year. The state is now third in the nation in numbers of cattle on feed.

"Texas A&M University, through its research and extension work with grain sorghum for more than 50 years, helped lay the foundation for this success," the dean said.

The publication's contents cover cultural practices, diseases and insects, chemical treatment residues, breeding, seed production, handling, various uses of the grain, economics, and extension education in grain sorghum.

"Grain Sorghum Research in Texas ---1970" is available from the Department of Agricultural Communications, Texas A&M University, College Station, Texas, 77843.

FIRE HOUSE MASCOTS such as Sparky lend their support to Operation Fire Pail, a national campaign in which youngsters collect empty one-pound coffee cans and convert them to emergency kitchen fire extinguishers. The conversion is accomplished by pasting bright red "Fire" labels on the cans and then filling the cans with baking soda, the extinguishing agent. Finished Fire pails are then taken home to Mother or distributed to local home owners.

Hunter Leaves For Training

Tony Hunter left Wednesday, September 13, to start his four and one-half months basic training for National Guard.

Tony is in the Hollis Unit of Oklahoma National Guard.

He will be at Ft. Polk, La. for the first 10 weeks, then he will go to Ft. Sill at Lawton, Oklahoma for the remaining time.

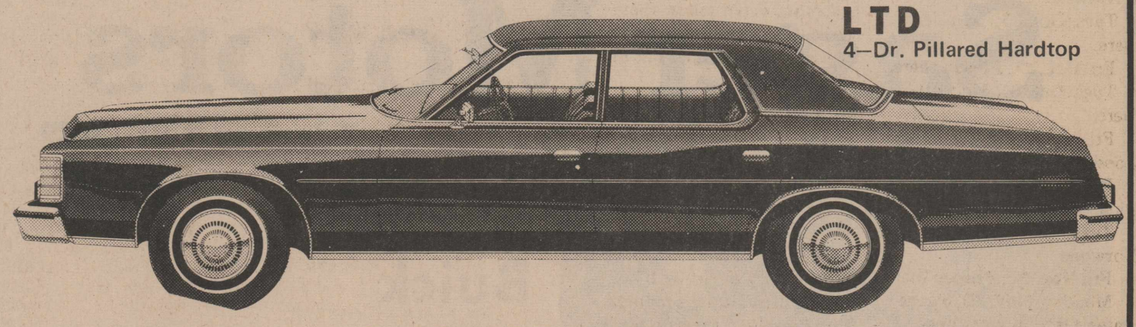

His wife, the former Pam Black, and daughter, Tina, will stay here with her mother, Mrs. Marie Black.

TSTA Holds First Banquet of Year

Samnorwood teachers hosted the first 1972-73 meeting of the county unit, Texas State Teachers Association, recently at their school.

A musical program, with a patriotic theme, was presented by Mrs. Jack Sikes, whose husband is superintendent of Westview Boys Home.

During the business session, directed by Miss Rita Lowrie, president, delegates to the annual District XVI convention were elected. They include Miss Lowrie, Mrs. Glenn Thomas, county TSTA secretary, and Mrs. Lynn Jenkins.

New teachers were introduced and included Mrs. Bill Spillman, Mrs. Joe Wood and Mrs. Jenkins from Quail; Mrs. Gary Matthews of Samnorwood; and Harvey Hughes of Wellington.

Attending from Quail were Supt. James Stavenhagen, Mr. and Mrs. Bill Wilson, Mr. and Mrs. Joe Wood, Mrs. Dollie Mae Wilson, Mrs. Isla Mae Morris, Mr. and Mrs. Bill Spillman, Mr. and Mrs. Lynn Jenkins and Mrs. E. P. Haynie.

Present from Wellington were Mrs. Bob McAlister, Miss Lowrie, Louis Graham, Mrs. Ben Ratliff, Mrs. J. I. Morgan, Mr. and Mrs. Bill Long, Mr. and Mrs. Claude Savage, Mr. and Mrs. Gus Barton, Mr. Hughes, Mr. and Mrs. A. A. McQueary and Mrs. Charles Floyd.

