46th Annual Singing Set Sunday, April 27

It's later than you think, and soon the rafters at the Legion Hall will ring again, as the 46th annual singing convention will be held here Sunday, April 27, from 10:00 a. m. to 4:00 p. m. at the American Legion Hall, according to Hallie Chapman, perennial president of the organization.

Last year as the convention came to a close, Mr. Chapman was again unanimously elected president; Troy Ash, vice-president, and Mrs. Troy Ash, secretary-treasurer.

The annual singing is held each year on the fourth Sunday in April.

Outstanding quartets from all over Texas and many other states will be on hand to participate in this year's event. The famed Gloryland Quartet of Roswell, New Mexico will be here for the convention.

The convention hall last year, as it has been almost every year, was filled to capacity with singers and music lovers from all sections of the Lone Star State, plus many out-of-staters.

"The convention just keeps getting bigger and better each year and we expect the 46th session to, again overflow the building," Chapman said.

A more detailed article concerning the convention will be published in next week's issue of the Free Press.

Shut-ins who are unable to attend the convention may hear a broadcast of the singing over Radio Station KDWT, Stamford.

Last Rites Held Sunday For George Drinnon

George W. (Little) Drinnon, 31, passed away at 5:45 p. m. Thursday, April 10, in the Rice Springs Care Home, where he had been the past week.

Funeral services were held Sunday, April 13, at 3:30 p. m. from the First Baptist Church, Haskell, with Rev. L. O. Robertson, pastor of the First Southern Baptist Church, Twin Falls, Idaho, and Rev. Hubert Sego, pastor of the Southside Baptist Chapel, officiating. Burial was in Willow Cemetery, with Holden-McCauley Funeral Home in charge of arrangements.

He was born December 21, 1937, in Haskell, and had been an invalid since the age of one and a half years.

Survivors include his mother, Mrs. Robert Drinnon of Haskell; three sisters, Mrs. Bill (Doris) Reeves of Haskell, Mrs. L. O. (Geneva) Robertson of Twin Falls, Idaho, and Mrs. Mike (Julia) Harrell of Lubbock; two brothers, Robert A. of Haskell and a twin brother, C. W. (Bigson) of Haskell.

Pallbearers were Alfred Turnbow, Weldon Turnbow, Woodrow Turnbow, Cleatus Turnbow, Wayne Reeves and Kyle Robertson.

"Young people of today have so many advantages they often times turn to drugs for 'kicks'. One important thing, however, we can do as parents, is to set a good example. For instance, if parents drink how can they counsel their children about a abuse of drugs?", Dr. Cadenhead said.

"Drugs are not necessarily bad, it is only when the drug is abused," the speaker pointed out.

"Drugs abused include narcotics, sedatives, stimulants and hallucinogens," Dr. Cadenhead said.

Club members expressed thanks to O. W. Tooley and Danny Tollison, co-chairmen of the mop and broom sale for a job well done. Tooley said gross sales totaled \$1,036.85 and the club netted \$269.59.

Wallace Biard was noted as a guest at the luncheon meeting.

Bud Herren presided over the session. George Fouts led the singing with Judy Therwhanger at the piano, and the invocation was given by Frank Martin.

Gomez, Minister Of The Spanish Church of Christ

Abel S. Gomez, formerly of San Angelo, has moved to Haskell and is now serving as Minister of the Spanish Church of Christ, South First St., and Ave. C, Haskell.

Invitation is extended to all Spanish-speaking people of Haskell and surrounding area to attend services which are held each Sunday at 10:00 a. m. and 5:00 p. m. and Wednesday's at 8:00 p. m.

Hunter said the club would go to Vernon April 30th and to Mineral Wells, May 7th.

Grant Approved For Weinert

The following telegram was received just prior to press time from John Tower, U. S. Senator:

"Pleased to learn of Federal Water Pollution Control Administration's grant offer of \$12,420 dollars for construction of waste treatment facilities and interceptor sewer line for the City of Weinert, effective as of April 15, 1969. Total cost of \$42,400.

Therapist Speaks To Members Of Rotary Club

David Hardison, Physical Therapist, at the West Texas Rehabilitation Center, Abilene, spoke to members of the Rotary Club last Thursday at the noon-day luncheon meeting at Felker's Restaurant dining room.

Hardison said the West Texas Rehabilitation Center is striving to get some support under Medicare for therapy treatments.

President R. C. Couch Jr. presided over the meeting, and Bill Ratliff gave the invocation.

Haskell High School student guests were Jimmy Berry and Kenny Watson.

County Fair Association Officers, Directors Hold Meeting In Rule

Officers and directors of the Haskell County Fair Association, Inc., met in the Bluebonnet Cafe in Rule on Tuesday night of this week with A. D. May, president, in charge of the business session.

The president called on Abe Turner, treasurer, for a financial report as of the present date. Mr. Turner told board members that after all checks had cleared the bank on the 1968 production, a balance of something over six hundred dollars was on deposit in the Haskell National Bank.

It was stressed by the president that immediate contacts be made with advertisers in the fair catalogue last year and also that new ones be made who were overlooked in 1968. All business men and women of the Rule area, who purchased ads last year, have already taken an ad plus additional ones who did not participate last year.

The sale of catalogue ads for Rule is under the direction of Morris Neal. Mr. May told those in attendance that if at all possible all ads, rules and regulations should be turned in by the middle of May to enable the printer ample time for publication.

Danny Tollison, Don Perry, Bob Philpot and Clifford Thomas of Haskell have been appointed to solicit ads in the Haskell area for the catalogue. A discussion was held in regards to the hiring of some name star or outstanding entertainer as a special attraction for this year's fair. Several potential ones were discussed including Eddie Dean and Stuart Hamblen, western and folk singers of Hollywood, California.

Rex Felke, Tom Kutch, and Jerry Hanzel were appointed as a committee to make contacts with various entertainers to secure their price and to make a later report to board members. Other types of at-

City-Wide Spring Clean-Up Week Gets Underway Monday

Projects Discussed At C of C Officers, Directors Meeting

Officers and directors of the Haskell Chamber of Commerce met for a breakfast meeting at 7:00 a. m. Tuesday, April 15, in Felker's Restaurant, with Joe Williams, president, in charge of the business session.

Minutes of last meeting were read by the manager and approved by board members.

The manager also gave a report on requested information concerning the number of cotton trailers and other types in Haskell County. He and County Tax Assessor-Collector Jimmie Owens spent several days of last week compiling the data for a Research Counciling firm of Dallas who have been engaged to select a site for a proposed manufacturing company.

Board members were advised of the status of recent ballots mailed out relative to the car give-away program which has been in use for the past four years during the annual Christmas program. Returns have been excellent and to date 85% are in favor of dropping this particular phase of the program and instituting new features for the 1969 event.

The manager reported that the grounds around the county museum and the trailer park had been mowed and put in general good condition by the City of Haskell.

In cooperation with the Graham Chamber of Commerce, a special committee meeting will be held at Felker's Restaurant at 2:30 p. m. today, Thursday, in the interest of securing a routing of Highway 380 along with Highway 24 to intersect with Interstate 30 at Greenville. All interested persons are invited to attend.

A caravan composed of some thirty automobiles loaded with virtuous businessmen and women will arrive in Haskell at 2:15 p. m. Saturday of this week to publicize the annual Santa Rosa Roundup held in that city.

Clay Smith, president of the Haskell Industrial Foundation, was present and lead a discussion relative to a newspaper story which indicated that Armour and Company were interested in establishing four hog production centers in Texas with 1000 sows in each center. The manager was instructed to secure the pertinent information on this project plus follow-up on a recent tip on another industrial prospect interested in a fourth location in Texas.

Dr. T. W. Williams, director of the West Texas Chamber of Commerce, urged all business men and women of Haskell to attend at least a part of the annual meeting of the West Texas Chamber of Commerce to be held in Brownwood on April 21st and 22nd with registration to begin on Sunday, April 20th. He stressed the important projects the Regional Chamber was working on, and especially stressed the tourism development of committee and the work they were doing currently on this.

