Looking 'round

BY THE EDITOR

TEXAS PUBLIC SCHOOLS

On page two of this issue of the News there is an article concerning the public schools of Texas. This article is furnished to us from Austin and does not necessarily express our opinion, but nevertheless we feel they are worth while articles and should be read by every person in Texas.

In all there will be four of the articles that will be published, one each week.

So far as our own schools are concerned there is still very little that I can say. Mainly because I can't find out anything definite. There is a lot of rumors still going round, but most of them seem to me to be from unauthoritative source, and I believe it would be best not to believe the most of them. The ones that can be believed are not for me to say.

Possibly in the near future there will be some information concerning our schools released to me and when it is I will pass it on to you, but in the mean time the School Board prefers not to release anything.

BOY SCOUT WEEK

The Boy Scouts of America, now numbering 1,980,000, will observe the 37th anniversary of the organization during Boy Scout Week, opening Friday, Feb. 7 and closing Thursday, Feb. 13.

It is the nation's largest birthday celebration among young citizens and will be observed in every city, town, village and hamlet.

The theme of the observance is "Scouts of the World—Building for Tomorrow." Through the World Friendship Fund of voluntary gifts established two years ago by the Boy Scouts of America, they have given \$110,464.36 to help Boy Scouts overseas rebuild their organizations.

The National Council of the Boy Scouts endorses the work of the World Friendship Fund in a resolution which says in part:

"Scouting has always been an active force in promoting better understanding and mutual goodwill among the nations, and will be a stronger and more powerful influence than ever in promoting world peace."

"The Boy Scouts of America are eager to help Scouts abroad rebuild Scouting and have established the World Friendship Fund for that purpose. Everyone connected with Scouting and every friend of Scouting has an opportunity through this fund to have a share in the program. The National Council is hopeful that the various World Friendship projects may become both a source of support and encouragement to Scouts abroad and an incentive to Scouts in this country."

As part of the observance of Boy Scout Week, countless Troops will make additional contributions to the World Friendship Fund. Some will raise funds through their own neighborhood Scout shows. Others will contribute Troop dues for Feb.

The observance of Boy Scout Week throughout the nation does not follow a fixed pattern. Boy Scouts, their younger brothers, the Cub Scouts, and the young men in Senior Scouting determine their own methods of raising host to their parents and friends, and will demonstrate some of the many useful skills they acquire through Scouting.

The local Boy Scout organization is planning to decorate one of the display windows in the downtown Dept. Store with all the Boy Scout paraphernalia.

Annual Report Of C. of C. For The 1946 Year

Below is a complete report of the activities of the Santa Anna Chamber of Commerce for the 1946 year. The secretary of the Chamber of Commerce wishes to express his sincere thanks and appreciation to the City of Santa Anna and to each of the members of the Chamber of Commerce for the fine spirit of co-operation they have shown him in the past year.

I. In March, 1946 the Chamber of Commerce co-sponsored with the Mayor and City Commission, a Clean-up Campaign during which 50 truck loads of cans were hauled to the City Dump Ground. Several vacant lots were cleared of unsightly trees and weeds which resulted in improving the general appearance of the city.

II. The Santa Anna Chamber of Commerce co-operated with the city officials in a street paving project, the result of which to date is the complete paving of thirty-four blocks of city streets, and further plans for additional stretches of pavement throughout the city just as soon as the necessary steps can be taken.

III. The Santa Anna Chamber of Commerce joined forces with the City and School Tax authorities for the purpose of collecting taxes on City property delinquent in most instances for the past twenty years. The combined efforts of all parties resulted in the collection of \$12,313.00 City Taxes and \$10,000 in School Tax, and there is at the present time a balance yet to be collected of \$15,000.00 City Taxes and approximately the same amount in the School. The Chamber of Commerce intends to continue this campaign, and feels that it should not be dropped until all the delinquent balances are in the respective local treasuries.

IV. Our present project to secure additional housing accommodations for local Veterans was instigated through the auspices of the City Commission and the Chamber of Commerce. This project involved considerable time, thought and the unraveling of endless amounts of red tape before the plans could be realized. Numerous trips were made to Fort Worth and Camp Barkley for consultation with Federal Housing Authorities and inspection of the units now being moved. A total of 16 housing units are contracted for, and by this time approximately eight have been moved on sites selected by the veterans, and they will become ready for occupancy within a very short time.

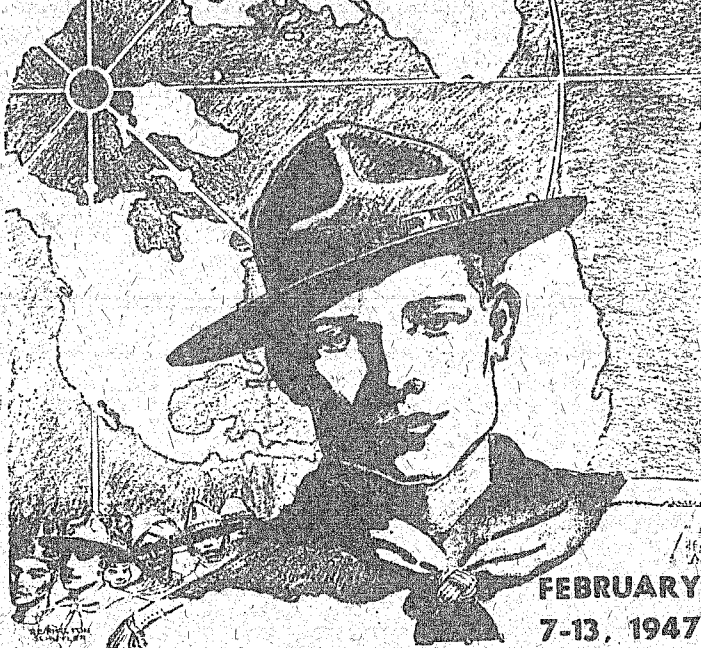

V. In addition to the above mentioned Federal Housing Projects there have been several houses moved in under private sponsorship, and several citizens are now building or planning to build, and all included there are approximately thirty new homes now in Santa Anna that were not here at this time last year.

VI. The Chamber of Commerce has co-operated with the Santa Anna School Board in trying to secure some additional buildings from Camp Bowie, Texas, for educational purposes. If the plans now in progress are completed, a new gymnasium and physical education building will be added to the High School campus, and other buildings secured will be used in manual training courses and as classrooms now badly needed.

VII. Citizens of the Santa Anna Independent School District were assisted in forming a Santa Anna School Boosters Club which we think will prove to be a wonderful asset to the school in athletics and other worth while activities.

VIII. The City of Santa Anna was well represented at the meeting called by the Good Roads Association of Texas, members of the local Chamber of Com-

"SCOUTS OF THE WORLD BUILDING FOR TOMORROW"

BOY SCOUT WEEK

Nearly 2,000,000 Cub Scouts, Boy Scouts and Senior Scouts will observe the 37th anniversary of the Boy Scouts of America during Boy Scout Week, Feb. 7th to 13th. Through their World Friendship Fund of voluntary gifts the Boy Scouts of America have given \$110,464.36 to help Boy Scouts overseas rebuild their organizations. During the first year of their "Shirts-Off-Our-Backs" project more than 400 cases—or twenty tons—of Scout Uniforms and equipment collected from Scouts were contributed to Scouts in 13 nations. Scouting has always been an active force in promoting better understanding and mutual goodwill among the nations. Above is the official poster marking the event.

C of C Annual Banquet Tuesday Night, Feb. 4

The local Chamber of Commerce had their annual banquet Tuesday night, February 4th at the Service Cafe. 87 were present including members, their wives and a number of visitors from out of town. A sumptuous meal was served consisting of turkey and all the trimmings.

O. L. Cheaney, president of the organization presided and introduced the visitors and recognized all the Directors of the organization.

The principal speaker of the evening was B. A. Butler, manager and secretary of the Cisco Chamber of Commerce, who spoke on, "My Philosophy of What a Chamber of Commerce Should Be." High points in the splendid address were, he advocated a broadening of education, rather than a heightening, with Junior Colleges accessible to all High School graduates, he also stressed the importance of a type of industry that would be in with our agriculture and natural resources. He also stressed the importance of home ownership.