Samnorwood teachers attending were Supt. and Mrs. Rex Peeples, Mrs. Matthews, Mr. and Mrs. Jimmy Brown, Mr. and Mrs. Zeldon Jenkins, Kenneth Martindale, Mrs. Jack Lowry, Miss Rama Camp, Mrs. Velma Hiett, Mr. and Mrs. James Oren and Miss Judy Barber.

Authentic Bedroom of Long Ago Shown by Museum, Survey Group

Collingsworth County's Museum and Historical Survey Committee, with the help of the Belles Lettres Club, joined the national vogue for displaying antique and new quilts.

The exhibit drew enthusiastic attention during the two days of the Collingsworth County Fair, September 8 and 9.

(The Whitney Museum of American Art in New York City assembled an exhibit of early American quilts which is currently touring the United States, making new patchwork partisans).

"Our own county's display would be hard to top," said Mrs. Clyde Drake.

The exhibit was shown in an early day bedroom setting which included a dainty iron bed, donated to the museum by Mrs. John Deaver, of Memphis, with a feather bed donated to the museum by Mrs. Doc Harrison.

A hickory slat backed chair and small stand table with kerosene lamp and family Bible, and pair of old-fashioned spectacles completed the setting.

The hand-made rag doll on the bed is called the "Grandma Doll" and is a favorite toy of young visitors at the Clyde Drake home.

Quilts in the exhibit, with their old-fashioned names, belonged to:

- Mrs. Bob Hightower, with two made by her mother, Mrs. McQueen. One was "Colonial Garden," the other "Road to California", sometimes called Drunkard's Path."

- Mrs. Maudie Vaughan: "Round the World," made with about 4,000 pieces, and "Sampler" with each of the 25 blocks a different pattern. Both were made by her late sister, Mrs. Eugenia Brewer Vaughan.

— Mrs. Jim Woods: a cross stitched quilt of "Rambling Rose" design.

- Mrs. W.F. Harbin: "Double Wedding Ring" quilt made by her mother, Mrs. J.R. Falkenberry, and a tacked quilt of brick design. Also used were an embroidered pillow sham and a sheet for a spread, with lace edging all around put on with French knots.

Displayed was a clipping from the Ft. Worth Star Telegram dated October 6, 1921 of Collingsworth's very first Fair.(with pictures) Shown were the grand champion shorthorn bull and cow owned by G.T. Motley of Hollis; blue ribbon agricultural products; Bob Birchfield's peanuts from the club division, Joe Birchfield's corn from the club section; T.B. Starkey's turnips; Minis Jackson's "hagaria" from the club section and W.T. Poff's peaches. Also J.D. Camp's grand champion holstein bull. "Although 8, Mildred Henard won first prize in the canning department over all adults; Grand Champion Hereford bull by R.J. Holland of Dodsonville; Read the clipping. Roger Hunt, club boy, won first in the senior sow class in both men's and boy's division with Poland China.

Basketball practice has begun for the Samnorwood Eagles and Eaglettes, in preparation for the opening of the season Tuesday, October 17, against Lakeview, Coach Kenneth Martindale has announced.

The playing schedule also was given, District 3-B competition to begin January 2.

The Norwood teams will hold their annual tournament December 7 through 9. Gametime is 7:00 p.m. for games except where noted.

The schedule includes:

Tuesday, Oct. 17, Lakeview at Norwood.
Friday, Oct. 20, Mobeetie at Norwood.
Tues. Oct. 23, Lakeview there.
Fri. Oct. 27, Allison there.
Tues. Oct. 31, Mobeetie there.
Fri. Nov. 3, Briscoe at Norwood.
Fri. Nov. 10, Sweetwater, Okla., there.
Tues. Nov. 14, Allison at Norwood.
Fri. Nov. 17, Briscoe there.
Monday, Nov. 20, Sweetwater, Okla. at Norwood.
Tues, Nov. 21, Wellington at Norwood.
Tues. Nov. 28, Norwood at Wellington. (6:30 p.m.)
Thursday, Friday and Saturday, Nov. 30, Dec. 1 and 2, Shamrock Tournament.
Tues. Dec. 5, McLean at Norwood.
Thurs, Friday, and Saturday, Dec. 7, 8, and 9, Samnorwood Tournament.
Tues. Dec. 12, Shamrock at Norwood.
Thurs., Fri., and Saturday, Dec. 14, 15, and 16, Wellington
ton Tournament.
Tues. Dec. 19, Shamrock there (6:30 p.m.)

