Mission Field

Glenn Crosthwait points out mission field for nine members of First Baptist Church who left Wednesday to participate in Japan Crusade. With Glenn, whose trip was financed mainly by youths of the church and contributions, are three others in the missionary team – Jerene Roenfeldt, left, Mrs. Frank Prewitt and Truman Bodine. Others in the group are Patty and Brenda Bodine, Frank Prewitt, Rev. and Mrs. Glenn Roenfeldt.

Retail Sales Stay Up

1st Quarter Higher Than '69

While business barometers were measuring economic slowdown for most of the state, Colorado City retail sales more than held their own in the first quarter of 1970.

The local measuring comes with announcement in Austin that Colorado City's share of state and city sales tax for January, February and March will be $12,996.19.

This is up slightly from the city's share for the same period in 1969. Last year the city's gross payment from the tax for the first quarter amounted to $12,975.35 before the state withheld a few hundred dollars for handling the tax fund.

It also reversed a slight downward decline in the last quarter of 1969, compared with the same period of 1968.

The city's sales tax portion for last October, November and December amounted to $14,561 gross and $14,209 net — $551 less than for the same three months in 1968.

Current first quarter tax check when it arrives at City Hall in the next day or two will be about $2,000 less than for 1969's final quarter. But that is usual because business for all the state peaks in the late fall and Christmas season.

In fact, for all of Texas the sales income for first three months of 1970 is down more than three million dollars from the previous October-November-December. Checks to cities reflect the corresponding decrease — $37,000 less for San Angelo, as an example.

First quarter tax shares for other towns revealed Wednesday in Austin include $876.04 for Loraine, $5,932 for Anson, $13,201 for Ballinger, $11,061 for Cisco, $18,596 for Breckenridge, $10,005 for Eastland, $7,340 for Hamlin, $3,316 for Knox City, $3,711 for Merkel, $8,213 for Ranger, $1,614 for Roby, $1,927 for Roscoe, $4,320 for Rotan, $5,722 for Tahoka, $6,068 for Marfa, $37,988 for Pecos, $6,811 for Seagraves, $7,388 for Van Horn, $12,579 for Seminole, $89,397 for Big Spring, $302,174 for Abilene, $198,577 for San Angelo, $30,677 for Sweetwater.

Dreams Come True

9 Baptists Leave For Japan Crusade

What seemed to be an almost impossible dream 14 months ago was fulfilled Wednesday for nine members of First Baptist Church as they boarded a plane for Japan.

The group left Colorado City Wednesday morning for the first lap of their journey to Ashigawa where they will "share their Christian faith" with the Japanese during the next two weeks.

Scheduled to arrive in Tokyo Thursday (today) are Rev. and Mrs. Glenn Roenfeldt, their daughter, Jerene, Mr. and Mrs. Frank Prewitt, Glenn Crosthwait, Truman Bodine and daughters, Patty and Brenda.

From Tokyo they will go to Sapporro and travel by train to Ashigawa, located in Hokaido, a northern island of Japan.

The local nine who joined about 600 persons registered for the crusade this summer, will be the only missionaries in Ashigawa, a city of 300,000 people and one small Baptist Church with 40 members.

While in Japan some of the group plan to attend the world's fair. Others plan to sight-see in Tokyo and around Ashigawa during revival work.

Rev. Roenfeldt, revival evangelist, will use an interpreter for his sermons.

Music will be led by Prewitt, minister of music and education at First Baptist, using a Ramaji translation, a simplified pronounciation learned by missionaries in orientation sessions.

The group, commissioned in special services Sunday evening at First Baptist Church, will sing both in Japanese and English.

They plan to visit in Ashigawa homes during afternoons. Young people will go into Japanese schools to present secular as well as sacred music and answer questions of Japanese youths.

Words to a current favorite Christian folk song, "Pass It On" seemed to sum up testimonies of the Colorado City missionaries.

"Pass on what Christ means to me as an individual," Prewitt said as he talked about the trip. "It gives us the opportunity to make the Great Commission even more real. This is the task of every Christian – to share his Christianity not only where he is but around the world."

Bodine expressed his feeling of the trip by saying, "I've been told that this trip is a once in a life time adventure. But is it? We are Christians going to tell others what Christ means to us.

"Really, we have this opportunity every day but we seldom use it.

"We are asking every Christian, regardless of his or her denomination to pray for us daily while we are in Japan. We would like to make this a city to city crusade for Christ.

"Why am I going to Japan? To share with others what Christ means to me. This is the greatest thrill of a lifetime."

