Tid Bits By HVO

AS THE WORLD WHIRLS: And isn't this the whirling week? Mark it well -- the week Eastland claimed the 8-AA District Championship as our crystal ball foresees a 47-14 win for the Mavericks Friday night. (Handicapper Alsup, of Fabel Fame, won't accept our prediction in his contest, however.)

And so many knowledgeable ones see this year's Mavericks as the GO TEAM, and they mean by that the State Title can be their limit, assuming they keep playing the ball they're capable of, and retain their good team spirit. Locally you hear some wonder why they've been permitted to rack up such gigantic scores; answer's easy when you consider that the only way they could have failed to put many points on the boards was to lay down, and this team doesn't know the meaning of that...And isn't that an nice position to be in?...Understand Coleman has objected to the use of our regular officiating schedule (out of Wichita Falls chapter) and that we'll see some out-of area referees Friday night...It's a shame we don't have some extra bleachers at Maverick Stadium for the throng to be on hand.

AND THE WEEK too that construction begins on Eastland's new 68-unit apartment complex--in answer to the city's desperate need for additional housing. Private investment sees our town as THE town and the nice things these people are saying about our future makes us all feel mighty proud. Full cooperation is the watchword as locals assist in helping the developer get rolling...To be located just south of Sadosa St., near the Elementary School, handy to everything, the new apartment complex is slated to be tops in every respect, with various levels of accommodations to provide a total housing solution...Many here already are ready to move into the apartments as soon as they're ready, and some other good things, which have been pending the arrival of housing, may begin happening soon for our town.

COUNTY JUDGE Scott Bailey was in Austin Wednesday with a delegation from the seven-county area asking the state insurance commission to take these counties out of the high-risk Panhandle premium rate zone, and into the more realistic mid-section zone in the state. If the request is granted as is reasonable to assume it will be, we can expect the cost of our wind and hail insurance to go down, which would be a welcome situation.

Apartment Complex Construction Begins

Completion Due Early February

As the big dozer starts digging in the work began today on a new 68 unit 1.1 million dollar apartment complex in the 600 block of West Sadosa Street in Eastland. Completion of the units will take approximately 3 to 4 months depending on the weather stated Mr. Jack Britt, vice-president of the Company.

The com pany building the complex is Sabbine Valley Lumber Co. and Associated Builders of Fort Worth. Vice President of the company is Jack Britt of Fort Worth. General Superintendent of the job is Floyd McClesky also of Fort Worth.

The units will be built in units of four with eight units to a structure. A pool and playground in the middle and back of the complex will add to the beauty and pleasantness of the units.

The two story building with Masard type roofs, will be built of brick utilizing concrete floors both upstairs and down. The units will be fully carpeted with tile in kitchens and bathrooms.

Rent will be set for the moderate income bracket found in this area Britt said. He also added that certain units will be available under the fed eral subsidy and said that interested elderly parties should discuss it with the manager when he arrives in Eastland.

The city of Eastland will open S. Connellee a distance of 538 feet due south to permit the erection of the apartments. Construction is expected to be finished the middle or last of February.

Jack Britt stated that most of the workmen would come from Eastland and surrounding areas. He stated that they wanted to use as much help from Eastland as they possibly could so as to get his job done and also help the community.

Hiring will start in about two to three weeks stated Floyd McClesky, general superintendent of the job..

Sabine Valley has built many apartment complexes in the past years and have just completed a large unit in the Abilene area.

The units will consist of one, two, and three bedroom apartments.

Mr. Britt stated that he reliazed that the town needed this unit and that he felt that Eastland could benefit from the apartments to possibly bring other business into Eastland.

Officials Due for Vassarette Event

Some of Munsingwear's top executives have indicated they plan to attend the company's open house observing its 25th anniversary in Eastland on November 21.

Wayne Marquesen, Vice-President and General Manager of the Intimate Apparel Division, Dale Posey, Vice-President and Manufacturing Manager of the Intimate Apparel Division, Don Ellenberger, Director of Industrial and Public Relations and Mrs. Diane Hubbard, Public Relations Assistant, are all making their plans to make the trip from the corporate offices in Minneapolis.