DISTRICT GAMES

Tues. Jan. 2, Estelline there.
Saturday, Jan. 6, Hedley there.
Fri. Jan. 12, Lakeview at Norwood.
Tues. Jan. 16, Quail at Norwood.
Fri. Jan. 19, Estelline at Norwood.
Tues. Jan. 23, Hedley at Norwood.
Tues. Jan. 30, Lakeview there.
Fri. Feb. 2, Norwood at Quail.
Thursday and Friday, February 8 and 9, girls district tournament.
Thurs. and Friday, February 22 and 23, Boys District Tournament.

Couple Visits Arkansas, Texas

Mr. and Mrs. Herman Childress have returned from a vacation that took them first to Arkansas, where they visited a number of places of interest.

A high point was the visit to the trout hatchery at Norfolk, Ark., the largest in the world. This is near Norfolk Dam on the White River.

They also stopped at Lake Texhoma, then drove south and west through Texas, looking at crops. The Snyder and Lamesa area has had too much rain, they report, and add that crops around Wellington are almost as good as those on the South Plains.

Mrs. Watkins Wins Annual WSB Tournament

Mrs. Harold Watkins was first place winner of the Wellington State Bank's second annual women's golf tournament, completed at Green Acres Golf Club Sunday, Sept. 17.

She had a score of 142 on 27 holes played.

Winners were announced by C. T. Hubbard, president of the bank.

Mrs. Watkins was playing in flight one, and other winners of that flight were, second, Mrs. Henry Sullivan, with a score of 143; third, Mrs. R. L. Mabery, 146; fourth, Mrs. Jones Singley, 151.

Winners in the second flight were, first, Mrs. Howard Holton, with a score of 162; second, Mrs. Bill Long, 165; third, Mrs. L. B. Bratten, 167; and fourth, Mrs. Rodney Kane, 168.

Mrs. Earl Clark received the prize for having payed closest to the cup on Green No. 16.

Script was given as prizes, redeemable by Wellington merchants.

The bank was pleased with the growth of the tournament over last year.

"The women seemed to enjoy it and we hope to have three more flights next year," said Mr. Hubbard.

Other women playing were Mrs. Jimmy Cochran, Mrs. John Holton, Mrs. Willie Gragson, Mrs. John Sherman, Mrs. Wayne Martin, Mrs. Calvin Hurst, and Mrs. Mickey Kendrick.

Annual Staff At Workshop

The staff of The Skyrocket, Wellington High School yearbook, attended a workshop at Childress High School Thursday, September 14.

This is the second year it has been held under the sponsorship of Hennington Publishing Co.

Going were Joy Jesse, editor; Judy Peters, business manager; Paula Howard and Tim Jones, copy writers and photographers; Dean Baker, photographer; Jan McGill, photo editor; Dian Brooks, layout editor; Gertrude Aguirre, layout and photographer; Connie Lewis, typist; Della Shumate, layout; and Mrs. Raymond Hodges, sponsor.

Annual staff members also attended from Shamrock, McLean, Quail and Childress.

Social Security Schedule Given

The schedule for a representative of the Amarillo Social Security office to be in Wellington was announced this week.

These dates are on Tuesdays, from 9:00 to 11:30 a.m. and include: October 3, 17, and 31; November 14 and 28; and December 12.

He will help local residents on any matters relating to social security of Medicare.

This service can also be obtained by going to the Social Security office at 317 East Third Street, Amarillo, The office is open from 8:15 a.m. to 4:30 p.m., Monday through Friday, except on national holidays.

