NEW HIGHWAY LOOMS FOR LUBBOCK

VESTRI'S SURVIVORS ARE PICKED UP

SCORES SAVED IN SEA DRAMA AS CONTINUED

LIST OF RESCUED SET AT 215; ONE DEAD, 123 MISSING
(By Associated Press)
NEW YORK, Nov. 13.—A compilation from radio reports this afternoon showed 215 known rescued of the passengers and crew of the steamer Vestris, one dead and 123 unaccounted for. The American Shipper had 123 survivors aboard, the Tanker Myriam 63, the liner Berlin 21, and the Wyoming 8.
The dead man was picked up by the Wyoming.
One man was known to be dead. A woman and child were reported missing in the rolling waves and their deaths seemed probable as reports from the rescue fleet off the Virginia Capes today slowly pieced out the story of the sinking of the liner Vestris.
At noon, almost a full day and night since the 339 passengers and crew went over the tilting side of the stricken vessel into lifeboats and rafts, only 215 had been definitely accounted for, and most of the lifeboats had been picked up.
Woman and Child Seen.
One man taken from the water by the steamer Berlin told of seeing a woman with a child in her arms floating near him. Search was being made for them and lookout was kept for others who had found no room on the boats or who had been washed from the rafts.
The dead man, unidentified in (Turn to Page 10, Column 3, Please)

SEVEN INJURED IN SMASH-UP

HOUSTON, Nov. 13.—Seven members of a family were hurt, three seriously, when their automobile was hit by a Santa Fe passenger train at a crossing here today. They were on their way to a funeral when the accident occurred. Those seriously injured were Mrs. Sarah Fenzl, 41, fractured ribs and probable internal injuries, Stella Fenzl, 3, fractured skull and broken left shoulder, and Florence August Fenzl, 8, probable fractured skull.

DOCKETS HERE HEAVY, COURTS REPORT TODAY

FEDERAL COURT IS TO OPEN NEXT MONTH; CASES NUMEROUS
Docket for the initial session of Lubbock's division of the Federal Court of the Northern District of Texas was announced this morning to Mrs. Olive Fluke, deputy district clerk, by a letter from James C. Wilson, presiding judge of this district court.
The first term of the court will open here December 10 and although the full docket has not yet been announced it promises to be a heavy one.
Injunction suit of the West Texas Utility company against the city of Spur, concerning a light-power war in that city, will come to trial Monday, December 10, the first day of the court.
Petitions in bankruptcy up for review in the court will be taken up by Judge Wilson on December 11. The jury will be summoned on the 12th and the first law suit tried. The case is styled, W. H. Beatty against the General Laundry corporation.
Several criminal cases will be on the docket of this session of court, although the definite settings have not been announced.

SMITH SPEECH TONIGHT WILL BE BROADCAST

GOVERNOR REFUSES TO DIVULGE NATURE OF 'LAST MESSAGE'
(By Associated Press)
NEW YORK, Nov. 13.—Governor Alfred E. Smith tonight in a half hour radio address will give his parting "message to the American people."
The Governor upon his arrival here from Albany announced that, in advance of his talk would be given out nor would he intimate just what would be its nature. He will speak from the National Broadcasting studio at 8:00 o'clock.
Tomorrow he will leave with several friends for a vacation of several weeks "somewhere in the South." He said he did not know where he was going.
Trip Yet Undecided
"I haven't seen Bill Kenny yet," he said. "He is fixing things up. We are going where the temperature is 75 in the shade."
He said he did not think he would stop at Warm Springs, Ga., to see Franklin D. Roosevelt, Governor-elect.
"I am trying to get away from politics," he said. "I had a lot of it for four months."
None of the members of his family will accompany him. The Governor expects to spend the greater part of his time playing golf.

LAD AND DAD PARTY FIXED

CHECK-UP OF PLAN IN HELD BY COMMITTEE THIS AFTERNOON
Final arrangements for the mammoth father and son celebration to be held at the Tech College gymnasium next Tuesday night were checked over this afternoon by representatives from the committee for the affair. The program committee for the affair went out to the gymnasium in connection with preparation activities.
Announcement of the celebration is being made in all of the schools of the city today, and members of the committees in charge of the arrangements are rapidly being rounded into shape. The Rev. L. G. H. Williams, general chairman of the celebration, predicts the greatest affair of its kind ever held in West Texas.
Charles Whitacre, chairman of the rural committee, is making a tour of the rural committee districts in the interest of gaining out-of-town attendance. Today he went to Shallowater and County Line. Although this is Boys' Week, and is being observed throughout the nation, no special program has been arranged in this city. The big father and son celebration was postponed until next week because of conflicting dates.

Early Passage Of Navy Bill Planned

WASHINGTON, Nov. 13 (AP)—President Coolidge's Armistice Day assertion that "world standards of defense require us to have more cruisers," has served to strengthen the determination of administration leaders in the Senate to obtain passage of the \$274,000,000 naval construction bill at the coming session of Congress.
It has been followed, too, by a re-statement of policy by the Navy department. This was formulated by the general board of the Navy and, bearing Secretary Wilbur's approval, was made public today.

FOURTH ASSAULT MADE BY ROBBERS IN PAST WEEK IN SECTION
Another robbery has been added to the series of safe-breakings which have baffled the officers of this section for the past week, according to a report to the local sheriff's department yesterday.
This is the fourth safe-breaking robbery within the last week in this section, and few clues have been uncovered. The other robberies were at Anton and Shallowater.
GRANGE TRIAL DELAYED
CHICAGO, Nov. 13 (AP)—On the plea that the judge was prejudiced, Harold "Red" Grange, one time football hero at the University of Illinois, was granted a change of venue today in the case against him alleging he is the father of the seven-month-old daughter of Mrs. Helen Plouzak. The case was transferred to the chief justice for re-assignment.

New Oil Producer Drilled In Texas

AUSTIN, Nov. 13 (AP)—A gusher productive of an estimated 5,000 barrels of oil a day was roaring out of its well in San Petroleum acrely, some 12 miles north of Brenham, today.
The test "came in" yesterday, W. B. Ferguson, Sun official, said. The well, known as the Grote No. 2, is situated near Independence, where the company has leased thousands of acres.
The test "came in" yesterday, W. B. Ferguson, Sun official, said. The well, known as the Grote No. 2, is situated near Independence, where the company has leased thousands of acres.

Ft. Worth Oil Man Sentenced To Jail

FORT WORTH, Nov. 13 (AP)—Harold Stanley, 30, Fort Worth oil promoter, was sentenced to 18 months in Federal prison at Leavenworth, Kans., yesterday in the United States District court. He was convicted of using the mails to defraud.
Denny Moore, or Tommy Tatum, Fort Worth, charged with Stanley in the same indictment of 18 counts, will not be tried here, as he is awaiting trial in federal court at Alken, S. C., upon a similar charge, the court was informed.

Human Cogs Of Wall Street Machine Falter In 'Hoover Market' Rampage

BELIEVE CLUE TO THEIR SLAYER IS UNCOVERED BY OFFICERS IN DALLAS

MRS. BESSIE LYNCH AND MRS. CLEO LIETO
DALLAS, Nov. 13.—Believing they had under surveillance a youth who witnessed the slaying of two young married women near here on November 4, officers said today they expected to be able to clear up the double murder soon.
The youth was questioned for about two hours by Grady Kennedy, special investigator, who told newspapermen after the youth had left: "I'll be able to clear it up for you." He added, however, that the youth had "not told all he knows" of the slaying of Mrs. Bessie Lynch, 21, and Mrs. Cleo Lieto, 19.

CRASH VICTIM IS IMPROVED

J. C. WILSON, INJURED NEAR POST, BETTER TODAY, REPORT
Condition of John C. Wilson, state highway engineer of Post who was critically injured last Thursday when the car in which he was riding overturned near that city, this morning was reported slightly improved.
Wilson has been in a local hospital since the accident suffering from a double fracture of the skull, a broken collar bone and several broken ribs. He will not be out of danger for several days, attending physicians stated.

PRISONER, ENRAGED AT COURT, BEATS CELL-MATE TO DEATH WITH PIPE

By Associated Press
CLEVELAND, Nov. 13.—Enraged by a four year federal prison term imposed upon him, James T. Nevins, 39, a prisoner at county jail, killed his cell mate with an iron pipe today, according to his confession to police.
Donald Prentiss, said to be district manager of the Detroit territory of a large automobile manufacturing corporation, was the victim. He died without regaining consciousness.
Nevins confessed he had intended to use the iron pipe on Federal Judge Paul Jones who sentenced him, but did not get a chance to do so when brought into court yesterday.
Prentiss was under a one year sentence at Atlanta for statutory offense.

WILD RUSH SENDS OLD BROKERS STUMBLING FROM FLOOR

(By Associated Press)
NEW YORK, Nov. 13.—Because of the "Hoover market," which surpasses the wild rush of stocks last spring, the human cogs in the exchange machine were almost at the point of exhaustion today.
Midnight oil is being burned in brokers' offices as the over-worked bookkeeping staffs attempt to keep pace with a market which high speed tickers have found difficulty in following within an hour of actual transactions.
Older Members Forced Out.
The brokers on the floor are being forced to take extended week-end vacations. Many of the older members have been forced to give up their seats to younger members of their firms better able to withstand the physical battering they must undergo.
Michael J. Meehan, former brokerage clerk, who was the whirlpool center of the bull market in Radio last spring, felt the strain so deeply that he has gone on a month's vacation. He is reputed to have added additional millions to those he made last spring in the current "bull" market.
In an effort to check the frenzied operations many commission houses have increased their margin requirements to 40 per cent, or more, especially for stocks selling above \$200 a share. To date, however, this move seems to have had little effect and there have been few liquidations of weaker marginal accounts.
Specialists Fall In Rush.
Many specialists on the floor have refused stop orders, that is to accept a range within which they would be authorized to operate for their clients. They have commented that it is physically impossible for them to watch such orders in this kind of a market.
The new high speed printers, capable of handling three times the present volume by printing 1,000 characters a minute, are being manufactured to record sales, but this service cannot possibly start operation for some time. Some brokers say that the new printers will be so rapid they will be unable to read and follow them and any advantage in speed will be lost.
Belief was expressed that the volume under 500 shares is to be dropped from the ticker, except on opening sales but the exchange will keep the volume count and supply it to newspapers over telegraph printers at regular intervals. The price on all sales of course will be carried. This is expected to speed up the ticker 10 per cent. In yesterday's record market of 5,670,000 shares the ticker was one hour and 35 minutes behind the trading at the close.

Missionary's Body Is Found In Hotel

OKLAHOMA CITY, Nov. 13 (AP)—Mrs. Nancy Jones, 43, of Sherman, Tex., former missionary to China, was found dead today in her room at a hotel here. She apparently had died from effects of self-administered poison.
Belief was expressed that the woman had been dead since Sunday afternoon, when she registered at the hotel after telling friends at a boarding house where she lived that she intended "to end it all."

NEFF ISSUES REBUKE

DENTON, Nov. 13 (AP)—Former Governor Pat M. Neff of Waco administered a rebuke to Texans for having forgotten the illustrious past of the state and the heroes who won the state's freedom from Mexico, in an address at the session of the Texas Federation of Women's Clubs at College of Industrial Arts here last night.
The governor was a speaker on the first day's program of the convention, which brought more than 300 club women here from all sections of the state.