Present for the meeting were: Joe Williams, Elbert Johnson, Bob Philpot, Abe Turner, Mrs. Artie Mae Burkett, Mrs. Opal Adkins, Tom Watson, James Powell, Charles McCauley, Bud Pegue, Bud Herren, Charles Thornhill, J. B. Gipson, Mayor H. V. Woodard, Dr. T. W. Williams and manager Rex Felker.

Fund Drive For Brush Control "Kicked Off"

Burford Cox, chairman of the Haskell County Brush Control and Range Improvement Association, announced that the fund drive to support research in Brush Control was "kicked-off" Tuesday night at a county-wide meeting held in the Haskell County Courthouse.

Bob Brown, of Throckmorton, secretary of the State Brush Control Range Improvement Association, explained the functions of the Association.

All land owners in Haskell County are urged to cooperate when committee members make their initial contact to collect one-cent per acre for the next five years to greatly increase brush control research.

Residents of Haskell are reminded that the "Annual Spring Beautification" week will officially get underway here next Monday, April 21, and continue through Saturday noon, April 26, when city trucks will begin hauling away trash and rubbish from the residential areas of the town.

"Clean-Up Week" is being sponsored by the City Council in cooperation with the Chamber of Commerce.

In designating the coming week, April 21 through 26th, as Spring Clean-Up, city officials hope to make this the most intensive kind ever. To that end, the cooperation of all citizens is necessary, including civic groups and organizations.

Haskellites are urged to rid their premises of winter rubbish and to join with their neighbors in cleaning vacant lots.

The city will provide trucks to haul away rubbish and trash of all kinds, except trees, limbs and anything that will not burn, that becomes a menace to health as well as causing an unsightly appearance. However, all trash should be placed in containers for quick handling, but if unable to obtain containers, rubbish should be piled in a location accessible to the city trucks.

The Chamber of Commerce and city officials are going all-out to make this the most thorough clean-up Haskell has ever undertaken, but in order to do this, full cooperation from all citizens will be needed.

Here are some of the things residents can do to help promote the City-Wide Clean-Up campaign:

Clean out basements, attics, garages, etc., of things that might be a fire hazard; clear yards or lots of all trash; trim shrubbery, hedges, repair and paint fences, clear-off any vacant lots, or space you are going to use for gardens.

In the business section, keep windows clean and side-walks clear, rear entrances free from unsightly rubbish; don't throw garbage or refuse of any kind in back yards, or vacant lots; place garbage and trash in piles for easy pick-up and place in accessible location.

Clean-Up Week will also be an ideal time to paint and brighten-up the home and make Haskell more attractive.

Haskell Firemen Take Two Second Places At Baird

Haskell was among 15 West Texas towns represented at the 61st Semi-Annual Meeting of the Mid-West Texas Firemen and Fire Marshals Convention held in Baird, Saturday, April 12th.

Fire Chief Tom Watson said that 24 persons from Haskell, including firemen and their wives attended the convention.

Haskell took second place in the six-man hose race, and also second in the two-man hook-up race.

"Some 300 persons were in Baird for the convention," Watson said.

Poster Winners

At the convention, Saturday, Kerry Kemp, daughter of Mr. and Mrs. Giles M. Kemp, won second in the poster contest and Kim Kemp daughter of Dr. and Mrs. Wm. J. Kemp, placed third in district competition.

Haskell To Be Represented At Regional Contests

All six of the Haskell students won first places at the District 7-AA Literary contests at Anson.

Haskell Boys' Track Team will also be represented at Lubbock Friday and Saturday, Randy O'Neal will enter the 440; Roy David Pitman, the 330 intermediate hurdles; Bob Aycock, the 880 and Donald Love, high jump.

Roy David Pitman, Randy O'Neal, Gary Felker and Keith Everett will enter the mile relay.

"Look Ma, No Cavities", Program Theme of Progressive Study Club

The Progressive Study Club met Thursday night, April 10, in the community room of the Haskell National Bank for a program directed by Mrs. Glen Sammons, called "Look Ma, No Cavities."

Mrs. C. T. Everett opened the meeting, welcoming members and guest, Mrs. H. O. Abbott. Mrs. Everett conducted a brief business session and then turned the program over to Mrs. Glen Sammons, who introduced the special guest for the evening, William J. Kemp, D.D., a Haskell dentist for 20 years, and currently president of the Texas Board of Dental Examiners.

Dr. Kemp's remarks were eagerly welcomed by his listeners because dental caries are common to us all. He stated that his profession endeavors to save the teeth rather than having to extract them. Cavities are yet the most common cause of tooth decay, although it is expected that 10 to 12 years from now decay may be a thing

of the past. Dr. Kemp considers fluoride an important preventive, especially for children, whose teeth benefit most, yet being in the formative stage. Malocclusion, periodontal disease and no teeth at all, are other villains in the dental picture. Regular dental care from your dentist is the most effective insurance against immense problem possibilities in the mouth.

Dental care is expensive, especially if long neglected, but scientific developments have possible marvelous treatments for bad teeth, ranging from jackets to anesthetics and the transplanting of teeth, not to mention the high speed drill which can have drilled your tooth by the time you say "ouch."

Dr. Kemp meets well the first qualification of a good dentist—he dislikes going to the dentist. (He knows how to sympathize). He also explained that keeping up with the latest research and developments in the art of dentistry, he spent 45 days out of his practice just last year, in various clinics and study sessions.

Following his remarks, Dr. Kemp showed a film of informative material, which gave the following advice: 1. Brush after every meal; 2. Cut down on sweets; 3. Visit your dentist regularly.

I wish to express my sincere thanks and appreciation to the ones who sent the beautiful flowers, cards and gifts to me during my stay in the Hendrick Memorial Hospital in Abilene, for everyone's visits and phone calls since I have come home, and a special thanks for the prayers that were said in my behalf. Mrs. Ernest Moeller.

Haskell County Favorite Foods Show Set Saturday At Corral Building

The Haskell County Favorite Foods Show will be held April 19th at 3:30 p. m. in the Corral Building.

The foods show completes the foods and nutrition 4-H project units that sixty-seven boys and girls in six communities throughout Haskell County participated in the past two months under the supervision of trained 4-H Adult Leaders.

The foods show consists of approximately 6-8 meetings in which 4-H Club members learn to cook, learn foods and nutrition information, and learn appropriate table service methods.

The 4-H Club members select their favorite food and prepares that dish for the County Favorite Foods Show along with an appropriate table setting. The public is invited to attend this youth event and see and taste the various foods prepared by these 4-H Club members.

Homemakers Learn Latest In Decorating

"Do Your Own Thing" was the emphasis that Mrs. Alvin Sherman placed on her decorating talk to the Young Homemakers last Thursday night.

The meeting was held in Sherman's store and was well attended by interested club members. Mrs. Sherman, a well-known decorating consultant in Haskell, briefed the members on floor and wall decoration. Wall paper is coming back into popularity, with a selection so varied that it will suit anyone's taste.

Kitchen carpet is the "going thing" in home decoration because it is not only the most durable and resistant to abuse, but is also quite beautiful. Mrs. Sherman suggested that this type carpet be placed in the most active places in the home, such as hall and bathroom, as well as the popular kitchen area. The program was enjoyed by all who attended.

Business of the evening included a report on the money raised for the Easter Seal Drive. The Young Homemakers worked diligently to collect \$167.00 for the West Texas Rehabilitation Center in Abilene. This is only one of the many worthwhile projects that the Young Homemakers participate in each year.

A community project committee was selected to review the possibilities of things that

B&PW Club Members Hear Mayor Woodard

"Pride is the principle motive that will push a city forward", stated Mayor H. V. Woodard, when he spoke to the Haskell Business and Professional Women's Club Tuesday evening at 7:30 o'clock, April 15th, in the Community Room of the Haskell National Bank. The club president, Miss Nettie McCollum, noted Mayor Woodard's years in business and public office in her introduction.