A complete report of the work of the local Chamber of Commerce for the year 1946 was given by Ford Barnes, Secretary of the organization.

Other visitors besides the speaker were B. B. Nunley, Pres. of the Coleman Chamber of Commerce and Mrs. Nunley, Mr. E. L. Jackson, District Manager of the West Texas Utilities Co., Cisco, Mayor Edward Lee of Cisco, and Judge Calloway, also of Cisco, president of the Chamber of Commerce there.

Mr. Frank Irick and Jean have moved back to Santa Anna from Brownwood and are living with Earl Irick and family. Jean goes from home to her work in Brownwood each day.

merce attending that meeting were Rex Golston and F. Z. Payne; they reported a very interesting meeting and stated that this association went on record as endorsing one of the plans of that organization for better farm to market roads.

March Of Dimes Drive Very Successful

Our annual January March of Dimes Drive, as announced last week, has by far exceeded our fondest expectations, and we will have a large check in the mails for the National Foundation for the prevention, treatment and cure of infantile paralysis soon.

Our thanks and gratitude go to all who have so liberally responded to our appeal for contributions for the March of Dimes fund. Complete announcement will be made next week.

J. J. G.

Oscar Calloway Ex-Congressman Dies In B'Wood

Death came to Oscar Calloway, former Congressman and Comanche lawyer and ranchman in a Brownwood hospital Friday night January 31, two weeks after he had suffered a heart attack. Mr. Calloway was 76 years old at the time of death. He served as a member of the House of Representatives in Washington for the Old 12th Texas District from 1910 to 1916. He became a national figure in historic Congressional debate which followed the outbreak of World War I. When he left Congress, Mr. Calloway retired from politics for the rest of his life but he always maintained an aggressive interest in public affairs. Funeral services were held Sunday at 2:00 P. M. in the First Presbyterian Church at Comanche with Dr. C. C. Klingman, pastor of the Christian Church of that place, and Dr. W. B. Gray of Brownwood, pastor of the Comanche Presbyterian Church officiating.

Dr. Ben Shelton Passes Away

Dr. Ben M. Shelton 55, died in Brownwood Thursday, January 30th in a hospital there having suffered a heart attack on Tuesday. He was well known as a physician in this part of the state, and was a leader in Brownwood civic affairs. The deceased was a native of Coleman County, having been born at Rockwood.

J. E. Boog-Scott Dies Suddenly In Home Of Son

J. E. Boog-Scott, well known in Coleman County and this vicinity having lived in these parts some years ago, died suddenly at the home of a son in Cleburne on January 31st. He was recognized as the founder in Texas of what was later to become the Future Farmers of America Clubs, which he organized while ranching in Coleman County. He contributed much to the Texas cattle industry, having served as chairman of the Livestock Sanitary Commission. While serving on that body, he whipped single handedly a hoof and mouth disease threat to Texas livestock in 1924. He also played a leading role in the eradication of ticks from cattle. He had long advocated a fence along the Mexican border to keep infected Mexican cattle from coming into Texas. Now with a new threat of hoof and mouth disease these measures are being advocated by Senator Tom Conally. This well and favorably known cattleman was a native of Scotland.

Mr. J. L. Harris has about completed a nice tile building adjoining the Jack Bolander Garage on the west. When finished he will use the building as a work shop.

Mrs. Jimmie Pelham and little son, Randall of Brownwood were guest of her parents, Mr. and Mrs. S. S. Baker one day last week.

Groundhog Forecast More Winter

According to the mythical little groundhog, that has been the object of discussion, and wisecracks and funny philosophy since heaven knows when, we are in for another six weeks of winter.

According to tradition, the mythical little creature, whether he be rodent or animal, goes into hibernation at the appearance of winter and there remains until February 2nd, then, he emerges from his den, plays around for a few moments, waiting for his vision to clear up, that he may see his way around, and in the meantime, if the sun is shining and he sees his shadow, the little fellow takes fright, and returns to his place of hibernation for another six weeks, thus indicating a late spring.

We notice some of our modern writers are trying to belittle the long recognized weather predictor or forecaster, who is only heard from once a year, and implies a discount even of its existence. You had just as well get off that high-horse and come back down to earth. What is and has been since the beginning of time, so far as we are concerned, will remain and the man in the office with all those shining gadgets who we hear from every day, and sometimes more often, probably does not know of the dirty little rat or something, but as long as he (the man) lives, he will continue to hear from the groundhog in the early days of February, with comments about his weather forecasting as long as he (the man) lives. The groundhog will live forever. Just you wait and see?

J. J. G.

Miss Doris Newman Accepts HDC Agent

Miss Doris Newman, daughter of Mr. and Mrs. Lester Newman of Santa Anna, has accepted the position as Home Demonstration Agent of McCulloch County. Her headquarters will be at Brady.

Miss Newman is a graduate of Mary Hardin-Baylor College. She has taught school at Novice for the past year and a half.

Pioneer Ranch Woman Dies In Coleman, Monday

Mrs. Willie Day Padgett 66, died Monday afternoon at 4:30 widow of the late J. Tom Padgett, Coleman County pioneer and in the home of her son, James T. Padgett in Coleman. She had been in ill health for some time. Funeral services were held in the First Christian Church in Coleman, Tuesday afternoon at 2 o'clock with Rev. W. H. Woolard of Abilene, formerly her pastor officiating. Burial was in Oakland cemetery in Dallas Wednesday morning. Mrs. Padgett had extensive ranch holdings in Coleman, Runnels and Crockett Counties as well as down town business properties in Dallas. She took an active part in the Club life of the state, and was an active member of the First Christian Church in Coleman, being especially interested in the cause of missions. She is survived by the son and two granddaughters in Coleman. The deceased had many friends in Santa Anna.

Mrs. Sam Collier and Misses Gail Collier, Louise Purdy, Mary Lela Woodward and Mary Gladys Pope attended the Community Concert which was held last Friday night in the Auditorium of Howard Payne College.

Mr. and Mrs. Durl Griffith and their daughter, Shirley of Fort Worth visited over the week-end here with his parents, Mr. and Mrs. Jess Griffith. Durl works for the Consolidated Aircraft Co.

The Texas Public Schools

ARTICLE I

Since 1941, 40% of the teachers of Texas have resigned their jobs. In the United States, 350,000 teachers have done the same thing. The main reason is poor pay. Results: A grave educational problem and one out of six of our teachers sub-standard. During the school year 1945-46, 4,700 teachers in Texas drew less than \$1200 per year. Even though the withholding tax on this salary was very small, most all of these teachers are members of the Teacher Retirement System of Texas and contributed 5% of their salaries because of this membership. Hence, they had a take-home pay of less than what would be considered necessary to provide a bare subsistence.

Is this as it should be? Most everyone will tell you that it is not and that something must be done to remedy the situation.

A brief, yet careful study of the public schools of Texas will convince any citizen of the gravity of our educational problems. Such is the purpose of the series of articles to follow.

A study of the Constitution of Texas will show that it was the intention of the framers of our organic law that the state of Texas should provide for a sys-

tem of public education in keeping with the needs of the citizenship. Article VII, Section I, reads: "A general diffusion of knowledge being essential to the preservation of the liberties and rights of the people, it shall be the duty of the Legislature of the State to establish and make suitable provision for the support and maintenance of an efficient system of public free schools."

In order to lay the foundation for carrying out this section of the state constitution, there was created a Permanent Free School Fund by using the vast public domain of the state for this purpose. The permanent fund now aggregates more than \$100,000,000. The interest from the investment of this fund is allocated to the Available School Fund, and amounted to \$2,770,685.19 for the school year 1945-46.

The Constitution also provided for the creation of County Permanent School Funds by assigning to each county some 17,000 acres of land from the public domain. The principal of the 238 county Permanent Funds is approximately \$11,000,000 and provided an income of \$500,000 last year.

The Constitution also created the Available School Fund and provided that not less than "one-fourth of the revenue derived from state occupations taxes" one dollar of the poll tax and an ad valorem tax not to exceed thirty-five cents on the \$100 of property valuation should be allocated to the Available Fund to be distributed annually for the support of the schools.