The four teen-age members of the missionary team, all popular at Colorado High School and active in church and community functions, were looking forward to telling others their Christian testimonies.

Jerene and Patty were first to decide to participate in the Japan crusade. That was during the revival in March of 1969.

And as their dream began to materialize, others caught their enthusiasm and joined the two young people in definite plans.

Patty, who compared God's love to a flame burning inside her heart, is a twirler for Colorado High Wolf Band and was named most deserving sophomore, friendliest girl in Howl Court and first vice president in Junior Chapter Future Homemakers of America.

Gelding Killed

Shot With .22 Bullet

A four-year-old gelding has been shot and killed here in Colorado City.

The horse, owned by Hunter Mann, was in a lot at the East Side residence of Troy Grimes, located on Bonham St.

Police and sheriff officers were notified of the incident after the animal was found dead at noon.

Apparently a .22 caliber bullet killed the horse, entering the animal behind the ear on top part of the head, reported Deputy Sheriff Forrest Smith, who a few months ago lost prize-winning thoroughbreds to rabies.

Mann had been training the gelding valued at more than $500.

Investigation revealed no evidence as to whether the shooting was a deliberate act of destruction by someone or resulted from a stray bullet fired in the area.

Teen-Age Colts Buck Braves 17-13 in Sixth Inning Jolt

Junior Teen-Age Colts didn't have a chance to win.

At least that's the way it seemed at end of fifth inning in their Monday night game with the Braves.

But then it happened.

Maybe because of Brave errors, but whatever the reason, the Colts batted around completely — all scoring except one batter.

Eight runs in that inning and the game finished with Colts ahead 17-13.

After a scoreless first inning, Colts came to bat in the second and Little Bruce Hill scored on Bill Dockrey's triple. Then Dockrey scored.

With two men out in third round of play, Hill was hit with a pitched ball, Dockrey singled and Jesse Espinoza walked to load bases. Gary Burton's single scored Hill and Alfred Sierra's walk scored Dockrey. Steve Marcom got a base on balls to score Espinoza.

Three singles in fourth inning allowed Hill to score. Dockrey stole home.

First batter in fifth inning was Kenny Hammond, pinch hitter for Sierra, who got a base on balls. He stole second and scored on Robert Lewis's double. James Mitchell hit a single which scored Lewis.

A triple by Dockrey in that multi-scoring sixth inning scored Hill. Colts first batter, but other runs were credited to singles and Brave errors. Included in those scoring in the round were Ed Warren relief pitcher, and Don Boger, who replaced Marcom in the fifth.

Bases loaded quickly for the Braves in first inning as singles were hit by Randy Erwin, Gene Banks and Tim Bell. Bo Taylor singled again scoring Erwin. Bell and Banks scored before out number three.

Greg Chaney, first batter in second inning, doubled, then walks by Roger Roenfeldt and Erwin loaded bases for the second time. Another base on balls, this time by Banks, scored Chaney. Bell was thrown out at first as Roenfeldt scored.

Bases were loaded again in third inning as Ronnie Lindsey and Santos Ruiz singled and Roenfeldt walked. Lindsey scored after a fly out hit by Erwin.

Seven runs in fourth inning gave the Braves a wide margin in scored — but not enough as they found out in the next two innings.

Singles by Bell and Taylor and a hit pitch for Franco loaded bases as Lindsey singled allowing Bell to cross home plate. Ruiz flied out to pitcher and Chaney got a hit pitch scoring Taylor.

Pat Mundy, playing his first game this season, got a base on balls scoring Franco. Erwin walked scoring Lindsey, then Banks flied out to center fielder.

Bell's single scored Chaney and Taylor's single scored Mundy. A walk by Franco allowed Erwin to score for final mark of Braves runs.

Heroes. . . A Must For Boys

Every boy has his heroes. You just don't grow up without 'em.

But who are they?

You can tell a lot about a boy . . . how he'll grow . . . the kind of man he will be . . . just by his heroes.

That's because a boy becomes a part of his heroes. He dreams . . . and plays . . . and plans to be like them.

So, be careful where your boy finds his heroes.

Church is a fine source. The best.

A boy discovers the brave and the strong and the clean in Bible study and religious education. And from these great lives he learns their qualities for his own life.

Yes, indeed. Be careful about your boy and his heroes.

CONVERSATION CORNER

GRANTED that there are things to be sad about. . . There are so many other things to be glad about!

* * *

MONDAY saw the President of the United States sign the bill, passed by Congress last Wednesday, lowering the voting age to 18.