Using "Smarten Up Your City... Consider Its Needs" as his topic for discussion, the Mayor named numerous goals and projects for the city of Haskell. Among these... the clean-up program... giving the local side of permits... the Municipal Water District... stating present low quality of Haskell's water... better housing... widening of the highway... livestock program... parks and recreation... air port

...city auditorium and tourism... a challenge to create interest in "our city". An invitation to express individual interests to visit the council was extended. "Goals can be reached only through support and cooperation," Woodard said in his closing remarks. The community room was most attractive. Each table beamed with an arrangement of lilacs, which are in bloom over the entire city at this time. Frosted drinks and cake squares were served to members and special guests, Mayor and Mrs. H. V. Woodard. The World Affairs Committee, composed of Mrs. S. Hassen, Mrs. Clyde Bland and Mrs. Melvin Norman, chairman, served as hostesses for the evening.

Motor Vehicle Traffic Deaths In 1968 Reached An All-Time High

Col. Wilson E. (Pat) Speir, director of the Texas Department of Public Safety, reported that the motor vehicle traffic deaths reached an all-time high of 3,481 in 1968, an increase of three per cent over the 3,367 deaths recorded in 1967.

However, Speir said, due to an increase of eight per cent in the total number of miles traveled on Texas streets and highways, the death rate per hundred million miles was reduced to 5.5 deaths, compared to 5.8 in 1967.

On the rural highways of the state where the DPS has primary jurisdiction, he added, traffic fatalities rose only one-half of one per cent, increasing to 2,146 from 2,136 in 1967. The rural traffic death rate dropped from 6.1 deaths per hundred million miles in 1967 to 5.7 deaths in 1968.

Traffic deaths statewide during November and December, 1968, totaled 355 and 369 respectively, exceeding previous highs of 305 in November, 1966, and 363 in December, 1965.

In announcing the official traffic data for 1968, the DPS director noted these facts: traffic deaths in urban areas increased eight per cent, from 1,231 in 1967 to 1,335 in 1968; those in towns increased from 214 to 226 for a six per cent increase; those on interstate highways decreased two per cent from 191 to 186; those on US and state highways increased seven per cent from 1,171 to 1,251; those on Farm-to-Market highways decreased 12 per cent from 331 to 293; and those on county roads decreased 18 per cent from 229 to 188.

Speir said that during last year total estimated accidents on the streets and highways of Texas came to 940,288, compared to 885,288 in 1967. In the same comparison, there were 216,972 injuries in traffic accidents against 205,308 in 1967, and the estimated total economic loss was \$836,802,000 in 1968, compared to \$793,094,000 in 1967. In addition to the 3,481 traf-

fic deaths on public streets and highways during 1968, 11 persons were killed and 1,090 were injured in 19,364 accidents occurring on parking areas such as shopping villages.

"In order to point up the tremendous losses suffered in America through traffic tragedy, our Statistical Services Bureau figures that from 1900 through 1968, a total of 1,721,754 persons have died in traffic accidents in the United States, compared with a total of 1,161,007 American deaths in all the United States wars from 1776 to 1968," Speir said.

"Further, the economic traffic accidents in 1968, estimated at \$836,802,000 would buy 10,000 homes at \$83,680 each; 10,000 refrigerators at \$83,680 each; 10,000 television sets at \$83,680 each; 10,000 dishwashers at \$83,680 each; 10,000 automobiles at \$83,680 each; 10,000 central air conditioning units at \$83,680 each; and the head of each of 10,000 households with a total count of \$57,730."

Advertising doesn't cost a cent! (As reported by Marine Corps Combat Correspondent) VANDEGRIFT COMBAT BASE, Vietnam—The package, its contents and the note attached reflected the simplicity of the small comforts Marine infantrymen afford themselves in the field. But the thought and sacrifice that went into the "care package" made it more meaningful than the most elaborate gift from home.

The package was sent from one Marine Rifle company to another. The note accompanying it read: "To the grunts in 'H' company, from the helicopter support team and grunts of 13 accessory packs from C-rations, 18 packages of cigarettes, four bars of soap, matches and chewing gum placed in a sandbag."

The two companies of the 2nd Battalion, 3rd Marine Regiment, are participating in Operation Maine Crag southeast of Khe Sanh. The helicopter support team and "F" Company were on Fire Support Base (FSB) Saigon when they heard that "H" Company, operating some 3,000 yards away, was running low on supplies.

Although "F" Company was also short of sundry items, an impromptu donation drive was started. Some Marines pulled half-finished packs of cigarettes from their pockets to send to their fellow Leathernecks.

The package was delivered by the first man going from FSB Saigon to "H" Company's position. It was accepted gratefully but without fanfare.

"We were in a better location to get resupplied than they were at the time," commented a machine gunner who had given all but his last two cigarettes. "If they were in our position they'd have done the same thing. That's just the way it works in the bush."

By Cpl. Robb Straub VANDEGRIFT COMBAT BASE, Vietnam—A "Dear John" letter was apparently the

beginning of a very bad day for an enemy soldier. One of the letters was from an enemy soldier's girl friend. She was tired of waiting for him to get home, she commented. Perry, a letter went on to say he had been away from home a long time and she didn't like living in what her boy friend was doing for.

The Leathernecks found several dead enemy soldiers on the hill including the owner letter.

"I guess his day got started with his 'Dear John' letter and ended with a sault on the hill," commented Perry.

Haskell Takes Third Place In District Meet

The Haskell "thirty clads", although failing to take a single first, wound-up in third place in the District Track meet at Anson, last Saturday, with a total of 81 points, picked-up with a raft of seconds and thirds.

Running in the rain and mud, the Indians managed to qualify four individuals and one relay for the Regional meet at Lubbock, Friday and Saturday, April 18th and 19th.

Qualifying were Bob Aycock, second in the 880 yard dash; Roy Pitman, second in the 320 yard intermediate hurdles; Don Love, second in the high jump, and Randy O'Neal, second in the 440 yard dash.

The mile relay team also "copped" second place. Team Totals: Stamford, 137; Winters, 83; Haskell, 81; Anson, 79; Coleman, 53; Hamlin, 38; Ballinger, 14; Merkel, 11.

Ninth Grade: Stamford, 195; Winters, 83; Haskell, 81; Anson, 79; Coleman, 53; Hamlin, 38; Ballinger, 14; Merkel, 11.

Haskell, 102; Winters, 92; Coleman, 79; Anson, 37; Ballinger, 27; Hamlin, 17; Merkel, 6 1/2.

Girls Track Team Places Third At Anson

The Haskell High School girls track team returned home with a number of honors from the meet held April 10th at Anson.

This was the first time that Haskell has entered a girls' district track meet. Although Haskell won third, ten out of 13 girls will represent Haskell in the Regional at Winters on Thursday, April 24.

At Anson, Janice Medford won two first places... in the triple jump and a tie with Mary McCaleb of Anson in the high jump. Haskell swept the discus honors with Juanita Billington taking first, followed by Pat Harris, second, and Cynthia Munday, third.

Judy Jeter won second in the 80-yard dash, but had the same time as the girl who won first. Judy's time broke the state record.

Karen Bartley "copped" second place in the discus and Nancy Middleton won second in the 220. Gay Swann and Janice Medford picked-up third place ribbons in the 80-meter hurdles and 100-yard dash, respectively.

The 440 yard relay team placed second behind Anson. Judy Jeter, Nancy Middleton, Pam Colbert, and Janice Medford will carry the baton at Winters. Paula Mayfield will serve as alternate for the relay.

Derrell Davis Receives Praise From SMU Coach Coach Hayden Fry, of Southern Methodist University, stated he particularly liked line-backer Derrell Davis' showing in Spring practice sessions of the Mustangs.

Fry said that Davis, former Haskell High School Indian star, is showing up real fine. Davis is the son of Loudell Davis of Abilene and Hollis Davis of Dallas, former Haskell residents.

According to the Dallas Morning News, the Mustangs will stage their annual spring game for the public, Saturday, at Owenby Stadium, kicking-off at 1:30 p. m.

In addition to his athletic ability, Derrell was the highest ranking boy in Haskell High School last year. His accomplishments included National Honor Society president; football captain; All-District; All-Area Honorable Mention; Track, first place in District, Region and State in 440 yard dash; Basketball; American Legion Boys' State, 1967.