The available fund is distributed annually on a per capita basis to approximately 1,500,000 children between the ages of 6 and 18.

Significant is the fact that no express limitation is placed in the Constitution on the powers of the legislature to levy additional taxes or make additional appropriations for the support of the public schools or for the establishment and maintenance of institutions of higher learning.

Has the state of Texas and local school districts made suitable provision for the education of the 1,500,000 children of school age in Texas? This will be the subject of succeeding articles in this series.

C. of C. —

(Continued from page 1)

were well represented on a Good Will Trip along route 67 of the Texas Highways. The trip began at Texarkana, Texas and ended at Chihuahua, Mexico, the proposed termination of what is known as the Big Bend Trail in Texas. Citizens and members of

the Chamber of Commerce representing the town were: Mr. and Mrs. Sam Collier; Mr. and Mrs. E. R. Purdy; Mrs. J. R. and Mrs. A. U. Weaver. Upon return of this group a most interesting account of the activities and entertainments of this trip was given the Lions Club by Mrs. C. D. Bruce and Mr. Sam H. Collier.

X. In the month of November, 1946 the Santa Anna Chamber of Commerce and Santa Anna Lions Club co-sponsored a Poultry Show which drew entries from Erath, McCulloch, Mills, San Saba, Comanche and Brown counties as well as local entries from Coleman County. Some of the foremost poultry judges of the State of Texas were present at this show and pronounced it a great success, not counting the quantity of entries, but the quality of the fowl displayed.

XI. October 8th, 9th and 10th the Secretary represented the City of Santa Anna and the Chamber of Commerce at a district meeting that was held at Lake Brownwood. Some of the most imminent authorities on Soil and Water Conservation in the state were on the program at this meeting, and delivered interesting and educational information on this subject.

XII. The City and Local Chamber of Commerce were represented by members Bruce Snodgrass and Loyd Burris at a meeting of the Good Roads Ass'n held in San Angelo, Texas under the auspices of the City Board of Development of that city. Mr. Snodgrass brought back a most interesting report on the outcome of this meeting.

XIII. The Santa Anna Chamber of Commerce on August 27, 1946 was host to the Feeder-Breeder Members on their annual trek through Coleman Co. Luncheon was served to this group at that time.

XIV. Under the combined efforts of the local Lions Club and Chamber of Commerce the local FFA and 4-H Club boys showed premium stock at a local Calf Show. Both the FFA and 4-H Club boys are to be commended at the high quality of the stock exhibited at this show, it far surpassed any heretofore shown. Through the efforts and generosity of the local merchants prize money offered in this event amounted to approximately \$400.

XV. The Santa Anna Chamber of Commerce sponsored a Soil and Water Conservation Meeting which was held in August 1946 in the auditorium of the local High School. Visiting authorities and speakers included Mr. Paul H. Walser, State Soil Conservationist; Mr. B. F. Vance, from A & M College of Texas, State Director of P & MA; Mr. R. H. Nelson and Mr. E. A. Mc-

Bride, both Assistant Directors of P & MA; Mr. Pat Cagle, Banker of Comanche, Texas; Mr. Howard Kingsbery, a local man who is State Range Improvement Department. This meeting was attended by 150 ranchers and farmers and after this most constructive meeting the group was served watermelons by the local Chamber of Commerce. This was one of the most informative meetings held in Santa Anna in quite some time.

XVI. A branch of the Coleman County Veterans Vocational Rehabilitation and Training program, the present class of 21 students is now studying "Distributive Education," and it is hoped that a class in agriculture can be started within a short time. This is bringing a payroll of \$2465.00 to Santa Anna each month.

XVII. Plans are now underway for the erection of a modern Tourist Court to the convenience of citizens and transients, this project as outlined will contain approximately 34 cabins, a filling station and cafe in connection.

XVIII. Upon the agreement of a local organization to sponsorship promise has been made of a local National Guard Unit.

HOW STEADY
ON THE TARGET?

If you've ever done any shooting, you know that lining up the target in your sights isn't too hard.

What is tough is keeping your aim steady until the trigger is squeezed, and the bullet starts for the bull's-eye.

Saving money is a lot like that for most of us. It isn't too hard to save a little every once in a while. But to keep our aim steadily on the target of financial security—to save, regularly, some part of everything we earn—has always been a really tough job!

Yet today it needn't be! There's a new, easy, automatic way to save and to keep on saving until you hit the mark you're shooting for. It's buying U. S. Savings Bonds on the Payroll Savings Plan!

What's more, every dollar you put into Savings Bonds does two extra jobs. It helps keep your country strong and financially sound. And it makes more money for you—for the \$75 you save today will grow to \$100 in just 10 years!

So keep on buying every bond you can afford. You can get them at any bank or post office. But the best way to buy is the steady way—the automatic way—on the Payroll Savings Plan!

SAVE THE EASY WAY... BUY YOUR BONDS THROUGH PAYROLL SAVINGS

Self Culture Club Meeting

The Self Culture Club met Wednesday afternoon, January 29th with Mrs. L. O. Garrett, the meeting having been postponed from the Friday previous. Seventeen members were present. The Club voted to endorse the candidacy of Mrs. W. E. Cantrell of Lometa for president of the Sixth District, election for which will take place at the convention at Brady in March. Mrs. P. Z. Payne offered her home for the

Federation Day luncheon, February 28, which was gratefully accepted. A program mostly on Hawaii, was rendered. Recent News of Hawaii was the subject for roll call answers. Mrs. Eeds gave a very interesting history of the islands. Mrs. R. C. Gay discussed the Flowers of Hawaii and showed pictures of gorgeous flowers of that land, and a beautiful plaque made of 13 kinds of wood, made by her son, Leeper Gay, while he was stationed there. Mrs. Payne also showed a hua-hula skirt and a

beautiful lei of several colors sent by her son, Zeb, Jr., while he was stationed there in 1945. Mrs. Hardy Blue gave a very interesting talk on Eleanor Roosevelt, after which the meeting adjourned.

"Looking 'round"

Continued from page 1

that is available and the Store is going to furnish some of the materials to go in the window.

All the Scouts plan to wear their uniforms all through the Boy Scout Week and plan to attend one of the churches in town in a group this Sunday. The church they will attend is not certain at this writing, but will be decided at a later date.

In a recent Court of Honor held for the Boy Scouts, Bennie Bass was awarded the honor of being a Life Scout. This is one grade from the highest a boy can go in his Scouting work, which is the grade of Eagle Scout. At the same Court of Honor Duane Morelock was awarded the Star Scout Badge.

To attain the Eagle Scout rating a Scout must hold 21 Merit Badges, a Life Scout must hold 10 Merit Badges and the Star Scout must hold 5 Merit Badges.

Rev. Henry Price, pastor of the First Methodist Church, is the local Scout Master and he is to be congratulated on the fine work that he is doing with the Boy Scouts of Santa Anna.

Fruit Crop Damage Heavy

Severe damage to the West Texas peach and apricot crop likely resulted from recent extremely cold weather, according to Dr. W. W. Yocum, horticulture professor at Texas Technological College.

If buds were killed, they will begin shattering within the next few days, he said. Fruit growers should inspect their trees carefully, and if almost all of the apricot and peach buds shatter, producers may go ahead and prune trees now as much as necessary without waiting until late spring.

Hattie Shields, Leonard Phillips Wed Sunday

Mrs. Hattie Shields of Bangs and Leonard Phillips of Ozona, were married Sunday morning, February 2, at the home of her mother, Mrs. N. T. Bruton in Bangs, with the Rev. J. P. Williams performing the ceremony. Attendants were the bride's sister and her husband, Mr. and Mrs. Douglas Perkins of Crane. Attending the wedding were, the bride's mother, Bobby Lynn Phillips and Mrs. J. P. Williams. Immediately after the ceremony the couple left for Ozona, where they will make their home. Until recently the bride was the owner of the Ladies Shop of Santa Anna.

Mr. Jack Stovall, who has been sick for some time is reported not to be improving. He was in the Sealy Hospital for awhile but is now at home.