Mr. and Mrs. Ted Wheeler vacationed in Colorado recently, visiting their son, Billy Wheeler and family, and her only brother, Buford Haltom and son, Dale, and other relatives.

A. C. Collins' Service Set In California

Alonzo Carl Collins, 85, died in Shamrock General Hospital Monday, September 18. He was a retired farmer and came here a year and a half ago to be with his son, J.L. Collins.

He was born in Georgia nad lived in Oklahoma a number of years.

Funeral services and burial will be in Vallejo, Calif.

Kelso Funeral Home was in charge of local arrangements.

Dr., Mrs. Moran Visit Family

Visiting with Mr. and Mrs. Clyde Dwight recently were their daughter and family, Dr. and Mrs. Paul Moran and daughter, Jennifer, of Highland Park, Michigan. Dr. Moran is doing a residency in general surgery in hospitals of that city.

They also visited with members of his family in Dallas.

Coming from Pampa on Sunday, Sept. 10, to visit the Morans and Dwights were Mr. and Mrs. Tony Smith and Mr. and Mrs. Kenneth Dwight and Jane.

Your many expressions of sympathy, the flowers, food, cards and prayers have been a source of comfort.

The Family of N.W. (Shorty) Murray

LEGAL NOTICE

NOTICE OF HIGHWAY IMPROVEMENT

The Texas Highway Department is planning to proceed with the development of the proposed highway improvements on U.S. Highway 83, in Collingsworth County. This highway project extends from the South City Limit of Wellington to F. M. Road 1439, and will pass through the City of Wellington.

Since the Federal Highway Administration approved the route and design proposed for this project, the Highway Department will begin work on the next phase of engineering necessary for the development of this project.

From the South City Limit to 7th Street, in Wellington, the proposed improvements consist of overlaying the present municipal section with Hot-mix Asphaltic Concrete Pavement on existing right of way. From 7th Street in Wellington to a point 0.2 mile north of Wellington, the proposed construction consists of a curb and gutter municipal section, 85 feet back-to-back of curb, on existing right of way. From 0.2 mile north of Wellington, north 2.7 miles, the proposed construction consists of widening, reconditioning, and resurfacing the existing road to provide two 13-foot travel lanes, with 9-foot paved shoulders, on 150 feet minimum right of way. From 2.9 miles north of Wellington, the proposed construction will provide a 4-lane divided highway, which will consist of two (2) additional 12-foot lanes with paved shoulders, adjacent to the existing lanes, on 250 feet of right of way. There will be no relocations or displaced persons on the proposed project.

Maps.-drawings showing geometric design, environmental studies, and all other available data concerning the development of this project may be inspected and copied at the office of O. V. Johnson, Supv. Resident Engineer, Wellington, Texas. 8-1c

Life With the Rimples

Deck's DIDACTICS

—by Deskins Wells

THE National Research Council has completed a two year study of the effect of foul air on health. It reveals that the incidence of lung cancer among city dwellers is twice that of people who live in the country. The polluted air of the metropolitan areas is not only causing a rising tide of lung cancer, it is definitely hazardous to the general health of humans. The urban resident who smokes cigarettes is in much greater danger, according to the study.

* * *

HERE IN the Panhandle we have another factor that keeps the air cleaner and that is the wind that purifies the air. We seldom have still days with great masses of air sitting in one spot for three and four days at a time. Sometimes the wind becomes so strong that it brings hardship such as a blizzard or a sandstorm; but the wind still has a purifying effect even when it is causing great damage. Did you ever notice how good the air smells after a sandstorm or after a blizzard? If it snows there is a double bounty for the snow flakes take countless particles of dust out of the air.

* * *

GEORGE HENRY took a trip to the Plains last week and he reports that some of our dry land crops look better than the cotton and maize on the high plains. Mr. and Mrs. Herman Childress took a similar trip except to different towns and they also say that many of the fields have had too much rain. It is rather startling; but it does happen.