Though he admittedly signed it with "some misgivings" about its surviving court tests, President Nixon urged Congress to get busy on an amendment to the Constitution to give 18-year-olds to vote "without delay."

Glad about that. Have felt ever since the draft age was dropped to 18 that the right to vote at 18 was a national responsibility and trust.

* * *

GLAD to see via TV the 65,000 people, mostly young people, with 25,000 more outside gathered to listen to Billy Graham's Crusade in Knoxville, Tennesee.

President and Mrs. Nixon were there along with that great Christian singer Ethel Waters. And when the multitudes sang "God Bless America," this heart was fit to break with gladness.

The song "How Great Thou Art" always makes me glad, too.

* * *

LIGHTER SIDE of the being glad mood came with reading that Ethel Kennedy, widow of Senator Robert Kennedy, was seen wearing a Mickey Mouse wrist watch. . .only her watch has the picture of Spiro Agnew where the mouse used to be.

Now there's a subtle jab there somewhere, even if this Democrat has yet to figure out the exact implication. Whatever the Vice President may or may not be, he is not a mouse. Maybe Ether Kennedy and her watch meant to say "He's funny!"

GLAD about a new book found at the library. It is a memoir written by Alan Paton, author of the great book "Cry the Beloved Country."

The memoir is called "For You Departed" and strictly speaking is a love letter to the author's wife who died some months ago.

It is poetic, poignant, a thing of beauty and faith and love. It is a book for all who mourn the loss on this earth of a loved marital partner. . .or for that matter, for any one who has faced physical death of a beloved one.

It is a book for slow reading, and re-reading. Kept thinking as its pages were turned "Blessed are they that mourn for they shall be comforted."

Alan Paton is a Christian gentleman of Anglican faith. Glad he took time to put that faith into words in "For You Departed."

* * *

HERE at home, too, there are so many things to be glad about. Mimosa trees are in bloom all over the place. Crepe myrtle, too.

Ruddick Park's terraced garden has an array of canna lilies in bloom. Have you seen the giant canna blooms along the fence at the home of Mrs. R. P. Price and the Fred McClellans?

They're enough to make the heart glad.

* * *

COLORADO CITY PLAYHOUSE is almost—but not quite glad. They need one man to sing and play the part of one of the fathers in "Fantasticks."

Cast is complete except for that one role. . .and that is on the sad side, isn't it?

Any man who likes to sing, Playhouse member or not, native, old-timer or new-comer, is invited to call Lovess (Mrs. Tandy) Curlee. The roll means some work, but promises more fun! (Age, no item. There's always make-up.)

And it will make the Playhouse glad when they can go on with rehearsals. Porter Richardson and Mrs. Curlee are directing.

* * *

GLAD family last week were Mabel (Majors) and John Tom Merritt. Their son John, his wife Barbara, and the young couple's baby son Mark came visiting from Corsicana.

Glad they did because now the town is full of eye-witnesses testifying that Granddad John T. and Grandmother Mabel were not exaggerating with those reports that Mark Merritt is one of the handsomest boy babies ever born.

John Tom was around town carrying living proof to show that the Merritts knew what they were talking about. Mark was christened in First United Methodist Church here Sunday. Among his admirers present were maternal Great-Grandmother, Mrs. Edgar Majors, and the baby's uncles and aunts, the Jake Merritts and Gus Chesneys.

* * *

SEEN LATELYS were Murrell Blassingame on the shopping scene. . .Judy Myers shopping for Father's Day. . .Billie (Mrs. Eldon) Ruffin. . .Mrs. Wilford Oyler and her daughter Judy, who became the bride of Ronald Wayne Smith Saturday evening.

Refreshment break brought out Joyce Wilkerson. . .Aldred and Sefton Pickens. . .Thelma Harrison. . .Mayme May, and Margie Breadaway. . .Ross and Evelyn Daniels were spied on a lake drive.

Robert Jones and Sharla Acuff, to play star roles in the "Fantasticks," stopped by for an early evening visit.

DID YOU KNOW that Tom P. Barry Jr., husband of Emily (Dulaney) underwent surgery in West Texas Medical Center at Abilene Monday of last week? Friends Maxie Lee and Charles Root report Tom to be improving now and that he may get to come home after a few more days in the hospital.

Did you know that the young minister, Jerry Hestand, who preached at Northside Church of Christ Sunday morning and evening and also preached his first radio sermon over KVMC, is grandson of the Jim Hestands?

Jerry, son of the Wallace Hestands, is to be graduated from Sunset School of Preachers in Lubbock this coming Sunday evening after another Northside sermon here Sunday morning.