Mrs. B. T. Vinson Dies After Short Illness

Funeral services were held Monday afternoon, February 3rd at 2:00 o'clock at the Baptist Church for Mrs. Ben Vinson, who died in the Sealy Hospital early Sunday morning. Rev. S. R. Smith and Rev. Henry Price, Baptist and Methodist pastors conducted the services. The deceased had been in poor health for some time, but was seriously ill only about two weeks. Services largely attended, quite a number of out of town relatives and friends being present and the Santa Anna business places closing for the time. Novelene Walters was born July 5th, 1887 in Coleman County, to Mr. and Mrs. Mose Walters, well known pioneers of this county. She was married to Ben T. Vinson, January 19, 1915, who survives. Other survivors include three brothers and three sisters. A number of nieces and nephews and many friends. Pallbearers were nephews, G. C. Walters, Ernest Walters, Aston Walters, Ben P. Vinson, Tom Vinson, Homer Vinson, Woodrow Vinson and Bob Vinson. Flower ladies were, Ruby Harper, Gail Collier, Louise Purdy, Mrs. Neal Oakes, Mrs. Theo Kirkpatrick, Mrs. D. R. Hill, Mrs. Joe Harvey, Mrs. Leland Thompson, Mary Lela Woodward, Mrs. Lola Stephens, Mrs. Joe Matthews, Mrs. Jack Mobley, Mrs. Mary Burden, Mrs. Ross Kelley, Mrs. Frank Turner and Miss Irene Stiles. Interment was in the Santa Anna Cemetery with the Hosch Funeral Home directing.

County Poultrymen Eligible To Enter National Contest

Coleman County poultrymen will compete with poultry breeders in eight southwestern states in the 1947 phase of the nation-wide Chicken-of-Tomorrow program with more than 1700 poultry raisers from this county eligible to enter the competition, according to D. D. Slade, chairman of the national Chicken-of-Tomorrow contest committee.

"All that is required for Coleman County poultrymen to become a part of this program is a flock of 50 baby chicks hatched between March 2, and 8," Slade said. "Poultrymen entering the contest are urged to contact Prof. F. Z. Beanblossom, Texas A & M College, College Station."

chairman of the contest committee in this state.

Aimed at developing chickens with improved meat-type characteristics, the contest carries a \$5,000 grand prize in 1948 provided by A & P Food Stores and \$5,000 in regional prizes. The top award will go to the poultry breeder who develops the most improved meat-type chicken.

Slade urged Texas poultrymen to continue their efforts to develop superior meat-type chickens which, he said, are paying increased dividends to the entire state. He pointed to the Chicken-of-Tomorrow contest as an outstanding example of the poultry industry's determination to provide consumers with better chicken dinners.

The importance of poultry farming in Coleman County, Slade said, is reflected in the latest report from the Census Bureau which shows about 91 per cent of the County's farmers receiving income from poultry. These producers, according to the report, have more than 217,000 chickens and sell nearly 1,725,000 dozen eggs.

Trickham News

(By Mrs. Beula King-ton)

Unless some one brings me in some news today, my news will be short as I am still housed up with my cold.

I noticed two new cars driving around last week and they belong to Chelo James and Albert Dean.

Mr. and Mrs. Ben McIver and Rankin; Bernice McIver family; Grady McIver and family; Mr. and Mrs. Oscar Boenicke; Mrs. C. F. Shield and Mrs. Zora Stacy were birthday guest of Mr. Walter Ford one night last week at the Marion Ford home. They reported a nice time. Mrs. Shield took the birthday cake and several other cakes were brought in with coffee and cocoa.

Mr. and Mrs. C. A. Thompson were visiting in Brownwood one day last week.

Mr. and Mrs. Lenton Oakes and baby of Santa Anna attended Sunday School and Church here Sunday and were dinner guest of her parents, Mr. and Mrs. Lige Lancaster and Robert Earl.

Mr. and Mrs. Wayne Whitley and daughter of Santa Anna spent Sunday with his grandmother. Other guest over the week-end were Mr. and Mrs. J. Y. Seward of Eden.

Mrs. Wayne Whitley and daughter and Mrs. T. C. Rutherford

visited Mrs. A. J. Martin Sunday afternoon.

Altogether our community raised \$21.96 for the March of Dimes.

Silas Wagner and family of Cleveland and Eva Nell Hibbets were Sunday guest of Mr. and Mrs. James Ford.

Mr. and Mrs. Marvin Whitley spent the week-end at Graham with her sister, Mr. and Mrs. Joe Williams and Ginnie.

James G. Laughlin and family, Mr. and Mrs. Bud Laughlin, Mr. and Mrs. Carl Sheffield spent Sunday in the J. S. Laughlin home.

Mrs. Ema Paulson, Mrs. Zay Shirley, Mrs. Gene James, Bettie Joyce and Viola Wagner and Eva Nell Hibbets visited with Mrs. Beula Kingston last week.

Grady McIver and family spent Sunday in the Marion Ford home.

Mr. and Mrs. O. J. Martin spent Sunday with their daughter, Mr. and Mrs. Jack Dockery and family.

Mr. and Mrs. Bill Vaughn visited her mother, Mrs. Lee Dockery and brother, H. D. Sunday afternoon.

Friends here of Mrs. Ben Vinson of Santa Anna were grieved to hear of her death. Mrs. Vinson was the former Nove Walters, daughter of Mr. and Mrs. Mose Walters, who once owned the place Wiley McClatchy now owns and the children attended school here at Trickham and we were all school chums at that time. We sympathize with her family.

Mr. and Mrs. Glenn Haynes, Nancy Jo, Betty Mitchell and Mrs. Harris, Lois and Bill visited in the Clyde Haynes home Sunday.

Mrs. Bill Hyatt and Mrs. Albert Loudermilk of Santa Anna were dinner guest of Mrs. Kingston last Friday and visited briefly with Mrs. Gene James, Mrs. Page and Mrs. Stacy.

Mary Kathleen Fellers spent the week-end with Lea Mitchell. Say did you learn to skate?

Mrs. Zora Stacy and grandson, Delray Stacy spent the week-end at Zephyr.

Mr. and Mrs. Oscar Boenicke with other brothers and sisters surprised two of Oscar's sisters, Mrs. Carl Harris and Miss Pauline Boenicke with a birthday dinner Sunday at the Carl Harris home.

Mrs. Harry Wilson and Mrs. Boenicke attended Council meeting of the H. D. Club at Coleman Saturday.

Friends from far and near of Dr. Ben Shelton of Brownwood

were grieved to learn of his passing away last week. This made the third death in the family in less than a year.

Joe Stacy, also Walter Stacy and wife were called to sing at a funeral held at Cedar Point near Brownwood Sunday afternoon for a Mr. A. E. Donnell, a citizen of near Bangs.

Mrs. Key Bradley and children also her mother, Mrs. Paulson visited Mr. and Mrs. J. W. Bradley of Brownwood Sunday.

Mr. and Mrs. Roy Tucker visited Mr. and Mrs. L. E. Page today, Monday.

We have just heard of the illness of Mrs. Bond Featherston, causing her to miss the later part of her Red Cross Nursing Course. From what I hear all who attended the school of Red Cross training were more than pleased with it and if you should have a chance to take this course of nursing they advise you to do so.

Mr. and Mrs. Elmer Haynes visited in the Glenn and Fred Haynes homes Saturday afternoon.

Mr. and Mrs. Robert Haynes and others from Santa Anna were disappointed Sunday afternoon. They found all his brothers and families and father and mother gone from home Sunday. Mr. and Mrs. Haynes were in Bangs visiting his sister.

Gordon Stearns, Edd Stearns and family were dinner guest of their father and mother Sunday.

Gouldbusk News

(Alene Menges)

Visitors in the Sam Smith home over the week-end were

Mr. and Mrs. Irvin Stokes of Ballinger, Mr. and Mrs. Curtis McMilland of Fort Worth, Mr. and Mrs. Irvin Smith of Brady.

Mr. C. B. Cheaney and little grandson were visiting in Santa Anna Friday.

Mrs. Carrie Spurel were shopping and visiting in Coleman on business Wednesday.