* * *

ANYWAY we are living in a very nice part of the country. Our weather is greatly misjudged by visitors who happen to be here for the first time and they talk about their experience for the rest of their lives. People who live in the hurricane country along the coast, and think nothing of it, spread the false propaganda as do those who live in frozen north. They never see the beautiful October and November weather or the days in January or February whose warm sunshine rivals anything in California or Florida and excels both in general.

* * *

THE NEW cars are here. If you are one of those people who drive a car five or ten years before trading it in, you might be able to save money on a new 1972 model. However, if you are one of those who trade cars every year or two, you might do better by buying a 1973 model. The depreciation on a car for the first year is terrific.

* * *

MARK HARMON, who gained national fame in a single game, looks more like a movie star than a football player. He is the quarterback who led the UCLA team to an upset of 20-17 over national champion Nebraska last Saturday. He is the son of Tom Harmon, All-American back of Michigan a generation ago. His father, who is a radio sports announcer, said that watching his son lead the Bruins to victory was the greatest thrill he had ever experienced in sports.

* * *

FRIDAY is the time the Rockets meet the Irish in Shamrock. Wellington has always furnished a good share of the spectators at this traditional game and this year should be no exception. We have a good ball club and we should be over there rooting for them.

playground. This is now being installed by the Rotary Club.

President of the PTO is Mrs. Joe Harris, Mrs. Charles Darter is secretary, and the vice president is Mrs. Eddie Maxwell, and treasurer, Mrs. Don Reeves, and Mrs. Nix, publicity chairman.

Mrs. Bill Cunningham visited last week with her parents, Mr. and Mrs. J.M. Strong.

Keep your rental property producing by using Leader Classifieds regularly.

CHAMPION FIDDLERS

These were the top fiddlers at the Collingsworth County Fair Fiddlers Contest Sept. 9. Again, Dick Barrett of Pottsboro, left, was the champion and Ace Sewell of Blanchard, Okla., came in second.

Farmers Union Names Langley to New Term

Farmers Union members re-elected Donald Langley president and chose a slate of directors, then adopted a dozen and a half resolutions in their annual meeting Saturday evening, September 16.

These resolutions covered such new problems as pesticide bans, no-fault insurance, changes in the set-aside program, and changes in the trailer lighting and brake law.

This business meeting followed a barbecue in which pit-cooked Collingsworth County beef was served with all the trimmings to members, their families and friends.

Sherri Canada, Quail High School Senior who attended the State Farmers Union Youth Camp, discussed this for the members. She was elected an advisor to return to the camp next year, and will also serve as one of the youth workers at the State FU Convention later this year.

Entertainment was by a singing group of six youngsters from Hedley, directed by Mrs. Don Springer of Hedley.

Elected directors during the business session were Bob Hightower, Lloyd Wooldridge, Dan Henard, Wilbur DePauw and Doug Seal. The vice presidents and secretary-treasurer will be elected from the board of directors at the October meeting.

Rudie Tate, resolutions chairman, presented the resolutions, and members approved these:

- The county FU reaffirmed its support of the Texas and National FU in their effort to preserve the family farm.
- Continued the fight for 100 per cent of parity based on the 1910-14 parity formula.
- Favored amendment of the trailer-brake and lighting law by the Texas Legislature to make it more reasonable and workable.
- Recommended that livestock brand laws be changed by the Texas Legislature to extend brand registration to an area rather than county basis.
- Urged that agricultural water rights be protected in Texas to insure an adequate water supply for all necessary agricultural production and processing.
- Favored no-fault automobile insurance.
- Recommended that gooseneck trailers be covered by auto or pickup liability insurance.
- Urged new farm program legislation that will insure the family farmer full parity prices to producers through direct payments to reflect the difference between market prices and 100 per cent of parity; and to continue supply management programs to avoid serious overproduction.
- Changes in the Set-Aside program to give county vote on sale and lease of cotton allotments, payment on all set-aside acres; one half to be paid at sign up time and the other in July; and eligibility of Soil Bank land as set-aside acres.
- Supported legislation granting bargaining rights to producers.
- Opposed enactment of "value added" tax.
- Urged the National FU to continue working with other farm organizations and fight for better income and national image for the American Family farmer.
- Urged USDA and farm organizations to conduct a consumer education program.
- Supported legislation that would require the Food and Drug Administration to base their pesticide banning decisions, on facts only, not "maybe so" "Change" or "possibilities."
- Commended the local newspaper and business people for their co-operation.
- Recommended that the price of cottonseed not fall below $57.00 per ton.
- Recommended that daylight saving time be abolished.
- Recommended that the president and USDA allow set aside land to be grazed for 1973-74 until a more ample supply of beef is produced. This will produce more beef, not cost the government one cent, and help the county more than more imports.