NOTICE AND INSTRUCTIONS TO BIDDERS

1. Sealed bids will be received by the CITY OF WEINERT, TEXAS, hereinafter referred to as the "Owner", for performing the work as set forth in the Plans and Specifications attached hereto, on or before 2:00 P. M., Friday, May 9, 1969 in the City Hall at Weibert, Texas, at which time said bids will be publicly opened and read.

2. All bids must be made on the blank form of the proposal attached hereto.

3. Each bid must be accompanied by a certified check or bidder's bond payable to the Owner for five per cent of the total amount of the bid. As soon as the bid prices have been compared, the Owner will return the check or bond of all except the three lowest responsible bidders. When the contract is awarded, the checks or bonds of the two remaining unsuccessful bidders will be returned. The check or bond of the successful bidder will be retained until the contract and surety bond have been executed and approved, after which it will be returned.

4. A performance and payment bond in the amount of 100 per cent of the contract price with a corporate surety approved by the Owner and the Engineer, will be required for the faithful performance of the contract, and the bidder shall state in the proposal the name and address of the surety or sureties who will sign this bond in case the contract is awarded to him.

5. The party to whom the contract is awarded will be required forthwith to execute the contract and a performance and payment bond within ten calendar days from the date when the written notice of the award of the contract is mailed to the bidder. In case of failure to do so, the Owner may at his option consider that the bidder has abandoned the contract, in which case the certified check or bidder's bond accompanying the proposal shall become the property of the Owner.

6. The Owner reserves the right to reject any and all bids or to accept any bid. It is understood that the work to be done is being financed with a loan or grant or both from the Farmers Home Administration, U. S. Department of Agriculture. Contractors' proposals shall hold firm for sixty days to allow the Owner to complete its financing arrangements. Mutually agreed upon extensions of time may be made, if necessary.

7. Before the award of the contract, any bidder may be required to furnish evidence satisfactory to the Owner and to the Engineer of the necessary facilities, ability, and pecuniary resources to fulfill the conditions of the said contract.

8. Prior to signing the contract, the Contractor shall submit on a form acceptable to the Owner and Engineer, an overall construction schedule for the project. This construction schedule shall start with the proposed date of signing the contract, and the completion date shall be the date specified in the contract.

9. Bidders must satisfy themselves by personal examination of the location of the proposed

work, by examination of the Plans and Specifications and requirements of the work and the accuracy of the estimate of the quantities of the work to be done, and shall not at any time after the submission of a bid dispute or complain of such estimate nor assert that there was any misunderstanding in regard to the nature or amount of work to be done.

10. The Construction Contract and the Detailed Specifications contain the provisions required for the construction of the project. No information obtained from any officer, agent, or employee of the Owner on any such matters shall in any way affect the risk or obligations assumed by the Contractor or relieve him from fulfilling any of the conditions of the contract.

11. Proposals which are incomplete, unbalanced, conditional or obscure or which contain additions not called for, erasures, alterations or irregularities of any kind or which do not comply with the Notice and Instructions to Bidders may be rejected at the option of the Owner.

12. A bidder may withdraw any proposal he has submitted at any time prior to the hour set for the closing of the bids provided the request for withdrawal is signed in a manner identical with the proposal being withdrawn. No withdrawal or modification will be permitted after the hour designated for closing the bids.

13. For the purpose of clarification it is understood that the work to be done is being financed in whole or in part by means of a loan and grant made or insured by the United States of America acting through the Farmers Home Administration of the Department of Agriculture. The Farmers Home Administration will, therefore, require approval by its representatives of all contracts, attachments, and similar documents, all partial and final payment estimates, and all change orders.

14. Computation of quantities that will be the basis for payment estimates, both monthly and final, will be made by the Engineer.

15. The word "Owner" means the City of Weibert, Texas. The Owner will be responsible for payment in accordance with the terms of the contract.

The word "Contractor" means the person, firm or corporation to whom the award is made. Subcontractors as such will not be recognized. The word "Engineer" refers to Ernest L. Andrews, P. E., Consulting Engineer, designated by the Owner as its engineering representative during the course of construction to make appropriate inspections and computations of payments. The word "Representative" means the State Director of the Farmers Home Administration or his designee.

16. Plans and Specifications may be obtained from the Engineer, Ernest L. Andrews, 2015 Santa Fe, Wichita Falls, Texas 76309, upon a deposit of \$35.00. Full amount of deposit will be returned to bidder returning plans and specifications along with a fully qualified bid. Only one-half of the amount of the deposit will be returned to bidder returning plans and specifications if fully qualified bid is not filed.

17. Inspection trips for contractors will be arranged by the Engineer.

Garrett as Sheriff of Haskell County, Texas, did, on the 4th day of April, 1969, levy on certain Real Estate, situated in Haskell County, Texas, described as follows, to-wit:

All of the right, title and interest of Hugh L. Johnston, Jr. and/or Patricia Johnston, in and to the oil and gas leasehold described as:
 Oil and Gas Lease dated October 31, 1962, executed by Valton C. Schmidt and wife, as Lessors, to John K. Brannan, as Lessee, recorded in Volume 299, Page 54, of the Deed Records of Haskell County, Texas, and covering the following described lands in the County of Haskell, State of Texas, to-wit:

BEING a part of Subdivision No. 5 of the George Harris Survey No. 50, Cert. 161, Abstract 157, Patent 539, Vol. 11, dated October 28, 1856, described as follows:
 BEGINNING 224 varas West from the SE corner of said George Harris Survey;
 THENCE West 543 varas;
 THENCE South 1560 varas;
 THENCE East 543 varas to the place of beginning and containing 150 acres of land more or less.

and levied upon as the property of Defendants, Hugh L. Johnston, Jr. and wife, Patricia Johnston, and that on the first Tuesday in May 1969, the same being the 6th day of said month, at the Court House door, of Haskell County, in the City of Haskell, Texas, between the hours of 10 A. M. and 4 P. M. by virtue of said levy and said Order of Sale, I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Hugh L. Johnston, Jr., and wife, Patricia Johnston. And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Haskell Free Press, a newspaper published in Haskell County, Texas.

Witness my hand this 4th day of April 1969.
 G. T. GARRETT, Sheriff, Haskell County, Texas. 16-18p

Y CAPITAL PUNISHMENT SOCIALLY JUSTIFIED

mortals subject to prejudice and blindness, have the power to willfully end another human life. The answer is now not, has never been, an easy one.

Would those who follow the liberal path, advocating the abolition of capital punishment, leave justice to fate and turn convicted murderers, kidnapers, rapists back to society so that they may be free to repeat their crimes? And repeat their statistics, confirm that many parolees, a majority of parolees, in fact, are within short periods of time again imprisoned for the repetition of their original crimes. Leniency cannot be the soundest solution then.

Primitive man was quick in his decisions and too often lightning-quick in his justice. Patriarchal laws in the centuries before Hammurapi's code of justice, demanded death for the theft of a chicken; but modern man is not primitive, or would have his fellows believe it so. Through civilization we have become morally soft and softness has brought unsurpassed leniency in morals and mores and in basic social conduct. Yet man, although sweetened and distilled and refined and sophisticated by civilization is still the offspring of that primitive man—and is still governed by those same passions and lusts and rages that drove his barbaric ancestor to moral wrongs. Yet man sophisticated rationalizes his sins and in so doing bends a time-honored code of justice respected since the beginning of life itself.

Roman states went to war over the attack of the Sabine women, yet slick-tongued lawyers and legal loopholes and

revised codes of justice, which, to quote former Vice-President Humphrey "make concrete issues look like an advertisement for jello," return rapists to streets in ever-growing droves.

Who will say that primitive codes driving nations and noble lords and the feuding clans of early aristocracy to war in the hope of revenge for assassination supported just principle? Yet are our youth not bewildered—and somewhat corrupted to easy ways—when one bigot, one lunatic, one anarchist strikes down a public official, and continues to pursue "life, liberty and happiness" because his crime was committed under a delusion of "temporary insanity"? And where goes, at that time our national pride and the esteem of world powers who would imitate a nation based on the principle that a man is, under law, free and independent—until his freedom destroys a human life, and his independence encroaches upon the right of another? Where then is democracy and justice under law?