All of the regional officials of the Munsingwear's Bra and Girdle operations have also expressed their intentions to be on hand to greet the company's guests for the open house. This will include Boyd Wollan, Production Manager, and who on two occasions has been interim plant manager at Eastland, Jim Gilmer, Chief Industrial Engineer, Don Viergever, Production Co-ordinator and a former plant manager, Jack Cockerham, Regional Personnel Supervisor, and John Whistler, also a former manager of the Eastland plant and presently Paris Plant Manager.

Two local employees, Stella Goforth and Tina McBee will be recognized for their 25 years of service and are the only two who have remained on the payroll since the company opened in Eastland on November 21, 1946.

Herd To Face 'Cats in Cowlot For Friday Crown Shoot -Out

Capacity Expected for 7:30 Kickoff

This F riday night the Eastland Mavericks meet the Coleman Bluecats in the District 8 AA playoffs. All the sports writers are picking this as the game of the week and it might well be.

48 reserved seat tickets were sent to Coleman for the middle section of the visitors side for the Friday night tilt. The ticketd went on sale Monday morning at 8:30 and at 10:00 were gone.

General admission tickets will go on sale in Eastland Thursday morning at 8:30 a.m. in the High School Business office. General admission tickets will be sold from 8:30 a.m. to 4:00 p.m. on Thursday and from 8:30 a.m. to 12:00 noon Friday. No phone calls or mail orders will be accepted. The general admission tickets admit you to the field only and do not guarantee you a seat in the stands. The box office at the field will open at 5:30 p.m. Friday.

Last season the Coleman Bluecats racked up 293 points while holding their opponents to 80 while going to Bi-district.

Back from the 9-2 team last year is a fine group of boys both offensively and defensively--which could again make for an interesting game here Friday night.

Coach Jack Baucom of the Bluecats has an even dozen lettermen back this year with seven offensive and six defensive starters.

The returning lettermen are not average players. They have senior Jimmie Alcala (160), a second team All-District pick at quarter back last year when he threw 11 touchdown passes, caught five passes himself, and finished with a total offensive reading of 1,067 yards.

Junior fullback Mike Marrs (190) fan for 795 yards in 130 carries (a six-yard average) and scored nine touchdowns last fall when he romped for 176 yards in 18 trips.

They also have youngsters like 200 pound senior tackle Danny Birdwell, an All-District selection for his defensive efforts, and Billy Don Faries, a 170 pound senior guard who is one of the district's best.

Other offensive regulars are tight end Buddy Bird, 170 sr.; halfback Jimmy Nunez, 145 Jr.; the team's no. 2 rusher with a 2.8 average and a rop receiver with 14 receptions for 262 yards and six touchdowns; and center Ronnie Howard, 160

Off the freshman team last year is running back Randy Warrki, Kenneth Jackson, a 200 pound junior who has found himself a spot in the forward wall of the Blue cats.

The Mavericks this week are coming in the game with a good win over the Winters Blizzards 52-0 last Friday night. Most of the boys are in good shape except for a few minor injuries or bruises and a few colds.

The outstanding offensive player for the Mavericks this week was

Shirley Frazier stated that this would be the "Ball Game" of "Ball Games". He said he felt confident that the boys as a whole would be in good physical shape come Friday night. Frazier stated that the boys still remember the score of last years game with the Blue Cats. Coleman 14 Eastland 13.

Superintendent Wendell Seibert stated that the Coleman School System was issued 48 reserved seat tickets for the middle section of the Coleman (visitor's) side. The tickets went on sale Monday morning at 8:30 and by 10:00 were gone.

General admission tickets will go on sale at the High School Business office at 8:30 a.m. Thursday morning. They will stay on sale Thursday from 8:30 to 4:00 p.m. and Friday from 8:30 to 12:00 noon. No phone calls or mail orders will be accepted, school officials state. The gates will open Friday night at Maverick Field at 5:30 p.m.

The football and band sweethearts will be presented during halftime activities here

This Friday night for the Eastland-Coleman Game we want to form a victory line-up from one end of the field to the other, the line will be in the shape of a "V" for victory. The line will come together at the north end of the field with the sign closing the lines. To accomplish this we will have to have the adults and students like.

Will you be one to back the Mavericks to the District Championship Title ?????

Alsup's Fables by Herman Alsup

In a conversation with Sheriff Lefty Sublett we were talking of the coming election and he said that he would be in the running for the office of Sherrif of Eastland County this time. Lefty said that his health had improved 100percent and that he was feeling fine.