TWO BOATS STRANDED

CLEVELAND, O., Nov. 13 (AP)—Churned up by the fury of a 40-mile wind, the waters of Lake Erie stranded two Cleveland boats on the lake shore today. The stranded vessels are the Edward J. Berwin, an ore freighter owned and operated by the Franklin Steamship company, and the Coralia, owned by the Nicholson Universal Transportation company.

ST. LOUIS-TO-EL PASO ROUTE THROUGH LUBBOCK TO CAVERN AT CARLSBAD BEING PLANNED

MEETING HELD YESTERDAY AT QUANAH FINDS MANY SUPPORTERS; PLAN ALSO INCLUDES OKLAHOMA CITY; LOCAL MEN HONORED
J. H. HANKINS NAMED VICE-PRESIDENT
T. A. WHITE, ALSO LUBBOCK MAN, IS ELECTED AS A DIRECTOR OF ORGANIZATION FORMED IN ARMISTICE DAY GATHERING

The proposed St. Louis-El Paso highway, passing through Oklahoma City, Quanah, Lubbock, and Carlsbad, loomed as a reality yesterday afternoon with the meeting at Quanah of about 100 representatives of Texas, New Mexico, and Oklahoma.
A record for speed and efficiency is thought to have been made with the meeting which convened at 10:30 o'clock yesterday, perfected a permanent organization, elected officers, named directors and held a directors' executive meeting in which definite steps toward the establishment of the highway were made, by 4 o'clock.
J. H. Hankins, Lubbock city commissioner, was named as one of the two vice presidents of the permanent organization and Tom A. White, manager of the local telephone company, was selected as the director from this city.
Named "Carlsbad Highway"
The highway was officially named the "Carlsbad Highway," and a few steps of designating routes between places along the proposed route are all that are remaining in the final establishment of the road.
Carl Guin, secretary of the Quanah Chamber of Commerce, was elected president of the Carlsbad Highway association, and Luke Roberts of Lovington, N. M., was elected as one of the vice presidents. One director was selected from each town represented at the meeting.
General discussion of the route, paving, present facilities of roads to make up the highway were held at the meeting. Picture slides of the Carlsbad Cavern were shown to the delegates at the meeting.
Route Not Worked Out
Route of the highway from Quanah to Lubbock is one of the kinks yet to be worked out. The Hardeman county commission is to be met within the near future and it is expected that the route will

WALSH CALLED FOR STORY IN STEWART CASE

(By Associated Press)
WASHINGTON, Nov. 13.—The government reached into the senate today for testimony in its efforts to prove that Robert W. Stewart, chairman of the board of the Standard Oil company of Indiana, perjured himself during the long drawn out investigation of the oil scandals.
It placed on the stand as its first major witness Senator Walsh of Montana, who founded the oil scandal case before the senate investigating committee, and the Montana swore that the oil man had last February testified before the committee that he knew nothing about bonds of the Continental Trading company, which figured largely in the case.
Bonds Went to Fall
Testimony has shown that a large batch of these bonds found their way to Albert B. Fall, who leased Teapot Dome to Harry F. Sinclair.
Leo A. Rover, district attorney, inquired whether Stewart had been asked about his knowledge of any recipients of the bonds, saying that Senator Nye of North Dakota had asked such a question. Walsh added that Stewart had said he had nothing to do with any distribution of the bonds and had not "made a dollar out of them." Upon repetition of original question, Walsh said (Turn to Page 10, Column 5, Please)

Armistice Frolic A Quiet One Here

Armistice anniversary celebrations last night were not as hilarious as expected by local officers and the police blotter this morning reveals little more than the average number of drunks.
Five local persons paid fines in the city police court this morning on drunkenness charge. The fines ranged from \$15 to \$25, being determined, apparently, "by the fullness thereof."
Several arrests were made by members of the sheriff's department last night on charges of drunkenness. The boys were still sobering up in jail this morning.

Marriage Licenses Sell At Rapid Clip

Issuance of marriage licenses continued at a rapid clip yesterday in spite of the fact that it was supposed to be a holiday.
Three licenses were granted from the county clerk's office for the day to bring the month's total of licenses to thirty. An average of more than two a day.
Yesterday's licenses were to Rush Williams and Willie Mae Thorp; W. A. Pruitt and Lena Mae Glass; and Jesse Chinn and Geneva Wilson.

GATHERING OF BOLLS SPURTS

PICKING SITUATION IS BEING WELL CARED FOR, IS BELIEF
Cotton picking and ginning swayed into full blast yesterday for the greatest amount of harvesting activity since the recent rainy weather. Lubbock County Agent D. F. Eaton said this morning.
Following an intensive inspection of the crops of the county, Mr. Eaton stated that his previous estimate of from 35,000 to 40,000 bales of cotton as the production total for the county this year, still held good.
Good Crop Of Bolls
"There is a good crop of bolls," he said, "if they will only mature enough so that they can be harvested."
Mr. Eaton feels that the cotton picking situation in the county is being taken care of splendidly by the government employment bureau agent stationed here.
In addition to cotton harvesting, the feed crop is being gathered rapidly and the turkey crop is ready for the market, according to Mr. Eaton.

Six Canadians Are Missing In Forest

WINNIPEGO, Man., Nov. 13 (AP)—Six employees of the Dominion Department of Marine and Fisheries were missing today in the "barren lands" between Fort Churchill and the end of the Hudson Bay Railway, company's line in northern Manitoba.
Search was made by airplane and land parties.
The men left Churchill November 3, headed for "Mile 412" on the Hudson Bay Railway, 100 miles away, where they could make rail connections for the Pas. They carried little food and sleeping bags or tents. They should have reached the rail line in four days.

TESTIMONY IS FOR McDONALD

LUBBOCK MAN IS ONE DEFENDING WILL OF PARIS ECCENTRIC

(By Associated Press)

PARIS, Tex., Nov. 13—Two old friends of the late W. J. McDonald, Paris capitalist, from the witness stand in district court here yesterday sought to defend him from allegations that his mental powers were wavering when, in his will, he bequeathed \$1,250,000 to Texas University for establishment of an astronomical observatory.

Relatives of the dead financier seek, in the second lower court trial of a contesting action, to set aside a will McDonald had made and that, in the portion he examined, there was no reference to an observatory.

Lubbock Man Testifies

R. M. Walker of Lubbock, formerly of Cooper, Tex., though saying McDonald had "peculiarities," swore the latter was interested in astronomy for 25 years and was, in Walker's opinion, a rational and balanced man.

Dan Roberts, Paris, another witness for the university, who said he long was associated with the testator in business affairs, declared Mr. McDonald had the best "judgment and mentality" of any man he ever had known.

On cross examination, Roberts testified that he had read a part of a will McDonald had made and that, in the portion he examined, there was no reference to an observatory.

Tech Stock Judgers Leave For Tournaments

Headed by Ray Mowery, coach, the Texas Tech stock judging team left Sunday for Stillwater, Okla., where it will compete in judging activities there among the stock of the Oklahoma A. and M. college.

The team will also go to Wichita, Kas., and Kansas City, returning here in about ten days. The members will attend the National Live-stock show in Wichita, Kan., the Royal Livestock show at Kansas City. Members of the team include Vaughan Corley, John Burroughs, Curtis Grimes, R. C. Tom, Bernice Carmichael and J. A. Jackson.

THE TINYMITES

(READ THE STORY, THEN COLOR THE PICTURE)

Poor Clowry! Once again this had pulled a trick that seemed real bad. It really was his fault, though, that he had tipped the urn of gray on the captain's clothes. How scared he was nobody knows. Thought; he, "What will the captain do when it begins to burn?"

He didn't have to wait for long. The captain, very big and strong, jumped to his feet and shouted, "ouch! What sort of trick is this?"

The other Tinies, just outside all heard him as he loudly cried, "Oh my!" exclaimed fat Copy, "something else has gone amiss."

They peeked into the dining place and saw the fright on Clowry's face. And then they spied the captain with the gray on his vest. "That wasn't done with ill intent," said Clowry, "was an accident. But my, the captain's mad! No wonder Clowry looks distressed."

Then up jumped Clowry with a roar and scampered to a nearby door. He dashed outside, and down the deck. The captain shouted, "Hey, I guess you think you're pretty slick to pull that gray spilling trick. Come back and take your punishment. Don't try to run away."

But Clowry kept on running fast. He reached a hiding place at last. "Twas far down in a coal pile. 'No, I'm good and safe," said he. The captain didn't find him there, but shortly Clowry got a scare, as Copy sneaked up carefully and said, "It's only me!"

"Don't tell the captain where I am," begged Clowry, "just bring me some jam and bread 'cause I am hungry. I have had no food today. Soon Copy brought a tasty treat, and as he watched poor Clowry eat, he said, "Stay here until we find a plan to get away."

(The Tinymites leave the ship in the next story.)

JOURNALIST OF COLLEGE CLASS VISIT NEWSPAPER

Members of the news writing class, Journalism 134, led by their instructor, Prof. Cecil Horne, visited the offices of the Avalanche-Journal at this morning and were shown through the plant, from "top to bottom."

The students saw today's Journal in the making and were shown how the paper is assembled and printed. The visit marked the third annual inspection trip of the Tech class.

Those making up the entourage were, in addition Professor Horne, Guy C. Blanton, Wyneta Boyles, Estelle Carruth, David Chandler, Mary Cihacek, Duellie Clemens, Roy Culp, Rue Eubank, Lyndell Gaddy, Oleta Elizabeth Gray, Joy Hall, J. P. Howlett, Gordon James, Joe W. Long, Eunice Leary, Florine Leslie, Wallace Louthan, Annie Lee Owens, H. Y. Price, Margaret D. Pritt, Volista Roberts, Alice Muse Rogers, Margaret Sherrill, C. B. Sims, Priscilla Vitis, Louis Williamson, Beulah Wright.

Two Are Killed In Explosion Of Bomb

BUENOS AIRES, Nov. 13 (AP)—Two persons have been killed by a bomb found in a satchel on the steps of the Cathedral of Buenos Aires. A passerby found the satchel and turned it over to a policeman. The bomb exploded, killing the policeman and fatally injuring a pedestrian.

Among certain Indian tribes it is regarded as improper for a woman to speak to her daughter's husband. And they call these savages wild.

"Not so cloudy this morning"

"The coffee again I suppose?"
"Yes, but today it's wonderful."
"Really? That's a relief. Now we'll stick to M.J.B."

Many people find that with M.J.B. the strong blend, they use slightly less coffee. But whether you make it strong or weak, M.J.B. has a flavor that only the strong blend can give.

Now it comes to you in an improved friction top key—can available only to M.J.B. users, packed by our own vacuum process.

ELECTRIC WAR TRIAL IS SET

SPUR CASE CALLED IN FEDERAL COURT ON DECEMBER 10

Trial of the case, West Texas Utilities against the city of Spur, is scheduled for the first term of the Lubbock division of the federal court of the northern district of Texas on December 10 before Judge James C. Wilson.