Vigilante trials and "hanging judges" and all the miscarriages of justice that occurred in a century of "shoot-now-ask-questions-later" remain cankers of the American conscience; yet will a century of law-in-haste be erased and forgotten by a century of law-in-leniency?

Built under a system based on responsibility—the responsibility of punishment facing a man who would commit a crime, the responsibility of reform facing a law-maker who finds judicial codes out-moded and unequal to the demands placed upon it, and the responsibility of concern facing a people who see a new weakness creeping in upon the foundation of their society—our nation, supreme in justice and democracy unsurpassed in all the world, has endured two hundred years; and, with support, perhaps, will endure two hundred more.

Deadline Nears For Collection Of Rummage

The C. V. Schwartz home, located one mile south of Haskell, on Highway 277, has been serving the past several weeks as a collection center for clothes, furniture, tools, appliances, etc. The items will be picked-up and taken to Abilene next week where a big rummage sale will be held, with proceeds from the sale to go to the West Texas Rehabilitation Center, Abilene. April 24th is the deadline for collecting rummage. The Schwartz' expressed appreciation for the fine cooperation and stated they will pick-up any rummage until the deadline date, April 24th.

"GOOD GROOMING IS AN ASSET"

Uncle Charlie is very concerned about world problems...

We're very concerned about Uncle Charlie!

You see, being concerned is about as far as Uncle Charlie ever goes. He worries about this...he gripes about that...but actually getting out and doing something to solve some of those problems...well...that never occurs to him. So, the problems remain...some get worse...new ones arise...and good old Uncle Charlie always has plenty to voice concern about.

At Lone Star Gas, we believe in concern plus action. And we put that belief to work in the communities we serve, and for our more than one million customers. There are over 6000 of us at Lone Star Gas, and we like to think there isn't an "Uncle Charlie" among us!

NATIONAL LIBRARY WEEK, 1969

The week of April 20-26 this year is set aside as National Library Week. During this time the peculiarly human characteristic that accounts for all of man's accomplishment is to be commemorated... the ability to store the sum total of his knowledge and build new knowledge upon it.

Our libraries preserve the written word that records faithfully all that the wisest and most gifted among us have learned of the arts, of literature, of science and technology, of life, the world and the universe around us. In great libraries the record of civilization is being kept—in movies, in the sound of stereo tapes, on microfilm. The purpose of National Library Week is to create broader awareness of the need for better-read, better-informed America, and to encourage the habit of reading and library use.

Libraries have been the cornerstone of civilization throughout recorded history. They were never more so than now. Knowledge, especially in scientific fields, expands at a fantastic rate and education can truly never be completed but must be constantly sought throughout a lifetime of learning. Libraries remain a primary tool of learning. During National Library Week, let us strengthen the habit of using them often and well.

HASKELL COUNTY HISTORY

30 YEARS AGO
(April 21, 1939)

Three Haskell students in Texas Technological College, Lubbock, were listed on the fall semester roll of the college with average grades of "B", according to an announcement made Friday. They were Mary Eleanor Diggins, daughter of Mr. and Mrs. J. M. Diggins; Ralph Johnson, son of Mr. and Mrs. W. E. Johnson; and Duffler Crawford, son of Mr. and Mrs. J. M. Crawford, of Haskell.

Haskell Saturday won the district interscholastic League all-around championship with 45 points in district finals at Breckenridge, the first time since 1922 that Breckenridge has lost that honor. Contributing largely to the victory was the first place won by Haskell teams in both boys and girls debate. Baird was second in all-around rating, with 40 points. Cisco third with 33, and Clyde fourth with 30. Montgomery of Moran was high-point man for the day's contests. Summaries follow: Debate (boys): Jack Watson and Paul Crawford, Haskell, first; Girls: Louise Pierson and Elise Henson, Haskell, first; Declamation: Junior girls, Buemis Ratliff, Haskell, second; Rural senior boys, Edward Moeller (Haskell County), second; Rural school senior girls, Willie Faye Foster, Gauntt (Haskell County) second; Rural school junior boys, Alfred Cluck, Tonk Creek (Haskell County), first; Rural school junior girls, Wanda Camerson, New Cook (Haskell County), first; Ward school junior girls, LaVerne Livingood, Paint Creek (Haskell County), first.

Mr. and Mrs. Jno A. Couch visited in Ranger Wednesday. T. J. Arbuckle and John Rike made a business trip to Ranger and Eastland, Saturday.

Misses Calva McCurdy and Gayle Roberts from TSCW, Denton, spent the weekend with the latter's parents, Mr. and Mrs. Sam A. Roberts.

Mr. and Mrs. John W. Pace have returned from Dallas where they have been visiting several days and attended the Metropolitan Grand Opera.

10 YEARS AGO
(April 18, 1959)

The first meeting of the stockholders of the Haskell Building and Loan Association, recently organized here, was held in the director's room of the Farmers State Bank last Saturday afternoon. Officers and directors were elected and by-laws were adopted and sent to the State Commissioner of Insurance for approval. The following officers and directors were elected: R. C. Montgomery, president; Jno. Couch, vice-president; Emory Menefee, vice-president; V. W. Mesadors, secretary-treasurer; Dennis P. Ratliff, general attorney; Dr. D. L. Cummins, Sam A. Roberts, J. B. Post and above officers compose the board of directors. The organization has authorized capital stock of \$1,000,000 composed of 10,000 shares at \$100 par value. It will operate under a charter from the state and under supervision of the State Insurance Department.

A delegation of nearly 100 citizens of Haskell County visited Wichita Falls Tuesday morning to inspect local dairying and poultry plants and to study the methods whereby Wichita County is endeavoring to break away from one crop farming. The trip was organized by W. P. Trice, county agent, with the co-operation of bankers and businessmen of the county who have come to realize the need of a change in Haskell County's farming program.

The following 16 men have been summoned as Grand Jurors for the April term of District Court, beginning in Haskell next Monday, April 22nd. From the 16 men summoned, twelve will be selected to compose the Grand Jury for this term. Those summoned are R. C. Montgomery, Haskell; M. T. Rayborn, Rule; I. B. Loe, Rochester; J. A. Cassie, Rule; J. W. Turner, Rochester; J. H. Parsons, Sargent; A. D. Irick, Gorse; S. N. Reed, O'Brien; H. L. Bosse, Stamford; Newt Therwanger, Weinert; H. M. Cooner, O'Brien; Henry Crow, Sargent; L. L. Paxton, Haskell; J. E. Mapes, Haskell; J. B. Nanny, Haskell. Mr. Claud Stearns, a senior in Baylor University, Waco, was a guest of Miss Nettie Mullins last weekend.

60 YEARS AGO
(April 17, 1909)

Mr. F. Baker, who has been assistant in the Haskell post-office the past year, has resigned his position and returned to his home at Lockney.

The world famous "Mrs. Wiggs of the Cabbage Patch" will make her appearance in Haskell at an early date.

E. A. Chambers and W. M. Stephens were elected Aldermen.

The Methodist Church has purchased three lots west of Mr. D. M. Winn's residence and is having the architect prepare plans and specifications for the new church.

The Symphony Club will meet on Wednesday afternoon, April 23rd, with Miss Houston at the home of Mrs. Charles Irbay. The afternoon will be devoted to the famous musician Beethoven.

Geo. W. Manning and Miss Churchwell, of Rule, were married at the residence of Rev. Jno. Arbuckle at 10:00 a. m., Sunday.

Mrs. Will Whitman was hostess for the Magazine Club on Saturday afternoon, April 10th. The members responded to roll call with quotations from Burns. After the business hour the lesson on Robert Burns was dictated by Mrs. S. R. Eike, teacher of the afternoon. A character sketch of "Highland Mary" was told in an interesting way by Mrs. A. W. McGregor and the most excellent paper, "A Review of Robert Burns Cotter's Saturday Night" was read by Mrs. Fred Sanders. At five o'clock the club adjourned. The next meeting will be in the home of Mrs. Sanders.