I noticed in the Coleman paper this week that Friday has been procalaimed "BlueCat Day" in Coleman. Someone forgot to tell them that in Eastland every day is "Maverick Day."

I would like to see the high school gym full for the Friday afternoon pep rally. Everyone is urged to attend at 3 p.m. The High School Cheerleaders are doing a fine job and they are urging everyone that can possibly attend to do so.

Safeway Food Store in Eastland has a new manager, or is it just the old one coming back from a good "deer" trip. Manager Bill Worfford said that the trip was a great success.

Remember that General admission tickets go on sale at the School Business Office Thursday morning at 8:30 This means that you can get in the gate at 5:30 instead of standing in line to buy a ticket. A record crowd is expected at the game. Coleman's reserved tickets went on sale at 8 a.m. Monday and wiithin two hours all 548 tickets were gone. Some of the Coleman people started standing in line at 3 a.m. Monday morning.

Coming Sunday an essay on "Little Red Riding Hood" story.

Desdemona News

MRS. GARDEN TATE-corr.

Our proverb: Friendly suggestions are as pleasant as perfume.

Several members of the Desdemona Home Demonstration Club attended the Senior Citizens Bazaar in Eastland Wednesday, Thursday, and Friday of Nov. 3,4,5. the handwork that was on display to be sold (and some not for sale) was all well arranged and many sales were made. Cooperation is what it takes to make a success of anything.

Mrs. Myrtle Reid and Mrs. Neta Gee returned on Monday from a six-week visit in Pennsylvania and Virginia. Mrs. Reid visited her daughter, Mrs. Larry Martin and Mr. Martin and grandson Eddie Martin and family in Pennsylvania. Mrs. Gee visited her daughter, Mrs. Joe Prater and family in Virginia.

Mr. and Mrs. Loyd Browning of Longview visited with the Ott Raglands this week. Mrs. Browning is the former Fannie Beth Moorhead, daughter of Dr. Moorhead who was a physician in and around Desdemona for years, moved away some 50 years ago.

Mrs. Oleta Wade was honored with a surprise birthday party on Tuesday night at the O.E.S. Hall given by members of the chapter. She received many nice gifts. Mrs. Wade teaches school in Mineral Wells.

Mr. & Mrs. C.E. Ragland visited with their son Darwood Ragland and family of Big Lake over the weekend.

Mr. and Mrs. Bridges of Portales, N.M. have been visiting Mr. and Mrs. Jim Grimshaw this past week.

The weather was nippy Sat. night, but no killing frost.

Mrs. Inez Heeter had as her guests on Saturday several ladies for luncheon and enjoyed games of 42 in the afternoon. What a nice way to spend a cold windy afternoon.

Several members of the football team of McMurray College stopped by and visited with Mr. and Mrs. Stanley Baker, on their way to Stephenville.

Butch Baker and family visited his parents, Mr. and Mrs. Stanley Baker over the weekend. Butch is stationed at Ft. Hood.

Horace and Nora Lane had as their guests for Sunday dinner, Bro. John Lyons and family, Mrs. Neta Gee, Mrs. Dacy Williams, Mrs. Myrtle Reid, Mrs. Lorene Koonce, and Mrs. Glenn Lane of DeLeon.

A REMINDER: Don't forget the musical Saturday night Nov. 20, and Chili Supper.

Gordon News

Students will have a holiday Monday, Nov. 15 in order for the teachers to have a work day following the end of the second six weeks period.

A reception was held Sunday night in Fellowship Hall of the First Baptist Church honoring the new pastor, Rev. Cecil Harper and his wife and Dr. and Mrs. M.F. Ewton. Mr. and Mrs. Robert Dennis, Mrs. Lena Rogers and the honorees formed the receiving line. Members of the Fidelis Sunday school class served refreshments of punch, coffee and cookies to a large number of church members and guests.

Laura Lisa Butler, Gordon High School freshman was crowned Football Sweetheart during halftime activities at the homecoming game Friday night between Venus and Gordon. Others vying for the Sweetheart honor were Debra Strain, senior; Carla Isbell, junior; and Denise Stoner, sophomore. They were escorted by Mike McLendon, Dean Martin, Kenneth McLendon and Ronnie Crain, respectively. The football tri-captains, Larry Swagger, James Allen Scott and Chris Strain presented the new sweetheart with a bouquet of roses.