The petition was originally filed at Abilene and a restraining order granted by Judge Wilson, but the case was transferred here for trial. It promises to be one of the most interesting on the docket. The order restrained both parties from setting additional poles or stringing additional cables and requiring that all new construction work cease.

Case Grows Out of Fuss

The case is the outgrowth of an electric power war between the utilities company and the city of Spur. The city was attempting to put in a light plant following what is charged to be exorbitant rates charged by the utilities company. Locations made by the utilities company preventing the city from additional construction work.

The city of Spur charges that the West Texas Utilities is attempting to monopolize the power and light facilities of the city. The West Texas Utilities has no connection with the Texas Utilities company here.

Lubbock Negro Cut In Fight In 'Flats'

Growing out of a razor battle in the "flats," a local negro is in a hospital with a number of serious lacerations. It was necessary to take fifty stitches in the injured man.

Several stories were told of the fight and each was different. The black refused to tell his name.

REVIEW OF THE WEEK'S FOREIGN NEWS

By The Associated Press

Parties and governments in many parts of the world had a busy week, what with an enthronement, two national elections, the fall of four cabinets and the convening of two parliaments.

In Japan, Hirohito formally took the throne in the ancient capital of Kyoto as the 124th of the imperial line which stretches back in unbroken succession to the pre-historic days before the Christian era.

Stranger to Role
This 27-year-old Emperor is no stranger to his role for he was appointed regent seven years ago because of the illness of his father, who died on December 25, 1926.

The United States elections were followed quickly by the announcement of Herbert Hoover that he would make a tour of South America before taking office. Our southern neighbors immediately expressed enthusiasm for the project.

Whether the elections a week ago in Nicaragua, peaceful as the result of the long efforts of the marines, will solve the difficulties of that country, seems somewhat in doubt in view of the results. The liberal candidate, General Jose Maria Moncada, was elected by a majority of more than 19,000 but he will have a senate deadlock between conservatives and liberals and a lower house in which the opposition has a bare majority.

Cabinets Topple Over.
European cabinets which fell were those of France, Rumania and Portugal. J. B. M. Hertaog, premier of the Union of South Africa caused the resignation of the government of that country in order to rid himself of a minister whose attitude toward native labor unions he considered unduly friendly. The causes of the Lisbon crisis were not clear but in any case Premier Vicente Prietas had no difficulty in forming a new government.

The cabinet of Premier Raymond Poincare fell just as parliament was convened. Withdrawal of four radical ministers precipitated the crisis.

TECH PLANS BIG DRIVE TO CROWD SOUSA'S HOUSE

A determined drive to get out a big house to the Sousa concerts Thursday afternoon and night at the Tech gymnasium is on at the

defeating Frank Cavanaugh's Fordham eleven 19 to 7, before a large holiday crowd at Penway Park. The victory placed Boston on top of the eastern gridiron heap with Cranegie Tech, the only other big college in this section which neither has been beaten nor tied.

A serious lockout in the Ruhr iron and steel district of Germany affected, at least indirectly, more than 1,000,000 persons.

Mount Etina dealt destruction to the Sicilian countryside, as it has since the days of the Greeks and the Romans, but not with sufficient explosive force to trap the peasant fruit and wine growers.

CITY FATHERS OKEY PROJECT

NEW PAVING PROGRAM WILL BE STARTED HERE SOON

The 27-block paving project of the city of Lubbock, authorized recently at a cost of 102,000, was ordered by the city commission in session yesterday. The project also includes about six blocks of alley paving.

All of the project was ordered paved with the exception of one strip which is being held up in an effort to change it from the planned 40 feet to 60 feet paving. The purpose of the meeting yesterday was to hear protests of property owners concerning the paving program, and only three citizens attended, and then not to protest but to request wider paving on Avenue G from 13th to 18th street.

These three men, C. Koen, A. J. Huckabee and W. W. West, are to be given an opportunity to sign up the property owners along the street for the extra width paving.

ZELLA MARGARET TAYLOR DIES IN SAN ANTONIO

Zella Margaret Taylor, little daughter of Mr. and Mrs. Ship Taylor, died in San Antonio at an early hour Friday morning. Mrs. Taylor and her two little daughters were visiting Mrs. Taylor's mother in San Antonio at the time of Zella Margaret's death.

Little Zella Margaret had been in ill health for some time, being afflicted with rheumatism and bad tonsils, but her condition was at no time serious, apparently, until a few hours before her death. It was the opinion of the attending physician in San Antonio as well as the family physician here that her rheumatic condition affected her heart action and produced death.

Mrs. Taylor and the little girl had gone to San Antonio about ten days prior to the latter's passing away to visit relatives. Mr. Taylor remaining here. As soon as news came that little Zella Margaret was in a critical condition Mr. Taylor left for San Antonio. The remains were brought back to Tahoka for interment. Funeral services were conducted in the Baptist church at 3 o'clock Sunday afternoon in the presence of a great concourse of friends, and interment followed in the city cemetery. Little Zella Margaret was born January 21, 1922, and died on November 2, 1928. By her sweet disposition and winning ways she had made innumerable friends who were deeply grieved at her unexpected demise. The parents have the sincerest sympathy of our entire citizenship.

SEWER SYSTEM WILL BE CONSTRUCTED

Construction on a sewer system for Tahoka is to begin within the next few days, according to a communication received this morning from Mayor J. R. Singleton from Donald O'Neal, who procured a franchise from the city several months ago. This franchise requires construction to begin on or before November 19, 1928, or unless that his franchise has been transferred to Messrs. M. H. Smith and C. J. Moore of Dallas, who are representatives of the Brown-Crummer company, bond investors, and that he understands that these gentlemen will begin work on the system prior to the above date.

LADY DIES SUDDENLY FROM APOPLEXY STROKE

Miss Georgia Compton, sales lady in charge of the ready-to-wear and millinery department of the W. B. Bryland store, was suddenly stricken with apoplexy at about 7:20 o'clock Wednesday evening just at the door of the Postoffice barber shop and died a few minutes later at the Keltner hotel, where she was taken immediately after being stricken.

Her remains were shipped today to Springfield, Mo., her former home, for interment. Miss Compton had no relatives here, her parents and other relatives residing at Eureka Springs, Ark.

Miss Compton came to Tahoka about the middle of September of

this year when she accepted a position with the Neyland store. She had few acquaintances here when she came but during her brief residence here she had made many friends.

MISS LILLA MAE REID FRESH- MAN BEAUTY

Miss Lilla Mae Reid of Tahoka was chosen as freshman beauty to represent the class in the college annual. Miss Reid is very popular in various circles in McMurry. She is a member of the girls' pep squad, the dramatic club and the Sigma club.

LEGION BOYS GUESTS OF KIWANIS CLUB

Members of the American Legion were guests of the Kiwanis club at its luncheon Wednesday. No special program had been prepared and none was rendered except for a few words of welcome by one of the Kiwanians and some announcements relative to Armistice by President Happy Smith. Mrs. Jackson favored the club and their guests with a number of much appreciated piano selections.

SENIOR CLASS ELECTS OFFI- CERS FOR YEAR

The senior class organized and elected the officers as follows: Clarence Barnes, president; Lovell Douthitt, vice president; Tony Grace Clinton, secretary and treasurer; Bill Speight, sergeant at arms; Odell McKaughan, reporter, and Miss Worthy, sponsor.

The following are members of the senior class: Clarence Barnes, Ira Krebbek, Ben Hur Lawson, Warren Smith Lawson, Vernon Masengale, Jesse Roberson, Frank Sargent, Voyd Smith, William Speight, Floyd Thompson, Frank Willingham, Bonnie King, Noel D. Bray, Tony Grace Clinton, Lovell Douthitt, Beulah Hancock, Lois Jeffrey, Opal Link, Charlyne Maddox, Lucile McCord, Odell McKaughan, Era Corvan, Jesse Williams and Marie Treadway.

BRIDGE PARTY

Mesdames A. B. Swan and L. C. Craft entertained Thursday afternoon from 4 to 6 o'clock with a bridge party in the former's home honoring Mrs. H. C. Strong.

Dainty refreshments were served to the following: Mesdames Cavene, Childers, Wetzel, Breedlove, Stokes, Jackson, Williams, Coltenback, Thomas, Bane, Henderson, Craft, Haney, Sanders, Turrentine,

Howell, Stewart, Nelson, Cain, Callaway, Slaton, Boulloum, W. S. Swan, Thomas, Applewhite and Suddarth.

Evelyn Haley, field secretary of the Panhandle-Plains Historical society of Canyon, was a visitor in Tahoka Tuesday on his way to Midland, where he was reared. Mr. is constantly collecting material relating to early history of the plains and other portions of West Texas in order that it may be preserved.

Raymond Goodrich, who has been quite ill the past two weeks of catarrhal fever, is now much better, and it is hoped that he will be up again soon. His father, E. B. Goodrich, was seriously sick for five or six weeks with the same disease.

D. B. English received a message Wednesday morning to the effect that a sister of his died at her home near Dallas. Mr. English was unable to attend the funeral. This is the third death among members of this family within the last few months.

J. W. Ashworth and family have removed to Tahoka from Commerce. Mrs. Ashworth is the sister of Mrs. O. H. Nelson. The Ashworth family visited here a few months ago and became so pleased with the country that he decided to move out. He will engage in farming.

J. B. Nance returned Sunday from Plainview, where he spent the preceding week with his family. Mr. Nance states that his youngest son, Morris, had an arm broken Monday of last week while attempting to crank a car.

Mrs. S. E. Reed and son Kenneth returned Sunday from Abilene where they spent the week end with Miss Lilla Mae, who is a student in McMurry college.

Brown Bishop of Wilson was here Wednesday on business.

Mr. and Mrs. W. L. Knight are spending a few days in Eastland visiting this week.

SIoux STANDARDIZATION

STANDARDIZATION OF THE DOLLAR'S PURCHASING POWER "to effect justice in finance and economics" was a suggestion awaiting action today by the National Convention of the Farmer Labor party here.

Married women of middle age have a better chance of a long life than either widows or spinsters.

Put a small box of lime in a damp larder. The lime will absorb the moisture.

Corsicana Merchant Accidentally Shot

CORSICANA, Nov. 13 (AP)—Sam D. Johnson, 49, Hubbard City merchant, was wounded fatally Saturday when a pistol was accidentally discharged while he was dusting out his automobile.

He is survived by his widow, three children and five brothers.

Lancaster Man Is Auto Crash Victim

DALLAS, Nov. 13 (AP)—Ellis Johnson, 25, was killed almost instantly here yesterday when his automobile collided with another.

Johnson lived in Lancaster, near Dallas.

WHITACRE TO HEAD LEGION

EX-SERVICE MEN HERE CHOOSE OFFICIALS MONDAY NIGHT

Meeting in annual session, the Allen Brothers Post No. 14 last night elected Charles Whitacre, local insurance man, as post commander for the ensuing year.

About sixty-five members attended the meeting. The election climaxed a hilarious time of wartime singing, campaign and political speeches, smoking and eating.