There will be preaching at the First Christian Church at the usual hours Sunday morning and night. The public is cordially invited.

J. J. Campbell, a farmer of the west side, says he will give \$5.00 to a street fair fund.

We notice from the Fort Stockton Pioneer, that W. T. Jones' firm has made several good land sales.

RECEIVES PROMOTION
Cecil J. Covington, son of Mr. and Mrs. Cecil J. Covington of Munday, was promoted March 19 to Army specialist four in Vietnam, where he is serving with the 44th Transportation Company.

A mechanic in the company near Qui Nhon, Spec. Covington entered the Army in January 1968 and was stationed at Fort Polk, La., before arriving in Vietnam last June.

The soldier attended Temple (Okla.) High School, and was employed by Holmes Plumbing, Lawton, Okla., before entering the Army.

His wife, Linda, lives at 915 N. Meridian, Waurika, Okla.

FEATURED AT VERNON—The Frontiersmen, billed as America's No. 1 Western vocal group, will be featured along with television's Ken Curtis, the Festus Hagen of "Gunsmoke," at the 24th annual Santa Rosa Roundup in Vernon April 30-May 1-3. Rodeo President John Biggs has spared nothing to make this year's event the finest in the history of the Western Extravaganza, founded almost a quarter century ago by the late E. Paul Waggoner. With the Frontiersmen will be Hi Busse and Joanie. They are TV, movie and recording stars. The Frontiersmen have appeared on the Joey Bishop Show, Wide Country, and with Danny Thomas and Grand Ole Opry. They have made featured appearances at California, Ohio and Kentucky State Fairs and with the Houston rodeo and the National Finals Rodeo in Los Angeles.

Services Held Monday For Mrs. Lula F. Wolf

Funeral for Mrs. Lula F. Wolf, 89, who passed away shortly after midnight Sunday at her residence in Rochester, was held at 2:00 p. m. Monday from First Baptist Church in Rochester.

Officiating were Rev. Fred Garvin, pastor; Lucian Farrar, minister of Church of Christ, and the Rev. Aubrey Headstream, Methodist minister. Burial was in Rochester Cemetery under direction of Smith Funeral Home.

He is listed in "Who's Who in American Education" and "Who's Who in the Midwest." He belongs to numerous honorary and business organizations and has had articles published in several professional business journals.

News from Weinert ...

MRS. ERON JENKINS

April is already half gone and the rain we have received this past week has helped the wheat farmer, giving us more moisture for spring planting and put water in the stock tanks.

The spring revival starts next Sunday at the First Baptist Church. Brother Carter Tucker, former pastor, will be here for the Monday night service and will conduct the meeting through Sunday, April 27. The meeting will begin April 20, morning services at 7:30 A. M. and evening services at 8:00 P. M. Everyone is invited to attend.

Among those home from college and attending church at the First Baptist Church Sunday morning were Mr. and Mrs. Al Cunningham, Abilene; Linda Griffith, Paint Creek; Arch and Evelyn Mayfield, Abilene; Ruby Rainey, Abilene; Larry Sanders, Lubbock; Terry Sanders, Abilene.

Mr. and Mrs. Al Cunningham spent the weekend in the home of her parents, Mr. and Mrs. Hugh A. Miller. Also visiting in the Miller home Sunday were Mr. and Mrs. Jerry Hester and son.

Mr. and Mrs. Pat Mayfield from Fort Stockton, Mr. and Mrs. Wayne Liles and children, Haskell; Mrs. Mabel Cousins, Haskell; Mr. and Mrs. Bill Liles and Mr. Raymon Liles visited Mrs. Mary Liles this past weekend.

Mr. Dewayne Vaughn and friend, Howard Meroney from Anson, visited in the Otto Vaughn home last Thursday.

Mr. and Mrs. Edward Alexander and Ronny visited her parents, Mr. and Mrs. Dick McKennon and sister, Mrs. E. A. Motawell, who is in the hospital in Lubbock this past week.

Mr. and Mrs. Chester Smith who were visiting family and friends left Tuesday for their home near Morton.

Mrs. C. L. Garrett visited last Monday evening with Mr. and Mrs. Garth Garrett at Haskell. On Tuesday she visited with an old friend, Eula Crow, also of Haskell.

Mr. and Mrs. J. E. Jetton had her mother, Mrs. W. B. McMillin, Haskell, and their daughter and family, Mr. and Mrs. Donald Stafford, Kamay, home for a visit Sunday.

Mrs. Jan Schuttis, Chuck and Steve, and Mrs. Sandy Gilbert and Chris, were visitors in the home of Mr. and Mrs. Harlan Weinert this past week.

Mr. and Mrs. David Earle and boys from Norman, Oklahoma, visited their parents, Dr. and Mrs. Billy Stewart, Munday, and Mr. and Mrs. E. D. Earle of Weinert this past weekend.

Mr. and Mrs. Lowell McGuire and children and Mrs. Madymae Wilson from Fort Worth came Friday night and spent the weekend with his parents, Mr. and Mrs. Ernest McGuire.

Mrs. Mary Oia Johnston from Killeen was here for a weekend visit with her parents, Mr. and Mrs. C. V. Ashley. They visited in Rule Sunday with Mrs. Pearl Self and Exa Lott.

Mr. and Mrs. Frank Pickering from Weatherford and Mrs. Sarah Stewart from Munday visited with Mrs. Ima Stewart over the weekend.

Mr. and Mrs. Walter Davis and family of Denton and Cecil Davis of McMurry College were visitors in the J. D. Davis home last weekend.

W. C. Davis has re-enlisted in the Army and is stationed in Ikego, Japan.

Mr. and Mrs. Scotty Oman and children of Dallas spent last weekend with his parents, Mr. and Mrs. Frank Oman.

Mr. and Mrs. Junior Guinn and Andra of Dallas spent Easter with their parents, Mr. and Mrs. Wilke Guinn of Munday and Mr. and Mrs. W. A. Dutton.

Mr. and Mrs. W. A. Dutton and daughters, Ruthie and Lesa, were in Dallas over the weekend visiting with family and friends.

Mr. and Mrs. Glenn Caddell and daughters went to Abilene Saturday to visit Mr. and Mrs. Jack Rogers and attended the wedding of Yvonne Rogers and David Pappasan.

Mr. and Mrs. Edgar Wilson from Altus, Oklahoma visited her sister and family, Mr. and Mrs. T. E. Reeves over the weekend.

Mr. and Mrs. Ray Herricks from Lovington, New Mexico, visited his brother, Mr. and Mrs. Roy Herricks, last Wednesday. The brothers attended prayer meeting in Haskell Wednesday evening.

Visiting in the home of Mr. and Mrs. W. S. Walker Sunday were Mrs. Chester Lewellen and daughter, Chrysti and Mrs. Lewellen's mother-in-law, Mrs. Frank Lewellen from Haskell.

Weinert high school won District 16-B literary competition here last Thursday by a 138½ score, 36 points over Old Glory, who won second. Miss Bette Edwards took three first-place honors for a whopping 45 points for Weinert, and Kathy Hager with two firsts, Joey Yates, Tommy Miller, Judy Gray and Rodney Dutton, all had one first place each. Several were second place winners.

Larry Sanders brought home an award from Texas Tech, Lubbock which read as follows: Texas Technological College takes pleasure in presenting this certificate to Larry Sanders For Scholastic achievement qualifying for the Dean's Honor List. This recognition is accorded to those students only, who have attained a grade point average of 3.0 or better during the past semester, Fall Semester 68. R. W. Bradford, Dean.

Mr. and Mrs. R. M. Walker went to Seymour Sunday for a visit with Mr. and Mrs. Royce Standlee.

Mr. and Mrs. Hugh Smith and Mr. and Mrs. Fred Smith from Fort Worth were home the past weekend to see their parents, Mr. and Mrs. Henry Smith.