Murrel and Winston Menges of Santa Anna visited Sunday afternoon with their parents, Mr. and Mrs. Floyd Henry.

Mr. and Mrs. Ender Veal and daughter, Martha Ann, were visiting over the week-end in Abilene.

Mr. and Mrs. Wilton Baker, Mr. and Mrs. Sam Baker, Mr. and Mrs. Floyd Henry visited with Mr. and Mrs. Frank Allen of Mozelle Friday evening.

Mrs. William L. Livingston, Mrs. Bill Corelius and Miss Nora Knight were visiting and shopping in Coleman Thursday.

Miss Nelda Myerse visited Monday with Alene Menges.

Mr. and Mrs. Sam Baker, Mr. and Mrs. Wilton Baker visited in the Henry home Saturday evening.

Miss Ola Mae Harding visited Miss Betty Fay Autry Thursday.

Mrs. Leonard Watson and little daughter of Shield visited with her mother here Monday.

We are glad to have Miss Eva Jean Slate back home after several months teaching music in Dallas. We hope she will begin teaching here again.

Mr. and Mrs. Jess Hale and son, Ales, were visiting in Gouldbusk Friday.

Mr. and Mrs. William L. Livingston and family visited in the C. B. Cheaney home Sunday.

Buffalo & Liberty

(By Mrs. Sealy Thacker)

Buffalo played their second basket ball game with Bangs Tuesday night with Bangs defeating us by one point. The score was 24 to 25.

Our windmill was repaired by the Liberty trustees last Wednesday.

Mr. and Mrs. L. L. McCartney, formerly of Langtry has purchased a new home in Bangs and plan to move there. They have been living since Christmas with her mother, Mrs. Lee Smith in this community.

The Buffalo basket ball teams went to Novice last Friday and Saturday to enter the tournament there. The girls team played Oplin and Mozelle but lost both games. The boys team played Novice and Coleman, and won the game with Novice but lost to Coleman.

Bonnie B. Terry of Buffalo spent the week-end with Carlene Thacker.

Bob Lobstein of Buffalo spent the week-end with Derald Studdard, Mr. and Mrs. H. E. Studdard, Mrs. Charles Lee and baby and Louise Slayton were there also.

Clarene Crockett of Liberty left for Los Cruces, New Mexico, where she will be employed.

Santa Anna, Texas

My,
how
she's
grown!

This is the snow-suit that fitted Sally so well only two years ago. It was a little snug last winter, but still wearable. Now it's outgrown. Sally needs a new outfit—fast!

A lot of businesses are in the same spot as Sally. Their facilities are outgrown too. During the tight war years, they nursed old equipment along, patiently waiting for new materials and machines. And all the time they, too, kept on growing. But a lot of things they've been needing still aren't available.

That's why so many businesses—our own included—are like Sally, straining at the seams, waiting for the new materials we need.

This is a friendly apology to those folks who've asked to be added to the service lines. Though we haven't gotten around to you, we haven't forgotten you. We appreciate your patience, and want you to know that—as soon as the needed materials become available—we'll be happy to bring cheap, dependable electric service on to you, too.

Editorial

After these last few weeks, plans have been made for the re-opening of the Frontier Inn. The Inn will be open Friday and Saturday nights. Now, this brings us to another point. When you go to the Canteen, stay there. It looks bad to be running in and out all night long. If you don't want to stay there all the time, why don't you go to the show first and then on to the Canteen. But once you get there stay there until its time for you to go home.

We want to see every student in High School at the Canteen both Friday and Saturday nights. The games that will be there are games that you yourself have chosen so be there to enjoy them. Let's make the most out of this thing that is our very own!!!!

Saint Valentine's Day

Saint Valentine's Day, Feb. 14, is not a day for celebration of a great man like the birthday's of Washington, Lincoln, and others. It is a day for you and your happiness, however it may be. Some enjoy it by giving gifts of candy, flowers, or only a Valentine's and Valentines from their entire an others by receiving friends.

The above mentioned are things more commonly done now a days than in earlier times as then Saint Valentines Day was a day for lovers. On the eve of this coming February 14, a great event will take place. As all of you know it is the Junior-Senior Banquet. The Juniors are carrying out the traditional Valentine's Day characteristic of giving

ing by honoring the Senior Class of '46-'47 a banquet which will leave many long and endearing memories. The one characteristic of the day set aside for lovers will be left entirely up to you. Nevertheless, let us, not just the Juniors and Seniors as they already have something great in store for them, but all of us make and have an enjoyable an happy Saint Valentine's Day.

Who's Who

Most everyone knows that swell Senior Audie Lee Conley, but for the benefit of those who don't, here's what he is like.

Audie Lee is 6' 1" tall and he has brown hair and eyes. He is 16 years old. His favorite dish is syrup pie which he says he could live on all his life. His favorite sport is tennis and basketball. Audie Lee wants to do nothing in general when he finishes school. Mrs. Sowell is his favorite teacher because he has so much fun with her. Geometry is his hardest subject but his favorite.

Audie Lee doesn't plan to enter college when he finishes school but his ambition is to be a cabin boy on a ship and imitate Red Skelton as "the mean little boy". We hope that Audie Lee finds success in everything he plans to do when he finishes school. The entire student body wishes you good luck, Audie Lee.

One of our most admired Senior's this week is Zona Douglas. If you do not know her and you hear someone laughing look close because Zona will probably be the one. She is 16 years old, 5' 5" tall, has blonde hair, brown eyes, and a very likeable personality. Zona's likes are men, her favorite teacher is Miss Anglin, favorite man, Bill Mulroy. Zona is perfectly contented with life and has no dislikes. She has been very active in her four years in High School, she has been a member of the Homemaking Club four years and reporter of the Homemaking Club this year, Spanish Club two years and a member of the Press Club two years and she represented the Press Club at the Halloween Carnival last year. Zona is also one of the well known office girls this year. Zona is one of the five most beautiful girls in the Sen-

ior girls. Zona plans to be an Airline Hostess when she graduates. We wish her the best of luck in what ever she does.

Jokes

H. L.: I always buy a pint of good whiskey when I catch cold, but in a few minutes it is all gone. Joe: The cold, eh?

H. L.: No; the whiskey.

Miss Anglin: Johnnie Ethel, do you think horse racing is a clean sport?

Ethel: Yes, it cleans quite a few every day.

Mama: Mama, you know that pretty vase you said had been handed down from generation to generation?

Mama: Yes, Suzie, why?

Suzie: Well, this generation just dropped it.

Gene Smith (passing a gardner at work): You're digging out the holes are you Mr. Haloven?

Mr. Haloven: No, suh, ah's just digging out thuh dirt and leaving the holes.

Bob: Pat, what is that has a long tail and two horns?

Pat: I give up, what is it?

Bob: I don't know but it's been following us since that last bar.

One day Coach Whitaker was seen running down to the ferry landing. The boat was a few feet away from the side, but Coach made a mighty leap and reached the deck just in time to hear the deckhand say "What's your hurry, this boat is coming in."

Campus Chatter

Here I am again with the latest happenings around S. A. H. S. so if you will kindly lend an ear I'll let you in on some gossip.

Douglas Lykins has been walking home with Jeannie Holland several times lately. Could this be the beginning of a lovely romance?

Ex-student Elgean Harris was with Dorothy Burrage Sunday night. Not a bad looking couple. Elaine Burgett and Hilton Sherrod seem pretty thick these days, looks like Reba and Anne are left out in the cold.

Have you seen that sparkler that Jane Switzer is wearing? It was given to her by L. J. Love-lady.

Doretha, you had better watch Pat. That boy gets around.

Ann Bagby was seen with a handsome lieutenant over the week-end. Come on, Ann, tell us more.

Seems as if Vance Cobb can't stay away from Santo Anna. Could it be because of Reba?

Wonder what Wanda will do when Boyd leaves? I bet she's lonesome!

The engagement between Arthur Dean and Nell must still be broken as he was with Jean Friday night. By the way, I wonder what Jackie thinks of this, after all he and Jean are engaged!! Or or they?

Anne Priddy's latest flame is a guy from Mozelle, namely Roy Campbell.