Other officers elected were: J. A. Raley, Jr., first vice-commander; W. M. Young, second vice-commander; Earl Merrill, third vice-commander; Paul Hardwick, adjutant; Glenn Hess, finance officer; E. F. George, historian; Warren P. Knox, chaplain; George Roulston, sergeant-at-arms; and Clyde Backstrom, mess officer.

Mr. Whitacre replaces H. L. Allen as commander.

Foul Play Feared In So. Texas Case

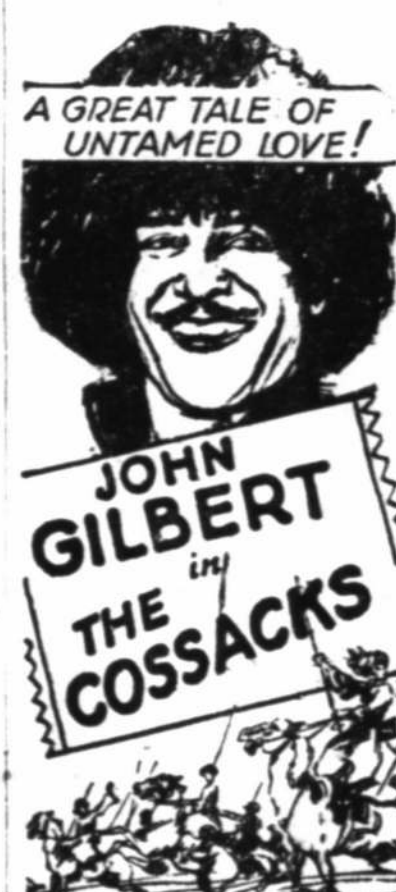

PORT ARTHUR, Nov. 13 (AP)—Acting upon suspicion that E. T. Cartile, local refinery employe, had died of poisoning rather than of natural causes, relatives of the man appeared before Judge T. A. Butler, justice of the peace, here Saturday asking that the man's body be exhumed and examined.

The requests were granted and the body dug up. The stomach was removed and sent to Austin for examination.

Cartile died October 7 after a violent attack of hiccoughing. He was buried October 9.

Postal Bandits In Ohio Get \$40,000

STEUERENVILLE, Ohio, Nov. 13 (AP)—With finger prints found on a battered safe as their only clue, postoffice inspectors today were attempting to trace six men who stole several registered mail pouches, believed to have contained nearly \$40,000 from the Steubenville post-office last night.

Burning their way into the safe with acetylene torches, the men, all masked, fled with the pouches about 9 o'clock last night, while Assistant Postmaster Charles Irwin, bound and gagged looked on. An hour later Irwin managed to free himself and reported the robbery.

TO CONTEST ELECTION

McALLEN, Tex., Nov. 13 (AP)—Every office to which an independent candidate was not elected in the Hidalgo county general election last Tuesday will be contested, it was announced at independent headquarters here today.

"Reports to the effect that the election will not be contested are without foundation," F. B. Preland, McAllen mayor, and Dave Kirgan, Weslaco mayor, said in a joint statement.

DISMANTLE BIG SHIP

SCOTT FIELD, Ill., Nov. 13 (AP)—The RS-1, largest airship in the Army and the largest semi-rigid dirigible in the world, probably has made its last flight. Lieutenant-Colonel John A. Pangelow, commandant of Scott Field, announced today. Army mechanics already are at work dismantling the big ship, which was built here in 1923 and made its first flight January 8, 1926.

Mrs. J. G. Porter Is Auxiliary Head

Mrs. J. G. Porter was elected president of the American Legion auxiliary to succeed Mrs. Harley D. Woods last evening when a regular meeting was conducted in the home of Mrs. J. L. Murfee, 1615 17th street. Mrs. Florian A. Kleinsmidt was elected first vice president with Mrs. J. A. Swindell second vice president and Mrs. A. C. Jackson secretary. Mrs. E. L. Riggs was elected treasurer and Mrs. E. E. Halley is the new corresponding secretary.

Mrs. Melvin Dow Is Complimented

Complimenting a bride, Mrs. Melvin Dow, a party was given yesterday afternoon by Mrs. Volney Hill and Miss Wauveless Stoker at the home of the former hostess, 2508 20th street, and a shower of miscellaneous gifts was presented to the honoree.

During the afternoon bridge was played with Miss Edna Young scoring high. She was presented with a novel condiment set. Low score prize, a fruit knife, was won by Miss Ann Snyder. These favors were presented to the bride.

Refreshments of coffee, tuna fish sandwiches, date nut pie with whipped cream were served to Misses Yonge, Ann and Mary Snyder, Pearl Hensley, Floy Fryer, Alvina Arnett, Mrs. Hurley Carpenter, Mrs. Edwin Summers, Mrs. Walker Stanton, Mrs. Joe Nialar, Mrs. Mark Helber, Mrs. Frank C. Scott and Mrs. Dow.

Forty-Two Played At Party Last Night

Favoring flags in an Armistice Day decorative scheme, Mr. and Mrs. J. C. Deckleman were hosts Monday evening with a forty-two party in their home, 1822 Avenue O. Flags were favors with the refreshment course and Armistice cake was served with a salad course.

Mrs. E. Tilford made high score in the games and was presented with a hand-painted vase. Men's high score favor, two handkerchiefs, was presented to Clyde Tatum. Low scores were made by Miss Doris Holder and Roy Vaughn.

Jesse Chinn and Miss Geneva Wilson Wed

Miss Geneva Wilson, daughter of Mr. and Mrs. R. I. Wilson, 2206 Main street, and Jesse Chinn, son of Mrs. Lucy Chinn, 706 Avenue R, were married last evening at 8:30 o'clock in a simple ceremony at the home of Rev. and Mrs. E. E. White with Reverend White, pastor of the First Methodist church, officiating. The bride's parents witnessed the ceremony. The young couple is living at 1216 18th street.

District Meetings Of W. M. S. Conducted

District meetings of the First Methodist W. M. S. were held Monday afternoon. Eleven members of Circle 2 met with Mrs. A. B. Ellis and studied the third chapter in "Women in the Kingdom," with Mrs. Emory Butler leading the study. Reports for the year were heard and Mrs. Ellis served refreshments of tea and angel food cake.

Next Annual Meeting of Texas Clubs In Mineral Wells; Board Meets In Austin

DENTON, Tex., Nov. 13 (AP)—The Texas Federation of Women's Clubs will hold its 1929 convention in Mineral Wells and the mid-winter meeting of the executive board in Austin. The executive board of the federation in session yesterday decided to accept invitations from Mineral Wells and Austin, the meeting at the former to be held in November and at the latter in January. The board meeting will be held while the Texas legislature is in session and will be followed by an "educational conference." Mrs. W. R. Potter, of Bowie, president, said: "The board also voted to use about \$2,000 left from the biennial national convention entertainment fund to establish scholarships at the College of Industrial Arts here for girls who are ambitious to attend school. The remaining \$250 in the biennial fund will be expended for a present to the San Antonio Federation of Women's Clubs, hostess organization to the last national convention."

Living and Loving

LOVERS PICTURE WEDD-ED BLISS; MARRIAGE OFF REVERSE OF THIS

What a lottery is life! How different is the picture each lover carries in his and her heart of the joy that one to the reality as revealed through marriage. The great adventure—marriage—looks so fair. How often it is the reverse. That is what makes mothers cry at weddings. The youngsters are so sweet and happy—so sure that their lives are to be so blessed. And the parents know that in the happiest union there will be many heart-aches as the two young lives adjust themselves. We want our children to marry. It is the normal life and the happiest. But if we only could spare them the suffering that they will have to endure. However, it wouldn't be best, I suppose, even if we could save them the disappointments. They grow through these as much as through the joy that just as surely comes to the union of two souls in most marriages. The woman who writes the following letter is experiencing some of these disillusionments.

"Dear Mrs. Lee: I am writing for advice from you. I have a darling hubby to whom I have been married two years. I am a great lover of children and so was he until we took a baby in our home shortly after we were married. Since that time he has become completely against little ones. Every time anyone comes to our home with children I am always afraid he will say something to hurt the parents' feelings. He also says that if a little one ever comes to our home he will still himself or leave. We only kept this child in our home one month and it was a relation of his.

"Sometimes Mrs. Lee, I think about leaving my husband before a child is born to us for if he leaves me afterward I think it would be best to go away in time. We very seldom go out together and if we do I have to beg two or three days ahead of time to get him to go. He wants to sit and listen to the radio and read, and when I start talking to him he says, 'don't talk I'm busy.' I couldn't have found any one to treat me like only Mrs. Lee. I guess I get lonesome and get the blues, but I yearn for a darling little one.

"LONELY THOUGH MARRIED." And I don't wonder you get lonesome and blue under the circumstances, dear. You married for the companionship of your man, and the natural longing of every normal woman for children, and you are being cheated of both. Your husband is selfish. That is his trouble. He will not let you read and listen part of the time he should try to entertain you part. Try not to worry him about babies. When you see one that is especially attractive, however, point it out to him and say that if you had a baby it probably would be sweet like that and if you cannot win him over and you still love him and don't want to leave him, do what you can for children outside. There are so many dear little ones in institutions who would be so grateful for a little love and help that you need not be childish while you can do things for them.

Living and Loving May has been married for 20 years. She has known trouble, and is very much

Convention of the Texas Federation of Women's Clubs formally was opened last night in the College of Industrial Arts auditorium. The president of the General Federation of Women's Clubs, Mrs. John F. Sippel, was a guest of honor. In keeping with the custom of several years, the formal address of the opening evening was in observance of Armistice Day and former Governor Pat M. Neff was the speaker. His inspirational theme was "Let Us Forget."

Mrs. Sippel Talks Mrs. Sippel had a few minutes at the board meeting of the morning, but her formal greetings were reserved for the night program. She expressed her very great pleasure at being able to return so soon to Texas, recalling the happy experiences of the recent biennial convention in San Antonio. She brought greetings of a general nature from the national club women's organization.

Miss Jessie H. Humphries, associate dean of C. I. A. and chairman of central committee for the convention, presided at the opening meeting. The invocation was given by Rev. W. F. Galbraith. Addresses of welcome were extended by Dr. L. H. Hubbard, president of C. I. A., introduced by Miss Essie Shook of the teachers college.

Unit Meetings Held By Church Women

Unit meetings of the First Christian women's auxiliary were conducted yesterday afternoon for study, business, social and devotional programs. Officers for the new year were selected in Circle 1 and Mrs. L. E. Grimes was chosen president with Mrs. N. L. Benson as secretary-treasurer. The meeting was with Mrs. Grimes at 1906 Avenue M and at the close of the program refreshments were served. One new member was received.

Mrs. R. E. Swain was hostess to women in Circle 3 at her home on South Avenue H and there was an interesting lesson on women in the New Testament. Members and visitors attending were Mesdames Claude Keeton, Fred A. Owens, G. L. Heddings, C. O. White, Mike Fry, Mary McComb, W. E. Twitty and M. A. Hughes.

Mrs. Eric Studeman conducted the study when the members of Circle 6 met with Mrs. Harry Morris at 2220 13th street. The Bible lesson in Circle 7, which met with Mrs. J. W. Reid at 2417 15th street, was conducted by Mrs. J. H. Hankins and was on "Mary and Martha." Five members were in attendance.