Mrs. Charlene Green was burned seriously Saturday afternoon when her clothing caught on fire from an open heater in her bathroom. She is a patient in Eastland Memorial Hospital.

RJC Library Construction

Construction work on the new Ranger Junior College library is progressing on

629-1707

schedule in spite of the recent rains and the projected completion date is for May of 1972.

The new facility, designed by the architectural firm of Zapalac and Griffin of Austin, will be a complete resource center when completed. The building will house not only the printed media, space for 28,000 volumes, but all multi-media sources as well.

Included in the system will be a teaching auditorium, a seminar room, media production and storage center and a library work area.

The teaching auditorium will seat approximately 200 and will be epuipped with multiple audio-visual devices for the teachers' use during a lecture. All visual projection and sound equipment will be readily accessible to the teacher through a remote control console in a moveable lectern in the front of the auditorium.

FT. ORD, CALIF.-- Army Private Thomas W. Isbell, 19, son of Mr. and Mrs. Dewey W. Isbell, Gorman, is assigned to Ft. Ord, Calif., where he is training under the modern volunteer Army FIELD EXPERIMENT.

The new concept, called VOLAR, combines basic and advanced individual training into a single 16-week program.

Decentralized instruction at the unit level and a reduction of formations and inspections gives the soldier more time to train and increased off-duty time. Fewer restrictions on off-duty travel and improved living facilities are other benefits of the Volar concept.

Pvt. Isbell began his training on Sept. 13 and is scheduled to complete the first phase on Nov. 5.

His wife, Ollie, lives at 2716 Parrott, Waco, Texas.

DENTON,-Danny Loyd Elrod of Eastland is among the 212 fall semester pledges to the 14 national fraternities at North Texas State University.

Elrod, who pledged Phi Kappa Sigma, is the son of Mr and Mrs. O. Loyd El rod of Eastland.

Ft. Hood, Tex. -- Jimmy A. Sharp, 17, son of Mr. and Mrs. Elmer J. Sharp, Desdemona, recently was promoted to Army Private First Class at Ft. Hood.

PFC. Sharp is a tank crewman in Company B, 1st Battalion, 66th Armor, 2d Armored Division.

His wife, Janice, lives at 801 W. Commerce, Eastland.

AUSTIN--One of the largest businesses in Texas opens its doors in November.

Its 510,000 customers will spend about $88 million in about two month.

The business will utilize 37 million acres of leased land, and the processed product will be worth more than $6 mill on.

It's the annual fall deer season in Texas, an event anxiously awaited by hunters as well as hardware store owners, ranchers and packing house operators.

The economic impact of the deer harvest in the state is becoming well known to most Texans. But oddly enough, the impact could be greater yet if all the areas populated by deer were used properly, according to Texas Parks and Wildlife Department officials.

A total of 290,706 deer was legally taken during the 1970 season. That's a lot of deer, but the total represents only about nine percent of the herd.

Biologists say under most conditions an annual harvest of 15 percent to 25 percent of the herd is appropriate.

Red Cross Is Longtime United Fund Agency Here

Almost everyone knows that the Red Cross provides relief to disaster victims, as in the case of the Lubbock Tornado, the hurricane on the Mississippi Gulf Coast and on our own Texas coast, to name a few recent disasters.

Another service that some people are not familiar with, unless they have had occasion to use it, is Service to Military Families. This is the outstanding feature of your Red Cross in Eastland County. It is the link between the folks at home and the servicemen, where ever they are stationed around the world. If an emergency exists at home such as critical illness or the death of next of kin, the Red Cross sends the message requesting emergency leave for the serviceman. This is the only way a serviceman can be granted emergency leave-for the Red Cross to verify the need.

The veterans and their dependents are also included in Service to Military Families. The local chapter assists with government benefits when it is needed, also makes reports for the veterans and their dependents.

Eastland County is fortunate to have a first aid instructor, who is Miss Martha Graves of Cisco Junior College, Miss Graves has certified 58 people in standard and advanced first aid in the past year. She is now teaching a class of L.V.N.'s at the college and also a class in Moran made up of people from Moran and Albany. Their county does not have a first aid instructor.

Home Nursing is taught in Eastland High School, as well as Mother Baby Care, by the Homemaking teacher, Miss Loretta Morris.

When it is possible to get an instructor, the local chapter also enters the Learn to Swim program.

State FB Reports Large Membership Gains

WACO-- The Texas Farm Bureau has registered its largest membership gain in 15 years and also achieved an all-time high in number of members.