#2—continued from page 1

He was a member of First Baptist Church.

Funeral services were conducted at 2:00 p.m. Friday at First Baptist Church, with the Rev. Ted Savage, pastor, officiating. Burial was in Memorial Gardens under the direction of Kelso Funeral Home.

Pall bearers were Frank Ivy, Truman Estes, Bill Harbin, Ernest Harwell, Rufus Hays, and Alvin Horton.

Survivors include his wife, of Wellington; a son, Talmadge Murray of Merchantville, New Jersey; two daughters, Mrs. W.T. Williams of Abilene and Mrs. Lois Cudd of Big Spring, and a grandson whom he and Mrs. Murray reared, Farrell Kent of Midland.

There are also 5 sisters: Mrs. Guy Davidson of Wolfforth, Mrs. Don Buchanan of Guymon, Oklahoma, Mrs. Ernest Kneller of Hugoton, Kansas, Mrs. Aubrey Christian of Vera, Oklahoma, and Mrs. Carl Mathison of Oklahoma City; two brothers, Truman Murray of Fresno, Calif., and Walter Murray of Hooker, Oklahoma, 7 grandchildren and 12 great grandchildren.

Lowe Lost to Red Raiders With Injury

Andy Lowe, junior defensive end for the Texas Tech Red Raiders, suffered torn ligaments in his left knee in the Tech-Utah game Saturday, Sept. 16, and is out for the season.

Lowe was injured in a third quarter punt play when he was clipped by a Tech substitute, a replay of the game films show. Members of his family called it a "freak accident."

He underwent surgery Sunday morning in St. Mary's Hospital. Three and one-half hours was required to repair the injury. His wife, Linda, is with him, as were his parents, Mr. and Mrs. Bill Lowe, and his sister Susan, who were in Lubbock to see the game. With them was a cousin, Karen Harrison of Shamrock.

The Red Raiders won their game 45 to 2.

#5—continued from page 1

proposed construction consists of a curb and gutter municipal section, 85 feet back to back of curb, on existing right of way.

From .2 mile north of Wellington, north 2.7 miles, the proposed construction consists of widening, reconditioning and resurfacing the existing road to provide two 13-foot lanes, with 9-foot paved shoulders, on 150 feet minimum right of way.

From that point to Lutie, the proposed construction will consist of two additional 12-foot lanes with paved shoulders, adjacent to the existing lanes, on 250 foot right of way. There will be no relocations or displaced persons on the proposed project.

B Team Meets Hollis There On Sept. 21

The Wellington Skyrocket B team will play their second game away from home, meeting Hollis there Thursday, September 21, at 7:00 p.m.

"We do not know too much about the Hollis B team, but we feel we will have a good chance of winning, since our varsity whipped Hollis pretty good in their first game," said Coach Don Lacy. "We feel we will make a real good showing against them.

The Wellington B team is fresh from a victory over Shamrock, which gives the team a five-game winning streak, dating back into the 1971 season.

"We're trying to keep it going," said Coach Lacy.

#3—continued from page 1

to the Church of Christ, and he is presently serving on the board of the Church Kindergarten and educational director of the Church. He is the son of Mrs. Vesta Watson of Canyon and the late Jack Watson.

Mrs. Watson is the former Dorothy White, daughter of Mr. and Mrs. Ople White of Quail and they have three children, Tanya, 15, and a sophomore in high school, Audie, 13 and an eighth grader, and Angela, 9, in the third grade.