Mrs. L. L. Coleman, 1822-1-2 10th street, was hostess to three members of Circle 8 at her home for Bible study. These were Mesdames A. W. Jackson, R. O. Rodgers and L. J. Akers.

Mrs. D. B. Carnes conducted the Bible lesson for members of Circle 9 in a meeting with Mrs. John A. Porter at 2204 10th street. The devotional was led by Mrs. W. A. Stahl.

Articles were made for an annual Christmas bazaar yesterday afternoon when the Episcopal Women's auxiliary met with Mrs. W. E. Cannon at 1306 Avenue Q. Women in this group conduct a large bazaar each fall just before the Christmas season.

Congress Told of Pre-School Child

AMARILLO, Nov. 13 (AP)—Children of "pre-school" age were discussed here today by some of the 300 delegates attending the twentieth annual convention of the Texas Mothers Congress and Parent-Teachers associations. Mrs. L. E. Ledbetter, vice-president of the pre-school Parent-Teachers associations, and Mrs. A. F. Wood, Athens, first vice-president of the general P. T. A. body presided at the discussion.

Dr. J. C. Anderson, state health officer; Mrs. H. B. Grace, state chairman of the pre-school associations; Mrs. C. E. Maddocks, state chairman of child hygiene and summer roundup, and Dr. A. A. Gussendorf, of the West Texas State Teachers College at Canyon, were the principal speakers.

Baptist Women Meet In Circles

With the exception of two circles women in the First Baptist W. M. S. met in units yesterday afternoon. The Circle 1 meeting, which was to have been with Mrs. J. M. Denman, was indefinitely postponed because many of the members were out of the city and the Circle 2 meeting, which was to have been with Mrs. W. B. Yeager, was postponed until some other afternoon this week.

Mrs. R. E. Swain was hostess to women in Circle 3 at her home on South Avenue H and there was an interesting lesson on women in the New Testament. Members and visitors attending were Mesdames Claude Keeton, Fred A. Owens, G. L. Heddings, C. O. White, Mike Fry, Mary McComb, W. E. Twitty and M. A. Hughes.

Mrs. Eric Studeman conducted the study when the members of Circle 6 met with Mrs. Harry Morris at 2220 13th street. The Bible lesson in Circle 7, which met with Mrs. J. W. Reid at 2417 15th street, was conducted by Mrs. J. H. Hankins and was on "Mary and Martha." Five members were in attendance.

Mrs. L. L. Coleman, 1822-1-2 10th street, was hostess to three members of Circle 8 at her home for Bible study. These were Mesdames A. W. Jackson, R. O. Rodgers and L. J. Akers.

Mrs. D. B. Carnes conducted the Bible lesson for members of Circle 9 in a meeting with Mrs. John A. Porter at 2204 10th street. The devotional was led by Mrs. W. A. Stahl.

Articles were made for an annual Christmas bazaar yesterday afternoon when the Episcopal Women's auxiliary met with Mrs. W. E. Cannon at 1306 Avenue Q. Women in this group conduct a large bazaar each fall just before the Christmas season.

ARMOUR OPENS NEW BUILDING

OPEN HOUSE WILL BE HELD TOMORROW IN MODERN PLANT

Scores of Lubbock and South Plains citizens will be guests of Armour and Company, from 10 a. m. until 9:30 p. m. Wednesday, when Open House will be held at that company's new, modern and extensive branch house, recently completed at 812 and 814 Avenue G.

Music, refreshments and souvenirs will be the order to every visitor and every one that registers will have an opportunity to participate in a number of gifts of hams, bacon, butter and other products.

To Improve Service "To serve more adequately is the primary object of this new Lubbock branch house," explains W. E. Schmid, local branch manager. "The most modern sanitary equipment, coupled with greater facilities, now enable the company to render greater service."

"We have invited the public to inspect these premises in order that they may see for themselves the latest improvements in the science of sanitary handling of meat food products. Armour and company takes pride in dedicating this building to the better business interest of Lubbock."

The new plant of this company was erected at a cost of \$35,000. It is of brick and tile construction, 53 by 115 feet in dimensions, one story with provision for adding another story. In addition to the cost of the building, the company has installed a complete cooling plant which cost approximately \$17,000 where fresh meats of all kinds are kept.

Established In 1925 Back in 1925 this company established a sub-branch of its Amarillo branch here. At that time there were only three men on its payroll. Today the business has increased so great that three salesmen are travelling the South Plains territory daily, with nine men employed in the branch. In addition to this the company keeps a livestock buyer, R. C. Harvey, covering the entire Panhandle country and part of New Mexico, making his home in Lubbock.

A dozen or two representatives of the company's butchery and packing plants at Fort Worth, Kansas City and Chicago will be here for the opening Wednesday, with several other branch managers from Amarillo, Abilene, Brownwood and

Bridge Luncheon Given On Monday

The Thanksgiving motif was featured in appointments yesterday morning when Misses Mary Louise Middleton and Mame Wolfarth entertained a few friends with a bridge luncheon in the C. S. Middleton home at 1216 14th street. After bridge games, a two-course luncheon was served to the guests: Misses Mary and Anne Bryder, Louise Wolfarth, Maurine Hughes, Mary Alice Stanton, Ruth Slaton, Sylvia Wilson, Kate Boyd, Lucille Moxley, Alma Spikes, Fay George and Mrs. Volney Hill.

Miss Stanton made high score in the games and Miss Wolfarth cut high.

Miss Ruth Slaton Is Bridge Hostess

Bridge was played Monday afternoon in the home of Mr. and Mrs. O. L. Slaton when Miss Ruth Slaton was hostess to some club members at 1212 Avenue R. High score favor, a pair of hose, went to Miss Gene Mitchell and Miss Helen Womack received the high cut trophy, a bracelet.

Delicious refreshments were served to Misses Helen Womack, Alma Spikes, Donna Vaughn, Lucille Moxley, Jane Mast, D'Ann Sanson, Gene Mitchell, Zena Still, Juanita Wiles, Virginia Conley, Mary Lou Bayless, Geraldine Smith, Jamie Tatum, Anna Belle Collins, Louise Pierce, Kate Boyd, Mrs. Charles A. Guy.

Central Ward PTA To Meet Friday

A meeting of the Central Ward P. T. A., regularly scheduled for Thursday afternoon of this week, has been postponed until 3:40 o'clock Friday afternoon in order that any who wish may attend the concert to be given by Sousa's Band. It was announced this morning by the president, Mrs. R. T. Campbell.

Club To Meet With Mrs. Goodman

The Wednesday Needle club is meeting at 3 p. m. tomorrow with Mrs. James H. Goodman at her home on 19th street.

Mr. and Mrs. C. J. Norton, 2510 21st street, had as their guests during the week-end Mrs. Norton's parents, Mr. and Mrs. W. E. England, and her sister, Mrs. Berny Neathery, and Mr. Neathery, all of Seymour.

Mr. and Mrs. Lawrence Bacon and Mr. and Mrs. Ross McWhorter have returned from a short visit in Dallas.

San Angelo, their West Texas branches in attendance. This morning, W. F. Higgins, of the fresh meat and sausage department, Fort Worth; M. E. Linville, of the canned foods department; R. A. Featherstone, special representative of the smoked meats and oleomargarine department; A. N. Limbocker, special representative of the dry sausage department; L. H. Blaylock, supervisor of canned

DAILY MARKETS

Cotton Markets

NEW ORLEANS FUTURES
NEW ORLEANS, Nov. 13 (AP)—Cotton opened steady. Dec. 19.75; Jan. 18.50; March 18.51; May 18.52; July 18.57; Oct. 18.41 bid; Dec. 18.57.

NEW YORK, Nov. 13 (AP)—Cotton opened steady. Dec. 19.75; Jan. 18.50; March 18.46; May 19.37; July 20.20.

NEW YORK REPORT

NEW YORK, Nov. 13 (AP)—The cotton market opened steady at an advance of 4 to 7 points in response to relatively steady Liverpool cables but soon eased under southern hedging and liquidation. January sold from 18.50 to 19.39 with the general list working about 4 to 6 points net lower.

The market was firmer after early offerings had been absorbed. Trade buying on the advance carried prices up to 19.59 for January. At midday the market was quiet but steady at net advances of 14 to 15 points.

NEW ORLEANS REPORT

NEW ORLEANS, Nov. 13 (AP)—Cotton market opened higher here. First trades showing advances of 5 to 12 points. Early firmness was attributed to readjustment of local prices as a result of the advance in Liverpool and New York yesterday while the market here was closed. Liverpool cables were also higher than due at the opening and probably added to the buying.

Prices continued upward for a time after the start. January selling to 18.95 and March 18.96, or 12 to 17 points net up. At these levels the improvement met resistance and liquidation and before the offerings were absorbed prices receded 14 points from the highest. Towards the end of the first hour, however, some trade buying developed and the market rallied 8 to 11 points from the bottom.

Livestock Prices

KANSAS CITY REPORT

KANSAS CITY, Nov. 13 (AP)—Hogs: 16.000; 15@25c lower; top 8.80; butchers, medium to choice 8.50@8.80; 200-250 lbs. 8.35@8.50; 180-200 lbs. 8.00@8.75; 120-160 lbs. 7.50@8.50. Cattle: 6.000; calves: 3.000; vealers and calves weak to 50c lower; slaughter steers, good and choice 13.00-15.00 lbs. 12.50@16.75; 1100-1300 lbs. 12.50@16.75; 900-1100 lbs. 12.75@17.50; fed yearlings, good choice 8.00-8.50 lbs. 12.75@17.50; heifers, good and choice 8.50 lbs. down 12.25@18.00; vealers (milk-fed) medium to choice 8.50@13.50; cows, good and choice 8.50@11.00; stocker and feeder steers, good and choice (all weights) 10.50@13.00. Sheep 800; steady; fat yearlings 11.00; fat wethers 8.00.

Stocks And Money

WALL STREET REPORT

NEW YORK, Nov. 13 (AP)—Price movements were mixed at the opening of today's stock market. Initial transactions were in normal volume after yesterday's record-breaking session. Montgomery-Wald opened 5 1-2 points higher and Missouri Pacific common, National Cash Register and International Nickel showed initial gains of a point or so.

Radio opened unchanged with a block of 1000 shares at 238. Allied chemical broke 3 points and Chrysler and Kennecott yielded a point on opening sales. Profit Taking Sales Made Heavy profit-taking sales came into the market overnight as a result of yesterday's wild speculation. These were particularly effective in the motor and airplane shares, several of which dropped 1 to nearly 3 points in the first few minutes.

Pool operations were resumed in the oil and merchandising issues, several of which reached new high ground.

Fears of credit inflation led to a reduction of commitments by conservative traders despite the lowering of the call money rate in yesterday's market. Paramount Famous Lasky, directors of which placed the new stock on a \$3 annual dividend basis yesterday, opened with a block of 10,000 shares at 52 3-4, up 1 point.

Maytag also opened with a block of 10,000 shares at 29 7-8, up 1, and a new high record. Sears-Roebuck quickly ran up about 5 points to a new peak at 177 and National Bellas Hess moved up 5 3-8 to a new top at 180. Midcontinent Petroleum was the first oil stock to set a new high price.