According to Texas Farm Bureau President J.T. Woodson of Gober, a total of 127,402 member families was tabulated at the end of the organization's fiscal year. This reflects a gain of 6,244 over last year, and marks the 19th straight year for the TFB to show an increase in members. The fiscal year ends Oct. 31.

A total of 167 of the 206 organized counties showed an increase over last year. Ellis County won honors for the third consecutive year as largest county with 2,094 members. Harris County was runnerup with 2,078 members.

Woodson said the increase should enable Texas to maintain its rank as third largest state Farm Bureau in the nation, behind Indiana and Illinois.

The state farm leader said that this year's big gain, achieved in spite of a dwindling farm population, is significant. It shows that farmers and ranchers are more determined than ever to be strongly organized, he said.

'We producers in agriculture now comprise only about 5 per cent of the total population,' Woodson said. 'We know that only by being organized can we expect to exert any influence in the county courthouses, in our State Legislature, and in Washington, D.C.'

Tolar Whips Carbon Santo Due Friday Nite

The Tolar Rattlers beat the Carbon Wolverines in a non-district game Friday. The score was 60 to 19.

Leading the scoring for Tolar was Lynn Parker with 14 points and Larry Pack with 16 points. Pack scored on runs of 9 and 1 yards. Also kicked two extra points. Lynn Parker scored on a 15 yard field goal and five extra points. Also scoring was Jimmy Bramlet on a 20 yard run. Also scoring with Bramlett were Ricky Wilson on a 8 yard run, Paul Ives on a 10 yard pass, Don Jackson on a 10 yard run and Robert Robertson on a 5 yard run. This ended the scoring for Tolar which totals to 60 points.

The scoring for Carbon was done by just one player. This player was Jimmy Cook. Jimmy Cook scored on a 68 yard pass from James Norris in the first quarter. Then in the second quarter Jimmy Cook caught another James Norris pass for a touchdown., This one was a 25 yarder. Then in the final quarter Jimmy Cook ran the ball over from 8 yards out. Jimmy Cook also scored Carbons only extra point after the first touchdown. It was a pass from James Norris.

The Carbon boys played a real good game even though they did not win. All the Carbon fans are real proud of our team. We all hope they win their last game of the season when they host Santo. The game will be played on Friday night Nov. 12.

Flying Airport?

One morning in 1952 citizens of St. Joseph, Missouri, awoke to find that the wandering Missouri River had cut a new channel. Since then their city airport, though still legally Missouri domain, has been on the Kansas side of the stream.

Mrs. A.L. Williams, Jr., known affectionat ely as Polly, was invited to become the Directress of The Greenhouse in May of 1968. Having been a member of the staff of Tulane University in in New Orleans, Louisiana for several years, working with young people in counseling and making a social life for university students, she came to The Greenhouse with an excellent background.

Mrs. Williams is a third generation Texan. She lived for many years in Sherman, Texas, where she maintains a home and has been active in the social and civic life of her community.

She attended Texas Woman's University and The University of Colorado.

She is the mother of two beautiful daughters and eight lovely grandchildren.

Hostesses for the Wednesday afternoon meal and meeting were: Mrs. Lynn Nicholson, Mrs. Jack Frost, Mrs. Austin McCloud, Mrs. B.B. Alexander, and Mrs. H.J. Bulgerin.

15 Girls Become Brownies

Fifteen girls officially became Brownies in an investiture held Tuesday, November 2, at the First United Methodist Church Fellowship Hall. They are members of Troop 197.

New Brownies are: seated - Cindy O'Brien, Melinda Walton, Mary Pennington, Clista Lowrance, Diane Johnson, JoAnne Gibson and Chrystal Bowling. Standing are Laura Underwood, Debora Meazell, Debora Hill, Marla Elliott, Jenny Stevens, Darla Phelps, Pam Miller, and Mary Sullivent.

The investiture opened with the Pledge of Allegiance to the Flag. Each girl recited the Brownie Promise before receiving her pin. The pins presented were the Brownie Girl Scout Pin and the World Association Pin of Brownies. The investiture closed with the girls singing the Brownie Smile Song.

Refreshments were served to parents and guests by the girls. Also participating in Brownie activities are Jo Ann Meazell, Cormack leader, and Nancy Lowrance, Assistant leader. Many other activities are planned for the troop in the coming year.