Mr. and Mrs. Cecil Jones went to the Brazos Valley Care Home in Knox City Sunday and visited Mr. and Mrs. Tom Robin, Mr. Tom Brown and Mrs. Berison, who are all residents there. They also came back by Haskell and Rice Springs Care Home and visited Mr. Bert Davenport and Mr. Velire Bowman. Then on to the Haskell County Hospital to see Mr. Henry Smith. While in Haskell they stopped by for a visit with Mrs. Jones' sister and family, Mr. and Mrs. Everett Medley.

Mr. and Mrs. T. B. Cybert and son from Jal, New Mexico, and Mr. and Mrs. Bobby Cybert and family from Odessa visited last week with Mr. and Mrs. Toby Yates and family.

Bryan and Gregory, Phemister of San Angelo are spending a few days in the home of their grandparents, Mr. and Mrs. Marvin Phemister.

Mr. and Mrs. Virgil Corner of Haskell were Sunday visitors in the home of their daughter and family, Mr. and Mrs. Chet Forehand, Kim and Shannon.

Dinner guests of Mrs. A. J. Sanders on Sunday were Mr. and Mrs. R. S. Sanders, Jan and Larry, and Miss Linda Griffith of Paint Creek.

Visitors at the Church of Christ Sunday included Mr. Don Stafford and children of Iowa Park, Mrs. Eva McMillen and Freddy Letz of Haskell.

idents there. They also came back by Haskell and Rice Springs Care Home and visited Mr. Bert Davenport and Mr. Velire Bowman. Then on to the Haskell County Hospital to see Mr. Henry Smith. While in Haskell they stopped by for a visit with Mrs. Jones' sister and family, Mr. and Mrs. Everett Medley.

Rewarding Career Offered By Texas DPS

Specialized training in an elite field and a rewarding career are the opportunities being offered by the Texas Department of Public Safety.

A call was issued today for applicants to fill a 120-man class beginning May 6 in Austin. Because of the short time remaining to test applicants, immediate inquiry is urged for area young men interested in becoming a member of the Texas DPS.

Applicants must be between 20 and 35 years old, at least 68 inches tall, weigh not less than two pounds or more than 3½ pounds per inch of height, and be in sound physical condition. They must have a high school education or the equivalent and their record must be able to stand a rigid examination per-

taining to character and citizenship and Drivers License. For complete information concerning the position of young men are encouraged to contact the nearest Texas man or DPS office. The time is short before start of the May 6th school.

JUDITH ANDERSON AND SHARON ISBELL SERVING AS STUDENT TEACHERS

Judith Anderson and Mrs. Sharon Isbell of Haskell are among 716 North Texas State University students serving as student teachers in Dallas-Fort Worth-Denton area schools during the spring semester.

Some are teaching in area schools all day for eight weeks and others are training half a day for 16 weeks. A third group will spend all day of the last eight weeks of this semester.

An estimated 1,200 NTSU students are expected to participate in the teacher-training program during the 1968-69 school year, according to Dr. C. M. Clarke, director of teacher education.

Included in the three teaching groups this spring are 471 students preparing for secondary teaching positions and 245 for elementary. In the secondary group are 49 seniors who will receive an all-level certificate for both secondary and elementary teaching in music, art, physical education, speech, physical education, speech therapy or library service.

Miss Anderson, daughter of Mr. and Mrs. Eldon B. Anderson, 1702 N. Ave. H, is teaching vocal music in the Dallas Public Schools.

Daughter of Mrs. Mildred C. Robertson, 1706 N. Ave. H, Mrs. Isbell is teaching at Lakeland Elementary School, Lewisville.

Assigned to 25th Infantry Division Army Private First Class Benjamin M. Hernandez, 19, son of Mrs. Susie Lopez, of Munday, was assigned March 8 to the 25th Infantry Division in Vietnam.

Fight the farm price/cost squeeze with NITROMITE... NITROMITE packs a powerful punch with more usable nitrogen per dollar to help increase yields without increasing your cost appreciably. Then even low prices can't floor you — if they're good, you'll be the big winner.

Put down some NITROMITE before you plant to give your crop a great big shot in the yield. It'll give you a fighting chance in the marketplace.

SAGERTON NEWS

MRS. DELBERT LEFEVRE

H. D. Club Meets
The regular meeting of the H. D. Club was held at the home of Mrs. Delbert LeFevre on Thursday, April 10. The meeting was opened with the reading of the Club Creed and prayer.

Mrs. Corzine and Mrs. Tichelman brought an interesting program on "How to Buy" when buying appliances, and clothing that would help a woman run her household efficiently.

Refreshments were being made for a workshop which will be held soon and is for anyone in the community who is interested. Anyone interested should contact any club member.

Those present were: the Meses, Leonard Kieke, Lewis Corzine, Delbert LeFevre, J. H. Jordan, A. C. Knipling, Gene Tichelman, John Tichelman, and the hostess.

Mrs. John Tichelman led the group in a quiz game and refreshments were served.

One of the Sagerton boys, Carlo Macias, a freshman at Rule High School, is a member of the sprint relay team from Rule to

run at the Class B Regional Meet at Stephenville this coming weekend. Kent LeFevre is going as an alternate.

Methodist Women Meet
The home of Mrs. John Clark was the meeting place for this month's Bible Study for the Methodist Women of the local church. Bro. Marvin Fisher and Mrs. Fisher of Rule were special guests.

Those who attended were: Mrs. Cliff LeFevre, Mrs. Reese Clark, Mrs. F. A. Ulmer, Mrs. Delbert LeFevre, Mrs. Harvie Jordan, the guests and the hostess. The study was led by Mrs. Delbert LeFevre.

Several members of the Sagerton Methodist Church attended the open house at the Methodist Parsonage at Rule Sunday afternoon.

Mr. and Mrs. M. Y. Benton visited with Mr. and Mrs. Eldon Cook and daughters at Big Spring over the weekend.

Mr. and Mrs. Jimmy Vasek of Lubbock, Mrs. Emma Lamont of Stamford, and Buster Crabh of Abilene were guests of Mr. and Mrs. Melvin Lewis Sunday.

Miss Elsie B. Hewett and her roommate, Carol, of Salt Lake City, Utah, are here visiting with Mr. and Mrs. Fred Kupatt and Kris and Kraig.

Fred Kupatt went to Kerrville last week when his father, Bruno Kupatt, a former Sagerton area resident, had surgery at the Veterans Hospital there. We are happy to report that Mr. Kupatt is doing fine.

Funeral Services Held At Rule For Sam Jennings

Samuel Vance (Sam) Jennings, 75, passed away at 3:00 a. m. Thursday, April 10, at the Haskell Memorial Hospital following a four-day illness.

Funeral was held Friday at 2:00 p. m. at the First Baptist Church of Rule with Rev. Danny Johnson, pastor of the Calvary Baptist Church of Rule, and Rev. Mike Herrington, pastor of the Rule First Baptist Church, officiating. Burial was in the Knox City Cemetery under direction of the Pinkard Funeral Home of Rule.

He was born in Ileton Dec. 21, 1893, and had been a resident of Rule the past 26 years. He was married Dec. 7, 1922, in Knox City to Willie J. Alexander.

Survivors include his wife; three daughters, Mrs. George McKinney of Plainview, Mrs. Orville Emerson of Fresno, Calif., and Mrs. Ervin Koelker of Cotton Center; three sons, Thomas Everett of Idabel, Okla., Raymond Vance of Pampa, and James Wallace of five great-grandchildren; two sisters, Mrs. Myrtle Bailey of San Diego, Calif., and Mrs. George Murry of Ira.

He was a member of the Calvary Baptist Church and a veteran of World War I.

Coeds Can Win 4-H Home Ec. Scholarships

A chance to apply for one of six \$800 national 4-H scholarships is offered to coeds who plan to major in home economics in their junior year in the fall of 1969, according to the National 4-H Service Committee.

The state finalist's 4-H and scholastic records will be judged early in November. Winners will be announced by the Extension Service during the National 4-H Congress held in Chicago, Nov. 30 through Dec. 4.

Peace Corps Placement Test Slated Saturday

Haskell area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps Placement Test at 1:30 p. m. on Saturday, April 19, at Room 2201, New Post Office Building, Abilene.