Radio was hammered down 11 points before the end of the first half hour. Canadian Pacific quickly dropped 1 1-4 points and General Motors, Columbia Gas, Curtiss Aeroplane and Granby Copper fell back 2 to 3 1-2 points. Foreign exchanges opened steady.

Grain Market

CHICAGO REPORT CHICAGO, Nov. 13 (AP)—Influenced by Argentine dispatches telling of fear of rust damage wheat values here developed firmness today. Previously, however, the wheat market was easy. Starting at 1-8 off to 1-8c up, Chicago wheat underwent a slight sag all around and then scored general gains. Corn, oats and provisions averaged lower, with corn starting at 5-8c decline to 1-8c advance, and subsequently holding near to initial limits.

INVITATIONS FROM OTHER COUNTRIES MAY FORCE HOOVER TO EXTEND JAUNT TO LATIN-AMERICA; TO LEAVE MONDAY

By JAMES L. WEST (Associated Press Staff Writer) STANFORD UNIVERSITY, Cal., Nov. 13 (AP)—Herbert Hoover may find it necessary to extend the itinerary of his good will tour of Latin-America considerably beyond the scope contemplated when he decided to embark upon his journey.

Urgent invitations to the president-elect to visit countries in both South and Central America excluded from the original schedule are now coming and his forty day itinerary may be extended to two months or slightly longer. Mexico, Colombia and Ecuador are among the southern republics which have asked that the president-elect include them in his tour, their invitations being joined with that from Bolivia, the visit to which would involve a considerable trip, in addition to that which must be made by the good will mission in moving from Valparaiso to Buenos Aires.

Original Plans Blasted Under the original plans, the battleship Maryland bearing Mr. Hoover and his party, was to have touched first at Balboa, Panama Canal zone, and then moved past Colombia and Ecuador to Peru, with Chile the next country to be visited. Both Colombia and Ecuador, through their ministers, have asked that the party call at their capitals.

The Mexico City government also desires to have the party visit that country on their return trip to the United States, with the president-elect going from Vera Cruz to Mexico City by rail. The original plan was to proceed from Rio De Janeiro to Havana and then to Florida. These invitations are being given consideration, and, as a result, it may be a couple of days before the final schedule will be announced.

To Leave on Monday It is settled, however, that the party will leave San Pedro, Calif., next Monday and it may be that a stop will be made at a Mexican port on the west coast, enroute to Balboa. Besides being attended by Ambassador Henry P. Fletcher, as the

official representative of the state department, the president-elect is to have a naval aide, probably Commander Augustin T. Beauregard, grandson of the famous Confederate general, P. G. T. Beauregard. While the battleship which is to bring the Hoover party from Buenos Aires to the United States has not been selected, it is likely that this duty will fall to the Texas, which also is equipped as a flagship and which conveyed President Coolidge from Key West to Havana last winter when the chief executive attended the Pan-American conference in the Cuban capital.

Ground Broken For New Church In City

Ground was broken yesterday for the new stucco building of the 19th Street Methodist church at the corner of 20th street and Avenue T. The Rev. C. F. McCollum, pastor of the church, was in charge of the program which consisted of songs and talks. Those participating in the ceremony were: Rev. F. Dunn, Paul W. Williams, Rev. D. C. Ross, W. R. Mead, W. F. Bonds, Thaddeus Thomas, Mrs. D. C. Ross, Rev. H. K. Monroe, O. H. Cline and the Rev. E. E. White.

Wilson Chosen New Aide To Prosecutor

Vaughn E. Wilson, county attorney-elect, this morning was appointed assistant county attorney of Lubbock county for the remainder of this term by the county commissioners court in session in the court house. Mr. Wilson will serve as assistant until January 1 when he will become the county attorney. This appointment was effected to familiarize Mr. Wilson with the work and to furnish aid to Durwood Bradley, district attorney, who is to be extremely busy for the remainder of the term in the 90th and 72nd District courts.

AUSTIN, Nov. 12 (AP)—A 5,000 barrel oil well was brought in today 13 miles north of Brenham by the Sun Petroleum company, special dispatches to the Austin American said.

Produce Prices

CHICAGO REPORT CHICAGO, Nov. 13 (AP)—Butter unchanged. Eggs higher; extra firsts 45 @ 46; firsts 38 @ 44; ordinary firsts 28 @ 31; refrigerator extras 31 1-2; refrigerator firsts 30 1-2.

CHICAGO REPORT CHICAGO, Nov. 13 (AP)—Poultry easy; fowls 22@25; springs 25@26; roosters 20; turkeys 30@35; ducks 17@24; geese 21@22.

Tom Moore Cigars advertisement featuring a cartoon of a man smoking and the text: 'To give a pal the average smoke Shows only good intent, To hand him Tom Moore, though, implies A gilt-edged compliment TOM MOORE CIGARS'

Hundred of pies could be baked from the 200-pound pumpkin which Miss June Nofzinger of Swanton, O., is shown using for a seat. The giant won first prize at the northwestern Ohio corn festival recently. Its size may be compared with the average pumpkin Miss Nofzinger is holding.

OUR OLD FRIEND AIMEE IS BACK AGAIN 'SOUL-SAVER' LINKED IN CHARGES AGAINST LOS ANGELES PROSECUTOR THIS TIME

(By Associated Press) LOS ANGELES, Nov. 13.—Three persons who played leading roles in the Aimee Semple McPherson conspiracy case here two years ago were reported to have been ordered to appear today before the Los Angeles county grand jury investigating charges of corruption in the office of District Attorney Asa Keyes. It was understood that the trio would be questioned about evidence previously unearthed indicating that a large sum of money was

spent in clearing Angelus Temple evangelist of a charge of conspiracy to defeat justice by telling an alleged false story to a grand jury about her disappearance in 1926. Aimee's Mother Called The three persons reported called were Mrs. Minnie Kennedy, mother of the evangelist, who has been at odds with her daughter for some months; Kenneth G. Ormiston, former radio operator at Angelus Temple, who was alleged to have occupied a cottage at Carmel, Calif., with the evangelist during her absence, and Mrs. Lorraine Wiseman-Sielaff, the "Miss X" of the disappearance case, who said it was she and not Mrs. McPherson who was in Carmel with Ormiston. Mother Starts Story The present phase of the McPherson case was begun when documents given to newspaper men by Mrs. Kennedy were presented to the grand jury, which recently returned indictments charging bribery against Keyes. The exact nature of these documents has not been revealed, though it is understood they have a bearing on the disappearance case. Investigators here yesterday read without comment the dispatch from England saying Mrs. McPherson had branded as utterly untrue charges that Keyes took money from her or her associates to drop the charges against her. BROWNWOOD, Tex., Nov. 13 (AP)—Richard B. Hyde, 78, for 43 years a leading cattleman of San Saba county, died here Monday following an illness of about three weeks. Trucks are cheaper this year. Last year you had to turn in a six cylinder sedan as a down payment; this year you can almost get one outright for a four cylinder roadster.

Grateful Relief For Nervous Women

Delicately poised women who suffer from nervousness especially appreciate and profit by the use of Capudine, the improved method of relief from pain and high nerve strain. In cases of periodic nervous headache, neuralgic and rheumatic pains, Capudine gives most grateful relief. Being liquid, it acts almost instantly—much quicker than tablets and powders and is more effective. Capudine does not upset the stomach and contains no habit-forming drugs. Capudine relieves nervousness and nerve pains by gently soothing the nerves—not by desensitizing them, therefore, it is perfectly safe. At all drug stores.—30c and 60c sizes. (adv.)

Electricity Is Better For Cooking and Baking

Hundreds of housewives have proven the superiority of electricity for cooking and baking . . . the success they have had in the preparation of delicious delicacies is an excellent indication of how well this fuel adapts itself to these purposes. Steady and dependable . . . it is unexcelled, and with our obligation to our customers so thoroughly instilled into our minds, we maintain the equipment and personnel necessary to keep the service to the point where it will always be available to those who have grown to depend upon it . . . whose preference is for Electricity.

CONOCO ETHYL GASOLINE BETTER advertisement with Conoco logo and text: 'What makes CONOCO-ETHYL BETTER IN the first place, Conoco Ethyl Gasoline is a better motor fuel because its base is Conoco, the triple-test gasoline—and Conoco has set the standard of gasoline quality for over 40 years. Then, to make Conoco Ethyl, Conoco Gasoline is expertly blended with Ethyl Brand of Anti-Knock Compound, the remarkable fluid developed by General Motors after more than seven years of exhaustive research. The combination of Conoco and Ethyl produces a motor fuel unsurpassed for easy starting, rapid pick-up, extra power, and smooth, knockless driving. Thousands of motorists know this to be a fact. Get a tankful wherever you see the Conoco Ethyl sign.' CONTINENTAL OIL COMPANY Producers, Refiners and Marketers of high-grade petroleum products in Arizona, Arkansas, Colorado, Idaho, Kansas, Missouri, Montana, Nebraska, New Mexico, Oklahoma, Oregon, South Dakota, Texas, Utah, Washington, Wyoming. CONOCO ETHYL GASOLINE ETHYL Quick Starting—Knockless Miles

LUBBOCK JOURNAL

By THE AVALANCHE-JOURNAL PUBLISHING COMPANY 1211 TEXAS AVENUE Member of Associated Press Published Every Afternoon Except Saturdays and Sundays and consolidated on Sunday morning only in the Sunday Avalanche-Journal

TELEPHONES 13 or 14—Private Branch Exchange Connecting All Departments

Dorrance D. Roderick... Publisher Charles A. Gray... Editor

Entered as second-class Mail Matter at the Postoffice at Lubbock, Texas, on the 11th day of March, 1878, and under the ruling of the Postmaster General.

NOTICE TO THE PUBLIC Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation, which may appear in the columns of this paper will be gladly corrected upon due notice of same being given to the editor.

The Associated Press is exclusively entitled to the use for republication of all news dispatches credited to it or to any other news organization, and all rights of republication of special dispatches herein are also reserved.

SUBSCRIPTION RATES Sent anywhere by mail or in the city limits by carrier, for Six Dollars per year, payable in advance.

Advertising Representatives The Texas Daily Press League, Dallas, Kansas City, Chicago and New York.

Advertising rates upon application

The Journal is an independent Democratic newspaper supporting in its editorial columns the principles which it believes to be right and opposing those which it believes to be wrong, regardless of the political party to which the news fairly and impartially at all times.

Thought For Today

He brought them out of darkness and the shadow of death, and brake their bands in sunder.—Psalm 107:14.

There are two freedoms—the false, where a man is free to do what he likes, and the true, where a man is free to do what he ought.—Charles Kingsley.

A Tip

We are always ready to listen to advice from a rich man. No words carry quite so much weight with us as the words that come from the lips of a man who has made a couple of million dollars.

Accordingly, we might listen today to a remark recently made by Clarence Saunders, the magnate who made a fortune lost it in Wall street, and then went to work and got it all back again.

"Never let the world keep you down," says Saunders. "There is success for every man who refuses to recognize defeat."

We've heard that sort of thing fairly often, but most of the time we probably accept it with a mental reservation to the effect that all the determination in the world isn't of much use unless one has within him, in addition, the capacity for genuine achievement.