Billy and Sue were seen in town Sunday.

Rumors are that Elgean Shield has asked Earl Jean to go to the Junior Senior Banquet.

The eight girls had better hurry and go back to grammar school. They are snatching all the High School boys. Such as June Parker and R. L. Mackey, Billy Day and Evelyn A. Leroy Stockard and Sedonia A. and Elgean S. and Sarah Jane Davis.

Zona and Billy M. are still being seen together a lot. It must be serious.

Sarah Frances and Howard Lee were in Coleman again Saturday night.

Gotta go now but I'll be back next week. By the way, if you

have any gossip just drop it into the little white box in the study hall. Your, Gossip Editor.

Guess Who

Seems as though everyone forgot to put their guesses in the white box as there was none to be found.

Nevertheless, Beverly Stockard was the unknown person. This week we have the dimensions of a Junior character.

Weight- 132 3/4 pounds (not ounces)

Hair- Light Brown

Eyes- Blue

An active member of the Rockwood community, S Association and played on the B string this year, and member of the Junior class.

Height- 5 ft. 9 in.

He has a very pleasing disposition. Let us all guess and see if we can discover this new character.

Junior-Senior Banquet

The Junior-Senior Banquet, which will be given by the Juniors will be Friday night, Feb. 14, at the Santa Anna Lunch Room. The entire affair will be carried out in the Valentine motif. The following Sophomore girls will serve: Elaine Burgett, Barbara Bruce, Anne Priddy, Donetta Stewardson, Kelley Wise, and Patsy Price. They will be dressed in costumes suitable for carrying out the theme of Valentine.

Reporter

Homemaking Club News

The Homemaking Club met January 28, with our President, Rhoda Pritchard, presiding. We selected two boy sponsors to take the place of Bob Stafford and King Auestad, who have withdrawn. Those we elected are Ray Steward and Olin Horton.

Membership cards were handed to the members that have paid their club dues. We discussed ways of raising money for our club funds. We decided to give an Old-Fashion Barn Dance for the entire school and an admission will be charged. Committees were appointed to find a building and start planning it. We are looking forward to having a big success.

Seniors Lose Three Members

When school first started there were 36 members to boast of in the Senior Class. Now there are 33. First, Gladys Blanton withdrew just before mid-term. Jackie Watkins and Bob Stafford withdrew at mid-term. They were all very active members in our class and we are sorry to have them gone.

Mr. and Mrs. Floyd Miller of San Angelo visited last week with her brother, Jack Shields and family.

Mrs. Jack Ogil and little daughter of Lubbock, are here visiting in the home of her parents, Mr. and Mrs. Cecil Curry.

County of Coleman
TO: Wilmer Bays, whose residence is unknown; Clyde Bays Jr., whose residence is unknown; their heirs and legal representatives of, deceased, whose name and residence is unknown, and the unknown heirs and legal representatives of all the above named parties, and the unknown owner and owners of the hereinafter described property and their heirs and legal representatives whose names and places of residence are unknown, and all other persons owning, having or claiming any interest or lien in the property hereinafter described.

YOU ARE HEREBY NOTIFIED AND COMMANDED to appear and defend at the first day of the next regular term of the 35th District, Court of Coleman County, Texas, to be held at the Court House thereof in the City of Coleman, Coleman County, Texas, at or before ten o'clock A. M., on the 1st. Monday in April, A. D. 1947, the same being the 7th day of April, A. D. 1947, then and there to answer a petition in a delinquent tax suit filed in said court on the 18th day of January, A. D. 1947, in a suit numbered 6856-B, styled The City of Santa Anna vs. Raymon Bays et. al. on the docket of said court in which the City of Santa Anna are plaintiffs, and Raymon Bays et. al. are defendants, and show cause why judgment

shall not be rendered condemning said hereinafter described property and ordering sale and foreclosure thereof for said taxes, penalties, interest, and costs of suit.

Said suit is a suit to collect taxes, interest, penalties, and cost on the following described property:

Lot 1 in block 2 of the Mahoney Addition to the town of Santa Anna, Coleman County, Texas.

The amount of taxes alleged to be delinquent, due, owing, and unpaid for the respective years and in the respective amounts for each of said plaintiffs, intervenors, and impleaded party defendants, taxing units, on the above described property is as follows:

Defendants, and Intervenor: That Are Taxing Units, City of Santa Anna Taxes Due \$109.70 Years Delinquent 1933-1945 incl. To Whom Assessed Mrs. A. L. Bays Estate Santa Anna Independent School District Taxes Due \$109.20 Years Delinquent 1922-24 incl. 1933-45 incl. State Plaintiffs, Impleaded Party of Texas & Coleman County Taxes Due \$66.38 Years Delinquent 1933-1945 incl. together with interest, penalties, cost, charges, and expenses of suit, which have accrued and which may legally accrue thereon.

Each party to this suit shall take notice of, and plead, and answer to all claims and pleadings now on file or thereafter

filed in said cause by all other parties therein.

Plaintiffs, intervenors, and defendants that are taxing units also seek the establishment and foreclosure of the lien securing payment of such taxes as provided by law.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due returns as the law directs.

Witness My Hand And Official Seal Of My Office in Coleman, Coleman County, Texas, this 18th day of January, A. D. 1947.

T. H. Corder
Clerk, District Court
(SEAL)

Since running the local last week about the birth of a little daughter to Mr. and Mrs. W. E. Blackwell of Pueblo, Colorado, we have learned the proud parents have named the new arrival Patsy Ruth. Mrs. Blackwell was formerly Alice Jane Loyelady.

Mrs. W. A. Brandon is visiting her granddaughter, Mrs. Clifford Oder and family at Long View and getting acquainted with the new great-grandson, James Robert that was born there Sunday night, February 2nd at 10:30.

Mrs. Lois H. Niell who has been quite sick lately has improved considerably, and is able to be up and about some.

Red Cross Home Nursing School

Mrs. Y. was being interviewed by the family doctor who was treating her daughter, Mary Elizabeth. "How did she rest?" the doctor asked. "Well, she woke up a couple of times during the night," Mrs. Y. replied. "How often?" the doctor asked, "and at what time?" "Well, I don't exactly remember what time," Mrs. Y. answered. "What has her temperature been?" the doctor then asked. "Well, it was up one degree before she went to sleep last night." "What time was that?" the doctor asked. "Well, it was after Fibber McGee and Molly must have been about 9:00 or 9:30," Mrs. Y. finally decided.

Mrs. Y. should not depend on her memory for information relative to her child's sickness. In hospitals nurses keep accurate sick charts. Every change in the patient's condition is carefully noted along with the time, so that the doctor can tell at a glance exactly what has taken place since his last examination. A chart should be kept at home, too.

Women like Mrs. Y. frequently confuse the doctor with their vagueness about the condition of the patient. While it may seem unimportant to Mrs. Y. whether Mary Elizabeth fell asleep at 9:00

or 9:30, it may indicate to the doctor whether or not the medicine he prescribed is having a beneficial effect.

Temperature readings taken at regular intervals, records of elimination, dosage of medicine, and diet should all be recorded when a member of the family becomes ill.

In many cases, the qualified Home Nurse can save the doctor a visit by reading this information to him over the telephone. One rancher's 15-year-old daughter took care of her entire family when they had pneumonia. She telephoned the nearest doctor 73 miles away and followed his instructions. The Red Cross Home Nursing course she had taken made it possible for her to do this.

If you would like to take the Red Cross Home Nursing course, consult the Home Nursing chairman, Mrs. V. Elmo Wallace, telephone 3531, Santa Anna, or Mrs. Elucian Niell, telephone 204, Santa Anna.

Rev. and Mrs. D. A. Maddox of Dexter, New Mexico, visited last week with her sister, Mrs. T. H. Upton and family. Accompanying them were Mrs. Upton's parents, Mr. and Mrs. A. G. Foster of Abilene.

Mrs. Jim Daniel of Santa Anna and her sister, Mrs. C. M. Gallo-way of Coleman visited in Fort Worth last week.

Mr. and Mrs. A. P. Petree and their daughters, Kay and Jane, of Merkel visited over the week-end with her parents, Rev. and Mrs. E. H. Wylie.