The Peace Corps uses the Placement Test to determine how an applicant can best be utilized overseas. The test measures general aptitude and the ability to learn a language, not education or achievement. The test requires no preparation and is non-competitive; an applicant can neither pass nor fail.

Persons interested in serving with the Peace Corps must fill out an Application, if they have not already done so, and present it to the tester before the test. Application forms are available from post offices or from the Peace Corps in Washington, D. C. 20525.

Fifteen thousand Volunteers are currently serving in Asia, Africa, Latin America and the Pacific Islands, working with the people of those nations in self-help projects ranging from food production to health education. More Volunteers are needed for programs which will begin this spring and summer.

HELPED STUDENTS

In the past 10 years, the National Defense Education Act has helped 1.5 million needy students borrow over \$1.3 billion in low-interest loans to finance their college or vocational education.

Maverick To Be On Display Today, Thursday

The 1970 Maverick... a sporty two-door, four passenger sedan, will be introduced at Bill Wilson Motor Company and Ford

dealerships throughout the nation, today, Thursday, April 17.

In size, the Maverick takes an independent stand between the sub-compacts and domestic compacts. With a 103-inch wheel base and 179.4 inch overall length, Maverick is 19 inches longer than its principal foreign competitor. It is nine inches wider and five inches lower than the import and has almost twice the trunk space.

Maverick, by Ford, challenges the United States imported car market with a \$1,995 suggested retail price, average gas economy of 22 1/2 miles per gallon, a peppy 105-horsepower engine, easy serviceability and the fun-look of the '70's.

Elsewhere in today's issue of the Free Press will be found an advertisement concerning the showing of the brand-new Maverick.

XEROX COPYING MACHINE. Custom Copying for the Public. Excellent copies up to 8 1/2 x 14 inch size. See us for additional copies of valuable papers. Only 15c per copy, cheaper in quantities of 20 or more.

Paint Creek Community News

One can almost see the wheat grow. I do believe it grows an inch every day. Most farms are clean and the new ground smells so good, and all the fields look very nice and orderly—and expectant. Maybe "expectant" is a bit poetic, but sometimes the land does look as if it were anxious to get on with growing cotton and maize. Living in the country is always fun, but this time of year when the wheat is so green, and the newly turned soil is so rich looking, and the baby calves are so cute, and the pastures are covered with little wild flowers, it makes one wish he could write a song. But there is too much work to be done to write anything, even the news.

There were about 60 members and guests present for the annual parent-son banquet of the Paint Creek Future Farmers of America banquet held Thursday night, April 3rd, Bill Sarpalus, of Boy's Ranch, Amarillo, president of the Texas Future Farmer's of America, was guest speaker.

Wanda Griffith, daughter of Mr. and Mrs. Sammy Griffith, Chapter Sweetheart, was recognized and presented a sweetheart jacket.

Tom Horton, Chapter advisor, recognized the members of this year's leadership teams, soil conservation essay contest winners and four Lone Star Farmer degree candidates. The 1968-69 officers were recognized and presented their officer's pins.

FFA Foundation awards were presented to Alex McLennan and Clarence Dukatnik for crop farming; Donnie Green, farm mechanics; Clarence Dukatnik, livestock farming; Glen Casselberry, poultry farming; Mike Brazell, farm electrification. Dale Casselberry received the Green Hand Farmer Award and Larry Cockrell was awarded Star Farmer of the chapter. The Scholastic Achievement awards went to Ricky Brazell, Voc. Ag. 1; Larry Cockrell, Voc. Ag. 2, and Glen Dudensing, Voc. Ag. 3. Certificates of Merit were presented to Clarence Dukatnik for showmanship, and to Lupe Gonzales for improvement in all his work.

Chapter officers are Glen Dudensing, president; Ricky Green, vice president; Dwight Overton, secretary; Donnie Green, treasurer; Steve Livengood, reporter; and Alex McLennan, sentinel. Donnie Green and Mike Brazell are the Chapter's talent men.

The All-Sports banquet was Friday night, April 11th, at the Cliff House at Stamford. The invocation was given by Superintendent Bill Gibbs. Several songs were sung by Alexia Mayfield of Weisport, Mary Lee Alexander and Steve Livengood

sale barn Saturday. They took their canoe, and it really had a good work out, and they caught about 25 good size edible fish and lots of drum and rough fish. Well, they used 250 worms in 24 hours time. It rained and rained, and some fell out of the canoe, and others slid down in mud, and their clothes were a mess. But they all had fun. The scoutmaster reported they slept warm and dry in their tents, but all during the day they were wet and cold, and should have been miserable, but had a marvelous time. About 135 boys attended the fish-o-ree and everybody had all the fish they could eat for Sunday dinner.

Mr. and Mrs. Boyd Cathey of Grand Prairie spent last weekend here visiting her uncle, Howard Montgomery, and Mrs. Montgomery.

Steve Livengood, a senior at Paint Creek, was named on the West Texas Chamber of Commerce Academic Boy's Basketball team. With an academic average of 97, Steve led all boys in the Class B selections. He is the son of Mr. and Mrs. Homer Livengood.

Selections to this mythical team are based on academic achievement, athletic achievement, character, citizenship and leadership. Beverly King, president of the West Texas Chamber of Commerce, wrote Steve, "The demanding requirements for selection plus the number of fine young men nominated makes your selection an outstanding achievement. All West Texas will be proud of you and will look for continued exemplary achievement as a young citizen of West Texas."

John Carlos Montgomery and children, Johnny Paul, April and Scottie of Midland, spent last weekend with his parents, Mr. and Mrs. J. Howard Montgomery.

Mrs. Gene Overton was in Abilene last Tuesday to see the dress rehearsal of the one-act play given by Cooper High School drama department. They gave a cut from "A Midsummer Night's Dream," and won third in competition at Odessa Friday night.

Mr. and Mrs. Harvey Terrell had their daughter's family, Mr. and Mrs. Lester Seth and sons of Midland visiting Easter Sunday. Their son-in-law, E. A. Howard of Post, who suffered a heart attack recently, is much better. Mr. Howard and his wife

national Agriculture students were getting ready for a stock show when north Texas had the big snow several weekends ago. The boys couldn't get into town to care for their stock at the show barn, and Mr. Howard and his assistant tended all the stock in waist-deep snow, and E. A. suffered a heart attack.

Mrs. Paul Fischer and Jo Morrison spent last weekend in Midland visiting Mr. and Mrs. Sam Chaffin and Kelly. Kelly came home with them to spend two weeks.

Sture Ureland, a young exchange teacher from Sweden at Angelo State College at San Angelo, was in Erickdale one day last week as a guest in the home of L. W. Stenholm. Mr. Ureland held an interview with Mr. Stenholm, Mr. C. H. Peterson, Mr. Hiram E. Olson, Mr. John L. Nelson and Mr. L. W. Larson. He went to visit some Swedish people and compare the language as spoken here and in Sweden. Erickdale is predominantly a Scandinavian community, and Mr. Ureland is studying the Swedish people who immigrated to America and their descendants. He took notes during the two-hour interview, and also recorded on the tape the conversation. Don't you know those Erickdale men enjoyed that?

J. R. Perry, Commissioner of Precinct 3, is doing some much needed road work on this road running east from the beer joint and then south to the Paint Creek road from the Stamford-Haskell road to the lake. Ray has had new calesche brought in and built up the road bed. It is so nice to be able to get out when it rains. Mr. and Mrs. Hopkins have almost been rained in a time or two this spring. But this new road will be an all-weather road.

Annual Spring Beautification On Monday Morning April 21 Through 26

City trucks will begin hauling rubbish, cans and trash of all kinds, except trees, limbs and anything that will not burn, that becomes a menace to health as well as causing an unsightly appearance to our town.

The City officials are going all out to make this the most thorough clean-up this city has ever had— To do this, your Full Cooperation is necessary.

SO BEGIN NOW

Clean attics and garages of all useless discarded items . . . trim hedges . . . clean vacant lots.

Put all trash in containers for quick handling but if unable to get containers, pile all rubbish in accessible location for the city trucks.

PLEASE HELP US MAKE THIS CLEAN-UP THE BEST!