But what is the element of determination is the major part of ability of any kind. The old saying that "genius is one per cent inspiration and ninety nine per cent perspiration" is a recognition of that fact.

Read the life story of any great man and see how he works. It doesn't matter in what field the man gained his fame—public affairs, the arts, science, war or what-not, the story is almost invariably the same.

The capacity to stick to it, to forget disappointment and doubt, to plow away at seemingly unpromising situations, will be found to be the chief element in his success.

Lincoln, at 50, was a country lawyer in a new land, defeated in a race for the senate, apparently ready for the political discard. For a dozen years he had hammered away at his chosen field, and he seemed nearer failure than ever.

But two years later he was to be sworn in as president.

Henry Ford entered his thirties as an underpaid mechanic and doubt with an obstinate mechanical device that would not work, apparently doomed to new disappointments each year. But it happened that Ford did not know defeat when it stared him in the face.

Old John Brown, the lawless scourge of frontier Kansas, once declared: "One man and God can overturn the world."

Which, after all, is only another way of saying what Saunders said: "There is success for every man who refuses to recognize defeat."

It is the determination that counts. The man that lacks it lacks everything, and the man that has it in full measure lacks very little.

THE PLAINSMAN

Says That Girl on Broadway says many a girl gets a kick out of a run on the football field but she doesn't feel the same way about a run in the stocking.

Comes now one Robert W. Stewart, chairman of the Board of the Standard Oil company of Indiana, charged with perjury growing out of the Senate Teapot Dome investigation.

Now Stewart may not be guilty for attempting to have the case held up in the jury box. Perhaps—and it strains a point to give them the benefit of the doubt—his lawyer knew nothing of the alleged tampering.

But The Plainsman believes that R. W. Stewart—big, rich man he is, a mighty poor citizen, regardless of whether he knew anything about the alleged tampering or not.

Yesterday, while business over the nation was at a standstill and the public generally paid homage to the man who opposed and gave their lives for their country in the war which ended just 10 years ago.

Contrast if you will the pocketbook Mr. Stewart, whose pocketbook has been glutted by the wealth of the nation, refusing to help his country by work of mouth, the thousands of boys who offered their business, and left their homes and their families to take up arms on a foreign field that the principles of the nation might be perpetuated.

As this writer sees it Mr. Stewart got much sympathy from the people in his court fight, carried on by a brilliant array of legal talent. He should not get much sympathy. And further than that, if he or his lawyers can be definitely connected with the jury tampering charge they should be made to pay and pay through the nose.

Where are the men of yesterday who "chawed" and spit and swore? What's come of them who talked so straight.

This writer is of the opinion that difference of belief along all public matters prevent stagnation, civilly. He is also a firm believer in giving every fellow a right to his individual preferences. It's an encouraging sign, regardless of how the election goes.

The Last Rose of Summer!

"Without-Or-With, Offense To Friends Or Foes, We Sketch Your World Exactly As It Goes"—Byron

Expatriate Editor, Back In U.S. As Visitor, Favorable To Americans In All Ways, Correspondent Stewart Says

Letters To The Editor

PRINTING OF PROPAGANDA The last issue of the Lynn County News contained this remarkable brain eruption from a man who is privately believed to have congressional aspirations:

"I vision two outstanding results of this campaign. One is that parties will never control elections to our higher offices. Parties may nominate, but the people will vote for the man of their choice.

Just why any man already clothed by the vote of the people with almost despotic power should feel any delicacy about stating whether or not the people have any right to select the men of their choice to the higher offices is beyond the comprehension of the average mind.

The Washington article in last Friday's Journal signed by Charles P. Stewart is a mass of falsehood and thinly disguised liquor propaganda from beginning to end.

Not long ago an organization was formed to carry to a successful ending a proposed road bond issue to provide for hard-surfacing about 175 miles of highway in Lubbock county.

Letters To The Editor

Washington Correspondent for Central Press and The Journal WASHINGTON, Nov. 12.—Anything that Editor Ralph D. Blumenfeld of the London Daily Express may say as the spokesman of all that is backward in English politics can safely be accepted as authoritative.

The English lion is hardly as English as Editor Blumenfeld. The House of lords is hardly as conservative.

This is queer for two reasons: 1. Mr. Blumenfeld was born and grew up in Wisconsin. 2. His parents originally came to America from Germany because his father's views were too revolutionary.

er is only a sneaking cowardly criminal who has heretofore believed he had popular sentiment on his side but the last few days he has seen how dry the sentiment is right down in Texas.

Now in conclusion, it has been recently demonstrated that West Texas is hopelessly dry. This has made it the best kind of a market and advertisers are using our newspapers to get the business people who have no money to buy whiskey with.

Letters To The Editor

any to be healthy in the fatherland about the 1840 period. Editor Blumenfeld is not in exile from political necessity, like his sire.

Ralph was a grown-up American newspaper man when he first arrived in London.

In the English atmosphere an occasional American does become more English than the English, but Ralph turned out to be an extreme specimen even of this type.

And what a Tory! Even ultra-conservative Britons regard the policies of the Express, which Mr. Blumenfeld edits, and owns in partnership with Lord Beaverbrook, as about on a par with Lord North's, who lost the American colonies.

Ladies used to leave the gentlemen after dinner to tell their stories and smoke their cigars. Now they leave the gentlemen after dinner to tell their stories and smoke their cigars.

In New York

NEW YORK, Nov. 12.—Not, perhaps, that it makes much difference—but Percy Hammond, the erudite dramatic critic from Ohio, wears golf knickers at theater openings, whereas all other guests in the audience have swallowtails and high chokers.

The grand old sport of bicycle riding has never lost its Manhattan following. Whereas the bicycle is almost obsolete in smaller centers, New York can be seen of Sunday mornings pedaling through the paths of Central Park or along the Hudson.

I'm told that there are 70,000 cyclist still left in this metropolis, and that this number increases annually. Most of the cycle fans recommend it as a most healthful exercise.

Horseback riding is another outdoor sport with a large following. The riders generally appear on the Central Park bridge path, somewhere around dawn.

He heads a club of horse fanciers. Alexander Woolcott, ex-drama critic who writes books and memoirs of the theater, is chieftain of the croquet playing fans.

Rosa Bonelle is this year's first lady of the Metropolitan Opera. The "first lady" is the fortunate singer who sings at the opening performance of the season.

WEST TEXAS: Tonight and Wednesday cloudy, probably local rains, not much change in temperature.

EAST TEXAS: Tonight and Wednesday cloudy, probably local rains in west and south portions; warmer tonight except in northwest portion and on the west coast.

OKLAHOMA: Tonight and Wednesday cloudy, probably showers Wednesday; warmer in east portion tonight.

ARKANSAS: Tonight and Wednesday increasing cloudiness; warmer tonight and in east portion Wednesday.

Diet and Health

By Lulu Hunt Peters M.D. Author of "Diet and Health" and "Diet for Children"

MANY T. B. PATIENTS RECOVER IN THEIR OWN BACK YARDS Tuberculosis Problem "Please advise through your column just what you would do if you had contracted tuberculosis and had no funds to place yourself in a sanitarium, but had to stay on the job and work for your subsistence and thereby neglect doing the things that should be done to bring about an arrest of the disease."

You must get in touch with some anti-tuberculosis society and they will certainly see that you are taken care of, Bookkeeper. If you do not know of any of these societies in your state, write to the National Tuberculosis Association, 370 Seventh Avenue, New York City.

While it is undoubtedly better for a tuberculosis patient to be in a dry climate, many do recover from tuberculosis in their own vicinities—might say in their own back yards—for part of the treatment of tuberculosis is living out of doors most of the time.

Fibroid Tumors Mrs. K.—There is a certain tumor of the uterus known as fibroid tumor which is very common around middle age—very common. It is also common in the prostate gland of men around middle age.

MOST LIVES Most lives conform to a life pattern that does not vary greatly in essentials. There is joy and sorrow, there is pleasure and pain. There is success, and there is failure.

Individuals who live were not absorbed in the business of being sorry for themselves because they seem to be more brightness in the lives of others, even as the grass upon the distant hills looks always greener.

LOCKHART & GARRARD LAWYERS Special attention administration of estates and land titles. Ellis Bldg. Lubbock, Texas

FOR LEASE 492 acres straight south of Seminole on Gaines Co. line. JOHN W. JARRETT Lubbock, Texas

your doctor about yours, and if you are sure he is a competent physician, abide by his decision as to what you should do.

Mrs. C.—I don't know the sanitarium in your locality. But no sanitarium will take your own diagnosis as to what you need. Mrs. C., whether it was in the line of a fast or anything else, you would have to be examined by their physicians and abide by what they believed to be the best treatment.

A 30 or 40 day fast is an extremely long fast and in some cases is very dangerous. As far as fasting for your nasal catarrh is concerned, it is extremely doubtful if it will help. The mucous membranes are markedly affected by deficiencies in the diet and certainly on a fast you would have a total deficiency.

Even though you are overweight, I would not advise you to go on such a long fast. A semi-fast of two or three days only, taking nothing but fruit juices or skim milk, or a combination of these, totaling not more than 500 to 600 C. a day, is very beneficial. After this semi-fast, the proper course is to diminish your calories and increase your exercises—if no reason exists that you should not exercise—so that you will lose at the rate of about one and half to two pounds a week.

We have a pamphlet on overweight, and an article on colds and catarrh which you may have.

Mrs. M.—Nightmares to the extent that your daughter has them may indicate some physical trouble or possibly a mental worry. Have her go to a reliable physician for a thorough check-up and tell him about this condition.

Editor's Note: Dr. Peters can not diagnose nor give personal advice. Your questions, if of general interest, will be answered in the column. In turn, Requests for articles must be accompanied by a fully self-addressed, stamped envelope and 2 cents in coin for each article, to cover cost of printing and handling. For the pamphlet on reducing weight, 10 cents in coin, with fully self-addressed, stamped envelope, must be enclosed. Address Dr. Peters, in care of this paper.

Tomorrow: Fraudulent Advertising and Health.

STEAMERS RUSH TO SCENE OF SINKING BOAT AND SAVE PASSENGERS AND CREW

(Continued from Page 1)

First reports, was found by the battleship Wyoming, lying on the raft where he had died of exposure. The rescue began before dawn, the ships that had turned from their paths on their errand of mercy being led to the life boats by flares sent up by the chilled persons who all night long had tossed on angry waves left from a week-end gale.

Several Boats Stand By
Lifeboat after lifeboat was sighted and as the morning passed taken aboard with its shivering complement of the men and women. The American Shipper got the most, the Berlin got some, the tanker Vestris got some, and the battleship Wyoming still more.

Los Angeles To Help
Shortly after noon the Navy department ordered the dirigible Los Angeles to prepare to leave its hangar at Lakehurst, N. J., at 6 o'clock tonight to join the rescue fleet. It would not leave sooner because it had been undergoing a general overhaul and was not ready to take the air.

Life Boat Found Empty
Bermuda, Nov. 13 (AP)—One of the life boats of the stricken liner Vestris was picked up empty by the liner Berlin this morning. There was no way to tell whether it had been occupied and the passengers were lost or whether it had washed away from the Vestris unoccupied.