HEAR TELL, courtesy of Abilene Reporter-News, that our Sgt. Bill Groff has been named by Dyess AFB personal escort and driver for Bob Hope who will be at Taylor County Coliseum, Saturday.

Bill, husband of Jill (Richards) and father of two-month-old Anne Marie, first met Bob Hope in York, Pa., back in 1966. The sergeant, also an announcer out at KVMC, plays piano, drums, and bass. He played last weekend at the Sands in Abilene and will appear with a trio at Old Abilene Town after the Hope show.

He and Jill and the baby will leave Dyess in August for a three-year assignment in Germany.

OFF THE CUFF Vicki Boles, first daughter of Lacy and Dolores Boles, was named head twirler for Sweetwater High School after try-outs there. She's been an avid twirler since her Colorado Junior High career and was a CHS twirler last season.

Gas heating:
The beginning of gas cooling.

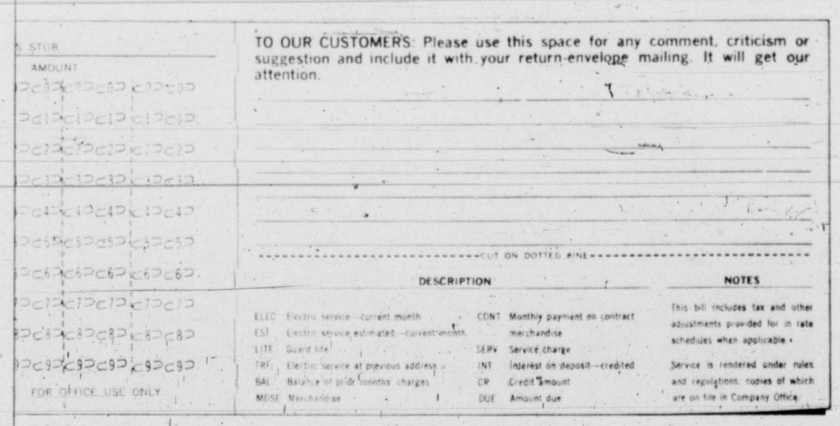

If you have central gas heating, you can buy central gas cooling. For less money than you might think. You already have a furnace blower and, probably, adequate ductwork. So there's a lot less to install.

And gas air conditioning is worth installing. It has fewer moving parts to break down, longer service life and lower month-to-month operating costs.

Begin to cool off by seeing your gas air conditioning dealer today.

Hollis Mize Jr. and daughter Naomi of Lubbock and Tommy Mize recently visited Mrs. Stella Mize.

What's right about America?

Today, the surest means of a book becoming a best seller is for the author to highlight and denounce bitterly the faults of this country. The same can be said of television and the movies, which prefer in these modern days to depict the seamier side of life in America.

But there's hope. As I have moved across the state, I have sensed that our people are growing weary of gloom. It's becoming easier to strike up a conversation on what's right about America.

I always suggest that there are a lot more level heads in this country than we are sometimes led to believe. There are a lot more decent, law-abiding citizens than there are criminals and cheats and sharks. There are a lot more young people in the "now" generation who want to improve America than the handful of radicals who want to burn it to ashes and start all over.

I can understand why the "majority" has broken its "silence." There's a growing impatience with agitation and controversy. But I feel we should continue to approach our nation's problems with a cool head and an open mind.

I've listened to the voices of dissent. I think I know what they're asking of their government.

One thing they want is confidence. They want the assurance that their public officials have the courage to meet the issues of the 1970s with imagination and integrity, and not with some form of "old politics" that thrashes around with problems but never quite locates the workable solutions.

It was my desire to answer this urgent need that prompted me in January to seek the office of United States Senator.

Paid for by Bentsen for Senator Com. John Mobley, Chrm.

YOUNGUNS KEEP SCORING

Another outstanding performance by our younguns.

The latest came to light in San Antonio with a first place trophy to The Howl, Colorado High's student newspaper, at Trinity University Journalism Institute.

That's quite a compliment to the journalism taught by Mrs. Gerald Gordon. . .and to the work and interest of all her journalism students at Colorado High.

Among students singled out for individual first place awards at the institute was Scott Sherman, the busy lad who also does a yeoman job as Colorado High student athletic trainer. He won in photography.

Isn't it nice that so many good things coming from our students a regular school year can't hold 'em all. . .that they spill right over into summer.