As It Looks From Here

by Omar Burleson

WASHINGTON, D.C.--UNDER THE RULES OF THE U.S. HOUSE OF REPRESENTATIVES, legislation can be forced on the Floor for debate with the signatures of 218 Members, which constitutes a majority of its Members.

THE PROCEDURE IS NOT THE BEST method for bringing bills up for debate and is rarely successful. There comes a time, however, when a Committee of the Congress fails or refuses to act on a measure that the majority favors, then this process is a last resort.

SUCH IS THE CASE PRESENTLY for a Constitutional Amendment to prohibit the busing of school children to attain racial balance. The Judiciary Committee, which has jurisdiction over this subject, refuses to approve bills pending before it for this purpose.

A PETITION WAS FILED on October 4, 1971, to discharge the Judiciary Committee and bring a Constitutional Amendment up for debate directly. The petition now has 115 signatures but 103 more are needed to produce the desired results. HERETOFORE A NUMBER OF AMENDMENTS dealing with Federal Aid to Education have been adopted prohibiting the use of appropriated funds for the purpose of busing school children out of the district where they live to another area for the purpose of achieving racial balance. The courts have virtually ignored this direction from the Congress and have overruled the limitation. It appears that the only way to resolve the matter is by Constitutional Amendment rather than by statute.

A CONSTITUTIONAL AMENDMENT REQUIRES 2/3 majority in both the House and Senate for passage. If passed and approved by 3/4 of the State legislatures, the prohibition against upsetting neighborhood schools would become the 27th Amendment to the Constitution.

THE PROPOSED AMENDMENT is simple and direct. It says 'No public school student shall, because of his race, creed, or color, be assigned to or required to attend a particular school.'

THIS LANGUAGE IS SUBJECT to amendment when, and if, this measure is finally forced out bty the discharge petition route but the essence and intent will be pretty much in the above language.

UNDER THE PRACTICE OF BUSING, whole neighborhoods are being disrupted and the quality of education stands to be irreparably injured. It simply does not make sense that a child should be bused 1 0, 20 or 30 miles away just for the purpose of giving a racial balance in the school room. In places, the bus from the inter-city to the suburbs meet the bus from the suburbs coming into the city.

Ethridge Receives Top TESCO Award

TWO NATIONAL AWARDS received by Texas Electric Service Company's Transmission Division for safety record are held by A. E. Ethridge Jr., division Superintendent, left, and J. M. Pannebaker, company superintendent of power. W. G. Marquardt, vice president of operations, right, presented the awards at an employee meeting Thursday, Nov. 4.

Two outstanding safety achievement awards for working a million man-hours without a lost-time injury were presented to employees of Texas Electric Service Company's transmission department here Thursday (Nov.4).

The awards were from the National Safety Council and the Edison Electric Institute, a national association of electric utilities.

A.E. Ethridge Jr., transmission division superintendent, received the awards from W.G. Marquardt of Fort Worth, vice president of operations for the company. Also present at the employee meeting from Fort Worth were J.M. Pennebaker, superintendent of power, L.C. Kinard, director of personnel relations, and C.K. Shelton, safety services manager.

The million man-hours was from July 5, 1955 to Aug. 24, 1971, and the transmission group's record has continued unbroken to this date. The division has 45 employees

Thursday Club Observes Special Day

The Thursday Afternoon Club met in the Woman's Club November 4th to observe Federation Day. The president, Mrs. J.F. Francis extended greetings to members and guests and after the pledge of allegiance to the flag was given, she presented Mrs. Joseph M. Perkins, the program chairman.

Mrs. Perkins introduced Mrs. Valera Baruk, Music Director of Ranger Junior College, who directed the Choral Club in two numbers The Lord's Prayer and America The Beautiful.

Miss Martha Graves, 2nd Vice-President of the Heart of Texas District brought greetings from the Cisco federated clubs.

Mrs. J.C. Dyer of Cisco and Mrs. Ven O. White of Ranger and Miss Ozella Pulley of Gorman and Mrs. Herman Hassell of Eastland were introduced as federated club presidents. Mrs. Joseph M. Perkins, Mrs. James Horton, Mrs. Grady Pipkin and Mrs. E.R. Townsend were introduced as 40 year federated club members.