Jimmie Gipson of Coleman visited last week-end with his grandmother, Mrs. J. R. Gipson.

Buddy Weaver who is employed at the Army Air Field in Ft. Worth visited his mother, Mrs. Burgess Weaver here Tuesday and Wednesday of this week.

A daughter named Glenda Louise, weighing 7 pounds and 7 ounces was born in the Sealy Hospital at 6: P. M. Monday, February 3rd to Mr. and Mrs. Calvin C. Holder. The mother is the former Zella Jones. The father is serving with the Navy at Okinawa.

Bruce Snodgrass, his partner, B. B. Nunley of Coleman were in San Antonio Wednesday on business.

From where I sit... by Joe Marsh

Lem's Dogs vs
Thad's Chickens

Running a newspaper, you get to know a lot about human nature.

Thad Phipps was in the other day, all burned up. Wanted me to run an item on how Lem Martin's dog had raided his chickens again, and ought to be put away by law.

I told him: "Lem was in on Saturday. Said you shouldn't be allowed to keep those chickens so close to his house—and in a residential zone, at that."

Thad shuts up right pronto then. And that very evening I see him making his peace with Lem

at Andy Botkin's Garden Tavern—over a friendly glass of beer.

From where I sit, anyone can find something in his neighbor to complain about. (Some folks may even disagree with Thad's right to enjoy that glass of beer with Lem!) But where would we be if everybody tried to have a law passed against everything they disagreed with? We wouldn't have many neighbors left!

Joe Marsh

Improved Uniform International LESSON

By HAROLD L. LUNDQUIST, D. D.
Of The Moody Bible Institute of Chicago.
Released by Western Newspaper Union.

Lesson for February 9

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

FEEDING THE FIVE THOUSAND

LESSON TEXT—John 6:25-35, 56-58.
MEMORY SELECTION—I am, that bread of life.—John 6:48.

Bread! The cry of the hungry peoples of the world for bread has reminded us anew that it is the simple and elemental things of life which are of most importance. Bread, water, light—such things man cannot do without. How significant then that our Lord declared himself to be the bread of life (John 6:35), the satisfying water (John 4:14), and the light of the world (John 8:12).

Our lesson does not deal with the feeding of the five thousand, but the story of that miracle of our Lord is the background for the discourse on the bread of life which is assigned for our study. It is one of the most delightfully simple, yet unfathomably profound, portions of Scripture.

The story of how our Lord multiplied the loaves and fishes of a small boy's lunch and fed the multitude presents him as the Creator and Sustainer of all things. The people having been fed, wanted to take Jesus and make him their King (John 6:15), so he went over the Sea of Galilee to Capernaum. But he could not get away from them, for they followed him thither. Meeting them he gave them the instruction they so much needed as he effectively contrasted the temporal and earthly with the eternal and heavenly.

I. The Bread of Earth and the Bread of Heaven (vv. 25-27).

They sought Jesus not that they might receive spiritual blessings, but that their stomachs might be filled (v. 26). It was not a high motive, but an understandable one. Hunger, or the fear of hunger, threatens so many of the people of this earth that one does not find it in his heart to condemn them too severely.

Yet it was a low motive and one which caused them to entirely miss the greatest and most blessed provision of God for their every need. The bread of this earth, bearing the imprint of a human maker, would soon leave them hungry again, and eventually they would die. The bread of heaven, bearing the seal of the Father (v. 27), would fully satisfy them for all eternity.

Note the folly of those who labor for the reward which this world can give, but who neglect their eternal welfare (v. 27). How foolish, too, is the Christian who spends his whole life and his talents in the pursuit of money and invests little or nothing of time or ability in the service of God!

II. The Work of Men and the Work of God (vv. 28-33).

Entangled as they were in earthly things and desires, they seemed for a moment to reach out toward the things of God. Jesus had been talking about everlasting life and the bread from heaven; they wanted to know what they could do to merit and receive it.

It is quite typical of man even to this day that he thinks there must be some way that he can come through to eternal blessedness by way of his own works. We shall see how effectively Jesus dealt with that folly!

The only work that man can do to meet God's first demands and inherit eternal life is to believe in Christ (v. 29). Men want to add up works of penance, works of charity, deeds of righteousness, character development, the observance of religious traditions and ceremonies, the offering of prayers, and so on without end. Jesus sweeps aside all this with one brief word, saying in effect, "It is not a question of do; it is a matter of believe."

Works is not the answer to any spiritual need, but faith in Christ. We must trust God and believe in the One whom he has sent; then we are ready to go out and do his will!

They (yes, and we too) must now face the alternative.

III. The Way of Death and the Way of Life (vv. 34, 35, 56-58).

One could wish that the request made in verse 34 could be taken at face value, but the fact that they later turned away and left the Lord indicates that this was again a desire for physical bread. There was probably a vague desire for eternal life, too, but not enough to make them follow through with appropriate

Our WASHINGTON Letter

The most dreaded disease known to livestock is foot-and-mouth disease. It is highly infectious, spreads rapidly, and is extremely difficult to combat and eradicate. Today that disease is prevalent only 200 miles from the Rio Grande in Old Mexico.

The threat of its spread into Texas and other border states is so serious that the subject was discussed at the President's Cabinet Meeting last week, and I understand the pressing need for cooperation with Mexico in combating it is one of the compelling reasons why President Truman is taking a good-will flight to Mexico City in early March.

It is reported the disease is now prevalent in some 10 states in the vicinity of Mexico City and Vera Cruz, and that around 50,000 head of cattle are infected. A million others have been exposed in an area where 6 million livestock now range.

This disease attacks cattle, hogs, sheep and goats. The nature of the disease is such that every object with which the diseased animal comes in contact becomes a possible source of infection from which other animals or humans may spread the disease. Infected animals are the

ate action. How much they were like folk today who want the benefits of Christianity, but who will not take up the cross.

There is here a bold contrast between the things of this earth, which, as we use them, perish (and, alas, we perish with them), and the things of God which are of eternal value and power.

Which shall it be, reader, for you? Are you willing to go on day after day on the way of death, or will you today take Christ, who is the way of life?

main carriers, but man can carry the germ and spread the disease on his shoes or clothing. Even birds may carry it, and wild animals are common means of spreading the infection.

The disease came to Mexico through the importation of Brahma bulls from Brazil. In October of 1945, 145 head were imported. Our Bureau of Animal Industry promptly protested receipt of the shipment as being contrary to a U. S. - Mexico sanitary treaty, but to no avail. After a brief quarantine in the harbor of Vera Cruz, the bulls were allowed to land and 18 of them were moved into Texas. These bulls are under strict quarantine, and there has been no outbreak from any of these cattle.

Then on April 10, 1946, another shipment of 327 head left Brazil for Mexico. Our Bureau of Animal Industry protested again, but they were unloaded on the same island near Vera Cruz. Over repeated protest, these bulls were moved from the quarantine to the mainland. Three weeks later, foot-and-mouth disease broke out among them and other cattle on the ranch. We were not notified of this outbreak for two months and it was not until December 18 that our Bureau of Animal Industry learned of the situation and not until December 26 last, that the disease was positively diagnosed by our experts.

Since then several officials from our Animal Industry Bureau have been in Mexico surveying the situation in order to help the Mexican Government eradicate or check the spread of the disease. Our State Department has taken a hand in it and our Ambassador in Mexico City has been conferring with Mexican officials.

In Washington, Committees on Agriculture in the House and Senate are making studies and awaiting recommended legislation from the Bureau of Animal Industry. Last week, I introduced a bill to expedite the construction of a drift fence along our side of the Rio Grande to help block the trickle of livestock and wild animals from across the border.

It would be absolutely disastrous for the disease to break out in this country. We have had a taste of it before. On eight occasions since the turn of this century, we have had mild outbreaks. Dr. John R. Mohler, for many years Chief of The Bureau of Animal Industry, informs me

that the entire cost to the livestock industry and to the State and Federal Government cooperating in stamping out the disease in these eight outbreaks exceeds \$200,000,000.00. In the 1914 outbreak it was necessary to kill 172,222 head of cattle, hogs and sheep in 22 states.