AND WHEREAS, the following Judgment and Order of Sale was made and entered of record, to-wit:

NO. 827,305

–vs–

WESTERN GENERAL CORPORATION, ET AL
Defendants

IN THE DISTRICT COURT OF

HARRIS COUNTY, TEXAS

80th JUDICIAL DISTRICT

FINAL DEFAULT JUDGMENT

BE IT REMEMBERED that on this the 5th day of MAY, 1970, came on to be heard the above - entitled and numbered cause where in FIRST NATIONAL BANK OF BAYTOWN, is Plaintiff and WESTERN GENERAL CORPORATION, a New York Corporation and COMPUTRONICS INDUSTRIES CORPORATION, a Delaware Corporation, are Defendants, when came the Plaintiff by its attorney of record. And it appearing to the Court that the appearance day of the Defendants, WESTERN GENERAL CORPORATION and COMPUTRONICS INDUSTRIES CORPORATION, having passed, such cause was called on request of Plaintiff, and came the Plaintiff by its attorney, and though duly served with process, Defendant WESTERN GENERAL CORPORATION and, Defendant COMPUTRONICS INDUSTRIES CORPORATION, have at all times, as heretofore, failed to appear or answer in their behalf, but wholly made default; wherefore, the citation, with the officer's return thereon, having been on file with the Clerk of this Court ten days exclusive of the date of filing and of this day, and a jury being waived and matters of fact and things in controversy being submitted to the Court in their due and regular order, and it further appearing to the Court that the Plaintiff ought to recover its debt by occasion of the premises against the Defendants WESTERN GENERAL CORPORATION and COMPUTRONICS INDUSTRIES CORPORATION.

And the Court having considered the pleadings of the Plaintiff, the testimony given and the argument of counsel finds that this is a suit on a contract and that the cause of action is liquidated and that Plaintiff should have and recover judgment of and against the Defendants, WESTERN GENERAL CORPORATION, a New York Corporation and, COMPUTRONICS INDUSTRIES CORPORATION, a Delaware Corporation, in the sum of $33,348.00, jointly and severally.

It further appearing to the Court that the amount which Plaintiff should recover from said Defendants, is based upon a written contract which ascertains the sum payable, but that no specified rate of interest is agreed upon therein by the parties, and it is therefore found by the Court that in addition to the principal sum of $33,348.00, Plaintiff should have and recover from the Defendants, WESTERN GENERAL CORPORATION and COMPUTRONICS INDUSTRIES CORPORATION, jointly and severally, interest thereon at the rate of six percent (6%) per annum from and after June 12, 1969, which is the date that such sum was due and payable; such interest from such date to and including May 4, 1970, being in the amount of $1,787.22.

NOW, THEREFORE, IT IS ORDERED, ADJUDGED AND DECREED by the Court that Plaintiff, FIRST NATIONAL BANK OF BAYTOWN, do have and recover default judgment of and from the Defendant WESTERN GENERAL CORPORATION, a New York Corporation, and the Defendant COMPUTRONICS INDUSTRIES CORPORATION, a Delaware Corporation, jointly and severally, the sum of THIRTY–FIVE THOUSAND ONE HUNDRED THIRTY – FIVE AND 22/100 DOLLARS ($35,135.22).

It is further ORDERED that all costs of Court in this behalf expended by and the same hereby taxed against the Defendant WESTERN GENERAL CORPORATION, a New York Corporation, and the Defendant, COMPUTRONICS INDUSTRIES CORPORATION, a Delaware Corporation, jointly and severally.

Jerene, 17, will be a senior at CHS where she is a member of Wolverines.

Brenda expressed her concern for people who try to "make it without Christ's love". President of Wolf Band next year, she was named band sweetheart last year, plays first chair French horn, was secretary-treasurer of Student Council, is a member of National Honor Society and is rated 12th scholastically in her class.

Glenn, a 1970 honor graduate of CHS and licensed minister, wanted to make the trip from the first, but because of college financing dismissed the idea as impossible.

But later when church young people came up with idea of sending someone, Glenn was chosen.

Youth of the church, joined by other young people in the community, set a goal of $300 and hoped that through their earnings and other contributions, Glenn would be able to make the trip. Not only did they reach their goal, but through a talent show, cake sales, car washes and slave day projects, youths almost doubled the set amount.

Before leaving Wednesday Glenn expresse his appreciation to young people and others in church and community who supported work projects and made contributions toward his trip.

The local group is scheduled to return home July 8.

If your 8 year old's not home by 9, who'd you call by 9:15?

A policeman returning a lost child doesn't make big news. But if you're a parent, you know how important it really is. So does a policeman. It's his choice to protect you, your family, and your home. He'll help return a lost child, stop a burglar, deliver a baby, or direct traffic. So whenever you need help, call a friend. Call a cop.