The State President of Federated Clubs of Texas, Mrs. Philip A. Carpenter gave an interesting talk and she took for her subject, "Take Time". She stressed that we should take time for worth-while things and in the passing of time, we will sometimes sail with the wind and at other times we will be against the wind. She said that when she was elected president that she took for her theme: "Seeking A Better Environment For Woman-hood". Mrs. Carpenter touched on Conservation and the need of Technical Education in our schools and colleges.

The Ranger College Choral Club gave the following numbers: "I'm Going To Ride the Chariot In The Morning Lord; "Superstar based on the Bible", "Amazing Grace" and closing with "The Lord Keep and Bless You".

The tea table was beautiful with white cut-work cloth, pink flowers and pink candles carrying out the club colors of white and pink.

Refreshments of fruit cake, mints and spiced tea were served to the following Eastland club members and guests: Mesdames, C.L. Bigby, D.L.Childress, Turner Collie, Cecil Collings, W.F. Davenport, J.O. Earnest, J.F. Francis, Cyrus Frost, Herman Hassell, Mareen Johnson, D.L. Kinnaird, Cladys Miller, Arthur Murrell, Joseph M. Perkins, Grady Pipkin, Floyd Robertson, E.R. Townsend, Roy Young, Gene C. Boney, W.T. Sublett, May Marshall, Wendell Siebert

Guests: Mesdames J. C. Dyer and Miss Martha Graves of Cisco, Mesdames Ven O. White, Walter Daniel, Saule Perlstein, Kenneth Hill, Chas. A. Hummell, Lemmons all of Ranger and Mrs. Dorothy Hatcher and Miss Ozella Pulley of Gorman, and Mrs. Philip A. Carpenter of Burkburnett.

Gary Young Sets With Horns At Cotton Bowl

Gary Wayne Young, son of Mr. and Mrs. Curtis Young of Eastland, could very well be the envy of every boy in the Big Country. He was honored with a bench pass by the University of Texas Longhorns at the Cotton Bowl on Saturday, October 30th at the Texas-SMU game.

The wheels started turning last summer when Joe Brown of Arlington, Gary's cousin, played golf with Darrell Royal, Longhorn coach. Knowing that Gary was an avid Longhorn fan, Joe felt that Gary would treasure Mr. Royal's autograph. The famous coach was not only glad to oblige, but wanted to know about Gary personally, offering to furnish him a pass to the Longhorn game of his choice for the 1971 season. Gary decided on the SMU tilt and was awarded the "bench pass" which means that you sit on the Longhorn bench, see and meet the players, get pictures of them autographed on your program, become a personal friend of Darrell Royal, and have your picture taken with him.

Gary attended Eastland schools for twelve years and graduated from Eastland High School in 1967. He was never able to participate in sports but has always been an A-1 supporter of all Maverick athletic events. Mr. and Mrs. Young have joined in his enthusiasm because you can't be with Gary without some of his wonderful attitude rubbing off on you.

An honor of this nature could not have happened to a more deserving young man. It will not soon be forgotten by Gary nor his many Eastland friends.

The Nimrod Neighbors Progressive Club met Monday night for their recreation meeting which was a soup supper. Agood number was present to enjoy the supper.

Bald tires, those with no tread at all in some spots, are 44 times more likely to have flats, tests show.

Chances of skidding in an auto are five to ten times greater when driving on wet roads.

Minister Writes Of 'Love'

There are many kinds of love and just as many ways of expressing our love. This brief missive will embrace a threefold means of expression. First and foremost is our love for God and all that pertains to his kingdom. And we express that love in the respect we show for his creative work. Love for God implies a love for our fellowman so these two loves comprise the first part of the triumverate of expression. Secondly, there is a love for country and we express this love by the respect we show for those things which symbolize our country such as the flag and our national anthem. Finally, there is our love for our school and we express this love by respecting the school song when and where the opportunity presents itself

A lack of respect and an outward manifestation of this lack is indicative of an absence of love for the things we claim to hold so dear. May I suggest a cultivation and an expression of respect for God, man, country and school. Eugene F Williams Minister, Christian Church

MAYBE YOU DON'T NEED INSURANCE----

. . . If you don't own a home, furniture, jewelry or a car, you can get along without the services of an insurance agent. But for the most of us, life is not that simple. Modern living has become so complex that the protection of property and personal liability is a major problem and we must be insured. The individual you can always depend on for accurate solutions of your insurance problems is your local agent.