Mrs. Poteet has been secretary to Judge Thomas four years, and in this capacity she has worked with the Multi-County Juvenile Program from its beginning.

She also has worked with the NYC Program, and Community Action Programs.

A member of First Christian Church, she is also secretary of the Collingsworth County Red Cross, secretary of the Satellite Training and Work Center, and Co-ordinator for the Civil Defense.

Mr. Minatrea was reared at Wellington and graduated from Wellington High School. He has worked as a deputy sheriff four years and during that time he has attended a sheriff's and Deputy's school; bomb disposal school at West Texas State; and narcotics school at Canadian.

The program is funded by the Criminal Justice Council through the Panhandle Region-

#1—continued from page 1

ever come out of Shamrock.

"We have great respect for Shamrock's ball club, but we feel we will be able to give them a better contest this year than we have in the past," Coach Forrester continued.

Shamrock has 9 returning lettermen, but only two of these were starters of the offense last year and one on defense.

At 5-6, Gragg is the shortest man starting, but his size is deceptive. He is definitely a double threat, for he can either pass the ball or run it.

Forrester and his assistants shrug off those who say this is a rebuilding year for Coach Huffman, and they indicate the experienced juniors, including Gragg and Bond, to prove their point.

Huffman's first assistant this year is Harold Gouge, who was at Memphis several seasons.

This will be the first time in several years that the Rockets and Irish have not met in district competition, for Shamrock stayed in 2-AA when Wellington moved to 2-A.

Among the Irish lettermen, back this year whom Huffman named earlier are, besides Gragg and Bond, backs Sammy Jackson (6-2½), Bill Crossland (6-0), Ricky Tarbet (5-8), all juniors; guards Arvill McNutt (5-7) and Terry Beasley (5-7), also juniors; senior tackle Gene Mitchell (5-11) and senior end Sonny Hilburn (6-1).

Shamrock had a 7-3 season last year, winning the first 7, then dropping two. The final game was forfeited to Electra following the sudden death of an Irish footballer.

The Irish opened at home with a 28-0 win over McLean, then lost to exceptionally strong Panhandle 24-6 last week, after holding the Panthers scoreless until just before the half.

With an open date last week, the Rockets are in fine physical condition, but they are looking for one of the toughest games of their season.

---

al Planning Commission for $38,648 for the current year, with the recommendation that it be carried through a second year. The participating schools and counties will make in-kind contributions to the project valued at $12,922.

Services for Mrs. C. Shulz Held at Tucson

Mrs. Constance Schulz, of Tucson, Arizona, a member of a pioneer Collingsworth County family, died in Roswell, N.M., Monday night, September 18, after being in ill health about five years.

The former Constance Boverie, she was about 82 years of age and had made her home at Tucson, Arizona, for about 20 years. A sister-in-law, Mrs. A.C. Boverie is the only relative still in Wellington.

Rosary for Mrs. Schulz was said at Dyer Funeral Home in Tucson Wednesday night. Funeral services will be conducted in a Catholic Church in Tucson Thursday at 10:00, and burial will also be there.

Mrs. Schulz was born in Oklahoma and came with her family, the late Mr. and Mrs. C.B. Boverie about the turn of the century. They farmed in the Aberdeen communtiy until 1906, when they moved into Wellington and Mr. Boverie built the home in northwest Wellington that is still occupied by his daughter-in-law.

Mrs. Schulz graduated from the Wellington Schools and later taught here, as well as at Chillicothe. During World War I, she and her sister, Miss Katherine Boverie, went to Washington, D.C., to work for the federal government, and Mrs. Schulz remained until she retired about 1950. She then moved to Tucson.

Survivors are one sister, Mrs. Pearl Hendricks, of Flying H. New Mexico; and three brothers, Clem Boverie of Lubbock, Edward Boverie of Idalou, and Dr. Robert F. Boverie of El Paso.

Five brothers and sisters preceded her in death, Miss Bess Boverie, Miss Katherine Boverie, A.C. Boverie, Jules Boverie and Adolph Boverie.