Mauretania Reports A Rough Passage

PLYMOUTH, Eng. Nov. 13 (AP)—The steamship Mauretania arrived at Plymouth today after a tempestuous voyage during which about twenty passengers and crew members were slightly injured. The worst day was Saturday when the liner ran into a terrific gale, the wind attaining a velocity of nearly 100 miles an hour. The seas were terrific and a huge tidal wave which looked as high as the Mauretania's funnel came aboard her boat deck. The liner rolled heavily and some twenty passengers and crew were bruised, but all injuries were of a minor character.

One Raft Is Still On Missing List

WASHINGTON, Nov. 13 (AP)—A message declaring that all passengers of the crippled steamer Vestris had been rescued with the exception of one group aboard a life raft was received today at coast guard headquarters from its Norfolk, Va., office. The message did not estimate the number of persons aboard the raft. Earlier reports from the rescue fleets had accounted for six life boats and one raft. It has not been learned how many small boats were launched by the Vestris.

Source Not Given
Source of the message, telephoned here from Norfolk, was not given. It was said the rescued passengers had been taken aboard the American shipper, the French oil tanker Myriam and the battleship Wyoming. The coast cutters Mascoutin, Manning and Modoc were reported

standing by the scene of the Vestris' sinking.

The American Shipper and the Myriam are bound for New York, but it is probable the Wyoming will return to Hampton Roads, Va. Earlier reports to New York from the coast guard destroyer Davis were that she was taking the survivors aboard and would land them at New York.

May Salvage Boat
NEW YORK, Nov. 13 (AP)—Officials of the Lamport-Holt line asserted at 10:30 a. m. today that they were still without official advice that the Vestris had sunk. They were hoping she was afloat and salvageable.

Bad Weather Adds To Naval Tragedy

WASHINGTON, Nov. 13 (AP)—A strong northeast wind, rains, mist and a heavy sea apparently were the weather conditions which surrounded the sinking of the British steamer Vestris and also saw disaster overtake two other vessels. This was revealed by reports to coast guard headquarters here and by radio dispatches from ships which rushed to the aid of the Vestris' passengers.

Rescue Efforts Fail
Crossing the bar, heavy seas swamped and sank their motor boat. Other fishermen in the vicinity made an effort to rescue the men, in which they were joined by coast guardsmen from the Hog Island and Palmer's beach stations but all that could be found was their boat adrift with bottom up. In addition to Captain Hartman, those who lost their lives were Leroy Burdick, Cleveland Bailey, William Taylor, John Watson, Alonzo Sneed, Robert Badger and Edward Hunter.

Boat Driven Ashore
A hardy Gloucester fishing boat which had ventured far to the south was driven ashore late last night six miles south of Virginia beach. Coast guardsmen went to the rescue and after a stubborn battle with a high-running surf succeeded in reaching the stranded vessel and carrying ashore its master and the five members of his crew.

Auto Racers Among Vestris' List
LOS ANGELES, Nov. 13 (AP)—Earl Devore and Norman Hatten, listed with their wives as passengers aboard the liner Vestris, long have been associated with automobile racing in Southern California and were en route to South America as the advance guard of a group of eight racing drivers.

In the last Indianapolis 500 mile

CHICAGO POLICE QUESTION BUSINESS MEN FOLLOWING SHOOTING OF PLAYER ON NORTHWESTERN FOOTBALL ELEVEN

(By Associated Press)

CHICAGO, Nov. 13—One of those series of circumstances so frequent in detective fiction and so rare in reality has drawn two business men today into the case of John Archer, Northwestern university football player severely wounded by gunfire early Sunday.

Five Of Crew Are Away On Leave

LIVERPOOL, Nov. 13 (AP)—Four of the crew and the assistant Purser, C. R. Jones, of the liner Vestris, were away on leave when their vessel, arrived at Liverpool today aboard the steamer Celtic, the purser being on vacation and the others on sick leave.

Wives Are Fearful
None of them had heard of the disaster to the Vestris until they landed, realizing the anxiety of relatives who were not aware that the men were not aboard the Vestris, the authorities passed them through the custom formalities quickly and allowed them to hurry home.

Had Been Drinking
McKee and Church told detectives they had been drinking together Saturday night and early Sunday, and that McKee had driven to Church's home about midnight.

McKee Then Went To a Cabaret
McKee then went to a cabaret, he said, and remained until 6 a. m. Sunday.

Two Cabarets Were Ordered Raided
and a man and woman, whose identities were made known, were arrested.

The Condition of young Acher, a substitute fullback who played in part of the Northwestern-Purdue game Saturday, was reported today by his physician as "dangerous." One of the bullets was removed from against his spine.

ERUPTION OF LAVA SLOWER

MT. ETNA'S SPEWINGS DECREASING; HOPE SPRINGS ANEW

CATANIA, Sicily, Nov. 13—The velocity of the lava streams flowing from Mount Etna decreased today. This was the opinion of the director of the Vulcanological Institute, that the eruption was entering its final phase brought joy to the populace of the stricken region.

While awaiting the disposition of the relief fund of 1,000,000 lire (about \$50,000) voted by the Council of Ministers, Signor Frontieri, prefect of the department, and Monsignor Velli, bishop of Acrales, today consigned a sum of money to Vincenzo Palano, Fascist secretary of Municipal relief committee.

People of all the towns in the neighborhood were vying with one another to bring aid and comfort to the homeless.

Dr. Borgo, provincial secretary of the Fascist syndicates, was running a 24-hour service at the headquarters in Giarre. There not only food and shelter were available but also a flying squadron of Blackshirts was always on duty waiting to be sent to any portion of the stricken zone to rescue the aged and infirm. The Fascists recruited many volunteers among the younger refugees themselves.

Professor Ponte's announcement was made after the veil of St. Agatha, which, according to tradition, has arrested the flow of lava toward Catania in the past, had been exposed in the cathedral by order of the Archbishop Cardinal Nava.

In ordering that the veil be exposed, the Archbishop issued an appeal for prayers by all in the diocese. He exhorted the population to remain calm and maintain their faith. On previous occasions prayers to St. Agatha were said when an eruption occurred and the lava stopped short before Nicolosi and Linguaglossa, 25 miles north of Catania.

STEWART CASE

(Continued From Page 1)

that Stewart had denied any knowledge of how the bonds were distributed.

Search for "Tampers"
Rover announced his office was endeavoring to ascertain identity of the young man whom Robert N. Caldwell, a prospective juror in the case, had said called at his home wanting know whether he would "hold out."

Frank J. Hogan, defense counsel, review Stewart's two appearances before the senate committee and declared no such question as those upon which the indictment is based had been asked.

The defense counsel recalled that 457 questions had been put to Stewart in February and 479 in March. He contended that the stenographic reports of these hearings were not entirely accurate, and that "errors of understandings" had occurred at that time.

CORPUS CHRISTI, Nov. 13 (AP)—Hearing on application for writ of habeas corpus for Robert Lothring, under indictment for the slaying of E. Young Beville, was set today for November 15. Young was shot to death last September as he lay in his bed at a hospital here.

Thought Work of Gangsters
I was the opinion of Stege, who ordered McKee held, that McKee was in the automobile from which young Archer was shot and either fatally wounded or crippled for life. The shots were fired, the commissioner believes, by gangster guests of McKee.

McKee's arrest came after he had telephoned police that his automobile, which answers the description of the car from which Archer was shot, had been stolen sometime Saturday night or Sunday morning. Detectives found the car last night at a short distance from where McKee reported it had been parked when it was stolen.

McKee and Church told detectives they had been drinking together Saturday night and early Sunday, and that McKee had driven to Church's home about midnight.

McKee then went to a cabaret, he said, and remained until 6 a. m. Sunday.

Two cabarets were ordered raided and a man and woman, whose identities were made known, were arrested.

NEW HIGHWAY

(Continued from Page 1)

be finally designated at that time. The route from Quanah to Paducah offers one of the best problems to be considered.

The meeting of the association will be within the next 90 days at Carlisle with the New Mexico highway commission. Before that time representatives of the association will confer with the Texas highway commission in the interest of paving the highway.

Co-operation between the Texas, New Mexico and Oklahoma, is sought in the enterprise.

CONSTANCY IN OIL REPORTED

OIL AND GAS JOURNAL SAYS ALL FIELDS HOLDING UP

(By Associated Press)

TULSA, Nov. 13—A trend towards constancy was found in the current report of the Oil and Gas Journal here in the estimated daily average production of light and heavy gravity oils in the United States during the week ending Nov. 10. A total increase in both of 1,649 barrels and an equally small amount of increase, 2,537 barrels, in light oil were estimated.

Despite an estimated increase, however, a total decrease during the week of 4,162 barrels, 3,100 of which was supplied by Semole.

West Texas Constancy was reported in Oklahoma fields.

West Texas production was virtually constant.

The Gulf Coast, Eastern, South-west Texas and Rocky Mountain areas varied slightly above and below the constant mark. California, however, registered an estimated increase of 7,260 barrels, offsetting virtually all other decreases. Heavy gravity oil production in California did not change over the week preceding.

The grand total estimated daily production of light and heavy gravity oils during the week ending Nov. 10, was 2,505,945 as compared to 2,504,196 for the week ending Nov. 3.

Johnston Funeral To Be At Gonzales

Body of W. W. Johnston, 59, who died on his farm near McClung community Sunday, was sent from Slaton to Gonzales, his former home, where funeral services will be held.

Mr. Johnston is survived by his widow, one daughter, Mrs. Arthur Ward, of San Antonio; Earnest and W. W. Johnston, Jr., of Gonzales; and Bob Johnston, of near Slaton. He was an uncle of H. L. "Bud" Johnston and Mrs. W. J. Morris, both of this city.

Mr. Johnston moved here about five years ago and has lived both here and at Gonzales since that time.

Regular Dance To Be Held At Palace

The dance to be held tonight at the Uptown Dance Palace was inadvertently advertised this morning as a "Carnival Dance," but will not be a carnival affair but instead the usual program. Eli Hoover, manager, said this afternoon.

The carnival dance was held last night and was well attended, those present enjoying the features of the program. Manager Hoover said.

BLAME IN CRASH GIVEN TRAINMEN BOARD REPORTS

WASHINGTON, Nov. 13 (AP)—The Bureau of Safety of the Interstate Commerce commission today held Engineman Young and Conductor Davis responsible for a head-on collision between a passenger and freight train on the Missouri Pacific near Waring, Kansas, last August 20. Three employees of the railroad were killed and 32 passengers, three trainmen and one hobo were hurt in the wreck.

"Disobeyed An Order"
This accident was caused by failure to obey a wait order for which Engineman Young and Conductor Davis, being in charge of train No. 13 (passenger) were responsible, a report made public today said. "A contributing cause was the failure of the crew of extra 1500 promptly to protect their train when running on short time against train 13."

It further asserted that Conductor Davis said he had depended on the Engineman to sound required signals and paid no attention to the location of his train after departing from the last station.

BUY'S WHOLE THING
TONOPAH, Nev., Nov. 13 (AP)—Walter Scott, eccentric millionaire of the Nevada desert country better known as "Death Valley Scotty" has bought a 75 mile telephone line.