We may have to bear a major portion of the expense in the eradication work in Mexico. But it will be money well spent. We must take every means at hand to destroy the disease south of the border and prevent its spread to the United States.

Sheriff's Sale

WHEREAS, on the 6th. day of January, 1947, in Cause No. 6920-B, in the District Court of Coleman County, Texas, wherein City of Santa Anna, a municipal corporation was plaintiff, and Santa Anna Independent School District; and State of Texas and County of Coleman as Intervenor recovered judgment against H. B. Mason and Sam Collier, Defendants, for taxes, penalty, interest, and cost against the hereinafter described property;

WHEREAS, on the 27th. day of January, 1947, by virtue of said judgment and the mandates thereof the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property;

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 27th. day of January, 1947, seize and levy upon as the property of the above defendants the following described property, situated in Coleman County, Texas, to-wit:

(Said description showing the number of acres, original survey, locality in county, and name by which said property is most generally known.)

FIRST TRACT: All west 1/2 of Lot three (3) out of Block 39 of the Original Addition to the town of Santa Anna, Coleman County, Texas, and all of Lots 4 and 5 out of Block 39 of the Original town of Santa Anna, Coleman County, Texas, as per plot of said addition of record in the Deed Records of Coleman County, Texas.

And I will on the first Tuesday in the month of March, 1947, the same being the 4th. day of said month, proceed to sell all the right, title, and interest of the Defendants in and to said property at the Court House door of said county in the city or town of Coleman, between the hours of 2:00 p. m. and 4:00 p. m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, whichever is lower, subject also to the right of the Defendants to redeem same in the time and manner provided by law and subject also to the right of the Defendants to have said property divided and sold in less divisions than the whole.

Dated at Coleman, Texas, this 27th. day of January, 1947.

Women Society For Christian Service Meeting Feb. 3

The Womens Society for Christian Service of the Methodist Church met at the Church Monday afternoon, February 3rd with a good attendance. Mrs. Henry Price, the pastors wife taught the first lesson of a series on Stewardship and will also teach the lessons to follow.

Payne Henderson Birthday Observed

Mr. Payne Henderson's 45th birthday was observed with a surprise party at the new home of the family in the Liberty community on Saturday night, February 1st, when members of the family and a group of friends gathered to offer best wishes.

Attending were Mr. and Mrs. Charles Henderson and their two children, Mr. and Mrs. Payne Henderson Jr. and little son, and Bobbie Henderson, Doris Jane Henderson and Byron McDonald, Mr. and Mrs. Roy West, Mr. and Mrs. E. M. Niell, Mr. and Mrs. Hilburn Henderson and children, Mr. and Mrs. James Price, Mr. and Mrs. Sam Baker, Bob Henderson and Betty Ann McCaughan. The affair was a musical entertainment and refreshments were served.

Mr. and Mrs. Basil Gilmore had as Sunday dinner guest Mr. and Mrs. H. O. Newman of Coleman, and their son and daughter-in-law, Mr. and Mrs. Kirk Newman of Austin and Mr. and Mrs. Norval Wylie and their three children of Santa Anna.

Mr. and Mrs. Basil Gilmore had as Sunday dinner guest Mr. and Mrs. H. O. Newman of Coleman, and their son and daughter-in-law, Mr. and Mrs. Kirk Newman of Austin and Mr. and Mrs. Norval Wylie and their three children of Santa Anna.

Marilyn England, L. P. Jennings Wed In Brownwood

On Friday, January 24th, Miss Marilyn England and L. P. Jennings were married in Brownwood, which was a complete surprise to their parents and friends. The bride is the daughter of Mr. and Mrs. George England of Santa Anna and the groom is the son of Mr. and Mrs. Leonard Jennings of the Cleveland community. The bride was a Junior in the Santa Anna High School and the groom served for a time with the military forces. On Tuesday of last week, January 23rd, the newlyweds left for Delano, Calif., to make their home, where the groom has employment.

Mary Ruth Lamb, Earl Irick, Jr. Wed Saturday

The marriage of Miss Ruth Lamb and Earl Irick Jr., was solemnized Saturday evening, February 1st, at the Methodist parsonage with the Rev. Henry Price, pastor reading the single ring ceremony. They were accompanied by Miss Jean Irick, aunt of the groom. The bride is the daughter of Mr. and Mrs. Melvin Lamb, and the groom is the son of Mr. and Mrs. Earl Irick, Sr. The bride's dress was of grey crepe with black accessories, and she wore a corsage of pink carnations. Immediately following the ceremony a reception was held at the home of the bride's parents, where a few of their friends and relatives had gathered. The table was decorated with a large bowl of pink gladiolas. A three tiered cake was served by Miss Jean Irick and coffee was poured by Mrs. R. M. Eubank. The couple plan to make their home in Santa Anna.

Mr. and Mrs. Edd Gilbert and Mr. and Mrs. Luther McCreary and boys attended Church in Brownwood Sunday and visited in the home of Mr. and Mrs. J. C. Richardson and son.

Mrs. Lovell Richardson, who is taking special treatment in a Dallas hospital is reported to be getting along very well.

53 per cent of County Farms Electrified

At the regular monthly meeting of the Board of Directors of the Coleman County Electric Cooperative held in Coleman on Monday it was pointed out that the REA has approximately 53% of the farms electrified in the United States, and about the same percentage in the local cooperative district. It was further brought to the attention of the members that it hoped the day would be soon approaching when all farmers and ranches throughout the district would receive its benefits, and that through the REA Program farmers and ranchmen were receiving everything except the noise and City taxes.

Superintendent Hale said the program was being slowed down principally because of the continued scarcity of getting materials such as wire and transformers and that the conditions brought about by the War had not been fully removed, but that those shortages are being fast overcome and that it was his belief that by this time next year necessary materials for rural power extensions would be available.

Superintendent Hale said that the Local Cooperative was now serving about 1,100 miles of line to 2,260 members and that about 820 miles of additional line would serve about 1,700 more members is rapidly approaching a reality, and will do so just as soon as the material is available, other than line conductor. He further said that poles and transformers are arriving daily and that all pole and most hardware materials are now available, and that constructors are plentiful and ready to start construction.

The Board of Directors emphasized the fact that it is doing everything possible, in view of the shortage, to give to each and every farmer and ranchman, without preference, electrical energy.

Mr. Garland A. Woodard, Attorney for the Project added that while some people are of the opinion that due to the change in the political complexion of the Congress that rural electrification will receive a set-back and

J. M. Dixon Succumbs Sunday

J. M. Dixon, pioneer of Central Texas, died in the Sealy Hospital Sunday night at 9:30, having suffered a broken hip on the Friday afternoon before at the home of his daughter, Mrs. Geo. Wells and family, with whom he was making his home. Mr. Dixon was 90 years old, having been born at San Marcos, October 16, 1856. Funeral services were held Tuesday afternoon at Indian Creek in Brown County, where

that he did not share in that opinion.

He said that he believed every member of the Congress from an agricultural state is bound to realize the value of the great REA Program and when the farmers of their districts let them know how they feel about it, that we will have no trouble in securing funds to carry the program forward.

he had settled in 1887, and where he had held church membership for 50 years. Survivors are Mrs. Nora Pankey, Oakland, Calif., T. M. Dixon, White Flat, J. E. Dixon, National City, Calif., Will H. Dixon, Bangs, Marvin Dixon, Ula Vista, Calif., and Mrs. Geo. Wells of Santa Anna. 26 grandchildren and 23 great-grandchildren. Mr. Dixon was a grandson of the Dixon who with Mason surveyed the Mason and Dixon Line.

Plenty of Bubble Gum at Santa Anna Food and Mkt., Saturday.

A son named Donald Clovis, weighing 8 pounds was born January 24th to Mr. and Mrs. M. E. Williams at Bisbee, Arizona. The mother is the former Alva Wells, daughter of Mr. and Mrs. Geo. Wells.

Mr. and Mrs. Edd Gilbert and Mr. E. W. Guber attended the funeral of Mr. J. M. Dixon at Indian Creek, Tuesday afternoon.
